combined

Ford's 284,173 sales gain

in the past year was greater than the gain of all other cars combined

Even a quick "once over" look tells you a big reason why the overwhelming swing is to Ford-future-fashioned styling!

And in Ford's 16 beauties for '55—Thunderbird look says "tomorrow" more eloquently than words can. Here is styling that draws envy from the owners of the cost-liest cars—styling that will stay in style. Inside, Ford has created new Luxury Lounge interiors. New colors, new folkie designs were stall to the contraction of the contraction. new fabric designs-pure enchantment!

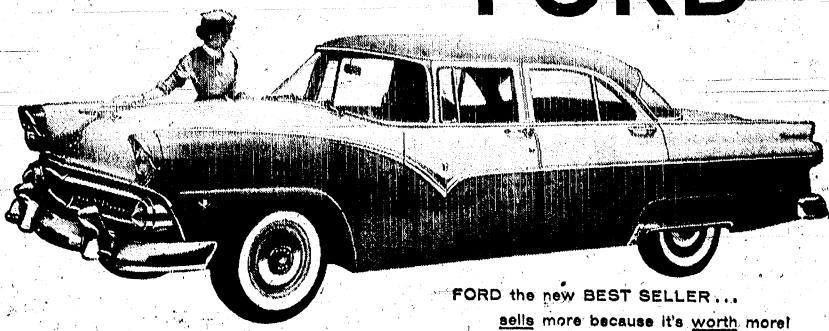

With Ford's exhibitanting Trigger-Torque "GO," V-8 or Six, you're bound to feel the difference Trigger-Torque makes. You trust it in passing. You love its breezy, instant response on hills. Even in traffic driving

You'll find other worth-more advances . . . such as Ford's smoother Angle-Poised Ride, its rugged fivecross-member K-har frame, its five optional power assists that make driving a dream.

And don't forget resale value. In recent years ford has consistently returned more of its original cost at resale than any other car. Come in and see us today. Test Drive a 55 Ford. You'll want to drive it home!

You can pay more but you can't buy better than
