

## COMMUNITY FAIR TO OPEN NEXT WEDNESDAY

### Auto Crash Kills Former Chelsea Girl

Mrs. Kenneth Cheetham of Jackson, daughter of Mrs. Henry Brown, who operates a trucking business, was killed in an automobile accident near Parma at 8:30 a.m.

According to reports of investigating officers, Mrs. Cheetham was in the car alone and there were no known witnesses. Skid marks on the pavement measured approximately 300 feet from the point where the car landed off the pavement.

Born Nov. 22, 1925, at Toledo, Ohio, she was the former Kathryn Eleanor Brown. Before her marriage she was employed in her mother's restaurant here. She was a member of the Church of Christ of Paulding, Ohio.

Survivors in addition to her husband and her mother, are three sisters, Mrs. LeRoy Grob and Gloria Brown of Chelsea, and Mrs. William Adams of Walcottville, Ind.; two brothers, Robert Brown of Chelsea, and Lawrence Brown of Ft. Wayne, Ind., and several nieces and nephews.

Funeral services are to be held at 2 o'clock this afternoon in the Glen Funeral Home in Parma, with Rev. Glenn Cameron of Bryan, Ohio, officiating. Burial is to take place in Fairview cemetery.

### Unadilla Church To Dedicate New Carillon Sunday

Dedication services will be held at 10 o'clock Sunday morning in the Unadilla Presbyterian church for a carillon which is a gift to the church from Mrs. Franklin DeKleine of East Lansing. Mrs. DeKleine is a friend of the church's pastor and his wife, Rev. and Mrs. William Yach.

The carillon is an "Arcadian" produced by Schmeidler Carillons, Inc., of Sellersville, Pa. It is an especially designed model for the smaller church. Its bell is equal in tone quality to a 5 1/2-ton bronze cast bell. Through electronics it is amplified and carried out into a 1/4 mile radius through three reflex speakers installed in the church tower. The electronics are contained in a cabinet on which is mounted a turntable for the playing of recordings. The recordings are from the larger carillons played by expert musicians. Microphones may be added to the instrument for the carrying forth of organ, choir and sermon.

This addition to the ministry of music will be especially beneficial to the community's "shut-ins." The church has approximately fifty recordings of favorite hymns.

Mrs. W. J. Grossman and sons, Buzze and John, her sister, Mrs. J. Stornant of Ann Arbor, and children, Judy, Susie and Chrissy, and Mrs. E. J. Sutter and children, Kathy, Sharon, and John, spent from Sunday until Friday of last week camping at Holland State Park on Lake Michigan.

**COMMUNITY FAIR ATTRACTION**—An outstanding four-phase talent combination with the imposing title of California Joe, Montana Frank, Pinto and El Toro is coming here Friday, Aug. 19 for a one-day run and packs an entertainment wallop no less impressive than their billing. Joe is an expert hand with the whirling ropes and whips; Frank is the world's fastest and most sensational marksman; Pinto is the cutest and smartest spotted horse this side of Hollywood, and El Toro, a pocket-sized live Hereford bull, has set a new standard for bovine I.Q.

### Kiwanis Club Will Sponsor Chest X-Ray Program

It was announced at Monday's Kiwanis club meeting that the annual picnic for Kiwanians and their ladies will take place next Monday evening, Aug. 15, at the Cavanaugh Lake home of Mr. and Mrs. Russell McLaughlin.

Kiwanians also received an invitation to attend a dinner and program given by Boy Scout Troop 26 at Bruin Lake camp at 6:30 p.m. Aug. 20.

Guests at Monday's meeting were Midshipman David Bertke, who is home on furlough from the U. S. Naval Academy at Annapolis, Md., Sheriff Irwin Klager of Ann Arbor, and Thomas Smith, Jr.

Howard Hilton, health education director with the Washtenaw County Health Department, was the guest speaker. He explained that he was here in the interests of the National Tuberculosis Association and gave a resume of the continuing fight against tuberculosis which he said is not a "beaten disease."

Hilton said the number of deaths from the disease has been reduced in recent years because of enlightened treatment, but new cases stay at an almost constant level. He stated 40 new cases were discovered in Washtenaw county the past year and seven deaths were attributed to tuberculosis in the same period.

It is just as important as ever that new cases be detected as soon as possible and for this reason it is planned to have a mobile x-ray unit in Chelsea Oct. 21 and 24 to take chest x-rays. The project is being sponsored here by the local Kiwanis club.

Hilton illustrated his talk with moving pictures showing onset of the disease, advanced cases and present day techniques of treatment.

Local industrial plants will be invited to make arrangements to have the mobile x-ray unit available for employees of the plants several days before the general x-ray program in October.

Monday's meeting was held in the social center of the Methodist church.

### Cooler Weather Brings Relief from Long Heat Wave

The first few days of August ushered in cooler weather which was heartily welcomed after the record heat of the past weeks.

Approximately half of the days in the month of July had temperatures of 90 degrees or higher and Wednesday of last week neared the 100-degree mark.

Thundershowers in scattered sections of this part of the state brought short periods of relief from the terrific heat, but really cool weather did not last for any appreciable length of time until after Saturday's thunder storms and drenching rain. Sunday was an ideal day with the temperature at 78 degrees. Comfortable temperatures have prevailed since then.

Saturday Mrs. Effie Gage and Mrs. Elmer Pierce visited at the home of Mr. and Mrs. Nathan Pierce near Grass Lake.

**RICHARD J. KERN** has been named Sylvan township clerk to fill the vacancy caused by the resignation of Robert G. Foster who moved recently to his new home located in Lima township.

Kern will have served almost a complete term before the next biennial township election in 1957. Kern's appointment was voted upon at the regular August meeting of the Sylvan Township Board.

### Runciman Doing Landscape Work on New Court House

K. C. Runciman, local landscape architect, is doing the landscape planning for Washtenaw county's new Court House at Ann Arbor. A total of 14 varieties of evergreen and broadleaf evergreen are included in attractive beds which are a part of the building's architecture.

Runciman and his workers plan to have the planting completed when the new Court House officially opens, presumably in about two weeks.

The plantings include four large beds, the one on the main street side of the building being 8 feet wide and 140 feet long.

On the Huron street side there is a bed 10 feet wide and 100 feet long while at either side of the main entrance at Huron and Main streets are beds 10 by 32 feet and 12 by 36 feet in size.

The latter two beds, when completed, will include ground cover plantings and all beds will have pent moss added.

The finishing touch for the effective planting arrangement is to be the addition of 150 chrysanthemum plants to the four beds.

Mr. and Mrs. George Smith of Kalamazoo, and Elmer Weinberg were Thursday guests of Mr. and Mrs. E. M. Eismann and Mrs. Effie Gage.

### New Water Main To Serve Sorensen Subdivision Homes

At a special meeting of the Village Council Tuesday evening that body passed a resolution to inform the State Health Department of plans to begin installation of recommended municipal water system improvements "within the next year." The definite time limit notification was required by the state before the Health Department would grant permission for extension of water service to the new Sorensen subdivision where 70 homes are being built by the Chelsea Construction company.

Robert Norris of the Ann Arbor engineering firm, Ayres, Lewis, Norris and May, was present at Tuesday's special meeting and recommended that a six-inch water main be extended from the present water tank behind the McKime House to the new subdivision. This would bolster the entire village water system as well as meet state requirements in order that the water system being installed in the subdivision by the builders themselves may receive state approval.

The Ann Arbor engineering firm was engaged some time ago to make a survey of the village water system and make recommendations for eventual extensive improvements.

Chelsea's water system has been pronounced inadequate for several years past.

At Tuesday's meeting Norris told councilmen that it is his opinion that by the time the complete survey of the village water system has been made a bond issue will be needed to finance the necessary improvement because of the magnitude of the undertaking.

The construction of the six-inch main recommended will be a beginning of the entire village water system improvement. Doing it "within a year" in order that state requirements will be met for approval of the water needs of the new subdivision, will merely begin

the improvement sooner than originally planned. It was pointed out that it is estimated that the cost of the recommended water main extension to the new subdivision will be \$10,000. The subdivision would absorb \$2,000 of the cost of the extension, in addition to paying the entire cost of all mains to be installed within the subdivision itself.

**Two Assistant  
County Prosecutors  
Resign from Office**

Resignations of Chief Assistant Prosecutor Eugene B. Calder of Ypsilanti and Assistant Prosecutor John R. Laird of Ann Arbor, to take effect at about the time the new Courthouse is opened, were announced last Thursday by Washtenaw County Prosecutor Edmund F. DeVine. Both men had indicated some time ago that they planned to devote full time to their private law practice.

Prosecutor DeVine also made announcement of the appointment of successors to Calder and Laird, saying that William D. Barense of Ypsilanti, now second assistant prosecutor, will become chief assistant prosecutor, and Clann Crawford, Jr., Ann Arbor attorney, has been named first assistant prosecutor and William F. Agor, Jr., also an Ann Arbor attorney, is to be second assistant prosecutor.

### Second-Round Polio Shots Scheduled

Second-round Salk vaccine shots for Chelsea children who received their first shots while they were in the first and second grades last year, are to be administered Sept. 19, according to an announcement made from the office of the Washtenaw County Health Department. The date was set for a meeting of the Board of Health and the Public Health committee of the Washtenaw County Medical Society the end of last week.

In a statement released last week, Dr. Otto K. Engelke, Washtenaw county health officer, had said that he would recommend a date late in September for the second-round polio shots when he met with the Medical Society's committees. This will bring the program of shots well past the peak of the polio season which Dr. Engelke had stated would be advisable.

Salk vaccination for the second-round shots was released to Dr. Engelke at Lansing Monday of last week and he brought the supply to Ann Arbor at that time.

Approximately 5,500 children of the county are in the group of first and second-grade children who are to receive the second-round shots. Of the 6,373 children who received first-round shots of the vaccine in the county last spring, about 800 were given second-round shots May 20. These included children of Dexter, Manchester, Whitmore Lake and Stone schools.

According to present schedules, set-up-in accordance with the sequence of clinics as set up last spring when the shots had to be discontinued because of lack of sufficient vaccine, Milan, Chelsea, Pittsfield in East Ann Arbor, and Edmonson at Willow Run are the schools where shots will be administered Sept. 19.

Saline schools and certain city schools in Ann Arbor will hold their clinics Sept. 20.

The Health Department office emphasizes that it is the children who were in the first and second grades last year who will be receiving the vaccine in the September clinics. Most of these children will be in the second and third grades when they return to school next month.

Dennis Stoffer, son of Mr. and Mrs. John Stoffer, spent the week of July 24-31 with his cousin, Mary Jackson, of Plainwell. Mr. and Mrs. Stoffer called July 31 and the week, while her parents and Dennis toured the western and northern part of the state. Patricia, the Stoffers' other daughter, remained at home with her grandparents, Mr. and Mrs. Harry Stoffer.

**EARLY FRAME HOUSE**—The original log house on the Boyce homestead was replaced by the frame house above, said to have been the third frame house erected in Lyndon township. The present owner's father, George Boyce, had the house torn down in 1917 when the present house was built. Three barns have been on the place, the first being a shed; the second struck by lightning in August, 1928, and the present barn which was erected that same year.

**ANOTHER "centennial farm"** in Lyndon township was awarded a centennial plaque at the same time the Boyce farm received recognition. It is the McIntee farm at 9850 Beaman road, now occupied by Herbert McIntee and his sister, Frances. The original owner, Dan Graves, acquired the land in 1837 and in 1885 sold it to John Cassidy, granduncle of the present owners. In 1942 it was transferred to their grandmother, Marian Cassidy McIntee, and her husband, O'Neil McIntee, then to their father, the late Eugene McIntee, and finally to them. A log cabin was the first home on the land, the present frame house being 85 years old. Barn built in 1867 and 1874 replaced the original sheds erected for shelter for the livestock.

**Search for Person  
Who Cut Tongue  
From Small Pup**

One of the most viciously cruel acts to come to the attention of the community in a long time is the mutilation of a four-month-old part cocker puppy owned by Bill Lubahn. The puppy's tongue had been cut out.

Noticing that the dog was not eating and was growing steadily thinner, Lubahn took him to Dr. Wilfred Lane, local veterinarian, who forced the "little animal's" mouth open and discovered what had happened. The dog was slowly starving to death because the loss of the tongue prevented him from lapping up food or water.

Dr. Lane disposed of the dog to prevent further suffering.

**CENTENNIAL FARM**—Mrs. Mary Clark is shown above with a plaque awarded by the Michigan Historical Commission to "centennial farms"—farms owned by the same family for 100 years or more. The plaque is resting on a walnut stand made by Mrs. Clark's great-grandfather, Samuel Boyce, who came to Michigan in 1835 and homesteaded the farm at 11437 Boyce road which has remained continuously in the Boyce family since. Samuel and his wife, Sarah Cutter Boyce, had a family of 11 children and lived in a log cabin built in 1837. Successive owners include Spencer and Mary Wallace Boyce, grandparents of Mrs. Clark, who acquired the farm following Samuel's death in 1875; and George and Mary Behm Boyce, parents of Mrs. Clark and her brother, Spencer Boyce, present owner of the farm. The latter has the original deed, inscribed on parchment and signed by President Martin Van Buren in 1838.

**THE annual Washtenaw county 4-H Club Show** began at 9 a.m. yesterday when club members began to place their exhibits. Exhibits were brought in throughout the day in preparation for the judging which began at 5 p.m. First to be judged were flower garden and crops exhibits.

Beginning with the judging of beef, swine and poultry at 9 a.m. today, the day's schedule calls for judging of 4-H Home Economics projects at 9:30 a.m.; judging of rabbits at 12:00 noon; and conservation and photography at 10:00 a.m.

Highlight of the day's activities will be the special horse show and entertainment, with everyone invited to attend free of charge, at 8:30 p.m. Carroll Ordway's 4-H club members will participate in the horse show. Ordway, with Herbert Stoffers and Mrs. Marvin Zeig of Dixboro are in charge of the event as superintendents of the horse division.

The big event Friday evening at 8:30 p.m. will be the showmanship contest. Classes competing will be dairy, beef, sheep and swine.

Saturday will see the release of exhibits at will. No time limit has been set this year.

The show is being held at the former Ann Arbor Fairgrounds, now known as Veterans Memorial Park.

Frank Gendron, Washtenaw county 4-H club agent said yesterday the show is one of the largest ever held by local county club members, with approximately 3,000 exhibits on display.

The exhibits include all 4-H projects such as foods, clothing, handicraft, electrical, vegetables, flowers, conservation, livestock, 4-H club girl, tractor maintenance, photography, etc.

Judges at the show are as follows: swine—Edgar M. McClelland; Michigan State University; beef—Louis Webb, County Agricultural Agent, Calhoun County; sheep (fine wool)—Lynn Hendee, Pinck (Continued on page seven)

### Washtenaw-Wayne Black-White Show Held in Wayne

At the Washtenaw-Wayne County Black and White Show, held Wednesday, Aug. 3, at the Wayne county 4-H Fairgrounds, the Lowell Spike family of Milan, formerly of Chelsea, exhibited dairy cattle that placed high on the list of awards.

Lowell Spike's awards were listed as follows: 3B on senior yearling female, G. A. Sorensen, and 2A on aged cow, 5 years old, G. A. Ormsby Elsie; while Peter Spike's are 2A in the produce of dam class, 4B on senior yearling female, G. A. Ormsby Juliana, and 5B on junior heifer, Green Acres Ormsby Candy.

Leonard Burmeister of Ann Arbor, having the junior champion and grand champion male exhibited.

Junior champion female was exhibited by Jack Budd of Belleville and senior champion and grand champion by Everett Miller of Milan.

Sandra and Sharon Juergens of Marshall, are spending this week at the home of their grandparents, Mr. and Mrs. Albert Doll.

### Annual Event Held Month Earlier Than In Previous Years

#### Night Depository Being Installed By State Bank

Workmen began cutting through the stone wall of Chelsea State Bank Monday in preparation for installing a night depository for the convenience of business people and others who wish to make deposits after banking hours. The wall is approximately five feet thick at the point where the opening was made.

When installation of the depository is completed, all that will be seen from the outside is a bronze plate, approximately 18 inches square. Depositors who will have large amounts of cash to deposit at the close of their business day will be given a key to an opening where the money may be deposited. It will slide down a chute connected with a vault in the basement where it cannot be reached until the bank opens for business the next day. A smaller slot for deposits that fit into a mailing envelope will require no key.

**4-H Show  
Underway at  
Ann Arbor**

The annual Washtenaw county 4-H Club Show began at 9 a.m. yesterday when club members began to place their exhibits. Exhibits were brought in throughout the day in preparation for the judging which began at 5 p.m. First to be judged were flower garden and crops exhibits.

Beginning with the judging of beef, swine and poultry at 9 a.m. today, the day's schedule calls for judging of 4-H Home Economics projects at 9:30 a.m.; judging of rabbits at 12:00 noon; and conservation and photography at 10:00 a.m.

Highlight of the day's activities will be the special horse show and entertainment, with everyone invited to attend free of charge, at 8:30 p.m. Carroll Ordway's 4-H club members will participate in the horse show. Ordway, with Herbert Stoffers and Mrs. Marvin Zeig of Dixboro are in charge of the event as superintendents of the horse division.

The big event Friday evening at 8:30 p.m. will be the showmanship contest. Classes competing will be dairy, beef, sheep and swine.

Saturday will see the release of exhibits at will. No time limit has been set this year.

The show is being held at the former Ann Arbor Fairgrounds, now known as Veterans Memorial Park.

Frank Gendron, Washtenaw county 4-H club agent said yesterday the show is one of the largest ever held by local county club members, with approximately 3,000 exhibits on display.

The exhibits include all 4-H projects such as foods, clothing, handicraft, electrical, vegetables, flowers, conservation, livestock, 4-H club girl, tractor maintenance, photography, etc.

Judges at the show are as follows: swine—Edgar M. McClelland; Michigan State University; beef—Louis Webb, County Agricultural Agent, Calhoun County; sheep (fine wool)—Lynn Hendee, Pinck (Continued on page seven)

### Fair Exhibit Entries Must Be Filed with Division Chairmen

Judging of entries at the Community Fair is to begin at 10 a.m. Thursday, Aug. 18. All exhibits must be on the Fairgrounds by 12:00 noon Wednesday with the exception of baked goods which must be in place by 8:30 a.m. Thursday. All entry forms must be turned in by Saturday, Aug. 13, with exception of livestock entries which must be handed in by today. Entry forms must be filed with division chairmen.

George Brettschneider has been named chairman of the poultry division, according to an announcement by Wallace Wood, Fair Board president.

#### Children's Day Events Scheduled For Opening Day

Next week is Community Fair Week in Chelsea and plans for the big event are practically complete. M. J. Anderson, chairman of Children's Day events, reminds parents and children of Chelsea and vicinity that Wednesday, opening day of the fair, is Children's Day. Special events include a children's pet show with generous prizes in various categories as follows:

Dogs—with the longest tail; shaggiest; funniest looking; smallest; largest; best dressed.

Cats—with most beautiful tail; longest hair; largest; smallest; most unusual; best dressed.

Farm Yard Pets—best behaved; best trained; most unusual; best dressed.

In addition, prizes will be awarded for the best combination of youngster and pet in unusual dress.

Other events will include a watermelon-eating contest for youngsters two to ten years old and a mother or daddy calling contest.

Anderson will be assisted by Mrs. Edmund Kayser and Nancy Atkinson who will supervise the events.

A tug-of-war between farmers and men of the village is another highlight of the first day's program.

Volunteer workers have been holding work "bees" at the fair grounds, each evening building forms for a 4-inch concrete slab 30 x 100 feet in size, to be ready for the merchants' exhibits in the merchants' tent. The slab, which will cost approximately \$1,000, will not be large enough for all merchants' displays but is a start toward evenness in improved quarters for all displays, according to Wallace Wood, Community Fair Board president.

Don Alber, chairman of the parade committee, has requested that all industrial and business firms enter their trucks in the parade whether they plan to enter floats or not. At last report, he had eight floats registered for the parade.

Alber also reminded youngsters of the community to plan to enter the parade with their bicycles and tricycles.

Eugene Shroyer is contacting a number of school bands in an effort to get several bands to march in the parade which is scheduled for 2 p.m. Saturday, Aug. 20.

The fire siren will be sounded at 1:30 p.m., Alber said, as a signal for parade entrants to be at designated locations to be announced next week. The siren will again be sounded promptly at 2 p.m. to signal the start of the parade.

The American Legion, color guard will head the parade and State Police cars and the county sheriff, Erwin Klager, will ride in the parade in addition to local officials.

At the close of Saturday night's program a home freezer, donated by a local merchant, filled with meats and frozen foods of all kinds contributed by other merchants, will be one of the prizes to be given away. Free tickets on this prize will be obtainable in a booth at the fairgrounds.

Gift tickets for the many prizes to be given by business people and merchants are again to be provided, free of charge or obligation to purchase merchandise. As has been the custom in the past, all that needs to be done is go into a store, fill out a card and drop it in a box provided for the purpose.

The prizes are customarily given away as the final feature of the four-day fair.

A complete program of all events of the fair appears on another page of this issue of The Standard.

**PERSONAL NOTES**

Mr. and Mrs. Russell Long of Wyandotte, spent Saturday night with Mrs. Fay Schiller.

Mrs. Emma Seitz attended the Seitz family reunion held Sunday at Saline park, Saline.

Mr. and Mrs. Max Friedrich of Detroit, were Sunday callers of Mr. and Mrs. George W. Atkinson.

Mr. and Mrs. Alton Gieske and family spent the week-end at East Jordan.

Mrs. Carl Mast is spending a few weeks with her sister, Mrs. Carrie Fahrner at Grand Rapids.

Mr. and Mrs. Dale Keezer and family and Mrs. Iva Keezer spent Sunday in Defiance, Ohio.

Mr. and Mrs. Edwin Paul and family spent their vacation at Big Bay and visiting friends in Iron Mountain.

Dick and Ronald Foster, sons of Mr. and Mrs. Allen Foster, left Sunday for Chatham, Ont., to visit their aunt, Mrs. Percy Sparks.

Carl Barden and Don Kidley of South Haven, were Tuesday morning visitors at the home of Mr. and Mrs. Elba Gage.

Raymond Barnes of Adrian, spent Tuesday afternoon and evening with his aunt and uncle, Mr. and Mrs. Donovan Sweeney.

Mr. and Mrs. John L. Anderson of Manistee, are visiting Mr. and Mrs. James K. Daniels. Mrs. Daniels is their daughter.

Mr. and Mrs. Walter Trinkle called Sunday afternoon at the home of Mr. and Mrs. Gene Heisel and family of near Saline.

David Doll and Billy Muirhead, both of Detroit, are spending this week with David's grandparents, Mr. and Mrs. R. B. Dexter and Mr. and Mrs. Albert Doll.

Tillie Young and granddaughter, Marketa Young, called Sunday at the home of Mr. and Mrs. William Benjamin of Plymouth.

Mrs. Alfred Williams left Monday for Charlotte to visit her mother, Mrs. Mary Hiltner, who is ill and who was to return with her daughter.

Mr. and Mrs. Walter Trinkle attended the funeral of Ernest Mann Sunday afternoon, which was held at the Lockwood Funeral Home, Saline.

Mr. and Mrs. Don Labo of Flint, spent the week-end here as guests of Mrs. Labo's parents, Mr. and Mrs. Elba Gage, and Saturday afternoon they attended the wedding of Joan Stevens and Phil McFadden, in Jackson.

Miss Ruth E. Boyden of Lexington, Ky., left for her home last week Sunday after being a week-end guest of her uncle and his wife, Mr. and Mrs. Henry L. Everett. She holds a position in the experimental research department at the University in Lexington.

Visitors the past week at the home of Mr. and Mrs. E. M. Eisenmann and Mrs. Effie Gage were Ernest Schuler of Phoenix, Ariz., Mr. and Mrs. William Eisenmann and Mr. and Mrs. Harold Hanselmann and family, of Ann Arbor.

Mrs. C. A. Brady of Birmingham, Mrs. Clara Loeffler and granddaughter, Ruth Blumenauer, of near Pleasant Lake, Mr. and Mrs. Roy Hanselmann and family, of Whitmore Lake, Christian and Ernest Horning, Fred Sager and Mrs. Elba Gage, also, Mr. and Mrs. Frank Knowles of Redford.

**Summer Recreation Program Closes Season's Activities**

Attendance for the seventh week of the Chelsea Recreation Council summer program, Aug. 1-5, was listed as follows: playgrounds, 172; morning activities at athletic field, 135; swimming, 187; and evening activities, 183.

It was announced by Alan Conklin, program director, that there will be no street dance tomorrow night, Aug. 12.

This is the final week of the summer recreation program.

Morning playground activities were concluded last Friday with a dress-up party. The playground program was closed a week earlier than the rest of the program because of a lack of funds.

Look for brown silks when you buy sweet corn, says the U. S. Department of Agriculture. Silks that are still green at the tips indicate corn that has not matured enough to have well-filled kernels and the best flavor.

Capa Horn is at the southernmost tip of South America.

**Recreation Ball Teams Close Season In Past Week**

Wednesday of last week the Midget and Junior baseball teams of the summer recreation program played Stockbridge at the local athletic field.

The Midget game was called at the end of the seventh inning with the score tied at 2-2. It was the local team's best game of the year with only one error marking the contest.

Chelsea Midgets scored twice in the third inning. Singles by Dan Mayer and Homer Nixon, plus an infield out by Ken Larson, accounted for the two runs. Jerry Ringe and Mike Marsh shared the pitching and both turned in fine performances, according to Alan Conklin.

Stockbridge pitchers combined to pitch a no-hit, no-run game against the local team. Hub Weber and Jim Baxter with walks and Chuck Koenigster who was hit by a ball were the only Chelsea base runners.

Jim Baxter and Frank Fredricks pitched and were in constant "hot water" because of the 10 bases on balls they issued.

The game closed the team's season with 14 wins and 5 losses.

Egg whites whip best if beaten after standing a while at room temperature.

## PERSONAL NOTES

Mrs. Walter E. Boone is spending six weeks at Petoskey. Mr. and Mrs. Robert Bauer and family moved Saturday from 204 South street to their new home at 615 Flanders street.

Mrs. Kenneth Galbreath and daughter, Hambly Lynn, left Tuesday to spend two weeks in Buffalo, N. Y., visiting her aunt, Mrs. Alice Volwinkel, her cousin, Mrs. Donald Wagner, and other relatives.

Mrs. Grover Douglas, with her mother Mrs. Charles Messner, spent the week-end with her daughter and family Mr. and Mrs. Fred Seeley, Jr., at their home to which they recently moved near Farmington.

Mr. and Mrs. Charles Cameron and family returned Monday after spending the past week at the lake at East Jordan. Mr. Cameron and his son, Cameron, II, with his brother and sister-in-law, Mr. and Mrs. Henry Cameron of Ferndale, had previously spent two weeks on a trip to Nova Scotia where they visited relatives. It was Mr. Cameron's first visit to his boyhood home in 30 years.

Miss Barbara Sparks of Chatham, Ont., spent two weeks at the home of Mr. and Mrs. Allen Foster. Mr. and Mrs. Gust Pongas of Detroit, were Sunday supper guests of Mr. and Mrs. W. G. Price. Mr. and Mrs. Bruce Hopkins were at Silver Lake, Ind., Thursday to attend the funeral of his uncle, Oscar Hopkins.

Mr. and Mrs. George Steele and grandson, Johnny Steele, were Sunday dinner guests of Mr. and Mrs. Melvin Lesser of Munith.

Mr. and Mrs. Vincent Hafner and family and Mr. and Mrs. Clinton Stevens attended the Miller family reunion held Sunday at Bennett park, Charlotte. John Hafner returned with his parents after spending a week with Mr. and Mrs. Dudley Miller, of Charlotte.

Saturday visitors at the home of Mr. and Mrs. Ray Thomas were the former's cousin, Mrs. Joseph Burns, with her husband and son, of Utica, N. Y.; also, Mr. Thomas' brother and his wife, Mr. and Mrs. William Thomas, and the latter's sister, Mrs. Myrtle Peterson, of Detroit.

Northern reports have the promise of a highway funneling thousands of cars into their drive ways—one way or another.

The tug-of-war between toll roads and free superhighways is the focal point of one of the bitterest disputes in years.

On one end of the rope is the Michigan Turnpike Authority and on the other is Highway Commissioner Charles M. Ziegler. The people are in the middle.

Ziegler, really, must play a dual role. He is also a member of the turnpike authority, a situation that has had him dodging brickbats from all directions for two years.

The authority is guided by experienced hands who insist on a 113-mile toll road between Flat Rock and Saginaw.

Ziegler is rushing work on a competitive route, a relocation of U.S.-10 from Detroit to Saginaw and of U.S.-25 from Detroit to the Ohio border near Toledo.

"We've got a lot of money tied up in that road now and we can't walk away and leave it," Ziegler said.

Turnpike champions, headed by the authority chairman, George N. Higgins, Ferndale Republican, figure Ziegler is perpetrating a dastardly doublecross.

"Ziegler has caused the authority a lot of problems," Higgins said. "But I don't think he'll block us anymore."

From a cash-on-the-line standpoint, the turnpike will cost \$165 million and the free highway \$138 million. Ziegler said he could finish the free road in three years.

Higgins said the turnpike can be completed in 39 months after the bonds are sold. They will be retired from tolls.

There was a poignant moment when Congress killed President Eisenhower's highway aid plan, which would have given Michigan federal money for interstate highways at a 90-10 ratio, federal to state matching.

"If we get that, we can finish the free highway in three years," Ziegler said. "I'm sure."

When the bill was killed in Congress, Ziegler said, state money would do the job in the same time.

Higgins, mourning the death of the program in congress on the surface, privately was jubilant.

"This will put all the more steam behind the turnpike program. We'll get started as soon as we can and build the toll road."

Serious questions have arisen from the situation. If there is to be a competing free road with the same superhighway construction, will New York financiers go for the revenue bonds?

Will motorists prefer the free superhighway to the toll road, creating a boycott and a virtually impossible financing problem for the turnpike?

Ziegler denies he doublecrossed the turnpike authority. He said he was assured by the engineers for the turnpike that a free route along the same general route "would have no effect."

There have been hints that the 1956 legislature, recognizing the tight spot occupied by Higgins, a former senator, could remove Ziegler from the authority.

On the other hand, Ziegler may be running for re-election next year. Republicans would think

twice before jeopardizing his chances against a Democrat. Best bet here is that the turnpike authority, with Higgins at the helm, will be told to go ahead. Ziegler will be told to take it a little easy and maybe change the route of his free road a bit.

Water: Wonderland may be junked as the license plate slogan in 1956.

It became a hot weather issue for Secretary of State James M. Hare, with touches of legal trouble and with visual acuity of motorists.

Hare said that dozens of motorists had written, complaining that the "Water-Wonderland" slogan at the bottom of the plates squeezed the numbers into hard-to-identify proportions.

So, Hare asked a special committee to look into the problem, among others.

Then came the legal questions. An unidentified attorney in Detroit asked whether the state was violating its own law against advertising of any kind on the license plates. Hare answered:

"You've got me, but I'll find out."

Hare is still checking with Atty. Gen. Thomas M. Kavanagh. The law plainly states that there shall be no advertising of any kind on a license plate.

Hare, mourning the state of affairs which has the 1956 plates rolling off the lines 30,000 a day at Jackson state Prison, figured the question would be answered before production of 1957 plates.

"I expect the committee to recommend that the slogan be dropped for 1957 and thereafter," he said.

## CHELSEA HOMEMAKERS

Chelsea Homemakers Extension club met Monday evening at Pioneer park for a picnic supper preceding a regular meeting. There were seven members present.

With Mrs. Lorenz Wenk presiding as chairman, officers were elected for the 1955-56 club year as follows: Mrs. Gale Gilson, chairman; Mrs. Edward Walker, vice-chairman; Mrs. Robert Hochstein, secretary-treasurer; Mrs. Martin Miller, reporter; Mrs. Winifred Coffron and Mrs. Lorenz Wenk, leaders; Mrs. Kathleen Hatt, recreation leader; and Mrs. A. Dorer, community chairman.

The next regular meeting of the club will be held Sept. 12 at the home of Mrs. Martin Miller.

## REBEKAHS PICNIC

Approximately 50 women and children were present for the annual picnic of Rebekah Lodge, held Thursday afternoon at the home of Mrs. Julius Herman at Half Moon Lake.

The hostess served ice cream and the coffee at the pot-luck dinner. Swimming furnished entertainment for the children during the afternoon.

## MICHIGAN OUTDOORS

with MORT HEFF

## STATEWIDE STREAM IMPROVEMENT PLANNED

No more than 200,000 Michigan sportsmen choose to fish for trout as opposed to nearly 800,000 who prefer bass, pike, and panfish as their angling targets. Yet the state is spending far more money to improve or maintain trout fishing than for the betterment of the warm water species.

Recognizing this fact the Conservation Department is giving careful study to the possibility of extending more aid, particularly in the direction of small mouth bass fishermen who find their sport in many of the state's well known rivers.

Experimental Project Underway

First on the program, as an experimental project, is an improvement plan for the Huron River between Ann Arbor and Dexter—a stretch of water heavily favored by bass and bass fishermen. The river in that section is relatively free from pollution, has a good growth of trees along the shoreline to curb erosion, and a fairly substantial supply of natural food.

Its weakness lies in the lack of deep channels and fast moving current—characteristics favored by small-mouth bass. Steam shovels are wading into the Huron

work. The deflectors are so designed as to withstand heavy floods and spring runoffs of ice and snow. Added current means good gravel stretches washed clean to make ideal bass spawning areas.

The Huron River improvement project will be judged and appraised during the next five years. Should better bass-fishing result, as is almost a certainty, similar plans are in store for a number of rivers, particularly in central and western Michigan. It may well mean a big swing to better bass fishing in Michigan rivers.

## Strict Tests Through Every Process Assure Safety of Salk Polio Vaccine

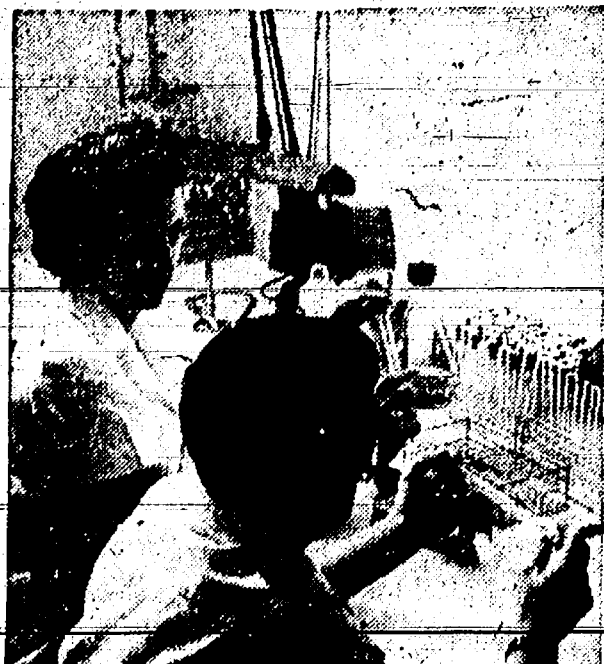

For the first time in history, a vaccine is protecting millions of human beings from paralytic polio. While the Salk vaccine will not work in every case, American children are being safeguarded against the dread disease, with no more risk than they would take in a vaccination against smallpox or a typhoid shot. The Salk vaccine must pass elaborate tests under the watchful eye of a government inspector at every stage of production. Then the final packaged vaccine is approved by the U.S. Public Health Service for distribution. Here are shown a few of the steps that assure American parents their children are being given a safe vaccine.

This technician is filtering dead cells and all other foreign matter from polio virus after it has grown on animal tissue in glass containers.

Virus is "cooked" in tank with formaldehyde (from bottle) until it is rendered harmless, after which it must pass exacting safety tests.

Animal tissue in tubes is inoculated with vaccine and held at 37°C. If any live virus remains, it will multiply here, hence can be detected.

This expert is examining tissue after contact with vaccine to determine absence of live virus.

It's all over and it didn't hurt a bit! Salk vaccine makes this little girl safer now from paralytic polio. And her parents feel better too!

## Saddle Club To Participate In Ann Arbor Horse Show

Sixty-nine classes have been entered in the All-Breed Horse Show to be held at Veterans Memorial Park (formerly the fairgrounds) at Ann Arbor tomorrow, Saturday and Sunday.

According to Dr. H. R. Shipman, general chairman of the event for the sponsoring Ann Arbor Saddle and Bridle club, this is the largest entry of any show held in Ann Arbor and is the only all-breed show in the state.

Competition promises to be keen in a jumpers and hunters event with entries from Ohio, Illinois, Indiana, Michigan and points in Canada. Dr. Loweth of Metamora, will judge the jumpers and hunters.

Chelsea area horses to appear in the show include a number to be entered by members of the Up and Down Saddle club, a 4-H group led by Carroll Ordway.

The show opens at 9 a.m. tomorrow, while Saturday and Sunday events will begin at 1 p.m. and 7 p.m.

Sunday night is expected to draw an extra large crowd for the stake classes event. To be eligible as winners in this event the horses must have shown in at least one or more classes. A \$100 prize is to be awarded and there will be a trophy provided.

In addition, six ribbons will be awarded for winners in the first six places.

Walter Hughes of East Lansing, widely-known horse trainer, will judge the English Saddle class and Clayton Hewitt of Mason will judge all Western horses.

## Legion, Auxiliary Delegates Attend State Convention

Representing Chelsea at the American Legion state convention in Detroit from Thursday through Sunday last week were Charles Spencer, commander, William B. Blaes, immediate past commander and Elton Guenther, Harrison Cooper, Clare Fenn and Paul Maroney of Herbert J. McKune Post No. 31, and Mrs. Charles Spencer and Mrs. Grant Schooley, delegates; Mrs. Ruth Chiswell who was installed into the department of Michigan Auxiliary as Second District president; Mrs. Paul Maroney and Mrs. William Blaes, president of the local American Legion Auxiliary.

Mrs. Chiswell is to be installed in her office in Second District ceremonies Aug. 21.

At the convention elections, Donald J. Smith of St. Johns, was elected state Legion commander to succeed Kent Lundgren of Manistowic; and Mrs. Viola Starkoy of Detroit, was named president of the Department of Michigan Auxiliary, to succeed Mrs. Gladys Taylor of Brooklyn.

Paul Maroney, who had served as department finance officer the past 10 years, declined re-nomination.

It was reported that many of the members were at Ann Arbor Saturday getting the grounds ready for the county show.

**THEY'RE STILL** talking about the game-winning steal of home against the mighty Yankees by Detroit's new first baseman, Clifford Earl "Torgy" Torgeson, and they'll be talking about it for a long time to come.

Called Earl or Torgy by his teammates, aggressive, tobacco-chewing Torgeson excited everyone in both major leagues by his dramatic theft some Sundays ago to give the Tigers a clean sweep of the three-game series and help tighten up the pennant race.

The fellow O'Diz shares a microphone with Van Patrick, still calls it his greatest thrill in all his years of baseball broadcasting.

Torgy can be expected to do things like that. He's a force competitor and fast of foot. In the short time he's been with us, Torgy's fit into Detroit's plans like the spokes on a wheel.

**Former National Leaguer**

His inspiring play is of as much interest in the National League as the American because he spent more than eight years in the senior circuit, coming to the Tigers last June 14 from the Philadelphia Phillies.

Big, bespectacled Torgeson, who looks enough like Clark Kent to be called "Superman" by the players and even many strangers, is in his fifteenth season of professional baseball.

While attending Washington State Teachers College and Ellensburg Teachers College, Torgeson broke in with Seattle in 1941 and stayed there through the 1946 season, with time out for Army duty during 1943-45.

Sold to the Boston Braves before the start of the 1947 campaign, he enjoyed his best major league season there in 1950, batting .290, scoring 120 runs, winning 15 bases and getting 167 hits including 23 home runs, 30 doubles and three triples.

Traded to the Phils in a four-way deal in 1952 that saw the trading of players among Boston, Philadelphia, Brooklyn and Cincinnati, the left-hand hitting Torgeson experienced a succession of misadventures that benched him much of the time.

Edged Out of Job

He sustained a broken foot in 1953, and in 1954 dislocated a shoulder and thumb, the latter requiring an operation. This year he was edged out of his regular first baseman's job by Marvin Black and was used largely in relief. Thus he was expendable to the Phils when the Tigers came along.

Torgy is known as one who never backs away from a fight. He's paid the National League some \$700 in fines for his on-the-field encounters. Among his more notable scrapes were those with Pittsburgh's Cliff Chambers, a pitcher, who dished him three times and broke two ribs with a fast ball, and Giant catcher Sam Yarns, who broke Torgy's ball on home plate after he had singled.

Born in Snohomish, Wash., of Norwegian descent, Torgeson, now 31, was married in 1940 to the former Norma Syverson. They have two children, Christine, 8, and Andy, 6.

The Torgeson home is on Anna Maria Island, 10 miles from Bradenton, Fla., and a four-wheel drive from Fred Hutchinson's place.

## It Wasn't So Very Long Ago

Items taken from files of The Standard of years past.

### 4 Years Ago...

Thursday, Aug. 2, 1951—

A total of 72 children are being given fluorine dental treatment here in the program sponsored by the Michigan State Dental Society, Michigan State Board of Dentistry and Michigan Department of Health.

### Health

In cooperation with local agencies, Chelsea Independents are tied with Williamson for second place in the league. Fowlerville is in first place with five wins and one loss.

David and Danny Clark, sons of Mr. and Mrs. Calvin Clark, are having the measles.

### 24 Years Ago...

Thursday, Aug. 6, 1931—

Jack Ballard, fishing on an inland lake near Lake Superior hooked a casting rod and reel lost a few weeks earlier by Kent Walworth and brought the fishing equipment back to Walworth.

The weekly band concerts which are being presented by Isham's Band are growing in popularity, an exceptionally large crowd being on hand Wednesday night.

A resident of Cavanaugh Lake road, west of the lake, informed The Standard that 430 automobiles passed his residence Sunday. Since that part of the highway is not graded, the dust is proving troublesome.

### 34 Years Ago...

Thursday, Aug. 4, 1921—

J. L. Smith, a member of the Chelsea band, who will soon leave Chelsea, was given a surprise band concert on the downtown streets Saturday night. An enforced recess of about an hour was caused by the inability of the municipal light plant to furnish current for the village for that length of time. However, band members and listeners remained and waited for the conclusion of the concert after lights were restored.

Every possible precaution is being taken through federal quarantine services to prevent the entry of rinderpest, one of the most fatal of cattle diseases from getting a foothold in this country. The affliction which had not appeared in Europe since 1881, is now prevalent there.

Homonyms are words which sound alike but differ in meaning such as dear and deer.

## William Koselka Training With AFOTC Unit

William J. Koselka, son of Mr. and Mrs. Frank J. Koselka, is spending five weeks with the Air Force ROTC summer training unit at Keesler Air Force Base, Mississippi.

At the conclusion of the present training Aug. 20, he will be eligible for appointment as a second lieutenant in the Air Force Reserve.

Koselka and his wife, the former Mary Jo Riley of Ypsilanti, and their year-old son, Michael, are making their home in Columbus, Ohio.

Motion by Eisemann, supported by Merkel, that the Clerk be authorized and directed to issue checks on the General Fund in payment of the bills presented. Roll call: Yeas all. Motion carried.  
The Chelsea Development Company representatives were present at the meeting and presented a plat of Sorensen subdivision for acceptance by the Village. Following much discussion on the proposed plat the following action was taken.  
Motion by Slocum, supported by Eisemann, that the Clerk of the Village of Chelsea be authorized to execute acceptance of the plat proposed by the Washtenaw Development Co. Inc., a Michigan Corporation, of a subdivision known as Sorensen Subdivision, a part of the Village of Chelsea, County of Washtenaw, State of Michigan, provided, however, that the acceptance of this plat and the execution of same by the Clerk of the Village of Chelsea be contingent upon the performance of the following conditions:  
A. Deposit with the Treasurer of the Village of Chelsea a sum of cash equal to the cost of installation of water and sanitary sewer service as determined by contract, provided, however, that such deposit shall be a minimum sum of Twenty-Five thousand dollars, cash.  
B. Delivery to the Clerk of the Village a written contract executed in behalf of the Corporation together with duly certified resolution of authorization binding said Corporation to deposit as a prerequisite to issuance by the Village of Chelsea of certificates of occupancy a sum equivalent to at least One Hundred Fifty percent of the proportionate contract cost of all utility installations not at that time actually installed, including streets, curbs, gutters, sidewalks, storm sewers and all other performances demanded by the Village of Chelsea.  
C. Delivery to the Clerk of the Village of Chelsea a written contract executed in behalf of the corporation, together with duly certified resolution of authority binding said Corporation, to make all installations according to plans

and specifications previously approved by the Village of Chelsea and all other proper agencies and governmental organizations. To deposit in escrow with the Village of Chelsea the contract cost of all additional installations not covered and included in the One Hundred Fifty percent proportionate contract deposited upon issuance of certificate of occupancy; To comply with all other proper directives of the Village of Chelsea as to all installations and matters applicable to this subdivision including building permit fees and requirements and the issuance of certificates of occupancy by the County of Washtenaw as well as the Village of Chelsea.  
Roll call: Yeas all. Motion carried.  
Motion by Eisemann, supported by Larson, that no basements be permitted under any building constructed in Sorensen Subdivision.

with the exception of houses located upon Lots No's. 1 and 2 of said subdivision; provided, however, that no sanitary sewer installation shall be made in the basements of houses located upon said lots No's. 1 and 2.

Step in... and command the most modern truck power on any job!

**New Chevrolet Task-Force Trucks**

Seven new "high-voltage" high-compression valve-in-head engines!

Here's hour-saving, dollar-saving power for your job...  
the biggest choice of engines in Chevrolet truck history!  
And they're the most modern engines in the industry!

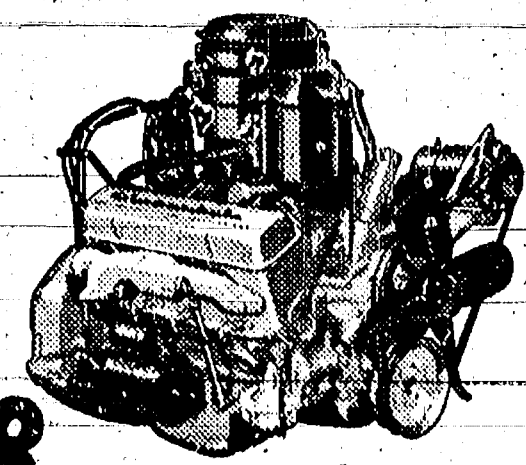

You've got it good under the hood with a new Chevrolet Task-Force truck! With two new V8's and five new sixes to choose from, you can pick the power that's tailor-made to do your kind of hauling.

**Shortest stroke V8's in any leading truck!** Both of Chevrolet's new truck V8's have an ultra-short stroke—shortest of any V8 in any leading truck. They're of modern oversquare design, which means that the piston stroke is smaller than the bore. The result is less piston travel per mile... longer engine life. Also, Chevrolet's compact truck V8's deliver ex-

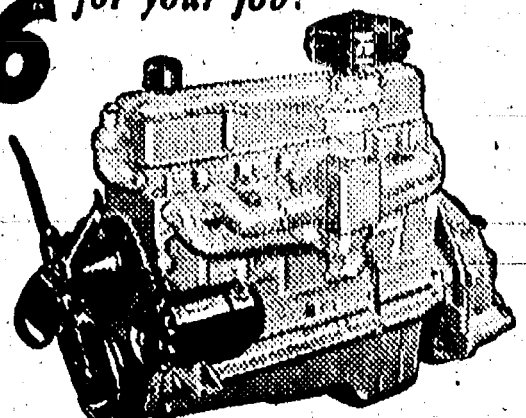

ceptionally high horsepower per engine weight. More power is actually available for hauling your loads!

**Modern 12-volt electrical system!** You get this great development in all new Chevrolet truck engines—both V8's and sixes. The 12-volt electrical system delivers twice the punch for quicker cold-weather starting (up to 30% faster cranking speed). It also provides a hotter, fatter spark for better ignition.

Come in and command the most modern truck power for your job!

**V8 or 6** you get the right power for your job!

Year after year... America's best-selling truck!

WE BORROWED AN AIRCRAFT IDEA TO MAKE THIS ALL-NEW METRO-LITE BODY

## Extra Light for Biggest Payload

9 new lightweight INTERNATIONALS with METRO-LITE bodies available in 3 lengths—9'6", 10'6", 12'6"—on wheelbases 11.5 to 13'10". Maximum interior width 7'0". Capacities 3,490, 3,870, 4,650 cu. ft. GVW 5,400 to 16,000 lbs. METRO-Matic transmission for models up to 11,000 lbs. GVW.

If you're in the market for multi-stop delivery trucks that give you lightest weight and greatest space for biggest payloads, come in and get full facts on new INTERNATIONALS with all-new METRO-LITE bodies! The Metro-Lite body is far lighter than steel, even lighter than aluminum. It combines magnesium alloy, aluminum alloy and reinforced glass fiber plastic in a strong, rigid airplane-type design that eliminates space-consuming, weight-increasing body posts. It gives you more glass area for better visibility—many other advancements.

In the new METRO-LITE body, famous INTERNATIONAL engineering gives you all the qualities and economy features that have made INTERNATIONAL the multi-stop leader for 17 straight years.

## Club and Social Activities

**YV AUXILIARY**  
There were 20 members and guests present at the August social meeting held Monday evening in the 100F hall.  
Games were played and Mrs. Mary Kniss was awarded the door prize.  
The next meeting will be a business session at 8 p.m., Aug. 22.

**FAREWELL PARTY**  
Dr. and Mrs. Jack Lehrer, who will be leaving Detroit next Wednesday for San Antonio, Texas, were guests of honor at a farewell party and blue and pink shower party Sunday at the home of Mrs. Lehrer's parents, Mr. and Mrs. Stephen Slane.  
Approximately 60 guests were present during the afternoon and evening, including relatives and friends from Lansing, Pinckney, Whitmore Lake, Ann Arbor, Manchester, Union City and Chelsea and vicinity. Among those were Mrs. Lehrer's grandparents, Mr. and Mrs. Carl Jones of Pinckney. Dr. Lehrer is to enter the Army as a dentist and is to be stationed in San Antonio.

## LIMANEERS

Ten members and five guests attended the Limaneers picnic held at Pierce park last Thursday.  
Dinner was served at 1 o'clock and was followed by an afternoon of visiting.  
The next meeting is scheduled for Sept. 1 at the home of Mrs. Irvin Lounsbury.

## SCHLICHT-FELDKAMP REUNION

The annual Schlicht-Feldkamp family reunion was held Sunday at Carr park in Manchester. There were 51 representatives of the family present for the dinner at noon and two others came for the afternoon.

Honored as the oldest member of the family present was Mrs. Joseph Wright of Chelsea, with Lois Elaine Kemmer, daughter of Mr. and Mrs. Bernard Kemmer of Manchester, recognized as the youngest child in attendance.

Officers elected for the coming year are Edwin Horning, president; Henry Schlicht of Manchester, vice-president; Mrs. Harold Buss, secretary; and Pauline Buss of Manchester, treasurer.

Appointed as the sports committee for the next reunion are Mrs. Hugh Sutton and Joyce Schlicht of Manchester, and Mrs. Allen Albery, tables committee; Mrs. John Miller, Mrs. Nathan Albery and Mrs. Clarence Schlicht, all of Manchester; and grounds committee, Wilbert Buss and Raymond Stockinger, both of Manchester.

It was decided that the 1956 reunion will be held at Carr park the first Sunday in August.

Reports given at Sunday's gathering show that five deaths occurred in the family during the year and there were four marriages and ten births.

## Episcopal Membership Honors Lee Family Friday at Reception

St. Barnabas Women's Guild entertained at a reception Friday evening for Mr. and Mrs. John E. Lee. Mr. Lee is the newly-named lay vicar of St. Barnabas Mission and conducted his first service there Sunday morning.

Friday evening's reception was held at the home of Mr. and Mrs. S. R. Booker, the guests including almost 100 per cent of the church membership.

Mr. and Mrs. Booker greeted the guests as they arrived and Mrs. Sidney Schenk and Mrs. E. W. Edmon poured at the refreshment table.

The table was centered with an arrangement of rubrum lilies and lighted candles.

Mr. Lee succeeded H. C. Crandell, Jr., who served as lay reader at the Mission since it was founded a year ago. He was accepted as a postulant for holy orders in 1954 by the Rev. Richard S. Emrich of the Episcopal Diocese of Michigan.

Mr. and Mrs. Lee and a young daughter, Judy, will make their home at 118 Pierce street when the house becomes available, probably in September.

## Mr. and Mrs. M. Richards Are Moving to Boyne City

Mr. and Mrs. Marshall Richards are moving to Boyne City where the former will teach agriculture at the high school. The Richards have purchased a cherry farm near Lake Charlevoix.

They have sold their home at 6400 Jackson road to Dr. T. Luther Purdom of the University of Michigan.

The barn which formerly served as a market building on the farm has been sold to Hughes Holland who will operate a retail furniture business there.

Photo Courtesy Ann Arbor News  
Mrs. Donald E. Fritz

Mrs. Donald E. Fritz is the former Barbara Speer, daughter of Mr. and Mrs. Byford Speer. Her marriage to Mr. Fritz, son of Mr. and Mrs. William Fritz of Houghton Lake, took place in the Methodist church at 7 o'clock Saturday evening, July 30. They are at home at 11882 Whitmore Lake Drive—Whitmore Lake.

Home economics authorities often say "too many women never have time to save time."

## Charlotte M. Kinsey, Robert Greene Wed In Saturday Ceremony

Charlotte M. Kinsey, daughter of Mr. and Mrs. George H. Kinsey of Plymouth, and Robert Greene of Gregory, whose foster mother is Mrs. Florence Atkinson, were married at 4 o'clock Saturday afternoon in Trinity Lutheran church, Ann Arbor, with Rev. Walter M. Brandt officiating.

Approximately 80 guests attended the wedding and a reception which followed in the American Legion Memorial Home in Ann Arbor.

For the wedding, the bride wore a blue-cotton ballerina-length dress, in Peter Pan style. Her accessories included a headpiece of white flowers, blue mitts, and a white orchid.

Ruthann Kinsey of Plymouth, as maid of honor, wore yellow cotton with a tailored white jacket and a purple orchid.

The bride's mother, in pink with pale blue accessories, and Mrs. Atkinson, in aqua with white dots, each had a corsage of yellow roses.

Ronald Atkinson assisted the bridegroom as best man and ushers included Richard A. Kinsey of Grand Rapids, and Henry Bangor, Jr., of Plymouth.

The bride is a 1949 graduate of Ann Arbor High school. The bridegroom attended Gregory schools and served 15 months in the 82nd Airborne Division at Fort Bragg, N. C.

Mr. and Mrs. Greene are now at home at 10890 Hadley road, Gregory.

## Doris Downer Plans August Wedding

Mr. and Mrs. Darwin Downer have announced the engagement and approaching marriage of their daughter, Doris, to Earl W. Taylor of Milan, son of Mr. and Mrs. Arthur R. Taylor, of Milan. The wedding is to take place in the Congregational church here, Aug. 27.

Fish are not subject to the same types of bacterial infections that humans and animals suffer.

Mrs. Duane Schiller

## Schafer-Schiller Vows Spoken in Wyandotte Church

Trinity Lutheran church at Wyandotte, was the setting for the wedding at 7:30 p.m. Saturday, of Donna Schafer of Flat Rock, and Duane Schiller, son of Mrs. Robert Schiller of Chelsea and the late Mr. Schiller. The bride's parents are Mr. and Mrs. Ernest Schafer, 24008 Woodruff road, Flat Rock.

Rev. P. F. Wienieke officiated at the double-ring ceremony in the presence of approximately 300 guests.

Before the ceremony Mrs. Emil Asmus of Wyandotte, sang "Because," and during the service she sang "The Lord's Prayer." She was accompanied on the organ by Mrs. Walter Voigt.

Given in marriage by her father, the bride was gown in white tulle over satin. Embroidered, scalloped tulle with a tiny pleated ruffle underneath, formed a wide V neckline on the rhinestone-trimmed bodice. The bodice came to a deep point at the front, accented with satin cording and was finished with short shirred sleeves.

The bride wore matching shirred gauntlets. Embroidered, scalloped tulle over net formed four layers of ruffles over her tulle and satin skirt. A satin hooped underskirt was trimmed with blue satin bows. Her veil, of imported French silk tulle, in three tiers, was attached to a scalloped crown-headpiece, trimmed with sequins and a tiny pleated tulle ruffle. She carried a bridal purse of satin and ruffled tulle and a heart-shaped bouquet of white 'mums, shattered pink 'mums and white net.

Beverly Tworck of Flat Rock, was maid of honor, with Alice Riley and Marilyn Jones of Brighton, roommates of the bride, and Marie Fair of Wyandotte an aunt of the bride, as bridesmaids, and Joanne Schafer, sister of the bride, and Nancy Boike of Wyandotte, a cousin, as junior bridesmaids.

Their gowns of tulle and lace were in shades of pink, featuring sweetheart necklines trimmed with lace and a semi-bertha collar of tulle ending at the shoulder line, short shirred sleeves, front and back panels of lace, shirred tulle at the sides of the bodice and skirt, and tulle bows at the back. The waltz-length skirts were very full and were worn over hooped underskirts. The bridesmaids wore matching picture hats and carried hand purses made to match their gowns.

The maid of honor, in the deepest shade of pink, carried a heart-shaped bouquet of yellow

'mums and deep pink net, three of the flowers forming the bottom of the heart, shattered 'mums outlining the rest of the heart and the net finishing the top.

The bridesmaids' bouquets were similar except that the net at the top matched the varying shades of their gowns.

Lucy and Audria Schiller of Ann Arbor, nieces of the bridegroom, carried baskets of yellow pompons for their role as flower girls. Their dresses were bluish pink.

The bride's mother wore deep rose lace with powder blue accessories and a corsage of pink 'mums, while the bridegroom's mother wore navy silk with pink accessories and a corsage of pink 'mums.

Elwyn Schiller of Ann Arbor, brother of the bridegroom, was best man, with David Schafer, brother of the bride, Merritt Honbaum and Sumner Oesterle serving as ushers.

Reception followed in the 100F hall at Flat Rock, with Sylvia Burns of Flat Rock, in charge of the guest book. Mrs. Elwyn Schiller of Ann Arbor, sister-in-law of the bridegroom, and Kay Fair of Lincoln Park, cousin of the bride, cut and served the wedding cake, and Mrs. Glen Wenk of Saline was at the gift table.

Upon their return from a week's trip through Michigan and Wisconsin, the new Mr. and Mrs. Schiller will be at home at 136 Glazier Lake.

For going away the bride wore a powder blue crystalite, princess-style dress and matching duster. Her accessories were white and included a white chrysanthemum corsage taken from her bridal bouquet.

The bride graduated from Flat Rock High school and from Cleary College, Ypsilanti. She is employed in the X-ray department at St. Joseph's Mercy hospital, Ann Arbor.

Mrs. Schiller, a graduate of Chelsea High school, is now employed at Pupsdorf Manufacturing company.

## Mrs. Mae C. Baker Married in Florida

Announcement has been made of the marriage of Mrs. Mae C. Baker, formerly of Chelsea, and Hankon T. Adams, of Worthington, Minn., Sunday, July 31, in the First Lutheran church at Fort Lauderdale, Fla.

The former Mrs. Baker has since her home in Fort Lauderdale since 1948.

Mr. Adams, a retired hotel owner and manager, has been spending the winters in Florida.

Following the wedding ceremony Sunday afternoon a reception was held in the Orchid room of the Governors' Club hotel at Fort Lauderdale.

The couple left for an extended trip to Minnesota and Canada and will return in the late fall to spend the winter in Fort Lauderdale.

Careful inspection of plumbing in the basement and upstairs will afford an excellent opportunity of determining the presence or absence of insect pests which frequently breed in the cellar, bathroom or kitchen.

## 3 times faster... 3 times cheaper

With a GAS automatic water heater you can be sure of plenty of Instant Hot Water round the clock for all your household needs, including your automatic laundry and dishwasher.

With a GAS automatic water heater there are no idle turn-off periods. It is on-the-job every minute day and night to keep the tank filled with hot water for any need or emergency.

WITH MODERN  
GAS CONVENIENCES

A GAS automatic water heater adequate for your needs costs less to buy, less to install and less to operate than ANY other automatic type. You can buy one completely installed for as little as \$5 a month. See your plumber, gas appliance store or
