## Athletic Awards Given Monday at All-Sports Banquet

**CHS Letterwinners  
Are Entertained  
By Kiwanis Club**

The annual Kiwanis all-sports banquet was held Monday evening with 50 football, basketball, baseball and track squad members as guests. Also guests at the banquet were Alan Conklin, football and basketball coach, and Robert Taylor, basketball and track coach. Athletic award winners were announced by both coaches. Robert Taylor, assistant basketball coach at Michigan State University, as principal speaker at the affair, gave an inspiring address, stressing the importance of respect for coaches, teammates, opponents, rules, fans and finally, the player himself. He advised the young athletes to remember that education, above all, is the most important goal. The subject of English, he said, is of basic importance, no matter what specialized fields might be of major interest. The ability to read, write and speak well is of the utmost importance and the study of English should not be minimized. Charles Cameron, in charge of the program Monday, asked Dr. P. E. Sharrard, to introduce the speaker.

## Six CHS Grads of 1897 Plan Reunion at Alumni Banquet

Special honor will be given at the Chelsea High school alumni banquet June 15 to six members of the Class of 1897 who are planning a class reunion in observance of the 60th anniversary of their graduation.  
The six who plan to be present at the "most honored guests" at the banquet are Mrs. Lillian Gerard, Mrs. Linna Liphthall Miles, Mrs. May Wood Luck, Mrs. Marie Bacon Schneider and Mrs. Elvira Clark Visol.  
Also progressing are plans for the reunion of the 1897 class. Mrs. George Palmer, Jack Winans and Mrs. Lloyd Schneider have been planning for the 10th anniversary reunion. This committee has begun to receive responses from the class for whom an address was available. There are several that could not be reached, but yet.  
Last week the name of Mrs. Alton Mayer was incorrectly listed as a member of the nominating committee for this year. It is Mr.

## Police Apprehend 13-Year-Old Youth For Auto Thefts

Chelsea Police Department officers have cleared up the matter of the theft of three automobiles here during the past month with the apprehension of a 13-year-old youth Sunday.  
Police say the youth was responsible for the theft of the Kusterer pick-up truck April 1 and its subsequent damage and glass breakage.  
April 30, a car owned by Walter French was stolen, and May 2 the third car was taken. The latter is owned by Lloyd Heydlauff. The French and Heydlauff cars were taken from the parking area behind the store on the west side of North Main street.  
The Kusterer truck was taken from the parking lot behind the Kusterer store.

## Co-Operative Nursery Is Planned

A group of interested parents have recently been meeting for the purpose of organizing a Chelsea Co-operative Nursery.  
Co-operative nurseries are not a recent development as there have been such groups in existence since World War I.  
Those who are interested in promoting the project explain that a nursery is a supplement to, and not a substitute for the home environment of the pre-school child. The pre-school child needs his parents but, when he reaches the age of three or four he is ready to broaden his experience. He is ready to transfer some of his dependence to other adults and to learn to share his experience with a group of children. He needs to share his experience and materials with other children as he will do increasingly throughout life.  
Nursery school affords these opportunities to the child with a teacher who loves and understands him and encourages and respects him.  
Because these needs of the pre-school child must be satisfied, the Chelsea Co-operative Nursery is being organized. It was pointed out that the nursery is operated by the collective efforts of parents. Each parent does his share in financing, operating, equipping and maintaining the nursery.  
The nursery is a non-profit venture, building and sharing equipment wherever possible.  
Parents join the nursery group as a couple with father and mother both responsible for jobs assigned to them. Thus, the parents participate jointly in the development and training of their own children.  
Co-operative nursery groups are licensed by the Michigan Department of Social Welfare and are affiliated with the Michigan State Council of Co-operative Nurseries and the local Huron Valley Council of Co-operative Groups.  
An advisory committee which has been doing preliminary work on the project includes Mrs. Jack Musser, Mrs. Rankin Tipping and Mrs. Keith Poutson. Mrs. David Strieter is acting as secretary.  
Interested persons may receive information from any member of the steering committee.  
One of the group's fund-raising projects is a public "hobo breakfast" to be held Tuesday, May 21, at the home of Mrs. Duane Weiss, 400 Freer road.

## Pre-Kindergarten Pupils Asked To Enroll Wednesday

The annual "kindergarten round-up" for the 1957-58 school year will be held in the kindergarten rooms of South Elementary school Wednesday, May 15, from 9 a.m. to 1 p.m. The purpose of the round-up is to inform parents of the pre-kindergarten program and to allow them to enroll their children if they wish.  
Schmunk said that although many parents have attended these meetings before with their older children, they are urged to come again this year for two definite reasons.  
In the first place, he stated, it should prove a happy first day in school for the child who will be entering kindergarten in the fall. And, secondly, because the parents will have the opportunity to hear a speaker new to the community. Miss Esther Belcher of the State Department of Public Instruction, division of mental health.  
It is important that all children will reach the age of five on or before Dec. 2, be enrolled and their health history started at once.  
The morning session, from 9 a.m. until 11 a.m., will be for parents and children of the rural areas.  
Parents and children in town and those in the Sorensen subdivision are to attend the afternoon session scheduled for 1 p.m. until 3 p.m.  
Schmunk said it would be helpful, he believed, if parents "passed the word around," reminding each other of this important date for pre-kindergartners and parents.

## National Health Survey Being Conducted in Area

The first of a series of monthly household interviews in the National Health Survey for the U. S. Public Health Service will be conducted in this area by interviewers of the Bureau of the Census beginning on Monday, May 6. This has been announced by Supervisor John E. Tharaldson of the Bureau's field office in Detroit, which will participate in the survey.  
Household interviews in this area will be part of the nationwide undertaking in several hundred selected areas distributed among all 48 states. Each month a different group of households will be interviewed, to provide a spread of information on which national estimates and estimates for regions and the nation's larger metropolitan areas, will be based.  
Information to be collected will include statistics on the number, age, sex, and other personal characteristics of people suffering from disease, injury, or other handicapping conditions; the length of time these persons have been prevented from carrying on their usual occupations or activities; and the volume of medical and dental care received.

## CHS Baseball Team Defeats Milan, Dundee

Last Thursday Chelsea traveled to Milan and defeated the Big Reds by a score of 13-3. The victory was dimmed however, as Odis Richardson was injured sliding into second base and will be out to the squad for the balance of the season.  
The Bulldogs jumped off to an early lead as George Staffan slammed a triple to right center and scored as the ball bounced away from the third baseman.  
Milan went ahead in the third on two hits, two walks and an infield error to score three runs. In their third, as Ed Wenk and Jim Baxter both slammed homers the Bulldogs tied the score.  
They picked up three runs in the fourth on Bob DeFanti's triple and three Milan errors.  
The Bulldogs scored in the fifth on singles by Hugh Weinberg and Frank Fredericks.  
In the sixth the Bulldogs tied the game as they scored six runs. Staffan, Baxter, Silas Hopkins and Ed Wenk all had singles in this inning while Frank Fredericks had a double.  
Meanwhile, Bob DeFanti, who relieved starter Jim Baxter in the second, pitched nearly perfect ball in relief. In five and two-thirds innings DeFanti struck out 10, walked two and gave up an infield hit.  
The win, coupled with Flat Rock's defeat, puts Chelsea one game behind Flat Rock and Roosevelt in the Huron League standings.  
Box score: R H E  
Chelsea 10 21 0 13 3 2  
Milan 0 30 0 0 3 4 6

On Tuesday, May 7, the Bulldogs traveled to Dundee and came home with a hard-earned 7-9 victory.

Chelsea picked up three runs in the first inning on singles by George Staffan and Hugh Weinberg, plus Bob DeFanti's home run to deep left field.

The Bulldogs added two more in the third as Jim Baxter and George Mayer walked and both advanced on a passed ball. Baxter scored on DeFanti's sacrifice fly and Mayer scored on Loren Keeser's single to center.

Dundee picked up two runs in the third on four hits. They added two more runs in the fourth on two hits and an error.

Chelsea picked up a single run in the fifth as Hugh Weinberg was safe on an error and scored on DeFanti's double down the left field line.

Dundee tied the score in their half of the fifth on a dropped third strike and base on balls. After one runner scored on a passed ball, Bob DeFanti replaced Hugh Weinberg on the mound. The Dundee tying run then scored on another passed ball.

The Bulldogs scored the winning run in the top of the eighth. Hugh Weinberg walked, stole both bases and scored. The tying run, Loren Keeser, laid down a squeeze bunt.

In his four innings on the mound Weinberg struck out 10, walked one and gave up seven hits. Bob DeFanti, who relieved Weinberg, allowed one hit, walked one and didn't allow a hit.

DeFanti also had two hits, a homer and a double, as he drove in four runs. Loren Keeser had three singles and drove in two runs.

## Mother-Daughter Banquets Hold Social Spotlight

Mother and Daughter banquets and Father and Son banquets are currently being held by churches and organizations of the community.

Mothers honored at the affair and presented with plants were: Mrs. O. G. May as the oldest parent; Mrs. J. V. Burg, I, as the mother with the most daughters; Mrs. Richard Kern, the youngest mother; and Mrs. Kenneth Livingston, the mother with the youngest daughter present.  
The program included a toast to mothers by Mrs. Marie Leach, toast to daughters by her mother, Mrs. Leon Fox; a poem, "My Mother," by Linda Blaess; a vocal duet by Mrs. Dudley Foster and Mrs. Henry E. Brown; and a reading, "What Is A Girl?" by Mrs. William Blaess, program chairman.  
The biennial Mother and Daughter banquet of St. Paul's church will be held in the church hall tomorrow evening, Friday with dinner scheduled for 6:30 p.m.  
Miss Marie A. Wooders, R.N., director of nursing at Receiving Hospital, Detroit, will be the guest speaker. By means of tape recordings and slide pictures, she will illustrate her story of her recent trip to the Holy Land.  
Program chairman for the evening are Mrs. F. G. Schaible and Mrs. Paul E. Niehaus.  
The Methodist church is having its Mother and Daughter banquet this evening, with the Rev. Muri Eastman of the Grass Lake Federated church as the guest speaker. He is expected to display his talents.

newable for the normal length of the degree program in which the student enrolls, provided his academic record justifies renewal.

The award winners were selected from 1,455 applicants representing nearly 300 high schools. At least one scholarship is available for every accredited high school in the state, provided a qualified candidate applies.

Journalism club is working on a grade annual, planning their annual awards, working about last issue of The Bulldog Bark and making plans toward next year. Yesterday, May 8, the club met at luncheon to select next year's editors.  
Journalism club is trying to prepare a full-page planned statement on "Michigan Week" suitable for use by a newspaper. The local effort centers about Chelsea.

A method of improving the quality of Student Council representation has been under discussion. It is felt that if a candidate circulated petitions, and secured signatures of 15 per cent of the number of those eligible to vote for whatever office he seeks, the candidate would at least be interested. Nominations from the floor often catch a nominee unawares or unprepared or reluctant. Certainly an interested candidate is preferable to a reluctant one.

Tryouts for cheerleaders were held last night, but results are not yet available. Each girl had to demonstrate that she knew all the cheers and that she could turn a perfect cartwheel.

The seniors are having a Bake Sale at the Hilltop Plumbing Saturday, May 11. The baked items will be on sale from 9 to 5 o'clock. Girls who are on the committee for planning the bake sale are Becky Miller, chairman, Gayla Markle, Carole Adkins, Olive Ann Reddeman, Barbara Greenwood and Jackie Hibbs. Each member of the class will bring an item to sell. This is the last project for

the seniors since they will be leaving on their trip to New York May 24.

Chelsea High's track team lost to Milan and Airport in a triangular meet on April 26; Milan 110, Airport 22, Chelsea 19 points. Until that day Airport had never lost a meet. Milan has the best track team in the league and they are expected to do very well in the state finals. The scoring for Chelsea was as follows: Medley Relay (John Eisenbeiser, Robin Wright, Jack Cattell, Robin Wright, Bob Brown, and John Eisenbeiser, also took a first. The same team placed second in the 880 relay.  
Other places taken by CHS

in the mile for 5 points; and Larry Schramm took 2 points for the 440-yard run; high hurdles Gary Dault took 2 points.

Chelsea's track team placed second in a triangular meet with Ypsilanti and Pinckney on May 1. They showed great improvement over previous efforts and nearly everyone scored some points. Making firsts for CHS were Bob Fischer in the shot-put and Bill Lake in the high hurdles. The medley relay team, composed of Jack Cattell, Robin Wright, Bob Brown, and John Eisenbeiser, also took a first. The same team placed second in the 880 relay.  
Other places taken by CHS

were Bob Eder, second, and Jim Gray, fourth, in the 880; Dennis Gary, second, and Ed McDaniels, third, in the mile; Larry Schramm, third, in the 440; Gary Dault, third in both the high and low hurdles; J. Eisenbeiser, second in shot put; and J. Cattell, second in pole vault. Despite improvement and all-around team effort, CHS had to settle for second in the three-way meet. Final score: Roosevelt 60, CHS 41½, Pinckney 32½.

The Chelsea High School Bulldog Band presented their first concert of 1957, April 30. Director Shroyer introduced the music by explaining that he felt that a con-

cert should consist not of what is popular already, but should include numbers which would elevate the musical taste of the listeners. A completely annotated program added to the evening's pleasure. The program opened with the "Carnival of Venice," featuring soloist Byron Pearson. "Themes from Caucasian Sketches" changed to the light chords of "Celebrated Air," and before intermission the band played the biggest number of the evening, "Victory at Sea," from the TV program of the same name. The second half opened with "Trumpets Wild," featuring a new

cornet trio Bob Balmer, Donna Walz, and Charles Cameron. Assistant director David Sanborn directed "Fireworks Music," "Spiritual," featuring Bob Balmer, preceded "Shortin' Bread," a piece of light, or "fun" music. "Master Wonderful" ended the performance.  
Movies shown this week were "How Eyes Function," "Finding Your Life Work," "By Jupiter," "Hereditry," "America's Presidents," and "Territorial Possessions of the United States."

(Continued from page 3)

The annual spring conference of the Michigan Association of School Librarians at Wyandotte last Saturday. The theme was on the building and servicing of elementary school libraries.

The Latin Club decided to name their May 24 dance "Roman Holiday." Angie Meng and Sharon Smyser are on the decoration committee, and Bob Smith is chairman of refreshments.

The Future Homemakers of America held a picnic last night with eighth graders who will take homecoming next year as their guests. A fashion show is being planned for May 21, at which girls will model the garments they have made this year.

Members of speech classes are testing their acting ability by working on two one-act plays, "The Lottery" a drama, and "Ladies of the Mob," a comedy. They hope to be allowed to present the plays to a few of the English classes.

For the first time, Girls Athletic Association has held a spring election so that newly-elected officers may become acquainted with their duties. New officers for 1957-58 are: Mary Irwin as president, Janet Bernhart as vice-president, and Carole Barr as re-elected secretary. The officers will meet to revise the constitution and the point system.

Kathy Goltra, acting as chairman, along with Rita Schramm, Gloria Packard, Sue Steger, and Sharon Smyser will plan a "Fun Night" for all new and present members. This will be the last activity of the year.

The seventh grade has had several guests in the past few weeks. Carol Dancer brought Sarah Taylor and Karen Kern, who comes from Jackson Junior High in Detroit; Alice Eschelbach brought her cousin Judy Sly; and Judy Fite brought her cousin Helen Fite. Caroline and Dorothy Klingler, who used to attend Chelsea Schools, were also guests. Seventh graders are still enjoying the 16 to 13 victory of the Dribblers over the Basketeers. They are hopefully planning another basketball game with the eighth grade. Sherry Frisinger spent spring vacation in Missouri. Sandra Schaeck of Florida, Sue Eisenbeler spent her time at Washington, D.C.; weren't those lovely vacations?

The eighth grade has been studying the history of American possessions. They saw a movie which told not only the history of the possessions, but many of America's future plans in relation to those territories. It was an interesting picture.

Freshmen English classes have been reading various stories from their literature books. Biology classes have been studying the human nervous system, the sense organs, and the effects of alcohol, narcotics, and tobacco.

The Freshman-Sophomore return party last Friday was a social event of great importance to the younger set. Chaparrones were Mr. and Mrs. Robert Taylor and Mr. and Mrs. Alan Conklin. Decorations were by Donna Moore, Sue Steger, Sis Wagner, Chuck Koengster, and Jack Patrick. Refreshments were planned by Bucky O'Dell, Bob Schenk, Fred Patterson, Davis Rowe, Wilson Morley; while clean-up was done by Marjorie Hepburn, Joan Weinkauff, Betty Bair, Nina Hatt, John Meehan, and Polly Willis. Phil McDaniels and Paul Graves collected admissions.

Freshmen are having difficulty in collecting the \$5-per-year class dues. May 1 was set as the deadline for payment without penalty; but by class action the penalty date was deferred to May 7; after which an additional 25c per week will be added.

The most recent sophomore class meeting set several important dates: the sophomore car wash will be postponed from May 11 to May 25; class rings are to be ordered on May 9; delinquent dues will start May 15.

Juniors were pleased to hear, on May 2, the theme of the 1957 prom; use of a pick-up truck was sought and found, and it was announced that prom invitations have been received.

The seniors decided to make use of the school bus for transportation to Detroit, and apply the sav-

ing toward a gift to the new school from the class of '57. Lee Matthews was chosen as head of a committee to investigate suitable gifts. The class also voted to pay cover charge at the Copacabana from the class treasury. They also voted to buy 50 name cards each, and to have a bake sale May 11 at Hilltop Plumbing. Members are being measured for caps and gowns.

**ROGERS CORNERS HERDSMEN**  
The Rogers Corners Herdsman's club met Thursday, May 2, in the Lima Center Community Hall. There were 28 members present. The Program Planning Committee at that time, planned the year's activities. It was noted that the club enter the "Model Business Meeting" contest. It was also decided the club would have a baseball team again this year. Zoe Niles, reporter.

**YEARS AGO** when the physician fought to bring a patient through a  
siege of pneumonia there was little he could do but help conserve the  
patient's strength, make him comfortable . . . and hope for the best.  
In fact, the doctor sadly signed death certificates for 33 out of every  
100 pneumonia patients he treated. For those who survived, recovery  
was slow and expenses were high. The cost of an average case was about  
\$1,000, including three or four weeks' time lost away from work.  
Happily, this grim picture has changed. Under the onslaught of  
sulfa drugs . . . and now the antibiotics . . . pneumonia has steadily lost  
ground. Now, uncomplicated cases clear up in four to five days. And  
instead of losing 33 out of every 100 cases, the doctor saves all but a  
very few.  
Just as striking as the cut in deaths and disability is the cut in the  
cost of curing pneumonia. More and more patients can now be cared for  
at home. As a result, the average case of pneumonia may cost no more  
than \$100 . . . including loss of income, the doctor's visits and the  
"expensive" new medicines!  
Today, more than ever before, an investment in prompt and proper  
medical care may well represent one of the biggest bargains of your life.

## The HERB CORNER

Flavor, Fragrance, Beauty

Herbs are commonly divided into three groups: sweet herbs, pot herbs and simples. The border lines between the groups are not always clear; some herbs fit easily into more than one group.

Sweet herbs are the aromatic herbs, grown for fragrance or flavor. The culinary herbs, which are added to other food in small amounts, as we add salt, to enhance flavor, are sweet herbs. The culinary herbs which are added in larger amounts to cooked greens, or salads, such as chives, parsley, chervil and tarragon, are pot herbs, sometimes called salad herbs. Here again we find wavering border lines: between sweet herbs and pot herbs and between pot herbs and vegetables.

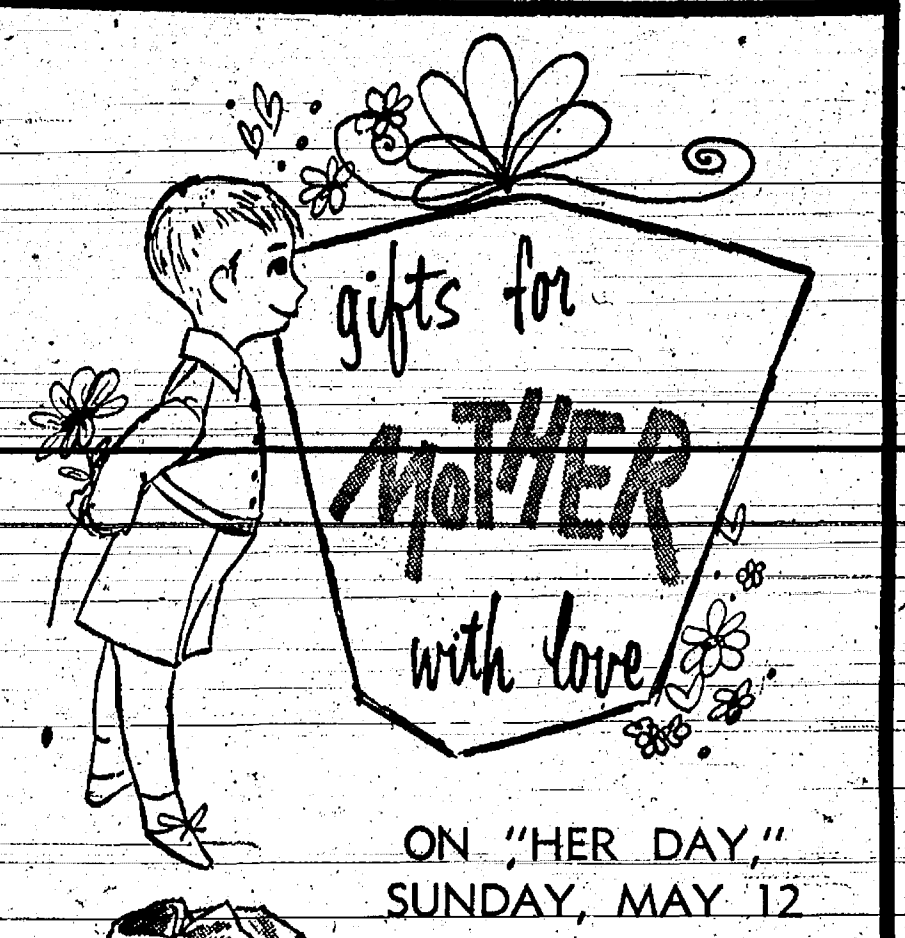

The simples are the medicinal

herbs; herbs that were used as simple remedies for simple ailments. Some of the plants we are accustomed to in our flower borders were at one time grown mainly for their actual or supposed medicinal value.

A few of the familiar flowers of today that might have been found in an herb garden of yesterday, grown for their fragrance or medicinal value, are: dianthus or pinks and carnations; cowslips, flage, flax, and foxglove; hyacinths, larkspurs and some lilies; mallows; mignonne; nasturtium; pansies and poppies; sweet rocket and sweet william; verbascum, violets and yarrow.

The sweet scented geraniums, or pelargoniums, were herb garden favorites in the summer and house plants during the winter.

Butter sauces add zest to baked or broiled fish. For a simple lemon butter sauce, cream 1/2 cup butter until fluffy. Add 1/4 teaspoon salt and 1/4 teaspoon pepper; blend in 1 tablespoon of lemon juice gradually, spread on the fish when ready to serve.

Kalmbach pointed out that loans on warehouse-stored corn or purchase agreements on 1956-crop corn could be obtained at the Washtenaw County ASC Office, Room 18, Washtenaw County Building, Ann Arbor, any time up to the close of business Friday, May 31, but applications should be filed early in May if possible.

In the case of farm-stored corn to be placed under loan Kalmbach stated producers must file application by May 16, to provide sufficient time for inspection of the loan collateral and completion of the loan documents by the deadline date May 31.

As of May 15, farmers in Washtenaw county had placed a total of 95,961 bushels of 1956-crop corn under price support. Kalmbach stated. He explained that of this total 15,885 bushels were under warehouse-stored loan, 33,766 bushels were under farm-stored loan and 19,890 bushels were under purchase agreement.
