SATURDAY PARADE CLIMAXES FAIR ACTIVITY

52 Candidates Report for Grid Practice

A total of 52 boys reported to coaches Al Conklin and Bob Taylor for Labor Day practice. The team has been divided into two squads, a varsity of 27 men and a junior varsity of 25. Coach Al Conklin will handle the varsity while Coach Bob Taylor will handle the Junior Varsity squad. Coach Al Conklin's big problem seems to be a center. Paul Weber, last year's regular, graduated, while Norris Rowe, who also lettered at center, moved to Guard. Late Dennis Gary and Karl Riemenschneider, regulars at guard and tackle, respectively, are trying the center position as is Terry Gentner, up from the junior varsity, and Roger Herman.

At ends, Juniors George Mayer and Don Woods return. Larry Schramm and David Schriener, junior varsity backs last year, and newcomer Willie Heald add depth.

Returning tackles, in addition to Riemenschneider, are Doug Collier, Gus Steger and Warren Leisinger. Up from the junior varsity are Pat Merkle, Buck O'Dell and Dan Erke.

Guards include Dennis, Gary, Jim Mahar, Ed McDaniels, Jim Gray and Fritz Wagner.

At the half-backs, Odie Richardson, Bob Eder and Loren Keizer, from last year's varsity return, while Bob Brown moves up from the junior varsity.

Fullbacks will be handled by Captain John Eisenbeler and by Robin Wright.

The all-important quarterback spot will likely be claimed by Co-Captain Denny Schumm. Pushing Schumm for the job will be Junior Frank Fredericks.

The first game is with Dexter, Friday, Sept. 20.

MSU Extension Course Offered at Chelsea High

East Lansing—In response to local requests, Michigan State University will offer one extension course this fall term at Chelsea. The course, to begin Sept. 18, is entitled "Teaching of Mathematics in Elementary Grades." Interested residents of the area may register at the first session of the class, according to the announcement from the East Lansing campus. The course will carry three term hours of graduate or undergraduate credit.

The class will meet Wednesday nights from 7 to 10 p.m. at Chelsea High school.

This course is coming to Chelsea as part of the continuing education program of the MSU College of Education.

Louis Burghardt Re-elected To Head Social Service

At the annual meeting of the Chelsea Social Service, held Wednesday evening, Aug. 28, officers were unanimously re-elected as follows: Louis Burghardt, president; Mrs. Robert Wagner, Vice-president; Mrs. E. W. Eaton, treasurer; and Mrs. Sallie Smith, secretary.

Other members of the board of directors are Harold Jones, H. T. Moore, Charles Lancaster and Mrs. Kent Walworth.

Other business at the meeting included discussion of a tentative budget for the coming year, amounting to \$2,000.

Mrs. Louis Ramp continues as supervisor of the Social Service organization and is at the office in the Council room in the Municipal building each Tuesday and Thursday afternoon.

Open House Will Honor Rev., Mrs. Toy

The Rev. and Mrs. Thomas Toy who are leaving Sept. 15 for Creston, Ia., will be honored at a pot luck dinner and open house reception at the Congregational church where he has served as pastor for almost five years. The dinner and reception will take place Sunday Sept. 8.

The dinner at 12:30 p.m. is planned as a fellowship gathering for members of the congregation. The open house reception, from 8 o'clock until 5 o'clock will be an opportunity for friends in the community to come in for a visit with the Toys before their departure for the following week.

The Rev. Toy has accepted a call to become pastor of a Congregational church at Creston and will assume his new duties Sept. 22. He will preach his final sermon as pastor here Sunday, Sept. 15.

Rod and Gun Club Urges Youngsters To Join in Trapshoots

Last Sunday William Farrell broke 24 out of possible 25 clay pigeons at the weekly Rod and Gun club trap shoot. Farrell missed the final shot of the string.

Matt Kinsey and Robert Bauer tied for second honors, each breaking 20 out of 25.

In the double event, "Skip" Wheeler was high with 18, and Kinsey second with 16.

Club President Les Bennett pointed out that these shoots are open for non-club members, without extra charges, and that youngsters are particularly welcome with expert gun handlers available to instruct any youngster or novice.

CHS Band Preparing for Fall Events

Chelsea High Marching Band rehearsals are in full swing this week. A heavy schedule of fall activities is anticipated beginning with the Chelsea Community Fair this week. The band will participate in the parade at 2 p.m. Saturday afternoon, and also present a concert the same evening at 8 p.m.

Five half-time shows at the home games, and participating in at least one game away are other activities planned for the Marching Band. There is also a good possibility that the band will take part in half-time festivities for the University of Michigan-University of Georgia football game at Ann Arbor, Oct. 5.

Tryouts for chair positions are also being conducted this week. Next week, tryouts for baton twirlers will be held during regular rehearsals. One or two vacancies will be filled in the twirling section.

Uniforms are being distributed this week according to schedule by a committee from the Band Boosters club. The band will have a new look this year due to the fact that white shoes are replacing the old black ones.

Many of the school-owned instruments have been repaired and overhauled this summer. Several new items have been purchased which will greatly facilitate operations in the department for the coming year. A new portable loud-speaker for outdoor use, one dozen new plastic music folios for marching use, and a miniature football gridiron for plotting half-time shows all arrived this week.

Fall Mission Festival Set For Sunday

The annual Mission Festival at Zion Evangelical Lutheran church at Rogers Corners will be held next Sunday, according to an announcement by the pastor, the Rev. Robert O. Kaiser.

At the morning service, which begins at 10:15 a.m., the Rev. Bruno Brueckner, son of the Rev. M.W. Brueckner, former pastor of the Rogers Corners church, will be the guest speaker. For the past 20 years the Rev. Bruno Brueckner has served as pastor of St. John's Lutheran church at Capac.

A 1920 graduate of Wartburg College, then located at Clinton, Ia., he graduated in 1923 from the school's theological seminary at Dubuque, Ia. The Capac church is his third congregation since his ordination which took place in 1923 at Alpena. He served first as pastor of a North Blissfield Lutheran church and then at Napoleon, O., before accepting the Capac pastorate.

The Rev. Luther Heyde, one of the pastors at Mt. Zion Lutheran church, Detroit, and a former missionary in India, will be the speaker at an evening service to begin at 7:30 p.m.

The Rev. Heyde, a native of Ohio, is a graduate of Capital University and Seminary at Columbus, O. He sailed for India with his bride, the former Maryvalene Cretcher, on his 25th birthday, Feb. 15, 1946. They were in India when the country became independent in 1947.

The Rev. Heyde's work there was as a station missionary and as an evangelistic missionary at Puttur, Chittoor District, South India.

He and his wife returned to America in May, 1951, with their four children born in India. He spoke on behalf of the mission work in many cities and congregations during the remainder of the year and in January, 1955, accepted a call to a home mission congregation at Centerburg, O., where he remained until May, 1956, when he became an associate pastor at Mt. Zion. His 12 years in the ministry to date have afforded the varied experiences of foreign missions, home missions, rural, small town and big city environments, small congregations and large congregations (Mt. Zion is one of the largest American Lutheran churches), and finally, single and multiple pastorates.

His text for the Sunday evening service will be Psalm 117 and his theme, "As Far As The East Is From The West."

As part of the evening service a 37-minute sound film "Partners in India," will be shown. The film, in color, interprets the Lutheran church's 10 Indian partnership with the bodies of missionaries who have been assisting them which form today's Lutheran Church in India.

Mr. and Mrs. Claude Biles of Kentland, Ind., were Friday evening dinner guests of Mr. and Mrs. Russell Baldwin.

STATE 4-H JUDGING TEAM—Earl Heller, 16-year-old Chelsea area 4-H club member (left), and Mrs. Carl Heller of Chelsea-Manchester road, one of four boys who won the honor of representing Michigan in the 4-H livestock judging contest at the International Livestock Show in Chicago in November. They won the honor at the State 4-H Club Show at Michigan State University on Wednesday of last week. Heller is a son of Mr. and Mrs. Carl Heller of Chelsea-Manchester road. Others on the team, shown in the above photograph as they judged a Hereford steer at the State Show are, from left, Quentin Harwood, 18, route 4, Ionia; Larry Rogers, 17, route 3, Portland and 17, Portland.

WINS HONORS AT STATE 4-H SHOW—Olive Ann Reddeman of Chelsea, (second from right), is one of eight 4-H club boys and girls who were chosen as runners-up in the state-wide achievement competition held during the 42nd annual State 4-H Club Show on the Michigan State University campus last week. The eight runners-up won an expense-free trip to the Canadian National Exposition in Toronto and left Saturday. Others in the above photograph from left, are William Middleton, 17, of Lake Orion; Mary Eberhardt, 17, of Richmond; and Deanna Snow, 19, of Hillman. The remaining four young people who won the trip, but do not appear in the picture, are Roger Kelly, 20, of Cobleskill; Carol Payne, 16, of Gallien; Gerald Ford, 17, of Cornell; and Ronald Harris, 18, of Battle Creek. The eight runners-up and the four winners—Judith Edilson of Grand Rapids, Dianne Dahlvik of Escanaba, Dale Cubitt of Sandusky, and Gary Nugent of Frankfort—were chosen from more than 61,000 4-H club youths in Michigan as "tops" in achievement. Qualities considered in making a choice of winners are all-around citizenship and leadership, project records, personality, future plans and their achievement booths.

Total School Enrollment Hits 1,511

The first day of school in Chelsea public schools showed a total enrollment of 1,511 with 947 in the elementary grades, kindergarten through six, and 564 in the high school grades seven through twelve. These figures will necessarily change by the time all registration has been completed.

Kindergarten enrollment was listed as 180, with other elementary grades as follows: first—145; second—126; third—135; fourth—122; fifth—124; and sixth—115.

In the high school grades the listings on the first day were: seventh grade—122; eighth grade—96; ninth grade—109; tenth—92; eleventh—83; and twelfth—72.

Last year's enrollment on the first day totaled 1,318 pupils, with 843 in grades kindergarten through six and 475 in grades seven through twelve.

Total increase this year is 193.

Donald Guinan, son of Mr. and Mrs. L. D. Guinan, enlisted in U.S. Army Reserves and left Aug. 24 for Fort Leonard Wood, Mo., for six-months active duty training. He had been employed as a Class E Ranger at Waterloo Recreation Area for the past three summers.

Ted Nixon Wins Scholarship at Western Michigan

Ted Nixon, son of Mr. and Mrs. Homer Nixon, has been advised by the University registrar that he was awarded a State Board of Education scholarship at Western Michigan University, Kalamazoo for his sophomore year. The scholarship is renewable.

A 1956 graduate of Chelsea High school, he attended Western Michigan University last year and was a tackle on the freshman football squad.

Nixon left Friday to report for football practice as guard on the varsity squad.

During his senior year at Chelsea High school he was captain of the football team.

Grade PTA Committee Plans Year

Monday evening of last week an Elementary PTA committee meeting was held at the home of Mrs. Edward Kelly to make tentative plans for the coming year's programs of the organization. It was reported that members who wish to offer suggestions for activities should contact Gerald Carr, PTA president, or Mrs. Kelly.

Reports of the past summer's work of preparation for the coming year show that several members attended the district leadership training meetings of the Washtenaw County PTA Council held at Dexter late in May. In July, Gerald D. Carr, Arthur Schmunk and George Priming attended the State PTA workshop in Battle Creek. Both of these meetings were for the purpose of acquainting officers with their duties and responsibilities and suggesting methods, techniques and materials available.

Pointed out also were the national PTA objectives which local groups are to aim for.

They are listed as follows:

To promote the welfare of children and youth in home, school, church and community.

To raise the standards of home life.

Judging of Exhibits, Amateur Contest Scheduled for Today

Blast of Fire Siren Will Signal Time For Parade To Form

Donald Alber, general chairman for Saturday's Community Fair parade said yesterday that, weather-permitting, he plans to get the parade started promptly at 2 p.m. He said all parade entries must be in their assigned places at 1:30 p.m.

The fire siren is to be sounded at 1:30 p.m. to notify entries to be in place and will be sounded again at 2 p.m. to signal the start of the parade.

In case of rain, the parade will begin as soon as possible after the rain stops. Notice of the start will be given by sounding the fire siren.

In case of an all-day rain Saturday, Alber said, the parade will be held over until Sunday afternoon at 2 o'clock.

Alber has asked that, in order to have as large a parade as possible, all business places and factories enter a float, truck or other vehicle.

Following are the locations assigned for the various entries:

Park street from Main to East streets and facing East street—all floats, bicycles and tricycles.

Harrison street, also facing East street—all horses.

East street facing north from the corner of Park street—all farm machinery and all new and antique cars.

Trucks and all other entries are to enter Park street from Madison street and face west on the south side of the high school, which grounds are to assemble on the high school grounds.

Tug-of-War Features Dexter, Chelsea Kiwanis Clubs

Chelsea's Community Fair got underway yesterday with the opening day scheduled as Children's Day. All exhibits except certain baked goods and flower entries were to be in place yesterday.

Judging is taking place today and exhibits are to remain in place through Saturday.

Entertainment tonight will be the amateur show sponsored jointly by the Kiwanis Club of Chelsea and the Community Fair. Prizes amounting to \$100 are offered.

Also on the program tonight is a tug-of-war between Dexter and Chelsea Kiwanians, a water polo event for neighboring fire department personnel and the annual pig scramble for farm youths who may keep the pig they catch by agreeing to furnish one of the night's offerings for next year's pig scramble.

Prize beef animals will be sold at a sale to be held at 2 o'clock Friday afternoon. In the evening, tomorrow, the tractor pulling contests are to be the chief entertainment feature. The tractor events customarily draw a large crowd.

Saturday, designated as Merchants and Queen's Day, will be highlighted by the annual parade at 2 p.m. Expected to participate in the parade in addition to float entries, are local and out-of-town bands; the Washtenaw County Sheriff's Department; M.O.U. of Elmer; decorated bicycles and tricycles; antique cars and bicycles; new cars; "hot rods"; and many others.

Each float is entitled to enter a "queen" for the contest to determine the "Queen of the Community Fair." This year for the first time, the winner will receive a number of gifts contributed by merchants of the community. This feature was promoted by the Chelsea Junior Chamber of Commerce.

Auxiliary. The Jaycee Auxiliary has also provided a glittering tiara as a "crown" for the winning contestant.

Following the parade there will be a horse show at the fairgrounds under the direction of Clarence Stapish.

Meals are being served each day of the fair at the Community Fair Restaurant (the former Red School at the west end of the grounds). Breakfasts are served, beginning at 7 a.m. Lunches are served throughout the day and evening and special dinners are served each evening.

Tonight's dinners are listed as roast beef, Swiss steak, roast pork and baked ham. Barbecues and other sandwiches are also listed.

Friday's dinners will also feature salmon loaf and other meatless dinners and lunches, in addition to the regular dinners.

The final feature of the fair Saturday night is the giving of prizes offered by merchants of the community. Tickets for the prizes are given free in all business places offering prizes. All that is required is to sign the cards and deposit them in the receptacles provided.

Co-operative Nursery Now Operating

Concurrent with the opening of school Tuesday morning was the opening of the Chelsea Co-operative Nursery.

The nursery teacher, Mrs. Raymond Schairer, was at the door to greet the 3- to 5-year-olds as they climbed the flight of stairs to their first day of nursery school on the third floor of the Municipal Building.

Eyes grew wide with wonder as the children saw for the first time the merry-go-round, climbing apparatus, teeter-totter, child-size kitchen, carpenter bench, toy farm, giant building blocks, Play Store, and the assorted smaller toys which are a part of the Chelsea Co-operative Nursery.

This opening day represented the culmination of the cooperative efforts of 18 Chelsea families. Realizing the benefits to their children of nursery school experience, the group enthusiastically turned to the task of organizing and equipping a children's play center.

Breakfasts, bake sales, fair booth donations, sewing bees, toy-building bees, suppers, state conferences have all helped to put the co-op on a sound operating basis.

The local co-operative nursery brings the total to 94 co-operative nurseries operating in the state of Michigan alone. It also makes its contribution toward keeping Chelsea abreast the ranks of forward-looking communities endeavoring to give their children every opportunity to develop into happy, well-adjusted citizens.

The Chelsea Co-operative Nursery meets every Tuesday and Thursday morning from 9 until 11:15. A car pool operates to carry the children to and from the nursery safely. Two mother-assistants, Mrs. Raymond Schairer, the teacher, to guide the children.

Membership in the Co-operative Nursery is open to every family of the community.

Mr. and Mrs. Wesley Ellenwood and their sons, Gary and Terry, spent the Labor Day week-end visiting their son and daughter-in-law, Mr. and Mrs. Donald E. Rowe at Manassas, Va. They spent Sunday visiting points of interest in Washington, D.C.

Dr. and Mrs. L. J. Paul returned Sunday from Okeechobee Lake, near Rogers City, where they spent a two-week vacation.

Area 4-H Youth Win Top Honors In State Show

Marvin Boss, Washtenaw county 4-H club agent, announced yesterday a list of major winners in the competitions at the State 4-H Show at East Lansing last week. He said a complete list of winners will be announced as soon as the official list is received from the State 4-H club office.

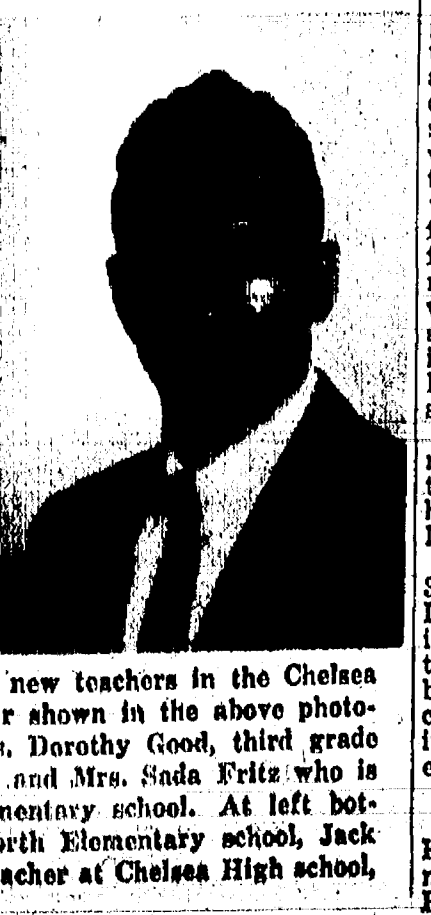

Earl Heller of Chelsea, won in the livestock judging contest, with Richard Stein of Whitmore Lake being named alternate.

David Wolfgang won the state contest in Jersey showmanship, and Peter Spike of Milan, a former Chelsea area 4-H club member, won in the dairy judging contest.

Other Washtenaw winners are Bill Denham, 111, of Dexter, tractor plowing contest; Kirk Gordon of Saline, swine showmanship; Paul Geiger of South Lyon, alternate Holstein showmanship; and Earl McTaggart of Saline, alternate in dairy judging.

Sixty-five 4-H club members of Washtenaw county attended the annual State 4-H Show which ended Friday.

This year's State 4-H Show was the largest ever with more than 2,500 exhibits and more than 1,200 4-H club members from all over Michigan participating.

NEW TEACHERS—Among the new teachers in the Chelsea public schools this year are the four shown in the above photographs. At top, from left, are Mrs. Dorothy Good, third grade teacher at North Elementary school and Mrs. Sada Fritz who is teaching sixth grade at South Elementary school. At left bottom is a sixth grade teacher at North Elementary school, Jack Good, and at right a social studies teacher at Chelsea High school, George Marshall.

Veterans in School on GI Bill Urged To Follow Check List

The Detroit VA office estimates that there will be 28,000 Michigan veterans in schools this fall under the Korean GI Bill. Lloyd H. James, regional office manager in Detroit, urged them to follow an eight-point check list to avoid unnecessary delays and to guarantee "clear sailing."

With these and other veterans expected in training this fall, the VA regional office will be operating at top speed to process their papers. Incorrect applications slow things up for everyone, VA and veterans alike, Jameson said.

Following is VA's check list:

1. Since veterans are allowed only one change of course, they should give plenty of thought to their goal and the training program leading to the goal.

2. Veterans not sure of their training goal may request VA vocational counseling.

3. Veterans should be certain their course has been GI-approved by the State of Michigan. VA regional offices and not VA headquarters in Washington, D. C., can furnish information about approved courses.

4. Veterans should complete arrangements for admittance to their school before filing applications with VA.

5. The application for GI training should be completely filled out and signed. It should be sent, along with a photostat, or certified copy of the veteran's separation paper, to the Detroit VA regional office.

6. The application should go to VA as soon as possible. This will enable VA to iron out any snags before school starts.

7. Veterans with dependents should have the necessary proof

of dependency ready when VA requests it. For a wife, this would be a photostat of the marriage certificate; for a child, a photostat of the birth certificate.

8. Veterans should take along enough money of their own to tide them over the first two months of training. It takes that long, ordinarily, for a veteran's first monthly check to reach him. The reason is that payments are made only after each month of training is completed, and not before.

Further, before VA may make a payment, it must receive a certification signed by the veteran and his school, stating that he has been in class all month. The law allows VA 20 days after receipt of certifications to get checks in the mail.

Trout Fishing Season Closes Sunday, Sept. 8

Lansing — Fishermen are reminded that Sept. 8 marks the last day of angling for several Michigan game fish species.

The state-wide trout season closes that day, along with bass and other seasons in trout waters. Both largemouth and smallmouth bass may be taken, of course, in non-trout waters through Dec. 31. "Rainbow trout fishing during the year, except in trout waters."

The special spearing season for rough fish in designated waters closed Aug. 15.

Although the state-wide trout season closes soon, fishermen will be able to take part in a special rainbow trout season in certain waters.

The special waters, designated by Conservation Department director Gerald E. Eddy, are open to rainbow trout fishing during September, October and November.

So while hunting claims the attention of most sportsmen, many avid fishermen—finding streams low enough to wade—will test their skill against the sporting "bows."

A complete listing of these designated lakes and streams, located in 61 Michigan counties, may be obtained from the Conservation Department Fish Division, Lansing 26.

Michigan Week Set at Great Lakes Homecoming Event

The state of Michigan will be honored at the Great Lakes Navy Homecoming during the week Sept. 16-22, which will be known as "Michigan Week."

One of the highlights of Michigan Week will be the graduation of the All-Michigan company on Saturday, Sept. 21. Taking the "passing in review" of the company will be Admiral Maurice E. Curtis, a "native son" of Michigan. Admiral Curtis is a graduate of the Naval Academy and received his commission in 1919. The Admiral witnessed the formal surrender of Japan aboard the USS Missouri while serving as chief of staff of the Commander of the First Carrier Task Force.

Great Lakes Naval Training Center, alma mater for almost one-third of the men and women who have entered the Navy in the past 40 years, is inviting the Michigan segment of its nearly two million alumni back to what is probably the world's biggest homecoming. Captain A. C. Burrows, commanding officer of the huge training center says, "Michigan's old sailors, new sailors and prior-sailors are equally welcome to visit Great Lakes and get acquainted or reacquainted with the Navy any time during Michigan Week."

Bible Verse To Study

"When I consider Thy heavens, the work of thy fingers, the moon and the stars, which thou has ordained, what is man that thou are mindful of him? and the son of man, that thou visited him?"

1. Can you locate this quotation in the Bible?
2. Do you know the author?
3. Have you an idea of the answer to these questions?
4. Where can the answer be found?

Modern Education Widens Its Scope

The process of education in Chelsea has made tremendous strides since the ancient days when the "three R's" were supposed to comprise the curriculum of a modern school.

While it is true that the fundamental problem of our institutions of learning is to give the student a proficiency in the use of the so-called tools of the brain, and if pursued long enough, to acquaint the mind with the broad outlines of man's progress from savagery to civilization, the scope of the modern school has been widely expanded.

Not only are our schools expected to perform the rudimentary task of educating pupils, but, in addition, to train them for democratic processes, to teach them to get along with other human beings, instruct them in a trade for their economic livelihood, and to assume the task of the home and church in the development of morality and conscience.

When one considers the vastly extended requirements put upon the processes of teaching, there is no occasion to wonder at the increased cost of education.

Nevertheless, when we think of the expense involved, we should also bear in mind that ignorance is the most expensive luxury ever enjoyed by a careless people.

A Factory That Didn't Have To Die

When the Metal Products closes its doors this summer it will hurt a lot of Lapeer families. The death of this once bustling plant has come slowly, but the end will still be a shock to the community.

It needn't have happened. It resulted from an argument between management and the employees a couple of years ago. The workers and their boss had gotten along well for years. Jake Heinemann and his plant superintendent, Wilson Taylor, were capable, understanding bosses. The men were, for the most part the same ones who had been there for 15 or 20 years, and they were good workers.

There was nothing about the matter of pay that couldn't have been worked out. Instead, the plant shut down. Whether it was a walk-out or a strike or a shut-down isn't of much importance at this date. At any rate the company brass out of Mt. Clemens and Detroit started throwing its weight around, and the union bosses from Flint started throwing their weight around. For weeks nothing happened. Everybody got stubborn. Finally Mayor Bill Rowden called the sides together and in one afternoon the argument was ended.

Meanwhile the damage had been done. Important contracts that were available during the strike went to northern Michigan plants of the company. Those contracts never came back.

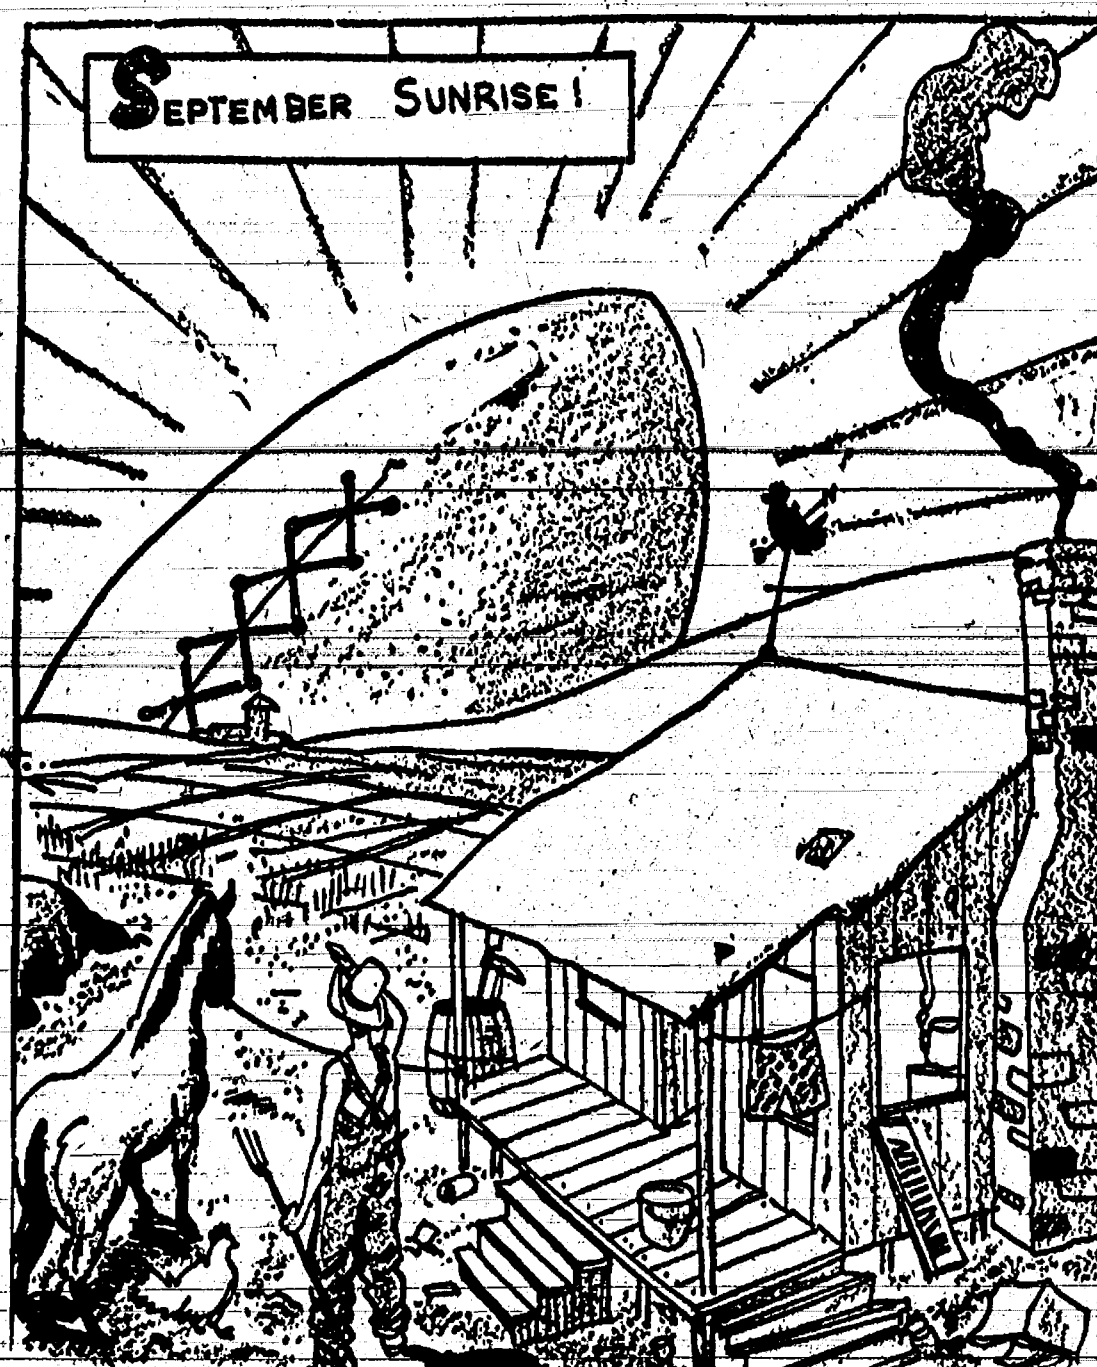

The cut-back in auto production in the last two years provided little new business. A factory was lucky to hang on to what it already had. So the Lapeer Metal Products, which at one time had employed 180 men and women, started to die. It needn't have happened.

A lesson is all that can be salvaged—the lesson that when there is no spirit of compromise in such arguments then everybody loses. We hope management and the unions will remember this next time.—Lapeer County Press.

Any time is a good time for all men who were born equal to show what they are equal to.

Statisticians say a large percentage of accidents take place in the home. And husbands have to eat and enjoy some of them.

We believe it was a Georgia youth who mailed his girl two letters a day during a long stay out of town and returned to find her married to the postman.

MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

Resort experts are checking results of a summer season predicted to be disappointing at the east register but which has been showing new signs of life.

At one time it was believed the dollar influx would drop from \$6 billion to \$5 billion.

Michigan's Tourist Council, fighting off the effects of a stable appropriation and increasing needs for advertising, has pinched its pennies and stretched its dollars.

Michigan in recent years has slipped from third to fourth in the rank of states as a tourist attracting magnet. But its natural attractions are enjoyed by millions.

Tourists already are flocking to see the nearly-completed Mackinac Straits Bridge.

Improved highways are attracting more, making speedier the trips to summer vacation mecca. The state's parks are jammed every week end.

Fall is here, and only the post-Labor Day work of compiling statistics and getting estimates from the experts is needed now to complete the story of 1937's summer resort season.

Most areas report an upsurge in the number of motel and lake-side resort accommodations. One reason for the increase, if one exists for this season, will be cheer population pressure.

"When there are more people, there are more of them vacationing," said one state official.

Michigan has abandoned the idea of sending a lobbyist to Washington to snare federal defense contracts to help ease the state's unemployment crisis. Gov. Williams sent a group to Washington to investigate the idea.

Lee M. Uhl, an official of the State Department of Economic Development, reported back that the federal government was under an economy wave making the state's lobbyist's office "unwise."

The group reported the state should have key people drop in occasionally at federal offices in Washington, rather than establish an office with a fulltime man in charge.

The visit, however, did obtain an agreement from the Army, Navy and Air Force to furnish the state with monthly lists of big government contracts, bringing them to the attention of state factories.

Uhl said there is much confusion about federal defense contracts. Areas of unemployment look to such contracts as a cure-all when actually they provide only limited relief from unemployment, he indicated.

"We will take all advantage we can from the information we get from the Pentagon," said Gov. Williams.

Meanwhile, Williams' special

commission continues its quest for details on unemployment in Michigan.

Dangerous root rot, brought in to Michigan from Prince Edward Island last May, will be under control on five infested areas in Bay County by mid-September.

Infestation in Michigan was in a shipment of seed potatoes destined for Bay County.

This set in motion a little-known function of state government which works as a sort of police force to protect the farmer and his crops against natural enemies.

Word was passed from federal officials to C. A. Boyer, plant husbandry director for the state department of agriculture. "If not controlled and stamped out, the rot could wreck the whole potato crop," he said. He ordered the un-

planted potatoes seized and burned.

Those which already had been planted were "lifted" from the ground in May and destroyed.

The final step will be a "fumigation" of the soil with a special chemical formula. Then the land will be cultivated five days later to air it and give the chemical maximum effect.

Boyer passes it off as an everyday chore of his section.

WASHINGTON REPORT
 By Senator Charles F. Potter
 The latest news from Washington of special interest to Michigan.

BUZZ-SAWING through its final legislative chores, with bill drafting in all directions, Congress speeds toward adjournment as this is written. In a last-ditch harangue against civil rights, a lone Southerner stalled the Senate for over 24 hours, but now we're back on the home stretch. Exhausted Senators voted a historic civil rights measure into law in the wee hours of the morning. Moments later \$3.4 billion for mutual security was rammed through and aped to the House. A bill to safeguard FBI files, of which I am a sponsor and a bob-tailed immigration bill containing several of my provisions, came next. It was one a.m. when sleepy lawmakers headed home. Fatigue and short tempers give evidence of one of the longest Congressional sessions on record.

NUTSHELL SCORE of our major accomplishments includes the Middle East resolution, civil rights and \$5 billion chopped from the federal budget. I am delighted to report that several bills vital to Michigan, into which I poured much time and effort, are now law. Here they are:

SIGNED BY THE PRESIDENT the other day, my ship bill will bring jobs, contracts and cash into Michigan port cities. Until now the Merchant Marine Act hamstrung the Middle West by restricting shipbuilding and repair at Atlantic, Gulf and Pacific ports. My bill amends the Act, opening new channels of revenue and making our yards competitive. Detroit, Muskegon, Escanaba and other yards can bid for big deep-water ship contracts now. Best of all, they can do so well ahead of the Seaway opening. Navy officials gave me the go-ahead. Navy officials, along with the nation needs this broadened shipbuilding mobilization base.

WRAPPED UP in the big immigration bill are two measures of my own, intended to relieve hardship cases. All of us know personally folks who would make wonderful parents, who are deprived of children by unreasonable laws, while at the same time thousands of little tykes, orphaned by war or poverty, lack the love and care to which every child is entitled. My proposal, now in the law, permits alien orphans adopted by U. S. citizens to enter without quota limitation. It has taken me several years to bring this one to reality. The other measure which I authored extends a helping hand to specialists who falsified birthplaces for fear of deportation to Communist-controlled countries. When these people can show that passports and other documents were doctored to save their own lives or those of their families, deportation penalties will be lifted.

MASON was settled in 1836 at the junction of two Indian trails. Two years later Ingham county was established, but not until 1840 was Mason designated as county seat and then over the strong protests of Charles Thayer, who wanted the county seat located on his land.

Civil Defense Seeks List of All Station Wagons, Trucks

Owners of station wagons and panel delivery trucks are being called upon by Robert E. A. Lillie, Washtenaw county Civil Defense director, to list their vehicles with his office if they are willing to contribute to the common effort for relief in the event of a man-made or natural disaster.

The two types of vehicles are particularly convenient for transporting injured persons and the Civil Defense office is revising and bringing up to date its central file of available equipment and resources in order to be prepared for speedy mobilization in any emergency.

In the past, county residents have generously made available their services and vehicles to be used, if needed, Director Lillie said. With the revision of the listing, however, it will be necessary for those who have previously offered their equipment to resubmit their names so the list can again be compiled as a complete and up-to-date file for mobilization if needed.

Director Lillie said county residents may make their offer of assistance by dropping a post card to the Office of Civil Defense, Washtenaw County Building, Ann Arbor, Mich., giving the following information: name of owner, address, phone number, and type of vehicle. If more convenient, he stated, the same information may be telephoned to the office at NO 8-6819 at any time.

The Kenneth Proctors' huckleberry marsh, which suffered severe loss by fire the past week, is still burning although the fire has been held to the acre area where it was stopped last week. A pumping outfit has been set up and Conservation Department aluminum piping brings water from the creek behind the Proctor barn to the marsh a half-mile away. The pump pours on 1,000 gallons every 25 minutes.

Lima township's proposed zoning ordinance is published in this issue of The Standard.

Corn, potatoes, clover and alfalfa seedlings and garden crops are suffering damage due to the prolonged drought, and the 90-degree temperatures of the past week. Scattered showers Sunday, the 28th day of the drought, were no light, they were of no benefit.

Backache may be a warning...

Backache can be very painful... What's more, it can lead to serious disorders not immediately associated with the pain itself.

Pain is nature's way of warning that something is wrong. Frequently pain in any part of the back is caused by a misaligned vertebra somewhere in the spinal column which interferes with nerve transmission between brain and tissue cell. Permanent relief is not possible in this type of case until the vertebra is restored to its normal position.

Statistics from official workmen's compensation files in three states showed that Chiropractic brought health to backache cases almost twice as rapidly as cases under other types of health care. An independent insurance carrier revealed that 49 per cent of backache cases reporting attendance of a Chiropractor showed no loss of time from work. NO OTHER TYPE OF HEALTH CARE EQUALLED THIS RECORD.

Chelsea firemen were called out
at 9:35 p.m. Monday, Aug. 26,
when a small house at the rear of
West Middle street property owned
by Mrs. Mabel Hoppe was dis-
covered to be ablaze.

Located near the New York
Central railroad tracks, the house
was unoccupied at the time.
The fire had gained such head-
way before discovery that nothing
could be saved. Firemen stood by
to keep the fire from spreading
to other buildings.

Michigan pheasant hunters
bagged more than 1,125,000 birds

TROOP 76—

Boy Scouts of Troop 76 held a
meeting Tuesday evening at South
Elementary school and discussed
plans for a scrap drive to be held
Sept. 14. They also made arrange-
ments for a "hot dog" roast to be
held Tuesday, Sept. 10. They will
meet at South Elementary school
at 7 p.m. prior to the evening's
entertainment feature.

At this week's meeting a dem-
onstration of a "hobo stove" was
given, showing how to fry an egg
on the bottom of an up-ended num-
ber 10 tin can using a paper milk
container as fuel.

Elmer Kiel is Scoutmaster of
Troop 76.

THANK YOU

We would like to thank our
Chelsea friends and relatives for
their interest and for the kind-
ness shown us since the acci-
dent of our son, Kenneth. We sin-
cerely appreciate everything and
thanks, again,
Mr. and Mrs. Elton K. Musbach.

THANK YOU

My thanks and appreciation are
extended to my relatives and
friends for so kindly remember-
ing me with beautiful flowers and
cards, messages and visits during
my stay in the hospital and since
my return home.

Sarah Benter.

Sprinkle icy walks with finely
ground salt mixed with sand. This
mixture will break up the ice and
prevent slipping while the ice is
melting. Fine salt will be diluted
quicker and not as injurious to
nearby shrubs as concentrated rock
salt.

Don Hartman was so delighted with the performance of Shirley Booth and Paul Ford in "The Matchmaker," he wants to co-star them again in "Jealousy," Ford, by the way, didn't start acting until he was 39 and the father of five children, but he's been going great guns since then.

Harry Belafonte has formed his own picture company, with Edward Rissien as executive vice-president. They are considering "Life of Alexander," "Pushkin," "The Brothers," a Civil War and post-Civil War story and "The Maccabees."

Speaking of television, it won't be long before the new fall television season gets going—to the relief of viewers who are desperately tired of reruns and repeats. Early this month, many of the favorite shows will return to the screen, along with many new specials. A preview of things to come makes the average TV viewer look with great anticipation toward the fall and winter seasons.

Anne Baxter has signed for the starring role as Diana Barrymore in the Gerold Frank biography, "Too Much, Too Soon," which is scheduled for immediate production.

Women's Guild Meet
Wednesday Features
Panel Discussion

Mrs. Earl Blinn, president of the Michigan State Conference of the Women's Fellowship of the Congregational Church, and Mrs. Paul G. Schable, national education chairman of the Women's Guild of the Evangelical and Reformed Church, will be resource leaders for a panel discussion on the topic "Women in the United Church of Christ" at a meeting of St. Paul's Women's Guild at 8 p.m. Wednesday, Sept. 11, in St. Paul's church hall. Women of the Congregational church and all women of St. Paul's church have been invited to be guests of the Women's Guild at the meeting.

The discussion, centering on similarities between the women's organizations of the two church bodies which officially merged in June as the United Church of Christ, is expected to be of special interest to the women of both local churches.

Mrs. E. J. Foster
Honored at 95th
Birthday Celebration

Mrs. Edward J. Foster of Grass Lake was honored at a family gathering held Labor Day at the Foster cottage at Cavanaugh Lake in observance of her 95th birthday. Mrs. Foster is the former Amelia Stadman and is a sister of Mrs. Henry Mann and Mrs. J. E. McKune. The late George P. Stadman was her brother.

Mrs. Foster has lived at Grass Lake since her marriage. Her husband, who died in 1937, operated the Foster furniture store.

The immediate family of Mrs. Foster includes three daughters, Mrs. H. W. Surbrook of Detroit, Mrs. William G. Stewart of Cavanaugh Lake and Ruth Foster, who lives at home and is director of the Jackson Public Library.

There are also two sons, Hugh, of Jackson, assistant director of employee relations at Consumers Power Company, and Clarence E. Foster, of Grass Lake, who now operates the furniture store, and three grandchildren.

Mrs. Penn and Mrs. McKune were present at Monday's birthday observance honoring their sister.

Shirley Pierce
Stanton Walker
Exchange Vows

Shirley Pierce and Stanton Walker were married at the Methodist church here at 2:30 p.m. Saturday, Aug. 24. The bride is a daughter of Mr. and Mrs. Paul Pierce while the bridegroom's parents are Mr. and Mrs. Lyman H. Walker of Cavanaugh Lake.

The Rev. S. D. Kimes officiated at the ceremony for which the bride wore a ballerina-length gown styled with a scoop neckline. The gown was fashioned of white dot-dotted nylon over taffeta. A Juliet cap held her shoulder-length veil and she carried a cascade bouquet of white stephanotis and roses.

Soloist for the ceremony was Leonard Stark of Ypsilanti, who sang "The Lord's Prayer" and "Through the Years."

A sister of the bride, Betty Pierce, was maid of honor, wearing for the occasion an aqua sheath dress with a matching flared skirt. Her own bouquet was completed with a picture brim hat and she carried a cascade arrangement of yellow chrysanthemums.

Mrs. Kaywood Lantis, another sister of the bride, and Linda Walker, sister of the bridegroom, attended in tan sheath dresses with matching summer hats. Her own bouquet was completed with a picture brim hat and she carried a cascade arrangement of yellow chrysanthemums.

Duane Schiller served as best man and Kaywood Lantis, brother-in-law of the bride, and Peter Smith, of Ann Arbor, cousin of the bridegroom, were the ushers.

For her daughter's wedding Mrs. Pierce wore a tulle lace with brown accessories and had a corsage of Talamas roses.

Mrs. Walker, in cobalt blue, wore a corsage of pale pink roses. A reception held in the church parlors immediately after the ceremony, was attended by approximately 100 guests. The guest book was in charge of Carol Ossenkamp of Monroe. Others who assisted were Mrs. Richard Riemen-schneider and Mrs. Theodore Faust who served cake, and Mrs. Basil Babcock, who poured.

Both the bride and bridegroom are graduates of Chelsea High school.

The bride also graduated from Eastern Michigan College. She will teach in Lansing where Mr. Walker continues his studies at Michigan State University.

They will make their home at 219½ Bingham avenue, in Lansing.

Chelsea Artist's Work
Decorates U-M-Phoenix
Memorial Volumes

Ann Arbor—An honor roll of donors to the Michigan Memorial-Phoenix Project is on permanent exhibit in the University of Michigan's Phoenix Library.

The project is a memorial volume the honor roll was established in honor of those men and women of the University who gave their lives in World War II. It is dedicated to the development of peaceful uses of atomic energy.

The volumes are prepared in a specially designed locked case of glass. They were bound by the University Bindery in full blue English morocco with gold lettering on the front covers, raised bands on the spine, moire silk and sheets, and a head band. The paper-vegetable parchment with plain edges. Dwight Gadberty, of Chelsea, hand lettered the title pages and illuminated the title page of the first volume.

Those donors who specifically designated their contribution for cancer research are listed in a companion volume that is bound identically to those in the Phoenix Library and is kept in the Alice Crocker Lloyd Therapy Center. These eight volumes together contain the complete alphabetical list of contributors compiled from the IBM list maintained in the Rackham office of the Project.

Mr. and Mrs. Elba Gage and Miss Lillie Wackenhut spent the week-end at South Haven as guests of Mr. and Mrs. Don Barden and family. Saturday evening, Miss Wackenhut and Mr. Gage were honored at a pre-birthday dinner at the Barden home. Also a guest was Carl Fletcher, of Asheville, N. Car., who has been spending some time with the Bardens.

Tweed Coats Seen
As Good Fashion
Buys This Season

Durability and versatility—they are qualities you will look for in the girls' coat department of your local store this fall and winter, says Bernetta Kahabka, textiles and clothing specialist at Michigan State University. And what will be one of the headlines in the wool and wool-blend class—the ever-popular tweed!

You will see multicolored tweed coats, trimmed in colors or in velvet. Many of them will either have fur collars or collars made out of fur-fibers.

There will be an emphasis on black-trimmed-in-white this year. You may find a black tweed coat with a white wool collar which you can remove and wash by hand.

Although you often see all wool or reprocessed wool tweeds, Miss Kahabka reminds you that wool and synthetic blends will also be on the market.

Tweed can be sporty or dressy in style; but whether it's boxy or fitted, straight or flared, you will find that tweed will be one of your best coat buys, style-wise, in the 1957-58 winter season.

WATERLOO

Mr. and Mrs. Frank Brown of Chillicothe, O., came on Thursday to spend the Labor Day week-end with Mr. and Mrs. Wilbur Pluck.

The Ladies' Aid will meet at the home of Mrs. Florence White of Grass Lake, on Thursday, Sept. 12.

Mr. and Mrs. Wilbur Pluck spent an evening last week with Mr. and Mrs. Walter Vicary.

Mrs. Anna Walz, accompanied by Mrs. Della Maute of Grass Lake, Miss Alice Walz and Mrs. Marthe Glenn of Jackson, called on an aunt, Mrs. Lockhart at home of a son and daughter-in-law, Mr. and Mrs. Lockhart in Flint on Thursday.

Mrs. Anna Walz spent Sunday afternoon with her daughter and son-in-law, Mr. and Mrs. Kenneth Stanfield of Stockbridge, and called on Mr. and Mrs. Wayne Malcho and daughter, in Van Town.

Mrs. Frances Bartig of Coon Hill, spent Sunday with Mr. and Mrs. Emory Runelman.

Mrs. Harold Lynde and friend from Ann Arbor, spent Monday afternoon and evening with the former's grandparents, Mr. and Mrs. William Barber.

Mr. and Mrs. Bernard Bauman of Allen Park, were Monday callers of Mr. and Mrs. Pete Carty and family.

Mrs. Addie Bott and Mrs. Louise Benson, of Jackson, were recent callers of Mr. and Mrs. Emory Runelman.

Mr. and Mrs. Raymond Coulter, William Coulter, Donald, Kathleen and John, Detroit, spent Monday Saturday until Monday at the Gorton home here. The former's brother, Lawrence—Coulter of Jackson, was a Monday caller.

Mr. and Mrs. LaVern Garfield and family, of Grand Rapids, spent Sunday night and Monday with Mr. and Mrs. Leigh Beeman and Mr. and Mrs. Donald Beeman and family. On Monday Fred Sager spent the day with them, and on Tuesday morning Albert Kellogg and Mrs. Viola Morse were callers.

In honor of the birthday of John Dykema and Mrs. Vern Garfield and grandson, Paul, a co-operative supper was held at the home of Mr. and Mrs. Leigh Beeman and Mr. and Mrs. Donald Beeman. Those present were Mr. and Mrs. John Dykema and Mr. and Mrs. Vern Garfield, of Jackson, Mr. and Mrs. LaVern Garfield and family, of Grand Rapids, Mr. and Mrs. George Beeman and family, and Mr. and Mrs. Wilbur Beeman and son.

Mr. and Mrs. Hess and son, Gerald, of Detroit, spent a day last week with Mr. and Mrs. Harry Hess.

Mrs. Hazel Katz of Munnith spent Tuesday with Mrs. Glenn Rentschler.

Mr. and Mrs. Glenn Rentschler and the latter mother, Mrs. Edna Loveland, spent Sunday with Mr. and Mrs. Leroy Loveland and family, in Grass Lake.

Recent callers of Mrs. Laura Riethmiller and Mrs. Ione Moekel were Junior Riethmiller and friend, of Ypsilanti, and Mr. and Mrs. Gorton Riethmiller.

Mr. and Mrs. Gorton Riethmiller spent Sunday in Olivet. They are having repair work done on the house so are unable to move there yet.

One leading fashion designer has described the look in women's clothes for this fall as "like a pearl in a shell." This statement is easier to understand when you know that the oval line is important. It is used in all types of clothes with success.

The main idea is to keep the convex shaping essentially slim and soft. The shaping starts low on the shoulders. Armholes are deeply set and fullness is to the back. Shoulders are rounded but always broad and soft.

The rounded feeling of the oval continues in coats and jacket shapes—in collars and in fact, all details.

A reversed oval look is achieved by a bias seam and an intricate cut which gives a curved-in look that starts at the knees. Waists are small and supple. Skirts are narrow but always with ample walking room.

Luxury fabric and fur is big news. Fur is being used on almost any type of garment this fall.

A new look in coats is called the slip-cover. There are the dinner slip-covers made of silk-brocade and lined or trimmed with fur—the rain slip-cover, made of waterproof fabric and the simple daytime slip-cover coat.

Leather is still a favored material for casual coats.

The Hudson Bay blanket coat is back again. It is not always in its traditional red and black, double-breasted look. The newest version is single breasted with Italian collar, and unlined removable hood. Grounds in white with rainbow stripes of yellow, green, and red. The his and her jackets are popular with the college set.

Hoods are not new. However, new this year is the fact that hoods will be in many more items of sportswear and eveningwear. One of the most popular types will be the zipper-hood. Unzipped the hood becomes a scalloped, cape-like collar. Zipped up it forms a comfortable covering for the head.

Many hoods have drawstrings that can be pulled to make an excellent bad-weather head protection. Hoods have not made much of an impression on the American male in spite of the fact that they have long been a favorite with European winter sportsman. Much of the cold weather sportswear for men this season will be equipped with hoods. Toggle closure, another detail accepted by European sportsman, is getting its first serious try-out here.

Many items of sportswear for American men and women will be fashioned of water repellent wool fleeces. Railroad stitching decorates pockets and jacket bottoms. Loden cloth coats and St. Mary's

wool fleeces coats are in demand for all kinds of sports wear. These two fabrics are often treated to be water repellent. The cost is a little higher but it is worth it in comfort as well as being able to double for rain coats.

Tailored suits are attractive fashioned from Loden cloth. They take hard wear and weather in their stride, a point that makes them perfect for school and college.

Perfume has been important to women for hundreds of years. The composition of a perfume is a complex affair. It would take a scientist to explain the ingredients and "why" to you.

The best thing to do is to put your trust in the name of a good manufacturer and a reputable shop. The seal should be unbroken. It is a good idea to buy a small amount of a new scent and give it a try before investing in a large bottle. Your body chemistry can change the scent of a perfume. Keep trying until you find one that can really become a part of you.

Lastingness is not necessarily the test of a good perfume. Here again your body chemistry comes into play. In general, the heavy, spicy scents last longer than the light floral ones.

Perfume will out-cling and out-last cologne. This is why it is more expensive. Most perfumes will not live longer than four hours on the skin. For this reason, it is a good idea to carry a small flask in your purse.

American women often do not wear enough perfume. The best way to apply perfume is to spray it on the pulse spots—temples, throat, inner wrists and the crook of the arms.

It is wise not to apply perfume directly to fabric or fur. Never put perfume on white or pale colored fur or fabrics.

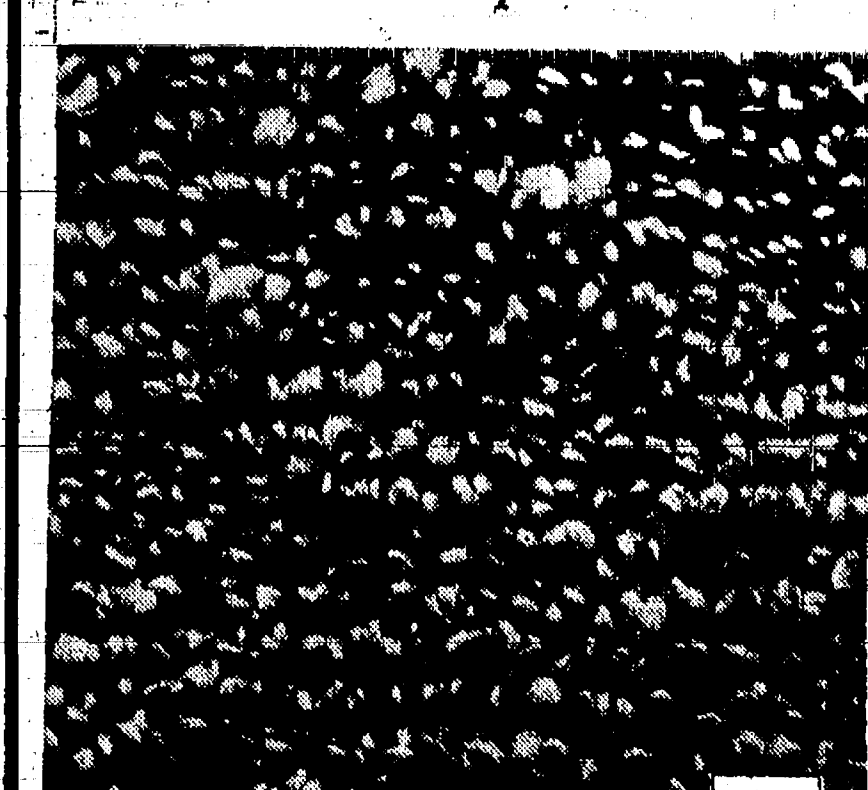

Once you have opened a bottle of perfume, use it. Perfume evaporates and its scent will change if left to age. Seal perfume very carefully each time it is opened.

MSU Extension Course (Continued from page one)

The course presents methods and materials of teaching mathematics in the elementary schools. Emphasis will be placed on the philosophy and the actual classroom procedures in current practice. Modern textbooks along with other material will be discussed.

MSU is expanding its off-campus courses throughout the state to provide additional educational services to the residents. Both credit and non-credit courses are scheduled, into communities in response to requests for such subjects.

Interested residents may obtain further information about this course by contacting local school officials or by writing to the Continuing Education Service at Michigan State University.

The antlers shed by deer each year are seldom found. Mice, porcupines and other rodents gnaw them for the minerals they contain.

Kiwanis Clubs Ready for Annual Tug-of-War at Fair

Anton Nielsen and Alfred D. Mayer entertained Kiwanians at their regular weekly meeting in the social center of the Methodist church by showing slide pictures of the recent international convention at Atlantic City, N. J. This week's meeting was held Tuesday evening because of Labor Day.

It was announced during the business session that Sept. 30 has been set as a Teachers' Night and Ladies' Night meeting.

Also announced was the appointment of Charles Cameron and Russell McLaughlin as co-captains for a tug-of-war with the Dexter Kiwanis club at the Chelsea Community Fair at 8:30 tonight (Thursday).

The Rev. Richard Cockrell was a guest at Tuesday's meeting.

Karl Koengeter Announces Agency for Factory-Built Homes

Associated Packaged Homes, Inc., a manufacturer of factory-built homes, at 300 American Title Bldg., Detroit 26, has announced the appointment of Karl Koengeter as their dealer for Chelsea.

Koengeter is now in the process of erecting his first model house at the corner of 1st and 2nd streets.

Associated Packaged Homes, Inc. and Koengeter state they are making it possible for the people of this community to own their own homes at the very lowest down payments possible under the new FHA regulations. (3 per cent down on the first \$10,000 and 15 per cent down on the balance up to \$15,000). There will also be available a number of conventional loans to qualified parties.

Koengeter will be able to build for any qualified individual in the Chelsea area on an owner participation program where the owner of a lot may wish to have credited to his mortgage account any work he may wish to do himself, thus allowing down the amount of the final mortgage.

Koengeter will also build homes for those who wish to complete contract price. He has the assurance of Associated Packaged Homes, Inc. to assist him in the complete financing of such homes.

Gary Dault Wins Third in Clark Lake Water Skiing Event

Gary Dault, 16-year-old son of Mr. and Mrs. Frank Dault of Cavanaugh Lake, placed third in the junior slalom skiing event at a skiing tournament at Clark Lake, near Jackson, Sunday. He is a member of the Cavanaugh Ski Association.

Other members of the association who participated in the tournament included Pat Merkel, in junior events, and Gale Koebbe of Manchester, Duane Satterthwaite and David Atkinson who took part in the men's classes. The tournament was held Sunday and Monday.

Friday evening, 15 members of the Cavanaugh Ski Club were entertained at a dinner at Schumacher's, their host being Earl Koebbe of Manchester. The rainbow trout served at the dinner had been caught by Koebbe while fishing in the northern part of the state and were shown by him on the Mort Neff TV show a week ago. At that time Koebbe mentioned that he was giving the dinner for the ski-club members.

Downey Baby Given Helicopter Ride to Tokyo Army Hospital

Mrs. Russell Baldwin received word by mail Tuesday morning that Susan Lynn, infant daughter of Airman First Class and Mrs. Harold Downey, was flown by helicopter from Johnson Air Base hospital, Japan, to Tokyo Army hospital, for treatment and observation. The baby born at Johnson Air Base hospital, Aug. 23, was taken to the hospital Aug. 23 and was to remain there 10 days, Mrs. Downey stated in the letter to her mother.

PERSONAL NOTES

Mr. and Mrs. Beecher Rianer, Jr. and sons, Keith and Larry, left Saturday after spending a week here as guests of Mrs. Rianer's parents, Mr. and Mrs. George Knoll. They planned to visit relatives and friends in northern Ohio before returning to their home at Middletown, O.

Guests of Dr. and Mrs. Charles Miller from Friday until Sunday, were Dr. and Mrs. Morton Pertridge and two sons of White River, Vt. From Saturday until Monday morning, Dr. and Mrs. Arnold Barack and two children, of Davenport, Ia., were guests there and on Sunday, dinner guests were Dr. Miller's brother, Dr. Gordon Miller of Pampa, Texas, and four daughters. His son, Gordon, who had spent the past week here, returned home with the family. Sunday Dr. and Mrs. Charles Miller and family and Dr. and Mrs. Barack and children visited Mrs. Miller's brother and family, Mr. and Mrs. Nelson Altonbont and children, of Plymouth, and Sunday they visited her sister and brother-in-law, Mr. and Mrs. Frank Rajc at Adrian.

Though color often is used in identifying fish, it's not always a good criterion because it can vary widely in different parts of the country, even within the same lakes or streams.

Sister of Mrs. Chase Dies Suddenly at Howell Hospital

Mrs. Ross Chase spent from Thursday until Sunday in Gary, Ind., at the home of her daughter, Mrs. Doris Kovacs. Enroute home she stopped at the home of her granddaughter, Mrs. Peter Baller, in Howell, where she learned that her mother, Mrs. Hulda Montague, who makes her home with her here, had fallen and broken her hip while at the home of a son and daughter-in-law, Mr. and Mrs. Leslie Montague, in Lansing. Mrs. Montague had gone to Lansing to stay during Mrs. Chase's absence.

Mrs. Montague was taken to Sparrow hospital in Lansing and Wednesday had an operation on the broken hip. When she is able to leave the hospital she is to remain at the son's home, 602 Park Boulevard, Lansing, for approximately ten weeks.

After visiting her mother at the hospital, Mrs. Chase returned to her home in Chelsea, accompanied by her sister, Mrs. Henry C. Dammann of Howell. Mrs. Chase stopped again at the Baller home and before leaving there to return to Chelsea, she learned that the sister had become suddenly ill and was taken to McCheson Memorial hospital where she died three hours later, at 8:50 p.m.

Mrs. Dammann was known to many of Mrs. Chase's friends because of her frequent visits here. She would have been 50 years old Sept. 15.

Survivors of Mrs. Dammann are her husband; her mother, Mrs. Hulda Montague; her sister, Mrs. Chase of Chelsea; and the brother, Leslie, in Lansing. Other relatives include a niece, Mrs. Karl Koengeter of Chelsea.

Funeral services for Mrs. Dammann were held Friday afternoon at the Schnackenberg Funeral Home in Howell and burial took place in Fowlerville.

Bowling Association Plans Picnic, Field Day

A bowlers' picnic and field day is being planned by the Ann Arbor Bowling Association, which represents eleven communities, including Chelsea. The picnic, for all bowlers and their families and for bowling facility proprietors, is to be held Sunday, Sept. 8, at German Park, six miles north of Ann Arbor, on Pontiac road. There is no admission charge but bowlers will be checked at the entrance gate for identification.

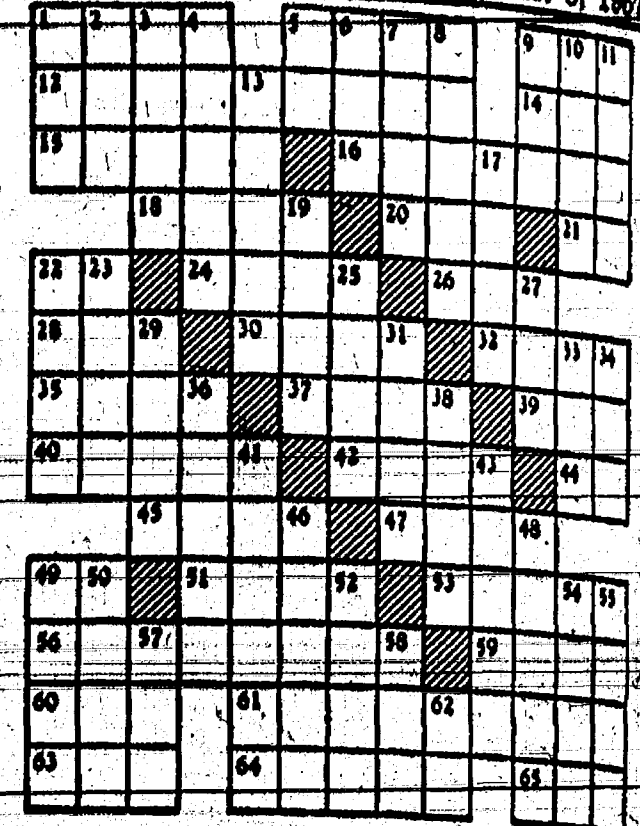

Families will bring their own picnic lunch, while ice cream, pop and milk will be furnished free of charge for the children.

Jim Munro of Ann Arbor, is head of the athletic committee. Entertainment will include horse shoe pitching and ball games, as well as games for the children.

The Ann Arbor Bowling Association includes Ypsilanti, Willow Run, Milan, Saline, Dexter, Chelsea, Pinckney, Brighton, Howell, and Ann Arbor.
