## CHS Bulldogs Open Grid Season Friday

Tomorrow night at 7:30 on the local athletic field Chelsea High griders pry open the 1957-58 football season. Traditional 1957 Dexter will provide the opposition as they have in the past. This opener usually provides a close game with often only a touchdown or even an extra point difference between the two teams.

Last year's game was an exception, perhaps, as the Bulldogs overpowered the Dreadnoughts, 49-27. However, this year is another chapter and anything can happen in a tradition-packed game. In fact Coach Al Conklin approaches the opener with some apprehension as his charges have never defeated Dexter at home since he came here in 1952.

Observers who saw last Friday night's scrimmage session at Michigan Center game away convinced that the Bulldogs have the potential to become a good football team this fall. Play was often erratic as is usually the case in early scrimmages, but the Bulldogs showed that they can move the ball well.

Left Half Odie Richardson sparred with his open field running power and faking ability and also stood out as a linebacker. The Bulldogs also showed a fair passing attack with Quarterback Dennis Schumm hitting Don Woods, George Mayer and Willie Heligh with accuracy.

Heligh also showed up well as defensive ends. Karl Riemenschneider, Roger Herman and Robin Wright also looked good defensively.

Coach Al Conklin has decided on a tentative starting line-up which might change by game time, however. The line up, ends: Don Woods, 5' 10", 160 lbs. Junior and George Mayer, 6' 1", 150 lbs. Junior; tackles—Douglas Collier, 6' 1", 165 lbs. senior, and Karl Riemenschneider, 6' 1", 192 lbs. junior; guards—Jim Mahar, 5' 8", 155 lbs. Junior, and Gus Steger, 6' 9", 174 lbs. Junior; center Dennis Gary, 5' 10", 165 lbs. senior; quarterback, Captain Dennis Schumm, 5' 8", 145 lbs. senior; left half, Odie Richardson, 5' 5", 145 lbs. Junior; right half, Bob Eder, 5' 6", 140 lbs. Junior; fullback, Co-Captain John Eisenbeiser, 5' 10", 170 lbs. senior.

Also certain to see action are end Willie Heligh, 6' 3", 180, sophomore (Continued on page ten)

## New Road, Parking Lot To Be Open For Football Game

The road from Washington street to the new parking lot located behind Wolverton's Nursery, will be open for Friday night's football game, Superintendent Charles Cameron announced yesterday. Attendants will be on duty to help in the parking of cars. Parking for a limited number of cars will be available at the old parking lot. Offices of the contractors building the new high school and construction material occupy part of the old parking area.

Superintendent Cameron stated that co-operation of football patrons is requested in not molesting any of the stakes on the grounds of the new high school, in not driving across the areas on which the new buildings will be located, and in not molesting offices of the contractors nor their equipment on this site.

Tickets will be sold at the gate from the new parking lot as well as from the booths of last year.

## Enrollments Still Accepted at MSU Extension Course

Interested adults still may enroll in the Michigan State University extension course to be taught this fall term at Chelsea. Additional enrollments in the course, "Teaching of Mathematics in Elementary Grades," will be accepted when the class meets for the second time at Chelsea High School in Room 16 from 7 to 10 p.m., Wednesday, Sept. 25.

This course is being offered by Michigan State at Chelsea in response to area requests. The course will be taught by Dr. Marion Cranmore, principal of the Burns Park School, Ann Arbor. The course will grant three term hours of graduate or undergraduate credit. Admission will be granted to qualified adults who wish to attend the course but not for credit.

Information about the course may be obtained from local school officials or from the instructor at the class meeting.

## Band Ready To Perform at Grid Game

Matthew Brown, drum major of the Chelsea High Marching Band, will again lead that organization in its many marching activities this fall. Matthew is a senior, and is the son of Mrs. Margaret Brown. Delores Schmitz, Lynn Slusser, Lynne Fahrner and Rebecca Stane will front the band this year as baton twirlers. Rebecca, daughter of Mr. and Mrs. Charles Stane, will act as captain of the twirlers. Delores was a baton twirler last year with the Marching Band. Lynn and Lynne moved up this year from the Junior Band where they have been twirlers for last year's marching activities. All twirlers play instruments and are regular members of the Senior Concert Band.

The Senior Marching Band will perform at this Friday night's game with Dexter. They will present a series of "doodles" formations as designed by Roger Price of TV panel fame. "Doodles" are little drawings, made with the few possible lines, that don't seem to make any sense until the correct title is guessed. The band will furnish the musical clues for the titles.

Elaine Pearson, Sherry Frisinger, and Lenis Beach all became official members of the Senior Band as a result of successfully passing their entrance tests last week.

Elaine, daughter of Mr. and Mrs. Willard Pearson, plays the cornet and is an eighth grader. Sherry plays the alto sax, is also an eighth grader and is the daughter of Mr. and Mrs. George Frisinger. Lenis, formerly first chair cornet, plays with the Junior Band, is the son of Mr. and Mrs. Elwyn Beach.

## Airman David Collins Home for Furlough

David Collins, airman third class enroute from Sheppard Air Force Base, Wichita Falls, to Forbes Air Force Base, Topeka, Kan., is spending a 15-day furlough at the home of his parents, Mr. and Mrs. William Collins. Also home for the week-end was his sister, Barbara Collins, who is enrolled in St. Joseph's Mercy School of Nursing in Detroit. Airman Collins is to report at his new assignment Sept. 27.

Leon Meabon submitted to an eye operation Monday at University hospital, Ann Arbor.

## Two Killed In Lyndon Auto Crash

Mrs. Mabel Hoppe and Edward Fisk, both of Chelsea, were killed, and Paul Prentice of Boyce road, and James Spradlin, 24 of Wellbridge, O., suffered head injuries in a three-car crash which occurred at 4:40 p.m. Friday on M-92, near Boyce road.

Reports of the accident state that Fisk's car was traveling northwest on M-92 when it was rammed from behind by a car driven by Spradlin. The impact forced Fisk's car into a head-on collision with the car, driven by Prentice and headed in the opposite direction.

Mrs. Hoppe was a passenger in Fisk's car while Prentice, a junior at Chelsea High school, was alone in his car. Passengers in the Ohio car were not immediately identified except that there were two or three men in the car in addition to the driver who reportedly fled from the scene.

Prentice and Spradlin were admitted to University hospital, Ann Arbor with head injuries.

Tuesday, Spradlin, 24 years old, was arraigned in Municipal Court, Ann Arbor, on a manslaughter charge as being responsible for the accident which caused the death of Fisk and Mrs. Hoppe. He waived Municipal Court examination and was bound over to Circuit Court for an appearance Sept. 24. Unable to get the time to post \$2,000 cash or property bond he was remanded to the County Jail.

Others riding in his car at the time of the fatal accident have been identified as Max Saylor, 47, and Frank Perry, 31, both of Wellbridge, O., and James LaCourse, 29, of Toledo, O.

## Blood Bank Clinic Needs Volunteers

Chelsea's sixth blood donor clinic, which will be held in the basement of the Congregational church Oct. 1, will again need the services of volunteer workers as follows: two registered nurses; four registrars; and six nurses' aides. Anyone who can help with this community-wide project should call Mrs. Dudley Holmes, Chelsea Community Blood Bank chairman, as soon as possible so she can complete her arrangements.

A six-bed unit from the Detroit Red Cross will operate the clinic here. The unit operates so smoothly that it is possible to process 10 donors every 15 minutes. A maximum of 30 minutes is all the time that is required for each donor to spend at the clinic.

Appointment cards have been left at all factories and schools and factories are again giving their employees time to go to the clinics to donate blood.

Anyone in the community may come in at any time without an appointment, Mrs. Holmes said. Anyone who lives or works in Chelsea is entitled to receive, if needed, a total of six pints of blood per person, including their immediate families. A total of 100 pints of blood have been given out to date in Chelsea.

Records show that there has been a 30 per cent increase in use of blood in the entire county for the year ending June 30, 1956. Of the blood donated at the clinic, 76 per cent will remain in Chelsea, 15 per cent will go for the Civil Defense stock pile and 10 per cent will be by-products for fall distribution to hospitals, which all draw on.

GRID SEASON OPENS FRIDAY — Dennis Schumm, No. 78, and John Eisenbeiser, No. 65, co-captains of Chelsea High's football team are shown in the above photograph with Coach Alan Conklin (center) who is in charge of the Varsity Squad and Robert Taylor who coaches the Junior Varsity. Players have been practicing the past three weeks in preparation for the season's opening game with Dexter tomorrow night on the home field.

## County Democrats Will Meet To Plan Fall Activities

Washtenaw Democrats will discuss fall activities and plan several future events at a meeting of the Democratic County Committee to be held Wednesday, Sept. 25 at 8 p.m. in the Council Chambers, Ann Arbor City Hall.

Mrs. Margaret Price, former Ann Arbor resident and Michigan National Committee woman, will speak on affairs of the Democratic National Committee. Mrs. Price has returned from her temporary assignment in Brazil for a series of state conferences and will also participate in several regional meetings and a session of the Executive Committee of the National Committee.

The second annual Dollars for Democrats campaign will be held throughout the county on Oct. 11 and 12. Mrs. Howard Blackenburg, Ypsilanti, County Chairman, states that the Washtenaw Committee hopes to improve its record in the 1958 Dollars for Democrats drive when nearly \$4,000 was contributed for party activities. The contributions are divided among the National, State and County Committees.

The Sept. 23 meeting will be the first meeting of the County Committee since June, and Mrs. Blackenburg invites all interested Democrats to attend.

## Brownie Registration Tea Scheduled for Thursday, Next Week

The annual Brownie registration tea for all Brownies and their mothers is to be held next Thursday, Sept. 26, at 4 p.m. in the all-purpose room at South Elementary school; however, before Brownies may attend they must call Mrs. Raymond Johnson and register.

In charge of arrangements for the tea are Mrs. Wilbur Werner and Mrs. David Strieter and their committee.

## Plans Told for Enlarging Sewage Treatment Plant

Village President Donald Alber, speaking at the Chamber of Commerce meeting Tuesday evening described two alternate plans which have been recommended for development of the Municipal parking lot. He stated that the lot will be graded this fall but permanent work must wait until spring pending installation of a storm sewer.

The parking project is to be developed entirely with funds from parking meter revenue, Alber pointed out.

He also stated that more gravel is to be added to the parking area along the railroad track west of Main street. New lighting and signs are being prepared for that area, and the Village Council is also working toward installation of new, modern street lighting for the business section, Alber said.

Reporting on progress of plans for adequate sewage plant construction, Alber told the Chamber of Commerce members that an application for a federal grant for this project has already been sent in.

Original plans for sewer construction, drawn up in 1950, called for an outlay of \$79,000. This year, estimates on these same plans amount to approximately \$196,000. Federal aid will amount to approximately \$60,000, Alber said, and a bond issue for about \$140,000 is to be voted on before Jan. 1. If federal aid is not granted by that time, and if the bond issue has been successful construction would be held over until the next year when the federal aid would most certainly be granted, Alber stated.

In another report given at the meeting, Reuben Lesser, E. G. Van Riper and H. T. Moore, of the Chelsea Community Fair Association, said preliminary plans are being formed for construction of a permanent exhibit building on the Community Fair grounds. They explained state support for such construction is available provided

## Kiwanis Club Hears Report on Atomic Power

Robert J. Hennig of Pontiac, project engineer for Atomic Power Development Associates, Inc., was the guest speaker at the Kiwanis club meeting Monday evening.

To illustrate his talk he showed \$2,000 cash or property bond he showed slide pictures of the atomic power reactor being constructed near Monroe.

A graduate of the University of Michigan where he received degrees in chemical and metallurgical engineering, Hennig joined the atomic development project in November, 1956, and has had experience in fuel engineering, heat transfer, reactor performance and test design. He is a member of the American Society of metals and the American Institute of Chemical Engineers.

He explained that Atomic Power Development Associates, Inc., is supported in its studies for developing atomic power for peacetime use by 83 major utility companies and 19 other non-utility business interests. His description of the progress made to the present time and of current developments gave his listeners an insight into the vast possibilities for the future use of atomic energy.

Guests at Monday's meeting, in addition to the speaker, were Art Pfander of Detroit, Avery Downon and Nick Praker of Ann Arbor, and Airman Third Class David Collins, who is home on furlough from Sheppard Air Force Base, Wichita Falls, Texas.

## Deadlock Continues In Union Strike at Chelsea Products

### Alfred Kuhl Named MMPA District Chairman

Jesse Hoddinot of Adrian, was elected to the office of District I director of Michigan Milk Producers Association according to an announcement by Jack W. Barnes, assistant secretary-manager of the association. By virtue of his election he will serve on the state board of directors of the association.

Alfred Kuhl of Chelsea, was named district chairman. Delmar Rupp of Morenci, was chosen vice-chairman and Albert E. Gall, Salsine, secretary.

William Hayes of Ypsilanti was named to the state district committee, Marion Goodlock of Manitou Beach, to the state credentials committee and Bertram Stout of Chelsea to the state nominating committee.

Members of the state resolutions committee selected were: Jay L. Bradbury, Dexter, Robert Curtis, Adrian and Harold Myers, Adrian. The district nominating committee includes Herman Koenig, Chelsea, Arthur Schmitt, Carleton; Bertram Stout, Clayton; Edgar Gyde, Whitmore Lake and Allen Baker, Adrian.

The election marked the first use of a new system of selecting officers for the association and districts. The procedure was approved at a meeting of state delegates last fall and is now being put into operation.

### Barn Destroyed by Fire Wednesday Noon

The barn on the Minnie Allyn estate property on Railroad street, near McKinley street, was completely destroyed by fire of undetermined origin shortly after noon yesterday.

Chelsea firemen responded to another call the past week when a truck caught fire on US-12 at 1 a.m. Saturday. The blaze was brought under control before flames reached the scene and word was sent that they were not needed. The truck turned around and returned to the fire hall.

Mrs. Nell Leach returned home Friday after being a patient the past week at St. Joseph's Mercy hospital, Ann Arbor.

### Management Repeats Willingness To Submit Issue to Arbitration

Chelsea Products factory employees were still out on strike late yesterday afternoon with no indication that an early settlement might be in sight.

Workers, who are members of UAW-CIO Local 437, walked out Friday, Sept. 6, in a dispute over the discharge of a fellow worker.

Union spokesmen declared the discharge "discriminatory" while plant officials stated the man was fired after repeated warnings because of a poor performance record on the job.

Federal and state mediators, and Union officials and committees met with company officials and the company's attorney Monday, but no developments as to settlement of the strike took place.

E. W. Eaton, vice-president and treasurer of Chelsea Products, said that at Monday's meeting the company "again, through the mediators, proposed arbitration." He said the company was willing for employees to start work immediately, if arbitration is acceptable to the Union and providing the Union agrees to abide by the ultimate decision of a neutral and impartial arbitrator.

The Union has given no indication that its stand on the matter had changed. Robert D. Bishop, Chelsea Products plant chairman for the Union said last week that the Union's demands are for full reinstatement of the discharged employee, with full pay since his discharge, before the strike will be called off.

Bishop also stated at that time that the Union was not interested in submitting the issue to arbitration.

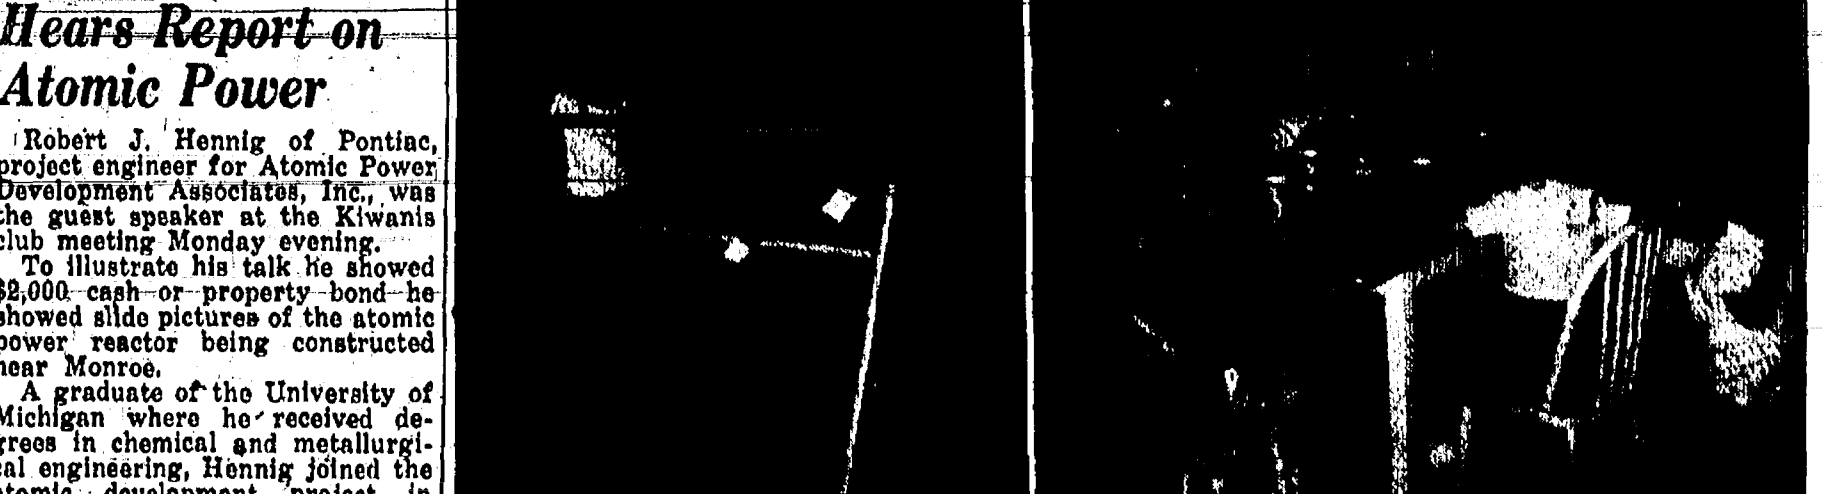

### Bruce Peabody Earns Master's Degree at U-M

Bruce Peabody, son of Mr. and Mrs. Bruce E. Peabody of Cavanaugh Lake, is one of 602 students who received degrees for graduate work at the end of the University of Michigan summer session, according to an announcement by the University's office of registration and records. He received a master of arts degree in library science.

GROUND-BREAKING CEREMONY FOR SCHOOL—Members of the Chelsea School District Board of Education, with representatives of architects, contractors, citizens advisory committee and students were present Wednesday, Sept. 11, for ground-breaking ceremonies on the site of the new Chelsea High school building on Washington street. Trenches for the footings of the new high school building as well as for the North Elementary school addition are being dug this week and concrete footings will be poured as soon as the steel reinforcements for the footings are available. In the photograph, from left, are Mrs. Alfred Mayer, a member of the Citizens Advisory Committee; her daughter, Nancy; a senior at Chelsea High school representing the student body; Walter Harper, also a member of the Citizens Advisory

committee; Orion Webster, general superintendent of the North Construction Company of Jackson, builders of the new high school; Radcliffe North and Howard Sayers, both of North Construction Company; Earl Beeman, treasurer, and Leon Marsh, trustee, of the Chelsea School District Board of Education; Charles Lane, high school principal; Dr. J. V. Fisher, School Board president who turned the first shovelful of dirt; Charles Cameron, Chelsea school superintendent; Howard Flintoft and Dudley Holmes, school board secretary and trustee, respectively; Daniel Tracey, supervising architect for the architectural firm, Yamasaki, Lahnweber and Associates; Charles Thompson of Toledo, O., mechanical contractors; and Loren Turner, of Turner Electric Company, electrical contractors for the new school.

COOPERATIVE NURSERY — Holly Ann Powers and Carol Ellen Boehler were having a wonderful time on the merry-go-round at the Chelsea Co-operative Nursery when the photograph (upper left) was taken. Holly Ann is a daughter of Mr. and Mrs. H. C. Powers and Carol Ellen's parents are the Paul Boehlers. At the upper right, George Cameron, youngest son of School Superintendent and Mrs. Charles Cameron, is shown at the work bench, doing a good job of driving a nail into a board. At the lower left Randy Selts, son of Mr. and Mrs. J. Raymond Selts, is shown as he neared the top of the jungle gym bars; and at lower right, Mrs. Raymond Schairer, the Co-operative Nursery teacher, is shown with a group of nursery children who were having their mid-morning lunch. Children seated around the table included Tim Merkel, son of Mr. and Mrs. Jack Merkel (at left front, facing camera). Others, reading clockwise, are Corinne Musser, daughter of Mr. and Mrs. Jack Musser; Cindy Chandler, daughter of Mr. and Mrs. William Chandler; two youngsters next to Mrs. Schairer unidentified; and Laurie Lancaster, with back to camera. At far right is John Winans, son of Mr. and Mrs. George Winans, and at far left is Danny Gaunt, son of Mr. and Mrs. James Gaunt. Other children who attend nursery school but not shown in the pictures above are Karen Johnson, daughter of the Ray Johnsons; Jimmy Kalmbach, son of Mr. and Mrs. Paul Kalmbach; John Merkel, another son of Mr. and Mrs. Jack Merkel; Andy Pilkington, son of Dr. and Mrs. John Pilkington; LuAnn Strieter, daughter of Mr. and Mrs. David Strieter; Celeste Poulson, the Keith Poulsons' daughter; Jackie Wellins, son of Mr. and Mrs. Jack Wellins; Becky Tipples whose parents are Mr. and Mrs. Rankin Tipples; and Jack Goodson of Mr. and Mrs. Don Goodson. The nursery is operating on a twice-a-week schedule with classes held on the third floor of the Municipal building Tuesday and Thursday mornings.

food, entertainment, and clean-up  
for fun night were appointed. They  
chose Oct. 1 for the first fun  
night and pot-luck dinner. Presi-  
dent of the organization is Nancy

Members for the Girls' Athletic

Board were chosen Monday, Sept.

11. They are as follows: Janet Ber-

nath, Lynne McManis, Donna

Moore and Gerry Rianer.

School librarian, Miss Wiese, has

received five rural schools will

as the town schools. They are

the Jewett Stone School fourth

grade, Rogers Corners kindergar-

den through third grade, Beach

School's first grade, and Lima Cen-

ter second grade. The boys and

girls will be supplied with reading

material from the Chelsea Element-

ary Libraries. The boys and girls

may take these books home just as

the North and South Elementary

schools do.

Hundreds of books are also be-

ing processed for North School

which will have a library of its

own. It will not be ready for some

months yet, but plans are in the

making for reaching their goal.

The library in South School is now

located in what was Mr. Schumm's

private office. Formerly located

in the kitchen, it was moved be-

cause the kitchen was needed for

a fourth grade classroom.

Because new books are being

processed for the schools, the

teachers will supervise the chil-

dren during library period.

High school librarians have been

busy checking in magazines and

new books during the past two

weeks. Most of the helpers were

members of last year's Library

Club. Miss Wiese's helpers were:

Brenda Wiseman, Sherry Frisinger,

Patty Pastor, Cathy Salyer,

Sharon Allan, Elva Willoughby,

Malcolm Reinhardt, David Kep-

hardt, LeVere Carr, Barbara Sut-

tin, Clinton Schultz, Judy Ridd,

Delores Scherdt, Donna Sherman,

Kathryn Kinder, Donna Sherman,

Judy Nodine, Kathleen Joseph,

Sandra Scherdt, Judy Fite, Bar-

bara Greenleaf, and Mike Carlson

Library Club met to discuss

techniques for operating the li-

brary. No officers were elected in

this meeting.

Although the library seats only

16 people, the study hall which

seats as many as 140 students,

several hours a day provides the

library with its customers. They

choose from a wide variety of

books and other curriculum ma-

terials. Magazines are also avail-

able to read in study hall, which

serves as a second reading room

for the library.

The business of the first journal-

ism club meeting was electing of-

ficers. Nancy Mayer was elected

president and Ellen Keusch was

elected vice-president, but because

of the rule that one person may

head only one organization, Ellen

and Nancy traded positions. For

secretary, Karen Munro was elec-

ted. The officers will meet to de-

cide on a treasure. The club will

hold meetings every Wednesday

during activity period.

Chelsea High School welcomes

the following new students: sev-

enth grade, Terry Miller, Judy

Grove, John Ashley; eighth grade,

Ken Weinkauf, Lloyd Wolestale,

Delores Miller, Howard Dorr, Stu-

ley Alder, Erolina Coppock; ninth

grade, Carolyn Miller, Ava Bulson,

Marilyn Fajot; tenth grade, Cathe-

rine Dorr, Willie Hellig, Mary

Alder; eleventh grade, Robert A-

lder, Albert Miller, Sandra Karner;

twelfth grade, Beatrice Alder,

Gary Roderick, Vele Coppock and

Elena Romero.

The senior class began the year

with a successful stand at the fair.

Selling tickets for rides at the fair

proved profitable.

The former president, Janie Mor-

gan, was re-elected president. For

vice-president, Denny Schumm was

chosen. Sandra Buehler is sec-

retary. The treasurer has not yet

been chosen.

To top it all, a senior girl, Karen

McAlister, was crowned queen of

the Chelsea Fair. The queen re-

ceived prizes from local stores.

The seniors are working hard

and hope to have a most successful

year.

A flying saucer made of white

napkins on a background of blue

crepe paper was the float made by

the junior class. The queen that

rode on it was Carol Ann DeMint,

who was selected by her class-

mates. The float won first prize,

which was \$20.00.

Juniors also had a refreshment

stand at the Community Fair.

The tenth grade's newly elected

class officers are as follows: Roger

Herman, president; Linda Fisher,

vice-president; and Diane Gavey,

secretary. The treasurer will be

chosen by the officers and class

advisors.

The ninth grade, in their class

meeting Sept. 4, elected Tommy

Dunlap, president; Danny Mayer,

vice-president; Jerry Ringe, sec-

retary; and appointed Carol Cam-

eron, treasurer.

In English class the ninth

graders are reading different types

of stories and discussing the dif-

ferent characters.

They have been discussing how

an alien may become an American

citizen during civics class.

In algebra the freshmen are

learning some simple formulas.

Newly chosen eighth grade offi-

cers for 1957-58 are Donald At-

kinson, president; Jim Maynard;

vice-president; Donna Snyder, sec-

retary; and Nancy Carter, treasur-

er.

The class is making plans for a

record hop for the seventh and

eighth grades.

The seventh grade hasn't chosen

their class officers yet, because

their teachers think that they

should become well acquainted be-

fore choosing them.

The class has been invited to an

eighth grade dance in November.

Beyond that they have participated

in no activities or planned any.

The high school band is busy

preparing for the halftime show at

the Chelsea vs. Dexter football

game, Sept. 20.

The band gave a short concert

at the Chelsea Fair, Sept. 7. A

few of the numbers the band

played were: "Anchors Aweigh,"

"Waves of the Danube," and

"Trumpet Soliloquy." With Byron

Pearson as trumpet soloist.

Band members elected the fol-

lowing people for officers this

year: Byron Pearson, president;

Donna Walz, vice-president;

Sharon Smyser, secretary; and

Jeanie Larson, treasurer.

The band has been invited to the

University of Michigan Band Day,

Oct. 5.

The drivers training car will see

plenty of action this year.

Requirement concerning drivers li-

censes, quite a few students are

taking driver's training this year.

Consequently, there are five dif-

ferent classes, three taught by Mr.

Taylor and two taught by Mr.

Conklin.

Right now, because of the law

requiring that a student spend

thirty hours in a classroom, the

prospective drivers are speeding

around in their imagination. Soon

however, they will be out on the

highway. So, pedestrians, beware!

Art I and II students are making

mosaics with pieces of colored

paper pasted on a gray back-

ground. After the completion of

this project, they will begin study-

ing the history of art. Lives of

famous artists will be included in

this study.

Art classes will begin in the

elementary schools in the near

future.

The home economics classes have

been studying good grooming.

They are now dividing into

groups, each of which will be as-

signed different activities.

Home Economics II is choosing

home projects.

MILK PRODUCTION TEST

RECORD ANNOUNCED

According to an announcement

by the Holstein-Friesian Associa-

tion of America, an outstanding

official production record made by

a cow owned by George Macomber

of Parker road, has been certified

by Michigan State University as

part of the Herd Registry pro-

gram.

Milked twice daily for 337 days,

Macomber's cow, Whippoorwill

Mutual Bred 9510759 produced a

total of 12,081 lbs. of milk and 467

lbs. of butterfat as a three-year-

old.

Bible Verse To Study

"Fear not them that kill the

**Lt. Stanley Knickerbocker**  
Undergoing Training as  
Jet Pilot-Instructor

Craig APB, Ala.—Second Lieutenant Stanley P. Knickerbocker of Chelsea, Mich., has arrived at Craig Air Force Base, Selma, Ala., where he is enrolled in the Basic Pilot Instructor School for ten weeks of intensive flying training. Designed to train pilots as flying instructors, this school is the only one of its kind currently operated by the Air Force. Lt. Knickerbocker is required to spend approximately 79 hours flying the Air Force T-38 jet airplane during his stay in Craig.

Upon graduation he will be assigned to an Air Training Command base to teach the techniques of flying single-engine aircraft to student pilots.

He is the son of Mrs. M. L. Knickerbocker of 429 West Middle street, Chelsea, and the late Mr. Knickerbocker.

Mrs. Edward Nahmens and Mrs. R. C. King and their brother, Louis Policht, all of California, spent last week here visiting their parents, Mr. and Mrs. Joseph Policht, and other relatives. They returned to California by plane on Monday.

Mrs. Walter Wolfgang.  
Mrs. William Reule.

CARD OF THANKS

Our sincere thanks are extended to the friends and relatives who so thoughtfully expressed sympathy by means of cards, flowers, messages and many acts of kindness during our recent bereavement; to those who were so kind to our loved one during the months she was an invalid and during her final illness the past two weeks; also, to the American Legion Auxiliary for the use of the walker. We shall always gratefully remember the many kindnesses shown at a time when it meant so much to us.

The Family of  
Mrs. Hulda Montague.

EVENING PHILATHEA CIRCLE

Fourteen members were present for the meeting of Evening Philathea Circle of the WSC of the Methodist church held Tuesday evening in the church social center. Mrs. Alfred Weinmann, in charge of the devotional service, stressed the opening of schools this month, making a comparison with lessons in Christian living which adults may learn by reflecting on their own school days and their experiences since.

The programs for the year were presented to the group for approval and this was followed by a report of her recent trip to Europe given by Mrs. Russell Bernath. She also showed slide pictures of scenes she had visited.

The evening's gathering was closed with the serving of refreshments by Mrs. George Atkinson and Mrs. LeRoy Hoffman.

BEACON LIGHT EXTENSION CLUB

Beacon Light Extension club, with 14 members and one guest present, met Tuesday evening with Mrs. Raymond Jacob, Jr.

Mrs. Robert Bruestle presided at the business session during which the hostess year books were filled out.

The recreation chairman, Mrs. Allen Alber, was in charge of a social hour and provided games in which prizes were won by Mrs. Armin Kuhl and Mrs. David McCormick.

Mrs. Ruth Sott will be hostess for the next meeting in October.

Michigan Bell Asks Re-Hearing on Rate Application

Lansing—Urging an up-to-date review of its financial affairs, the Michigan Bell Telephone Company has petitioned the Public Service Commission for a re-hearing of its rate application on which the company last month received less than a quarter of the increased revenues it had requested.

The company also has filed an application for approval of a \$40 million debenture issue to retire demand notes already incurred on past and current construction projects. The proposed debenture issue would be offered at public bidding about Nov. 18.

In a statement accompanying the petition for a re-hearing of its rate application, William M. Day, Michigan Bell president, said the return on investment allowed by the Commission does not meet the costs of doing business today and that the company will be unable to achieve even that return in the near future.

The Commission handed down an order Aug. 8 allowing the company additional revenues of \$2,335,000 a year on its application for an increase of \$12,500,000 annually. It based its decision on financial operations of the company during the test period covering the calendar of 1956.

## NEWS HOLLYWOOD

Practically all of the movie stars will be appearing on television this season. Frank Sinatra has ten half-hour shows for ABC already in the film can. His first show, however, will be live—a one-hour spectacular from Hollywood, Oct. 8.

When Robert Mitchum puts his first independent movie, "Thunder Road," before the cameras, his 16-year-old son, Jim, will play the role of his brother. It is Jim's first screen appearance. Bob will have blue-eyed, red-haired Sandra Knight, 18, daughter of an MGM policeman, as his leading lady.

Sam Katzman has signed Mollie Bee—discovered via television—for "Going Steady." Sam would like very much to get Ronnie Burns to play opposite her.

While in Switzerland, Sophia Loren had a plaster cast made of her figure and sent it to her dress designer in London so that her costumes for "Stella" would be completed and ready by the time she arrived there.

We hear that Dean Martin may be Doris Day's co-star in "The Lady and the Bandit."

Rock Hudson has returned to Hollywood from Rome, where he was working on "Farewell To Arms." The work was so strenuous that Rock lost 15 pounds during filming.

Cecil B. DeMille says he expects "The Ten Commandments" to gross \$20,000,000 net by the end of this year.

Because any remuneration he might receive for additional assignments during 1957 would place him in a surtax bracket, which would leave him with less net than if he does nothing for the balance of the year, Ralph Meeker plans to take it easy until Jan. 1. Meeker has starred in several TV shows and a movie since Jan. 1.

Anna Maria Alberghetti has signed with Dinah Shore for three of Dinah's TV shows. Dinah has

also signed Jane Powell for her Christmas show.

Since the death of Oliver Hardy, MGM has dug from its vaults four 15-year-old Laurel and Hardy shorts to take advantage of the current revival of their old comedies on TV. The three will be combined into a feature-length subject for rental to theaters before being turned over to the studio's TV outfit.

Council Room  
August 28, 1957

Special Session.  
This meeting was called to order by Pres. Alber at 7:30 p.m. for the purpose of discussing hiring an Administrative Engineer for the Village of Chelsea.

A representative of the Michigan Municipal League was present at the meeting, namely Miss Lois Holmes. Miss Holmes discussed the method used by the League in securing and screening applicants for a position such as an Administrative Engineer. It was explained to the Council that an examination will be prepared both oral and written by the League and administered by them. However, after the League has screened the applicants and graded them it is then up to the Council to make the final decision. Many questions were asked by the Council as to what qualifications, experience, references, etc., should be expected. As a result of the above interview the following action was taken.

Resolution by Barr, supported by Larson, that the Michigan Municipal League be engaged by the Village to conduct the examinations for the procurement of a Village Administrator for the Village of Chelsea. It being understood that the Council will give the final decision as to choosing the successful applicant. Roll call: Yeas all. Motion carried.

Motion by Barr, supported by Shutes, that Paul Pierce be temporarily employed by the Village of Chelsea as its building inspector. Roll call: Yeas all. Motion carried.

Motion by Larson, supported by McManis, to adjourn.

## BOY SCOUT NEWS

Coming activities announced for Explorers of Post 25 are a hayride Oct. 5; a special Camp-o-ree at South Lake O. 25-57; and a Halloween Party Oct. 31.

Reports were given at last week's Explorer meeting by William Morley on the bus painting project and on the U. of M. football schedules.

Other reports were presented by Tom Brooks, who is in charge of the outdoor committee planning a canoe trip; Vic Blechaczky, pertaining to a fund-raising campaign; and Jim Collins, chairman of the social department which planned the coming hayride.

Next Saturday Explorers Scouts who are on the bus detail are to be at the Municipal building at 9:30 a.m. and bring their lunch.

Officers elected at the Sept. 17 meeting are Wilson Morley, senior crew leader; Dick Penhaglog, secretary-treasurer; and Guy Devine, quartermaster.

Next regular meeting will be at Sylvan Town Hall Tuesday, Sept. 24, 7 p.m. All boys 14 and over, welcome.

TROOP 76  
Troop 76 met at the south Elementary school Tuesday Sept. 17. Officer Carter from Ann Arbor, talked to the boys about safety on bicycles. Then Mr. Kell, troop leader, asked questions. We had two visitors, one from Troop 25. We played a game and had our closing ceremonies.

Roger Pritchard, scribe.

TROOP 25  
Monday night the boys learned how to tie the knots, led by Mr. Dickelman. After that the boys went to patrol corners and paid dues. Afterward the Green Bar had a meeting and made out the menu for the next camp.

Dues for the camp will be \$2.50 and should be turned in by next Monday, Sept. 23, because the camp is to be held Sept. 27-29. The troop patrol names are the Halket, Broken Arrow, Sleep Bag and the Indian.

### Anne M. Koselka, John-Ferguson Wed In St. Mary's Church

St. Mary's Catholic church was the setting for the marriage ceremony uniting Anne Margaret Koselka, daughter of Mr. and Mrs. Frank Koselka, and John Edward Ferguson, son of Mr. and Mrs. Kenneth Ferguson of Manchester, at 4 p.m. Saturday. The Rev. Fr. Leo Laigo officiated and Mrs. Duane Boyer sang "Ave Maria" and "Mother, At Your Feet Are Kneeling."

The bride is a graduate of Chelsea High school and attended Marygrove College in Detroit before accepting employment at University of Michigan hospital, Ann Arbor.

A graduate of Manchester High school, the bridegroom served in the U. S. Marine Corps and is now employed at the Clinton Machine company.

For her wedding the bride wore a gown fashioned of white Chantilly lace, nylon net and satin, styled with a fitted bodice of the lace over satin, having long sleeves and a sculptured neckline. The bouffant skirt had a double overskirt of nylon net with Chantilly lace inserts. Her tiered veil of nylon illusion was fastened to a cadet of pearls and indented sequins. She carried an orchid and stephanotis on her prayer book.

For her role as matron of honor, Mrs. Arden Musbach wore a gown of forest green taffeta in princess style with the bouffant skirt featuring a double puff at the back. Her matching tulle headpiece was trimmed with a pearl-dotted nose veil. She carried a basket of gold colored mums.

Margaret Ferguson, sister of the bridegroom, and Carol Shaver of Livonia, a cousin of the bride, were bridesmaids. Their gowns, styled like that of the matron of honor, were of rust and gold, respectively. Their flowers were mixed gold and rust colored mums.

William Ferguson of Manchester, brother of the bridegroom, was best man, while Harvey Koselka, brother of the bride, and Lawrence Gonyer of Manchester, served as ushers.

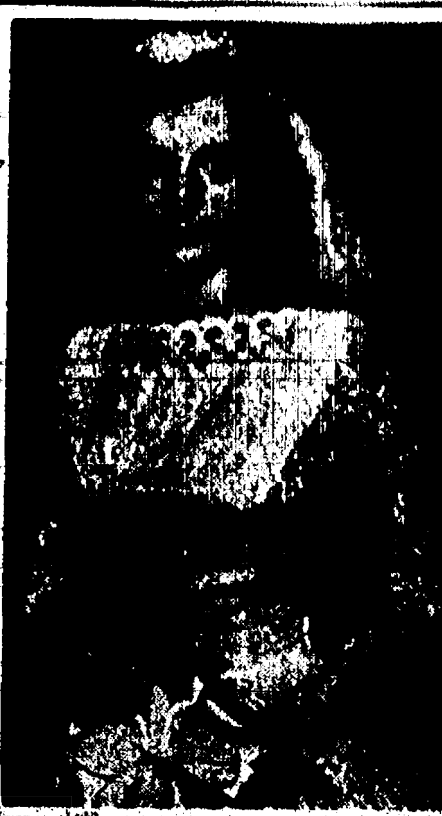

At a reception, held at the home of the bride's parents on North Lima Center road, Betty Leggett registered the guests in a guest book; Mrs. William Ferguson cut the cake; and Mrs. David Luick was at the gift table.

The bride's mother chose as her costume for the wedding an all navy dress of satin trimmed crepe with matching accessories and a corsage of pink roses.

The bridegroom's mother, in cinnamon crepe with black accessories, also had a corsage of pink roses.

Following a trip to Quebec, Canada, the couple will live at Clinton and will be at home there after Sept. 21.

The inventor of spectacles is one of the unknown heroes of science and an anonymous benefactor of mankind. Until spectacles were introduced more than 650 years ago, millions of nearsighted people didn't think the world they lived in was such an impressive place. They lived out their lives unable to see mountains, clouds or stars.

### Wedding Anniversaries Honored by Neighbors

Twenty-five neighbors gathered at the home of Mr. and Mrs. Walter Wolfgang Saturday evening in celebration of their 25th wedding anniversary which occurred Sept. 7. They were presented with several gifts and a shower of silver dollars.

The occasion also served as a celebration of the wedding anniversaries of Mr. and Mrs. Elmer Bristle—who were married 17 years ago Sept. 9, and Mr. and Mrs. Loren Koenigter who were married eight years ago Sept. 12.

Eulchre was the evening's entertainment, with Clarence Trinkle receiving the traveling award and high prize for the men; Miss Joyce Eismann high for the ladies; and Mrs. Loren Koenigter and Sylvester Weber, consolation awards.

Refreshments were served at the close of the evening.

Water continues to increase in importance and value as a mineral resource. Each citizen in modern society requires more than 1,300 gallons daily to meet direct and indirect needs. For example, it takes 65,000 gallons of water to produce one ton of finished steel.

### September Birthday Party Honors 22 at Methodist Home

Yesterday, at the Methodist Home, a birthday party was held for all residents whose birthdays occur in September.

Of the 22 people honored, one is celebrating her 95th birthday, Sept. 25, and another observed her 91st birthday, Sept. 15. The 95-year-old is Mrs. Carrie Firman, formerly of Birmingham, and the 91-year-old is Mrs. Agnes Aldrich who came from Hillsdale.

Another of the celebrants is Mrs. Minnie Stascher, who came to the Home from First Methodist church, Ann Arbor, last week, and observed her 90th birthday this month.

Others honored are Mrs. Mary Patterson, Miss Ethel Morrow, Mrs. Stella Nadeau, Miss Anna Wilsey, Mrs. Jane Hildebrand, Mrs. Rhoda Roche, Mrs. Myrtella Blount, Mrs. Christine Taggart, Mrs. Laura Fraser, Miss Mary Gregg, Mrs. Florence Tiffany, Miss Lonah Burrows, Mrs. Georgina Donnelly, Mrs. Maude Barker, Mrs. Orpha Fisher, Mrs. Clara Swarts and Mrs. Lillie Doelle. Two men are also included—Leonard Hendee and George Frisgren.

Charles—Mason and Charles Thomas, who live at the Home and often have assisted in making unique decorations for the birthday parties, have made miniature school benches and desks, complete with doll scholars to carry out the "school days" theme.

The color scheme was yellow and brown, the colors also being used on the birthday cake baked and decorated by Mrs. Russell Baldwin.

Birthday gifts for the honored men and ladies were stationery, baskets and scatter pins.

### PILGRIM CHAPTER

Members of Pilgrim Chapter of the Congregational church held a social meeting Thursday evening at the home of Mrs. Donald Wals with Mrs. William Van Riper as co-hostess.

"White elephant" prizes were awarded in the games which were the evening's entertainment.

The next meeting is to be held Oct. 10 at the home of Mrs. Max Hopburn. Mrs. Walfrid Impola will assist as co-hostess.

Anyone offering to share a medicine with a friend does so, of course, with the kindest of intentions. But this practice is risky... and the only sensible thing to do is to steer clear of all such offers.

Sometimes you might be tempted to "borrow" medicine. Your friend's symptoms were just like yours and you've been given... or at least think you've been given... the same prescription. So why let that leftover medicine go to waste?

But, as your doctor will tell you, similar symptoms don't always indicate the same trouble. Joint pains aren't necessarily signs of arthritis, and chest pains don't always mean heart trouble.

Even if two people happen to have the same illness necessitating the use of the same drug, it still would be hazardous to use another's prescription. For drugs come in many strengths and many forms... and the prescription that is right for someone else may be wrong for you. Then, too, some drugs lose their effectiveness within a few weeks or months after the original prescription is filled.

So don't let well-meaning friends keep you from getting the full benefit of your doctor's counsel and the medicine he prescribes. Seeking professional medical advice—and then following it—may well turn out to be one of the really big bargains of your life.—Reprinted from a copyrighted advertisement published by Parke, Davis & Company, Detroit 2, Michigan.

## DEATHS

### Mrs. Mabel E. Hoppe

Life-Long Chelsea Resident Killed in Auto Crash

Mrs. Mabel E. Hoppe, 66 years old, died suddenly Friday afternoon as the result of an automobile accident in the township. Her home was at 409 West Middle street.

A 1908 graduate of Chelsea High school, she attended Michigan State Normal College at Ypsilanti, new Eastern Michigan University, and taught school for many years.

She was also employed for a time as a bookkeeper for the former Elanders automobile factory here and for Michigan Bell Telephone Company.

In February, 1915, she was married to Elmer E. Hoppe and they operated a creamery for 10 years on Park street. Mr. Hoppe died in 1941, in Florida.

Mrs. Hoppe was a member of the Pythian Sisters and the Chelsea Methodist church.

Survivors are an uncle and aunt, John Weber and Mrs. Mollie Hoppe of Musbach road, and a number of cousins, nieces and nephews.

Funeral services were held at 2 p.m. Tuesday at the Burghardt Funeral Home and burial took place in Maple Grove cemetery, Sylvan Center.

### Edward W. Fisk

Retired Central Fibre Worker Killed in Crash

Edward W. Fisk of 110 Hayes street, was killed Saturday afternoon in an automobile accident on M-92 near Boyce road, in Lyndon township.

A former New York Central engineer, he was employed for some years by the former D.U.R. line before going to work for Central Fibre Products company. He was retired from Central Fibre in 1952.

Born May 26, 1880, in Sylvan township, he was a son of Howard and Edna Hill Fisk.

Aug. 31, 1905, at Windsor, Ont., he was married to Ava Harper, who survives.

Also surviving are two sons, Harold of Bucyrus, O., and Wallace of Latrobe, Pa.; two daughters, Mrs. Elva Broadway of Whitmore Lake, and Josephine, at home; and six grandchildren.

Funeral services were held at 2 p.m. Monday at the Staffan Funeral Home with the Rev. S. D. Kinde officiating. Burial followed in Oak Grove cemetery.

Mr. Fox formerly lived in Grand Rapids where he was the oldest member of Enterprise Lodge No. 408, IOOF.

He was born in Grand Rapids and lived there until coming to Chelsea to make his home.

His wife, the former Jennie Fisher, to whom he was married Sept. 8, 1898, died Oct. 20, 1936.

Surviving, in addition to Miss Fox, is a sister, Mrs. Charles (Rebecca) Libby, of Grand Rapids.

Funeral services were held at 11 a.m. Monday, at the Metcalf Mortuary in Grand Rapids, with the Rev. Paul R. Abbey of Trinity Methodist church, Grand Rapids, officiating. Burial was in Oak Hill cemetery, Grand Rapids.

## Farmers' Guild Questions MSU on Management Tour

The September meeting of Lima-Sylvan Farmers' Guild was held last week at Lima Community hall. A discussion was held on various aspects of the Farm Management tour, after which a committee was appointed to write Michigan State University a letter expressing our viewpoints. The letter is as follows:

Michigan University Farm Management Dept. East Lansing.

To Whom It May Concern:

On Aug. 20, 1957 a farm management tour was conducted by Michigan State University and Washtenaw county agriculture where we were invited to the Powers farm south of Chelsea.

In our opinion the tour displayed only the bright side of the picture. Inasmuch as the hay and grain was brought in from other farms should we not also have visited these acres and checked the fertility there? Does this method practice soil conservation which the United States Department of Agriculture preaches? At the Powers farm corn was displayed giving the farm much credit as to fertility.

It also was asked what Mr. Powers would do if he could not buy this hay or grain. The answer was "rent land nearby." The figure used for cash rental was \$10.00 per acre and it would take approximately 200 acres or \$2,000.00 insurance, interest on investment, plus maintenance to produce soil conservation on these acres!

For the Powers when extra equipment was mentioned was interest on this equipment figure! Should not the University spokesman have corrected these conditions with the know-how they supposedly have, in like manner as a schoolteacher corrects a child on errors that they make. We should not have to work on someone else's loss.

Respectfully yours, Paul Seltz, Secretary of Local 558.

Mr. and Mrs. Neil Beach are now living on the campus at Lake Forest College, Lake Forest, Ill. after their stay at the U. of M. Biological Station at Douglas Lake near Cheboygan where Mr. Beach was dean of women. Mr. Beach is now assistant professor of biology at Lake Forest College. Prior to their departure they spent a few days with Mr. Beach's parents, Mr. and Mrs. William Beach.
