MEMORIAL DEDICATED—White letters on a bright blue background are clearly legible on the newly installed outdoor bulletin on the grounds of the Congregational church. The bulletin was dedicated Sunday afternoon with the Rev. Philip Ruten, pastor of the church officiating. Contributions, not only from Congregational church members but from many people in the community for an Arnold Lehmann Memorial fund following his death last February, helped finance the installation of the bulletin. It is constructed of white Georgia marble with the cross, at the left, of stainless steel. The legend on the bulletin for its unveiling Sunday stated: "Dedicated this day in memory of Arnold W. Lehmann who first dreamed of this structure." Because of a sudden rain at the time of the ceremony the dedication service was held in the church with the unveiling taking place at its conclusion.

Community Chest Budget Set at \$13,132

Mrs. Donald Baldwin Will Direct Annual Campaign for Funds

Chelsea's 1959 Community Chest budget was set at \$13,132 by the Board of Directors during their meeting Wednesday, Sept. 17. Mrs. Donald Baldwin, as campaign chairman, will direct the fund-raising activities next month. The campaign will begin Oct. 13.

The 1959 goal is slightly lower than that of last year. A budget of \$13,311 was set for 1958. A total of \$13,831 was raised.

The budget committee, under the chairmanship of Lowell Davidson, felt that recent adverse economic conditions dictated reduced allocations this year. His group accordingly presented the board with a recommended budget.

Breakdown of the budget by agency allocation, as adopted by the following agencies:	
American Red Cross	\$ 2,750
Washtenaw County Boy Scouts of America	1,500
Portage Trails Council	1,500
Chelsea Recreation Council, Inc.	2,750
Chelsea School Band Instrument Fund	500
Chelsea Social Service, Inc.	1,300
Children's Christmas Party Committee	350
Girl Scouts of America	1,400
Huron Valley Council	1,400
Michigan United Fund	1,907
Salvation Army, Washtenaw County	350
Administrative and Campaign Expense	325
Total	\$13,132

The fund-raising campaign will be kicked off with the customary luncheon for solicitors and campaign workers at Schumm's restaurant, Monday, Oct. 13, at 12:00 noon. Mrs. Walter Mohrlock is in charge of these arrangements.

Sub-committee chairmen for the 1959 campaign are Mrs. E. McLaughlin and Mrs. R. Wagner, residential solicitations; Lowell Davidson, industrial; Alfred Meyer and J. V. Burg, II, business; Mrs. Albert Woods, rural; Mrs. Edwin Eaton, clubs; Charles Cameron, schools; and Robert K. Taylor, publicity.

Needed Garments Lead Needlework Guild Ingathering

Jeans, pajamas and underwear for school-age children predominated in the contributions brought to the Needlework Guild Ingathering Friday afternoon, Mrs. H. T. Moore, president of the Chelsea branch, reported.

Mrs. Moore said it was particularly gratifying to get the items in view of the fact that these are the articles most in demand. She said everything brought to the ingathering was of exceptionally good quality.

A number of Needlework Guild member groups have not yet brought in their donations, Mrs. Moore said, and a full report on the number of items received will probably not be available until after the board meeting scheduled for Nov. 3.

She suggested that those who have not yet turned in their articles do so as soon as possible in order to facilitate completion of the annual report.

Contributions to the Needlework Guild here are distributed to needy persons in this community by Chelsea Social Service.

PAUL BAGWELL, Republican candidate for governor, appears (second from left) in the above photo taken during his visit here Wednesday, Sept. 17. Shown shaking hands with Bagwell are Paul Mann, while Walter Mohrlock is at the Chelsea people in the downtown area.

Supervisors Adopt Record High Budget

Washtenaw county supervisors at Monday's session, adopted a budget of \$2,777,948 for 1959. This exceeds the 1958 figure by \$247,042.

Some of the items in the budget are \$45,297 for educational services; \$121,385 for public works; \$421,725 for public safety and general law enforcement and \$246,168 for legislative and administrative services.

Legislative and administrative services are listed at \$249,345; public health services, \$56,918; social welfare and hospitalization services, \$1,050,866; capital outlay, \$40,026; and reserve appropriation, \$236,223.

Elected county officials and some appointed department heads were given pay raises of up to 5 per cent.

The county clerk will be paid \$8,000 per year; drain commissioner, \$7,300; prosecuting attorney, \$11,000; register of deeds, \$9,700; sheriff, \$7,000 (plus \$1,250 for house rent); treasurer, \$9,000; circuit judge, \$20,000 (which the county pays \$7,500); probate judge, \$13,000; county administrator, \$11,000; medical examiner, \$300; juvenile court director, \$7,000; planning director, \$10,500; public health director, \$14,712; public health engineer, \$9,588; public health nurse supervisor, \$7,279; social welfare director, \$8,520; and superintendent of schools, \$9,450.

Although the budget eliminated any additional cost of living pay boost for county employees beyond their annual raises under a salary and benefits schedule, the supervisors voted to review the cost of living after next March.

Dog control in 1959 will total an estimated \$35,323, including a payment of \$11,500 to the Humane Society for detention and disposal of dogs picked up by the county dog wardens.

The position of Civil Defense welfare services co-ordinator also was created by the board. It is in the developing of a welfare services plan for Civil Defense in a disaster.

Direct relief to welfare recipients, which will be an estimated \$210,000 this year, was increased to \$340,800 for 1959 in anticipation of a post-war boom.

During the past several months, the caseload has been 430 to 470.

Final date for registration of voters for the November election is Monday, Oct. 6.

Registration for township, county, state and national elections must be made with the township clerk. Registration for the recent village election does not apply for the coming November election.

In Freedom township voters must register with Will Reno; in Lima township with Ralph Stoffer; and in Lyndon township with Mrs. Emma Goodwin.

Mission Festival Scheduled Sunday At St. Paul's

St. Paul's Evangelical and Reformed church has scheduled its annual Mission Festival for Sunday, Sept. 28. The pastor, the Rev. P. H. Grabowski has announced.

Guest speaker at both a morning and evening service is to be the Rev. Reginald H. Hefflerich of St. Louis, Mo.

The Rev. Hefflerich is executive secretary of the Evangelical and Reformed Church Commission on World Service, a position he has held the past 12 years.

During the 12-year period the Rev. Hefflerich has visited 64 countries and in 38 of these he has worked on special projects for the Church.

Before assuming his duties as executive secretary of the Commission on World Service the Rev. Hefflerich served as pastor of an Evangelical and Reformed church at Bath, Pa., for 18 years. Since special emphasis of the Evangelical and Reformed Church this year is on the program of World Service with which the Rev. Hefflerich is so familiar, his story of the work is expected to prove exceptionally interesting.

The Rev. Grabowski has announced that all members and friends of the church are invited to attend Sunday's services.

Pvt. Emerson "Skip" Wheeler who is attending school at the Army Proving Ground at Aberdeen, Md., spent the week-end here with his parents, Mr. and Mrs. Harold Wheeler.

Mrs. Emma Seitz was in Ann Arbor Monday afternoon to visit her sister-in-law, Mrs. Rose Edwards, at St. Joseph Mercy hospital, Ann Arbor, where she underwent surgery Saturday.

They executed an American folk dance without tails, and also a western style square dance.

Bulldog Grid Team Opens Season with 19-0 Win at Dexter

Fair Board Dinner Features Grand Champion Beef

Chelsea Community Fair board members and others who worked at the 1958 fair, with their wives and husbands attended an after-the-fair dinner at Schumm's restaurant Tuesday evening, the main item on the menu being the grand champion beef Schumm purchased at the Community Fair's fat-stock sale.

The annual get-together after the close of the Community Fair is a "Dutch-treat" affair, everyone paying for his own dinner. Tuesday's dinner was served in the currently popular smorgasbord style.

Dundee Vikings To Invade Home Field Friday

Last Friday night Chelsea High opened their 1958 football season with a 19-0 victory over arch-rival Dexter.

This game marked the last time the two neighboring schools will face each other in the season curtain-raiser. Next year both Dexter and Chelsea will be members of a new athletic league and will, therefore, be opening their seasons with non-league rivals.

The game was close for the first half as each team threatened to score only once.

The Bulldogs struck suddenly and rather unexpectedly. With third down and two yards to go on their own 47, Quarterback George Wilson handed off to Loren Keizer, who sped through a hole opened by George Mayer, Fritz Wagner and Bob Eder.

Dexter's secondary had drawn up close to prevent the first down and before they could react Keizer was past and on the way to pay dirt. The play covered 53 yards.

On the extra point attempt Keizer was stopped as he tried to sweep his own right end.

In the second quarter Dexter threatened. They moved to the Bulldog five for a first down on a series of sweeps and fake pass plays. On second down Chelsea guard Jim Mahan broke through and hit the Dexter ball-carrier, so hard he tumbled and Fritz Wagner fell on it for the Bulldogs.

However, the Bulldogs couldn't move the ball out of their own territory during the balance of the first half.

The Bulldogs kicked off to Dexter.

THE REV. RICHARD COCKRELL

St. Barnabas' Vicar Will Leave Position Oct. 15

The Rev. Richard Cockrell, Vicar of Saint Barnabas Episcopal church, has resigned his position here to accept a new position as of Oct. 15.

The Rev. Cockrell has served the church here in Chelsea since July, 1957, coming directly to the church from the church's west coast seminary, the Church Divinity School of the Pacific, Berkeley, Calif. He was ordained to the priesthood last January, here in Chelsea.

The clergyman will move to Grosse Pointe Woods to work in Christ Church, Grosse Pointe, under its rector, the Rev. Dr. Erville B. Maynard. The Cockrells will reside at 2049 Norwood, Grosse Pointe Woods.

Succeeding the Rev. Cockrell as Vicar of Saint Barnabas will be the Rev. Allan W. Reed, at present assistant priest at Trinity Church, Toledo, O.

Mr. and Mrs. Herbert Foster of Kalamazoo, spent Sunday here as guests of Mrs. H. D. Witherell. Mrs. Foster is the daughter of Mr. and Mrs. Leonard Witherell of Ludington, and a granddaughter of Mrs. W. Kern Anderson.

Half-Time Show Will Be Presented By Marching Band

Chelsea High School's Marching Band, under the drum majorship of Jon Harris, will present a half-time show for the Dundee game this Friday night. Baton twirler captain Lynn Slusser, and twirlers Lynne Fahrner, Judy Woolley, and Carol Dancer will be featured in baton twirling exhibitions in two formations. Two precision drills and dances are also planned.

The band will also make special formations greeting the visitors and the home-stands, and will do a special exit routine.

This will mark the 65-piece band's first game appearance this fall.

After the game, the band will open the second half but on the first play the hard charging Bulldog line, led by Roger Herman and Gus Steyer, caused Dexter to fumble, with Chelsea recovering on the Dexter 30.

On first down Quarterback George Wilson out-foxed the Dexter secondary by calling a pass play. Wilson pitched out to Loren Keizer who in turn hit End Don Wood with a perfect pass well behind the Dexter defense and Don scored easily. Keizer powered off tackle to score the extra point.

MYSTERY FARM NO. 23—The many people who travel along one of the main highways of this area should experience little difficulty in identifying this week's "mystery farm" photo, although the "Federal Screw Works" sign, plainly visible from the rear of one of the buildings will probably prove to be a "mystifying" feature. If you are able to identify the place call The Standard office at once. The owner may claim his free mounted photo of the farm if he calls at The Standard office by Saturday. The Chelsea Standard phone number is GR 5-3351.

Republicans Plan Dinner To Honor Vice-President Nixon

Vice-President Richard M. Nixon will deliver a major campaign speech during his Michigan appearance at Flint on Oct. 27. It was announced today by Earl M. Cress of Ann Arbor, chairman of Region 3 of the Republican Finance Committee of Michigan.

The Vice-President's speech will be given at a \$100 a plate dinner in the huge LMA Auditorium in downtown Flint, according to Cress. Tickets for the big GOP rally may be obtained at Washburn County Republican headquarters.

Walter P. Love and Arthur B. Summerfield, Jr. of Flint, are co-chairmen of the dinner.

Cress said that plans are being made to accommodate 3,000 diners from all sections of Michigan on the main floor of the Auditorium. "We plan to make this a genuine all-Michigan dinner, since it will be Mr. Nixon's major appearance in the state this year," Cress said. "The menu will include such native Michigan dishes as apple juice, celery, navy beans, cherry pie and other representative Michigan foods."

"We expect that Republican leaders from every county in the state will be on hand for this opportunity to hear and greet the Vice-President. County tables are available and may be obtained from chairmen in every area."

Chelsea GOP Group Will Concentrate Efforts On Voter Registration

Republicans of the Chelsea area are not participating in a general canvass for donations as planned on a national scale under the bipartisan campaign fund drive sponsored by the American Heritage Foundation.

Republican groups and the Republican Women's club of Chelsea, particularly, are concentrating efforts on reminding electors to be sure they are properly registered for the election.

Mrs. G. L. Staffan, president of the club, said yesterday "If someone tried to take your vote away you would probably fight; yet you can lose the privilege of voting by neglecting (or plain forgetting) to register in time. So many elections have been won or lost by a tiny handful of votes in each voting area and this year especially, your personal vote could be one of those which actually decides who is elected."

Mrs. Staffan quoted President Eisenhower's recent statement regarding individual registration and voting as having unlimited faith in America as long as Americans will express itself. "The one thing I should like to see is every American vote."

Final registration date for the November election is Oct. 6. The National flower of the United States is the goldenrod.

Northern Michigan Hunting Season Gets Underway Oct. 1

Lansing—Hunting seasons in northern Michigan will be in full swing Oct. 1 with deer, bear and small game as targets.

Archery deer season gets underway throughout the state for some 25,000-40,000 bow and arrow enthusiasts. These modern Robin Hoods may take deer of any age, either sex during the Oct. 1-Nov. 5 season in 79 counties.

Archers are restricted to "bucks only" in Emmet, Menominee and Chippewa counties, excluding Drummond Island. However, during an Oct. 1-Dec. 15 season in Alcona county, deer of either sex are legal game for archers.

Bow and arrow hunting for bears also is legal throughout the state during the Oct. 1-Nov. 5 season. Prowling hunters, meanwhile, will be in action during an Oct. 1-Nov. 5 bear season in the Upper Peninsula and the northern Lower Peninsula. Bears may be hunted under a small game license during this season, and use of dogs is permitted.

In the U. P. and the northern Lower Peninsula, Oct. 1-Nov. 10 season is in effect for ruffed grouse and squirrels, while an Oct. 1-March 1 season covers hunting for cottontail rabbits and snowshoe hares.

Prairie chickens and sharpshins may be hunted in the U. P. only during an Oct. 1-Nov. 10 season.

Specific areas closed to certain types of hunting during these seasons are listed in the 1958 Michigan Game Law Digest, available from license dealers or Department district field headquarters.

Sgt. W. D. Schrader Credited with Idea For Bamboo Chapel Built in Lebanon

A recent issue of "Stars and Stripes," the GI newspaper, carried the story of the dedication of a chapel in the hills of Lebanon, near Beirut, and credited a Chelsea serviceman, Master Sergeant William D. Schrader, with the idea which resulted in its construction of bamboo and rushes.

Sergeant Schrader is presently stationed in Lebanon.

The story as it appeared in "Stars and Stripes" follows:

BEIRUT (SIS) — An earthen, Protestant chapel, made of bamboo and rushes by American soldiers, has been dedicated in the Lebanon hills near Beirut.

Members of D Co. 1st Abn Battle Gr constructed the chapel in three days, after the idea came from Sgt. William D. Schrader. He and Capt. Harry L. Hunsicker picked a location in the shade of pine trees high in the hills off Damascus Road.

Accommodating about 50 men, the chapel has an altar of burlap packing material and cardboard with a slender cross of wood.

Hunsicker, who had already built an orderly room in the same manner as the chapel, directed his comrades to tie the rushes together with scrap wire.

Crude benches were built from scrap wood placed on sandbags. There is no roof.

"I think it's magnificent," said Chaplain (Capt) James V. Coleman, who conducted the dedication services in the new chapel.

Services for soldiers of the Roman Catholic faith are held in the nearby chapel of the College of Notre Dame de Jamhour.

VA Denies Rumor That Lapsed Insurance Is Being Re-Opened

GI life insurance has not been re-opened for veterans who allowed their term policies to lapse after World War II, Lloyd H. Jameson, manager of the Detroit Regional Office of the Veterans' Administration, said today.

Jameson said the statement was prompted by many inquiries from World War II veterans seeking to get back their long-lapsed National Service Life Insurance (NSLI) term policies.

(News of a Congressional bill containing an amendment which would have provided for a general re-opening of NSLI to World War II veterans was widely circulated in mid-August, he added.

But Jameson emphasized the bill was later changed to eliminate the NSLI re-opening provision.

If success turns your head, you're facing the wrong direction.

REP. SALLADE ADDRESSES PTA—Miss Johanna Weiss, Chelsea High school librarian, introduced First District State Representative George Sallade of Ann Arbor, (second from left), as guest speaker at the PTA meeting Wednesday evening. With him in the above photograph are Howard Flintoft, representing the Chelsea School Board, and Gerald Carr, PTA president (at right). Following his talk the PTA went on record as favoring the calling of a Michigan Constitutional Convention. The proposal will be voted on at the November election.

Representative George W. Sallade Addresses First PTA Meet of Year

Introductions of teachers and bus drivers highlighted the first PTA meeting of the school year.

Howard Flintoft, representing the School Board,

Following prayer given by the Rev. Louis Geller, the high school teachers were introduced by Principal Charles Lane.

Arthur Schumacher, Principal of the Elementary Schools, introduced the teachers of the North and South schools.

The "Why's and Wherefores of the School Administration" was presented by Principal Lane. It was pointed out that all the rural schools have been abandoned and all the pupils attend one of the three village schools.

At the present time the school is operating 18 buses. It was stated that in the rural areas, Junior and Senior students may walk up to one mile to reach a bus stop, and the elementary student up to one-half mile. Unless road conditions are considered hazardous.

Chelsea Schools are offering more special services this year. It was stated, including a full-time speech correctionist, a guidance and counseling instructor, in addition to the full instrumental program.

Attendance in the High School building has reached the number of 580 pupils. This is causing overcrowding locker space and an overflowing of the study halls. A program has been introduced whereby some students in the first, third, fourth, or seventh hour study halls are permitted to use that time to study at home instead of reporting to the study halls.

According to Principal Lane, a great amount of thought has been given to the awarding of all future high school diplomas.

At the present time, one diploma is awarded, and that to the student who has earned the necessary 16 credits for graduation.

Under consideration is the system of offering three grades of diplomas; recognition would be given the above average student, one for the average student, and for the below grade average pupil. This is something that concerns all parents and their children. This question should be given some thought. At a future date the school will ask for a public opinion on this matter.

The PTA exists for the purpose of informing parents of problems, such as this and of studying the solutions in co-operation with the school administration.

Announcement was made by Principal Lane of the architect's completion date of the new high school, as being Nov. 15. Then starts the project of equipping the school for the opening of the new semester. Moving dates are Jan. 6, 10, 11, and 12.

The present high school building will be used as a junior high school with the possibility of bringing in the sixth graders because of crowding in the elementary schools. One can realize some of the school system's problems when it is learned that the incoming kindergarten classes total 188 pupils while the senior class has 75 pupils.

Superintendent Charles Cameron will present figures on the school's financial status at the October meeting of the PTA. State Representative George Sallade spoke on "Our New State Constitution." He was introduced to the audience by Miss Johanna Weiss of the PTA Legislative committee.

Sallade reviewed the problems of education and its support under the present governmental set-up. He stated that new sources of

revenue for school districts must be found, also that proper funds be made available for elementary and secondary education.

Representative Sallade advocated the removal of the state superintendent of public instruction from elective position to that of appointive, by a commission, with confirmation by the governor and the Senate. "This would take education from the political field," Sallade said.

"Education has a lot at stake," said Representative Sallade in referring to the forming of a new state constitution. He pointed out the opportunity the people of Michigan have on Nov. 4 to help improve some of these conditions and to derive a better vehicle for the challenging problems which lie ahead for Michigan.

PTA President Gerald Carr informed the audience that the State PTA made a resolution at its convention to recommend a "yes" vote on the constitutional change.

The business meeting followed with introduction of the new officers and committees. President Carr said he hoped each teacher and parent had found a prominent place for the PTA School Activities Calendar. Please contact Mrs. Wes Howes GR 5-4282; if you have not received one of these practical memo-calendars.

Harry A. and Bonaro Overstreet are to be the featured speakers at the annual Parent Education Institute in Ann Arbor on Nov. 5. The PTA will sponsor members who wish to attend.

The four delegates to the West-

ern Washtenaw PTA Council will be announced. Chelsea will be host to the first meeting on Oct. 2.

David Sanborn of the music department directed a community singing.

The refreshment committee composed of Chairman Mrs. James Herman, Mrs. Evan Knott, Mrs. John Palmer, and Mrs. Merle Sibbey, served coffee and cake.

A welcome was extended to all by the hospitality committee who provided name tags and seating arrangement by classes. Committee members are Chairman, Mrs. Alex Ertson, Mrs. Walter French, Mrs. Clark Wilder, Mrs. Ruth Catell, Mrs. Mel Moore, Mrs. Bernard Herrst, Mrs. Norman Houk, Mrs. Walter Sullivan, Mrs. Philip Brilar, Mrs. Basil Reilly.

Decorations of fall colors in orange and brown and flowers transformed the high school gym into an attractive and friendly meeting area. This was accomplished under the chairmanship of Mrs. Eric Brady and a committee composed of Mrs. Walter Bolanowski, Mrs. Donald Leggett, Mrs. Lola Machnik, Mrs. William Henry, and Mrs. Henry Williams.

BROWNIES

It was announced this week that a new Brownie troop has been made possible with the addition of another leader, Mrs. Gifford Johnson. Mothers of girls in the third grade who wish to enroll them in the Brownie troop should call Mrs. Raymond Johnson of Taylor street.

Disability Income May Be Added To GI Insurance

More than 5,000,000 World War Two and Korean Conflict Veterans who hold GI life insurance may now attach a new type of total disability income provision to their policies in return for a small additional premium cost, Lloyd H. Jameson, VA's regional office manager in Detroit, has announced.

The new type of GI policy rider was authorized by Public Law 85-878, effective Nov. 1, 1958.

Under the new law, Jameson explained, policyholders who become totally disabled from any cause before age 60 and while the new rider is in effect, will receive an income of \$10 per month for each \$1,000 face amount of the GI policy. Previous maximum was \$5 per month.

Payments under the clause begin after the total disability has existed for six consecutive months and continue for the duration of the disability, regardless of its length, VA said.

No payment may be made for disabilities incurred after age 60, and no premium charge is made for this benefit after that date.

If the veteran is in good health and under 60, the rider may be added to any National Service Life Insurance (NSLI) policy, except for a limited number sold to certain disabled veterans since April 1953, Jameson said.

Of the 5,600,000 holders of eligible NSLI policies, VA estimated that at least 5,000,000 could qualify for the rider.

There are currently 85,500 veterans who have the old \$5 rider attached to their policies. Those who meet the requirements may increase their coverage to the new \$10 limit for a very small boost over what they are now paying in added premiums.

Premium cost of the \$10 total disability provision varies according to the policyholder's age, type of policy, and its face amount.

A typical example would be that of a 40-year old veteran with a \$10,000 NSLI term policy, who would pay \$1.60 per month for the rider. Under its provision, he would receive \$100 per month in policy benefits if he became totally disabled.

Premium payments, both on the basic NSLI policy and the income provision, may be waived by VA for any period of total disability longer than six months.

Information about the total disability income provision is available to NSLI policyholders at any VA office.

Football Victory

(Continued from page one)

the kick-off, the Bulldogs went in to score again on a sustained drive from midfield. The big play was a 30-yard burst by Right Halfback-Dalce Peris. Fullback Robin Wright picked up the short yardage on an important fourth down play and then Q. B. Wilson scored on a quarterback sneak. Larry Schrader's extra-point attempt was low.

Though it was still only the third quarter, Wilson's T.D. ended the scoring.

With a comfortable 10-point lead, coaches Al Conklin and Truman O'Doherty used everyone on the squad.

The Bulldogs showed a strong defense, especially when it was necessary early in the game.

Conservation Dept. Taking Orders for 18,000,000 Trees for Fall Planting

Lansing—Some 18,000,000 young trees have been placed on sale by the Michigan Conservation Department and orders are being accepted for fall planting season.

The planting stock available from state nurseries includes red pine seedlings and transplants and jack pine seedlings. Prices vary according to age class and species.

Planting stock is sold at cost by state nurseries for reforestation purposes and Christmas tree production, but not for ornamental plantings.

Tree plantings for reforestation produce valuable timber products and are extremely beneficial to recreation, wildlife, and soil and water conservation on farmlands.

Lifting of young trees is underway at the Department's three nurseries and stock ordered now will arrive in time for fall planting. Usually, stock is shipped from Sept. 15 to Nov. 1, but these dates vary somewhat with weather conditions.

A postcard to the Conservation Department's Forestry Division, Lansing 26, will bring full details and order blanks.

Kim Bear, aged 10 months, of Lowell, Ind., spent the week-end with his grandparents, Dr. and Mrs. L. J. Paul. He was accompanied by his parents, Mr. and Mrs. Thomas Bear.

Marlene Kuhl Chosen In Select Group for MSC Honors College

Marlene Kuhl, daughter of Mr. and Mrs. Arthur Kuhl, 11131-Solo Church road, is one of 135 of Michigan State University's brightest students who have been accepted by the Honors College for the fall term.

Beginning its second year of operation, the Honors College is a unique program in American higher education. Students in their second and third years are eligible if they have attained a 3.5 average (a 4.0 is a perfect A average).

According to Dr. Stanley J. Izderda, director of the Honors College, the admittance of the new students brings to 440 the total number enrolled this fall.

The basic principle of the college is to provide a constant challenge to the superior student, Dr. Izderda stated.

Once a student is accepted by the Honors College, all requirements for his graduation from Michigan State—other than number of hours—are waived. The scholar then is assigned an adviser in his field to work out a program of individual study to best meet his own interests and talents.

Miss Kuhl, a graduate of Chelsea High school, is a sophomore majoring in home economics teaching.

Soil Bank Deadline Set For Oct. 10

Washtenaw county farmers have until Oct. 10 to make application for soil bank. Applications, form CS-585, are available at the County Agricultural Station and Conservation Office located in the County Building, Ann Arbor.

Following application, actual contract sign up must be done by Oct. 24.

The 1959 program has some changes that all farmers should be aware of.

The acreage reserve phase of the soil bank program has been discontinued leaving only the conservation reserve program in effect. Current acreage reserve contracts will be valid until contract termination.

Benefits or payments for conservation reserve contracts have been increased. The Michigan average has been increased from \$11.00 per acre to \$15.00 per acre. Washtenaw county's average will be \$16.50 per acre.

Every farm on which an application is made will be assigned a productivity index by a county committee. An average farm would have a productivity index of 100. Some may go substantially above and some substantially below the average. Individual farm rates vary with productivity index. A 10 per cent bonus will be added if all eligible land on the farm is placed in Soil Bank.

New diversion land, land already in grass, pasture, trees, etc., will receive 50 per cent of the flat rate.

In the past, all soil bank contracts were processed first come first serve. In 1959 a priority rating has been established. In priority—those acres changed to conservation reserve to conservation reserve. 2nd priority—those farmers who offer their farm at a lower rate in order to establish a priority rating. 3rd priority—those acres changed to conservation reserve to conservation reserve. 4th priority—those acres changed to conservation reserve to conservation reserve.

Limitations as to payments are as follows: (1) No payment in excess of \$25.00 per acre. (2) No payment can exceed 150 per cent of county average. (3) No payment can exceed 20 per cent of agricultural value. As in the past a farmer can not pasture or crop land in the program. He must comply with acreage allotment, not noxious weeds and continue present contracts in effect until contract expires.

HOLDS FAST even in hurricane winds

These exclusive

Johns-Manville SEAL-O-MATIC ASPHALT SHINGLES

defy wind and water.

In an actual test J-M Seal-O-Matic Shingles withstood the terrific blasts of an aircraft engine. Wind and water were driven at 100 m.p.h. against a panel of these shingles for an hour, with frequent gusts up to 140 miles per hour... not a tab lifted... not a drop leaked through.

Here's the secret of this amazing shingle. A strip of special petroleum resin is factory-applied on the underside of each shingle. The sun's heat seals it to the underlying shingle, defying even high winds to pry it loose. Drop in and let us give you a personal demonstration of these patented Seal-O-Matic Shingles.

THERE'S STILL TIME to have that new roof installed before winter closes in.

Ellen Keusch Gives Detailed Report of Her Experiences as Delegate to Girls' State

By Ellen Keusch
Delegate to Girls' State

Frequently this summer I have been questioned by many puzzled people. "Well, just what is Girls' State anyway?" Because I feel that I cannot afford to miss this tremendous opportunity of being a delegate to the Michigan Girls' State, I'm writing some of my experiences in hopes that I can answer that off-posed query. Perhaps, if I could paint a word picture of Girls' State just half as wonderful as my "mental picture," I could spur this year's junior girls to do everything in their power to boost their records and thus better their chances of receiving this honor! I would also like to thank the Michigan Auxiliary for sending me to this summer.

Girls' State is not a boring series of lectures, or "imprisonment" in a girls' dormitory, nor is it a summer school. Girls' State is fun! It is education in particu-

lation. It is ten days (June 17 through June 26 this year) of mythical government in a mythical state, the citizens of which are 360 "top-grade" girls from all over Michigan. It is the state of Michigan in miniature! The girls are divided into two parties, the "Nationalists" and the "Federalists," the policies of which are determined by the girls themselves. (I was a Nationalist, wore a blue tag, and, of course, campaigned vigorously for my party's platform and candidates.) There were 18 mythical cities—populations, 201. Each city was aided by a counselor, a girl selected from among University students. (My counselor was Christine Morton of Adrian.) There were six counties, each composed of three cities: I lived in "Miller City" of "Smith County." The cities and counties were named after former presidents of the American Legion Auxiliary.

The "staff" consisted of eight Legion women from all over Michigan under the direction of Girls' State President Mrs. Mabel Houck of Lansing. In addition a staff of government advisors was under the direction of Mr. Robert Sawyer.

We stayed at the beautiful "Stockwell Hall" where we ate like queens in the two spacious dining rooms and experienced an atmosphere of life comparable to that of any U. of M. co-ed lecture and ceremonies took us all over the Michigan campus and such places as Angel Hall, the Backham-Building, and the Michigan Auditorium.

It takes little to imagine the first day's confusion and the impact of 360 strange faces. During the next days, the well-rounded schedule of the Legion women kept us too busy to be confused! First we held city and county meetings and elected officials. (I was elected chairman in my city.) We discussed the problems of our city and passed laws accordingly. State Central Committees were organized; each city sent a committee woman from each party. The tasks of the Central Committees were to plan the State Party Conventions, adopt their respective party platforms, and, after candidates for state office were chosen, to plan the campaigning. My roommate was sent to the State Central Committee for the Federalist Party from our city and she was secretary of the Federalist Convention.

Many girls began seeking offices on the state level right away. Petitions were necessary for those seeking to run for the two highest offices: Governor and Lieutenant Governor. I had the privilege of running (though unsuccessfully) for Lt. Governor and I shall never forget canvassing the entire dorm for petitions (petitions were necessary for these two offices only), nor shall I forget my campaign speech at the Nationalist Convention. It was surprising how quickly the girls caught on to the business at hand, especially at the conventions. There were long-winded nomination speeches, high-spirited campaigning, shrewd bargaining and trading of votes, exciting ties, and girls every bit as serious and clever as seasoned politicians! (But I seriously must admit that this was more of a popularity contest than anything else. All the girls were leaders!)

Now that the candidates were chosen, everyone swung into campaigning action. Posters hung in every place conceivable and I do mean EVERYWHERE! When the wall space was used up, ceilings, floors, and even the persons of the girls provided mounting space. With the shortage of crayon, paint or ink, came the ingenious use of lipstick and finger nail polish!

Recreation-wise we played tennis, swam and even exchanged the latest dance crazes of the diverse schools. A daily paper, "The Mary-Go-Round" was put out, written by the girls and printed by Mrs. Pauline Phillips, one of the members of the Legion staff. Each city chose a reporter to be on the "Mary-Go-Round" staff. I was reporter from my city.

Included in the traditional Girls' State doings was a picnic, a slumber party (Can you imagine a slumber party with 360 girls anywhere else!), a good-deed luncheon, a skit night when each city showed off its plentiful and talented supply of actresses. . . . Everything was staged from a hill-billy wedding to a modern version of "Snow White." Some cities gave satirical interpretations of life in Stockwell Hall. Our city mocked "What's My Line," myself being an exasperated mother-in-law in the TV commercial. Year-to-year rituals were exercised. Outstanding among them was the fact that the government instructors and male guest speakers, in order to fit more appropriately into our female atmosphere, were firmly requested to "roll 'em up"—referring to their pant legs, of course!

Naturally, I can't leave out

The lyrics of every song, popular or old, were drastically disregarded and ill-rhyming campaign slogans were substituted. Chanting and yelling such things as "Ya can't miss with M-L-I-S-I" (for Melissa Tornberg, candidate for Governor) or "We fancy Nancy" (Nancy Hutshing, Lt. Governor) seemed to be the main occupation of the politicking citizens for two days. I received a mild case of laryngitis for my efforts.

And then the actual voting took place with electric voting machines. After the inauguration, the government began functioning on all three levels—now state, as well as city and county. There were several meetings of the Senate and the House; the Governor and Lt. Governor gave their addresses; the newly elected supreme court judges along with the county circuit judges staged a "Mock Trial." During all this governing, the government instructors were kept pretty busy. Much straightening out was needed, especially concerning parliamentary procedure. I was given an honorary appointment to the post of State Police Commissioner by Governor Teresa Lopez of Milan, Mich.

While all this was taking place we heard lectures on the problems of our Michigan government on all levels, the state women, civil defense, etc. We had such distinguished speakers as Governor G. M. Williams and his wife.

But all was not government at Girls' State. There was a variety of activities wide enough to suit the tastes of any girl. An orchestra was organized (and within a couple of days its music was good enough to contest with the best of high school bands). There was also a select chorus; I was a member of its soprano section.

Recreation-wise we played tennis, swam and even exchanged the latest dance crazes of the diverse schools. A daily paper, "The Mary-Go-Round" was put out, written by the girls and printed by Mrs. Pauline Phillips, one of the members of the Legion staff. Each city chose a reporter to be on the "Mary-Go-Round" staff. I was reporter from my city.

SAFETY HINTS from the Red Cross

You're seeking for aches and pains (and a stomachache) if you imbibe heavily of iced drinks while overheated. Give yourself a chance to cool off before taking that tall drink.

"Career Day" when we listened to and asked questions of a qualified person, a professional in our particular chosen field. We also took an extensive tour of the University Hospital. Movies were shown of last year's Girls' State and of the Michigan Marching Band!

On the serious side, the girls showed their reverence to God and their country through the beautiful veepers put on each evening in each city, and the flag raising and retreat. One could not help but learn to be more appreciative and tolerant of the religions and races of the other girls.

Probably the most outstanding day in my memories was the Girls' State Sunday. That morning we were allowed to worship at our respective churches. The campus to the various churches and chapels was more than pleasant. The afternoon was tinged with an electric excitement for it was then that the voting took place and also the talent contest. One act from each city was eligible to participate. A girl from our city sang in a trio; their act was among the winners chosen to do a kinescope to be shown on television. Sunday evening, the election results finally having been announced, the inauguration commenced. What a splendid sight!

The girls were all dressed in their finest. . . . the array of gowns made one forget Girls' State, and think of a fashion display! After the State officials gave their speeches were given by Mary Bosch (last year's governor) and the girls who had attended 1957 Girls' Nation. Both the band and chorus performed. Then we retired to the reception with every bit as much "social pomp" as the real thing! The last social event was "Honor Assembly." Citizenship awards were given to the best city and to a girl from each county. The delegates to Girls' Nation were announced, the lucky Miss Wanda Weststrate and Miss Mary Louise White. Journalism awards were given for work on the "Mary-Go-Round" and I was pleasantly surprised with first place! The Staff

Records Show 130 Children Took Part In Library Summer Reading Program

At the conclusion of the Chelsea Public Library's summer reading program, entitled "Rocket to Adventure," it was noted that 130 children had signed up for the project and a total of 1,608 books were read.

To become a member of the summer reading program, it was required that five books would be read. Certificates will be presented during the fall school term, stating the number of books read. (Sharon Mephan and Michael Tarasow head the list with 112 books read.)

The full report of the summer reading program, as prepared by the Chelsea Public Library, is as follows:

5-10 books read—Mary Alber, Beverly Arnett, Lyndon Benjamin, Barbara Bernath, David Blaess, Linda Blaess, Elizabeth Bower, William Boyle, Diane Brand, Michael Collins, Katherine Eder, Sandra, Elsie, Jane, Faye, and Charles Fredette, Diane French, Deborah Gorton, Diane Grammatico, Jane Griffin, Janet Hafner, Norman Hayes, Lois Hephurn, Donald Hinderer, Kathy Horste, Kenny Horste, Ronnie Howard, Sally Johnson, Kurt Kinde, James Knott, Sue Knott, Mark Lancaster, Daniel Maynard, Clifford McChlain, John McChlain, Ellen Merkel, Sharon Merkel, Ronnie Morley, Lynn O'Neill, Teresa O'Neill, Nancy Padgham, Lanny Patrick, Jennifer Pilkington, Yvonne Poda, Zoe Riemenschneider, CeCe Ritter, Barbara Schiller, Carol Sharrard, Hope Sindel, Diane Spear, Bruce Spencer, Don Steele, Sally Street, Katy Sutter, Sharon Sutter, Carolyn Wilkerson, Debbie Winans, Mary Ann Winters, Brenda Wireman, Frank Woleslagle and David Woods.

11-15 books read—Kay GeBott, Joey Horste, Sandy Knoll, Sarah Lindauer, Joyce McGibney, Eugene Morley, Carson Soule, Kathryn White, Sandra White, and David Winans.

16-20 books read—Elaine Eder, gave their final farewell speeches. I'll never forget the "Bitter-sweetness" of that last night.

The honor assembly was followed by much gay foolishness or what is termed as an "Altoha Party." These parties lasted far into the night, or rather early morning! Perhaps such merry-making provided an outlet for the rebellious emotions of the girls against the fact that this wonderful time was almost over.

The last morning there were many tearful goodbyes, and reluctant turning of backs on each other. I, too, turned my back; but I know that I will do much peering back over my shoulder on those days!

If you keep your ear to the ground you can pick up a lot of dirt.

THE GREATEST MODERN MOVEMENT Toward Improved Health

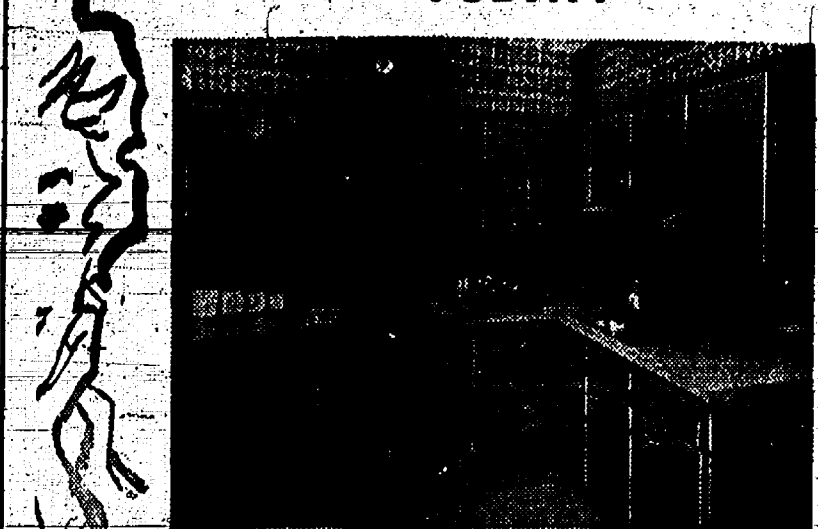

More than one-third of our nation's people voluntarily and freely pay for medical or hospital care in advance through cooperative insurance plans. This is probably the greatest voluntary movement toward improved health and welfare in the history of the world.

Every phase of this activity is laudable. The cooperation of industry and its employees, and the foresight of breadwinners to invest money in their families' health in advance of actual need, are evidence of progress. Active participation of the medical profession is evidence of its stature.

The desire for improved health, and the newly found personal pride and dignity of the individual are universal; and you may depend upon us, as upon your physician, in the achievement of these objectives for your family.

St. Andrew's Church, Dexter,
To Observe 75th Anniversary

Sunday, Sept. 28, will be the

first of three Sundays celebrating

the 75th anniversary of St. An-

drew's United Church of Christ

(Evangelical and Reformed) of

Dexter.

Services of worship will be held

at 9:30 and 10:45 a.m. on that

day. The Rev. Edward Dowda,

former pastor from 1942 to 1948,

and the Rev. Herman Schoettle,

former pastor from 1917 to 1920,

will participate.

More than 100 living members

of the congregation, classes from

1883 to 1920 are invited to be

recognized and honored. The ser-

vices will also pay tribute to the

members of St. Andrew's who,

having finished their labors for

their welfare, are now deceased.

St. Andrew's came into being in

1883, and since has continued to

grow and prosper. In the early

1880's many people of German

ancestry lived in and around Dex-

ter. At the time there were four

churches in Washtenaw county af-

filiated with the Evangelical

Synod of the West—Ann Arbor,

Freedom, Chelsea and Manchester

churches and others which af-

filiated with other denominations

were organized by the Rev. Fried-

rich Schmid.

It was the Rev. John Neumann,

pastor of Bethlehem church, Ann

Arbor, who first recognized the

possibility of organizing an Evan-

gelical church in Dexter. The first

services were held early in 1883

in the Dexter Episcopal church in

George Hill's Hall. Through the

Rev. Neumann's efforts, the Rev.

MICHIGAN'S OUTSTANDING YOUNG DAIRY COUPLE

Milk is the favorite drink at the farm home of Mr. and Mrs. Paul Piepkow of Olivet, and their four healthy youngsters thrive on it. The Piepkows have been named Michigan's outstanding young dairy couple for 1958 in a contest sponsored by Michigan Milk Producers Association. Purpose of the competition is to encourage agricultural leadership among young farm couples in Michigan. The youngsters left to right: Mary Ellen, 2; Tom, 6; Billy, 8; and Paul, Jr., 10.

12,500 Musicians Scheduled To Play in U-M Band Event

Ann Arbor—Tenth Annual Band Day at the University of Michigan Saturday, Sept. 27, will be another record-breaker, with 195 bands and 12,500 participants on hand to provide an added attraction for the football opener with Southern California.

But the record-breaking number of participants will not be the only highlight of the day since Michigan Band Director W. D. Revell has come up with a real headliner—Meredith Willson, noted band conductor and composer who wrote the book, music and lyrics for the current Broadway hit, "The Music Man."

"Twenty Six Trombones" is one of the hits from that show and Meredith will be directing not just 76 trombones, but 1,076 trombones when the massed bands perform this selection under his direction at half-time.

Also on hand for the big day will be Forrest McAllister, editor and publisher of the School Musician Magazine as well as a composer, conductor and adjudicator.

The high school bands are due in Ann Arbor at 8:15 a.m. Sept. 27 to rehearse for the big afternoon spectacle. Lights will be burning early in homes all over the state as the 195 bands begin assembling for the ride to Ann Arbor. Two Upper Peninsula bands, Brim-

Flashing Lights on School Bus Mean For Cars To Stop

When the new school bus law went into effect Sept. 13, it marked a new one for Michigan motorists. The old habit was stopping only from the rear when a bus was stopped to receive or discharge passengers. Now motorists have to remember to also stop from the front.

Unless drivers exercise care, the additional stop may increase rear end collisions, State Police warn. Such accidents had been increasing, they said, when only one stop was required.

The advice of the State Police is that motorists start slowing down as soon as they spot the red lights flashing on the front and rear of the school bus. The flashing lights indicate the bus is preparing to stop or has stopped to receive or discharge passengers.

It was pointed out, however, that motorists must nevertheless stop even if the red lights are not flashing, but the bus is stopped. Breaking old habits and forming new ones is not always easy, the State Police concede, but they said the excesses of the new law, including deaths and injuries to school children or in associated accidents such as rear end collisions, depends upon motorists remembering and observing the regulation.

The Michigan law now conforms with all states but Utah in requiring stopping from both directions.

Year-Around Bass Season May Be Michigan Reality

Lansing—A year-round bass fishing season with no size limit may be in the future for Michigan anglers.

Experiments on several lower peninsula lakes indicate bass fishing regulations could be liberalized without damaging populations of this species.

The season on largemouth and smallmouth bass this year is June 21-Sept. 14 in trout waters, and June 21-Dec. 31 in all other waters, with a minimum size limit of 10 inches.

Tests of experimental regulations have been conducted during the last five years on nine bass fishing lakes. Fishing was permitted throughout the year. None of these lakes, while variations in size limits were tested on other lakes.

Conservation Department fish researchers are recommending that the state Conservation Commission approve extension and modification of special regulations on test lakes to obtain further information.

"Tests on these experimental lakes should be continued for additional data on the effect of so important a change in regulations," explained Fred A. Westerman, chief of the Department's fish division.

Five years of experimental work with liberalized bass regulations has produced encouraging news for anglers.

On Bear Lake, Manistee county; Pontiac Lake, Oakland county; and Whitmore Lake, Washtenaw and Livingston counties, with no closed season or largemouth and smallmouth bass, anglers caught a considerable number of "extra" bass during spring fishing and still caught as many bass during summer and fall as in previous years.

On Duck Lake, Calhoun county; and Pine Lake, Barry county, fishing was permitted to take any size bass and harvested a considerable number smaller than 10 inches with only a slight decline in the catch of bass over 10 inches.

New Idared Apple Being Introduced To State Growers

Idared, a new apple variety, may soon be coming from Michigan orchards.

According to a report just released by the Michigan Agricultural Experiment Station, the new apple is well suited to Michigan conditions. Walter Toennes, superintendent of the Graham Experiment Station at Grand Rapids, states that Idared is one of the most outstanding of more than 60 promising varieties to be tested at the station.

Apple eaters will like the new variety. Fruits are an attractive shade of medium bright red, the flesh is white with an occasional trace of pink and is firm, crisp and juicy with a flavor resembling Jonathans.

Toennes thinks growers will like the new apple. It is a good yielder and is comparatively free from many of the common apple diseases.

Fruits keep well in common storage and in cold storage, they can be held in good eating condition until June and July.

Several Michigan orchardists have already planted some Idared trees. And Toennes thinks more growers will soon be following their lead. He suggests, however, that they put in only a few trees until they find out how the variety does in their individual orchards.

The new variety was developed at the Idaho Experiment Station.

VISA CURBS EASED
