## Schools Will Begin Fall Term Sept. 3

### Pupils New to System Should Be Registered Before Opening Date

Schools of Chelsea will begin the fall term at 8:30 a.m. Tuesday, Sept. 3.

All elementary pupils who are new to the Chelsea system are to register with the elementary principal, Arthur Schmunk, while all new pupils in grades 7 through 12, who have not registered previously, should register with the high school principal, Charles Lane. Registration should be completed before the opening of school. Lockers will be issued and books will be sold at the high school Tuesday and Wednesday, Aug. 27 and 28.

High school pupils are reminded that the Latin I book, solid geometry book and trigonometry book are all new this year to the school calendar for the year is as follows: Aug. 29-30, faculty meetings; Sept. 2, Labor Day; Sept. 3, school opens; Oct. 10-11, MCA meetings; Nov. 28-29, Thanksgiving vacation; Dec. 20-21, Christmas vacation; Jan. 14, first semester ends; April 14, Spring vacation; May 30, graduation day; June 6, school closes.

## New Vaccine Available for Hogs at Fair

Pigs for the annual pig scramble at the Chelsea Community Fair will be vaccinated from hog cholera for life with a new vaccine which costs the owner no more than the former preventive serum which needs to be repeated each time an animal is entered for exhibition. State rules require that hogs must be immunized before they may be exhibited to prevent possible hog cholera outbreaks.

The new vaccine, however, should be administered from seven to ten days before the animal is exhibited. The former method for the shorter term serum has been to administer the serum at the fairgrounds if the animal had not been inoculated within the prescribed time limit before the fair.

The new vaccine, which local veterinarians use in men and which they are prepared to administer, is called a "modified live virus vaccine." It confers permanent immunity to hog cholera and will not cause the disease to be spread among unvaccinated animals, the veterinarians state.

Jack Heller, superintendent of the hog show for the Community Fair, asks that hog exhibitors who wish to take advantage of the opportunity to have their animals vaccinated with the new permanent type vaccine, contact him at once so arrangements to obtain inoculation can be made. Heller said he will be doing the job. Heller said he was many vaccinations may call him at his home, phone GR 4-601.

Heller, in recommending the new vaccine, remarked that it is to the owner's own benefit to take advantage of the opportunity to obtain the new protection for their stock.

Veterinarians will plan a schedule to administer the vaccine in the required time before the fair opens if Heller is notified by Monday.

For those who do not choose the new vaccine, the customary procedure of administering the short-term serum will be followed.

### Businessmen Entertained

Tuesday by Farband Camp

Chelsea Chamber of Commerce members and all business men of the community were invited to attend a "koffee klatch" meeting at Farband camp on Waterloo road Tuesday evening.

The men were taken on a tour of the camp at 7 o'clock and later they were entertained by the children's groups who had prepared a program for the occasion.

EXCHANGE STUDENT—Elena Romero (at left), of San Pedro Sula, Honduras, and Kay Kuhl are shown in the above photograph as they were looking over some of the books they will be using at Chelsea High school. The girls were becoming acquainted at the home of Miss Kuhl's parents, Mr. and Mrs. Alfred Kuhl, on Fletcher road, where the Honduran visitor will make her home for the coming school year while she completes her senior year's work at Chelsea High as an exchange student.

## Student from Honduras To Live with A. Kuhl Family

Elena Romero, of San Pedro Sula, Honduras, arrived Friday evening to make her home with the Alfred Kuhl family for the coming school year while she will be attending Chelsea High school as an exchange student. She will be a member of the senior class and will graduate with the class in June.

Her stay here was arranged through the Ann Arbor Council of Churches with the request that she be placed in the home of a family who are members of the Evangelical and Reformed church. The Kuhls are members of Emanuel Evangelical and Reformed church at Manchester.

The Alfred Kuhl's daughter, Kay, is also a senior at Chelsea High school and she and the Honduran girl already have found that they have a number of interests in common.

Miss Romero attended the Evangelical Normal Institute at San Pedro Sula for her first three years of high school work. Her older sister, Elizabeth, has been a teacher there the past three years. Miss Romero plans to be a teacher.

Her family includes two brothers, Manuel and Hector, both older than Elena.

Their parents are Mr. and Mrs. Luis Romero. The mother, Ana, is a matron at the girls' boarding school.

### Law Requires Pupils To Walk to School Within 1 1/2 Miles

According to an announcement by Superintendent of Schools Charles Cameron the Board of Education policy on transportation conforms to the reimbursable transportation program of the Department of Public Instruction. All pupils who live within 1 1/2 miles of the school they attend will walk to school.

Rural elementary pupils will be required to walk up to one-half mile to a bus route and rural secondary pupils will be required to walk up to a mile to a bus route.

All pupils living within the village limits will walk to school. Rural bus routes will follow last year's schedule to begin the school year. Changes in the routes and the time schedule will be made during the first two weeks of school.

### Legion Horse Show To Be Held Sunday

Herbert J. McKune Post No. 31, American Legion, is sponsoring a horse show at the Chelsea Community fair grounds on Old US-12 Sunday.

The show is open to all people of the community who wish to enter horses in the 14 events and classes, according to Herman Reed, Legion Post chairman of the project.

The ground entry is scheduled for 1 o'clock in the afternoon.

### Knights of Columbus Holding Rummage Sale

Chelsea Knights of Columbus is sponsoring a rummage sale to be held at Sylvan Town Hall tomorrow and Saturday, beginning at 9 a.m.

Tomorrow evening the sale will continue through 9 o'clock while Saturday's hours are from 9 a.m. until 8 p.m.

Proceeds of the sale will be used for the various Knights of Columbus community service projects.

## Contracts Awarded on New School

North Construction company of Jackson, was awarded the general contract for construction of Chelsea's new high school building and for eight additional rooms at North Elementary school. The contract was awarded at a meeting held Thursday evening.

Turner Electric company of Chelsea, received the contract for electrical work, while Dunbar-Borton of Adrian and Toledo, was awarded the mechanical contract. Total amount for the three contracts is \$1,838,281.90.

A meeting of the architects, Yamasaki, Leinweber & Associates, together with the Board of Education and representatives of North Construction company was to be arranged this week to discuss the schedule of construction. High school specifications have called for completion of construction by Aug. 15, 1958, with the elementary construction slated for completion Feb. 1.

Negotiations are also scheduled to begin on contracts for relocation and construction of a new athletic field since the new high school building will occupy the present site.

## School-Age Census Shows Jump of 146

The 1957 school census shows an increase of 146 children in the age group 5 through 19 years, or an increase of 9.2 per cent over the 1956 figure, and an increase of 120 children, or 15 1/2 per cent, in the age group under five years who will be entering school in the coming five years.

An enrollment of 178 pupils is expected in the kindergartens of Chelsea schools this fall, according to Superintendent Charles Cameron.

Census figures for the various age groups, with the 1957 figure, followed by the 1956 figure in parentheses, are as follows: Under five years—total, 178 (156); 5 years—183 (162); 6 years—176 (158); 7 years—181 (164); 8 years—183 (166).

In the 5-19 years group the figures are: 5 years—163 (157); 6 years—182 (164); 7 years—189 (170); 8 years—154 (137); 9 years—132 (117); 10 years—154 (132); 11 years—118 (90); 12 years—93 (104); 13 years—105 (102); 14 years—110 (101); 15 years—95 (76); 16 years—79 (68); 17 years—63 (60); 18 years—51 (47); 19 years—42 (37).

Total census figures for ages 5 through 19 for 1957 are 1,728, while the 1956 figure was 1,582. The six-year age group shows the greatest increase—48 children—with those three and four years old next, each over last year's figures.

### Fire Destroys Garage

A garage at the Claire Rowle residence at 240 Washington street was destroyed by fire of undetermined origin, discovered at 2 a.m. yesterday.

Also destroyed in the blaze was a boat, storm windows which were stored in the building, a power lawn mower and other items.

Firemen were successful in efforts to keep the fire from spreading to the Rowle house and to the neighboring residence owned by Victor Winter. Paint on the Winter house was badly blistered by the heat from the blaze.

## One-Man Marshall Plan Explains Seed Program for Eastern Countries

A. E. Patty Mozler, whose home address is Los Angeles, Calif., but who was one of a family of 12 children reared near Dowagiac, Mich., was the speaker at the Kiwanis club meeting here Monday evening. He explained, in highly entertaining fashion, about his program of providing garden seeds for people in Korea, Indonesia and the Far East, a program which has earned for him the nickname "Patty Gardenseed."

He stated it was his aim to "sow a green band around the earth to offset the Red" (of Communism).

A veteran of 30 years service in the U. S. Navy before his retirement as a commander eight years ago, he has worked since then as a merchant marine engineer which keeps him at sea eight months of the year. He fought and defeated most of the world's best boxers in his weight class during his Navy career but since he had an amateur standing, was never a title holder. He also represented the U. S. on six consecutive Olympic boxing teams.

His full name, showing his Irish ancestry, is Aloysius Eugene Francis Patrick Mozler.

When he appeared here Monday, he was dressed in the American cowboy garb which he started to wear after he had been mistaken for an Englishman in Singapore while Englishmen were unpopular there.

He told Kiwanians here that he (Continued on page 12)

FFA CHAPTER TOURS NEW YORK STATE—Stowing luggage in the school bus Saturday night in preparation for a 5:30 a.m. start on the FFA trip Sunday morning are Jack Williams (inside the bus); Tim Schulze, handling in his suitcase; and Melvin Seitz, waiting to hand in his luggage. Watching the procedure (from left) are Johnny Klink, Richard Irwin, Bill Kuhl, David Rowe and Fred Patterson, with Jerry Blough and FFA Advisor Philip Smith at rear. Their four of farms in New York state will be concluded with two days of recreation in Adirondack state park before returning home Sunday.

## Area 4-H's Rank High at County Show

At the Agricultural Extension office in the County Building at Ann Arbor, members of the staff are hard at work this week listing winners in the Washtenaw county 4-H Show held at the new Farm Center on Saline-Ann Arbor road last week.

Among those from the Chelsea area who received high awards at the county show is Robert Weiss, son of Mr. and Mrs. Lee Weiss, who won first place in the pleasure class in the horse division and for the second year in succession received the Herbert Steffens Memorial Award for the best all-around pleasure class. The award, given in memory of a former leader of the Fleming Creek horse club, becomes the property of a 4-H club member who wins it three times.

Others mentioned as winners from this area include Earl Heller who won the sheep showmanship contest, and David Weifgang who exhibited the grand champion Jersey heifer.

Wolfgang and Stephen Bristle are Chelsea boys who will be competing in the dairy judging contests at the State 4-H Show next week and Earl Heller is competing in livestock judging.

Alfred Harwood, summer 4-H club agent, said yesterday that the dairy cattle entered in the county 4-H Show; also 85 beef cattle; 75 horses; 30 swine; and about 80 sheep.

Other exhibits from this area included those entered by the phoning club, two members who won the honor of going to State 4-H Show next week—Robert Weiss and Kathy Weber. Chosen as alternates were Louisa Ordway and Charles Koenn.

The entire county is entitled to send only six horses to the State Show and two of these are the ones from the Chelsea area.

Carroll Ordway is leader of the Lima Up and Down horse club and Lee Weiss is assistant leader.

Homemaking, gardening, flower arrangement and many other entries from clubs in this vicinity were exhibited at the County Show and each division will have some who were chosen to exhibit at the State Show. The official awards list will be published in The Standard as soon as it becomes available.

## Erwin Haist Named To Head Black-Top Sheep Breeders Association

The 69th annual Black-Top Deline Sheep Breeders Association meeting was held Sunday at the home of Mr. and Mrs. Erwin Haist.

A family pot-luck dinner was served at 12:30 p.m. with 41 guests from Howell, Fowlerville, Dexter, Manchester, Chelsea and vicinity.

At the election held following the dinner, Erwin Haist was elected president for the coming year.

## Kellu Allen To Be Foreman of Public Works Department

Kelly Allen has been employed as foreman of the Chelsea Public Works Department, it was announced following the Village Council meeting Monday evening. Employed in the department at intervals during the administration of Homer Nixon and also under Paul Gray, whose resignation as public works superintendent has become effective, Allen will serve until such time as an anticipated village manager is named or until other arrangements are made.

During the day, Allen may be reached by calling the Chelsea Electric Light and Water Department number, GR 5-5011. Night calls will reach him at GR 9-2271, the Village Council report stated.

At the meeting Monday, also, it was voted to fix a charge of \$4.50 to be paid to the village when the Public Works Department is called to run a tape through a stoppered-up sewer.

Other business at the meeting Monday included acceptance of a bid for the sale of the former Schumacher blacksmith shop and the Foster house and garage on Park street. The successful bidder was Joe Allen and he is to start immediately to tear down the three buildings, the raising of the structures is to be completed within 60 days, according to terms of the contract.

Mr. and Mrs. Grant Schooley, with Mr. and Mrs. Henry Bergeron and family of Detroit, returned home Monday from a 12-day stay at Saint-St. Mary's. The Schooleys also spent a few days at Manitowish.

Mr. and Mrs. Paul F. Niehaus have returned from a two-week vacation at Lake May, Hawks, Mich.

## FFA Chapter Tours Farms In New York

Future Farmers of America of the Chelsea High school chapter, accompanied by their instructor, Philip Smith, are on their annual summer trip this week. Also with the students as advisor is Al Smith, English teacher.

Their schedule for the week indicates that they are heading today for Adirondack State Park for two days of recreation, swimming, hiking, softball, etc., before starting the return trip to Chelsea. Enroute home, they will stop to attend church services.

They left Chelsea at 5:30 a.m. last Sunday, after packing the school bus for the trip the night before.

By way of a Canadian route, they headed for Buffalo and planned to attend church services at whatever town they happened to reach at the proper time. They camped in Cayuga State Park in the Finger Lakes area in New York state.

From there they made their visits to six different farms in the area. The farm tours had been arranged through county agents prior to the annual trip.

Monday, at 10:30 a.m., they visited a farm at Freeville, N. Y., which is a successful sheep and beef project in spite of hilly terrain.

In the afternoon they visited a farm at Spencer, N. Y., which featured 125 milking cows.

A fruit farm at Hector, N. Y., and two dairy farms at Waterloo, N. Y., were on the schedule for Tuesday, while yesterday morning's visit was to an unusual rural business set-up—an incorporated farm project where all officers are members of the family. The farm (Continued on page 7)

## Four Full Days Planned For Fair

### Amateur Contest Thursday Night Offers \$100 in Prizes

Entertainment at the Chelsea Community Fair Friday evening Sept. 6, will feature tractor pulling contests for three weight classes—up to 4,500 lbs.; from 4,500 to 5,500 lbs.; and from 5,500 lbs. up. All tractors are to be pulled as they are worked on the farm. Tractors may be entered in one class only.

Tractor pulling has proved a popular entertainment feature at past years' fairs and is expected to draw a crowd for the evening event.

The Kiwanis-sponsored amateur show, with \$100 in prizes offered, is the big event for Thursday night. Application blanks for the amateur show are printed elsewhere in this issue of The Standard. They should be sent in as soon as possible to the address given on the form.

The ever popular pig scramble will take place following the amateur show Thursday night. Tractor demonstrations by the junior farm groups are scheduled for Friday afternoon as well as the annual fat stock sale.

Husband calling, wife calling, hog calling and other stunts will be included in the program from day to day; also prizes for oldest, youngest, person coming the farthest to attend and others.

Half-price rides for children will be featured on Wednesday Sept. 4, which is designated as Children's Day. An added feature this year will be the giving away of a new bicycle to a lucky boy or girl.

A horse show Saturday afternoon following the Community Fair parade will be in charge of Clarence Staphish who has entry blanks for all who wish to enter. Chelsea Fire Department men and firemen of neighboring communities are scheduled for water ball events; Dexter and Chelsea Kiwanians will stage a tug-of-war for possession of the "little brown jug" trophy; and other features are planned for the four-day fair.

The premium list showing the various classes for exhibits is included on page 10 in this issue of The Standard, together with names of the superintendents of the various divisions.

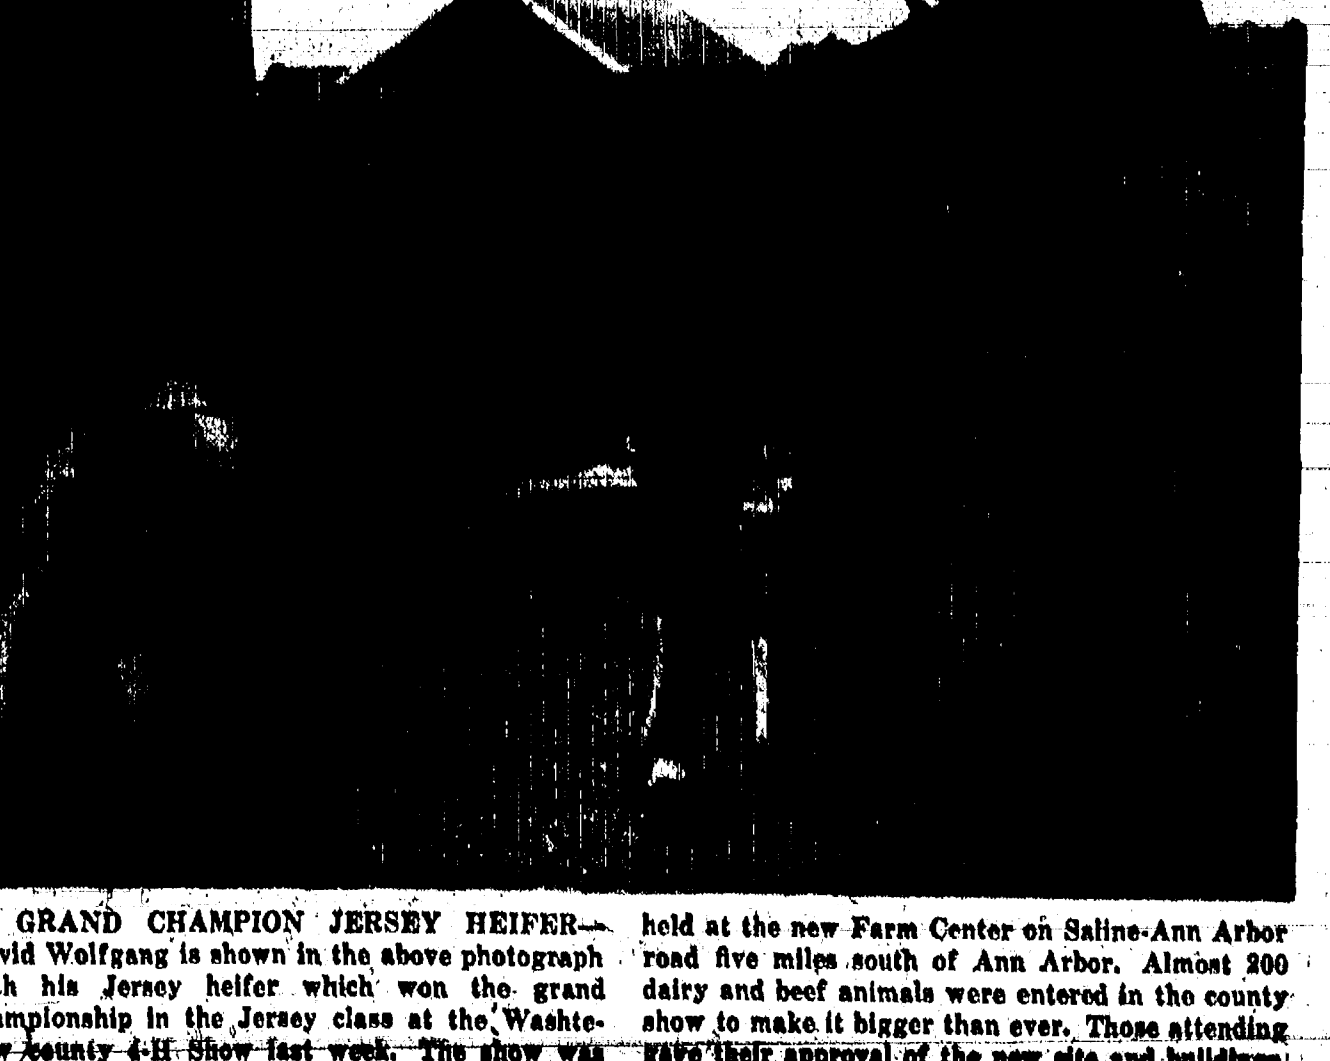

Fair dates are Wednesday, Thursday, Friday and Saturday, Sept. 4, 5, 6 and 7.

## Resigns Position As Congregational Church Pastor

The Rev. Thomas Toy, in a letter to the congregation read at a business session following Sunday morning's service, formally announced his resignation as pastor of the Chelsea First Congregational church. He will deliver his final sermon as pastor of the church on Sept. 15.

The Rev. Toy announced in his letter of resignation that he had accepted a call to become pastor of the First Congregational church at Creston, Ia., and will take up his duties there Sept. 22.

He has served the local church as pastor since Jan. 1, 1953, coming here from the First Congregational church at Hudson.

GRAND CHAMPION JERSEY HEIFER—David Wolfgang is shown in the above photograph with his Jersey heifer which won the grand championship in the Jersey class at the Washtenaw County 4-H Show last week. The show was held at the new Farm Center on Saline-Ann Arbor road five miles south of Ann Arbor. Almost 200 dairy and beef animals were entered in the county show to make it bigger than ever. Those attending gave their approval of the new site and buildings.

## RURAL CORRESPONDENCE

Items of Interest About People We All Know, as Gathered by Correspondents

## SHARON

Mrs. Alvin Stauch returned home Tuesday after being a patient at St. Joseph's Mercy hospital, Ann Arbor, the past week. She underwent an appendectomy.

Changing times demand  
**BETTER HOG FEEDS**  
by Steve Corbin  
of General Mills

You'll need real cost-cutting help in the days ahead to produce pork more profitably. And a new Larro feed provides it.  
Larro foresaw the growing need back in the days of \$25 hogs and pulled out all the stops on research to get ready. Result—a new "super" supplement that really "knocks the edge off hog feeding costs."  
The new supplement is called Larro Super 40. It's a brand new, powered-up 40% hog feed that can cut your feed bill. It speeds growth, promotes healthy hogs, saves work and helps you get more for your corn.  
SurePork Super 40 has been soundly proven in 2 years of testing at Larro Research Farm. In fact, never before in 34 years of twice-researched Larro produced pork to efficiency as with new SurePork Super 40. Why not give this new cost-cutter a try?

in every room!

WITHOUT COSTLY, DIRT COLLECTING  
PIPES AND REGISTERS!

**Here's how SIEGLER puts heat in every room in your home!**  
Only Siegler gives you push-pull double action heating. The built-in powered heat system pushes heat into the rooms while it pulls the cold air out.

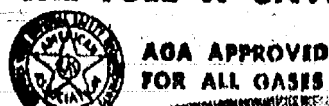

But ORDINARY HEATERS force you to live in 1 or 2 rooms

You pay for an ordinary heater over and over again because it continually wastes heat out the chimney and on the ceiling.

**SIEGLER is the revolutionary method of WARM FLOOR HEATING... puts heat in every room!**

IT PAYS FOR ITSELF AGAIN AND AGAIN WITH THE FUEL IT SAVES

AOA APPROVED  
FOR ALL GASES

THE ONLY HEATER WITH THE PATENTED INNER HEAT TUBES

AND LOOK—don't let BTU RATINGS confuse you!

There is BTU INPUT... there is BTU OUTPUT, but what keeps your family warm is BTU USEPUT... the working BTU's that heat your home! In BTU USEPUT, Siegler OUTHEATS 'EM ALL! A 50,000 BTU Siegler gives more USABLE HEAT than much higher rated ordinary heaters. Any Siegler Heater you buy will give you much more USABLE HEAT than any other heater of comparable size.

## 'Parity' Found for These Youth

During the past three and one-half years, while the battle of parity, flexible prices versus fixed support prices, crop control and the soil bank has raged in the halls of Congress and across the land, a Michigan food processor has been quietly pursuing a farm program of his own to encourage youngsters in efficient and profitable farming.

In 1953, the Gerber Products Company contracted with five young Future Farmers of America in the neighborhood of their headquarters at Fremont, to grow some of the deluxe vegetables required for prepared baby foods. Gerber furnished fertilizer, seed and some measure of advice and guidance, and bought the resulting crops on the same terms as from other growers.

Last year, 22 young farmers in the Fremont area, from 14 to 18 years of age, grew 647 tons of squash and green beans for Gerber and earned \$9,864.67 after paying for their fertilizer and special seed. The four 4-H boys and 18 Future Farmers cultivated a total of 68 acres in 1956 and are tilling 90 acres this year.

On the strength of this mutually profitable operation—Gerber got the type of produce U. S. babies have learned to demand; the boys made money and gained experience both in farming and marketing—the company plans to work with young growers in other plant areas over the country. In fact, an extension of the 4-H and Future Farmers program in the Rochester, N. Y., region is already underway, with four boys producing 160 tons of super-duper carrots and beets last year.

Thus, the Gerber junior-grower plan points the way for the food processors of the nation to promote better farming, and better economics as well as better production, greater self-reliance for our youth and better citizenship. And, in establishing warm and enduring contacts with their future producers, those public-spirited firms that "take the trouble" should be well repaid. —The Isabella County Republican.

## Newspaper Advertising Really Sells

"At the retail level, nothing sells like newspaper advertising if the product has newsworthiness, is priced right, and if in-store promotion follows through."

That statement was made recently by a Philadelphia advertising man, speaking at a sales forum. He gave the example of one of his clients who gained \$8 million in retail sales over a three-month period for an advertising expenditure of less than \$100,000. He added: "The real payoff of this promotion came as the result of newspaper advertising."

"The other and newer media have their place—but they can't supplant the newspaper. That goes for the papers in the small towns no less than those in the great cities."

At a Communist meeting one of the attending comrades suddenly stood up during the debate and addressed the chairman: "Comrade Speaker," he said, "there's just one thing I want to know: what happens to my unemployment checks when we overthrow the government?"—Arenac County Independent.

America is still a free country. Here, if you don't like the weather, you can move to another place and not like it there.

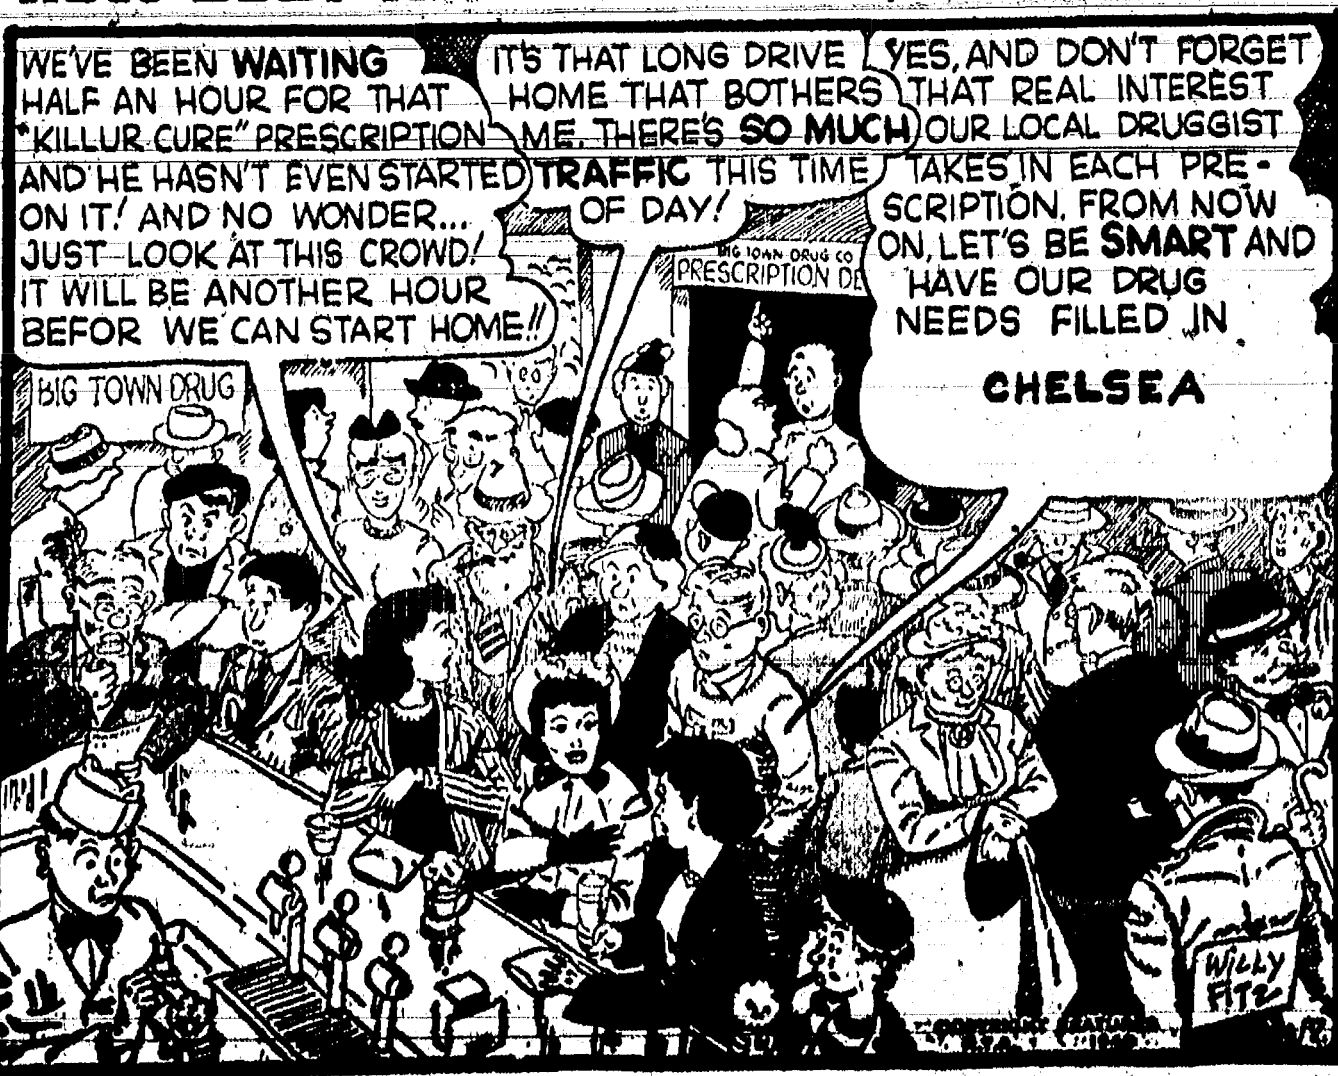

Funny thing how traffic slows down at the sign of an approaching police car.

Nearly everyone who tries to manage the business of somebody else neglects his own.

Today's award for honesty goes to the secretary who was overheard to say: "I love my job... it's the work I hate."

## HOW BOUT THAT

Drawn Especially for The Standard  
 By Will Fitz

## Beginning To Wilt?

## ★ MICHIGAN MIRROR ★

By Elmer E. White, Secretary, Michigan Press Association

There are 235,000 more workers than jobs in Michigan.

In an economy based on work for everybody, lack of it has become a crisis, and state government is looking for a solution.

Gov. Williams was told in July that 195,000 were idle and the forecast of 235,000 unemployed by mid-August was made. This dramatically emphasizes the strange outlines of Michigan's peculiar economy.

Williams touched on it when he described unemployment as a public emergency, and sent his aides off on a quest for facts on which to base a program of full employment recovery.

For better or for worse, the state and its people are linked inexorably to the fortunes of the automobile industry.

Parts and fabricating plants employing a relatively few men and women fan out from the big industries in Detroit. When the auto industry is down, business generally suffers.

Eventually, it means less money for schools, because people must buy fewer goods. The sales tax and now, a liquor and cigarette tax increase, help support education. Neither Williams, nor Republicans, nor the unemployed want another depression-era WPA.

Three years ago when the same sort of unemployment crisis hit Flint and Detroit, appeals were made to the Federal Government for some form of public works.

It was not forthcoming then because the Eisenhower administration said it would not do the job. Now, the analysis finds agreement in the present Michigan crisis.

"Men trained for factory jobs could not be put to work even temporarily on something like that," said one administration spokesman.

The point is, Williams and his aides agree, to find some method of keeping the large and skilled working force on the job.

Part of the trouble lies in auto shutdowns for model changeovers, resulting from an increasingly torrid competition among the Big Three; Ford, General Motors and Chrysler.

There are no answers yet. State government will base its actions on findings of a survey showing the areas of unemployment, which industries are affected, the work record in industrial versus non-industrial work, and whether auto-

mation is creating a shortage of jobs.

Officials believe the General Motors model changes will be more pronounced this year, delaying the period of full production with maximum employment, into the late fall. Ford is believed to be planning changes too.

Chrysler made its big remodeling last year.

As a result of the larger number of unemployed this year, Republicans are looking for a Democratic campaign next winter to increase the size of the weekly unemployment compensation checks.

Highways have been unhappy ways for politicians over the past few years.

Democrats for years have attacked former Highway Commissioner Charles M. Ziegler. He left office and a Democrat took over July 1, leaving word he was "going fishing."

John C. Mackie took immediately, despite legal threats still hanging over his eligibility for office.

First, he ordered a temporary route to eliminate traffic congestion on US-16 between a large state park, Kensington, and Detroit.

Then he announced that Detroit would need 250 miles of new expressways and at least one of them would have to link Michigan's largest city with the state highway system.

Republicans, watching all this activity, then snuffed:

"If Mackie just connects all the highways Ziegler started, he will have nothing much to do during the first three years of his term."

Mackie is ignoring all the talk. Last week, he said he would present a five-year program for highway construction within two months.

Part of the plan, he indicated, will be a superhighway route from the southern part of the state to the Straits of Mackinac where the \$100,000,000 straits bridge is due to open Nov. 1.

Incidentally, Gov. Williams will be the first motorist over the span which links Michigan's two peninsulas.

And, he will pay the toll—about \$3 for his chauffeured limousine—just to set an example.

## THE LETTER BOX

## \$400,000 Grant Received by Cerebral Palsy Association

Dear Editor:  
 Dr. Emmett R. Costich, who is president of United Cerebral Palsy Association of Washtenaw county, today hailed an announcement that more than \$400,000 has been allocated in grants to study the causes of cerebral palsy and train personnel as "another step forward in the fight against this crippling condition."

Noting that United Cerebral Palsy's Research and Educational Foundation has appropriated nearly \$3,000,000 for research and training purposes since 1949, Dr. Costich said this has been made possible by the "backing we get here through the United Fund as well as in communities throughout the country."

Of the fund, he said, "the fund we receive from the United Fund Drive each fall a small portion is used to support the national program, while the bulk maintains services for the cerebral palsied in their own city or town," he added.

Dr. Costich said this year's grants, which amount to \$422,425 will make possible research—basic and clinical—in leading hospitals, universities and other institutions in this country, Canada and Paris, France and help train professional personnel to work with the cerebral palsied.

A renewal of a research grant of \$4,968 has been approved for the Department of Pharmacology of the University of Michigan Medical School to study muscle relaxants. The program will be conducted by Dr. Edward F. Domino, Assistant Professor of Pharmacology.

Sincerely,  
 Emmett R. Costich,  
 President.

4. II Corinthians 5: 17.

A fresh water fish never drinks water because water continually seeps through its gill membrane. The ocean fish drinks sea water, the gill seeping it and making it drinkable.

## Washington Report

By Senator Charles F. Potter  
 The latest news from Washington of special interest to Michigan.

**WHO WILL BOSS** the peaceful atom? Government, industry or both? At this writing the question holds center stage in the Senate. The Atomic Energy Act calls for team play between federal and private interests, but the partnership concept is taking a slug from the public power boys.

Now under way in Michigan are two show places for Government-industry teamwork on the atom: At Big Rapids, Wolverine Electric Cooperative hopes to build a nuclear power plant with financial aid from AEC. At Monroe, Power Reactor Development Corporation already has \$40 million, put up by 21 companies, but looks to Uncle Sam for research funds to help develop a new type of reactor, the "fast breeder."

Both projects are wrapped up in AEC's \$898-million money bill now before the Senate and both will be victimized if the partnership concept is killed. Public power interests want full AEC-ownership and control at Big Rapids. They hope to cut the heart out of the Monroe project by withholding research funds.

The danger: Industry may be entirely frozen out of the peaceful atomic program. I am fighting this. It is un-American. A partnership approach, as set forth in our law, is the only sensible and sound way to develop this revolutionary new source of energy.

## ALL ABOARD MAYFLOWER

Hi—Listen for that call next spring after the ice breaks up on the Seaway. I've had an encouraging reply to my invitation to Mayflower II to sail up the St. Lawrence Seaway for stops at Great Lakes ports. Her founder wrote, "Commander Villiers (Mayflower skipper) is personally happy and willing to make the voyage. The directors and sponsors are also eager to accept your invitation." I've also written Henry Hornblower, president of Plymouth Plantation which will assume ownership of the famous Pilgrim ship on Thanksgiving, and if he sanctions the plan, Mayflower II may be putting in at Michigan ports. A pat on the back came the other day from Under Secretary of State Christian Herter, who says the proposed voyage would build international good will.

A PILOT STUDY of automation in Michigan—a suggestion I made recently to President Eisenhower—is getting under way. Labor Department officials tell me they are "laying the foundation in discussions with the automobile industry."

I've asked them to try to find answers for the following: Precisely how many workers have been displaced by automation? Are they jobless? If not, what sort of jobs do they now hold? What type of retraining is necessary? What are employers doing to ease the impact of automation?

## JUST REMINISCING

Items taken from the files of The Chelsea Standard

## 4 Years Ago...

Thursday, Aug. 27, 1933—The disastrous fire which destroyed the transmission plant of General Motors Corporation at Livonia last week is beginning to affect employment at Chelsea Spring and Chelsea Products. Chelsea and Dexter-Kiwanis are cooperating in preparing a 20-foot trailer as a Kiwanis "welcome wagon" to be located at Lima center for the convenience and comfort of Kiwanians on their way to Ann Arbor to attend the Michigan District convention Aug. 30 through Sept. 2.

Chelsea school board members voted in favor of building a new elementary school north of the New York Central tracks.

The Red School building has been transferred from its former location on Manchester road to the Chelsea Community Fair property on Old U. S. 12 and will be ready for serving meals during the fair. Proceeds of the serving project will be used to help pay the cost of moving and equipping the building.

## 14 Years Ago...

Thursday, Aug. 26, 1943—Called to the colors this week are Robert Reed, son of Mr. and Mrs. Frank Reed, and Glen W. Hatley, son of Mr. and Mrs. Fred Hatley.

Sgt. Edwin W. Barth has been transferred from Fort Monmouth, N. J., to Salt Lake City, Utah, after completing a course in the Signal Corps and Radio Training school.

Congressman Earl C. Michener addressed local Kiwanians Monday evening and prophesied that "our national debt may reach a staggering figure of \$350,000,000, 000 when this war is over and that means that 25 per cent of our national income will be necessary to pay interest and service charges on this debt, making it necessary to raise more money by taxation."

In the 24 years ago column (Aug. 21, 1919): Interurban fares between Chelsea and Detroit have been increased from 80 cents to 90 cents.

## 24 Years Ago...

Thursday, Aug. 24, 1933—Harrie L. Bleeker of Pentwater, has been engaged by the Chelsea Board of Education as superintendent of schools for the coming year.

Dr. C. F. Wolf of Armandus, has accepted the call extended by the

sort of jobs do they now hold? What type of retraining is necessary? What are employers doing to ease the impact of automation?

Congregational church and will assume his work as pastor of the church Sept. 1.

Reunions were held this week by the Bahmiller, Wacker, Schlott-Feldkamp, Wortley-Greenwood, Gappa, Spaulding, Paul, May, Twamley and Boyce families.

In the 84 years ago column (Aug. 24, 1899): George H. Foster, local well driller did some quick work this week. He left Chelsea at 1:30 a.m. Wednesday, went to Everett farm six miles south of Chelsea, struck a well 60 feet deep and struck a flowing well which throws a barrel a minute 16 feet into the air; then went to the Joseph Mayer farm and put down a 55-foot well which is another fine flowing well. He returned to Chelsea Thursday night.

## 34 Years Ago...

Thursday, Aug. 23, 1923—A crowd, estimated at more than 2,000, made up largely of farmers of Washtenaw county, attended the Grange picnic at Pleasant Lake last Thursday. A pageant, under the direction of Mrs. Dora Stockman of Lansing, was presented with all Grange growth of the Grange from its earliest beginnings to the present. A Chelsea orchestra furnished the music.

The bridge across Mill Creek, west of the Methodist Home, being rebuilt. It had settled a foot below the road surface. The repaired bridge will have a cement foundation and will be strengthened by the addition of two new steel beams.

Herbert J. McKune-Post, American Legion, has sold its billiard table to Chelsea K. of P. lodge and members are moving from the Freeman building to rooms in the Merkel building, formerly occupied by J. F. Alber.

William Kolb has sold the Liberty Cafe, which he has conducted the past four years, to Joseph Schnelb— who will conduct the new business in connection with his bakery establishment.

## One Minute SPORTS QUIZ

1. What is the baseball throwing record?
  2. Does Army play Notre Dame in football this year?
  3. How long has it been since Army played Notre Dame?
  4. What is par at the famed Tam O'Shanter golf course?
  5. When does Ray Robinson fight Carmen Basilio?
- (Answers on page 8).

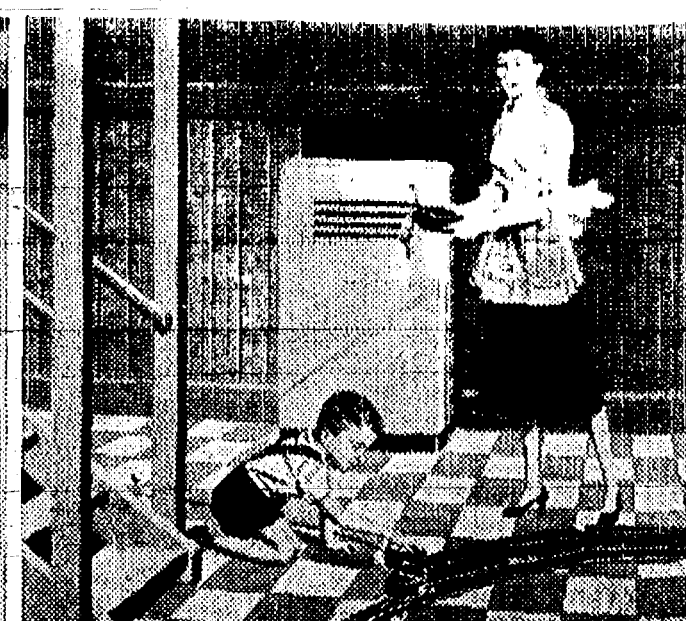

## LIMITED NUMBER OF PERMITS

## GAS HEAT AVAILABLE NOW!

Enjoy greater heating comfort at lower cost

Clean up your basement

Switch to money-saving Gas heat

Right Now!... before another heating season begins...

Right Now!... before you fill up your fuel tank or bin with space-consuming, expensive, old-fashioned fuel...

Right Now!... while Gas heat permits are available and installation crews are standing by to serve you...

Right now is the time to switch to automatic Gas heat!

A compact, modern automatic Gas heating unit lets you say goodbye forever to space-wasting fuel tanks or bins. That extra space can help turn your basement into a family recreation room or home workshop. With automatic Gas heat, there are no delivery worries, either.

Gas heat is clean heat. No ashes to bother about; no smoke or soot to stain walls and woodwork. You save money on decorating costs.

Although Gas heat gives you more, it costs you less. That's right! In fuel bills alone, economical Gas heat saves up to 1/3 over the second choice fuel. Purchase cost is surprisingly low—lowest of any automatic heating unit. Convenient FHA terms are available. Act today! Phone or visit any Michigan Consolidated office, or send in the attached coupon, and an approved Gas heating application will be mailed to you. Then, call your Gas heating contractor! Switch to low-cost Gas heat NOW!

FILL OUT AND MAIL TODAY

**Your Child's Health**  
Many so-called "dull" children are not dull at all... they simply have an unnoticed defect or illness retarding normal development of perception or expression. Your child's health during formative years may determine his whole future.

**BACK-TO-SCHOOL HEALTH EXAMINATIONS ARE IMPORTANT.** If your children are active, they absorb more than their share of falls, jolts, jars and sprains. The concussion of such forces produces spinal misalignments. Misaligned vertebrae in the spinal column will interfere with nerve transmission between brain and tissue cell and may cause your child to be retarded in school work.

#### See Your Family Chiropractor

Your Chiropractor is trained in locating interference to transmission of nerve energy caused by misalignment in the spine. He will determine whether your child has trouble of this nature and will correct misalignment with spinal adjustments.

You'll be surprised how rapidly your child responds to Chiropractic care.

#### KEEP YOUR CHILD HEALTHY!

## Largest Homecoming Being Carried on at Great Lakes

By Stanley James  
(Special Correspondent)

Great Lakes Training Center, Ill. This summer the Great Lakes Naval Training Center is staging the largest homecoming in history. More than one-third of the Navy's bluejackets of the past 47 years have been trained 700 miles away from the nearest salt water at Great Lakes, Ill.

Ever since President Theodore Roosevelt dispatched the Great White Fleet on its round-the-world cruise, the Navy has been demonstrating its independence of our own coasts for support. It is paradoxical that at almost the same time the Navy began a continuing dependence on the interior of the country to train its manpower.

The alumni of Great Lakes naval training center now number approximately two million; they are to be found in all living generations of American males.

This summer they are all being invited to come back to their alma mater and bring their families to the World's largest homecoming. Here they will see what has happened to the Navy since they entered it from four to 47 years ago and especially the results of the revolution now going on in every part of the Navy.

Each week a different state from 21 midwestern and southern states will be honored. A special all-white company composed of men specially recruited from the honor state will be the featured unit at colorful graduation review ceremonies each Saturday morning. They will parade bearing their state flag past the reviewing stand where the governor and other leading citizens from the state will witness the event.

Escorted by career enlisted men from the honor state of the week, visitors will be given an extensive bus tour of the Center. They will see shipboard fire fighters demonstrations, the Great Lakes naval reserve squadron of ships, deep sea diving demonstrations, an air demonstration and an extensive exhibit hall where a carefully detailed comparison of the Navy of 1910, World War I, World II and the future will be graphically presented in modern scientific equipment. They will also tour the multimillion dollar electronic, gunnery and fire control schools for a look at training for the nuclear missile future of the Navy.

## Best Chance To Boost Income Is To Increase Yield

The best bet for boosting your farm labor income is to try to increase yields and production rates so that your unit will be less. That's the observation made by John Doneth, Michigan State University farm economist after studying records kept by 500 dairy, livestock and general farmers throughout the state.

Farmers in the study were paid more for their labor in 1956 than they have been since 1952. They took in more money in 1956 and expenses were higher, too. But expenses went up only about two-thirds as much as income.

Based on the records and operations of those farmers that had a higher labor income last year, Doneth draws these conclusions:

Farms are becoming more specialized. The enterprises are becoming larger and more commercial. Those on farms are faced with either changing, investing, expanding, and improving or else selling or fencing the land out.

Many farm operations are also becoming larger, but the same amount of labor is doing the work.

## PERSONAL NOTES

Mr. and Mrs. Ted Combs and daughter, Colleen, arrived Friday night from Davenport, Ia., to spend a week's vacation at the home of the former's parents, Mr. and Mrs. Coral Combs. Their son, Jerome, who spent the summer here with his grandparents, will return home with them.

Susan Ellenwood, daughter of Mr. and Mrs. George Ellenwood, was admitted to University hospital, Ann Arbor, Monday, and underwent surgery there Tuesday to correct a leg and foot deformity resulting from an attack of polio five years ago. She is on floor four west at the hospital.

Mrs. Kent Walworth and Mrs. Winifred Coffron returned home Wednesday of last week after spending since Saturday as guests of Mrs. Dorothy Schable, at her home in Grand Rapids. During their visit, Mrs. Schable entertained relatives of Mrs. Coffron, Mr. and Mrs. J. Darling of Tampa, Fla., and Mrs. Coffron's niece, Leona Darling, of Grand Rapids. Craig and Jeffrey Seeley of Detroit, spent last week here with their grandparents, Mr. and Mrs. Charles Messner. Sunday with Mrs. Messner, Mr. and Mrs. Douglas, and Mrs. Richard Seeley and son also of Detroit, they attended a picnic at Silver Lake. The boys returned home with their parents Sunday evening.

Mr. and Mrs. Charles Beckman of Ann Arbor, spent Wednesday afternoon and were supper guests at the home of Mr. and Mrs. Otto Goetz. Wednesday evening visitors were Mrs. Elsa Hackbarth and Mr. and Mrs. L. J. Volbrecht, also of Ann Arbor and a Sunday guest was Fred Seger.

Mr. and Mrs. Francis Smyser and their son and daughter, Francis and Sharon, have returned from a two-week vacation during which they visited relatives and friends in Kansas. They spent some time with Mr. George E. Smyser at Mulvane, and with Mrs. Smyser's parents, Mr. and Mrs. E. E. Wyszembach at Wichita. They also visited other relatives and friends at Topeka, Kingman, Cunningham and Genoa.

Mrs. Ross Munro and her daughter, Karen, returned home Tuesday night from a plane trip to California where they visited her son and family, Mr. and Mrs. Loren Munro and daughter Joan, at Hayward. They left by plane Aug. 1. They met Mrs. K. B. Nickels and sons, Gary and Keith, of Elburn, Ill., who accompanied them to California. They flew to San Francisco and from there went to the Loren Munro home at Hayward. During their stay they went by automobile to Los Angeles and also visited Disneyland. Enroute home Mrs. Munro and her daughter spent several days at the Nickels home at Elburn, Ill.

## Farm Workday Said To Be Shorter Now

By cutting the time it takes to do the chores, farmers are shortening their working day.

According to a study made by the U. S. Department of Agriculture, farmers averaged 10.7 hours work per day around June 1 of this year. At the same time in 1956 the average was 10.8 hours per day; and in 1955 it was 11.2. Increased sizes of herds and flocks, improved building arrangements and use of more modern equipment have also helped reduce the workday, the study indicated.

## Tiny Bean Beetle Can Be Controlled By Using Rotenone

Keep an eye out for Mexican bean beetles in your garden, warns Alfred Dowdy, extension specialist in entomology at Michigan State University.

The Mexican bean beetle is a little brown fellow with black dots. He is about the size of a pencil eraser. The larva stage of the beetle is a fuzzy yellow worm. Both forms feed on most garden beans.

Dust or spray with rotenone to get rid of both forms of the garden pest. They should be controlled before they build in numbers, Dowdy says.

Aphids are probably enjoying your garden, too. They like cabbage, broccoli and brussels sprouts, in particular. Dusting or spraying with rotenone weekly will discourage aphids considerably.

## Two Holsteins Complete Milk Testing Period

Registered Holstein-Friesian cows owned by George Macomber and by George Erke & Sons have completed outstanding official production records, according to an announcement by the Holstein-Friesian Association of America at Brattleboro, Vt. under its Herd Improvement Registry program.

This official testing program, commonly referred to as HIR, providing continuing lactation and lifetime production records on every cow in participating registered Holstein herds.

Milked twice daily for 352 days, Bees Pearl Mamie Maxine 4082989 produced a total of 12,809 lbs. of milk and 441 lbs. of butterfat as a 2-year-old.

Also milked twice daily for 348 days, Whippoorwill Briar Rose Babe 3371879 produced a total of 12,066 lbs. of milk and 443 lbs. of butterfat as a 5-year-old.

### HELICOPTERS.

The Army has announced it is naming its helicopters, its flying platform, and several types of light planes for Indian tribes, to replace numerical designations. The aim is to provide more colorful titles, eliminate numerical confusion and reduce the likelihood of numerical error.

Auxiliary Police Search

### For Escaped Convict

Chelsea's Auxiliary Police Unit was called upon Tuesday evening to assist in a search for an escaped Michigan State Prison convict who had reportedly been seen west of Chelsea.

Together with three State Police officers, two Sheriff's deputies and two Chelsea police officers; the woods area west of the Chrysler Proving Ground and south of US-12 was combed between 5:30 and 8:30 p.m. but no trace of the convict was uncovered.

Auxiliary police who participated were listed as follows: Robert Bauer, Robert Bertke, Roy Guenther, Edward Jackson, Carl Koch, Clarence Lake and Charles Winans. The Chelsea men were also joined by Harold Owings who is an Ann Arbor police officer.

### FFA Chapter . . .

(Continued from page one)

retails milk and operates a hatchery in addition to raising beef cattle.

Yesterday afternoon the Chelsea group visited a successful young dairy farmer, just out of high school, who had been honored as an "outstanding young farmer."

The annual FFA trip is financed principally by proceeds from the sale of garden seeds. This year, in addition, the boys made hay and sold it.

The boys carry their camping equipment and cook their own breakfast in the morning and dinner at night. They usually have a noon lunch away from camp because of the inconvenience of making the extra trip back to the camp.

Boys who are participating in the 1957 FFA trip are Norman Hils, Richard Irwin, John Klink, William Kuhl, Fred Patterson, Paul Rothfuss, David Rowe, James Klobuchar, Melvin Seitz, Jack Williams, David Wolfgang, Jerry Blough, Norman Loeffler, Tim Schultz, Robert Ball and Paul Prentice.

Mrs. Elizabeth Ritter of Detroit, visited Chelsea relatives Sunday and called on her aunt, Mrs. Joseph Thalhhammer, at Colonial Manor hospital.

### CARD OF THANKS

We wish to extend our heartfelt thanks and appreciation to our friends and neighbors for the acts of kindness, messages of sympathy and beautiful floral offerings received during our recent bereavement in the loss of our beloved mother, Mrs. Margaret Dickman. We especially wish to thank the employees of the Chelsea Spring Co.

Mr. and Mrs. E. Dickelman.

### CARD OF THANKS

I wish by this means to extend my thanks to the friends and neighbors, Rebecca Lodge, Chelsea Fire Department members and everyone who expressed sympathy by means of cards, flowers and many thoughtful acts of kindness following the death of my husband; also, the Rev. Thomas Toy for his comforting words at the service. These kindnesses are deeply appreciated.

Mrs. Ruben Hieber.

St. Mary's School

### Athletic Program in Charge of James Gaken

It was announced at a meeting of St. Mary's School Association Tuesday evening that James Gaken will be in charge of the athletic program at the school for the coming year.

Plans were also discussed for a bake sale to be sponsored by the association Sept. 21. Mrs. Joe Dearing is chairman of the sale and will be assisted by Mrs. Clarence Wood and Mrs. Donald Cook.

At the close of the meeting refreshments were served by a committee headed by Mrs. A. J. Harmon.

Mr. and Mrs. Edwin Dickelman and family were called to Chicago, Ill., on Monday of last week because of the death of the former's mother, Mrs. Margaret Dickelman. Funeral services were held Wednesday. The Dickelmans returned home Friday.

The Collin Lanning family returned to Cleveland, O., Monday after spending two weeks here at the home of Mr. and Mrs. J. V. Burg. Additional week-end guests were Mr. and Mrs. W. Ducharm of Cleveland.

old, blue-eyed, blond lad, named Jon Provost. Tommy grew out of his job, and it became necessary to find a smaller, younger boy. Jon, although only 7, has eleven picture credits, and had just returned from a Far East location, filming Teresa Wright's "Escape in Japan," when the Lassie call came. He's from Los Angeles.

According to a TV magazine poll, the top favorite among viewers are: Lawrence Welk, Gene MacKenzie, Billy Bergin, Ronnie Burns, Ricky Nelson, James Arness, Ernie Ford, Tommy James and Dinah Shore, but not necessarily in the order named.

Arthur Rank, British producer, plans to film the story of the legendary Lawrence Arabia. It will have Dirk Bogarde in the lead.

When "The Sentimental Journey" is filmed, it will have Tony Franciosa and Lauren Bacall in the lead. Luther Davis is writing the script and John Negulesco will direct.

A top Oriental actress, Lili Hua (pronounced "Wah"), has been brought to this country by John Wayne, who plans to star, along with Victor Mature in "Time is a Memory."

Rising costs and native gouging are credited with all but ending the making of expensive movies abroad. In making "The Pride and the Passion" in Europe recently, Stanley Kramer was forced to spend a near record breaking \$11,000,000. While Kramer experienced some unusual cost hazards, for the most part the heavy spending was attributed to native gouging.

Four of Shirley Temple's films, showing her dimpled and blond-curlled, will be revived for television showing this fall, starting Oct. 20.

The musical score for "Merry Andrew," will be arranged and conducted by Nelson Riddle for MGM.

Jayne Mansfield is not doing too bad for herself in Hollywood. She made four movies for \$60,000 during the past year.

Carol Channing was such a hit at the Tropicana in Las Vegas, there weren't enough seats for those who wanted to see her. After she finishes in Las Vegas, she goes to Miami where she will appear at the Americana hotel.

The Lake Superior district in the Upper Peninsula is part of one of the largest iron ore producing regions in the world.

## REPORT FROM PARIS:

## Waterways of Europe Keep Major Cities from Starving

By Norman Lindhurst  
Foreign Correspondent

Part II

He is responsible for the cargo on board and it is up to him to keep the papers and customs forms in order.

Barge travel will always be important to the economy of Europe, and as an ever-growing trade barrier between countries approaches, it is not without reason that the Rhine, for example, counts heavily upon the extension of the waterways. City officials hope for a new canal running parallel with the Rhine, but also the terminus for the Rhine-Rhone and Marne-to-Rhone canals.

Now one of Europe's busiest inland ports, Strasbourg is not only an important station on the Rhine, but also the terminus for the Rhine-Rhone and Marne-to-Rhone canals.

Among the other major barge ports, Antwerp, which handles 30 million tons or more of merchandise a year, holds an important place in the inland waterways system as a result of the building of Belgium's Albert Canal from Liege to the coast.

Route one of France's chief ports, the transfer point for cargo hauled by barges down the Seine.

There is Rotterdam, through which the Rhine and Meuse barges pass.

Finally, there is Paris, which, because of its barges, sometimes exceeds the busy coastal ports of France in the annual volume of cargo handled.

**COWS SHOCKED**  
Nottingham, England — When Lord Mayor William Hickling pressed a button to open the city's dairy festivities, held recently, the cows barked and bellowed. It seems, the mechanical milking machinery was short-circuited.

**BOOKS DO NO GOOD**  
Granite, Okla. — After checking out two books on memory training, Mrs. Charles Rodolph found they didn't work. Three weeks later, she received notice from the library — she had forgotten to return the books.

**ACCIDENTAL STAB-FATAL**  
Moultrie, Ga. — Mrs. Bertha Lee Cooper, accidentally stabbed herself in the leg while putting up a chicken and died before reaching medical aid.

## '58 Soil Bank Provisions Announced

General provisions of the Soil Bank's 1958 Acreage Reserve program, including its application to the winter wheat crop which will be planted this fall, were announced by Acting Secretary of Agriculture True D. Morse following Congressional action authorizing continuance of the program for the coming year.

The Acreage Reserve is that part of the Soil Bank under which farmers agree to reduce their acreage allotments.

The 1958 Acreage Reserve program will be available first for winter wheat, to be seeded this fall for harvest next year.

The information needed by SAC county committees in determining individual farm rates of payment under the 1958 wheat Acreage Reserve program, and completing other preliminary work, was sent from Washington through state committees in advance. County committees in general will be in position next week to start notifying farmers regarding these payment rates, and also helping to determine the Soil Bank base which must be established for each farm before the signing of agreements.

With this information available, wheat farmers will be able to make plans for their Acreage Reserve participation.

The sign-up period for winter wheat is scheduled to open Aug. 28 and close Oct. 4 this year. During this period, all farmers who have a wheat acreage allotment for 1958, and who normally grow winter wheat, will be eligible to sign an Acreage Reserve agreement with their county ASC committee.

**Sports Quiz Answers**

1. Sheldon LeJeune set a record of 425 feet, 9 1/2 inches in 1910.
2. Yes, Oct. 12, at Philadelphia.
3. Ten years.
4. 72.
5. Sept. 23.

## DOOR-TO-DOOR SELLING

It is interesting to learn that door-to-door selling accounts for only two per cent of the total retail business in the United States today. This is in marked contrast with the figures of just a few years back.

**HEALTH REQUIREMENTS FOR LIVESTOCK EXHIBITED IN MICHIGAN—YEAR 1957**  
GENERAL  
Requirements provided in Michigan Department of Agriculture Regulations No. 116 and 117.  
1. Livestock affected with a communicable disease must not be exhibited at nor brought to fairs.  
2. All exhibitors must furnish their own feed buckets, water buckets, and other equipment. Common water tanks are not permitted.

**CATTLE**  
Requirements provided in Michigan Department of Agriculture Regulations No. 117 and 126 and Act No. 181 of the Public Acts of 1919, as amended.  
All cattle for exhibition must be free from infectious and contagious diseases.

**A. Cattle from Michigan:**  
1. Tuberculin test not required unless from herd under quarantine for tuberculosis.  
2. Passed blood test for Brucellosis (Bang's disease) from official laboratory required as follows:  
(a) Male or female cattle over twelve months of age (except as provided in paragraph 3 below) must be accompanied by official passed blood test showing blood test made within 30 days of exhibition; OR  
(b) Evidence of origin from fully accredited (Bang's disease-free) herd; OR  
(c) Evidence of origin from herd in process of accreditation which has had two clean herd tests within one year.  
3. Vaccinated young stock exempt from blood test requirements for one year after vaccination if all the following requirements are met:  
(a) Vaccinated with an approved Brucella Vaccine between the ages of 4 and 8 months.  
(b) Vaccinated by a licensed, accredited veterinarian.  
(c) Report of vaccination on record with Michigan Department of Agriculture.  
(d) Copy of official vaccination record to accompany exhibited animal.  
4. No blood test requirement on steers.  
**B. Cattle from other states:**  
1. Cattle must have official health certificates approved by state officials of state of origin showing:  
(a) Negative tuberculin test within sixty days of show.  
(b) Evidence of passed blood test as for Michigan cattle.

**HORSES**  
Requirements provided in Michigan Department of Agriculture Regulation No. 117.  
All horses for exhibition must be free from infectious and contagious diseases.

**SHEEP**  
Requirements provided in Michigan Department of Agriculture Regulation No. 117.  
All sheep for exhibition must be free from infectious and contagious diseases.

**SWINE**  
Requirements provided in Michigan Department of Agriculture Regulations No. 116 and 117.  
All swine for exhibition must be free from infectious and contagious diseases.

**DIVISION E—LIVESTOCK**  
Each exhibitor limited to one entry in each section.  
Judging begins at 10:00 a.m., Thursday, Sept. 5.  
Champion ribbons will be awarded deserving animals.  
Owners must arrange for feed, bedding and watering.  
All animals must be free from infectious and contagious diseases.

#### CLASS 11—POULTRY

Superintendent—George Brettschneider

By virtue of the authority provided by Act 181, Public Acts of 1919, as amended, the following rules and regulations are hereby established:  
1. Feed and water containers provided for exhibition coops shall be new and properly cleaned.  
2. Feed or water containers from which birds have eaten or drunk must be refilled so as not to contaminate the common supply of feed or water. Feed or water containers may not be removed from exhibition coops except for the purpose of cleaning.  
3. Exhibition coops must be thoroughly cleaned and disinfected, both prior to and following each exhibition.  
4. Exhibition coops must be so constructed and placed as to provide adequate light for proper inspection of poultry or evidence of transmissible diseases.  
5. Litter for exhibition coops must be of clean material and renewed daily or oftener as needed.  
6. Shipping crates used in shipment of birds by common carrier may not be used as exhibition coops. Shipping crates shall be cleaned and disinfected after birds have been removed for exhibition and before being used again.

## Club and Social Activities

## WOMAN'S RELIEF CORPS

Women's Relief Corps, with 14 members present, had a pot-luck supper meeting Monday evening at the Cavanaugh Lake home of Mrs. Howard Walz. Cards were the entertainment following the supper. Prizes were awarded to Mrs. Mabel Foster, Mrs. Margaret Gilmer, and Mrs. Winifred Coffron. The meeting will be held at the home of Mrs. Flora Weber.

## PINK AND GREEN SHOWER

Mrs. Walter Bauer was honored at a surprise pink and green shower given at her home early Sunday evening. Mrs. Robert Robbins and Mrs. Donald Proctor were co-hostesses for the party attended by 19 guests who completely surprised Mrs. Bauer when she arrived home after attending the Harvey Proctor family reunion at Manchester.

The gift table was appropriately decorated and the table from which refreshments were served featured the pink and green color scheme. Mrs. Bauer received many nice gifts.

Mr. and Mrs. Alvin Jedele and family, of Saline, were Sunday afternoon visitors at the home of Edwin Beutler. Also there Sunday was Mr. Beutler's cousin, Mrs. Anna Allen of Pierce road. Recent visitors, in addition, were Mr. and Mrs. Albert Fink and sons of Rives.

## BIRTHDAY

Nine guests assisted Bruce Parks, son of Mr. and Mrs. Vernon Parks, to celebrate his fifth birthday at his home Saturday. Decorations, favors and entertainment were based on his trip, with his family, through Canada this summer.

## Proctor Family Reunion Held Sunday At Manchester Park

The Harvey Proctor family reunion was held at Carr park in Manchester Sunday, beginning with a pot-luck dinner at 1:30 p.m. for 66 members of the family and two guests.

Mr. and Mrs. Charles Barnsdale were president and secretary, respectively, and were also host and hostess for this year's reunion.

The oldest member of the family present was Mrs. Harvey Proctor of Manchester, who is 75 years old this month.

The youngest child present was Sally Jean Stark, daughter of the Leonard Starks of Ypsilanti, who is seven months old.

Next year's officers are Kenneth Proctor, president and host for the 1958 reunion, and Mrs. Proctor, secretary and hostess.

Mrs. William Stark was named family historian, a post she has held for three years.

## Virginia Quiatt, Emil Thomas Wed in Salem Grove Church

Virginia Anne Quiatt, daughter of Mr. and Mrs. E. P. Quiatt, and Emil Thomas, son of Mrs. Lamy Thomas of Allen Park, and the late Habel Thomas, were married at 2 o'clock Sunday afternoon in Salem Grove church with the Rev. Louis C. Calister officiating in the presence of their immediate families.

The bride, given in marriage by her father, wore for the wedding a street length dress fashioned of white batiste with a fully gathered skirt and a fitted bodice featuring a boat neckline. Her headpiece was a band of white satin ribbon and her flowers were a corsage arrangement of white carnations and red roses. Her ensemble was completed with a pearl necklace.

Lois Hoenecke of Plymouth, a former college roommate of the bride, was her only attendant. She wore a street length dress of red shantung and a white satin headband and had a corsage of white carnations.

Arthur Thomas of Allen Park, brother of the bridegroom, was best man and Duane Quiatt, brother of the bride, and Rodney Hoffmeyer of Allen Park, served as ushers.

A reception followed at the home of the brides parents. Those assisting included Mrs. Roy Bellhorn of St. Louis, Mo., who served punch, and Lois Hoenecke who cut the wedding cake.

When the couple left for a week's stay at Crystal Lake the bride was wearing a two-piece navy and white striped dress with matching shoes. They will also spend some time in the Upper Peninsula before making their home in Lansing where the bridegroom is a senior at Michigan State University.

The bride is assistant librarian at West Junior High school in Lansing.

## Jellies Need Real Vacuum Seal To Assure Keeping

There's a chance that you may be able to blame the weather for one more thing—spoiled jams and jellies. If you have been sealing your jams and jellies with paraffin, you may have found that they have spoiled or become moldy even though it doesn't look like the seal has been broken.

Roberta Hershley, foods and nutrition specialist at Michigan State University, says that air can get into paraffin-sealed jars no matter how good a sealing job you may do. In a climate such as Michigan's, where the humidity, changing temperatures cause the paraffin to expand and contract. The wax may undergo such a slight change that you can't even see it, but the seal has been broken enough to allow bacteria to creep in.

The only way you can guarantee that old man weather won't spoil even one glass of your jams and jellies is to completely seal them by putting them into the same type of jar you use for canning. The vacuum seal used on these jars is unaffected by temperature change, every jar on your pantry shelf will stay sealed until that cold, wintry morning when you want to use it.

Guests from Wednesday until Saturday at the home of Mrs. George Hart were her sister-in-law, Mrs. A. C. Lampe, and Mrs. Lampe's son and daughter-in-law, Mr. and Mrs. Raymond Lampe and their son, Douglas, all of Ravenna, O.

MR. AND MRS. ARMAND MEYUNG, who were married in St. Mary's Catholic church here Aug. 10, are now making their home at 1114 Harper Lane, Redondo Beach, Calif. Mrs. Meyung is the former Nerissa Klingley, daughter of Mr. and Mrs. Ralph Klingler of Washington street.

## Safety Specialists

## Advise Checking Home for Dangers

Is your house a hazard as well as a home? Statistics show that in 1956, almost half of the 866 Michigan people who died in home accidents were victims of falls. Since falls take such a toll in Michigan families, why don't you become a committee of one to make your home "fall free"?

According to Richard G. Pfister, agricultural engineering safety specialist at Michigan State University, there are three ways to deal with hazards such as falls. You can remove the hazard, reduce it or change your own way of doing things. Now that you have a plan of attack, look around you and check these trouble spots.

Your stairways can be real menace to life and limb. Are each of your stairways in good repair, equipped with sturdy handrails and well lighted? Pfister suggests painting a white strip on the top and bottom steps that you and your family can better judge the steepness of the stairway. He also warns against using steps as storage rooms; many people clutter up their stairways with toys, boxes and "items to be stored when."

Your stairway safety may depend upon your changing some of your own habits as well as the moving and reducing the hazard. Are you careful to carry small enough loads so that you can see where you're going? Do you allow enough time to do things so that you don't have to hurry up and down stairs? Do you always use the handrail you have provided?

You may not realize it, but every time you stand on that rickety chair to reach something on the top shelf of the cupboard, you're risking your life. The stairway isn't the only place for falling; inadequate or non-existent ladders are another one of the main culprits. You need a sturdy ladder for reaching things high on the shelf, for hanging draperies and for washing ceilings. If you use an unsteady chair or ottoman, a pile of books or some other furniture "crutch," you will probably end up on them!

Many a slip has been caused by an innocent-looking scatter rug, reminds Pfister. Make sure that yours is anchored with non-skid materials or tacked securely to the floor.

Your bathtub also rates a word or two. A sturdy hand rail should be on the wall near the tub. Pfister also points out that there is a product on the market which will

## Inexpensively protect you from

bathtub tumbles. It is an adhesive tape-like material with a pressure sensitive adhesive backing that won't come off. Apply it yourself to the bottom of the tub where you stand to get out or stand under her shower. It even comes in colors to harmonize with your decorating scheme.

Now that the evidence has been compiled, how does your home rate in this safety check? Is it "fall free" or is it time for your "committee of one" to take action? Make your home a haven instead of a hazard; eliminate the danger of falls.

## Personal Notes

Mr. and Mrs. Ivan Guiter and children, of Scotts, spent the past week here as guests of Mrs. Guiter's mother, Mrs. Theodore Jarvis.

Cornelius Fox, who had been a patient at St. Joseph's Mercy hospital, Ann Arbor, the past two weeks, was taken to the sanitarium at Howell Tuesday morning.

Mrs. Leach, mother of the bridegroom, wore a pink and white nylon gown. Her accessories also were white.

The bride is a graduate of DeVilbiss High school in Toledo, while the bridegroom graduated from Chelsea High school.

If liver doesn't head your list of "best-liked" foods, try cooking it this way! Dip the slices in seasoned flour and fry over moderate heat in a little hot lard until the liver is well browned but still tender and juicy. Remove to a hot plate. Heat a few tablespoons of butter in a small saucepan until it turns a light brown. Pour butter over liver, sprinkle with a little lemon juice and some finely chopped parsley. Serve at once!

Barbara Ann Culbert, Melvin Leach Wed In Toledo Church

Following a wedding trip to northern Michigan, Mr. and Mrs. Melvin C. Leach, who were married August 10 in the Broadway Methodist church, Toledo, O., are now at home at 122 East street here.

The bride, the former of Mr. Ann Culbert, is a daughter of Mr. and Mrs. John Wilson of 829 Schmidlin avenue, Toledo, O., while the bridegroom is a son of Mrs. Theresa Leach of 411 Wilkinson street. Land Clarence Leach of Sugar Land Lake.

The Rev. Glenn Copeland officiated at the wedding ceremony in the presence of approximately 120 guests.

Herbert Warden of Toledo, was the soloist. He sang "Because" and "The Lord's Prayer."

A reception followed in the church parlors. Assisting at the reception were Joyce Harris of Toledo, who was in charge of the guest-book, and Mrs. Merle Leach, sister-in-law of the bridegroom, who assisted with the gifts.

For her wedding the bride chose a ballerina length gown of chiffon in white and salmon pink with a fitted bodice and fully gathered skirt. A halo-effect headpiece of pink sea pearls held her shoulder length veil. She carried an arrangement of pink rosebuds and streamers, centered with an orchid, on a white ribbon.

Shirley Jo Wyatt, of Holland, O., was the bride's only attendant. Her gown was styled like that of the bride but was entirely pink. Her bouquet was a cascade of pink and white carnations.

Merle Leach, brother of the bridegroom, was best man and Duane Otto and James Robards, Jr., were ushers.

The bride's mother wore for her daughter's wedding, a pink and white linen-tailored outfit with all white accessories.

The modern trend in preparing most vegetables is using as little water as possible and cooking rapidly.

Back when today's adults were growing up, one out of every ten babies died before its first birthday. Now, advances in medical science are saving millions of young lives each year. Yet the cost of the better medical care available today is actually less than the best care you could get when you were a child!

The reason: new treatments and new medicines developed by the medical profession and the pharmaceutical industry.

A dramatic case in point is mastoiditis in children. Surgery was often able to save the child's life, but sometimes left him with a deaf ear. Nowadays, the doctor is often able to cure him with perhaps \$25 worth of potent new medicines, and thus save the expense of an operation and hospital stay.

But most important, these new drugs are saving children's lives—by the millions. Once, the four most deadly child-killers were diphtheria, whooping cough, scarlet fever, and pneumonia. Nowadays, the number of deaths from all of these causes combined is actually less than the number of children killed by accidents.

And medical progress continues. Today, the dollar you spend for prompt and proper medical care buys more than ever before—and may well represent one of the really extraordinary bargains of your life.

Boyce Reunion

The 37th annual Boyce family reunion was held Sunday at Big Portage Lake state park near Munster, with 37 attending from Detroit, Ypsilanti, Ann Arbor, Millington, Mason, Lansing, Millville, Portland, Battese Lake, Stockbridge and Lyndon township.

A business session followed the 1:30 p.m. pot-luck dinner and it was decided to change the date of the annual reunion from the third Sunday in August to the last Sunday in June. Next year's reunion will be held at Rainer state park at Mason, Sunday, June 29.

Officers elected to arrange for the reunion are: A. J. Boyce of Plainfield, president; Mrs. Mary Clark of Lyndon township, vice-president; and Evelyn Hoard of near Millington, secretary-treasurer.

Oldest person who attended Sunday's reunion was Mrs. Alta Alexander, 73, of Ypsilanti, while the youngest was three-month-old Russell Wayne Hoard, son of Mr. and Mrs. Russell Hoard of near Millington.

Some of the herbs which can be grown and enjoyed indoors during the winter are: both green and purple varieties of Sweet Basil, Chervil, Chives, scented-leaf Geraniums, Apple Mint, Orange Mint, Peppermint, Rosemary, Sage, Sweet Marjoram, Summer and Winter Savory, Tarragon, Garden and Lemon Thyme, Lemon Balm, and Lemon Verbena.

Even Dill and Fennel, which may attain heights of three and four feet in the garden, may be grown inside during the winter, because they naturally tend to become dwarfed indoors in pots or window boxes and pinching back the tops as the foliage is used for seasoning will keep them down in size.

It didn't cost THAT MUCH TO BE SICK WHEN I WAS A LITTLE GIRL!

OH, BUT ACTUALLY, SICKNESS COSTS LESS TODAY—AND MANY MORE CHILDREN GET WELL!

Back when today's adults were growing up, one out of every ten babies died before its first birthday. Now, advances in medical science are saving millions of young lives each year. Yet the cost of the better medical care available today is actually less than the best care you could get when you were a child!

The reason: new treatments and new medicines developed by the medical profession and the pharmaceutical industry.

A dramatic case in point is mastoiditis in children. Surgery was often able to save the child's life, but sometimes left him with a deaf ear. Nowadays, the doctor is often able to cure him with perhaps \$25 worth of potent new medicines, and thus save the expense of an operation and hospital stay.

But most important, these new drugs are saving children's lives—by the millions. Once, the four most deadly child-killers were diphtheria, whooping cough, scarlet fever, and pneumonia. Nowadays, the number of deaths from all of these causes combined is actually less than the number of children killed by accidents.

And medical progress continues. Today, the dollar you spend for prompt and proper medical care buys more than ever before—and may well represent one of the really extraordinary bargains of your life.

## DEATHS

**Andrew T. Fritz**

Dies Wednesday at VA Hospital After Long Illness

Andrew T. Fritz of 437 West Middle street, died yesterday morning at the Veterans Administration hospital at Ann Arbor. He had returned to the hospital Aug. 18, after a stay at home following earlier hospitalization. He had been in failing health for 10 years. A son of Charles A. and Nancy Jane Kent Fritz, he was born at Lansing, O., April 15, 1898. He was married at Lansing, Aug. 11, 1934, to the former Augusta Young. They came to this vicinity in 1936 and shortly after their arrival purchased the grocery store at M-22 and S-12 which they operated until illness forced his retirement in 1942.

Mr. Fritz was a member of Herbert J. McKune Post No. 31, American Legion, being a veteran of World War I. Military rites at the funeral service will be in charge of the legion.

Services will be held at 1 p.m. Saturday at the Staffan Funeral Home with the Rev. Karl E. Zetzerholm, Lutheran chaplain at the VA hospital, officiating. Burial will follow in Vermont cemetery. Survivors of Mr. Fritz are his widow, a sister, Mrs. Arlean Drexler of Lansing, a daughter, Mrs. George Duros of San Pedro, Calif., and two grandchildren. Friends may call at the funeral home until the time of the service.

**Ann Schwiager**

Infant Dies Tuesday at Ann Arbor Hospital

Ann Schwiager, daughter of Carl H. and Thelma Selvera Schwiager, died at birth Tuesday evening at St. Joseph's Mercy hospital, Ann Arbor.

Funeral services were held at 1 o'clock yesterday afternoon at the Staffan Funeral Home with the Rev. Thomas Toy officiating and burial followed in Oak Grove cemetery.

Survivors, in addition to the parents, are a brother, Carl H. III, and a sister, Thelma Carolyn. The family home is at 130 Island Lake road.

**Peter J. Young**

Retired Sylvan Farmer Dies at Sylvan Rest Home

Peter J. Young, aged 86, a retired farmer, died Monday evening at the Cedar Knoll Rest Home near Jackson after a long illness. He was a life-long resident of this area.

Born Dec. 5, 1870, in Sylvan township, he was a son of Peter and Margaret O'Dell Young. He was married to Emma Kalmbach on Jan. 6, 1892. His wife died Jan. 2, 1955.

Mr. Young was a member of The Ancient Order of Gleaners, and Cavanaugh Lake Grange.

Surviving are three daughters, Mrs. Herbert Rank, of Grass Lake, Mrs. Charles Bidwell, of Jackson, Mich., a niece, Mrs. Frazier Snavely, of Monroe, five grandchildren and nine great-grandchildren.

Services will be held today (Thursday) at 2 p.m. at Salem Grove Methodist church with the Rev. E. O. Davis officiating. Burial will be in the church cemetery. Friends may call at the Burghardt Funeral Home until 11 a.m.

**Mrs. Mary A. Lutz**

Was Freedom Township Resident Most of Her Life

Mrs. Mary A. Lutz, who was born in Freedom township, Sept. 29, 1871, and lived on a farm at 11430 Pleasant Lake road in Freedom township most of her life, died Saturday at the Young Convalescent Home in Ann Arbor following a long illness. She had been in Ann Arbor since 1954.

Mrs. Lutz was a member of St. John's Evangelical and Reformed church at Rogers Corners. In the absence of the pastor of the church, the Rev. E. O. Davis, the Rev. T. W. Menzel of Bethel church, officiated at the funeral services held Tuesday at the Staffan-Hindinger Funeral Home in Ann Arbor. Burial was in Mount Hope cemetery, Freedom township.

Mrs. Lutz was the former Mary A. Hindinger, daughter of Michael

No meeting of Jerusalem Farm Bureau in August because of Washtenaw county Farm Bureau picnic.

Chelsea Community Fair Dates—Sept. 4-5-6-7.

Patty 'Gardenseed' . . . (Continued from page one)

started his plan of providing garden seeds in the Orient several years ago after he found a starving child while traveling in Korea. He said he noticed the little girl as she collapsed in the roadway and rushed her to a hospital where she died of malnutrition. He decided then and there to introduce vegetables through a seed program to supplement the native diet which consisted mainly of fish, rice and water, even among well-to-do families.

Since his program started, he has handed out an estimated 500,000 packages of vegetable seeds to Indonesians, Filipinos, Indians, Italians, Siamese, Chinese, Japanese and Koreans. He makes no charge for the seeds.

Mozier's name has appeared in the U. S. Congressional Record as a "one-man Marshall plan and American ambassador of good will." He has been on nationwide radio and television programs, in Readers Digest and Life magazines and has made movies for the use of church, school, home and other groups who are interested in promoting the seed program. His autobiography, entitled "Who's a Character," is to be published very soon.

Kiwanis clubs of the nation have been interested in his program as one of their service projects.

Mozier explained that an interested California seed company sells him 30 packets of seeds for one dollar and that each packet represents approximately \$10 worth of garden produce.

Guests at Monday night's meeting were eight of 26 octogenarians of the community who were contacted and invited to attend. Those present were Mrs. E. O. Davis, George Barth, 81; T. G. Riemen-schneider, 80; August Kuhl, 87; Fred Sager, 89; Fred Hoffman, 84; Otto Goetz, 85; and E. H. Chandler who is 93 years old.

Also announced was a Kiwanis luncheon meeting at 12:30 p.m. Wednesday, Aug. 28, at Willis for a divisional caucus.

**Rheta Kelley Graduates From Missionary College**

Rheta Kelley graduated last Thursday from Emanuel Missionary College at Berrien Springs, receiving a bachelor of arts degree in biology and chemistry. She will begin next month to continue study leading to a master's degree in biology.

Miss Kelley is a daughter of Mrs. Fred Ewald and the late Marion Kelley, a former professor at Emanuel Missionary College.

and Barbara Haist Hinderer and was married in 1902 to Henry Lutz.

Surviving are four daughters, Mrs. Lulu Brunner, Miss Irene Lutz, Miss Esther Lutz and Mrs. Helen Vogel, all of Ann Arbor; a son, Alton H. Lutz of Pleasant Lake; three grandchildren, a sister, Mrs. Carrie Eschbach of Pleasant Lake, and several nieces and nephews.

## Telephone Rate Increase Will Be From 20 to 35 Cents

The rate for two- and four-party residence telephone service at Chelsea will go up 35 and 20 cents, respectively, under last week's order by the Public Service Commission, it was announced today by Nicholas J. Frakken, manager here for the Michigan Bell Telephone Company.

Business service and one-party residence service rates will remain unchanged, he added.

"Telephone rates," Frakken pointed out, "have long been based on the number of telephone customers can reach on a local call basis. Our customers in this area can now call more telephones in their local area than ever before. The number has increased substantially since 1948, the date last used for establishing rates. The new rate schedules will put this exchange on the same basis as communities of like size."

In commenting upon the Commission's order, the company termed it "disappointing because it falls short of providing for our increased costs of doing business."

Mr. and Mrs. Clarence J. Fleming, accompanied by their son-in-law and daughter, Mr. and Mrs. John W. Steele, were in Cambridge, O., over the week-end to attend the funeral of their niece, Mrs. Evelyn Coulter.

NARCISCO RODRIGUEZ of Comayagua, Honduras, (left), who is spending six weeks at the Walter Wolfgang home under the International Farm Youth Exchange program (IFYE) was getting some pointers on the care of a hay baler when the above photograph was taken. With him, at right, is the Wolfgang's son, David, and his cousin,

John Hatto of Ann Arbor, center, who spends his summers at the Wolfgang farm. The Honduran youth is scheduled to spend next week at East Lansing where he will attend the State 4-H Show. David Wolfgang will also be at the show where he is to be among those competing in dairy judging. He also intends to show his prize Jersey heifer.
