Bulldogs Win First League Contest, 13-0

Outstanding Defense To Get Severe Test Friday at Lincoln

Last Friday night Chelsea High's football team opened their home season by blanking Dundee, 13-0, in the first Huron League game for both teams.

Playing a key part in the victory was the outstanding defensive play of the Bulldogs. Dundee moved the ball the first time they had possession for two straight first downs to the Bulldog 30.

After half-time adjustments, the Bulldogs limited the Vikings to only a net gain of 10 yards on the ground and 17 via the airways.

The hard-charging Bulldog line completely bottled up the Viking passing game as they repeatedly dumped Dundee passes for huge losses.

The entire defensive team, consisting of end Don Wood and George Mayer, tackles Fritz Wagner, Gus Steger, and Pat Merkel, guards Jim Mahar, Bob Eder and Dick Irwin, center Roger Herman, drew praise from the coaching staff for their outstanding defensive play.

Also developing backs Matt Murphy, Dave McLaughlin and Philip McDermott were adequate but sputtered at times as they failed to cash in on two scoring opportunities.

The Bulldogs scored their first TD midway in the second quarter as Loren Keizer cracked over his left guard to top an 11-play 50-yard drive.

On the second half the Bulldogs moved the ball well but saw their first drive stopped by a fumble.

Early in the fourth quarter the Bulldogs scored their final TD. The scoring play was a 25-yard pass and run play. QB Wilson dropped back behind good protection and hit Co-Capt. Don Wood with a perfect pass.

Wood caught the ball on the dead end and aided by George Mayer's block moved untouched into the end zone. The play capped a 63-yard drive in five plays.

Co-Capt. Keizer's 28-yard dash off tackle and Right Halfback Ferris' 9-yard sweep had set up the scoring play. Keizer was stopped on the extra point attempt.

With the first stringers on the bench the Bulldogs moved to the Dundee 4 late in the game following Bob Eder's recovery of a fumble on the Dundee 25. QB Matt Murphy's fourth down pass beat the Dundee pass receiver as the Bulldogs failed to score.

A few plays later the final gun sounded with the Bulldogs winning a well deserved 13-0 victory.

The win puts Chelsea in a four-way tie for 1st place in the Huron League race along with Lincoln, Elkhart and Milan who also won their opening league games.

The victory also marked the second game the Bulldogs have not given up a touchdown.

Talking Crow At North Lake Killed by Auto

The talking crow at North Lake is no more. The bird walked out into the road one day last week and was run down by an automobile.

Residents of the lake first noticed the tame crow shortly after school opened in September and surmised that youngsters who spent the summer at the lake had trained it and then released it when they left the lake.

The crow paid daily visits to the homes in the lake area and fared well with hand-outs. Its tameness, however, was its undoing since it did not fear automobiles and failed to get out of the way when one came along.

Employment Figures Show Improvement

Chelsea area industries are showing some improvement in the general employment situation in recent weeks but those serving the automobile industry as their principal customer outlet, feel that the upswing is still much less than would be normal for this time of year.

Federal Screw Works, the Gudeman Co. and Chelsea Products appear to head the list with employment percentages. All three have overcome slumps experienced three to six months ago and have called back all employees on their seniority lists; however, practically no new employees have been added and indications are that while employment levels may be expected to remain as they are for a time, the volume of business will not require additional workers.

Approximately 240 employees are back at work at Federal Screw Works, while the Gudeman Company's present employment figure is 140.

Central Fibre Products has increased its employment figure 60 per cent in the past three months but is still 10 per cent below its normal force of workers.

Rockwell Standard Corporation's Spring Division here has approximately doubled its employment figure since last summer when only 60 people were working on a four-day-a-week schedule. While it may properly be called an "upturn," the figure is still only 50 per cent of the number employed a year ago with no indication of a general increase in the immediate future.

Normal employment at the Spring plant is approximately 225. The 125 workers on the job are generally working five days a week.

Teachers Are Guests of Kiwanis Club

Dr. John H. Dawson, president of Adrian College, reviewed trends in education at the luncheon in education at the Kiwanis club's annual faculty dinner meeting Monday evening.

Chelsea school faculty members were guests of the club at the dinner, held in the social center of the Methodist church. Approximately 120 members and guests were present.

Leo Bishop was in charge of the program for the evening. He introduced School Superintendent Charles Cameron, High School Principal Charles Lane and Elementary School Principal Arthur Schmunk, who responded with brief talks and introduction of the teachers.

It was announced that the club's annual Farmers' Night will be held in the social center of the Methodist church Monday, Oct. 13, at 6:30 p.m.

Guests at Monday's meeting were Horace Lickly, postmaster of Dexter, and W. H. Pearson, the new Boy Scout executive of Portage Trails Council.

County Farm Bureau Annual Meeting Set For Oct. 8 at Saline

Monday Is Deadline To Register

Monday is the final day to register with township clerks for the November election.

Those who live in Sylvan township (which includes most of Chelsea) must be properly registered with the township clerk, Richard Kern, before the deadline date if they are to be eligible to vote in the November election.

In Freedom township voters must register with Will Reno; in Lima township with Ralph Stoffer; and in Lyndon township with Mrs. Emma Goodwin.

Chelsea residents should make certain they are registered with their township clerk. Most of Chelsea's electors are in Sylvan township but those living on the east side of Madison street and all those east of that line are in Lima township and must be registered with Ralph Stoffer, Lima township clerk.

At every township, state and national election there are some Chelsea residents who lose their vote because they believed they were registered with Robert Devine, the Chelsea village clerk. Registration with Devine is for village elections only.

To vote in township, county, state and national elections registration must be filed with the respective township clerk.

Those who are in doubt as to whether their registration is in order should call their township clerk at once.

Finkbeiner Lumber Co. Is Robbed

More than \$300 in cash and checks was stolen in a break-in at Finkbeiner Lumber Company some time Thursday night. The theft was discovered Friday morning.

Entrance was gained through an unlocked door to the furnace room. The thieves then broke through a wall to the office and smashed the door of the safe with a sledge hammer, according to investigating officers' reports.

Local Group Hosts County PTA Council

Chelsea will be host to the October meeting of the Western Washtenaw County PTA Council. Dexter, Pleasant Lake, Manchester and Chelsea comprise this group which meets four times a year. It is made up of PTA presidents, delegates, other PTA officers and any interested members of each town.

Delegates to the Western Washtenaw County Council from Chelsea are Mrs. Ellsworth Smith, Mrs. and Mrs. Leigh Beach and Mrs. Walter Bolanowski.

South Lyon will be the location of the meeting, tonight (Thursday), at 8:00 o'clock.

Gerald Carr, Chelsea PTA president, will be president of the WWCOC this year.

Following the formal meeting discussion groups will be formed on the constitutional convention question and also the role of the PTA in the future of education.

The constitutional convention will be on the November state election, deserves the thoughtful attention of all Michigan voters. A "yes" vote is recommended by the PTA. In facing the present and future problems of education they feel a more sensible document is needed.

CONGRESSMAN George Meader, Charles Lancaster, Senator Charles Potter and George Winchester (left to right) are shown in the above photograph taken during Senator Potter's visit to Chelsea last Thursday. Lancaster, on behalf of the Chelsea Chamber of Commerce, invited the visitors to the annual color tour, sponsored in this area by the Chamber of Commerce, and Winchester, on behalf of the Chelsea Junior Chamber of Commerce, was presenting the senator with a ticket to the organization's Oct. 12 chicken barbecue as the picture was taken. Senator Potter's visit to Chelsea was part of a tour of Washtenaw county.

Galilean Baptist Mission To Mark Fifth Anniversary

Lima Center Galilean Baptist Mission is observing its fifth anniversary with special rally day and homecoming services Sunday.

The pastor, the Rev. Walter W. Brenner, has announced. Three services are planned for the day, in addition to the Sunday School which will start at 11 a.m.

Guest speaker at the morning service, at 10 a.m., will be Jack Sorenson, who serves as pastor of the Britton Baptist church.

At 2:30 p.m. a fellowship service will be held and Frank Shultz, director of Galilean Baptist Missions will be a guest speaker. He will also speak at the evening service at 7:30 p.m. when he will show slides pictures of a number of Galilean Baptist Mission stations.

E. P. Cranston of the Manchester Baptist chapel will also be a guest speaker at the 2:30 p.m. service.

JV's Defeat South Lyon

Chelsea JV's traveled to South Lyon, Thursday, where they came out on the long end of a score, 28-13.

During the first half, Chelsea scored twice. A pass from Ed Lathon to Don Blalock covering 35 yards was the summary of the first touchdown. The extra point was made by Jim Maynard which was followed by another touchdown, a pass play from Ed Lathon to Ken Laxon which covered 40 yards. The conversion was made by a pass from Ed Lathon to Daryl Keizer.

In the third quarter, South Lyon scored to close the gap, 14-6. Then Chelsea came back with a 65-yard drive at the end of the third quarter. The final climax was a quarterback sneak by Daryl Keizer making the score 21-6. Peter Filtoft made that conversion.

In the fourth quarter South Lyon scored again and converted their extra point to slacken the lead to 21-13. But late in the fourth quarter, Chelsea ended the scoring by a quarterback sneak from the two by Daryl Keizer who also kicked the extra point.

Adult Education Classes Will Be Formed Monday

People of the community who are interested in participating in Adult Education courses at Chelsea High school this year are asked to be present for a meeting in the study hall at the High School at 2 o'clock Monday evening, Oct. 6.

Those who attend the meeting are to come prepared to state their preference of subjects and classes will be started in any subject for which a sufficient number of requests are listed.

Fees for the various classes depend upon the number of people enrolled. Subjects include: painting, training, typing, china painting, cake decoration, upholstery, were popular subjects taught in the evening classes last year.

Others in which interest was expressed included a refresher course in English and a bookkeeping course.

This year, with the emphasis on science studies in all schools, it is possible there will be requests for such classes in the adult classes. George Marshall of the school faculty will be in charge of the meeting Monday evening.

'Back to School Hop' Attended by 275

Approximately 275 "teens" attended the "Back to School Hop" at St. Mary's gymnasium Saturday evening. The affair was sponsored by St. Mary's School Association.

The Skes Brothers, who are known for their recordings, were present and played several of their familiar recordings and some of their new recordings which are to be released in about two weeks. The recording artists danced with a number of the "teen-agers" during the evening. They remained at the dance from 9:30 until 11 p.m. and were kept busy signing autographs.

Dave Pringle from the staff of an Ann Arbor radio station, played the recordings throughout the evening.

Ben Bowers Will Open Art Studio

Benjamin R. Bower and his wife, Mary Lou, are completing arrangements to open a studio of art and design on the second floor of the Cavanaugh Lake Store. According to present plans, the Bowers will hold open house at the studio early in November and will have the studio open to the public each Sunday afternoon from 2 to 4 o'clock.

Tommy Dunlap Injured in J.V. Football Practice

Thomas Dunlap, a member of the Junior Varsity football squad, sustained contusions of the hip during Monday's practice session and was taken to St. Joseph Mercy hospital, Ann Arbor.

Reports of his condition, received at the school yesterday morning, stated that he had suffered no bone fractures but that he was being kept at the hospital for observation to make certain there were no internal injuries. The injured youth is the son of Mrs. Ruth Dunlap.

S. P. Foster Dies Saturday At 90 Years

Schuyler P. Foster, life-long Chelsea area resident and a descendant of the pioneer Dewey and Foster families, died late Saturday evening at the home of his daughter and her husband, Mr. and Mrs. Virgil Walling, 7639 Forest street, in Dexter. He had made his home with the Wallings since 1950, following the death of Mrs. Foster. He had been ill the past four months.

Mr. Foster, who observed his 90th birthday June 10, was born in Chelsea in 1868, a son of Robert and Ann Dewey Foster. He became a rural schoolteacher in this area at the age of 19 and for 16 years served four rural schools in Sylvan township, North Lake and Seio Church road districts. For 25 years before his retirement in 1930, he was a rural mail carrier on the former Chelsea Route 111 from the west.

He was married Sept. 15, 1898, to Ella May Craig. Their home for many years before her death, March 26, 1950, was at 409 Madison street.

Mr. Foster was one of the oldest members of the Chelsea Methodist church and was a member of Olive Lodge No. 156, F&AM.

Survivors are his two daughters, Mrs. Walling (Doris), of Dexter, and Miss Izora Foster of Wyandotte; two grandchildren, Robert and Janet Walling of Dexter; and two sisters, Mrs. Gertrude Hammond of Owosso, and Miss Lillian Foster of Chelsea.

A son, Wales, died Feb. 8, 1918. Funeral services were held at 2 p.m. Tuesday at the Burghardt Funeral Home with the Rev. S. D. Kinde of the Chelsea Methodist church officiating.

Burial was in Oak Grove cemetery with Olive Lodge No. 156, F&AM, in charge of Masonic graveside rites.

Mr. and Mrs. H. T. Moore, accompanied by their mother, Mrs. F. Moore and Mrs. B. H. Elden of Sylvania, O., spent from Friday until Sunday at the home of their son-in-law and daughter, Mr. and Mrs. J. R. Stilwell, at Clam Lake, near Bellaire. Mrs. Elden has returned to Sylvania while Mrs. Moore remained to spend some time here.

80 Stitches Required To Close Wounds from Attack by Dog

Little Harry Policht, severely bitten about the head by the family dog Tuesday, Sept. 23, returned home Thursday from St. Joseph Mercy hospital, Ann Arbor, and appears to be recovering satisfactorily. It required 80 stitches to close the wounds inflicted by the dog.

The 1 1/2-year-old boy is the youngest son of Mr. and Mrs. Lisa Policht of North Lake.

The dog, a boxer, has been taken to the Humane Society at Ann Arbor.

MYSTERY FARM NO. 24—Buildings in the photograph of Mystery Farm No. 24 appear to be almost new and should be readily recognized by neighbors in the area. The new trees lining the driveway, the attractive white fence at one side and the placing of the barn and other buildings should prove helpful in identifying the place. If you know whose farm it is and its location, call The Standard office, GR 8-3581. The owner may claim a mounted photograph as a free gift by calling at the office by Saturday.

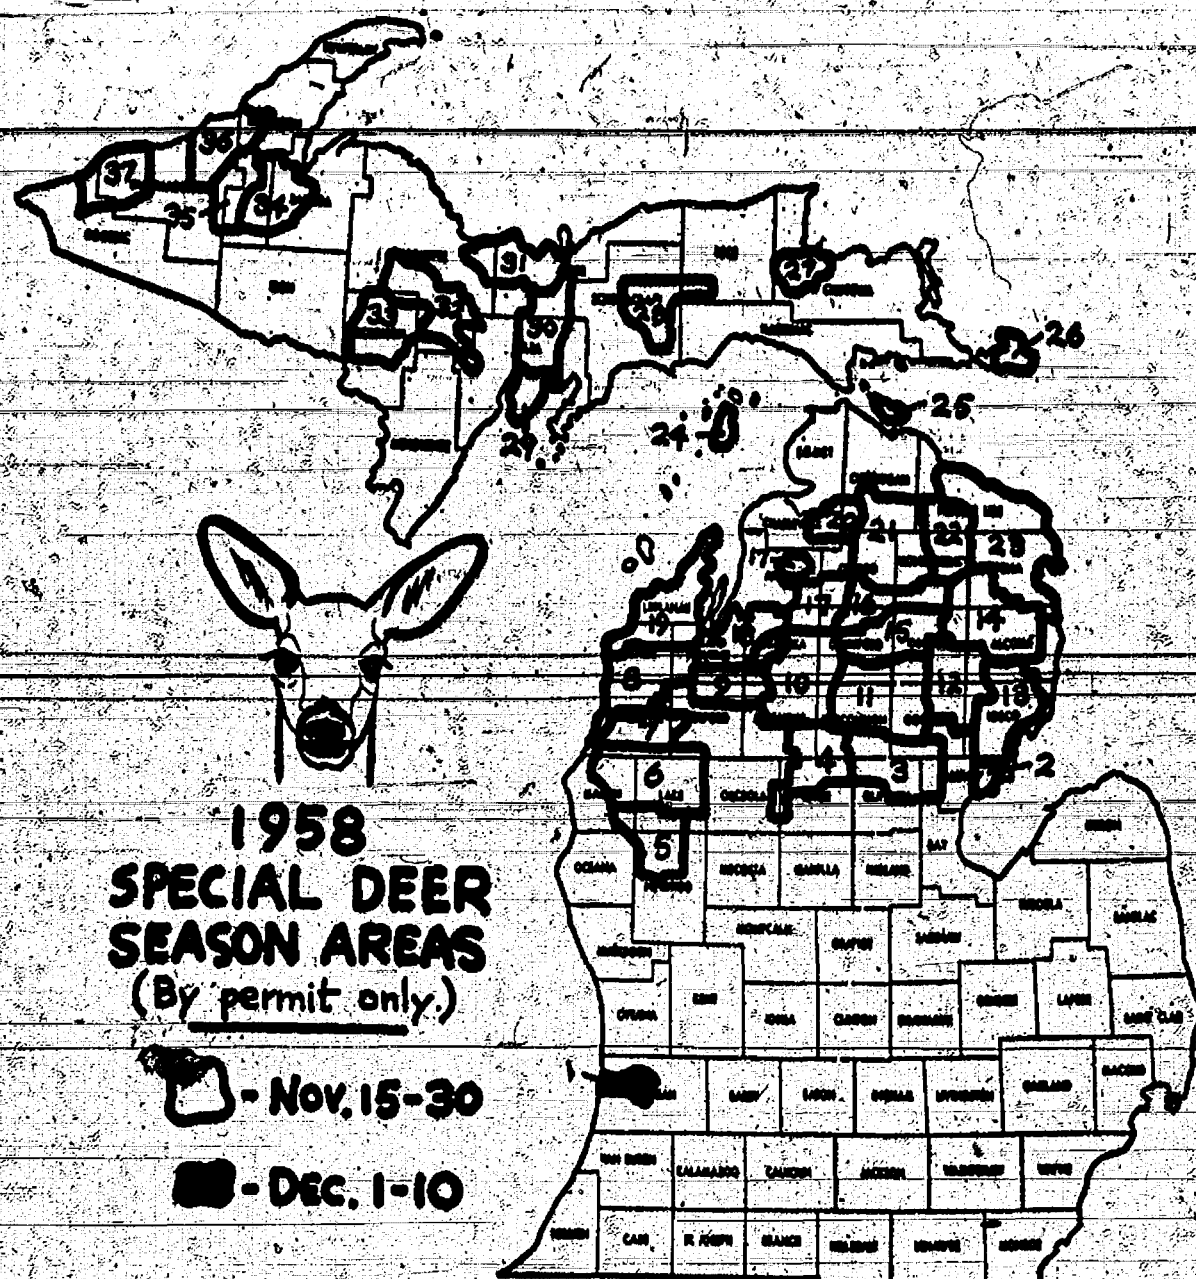

TLOOCDH & DSOAA Meet Tuesday Night At J. V. Burg Home

Seventh annual meeting of "The Loyal Order of Confirmed Deer Hunters and Deer Slayers of America" (maligned) was held Tuesday night at the home of J. V. Burg.

Various members told tales of their last year's deer hunting and Matt Kinsey gave a full report on their recent elk hunting trip in Idaho.

Joe Dreyer was presented with a special deer hunter's trophy for his last year's experience and Leon Chapman, who had purchased his "deer" hunting license early, was presented with an appropriately fitted traveling case, according to a report of the meeting.

Don Boyer showed slide pictures, which he had taken during the past year, showing local hunting and fishing opportunities throughout the year.

Numbered areas on the map show where permit holders will be allowed to take one deer of any age either sex, during special deer hunting seasons this fall. The special seasons were established by the state conservation department. Permits can be obtained from hunting license dealers and must be mailed to Michigan Conservation Department, Lansing 26, not later than midnight, October 10. Each permit is valid for only one area.

X-Ray Machine Must Be Listed With Health Dept.

Lansing—About 3,500 X-ray machines in Michigan have been registered to date under the new Michigan Department of Health regulations requiring registration of all sources of radiation. The new regulations went into effect last February.

The registration list shows that about two-thirds of the dentists in Michigan operate X-ray installations, with 2,005 dental units registered to date. The remainder of the X-ray units have been registered by medical doctors, osteopaths, veterinarians, chiropractors, chiropodists, hospitals, industries and shoe stores.

John C. Soet, the department's director of occupational health and supervisor of the registration, said only 33 fluoroscopic shoe fitting machines have been registered, apparently because the machines are being discarded since it has become known that they may be radiation hazards to clerks and customers.

Soet added that 82 users of radioactive isotopes also have registered under the new regulations. Isotope users include 36 hospitals, 20 industries, 11 medical doctors and six miscellaneous businesses. Purpose of the registration, Soet explained, is to guarantee that all radiation sources in Michigan are controlled and operated properly so that there is no health threat to the people who operate the equipment or to those treated by it.

Soet said registrations are being received at the rate of 50 a week and will continue until all sources are registered. There is no fee for the registration, and Michigan Department of Health engineers will make safety inspections of registered installations upon request.

Compost Piles Can Turn Leaves into Good Fertilizer

Don't throw away those leaves and lawn clippings this fall. Leaves can be turned into valuable fertilizer, according to James Porter, Michigan State University extension soils specialist. Most garden soils are lacking in organic matter and can use the fertilizer.

A compost pile is the converter of leaves to fertilizer. You can build up a pile using materials like leaves, lawn clippings, corn stover, garden refuse or straw.

The pile is allowed to decay over winter and the following summer, and then you have valuable humus material to add to your soil. It may be used in the flower and vegetable garden as a surface mulch or worked into the top soil.

Here are the directions for making a compost pile as listed by Porter.

Build the pile in layers, with a few handfuls of fertilizer scattered over each new supply of organic matter that is added. The best fertilizer to use is 12-6-6; 10-6-4; 10-10-10; 12-12-12 or 8-8-8. Use 100 pounds in a compost pile of 125 cubic feet. Also add about 25 pounds of finely ground lime, either mixed with the fertilizer or applied separately.

Next, sprinkle a little garden soil in each layer to inoculate the pile with decay organisms. Keep the pile moist, but do not apply

enough water to cause drainage. The top of the pile should be saucer shaped to catch rain or water from a sprinkler. Woven wire or picket fencing fashioned into a circle will aid building and confining the compost pile.

TROOP 9

Girl Scouts of Troop 9 have planned a Court of Awards to be held at the next meeting scheduled for 4 p.m. Monday, Oct. 6. Several girls will receive second class badges.

Each patrol is a committee for the ceremonies and parents are invited as guests.

At the first meeting of Girl Scout Troop 9 Yvonne Poda sang "Dese Bones Gonna Rise Again," a song she had learned at Cedar Lake camp this summer.

The girls have played games taught by some of the girls to complete their badges.

The troop has divided into three patrols and a patrol leader, assistant patrol leader and scribe has been elected for each.

MARINER TROOP

The Sept. 29 meeting of the U. S. S. 71 was called to order by Officer of the Day Marketa Young.

Assistant Galley Chief Sue Eisenbeiser, in the southeast mess hall, Galley Chief Mary Ann Steger, was put in charge of getting the refreshments and the Assistant Galley Chief was put on K. P. Susan Grossman and Kay Runckman were appointed to bring refreshments to the next meeting, Oct. 6.

It was decided to have a business meeting on the first Monday of each month, to be preceded by a council meeting. On the third Monday of each month there will be a construction meeting at which the mariners will work on their requirements.

Dues are to be 50 cents a month. The Round Up, to be held in Colorado Springs, Colo., next summer, was discussed as was also the Junior Weekend at which the

mariners are asked to help out. This will be held Oct. 10-11-12. Discussion on the uniform for the Mariner Scouts was tabled until the next meeting and the meeting was adjourned.

Hoffman Addresses Ypsilanti Democratic Rally Monday Night

"The Michigan Legislature has to be more responsible planning ahead to achieve the best kind of economy in government—the kind of planning we do in business, at home, and on the farm—spend a dollar now where it will save us eight or ten dollars in the years to come," according to Maurice Hoffman, Democratic candidate for the state legislature from the second district, who spoke before the Democratic rally at Ypsilanti Monday night.

"I am fully behind Governor Williams' program for Salk protection for all—which was killed by the Republican-controlled legislature. I support the urgent plea of Governor Williams for aid to crippled children and the mental health clinic program. I realize the need for a commission to study the problems of the aging," Hoffman continued.

Hoffman also declared that "I will vote for the Milk Marketing bill which was killed by the committee of which my opponent was a member. I know from my travels throughout the country that the milk bill is of utmost importance to the dairy farmer; it gives him vestment, and it will protect consumers from exorbitant prices."

Candidate Hoffman also stated that he would support a full education program at all levels. "Believe in money wisely spent, to give our children the best for every dollar means more support for universities and for teacher's salaries," Hoffman said that he would work to "give our children and our system of government the chance they deserve."

The University of Michigan School of Dentistry conducts about \$200,000 worth of research annually.

Ionian Schoolgirl Selected To Attend Press Conference

Miss Sally Hunsberger, Ionian High School senior, was chosen by the Michigan Press-Association to attend a National Teen-Age Press Conference sponsored by Ford Motor Co. Her outstanding work in journalism earned her the distinction.

She is the 17-year-old daughter of Mr. and Mrs. Lyle Hunsberger, 8910 North Jefferson, Ionia, and was nominated for the honor by Fred M. Kidd Jr., business manager of the Ionia Sentinel Standard.

Miss Hunsberger will attend the Dearborn conference Oct. 2-3 where she will take part in regular news conferences based on the introduction of the 1959 line of Ford cars. She will be invited to write news stories in competition with some 180 teen-agers from other states and cities. Stories will be filed with her local newspapers and other newspapers in Michigan. Ford is offering five four-year scholarships for the best news stories written by young people who attend the conference.

The Teen-Age Conference has a two-fold purpose, according to Ford spokesmen: "First we feel the youth will be impressed by the dynamic character of our industry. More significantly, however, we feel it is important to newspaper editors and to us in the industry that some of the best young minds in the nation continue to be attracted to the nation's editorial rooms."

Accompanying Miss Hunsberger at Dearborn will be Elmer E. White, secretary of the Michigan Press Association.

Ordinary mattress is made with about 200-300 springs. Wires together, they sag together under your weight. When you push down on one, you push down on all. They're too loose to push up and correctly support the shape of your body. This "sagging support" is bad for your back, your comfort, your rest.

Beautyrest mattress is made with over 800 separate springs. Wires together, they can't sag together. Each is free to push up under you. Together they firmly support the shape of your whole body. In fact, Beautyrest springs have been power-packed to give 12% more firmness.

The high school library is one of several places greatly sensitive to the crowded conditions. Because of this, new rules have been announced: (1) no joint studying; (2) no noise; (3) no newspaper reading; (4) no magazine reading. The library is a place for serious work and is not intended for clowning or playing around. Librarian Johanna Wiese will be in the library each morning, and on Wednesday afternoons. Other times the library will be serviced by student librarians who volunteer for the work.

The Student Council is the organization through which student government operates. The organization meets every Thursday and is made up of three members from each of the six classes, plus the president and vice-president. This year happen to be juniors Dave Rowe and Jane McLaughlin, respectively.

Members are to set standards of behavior, dress, sportsmanship; and to decide upon those matters of policy and programming which are left to student discretion; and to encourage those attitudes and actions which will reflect credit upon the school organization.

Three standing committees are the social committee, the building and grounds committee, and the assembly committee.

Three members will represent Chelsea High at an Ann Arbor Student Council meeting, and also three others at the Huron League Association Council meeting.

The Student Council is the backbone of Chelsea High school.

A cover and division pages were held upon at the second meeting. The annual staff—both were carried by an unanimous vote, so it is evident that the staff works harmoniously. The only item that caused some discussion was whether

The Girls' Athletic Association voted recently to hold meetings on the first and third Wednesday of every month at 11:25 a.m. The girls also decided to keep the dues as they were last year, 50 cents a semester, payable during the first marking period of each semester.

A committee of Sandra Karner, chairman, Sandra Abell, Mary Ann Soranen, Marketa Young, and Patty Pastor was appointed to decorate for the home game with Dundee, Sept. 26.

Varsity Cheerleaders of '58-'59 have begun practice. The group consists of juniors Jane McLaughlin and Sue Steyer, both returning varsity cheerleaders; and from the Junior Varsity Cheerleading squad of last year, juniors Rita Schramm, Kathy Goltz, and Sis Wagner, and sophomores Judy Summers.

Practice was held every night after school until the first game, Thursday night, after school, varsity will have a practice session with the potential junior high cheerleaders.

New sweaters were purchased by money raised by the cheerleaders last year. Along with new equipment, a new policy is also being started of rotating the captaincy before each game. A pre-meeting was held before the first game, and plans are being formulated to hold rallies before each home game hereafter.

Twenty-three seventh and eighth grade girls are faithfully attending the cheerleading practices each Thursday evening after school. These girls are working very hard toward becoming Junior High Cheerleaders. They have learned many cheers. The tryouts were held Tuesday, Sept. 30. Announcements of the results are expected momentarily.

Future Farmers of America organized for 1958-'59 with 44 members, eight more than last year. Election of officers will take place next month along with initiation of new members. The new advisor is Mr. Hayden. The FFA boys put on a skit at the pep rally, Sept. 19, contrasting methods of practice followed by Dexter and Chelsea teams. They predicted a Chelsea victory, which materialized.

The Future Nurses Club has not yet held a meeting, but plans for it are underway. Mrs. Baker, from the University of Michigan, will be present to talk to the girls concerning their future as nurses.

The Athletic Board meets each Wednesday during activity period. They work on details of policy regarding athletics, and serve the school by performing much detail work. The current project is the sale of season tickets to be sold to students and adults. They set the price of single tickets at 75 cents for adults and 50 cents for students. They recently purchased two flashlights to be given to the Civil Defense officers who will direct traffic at the football games.

All CHS is aware of the crowded halls and classrooms, even with the two new classrooms which have been added. Individual classes vary from 123 students in seventh grade physical education to the 10 students in physics. Seventh grade enrollment again leads the school with 123 members, while the senior class is smallest with a membership of 73.

The Future Teachers of America held their first meeting of the year in the gymnasium, Sept. 18. After a discussion of future club activities, they decided to eliminate club dues, and provide funds by the sponsoring of dances, bake sales, etc.

The election of class officers was held under the direction of last year's president, Ruth Prentice. Elaine Walker was elected as new president, Roger Hentges as vice-president, Ruth Prentice as secretary, Ellen Kuech as treasurer, Dolores Scribner as librarian, George Wilson as parliamentarian. Mr. David Sanborn is the faculty advisor.

This year the Junior High band is made up to include sixth and seventh grades also. Tryouts were given to Carol Mayer the first clarinet chair, Victor Parks in first corner chair, and Cheryl Werner first flute chair. Many of the band members have passed the A-flat scale and arpeggio from memory.

The Future Homemakers of America installed new officers in a candlelight ceremony held in the gym. The new homemaker teacher, introduced each of the officers, and explained to each her duties for the forthcoming year. Then a candle was lighted for each pledge that the Chelsea Chapter of the Future Homemakers made.

The first officer to be introduced was Rita Schramm, the president; the second, Vice-President Norma Jean Larson; then Secretary Kathy Goltz, and Treasurer Helen Lentz. Sandra Fraser, Sue Patrick, Carol Redman, Sharon Slane serve as officers.

ficers for parliamentarian, reporter, historian, and song leader. After the installation service, refreshments were served, and then special dancing followed.

Latin Club has held a new election. They chose Ed Larson as president when their previously elected officer tendered his resignation.

Journalism club worked madly trying to assemble, type, and distribute its first Bulldog Barks of the year, which was sold Tuesday. Everyone tried his best to write articles and stories for the paper. Journalists are also busy selling

subscriptions at \$1.25 a year. Bulldog does not bring in enough to pay for itself, and it is feared that the school may have to revert to a mimeographed paper. Last year the Bulldog was financed by members' dues and by the sale of any extras in room 15.

Newly elected officers of the ninth grade are president, Donald Atkinson; vice-president, David McLaughlin; secretary, Ann Palmer, while the treasurer has not yet been appointed. Neither has the amount of the dues been set.

In biology, they have been examining cells and protoplasm under the microscope. Tense excitement is beheld in English as they write mystery stories. Graphs are beginning to fade away as new formulas take over in algebra. Freshmen claim they like being in senior high school, and look forward to a good school year.

The seniors have been busy with their magazine campaign for the past three weeks. The committee appointed to plan the Homecoming on Oct. 10 will be chairman, Sandra Karner, Don Wood, Jim Mahar, Sharon Slane, Ellen Kuech, and Pat Kramer. This committee will draft and appoint other members to do certain necessary jobs in order to make the homecoming a success. The

class decided to have the football players choose the queen. The senior trip was also discussed; it will take place during spring vacation, but no destination has been selected. Each senior will be allowed one "skip day."

REGISTRATION NOTICE

FOR
GENERAL ELECTION
Tuesday, November 4, 1958

To the Qualified Electors of the
TOWNSHIP OF LIMA
(PRECINCT NO. 1)

COUNTY OF WASHTENAW, STATE OF MICHIGAN

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township, City or Village not already registered who may apply to me personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Thirtieth day before any regular, special or official primary election and the day of such election.

Notice is hereby given that I will be at my home,
570 North Steinbach Road, RFD 1, Dexter, Michigan
Any Day until Oct. 6, 1958, and on

Monday, Oct. 6 - Last Day

The Thirtieth day preceding said Election

As provided by Section 498, Act No. 116, Public Acts of 1954.

From 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Elector Unable To Make Personal Application, Procedure

SEC. 504. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the Clerk of the Township, City or Village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

Unregistered Persons Not Entitled To Vote

SEC. 491. The inspectors of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the Township, Ward or Precinct in which he offers to vote. (As provided under Act 116, P. A. 1954.)

Transfer of Registration, Application, Time

SEC. 506. Any registered elector may, upon change of residence, within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk a signed request, stating his present address, the date he moved thereto, and the address to which he was last registered, or by applying in person for a transfer. The Clerk shall strike through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards, and shall place the original registration card in proper precinct file. Such transfers shall not be made within the (30) days next preceding an election or primary election, (unless such 30th day shall fall on a Saturday, Sunday, or legal holiday in which event registration shall be accepted during the next full working day), provided that no such transfer shall permit any person to vote in any Township, City or Village in which he had not resided (30) days next preceding any election or primary election.

Transfer of Registration on Election Day

SEC. 507. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village shall have the right to make application to have his registration transferred on any election or primary election day by executing a request over his or her signature for such transfer and presenting the same to the election board in the precinct in which he is registered. Upon receiving such request the inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and if the signatures correspond then the inspector shall certify such fact upon said request and the applicant for transfer shall then be permitted to vote in such precinct for that election only. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the name of any street in a Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change to show the proper name of street in the registration records, and if it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote.

Firestone's race tire program leads the way to a superior tire for your everyday driving...

Firestone's engineers at trackside carefully record every phase of race tire performance... as these tires are slowly destroyed by high-speed acceleration, top-speed turns, panic braking and trip-hammer impacts. All of this exacting data goes to the laboratory. There scientists analyze and evaluate the information. As new designs and materials prove their worth, the improvements go to the factory for incorporation in Firestone's regular automobile tires. That's how Firestone maintains world-wide leadership in tire safety and tire performance.

REGISTRATION NOTICE

FOR
GENERAL ELECTION
Tuesday, November 4, 1958

To the Qualified Electors of the
TOWNSHIP OF FREEDOM
(PRECINCT NO. 1)

COUNTY OF WASHTENAW, STATE OF MICHIGAN

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township, City or Village not already registered who may apply to me personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Thirtieth day before any regular, special or official primary election and the day of such election.

Notice is hereby given that I will be at my home,
12015 Pleasant Lake Road, RFD 1, Manchester, Mich.
on Saturday, Sept. 27, Saturday, Oct. 4, 1958, and on

Monday, Oct. 6 - Last Day

The Thirtieth day preceding said Election

As provided by Section 498, Act No. 116, Public Acts of 1954.

From 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Elector Unable To Make Personal Application, Procedure

SEC. 504. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the Clerk of the Township, City or Village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

Unregistered Persons Not Entitled To Vote

SEC. 491. The inspectors of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the Township, Ward or Precinct in which he offers to vote. (As provided under Act 116, P. A. 1954.)

Transfer of Registration, Application, Time

SEC. 506. Any registered elector may, upon change of residence within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk a signed request, stating his present address, the date he moved thereto, and the address from which he was last registered, or by applying in person for a transfer. The Clerk shall strike through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards, and shall place the original registration card in proper precinct file. Such transfers shall not be made within the (30) days next preceding any election or primary election, (unless such 30th day shall fall on a Saturday, Sunday, or legal holiday in which event registration shall be accepted during the next full working day), provided that no such transfer shall permit any person to vote in any Township, City or Village in which he had not resided (30) days next preceding any election or primary election.

Transfer of Registration on Election Day

SEC. 507. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village shall have the right to make application to have his registration transferred on any election or primary election day by executing a request over his or her signature for such transfer and presenting the same to the election board in the precinct in which he is registered. Upon receiving such request the inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and if the signatures correspond then the inspector shall certify such fact upon said request and the applicant for transfer shall then be permitted to vote in such precinct for that election only. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the name of any street in a Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change to show the proper name of street in the registration records, and if it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote.

To the Qualified Electors of the
TOWNSHIP OF SYLVAN

(PRECINCT NO. 1 and 2)

COUNTY OF WASHTENAW, STATE OF MICHIGAN

Notice is hereby given that in conformity with the Michigan Election Law, the undersigned Clerk, will, upon any day except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township, City or Village not already registered who may apply TO ME PERSONALLY for such registration. Provided, however, that I can receive names for registration during the time intervening between the thirtieth day before any regular, special or official primary election and the day of such election.

Notice is hereby given that I will be at the following

Places Any Day Until Monday, Oct. 6:

CHELSEA STATE BANK

and on

Monday, Oct. 6 - Last Day

The Thirtieth day preceding said Election

As provided by Section 493, Act No. 116, Public Acts of 1954.

From 9 o'clock a.m. until 3 o'clock p.m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Elector Unable To Make Personal Application, Procedure

SEC. 504. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the Clerk of the Township, City or Village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning, such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

Unregistered Persons Not Entitled To Vote

SEC. 497. The inspectors of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the Township, Ward or Precinct in which he offers to vote. (As provided under Act 116, P. A. 1954.)

Transfer of Registration, Application, Time

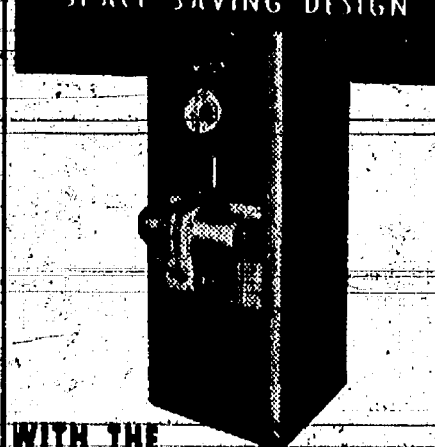

SEC. 506. Any registered elector may upon change of residence within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk a signed request, stating his present address, the date he moved thereto, and the address to which he was last registered, or by applying in person for a transfer. The Clerk shall strike through the last address on the registration card, and record the new address, ward and precinct number, and record the duplicate registration cards, and shall place the original registration card in proper precinct file. Such transfers shall not be made within the (30) days next preceding any election or primary election, (unless such 30th day shall fall on a Saturday, Sunday, or legal holiday in which event registration shall be accepted during the next full working day), provided that such transfer shall be made by any person to vote in any Township, City or Village in which he had not resided (30) days next preceding any election or primary election.

Transfer of Registration on Election Day

SEC. 507. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village shall have the right to make application to have his registration transferred on any election or primary election day by executing a request over his or her signature for such transfer and presenting the same to the election board in the precinct in which he is changing his address. Such request shall be signed by the elector and the registration records shall compare the signature thereon with the signature upon the applicant's registration record and if the signatures correspond then the inspector shall certify such fact upon said request and the applicant for transfer shall then be permitted to vote in such precinct for that election only. The elector who shall transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the name of any street in the Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change to show the proper name of street in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote.

Mrs. Earl Guenther

Patricia Miller, Earl Guenther Wed at St. Paul's

At 2:30 o'clock ceremony Saturday afternoon in St. Paul's Evangelical and Reformed church, Patricia Miller and Earl Guenther exchanged wedding vows before the Rev. F. H. Grabowski.

Parents of the couple are Mr. and Mrs. William H. Miller of Grass Lake, and Mr. and Mrs. Ernest Guenther of Grant street.

Soloist for the ceremony was Mrs. Duane Hall, accompanied at the organ by Carl Meyer who also played the traditional wedding music. Mrs. Hall sang "Because" and "The Lord's Prayer."

The meeting took place Thursday at the home of Mrs. Paul Elsenman. The club will hold its next meeting Tuesday, Oct. 21, at the home of Mrs. George Erke, with Mrs. Earl Whitney as assisting hostess.

LEGION AUXILIARY PAST PRESIDENTS

Past Presidents club of the American Legion Auxiliary, Unit 81, held a meeting Tuesday evening at the Legion Home at Cavanaugh Lake. The gathering included a pot-luck dinner at 6:30 p.m.

During the business session Mrs. Merle Barry, Sr., was elected president for the current club year and Mrs. Ruth Christwell was named secretary-treasurer.

Games were the evening's entertainment and prizes were awarded. The prizes were provided by Mrs. Howard Walz, outgoing president, and Mrs. John O'Hara.

The next meeting of the club will be the Christmas party Dec. 17 at the home of Mrs. William Bliss.

BAPTISM
Rebecca Lynn, daughter of Mr. and Mrs. Melvin Stofor who now live at Williamston, was baptized Sunday at North Lake Methodist church with the Rev. Louis Calster officiating.

Following the service Mrs. Homer Stofor entertained at a dinner at her home the guests including the Melvin Stofors, Mr. and Mrs. Clarence Lake, Arthur Stofor, Mr. and Mrs. Harry Stofor and Mrs. Harry Platt and son, Jerry, all of this vicinity, and Mr. and Mrs. William Hogan and daughter, Kathy, of Detroit.

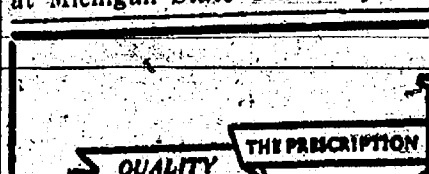

TROOP 25

The meeting Monday was started by Don Wilson. Being parents night most boys' parents were present. The program started with John Toppel's patrol showing how to handle an axe, knot-tying. Next Michael Hitchingham's patrol showed Morse Code signaling. Don Dickelman demonstrated first aid. Coffee and cake were served to the parents and boys.

John Toppel, Jeffrey Hiltorf, David Geer and Michael Hitchingham are to be at Sylvan Town hall at 9 a.m. Saturday to go to the Michigan-Michigan State football game.

Community school districts formed around centers of economic, educational, recreational and social interests, can help Michigan's children get a better education, believes a rural sociologist at Michigan State University.

IT NEVER WAS NECESSARY TO

"Enjoy" POOR HEALTH...

Many people seem to "enjoy" poor health. They would not care to be without a cupboardful of odd medicines for self-treatment—some of which may not be in keeping with competent medical advice.

The better way is to enjoy good health—by careful planning. Consult your Doctor at regular intervals; more often if required. He will prescribe only the preparations that you need—preparations of the highest quality; such as those from the laboratories of Parke, Davis & Company—prescriptions which we will be pleased to compound for you. The necessity for medication will pass, and life with abundant health can become a pleasure indeed.

At a reception in the church hall for the 150 guests present, Mrs. Paul Guenther, sister-in-law, and Mrs. Richard Schanz, sister of the bridegroom, cut the wedding cake. The bridegroom's cake was cut by Mrs. Dean Guenther, sister of the bride, and punch was poured by Mrs. Roy Guenther, another sister-in-law of the bridegroom. Coffee was served by Mrs. Ruben Fritz and Mrs. Alton Guenther, also a sister-in-law of the bridegroom.

Others who assisted at the reception are Lillian Miller, sister of the bride, who was in charge of the guest book, and Mrs. Leon Hice and Mrs. Robert White who recorded the gifts.

The bride's mother wore for the wedding a royal blue wool dress with accessories in harmonizing shades of blue. Her corsage was of yellow mums.

The bridegroom's mother, in a dress of steel blue crepe, had a corsage of white mums.

When the couple left for a week's stay in northern Michigan the bride was wearing a black and white linen sheath dress with black accessories and a corsage of white mums.

When they return from their wedding trip the new Mr. and Mrs. Guenther will be at home, after Oct. 4, at 888 West Middle street.

The bride is a graduate of Morrisville-Eaton High school, Morrisville, N. Y., and is employed at the Western and Southern Life Insurance office at Ann Arbor.

The bridegroom, a graduate of Chelsea High school, served two years in the U. S. Army and is now employed at Chrysler Proving Ground.

The rehearsal dinner took place Friday evening at the home of Mr. and Mrs. Dean Guenther.

Pre-nuptial parties for the couple included a shower for relatives given at the home of Mr. and Mrs. Dean Guenther; another given by Mrs. Richard Schanz; and a party by St. Paul's senior choir, of which Mr. Guenther is a member.

Anniversary Celebration Continues at St. Andrew's

Sunday, Oct. 5, will be the second of the three Sundays celebrating the 75th anniversary of St. Andrew's United Church of Christ. The church is celebrating its 75th anniversary with a series of services. The first service was held at 9:15 and 10:45 a.m. on that day. The Rev. Mr. Herbert Schow, former pastor from 1948 to 1956, will be the speaker. Neil McShane, student for the ministry from St. Andrew's, will also participate.

More than 100 living members of the confirmation classes from 1921 through 1949 are invited to be recognized and honored. The services will include the Sacrament of Holy Communion, and will reveal the relationship of St. Andrew's to Christ's World-Wide Church.

St. Andrew's, being organized by people of German ancestry, was originally called Evangelical Lutheran Church of St. Andrew. The independent Evangelical Lutheran churches of Washtenaw county to affiliate with a denomination, many became a part of the German Evangelical Synod of North America. St. Andrew's, organized by pastors of this synod, was an immediate member, though carrying the name Evangelical Lutheran.

When this union is fully consummated, The United Church of Christ will reveal to the world that indeed Christ's Church can be one integrally, and will inspire the ecumenical movement within other denominations. "Already we look forward to a possible union with The Disciples of Christ denomination," says Pastor Eaton.

From the late 1800's to the present, St. Andrew's has keenly felt its solid relationship with all of Christ's Holy Church. Always, St. Andrew's has welcomed any member in good standing of any denomination to participate in Holy Communion; always St. Andrew's has recognized the sacrament of Holy Baptism as administered by any other denomination. On this, the World-Wide Communion Sunday, Oct. 5, this fact will be brought out.

A look at the school kaleidoscope:

The United States steps up its educational system to keep up with Russia in the training of young scientists. Congress passed the long debated legislation, giving federal aid to education.

Now, Russia announces that they are planning a school shift which calls for more students who can use their hands, never mind their heads. Having sent up heavier satellites than any this country has been able to produce, Russia seems to be now turning to industrial and agricultural expansion. For this it needs boys and girls who go to school but leave at an early age for jobs.

Let the Russians do it their way. Despite the criticism of American education following the Sputnik, our system may not be perfect but we feel it is better and more flexible than a state-directed one. Meet your School Board at the October PTA. A panel discussion of Chelsea schools.

Church Choir Honors Couple at Pre-Nuptial Party After Rehearsal

The senior choir at St. Paul's church entertained for the pleasure of Earl Guenther, a member of the choir, and his fiancée, Patricia Miller, following the regular weekly rehearsal in the church hall Thursday evening.

Refreshments were served and the couple was presented with a gift from the group.

Residents of Ann Arbor and neighboring communities received more than 100,000 hours of dental care and dental hygiene at the University of Michigan.

Family Dinner Honors Guest from Idaho

Mr. and Mrs. Elba Gage, Miss Lillie Wackenhut, Mr. and Mrs. Martin Steinbach, Mrs. John Steinbach, Mr. and Mrs. Raymond Steinbach and son, Victor, and Mr. and Mrs. H. G. Gage and son, Edward and Paul were in Dexter Sunday to attend a family gathering in honor of Mrs. Edgar Steinbach of Kellogg, Idaho, who is spending some time in Dexter as the guest of Mrs. Mary Steinbach. Sunday's gathering included a pot-luck dinner at noon and took place at the home of Mrs. Mary Steinbach. Many of the family had not seen the "long" guest for approximately 35 years.

Other members of the family present for the occasion included Carl Fletcher of Asheville, N.C., who is spending some time at the home of his sister and brother-in-law, Mr. and Mrs. Donald Barden of South Haven, and was a week-end guest of another sister and her husband, Mr. and Mrs. Elba Gage, also, Mr. and Mrs. Dan Miller of Swartz Creek, Mr. and Mrs. Robert Steinbach and daughters, Roberta and Elizabeth, of Flint, and Mr. and Mrs. Leon Agen and daughter Elsie, Miss Emilie Steinbach, Al Steinbach and Mr. and Mrs. Charles Steinbach and child, John, Kimmy and Jean, all of Dexter.

If you'd like to minimize a high ceiling in your kitchen, use a light color for the upper cabinets and wall and a darker color for the lower cabinets and floor, say home furnishings specialists. To make the top color the lighter so the room won't look too heavy. For the counter you can select a third color, match the floor color, or use a mixture like a spatter design.

When bedtime is a happy time it's easier for children to accept the "sandman" say child development specialists.

HOLDS FAST even in hurricane winds

These exclusive

Johns-Manville SEAL-O-MATIC® ASPHALT SHINGLES
defy wind and water

In an actual test J-M Seal-O-Matic Shingles withstood the terrific blasts of an aircraft engine. Wind and water were driven at 100 m.p.h. against a panel of these shingles for an hour, with frequent gusts up to 140 miles per hour... not a tab lifted... not a drop leaked through.

Here's the secret of this amazing shingle. A stripe of special petroleum resin is factory-applied on the underside of each shingle. The sun's heat seals it to the underlying shingle, defying even high winds to pry it loose. Drop in and let us give you a personal demonstration of these patented Seal-O-Matic Shingles.
