TV Star Signed for Kids' Day Program At Community Fair

Horse Pulling Contest Will Be Held Second Day

M. J. Anderson, chairman of the Community Fair, Wednesday, Aug. 17, has announced a special entertainment feature in the evening of the appearance, in person, of the popular television star, Dave Mitchell. Well known because of his "Little Rascals" program on a Detroit television station, he will entertain with magic and other features.

Anderson has also announced that there will be a children's pet show Children's Day and generous prizes are to be awarded in the following categories:

Dogs—with the longest tail; shaggiest; funniest looking; smallest; largest; best dressed.

Cats—with most beautiful tail; longest hair; largest; smallest; most unusual; best dressed.

Farm Yard Pets—best behaved; best trained; most unusual; best dressed.

In addition, prizes will be awarded for the best combination of younger and pet in unusual dress.

Other events will include a watermelon-eating contest for youngsters two to ten years old and a mother or daddy calling contest.

Anderson will be assisted by Mrs. Edmund Kaysner and Nancy Atkinson who will supervise the events.

With few exceptions all exhibits are to be in place at the fair Wednesday afternoon, as well as the rides and concessions for entertainment.

Also scheduled for Wednesday evening is the annual tug-of-war between the farmers and men of the village. Captain of the village team will be Fritz Irwin, while Norman Hinderer has been designated to head the farmers' line-up.

The popular heavyweight horse pulling contest is scheduled for Thursday afternoon, the beef sale for Friday afternoon at 2 o'clock, and the big street parade for Saturday afternoon at 2 o'clock.

Thursday and Friday afternoons and evenings there will be professional entertainment in the grandstand and each evening there will also be other entertainment features.

Friday evening, at 9:30 p.m., the annual pig scramble will take place.

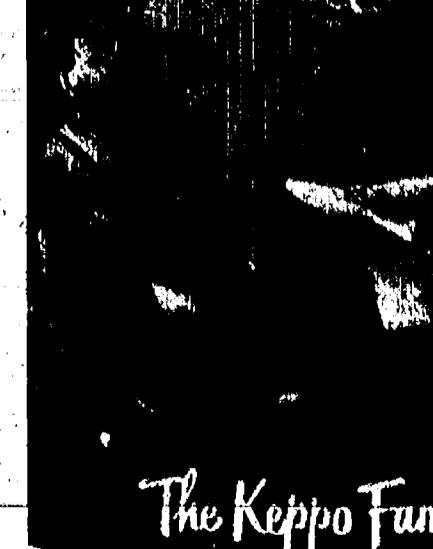

Saturday night's feature will be announcement of the "Queen of the Fair" and of the winners in parade float contest.

Closing the program Saturday night will be the giving away of free prizes by Chelsea merchants.

Regular meals and short orders, as well as ice cream, soft drinks, coffee, milk, etc., will again be served in the Community Fair office building on the grounds. Mrs. Donovan Sweeney has been named chairman in charge of the project.

All profits from this venture goes to help defray expenses of the fair.

Mrs. L. W. Townsend, of St. Louis, Mo., is visiting her mother, Mrs. J. J. Bards. Also here with her is Mrs. Bards' great-granddaughter, Barbara Jean Townsend of St. Louis.

The Keppo Family

THE KEPPON FAMILY—This amazing act originated in Helsinki, Finland, and has been touring this country for the past two years. A remarkable acrobatic act featuring the father and three daughters, they are appearing at the Chelsea Community Fair, Friday, Aug. 19.

Sup. Carl Mast Will Head County Board of Education

Supervisor Carl Mast of Webster township, has been elected president of the Washtenaw County Board of Education, succeeding Horace Whitney, also of Webster township.

Also elected were Mrs. Grace Stiller of Saline, vice-president; and County Superintendent of Schools Julius Haas, secretary.

Remaining trustees are George Schlecht of Ann Arbor, Benjamin VandenBelt of Ypsilanti, and Horace Whitney.

Polio Vaccine Received for Second Shots

Dr. Otto K. Engelke, Washtenaw county health officer, was in Lansing Monday and brought back with him the supply of second-round Salk anti-polio vaccine for the county's school children who were in the first and second grades last year.

Dr. Engelke had previously stated that whenever the vaccine became available he would call a meeting of a Washtenaw County Medical Society advisory committee for a discussion on whether the vaccine should be administered immediately or in the fall when schools re-open. The advisory committee includes two groups—the Special Polio Committee and the Public Health Committee of the county Medical Society.

Dr. Engelke said he expects to meet with the group this week.

Dr. Engelke said yesterday that he feels it best to wait until fall. He said that he plans to urge the advisory committee to consider a date late in September for the second-round shots. His reasons, he stated, include the fact that the peak of the polio season will be over by that time. In addition, he pointed out, children will be back in school then, simplifying the procedure of contacting the parents for consent and having the children available for the shots.

Reports from neighboring communities where second-round shots were given immediately upon receipt of the vaccine show that only a small proportion of the children in the first and second grade groups were reached. The shots were administered in hospitals and city health centers.

A number of cities and counties in the state have indicated they will wait until fall to administer the vaccine.

When vaccine becomes generally available for children in age groups other than those which receive the vaccine supplied by the National Foundation for Infantile Paralysis, the postcard system set up last spring will remain in effect.

The system called for sending the child's name to his physician on a postcard. The postcards would be filed and the children called for their shots under a priority system. Parents were requested to send in first the names of those in Priority Group A, children below the first-grade level and over one year of age.

When this age group had been inoculated parents would be advised.

August Birthday Party at Methodist Home Will Honor Two Residents Past 90

Summer vacation and travel will be the theme of the decorations to be used for the August birthday party at the Methodist Home to be held Tuesday, Aug. 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31.

Travel from the home and modern train era to the present will be featured in miniature models. Miniature suitcases will be the favors at each place and the color scheme is to be pale green and yellow.

Oldest member of the group to be honored at the party is Miss Hattie Crippen who will be celebrating her 92nd birthday August 27.

Miss Crippen, a former school teacher, was the first president of the Ann Arbor Young Women's Christian Association which her mother, Mrs. J. W. Crippen organized in about 1887. When the YWCA observed its national centennial in February, Miss Crippen was invited to attend the Ann Arbor celebration of the event but felt she could not do so since she uses crutches, to walk and is in the hospital section at the home.

Miss Crippen's father was an assistant minister at the First Methodist church in Ann Arbor. The family came to Ann Arbor in 1888 and Miss Crippen lived for many years at 507 East Ann street before entering the home April 18, 1951.

Another "past 90" birthday will be that of Mrs. Mary Kolland, who will be 91 years old the day of the party. She came to the home Oct. 19, 1945, from the 14th Avenue Methodist church in Detroit.

Including the staff, there will be 25 people seated at the special birthday table in the dining room during the noon dinner.

Others whose birthdays are to be observed are Miss Nellie Culver, Mrs. Ann Miller, Miss Alice McKeever, Miss Minnie Poll, Mrs. Annetta Faltz, Mrs. Beatrice Coleman, Mrs. Jennie Bond, Mrs. Flora Baxter, Mrs. Mary Narnin, Mrs.

Shirley and Glenn Weir left Saturday for St. Louis, Mo., to visit their sister and brother-in-law, Mr. and Mrs. Earl Roach and family.

Mrs. Donald Houle is visiting her parents Mr. and Mrs. Eugene DeMar, of Chubbuck.

CORN-GROWING CONTEST—Philip Smith, left, FFA advisor and vocational agriculture instructor at Chelsea high school; Alan LeVan, Tom Dault, Fred Klink, Jr., and Laverne Walz are shown above in the two-acre plot of corn on the Fred Klink, Sr., farm at Waterloo, which shows outstanding results because of farm practices which recommended the application of a side dressing of ammonium sulphate, increasing yield and improving color of the corn. The boys are one of four FFA groups participating in a corn project FFA contest, growing the corn on ground donated for the purpose by owners of the farms on which the plots are located. Additional members of the group working the two-acre plot on the Klink farm, but not present when the picture was taken, are Jim Dault and Jim Hibbs.

FFA Chapter Conducting Practical Corn-Growing Test

Chelsea Chapter of Future Farmers of America, under the leadership of Philip Smith, vocational agriculture instructor and FFA advisor at Chelsea High school, is having a corn-growing contest this year. Dual purpose of the contest is to raise money for the chapter and to experiment in methods of corn growing for this area. Winners will be determined by comparing yields at harvest time.

Four two-acre plots are under cultivation in the corn project, use of the plots having been donated by the owners of the land and planting and cultivation carried out by groups of six FFA boys, each.

One of these groups has an outstandingly fine stand of corn on the plot donated by Fred Klink, Sr., on his farm at Waterloo. The group in charge of the plot are Fred Klink, Jr., Alan LeVan, Tom Dault, Laverne Walz, Jim Dault and Jim Hibbs. At present the latter is taking a short course at Michigan State University on a scholarship.

Explaining the procedure followed on the Klink farm plot, Fred Klink, Jr., said the field had been covered with barnyard manure. At planting time, about May 15, 200 pounds of 12-12-12 fertilizer was applied. Then part of the plot was side dressed with ammonium nitrate at the rate of 150 pounds per acre.

Because he bought only 200 pounds, he ran out of the nitrate before the entire plot could be covered and for this reason, comparison of the corn with and without the nitrate is exceptionally easy to make and shows remarkable differences.

The corn grown on that part of the plot which was side dressed with the ammonium nitrate has more stalks with two ears to the stalk; the ears seem to be considerably larger; and the leaves of the corn stalks are a deeper green.

In contrast, leaves on the stalks of corn which did not receive side dressing are turning yellow.

Deductions from this phase of the experiment are that the leaves do not turn yellow merely because of lack of moisture but because of a lack of ammonium nitrate in the soil.

What is even more remarkable, according to Fred Klink, Jr., is that the sandy field on which the corn is being grown, has been considered poor land, but has grown beautiful corn by following the farm practices outlined.

Other plots in the contest are on the farm of Mrs. William Henry Lehman and known as the west group's plot; the south group's plot on the E. G. Van Kiper farm, donated by Van Kiper; and the east group's plot on two acres donated by William B. Thomas.

Also to be added to FFA Chapter funds is the money, which is realized from the sale of corn from a four-acre plot on the Orson Beeman farm. Orson planted and cultivated the four acres and will give the yield of corn to the local FFA group.

Vacation Bible School Planned by Local Baptist Church

Chelsea Baptist church is sponsoring a Vacation Bible School next week, to be held at the church the M-22, south of Old US-12, from Monday through Friday. Sessions will be held each day from 9 a.m. until 11:30 a.m.

Any children of the community, of school age and pre-school age, are welcome to attend, according to the pastor, Rev. David A. Wood. Mrs. Harry Brugg of Ypsilanti, will be in charge of the project and will be assisted by young people of the church.

Dystrophy Chapter Gets \$1,964 Check From National Office

It was recently announced that the Washtenaw county chapter of the Muscular Dystrophy Association of America Inc., has received a check for \$1,964.86 as its portion of the amount raised in the county in a fund-raising drive last Thanksgiving season. The remainder of the sum collected is allocated by the national office for research programs.

Locally, the money just received from the national office will be used for the purchase and repair of equipment and for physical therapy for muscular dystrophy victims.

George Merkel Installed To Head K. of C. Council

Knights of Columbus District Deputy Eugene Sheehan and his staff attended the Chelsea K. of C. regular meeting at the K. of C. hall Thursday evening and installed the newly-elected officers of Chelsea Council No. 3092.

Installed as grand knight was George Merkel.

Guests at the meeting included grand knights from Dexter, Ann Arbor and Plymouth, with members of their respective councils.

Following the installation ceremonies, a lunch was served by the kitchen committee.

Approximately 60 members and guests were present.

Open House Set for New Subdivision

Beginning Saturday, Aug. 6, and continuing through Sunday, Aug. 14, open house will be held daily from 2 until 9 p.m. in one of the new homes being built in the Sorensen subdivision at Wilkinson and Old US-12.

The newly-completed house is one of the 70 ranch-type homes being built in a housing project of the Chelsea Construction company.

The new home to be open for inspection will be an example of the "maximum livability at minimum cost" to the prospective owner which the construction company stresses as its aim.

It is also stressed that prices include street paving, curb and gutter, sewer and water, sidewalks and other items which buyers customarily must pay for after they have purchased new homes.

A feature of the open house will be the awarding of an electric range as a door prize the evening of Aug. 14, the last day of the week-long open-house event.

Jack Elliott, office representative of the Chelsea Construction company, is announcing plans for the open house, said the company was appreciative of the cooperation received from the Village Council and from the Chelsea people with whom contacts had been made.

He said, too, that the entire area where construction is in progress at present, does not yet give evidence of the eventual attractiveness of the streets and general layout after grading, paving and curbing will have been completed.

The newly-constructed home which is to be open for inspection is at the north edge of the subdivision, at 515 Wellington street, one of the new streets being laid out.

It will be completely furnished by a local furniture dealer to show the possibilities for attractive arrangements for modern living.

Mrs. Earl Helm and family attended the open house last Sunday at Prospect park, Ypsilanti.

Mr. and Mrs. Maxwell Sweet and family returned Saturday from a two-week vacation. They visited in Muskogee, spent Friday through Sunday with Dr. and Mrs. Glen Haas of Chelsea, at the Haas' cottage in Chautauque. They also visited the Upper Peninsula and Duluth, Minn. While in Duluth they visited the Mesabi iron ore range.

Mr. and Mrs. Robert Houle and family are spending their vacation in Escanaba visiting her parents, Mr. and Mrs. Andrew Rappette and his two brothers, Mr. and Mrs. Al Houle and Mr. and Mrs. Irving Houle. Gary and Robert Houle have been visiting at the Rappette home for the past month and will return with their parents.

4-H Fair Will Open Wednesday

The annual 4-H county fair is being held in Ann Arbor next week, beginning Wednesday and continuing through Saturday noon.

The event will take place at the former fairgrounds and promises to be bigger than ever.

Special evening programs are planned but a detailed schedule of the activities for the four days was not available yesterday at the Ann Arbor office of the 4-H club agent, Frank Gendron.

William Price is still a patient at St. Joseph's Mercy hospital, Ann Arbor.

Mr. and Mrs. Robert Houle and family are spending their vacation in Escanaba visiting her parents, Mr. and Mrs. Andrew Rappette and his two brothers, Mr. and Mrs. Al Houle and Mr. and Mrs. Irving Houle. Gary and Robert Houle have been visiting at the Rappette home for the past month and will return with their parents.

Barbra Speer, Donald
Fritz Wed Saturday
At Methodist Church

In the Methodist church here, at 7 o'clock Saturday evening, Barbra Speer and Donald E. Fritz, both of Ann Arbor, were married by Rev. S. D. Kinde, pastor of the church. Approximately 150 guests were present for the ceremony and for a reception which followed at the home of the bridegroom's brother, William Fritz, at Horseshoe Lake.

The bride is a daughter of Mr. and Mrs. Byford Speer of Orchard street, and the bridegroom's parents are Mr. and Mrs. William Fritz of Houghton Lake.

For the wedding, the bride was gown in imported lace over satin and nylon, featuring accented pleated tulle trimming on the long-sleeved jacket. Matching pleated tulle, twelve inches wide, trimmed the bottom of the skirt and was caught up to form four large scallops. A sweetheart-style headpiece of satin and lace, trimmed with pearls and sequins, held her finger-length veil in place. She carried a white orchid on a white ribbon.

Mrs. Robert Sweet, sister of the bride, in a light blue nylon crystal-ette street-length dress was matron of honor. The gown was styled with an off-shoulder-effect bodice. Mrs. Sweet wore a matching-colored nylon net hat and carried a cascade bouquet of white roses and pink carnations.

The bridesmaids included Dorothy Platz of Detroit, a cousin of the bride, and Mrs. Kenneth Galbreath, with Judy Speer, sister of the bride, as junior bridesmaids. Miss Platz and Mrs. Galbreath wore mauve pink dresses and hats styled like those of the matron of honor, and carried cascade bouquets of pink roses and white carnations. The junior bridesmaid wore white organza over yellow taffeta, and a matching hat trimmed with rhinestones.

Dorothy Platz, another sister of the bride, served as flower girl. Her dress was styled like that of the junior bridesmaid, but was in lavender color. She carried a basket of flower petals.

The bride's mother chose to wear for the wedding a dress of beige faille trimmed with rhinestones. Her accessories were white and her corsage was of white roses.

The bridegroom's mother, in medium blue, with pink and white trim and navy accessories, also had a corsage of white roses.

Serving the bridegroom as best man was his brother, Edward Fritz, of Houghton Lake. Another brother, William Fritz, of Horseshoe Lake, Robert Sweet, brother-in-law of the bride, and Kenneth Galbreath were ushers.

At the reception Mrs. Dorothy Brooks of Ann Arbor, kept a guest book and—Joanne Winslow and Anne Heckman poured.

For her wedding trip the bride wore a dress of dusty pink dotted swiss over taffeta. Her accessories matched while her corsage was the white orchid she had carried during the ceremony.

The bride, who is a graduate of Chelsea High school, attended Michigan State University and is employed at King-Seely Corp., in Ann Arbor.

The bridegroom attended Ann Arbor High school. He is employed by the Kroger company at Ann Arbor.

The couple live at 11082 Whitmore Lake Drive, Whitmore Lake.

Midget Baseball
Team Wins from
Michigan Center

Three games were played in the Recreation Baseball League last week, the juniors and midgets playing Michigan Center Monday and the juniors playing Grass Lake, Wednesday.

In the midget game Monday, Chelsea won 4-0 by pushing over three runs in the last inning.

A walk to Guy Devine, a single by Mike March, a walk to Ken Larson and Dan Mayer's single produced the three runs. Homer Nixon also singled in the third while Mike March had two singles and Dan Mayer one to account for all of Chelsea's four hits.

Darrell Keizer and Guy Devine shared the mound duties. In the junior game Monday, Chelsea lost a "heart breaker," 6-5. Chelsea grabbed a one-run lead in the second inning as Ed McDaniels singled and later on scored on an error of Charles Cameron's grounder to third.

In the third inning Michigan Center scored twice. A hit batter plus two singles loaded the bases and then a base on balls forced in a run. The Chelsea infield then pulled two fine plays to get out of trouble. With the bases still loaded the Michigan Center batter lined to the third baseman, Chuck Koenigster who stepped on third for an unassisted double play. A

second later, the Chelsea team picked a runner off second base to end the inning.

In the fourth inning Chelsea scored three unearned runs and in the fifth, a walk to Olen Hart and Jim Baxter's double accounted for the final run.

Michigan Center pushed across three runs in the last half of the seventh inning to clinch the game.

Jim Baxter and Olen Hart shared the pitching. Wednesday, the juniors lost to Grass Lake, 5-3, in eight innings. Chelsea got a run in the fourth inning as a result of four straight walks. Grass Lake had made one run in the second inning and then two in the fifth inning, setting the stage for the last half of the seventh inning.

With two away, Odis Richardson came to the plate as Chelsea trailed 3-1, and slammed a home run to left center. Following him on the plate was Bud Guest who also homered to tie the game, 3-3.

Grass Lake succeeded in pushing over two runs in the eighth inning to take the game.

Ed Wenk and Frank Frederick shared the pitching duties.

Because Buick sales are soaring past all records—
We're declaring a profit-sharing bonus for you

1. You Profit On The Trade-In Deal
—with the biggest allowances in our history.

2. You Profit On The Buy You Make
—because in Buick you get the thrill of the year—in style, power, performance, value.

3. You Profit On The Resale
—because a Buick always resells high—brings you more money when you trade it in.

\$2251⁸⁸† delivered locally
—less the whopping big allowance we'll make on your present car!

†2-door, 6-passenger Buick SPECIAL Sedan, Model 48, illustrated. Any state and local taxes, additional. Prices may vary slightly in adjoining communities. A wide variety of extra-cost equipment and accessories available at your option.

THIS we've never seen before—a sales year that's shattering every record in the Buick book—a soaring success far greater than the one that moved Buick so solidly into the Big 3 of America's best sellers.

So we're going to share profits with you —by stretching our regular big trade-in allowances to practically our break-even point.

That means you can now buy the most wanted Buick ever built—for less than ever before.

That means you can have Buick style distinction and prestige—Buick room and comfort—Buick size and solidity—for plenty dollars less on the

profit-sharing deals we're making now.

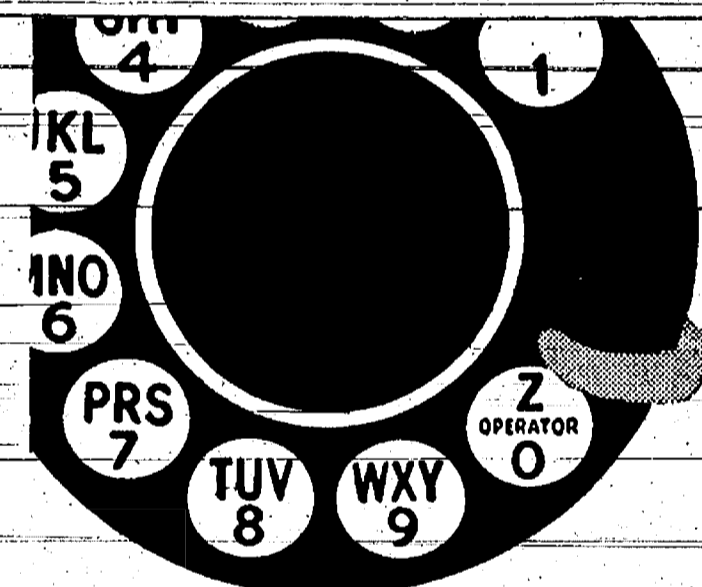

And that means you can have at a terrific buy, the hottest-action Buick in history—with walloping V8 power raised to new highs, and with the spectacular performance of Variable Pitch Dynaflo*—world's first and only transmission using the switch-pitch principle of the modern plane's propeller.

Come in today—tomorrow, for sure—and see for yourself that you can now make the biggest buy of the year on the car that's far and away the thrill of the year.

*Variable Pitch Dynaflo is the only Dynaflo Buick build today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

Thrill of the year is Buick—Biggest-selling Buick in History!

(So we're trading high, wide—and then some!)

Independents Lose in State Tournament

Chelsea Independents lost both games they played in the state baseball tournament at Frankfort the past week-end.

Friday night, the Independents were pitted against the St. Joseph "Aussco" who are rated as one of the best semi-pro teams in the state. All Aussco players are reportedly former big league or AAA men, one of their name players being ex-Tiger shortstop Neil Barry.

Chelsea gave the opposing team a good game for eight innings before "the roof fell in." In the semi-darkness, fly balls that should have been out began to fall all over the field.

When the Independents finally got three men out it was too late since the opposing team had scored 8 unearned runs.

Phil Barcia pitched a very fine game but his teammates weren't able to back him up, according to reports of the game.

Line score:
Chelsea 000 000 000—0
St. Joseph 000 001 08x—9

Saturday, Chelsea played the Pittsford team from Hillsdale, jumping off to a good start by scoring one run in the first on George Heydlauff's single, sacrifice and a passed ball. However, Chelsea's luck didn't hold out.

Chelsea Independents and Hillsdale Pittsford both scored a run in the sixth inning.

Going into the last half of the ninth inning, Chelsea was ahead, 2-1, when the first man up for Pittsford batted Marty Tobin's first pitched ball out of the park to tie the game.

The next man up hit a long fly that was heading over the fence in left field when Jerry Lehmann executed one of the most spectacular catches in baseball. Climbing partway up the fence he tossed out of the park and caught the ball.

The next two men walked; there was a force-out; and then, with men on first and third base the next batter singled to right field, ending the game.

Line score:
Chelsea 100 001 000—2
Hillsdale 000 001 002—3

Saturday Chelsea Independents play Ypsilanti, at Ypsilanti.

Free Chest X-ray Survey Scheduled

"Tuberculosis is caused by a germ, just as all other contagious diseases, and can be cured just as other diseases are," said Dr. Otto K. Engleke, Washtenaw County Health Officer during a discussion of the common misbeliefs regarding this disease which still kills more people than all other communicable diseases combined.

Dr. Engleke explained that many people still think that tuberculosis is inherited from parents. This is absolutely untrue according to the doctor. No evidence exists to indicate that the disease is inherited.

It can be contracted only through direct contact with an active case of tuberculosis. The germs can be taken into the body by breathing them in or by taking them into the digestive tract while eating food that has been contaminated.

The doctor pointed out that the early stages of the disease develop without the victim being aware of it. In this way, a person often spreads the disease to family and friends without knowing it.

The best way of learning definitely that a person has the disease in these early stages is through a chest X-ray. People of this area will be given a chance to have a chest X-ray beginning Oct. 10. The County Health Department will have three mobile X-ray units working in the county from that date through Nov. 18.

These units will be in operation in Chelsea, Dexter, Manchester, Milan, Salem, Saline, Whitmore Lake and Willis. There will be no charge made for the X-rays. All results will be confidential. The units will operate in most locations during the evening hours to accommodate those who cannot attend during the day.

Volunteer workers from the community will be on hand to help with the registration while the units are in operation.

Mr. and Mrs. Clarence Ulrich spent the week-end with Mr. and Mrs. Woodson Davis of Detroit.

Susan Bruce, daughter of Mr. and Mrs. Malcolm Bruce, is spending this week with Mr. and Mrs. Tom Smith of Livonia.

Sheep Breeders Oppose Proposal in Wool Referendum

Members of the executive committee of the Black Top Delaine Merino Sheep Breeders Association, at a meeting held Wednesday, July 27, at the home of Alfred Lindauer, recorded its opposition to the wool referendum on the proposal to deduct one cent per pound from federal government incentive payments as a national wool and mutton promotion fund. The referendum votes are to be in by Aug. 19.

Sylvan-Lima Local 254 of the Michigan Farmers' Guild passed a similar resolution at a meeting held July 18.

Opposition to the proposal is based on the contention that by means of the fund accumulated and used to plan, wool and mutton producers would be promoting foreign interests and not our own, since there is no limit on how much wool can be imported.

It is stated in the resolutions opposing the referendum that "we are now importing two-thirds of our wool from foreign markets."

Figures quoted in discussions of the question show that in 1953 the United States imported 269 million pounds of apparel wool, in addition to woolen textiles and wool-in-the-form-of-peits.

The referendum, if it carried throughout the nation, would raise approximately \$2,000,000, it was pointed out. Those opposed to the proposal declare themselves in favor of a higher tariff on wool and using some of the tariff money for the proposed promotion fund.
