300 Attend CHS Alumni Banquet

Three hundred graduates of Chelsea High school and their guests attended the alumni banquet and dance Saturday evening in the school gymnasium. Women of the Congregational church prepared and served the meal.

Mrs. Florence Howlett, oldest graduate present, was the guest of honor and was presented with an honorarium in recognition of her 88th birthday and the 70th anniversary of her graduation, both of which occurred on the day of the banquet, June 18.

The presentation was made on behalf of the association by Howard Boyd of St. Petersburg, Fla., who was a member of the Golden Anniversary class this year.

The entire assembly present sang the birthday song and Mrs. Howlett responded with a short talk during which she told amusing incidents of her teaching days, including a number of the alumni present, including the toastmaster, Donald Bacon.

Paul F. Niehaus, president of the association called the roll of classes, beginning with the present year. All classes of the past 25 years had representatives present, with few exceptions, all classes as far back as 1885 were represented.

A member of each class had been appointed to contact those who graduated together and to David Winesworth the credit of having the largest delegation attending.

His class of 1935 was represented by 20 members.

The Golden Anniversary class honored at the banquet was represented by Mr. and Mrs. Elmer Wines and Mrs. Herbert Roy of Chelsea, and Mrs. Russell Jewett and Miss Leone Gieske of Detroit.

Robert Daniels of the Class of 1947, welcomed the 1955 graduates and Larry Chapman, president of the class, responded.

The program was opened with an invocation by Rev. S. D. Kinde, followed by the singing of hymns.

Instrumental selections were given by the orchestra, and the program continued with a presentation of the yearbook.

On the building committee are members of the church board—Wilbert Breitenwischer, Luther Kueterer, William H. Seitz, Lorenz Wenk and Roy Berke—with Mrs. Norman Schmidt, Eugene Elsher and any others the board might wish to appoint.

As the finance committee were Waldo Kueterer, Howard Flintoft, Paul F. Niehaus and David Strieter.

Election of new Alumni Association officers resulted in naming the following: Charles Slat, president; Mrs. Herbert Howell of Jackson, vice-president; Mrs. Otto Kruse, secretary; and Olen Hart, treasurer.

Chelsea Kiwanians entertained seven octogenarians and one nonagenarian of the community at their meeting Monday evening in the social center of the Methodist church. The eight were Ed Chambliss, 81; Fred Sager, Henry Schumacher and Schuyler Foster, 87; Joseph Jurgens, 86; Ed Weber and Fred Woods, 82; and Dennis Tallant, 80. Each of the guests spoke briefly, in remembrance of their youth.

Other guests at the meeting included V. T. Walling of Dexter, and Fred Anderson.

During the business session Anton Nielsen and Alfred Mayer were announced as delegates to the national Kiwanis convention in Cleveland, Ohio.

Three attending Methodist Youth Summer Camp

Three young people of the Methodist church are spending this week at Jackson Collins Methodist Youth Camp at Wampler's Lake. The three are Glen Weir, Evelyn Ann Moore and Neil Fahrner.

Edwin J. Keusch, Former Assessor, Dies Sunday

Edwin J. Keusch, life-long resident of Chelsea, died Sunday noon at his home, 115 Van Buren street. He had been in failing health for some time and had been confined to bed since Tuesday of last week.

A former merchant here, he was in the grocery business for approximately 25 years. Part of that time he was in partnership with the late John Farrell and with William Fahrner.

He had served as village assessor for 14 terms including the years 1950 to 1954 and 10 terms at intervals prior to 1950. He had also served as village treasurer and as township treasurer. He was a member of St. Mary's Catholic church.

Born in Chelsea, Dec. 30, 1880, he was a son of Philip and Adella Staffan Keusch. He attended Ferris Institute at Big Rapids.

Nov. 25, 1908, in St. Mary's church, he was married to Ellen Walsh, who survives.

Also surviving are a son, John P. Keusch; a daughter, Mrs. Floyd C. Weber of Port Huron; three grandchildren; and a sister, Miss Ida Keusch.

The Rosary was recited at 8 o'clock Tuesday evening at the Staffan Funeral Home and funeral services were held at 10 a.m. yesterday in St. Mary's church. Rev. Fr. Charles Walsh of St. Joseph's Catholic church, Dexter, officiated in the absence of Rev. Fr. Lee Laige. Burial was in Mt. Olivet cemetery.

St. Paul's Votes
Improvement of
Church Basement

At a special congregational meeting following the church service Sunday morning at St. Paul's Evangelical and Reformed church, it was decided to proceed with plans for improvement of the church basement to provide nursery quarters and additional Sunday school and kitchen facilities.

Tentative plans for the project were presented and building and finance committees appointed.

On the building committee are members of the church board—Wilbert Breitenwischer, Luther Kueterer, William H. Seitz, Lorenz Wenk and Roy Berke—with Mrs. Norman Schmidt, Eugene Elsher and any others the board might wish to appoint.

As the finance committee were Waldo Kueterer, Howard Flintoft, Paul F. Niehaus and David Strieter.

Sticks or other obstructions jammed into the coin slots have caused considerable trouble in recent weeks.

Library Story Hour
Starts Next Week

Wednesday afternoon story hours for youngsters at the Chelsea Public Library will begin next week, June 29, with Shirley Pierce as the story teller. The story hours begin at 3 o'clock.

The story hours, which have proved very popular in the past, will be held each Wednesday afternoon for a period of six weeks, ending Aug. 3.

Library officials said "all the little folks of the community are invited to attend."

Independents Win from Stockbridge

Chelsea Independents defeated Stockbridge 5-0 on the local diamond Sunday afternoon, with Phil Bareis pitching a beautiful one-hit shut-out. He struck out 17 men in seven innings.

Independents chalked up one run in the first inning when George Heydlauff, leading off with a double, went to third on a put-out and scored on a successful fly by Gus Hansen.

Chelsea's second three runs were scored in the third inning when they loaded the bases. Hansen hit a slow roller to shortstop who booted the ball, scoring Phil Bareis and George Heydlauff. Arden Musbach then scored on a put-out.

Chelsea scored again the fourth inning when Arden Musbach walked and scored on a single by Hansen who sent the ball to left center after clearing the center fielder.

George Heydlauff led the team in hitting with a double and a single in three trips to the plate.

The team is giving a good account of itself, having only one Chelsea run scored against them in 25 innings and giving up only two hits in the last two games.

Chelsea Independents tied for first place in the league, reportedly has the outstanding pitching staff in the Tri-County League—Marty Tobin, Dave Crocker, Phil Bareis and Bruce Hoffman.

Because of Father's Day the game was shortened to seven innings.

The team plays at Howell, Sunday, June 26.

Invite Amateur
Talent To Try for
Lowell Showboat

Lowell Showboat is again inviting Michigan amateurs to participate in Showboat Talent Night, in a search for new acts to present in the big show, the last week in July.

Two contests will be held, July 9 and 16 at 8 p.m., giving talented young people an opportunity to try out for the professional stage.

In a decision to hold two talent nights this year, the Showboat Committee felt that each contestant could be allotted more time to present his act, and give a better show to the large crowd that is always on hand to view the contest. Each Talent Night is open for about 25 acts and there are no special requirements.

Several former winners of the talent contest are now appearing on television, radio, and the professional stage.

Amateurs may enter by simply writing a letter describing the act or number to Mr. G. H. Runciman, Chairman of Lowell Showboat Talent Night, Lowell, Michigan. Mr. Runciman will then notify the act whether to appear on the July 9 or the July 16 program.

There will be six winners selected from the two contests. Each winner will receive a contract to appear on the big Lowell Showboat program which will be held July 25 through July 30.

DOODLEBUG—Donald Atkinson, left, and Lenis Beach show their obvious pleasure and pride in Lenis' new possession, a miniature "doodlebug" that really runs. The vehicle, which is strong enough to support a grown man, was built by Lenis' father, Elwyn Beach, using such odds and ends as an old washing machine motor and old style kerosene auto lamps. Equipped with a foot-pedal starter and good brakes, the vehicle uses a mixture of gasoline and oil as fuel for the motor which is mounted at the rear. It took Beach approximately a month of spare time work to complete the "doodlebug," finishing it in time for the beginning of the summer vacation. Donald, son of Mr. and Mrs. George Atkinson, and Lenis are both in the sixth grade. They are 11 years old.

Large Delegation Attends State VFW Encampment

Chelsea had its largest delegation ever to attend at the Veterans of Foreign Wars annual encampment last week in honor of Mrs. Ren Hutzul, who served as state president of the VFW Ladies Auxiliary the past year.

In the elections held at the final sessions Sunday Mrs. Frances Huger was elected to succeed Mrs. Hutzul.

The encampment sessions were held in the high school gymnasium at Traverse City from Thursday until Sunday.

Those from Chelsea who attended are the Auxiliary delegates, Mrs. Eulalie Packard, Mrs. Jerry Klink and Mrs. Bernice Schneider; Ren Hutzul, delegate; Fremont Hayes, commander; and Mac Packard, past commander of VFW Post No. 4076; Mrs. Mary Kniss, Department of Michigan guard; Mrs. Alvin Geer, president of the Chelsea Auxiliary; and Mrs. Clara Hutzul and Mrs. Iza Carthy.

At the opening session Mrs. Geer was introduced in the presence of all local Auxiliary presidents of the state.

At an awards luncheon in the school cafeteria, Mrs. Iza Carthy was presented with a pin for having given more than 150 hours in voluntary service at the VA hospital in Ann Arbor.

Chelsea was placed on the honor roll on a point system for having more than 100 points earned in community service, youth activities, Americanism, and the all-over program.

At the membership breakfast Mrs. Hutzul was presented with a gift by Mrs. Packard, immediate past president of the Chelsea Auxiliary.

Mrs. Hutzul, as state president of the Auxiliary, Leon Buer, state VFW commander, with Gov. G. Mennen Williams, led the parade held Saturday afternoon in connection with the encampment.

The Sixth District, of which Chelsea is a part, is represented on the staff of state officers, Mrs. Esther Matthews of Lansing, having been elected junior vice-president.

Ren Hutzul was again appointed as a member of the Camp Norcom state camp committee.

Methodists To Honor
Older Members at
Sunday Service

Red Rose Sunday will be observed at the Methodist church next Sunday. The service, an annual affair, honors members 65 years or older, each of whom will be presented with an American Beauty rose.

Rev. S. D. Kinde, pastor of the church, will base his sermon on the topic "Happily Growing Older," and the anthem will be sung by the Methodist Home choir.

Following the service, refreshments will be served to all the members of the congregation present. In charge of this part of the morning's activities will be the members of the Women's Society of Christian Service.

Special recognition will be accorded the person 65 years old or older who has traveled the farthest to attend the service; the oldest man; the oldest woman; oldest father; oldest mother; and the oldest person and most active member.

Radio Call Brings Four Officers To Assist in Arrest

At 8 p.m. Monday motorists on M-92, just north of Baxter's Food Market, received the impression that a riot call had been turned in when, within a matter of a few minutes, four officers came to the assistance of a fifth who was encountering resistance in making drunk driving and drunk and disorderly arrests.

Chelsea Police Officer Donald Walz had stopped a car driven by Jack Williams and was arresting him for drunk driving and driving with a revoked license. Dorsey Carpenter, a passenger in the car, was also being placed under arrest for being drunk and disorderly.

When the men resisted arrest Walz radioed for assistance.

Sias Property Transferred to Dexter District

At a special meeting of the Chelsea Agricultural Schools Board of Education Monday evening, transfer of a piece of property in the former McLaren school district to the Dexter Agricultural Schools school district was approved. The property is owned by Arthur Sias, Harold E. Sias and Helen E. Sias.

The McLaren district was recently annexed to the Chelsea Agricultural Schools district.

Also approved at Monday's meeting was the following: "that the resolution regarding the annexation of primary districts be rescinded and the following resolution becomes effective June 30, 1955" that any district annexing to the Chelsea Agricultural Schools School District by vote of the people of the primary district and consent of the board of education or by action of the Department of Public Instruction shall assume its share of the bonded indebtedness of the Chelsea Agricultural Schools School District beginning with the current year.

Thus, approval of any future annexation would not be given by the Chelsea Agricultural Schools Board of Education if the district requesting annexation refused to "assume its share of the bonded indebtedness" at the time of annexation.

Aggressive Attitude Gives Promise of Future Action

To develop a well-balanced community, a well-known community and a well-respected community was listed as one of the chief objectives of this year's program of the Chelsea Chamber of Commerce, it was announced at Tuesday's regular dinner meeting in the dining room of the Congregational church.

Anton Nielsen, president, appointed standing committees for the year with Lowell Davison to act as committee co-ordinator in carrying out these objectives.

Reports were given by Rolland Spaulding, membership committee chairman, and M. J. Anderson, public relations committee chairman, the former introducing a number of new members and Anderson stating that the new Chelsea signs being provided by the Chamber of Commerce are expected to be installed on US-12 near the intersection of Manchester-Chelsea road by July 4.

The signs list Chelsea as the gateway to the Waterloo recreation area and give prominence to the slogan selected in a contest in connection with Chelsea's first color town last fall. The winning slogan, submitted by Stanley Kosloski, now living in Florida, lauds Chelsea as being rich in industry, agriculture, recreation and civic pride.

Members voted to make a token contribution toward the expense of converting the clock in Central Fibre company's tower to run by electricity and commended Donald Bacon, president of the firm for the civic-mindedness which prompted the project.

Chairmen of the standing committees, a number of which were newly formed this year, are Rolland Spaulding, membership; James Daniels, civic affairs; P. V. Merker, business standards; E. W. Eaton, industrial; Walter Harper, housing; M. J. Anderson, public relations and publicity; Reuben Lesser, agricultural; Paul Mann, finance; and Anton Nielsen, program and house.

The committees met following the close of the regular meeting and discussed plans for carrying out their objectives for the year.

There were 41 members present at the meeting.

Monday's morning enrollment at the athletic field was 48 and evening enrollment 51.

There were 93 children who took advantage of the swimming program Monday afternoon.

KATHLEEN ANN WOOSTER came to work at Michigan Bell in 1953 when she graduated from high school. Kathleen Ann plays baseball and basketball for Michigan Bell girls' teams.

One of the Smiles behind Chelsea's Dials

Last March operator Kathleen Ann Wooster was on duty in Ann Arbor when a Dexter Township woman who had dialed "Operator" screamed, "My house is on fire!" and hung up.

Kathleen knew that people get excited in emergencies. She knew, too, that nothing could be done until she found out the address. So Kathleen calmly held the line open and waited for the woman to lift the receiver again. In a few seconds she did and Kathleen was able to get her address. She immediately notified the fire department.

Isn't it reassuring to know how much protection your telephone brings to your family? Kathleen's smile says, "Don't worry, we'll always be as near as your telephone to help if you need us." It's alert, competent, and courteous people like Kathleen who make telephone service good.

AMERICAN U STEEL FENCE POSTS

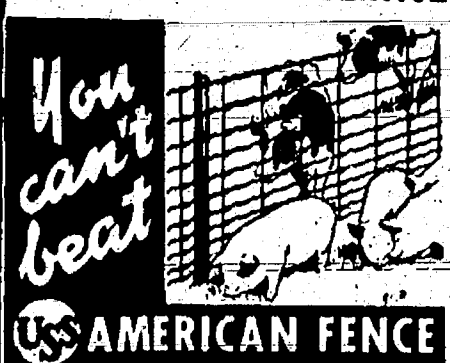

Relied from new billet steel—these remarkably strong posts provide an excellent foundation for your fence lines. Dead loading too, because of their attractive Willow Green finish of steel post which is baked on under a high temperature.

The channel or U-shaped design assures the utmost rigidity. This type of section is used in bridges and ship building. In its modified form—this shape makes an unusually serviceable and attractive fence post.

The closely spaced notches on posts (only 3/4 of an inch apart) make it possible to fasten any wire just where it crosses the post. Clamps furnished with posts.

The one-piece still wing anchor plate packs the dirt against the sides holding it firmly in place. Truly—anchors like a rock. And easy to drive.

JERUSALEM HOMEMAKERS

Sixteen members were present for the June 14 meeting of Jerusalem Homemakers Extension club. The meeting was held at the home of Mrs. Loren Hinderer with election of officers as the principal order of business.

Those elected to serve for the coming year are Mrs. Arthur Williams, chairman; Mrs. Walter Wolfgang, vice-chairman; Mrs. Sylvester Weber, secretary-treasurer; Joyce Elsemann, recreation leader; Mrs. Orville Moore, community chairman; Mrs. Norman Hinderer, senior leader; Mrs. Earl Whitney, junior leader; Mrs. Vergil Hines, alternate leader.

During the meeting, Mrs. Hines gave a report on the project, leaders' meeting she attended recently. Games were the entertainment feature and were led by the recreation leader, Mrs. Melbourne Moore.

The hostess served refreshments at the close of the meeting.

ST. PAUL'S WOMEN'S GUILD
Forty-six members and 14 guests were present for the June meeting of the Women's Guild of St. Paul's church. The gathering was held Wednesday evening, June 15, in the church hall, with Mrs. Howard Flinto in charge of the business session and Mrs. Harold Widmayer as program and devotional leader.

The topic, "Our Young People—Our Hope For Years To Come," was carried out with the assistance of six young people: Eleanor Schmidt, Alice Ann Wenk, Eileen Eisele, Lynda Mayer and Douglas and Richard Schneider. Each gave a brief resume of his service to the church and plans for future careers, Douglas and Richard Schneider concluding with announcement of their plans.

Douglas stated that he is planning his courses at Michigan State college to prepare him for entering a theological seminary to study for missionary work, while Richard outlined plans for working incognito among migrants of the west coast this summer. He and four fellow students at Michigan State College planned the non-denominational service project which has the approval of the National Council of Churches.

The Women's Guild voted to contribute \$100 toward the expenses of the trip. Needs of the migrants are to be studied for presentation to interested groups next fall and winter.

Included in the program Wednesday was a solo, "In the Garden of Tomorrow," by Eleanor Schmidt accompanied by Mrs. Carl Mayer; a song, "Fairer Lord Jesus," by Marketa Young, Carol Mayer and Lynn Lippert, accompanied by Lynda Mayer; offertory prayer by Mrs. Fred Seltz, with Mrs. Bruce Peabody and Mrs. Eugene Fisher serving as ushers, and group singing with Mrs. Oscar Lindauer playing the accompaniment.

Reports were given by Mrs. Harold Widmayer, Christian social action chairman; Mrs. Lorenz Wenk, social service chairman; and Mrs. Peabody, of the reading course committee.

Mrs. Wenk mentioned particularly that small testaments and pictures of Christ are still lacking among the contributions already made for the World Service packets.

Mrs. Peabody called on Mrs. Floyd Watz for a report on books in the Guild reading course which she had read.

In closing the business session Mrs. Flinto announced that she will appoint a committee to make arrangements for the next meeting, to be held July 13. This will be an afternoon meeting or a noon picnic dinner, with announcement of the committee's decision to be made later.

Mrs. Flinto also announced that she will appoint a nominating committee for the election of officers which is to take place at the September meeting.

Refreshments were served by the hostesses at the close of the meeting.

Here Come

A sure sign that the summer vacation season has arrived is the appearance of the big, gleaming white cruise ships of the Georgian Bay Line—the S.S. North American (shown above) and her sister ship the S.S. South American. The only remaining passenger ships on the Great Lakes operating strictly in cruise service, these ships begin their summer cruise schedules with the official arrival of summer. Three Republican groups, which have become separated along the line, all maneuvered for a spot in the shadow of Detroit's Mayor Cobo.

They wanted to sound him out on the possibility of becoming the party's 1956 candidate to run against Williams or his next-in-line for succession to the executive office.

The entire action was seen by party faithful as the beginning of another split.

First group to consider Cobo was in the legislature. His name has been mentioned both hopefully and seriously for the past four years.

Republicans led by Senators Haskell L. Nichols (R-Jackson) and Lynn O. Francis (R-Midland) flew the Cobo flag early.

After a caucus, it was decided to go ahead with a luncheon in Detroit, at which time Cobo would be asked to declare himself—or at least to start thinking about his chances.

A week before the luncheon, State Republican Chairman John

Frances Kandlehner was valedictorian and Mary Jean Winans salutatorian of the class of '31. Dr. J. Henderson of the extension division of the University of Michigan was the commencement speaker.

Thursday June 11, 1931—Gov. Wilbur M. Brucker put the finishing touches to the final step in disposal of the state-owned cement plant at Four Mile Lake on Saturday when he signed the Look bill directing the state administrative board to sell the plant by 1934.

Democrats are ganging up on Highway Commissioner Charles M. Ziegler again.

Gov. Williams and his Democratic state administrative board are bearing down on the Republican who will administer Michigan's new \$35,000,000 a year roadbuilding fund in tax boosts.

So, days after the motorists started paying 14-cents a gallon more for gasoline, Williams and his official staff asked Ziegler why he hadn't built any new roads yet.

Ziegler said a quick-in the federal-state financing plan and collection of the tax increase specified quarterly instead of monthly payments, causing a two-month delay.

Williams said he was "disappointed" at the lack of progress. He was joined in the sniping attack by other Democrats.

"I'm not God, or any of his relatives," snapped Ziegler.

The governor stated he will brook no unnecessary delays in getting the roads built under a program which was one of the biggest political and legislative issues in years.

To get a head start, Ziegler has moved up a number of priority projects from 1956 to 1955.

He said other problems would be in the scarcity of enough cement for a massive road building program. Steel and manpower also are in short supply.

"We're in better condition than any other state," Ziegler said. "We will be able to start some of the major projects within two months."

Williams stated he has been "informally notified" that there is plenty of cement for the work.

The first big battle between the harrassed Ziegler and the Democrats ended with Williams insisting the highway department work faster and Ziegler saying it was doing the best it could.

Forces on both sides were withdrawn, but Williams has called on other meeting for June 24.

Hucksters have been chased out of the capital and state office buildings. Controller James W. Miller signed an order forbidding sales of candy, magazines, knit goods, newspapers or magazines in state offices. He said the order was "just a matter of good business" to prevent confusion in the offices and the state employees from being solicited on the job.

For the first few days, the order stopped deliveries of newspapers, a tradition in the late afternoon. Pressed for an explanation, Miller said: "The order says sales, not deliveries."

BUICK SPECIAL 2-Door, 6-Passenger Riviera, Model 46R

They're making it the BIGGEST-SELLING BUICK OF ALL TIME

*Maybe you'd better see for yourself why
folks just won't do without this great car.*

PEOPLE say success makes success—but we say people make success, and how!

It's people—just like you—who are snowballing Buick sales this year to an all-time peak.

It's people—just like your neighbors down the street—who are snapping up these gorgeous new Buicks almost as fast as we get them from the factory, and causing Buick production to climb to new levels every month, to handle the unparalleled demand.

And it's people—just about from every walk of life—who keep Buick sales soaring without letup—and who have moved Buick more solidly than ever

into the charmed circle of America's top best sellers.

But why? Why this phenomenal swing to Buick on the part of people who can choose any new car?

Because Buick's a buy—definitely.

And because it's a bold beauty that catches the eye and holds it—that's for sure.

And certainly because it's supremely level of ride—and a sweet joy to handle—and a mighty bundle of high-voltage V8 power to melt away the miles and the high hills.

But most of all, because Buick this year is a performer like no earth-bound vehicle ever was before...

Because Buick—and only Buick—has the airplane-principled magic of Variable Pitch Dynaflo* where you switch the pitch for big gas savings in cruising—or for whip-quick getaway response and acceleration when you need a sudden safety-surge.

It's sheer thrill, and pure pleasure, and a big boon to your gasoline budget—and you really ought to try it.

Come visit us soon—this week, at the latest—and see for yourself why this is the car folks just won't do without—the biggest-selling Buick of all time.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Safety Campaign Urges Practice of Care in Passing

Chief George W. Doe today urged all motorists to sharpen up their driving skills in terms of safe passing—an important part of the nation-wide "Slow Down and Live" program now underway.

According to Chief Doe getting ahead of the other fellow in traffic is modern traffic's most difficult maneuver. He suggested that all motorists give careful study to the following 20 Safety Tips on Passing:

1) Never pass at hills, curves or intersections.

2) Don't cut-in right after you pass a car.

3) Have a gap ahead, to get into when passing.

4) Use left turn signal when pulling out to pass.

5) Warn driver ahead - honk or flash headlights.

6) Go 10 to 15 m.p.h. faster than car you're passing.

7) Use care when passing several cars at a time.

8) When passing opposite a roadside business—watch!

9) Be doubly careful of oncoming traffic at night.

10) Check for right-hand passing on four-lane highways.

11) Triple alertness when passing at speeds over 50.

12) Don't blindly follow car ahead when it's passing.

13) Suspect driver behind impatiently trying to pass.

14) Wave back driver behind you when unsafe to pass.

15) Pull to right-of-your lane when being passed.

16) Watch driver passing on right at intersections.

17) Be wary of a car passing an oncoming car.

18) Hesitate passing with cars on both sides of you.

19) Question passing a car opposite a parked car.

20) Think twice before passing opposite a pedestrian.

In conclusion Chief Doe emphasized the fact that mistakes in passing can be particularly disastrous because the car doing the passing is going faster than other traffic. He urged everyone to keep in mind the summer slogans "Keep in Your Lane" and "Slow Down and Live."
