FISH STORIES may come and go but this one will last. Ten-year-old Marc Booth of Birmingham, Ala., who caught a 19-inch largemouth bass that successfully eluded veteran fishermen at Crooked Lake the past two years, brought his catch to Chelsea, Tuesday morning, July 8, and was showing the fish to a real veteran fisherman, Bill Schatz, when the above photograph was taken.

Ten-Year-Old Visiting Fisherman Lands Prize Bass at Crooked Lake

A thrill that all fishermen will understand was experienced by a 10-year-old visitor from Birmingham, Ala., when he caught a 19-inch largemouth bass at Crooked Lake Monday evening, July 7, after hearing stories about "the big one that couldn't be caught."

The youngster, Marc Booth, got his prize catch with a cane pole and a No. 8 hook, using a common worm as bait.

Fishermen previously had used many kinds of lures and baits in their attempts to catch the big fellow, often seen in the vicinity of a sunken dock in the center of the lake.

Marc, who is visiting his grandparents, the Austin Beches, asked his mother, Mrs. Olive Booth, to row him to the dock saying on the way out that he wanted to catch the big fish he had heard other fishermen talking about that day.

The fish took his bait after he had been fishing only a few minutes. His mother was speechless with surprise but managed to help him until nearly fishermen, noticing the excitement, came over and helped get the fish into the boat.

When the men told him the fish might still jump back into the water if not confined, the youngster removed his windbreaker, wrapped his catch in it and held it down with his foot until he and his mother reached shore. The fish weighed three pounds.

Marc is a fourth generation member of a family that spends the summers at Crooked Lake. His great-grandmother was the late Mrs. Christine Anderson. With him at the lake this summer are his mother, his older brother, Larry, and his sister, Janet.

Rummage Sale Will Net About \$1,425 for Kiwanis

According to reports given at Monday's meeting, the Kiwanis club of Chelsea expects net receipts of approximately \$1,425 from their annual rummage sale held last Friday and Saturday. The money is specified for the club's various community service projects.

The program at the meeting, held in the social center of the Methodist church, featured colored slide pictures shown by the Rev. E. J. Weiss. The pictures were taken on a European trip of the Rev. and Mrs. Weiss two years ago.

Guests at the meeting Monday included Dr. James Botsford and Dr. Michael Papo, who opened an office here last week.

Also present as guests were the following Kiwanians: Harold Beale of Ypsilanti; George Elliott of Ypsilanti; Carl Lewis, Ev. Burmeister, Jerry Reeves, Bill Lyons and Fred Van Dyke, all of Plymouth.

Farmers' Guild Plans Annual Family Picnic

Sylvan-Lima Farmers' Guild will hold its annual family picnic Sunday and plans are completed to hold the affair at the IOOF hall on M-92, just south of Old US-12. Dinner is to be served at 12:30 p.m.

The Guild will furnish wieners and buns, ice cream, milk, coffee and cold drinks.

Those who attend will bring their own table service and will also bring their own chairs.

Postponed Band Concert Set for Friday

The band concert, scheduled for last Friday night and postponed because of rain, will be given tomorrow, July 18, at 7:30 p.m., according to an announcement by Gayle Grove, instrumental music director at Chelsea High school.

The program will be carried out as announced and is to include a flute quartet composed of Carolyn Bareis, Charlotte Harris, Lynn Slusser, and Jean Pajot. The balance of the program will contain marches, an overture, waltzes and popular numbers as follows: "Ceremonial March," "Park Ridge Overture," "Waltzing Doll," (Flute Quartet), "Waves of the Danube," "Washington Post March," "Rock Around the Clock," "Shortnin' Bread," and "Military Escort."

Five students in the grade school band have tied for first place for summer progress in method books. The five are Nancy Koenigster, Sandra Johnson, Carolyn Wilkerson and Gary and Raymond Seitz.

In the junior band, Carol Mayer is in first place and Linda Bloss in second place for method book progress, and in the senior band Judith Grove is in first place and Jean Pajot in second place.

The summer band program has reached the half-way mark with four weeks completed and four more weeks to go.

Fair Barbecue Signs Seen 'Everywhere'

Salesmen calling on Chelsea customers this week related that "all over the country you see 'Chicken Barbecue, Chelsea Community Fairgrounds, Sunday, July 27,' on posters advertising the Fair Board's project by which it is hoped to raise sufficient funds to defray the cost of installing electricity and equipment at the fairgrounds and in the newly-constructed building on the grounds.

Long-range weather reports indicate that temperatures will be from "three to five degrees higher than normal" but mention nothing about possible rain. In any case, "rain or shine," the barbecue will go on without interruption since the charcoal pits can be covered and patrons can be served inside of the new building.

Plans are going forward to serve 2,000 people and serving techniques being planned will provide fast service with no long waits in line.

Tickets are on sale in communities throughout southern Michigan and northern Ohio. Provision is being made for take-out service throughout the afternoon and evening.

Welcoming Project Receives New Name

The welcoming project instituted here by the Chelsea Jaycees Auxiliary has been officially named the "Chelsea Welcoming Service," it was announced this week. The group was formerly designated the venture as "Welcome Wagon" but since there is an incorporated group known as "Welcome Wagon, Inc." of which the Chelsea Auxiliary is not a member, the name was instantly used here.

The Jaycees Auxiliary committee in charge of the project continues, as before, to call on newcomers to welcome them to Chelsea. The committee presents them with cards entitling them to free gifts from merchants and also provides information about churches, schools and organizations to help acquaint them with the community.

RALLYING TO THE AID of a neighbor and fellow worker, men (and some women) of the Railroad-street-Taylor Lane area, other friends and a number of Chrysler Proving Ground employees gathered Saturday to paint the home of Mr. and Mrs. Ren Hutzal at 405 Railroad street. Hutzal had started the painting project the previous week before being hospitalized with serious injuries sustained while at work at Chrysler Proving Grounds, July 7. Also completely painted Saturday was the Hutzals' garage. At noon, women of the neighborhood served a lunch to the workers and included quantities of potato salad, baked beans, lemonade and home-made pies. Hutzal is still a patient at St. Joseph Mercy hospital recovering from fractures of both shoulders, a deep gash under his left arm and friction burns on his back, suffered when he became entangled in the moving parts of a rock crusher machine.

Drilling Oil Well on Wynn Boyce Farm

On the Wynn Boyce farm on M-92, William Albers, a Detroit oil well drilling contractor, has struck gas in quantities amounting to 100,000 cu. ft. per day at a depth of 1,800 feet.

At a depth of 1,780 feet, in the Detroit River formation, he found traces of oil and gas and his six-man crew is working in eight-hour shifts around the clock continuing drilling operations to reach the Trenton formation at 6,000 feet.

Because of the amounts of gas encountered, smoking in the area of the drilling outfit is being forbidden, Albers said.

Albers is drilling the test well for George Hanners of Dearborn, operator and owner of acreage leases. The outfit has been on the Boyce farm the past three weeks.

In 1951, Albers drilled a test well at Unadilla which turned out to be a dry hole. He said his study of drillings done in this area in the past few years leads him to believe that oil in paying quantities will be found.

GORDON VAN RIPER
Earns Doctorate At U. of Wisconsin

Gordon Van Riper, formerly of Chelsea, received a doctor of philosophy degree June 30 at the University of Wisconsin at Madison, Wis.

He has accepted a position at the University of Nebraska where he will be doing forage crops research and teaching.

He and his family are now living at 6237 Huntington avenue, Lincoln, Neb.

A son of Mr. and Mrs. Everett Van Riper, his wife is the former Janis Dancer.

Both Teams Win in Babe Ruth League

In Midget League baseball last week, the Cubs defeated the Sluggers, 10-6. The Tigers beat the Yankees, 6-1; Yankees beat the Sluggers, 2-0. The Sluggers' Lee Satterthwaite had a home run, double and a single. In the week's final game the Cubs beat the Tigers 6-1.

In Babe Ruth play both of Chelsea's teams won.

The Chelsea Nationals who are in first place in the National division, defeated the Willow Run Nationals, 7-4. Jerry Ringie limited Willow Run to four hits, while striking out 10. The big hit for the Nationals was Don Blalock's bases loaded single in the fifth which drove in two runs.

In recent all-star selection, Alton (Continued on p. 2)

Civil Defense Siren Test Is Scheduled Monday for County

Legion Post, Auxiliary Officers To Be Installed

The American Legion 14th District ritual team will install Herbert J. McKune Post No. 31 Commander Ray Lutovsky and his staff of officers at joint Legion and Auxiliary installation ceremonies Saturday evening.

Past president of Herbert J. McKune Unit No. 31, American Legion Auxiliary will serve as installing officers for the installation of the newly-elected president, Mrs. Eldon Gorton, and her staff of officers.

A social hour will follow the installation service.

Residents Urged To Report on Signal Strength

In accordance with a request by Washtenaw county's Civil Defense chief, Gerald G. Miller, Civil Defense siren tests will be carried out here next Monday, July 21. Martin E. Miller, Civil Defense director of Zone VI announced yesterday.

Results of the tests of sirens during Operation Alert 1958 on May 21 showed that the signals were heard by less than 50 percent of the people on a county-wide basis. The purpose of next Monday's sounding of the signals will be to (1) test mechanical operation of the equipment, (2) further test the coverage of the sirens and determine dead spots and (3) further acquaint the public with the sound and meaning of the signals.

Martin Miller, as zone director here, is requesting that all residents of this area report to him on whether they heard the sirens. People may write or telephone Miller.

The signals will be sounded in the manner formerly agreed upon here—a series of short blasts of the siren continuing for a full three minutes, and later, the all-clear signal which for the Chelsea area is one continuous blast for a period of two minutes.

The "alert" series of short blasts will be sounded at 1:30 p.m. and the "all-clear" will be given at 2 p.m.

giving information to the zone director after the test, persons are asked to state whether they heard the signal and tell where they live (complete address).

Civil Defense Chief Miller and Zone Director Miller join in emphasizing that co-operation of everyone in the county in listening for the sirens and reporting how well they were heard is especially important. They said the Civil Defense office in the County Building will take reports, as well as all zone directors.

They pointed out that Civil Defense disasters of the future will be tremendous if people do not learn how to survive. They urge them public to be less apathetic toward Civil Defense because of the potential destruction threat posed by nuclear warfare.

Supervisors OK Medical Examiner

At the regular monthly session of the Washtenaw county Board of Supervisors last week, Dr. Otto K. Engleke, county health officer, was named the county's first medical examiner.

The appointment will become effective immediately after the August primary election, provided the voters approve the replacement of the present coroner system with a medical examiner system. Dr. Engleke will continue to serve as health officer.

Under the system, Dr. Engleke will appoint a number of deputy examiners throughout the county. A list of more than 30 names of physicians willing to serve was presented to the board at the time of the discussion. These names were approved as well as a fee schedule for the deputy examiners.

The deputy examiner will be paid according to the number of calls made each month. He will receive \$10 for the first call and \$5 for each additional call. They will also receive a mileage allowance of 10 cents per mile plus other miscellaneous expense connected with the work.

All deputy examiners will be licensed practicing physicians, said Dr. Engleke. In Chelsea, Drs. James Botsford, J. V. Fisher, Victor R. Hanson and Michael Papo were appointed, and in Dexter Dr. Wallace R. Kemp, Jr.; Manchester, Dr. William Purfield; Milan, Drs. J. S. DeTar, Marvin R. Hannum and Robert J. Venrose. In Saline appointments went to Dr. H. A. Miller, and in Whitmore Lake, Dr. W. D. Den Houter. In addition, 13 Ann Arbor physicians were named, along with six from Ypsilanti.

County 4-H Club Agent Is Appointed

Emil Fimbinger was approved by Washtenaw County Board of Supervisors, July 8 for the position of County Extension Agent, 4-H Club Work. Fimbinger has been 4-H Club Agent in Wayne county for the past five years, working primarily in the urban 4-H program.

He graduated from Michigan State University in 1949 with a degree in Science and Arts, majoring in entomology and botany. After serving three years in the Army, he was employed in chemical sales work.

He and his wife, Peggy, have two sons, Russ, six years old, and Ken, three years old. He is well known to many of Washtenaw county 4-H Club members, having served as 4-H judge at county shows.

His appointment is subject to the approval of the State Board of 4-H.

Toll-Free Service Refused on Dexter-Chelsea Phoning

Michigan Bell Telephone Co. said today that the establishing of extended area telephone service (no long-distance charges on calls) between Chelsea and Dexter could not be justified.

N. J. Prakkn, area manager for the company said, "if extended area service were provided the annual revenue from toll charges received, which amounts to \$5,500, would be lost, and a capital expenditure of \$27,000, to provide the facilities would be required."

ARTS AND CRAFTS provide popular activities at morning programs of the Chelsea Recreation Council. These activities, as well as table games, are a part of this year's features at each of the three playgrounds maintained for the summer program. These children were busy at projects of special individual interest when the photograph was taken at the high school playground where Audrey Haab was in charge. Similar activities are carried out at both North and South Chelsea playgrounds, under the direction of Madge Bradbury and Judy Wagner.

Mrs. W. Wolfgang, Son, Initiated into 4-H Service Club

East Lansing—Twenty-six local 4-H Club leaders were initiated into the State 4-H Service Club, along with 51 4-H Club boys and girls, in special ceremonies Wednesday night, July 9, during 4-H Club Week on the Michigan State University campus.

Included among the leaders were Carl Mauto of Grass Lake, and Mrs. Walter Wolfgang of Chelsea.

The latter's son, David, was one of the 4-H club members initiated into the State 4-H Service Club. Also initiated was Pauline Buss of Manchester.

The leaders and members had been chosen by former Service Club members after first being recommended by county extension officers. The county officer also recommended the leaders who were honored. Basis of selection for membership in the Service Club was outstanding service to the 4-H Club program.

Cavanaugh Ski Club Places Fifth In 10-Team Meet

Cavanaugh Lake Ski club placed fifth in a ski meet at Devil's Lake Sunday and placed fifth in a field of 10 teams. In addition, Gary Dault, a member of the boys' team, took first place in the slalom events.

Others on the boys' team are Pat Morkel, Fritz Wagner, Bob Rder, Larry Schramm and Loren Keckor.

The men's division team included Dave Atkinson, Duane Satterthwaite, Paul and Ralph Gunther and Gale Koebbe.

Also participating was Charles Slocum, in the veterans' division.

Dorothea Pleisemeier and Larry Block are spending this week at the CFO camp at Kalamazoo.

MYSTERY FARM NO. 13 might prove to be lucky for you who have had difficulty in identifying some of the previous photos. If you know who owns the farm shown above call The Standard office, GR 5-3581. The owner may have a free mounted photo by calling at our office by Saturday and making his identification.

Dexter Township Interim Zoning Ordinance

Dexter Township
Washtenaw County
Michigan
INTERIM ZONING ORDINANCE
Adopted: July 10, 1958
Effective: August 18, 1958

AN ORDINANCE OF THE TOWNSHIP OF DEXTER, Washtenaw County, State of Michigan:

Chapter 1. To define and establish certain land use districts or zones, within which zoning areas the use of the natural resources, land and buildings, and other structures for the purpose of agriculture, residence, recreation, trade, industry, soil conservation, and water supply conservation shall be encouraged, regulated, restricted, or prohibited.

Chapter 2. To designate the trades and industries that shall be permitted or excluded, or subject to special regulations within such districts.

Chapter 3. To regulate and restrict within such districts the location of trades, industries, and buildings hereafter erected.

Chapter 4. To regulate and limit within such districts the area and size of buildings hereafter erected, and the area of land, yards, courts, and other open spaces.

Chapter 5. To regulate within such districts the use of buildings, structures, or structures, including trailers, shall or shall not be erected or altered.

Chapter 6. To provide for the administration of this Ordinance, and to provide penalties for the violations thereof.

Chapter 7. To provide for the collection of zoning permit fees.

2.10-DWELLING

A building designed or used as the living quarters for one or more families but shall not include trailer coaches.

2.11-DWELLING, MULTIPLE

A dwelling used and designed as a residence for two or more families, living independently of each other and having their own cooking facilities therein, including apartment houses, apartment hotels, row dwellings and dwelling groups.

2.12-DWELLING, ONE FAMILY

A detached dwelling designed for or occupied exclusively by one family.

2.13-DWELLING UNIT

That portion of a building providing complete living quarters for one family.

2.14-FAMILY

One or more persons living as a single house-keeping unit as distinguished from a group occupying a boarding house, lodging house, club, fraternity house or hotel.

2.15-FARM

Any parcel of land of three (3) or more acres which is used for gain in the production of field and/or tree crops, live stock, poultry and dairy products. It normally includes customary farm structures and the storage of equipment used. It excludes riding stables, livery or boarding stables, animal kennels and establishments for the disposal or feeding of public garbage, rubbish or offal to animals.

2.16-FARMER

Anyone operating a farm as a livelihood.

2.17-FILLING STATION

Any area of land including the structures thereon, that is used or designed to be used for the supply of gasoline and oil, or other fuel for motor vehicles and which may include facilities used or designed to be used for polishing, greasing, washing, spraying or otherwise servicing such motor vehicles.

2.18-GARAGE, PRIVATE

A building used for sheltering private motor vehicles; not to be used for human habitation.

2.19-GARAGE, PUBLIC

A building wherein motor vehicles are sheltered and/or repaired for gain.

2.20-GRAVEL PIT, COMMERCIAL

Any operation for the commercial removal of gravel in excess of one hundred (100) cubic yards per year.

2.21-GRAVEL, SAND, EARTH, REMOVAL OF

Premises from which any rock, gravel, sand, topsoil or earth in excess of one hundred (100) cubic yards and a calendar year is excavated or removed for use away from the premises except excavation in connection with the construction of a building or within public highway right-of-ways. Removal of soil is not included.

2.22-HIGHWAY

Any public thoroughfare dedicated to and maintained for the operation of vehicular traffic.

2.23-HOME, CONVALESCENT

A rooming house supplying domiciliary services to people physically incapacitated.

2.24-HOME OCCUPATION

A gainful venture conducted exclusively by members of a family at its place of residence, agriculture as defined in this ordinance (2.03) being excepted.

2.25-HOTEL

A commercial establishment offering living and/or sleeping accommodations for hire. The word "hotel" shall not be construed to include a motel, motor court or trailer park.

2.26-JUNK YARD

A commercial establishment including a structure and/or parcel of land where junk, discarded, salvaged, or similar materials such as old iron or other metal, wood, lumber, glass, paper, rags, cloth, bagging, cordage, barrels, containers, etc. are bought, sold, exchanged, baled, packed, dismantled, or handled, including auto wrecking yards, used lumber yards, house wrecking yards, and places or yards for use of salvaged house wrecking and structural steel materials and equipment.

2.27-KENNEL

Any premises where three (3) or more dogs are maintained or boarded for gain or are kept for the purpose of sale.

2.28-LOT

A parcel of land, less than three (3) acres, occupied or to be occupied by a use, building or dwelling group and accessory buildings and uses together with such yards, open spaces, lot width and lot area as are required by this Ordinance.

2.29-LOT, CORNER

A parcel of land at the junction of and fronting or abutting on two or more intersecting streets.

2.30-LOT, INTERIOR

A lot other than a corner lot.

2.31-LOT LINES

Legal boundaries of a parcel of land.

2.32-LOT, OF RECORD

A lot which is part of a subdivision and is shown on a map thereof which has been recorded in the office of the Register of Deeds of Washtenaw County, or a lot described by units of measurements, the deed to which has been recorded in said office.

2.33-LOT, THROUGH

An interior lot having frontage on two parallel or converging streets.

2.34-MAIN BUILDING

(a) In a residential and agricultural zone the main building is the

chief dwelling; (b) in a commercial zone the main building is the structure housing the principal commercial activity or function; (c) in an industrial zone the main building is the structure housing the principal manufacturing activity or activities.

2.35-MOTEL. (See Motor Court)

2.36-MOTOR COURT

A place providing both lodging for travelers and garage or parking space for their motor vehicles. Motor courts for the purposes of this ordinance shall include motels, motor hotels, tourist courts and other installations offering the same services.

2.37-MOTOR HOTEL. (See Motor Court)

2.38-NON-CONFORMING USE

A structure or land lawfully used that does not conform to the regulations of the district in which it is situated.

2.39-OCCUPATION, COMMERCIAL

Engaging in interchange of goods or services for pay. For the purpose of this ordinance, the sale of produce by a farmer or producing the same is not deemed a commercial operation.

2.40-OPERATION, INDUSTRIAL

Production of an article for sale by manufacture or the assembly of various parts. Adding minor parts to the main article sold or assembly of articles bought wholly or partially knocked down is not considered an industrial operation.

2.41-RECREATION AREA

A golf course, play ground, swimming area, picnic ground, tennis court, etc., where people go primarily to engage in activities and not to watch (as spectators) opposing teams play football, baseball, etc.

2.42-RESTAURANT, LUNCH ROOM, ETC.

Any establishment offering prepared food for sale and consumption on the premises.

2.43-ROOMING HOUSE

A dwelling in which people are housed or lodged for hire with or without meals. One furnishing meals is considered a boarding house.

2.44-SERVICES, ESSENTIAL

The term "Essential Services" shall mean the erection, construction, alteration, or maintenance by Public Utilities or Municipal Departments or Commissions, of underground or overhead gas, electric, steam or water transmission or distribution systems, collection, communication, supply or disposal systems, including poles, wires, mains, drains, sewers, pipes, conduits, cables, fire alarm boxes, post boxes, or other utility signals and signs and fire hydrants and other similar equipment and accessories in connection therewith, reasonably necessary for the furnishing of adequate service by Public Utilities or Municipal Departments or Commissions, or for the public health or safety or general welfare, but not including buildings, towers or substations.

2.45-STORY

That portion of a building included between the surface of any floor and the surface of the floor next above it, or if there be no floor above it then the space between floor and ceiling immediately above it.

2.46-STREET

A public thoroughfare which affords principal means of access to abutting property.

2.47-STREET LINE

The dividing line between the street and the lot.

2.48-STRUCTURE

For the purpose of this ordinance a structure is a building, independently erected sign, a designed tower, transformer station.

2.49-TOURIST COURT. (See Motor Court)

2.50-TOURIST HOME

A dwelling in which overnight accommodations are provided or offered for transient guests for compensation.

2.51-TRAILER COACH

Any house car, house trailer or similar mobile unit which may be used for dwelling or sleeping quarters.

2.52-TRAILER COACH PARK

Any site, lot, or tract of land upon which two (2) or more authorized trailer coaches are parked, either free of charge or for revenue purposes.

2.53-TRANSFORMER STATION

For the purpose of this ordinance a transformer or substation is considered a commercial installation.

2.54-USE, CONDITIONAL

A use of land or buildings requiring a permit from the Zoning Board.

2.55-USE, NON-CONFORMING

A building or the use of building or land conflicting with the provisions of this ordinance on the effective date thereof.

2.56-USED OR OCCUPIED

Any realty or building intended, designed, arranged, or offered for agricultural, commercial, industrial or residential purposes.

2.57-VARIANCE

Use of a structure or land conflicting with the designated uses of the area in which it is located.

2.58-ZONE

The area covered by this ordinance, i.e., this township.

2.59-ZONING MAP

All zoning words in this Ordinance have the customary meaning as set forth in an unabridged dictionary. However any words requiring special interpretation and not listed above shall be used as defined in the Housing Law of Michigan, Act 187 of the Public Acts of 1927, as amended.

ARTICLE III

DISTRICTS AND ZONING MAPS

SECTION 3.01-DISTRICTS

For the purposes of this Ordinance, all of the area of Dexter Township is hereby divided into the following districts, to be known as and having, the following symbols:

A-R-1-Agricultural and Rural Residential District.

C-1-Commercial and Shopping District.

M-1-Industrial and Manufacturing District.

3.02-ZONING MAP

Said districts are bounded and defined as shown on a map entitled "Zoning Map of Dexter Township" which accompanies and which, with all explanatory matter thereon, is hereby made a part of this Ordinance. (The original map is on file in the office of the Dexter Township Clerk.)

3.03-LOCATION OF DISTRICT B

MEMBERSHIP

The Board of Appeals shall consist of three members. The first shall be the Township Clerk, the second shall be a member of the Township Board, and the third shall be a member of the Township Board, appointed by the Board of Appeals. The Board of Appeals shall meet on the first Monday of each month, at 8 o'clock P. M., at the Township Board Room, unless otherwise directed by the Board of Appeals. The Board of Appeals shall have the power to grant or deny appeals, and to impose conditions upon the granting of appeals. The Board of Appeals shall also have the power to grant or deny variances, and to impose conditions upon the granting of variances. The Board of Appeals shall also have the power to grant or deny temporary structure permits, and to impose conditions upon the granting of temporary structure permits. The Board of Appeals shall also have the power to grant or deny appeals, and to impose conditions upon the granting of appeals. The Board of Appeals shall also have the power to grant or deny variances, and to impose conditions upon the granting of variances. The Board of Appeals shall also have the power to grant or deny temporary structure permits, and to impose conditions upon the granting of temporary structure permits.

10.09—TEMPORARY STRUCTURE PERMIT

In the granting of such a permit the Board of Appeals may impose any reasonable conditions deemed necessary to protect the public welfare and the breach of any such condition shall automatically invalidate the permit. Said permit shall clearly set forth that the structure proposed is intended for temporary dwelling purposes and that said structure is to be vacated upon the expiration of a specific time limit to be determined by the Township Board of Appeals. On delivery of the permit, the owner and occupant shall certify in a sworn statement that the structure is for temporary dwelling purposes and that he has full knowledge of the terms of the permit and penalty pertaining thereto. No permit shall be transferable to any other owner or occupant.

10.10—VARIANCES

REQUIRED FINDINGS
No variance shall be granted by the Board of Appeals unless it finds:

A. That there are exceptional or extraordinary circumstances or conditions applying to the property involved, or to the intended use of the property, that justify the granting of a variance to other property or use in the same district and have not resulted from any act of the applicant subsequent to the adoption of this Ordinance.

B. That such variance is necessary for the preservation of a substantial property right belonging to the applicant.

C. That the granting of such a variance will not be materially detrimental to the public welfare or injurious to the property or improvements in the vicinity or in the district in which the property of the applicant is located.

D. That the granting of such a variance will be in harmony with the general purpose and intent of this Ordinance.

10.11—VARIANCES, CONDITIONS MAY BE SPECIFIED
In granting a variance, the Board of Appeals may specify, in connection therewith, such conditions in its judgment, secure substantially the objectives of the regulation or provision to which such variance applies, and the breach of any such condition shall automatically invalidate the permit therefor.

10.12—VOIDING OF VARIANCES OF VARIANCES
Each variance granted under the provisions of this Ordinance shall become null and void unless:

A. The construction authorized by such variance or permit has been commenced within the time specified by the Board of Appeals; or

B. The occupancy of land or buildings authorized by such variance has taken place within the time specified by the Board of Appeals.

10.13—VARIANCES, REAPPLICATION
No application for a variance which has been denied wholly or in part by the Board of Appeals shall be resubmitted for a period of one (1) year from such denial, except on grounds of new evidence or proof of changed conditions found by the Board of Appeals to be valid.

10.14—APPEALS, HOW TAKEN
When making an appeal the appellant shall file with the Board of Appeals and the Zoning Inspector a notice of appeal specifying the grounds thereof. The Zoning Inspector shall forthwith transmit to the Board of Appeals a copy of all papers in his possession pertinent to the subject in question.

10.15—WHO MAY APPEAL
Appeals to the Board may be taken by any person or persons affected by a decision of the Zoning Inspector.

10.16—HOME OCCUPATION, APPEAL FROM
Upon receipt of complaint by a resident of this township to the Appeal Board said Board shall investigate and render a decision disapproving continuance of the home occupation in complaint, or establishing conditions under which said home occupation shall be conducted.

10.17—FEE FOR APPEAL
A fee of Twenty-five (25) Dollars plus cost of notices shall be paid to the Board of Appeals at the time of filing the notice of appeal.

10.18—STAY
An appeal stays all proceedings in furtherance of the action appealed from unless the officer from whom the appeal is taken certifies to the Board of Appeals, after the notice of the appeal is filed, that he has filed with him, that by reason of facts stated in the certificate, a stay would, in his opinion, cause imminent peril to life or property, in which case proceedings shall not be stayed otherwise than by a restraining order which may be granted by the Board of Appeals or by the Circuit Court, on application, or notice to the officer from whom the appeal is taken and upon due cause shown.

10.19—HEARING ON NOTICE
When a notice of appeal has been filed in proper form with the Board of Appeals, the Chairman shall immediately set a time and place for the hearing and cause notices stating such information as well as the object of the hearing to be served personally or by registered mail, at least five (5) days prior to the date of such hearing, upon the party or parties making the request for appeal and/or the property owner.

10.20—REPRESENTATION AT HEARING
Upon the hearing, any party may appear in person or by duly designated representative.

10.21—DECISIONS OF BOARD
The Board shall decide upon all matters appealed from within a reasonable time and may reverse or affirm wholly or in part, or may modify the order, requirement, decision or determination appealed from and shall make such order, requirement, decision or determination as in its opinion ought to be made and to that end shall have all the powers of the Zoning Inspector from whom the appeal is taken. The final decision of such appeals shall be in the form of a resolution containing a full record of the findings and determination of the Board in each particular case.

ARTICLE XI
AMENDMENTS
SECTION 11.01—INITIATING AMENDMENTS
Amendment to this Ordinance may be initiated by resolution of the Township Board, the Zoning Board, or by petition of one or more property owners to be affected by the proposed amendment, which petition made by the individual applicant, or applicants, reflecting his/their own property, shall be filed with the Township Board and shall be accompanied by a fee of Fifty (50) Dollars.

11.02—PROCEDURE
The procedure for making amendments to this Ordinance shall be as follows:

A. Each petition for amendment shall be submitted to the Township Board which in turn shall refer it for recommending action to the Zoning Board.

B. After consideration by the Zoning Board, the petition for amendment, including any changes thereto, which the Zoning Board deems desirable, shall be submitted to at least one (1) public hearing, notice of which shall be given by two (2) publications in a newspaper of general circulation in the Township, the first to be printed not less than thirty (30) days nor less than twenty (20) days and the second not more than eight (8) days before the date of such hearing.

C. Notice of public hearings on any petition for amendment of this Ordinance which proposes to change land use districts as shown on the zoning map within three hundred (300) feet of the boundary of adjacent townships or municipalities shall be sent to the Zoning Boards or other zoning agencies representing such townships or municipalities in order that zoning ordinances may be promoted.

D. The petition, if approved by the Zoning Board, shall be submitted to the Washtenaw County Coordinating Zoning Committee for review.

E. The petition shall then be submitted to the Township Board by the Zoning Board and acted upon in accordance with the provisions of Sections 11.01, 11.02, 11.03, 11.04, 11.05, 11.06, 11.07, 11.08, 11.09, 11.10, 11.11, 11.12, 11.13, 11.14, 11.15, 11.16, 11.17, 11.18, 11.19, 11.20, 11.21, 11.22, 11.23, 11.24, 11.25, 11.26, 11.27, 11.28, 11.29, 11.30, 11.31, 11.32, 11.33, 11.34, 11.35, 11.36, 11.37, 11.38, 11.39, 11.40, 11.41, 11.42, 11.43, 11.44, 11.45, 11.46, 11.47, 11.48, 11.49, 11.50, 11.51, 11.52, 11.53, 11.54, 11.55, 11.56, 11.57, 11.58, 11.59, 11.60, 11.61, 11.62, 11.63, 11.64, 11.65, 11.66, 11.67, 11.68, 11.69, 11.70, 11.71, 11.72, 11.73, 11.74, 11.75, 11.76, 11.77, 11.78, 11.79, 11.80, 11.81, 11.82, 11.83, 11.84, 11.85, 11.86, 11.87, 11.88, 11.89, 11.90, 11.91, 11.92, 11.93, 11.94, 11.95, 11.96, 11.97, 11.98, 11.99, 12.00.

ARTICLE XII
ADMINISTRATION
SECTION 12.01—ZONING ADMINISTRATOR
The provisions of this Ordinance shall be administered by the Zoning Inspector, who shall be appointed by the Township Board.

for such term and subject to such conditions and at such rate of compensation as said Board shall determine. The Zoning Inspector shall for the purposes of this Ordinance have the power of police officers.

12.02—ZONING PERMIT REQUIRED
Except for agricultural uses of land and accessory buildings specifically used for agricultural operations as permitted in the A-1, Agricultural and Residential District, and for repairs to conforming buildings, which are hereby exempted from the requirements of this Article, no land shall be occupied or used or no building or structure shall be erected or altered until a zoning permit has been obtained from the Zoning Inspector. Such permit shall be nontransferable and shall be obtained before any new use is established or work of excavation or construction is begun. The fee for this permit shall be Three (3) Dollars.

12.03—CERTIFICATE OF COMPLIANCE
Except as otherwise provided, no land shall be occupied or used or no building or structure shall be erected or altered until a zoning permit has been obtained from the Zoning Inspector. Such permit shall be nontransferable and shall be obtained before any new use is established or work of excavation or construction is begun. The fee for this permit shall be Three (3) Dollars.

12.04—ARTICLE XIV
EFFECTIVE DATE
SECTION 14.01—
The provisions of this Interim Zoning Ordinance are hereby declared to be immediately necessary for the preservation of the public health, safety and welfare and are hereby ordered to become effective thirty (30) days after the date of publication, as provided by Act 184 of the Public Acts of Michigan, as amended.

The foregoing Interim Zoning Ordinance was adopted by the Township Board of Dexter Township on July 19, 1958.

WILLIAM CLARK,
Dexter Township Clerk.

★ Unfavorable
Manufacturing Profits

With the business trend leveling out, wages continuing to rise, the general price level no more than stabilizing, the stock market going up week after week and making a new high for the year just before the long July Fourth week-end, and with the certainty that there cannot be full recovery until investment by business turns upward, there is more than usual interest in the profits of business.

That profits are down, and down quite sharply, has long been recognized. But until the past few days we have had no over-all figures. Such data for the first quarter have now been provided through a joint release of the Securities and Exchange Commission and the Federal Trade Commission.

On the basis of individual company reports it had been estimated that the decline of profits was about one-third. Actually the drop from the last quarter of 1957 to the first quarter of this year was a little less than that. But if one makes a comparison with the first quarter of 1957 the drop has been forty per cent.

Even more interesting than the over-all drop is the record industry by industry. Compared with the first quarter of 1957 it is as follows:

DURABLE GOODS
MANUFACTURING
Lumber and Wood Products Down 92 per cent
Miscellaneous Down 79 per cent
Furniture and Fixtures Down 73 per cent
Primary Iron and Steel Down 58 per cent
Stone, Clay and Glass Down 58 per cent

FURNACE DUST FILTERS
20x20x1 — 16x20x1
20x25x1 — 16x25x1
80c each

"WIT BASEMENT" ROX PRODUCTS CO. DETROIT 27, MICH.

MERKEL HARDWARE

It is generally expected, however, that they will reveal a further decline. In fact many observers think the drop may continue into the third quarter.

That this is not good news for the increasing number of owners of corporate securities goes without saying. More important, it is not good news for the country as a whole. We cannot run this economy without profits, and as stated above, we cannot retain full recovery until business investment ward again. For the welfare of the nation it is imperative that the trend of profits be reversed.

Motor Vehicles Down 54 per cent
Primary Nonferrous Metals Down 62 per cent
Non-Electrical Machinery Down 51 per cent
Electrical Machinery Down 31 per cent
Instruments Down 81 per cent
Other Transportation Equipment Down 18 per cent
Fabrics Down 10 per cent
Metals Down 10 per cent
Total Durable Goods Down 50 per cent

NONDURABLE GOODS
MANUFACTURING
Petroleum and Coal Products Down 120 per cent
Textiles Down 80 per cent
Apparel Down 48 per cent
Leather Down 38 per cent
Rubber Down 38 per cent
Petroleum Refineries Down 84 per cent
Paper Down 82 per cent
Printing and Publishing Down 29 per cent
Chemicals Down 25 per cent
Food Down 2 per cent
Tobacco Down 20 per cent
Total Nondurable Goods Down 29 per cent
Total All Manufacturing Down 40 per cent

The extremes in both categories are the result of peculiar circumstances. Lumber and wood products had lower profits in the first quarter of 1957 than in many years and in the first quarter of this year showed a profit of only one million. Petroleum and coal made \$6 million in the first quarter of 1957 and a deficit of one million in the first quarter of 1958. Tobacco, the only industry showing improvement, made lower profits in the first quarter of 1957 than in either of the three following quarters.

Profits for the second quarter of this year are not yet available and will not be for several weeks.

Holstein in Macomber Herd
Completes Milk Test Period
Whippoorwill Tallman Tillie, a registered Holstein cow owned by George Macomber of Park road, has just completed an official production record under the Herd Improvement Registry program of the Holstein-Friesian Association of America in cooperation with Michigan State University. Registered as No. 4090348, the cow was milked twice daily during the 305-day test period and produced a total of 12,459 lbs. of milk and 482 lbs. of butterfat as the trend of profits be reversed.

Michigan Not Able To Benefit Fully From Predicted Economic Upswing

There are predictions, and signs to support them, of an upturn in the nation's economy. Such news, of course, is mighty welcome, but just how much will it affect Michigan?

Michigan has been harder hit than most states by the so-called recession, largely because the manufacture of automobiles is such a big part of the state's economy. Chances of the upswing in the economy having full effect on Michigan are dimmed by the protracted negotiations between the automobile companies and Walter Reuther, boss of the UAW-CIO and political king-maker. This situation is not limited to Detroit, but affects the entire state.

Receipt of unemployment compensation by automotive workers has enabled Reuther to delay settlement. He says that "time is on our side," implying that negotiations will reach a point where he will hold the upper hand again. When the new model cars are ready to go, he will be able to pull the strike trigger and bring Michigan's economy to a standstill, just at the moment when Michigan people are expecting an economic shot in the arm from new car sales.

Reuther's "war of nerves" against the auto manufacturers is not really hurting the big manufacturers at all. They are not scared. They can take whatever Reuther can dream up. The ones who are really hurting are the little people—the many small businesses who sell things to the automotive industry, farmers who work part-time in industry, and retailers whose customers work in the factories related to car manufacturing.

The unsettled situation of the automotive industry working without labor contracts while negotiations are stalled has left everybody standing still and waiting to see what will happen. Savings accounts are soaring to a new high in Michigan banks because Michigan people have "holed in" until the unsettled economic weather passes.

Despite the fact that half his union members are out of work, Reuther apparently is thinking only of himself and perpetuating his position as a labor boss, ignoring the cost of his tactics to the Michigan farmer and small businessman. Meanwhile, Michigan's economy stays mired while the rest of the nation shows signs of improvement—and the little fellow is the one really caught in the squeeze.

Of course you're smarter than others around you. But why irritate them by constantly reminding them of it.

Tourists: People who travel thousands of miles to get a picture of themselves standing by the car.

Anyone who has learned how to change from a business suit to a bathing costume in a coupe won't mind dressing in a Pullman berth.

MICHIGAN MIRROR

By Special Lansing Correspondent

Democrats are having trouble with political figures they used to call their friends.

For the first time since 1948 when he won his primary by a close vote, Gov. Williams has opposition.

His opponent Aug. 5 will be William Johnson, of Ironwood, a radio station owner who was on Williams' team as a candidate for state treasurer in 1954.

It was a team on which only the captain won that year.

Johnson finished down the scale from the top vote getters, and Republican D. Hale Brake began his final term. Now, Johnson has returned—and with a vengeance.

Johnson is one of the organizers of the Democratic Club of Michigan, Inc., which includes Fred F. Hook, former Congressman Frank P. Hook.

Hook has been disclaimed by the Williams organization of Democrats, which has won the state's top office five times running. Fy is an Upper Peninsula leader in the group.

Homer Martin, former UAW president and one-time leader of a band of Michigan farmers who protested low milk prices, is also a member of the club. He is running for the U. S. Senate against Lt. Gov. Philip A. Hart.

Michael T. Mohardt of Detroit, is the club's candidate for lieutenant governor, opposing the Williams-approved Senator John B. Swainson (D-Detroit).

The irony of the situation has several aspects.

For the first time in years, Republican candidates for top state offices are running unopposed in the primary. Democratic leaders say this is a sign of weakness.

With no Republican in the primary, it would be possible for Republicans to flood the ballot boxes with votes for Johnson, Martin and Hook, giving Williams a real contest.

Paul D. Bagwell, on leave from Michigan State University where he headed Communication for the one-Republican candidate for governor.

Senator Charles E. Potter is the incumbent and an automatic primary winner, without opposition.

Rep. Donald A. Brown is running for re-election.

It is a sign of weakness, say the club's leaders, that the club has sought campaign funds and votes from Republicans in 1954. They shrug when they remember Hook's defeat by Rep. John Bennett in the Upper Peninsula race.

Staebler has charged publicly that the club has sought campaign funds and votes from Republicans in 1954. They shrug when they remember Hook's defeat by Rep. John Bennett in the Upper Peninsula race.

THE LETTER BOX

Prosecutor Issues Statement Clarifying Lillie's Appointment

There seems to be some misunderstanding regarding the manner in which Robert E. A. Lillie was selected as Sheriff of Washtenaw county in February of this year.

Upon the death of a sheriff the law of Michigan places the duty upon the County Clerk, Probate Judge, and Prosecuting Attorney to appoint a successor to serve for the remainder of the term. This committee looked for the most outstanding man available, as was its responsibility.

The late sheriff was a Republican duly elected by the voters of the county, and the Republican County Committee recommended three possible successors, one of whom was Robert E. A. Lillie. The other two recommended persons are now running for the office.

No other recommendations were made by any party.

There were many candidates for the job, but Mr. Lillie, himself, did not seek it and in fact, was subsequently prevailed upon to take it. The committee found that Mr. Lillie was highly regarded for the work he had done as Civil Defense Director of Washtenaw county and that he had worked effectively with the Supervisors of the county.

In addition, he was able to bring to a then somewhat disorganized Sheriff's Department the administrative and technical ability that was required as an officer of the United States Marine Corps with many commendations for his excellence in these fields.

Contrary to some impressions, Lillie had done a great deal of law enforcement work while still a marine officer. At one time he was assigned to work with the North Carolina Department of Investigation on extensive criminal investigations of interest both to the state and United States military service. He received commendations for this work, and in fact, his record throughout indicates that he consistently performed his work in an outstanding fashion.

He was, of course, a graduate of the University of Michigan Engineering School.

Mr. Lillie's services were obtained for the county only because he was interested in doing what he could for his neighbors and the community which he has looked upon as his permanent home since 1928.

This, therefore, was the record and these the qualifications that led to his appointment as Sheriff of Washtenaw county. Ann Arbor News said in an editorial dated March 4, 1958 "New Sheriff appointment appears excellent choice."

The new sheriff's background of service in the Marine Corps appears to fit him admirably for the office. Criminal investigation, personnel supervision, accounting and responsibility for military base detention facilities, all have been part of his training and experiences in the service, and all have some application to his new duties. Mr. Lillie also seems to have a grasp of the problems he will face in running this major department of county government.

Lillie's work as Sheriff since his appointment has materially advanced the cause of law enforcement in Washtenaw county. His department is well organized and is making increased use of modern investigative and administrative techniques. It was with the hope of this increasing efficiency of this important department in the interests of the citizens of the county that Sheriff Lillie's appointment was made.

Signed: Edmond F. DeVine, Prosecuting Attorney, Washtenaw County.

Yours truly,
 Uncle Lew.

★ The Right Price

Mrs. Betty Woodrow came to this country from England not long ago, and she says at first she was puzzled every time she went shopping, because the coins and the brands and the prices were all unfamiliar to her.

I can well imagine how she feels, for I recall the difficulty I had when I first went to England, trying to distinguish between a shilling and a half crown, or between a pound and a guinea.

"One trouble I have," says Mrs. Woodrow, "is that I can't tell a bargain when I see one, because I'm never quite sure what the article is really worth."

You don't have to travel to a different country to be baffled about real values.

Most of us think a thing is a bargain if it is selling for less than its usual price. But even if the price is absurdly low, nothing is a bargain for me unless I can actually enjoy it or use it.

Once I had a neighbor who just couldn't resist a bargain. After World War II he picked up some surplus glider wings. They were made of plywood, and were some three feet wide and twelve feet long. After having them around for a while, he finally found a use for them. He stood them on end, edge to edge, and used them to make a form for pouring a concrete basement for a house he was building. Because of the curve in the wings, the wall had an interesting wavy appearance. And because the wings were 12 feet long, the basement turned out to be 12 feet deep. The extra cost of excavating must have come to much more than the amount he had saved on lumber for forms, but he consoled himself by saying he always did like a basement that was roomy enough you could swing an axe in it.

We not only pay too much for things that are cheap but useless; we often ignore valuable things just because they are free. Take the sunlight, for example. If we had to pay for lighting this country for a single day, it would cost us more than our annual national income. Sunshine is a bargain, even if our Maker didn't put a price tag on it.

You judge a bargain, not by its price, but by its value.

JUST REMINISCING

Items taken from the files of The Chelsea Standard

4 Years Ago . . .

Thursday, July 15, 1954—
 "Traces of oil" have been found by drillers for the Sun Oil company on the Henry Niehaus farm on Fletcher road.

Cpt. Duane Hall, stationed in Korea, received a visit from Brigadier General Dwight Beach (formerly of Chelsea), who is artillery officer of the Eighth Army with headquarters at Seoul. Gen. Beach had seen a recent Chelsea Standard picture of Hall, Jack Wellnitz and Jerome Burg of Chelsea, all stationed in Korea.

Dr. Victor R. Hanson opened an office at 112 East Middle street for the practice of general medicine and surgery.

William G. Kolb was re-elected a member of the Chelsea School Board at the annual election.

In the Four Years Ago column (July 20, 1950): Just 100 years ago, July 20, 1850, the U. S. Postal Department changed the name of the village from Kedron to Chelsea.

In the 24 Years Ago column (July 21, 1910): The vicary had a family reunion Sunday as a farewell for Mr. and Mrs. Walter Vicary who will leave soon to make their home in Duluth, Minn. Ed. Riemenschneider has started the huckleberry wagon of the Chelsea Elevator on the road for the berry season.

14 Years Ago . . .

Thursday, July 20, 1944—
 Four members of American Legion Auxiliary, Unit No. 81, of Chelsea, with a group of Chelsea entertainers, were at Ypsilanti State Hospital Tuesday for a party for veterans of World War I and II. Chelsea vocalists were the "Three Jacks," Donald Alber, Henry Orling and Richard Foot, accompanied on the piano by Robert Eaton.

In the 24 Years Ago column (July 22, 1920): Dr. A. L. Brock returned from his vacation Sunday evening, bringing with him his bride, the former Virginia Taylor of Milroy, Pa.

In the 34 Years Ago column (July 21, 1910): Wenz Bros., of Freedom, received a new Red River Special windstacker separator which they will use in their threshing business.

Pfc. Paul Beal Completes Mechanics Course at German Tank Training Center

Vilseck, Germany—Pfc. Paul A. Beal, son of Mr. and Mrs. Stanley Beal, 115 East street, Chelsea, Mich., recently completed the track vehicle mechanics course at the German Army Tank Training Center in Vilseck, Germany.

The six-week course included classroom and practical training in engine repair, track and body maintenance and parts supply.

Beal is regularly assigned to Headquarters Company of the 14th Armored Cavalry Regiment's 1st Battalion in Fulda. He entered the Army in July, 1957, and completed basic combat training at Fort Polk, La. He arrived in Europe last February from an assignment at Fort Knox, Ky.

The 19-year-old soldier is a 1957 graduate of Chelsea High School and a former employee of the Chelsea Implement Co.

ROGERS CORNERS

Mr. and Mrs. Elmer Bristle and family attended the Rogers Corners Extension group picnic, Sunday at the home of Mr. and Mrs. Ernest Wenk.

The Rev. and Mrs. Theodore Bruckner and family, of Beaver, Ore., were to arrive by train yesterday to spend their vacation with relatives here and in Columbus, O. They also intend to spend some time at Alpena. The Rev. Bruckner will be guest minister at Zion Lutheran church at the Sunday morning worship service.

CAVANAUGH LAKE

Sunday dinner guests of Mr. and Mrs. Leon Marsh were Mr. and Mrs. Theodore Slane of Grand Rapids and Mr. and Mrs. David Slane of Chelsea.

Mr. and Mrs. Erle Notten and Mr. and Mrs. Nelson Peterson were Sunday callers of Miss Esther Waddell and her brother, George Zeb.

PROVING EASIER to identify than many of the previous photos, Mystery Farm No. 12 was easily recognized as the former home of Mr. and Mrs. James Gaunt on Old M-92 north of Chelsea.

Mystery Farm No. 12 Owned By Mr. and Mrs. Edwin Gaunt

The photograph of "Mystery Farm No. 12" published in the July 10 issue of The Standard proved easy for some readers to identify because of the Southview Gladious Farm truck parked beside the garage. The picture was taken while Mr. and Mrs. James Gaunt lived there and he and his parents, Mr. and Mrs. Edwin Gaunt, operate the gladious business on the Sibley road farm where the James Gaunts now are living in their recently completed new home.

They and his parents, Mr. and Mrs. Edwin Gaunt, operate the Southview Gladious Farms on which the house is located.

20 Washtenaw 4-H Members Attend Club Week at MSU

Twenty Washtenaw County 4-H members returned last Friday from a four-day session at Michigan State University, attending 4-H Club Week.

Club Week is for outstanding members from all counties throughout Michigan. More than 1,200 4-H'ers representing all 83 counties were present.

One of the highlights was the Dress Revue. Karen Girbach and Sharon Moravik were two of the girls selected from the 103 girls. They will compete again at State Show.

"Mystery Farm No. 12" was known as the J. E. Bolles property in the 1870's and later was part of the estate of Dr. J. T. Woods, former Chelsea physician. A brother of Dr. Woods, in Stratford, Ontario, Canada, inherited the farm and the Gaunts purchased it from him.

Previously it had been owned by C. W. Saunders, a former superintendent of the Methodist Home. He had purchased the 40 acres, which then had no buildings, and built the house in 1913 in preparation for his retirement.

At one time Dr. and Mrs. C. C. Lane owned the farm and lived there for a short time.

The Lanes' sons are Dr. Wilfred Lane, Chelsea veterinarian, and Charles Lane, Chelsea High school principal.

A barn and silo on the place at that time has since been torn down.

Another owner of the property for a number of years before there were buildings on it was Charles Allyn, who had an orchard there. He was the father of the late Minnie Allyn, a schoolteacher for many years.

The senior Gaunts enlarged and remodeled the house in 1938 and from 1951 until last year, their son and his family lived there.

The house is now rented to Eugene Sindel, a Jackson teacher, who lives there with his family.

Mrs. Martin Slane was the first caller to correctly identify the Gaunt farm.

Others who called are Dr. Wilfred Lane, Calvin Summers, Mrs. Walter Boutler, Allen Broesamle, Mrs. Leon Sanderson, Mrs. Elmer Mayer, Armin Kuhl, Paul Bollinger, Mrs. George Welch, Mrs. Edwin Gaunt, Mrs. Clyde Martin, George Kleis, Mrs. Frank Visel, Mrs. Howard Walz, Ron Eder, Bill Allan, Dan Wahl, Joseph Nyles, Mrs. Walter Trinkle, Keith Kleis and Robert White.

Other special awards and scholarships were also given. Paul Geiger of South Lyon was one of 10 who received the Prairie Farmer Award. This award is based on outstanding junior leadership. One boy and one girl from the state were selected to attend a two-week camp at Camp Minawacwa. This award is based on all-around achievement in all phases of 4-H Club Work.

Delegates from Washtenaw county were Julie Fischer, Bob Bristle and Richard Brasso of Dexter; Mary Ann Book of Plymouth; Janice Harwood of Saline; Mary Ann Paul and Paul Reinhardt of Manchester; Karen Spike of More Lake; David Lutchka of South Lyon; Bob Ward of Ypsilanti; Ann Ruth of Bordo; Gretche Pohner, Dale Kapp and Doug Cline of Ann Arbor.

Delegates had an opportunity to attend classes in "Career Exploration" and tours of the capital and The John Bear Co. Members were organized into tribes where they competed against each other in sports, leadership and spirit.

Admiral and Mrs. Peary became parents on one of their arctic explorations-their daughter, Marie, was born farther north than any other white child on record.

Mrs. Beth Milford Seeks Nomination as State Senator

Mrs. Beth W. Milford, a member of the Ypsilanti Board of Education, announced her candidacy for the Republican nomination as State Senator from Washtenaw county.

After considerable urging from friends and associates throughout the county, Mrs. Milford said, "I have agreed to place my name before the voters in the Primary Election, Aug. 5."

Mrs. Milford continued by saying, "I feel we do not need more taxes but rather a careful study and more equitable distribution of the revenues the state now obtains. Solutions must be found to aid local units of government in their struggle to keep property taxes within reason in the face of rising costs."

"Washtenaw county, an educational and cultural center of Michigan, deserves a state senator who understands the problems of financing education from the nursery school to the university. As a parent of five children, a graduate of the University of Michigan, a former teacher of economics at Eastern Michigan College, and treasurer of the Ypsilanti Board of Education, I am familiar with the educational needs of our elementary and secondary schools as well as those of the colleges and universities."

"My pledge and constant aim will be to work for the advancement of the best interests of Washtenaw county in the state senate, tempered with the knowledge that our county should be a leader in pressing answers for our many pressing state problems."

Mrs. Milford also referred to other important facets of the county by saying, "Responsible dispensing of present state revenues will permit the continued operation of the Ypsilanti State Hospital at its present high medical and psychiatric standards."

"A large portion of Washtenaw County is farm area and having been born and raised on a farm I have always had a vital interest in the rapid and happy living of farmers and their families."

If I receive the nomination and am subsequently elected I shall strive to bring a new clarity and efficiency to Michigan's financial policies; eliminate present wasteful practices that drain our State coffers; and to the best of my ability, State revenues are spent wisely and well so that we might meet the challenge of the space age in education. Such a problem will assure Washtenaw county its place of leadership in education, the force that raises our standard of living and makes life more worthwhile."

Mrs. Milford is the wife of Dr. Albert P. Milford, prominent Ypsilanti physician and founder of the first private medical clinic in Michigan giving 24-hour emergency medical care. They have three children all in school. Their home is in the City of Ypsilanti.

In 1955 Mrs. Milford served as State President of the Woman's Auxiliary to the Michigan State Medical Society. She was president of the County Medical Auxiliary in 1947 and served for many years on the State Medical Auxiliary board.

Mrs. Milford received her A. B. degree from the University of Michigan in 1933. She received a master's degree in economics from the University of Michigan in 1938, studying under the Fellowship awarded to her by the American Association of University Women. She also attended the University of Michigan Law School.

She went to Ypsilanti in 1939 as a member of the faculty of Eastern Michigan College. She had previously taught in Bradford Senior High school, Bradford Pa., Pennsylvania State College, and Saint Mary's College of Notre Dame, Ind. She was also supervisor of secondary education in the public schools of South Bend, Ind.

Mrs. Milford has always been very active in civic affairs. She is the Ypsilanti School district's representative on the Advisory Committee of the Washtenaw Chapter of the Michigan Association for Retarded Children. She

MRS. BETH MILFORD

served on the Ypsilanti Area School Planning Committee, as a major of the Woman's Division of the Community Chest Drive, Family Service Board, chairman of the Ypsilanti Chapter of the American Cancer Society, Washtenaw County Hospital Auxiliary, Ypsilanti Players, Friends of the Library, The Stony Creek Grange and Pomona Grange, the city, county and State Federation of Women's Clubs, the Ladies' Literary Club, The Sarah Brown Smith Alumnae Group of the University of Michigan, Phi Kappa Phi and Alpha Xi Delta of the University of Michigan. She is a charter member of the Ypsilanti Writers' Workshop, The Ypsilanti Junior Chamber of Commerce Auxiliary and the American Association of University Women. She is also a member of the Michigan Adult Education Association, The Michigan Health Council and the Michigan Association of School Board Members.

One Minute SPORTS QUIZ

1. Which of the Major Leagues has won the majority of All-Star games to date?
2. What American League team holds a current edge over the Yankees?
3. What A. L. team has beaten the Yanks but once through the first week in July?
4. What Atlantic Coast Conference football team did Jim Tatum pick to lead the conference?
5. What golfer set a qualifying record of 134 for two rounds in the British Open?
6. Who was the pitcher who won the 1940 American League pennant for Detroit?

UNADILLA

The Unadilla Community Group will hold their regular quarterly meeting at the Hall Saturday evening, July 19, at 8 o'clock. This is a very important meeting and everyone is urged to attend.

Mr. and Mrs. H. Sylvander of Chicago, were recent dinner guests of Mr. and Mrs. S. F. Hadley.

Mrs. Clara Koepke is ill at her home, following a heart attack. Mr. and Mrs. Claude Teachout attended the wedding of a cousin in Lansing, Saturday evening.

Mrs. Delores Reno spent four days last week with friends and relatives in Jackson. Mr. and Mrs. Leonard Vissher stayed with Mrs. Myme Rose while she was gone.

Jay Hadley of Ann Arbor, was a week-end guest of Mr. and Mrs. S. F. Hadley and called on Mrs. Fred Hadley near Waterloo who has just returned from the St. Joseph Mercy hospital, Ann Arbor, much improved.

The Missionary Auxiliary will hold their regular monthly meeting at the home of Mrs. Betty Koepke Thursday evening. There will be a weiner roast for members and their families.

Mr. and Mrs. S. F. Hadley were recent dinner guests of Mrs. Pearl Marshall in company with Mrs. George Webb of California.

Callers of Mrs. Myme Rose the past week were Miss Ethel McKenzie and Louis Szabo of Detroit, Mr. and Mrs. Lee Bowersox and daughter, of Cement City, Jos. Grindley of Detroit, Mrs. Gus Maschko, Mrs. Lorne May and Mr. and Mrs. William Pyper.

Mr. and Mrs. Ralph Wright and Mr. and Mrs. Clair Barnum attended the funeral of Mr. Wright's mother, Thursday, in Detroit. Saturday callers of Mr. and Mrs. S. F. Hadley were Carl Bollinger of Gregory, and Wilma Crossman of Howell.

Sunday dinner guests of Mr. and Mrs. Clair Barnum were the Charles Sullivan family of North Lake and the Arthur Brooks family.

Mrs. Marguerite Hadley spent the past week with her daughter, Mrs.

PAGE FIVE

Howard Campbell and family, at their cottage at Houghton Lake. Mr. and Mrs. Burton Harrison left Friday for their new home in Florida.

Mrs. Marjorie Johnson and sons have moved to Finckney.

AIRLINE PLANS LAY-OFFS

Capital Airlines says it is planning to lay off an unspecified number of employees because of an expected seasonal slump in traffic aggravated by the recession.

Hayes Dever, airline vice-president, said recently he doubted the lay-offs would "go as high as 500."

He added that Capital hopes to re-hire the laid-off workers in September when traffic normally takes an upturn.

He said personnel layoffs will include pilots, reservation clerks, communications workers and mechanics.

SURPLUS HOUSES

20'x44' Unit and Fixtures - \$350

Why an INDEPENDENT insurance man can serve you best!

- Because he represents not one but several insurance companies, he can be impartial in picking the best company for your individual needs.
- Because he's a professional insurance man, not just a salesman, he keeps up with new types of insurance coverage and makes certain your insurance is up to date.
- Because he is independent, you can count on him to assist you with your claim when you suffer a loss and to represent your interest to the fullest at all times.

[illegible]

County of Washenaw is held, of the premises described in said mortgage or much thereof as may be necessary to the amount due as aforesaid, on the mortgage with the interest thereon seven (7) per cent per annum, and the legal costs, charges and expenses, including the attorney fees allowed by law, and any sum or sums, which may be paid by the undersigned, necessary to protect the interest in the premises. Which said fees are described as follows:

that certain piece or parcel of land situated in the Village of Chelsea, County of Washtenaw, State of Michigan, as described as follows, to wit:

Lot No. 46, Sorenson Subdivision, being a part of the Village of Chelsea, in the Southeast quarter of the Southeast quarter of Section 12, also

East one-half of the Northwest quarter
 of Section 18, Town 2 South, Range 3
 East, Washtenaw County, Michigan,
 according to the plat thereof as re-
 corded in Liber 12 of Plats, page 14,
 Washtenaw County Records,
 Dated at Chelsea, Michigan, the 1st
 day of May 1968.

ORDER FOR PUBLICATION.
Final Account.
No. 48503

State of Michigan, The Probate Court for
the County of Washtenaw,
In the Matter of the Estate of MARY
A. MERKEL, Deceased.
At a session of said Court, held on
June 30, 1958,
Present, Honorable John W. C.

Notice is Hereby Given: That the petition of Joseph T. Merkel, the Administrator of said estate, praying that the final account be allowed and the residue of said estate assigned to the persons entitled thereto, will be heard at the Probate Court on July 30, 1969, at 9:00 A.M.)

It is Ordered, that notice thereof be given by publication of a copy thereof for three weeks consecutively previous to said day of hearing, in The Chicago Standard, and that the petitioner cause copies of this notice to be furnished to

A true copy.

 Judge of Probate.

July 14-18

MORTGAGE SALE

Default having been made in the terms and conditions of a certain mortgage made by EDSON B. TAYLOR and MILBRED TAYLOR, husband and wife of the Village of Chelsea, County of Washington, State of Michigan, Mortgage to Lincoln Federal Savings and Loan Association of Detroit, a corporation existing under the Home Owners Loan Act of 1938 of the United States of America, of Detroit, Wayne County, Michigan.

1956, and recorded in the Office of the Register of Deeds for the County of Washtenaw and State of Michigan on the 14th day of December 1956, in Liber 163 of Washtenaw County Records on Page 611, which said mortgage was thereafter on the 16th day of April 1957, assigned to First Federal Savings and Loan Association of Detroit, a corporation existing under the laws of the State of Michigan.

Home Owners Loan Act of 1933 or by the United States of America, and recorded on the 1st day of May, 1937, in the Office of the Register of Deeds for said County of Washington, in Liber 782 of Washington County Records Page 400, on which mortgage there is claimed to be due at the date of this notice, for principal the sum of Thirteen Thousand Seven Hundred and Fifty-Six and 28/100 Dollars (\$13,756.28), together with interest at the rate of six (6) per cent per annum from the 1st day of January 1937, to date, plus any and all unpaid taxes and insurance.

And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof, now therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statute in the State of Michigan, in such case made and provided, notice is hereby given that on Thursday, the 21st day of August 1935 at 10 o'clock, a.m., Eastern Standard Time, said mortgage will be foreclosed by a sale

at public auction to the highest bidder at the South entrance to the County Building in the City of Ann Arbor, Washtenaw County, Michigan, that being the building where the Circuit Court for the County of Washtenaw is held, of the premises described in said mortgage or of such amount thereof as may be necessary to pay the amount due as aforesaid; on said mortgage with the interest thereon at the rate of six per cent. and all

...are described as follows:

All that certain piece or parcel of land situate in the Village of Chelsea, County of Washtenaw, State of Michigan, and described as follows, to wit:

Lot No. 51, Sorensen Subdivision, contains a part of the Village of Chelso, in the Southeast $\frac{1}{4}$ of the Southeast $\frac{1}{4}$ of Section 13, also in the East $\frac{1}{2}$ of the Northwest one-quarter of Section 13, Town 2 South, Range 3 East, Washtenaw County, Michigan, according to the plat thereof, as recorded in Liber 13 of Plats, Page 64, Washtenaw County Records, also known as 511 Town Street, Chelso, Michigan.

Dated at Chelsea, Michigan, this 17th
 day of May 1938.

11:00 a.m.—Worship service.

Washington Report

By Senator Charles E. Potter
The latest news from Washington of special interest to Michigan.

MICHIGAN'S VITALITY, geared to water, forms the threshold of a great economic future. Her thriving ports, busy harbors, fishing fleets, shipbuilding and waterborne commerce are the lifeblood of the State's prosperity. One of the most absorbing and rewarding parts of my work in the Senate is the time devoted to maritime matters.

Last week the Senate Appropriations Committee took a step in the right direction for Michigan's maritime growth. It reported the 1959 public works bill, containing funds for 39 vital Michigan water resources construction projects, totaling a hefty \$38,889,900.

Many of these have resulted from continuing year-to-year effort by my office and their construction is well under way. Others in this year's bill are brand new. I was delighted, for example, to have obtained Committee approval for five new projects and a sizeable increase in funds for work on the Great Lakes connecting channels. New money for all six totaled close to \$10,000,000.

I have always favored speed in appropriating funds for the connecting channels. Unquestionably, deepening those links between the Great Lakes should be completed as soon as possible after opening of the St. Lawrence Seaway. Only in that way can Michigan capitalize on the full economic potential of the new ocean route. But obtaining those funds requires steady needling. Early this year, for example, only \$18,000,000 had been budgeted for connecting channels work. At my urging, the Budget Bureau increased it to \$23,000,000. Against that, I pointed out the merits of the case to the Appropriations Committee, they approved an even higher figure, \$27,600,000. Now the Corps of Engineers can really move ahead on the job.

Equally important for Michigan is a \$300,000 item to finance an engineering study for a new lock up at the Sault, replacing the old Poe Lock. This is the first step in what will be a \$38,700,000 deep-draft engineering miracle, comparable in every way with the famous MacArthur Lock, now the only passage large and deep enough to permit ocean ships to pass through the Sault. Last March I warned that the Sault Locks could become a Seaway bottleneck unless we expanded capacity. I'm happy to report that after completion of the study on the proposed Poe Lock, we'll be ready to move ahead with construction.

THE GOGEBIC RANGE prospered in the 1890's when the swift expansion of the American railroads created a wide market for Bessemer steel rails. Bessemer and adjacent camps grew into cities—wayward cities—in a single season. When factions clashed and vigilante movement appeared, the city council met and enacted stringent ordinances. Things are much quieter up there these days.

STICKS AND STONES Watertown, N. Y.—On the way to the delivery room Dr. Rudolph Haas slipped and fell in the hallway. After delivering a son to Mrs. Gilbert Croable, he went to the hospital's X-ray room and found he had broken his left shoulder.

Bible Verse To Study

"Whoso sheddeth man's blood, by man shall his blood be shed; for in the image of God made he man."

1. Where is this verse recorded?
 2. Who spoke these words?
 3. Unto whom were they addressed?
 4. When were they spoken?

Utility shelter illustrated above has 10' 6" ground-to-top clearance, mounted on four rows of concrete blocks.

MICHIGAN BELL

telephone lines

IN LONDON, Mr. V. K. Zzzu has just won last place in the phone directory from one Lewis Zymbbla who had held it for years. Seems to us that as long as he keeps his phone and no Mr. Zzzu move into town, Mr. V. K. Zzzu should be sure of his last place.

SPEAKING OF DIRECTORY reminds us to remind you that the Yellow Pages is the world's best shopping list. Imagine, for instance, that you're traveling through a strange town, vacation-bound. Perhaps you need a dentist quickly or your car is acting up. Perhaps you want to replace that fishing reel you accidentally left home. Whatever you need, the quickest, easiest way of finding it is to reach for the nearest Yellow Pages. You'll be on target right away. It's so much better than driving haphazardly all over town.

AND SAY, BEFORE YOU LEAVE on your vacation trip, use Long Distance to plan it out. Call ahead to let folks know when you'll arrive and to make sure the motel or resort is expecting you.

IN THE OFFICE, they're talking about the new telephone assistant who reported to her supervisor that a man on the phone wanted help with a dead lion. Nothing in her training had prepared her for this particular emergency. The supervisor soon cleared up the matter satisfactorily. The gentleman calling was a Southerner. He was reporting a dead line.

PARTING SHOT. Beware of a half truth. You may have gotten hold of the wrong half.

INTRODUCING TO THE JACKSON AREA

Friday, July 25—7:30 p.m.—Dance in High School gym.

Mrs. I. Klumpp Retires After 41 Years with Michigan Bell

Mrs. Irwin Klumpp was honored at a party Thursday evening at the Farm Cupboard, east of Ann Arbor, on the occasion of her retirement after 41 years with Michigan Bell Telephone Co.

Mrs. Klumpp's retirement became effective Monday, July 14. Among those present for the dinner party Thursday were telephone employees and their wives and husbands, officials of the Ann Arbor office and G. Robert Harrington of Detroit, divisional commercial department superintendent for the telephone company.

Mrs. Klumpp began work for Michigan Bell Telephone company June 1, 1917, in the Chelsea office, then located on the second floor of the Freeman building, corner Main and Park streets. She was first employed as a telephone operator and later became chief operator.

When the Chelsea office changed to the dial system in 1941, she moved into the newly-constructed office on West Middle street as service representative. In 1953 she was appointed supervisor of the Chelsea business office.

When the Chelsea office closed this spring she transferred to the Ann Arbor office to finish her 41st year of work before her retirement.

Mrs. Klumpp has been a Chelsea area resident all her life. She is a member of the Methodist church.

MRS. IRWIN KLUMPP

Her principal hobby through the years has been bowling. This hobby and her interests in her home and the church will occupy much of her time as she begins her retirement.

on the farm at 12260 Selo Church road until Mr. Bollinger's retirement in 1953, when they built the present home on Washington street.

Mrs. Bollinger was a member of Zion Evangelical Lutheran church at Rogers Corners and was confirmed there March 20, 1910. She was also a member of the Women of Zion of the Rogers Corners church.

Survivors are her husband, one son, Rudolph, who lives on the home farm on Selo Church road; three daughters, Mrs. Lambert Mepians, Mrs. Henry Buss and Mrs. Waldo Horning, all of Chelsea; 10 grandchildren; two brothers, Fred Haarer of Lima township, and William Haarer of Pawnee; and five sisters, Mrs. Clara Haarer of Freedom township, Mrs. Russell Briggs of Houghton Lake, Mrs. Herman Ehms and Mrs. Albert Koch of Ann Arbor, and Mrs. Louise Koch of Lima township.

The body was at the Staffan Funeral Home until noon Sunday and lay in state at Zion Evangelical Lutheran church at Rogers Corners from 12:30 p.m. until 2:30 p.m. when funeral services were held. The Rev. M. W. Brueckner officiated. Burial took place in Zion cemetery.

Mrs. F. Lindemann Former Chelsea Resident Dies Enroute to Alabama

Mrs. Florence A. Lindemann of Ypsilanti, formerly of Chelsea, died suddenly Tuesday, July 8, in a car near Nashville, Tenn., while she and her son, Donald, were enroute to Mobile, Ala., to visit friends. Her home in Ypsilanti was at 102 North River street.

Mrs. Lindemann was born July 29, 1904, in Selo township, the daughter of Frank and Lillian Schaefer. On Jan. 8, 1923, she married Walter Lindemann in Ann Arbor. He survives.

Before her marriage she lived in Chelsea with her parents. Survivors include two sons, Walter, Jr., of Inkster, and Donald, at home; four grandchildren; and a sister and brother, Mrs. William Birch, 65, and Lewis Noll, both of Chelsea.

Funeral services were held at 2 p.m. Saturday at the Staffan Funeral Home in Ann Arbor, with the Rev. Wilbur A. township. She and Mr. Bollinger Williams officiating. Burial took place in Bethlehem cemetery, Ann Arbor, 1913. They made their home Arbor.

County Receives Certificate In Fight Against Brucellosis

Dr. J. H. Campbell, district veterinarian for the State Department of Agriculture, and Dr. Ralph Jenner, area veterinarian representative of the Michigan Department of Agriculture, designated Washtenaw county as a modified certified brucellosis free area in ceremonies at the monthly meeting of the Board of Supervisors, Tuesday, July 8. The two men read letters from G. S. McIntyre, director of the department, praising the county for its accomplishment.

McIntyre said that the designation means that less than 1 per cent of the cattle in the county were found to have brucellosis (undulant fever in man).

Which the Washtenaw herds were first tested, 1.05 per cent of the cattle and 7.8 per cent of the herds were found to have brucellosis reactions.

When the cattle were retested on about June 1, only .5 per cent of the cattle and .35 per cent of the herds were infected.

Campbell said the goal now will be complete eradication of brucellosis among cattle here. He said that from now on the testing on milk cattle probably will be done every four months and every six months for beef, dry and heifer.

The modified certificate was presented to William I. Scheel, chairman of the Board of Supervisors, and will be placed in the agriculture extension office.

Donald R. Johnson, Washtenaw county Extension director, said that certification status is a significant achievement not only from the standpoint of the dairy farmers throughout the county but from the standpoint of public health since Bang's disease is communicable to humans. (Bang's disease is a commonly-used name for brucellosis).

Dexter Phone Calls . . .

(Continued from page one)

Prakken added that the telephone rates charged in a community are based on the number of telephones that can be reached, in addition to the home exchange, without paying a long distance charge. The addition of the Dexter telephones to the Chelsea calling area and the Chelsea telephones to the Dexter area would not change the monthly rate, in either exchange.

The volume of paid for calls between the two areas is used in determining the interest for this service.

The manager pointed out that to warrant the extended area service the volume of paid for messages should average 25 cents per customer per month. Studies made show that the average is 15 cents per customer per month from Dexter to Chelsea and 12 cents from Chelsea to Dexter.

In view of the comparatively low volume of messages between the two areas, the capital outlay required and the loss in annual revenue if the service were provided, it is inadvisable to furnish this service in the foreseeable future, Prakken concluded.

Babe Ruth League . . .

(Continued from page one)

Nixon, Jerry Ringe and Mike Marsh were selected on the all-star team to play on Aug. 6.

The Chelsea Nationals won their third game in four starts behind Andy Fletcher's four-hit shut-out by defeating Dexter, 5-0. Fletcher was given good support as his teammates made but one error.

The Americans collected only three hits off the bats of Tom Dunlap, Ken Larson and Daryl Keener. However, walks and alert base running paid off in five runs in High School League play, the third inning.

Chelsea dropped an 8-3 decision to Stockbridge. George Mayer and Homer Nixon shared pitching duties. Matt Murphy drove in the runs with a bases loaded single in the third inning.
