COMMUNITY CHEST CAMPAIGN OPENS NOV. 1

Expect Record Vote To Be Compiled at Tuesday's Election

Question of Juvenile Detention Home Tops County Issues

Tuesday, Nov. 2, is election day in Michigan and both Democrats and Republicans are working vigorously toward the wind-up of their campaigns.

State, Congressional, legislative and county candidates are to be elected and there are four amendments to the state constitution. In addition, Washtenaw county voters will be voting on the question of transferring \$110,000 from the county's general fund to a special fund for construction and equipment of a juvenile detention home.

In Sylvan township a proposal for "the sale of spirits in addition to beer and wine for consumption on the premises" will also be submitted to electors.

The four amendments are listed as follows: No. 1—To prevent disqualification of electors because of having moved within this state during the 30 days preceding an election; No. 2—Relative to sales tax and distribution of sales tax revenues (known as the Conklin plan); No. 3—Authorizing borrowing of not to exceed \$80,000,000 to pay bonuses for military service during the "Korean War"; and No. 4—To permit the legislature to authorize charitable lotteries.

The latter, popularly spoken of as the bingo question, is expected to bring out a record number of voters since proponents, as well as those opposing the amendment, have been working hard to get out the vote.

Gov. G. Mennen Williams, seeking his fourth term, heads the Democratic ticket with Philip A. Hart as candidate for lieutenant-governor. Other Democratic candidates are James M. Hare, secretary of state; Thomas M. Kavanagh, attorney general; Sanford A. Brown, state treasurer; Victor J. Targonski, auditor general; Patrick W. McNamara, U. S. senator; J. Henry Owens, representative in Congress; Lewis C. Reimann, state senator, 33rd District; Aloysius P. Minick, state representative, 2nd District; Lawrence Oltersdorf, sheriff; Elvaine R. Graves, county clerk; Garvin J. Brasseur, county treasurer; William L. Schaules, register of deeds; Harry Norton, drain commissioner; William H. Dickson, coroner.

Republican candidates, headed by Donald S. Leonard and Clarence A. Reid, for governor and lieutenant-governor are: Owen J. Cleary, secretary of state; Frank G. Millard, attorney general; D. Hale Brake, state treasurer; John B. Martin, auditor general; Homer Ferguson, U. S. senator; George Meader, U. S. representative; Lewis C. Christman, state senator, 33rd District; Joseph E. Warner, state representative, 2nd District; Edmond DeVine, prosecuting attorney (unopposed); Erwin L. Klinger, sheriff; Luella Smith, county clerk; William F. Verner, county treasurer; Patricia N. Hardy, register of deeds; John H. Flook, drain commissioner; Edwin Ganzhorn, Frank Staffan, coroners; Herbert S. Hicks, surveyor.

Careless Hunters Shoot Holstein Cow On Steele Farm

A valuable young Holstein cow which soon would have given birth to a heifer calf, was found dead Sunday morning on the Emerson Lesser farm operated by George Steele. The farm is located on Garvey road, west of Chelsea.

The animal was shot in the neck at close range, examination revealed, and a sheriff's officers were notified.

The Steeles said yesterday there was a possibility the calf might have been saved if they had known of the shooting when it happened. If the animal was shot unintentionally, they said, they cannot understand why the person responsible did not report it.

If careless hunters were to blame, it is another argument against permitting hunters on farms, although no one had asked permission to hunt on the farm Sunday, Mrs. Lesser said.

Mission Festival Set for Sunday at St. Paul's Church

Rev. Henry G. Dinkmeyer, D.D., president of Elmhurst College, Elmhurst, Ill., will be the guest speaker at the annual Mission Festival of St. Paul's Evangelical and Reformed church. The annual event is to take place Sunday, Oct. 31, and will include a morning and an evening service.

Rev. Dinkmeyer will deliver the sermon during the worship service which begins at 10:45 a.m. and will also speak informally at the evening service which will be held in the church hall and will begin at 7:30 p.m.

A male quartette from the college will sing two numbers during the morning service and will sing several numbers in the evening. Principal speakers at the evening service are to be two girls from the mission fields of the Evangelical and Reformed Church who are now studying at Elmhurst College. They will also speak during the regular Sunday school period at 9:30 a.m.

Members and friends of the church are invited to attend all of the special services, according to Rev. P. H. Grabowski, pastor of St. Paul's church.

Displays, School Visits Will Mark Annual Education Week

Nov. 7-13 is American Education Week and the faculty of Chelsea Elementary school and Chelsea High school are extending an invitation to all parents to visit the schools during that time.

Plans are also being completed for appropriate displays in merchandise windows as part of the observance.

Airman Third Class Donald Eugene Rowe is now studying radar aircraft control at Keesler Air Force Base in Mississippi, according to information received by his parents, Mr. and Mrs. Wesley Ellenwood. A 1954 graduate of Chelsea High school, he enlisted June 28, and was sent to Sampson Air Force Base at Geneva, N. Y., for his basic training. He was transferred to his present station in September.

Calvin Tebedo Killed as Auto Leaves Road

Calvin C. Tebedo, 29-year-old father of two boys, was killed early Saturday when his car ran off a Lake road and turned over several times, pinning him beneath it. He was found dead in the wreckage at 4:10 a.m.

Tebedo, who was alone in his car, is believed to have fallen asleep at the wheel.

He had been a Chelsea resident since August, 1953, and had been employed as a welder at Chelsea Manufacturing Corp. since Oct. 10, 1953. His home was at 661 West Middle street.

Born Nov. 24, 1925, in Standish township, Arenac county, he was a son of John and Laura Smith Tebedo. He was married in Bay City Aug. 17, 1948, to Ann Phyllis, who survives, together with the two sons, Darwin, 7, and Terry, 4 years old.

Also surviving are his parents, of Bay City; two sisters, Mrs. Clarence Brown of Twining and Mrs. William Adams of Bay City; and six brothers, Clifford, Robert, Donald, Melvin, Clark and Harvey, all of Bay City.

Before coming to Chelsea last year, Mr. Tebedo had been employed from June, 1944, until Sept., 1950, by General Motors Corp., in Bay City, transferring to the Chevrolet Service Parts plant in Saginaw where he was employed from Oct., 1950, until July, 1953. July 3, 1943, he enlisted in the SeaBees serving until March 13, 1946.

He was a member of the Fraternal Order of Eagles. The body was taken to the Staffan Funeral Home and on Sunday was removed to the Vallender & Penzien Funeral Home in Bay City where funeral services were held at 2 p.m. Tuesday. Burial took place in Bay City.

Mr. and Mrs. Frank Bishop spent the week-end with Dr. Joseph Fontana in Mason.

Kiddies Halloween Party Scheduled for Saturday Evening

Parade Will Start From High School Promptly at 6:45

Window painting for the customary Halloween parade, refreshments around a bonfire on the school grounds, and a dance to follow, will offer entertainment for all the young people of the community at the annual Kiwanis-sponsored Halloween party. The party will take place Saturday evening, Oct. 30, with the parade scheduled to begin at Chelsea High school at 6:45 p.m.

The window painting contest is in charge of Paul F. Nishaus who has announced that all window painting must be completed by Friday night so the judging can be done Saturday morning.

The window painting will be judged in three classifications: grades four through six; grades seven through nine; and grades ten through twelve. In each classification the prizes are \$3, \$2 and \$1 respectively for first, second and third place.

Russell McLaughlin is general parade chairman and he is arranging to have the parade get underway promptly at 6:45 p.m. Children participating will be given noisemakers before starting.

time by a committee headed by Maxwell G. Sweet.

The line of march will be from the school south to Orchard street; west on Orchard to Main street; north on Main street to East Middle; East Middle street to East street; and south to the school grounds.

Judges of costumes will select prizewinners in four classes: most typical of Halloween; most original; funniest; and nearest. In each class prizes of \$3, \$2 and \$1 will be awarded for first, second and third place, respectively.

Dr. P. E. Sharrard will be responsible for the bonfire on the school grounds and Lloyd Heydum is arranging for the refreshments. He said yesterday he believes the 80 gallons of sweet cider and 125 dozen of doughnuts he has ordered will provide plenty for all who attend.

School Superintendent Charles Cameron, as chairman of the program in the gymnasium, has arranged for the popular trampoline troupe from the University of Michigan as part of the evening's entertainment.

Other chairmen working for the event are Robert Feter of the house committee; Police Chief George Doe in charge of policing; and Anton Nielsen, publicity and judging.

Charles S. Cameron Named President of Local Kiwanis Club

Charles S. Cameron was elected 1955 president of the Kiwanis club at the meeting Monday evening. Other officers elected to serve with him are Paul Mann, first vice-president; John Alber, second vice-president; James Liebeck, treasurer; and John Griffin, William Collins, Luther Kusterer and William Rademacher, directors. Anton Nielsen was chairman of the nominating committee.

The program, in charge of Charles Cameron, was a continuation of the discussion begun at last week's meeting on the question of state and county equalized valuation as a basis for levying taxes in relation to effects on school districts.

General reports were given at the meeting by Jack Merkel, chairman of the coming Kiwanis pancake supper, and William Collins, chairman of the Halloween party.

Guests at the meeting, held in the social center of the Methodist church, were Ruth Ann Spisak and Shirley Barth, Chelsea High school seniors; Don Goodson of Mill Lake; Louis Reimann of Ann Arbor, a past Michigan District governor; Don Goodson of Mill Lake; and Raja Nasser, of Beirut, Lebanon, now a graduate student at the University of Michigan.

Douglas Lange, recently returned from Wyoming, rejoined the club group.

World Community Day Service Set for Friday, Nov. 5

Women of the Methodist, Congregational and St. Paul's Evangelical and Reformed churches will hold their annual World Community Day service at the Methodist church Friday, Nov. 5 at 2 p.m. It was announced this week.

The joint observance is being arranged by a committee of six representing the three churches. This includes Mrs. John Fischer and Mrs. William Storey of the Methodist group, Mrs. W. J. Grossman and Mrs. Russell McLaughlin of the Congregational church; and Mrs. Lowell Davison and Mrs. William Blaess of St. Paul's church.

Coach Al Conklin was pleased by the performance of Tim Schulze and George Collyer who took over for regulars who missed the game because of injuries and scholastic difficulties.

The stage is now set for Friday's all-important battle with league-leading Saline on the local field. With improved TEAM performance in the past two ball games Conklin believes the Bulldogs are hungry for a victory over Saline. Fathers of varsity players will be honored in the annual Dad's Day ceremonies at half time.

'Kick-off' Luncheon To Be Held Monday For Fund Workers

Budget of \$9,000 Adopted for First Year's Operations

A "kick-off" luncheon at the Congregational church at 12 o'clock noon, Monday, for all campaign workers, will officially open Chelsea's first Community Chest Drive. Lowell Davison and Alfred Mayer are co-chairmen for the campaign.

At the luncheon, workers will receive their instructions and will be given all materials needed for their canvass of the community which is to include the Chelsea Agricultural Schools school district and the 13 rural school districts that send high school pupils to Chelsea.

Final plans for the opening of Chelsea's first Community Chest campaign were completed at a meeting held in the Council room of the Municipal building Tuesday evening.

Goal of the campaign is a total of \$9,000 and the budget as approved at the meeting assures that 65 per cent of the amount raised will remain here for local needs while the remaining 35 per cent will be allocated for county, state and national quotas of the Chelsea area.

Contributions for the Community Chest Fund will benefit Girl Scout and Boy Scout organizations, the Social Service Committee sponsored by the Woman's Club of Chelsea, Chelsea Recreation Council, American Red Cross, American Cancer Society, the Salvation Army, United Health and Welfare Fund and the Chelsea Schools Band Instrument Fund.

The \$9,000 sought also provides for a contingency fund and for expenses which might be incurred in the process of putting on the campaign.

It was pointed out at the meeting Tuesday that the Red Cross quota included in the budget takes the place of the customary industrial and payroll deduction plan of the past years but the Red Cross reserves the right to make a house-to-house canvass for contributions. Such contributions to the Red Cross are voluntary and optional on the part of contributors to the Community Chest Fund.

Not included in Chelsea's Community Chest Fund is the annual January March of Dimes polio fund campaign. The charter of the National Foundation for Infantile Paralysis does not permit the March of Dimes inclusion in any joint campaign such as a Community Chest.

The Easter Seal sale of the Washtenaw county chapter of the Society for Crippled Children and Adults and the Christmas Seal campaign of the Washtenaw county Tuberculosis Association are also not included in the Chelsea Community Chest. Both groups conduct direct mail campaigns in all communities.

The United Health and Welfare Fund item in the budget list takes care of contributions to 12 Michigan agencies and 17 national agencies including those for multiple sclerosis, mental health, heart, cerebral palsy, epilepsy, general child welfare, family service and many others.

The band instrument fund included in the local Community Chest budget will permit purchase of band instruments for rental to school students who could not otherwise take part in the band music program.

Co-chairmen Mayer and Davison plan to have the Community Chest Campaign concluded by the end of next week but contributions will be received throughout the month of November.

Needlework Guild Members Give Clothing for Needy

Garments, Household Linens Being Turned in at Series of Social Functions

The Annual Needlework ingathering of new clothing and household linens for social service work in the community got underway Tuesday evening, Oct. 19, when Mrs. David Strieter entertained at a coffee hour at her home for the members of the group of which she is director.

There are 15 groups in the community and each of the directors had planned an individual tea or gathering to entertain members of her group when they bring their contributions for the ingathering. It was pointed out by Needlework Guild officers that the needed items are:

kind of small children, principally for ages four through seven.

Wash dresses, slips, underwear and stockings for girls, and blue jeans or corduroy overalls, T-shirts, sweat shirts, underwear and stockings are desperately needed for distribution to boys in the above mentioned age group.

Also needed are items for infants' layettes and household linens of all kinds.

Membership in the Needlework Guild requires only that two new articles of clothing or household articles be donated once a year. The two articles should be the same type and size so there will be "one to wear and one to wash." Money contributions are also welcomed.

PROPOSED JUVENILE HOME—Probate and Juvenile Court Judge Jay H. Payne today released the above photograph of the architect's conception of the proposed new juvenile home. This home will become a reality in Washtenaw county if Proposal No. 1 is favorably passed in next Tuesday's election. Tentative plans call for masonry construction of cinder block and brick facing. The roof and all other construction materials, as far as possible, will be fire resistant.

By prior action of the County Board of Supervisors, the Juvenile Home, if Proposal No. 1 passes, will be constructed in county-owned property on Platt road, south of Washtenaw road.

"It is a question of transferring the sum of \$110,000 from the county general fund to a special Juvenile Home Building fund," Judge Payne states. "This money is presently available and will not require any additional taxation. It is simply a request for authorization to transfer available funds for this special purpose."

It has been repeatedly explained by Judge Payne and the Juvenile Court staff that Washtenaw county's need for a juvenile home is a distressing one. The need is increasing daily. They have reported that 345 new cases were brought before the juvenile court last year and they expect no less than 500 new cases will come to their attention this year.

Rogers Corners Church Schedules Mission Festival

St. John's Evangelical and Reformed church at Rogers Corners has announced its annual Mission Festival which is to take place Sunday, Oct. 31.

Rev. Theodore Schmale of Ann Arbor, who alternates with Rev. T. W. Menzel in conducting regular services at the church, will be the speaker at the morning service which begins at 10 o'clock.

Rev. Schmale for many years has been a member of the Board of National Missions of the Evangelical and Reformed Church and has served as board chairman. Several years ago he and Mrs. Schmale visited the mission stations in Honduras.

Rev. Theodore Tuenge of Mt. Clemens, will speak at an evening service which is to begin at 8 o'clock. His subject is to be "The Needy Are Still With Us."

"BROADWAY BUTTERFLIES" and "butter-and-egg men" who took part in the American Legion's show, "You Can't Beat Fun," are shown above with Wally Grossman, who emceed the show Thursday and Friday nights in Chelsea High School gymnasium. The play was given in a night club setting. Shown standing, from left, are Arnold Lehman, Legion Commander William Blaess, Dudley Foster, Wendell Mitchell, Wally Grossman, Don Houle Eldon Gorton and Charles Spence. Kneeling, from left, are Elton Guenther, Ray Houle, Tom Tuoci and Henry Orling.

Decorative Ming-style "trees" made of weeds and bits of wood; a life-size turkey centerpiece for the Thanksgiving table; ceramics; handmade Christmas gifts; and many other items were among the craft exhibits at the Extension Women's Craft Tea held Thursday afternoon at Emanuel Evangelical and Reformed church Hall in Manchester. Clubs from Extension District IV and V were represented and approximately 100 women attended.

Arrangements for the tea were made by Mrs. William Reule and Mrs. Mary Clark as senior and junior representatives of District IV and V. Mrs. Eugene Stockwell and Mrs. Eugene Huber of Manchester, senior and junior representative of District V on the Washtenaw county Extension board.

Clubs from this area and the crafts they exhibited included North Lake, Christmas greens and decorations; South Sylvan, party favors; Sylvan, felt purses; Jerusalem, Turkish towel items, including child's bathrobe; Beacon Light, handmade Christmas gifts; North Sharon, Turkish towel toys; Rogers Corners, aluminum trays; Chelsea Homemakers, painted shell and seed picture and Swedish embroidery; Freedom, ideal, hand-painted wooden trays; and Lyndon, a kitchen set of towels and smock made of drapery material and displayed with a Grandma Moses print.

The crepe paper "turkey" was exhibited by Mrs. Anna Brown, Washtenaw county Home Extension agent.

The crafts are separate projects of Extension club groups and are not a part of the year's Extension club study topics. The crafts are special interest projects of the various groups and the annual tea gives members of other groups in the two districts an opportunity to inspect them and get ideas for their own use.

Girl Scout Council Told of Advantages in County-Wide Group

Mrs. Fern Brown, Girl Scout executive from Ann Arbor, was a guest at the Chelsea Girl Scout Council meeting Wednesday after-

noon, Oct. 18, and explained to the local group the advantages which would result if the group became a part of a Washtenaw county Girl Scout Council.

The local Girl Scout organization now has a total enrollment of 112 girls, it was reported at the meeting. The local girls are to attend church services in a group

Oct. 31 in observance of the birthday of Juliette Low, founder of Girl Scouting.

In an effort to facilitate the provision of Girl Scout uniforms for Chelsea girls, a box is being placed in the Chelsea Public Library where girls may place any uniforms they may wish to sell. They should fasten to the uniform

a slip mentioning the size and the price and their own name and address, according to Mrs. Lewis Bernath, Chelsea Girl Scout Council president.

Wednesday's meeting was held at the home of Mrs. Alfred Mayer.

Foreign Student Speaks Before Friends of Library

Raja Naser, of Beirut, Lebanon, a graduate student at the University of Michigan, was the guest speaker at the Friends of the Library meeting Monday evening. In June he will have completed two and one-half years of study in linguistics and education and expects to return to Beirut to teach in the American University.

His talk here was on the topic "International Understanding and Misunderstanding."

During the semi-annual business session at the meeting, purchase of the library periodicals was authorized. The Friends group will pay approximately \$115 for the rack which will provide a convenient place to keep the 30 periodicals which the library regularly receives.

Customary reports of the librarian, Mrs. George Walworth, and Mrs. E. W. Eaton, representing the library board, were given. These reports indicated that a long-range plan to replace the present book shelves with light oak shelving has already been started by the library board.

Mrs. Warren Daniels, in a report of the library's building and site fund, stated that there is now in the fund a total of \$3,000.

James K. Daniels, Friends of the Library president, said yesterday that additional members of the group would be welcomed. He explained that membership requirements are simple and dues are a minimum of \$1.00 annually. Anyone who cares to become a member may contact the librarian.

Rev. Grabowski's Sister Dies in Saginaw

Rev. and Mrs. P. H. Grabowski and their daughter, Mrs. Charles Lancaster, were called to Saginaw Tuesday, Oct. 19, by the sudden death of the former's sister, Miss Margaret Grabowski.

Funeral services and burial took place in Saginaw Friday, Oct. 15. Survivors of Miss Grabowski, in addition to Rev. Grabowski, are three brothers, Adolph, with whom she made her home, Ernest, also of Saginaw, and Hans, of Lansing; and a sister, Mrs. Henry Helm-kamp of Pontiac.

No New Taxes Needed for Proposed Juvenile Home

Washtenaw county voters approve Proposition No. 1 on the Nov. 2 ballot—to provide a transfer of funds for a new juvenile home—they can pride themselves on taking an important step in solving the problem of juvenile delinquency.

No new taxes will be authorized by County Proposition No. 1. It merely asks the voters to allow the Board of Supervisors to take money already on hand, \$110,000, to build a juvenile home for the temporary custody of youngsters who come before the Probate Court who need help, whether they are delinquent, as a third of them are, or dependent and neglected as the rest.

This home is not to be a correctional institution, nor is it to be an orphanage. A juvenile home is a place where children can be cared for a few days while the court is trying to solve their problems. Some of them are then sent to foster homes, because their parents are unable or unwilling to care for them. Some are sent to correctional institutions or institutions for specialized remedial care.

Others are returned to their parents or to relatives. In any event the turn-over in a juvenile home is rapid. For that reason a large institutional-like building is not needed or desirable.

Preliminary plans have been drawn based upon recommendations for such homes made by the National Probation Association, an organization of recognized leadership in this field. Final plans will not be made until the voters have given their approval of the project, but will no doubt largely follow those already made.

The preliminary design calls for a one-story, T-shaped building which would have rooms for 14 children and a supervisory couple. Several more could be taken care of for short periods of time, if necessary. Partitions between some rooms are so arranged that they could be opened up so several children from one family could be kept together if this is desirable. Provision is made for "secure" (locked) rooms although most of them will be "open custody" rooms. There will be times when a youngster who is really delin-

quent must be detained and "secure" detention would most likely be needed in such a case.

The home will include a kitchen, dining room and recreation room. The site south of the County Infirmary building of a second cottage later on if this should be needed as the county population increases.

Location of the home near the county's main population concentration, as well as close to the court itself, will save much time and transportation expense. Having it apart from the court makes it possible to retain some home-like atmosphere, which is considered by authorities to be highly desirable. This gives neglected children a better setting and start toward what may be a new life and at the same time aids in the care of delinquents whom the court is eager to save from further delinquency.

With 345 new cases last year and with an additional 500 new cases by the end of 1954, at least a third of whom ought to be detained, it is obvious that the county must find some way to care for these youngsters. Putting the most serious cases in the county jail is questionable under the law and harmful to the children. Taking them to detention facilities in Adrian, Pontiac and Toledo, Ohio is no longer possible. A juvenile home for our own county is thought most feasible by the County Board of Supervisors.

Cub Scouts To Meet Thursday Evening

Cub Scouts, with their parents and prospective Cub Scouts and their parents are to gather in the Home Ec. room at Chelsea High school at 7 o'clock this evening for a Pack meeting.

It is emphasized by Cubmaster Howard Flintoft that parents of all prospective Cub Scouts should be present with their sons.

"SELF-HELP"

Increasing sales and expanding its market have been foremost objectives of this cooperative during the past three years.

Through the mediums of advertising and publicity "Milk as a Beverage" has been promoted as never before in the greater Detroit market with gratifying results.

Creating new markets and strengthening old ones is a "self-help" project instituted by the members of this organization as a cooperative means of protecting farm income by the same methods as are used in successful private industry. It is a demonstration of forward thinking on the part of farm cooperative membership.

Above is pictured a giant spectacular electrical display at one of Detroit's heaviest traffic intersections (Woodward Avenue and Seven Mile Road). Greater Detroit is "milk conscious" as a result of the promotional program carried on by the producers' organization.

Dairy farmers are able to carry out such a project by means of a strong cooperative.

THE FORWARD LOOK . . . "These three words are Chrysler Corporation's signal for a dynamic new era in your life!"

WITHIN A FEW WEEKS, Chrysler Corporation will offer you five all-new motor cars . . . Plymouth, Dodge, De Soto, Chrysler and Imperial.

These cars will present, each in its own distinctive way, a fresh styling concept. We have named this new concept THE FORWARD LOOK.

You will know why we chose this name when you see these cars. They are in tune with the kind of fresh ideas and fresh feeling you are seeking today in all the things you use.

Chrysler Corporation designers set out to

express the public's contemporary feeling for form that flows from purpose . . . to create cars with a spirit which would capture and match the spirit of the people who would own and drive them.

Out of this kind of thinking, after months of development, now come cars that reach out for the road ahead and seem to be in motion even when they are standing still. They have THE FORWARD LOOK.

If you, personally, like to be among the first with something good and new, I suggest you see your dealer now, while he is starting to make up his advance order lists.

Many cars will be offered as new this year. Only these five will offer THE FORWARD LOOK!
