New Members Join Local Churches in Easter Week Services

A total of 20 new members were added to the congregations of churches at the Maundy Thursday services. The number includes the confirmation class of six boys and girls—Helen, Harold, Brooks, Loretta and Patricia Jones, Jane McLaughlin, Wilson Morley and Quentin Smith.

Others who became members are Mrs. Robert Burke, Robert Burke, Jr., Mr. and Mrs. Kenneth Neal, Billy Neal, Mr. and Mrs. Richard Smith, Mr. and Mrs. Wilbur Werner, Mr. and Mrs. Douglas Lange, Mr. and Mrs. Carl Luckhardt and Helen Jarvie.

At St. Paul's Evangelical and Reformed church, 27 new members were added at Easter Sunday and other recent services. Those include the confirmation class: George Mayer, Olen Hart, John Meehan, Donald Erke, Charles Koenigster, David Schroen, Fredrick Wagner and Ronald Warren.

Others are Marianne Wisemann, Mr. and Mrs. William Weirich, Mr. and Mrs. Rudolf Weirich, Mr. and Mrs. Thomas Bust, Mr. and Mrs. Elmer Scherdt, Mrs. Malcolm Novess, Janice Miller, Melissa Tarasow, Mr. and Mrs. Fredrick Wagner, Mr. and Mrs. Lawrence Schabbe, Mr. and Mrs. James Young and Mrs. Andrea Gule.

At the Congregational church a social hour in the church parlors followed the Maundy Thursday service while at St. Paul's church, the new members met members of the church board and were served refreshments in the church hall dining room Saturday evening.

It is as far from Ironwood to Detroit as it is from Detroit to New York City. With Detroit as a center of radiating lines, Ironwood, also includes Ottawa, Ontario, parts of Iowa, and Knoxville, Tenn.

Port Huron, boyhood home of Thomas A. Edison, boasts the first electrified underground railway tunnel ever built (Port Huron-Sarnia). Opened in 1891, it was acclaimed an engineering marvel.

Modern Galilean Shepherd To Present Travelogue, Films at High School Gym

It is a far cry from the ancient hills of Galilee, and the pastoral life of the people there, to the dynamic days of the modern present in civilized America, but those two extremes are covered in the span of life of Stephen A. Haboush—a shepherd from Galilee, who has brought to America the story of Galilee and Palestine, told as only one who was born there can tell it. Haboush is a native Galilean. He was born on the hills about the Sea of Galilee, and in his youth tended his father's flock of

colleges, churches and schools in Canada and the United States. There is an inspiration in the life and teaching of Stephen A. Haboush for everyone. His messages and travelogues bring to the material present the story of life in Galilee and Palestine as it was and as it is, the story of the Scriptures interpreted by one to whom the scenes of the story of the four Gospels are his native land. He is the author of "My Shepherd Life in Galilee" and in the book review of the Boston Transcript appeared this statement, "He enters into the feeling of the most famous bit of the world's devotional literature with insight and charm."

Haboush's travelogue that he is bringing to our community in the near future is a distinct contribution to North American letters and to modern thought. It breathes the very life and mysticism of the ancient East. Part of it is delivered in native costume, the same costume worn by native Galileans in the days of the Bible story. Part of his dramatic story is delivered to the accompaniment of thrilling and motion pictures in full color. Many of the scenes that he will show in this program appeared in the National Geographic Magazine and leading religious periodicals.

He is to appear in person with

sheep, just as every Galilean boy has done since the days when the Master walked among men. He came to the United States several years ago and worked his way through an American university. Recently he returned to the land of his birth and there personally took in full color motion pictures of the scenes and people of Galilee and Palestine. He returned to America with his unusual films and thrilling story. He has written for magazines and newspapers and spoken before great audiences in many of the famous universities.

Profit-making business again will be asked to pick up the check for state government.

Just how much will be needed for 1955-56 is still in doubt and the qualified guesses range all the way from \$14 million to \$46 million a year.

"We're going to ask business to help us find the new revenue," said Senator Carlton H. Morris (R-Kalamazoo).

Morris, chairman of the Senate Taxation Committee, named the first 41 of a possible 60 members of a new citizen group, heavily laden with business and industrial executives from Detroit.

In the wind is some tinkering with Michigan's \$30 million a year business activities tax, adopted two years ago in a flurry of political name-calling and confusion.

Co-authors of the tax were Alan L. Gornick, of the Ford Motor Co., and S. M. DuBrul, of General Motors Corp., who were members of the former citizen group and now prominent figures on Morris' new advisory panel. Ex-Senator George N. Higgins (R-Ferndale) is also listed. He was chairman of the tax committee before Morris and is considered the legislative father of the business activities tax.

Democrats still are insisting, though not so vehemently, on Gov. Williams' \$101 million corporations profits tax, a goal for the last seven years.

Another possibility is the revival of the "Princeton Plan" of two years ago, a survey report which proposed such things as increased taxes on beer, pop and several other "nuisance" levies.

Over in the House, Rep. Rollo G. Conlin (R-Tipton) is thinking along the same line as chairman of the house tax committee.

Whatever happens, business is going to be asked to make up the difference between the \$292 million budget offered by Williams and the existing revenue.

Insurance breaks continue to come for cars driven by milady. A few weeks ago, the National Bureau of Underwriters slashed premiums for liability coverage on cars driven by the wife of the insured—perhaps his daughter under 25. Going a step farther, the bureau last week decreed that the wife or husband of the policyholder could have the same rights under liability coverage as the insured. The bureau handles policies covering the majority of cars in Michigan, said Insurance Commissioner Joseph A. Navarre.

"When the bureau moves, the independents generally move in the same direction," he said.

Within a year, insurance experts expect the independents to make the same decision and "eventually all the cars in Michigan will probably get the extended benefits," said Navarre.

Weeks will pass before the House will make a decision on Michigan's 365-page school code, a streamlined set of laws which are certain to start fresh controversies. Part of the battle is an attempt to bypass state equalized valuation of property for computing school taxes and a complicated system for collecting them and appealing the assessments.

The Senate defeated a proposal to permit counties whose boundaries bisect school districts to ignore state equalized valuation. It is certain to be revived in the house.

Another battle is expected over the ban on high school fraternities and sororities, written into the code in the Senate at the request of Detroit teachers, Parent-Teacher groups and others.

Teachers for years have fought secret societies, claiming they create cliques among students. Decentralization of education to meet growing demands of increasing numbers of students has be-

come the goal of Senator Don VanderWerp (R-Fremont).

He will direct a study of the feasibility of state aid to parochial colleges, junior and community colleges this summer.

The idea was born of crisis, the plight of four-year colleges which expect to be overwhelmed by doubled enrollments by 1970. Instead of building the big colleges, VanderWerp figures the smaller school could take over the first two years of higher education.

"That would make the present four-year schools available for the advanced work," he said.

Toward that end, VanderWerp is getting started on a committee to study the problem this summer. He already has conferred with church-supported colleges, teachers colleges and businessmen whom he hopes will offer ideas.

PUBLIC NOTICE

Notice is hereby given that Herbert J. McKune Post No. 91, American Legion, whose premises are located on Cavanaugh Lake, Route No. 1, Chelsea, Michigan, has applied to the Michigan Liquor Control Commission for a full license to sell beer, wine, and spirits to bona fide members only, and that it is the intent of the Liquor Control Commission to grant said license upon the expiration of ten days from the date hereof.

HOW'S YOUR BUDGET?

THESE ARE TRYING TIMES for the family paycheck, and the lady of the house has a man's job when it comes to balancing her budget.

She has a friend and helper in the truck, however, for, although she may not realize it, motor transport helps keep the cost of living down by cutting transportation costs.

The average family spends more for transportation than for any other item save food. So it is clear that the ability of trucks to increase the efficiency of moving goods of all kinds results in substantial savings to the consumer.

The thing we have to guard against is allowing politicians to increase taxes on trucks beyond the more than fair share they're already paying, for, you see, every tax increase on trucks actually comes right out of the people's pocketbooks in increased prices for everything they buy.

Southern Michigan Artists To Exhibit At Jackson Show

The Jackson Civic Art Association announced today through its president, Mrs. Milton Lodge, that plans are underway for a Southern Michigan Spring Show of paintings and the graphic arts in which artists of nine southern Michigan counties are expected to participate. The exhibit is scheduled to open in Jackson on May 23 and will be on view for three weeks.

Cash awards will be made in the various classes of work shown, including watercolor painting, oil painting and the graphic arts, and prizes awarded by a judging artist from outside the area. It is planned as an unusual feature of the show that a special award will be made for the best picture by an artist whose work is being hung for the first time.

All artists both professional and amateur are invited to submit works. The area from which pictures will be accepted includes Branch, Calhoun, Eaton, Hillsdale, Ingham, Kalamazoo, Lenawee, Washtenaw and Jackson counties. Co-chairmen of the show are Lee Fairchild and John M. Smith. Entry blanks and further information may be obtained from Mrs. Lawrence E. Baich, 226 N. Wisner Street, Jackson.

The Jackson Civic Art Association has been active in bringing to the community a number of programs for the advancement of art education in this area. Among them are the maintenance of a gallery and regular exhibits, lectures and classes of instruction. This regional show represents the first effort to bring this kind of art competition to Southern Michigan, and it is expected to be the first of an annual event.

World famous for the production of breakfast foods and cereals, Battle Creek is internationally known as a center of health. So constant is the city's stress upon health that even the local radio station is named "Station W-E-L-L."

Former War Crimes Prosecutor To Speak at High School Next Thursday

Robert Mills Donihl, former war crimes prosecutor in Germany, will speak Thursday, April 14, at 10:15 a.m. at Cheltenham High School. Subject of the talk is "Communist Infiltration of the German Government Before and During Hitler's Administration." He spoke at assigned to the International Tribunal for the Far East in 1946. In this capacity, Donihl was assigned to prosecute Japan's Prime Minister Tojo. Then he was sent to Europe to try Nazi war criminals.

In 1948, Donihl was requested by the War Department to act as counsel to General Lucius Clay's blocked Berlin staff on "high priority policy matters." In 1949 Donihl was appointed to the State Department's diplomatic service and was assigned Special Assistant J. McCloy at Frankfurt and Bonn, Germany. In 1952, he returned to the United States to run for Congress.

Donihl told The Chelsea Standard today "Nazism is a dead issue in Germany. A German has less chance of getting elected on that ticket than a Communist would on a Communist ticket in most U.S. cities."

From where I sit... by Joe Marsh
Learn How to Pull Together

Saw a kid go by the Clarion office on a brand-new coaster wagon yesterday—and it reminded me of when my brother and I were about forty years younger. Our folks weren't poor, but there wasn't enough to buy two wagons for Christmas. We got one between us. Dad made a rule that we each could have it for a week—but the boy with the wagon was responsible for keeping the kitchen wood-box filled. Seemed a bargain to Dad and me—at first. But soon we discovered it was no more fun playing alone than working alone. It wasn't long before we were sharing the wagon in return for sharing the chores.

From where I sit, you can't enjoy a privilege yourself if you're going to deny it to others. There are some folks who want the right to enjoy their favorite beverage—but would deny me my right to an occasional glass of beer. I doubt if such people get their full "share" of happiness, though.

This is the age of "easy-does-it." To prove it, Michigan State College home economists counted more than 30 different baked goods mixes to tempt Mrs. Consumer. They include—mixes for cakes of all kinds, cookies, brownies, pie crust, pie filling, muffins, biscuits, pancakes, waffles, rolls, donuts, candies, icings, and even pizza pie. She will have to decide whether or not to buy these not only by cost, but by time-cost convenience, the quality of food her family likes and how important the satisfaction of creating her own food products is to her.

This is the age of "easy-does-it." To prove it, Michigan State College home economists counted more than 30 different baked goods mixes to tempt Mrs. Consumer.

They include—mixes for cakes of all kinds, cookies, brownies, pie crust, pie filling, muffins, biscuits, pancakes, waffles, rolls, donuts, candies, icings, and even pizza pie.

She will have to decide whether or not to buy these not only by cost, but by time-cost convenience, the quality of food her family likes and how important the satisfaction of creating her own food products is to her.

Want to feel like a pilot feels?

HOTTEST BUICK IN HISTORY

No wonder you see so many '55 Buicks on the highway—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three" of America's best sellers.

Today's the day to "Join The Test Pilot Club" and see what a thrill you get when you try Variable Pitch Dynaflo.

We're not kidding.

When you try a '55 Buick with Variable Pitch Dynaflo, you'll feel like a pilot does when he heads his plane down a runway for take-off.

For you, in the driver's seat, are doing what that pilot does—you're changing the pitch of your propellers—one way for instant response on getaway—another

way for better gas mileage in cruising.

Your propellers are whirling in oil, deep inside the Dynaflo unit. When you press the pedal in the normal way, you hold those propellers in their economy angle—and you enjoy plenty more miles from your gasoline.

But when you want instant acceleration—for quick getaway, or for a sudden safety-surge of emergency power—you just press the pedal way down, and—with absolute smoothness—you get the action you want, and split-second quick.

It's the thrill that's the talk of the industry—performance unlike anything you

have ever known before on the ground.

And so many folks have been asking to try it that we Buick dealers across America have set up April as "Test Pilot Club" Month. All it takes to join the "Club" is a test drive at the wheel of a new Buick. That's all.

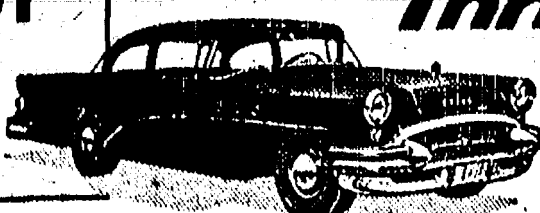

So we cordially invite you to win your "wings"—to try the spectacular performance of Variable Pitch Dynaflo—and to feel the mighty V8 power that puts the whip to these gorgeous new Buick beauties. Drop in this week.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Local Delivered Price of the 1955 Buick SPECIAL \$2251⁸⁸

2-Door, 4-Passenger Sedan, Model 48 (Illustrated)

Optional equipment, accessories, title and local taxes, if any, additional. Prices may vary slightly in adjoining communities. Even the factory-installed extras you may want are included, such as Heater & Defroster—\$61.70; Radio & Antenna—\$92.00.

Thrill of the year is Buick

Said a sleuth: Ah! The mystery's unraveled!—About cars that "take off like a javelin." But with Dynaflo's switch Of its Variable Pitch—You were here. Now you're there. Boy, that's travelin'!

(Why don't you try a Buick?)

LOWEST PRICE EVER... for LUXURY carpeting!

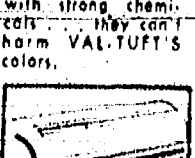

VALTUFT
by Callaway

FADE-PROOF
Hours under the sun won't fade VALTUFT's color - it's dyed in the raw stock.

WASHABLE
Remove ink spots with strong chemicals - VALTUFT'S colors.

PRE-CRUSHED
VALTUFT can't mat, show tracks or crush in service because it's pre-crushed under 17 tons pressure.

THEY SAID IT COULDN'T BE DONE... BUT CALLAWAY DOES IT
They said that luxury carpeting couldn't be made to sell at the price of cheap woven goods. But CALLAWAY didn't believe it. Presenting quality to please right ahead and produced VALTUFT - the most critical at a price to please the thriftest!

VALTUFT will change completely all your previous ideas of carpet values! Never again need you compromise on quality in order to meet a budget. Because in VALTUFT you can get the kind of luxury carpeting heretofore found only in out-of-reach price brackets - now yours at a price you can easily afford to pay. This is a strong statement, but it's one that you can readily prove to your complete satisfaction. Come in, see, feel, examine VALTUFT. Compare its lush, closely-packed, highly resilient pile with that of carpets selling for far more. Then ask yourself why you should ever settle for less than VALTUFT'S luxurious quality when VALTUFT costs so very little!

Memorial Electric Candles To Honor Rev. Mrs. Fontana

At St. John's Evangelical and Reformed church, Rogers Corners, next Sunday, at the 11:30 a.m. service, two electric altar candles are to be dedicated in memory of the late Rev. and Mrs. John Fontana.

Rev. Fontana was pastor of the church for 16 years before his retirement in February, 1952.

Rev. Fontana, who died in Ann Arbor, Dec. 9, 1953, was born at Althausen, Germany, Jan. 20, 1872, and became a minister after coming to the United States as a young man.

Mrs. Fontana died Dec. 12, 1954, also at Ann Arbor.

During the years of Rev. Fontana's ministry she had been active in the women's work of the Evangelical and Reformed Church at local and synodical levels.

Members of their family have been invited to be present for the dedication ceremony at which Rev. T. W. Menzel will officiate.

The candles to be dedicated are a memorial gift to the church by members of the congregation.

Fire Department Answers Six Calls

Cheelsea firemen had another busy week because of grass fires. Friday afternoon two calls were received in less than an hour. The first, at 1:35 p.m., was behind Chelsea Products Co. where a similar fire had called out firemen at 2 p.m. the previous Tuesday.

At 2 o'clock, the second call Friday afternoon, there was a grass fire at Half Moon Lake on property owned by Detroit parties.

Saturday, at 9:45 a.m. firemen were rushed to the Oliver Sheppard home at Johnson Lake, also known as West Lake, when they were notified by neighbors that seven children were at home alone.

Mr. and Mrs. Sheppard are employed at Central Fibre Products. Cause of the fire was reported as an overheated stove pipe which set the ceiling afire. Quick action by neighbors prevented extensive damage to the home which is owned by Clarence Staphis.

At 12:15 Sunday noon, there was a grass fire at the Robert Greenough home, 502 McKinley and at 1:50 p.m. there was one at the J. B. Casey cottage at Cavanaugh Lake. The Caseys, of Oceanside, N. Y., told firemen that rubbish had been burned in a metal barrel under supervision until it was believed entirely out. It was surmised that sparks were later blown out of the supposedly extinguished fire setting the grass ablaze.

The sixth call of the week came at 5:35 p.m. Monday when a pickup truck was discovered to be on fire at US-12 and M-92. The truck is owned by Douglas Travis of Flint, according to Fire Department records.

DEATHS

Mrs. Fred Sager Would Have Observed 62nd Wedding Anniversary

Mrs. Fred Sager, a resident of this vicinity, her entire lifetime, died at 1 p.m. Sunday in St. Joseph's Mercy hospital, Ann Arbor, where she had been a patient for four days. She had been in failing health for some time.

Mrs. Sager was a member of St. Paul's Evangelical and Reformed church and the Women's Guild and Mission club of the church. She was also a member of the Pythian Sisters.

The former Mary E. Kappler, she was born in Sharon township July 31, 1875, a daughter of Adolph and Katherine Gail Kappler.

She was married to Fred Sager in Sylvan township, April 13, 1893. They lived in the Chelsea area their entire married life except for the period from 1922 until 1940 when they lived in Ann Arbor.

During that time and after returning here in 1940 they maintained a cottage at Sugar Loaf Lake and spent their summers there. The present home is at 139 Dewey street.

Survivors of Mrs. Sager, in addition to her husband, are three daughters, Mrs. J. B. Dalton of Dansville, Mrs. H. T. Fuller of Mt. Morris, and Mrs. C. A. Brady of Birmingham; one son, Herbert Sager of Ann Arbor; seven grandchildren and seven great-grandchildren. Another son, Paul, died Aug. 11, 1938.

Funeral services were held on the Sagers' 62nd wedding anniversary, yesterday, Rev. P. H. Grabowski officiating at the 2 p.m. service held at the Staffan Funeral Home. Burial took place in Oak Grove cemetery.

Oscar W. Leisinger Dies Few Hours After Arrival at Son's Home

Oscar W. Leisinger died shortly after midnight Monday, a few hours after he had arrived at the home of his son, Don C. Leisinger, at Waterloo. His home was at Hagerstown, Md.

Formerly a machinist employed with the Fairchild Aviation company at Hagerstown, he had been retired since 1946.

Born Oct. 23, 1881, in Rouzer, Pa., he was a son of Louis and Emma Warren Leisinger.

Survivors, in addition to the son at whose home he died, are a sister, Mrs. Susan Crum, of Smithburg, Md.; a brother, Charles Leisinger of Tucson, Ariz.; two grandsons, Warren and Brian Leisinger, of Waterloo; and several nieces and nephews.

Funeral services were to be held at 10 a.m. today (Thursday), at the Staffan Funeral Home, with Rev. P. H. Grabowski officiating. Burial will follow in Mt. Hope cemetery, Waterloo.

David Knickerbocker Three-Year-Old Boy Dies at U. of M. Hospital

David Allen Knickerbocker, three years old, died Tuesday night at University hospital, Ann Arbor, where he had been a patient since Sunday.

He had been a member of the beginners' class at St. Paul's Sunday school.

A son of George and Audrey Leach Knickerbocker, he was born in Pontiac, Jan. 4, 1952.

Surviving, in addition to the parents, are a sister, Suzanne; a brother, Steven; the paternal grandmother, Mrs. Maynard Knickerbocker; the maternal grandparents, Mr. and Mrs. Albert D. Leach of Jackson; and several uncles and aunts.

Train Wreck . . .

(Continued from page one)
stant stream of traffic in the area until late Sunday.

Many local residents living only a few doors from the scene were unaware of the accident until Sunday morning.

Some persons living directly across the street who heard the commotion, reported that it was not a loud or disturbing noise at all, but more of a rumble and vibration such as an earth tremor.

By Sunday evening stocks of camera film in local stores had been completely exhausted by the shutterbug sightseers.

A fire hydrant at the corner of East and Railroad streets was bent completely over but did not break.

Quipped one bystander: "That's one way to get trains to stop in Chelsea!"

Easter guests of Mr. and Mrs. ship, Mr. and Mrs. Ernest Wilcox Elba Gage were Mr. and Mrs. H. of Saginaw, and Miss Lillie West G. Gage and family, of Lima town-Jenkint.

don't get caught with your doors down . . . AUTO-MAGIC DOOR OPENER

is a modern convenience for every car owner!

A Button on the Dash Opens, Closes and Locks Your Garage Doors from the Comfort of Your Car . . .

How Does It Work . . . Check These Features:

A small electric transmitter is mounted under the hood of your car. An electronic receiving unit is mounted in the operating mechanism of the garage door. A finger's touch on the transmitter button located on the dash of the car releases a signal . . . which is picked up instantaneously by the receiving unit on the door which in turn activates a small electric motor to open or close the door as the case may be.

There's no need to wrestle or lift garage doors . . . or to ruin your clothes and disposition. Merely sit in your car and relax . . . and let AUTO-MAGIC do the work.

A luxury . . . not any longer. Today's production methods . . . today's electronics . . . have brought the price of AUTO-MAGIC within the range of every home owner . . . every car owner.
