## Football Team Set For Season Opener Friday at Dexter

Wood, Keezer  
Are Co-Captains  
Of '58 Bulldogs

Tomorrow night Chelsea High graders open the football season by traveling to Dexter with game time being 7:30 p.m.

The opening game between the Bulldogs and the Dreadnaughts is usually close and hard-fought.

Last year's game serves as an example. Going into the fourth quarter the teams were tied, 7-7. Then Chelsea scored twice and Dexter once to give Chelsea the ballgame, 21-13.

However, this is a new season and the outcome cannot be foretold.

This will be the last time Dexter and Chelsea oppose each other in the opening game. Next year both schools will be in the same league, therefore, non-league opponents will be met in the openers.

Dexter looks to be improved this year. Most of last year's speedy backfield returns, while the line, though more inexperienced, has good size.

The Bulldogs, on the other hand, show more experience in their forward wall.

Co-captain Loren Keezer, who will operate at the left halfback spot, is the only offense regular returning. Lost by graduation were Fullback John Eisenbeiser and Quarterback Denny Schumm, while Halfback Odie Richardson is too old to compete this year.

George Wilson and Matt Murphy are battling for the quarterback spot, with Wilson having a slight edge offensively, and Murphy, defensively.

At fullback, Robin Wright and Phil McDaniels both have been impressive, with both slated to see action defensively.

A real battle is going on for the right halfback job. Senior Neal Sanders looked good in the night scrimmage held last week, while Junior Dalice Ferris sparkled in last Friday's scrimmage session with Michigan Center. Ferris, however, injured an elbow last Friday and may see only limited action against Dexter.

Freshman Dave McLaughlin and Junior John Neenan, both halfbacks, will likely be seen with the defensive unit.

The line, however, boasts more experience. Co-captain Dan Wood will hold down one end position, while George Mayer, Charles Cameron and Gary Dault are all hustling for the other spot. Mayer won a letter at that position last year but was lost for half the season because of a knee injury in an auto accident.

At the tackle spots Gus Steger and Fritz Wagner took like the offensive starters, with David Rowe and Pat Merkel right behind and likely to take over on defense. Pushing these four are Juniors Chuck Koenigster and Larry Schrader.

At guard, letterman Jim Mahar returns, while Bob Eder, who won a letter as a halfback last year, has looked good. Breathing down the necks of both these boys is Dick Irwin who will see plenty of action on defense. Senior Don Erke also will see action at a guard spot.

At center, Roger Herman will start offensively and likely see action as a linebacker on defense. Wilson Morley, an offensive center and defensive tackle, will see considerable action on defense.

## Square Dance Club Opens Fourth Season Saturday

Chelsea Promenaders Square Dance club will open its fourth annual season with a dance at South Elementary school Saturday evening. Conrad Eichhorn of Ann Arbor, who appeared as caller for square dance numbers at the Chelsea Community Fair, will be the caller for the club dance Saturday.

Approximately 24 couples customarily attend the Saturday night square dances, held once each month, usually on the third Saturday.

Forty couples are now affiliated with the club.

On the committee for the first dance are Mr. and Mrs. Laurence Boyer, Mr. and Mrs. Donald Cook, Dr. and Mrs. Charles Miller and Mr. and Mrs. Clarence Wood.

## Jaycee Stag Night Set For Tuesday

Chelsea Jaycees announced this week that the state Junior Chamber of Commerce president, J. Dean Owens of Benton Harbor, will be a guest of the Chelsea group Tuesday evening on the occasion of their annual Stag Night.

The Jaycees Stag Night is held for the purpose of making it convenient for all young men in the community between the ages of 21 and 35 to meet members of the Chelsea Jaycees; see how they conduct their meetings; learn how individual membership benefits those who belong to the group; and finally, how the community benefits through efforts of the membership.

Invited to attend are all young men, 21 to 35, "married or unmarried, working or unemployed, Union members or not, farmers, merchants or salesmen," according to members of the group.

The Stag Night is being held at the Legion Home at Cavanaugh Lake and entertainment will include movies of the Detroit Lions, followed by a lunch.

Chelsea Jaycees are working for an extra large attendance because of the state Jaycee president's visit.

## Dedication Set Friday For New Doors at Francisco Church

New church doors at St. John's Evangelical and Reformed church, Francisco, given by Mr. and Mrs. Elmer Maute and Miss Esther Maute in memory of their brother, Paul, will be dedicated Friday evening, Sept. 19.

The Rev. Henry G. Kroehler, president of the Michigan-Indiana Synod of the Evangelical and Reformed Church (United Church of Christ), and a former pastor of the Francisco church, will officiate at the dedication service.

The memorial dedication will be preceded by a planned family potluck dinner in the church hall, beginning at 7 p.m.

The Rev. E. O. Davis is the present pastor of St. John's church. He announced that people of the church are invited to attend.

CHELSEA VARSITY FOOTBALL TEAM is ready and eager to start the 1958 grid season off with a win over traditional rival Dexter Friday night in a contest to be played on the Dexter field. Members of the team, shown in above photo, front row, from left, are Don Erke, George Mayer, Pat Merkel, Bob Eder, Co-Captains Don Wood and Loren Keezer, Gus Steger, Fritz Wagner, Jim Mahar and Robin Wright. In the center row are George Wilson, Wilson Morley, David McLaughlin, Gary Dault, Philip McDaniels,

Charles Koenigster, Larry Schrader, Matt Murphy and John Meehan. Standing, at the rear, are Dennis Green, manager, Head Coach Alan Conklin, Terry Gentner, Dallice Ferris, Neil Saunders, Charles Cameron, Jr., Roger Herman, Dick Irwin, Line Coach Truman O'Doherty and Duane Weiss, manager. Gentner and Meehan won't be playing Friday night because of leg and back injuries received in football practice sessions.

DAVID ATKINSON, serving his third term as president of the Cavanaugh Lake Ski club, was elected vice-president of the Michigan Water Ski Association at the state meeting held at Clark's Lake during the Labor Day week-end ski meets. Thomas Geiger of Devil's Lake, is state president.

## Haists Win Top Awards At State Fair

The Haists—father, son and grandsons—kept up family tradition by winning high honors at the 1958 Michigan State Fair.

George Haist, his son Ervin and the latter's sons, Richard and Kenneth, received their first "Premier Michigan Breeder Banner" on their Corriedale sheep exhibited. They have been raising registered Corriedales for a comparatively brief period, their principal entrants for which they had been awarded the Premier Michigan Breeder banner a number of times.

In the Corriedale division the Haists exhibited the champion Michigan ewe and the reserve champion Michigan ram.

On their Black Tops the flock received first place award and they also received the champion ram award.

In addition, their Black Top fleece was judged grand champion of the division.

## Voters Will Be Asked To OK 3/4 Mill Tax for Jail Addition

At Monday's session of the Washtenaw County Board of Supervisors it was agreed to ask voters to approve a three-quarters mill tax to increase the size of the County Jail.

The question will be voted on at the Nov. 4 election and before that date county voters will be told whether the county considers it more feasible to add two stories to the County Jail or to construct a separate building for the jail's administration.

At the Nov. 4 election voters will also be asked to give the county permission to acquire any necessary real estate for construction of an addition to the jail.

Overcrowding at the jail has led to a situation where the state jail inspector has warned that a court order closing the jail would result if the present building continued to house more than its maximum of 75 prisoners.

The Board of Supervisors' sheriff's committee is to study all alternatives and then make recommendations on what is considered the best course of action.

While state jail inspectors state that proposed "minimum security" detention quarters for some persons, as a means of expanding present facilities, would not meet state approval, the corrections department could be expected to approve conversion of the existing jail into complete cellblock construction and using a separate building for administration.

## C. of C. Given Report by Village Head

Chelsea Chamber of Commerce members held their September meeting Tuesday evening in the dining room of the Congregational church and the after-dinner program included a report of progress of village improvement projects, given by Village President Donald Alber.

Included in the report were mention of the current well-drilling operations at the village property on North street; also, a resume of street improvement work, during which he stated that the Railroad street, posted as now practically completed and the street should be open this week.

It was pointed out that the reason for Railroad street being closed to traffic for so long has been necessitated by a series of unexpected difficulties in the work. It was planned to lower the roadbed by 18 inches but a bad condition in one spot required deep excavation to reach a solid subsoil. In the process of this excavating tin cans, railroad ties and junk further complicated the work.

Announcements made at Tuesday's meeting set the date of Chelsea's annual color tour for the second, third and fourth weeks in October.

Merle Leach, representing the Junior Chamber of Commerce was present to announce that the Jaycees chicken barbecue will take place Oct. 12 in connection with the color tour.

Paul Bargain Days in Chelsea are set for Oct. 10 and 11, it was announced.

A report on progress of a brochure advertising the community included the information that the brochures should be completed and ready for distribution by Nov. 1. Guests at the meeting included Joe and Jay Rucker of the recently opened Stop and Shop supermarket.

## Cavanaugh Lake Youth Kills Rattlesnake with Last Shot in His Rifle

Mike Slocum, 15-year-old son of Mr. and Mrs. Carmor Slocum, killed a rattlesnake in the backyard of the family home at Cavanaugh Lake with the last shot left in his .22 calibre rifle. He said afterward he "was scared about what would happen" if he missed. He said the snake had 18 rattles.

Slocum's attention was attracted to the snake when his dog kept growling and backing away from it.

## Junior Varsity Season

Saturday at 2:00 p.m. on the home athletic field the Chelsea Junior Varsity football team will open its season by hosting Dexter's JV's. The Chelsea JV's are composed entirely of sophomores and freshmen and will give their followers plenty of spirited action.

## Memorial Dedication Announced

The Rev. Philip Rustan, pastor of the Congregational church, announced this week that a new outdoor church bulletin will be dedicated at a special outdoor service to be held Sunday afternoon from 2:30 until 3:00 p.m.

The memorial bulletin which is Arnold Lehman was dedicated Feb. 13 as the result of an automobile accident.

Since contributors to the Arnold Lehman Memorial Fund included many people in the community in addition to members of the Congregational church, everyone is invited to attend the dedication.

The memorial bulletin which is being erected on the lawn at the west end of the church property will be unveiled during the dedication service.

## Funeral To Be Friday Afternoon For Henry Dancer

Henry W. Dancer died Tuesday afternoon at Colonial Manor Nursing Home where he had been a patient since Aug. 20.

A native of Lima township where he was born March 12, 1870, he had made his home in this vicinity the greater part of his life. His parents were Walter and Mary Ann Tucker Dancer.

As a young man he was employed by the former Holmes Mercantile Co. here and later was a buyer for the William H. Taylor Co. and for the Edson Moore Co. in Detroit. He was connected with the men's clothing business throughout his business career and later, before his retirement from active work, he operated his farm on Fletcher road for a number of years.

His wife, the former Estella Crane, to whom he was married in December, 1890, died March 14, 1947. The family home until 1952 was at 221 Jefferson street.

He made his home in Florida from 1932 until 1956 and for the past two years had lived in Columbus, O.

Survivors of Mr. Dancer are a daughter, Mrs. Jean Dancer Lunn of Atlanta, Ga.; two sons, Charles of Tampa, Fla., and Robert of Stockbridge, and two grandchildren, Barry Lunn of Atlanta, Ga., and Mrs. Gordon Van Riper of Lincoln, Neb. Another son, Harry, died in November, 1956.

Funeral services will be held at the Staffan Funeral Home at 2 p.m. tomorrow (Friday) with the Rev. S. D. Kinde officiating. Burial will take place in Oak Grove cemetery.

PFC. DENNIS SCHUMM

Dennis S. Schumm, son of Mr. and Mrs. Frederick Schumm, completed recruit training last Friday at the Marine Corps Recruit Depot at San Diego, Calif., and arrived home Sunday night on furlough before reporting at the Naval Aviation Training Base at Jacksonville, Fla. Schumm received the rank of Marine private first class at the conclusion of the 11-week recruit training course and was a member of the honor platoon.

## Senator Potter Will Visit Chelsea Next Thursday

U. S. Senator Charles Potter is scheduled to visit Chelsea Thursday and will be in the Municipal building from noon until approximately 12:30 o'clock to meet people of the community.

According to present plans the senator is to arrive in Chelsea at 11:30 a.m. and will make brief stops at several places before going to the Municipal building. He will be accompanied by his Washtenaw County campaign manager, Mrs. Betty Wismer of Ypsilanti.

Coffee will be served during his half-hour stay in the Municipal building by a committee of members of the Republican Women's Club of Chelsea, under the chairmanship of Mrs. Dudley.

## Village Accepts Gift Of McKune House For Public Library

### Needlework Guild Ingathering Set Friday Afternoon

Tomorrow afternoon, from 2:30 until 4:30 o'clock, the Chelsea branch of the Needlework Guild will hold the annual ingathering of clothing and household items for distribution to local people in need through Chelsea Social Service.

Items which are in demand are pajamas for boys and girls; jeans for boys, underwear shorts and shirts and socks for boys, panties and white socks for girls, and girls' dresses in sizes 6 through 14.

Mrs. H. T. Moore, Chelsea branch president, in announcing the annual ingathering, mentioned that this year there are a number of articles which are not needed locally.

These are infants' wear (with the exception of crib blankets), T-shirts for boys, blouses for girls, flannel shirts for boys or mittens.

## Senior Band Preparing for U-M Festival

Chelsea High's Marching Band has been very busy the past two weeks presenting public performances, preparing for coming performances, having tryouts, and working on marching fundamentals.

Two weeks ago the band, under Drum Major Jon Harris, marched for the Community Fair Parade, and presented a concert at the Fair that evening. Last Saturday the band traveled to Saline where they marched in the Saline Community Fair Parade. Chaperones for the Saline trip were Mrs. Ray Slusser, Mrs. Arnold Fahrner, and Mrs. Gayle Grove.

Barbara Bertke and Mary Jane Harris were appointed Senior Band Librarians for the coming school year. Carol Cameron was also appointed the Band Reporter. These appointments now complete the Band Council roster with the following officers: Charles Cameron, president; Jean Larson, vice-president; Carol Tedman, secretary; Sharon Smyser, treasurer; Carol Cameron, reporter; Barbara Bertke and Mary Jane Harris, librarians.

In addition to drilling on marching fundamentals, the Senior Band is preparing the music for the Tenth Annual Band Day to be held at the University of Michigan-California football game, Sept. 27. One hundred and ninety Michigan high school bands with more than 12,500 bandmen taking part, will convene at this date to make up the world's largest massed band in the world's largest college-owned stadium.

In tryouts last week Charles Cameron and Ronald Coleman retained their first chairs of the cornet and clarinet sections.

Carol Sanderson underwent an emergency appendectomy Sunday at Poote hospital, Jackson. She is a daughter of Mr. and Mrs. W. Conlin.

Mr. and Mrs. Douglas Schneider left Monday for St. Louis, Mo., where the former is entering Eden College.

MYSTERY FARM NO. 22 — "Picture book pretty" describes the symmetrical layout of today's "mystery farm" photo, the 22nd in the series being published weekly in The Standard. An identifying feature which will most likely prove helpful to readers is the attractive white painted fence which marks off the barnyard area. The twin also

should also help fix the location of the farm for those who try to identify the place. If you think you recognize the farm call The Standard office at once. The number is GR 5-5581. A mounted photo of the farm awaits the owner if he calls at The Standard office by Saturday.

SKI EVENT WINNERS—Gary Dault (left) and George Staffan display the trophies they received at water skiing events held over the Labor Day week-end. Dault's trophy was won at Clark's Lake where he took second place in the boys' slalom events, and Staffan's trophy was presented to him as first place winner in men's slalom events at the Black Lake Regatta. Both are members of the Cavanaugh Lake Ski club. It is Staffan's first trophy and Dault's second. Dault had taken third place award in the 1957 meet. Seven Cavanaugh Lake Ski club members competed in the 1958 meets.

Sept. 18—Football team plays at Dexter.

The Future Homemakers of America held a candlelight installation of officers Wednesday, Sept. 17. Elected last spring were president, Rita Schramm, vice-president, Jeanne Larson, and secretary, Kathy Goltra, as well as parliamentarian, Sandra Fraser. All of last year's officers were

invited to attend. Dues will be \$1 per year, and first semester dues are due Oct. 1.

The high school choir is planning to sing at the Chrysler Open House for dealers and newsmen. At present 51 are enrolled, including the evening choir. Both groups are working to improve the bass and tenor sections which were depleted by graduation. The new treasurer is Grace Penhalligan.

At a meeting held during activity period Wednesday, Sept. 10, the Latin club elected president, Peter Flinta; vice-president, Daniel Mayer; and secretary-treasurer, Kathryn Kinde. Members voted to raise dues to 75 cents. They also decided that since the Latin club meets on alternate

weeks, members must attend three-quarters of the meetings at least.

Among the many Junior High students who are still "glowing" about their vacations are Pat Craddock, eighth grade, who had a wonderful two weeks in Florida, and Dorothy DeFaut, who visited Marquette for a ten-day stay which included visiting the Mackinac Bridge. Drucilla Picklesimer stayed in Kentucky for one week, while Jackie Taylor visited in Wisconsin for three weeks.

Seventh graders Beverly Bergman and Nancy Riley spent some time in upper Michigan.

The Vernon Parks family, including our pal, Victor, went this summer to a family church camp located at Wolf Lake near Munkegon. Traveling by car they left June 29 and arrived about mid-afternoon. After getting settled, they found that the activities included swimming, volleyball, baseball, and other things on the side. They enjoyed a wonderful week at camp and then continued on to Godwin Heights, a suburb of Grand Rapids, to visit relatives. Later, Victor enjoyed two weeks at Boy Scout Camp at Bruin Lake.

The new freshmen have been

busily getting used to their new schedule. They (and everyone else) are now back in the old grind of homework, tests, and projects.

In biology the freshmen have been studying the use of the microscope. They have learned the various parts of the instrument, and are viewing things under it. "Sophomore Progress" seemed to justify itself for entering the Community Fair parade, as it was rated first by the judges. The \$19 profit from the \$25 prize will go into the class treasury. The float was constructed in the backyard at the home of Daniel Mayer. Ann Schumuk represented the class as candidate for queen.

Juniors elected Kathy Goltra to be their president, Linda Fisher their secretary, and Jim Collins their vice-president. Mr. Musser was appointed parliamentarian.

Seniors heard Mr. Byron West discuss all the rules and the possibilities of making large sums of money by selling magazines during the next few days. The goal for the sale will be \$4,000. Mr. West will sponsor a party for the two winning home rooms if they come within \$200 of their set goal.

Ellen Keusch and Karen Munro were appointed manager and publicity manager respectively for the campaign. Slane, Jeanie Larson and Barbara Balmer are the captains for the three senior home rooms. Delores Scripser was selected as treasurer for the class. Good luck, seniors!

Mr. Truman O'Doherty is a popular addition to the coaching staff at Chelsea High School. He attended Morningside College, where he majored in physical education and history. He also played football there and made "little All-Americans" for two successive years. He also served a four-year hitch in the army. He is married and has three children, Mike, Tim, and Kitty. Colene. His favorite hobby is taking care of study hall, he says. He also teaches Junior High school social studies.

## World Is Still Full of Mysteries

One of the generally mistaken concepts of the ordinary layman is that scientists and physicists know more than they actually do about the universe. Dr. Albert Einstein, who died in 1955 after a brilliant career, admitted freely that man knew relatively little about matter, energy and radiation.

Today we are just in the "first grade" in trying to understand the forces at work in the universe. We still do not know why electricity, for example, behaves as it does. We cannot explain many of the "whys" concerning our latest discoveries pertaining to the behavior of atoms, etc.

About all we know, in the fields in which we have advanced, is that certain things do happen, that electrons do behave in a certain manner under some conditions, and that there are apparently certain laws of nature which can be pinged down and mathematically accepted. Beginning with the Quantum Theory of Max Planck, in 1900, the world tendency to find a mechanical explanation for things began to give way to mathematical abstraction. Today we admittedly do not understand why waves, light, and radiation behave as they do.

And our measurements, our impressions, are man-made guides which do not fit into the universal scheme of matter and movement. For example, Einstein discovered there is no such thing as time, but rather life is a series of events, time being a man-made measurement.

The greatest mystery of all mysteries today has become the puzzle in attempting to spy on and penetrate the real objective world. For when the scientist attempts to measure the position and velocity of an electron, every measuring device known to man changes the velocity of the electron being studied, and there is as yet no way to discover the answer.

Thus, every man changes and distorts the workings of the key unit, the electron, by the very process of attempted observation. And in spite of our great progress in the field of missiles and rockets, we are blindly groping in the dark, still far away from the great mystery of matter, movement, space, time, energy, radiation, etc. For the young scientist, then, a world of opportunity and exploration lies ahead.

A lot of people too polite to talk with full mouths think nothing of talking with empty heads.

A woman flees from temptation, but a man crawls away from it with the cheerful hope that it might catch up with him.—U. S. Coast Guard Magazine.

Too many people are going around saying it's better to give than to receive, but never find time to try out the system.

## You don't have to be a PENNY PINCHER

Getting ahead financially is not a matter of "pinching pennies." Quite to the contrary! Actually you can spend money more happily (because free from worries and misgivings) once you have embarked on a program of systematic saving. First step is to establish the amount that you reasonably can and MOST CERTAINLY WILL save each payday. Then see to it that these dollars go promptly into your savings account every week . . . before they have a chance to go elsewhere. You'll have more fun spending what's left . . . when you do your saving FIRST!

## MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

Modern Michigan is in the throes of an almost accidental move to make the city the basic form of government.

Through numerous annexations whole townships are disappearing inside the city limit signs. For better or for worse, several metropolitan areas are growing rapidly. Flint is fighting in the courts to adopt two nearby towns and parts of eight townships; Battle Creek has elaborate annexation plans; Holland is making news with similar ideas.

The Citizens Research Council of Michigan has urged that the four fashionable Grosse Pointes—Grosse Pointe Park, Grosse Pointe Woods, Grosse Pointe and Grosse Pointe Park—near Detroit be merged to provide single services at less cost than now.

Supporting and opposition forces have their own valid arguments. Taxes of course, are the major issue from the standpoint of every citizen's pocketbook. Annexing to a city area can be quite a tax folt to either of the groups, but usually the annexed area feels the increase as new or improved services become available.

Local government is centralized by annexation as it wipes out the older basic form of township government. Resentment goes deep in smaller government offices. But it's silly to have three fire departments when one will do," said Elden Mason, of the research council.

In preference to annexation, a number of smaller towns and townships are working to consolidate into a new and separate metropolitan or city unit.

Another phase of the problem, most prominent in school districts, is the indebtedness of the annexed and the annexing units. Cities are generally unwilling to take on the bonded debts of a smaller annexed area. Smaller units are not eager to join bigger areas where the public debt is large and thus help pay it off.

A centralized government in the hands of a responsible executive has been a goal of reformers on the state level for years.

The research council's reports and recommendations to the legislature all have pointed the way. Reformers won a major victory last year when the sharply-divided

legislature finally approved a bill to give the governor power to reorganize the administration.

Political parties are trying to give the Teamsters Union to each other. The donation battle started when Teamster Boss James R. Hoffa fell from Democratic grace in 1952. Democrats have since complained that Hoffa wanted to take over their party.

For years, until the 1952 split, the teamsters supported Democrats. Reports show that Hoffa's support still was present for Democrats that year.

Democrats said that Hoffa supported former Republican U. S. Senator Homer Ferguson during his last unsuccessful campaign and lent help to others in the party.

Republicans retorted this year that Wayne County Prosecutor Samuel Olsen and others accepted money for their campaigns from the union. Olsen received \$11,000. A Senate committee in Wash-

ington released the list, showing others in the past few years have partaken of teamster bounty to campaign for election.

Governor Williams, in support of a resolution at the party convention in Grand Rapids, ordered Democratic candidates to shun teamster help this year.

Republicans followed the next week with a similar resolution. They also condemned Hoffa's help along with aid from UAW President Walter P. Reuther and other union leaders.

Williams said in his campaign that the Republican attempt to give Hoffa back to the Democrats has been unsuccessful. Republicans claim Hoffa never left the Democratic camp. They also point out that the only teamsters elected to the House of Representatives have been Democrats.

Perhaps no one will ever know even until election eve just who Hoffa is supporting, if anybody.

## Uncle Lew from Lima Says:

DEAR MISTER EDITOR: Well, Labor Day has come and went for another year. That's the day all the city folks tries to get out of town and visit in the country. The feller that named it Labor Day knewed what he was doing. It's the day the country folks has to labor like a pair of mules to cook for their city Kin-folks. Ed Doolittle said he set a table on Labor Day for 12 known city relatives and four he wasn't certain about.

I saw by the papers where some feller took advantage of Labor Day to lambast the Taft-Hartley bill again. I ain't never understood why labor got so riled up over that bill. From what I recollect about it, when labor gets mad and decides to strike, the law requires a 80-day cooling off period afore the strike really begins. Eighty days seems like a long time to get cooled off, but I reckon they put that into the law on account of it getting hotter in some places than in others. Personally I ain't never had to cool off that long in one stretch, but I don't work hard enough to get as steamed up as some folks.

However, I've always tried to be a law-abiding citizen, and now that I've pulled a strike to celebrate Labor Day, I reckon I'll stick with the full limit of the

Taft-Hartley bill and cool off the entire 80 days, which ought to git me well over into November when the weather is cool naturally and it's about too late to work anyhow. I have wrote my Congressman for a copy of that law so's I can read it to my old lady.

Of course, this labor feller wasn't the only one popping off on Labor Day. Some farmer in Virginia demanded Secretary Ezra Benson resign and make his resignation effective back to the date he took office. And a bunch of fishermen in Georgia took advantage of the occasion to ask Congress for a guaranteed annual catch. Taking everything into consideration, I'd say that Labor Day this year was a big success.

Over in the foreign news I saw a item that caught my fancy. They arrested this feller in Italy for "subtracting huge sums from the public treasury." He didn't borrow it and he didn't steal it, he just subtracted it. That's a mighty handy word and I'm glad I discovered it. We got a heap of public office holders in this country that don't steal and don't borrow from the public trough. They just subtract it. I predict it'll git to be a right popular word in Washington.

Yours truly,  
 Uncle Lew.

### Your Four Chances

Most of the heartbreak in the world, I suppose, is due to loneliness.

Part of our loneliness arises from the permanent separation which comes when death takes our loved ones; but strangely enough we may find that those we really loved in life do not seem very far away even when they have gone from us.

Some loneliness comes from the temporary separation which distance can put between us and our families. But the most serious loneliness is that which is suffered by people who are lonely in the midst of crowds, because they never learned to love.

"Love" is the great word in the Christian religion, predominant in the sayings of Christ himself, and in the writings of St. John, as well as in the epistles of St. Paul.

But whether we are Christians or not, God has given almost everybody four chances in the course of this life to learn how to love.

Our first great opportunity to learn about love comes when we are babies. It ought to be easy for a baby to learn to love his parents. He is so dependent on them, and they are usually so eager to provide for his needs, that gratitude and love are his normal responses.

A few parents miff this opportunity. By giving the child every privilege, and no responsibility at all, they may train him to love nobody but himself.

A second chance comes when we are able to play with children of our own age. In the give and take of games and lessons and gangs we may learn how to love our equals—our peers.

A third opportunity comes when we are attracted to someone of the other sex. If our affection grows enough that we are more interested in making the other person happy than we are in making ourselves happy, we are learning to love.

Most people have one more opportunity to experience genuine unselfish love. With the birth of a baby, the parents have the perfect setting for the fulfillment of true love. As parents forget themselves and their own comfort and desires, they learn what love is.

Until we have experienced one or more of these four types of human love, we are not prepared to enroll in the graduate course known as love of God.

An understatement if you've ever heard one! Comparing the industry which is located in your town with industry located somewhere else which your town might like to get, the bird in hand is worth a hundred in the bush, and more. It's a hundred to one that the best opportunity your town has for more industrial payroll lies in expansion of its present industry. The industrial payroll of your town is a priceless

possession. Protect it. Other towns would like to get it and some may even now be trying. Don't take the industry in your town for granted. Show your pride in it. Help it expand. There's no better payroll than the homegrown variety and it is, by all odds, the easiest to grow. ## THE CHELSEA STANDARD

**SLEEK AND LOW** describes Buick's new styling for 1956. The model shown is the luxurious two-door Electra hardtop which measures less than 55 inches in height yet retains approximately the same headroom as last year's Buick. The "delta-wing" styling of the rear fenders that flare out to a point, and twin headlights that are set on an angle give the new Buick a look that is light and jaunty. Compound windshields that curve back into the roof and eliminate wind noise are a feature on all 1956 Buicks. The Electra is powered by a 401-cubic inch V-8 engine with 10.5-to-1 compression ratio. Twin turbine Dynaflo and power steering are standard on all models in the Electra series.

## Wild West Returns as Posse Guns Down Runaway Heifer

Everett Van Riper has commended members of the volunteer Washtenaw County Sheriff's Posse for their assistance in tracking down and shooting a yearling heifer which had gone wild and had resisted efforts to capture it since Aug. 15.

The heifer had been seen on a number of occasions, usually at night, but always fled when anyone appeared on foot.

Monday morning, after the

heifer was spotted near the Earl Bauer farm, corner of Jerusalem and Lima Center roads, Robert Holliday of the Sheriff's Posse, aided across the ground unnoticed for approximately 80 feet and succeeded in shooting the animal.

The runaway heifer had been a menace to night traffic in the area since she did not fear cars. Collisions were narrowly averted on several occasions.

The posse had combed the area on horseback Wednesday of last week and a plane aided in the search last Saturday.

Deputies from the Sheriff's Department, on the lookout for the Van Riper cow Thursday, spotted one they believed to be the object of their search and since they had been asked to shoot the runaway, they shot a cow which they later learned belonged to Erwin Halst. The animal was believed not fatally injured.

### Manchester Youth Wins State 4-H Sheep Shearing Contest

Michigan's top 4-H sheep shearer is Ronald Kuhl, 19, of Manchester. Ronald won the title during competition at the State 4-H Club Show on the Michigan State University campus.

Larry Cotton, 18, Portland, won second place honors and Larry Kain, 17, Coral, placed third. Young Kuhl scored 87.1 points out of a possible 100 as he sheared the two sheep required in the contest. His time was eight minutes per sheep. Ronald got his training for shearing at the Michigan State sheep shearing school in 1957. Since then he has been shearing sheep at home and for neighbors. This past winter he was a short course student at Michigan State University.

### 39 Volunteer 4-H Leaders of State Win Long Service Awards

Thirty-nine volunteer 4-H Club leaders were honored for long terms of service at special ceremonies during State 4-H Club Show on the Michigan State University campus at East Lansing. The leaders received 20, 25, and 30-year service awards.

From Washtenaw county, Mrs. LaVerne Coy, Dexter and Frank Geiger, South Lyon, both received 20-year clover awards. Mrs. Coy is a very active leader, leading mostly in foods, canning, freezing and clothing. Mr. Geiger also a very active leader, in livestock, crops, vegetable and flower garden.

A dead person may vote, legally, if he mails an absentee ballot and then dies before election day.

DO YOU SOMETIMES feel that it takes hours to cook  
a meal but only a few minutes for your family to eat it?  
If you do, count your blessings. There are some people  
who'd keep you busy cooking all day and night. Take the  
Belgian who once ate 44 boiled eggs in 30 minutes... the  
man from Chicago who put away 77 hamburgers at a sit-  
ting... the Australian who swallowed his way through a  
mound of 480 oysters in the hour.

YOUR HUSBAND and the children eat a great deal less  
than some, you see. Even so, to feed them well, you need  
to spend a lot of time over your pots and pans. That's why  
a handy extension phone in the kitchen is such a big help.  
It lets you answer the phone without leaving your cook-  
ing—or young children—to chance. The space-saving,  
wall type extension is most popular for kitchens. It comes  
in a choice of colors and costs only \$1.10 a month,  
plus tax.

SCHOOL DAYS are here again, and with them comes the  
choir of outfitting the kids for fall and winter. Always re-  
minds us of how much the youngsters grow from year to  
year (especially boys' feet). At a time like this remember  
there's no quicker, simpler way of buying things than to  
look in your phone book Yellow Pages to find the nearest  
dealer. And when you're in doubt, you can use your phone  
and call to make sure who's got what. Do your searching in  
the Yellow Pages and save time and shoe leather.

IF YOUR CHILDREN WILL be away at college, keep in  
touch by Long Distance. If they have a busy schedule, they  
might not be in when you call—but that's an easy problem  
to solve. Just have them call you "collect" one evening each  
week. It costs very little. And that familiar voice on the  
telephone will be the best cure for the blues ever invented.

PARTING SHOT: Coroner's verdict on the lion  
tamer: something he disagreed with ate him.

## ON DISPLAY TOMORROW, BUICK '59

# THE CAR

ELECTRA 225 IN THE EYE-STOPPING  
NEW 4-DOOR HARDTOP

Here it is... and now you know! Know why we have  
called this *THE CAR*. Know that a new generation of  
great Buicks is truly now here. From just this one view you  
can see that here is not just new design... but splendidly  
*right* design for this day and age. A car that is lean and  
clean and stunningly low... and at the same time great in  
headroom and legroom, easy to get into or out of. And when  
you see your Buick dealer and walk the whole wonderful

way around this Buick, you'll know still more how *right*  
all this is. From anywhere you look, here is a classic  
modern concept that is Buick speaking a new language of  
today. A language of fine cars priced within the reach of  
almost anyone. A language of quality and comfort and  
quiet pride of ownership. And when you see your quality  
Buick dealer and get behind the wheel, the car will speak to  
you in a language of *performance satisfactions* without equal.

**THE LOOK.** A clean, lean, new kind of fine-  
car look. The look of the best-engineered,  
best-manufactured Buick ever built...  
and the most excitingly beautiful design  
in Buick's nearly 60 proud years.

**THE ACTION.** Get the feel of thrifty new  
Wildcat engine. New Equipoise ride. New  
fin-cooled rear brakes and aluminum front  
brakes. New Twin-turbine and Triple-  
turbine transmissions.

**THE QUALITY.** Buick quality to the core, now super-quiet bodies by Fisher.  
Now Magic-Mirror finish retains its beauty longer. New interior décor  
throughout. Safety-Plate Glass everywhere. Magnificent new quietness,  
new comfort, the feel of fine-car quality everywhere! Yours to test,  
yours to savor—the magnificent new Buick for 1959.

## Southwest Deanery Observes 20th Year At Quarterly Meet

Eleven members of St. Mary's Altar Society here attended the quarterly meeting of the Southwest Deanery of the National Council of Catholic Women, held Sunday afternoon at St. Mary's Academy in Monroe.

This being the 20th anniversary of the founding of the deanery, a special candlelighting service was conducted by the present deanery president, Mrs. Clair Nicholson, of Ann Arbor, with Mrs. Kenneth Heiker of Ypsilanti as master of ceremonies.

Each of the 10 surviving past presidents was introduced by Mrs. Heiker and after the past president had lighted a candle, an outline of accomplishments during her term of office was reviewed.

The Rt. Rev. Magr. G. Warren Peck, of Ann Arbor, addressed the assembly on the anniversary theme.

Announcement was made of the Senior Citizens exhibit scheduled to be held in Detroit in October. Washtenaw County residents 65 years of age and older are being urged to participate. The Senior Citizens project is a non-sectarian program. Anyone in the Chelsea area interested in submitting a hobby or activity may contact Miss Gertrude Young before Sept. 29.

The next deanery meeting is scheduled to be held at Manchester St. Mary's church in December. The Chelsea women who attended Sunday's meeting are Mrs. Keith Boylan, Mrs. Frances Albert, Mrs. Karl Riegger, Mrs. Herbert Roy, Mrs. Rose Lalor, Mrs. Joseph Hafner, Mrs. George Hafner, Mrs. Kathleen Hatt, Miss Gertrude Young, Mrs. John O'Hara and Mrs. Joseph Laban.

## Donald Dancers' 25th Anniversary Honored at Sunday Open House

Mr. and Mrs. Donald Dancer observed their 25th wedding anniversary at a reception held at their home Sunday afternoon. The open house had been arranged by their daughters, Sharon and Carol Anne.

Approximately 150 guests attended, including members of the wedding party of 25 years ago, with the exception of the flower girl, now Mrs. Frederick Belsor, who was ill.

Howard Dancer of Ann Arbor, was best man for his brother and a sister, Mrs. Edward Leja of Detroit, was maid of honor, while another sister, Mrs. Victor Hoek was the pianist at the wedding.

All were present Sunday. Pouring at Sunday's reception were Mrs. Elmer Lindeman and Mrs. Claude Spiegelberg, while Mrs. Eva Dancer, mother of Mr. Dancer, and Mrs. Harold Taylor of Eaton Rapids cut the four-tiered anniversary cake.

The tea table appointments carried out the silver anniversary theme by means of silver candles and holders, and the beautifully decorated anniversary cake which featured silver trimming on white bell decorations and the numerals "25."

A bouquet of red roses, Mrs. Dancer's favorite flowers, was included in the table decorations.

## Jaycees Will Support Proposal To Call Constitutional Convention

The Chelsea Junior Chamber of Commerce has gone on record as actively supporting "Con-Con," which stands for Constitutional Convention.

The Michigan Constitution provides for the calling of a constitutional convention every 10 years, hence it will be voted on in the November election.

Taken into consideration by the Jaycees, as the reason for the need of a constitutional convention is that the present constitution is 50 years old with 68 unwieldy amendments attached to it. It was written in 1908 to serve the people of the state at that time.

To facilitate progress and advancement, more than 119 amendments have been proposed to supplement the constitution and 68 of these have been adopted.

Each proposed amendment has cost the Michigan tax payers approximately \$50,000, according to information studied prior to Jaycees' vote of support.

The purpose of the proposed constitutional convention is to provide the people of Michigan an opportunity to have an active part in rewriting their state constitution.

If the voters decide in favor of a convention, the following will take place: (1) Three delegates from each senatorial district will be elected in the spring election of 1959; (2) In September, 1959,

## DEATHS

### Mrs. Minnie Alber Dies After Lengthy Illness

Mrs. Minnie Alber, a life-long resident of this vicinity, died early Saturday at Colonial Manor Nursing Home following a long illness. She had been a patient at the nursing home since June. Mrs. Alber was 88 years old.

Born here March 5, 1870, she was a daughter of Philip and Barbara Freuburger Riemenschneider and was married Nov. 5, 1898, to John Alber. He died Jan. 22, 1941.

Mrs. Alber had been a member of the Methodist church since 1898 and was also a member of WSCS of the church. Her home was at 415 East street.

Survivors of Mrs. Alber are a daughter, Mrs. Leland (Letha) Kalmback of Springfield, Mass.; a grandson, Dobson of Massachusetts; and a number of nieces and nephews.

Funeral services were held at 2 p.m. Tuesday at the Burghardt Funeral Home and burial took place in Oak Grove cemetery.

### Mrs. Karl Riegger's Mother Dies in Germany

Mrs. Karl Riegger received a cablegram Sunday evening notifying her of the death of her mother, Mrs. John Seitz, of Reiprecht, Wuertemberg, Germany, following a long illness. She was 78 years old.

Surviving, in addition to Mrs. Riegger, are two daughters in Germany.

Funeral services were held Tuesday morning.

### Bagwell Was Here!

Yesterday, during the noon hour, Paul Bagwell, Republican gubernatorial candidate, and a caravan of campaign workers stopped in Chelsea for a brief visit and greeted people at Foster's Men's Wear store and at eating places in the downtown area.

Mrs. Joseph Wright spent Monday in Jackson as the guest of her son and family, Mr. and Mrs. Eldine Hawley and children.

## Missionary Brother of Bethel Pastor Will Be Speaker at Sunday Service

Bethel church in Freedom township will present a missionary, Dr. Emil W. Menzel, as its featured speaker on Sunday, Sept. 21, at the 10 a.m. and 8 p.m. services. At the evening service, the Rev. Henry G. Kroehler, president of the Michigan-Indiana Synod of the Evangelical and Reformed Church will formally receive the congregation into the membership of that synod.

The Rev. Emil Menzel has served in India since 1925, having done most of his work in the field of education. For some time he served as supervisor of elementary schools for his mission in the Central Provinces of India. He also served seven years as principal of St. Paul's high school in Calcutta. In recent years he has taught in a number of Indian teachers' colleges. He is the author of a number of books on educational psychology in the English language, as well as a series of textbooks in Hindi, the language of the Central Provinces. Several books on hunting experiences have been published, under the title of "Jungle Leisure" and "More Jungle Leisure."

Both Mrs. Emil Menzel and her husband will speak at the morning service. In the evening, the missionaries, there will be the coming of Bethel church members of the Michigan-Indiana Synod. This congregation was organized in 1840, long before the existence of the synod, and has always been a supporter of the church body, but has not assumed full membership.

Last year the Evangelical and Reformed Church merged with the General Council of the Congregational Churches to form the United Church of Christ.

### Ralph Owings Home From Two Years Service with Marines

Ralph Owings who served in the U. S. Marine Corps the past two years, has been honorably discharged and returned home Friday, Sept. 5. He had been stationed at Camp Pendleton, Calif.

Corporal Owings had enlisted in the Marine Corps in October, 1956 after attending the University of Michigan for one year. He is registering this week at Eastern Michigan College, Ypsilanti, where he plans to major in English and speech in preparation for a career in teaching.

Owings is a son of Mr. and Mrs. Harold Owings, Sr., 604 South Main street.

### Attempted Burglary

An unsuccessful attempt was made to enter the Dairy Queen building at Old US-12 and M-92 some time Saturday night.

Sheriff's deputies were called to investigate when it was discovered a rear window had been broken.

### Lansing Firm Hits Jackpot with Weekly Newspaper Ads

Barnes Construction Co. of Lansing, is a firm believer in weekly advertising—and for good reason. This firm bought 117 surplus, wartime constructed housing units for resale to the public.

Early efforts to sell the buildings, using several metropolitan media to advertise, failed to produce results.

Then Mr. Barnes used the Michigan Weekly Newspapers one bill-one order system. He placed four-inch ads in 30 nearby weeklies which included The Chelsea Standard and The Detroit Free Press. He received more replies than he could handle; decided to deal only with people who came in person, not to correspond. In less than two months he had sold more than 100 of the 117 units he bought.

## MAYTAG

**HALO OF HEAT DRYER**

The Dryer That IS Different

No Hot Spots! A gentle circle of heat surrounds clothes—fast dries a full load in 20 minutes at little more than body temperature.

The amazing new Maytag dries clothes at low heat as fast as you can wash them. A new Revolving Disc Liner Filter pulls lint directly out of the dryer (snaps out for easy cleaning.) New Automatic Sprinkler dampens clothes quickly, evenly—conditions clothes for easy ironing. Liquor reverse air-flow keeps operation quiet, outer edge of dryer cool.

Available in your choice of color and a wide range of electric (230 or 115 v) or gas (city or LP) models.

**NEW! AUTOMATIC AIR INTAKE FILTER**—Fine Fiberglass filter removes dust and dirt from all incoming air. Keeps your clothes cleaner than any dryer ever could before.

**NEW! AUTOMATIC DE-WRINKING**—Exclusive "Wash 'n' Wear" fabric setting takes out wrinkles to save you ironing. A time chime tells you when "wash and wear" clothes are dried just-right.
