Community Chest Campaign Started

Neighborhood Areas Solicitors Assigned

Approximately 75 Community Chest officials and volunteer workers attended the "kick-off" luncheon at the Congregational church Tuesday noon which signalled the opening of the 1955-56 campaign to raise \$9,650.

In place for the opening day was a large Red Feather "thermometer" on the post office lawn on which will be registered each day's campaign, figures percentage. Donations and Jack Mikel are to keep the figures up to date.

Alfred Mayor, campaign chairman has stated that he believes the year's quota will be raised before the final date of the drive, Oct. 24.

Arrangements for the campaign have been planned in detail and with the co-operation of people of the community, should proceed smoothly, according to Mayor.

Mrs. Walter Mohrlock, in charge of residential solicitors, has suggested that people plan the amount they wish to contribute and have the contribution ready when a neighborhood solicitor calls.

Agencies approved as beneficiaries of this year's Community Chest include the Red Cross, Boy Scouts, Girl Scouts, Chelsea Recreation Commission, Chelsea Hospital, the Salvation Army, Band Boosters, Uniform Fund and Band Boosters Instrument Fund.

Lawrence Oulmet, Washtenaw county chapter chairman for the Red Cross, expressed pleasure because of the consolidation of the Red Cross with the Chelsea Community Chest.

Although the county chapter will receive only \$2,000 of the \$2,650 estimated as necessary for the 56 Red Cross program in Chelsea, said Oulmet, "the principle of a united drive is too important to ignore."

Oulmet said he hoped successful united drives in Chelsea would result in greater funds to expand the Chelsea Red Cross.

At a meeting of the county Chapter last week Oulmet gave a report showing that 200 Chelsea (Continued on page 12)

Unknown Man 'Borrows' Foster's Car, Smashes It

Shortly before noon yesterday, a car owned by Robert Foster was badly damaged when it smashed into a tree on Washington street.

Just west of Madison street, a few minutes after a heavy rain, a car was parked in the next block east on Washington street.

In an apparent attempt to steal it, the young man disappeared after a woman motorist believing the car to be his own, had given him a lift to the police station to report the accident.

According to police records, the woman checked with the officer about 10 minutes later and found that he had not reported. She had not seen him leave the building and a police search failed to locate him. It was believed he went through the building and out the back door.

The accident occurred at 11:15 a.m. and in the hour reports placed him at various points in the vicinity; however, at last reports he had not been picked up.

In the accident the young man reportedly received a cut on the chin and injury to his leg which caused him to limp. He was wearing a blue suit.

Mr. and Mrs. Alvin Jodelo and family, of 1000 S. Saline, were Saturday afternoon visitors of Mrs. Jodelo's father, Edwin Boutler. He accompanied them to their home and was their guest until Sunday evening.

Mrs. R. H. Brundrett, who had spent some time in Chelsea, has returned to her home in Troy, Ohio.

Architect for High School Is Discussed

At the meeting of the Chelsea Agricultural Schools Board of Education Tuesday evening it was decided to hire two assistants for teachers of the morning kindergarten classes. Each of the classes has 37 pupils.

Subject of discussion at the meeting was the procedure for interviewing and selecting an architect for the proposed new high school building. It is deemed advisable to select the architect before a citizens advisory committee, still to be appointed, has any meetings. Letters to people who are to be invited to serve on the advisory committee are to be mailed the latter part of the month, it was announced.

The Community Chest drive for funds will be carried on in the school as the one campaign of the present year. School policy permits but one campaign each school year.

Approval was given at the meeting by Eugene Shroyer, band director, to attend the Midwest National Band Clinic in Chicago, Dec. 7 through 10.

Grid Team Shows Power In Milan Win

University High To Meet Bulldogs Here Friday Night

Last Friday night Chelsea High gridder defeated Milan 19-0. As a result of the victory the Bulldogs retained possession of the valued Kiwanis trophy and also moved up to a second place tie in the Huron League standings.

In substituting Alan Conklin, a substitute, for a regular, the Bulldogs put on their finest offensive display of the season. The defense, which has been fairly strong, also reached a new peak as the Bulldogs shut out their opponents for the second game in succession.

Chelsea, starting with a rush, scored the first two times they had possession of the ball. They started their first drive as center Jack Ferguson returned a short kick-off to midfield.

The first scrimmage play, gave an indication of what was to come as right halfback Jim McLaughlin broke over George Collins' line block for nine yards. Quarterback Hugh Weinberg, who did a fine job of directing the attack, then called on Capt. Ted Nixon who broke off tackle for eight yards. An off-side penalty slowed the Bulldogs for a moment but Weinberg hit end Don Mahar with an eighty-yard pass and then followed it up with a quarterback sneak for a first down on the 20. Johnny Jones hit for five and then on a perfectly executed option play, Jim McLaughlin sped wide for the T.D. On the extra point attempt Jones fumbled, but the Bulldogs lead, 8-0.

Following the kick-off Milan could gain only five yards in three plays and a determined defense led by Kenny Bauer, Jay Ferguson, Nixon and Joe Bauer. In all, the defense held Milan to four first downs, recovered three fumbles, intercepted three passes, and tackled with a vengeance.

The Bulldogs took over on their own 45 following the punt. On the first down Johnny Jones took a pitch-out, moved to his right and tossed a perfect 20-yard pass to Don Mahar who had maneuvered behind the Milan secondary. Mahar caught the ball on the 35 and raced the rest of the way untouched as the Glenn Weir's block eliminated the last Red Shirt on the 15-yard line.

The following play McLaughlin was stopped short on the extra point attempt.

The second quarter was scoreless but Milan could not make a first down and the Bulldogs drove deep into Milan territory twice only to be stopped.

Mid way in the third period the Bulldogs scored again. A fine 35-yard dash by Jones, behind victory blocks by McLaughlin and Nixon, moved the ball to the two-yard line. From there McLaughlin raced through a big hole opened by Bud Guest and Neil Palmer, to score. McLaughlin was again stopped for the extra point.

The second half game gave a opportunity to see many of the reserves in action. They had praise for John Eisenbeiser, Tim Schulze, Don Harris, Bill Lake and Jack Cantelli. However, Conklin pointed out it was impossible to pick-out any outstanding players in the true "team" victory from the variety right on down through the reserves.

This week the Bulldogs return to the local field for action, entertaining U. High at 7:30 p.m.

Blood Donor Clinic Held Here Yesterday

Chelsea's Blood Bank blood donor clinic took place here yesterday as scheduled. A report on the amount of blood contributed is not yet available.

Volunteers who worked at the canteen at the clinic, serving coffee, juice and cookies to donors, included Mrs. M. J. Baxter, Mrs. D. A. Riker, Mrs. J. A. Wacker, Mrs. E. K. Muebach, Mrs. Herbert Roy, Mrs. Marion Longworth and Mrs. Elmer Lindemann.

Last year's clinic, held the day after Thanksgiving, yielded 100 pints of blood. Mrs. Dudley Holmes, Chelsea Blood Bank chairman, said she felt sure more than that amount would be donated at this clinic since the earlier date was more favorable for several reasons, chief among them being the fact that there is less illness at this time among would-be donors.

Mixed Up Apple Tree

Alton Grau, of 3880 Fletcher road, had two apple trees in bloom in his orchard the past week-end. As proof of his statement, he brought to The Standard office last Thursday a small branch of one of the trees bearing full-blown blossoms as well as a number of buds.

Grau said the blossoming trees were discovered by his son, James.

CROSSING GUARDS—David Mohrlock, school crossing guard at South Main and Pierce street, and a "helper," John Lixey, five-year-old son of Mr. and Mrs. Harvey Lixey, 710 South Main street, were on duty at their regular station when the above picture was taken. Mohrlock is stationed at the corner from 8 until 8:45 a.m.; 11:10 until 12:30 p.m.; and 3:10 until 3:45 p.m., each school day. He says he has counted an average of about 20 cars every five minutes at the intersection, and approximately 40 children from South Elementary school cross the street at this point. Mohrlock has been on the job here the past two weeks since his appointment as a special police officer. His "helper" is a kindergarten pupil at South Elementary school in the section taught by Mrs. Susanne Pollard.

More than 180 bands with an estimated 11,500 members will take part in the spectacular band event during half-time at the Michigan-Northwestern football game.

The Bellaire band members with the chaperones will make the 285-mile trip from their home Friday.

Chaperones who will accompany the Chelsea band, directed by Eugene Shroyer, are Mrs. Hugh Sorenson, Mrs. Alda Lehmann, Mrs. William Geddes and John Griffin, high school principal.

The Chelsea band group is due in Ann Arbor at 7:15 a.m. and is to be in place for a rehearsal in the field just east of the stadium, at 8 a.m.

They will have 30 minutes to eat the lunch they will bring from home and are to be ready to march into the stadium, beginning at 11 a.m. Each band will make its own entrance.

The Bellaire band members who are to be guests in Chelsea homes Friday night will be provided with lunches by mothers of Chelsea band members.

Friday evening the Bellaire and Chelsea bands will have dinner together at the high school here.

This is the seventh annual band day event at the University and will be more than six times larger than the original gathering held in 1949. At that time there were 20 bands and 1,850 participants. Last year 110 bands were represented.

Zoning Ordinance To Be Considered Monday Evening

Citizens of Chelsea were given an opportunity at Monday night's hearing on the proposed zoning ordinance to make final comments, observations and recommendations. Adoption of the ordinance will be acted upon at the regular Village Council meeting which will be held next Monday evening.

Major change suggested at the hearing Monday was re-zoning of the industrial area to include Chelsea Spring Division property. The change was requested by the company.

A similar change in the industrial zoning area of Federal Screw Works was made some time ago at the company's request.

Last-minute changes will be made in the ordinance this week and it will be put in order to date in preparation for the Council's action at the regular meeting Monday.

The mobile unit will be located in front of the Municipal building at no appointments are necessary in order to have the chest examination. It is not necessary to undress.

Meal To Be Cooked Outdoors Sunday At Pierce Park

One-half of a barbecued chicken, together with potato chips, cole slaw, rolls and butter and beverages will be prepared in quantities to satisfy all comers at the barbecue to be held at Pierce Park from 1 p.m. until 6 p.m. Sunday in connection with Chelsea's second annual color tour.

Chelsea's Junior Chamber of Commerce is sponsoring the barbecue event, with Homer Kuhl and Henry E. Orbring as co-chairmen.

Prof. Mack Moore of Michigan State University, will direct the barbecuing of the chicken on special equipment he will bring with him. Boxes of the lunch will be packed to take out.

The color tour project is sponsored by the Chelsea Chamber of Commerce. Committees have planned the two routes marked out in the Waterloo Area and in the Pinckney Recreation Area. Both start in Chelsea and return here; however, anyone wishing to go over part of the route only will find places to turn back to Chelsea or to reach nearby main roads.

This is Chelsea's second annual color tour project and it is being widely publicized by the Southeastern Michigan Tourist Association. The Chelsea Chamber of Commerce is now a member of the Association.

This week's barbecue event is a highlight of the color tour program which continues throughout the month. Coloring in the fall area, it is believed, will be at its best the coming week-end.

Methodists Plan Free Seat Dinner Thursday, Nov. 3

The Free Seat dinner, held by the First Methodist church here as an annual event for more than 50 years, will be served Thursday, Nov. 3 at 6:30 p.m., it was announced this week. There is no charge for the meal and members and friends of the congregation who attend enjoy a profitable fellowship and spiritual uplift, according to the pastor, Rev. S. D. Kinde.

The affair has usually been held in February but the official board recently decided to associate the festive occasion with the month of November and make it a time of thanksgiving. Having the dinner at this time of year also takes advantage of the fact that the weather is better.

Miss Mabel Fox, chairman of the official board of the church, has named Mr. and Mrs. Wayne Fairfield, Mr. and Mrs. Robert Turner, Mr. and Mrs. Robert Daniels and Rev. and Mrs. S. D. Kinde as the program committee for the dinner and Mrs. Mary Clark, Mrs. Warren Daniels and Mrs. Theodora Bahnmiller as the committee in charge of the meal to be served in part by the Women's Society of Christian Service.

Supervisors, Road Commission Meet Here for Dinner

Approximately 80 people were expected at a noon dinner today in St. Paul's Evangelical and Reformed church hall, half that number being local people. The dinner is sponsored by the Chelsea Kiwanis club for Washtenaw county supervisors and the Washtenaw County Road Commission who are making their annual inspection tour of county roads today.

The Road Commission is in charge of the program at the dinner.

The program features a movie entitled "Road Block," which illustrates in an interesting manner, the problems faced in attempting to keep road building and improvement in pace with rapidly increasing population and home building areas.

In this area the party will visit Red Arrow park on US-12 at the viaduct west of Chelsea, and Cavanaugh Lake county park where extensive improvements were made the past summer.

Recreation Council Meets Tonight To Evaluate Activities

Election of officers for the coming year, annual reports of the past summer's activities, and discussion of possible changes in the program next year will be the order of business for the annual meeting of the Chelsea Recreation Council to be held at 8 o'clock this evening in the Agriculture room at Chelsea High school.

Representatives of all organizations in the community interested in the recreation program should plan to be present.

Fire Chief Warns Never To Leave Children Alone

Do you ever leave your youngsters home alone? Don't especially if your children are very young, warns Fire Chief Ted Balmer. Children at home unattended would be completely helpless in case of fire or any other emergency. Yet the National Fire Protection Association tells us that more and more youngsters each year are being trapped and killed by fire because no one was on hand to lead them to safety.

The NFPA, sponsor of Fire Prevention Week, Oct. 9-15, in cooperation with the International Association of Fire Chiefs, has this special warning for all parents:

"Never leave your children unattended. And be absolutely certain that your baby sitter is trained and capable of protecting your children in the face of emergency. It's very important, the warning continues, that the sitter be thoroughly fire-conscious; that she never sleeps while on the job; that she knows the location of front and back exits, stairs and porches, and the most direct route from children's rooms to the outside."

Make sure the sitter knows the location of the nearest fire alarm box. Show her where the phone is and make it easy for her to promptly posting the telephone numbers of the fire and police departments and doctor or near the phone.

The baby sitter should know that at the first whiff of smoke or gas, she should immediately gather up the youngsters and get them out of the house. And tell her not to waste time dressing the kids—wrap them in a blanket and get them out at once!

Once the children are safely away from the house, the sitter should then call the fire department, by pulling a fire alarm box or by phone from a neighboring house.

1956 budget for Washtenaw county was approved, the figure being \$2,004,198, which is \$253,134 higher than the 1955 budget.

Anticipated increases in costs of hospitalization, boarding and care of neglected children; operation of the new Courthouse; and a \$30,000 hospital building reserve fund for future addition to the County Infirmary are all factors resulting in the increased budget.

The Sheriff's Department appropriation for operation is \$223,075, which is \$24,255 higher than last year. It includes \$3,800 for purchase of four new cars and a station wagon to replace older vehicles of the department.

County employees are to receive a 5 per cent cost of living increase in pay and this, together with the addition of several new positions to county offices, brings the salary part of the budget to \$768,824 for next year.

Among the additional workers are 10 new employees for operation of the Courthouse, an intake officer in probate court, principal planner for the County Planning Commission, and an auditing clerk in the county auditor's office.

The Pamir Mountains, in northwestern India and Turkestan, sometimes are called the "roof of the world" because of their great altitude. They are almost barren of vegetation.

A metal top automobile offers an excellent refuge during an electrical storm.

U. S. farmers operate from 60 to 65 per cent of all farm tractors in the world.

CHARLIE'S BACK IN TOWN! YES — IT'S TRUE!!

CHARLIE McDANIELS has come back to town and joined the gang at SPAULDING CHEVROLET... and for his old friends who have been wondering—that bright glint in his eye and the way he stares into space doesn't mean that our Charlie has changed. He has seen the new '56 Chevrolet and has been told that he can't sell any of them until Nov. 4th.

You can understand how an automobile salesman with 28 years in the business would feel under those conditions after seeing the newest, lowest, longest, most beautiful automobile he has ever seen and heard the full story of its safety, economy and speed (over 200 horses under the hood and you know how Charlie goes for horses)—So, as a favor to your old friend Charlie and to help me keep him happy and in a state of mind so that his wife won't have to leave him, drop down and talk to him about used cars or trucks or just anything between now and Nov. 4th.

Thanks,

IN MEMORY

In loving memory of William Buehler who departed this life Oct. 15 1954.
On memory's screen we still can see That loving face and tender smile, Tho the death that took him from us Parts us only for awhile.
And there beyond the Golden Sun not Far beyond the crimson tide Sleep within the Saviour's bosom In His love he will abide.
Just a year ago he left us And the grief we have to bear, Yet, in His word He gives the promise Soon we'll meet him over there.
Sadly missed by Wife and Children.

CARD OF THANKS

I wish to thank my relatives, neighbors and friends for the many cards, flowers, plants and many other kind acts shown to me during my long stay at the hospital. I also wish to express my appreciation to Rev. Brueckner and to my pastor, Rev. Kaiser for the many visits and to Mrs. Flood and her staff for their kindnesses which will always be remembered. DOGS

By Farley Manning

YOU'RE AS SMART AS YOUR PET

Given the opportunity, will animals instinctively balance their own diets to fill their nutritive requirements? Or are they no smarter than humans who eat the things they like the best?

Actually, most of the recorded research seems only to prove that nature has done a good job of furnishing reasonably well balanced diets for most animals—or that evolution has done a good job of growing animals that can get along on the diets available.

The Canadian Department of Agriculture made tests with six foxes, in the weanling, half grown, and adult stages, allowing them to select their foods from several types of cereals, cod liver oil, bone meal, limestone, whole egg powder, fish, ground beef liver, tripe, horse meat and yeast. None of the group chose a nutritionally balanced diet. Instead, raw meat made up 98.8 per cent of all food consumed.

Within five weeks, two of the pups had picked out all of them showed the effects of the poor diet. Researchers in animal nutrition have been studying the question for 21 years to improve the nutritive qualities of commercial dog foods.

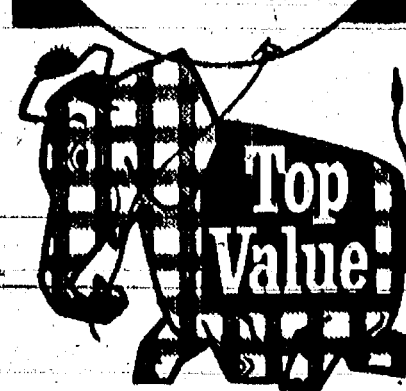

And what are the findings? "Well, first of all," says Dr. H. E. Robinson, director of research for one manufacturer, we found that no dog can select as good a diet as we can select for him. And secondly, if we offer him food that he likes very much and food that he needs very much but doesn't like, he will fill up on the food that he likes and seldom touch the food he doesn't like."

So apparently, cynics to the contrary, animals are no smarter than men.

Put a sandwich that is "different" cut any hard roll in half and scoop out the soft inner part, leaving only the hard shell. Fill each side with your favorite fillings, taking care to use fillings that will "agree." For example, you might fill one side with minced cold smoked ham into which a little mustard has been blended; and fill the other side with chopped sweet pickle and cream cheese. These sandwiches make a very popular after-school snack for the youngsters.

Margarine was first developed by a French chemist in 1870 to help ease a fat shortage that came as a result of the Franco-Prussian war.

M. J. Anderson Files to Traverse City as Guest Of Detroit Kiwanis Club

M. J. Anderson was a guest of Southfield Kiwanis club of Detroit at an inter-club "fly-in" meeting with the Traverse City club Monday.

Anderson went to Detroit in the morning and flew to Traverse City for noon lunch. Cecil Bruton of Detroit, past governor of Kiwanis Michigan District, was the principal speaker at the luncheon.

In the afternoon the Kiwanians were taken on a tour of Traverse City industrial plants and over the route of some of the area's color tours. Anderson told the group about Chelsea's second annual color tour project sponsored by the Chelsea Chamber of Commerce and invited the upstate people to visit here.

Following dinner at Traverse City the group flew back to Detroit arriving there before 8 p.m.

Mr. and Mrs. James Yoxall and daughters, of Detroit, were guests Wednesday evening of last week at the home of Mrs. Bertha Forner and Mr. and Mrs. Keith Boylan.

Comets received their name from their long, wispy, hairy, appearing tails. The Latin word "coma" means "tail."

BEACON LIGHT EXTENSION CLUB

Sixteen members were present for the meeting of Beacon Light Extension club, held Tuesday evening at the home of Mrs. Robert Burrett.

The lesson on the care and repair of electrical appliances was presented by Mrs. Armin Kuhl.

Discussion during the business session centered on the selection of volunteers to work at the craft line Nov. 2, and also on the deadline date for material for the community project of collecting clothing, thread, shoes and other items for use at Ypsilanti State hospital. The material must be brought to the Nov. 8 meeting at the home of Mrs. Rene Feldkamp.

Work was done on a scrapbook project following the business session and lesson period.

The next meeting will be held Oct. 25 at the home of Mrs. LaVern Niehaus, with Mrs. David Strieter as co-hostess.

Miss Mary Lewis of Michigan State University is to be a guest speaker, her subject to be "Keeping Up With Your Child."

Refreshments were served at the close of the meeting, assisting hostesses being Mrs. Duane Weiss and Mrs. Wilbur Werner.

The program for the evening was presented by Mr. and Mrs. William G. Stewart who showed their travel film, "Come Journey With Us."

The film is a picture story of the Stewarts' travels in Palestine, Europe and South America.

Adding to the effective presentation of the subject was a display of linens, silverware and many other items the Stewarts brought back with them from the countries they visited.

During the business session Mrs.

Mrs. Ray Lutovsky

Rosemary Lyons, Ray Lutovsky Speak Vows Saturday

St. Mary's Catholic church here was the scene of the wedding of Rosemary Lyons and Ray Lutovsky at 10 o'clock Saturday morning. Rev. Fr. Leo Laiga officiated before the altar decorated for the occasion with white mums. A basket of white gladioli and mums at either side of the altar added to the effective setting for the ceremony.

The bride is a daughter of Mr. and Mrs. Harry H. Lyons while the bridegroom's parents are Mr. and Mrs. A. J. Lutovsky of Voss, N. Dak.

Soloist at the wedding was Maurice Lyons of Toledo, Ohio, brother of the bride, who sang Rosemary's "Ave Maria" and "On This Day, Oh Beautiful Mother."

The bride was given in marriage by her father.

Alenon lace over tulle fastened the bride's gown. The fitted, long-sleeved bodice featured a modified empire-style waistline, while a Queen Anne collar accented the deep-V of the lace-trimmed neckline. The bouffant skirt extended into a chapel-length train. Matching lace formed the

cap to which the bride's veil of illusion was fastened.

Her bouquet was an arrangement of white roses and stephanotis, centered with a white orchid. The orchid, removed later, was pinned to the jacket of the bride's two-piece dress of skylark blue wool which was her going-away outfit. Accessories for her ensemble included a black velvet hat, purse and gloves.

The bride's sister, Mrs. Donald Doll, was matron of honor and Rosemary Hummel served as bridesmaid. Both were gowning alike in ballerina-length amber crystalettes, styled with full, gored skirts. Necklines of the gowns, in boat style, were trimmed with a deeper amber shade of velvet.

The veil extended down the back forming a pleat. The back of the waistline was emphasized with a matching velvet bow. Matching velvet also formed their handpieces. The bouquet carried by the matron of honor was of bronze and gold mums and ivy while the bridesmaid carried all bronze mums and ivy.

Assisting the bridegroom as best man was the bride's brother-in-law, Donald Doll, with Elton Guenther and Keith Boylan serving as ushers.

Following the ceremony a wedding breakfast for 45 guests was

served at the Knights-of-Columbus hall and in the afternoon, from two until four o'clock, 125 guests were entertained at a reception at the American Legion Home at Cavannah Lake. Assisting there were Mrs. Thomas Lyons of Port Huron, a sister-in-law of the bride who poured; Mrs. Bernard Lyons of Port Huron, also a sister-in-law, who was in charge of the gift table; Mrs. Henry E. Orbring, the bride's cousin, who kept the guest book; and Mrs. J. V. Burg, aunt of the bride, who out the wedding cake.

For her daughter's wedding, Mrs. Lyons wore a rose beige jacket dress with black accessories and a corsage of pink roses.

The bridegroom's mother wore a light blue suit with navy accessories. Her corsage was of white roses.

Upon their return from a two-week wedding trip to Florida, the couple will be at home at 13900 North Territorial road.

The bride who attended St. Mary Catholic school through the eighth grade, graduated from Chelsea High school and has been employed in the office of Barnes Gibson Raymond Cook Division, Associated Springs, Ann Arbor.

The bridegroom, a graduate of the University of North Dakota School of Engineering, is now employed at the Chrysler Corporation Proving Grounds. He is a member of Tau Kappa Epsilon social fraternity. He served 21 months in the United States Air Force.

New US-23 Bridge Officially Named 'Huron Valley Bridge'

The new eight-lane bridge at the north edge of Ann Arbor, now nearing completion, is to be named "Huron Valley Bridge." It has been announced. Ann Arbor's Mayor William E. Brown, Jr., had asked the time ago to have people of the community send in their choices of an appropriate name for the new bridge which replaces the former Whitmore Lake bridge on US-23. A total of more than 700 names were submitted, five sharing the honor of sending in the name finally chosen.

The five who suggested the name are William B. Wilson, Richard Hantula, J. H. Huss, Maribeth Sakstrup and Bea Schaffer. All are from the Ann Arbor area with the exception of Miss Sakstrup who is from Hamburg.

Members of the bridge name selection committee were: Russell A. Bradley, Harlan Hatcher, Herman F. Gross, Rudolph E. Reichert, Neil A. Gustine, Earl H. Cress, Robert E. Lewis, Cone L. Light, Wallace J. MacDonald, A. D. Moore and Arthur P. Gallagher, all of Ann Arbor.

service received assistance from the Red Cross in 1955.

In addition, Outmet said there were five financial assistance cases in Chelsea and he added that the county chapter had assisted in arranging ten emergency leaves for Chelsea servicemen.

The county chapter also conducted a First Aid class in Chelsea and provided water safety training for children in the summer recreation program, according to Outmet's report.

An important part of Red Cross activity in Chelsea, Outmet pointed out, is the blood program here. He stated that needy Chelsea families this year received 121 pints of blood through the Washtenaw County Chapter. He placed the monetary value of this amount of blood at \$2,424.

Adult Education Classes Need More Students

Tuesday evening a second course in cake decorating was started in the adult education program at Chelsea High school. John Griffin, high school principal, said as the result of the extra class two or three additional people might be added.

Six adult classes are now meeting regularly—two each in driver training, cake decorating and china painting.

Three others have a sufficient number of prospective adult students signed up to begin as soon as teachers are obtained. The three classes are shorthand, bridge, and stock and bond analysis for investment purposes.

A number of others in which from two to seven or eight people have expressed interest and which will be taught if at least ten people enroll are as follows: advanced photography, typing, drafting, geology, flower arrangement, book-keeping, finish carpentry, German, upholstery, ceramics, women's physical education, woodworking and refinishing, farm income tax, beginning sewing, advanced sewing and chain-stitching which would include instruction in personal grooming and weight control.

There have also been calls from organizations in the community requesting classes in auto mechanics and in non-denominational Bible study.

Principal Griffin suggests that people interested in joining any of these classes should contact him at his office as soon as possible in order that plans for organizing the classes and securing instructors may be completed.

Dr. and Mrs. H. C. Dunstone of Fort Wayne, Ind., attended the Michigan-Army game in Ann Arbor Saturday afternoon and in the evening visited Mrs. L. P. Vogel at her home here.
