## The Standard Wins Honors In Contest

The Chelsea Standard won third place honors in competition with similar size newspapers from all over Michigan in the annual General Excellence Contest sponsored by Michigan Press Association.

The award, presented to The Standard was based on over-all excellence in news coverage, photography, community service, and typography and make-up. Judging was done by a team of newspaper experts from the Nebraska Press Association.

A certificate of recognition was presented to publisher Walter Leonard at MPA's 30th annual convention, Friday and Saturday in East Lansing.

This is the third such award won by The Standard in recent years, others being received in 1951 and 1953.

The untiring efforts and cooperation of many people, including a loyal staff and the people of the community served, are involved in winning such recognition for which we at The Standard are very humble and grateful.

## Farm Council Committees Studying 4-H Building Sites

Washtenaw County Farm Council directors held a meeting in the County building at Ann Arbor Thursday evening for the purpose of reorganizing and naming officers following the recent election of directors.

Frank McCalla of Whitmore Lake, was re-elected chairman of the board of directors. Leroy Heller of Chelsea, was named vice-chairman and Don Balducci of Dexter, secretary-treasurer. Three committees were also appointed to study the proposed location of a new site for the agricultural and 4-H facilities originally planned to be erected on the former Ann Arbor fairgrounds. The Ann Arbor location was vetoed at the annual meeting of the Washtenaw County Council.

It was pointed out that the site was inadequate for a building and parking facilities for the increasing numbers of young people active in 4-H work. The 4-H work will be one of the principal uses to which the proposed new building will be put.

Leroy Heller was named chairman of the new site committee. Others on his committee are Everett Van Riper of Chelsea, John Norcross of Saline, Frank Geiger of South Lyon, and Carl Lesser of Dexter.

## Democrats Tell Plans for County Convention Feb. 13

Washtenaw Democrats will be represented by 23 delegates and 25 alternate delegates to the Democratic State Convention to be held in Grand Rapids on Feb. 22 and 23. This is an increase of four delegates from the county and is based on the jump in the county Democratic vote for Secretary of State from 19,308 in 1952 to 22,910 in 1956.

The delegates and alternates will be elected at the Democratic County Convention to be held Wednesday, Feb. 13, at 8 p.m. in the County Building, Ann Arbor. Mrs. Howard Blackenbush, County Chairman, announced that delegates elected at the Aug. 6, 1956 primary are being notified and that all interested Democrats will be welcome to attend.

"This is an important convention for our county," Mrs. Blackenbush stated. "I am concerned as we go with the University of Michigan and Eastern Michigan College, we have a great interest in the people nominated for the Board of Education. The candidates for these offices and for the State Board of Agriculture and for State Superintendent of Public Instruction is a matter of interest to everyone concerned with the call of public education in Michigan."

Mrs. Blackenbush pointed out that delegates to the state convention must be selected from delegates seated at the county convention. "Vacancies in elected positions often occur," she said, "and are filled from the list of visitors to the convention from the precincts where vacancies occur."

Other candidates who will be nominated by the state convention are Highway Commissioner and three Justices of the Supreme Court. A chairman and vice-chairman of the State Central Committee will be elected and one member of the State Central Committee from each county. By procedure, the State Central Committee members from the four counties of the Second Congressional District alternate between men and women. Washtenaw will this year select a woman for membership. Candidates are proposed by the county delegation to the state convention, nominated at the District caucus and elected by the convention.

### Jaycee Auxiliary Members Will Canvass Village

Upwards of 1,000 Washtenaw county women will join forces tonight for the Mothers' March on Polio, climaxing a month-long campaign to raise \$46,900 to continue the fight against infantile paralysis.

In Chelsea, the Mothers' March is sponsored by the Junior Chamber of Commerce Auxiliary. While Brownies will stage a parade downtown Thursday afternoon reminding everyone to be prepared to make their contribution.

Every contributor to the Mothers' March will receive a family immunization card as a reminder for children and young adults to get their full series of three Salk vaccine shots as soon as possible.

County records show that less than half of Chelsea's 1,300 school children who received first round shots have received their third immunization shots of Salk vaccine. The records show that 1,100 have been given the second in the series of three immunizations but only 600 have received the third injection.

While no new cases of polio occurred in Chelsea in 1956, twelve old cases are still receiving treatment or other assistance.

During the Mothers' March, special emphasis will be given the program of vaccination for adults.

In urging support of the Mothers' March it was pointed out that of the total proceeds of the present campaign nearly one-third of every dollar donated will be spent in direct aid to polio patients.

Another third will support the National Foundation for Infantile Paralysis nation-wide program of rehabilitation and vaccination, while the balance will be spent on research, education, and related services.

Volunteers are counting heavily on the door-to-door canvass for total returns within reaching distance of the goal. Last year, the Mothers' March raised more than \$22,000 in the county. Traditionally it has been the largest single fund-raising event in March of Dimes drives.

Block captains for the Mothers' March between 7 and 8 o'clock this evening are Mrs. John Carman, Mrs. Paul Schabie, Jr., Mrs. Robert Anderson, Mrs. Merle Leach, Mrs. David Winans, Mrs. Robert Vanderkelen and Mrs. George Winchester.

Feb. 6 - Junior-Senior boys hear  
army assembly.

The French Club recently held a  
dance titled "Evening in Paris." A  
committee led by Terry Gentner  
put up decorations that featured  
the Eiffel Tower, and  
sidewalk cafes. Refreshments  
were served.

The Student Council has been  
busily engaged in raising money  
for the polo drive. Wednesday,  
Jan. 23, the faculty defeated the  
Kittens Club 45-35. Proceeds of  
the game amounting to \$55 and  
were donated to the March of  
Dimes. More money earned for  
this drive at a dance held on Sat-  
urday, Jan. 26. Gum chewers also  
made some donations.

Shop classes are hard at work  
as usual. Junior high students are  
learning the names and uses of  
hand tools, how to use leather,  
plastics, and metals.

Shop I classes are working on  
common wood, making furniture,  
bowls, an ice boat. Shop II classes  
are busy constructing chests and  
learning how to finish them. They  
too are working with plastics.

The library has three new book-  
cases and 55 new books on dis-  
play. The new books relate to fine  
arts, applied science, and include  
reference books and fiction. A few  
of the new items are "Kate Bran-  
nan," "Dream of Sautters Well,"  
"Cary on Mr. Bowarth," "Modern  
American Poetry," "Presidents of  
the United States," "Designing for  
People," "All about Paris and its

Environ," and "The Land and  
People of France," and "Wonders  
of Modern Machines."

Future Homemakers of Ameri-  
ca served a dinner for the teachers  
of Chelsea High school Jan. 22.  
Lasagna, green salad, French  
bread, ice cream, cookies and cof-  
fee were served.

They served a banquet to P.F.F.  
on Jan. 22. Fifteen girls were  
present. Plans are under way for  
a skating party to be held soon,  
and for a record dance to be held  
March 15.

Members of the speech class  
have been busy writing their own  
group radio scripts. Three groups  
did three plays each. Members  
also wrote their own personal ra-  
dio scripts. The plays were re-  
corded on tape and played back  
for class criticism. The plays were  
very well written and everybody  
did a good job writing and pre-  
senting them.

Diane Koch, Starlet Kisa, Eltie  
Bordas and Terry Boyer of Mrs.  
Hinderer's kindergarten have had  
perfect attendance for the first se-  
mester.

The class has finished the work-  
book "Getting Ready to Read,"  
and "Happy Ways to Numbers."

Sue Stoll and Wanda Fletcher  
report that Mike Musson and Dan  
Eder, of Mrs. Lange's fourth  
grade, have had perfect attendance  
for first semester. Sue Stoll  
brought a collection of coral which  
made the group's science class  
more interesting.

The class is enjoying their Es-  
kimo project. Those who hoped to  
make it were: Kristine Kayser,  
who made clay Eskimos, and Mike  
Musson, Dan Eder, Billy Ledford,  
Gary Paxton, Gary Scripser, Da-  
vid White, Bob Shackleton, and  
Lanny Carr, who made clay dogs.

The sled was made by Tom John-  
son, the fur for the sled were  
made by Joyce Sharpe and Kathy  
Sutter and Joyce Willis made the  
kyak.

Mr. Schmunk brought the class  
a new United States map. They  
are using it every day in Social  
Studies. The boys and girls of the  
fourth grade brought clothes and  
money to buy a new sled because  
his house burned down on Saturday,  
Jan. 19. They bought for him sev-  
eral things, including a jacket and  
pajamas.

The faculty at the North Ele-  
mentary school served coffee and  
cake Monday afternoon, Jan. 14 to  
welcome Mrs. Lucille Grossman  
who is now teaching the fourth  
grade.

Thursday afternoon, Jan. 24, cof-  
fee and cookies were served as a  
farewell party for Mrs. Reynolds,  
the third grade teacher, who is  
moving to Cleveland, Ohio.

The first and sixth hour Eng-  
lish classes staged surprise fare-  
well parties for Miss Sultz who is  
leaving because of family health.  
Gifts were presented; refresh-  
ments were served; games were  
played; her successor, Mr. Smith,  
was presented.

Jan. 23 the seventh grade held a  
class meeting at which they dis-  
cussed plans for the seventh-eighth  
grade party. It is to be held Feb.  
8 from 7 to 10 o'clock. President  
Carol Davis appointed commit-  
tees for decorations, refreshment,  
clean-up, and party.

Sherry Frisinger spent a won-  
derful Christmas vacation in Flori-  
da with her family.

Friday, Jan. 18 was the last day  
that Sophomores could pay their  
first semester dues of \$3. Each  
day they delay costs them an ad-  
ditional 5 cents.

In English they studied pro-  
nouns and reviewed diligently for  
their six weeks test. Polygons and  
construction problems are being  
worked on in geometry.

You expected Newness—

# BUT THIS BEATS ALL!

I'm looking over this year's new cars, more and more people find that the newest of them all is Buick.

For over and above the brilliant newness of Buick's low-sweep fashion, you find here a new kind of performance and handling and safety and security and solidity of ride.

On the road is where you realize what all this means.

You feel a new obedience—a great and wondrous new lift—in the answer of Buick's big new 364-cubic-inch V8 engine teamed to an advanced new Variable Pitch Dynaflo®—Instant Dynaflo.

You feel a new safety, a new solidity in the massive new chassis that "nests" the car

to the lowest center of gravity in Buick history—yet without sacrificing an inch in wheel size or vital road clearance.

But you ought to get this news where it happens—at the wheel of the newest new Buick yet.

That way you can also see for yourself how much more interior room you enjoy in the lowest Buick ever—even how much safer you feel with Buick's exclusive Safety-Minder® telling you with an insistent buzz when you reach the miles-per-hour you pre-choose for yourself.

Drop in on us this week—today would be even better!

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special. Safety-Minder is standard on Roadmaster, optional other Series.

**Safety News**  
Only Buick has the Safety-Minder—  
a simple device that's a great boon to your safety.  
You merely press the miles-per-hour you want.  
When you reach that pace, a warning buzzer sounds.  
Drop below that pace and the buzzer stops.

**Safety Reminder**  
After dark, slow down and stay at a lower speed. Even with the most modern automobile headlights, no one can see as far as in daylight.  
Pull it along

### Middle East Program Proposes Use of Force if Necessary

The Eisenhower administration has now come up with a two-year Middle East aid program which will cost the taxpayers of this country about \$400,000,000, if it is enacted.

As soon as the program was announced, complimentary comments were forthcoming in London and Paris, and the sighs of relief were heard around the world. It was thought that, finally, the United States was assuming its role of leadership in the Middle East in an effort to stop Communist penetration in that vital area.

The strongest point being stressed in the new aid program—yet to be approved—is a proposal that the President ask Congress for authority to use political, economic and, if necessary, military force to oppose Soviet aggression in the Middle East.

This is certainly a major decision on the part of the Administration and Mr. Eisen-

hower, and carries with it major consequences. We assume Congress will approve the plan since they have not much choice. However, it is a far-reaching change of policy for the United States and merits the consideration of everyone.

This economic aid program will call for an expenditure of four-tenths of a billion dollars in two years, and should be an encouraging note to the Arab countries. It is to be hoped that the United States will fight an active, aggressive diplomatic battle in the Middle East, use its aid program wisely, and even use the big stick if and when necessary.

Only through such a policy can the Middle East be kept out of the Communist sphere. For that reason we applaud the Administration's new program, although we think it is late in coming and hope that it will be a complete success.

### Bogart's Death Reminds Us of Early Cancer Detection

Cancer has claimed another American—this time a prominent one. Humphrey Bogart, 56, perennial "tough-guy" in the movies has died ten months after he had been operated on for the dread disease.

Until the end the actor was optimistic about his illness, but he lapsed into a coma several days before his death, from which he never aroused.

Although Bogart's death was no more tragic than hundreds of others caused by cancer and other ailments, it received widespread publicity because of his movie fame. It serves the purpose well of reminding us

that the fight against cancer is still unsuccessful in many cases. In spite of elaborate assaults being made on the disease by the government and private medical and scientific agencies, the disease is so far not yet conquered.

Cancer symptoms should be well known to all Americans and medical check-ups are highly advisable in case these symptoms are encountered.

Until a weapon is found which will check a cancer which has reached the advanced stages, early detection is often the only way of cheating death.

### What Constitutes Success in Life?

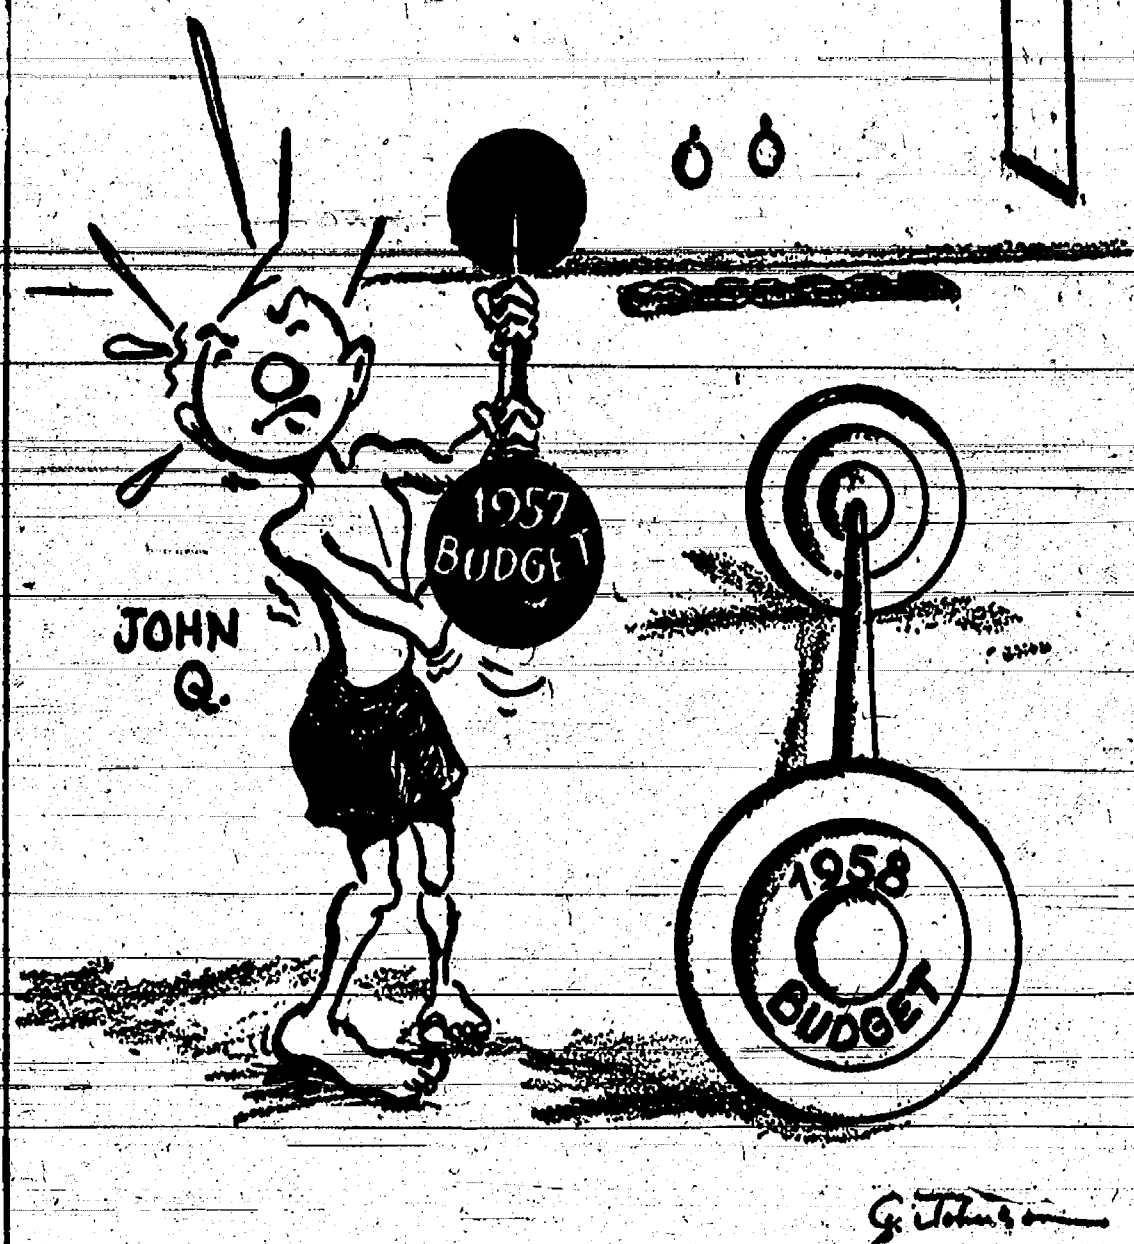

An idea seems to be spreading throughout our land that men and women achieve success through the operation of government rather than by their own patient persistence in honest endeavor.

Young men and women, especially, should not be misled in this respect. They should realize that any worthwhile success in life

is achieved almost exclusively through the personal endeavor of the individual involved.

After all is said and done, the vast majority of business successes owe their growth to one or more rare individuals who gave to the enterprise a contribution that included, not only physical effort, but superior intelligence and the wisdom that arises from the intangible thing we know of as "character."

A "SCHOOL THAT NOBODY WANTED," the state Boys-Vocational School at Lansing, now finds it has many friends.

BVS, an institution-caring for boys with criminal records, had been a controversial issue the last few years in attempts to find a new location.

Pressure mounted beginning years ago to move the school out of Lansing. In 1926 some land was purchased for this purpose, but later diverted to other uses. An attempt to build a new security unit for \$500,000 at the present site three years ago was not approved by the legislature.

Last year the legislature turned an ear towards the BVS problem and appropriated money to purchase land at a new location.

A site at Whitmore Lake was selected by the Department of Social Welfare, the controlling office for BVS. W. J. Maxey, department director, explains that the choice was directed by a desire to be near the extensive medical and psychiatric facilities located in Ann Arbor, and also within a reasonable distance from Detroit, where most of the boys live. Whitmore residents immediately protested the decision. They point out that their present resort area is developing rapidly into a community similar to the present site; that reasons which make Lansing undesirable will exist soon in Whitmore. They also refer to U. of M. hospitals already over-crowded psychiatric facilities, with the suggestion that BVS needs its own psychiatric staff wherever it is located.

Many express valid reasons for not locating BVS at Whitmore Lake. They have placed considerable pressure on their state Representatives to bring the matter before the legislature during the current session.

The city of Grayling now enters the picture. There, the Crawford county Chamber of Commerce and the county Board of Supervisors passed resolutions asking for BVS. Bob Hayes, secretary-manager of the Chamber of Commerce, says "The whole town is for it. We'd like to see if we couldn't help these kids."

Several advantages for a site at Grayling are pointed out by Hayes. Construction costs would be less than at Whitmore Lake. Unlimited space is available. Cost per person a day is lower. Vocational training is available through the Conservation Department. Professional psychiatric help is available 45 miles away at Traverse City.

One important factor is missing say members of the Social Welfare Commission. A location near the city of Detroit is highly desirable. According to C. H. Runciman of Lowell, vice-chairman of the Commission, one of the greatest influences in rehabilitating the boys is regular visits from parents.

Since most of the boys in BVS come from the Detroit area, a northern Michigan location would make weekly visits impossible for most families, Runciman says.

A new struggle may shape up in legislature. The Social Welfare Commission has authorized Director Maxey to seek a legislative appropriation for construction of a security unit at the Whitmore Lake BVS site.

The request for funds may be defeated by a combination of legislators representing Whitmore residents who don't want BVS, and those from other areas who would welcome the school. Such a move would serve to once again reopen the discussion of a new home for BVS.

MICHIGAN'S ONE MAN GRAND JURY SYSTEM may be taken before the U. S. Supreme Court to test its constitutionality. Judge Timothy Quinn of Caro, sitting as a one man grand jury has ordered St. Clair Shores Mayor Thomas S. Welsh to jail for con-

tempt after the mayor refused to answer any of the court's questions. He was ordered to testify about reports of corruption in some Detroit suburbs.

Welsh has indicated that he will fight the charge and is "deliberately" seeking a court test of the Michigan law.

Generally specific powers and purposes are vested in grand juries. They hear only testimony presented by the prosecution and by witnesses important to the specific case. Hearings are held in secret so that witnesses may be more willing to tell all they know. Testimony is not made public.

But the grand jury is limited in purpose. It does not try a case. In effect, its main power after hearing all testimony is to determine if there is enough evidence to bring the case to trial.

"Multiple-man" grand juries sit in most states. The Michigan law, passed in 1951, provides for judges to act as one-man juries.

Opponents of the system say the law is now distorted from its original intended effect. They contend that grand juries now try to make a witness incriminate himself—contrary to rights guaranteed under the constitution.

In the Welsh case, the issue at point is whether or not Judge Quinn can enforce the contempt charge, thereby making the grand jury testimony public. Welsh's attorney says this is inconsistent with grand jury law.

Many Michigan crimes could not be solved without the one man grand jury, say supporters of the law. They point out that it is the only way possible to protect witnesses from intimidation.

## Rep. Meader Scheduled To Introduce Gov. McKeldin at Lincoln Day Event

Maryland Governor Theodore R. McKeldin, 56, who will be the speaker at a Feb. 14 Lincoln Day Dinner in Ann Arbor, will be introduced at the dinner by the Hon. George Meader, Congressman of Michigan's 2nd Judicial District, who will return here from Washington for the event, it was learned this week.

Governor McKeldin, prominent "Eisenhower Republican" who has been mentioned as a possible vice-presidential candidate in 1960, is the first Republican ever to be elected to a second term in Maryland. His first term was highlighted by the planning and financing of the Baltimore Harbor Tunnel, now under construction and the inauguration of a Maryland State Port Authority.

For four years he was Mayor of Baltimore, Maryland's major seaport, before his election as governor in 1950 with the largest majority of votes ever given any gubernatorial candidate in that state. He has carried out an extensive program of reforms and modernization in highways, budget methods, teachers' salaries, hospitals, and municipal affairs.

On the national level, Gov. McKeldin was author of a resolution introduced in the National Governors' Conference which preceded the establishment of President Eisenhower's Commission on Intergovernmental Relations. He is a member of the National Committee on Immigration and Naturalization and has been an ardent advocate of more liberal immigration laws.

He is the recipient of the Sydney Hollander Foundation Award for the promotion of better inter-racial relations, the citation of the National Conference of Christians and Jews, the Citation of the Massachusetts Committee of Catholics, Protestants and Jews, and the DeMolay Legion of Honor Medal.

Married and the father of two children, he holds an LL.B. degree from the University of Maryland, and took post graduate work in

economics at Johns Hopkins University.

Tickets for the dinner, scheduled at 6:30 p.m., at the Michigan League, in Ann Arbor, are available in out-country area from John Flock, Henry Leutheuser, Saline; Mrs. Cienard McLaughlin, Dexter; William Hayes, York township; Frank McCalla, Northfield township; Joseph Karmann, Superior township; Edward Frederick, Robert Stimson, Ann Arbor township; Sylvester Shear, Salem township; L. C. Palmer, Anton-Nielson, Chelsea; Sylvester Leonard, Augusta township; Stanton Roesech Manchester.

All Republican township and city candidates are invited to appear in a receiving line with the governor, following the dinner. Candidates who attend are asked to contact co-chairmen of the candidates reception committee, Mrs. C. Cornelius Williams and Mrs. Lyndon Welch, at the door.

Prominent state-level Republicans have been contacted by Mrs. Fred Collier, aided by Mrs. Patricia Newkirk Hardy, Robert J. Wollam, and Thomas A. FitzGerald, all of Ann Arbor.

## Polio Drive Nears 40% Of Goal

The 1957 Washtenaw county March of Dimes has collected nearly 40 per cent of its official goal with only three days remaining in the month-long campaign to raise funds for polio, according to a report released Tuesday by Mrs. Clarence Markeson, campaign chairman.

Community polio drive leaders reported a total of approximately \$19,600 collected as of the first of the week, about 20 per cent less than was tallied at the same time last year, excluding funds raised by the Mothers' March on Polio. The 1957 drive goal is \$48,900.

Mrs. Markeson indicated a generous response to the county-wide Mothers' March this year will be necessary to put the drive within striking distance of its target. Last year, mothers set an all-time record for the drive in collecting more than \$22,000 in a single evening.

As of Tuesday, March of Dimes contributions in Ann Arbor totaled \$10,077.50, compared with nearly \$14,000 raised at the same time a year ago. Gifts to date include \$9,911.79 from mail contributions; \$3,788 in individual donations; \$1,010 from large corporations; \$757.46 from special events; \$391 from businesses and carterers; \$385.50 from clubs and organizations; \$93.50 from dimes boards; \$200 from employees; \$32.77 from "peanuts for polio"; and \$80 from small corporations.

Other totals, by community: Ypsilanti, \$3,400, including more than \$1,000 each from mailers and schools; Milan, \$1,541.11; Saline, \$1,200 (est.), including approximately \$1,000 from the Junior Chamber of Commerce dinner; Chelsea, \$544; rural townships, \$678.04; former East Ann Arbor-Fitzfield area, \$45.68; Manchester, \$414.21; Dexter, \$400 (est.); county hospitals and institutions, \$172.14; Whitmore Lake, \$100 (est.); and Dixboro, \$73.

Mr. and Mrs. James Yoxall and daughters, of Detroit, spent Saturday here with Mrs. Yoxall's mother and other relatives.

Mrs. Edward Hammond is confined to her home because of an injury to her ankle suffered in a fall the past week-end.
