Bulldogs Lose Sloppy Game To Flat Rock

Defeat Drops Team Into Second Place Tie with Dundee

Chelsea Bulldogs lost Friday's basketball game at Flat Rock to the team they had beaten in a previous game by a score of 70-49. Friday's score was 60 for Flat Rock and 49 for Chelsea.

Descriptions of the game indicated that Flat Rock players showed no respect for the so-called superiority of Chelsea's Bulldogs. After falling behind 12-4 early in the first quarter, Flat Rock rallied and piled up nine more points to tie the score 13-13 at the end of the quarter.

The lead changed often in the second quarter which again ended in a tie, 23-23; however, that was almost the last that Chelsea was to see of the Flat Rock players who scored first in the third quarter and never relinquished the lead for the remainder of the game.

The game with Flat Rock was one which saw Chelsea, who had been controlling the backboards in all previous games, give up 14 of Flat Rock's 23 field goals on rebounds by being outplayed on the backboards; also, hitting only 21 per cent of their shots. Chelsea stood little chance against the Flat Rock Rams, according to reports of the game.

With Friday's defeat, Chelsea fell into a tie with Dundee for second place in the Huron Valley League.

Chelsea's only hope for first place is for a three-way tie in the event that Dundee beats Saline this week in the scheduled game at Dundee.

Chelsea plays Ypsilanti Roosevelt in Edinboro gymnasium at 8 p.m. Saturday. The reserve game starts at 6:45 p.m.

The JCC group went on record with a unanimous vote of full support of a change in form of municipal government in Chelsea after hearing Village President Maxwell G Sweet discuss the issues of a city-charter proposal.

Other business at the meeting included committee reports given by Bob Anderson, Claude Arnett, John Popovich, Walter Schrader and Jack Wellnitz.

Polio Fund Total Passes \$2,233 Mark

Thursday night's benefit basketball game yielded a total of \$43.73 in contributions for the March of Dimes fund, according to an announcement made following the event.

The amount was declared generous, considering the bad weather conditions which kept many people at home. The heavy snow made driving difficult.

In the game—between faculty women and senior girls, the faculty women lost by a score of 20-24 while the faculty men, playing against an "oldtimers" team won with a score of 66-42.

On the women's faculty team were Mrs. Marian Johnson, Miss Greta Balstad, Miss Maitha Smith, Mrs. Sylvia Gordon, Mrs. Evelyn McDonald, Miss Kittie Taormina, Mrs. Joanne Gagnon and Mrs. Paula Balfour.

Faculty men who played included Jack Musser, Alan Conklin, Philip Smith, Eugene Shroyer, John Murdoch, Arthur Schmwak and John Griffin.

The "oldtimers" team included Luther Kusterer, Richard Kern, James Gaken, Dudley Foster, Carl Hansen, Don O'Dell, Don Schaefer, Ted Slane and Eleanore Eisele.

Other contributions received during the past week by Mrs. Hugh Sorenson, Chelsea March of Dimes chairman, included \$1.03 raised by a club of five little girls, Penny Boyer, Denise Ersten, Patty Lawton, Patsy Hageman and Sandra Gieske.

Additional figures listed by Mrs. Sorenson are \$782.50 from Central Fibre Products, Inc., representing \$800 from the company; \$150 from the employees; \$100 from Donald Bacon, president of the firm, and the remainder from the sales and office personnel; dime cards total to date, \$391.71; with total contributions from all sources to date, \$2,233.55.

Included is a contribution of \$5.20 sent to Mrs. Sorenson by Miss Mabel Fox, high school teacher who "fired" gum-chewers in her class one cent for each offense and then matched the amount of the fines collected.

Mrs. Sorenson said she was expecting additional white contributions from various sources.

High School Band Enters Competition

First Entry in District Festival For Many Years

Chelsea High school's 48-piece band will participate in the district band festival at Michigan State Normal College, Ypsilanti, Saturday. It was announced this week by Eugene Shroyer, Chelsea band director.

This is the first time a Chelsea band has entered the district festival in some years. Interested people of the community are invited to be present for the festival.

The local band has chosen "Emblem of Unity" by Richards, as the selection for the introductory "warm-up" March number and "American Folk Rhapsody" by Grundman as their third number.

The second of the three selections the band is to play is the required "Vogue Overture" by Holmes.

County Corn Allotment Raised for '55

Washtenaw county's corn acreage allotment for 1955 is 50,295 acres as compared with the 1954 allotment of 45,890 acres. In making the announcement, W. C. Pritchard, chairman of the Washtenaw County Agricultural Stabilization and Conservation Committee points out that the increase over 1954 is due to an increase in the national allotment recently proclaimed by Secretary of Agriculture Ezra Taft-Henson.

The national corn acreage allotment for 1955 is 49,842,697 acres; in 1954 it was 49,905,504 acres.

Pritchard advises that the county allotment is now being apportioned among the corn growing farms of the county and that notifications of individual farm allotments will be in the mail to farmers about Feb. 28. Those who feel that their allotments have not been properly calculated may file an appeal with their county committee within 15 days after the allotment notice was mailed.

The farm allotments, Chairman Pritchard explains, are based on the acreage planted to corn in 1951, 1952 and 1953, as adjusted for abnormal weather and changes in the type of farm operations. Adjustments also may be made to bring the corn acreage into conformity with farms that are similarly operated and also are similar as to tillable acreage, crop rotation practices, type of soil and topography. After this a uniform adjustment percentage is applied to all farms in the county to bring the total within the allotted acreage for the county.

Farmers who stay within their farm acreage allotment will be eligible for price support on all surplus.

Finish Carpentry Course Will Begin Next Monday

Other Courses in Adult Education Series Scheduled

Cake decorating has proved such a popular course in the Adult Education program at Chelsea High school that it is believed two weekly class sessions will need to be planned. Anyone who is interested in taking the course should enroll immediately.

The class is planned for Wednesday evenings at present but additional sessions will be held Tuesday evenings if only a few more register. Mrs. Edward Visel is the instructor. Her first class was held last night.

Needed also, before the class can be organized, are additional people for a requested English grammar refresher course.

An adult social dancing class has also been requested.

Anyone interested in any of the classes should fill out the form to be found on page 12 of this issue of The Chelsea Standard and send it to John Griffin, high school principal, as soon as possible.

These People Favor Making Change To City Government for Chelsea

With numerous committees working zealously to bring the facts involved in a change to city form of government before Chelsea village residents, our roving reporter asked some of the merchants and businessmen of the town as to their opinions on the proposed change. Their replies are printed below.

"I believe that most of the people who have served in our village government will agree that if our town is to progress as it should we need a more modern form of government. The men we elect to the various village offices are conscientious in their efforts to serve us well but they lack the training and the time to fulfill their many duties. It is my opinion that a change to city form of government with trained management, would give us far greater efficiency at no extra cost and also eliminate many confusing duplications."

—M. W. McClure, Village President 1947-1951

"Changing Chelsea from a village to a city has many advantages. The fact that it will give this community a greater voice in Washtenaw county government is a very important one to all of us."

—Edwin W. Eaton

"Knowing that by far a large majority of present and past presidents and councilmen favor Council Manager form of government makes me in favor of same. Certainly they should know the needs more than we on the outside. The men who have served and now serve are from all walks of life and obviously in most cases lack the technical knowledge of sidewalks, sewage, roads and many other things required of them. Consequently, trained help appointed by and responsible to the Council, can fill this required need."

—Robert Foster, Merchant

"I believe a city form of government would give Chelsea a more business-like government. The Village of Chelsea has grown to where it's assessed valuation is now \$3,600,000. A responsibility such as this certainly needs the implements with which it can adequately and efficiently govern itself."

—Donald Alber, Merchant

"With the understanding that the final approval of the form the new government would take rests with the voters, I feel that the change over to a city could be a forward step for Chelsea."

—Emmett Hankerd, Merchant

Not a shift, but a switch of the pitch

And man! What that does for Dynaflo! HOTTEST BUICK IN HISTORY. No wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever before in history—topping the monthly list that has already made Buick one of the "Big Three" in total sales.

This is for sure... There's never been anything in your car-driving experience like the feel of Buick's new Variable Pitch Dynaflo*—because there's never been anything like it in a car before. In a modern plane, yes. For this is the principle of variable pitch propellers used on airplanes. Their propeller blades change "pitch" for quick take-off—then change to another "pitch" for better gas mileage in cruising aloft. Now you can do the same thing on the ground—in a 1955 Buick. Twenty propeller blades have been ingeniously engineered into the Dynaflo unit. They pivot—one way for a big boost in gas mileage while cruising—another way for brilliant new performance. You switch the pitch for instantaneous

acceleration just by pressing the pedal way down. Then it happens... A build-up of momentum as smooth as oil—and as quick as a split second. Dazzling new response on getaway—or a spectacular burst of instant safety-surge power when you need it out on a highway. It's pure thrill—and a happy surprise in its far better gas mileage in cruising. Yet Variable Pitch Dynaflo costs not a penny more than earlier versions of this wonder drive. How about you trying it? That way you can also look into the sizzling new horsepowers, the fresh new styling, the envied ever-level ride, the eye-opening low prices—all of which are making the 1955 Buick the hottest seller in all history. Come in this week, won't you?

Thrill of the year is Buick

NO GHOST TOWNS

For hundreds of Michigan communities, motor vehicles are the sole means of transportation — autos and buses for passengers, trucks for freight. These communities are not served by any other transportation system!

Yes, wherever there are roads — and Michigan is known for its many miles of good highways — trucks can and do perform a vital service for the people, bringing them everything they eat, wear or use — swiftly, economically.

There are no ghost towns in Michigan. Folks in small, out-of-the-way communities are as well fed, well housed and well clothed as the people of Michigan's largest metropolitan centers — thanks to trucks.

Many interesting points were brought out in regard to keeping with the law. Mrs. Walter Riemenschneider and Mrs. Leon Sanderson gave a report of the Farm Bureau Women's Committee meeting they attended at Salem Town Hall near South Lyon, Jan. 27. They stated that the county group had made a contribution to the Sister Kenney Fund and to the student nurse recruitment project, and that announcement was made that everyone should be urged to take part in a proposed TB test to be conducted by a mobile unit next fall. They also reported that the next scheduled Farm Bureau Women's Committee meeting is to be held in this area, the date and place to be announced. Mrs. Neil Nixon of Dexter, is to chairman the meeting. Mrs. Riemenschneider and Mrs. Sanderson concluded their report by mentioning that each local Farm Bureau group is expected to contribute \$1.00 for the sponsorship of a foreign student and two cents per member for the Associated Country Women of the World (ACWW).

Following the afternoon's work on the club's missionary projects, the hostesses served refreshments in the dining room where an arrangement of spring flowers centered the table. The flowers were a gift from Mrs. Nicolai's daughter, Mrs. Harold Whipple of Ann Arbor. There were 13 members and one guest present. It was announced that the next meeting will be held March 10 at the home of Mrs. Louis Eppler.

Methodist Home Birthday Party Honors 11 Residents

Yesterday, eleven residents of the Methodist Home whose birthdays occur in February were honored at a dinner celebration during the noon dinner hour. Oldest of the eleven is Miss Linda Hankinson who will be 96 years old Saturday, Feb. 19, and has lived at the Home since Dec. 18, 1947. She came here from Rochester where she was a member of St. Paul's Methodist church. Others whose birthdays were observed are Mrs. Nora Bradshaw, Mrs. Martha Townsend, Mrs. Elsie Henry, Miss Cary Speechly, Mrs. Minetta Hall, Mrs. Nellie Bascon, Mrs. Lella Young, Mrs. Minnie Goodremont, Miss Cora Simpson and Charles Maass. Each of the eleven received a personal gift provided by the Chelsea Home Friends of the Detroit Conference of the Methodist Church. A red and white paper scheme carried out the Valentine Day motif, the table centerpiece being a large heart pierced by a cupid's dart. Each person at the dinner received a valentine and valentine candy in nut cups marked each place. The birthday cake decorated in red and white, was heart-shaped in keeping with the decorations. Tests show that filberts, almonds, and peanuts keep better than pecans and walnuts. All nuts keep best unsalted, at cool temperatures and in tight containers.

Vocal Music Teacher To Attend National Educators' Meeting

Miss Murtha Smith, Chelsea vocal music teacher, is planning to attend the North Central division of the Music Educator's National Conference in Cleveland, March 5-8. Music educators will be gathering these four days to discuss and do some reflective thinking on the theme, "Music in Education."

As is always the custom, outstanding speakers such as James L. Mursell, Willard E. Goslin and many others will be present to lead the discussion on the place of music in general education and the community. Also, outstanding student groups from elementary schools, high schools and colleges in the area will be invited to perform and give demonstrations of newly developed trends in music education. Concert groups representing Michigan are: Pontiac Boys' Glee Club, Flint Central High School A Capella choir, Ferndale High school orchestra, University of Michigan singers, and a demonstration by a group of teachers from Kalamazoo.

Throughout the conference displays of new and traditional materials are available for the educators to browse over in attempting to add new information and techniques to their own teaching situation. Through all of the sessions, ample opportunity will be given for each educator to evaluate what he is doing for his students in terms of the music curricula and the newer trends in education.

SHOWER
Mrs. Arlo Dunkelberger of Bangor, entertained at a miscellaneous shower Saturday evening in honor of Miss Ashley of Ann Arbor, whose marriage to Donald McLean of Saline, is to take place in March. Mrs. Dunkelberger entertained at the home of her parents, Mr. and Mrs. Carl Schlosser, the 25 guests present being from Saline, Dexter, Ann Arbor and Manchester and from Lima township. Prizes in games were won by Mrs. Russell Schwab of Manchester and Mrs. Dan McLean of Saline, who presented them to the bride-to-be. Other gifts for the honor guest were concealed under an aqua and white parasol. With her mother, Mrs. Schlosser, and sister, Mrs. Raymond Schairer, assisting, Mrs. Dunkelberger served refreshments. Miss Ashley, formerly of Chelsea, is a daughter of Mrs. Herman Hashley of near Dexter, and the late Mr. Hashley.

From where I sit... by Joe Marsh

Swiftly Gets Slowed Down

Swiftly Fisher has a short temper and really hit the roof when he got a parking ticket last week. He wasn't near a hydrant or too far from the curb. There was a big sign saying "ONE HOUR PARKING" and he'd only been gone twenty minutes.

Running to Traffic Court, where Hack Miller was on duty, Swiftly hollered how he hadn't done anything wrong... how he is the most law-abiding driver in town.

But Hack examined the ticket, and smiled. "Slow down, friend," he said. "You're not guilty - ex-

cept of making a big fuss over nothing. This ticket came from some kid's policeman play outfit!"
From where I sit, jumping to conclusions can make anyone appear silly. Another way to look foolish, is to make a quick decision on a question of personal preference. For instance, I like a glass of beer occasionally. You may be a buttermilk man. But neither of us ought to "lay down the law" about the other's choice.

The annual Blue and Gold banquet, this year observing the 45th anniversary of scouting, was held in St. Paul's church hall Thursday evening with 190 Cub Scouts, their families and leaders present.

Table decorations, in yellow and blue, were miniature scouting scenes, with several displays of outstanding quality. The decorations were made by Cub Scouts and their den mothers, each of the eight dens preparing one.

Cubmaster Howard Flintoff presided during the program, which included group singing, a brief talk and presentation of awards to Cub Scouts, and a "kitchen band" number presented by a group of members of the Women's Guild of St. Paul's church.

Other steps on the itinerary include the recently remodeled barn on the Wes Amsdill farm, 7861 Gregory road, Dexter, which is station type and has 30 tie stalls, gutter cleaner, and now drier. The visit to the Amsdill barn is scheduled for 10 a.m.

Other stops listed are Neil and Bill Nixon farm, 6175 Daley road, Dexter, at 11 a.m., and Durwood Mullreed farm, 6101 Park road, Ann Arbor, at 3 p.m.

The Nixon barn is newly remodeled and the Mullreed barn is to be remodeled soon.

Farmers Invited To Participate in Barn Inspection

At 1 o'clock tomorrow afternoon, the barn tour announced last week by Donald R. Johnson, Extension agent, will be stopping at the Clifford, Jim and Keith Bradbury farm, 9875 US-12 to inspect their newly remodeled barn for their expanded stalls and gutter cleaner.

At 2 o'clock the touring farmers will stop at the Clarence Reddeman farm, 10395 Jerusalem road. The station-type barn on the Reddeman place reportedly would lend itself to many remodeling possibilities to suit the owner's desires.

Corn Allotment

the corn produced in 1955, provided the corn meets grade and moisture requirements, and provided the corn is stored in a bin or in commercial storage approved by the county ASC committee.

Eligible corn may be put under Commodity Credit Corporation loan as in other years. Purchase agreements also will be available. The rate for 1955 will be announced at a later date but will not be less than 82 1/2 per cent more than 90 per cent of parity. Farmers who stay within the corn and other acreage allotments established for their farm also are eligible for Agricultural Conservation practice payments.

The corn acreage allotment program, Pritchard explains, is the means provided by law for orderly stabilizing of corn production in line with anticipated requirements and to assure cooperative producers that their corn will have a market value which is fair to producers and consumers alike. Allotments are required each year except under emergency conditions.

Mrs. Charles Willoughby and Mrs. Lowell Scripper called on Mrs. Jennie Miller and Mrs. Roy Miller Monday afternoon.
