Area Churches Plan Special Christmas Services, Programs

Christmas programs and other special Christmas services are being planned by Chelsea area churches.

The Methodist church will again have its Sunday school program at 5 o'clock Sunday afternoon. This year's program will feature a speaking and singing choir of young people in addition to the children's program.

A reception, sponsored by the WSSB of the church, will follow in the church social center.

Wednesday evening at 10 o'clock, the Christmas Eve service will be held at the Methodist church. This is an hour earlier than in former years.

The Methodist Home has a Christmas Eve program scheduled. A number of groups from various churches have been visiting at the Home to present special Christmas programs.

The Rev. Edwin Wells, superintendent of the Home invites the people of the community to tour the Home grounds and view the beautiful decorations, including the Nativity scene. He also extends an invitation for people to visit the Home, itself, and see the lighted Christmas village and other Christmas attractions.

St. Paul's Evangelical and Reformed church will have its Sunday school program at 4 o'clock Sunday afternoon, followed by a social hour in the basement for all who attend the program.

St. Paul's has also announced the customary midnight Christmas Eve candlelight service which begins at 11 p.m.

St. Barnabas Episcopal church has planned two services for Christmas Eve. The first is a family Christmas service for parents and children at 7 p.m. The second is a service of Holy Communion at 11:30 p.m.

The vicar of St. Barnabas and his wife, the Rev. and Mrs. Allan Reed, are observing the holiday season with an open house at the vicarage from 2 p.m. until 5 p.m. Sunday.

St. Mary's Catholic church will have its traditional midnight Mass Christmas Eve and will have the Christmas Day Masses at 8 a.m. and 10 a.m.

The Assembly of God Chapel has scheduled its children's Christmas program for 7:30 p.m. Sunday.

Chelsea Baptist church on Wilkins street is having a special Christmas program entitled "The Message of the Bible" at 7 p.m. Sunday, and will have the customary Wednesday evening prayer meeting Christmas Eve.

North Lake Methodist church has scheduled a Christmas program for Monday evening, Dec. 22, at 7:30 p.m. at Salem Grove Methodist church. The program Tuesday evening, when the choir and the young people will combine their efforts in a pageant "The Night of His Birth." The various Sunday school and church groups will present exercises and musical numbers in addition to the pageant. (Continued on page eight)

Cagers Find Winning Combination

Defeat Lincoln, 65-50, For First Victory, Meet Dundee Friday

Playing host to the Lincoln Rail-splitters Friday evening, Chelsea High's Bulldogs won their first basketball game of the season, 65-50.

The Chelsea team jumped into the lead at the beginning of the game and kept the Rail-splitters from gaining sufficient points to gain the lead in the game however, they did outscore Chelsea in the second quarter, 17-11.

Score at the end of the first quarter was 13-7, in favor of Chelsea and the halftime score was 46-38.

Chelsea continued to gain in the third quarter bringing the score to 46-58 and ended the fourth quarter with the final score of 65-50.

George Mayer, playing his best game of the year, scored 26 points and was high for Chelsea and the game. He was followed by Homer Nixon with 14, Atton Nixon and Frank Frederick with 9 each, Loren Kaezer with 6 and Charles Cameron.

Bill Johnson was high for Lincoln with 21.

This gives the Bulldogs a 1-2 record for this season. They will travel to Dundee tomorrow night to play their last game before Christmas vacation. The junior varsity game will start at 8:45 p.m.

SANTA CLAUS was on hand Saturday afternoon to help committees of local factory Unions distribute Christmas stockings to the 1,500 children who attended the annual Children's Christmas party at Sylvan Theatre. The party is sponsored by the Chelsea Community Chest, UAW-CIO Locals 437 and 1284. The committee included members of the Chelsea Spring, Central Fibre, Federal Screw and Chelsea Products divisions of Local 437 and Chrysler's Parking Ground

Sylvan Township Zoning Ordinance Printed This Week

The Sylvan Township Interim Zoning Ordinance, as passed by the Zoning Board at a meeting Saturday evening, is printed in this issue of The Standard.

Members of the Zoning Board are: Dorr Whitaker, chairman; James Lisbeck, secretary; Lynn Kary and Harold Jones.

George Bretschneider, former chairman of the Zoning Board, resigned because of his duties as Sylvan township justice of the peace. Harold Jones was appointed a member of the board to fill the vacancy.

Short Course Set in Soil Management

Washtenaw county has been given the opportunity to hold an extension short course during the winter of 1959 in Soils and Soils Management.

The course is open to anyone who wishes to attend. It will meet Fridays from 10:00 a.m. to 3:30 p.m., Jan. 9, 16, 23 and 30. The meeting place is in Room 1 in the basement of the County Building. No registration or course fee will be charged; however, those who plan to attend should call NO 8-7511, Extension 27, and ask to be enrolled. For noon lunch everyone will be on their own.

Lynn Robertson of the Soils Department, Michigan State University, will teach this course. It is to be kept at the practical level with plenty of time to discuss your own specific problems.

Following are some of the topics to be covered in this course: (1) Control of soil water, drainage, irrigation, choice of crops, contouring, strip cropping, terracing. (2) Control of soil reaction that is regarding lime or sulphur applications. (3) Control of soil choice of crop, organic matter additions, tillage and timeliness of cultivation. (4) Control of plant nutrients—that is fertilizers, manures, rotations. (5) Control of soil erosion—as affected by choice of crops and cultural practices. (6) Control of soil organic matter and a relations of crops grown, green manures, manures, and crop residues. (7) Control of plant diseases as affected by rotations, selection of crops varieties, altering drainage, and fertility. (8) Control of weeds as affected by tillage, fungicides and herbicides. (9) Control of pests by pesticides, mechanical controls, crop or varieties selection.

County Health Dept. Urges Fluoridizing Village Water

The Chelsea Village Council, at its meeting Tuesday evening, heard Dr. Otto K. Engleke, Washtenaw county health officer and Joseph W. Price, county public health engineer, discuss results of water surveys in Ann Arbor and the possibility of Chelsea adding fluoridation to its water supply.

Dr. Engleke reported that a 1958 dental survey of eight-year-old children in Ann Arbor showed a dental defect rate almost the same as that of Grand Rapids which has received national recognition for its dental health since it began fluoridation in 1945.

"We are well pleased with the results in Ann Arbor," Dr. Engleke said. "Many of the children examined are known to spend the summers at cottages away from Ann Arbor and do not receive the benefits of fluoridation during that time."

"It is quite likely that Chelsea would achieve similar results," Dr. Engleke continued. "The average number of defective teeth in eight-year-olds can be definitely reduced through fluoridation, according to Dr. Engleke."

Dr. Engleke recalled that in 1945 when the fluoridation study was begun, the program was set up for a 10-year span with Grand Rapids fluoridating its water supply and Muskegon refraining from doing so to serve as a control comparison. In just six years results in Grand Rapids were so obvious that Muskegon withdrew from the study and began to add fluoride to its water supply.

This was cited as an indication that governmental agencies are

Jaycees Plan Open House at Recreation Center

At a board meeting of the Chelsea Junior Chamber of Commerce Tuesday evening, reports were given of recent Jaycee activities. These included mention of the fact that the Jaycees have again installed a 14-foot Christmas tree and decorated it with colored lights. It is located on the Post Office lawn at the corner of South Main and South streets.

This is another of the community services of the Chelsea Jaycees.

Also discussed at the board meeting Tuesday were plans for an open house and dance at the Jaycees-sponsored Recreation Center, (formerly called "Youth" Center) in the Municipal building.

George Winchester has been named Jaycees membership chairman. He is in charge of contacting men between the ages of 21 and 35 who are interested in joining the organization.

Angeline Merkel Killed In Auto Crash Wednesday

Two people were killed, one of them a Chelsea girl, two were seriously injured and three others reported in fair condition following a two-car head-on collision on Ua-32, east of Fletcher road, at 8 a.m. yesterday.

The Chelsea girl was Angeline Merkel, 31 years old, who was on her way to work at the Bendix Systems Division office on Plymouth Road, Ann Arbor. She was a daughter of Mr. and Mrs. Henry Merkel, Sr., 14200 Chelsea-Dexter road.

The other person killed was Mrs. Mary Cogger, 75, of Pontiac.

According to Sheriff's Department reports, Miss Merkel was alone in her car, headed east, while the other car, driven by Herbert Cogger, 79, of Pontiac, was headed west. In addition to the driver, there were five passengers in the car, including his wife, who was killed, a daughter and son-in-law and their two daughters.

The son-in-law, Noble Ashley of Milford, and his 10-year-old daughter, Nancy, were reported in critical condition at St. Joseph Mercy hospital, Ann Arbor.

Mrs. Ashley, 45, the Ashley's 17-year-old daughter, Barbara, and Herbert Cogger were in fair condition at University hospital.

Erle Notten Dies Tuesday in Attempt To Aid Injured Wife

Erle L. Notten, life-long resident of this vicinity, died suddenly Tuesday evening as he attempted to go to the aid of his wife, Eva, who was calling for help following a fall in the yard at the Notten home on Loveland road.

Mrs. Notten was discovered an hour later by a passing motorist who summoned help. She was taken to St. Joseph Mercy hospital, Ann Arbor, suffering from exposure. Examination at the hospital disclosed that she had suffered a broken hip.

Two Chelsea Men Among Group Receiving Service Awards from Michigan Bell Co.

Two Chelsea men were among 57 Michigan Bell Telephone Co. workers honored for service records up to 45 years at a dinner given in Charles McKenny Hall, Ypsilanti, Tuesday, Dec. 16.

The Chelsea men are William VanOrman, combination man (installer and repair man) in the Chelsea area since August, 1936, an employee of the company for 35 years, and Howard Walz, line foreman in the engineering department of the company at Ann Arbor, employed by Michigan Bell for 38 years.

VanOrman began telephone work with the former Glickens Telephone company at Jackson, later absorbed by Michigan Bell. He was transferred to the Chelsea area in 1936.

At the dinner he was presented with a diamond-set pin bearing the company's insignia. The presentation was made by William Reed, district plant superintendent.

Walz received a diamond-set tie clip, presented on behalf of the company by E. D. Hulbert of Detroit, division plant engineer.

Except for one and one-half years when he was assigned to work in Ypsilanti, Walz has worked

Community Fair Officers Re-elected At Annual Meet

Officers of the Chelsea Community Fair-Association were re-elected at the annual meeting Tuesday evening, Dec. 9.

Officers are Everett Van Riper, president; Walter Harper, first vice-president; Charles Lane, second vice-president; T. Moore, treasurer; and Dr. J. H. Pilkington, secretary.

Three directors were named for three-year terms. The three are Erwin Wenk, Walter Loeffler and Tomas Bust.

Last Call for Decorations Contest Entry

Hurry! Hurry! Hurry! Fill out the residential lighting contest entry form on page 5 of this issue of The Standard and mail it at once to Contest chairman, P. O. Box 358, Chelsea, Mich., if you are putting up any outdoor Christmas decorations.

Your decorations may win you a prize of \$15, \$10 or \$5 when the judges check on the contest entries Monday night, Dec. 22.

Anyone in the community is eligible to enter the contest; however, those who wish to have their lighting displays judged MUST send in one of the entry forms. Elaborate displays are not required since effective use of lights will be one of the chief points to be considered by the judges.

In previous years judges have remarked that many lighting displays in the community were prize-winning quality but were ineligible for judging since they were not officially entered.

The residential lighting contest is sponsored by the Chelsea Chamber of Commerce as a means of encouraging the decoration of homes for the Christmas season. The contest slogan is "Make this Chelsea's Brightest Christmas."

John Palmer To Become Police Chief

At the Village Council meeting Tuesday evening, John Palmer was appointed Chelsea Chief of Police, the appointment to become effective Jan. 1, 1959.

Dale Collins has been appointed a Chelsea police officer having begun his duties with the department on Dec. 1.

In other action at the Council meeting Tuesday, it was decided to prohibit parking on the west side of Madison street from Washington street to Jackson street.

School Vacation Starts
Christmas vacation for Chelsea schools begins at the close of school Friday afternoon. Bus runs will be on the regular schedule. Classes will resume Jan. 5.

SHOPPING'S A HOBBY with some people. They like nothing better than a long store-by-store hunt for a bargain. For the rest of us shopping is one of those things that just has to be done. So we put it off until the last moment—especially at Christmas—then find ourselves rushed for time. The Yellow Pages directory can make your last-minute shopping much easier. It lists the names and phone numbers of local dealers. Do your searching in the Yellow Pages—and save yourself valuable time.

TALKING OF CHRISTMAS SHOPPING, why not give your family a gift that's useful year-round, smartly styled—comes in a choice of nine decorator colors? Sounds expensive but it isn't—costs only about a dollar a month after a small installation charge. It's an extension phone—the gift that speaks for itself. One in the bedroom, kitchen or laundry room will save time and steps year after year. And each time it does, your family will bless you for your thoughtfulness. Just pick up your phone and order a phone.

WHEN SPEAKING to each other, Long Distance operators usually use a code (it speeds your service). "D-A" means the party doesn't answer; "B-V" means the number is busy and so on. An operator was stumped recently when another operator informed her that the number being called was "O-M-C." "What does that mean?" she asked, mystified. "Out milking cows," came the reply.

THIS LITTLE STORY has a point. The telephone system for all its size is actually a network of small local offices. Each is adapted to the needs of the neighborhood and run by the folks who live nearby. Despite automatic equipment of great complexity, it is still people who make telephone service good.

A VERY HAPPY CHRISTMAS to you. And may all your telephone calls in 1959 be happy ones.

Mystery Farm No. 34, published in the Dec. 11 issue of The Standard, proved to be the George Frisinger farm at 18450 Jerusalem road in Lima township. The white building at the rear of the house is not a chicken coop (as believed when the picture was published), but in reality is now a comfortably appointed guest house.

Mystery Farm' No. 34 Is 160-Acre Farm Home of George Frisinger Family

Mystery Farm No. 34, identified by many people as the George Frisinger place at 18450 Jerusalem road, is believed to have one of the oldest, most well-built frame houses in this area. According to available information the house was built by Abraham Storms, great-grandfather of Mrs. World Daniels and her brother, Harold Storms who now lives in Ohio.

Abraham Storms came into possession of the farm in 1838. If the house was built at that time it is now approximately 120 years old and evidently replaced on older home (probably a crude log cabin) which had served previous owners.

Mr. and Mrs. Alvin Pommerening, who acquired the farm in the late 1880's and lived there until the Frisingers bought it in 1956, completely remodeled the house. During the process of remodeling it was discovered that the entire frame is of hand-hewn soft oak timbers, fastened together with hand-made wooden pins and hand-made square nails. All joints were mortised. The studs, set on a stone foundation two feet wide, are 4"x4" and 3"x6" in size and of solid oak.

The entire first floor interior woodwork, outside porch posts, door, window and cornice trim are finished in native black walnut. An outside porch wall, also of black walnut, was removed during the remodeling process and the fine old wood was used for built-in bookcases and other inside work.

The late Christian Koch and his sons, Roy and Ray, and his brother-in-law, Albert Schiller, did the carpenter work while Walter Haab and the late Charles Mohrlock re-finished the black walnut woodwork, removing many coats of paint before uncovering the beautiful wood beneath.

The house is set about 150 feet back from the road and is surrounded by many large trees.

There are three large barns on the place and during the Pommerenings' residence there it was operated as a Herford Farm. Dairying and general farming was carried on prior to that time.

The 160-acre farm is practically level and is mostly heavy black soil. It is the southwest quarter of Section 20 in Lima township.

Since the Frisingers purchased the farm they have remodeled the big chicken house at the rear of their home into what they call a "bunkhouse." The Frisinger young people have A.L.I. club meetings and entertain their friends there. It also serves as a guest house when their parents have company. There are three boys and one girl in the Frisinger family—Paul, Roger, David and Sherry.

Another feature of the farm is an old time stone smokehouse. There are also several corn cribs and granaries on the place.

Robert Kushmaul works the farm for the Frisingers.

Original owner of the land was Sarah Davis to whom it was granted by patent of the United States, dated July 1, 1831.

Successive ownership, as listed on the deed is as follows: Sarah Davis, 1831; George and Sarah Davis, 1833; Zachariah Spencer, 1835; Samuel Nash, 1836; Abraham Storms, 1838; Alvin Storms, 1868; Jess Scott, 1869; John M. Ammer, 1869; Albert and Lisette Widmayer, 1909; Alvin and Helen Pommerening, 1940; and George P. and Eloise S. Frisinger, 1956.

It was the Widmayer family homestead for many years. Mrs. Fredrika Widmayer who is spending the winter with her daughter, Mrs. Homer Stofor, having gone there as a bride in 1887. Her husband, Fred, was one of three sons of the John Widmayers who acquired the farm in the 1860's. The other two were Albert and Martin. At that time the house was a two-family home with Mr. and Mrs. Martin Widmayer and Mr. and Mrs. Fred Widmayer living there.

The Fred Widmayers' sons and daughters were born there. They include Mrs. Homer Stofor and Mrs. Laurance Noah, of North Lake, Eugene Widmayer of near Jackson, Clarence Widmayer of near Detroit, and Oscar and Harold Widmayer of Haystack road.

Surviving members of the Martin Widmayers' immediate family who also lived there are Mrs. Lulu Waller of California, Herman Widmayer of Howell, and Edgar Widmayer of Dexter.

The Frisinger farm was correctly identified by Bill Robbins, Mae Anton Nielsen, Mrs. A. Pommerening, Mr. and Mrs. Nelson Kushmaul, David Log, Mrs. Robert Kushmaul, Pastor Mrs. Lee Bollinger, Judy Woolley, Mrs. Walter Beutler, Mrs. Carroll Orduway, Donna Noah, Irvens, Mrs. Ray Parsons, Paul Rochfuss, Lois Stork, Charlotte Harris, Tommy Sharrard, Judy Carr, Mike Kushmaul and Mr. and Mrs. O. G. May.

'Lambeth Conference' Film To Be Shown At St. Barnabas

Next Monday evening, following the evening service of Holy Communion in observance of St. Thomas day, members of St. Barnabas Episcopal church will have the opportunity to see a color movie entitled "The Lambeth Conference." The movie was shown at a recent convocation meeting.

The Rev. Allan Reed said the color movie should prove of particular interest to members of St. Barnabas following, as it does, receipt of a report issued by the House of Bishops on their experience at the recent Lambeth Conference held in England at which members of every race and many nations were present.

The Bishops at Lambeth debated the deepest problems of the day and found that the same problems existed around the world. Five great truths came out of the conference which could help out all mankind, namely—the creative meeting of souls, the sacredness of law, God's judgment on our divisions, the light of reason, and the membership shared together in the spirit.

Bishop Richard S. Emrich attended from the Diocese of Michigan.

The University of Michigan Hospital blood bank provided 10,000 pints of blood for transfusions last year.

Auto Industry
Visits Popular
With Tourists

(Second in a series of stories)
Ann Arbor—Michigan's indus-
trial colossus—the Rouge—also
rates as one of its top tourist at-
tractions.

In a poll of more than 30 Uni-
versity of Michigan faculty mem-
bers, the auto industry in general
and the Rouge in particular rated
second only to the Straits of Mack-
inac bridge as a place to see in
Michigan.

Historically, the two spots have
a common tie. In early colonial
times, the Rouge area was the
first shipbuilding site in the Up-
per Great Lakes, according to E.
Cleyer Hunt of the U-M Historical
Collections.

One of the two ships built there
—the 70-ton schooner Tracy—
sailed up through the Straits in
1803. Aboard was Capt. John
Whistler, builder of Ft. Dearborn
and commander of the military
post on the Detroit which set-
tled Chicago that year.

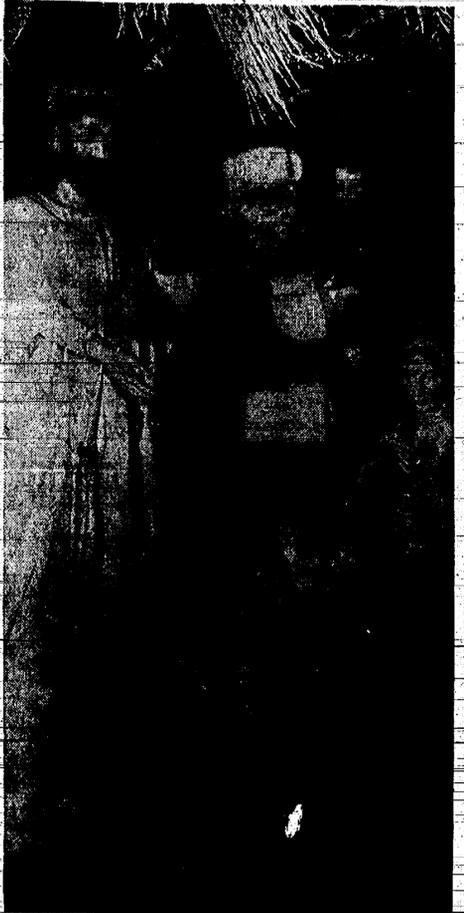

The shipyard, located just east
of the present Rouge property,
was given to the U-M by the U. S.
government after Congress auth-
orized a "seminary of learning"
in the territory in 1826. The
Woodmere Cemetery now stands
on this land.

In modern times, Henry Ford
turned out ships on assembly lines
at the Rouge before automobiles
were built there. These were the
World War "submarine" classes
known as "Eagle boats".

Ford's early fear of dependence
on outside supplies led him to
build the world's largest inte-
grated complex of factories at the
Rouge. In 1956, the gift of his
210-acre estate, Fair Lane, brought
the U-M back to the surrounding
area.

Spread over some 1,200 acres
of land, the Rouge has a work
force of 60,000 in normal times
with daily payroll in excess of
\$1 million. Its popularity as a
tourist attraction is attested by
nearly 200,000 persons who visit
its assembly lines every year.

(Next: The Sault Ste. Marie
Locks)

Lost the real meaning of
Christmas, he observed by the
glitter of a lighted tree and
youngsters' fascination with
Santa Claus, the Saint Nick at
the Ford Rotunda Christmas
Fantasy.
Fantasy, one of the largest non-
commercial yuletide shows in
America, annually attracts
nearly three-quarters of a mil-
lion visitors. The Fantasy is
open seven days a week, from
8:30 a.m. to 9 p.m. It will close
at 3 p.m. Christmas eve.

Law Enforcement Agencies Urge
Moderation for Holiday Celebrants

Law enforcement agencies of the
city, county and state will com-
bine efforts on a strong campaign
to save Michigan's good traffic
record for 1958, according to Sher-
iff Robert Lillie. "A recent shock
wave of multiple death and 'ran
off roadway' crashes have alarm-
ed government and safety officials
from the Governor's Office on
down," the Sheriff said.

Increased celebrating and social
drinking prevalent at this time of
year may be at the root of the
recent alarming trend, according
to national and state safety ex-
perts. The State Liquor Control
Commission reports that only 25
per cent of the liquor is sold in
licensed taverns and resorts. The
balance is consumed in homes or
at private parties.

"We usually enjoy good good
operation from the licensed deal-
ers," Sheriff Lillie said, "but we
urgently beg the co-operation of
our businesses and industries and
the large numbers of private
people who entertain at this time
of the year. We are especially
concerned for the people who
rarely drink at other seasons and
the family breadwinners and the
young people.

"It is not necessary to be drunk
in order for either a driver or a
pedestrian's traffic judgment to be
fatally affected. The person who
has had only two or three and is
feeling great can be a serious
danger to himself and others.

"We strongly suggest the use
of public transportation by and for
people who have been celebrating.
Taxi service for smaller parties
or a chartered bus for larger
groups might save a life. Let's not
have to follow a happy celebration
with a wake!"

Enforcement agencies of the
city, county and state will be on
extended duty as the holidays ar-
rive.

Corn Prices
Expected To
Hold Steady

Corn prices probably won't
change much during the next few
years despite the new corn pro-
gram that is going into effect.
John Ferris, extension farm
economist at Michigan State Uni-
versity, says he believes corn
prices will be tied closely to the
support rate. The support price
on the 1959 corn crop will be about
\$1.15 a bushel.

Price supports will be available
for all corn of eligible quality in
approved storage, Ferris points out.
Market prices at harvest time
could drop to about \$1.00. But if
prices were to drop more than
15 cents below the support, many
farmers would consider the gov-
ernment loan or purchase agree-
ment.

The economist thinks there is
little chance of corn prices coling
much above the support level un-
less there is a short corn crop or
a shooting war. The carryover of
corn and other feed grains is
large, but at least 75 per cent of
it is in government hands.

The government can't sell feed
grains domestically until market
prices are at least 5 per cent
above support levels plus reason-
able handling and carrying
charges. Prices would have to
fall for the government to sell. It
can, however, sell corn at a lower
price that is in danger of "going
out of condition."

The \$1.15 support for the 1959
crop is based on 80 per cent of
\$1.40, the average farm price for
corn during 1956-58.

Bible Conference
Arranged for Week-End

The Gregory, Michigan congrega-
tion of Jehovah's Witnesses will
be among 20 southern Michigan
congregations to convene at Ann
Arbor the week-end of Dec. 19 to
21 for their semi-annual circuit
assembly. Walter Fisher, presid-
ing minister of the local group,
has announced.

The object of the conference is
to train attending ministers in the
work of teaching the Bible. Ap-
proximately 1,400 are expected
for the three-day meet-

ings. In addition to the main activities
of the conference will be a baptism
ceremony Saturday afternoon for
newly dedicated ministers. Accord-
ing to Mr. Fisher this is a
regular event at each circuit as-
sembly.

Highlight of the program takes
place Sunday afternoon when Fer-
er D'Mara, district supervisor
from Brooklyn headquarters of the
world organization of Jehovah's
Witnesses, speaks on "The Watch
Tower Society in God's Purpose."
The public is invited to this as-
sembly feature.

Conservation Dept. Buys
63 Acres in Waterloo Area
For Public Hunting Land

Lansing—The Conservation
Commission recently approved
purchase of 63 acres within the
Waterloo recreation area and Shi-
awassee state game area to aug-
ment public hunting land at these
two sites.

In addition, a lot was given to
the state in the Fish Point wild-
life area. A provision of the gift
required that delinquent taxes, ap-
proximating \$20, be paid from the
Pittman-Robertson budget.

Revenue from granted deeds to
Great Lakes bottom lands totaled
\$88,700 while an additional \$13,
845 was derived from state forest
timber sales.

Think antique chairs are uncom-
fortable? Maybe that's why
they're antiques.

ting is the empire of Japan in 1868, untouched by the Western influence. Here—in color and pagentry—is a film well worth your viewing time. Townsend Harris (John Wayne) sails into the small port of Shimoda as United States Consul General to Japan, but Governor So Yamamura forbids him to land; he does not recognize the treaty between the countries. John insists on recognition, and is reluctantly given a house. But he and his interpreter, Sam Jaffe, are either harassed or ignored by the superstitious population of this small port town, who both hate and fear foreigners. Trying to get to know more about his enemy's make-up, Governor Yamamura provides Wayne with a beautiful

Geisha girl, whose job is to spy on the American and report to Yamamura. Complications set in, however, when she becomes enamored of the handsome American.

Widow of Serviceman Entitled to Husband's Compensation Payments A widow's income has no bearing on her eligibility for compensation payments if her veteran husband died of a service-connected condition, Lloyd H. Jameson,

manager of the Veterans Administration office in Detroit, said today. Jameson explained that considerable misunderstanding may exist on this point. "Compensation," he added, "may be paid the widow of a veteran whose death was the result of his service. Her other income has no bearing on its payment."

"On the other hand," Jameson emphasized, "income limitations do apply to VA death pensions, which may be paid the widow of a wartime veteran who died of a non-service-connected condition." The Ford Foundation announced grants totalling more than half a million dollars to the University of Michigan.

Women's Guild Meeting Features Christmas Program

The origin and meaning of the Christmas symbols of today was the theme of the program at the Dec. 10 meeting of the Women's Guild of St. Paul's Evangelical and Reformed church.

The program was given in the sanctuary of the church with all adults invited to attend. Approximately 115 men and women were present.

Living pictures in a "picture frame" seven feet in height depicted the scenes as Mrs. Harold Widmeyer and Mrs. Lawrence Dietl narrated as narrators. The program was conducted with color slides illustrating the Christmas story as read from the Bible.

Christmas carolers included Mrs. Duane Hall, Mrs. Roland White, Darlene Mepians and Barbara Barke.

There was also a German choir from Mrs. Emma Seitz, Mrs. Otto Lucht, Mrs. Oscar Stierle, Mrs. Wilbert Trinkle and Mrs. Martha Weimann.

Mrs. Carl Mayer served as organist and also played the accompaniment for the carolers and the German choir.

Ushers for the evening were Mrs. Norman Schmidt and Mrs. Herbert Paul.

The Christmas theme was also carried out in the table decorations and in the choice of refreshments served in the dining room at the close of the program. Hostesses were Mrs. Paul F. Niehaus, Mrs. Bruce Raboody, Mrs. Christina Nicolai, Mrs. Clarence Nico, Mrs. Homer Nixon, Mrs. Ralph Oesterle, Mrs. Elmer Mauer and Mrs. John Oesterle.

The Soldiers' Home at Grand Rapids.

It was reported that two boxes of articles for patients at Howell Sanitarium had been sent and that another box of cosmetic items, principally, is being prepared for contribution to the supply counter at the Soldiers' Home.

Let Children Trim Their Own Tree For Christmas

The little hands which "help" to trim the family Christmas tree are often more of a hindrance than a help. But who can resist the enthusiasm of a small child at Christmas time?

A solution might be to let the children make their own "fairland sugar-plum" tree, suggests Dorothy Russell, instructor in child development at Michigan State University.

First, pick a well-supported tree that the child can reach easily. You can add "snow" to the branches by spreading stiffly beaten egg whites on them, says Miss Russell.

For decorations, children can string dough-nut-like candies on four-inch lengths of thin wire and fasten them in circles to hang on the tree.

They can also make "cinnamon chains" by pressing cinnamon candies to the sticky side of long strips of cellophane tape, adds Miss Russell. These chains can then be strung from branch to branch.

"Candy sticks" can be made by attaching one large gumdrop to one end of a colored toothpick and a smaller gumdrop or jellybean to the other end, these can be wired to the branches.

Candy canes, large and small, can also be hung on the branches - to add color now and to be eaten later.

Traditional Christmas Eve exercises by the Sunday school at Zion Lutheran church, Rogers Corners, will begin at 7 p.m.

Other observances of the Christmas season are an 8 p.m. program Sunday by the upstairs department of the Sunday school which includes a color film strip "In Bethlehem's Manger," and a Christmas Day Communion service at 9:30 a.m. Thursday.

The children and the choir of St. John's Evangelical and Reformed church at Franciscan have prepared a program to be given at 7:30 p.m. Sunday evening.

St. John's church at Rogers Corners will present a joint program of the children and the choir Christmas Eve at 8 o'clock.

The Congregational church had its special Christmas observance at the church last Sunday, including a family workshop, followed by a supper and an evening program.

THE YOUNGER CHILDREN who attended the annual children's Christmas party at Sylvan theatre Saturday were accompanied by their mothers. In the above photo one of the mothers brought three children to meet Santa Claus and receive a Christmas stocking full of treats. The annual party is sponsored by UAW-CIO Local 437 and 1284 in co-operation with the Chelsea Community Chest. 1,500 children attended.

Kiwanis Club Entertains Children at Christmas Party

Leo Bishop was in charge of the program at the first of what is expected to become an annual event on the Kiwanis club calendar club members as guests. Thirty children attended and apparently greatly enjoyed the entertainment feature—a trained dog who performed at the direction of his master, Tom Clute of Adrian. Monday's dinner meeting and program was held in the social center of the Methodist church.

Five Men Given Fines, Jail Terms For Illegal Hunting

Five men were fined \$75 each in addition to \$7.50 costs when they pleaded guilty Monday in Municipal Court, Ann Arbor, to charges of shooting and possessing pheasant during the closed season. The season closed Nov. 10. The five men were apprehended at various times over the week-end by Conservation Officer Donley Boyer. The five men are Leroy Clay, 19, and Carl L. Plants, 29, of Salina; Donald E. Moore, 30, and Wallace D. Pierson, 29, of Inkster; and Karl D. Wilson, 20, of Inkster. In addition to the fines and costs, each was sentenced to jail—Clay and Plants for two days; Moore and Pierson for four days; and Wilson to five days.

Gayle Grove Chosen To Play in All-America Band

Gayle Grove, Chelsea public school band director, is one of the 100 outstanding musicians selected to play in the fourth All-American Bandmasters' band in Chicago on Dec. 20. Major George H. Willcocks, of London, England, renowned European bandmaster, will make the trip to Chicago expressly to rehearse and conduct this select band which will appear in connection with the Midwest National Band Clinic, Sherman Hotel, Chicago. The All-American Bandmasters' band, who appear in concert only once a year, is composed entirely of band directors who are carefully selected from applicants from all over the United States and Canada. This select group meets in Chicago, rehearses intensively for a brief eight hours, and presents a concert for the 5,000 music directors, school administrators and guests who annually attend this largest of all meetings devoted exclusively to the teaching problems of the band director and the advancement of school music programs.

Free Press Carriers To Be Guests at Annual Christmas Dinner

Ten Free Press carriers will be guests of Schatz Cigar Store at the annual Christmas dinner at Chelsea Restaurant Thursday evening, (tonight). Free press carriers are Roger Lehman, Bill Spahr, Jack Spahr, Tom McClanahan, Charles Cameron, Daryl Keizer, Robert Riemenschneider, Floyd Wolosagle, Francis Laban and David McGibney. Also present for the dinner will be Bob Roy and William Schatz.

Warning Issued Against Some Foreign Made Tree Lights

Detective Captain Glenroy Waters, chief of the fire-marshall division of the Michigan State Police, is warning that some foreign made Christmas tree light bulbs being offered for sale have been found defective by American standards and are dangerous fire hazards. He recommends that they be tested by lighting them before being hung on the tree. Defective bulbs will either short out, burst into flame or give visible indication of overheating during a 10-minute period. Well known American brand name Christmas tree bulbs usually have the brand name or trade mark stamped on them and can be expected to be in accordance with American standard specifications. It was pointed out, however, that only the wiring, not the bulbs themselves, carry the approval of Underwriters Laboratories, Inc. Not all imported bulbs are hazardous. Some that have been laboratory tested perform equally as well as American standard bulbs. Ambition's reward seems to be more and more taxes.

DEATHS

Erle L. Notten Was Well Known for Work as Painter, Decorator

Erle L. Notten died unexpectedly Tuesday evening at his home following a brief illness. He was 79 years old.

Born April 11, 1879, near Franciscan, he was son of Henry and Lena Schwendler Notten, the oldest of eight children.

He was married Aug. 31, 1905, by the Rev. Henry Lens at the Salem Grove Methodist church parsonage to Eva Main. They had made their home at the present address, 4877 Loveland road, since their marriage.

Mr. Notten did some farming but was principally known for his work as a painter and decorator. He was formerly a member of the old Franciscan Band and then for many years, a member of the present Waterloo Band.

Survivors are his widow; and a brother and six sisters, Chester Notten, Mrs. Leonard Loveland, Miss Mabelle Notten, Mrs. Ears Haininger and Mrs. Emmett Dancer, all of this vicinity, and Mrs. Herman Hauer and Mrs. Floyd Clum, both of Hastings. Also surviving are a number of nieces and nephews.

Funeral services will be held at Salem Grove Methodist church at 2 p.m. Friday with the Rev. Louis Calster officiating. Burial will take place in the church cemetery.

Friends may call at the Burghardt Funeral Home.

Angeline M. Merkel Funeral Set Saturday For Victim of Auto Crash

Funeral services for Angeline Mary Merkel, who was killed in an automobile accident on US-12 east of Fletcher road yesterday morning, will be held at St. Mary's Catholic church at 10 a.m. Saturday with the Rev. Fr. Leo Laige officiating. Burial is to take place in Mt. Olivet cemetery.

Friends may call at the Staffan Funeral Home.

Over the years, the growth in telephone service has increased the amount and complexity of the facilities required to serve customers," Kennard said.

economic problems have introduced additional complexities, although the basic responsibilities of the job—to provide telephone service—has remained unchanged."

Any High Fidelity Phonograph System To Reproduce the Entire Frequency Range of an Orchestra Must Contain 7 Basic Matched Elements... Philco Has Blended These Elements Superbly . . .

- 1. The Turntable or Changer . . .**
Philco has a fully automatic record changer. It will intermix 10" and 12" standard or microgroove records and is completely trouble-free. Tone arm moves exactly the right position on the starting groove automatically and shuts everything off at the end of the last record.
- 2. The Stylus . . .**
There are basically 2 types of styli available today . . . Sapphire or Diamond. However, there are many grades. Philco uses the best Diamond stylus for microgroove and stereo records in all High Fidelity receivers.
- 3. The Cartridge . . .**
Philco uses a ceramic cartridge because it was found through exhaustive research that it was most reliable and gave the finest performance. It is completely unaffected by changes in atmospheric conditions.
- 4. The Tone Arm . . .**
The Philco Tone Arm caresses your prized records with only 6 grams of pressure, insuring superior performance. This insures that the stylus will always seat itself in the record groove, track better, and thus transmit ALL the sound recorded.
- 5. The Amplifier . . .**
Every Philco console High Fidelity receiver contains a full transformer-powered amplifier giving smooth response and power output greater than other makes. It varies from 5.5 watts in the Model 1606-S to an amazing 70 watts in the Model 1909-S.
- 6. The Speaker System . . .**
The Philco Fidelitytron, a curved Push-Pull Electrostatic System, diffuses smooth, clean, clear sound at the widest angle. With this system Philco is able to extend the downward frequency range over the important middle frequencies, resulting in distortion-free sound reproduction.
- 7. The Cabinet . . .**
Philco's master-crafted, High Fidelity, music chamber cabinets are acoustically designed and engineered to match with all the other components of the system for the most perfectly balanced natural sound reproduction. Even the grille cloth is specially knitted to allow the free flow of unmuffled, undistorted, true High Fidelity Sound.

Philco's Superior Engineering and Construction Enables the Philco Hi-Fi Unit To Give a Better More Faithful Reproduction Than Any Other High Fidelity Unit Ever Built.

Korean Veterans May Now Convert Term Insurance

An estimated 28,000 Korean conflict veterans in Michigan will soon be able to convert their previously nonconvertible term GI insurance to permanent GI policies. Lloyd H. Jameson, manager for the Veterans' Administration said today. The affected term GI policies, Jameson explained, are identifiable by the letters "RS" which precede the policy numbers. Beginning next January, a new statute (Public Law 85-800) will provide the thousands of "RS" policyholders with three options:

1. Convert their "RS" term policies to permanent plans of insurance.
2. To exchange their "RS" term policies for a "limited convertible" term policy carrying a lower premium rate, but which after Sept. 1, 1960—cannot be renewed by persons who have passed their 60th birthday.
3. To keep their "RS" term policies at the currently established premium rates, which increase every five years.

The maximum amount of the new type insurance will be limited in each case by the face amount of the veteran's present "RS" policy.

The VA official listed the types of permanent insurance to be available under the new law as: ordinary life, 20-pay life, 30-pay life, 20-year endowment, endowment at age 60, and endowment at age 65.

The new type policies—like the "RS" policies they may replace—will not pay dividends. Only "RS" policyholders will be affected by the new law. It does not re-open GI insurance, Jameson warned.

Complete information about the conversion or exchange of "RS" insurance is now available at all VA offices.

Dec. 10 - Christmas Assembly at 8:00 p.m. Chelsea plays basketball at Dundee.

Dec. 22-Jan. 2 inclusive - Christmas vacation, school closed.

Varsity cheerleaders attended a convention for all the cheerleaders of the county at Lincoln High school, Saturday, Dec. 6. After everyone had signed in and had received programs and name tags in the form of megaphones, a welcome was given by Principal Randall Coates. He made a point of bidding farewell to teams representing schools which are pulling out of the Huron League. Each school was remembered in some special way. Chelsea was credited with starting the practice of serving refreshments to the players after games.

Miss Hess, owner of the All-American Cheerleading Camp, and director of Michigan State University's cheerleaders, gave her ideas of the perfect cheerleader, and told how those from MSU are chosen. Two of State's cheerleaders demonstrated new movements and cheers, as did U. of M.'s representatives, also.

After a good workout, panel discussions began. Members from Eastern Michigan, Western Michigan, and Central Michigan Colleges headed the panels. Summary of panel discussions were reported back to the main group.

After lunch in the cafeteria, pep rallies were given in the auditorium. Grosse Ile, Tecumseh, Rosevelt, and St. Thomas (Ann Arbor)

participated to vie for choice as the team with the best synchronization, or the showiest cheer. Contests were so close that repeated run-offs were necessary. St. Thomas received a trophy for the synchronized team and Romulus received a trophy for the showiest cheer.

Chelsea cheerleaders felt that the day was well invested, and that they learned a great deal.

Since the high school library now gives charge-out service daily, some new assistants have been recruited. Cheryl Werner, Gordon Baeman, Richard Huse, Eddie Keeser, Mike Baize, Paula Romina, and Kenneth Bollinger, who worked hardest of all.

The library reports that Mr. Prinzling's students are working very hard in the library, preparing reports and maps on Latin and South America. College catalogs are in increasing demand, as are recruitment materials from the army, navy, and forces.

Mrs. John G. Chaplin is now a volunteer helper in the elementary school libraries, for which everyone concerned wishes her a hearty welcome. A collection of Christmas books is on display in the South Elementary Library.

Albert Warnhoff, known as the Ann Arbor Santa Claus, built and presented to Miss Maise a complete manger scene which is now on display in the high school library. Mr. Warnhoff will be remembered as the man who makes more than 1,000 toys every year, specializing in doll cribs. For his outstanding work, he has been written about in national magazines, and has received letters from governors and presidents. We are indeed proud to have a sample of his work on display here.

The Chelsea Youth Center is opening again under the supervision of Marilyn Waite, backed by the Junior Chamber of Commerce. A preliminary organization meeting was held Dec. 10, at which were present two representatives from each grade—seniors Don Ferguson and Sharon Slane, juniors Victor Blecharczyk and Jim Collins, sophomores Tom Dunlap and Linda Burghardt, and freshmen Rose Ann Hills and Gary Berger. Officers chosen are president, Don Ferguson; vice-president and program chairman, Victor Blecharczyk; treasurer, Jim Collins; and secretary and publicity chairman, Linda Burghardt. Rough drafts for an open house on Dec. 27 were discussed. Details will be announced later. Watch for them.

First chairs in band are much sought after; present holders are flute, Ruth Prentice; alto saxophone, Virginia LeVan; tenor saxophone, Carol Reddemann; cornet, Ed Lathon; trombone, David Talbot; baritone, Ron Papsdorf; and bass, Peter Flintoft.

The junior band has elected as officers, president, Allida Martin; vice-president, Victor Parks; secretary, Pamela Kushnall; and treasurer, Mike Schrader.

First chair players are, clarinet, Carol Mayer; cornet, Curt Farley;

flute, Cheryl Lehmann, drum, Marcia Bertke; saxophone, Danny Ephart; baritone, Gary White; horn, Linda Blaess. Bass clarinet players are Barbara Bernath and Susan Schron. Carol Mayer is playing oboe, and Boy Windell and Cheryl Lehman are trying piccolo. Dick Lathon plays trombone.

The girls' chorus worked hard for the Christmas concert. They not only sang, but they painted covers for the programs.

Future Homemakers entertained the Girls' Athletic Association by serving cookies and hot cocoa after the caroling at the Methodist Home. The girls delivered home-baked cookies to the Home, as well as sang. It became a pleasant evening for everyone.

The girls are hoping to make a happy Christmas for some needy family by supplying clothing and toys, as well as food. They plan to provide everything needed for a complete Christmas dinner.

Student Council again underwrote the plan for the collection of food for the needy. Instead of drawing names and exchanging gifts, classes and clubs are urged to contribute timed foods in this year of need. The class bringing the most will receive a \$5 prize. President David Rowe appointed Don Ferguson, Bob Smith, and Richard Haist as a committee to set up the contest.

The French club's plans for April 4 were approved, as were the sophomore plans for a cloak room. Phil McDaniels was awarded \$5 and Mike Foster \$3 for the names they submitted in the "Name the League" contest.

"Birdies, birdies, everywhere" might well be the motto of the girls' physical education classes which have been playing badminton for the last two weeks. Long shots seem to be most popular.

Pep rallies are getting exciting. Junior Varsity cheerleaders staged a very humorous and enjoyable skit before the Saline game; and last Friday the skit was put on by the faculty. Different, anyway!

The Future Teachers Association was shown a very good movie on recruitment and teacher preparation. Following the movie, Mr. Sehnunk encouraged questions from members of the club about teaching. The club thoroughly enjoyed him.

Eighth graders are now learning, and trying to understand about money and interest in Mrs. Papsdorf's math classes. Mr. O'Doherty is busy teaching the problems of the United States after the Revolutionary War and the War of 1812. They have learned much in the discussions and from the movies he has shown.

Eighth grade science students, as taught by Mr. Hayden, are now finishing up on a unit on light in our civilization, and will soon begin on the next unit about space. The class feels that Mr. Hayden can make complicated things seem quite understandable.

Mrs. LeGoe's English classes are at present learning about the Trojan War and the personalities in Greek mythology.

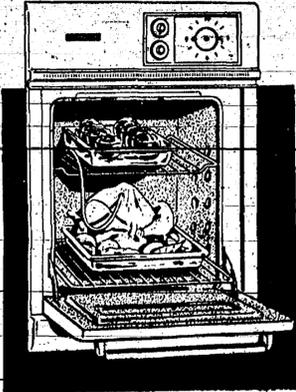

On Monday, the seniors received their pictures from Crane Studios. The rest of the week has been a chorus of "oh's" and "ah's" and a mad scramble of autographing and exchanging pictures. They also went on an interesting tour, yes-

Sylvan Township Interim Zoning Ordinance

The following ordinance was adopted by the Township Board of Sylvan Township, Washtenaw County, Michigan on Dec. 15, 1958 and is hereby published in the Chelsea Standard, a newspaper of general circulation in this county, as required by Act 191 of the Public Acts of 1939, State of Michigan, as amended.

Richard J. Kern, Clerk.

AN ORDINANCE TO ESTABLISH ZONING DISTRICTS AND REGULATIONS GOVERNING THE UNINCORPORATED PORTIONS OF SYLVAN TOWNSHIP, WASHTENAW COUNTY, MICHIGAN, IN ACCORDANCE WITH THE PROVISIONS OF ACT 194 OF THE PUBLIC ACTS OF 1945 AS AMENDED; TO PROVIDE FOR REGULATIONS GOVERNING NON-CONFORMING USES AND STRUCTURES; TO PROVIDE FOR A BOARD OF APPEALS AND ITS DUTIES AND POWERS; TO PROVIDE FOR BUILDING PERMITS AND THE COLLECTION OF FEES THEREFOR; TO PROVIDE FOR THE ADMINISTRATION OF THIS ORDINANCE INCLUDING THE OFFICIAL WHOSE DUTY IT SHALL BE TO ENFORCE THE PROVISIONS THEREOF; TO PROVIDE FOR THE VIOLATION OF THIS ORDINANCE; AND TO PROVIDE FOR CONFLICTS WITH OTHER ORDINANCES OR REGULATIONS.

The Township Board of Sylvan Township, Washtenaw County, Michigan, Ordains:

ARTICLE I TITLE AND PURPOSE

SECTION 1.01-TITLE

This Ordinance shall be known as the "SYLVAN TOWNSHIP INTERIM ZONING ORDINANCE."

SECTION 1.02-PURPOSE

The fundamental purpose of this Ordinance is to promote the safety, health, morals, convenience, and general welfare; to encourage the use of lands and natural resources in the township in accordance with their character and adaptability; to provide for the orderly development of the township; to protect the character and the social and economic stability of agricultural, residential, commercial and other local areas within the Township; to lessen congestion on the public roads, and streets, and provide safety in traffic and vehicular parking; to prevent excessive concentration of the population and improper use of land and buildings; to facilitate adequate provision of streets and highways, water, sewerage, drainage and other public facilities; to conserve life, property, and natural resources, and the expenditures of funds for the public improvement and service to conform with the most advantageous use of land, resources and properties.

In order to accomplish the aims and purposes of this Ordinance the unincorporated area of the Township of Sylvan, Michigan, one land use district or zone may subsequently be divided into more

than one land use districts or zones. Districts shall be such number, shape, kind and area and of such common use of purpose, adaptability or use that are deemed most suitable to conserve the value of buildings and encourage the most appropriate use of land throughout the Township.

ARTICLE II DEFINITIONS

For the purpose of this Ordinance certain terms are herewith defined. When not inconsistent with the context, words used in the singular number include the plural number, and words in the plural number include the singular number. The word "shall" is always mandatory and not merely directory.

SECTION 2.01-ACCESSORY BUILDINGS

A supplementary building or structure on the same lot or parcel of land as the main building or buildings, or part of the main building occupied by or devoted exclusively to an accessory use, but such use shall not include any building used for dwelling, residential or lodging purposes, or sleeping quarters for human beings.

2.02-ACCESSORY USE

A use naturally and normally incidental to, subordinate to and devoted exclusively to the main use of the land or buildings.

2.03-AGRICULTURE

The use of land for tilling of the soil, the raising of tree and field crops and animal husbandry.

2.04-ALTERED

Any change in the location or use of a building, or any change in the supporting members of a building such as bearing walls, columns, beams, posts, girders, and similar components, or any substantial change in the roof or exterior walls.

2.05-BASEMENT AND CELLAR

A. That portion of a building partly below the average grade but so located that the vertical distance from grade to the floor is not greater than the vertical distance from the grade to the ceiling.

B. That portion of a building partly below grade but so located that the vertical distance from the grade to the floor is greater than the vertical distance from the grade to the ceiling.

2.06-BUILDING

An independent structure having a roof supported by columns or walls resting on its own foundations and includes shed, garage, stable, green house or other accessory buildings. A detached building is one separated on all sides from adjacent buildings by open spaces from the ground up.

2.07-BUILDING LINE

The minimum distance which any building must be located from a street right-of-way or high water line.

2.08-DWELLING

A building designed or used exclusively as the living quarters for one or more families but shall not include trailer coaches.

2.09-DWELLING, MULTIPLE

A dwelling used and designed as a residence for three or more families, living independently of each other and having their own cooking facilities therein, including apartment houses, apartment hotels, row dwellings and dwelling groups.

2.10-DWELLING, ONE-FAMILY

A detached dwelling designed for or occupied exclusively by one family.

2.11-DWELLING, TWO-FAMILY

A dwelling designed for or occupied exclusively by two families living independently of each other.

If no rear yard is required, the front boundary of the side yard shall be the front line of the lot and if no rear yard is required, the rear boundary of the side yard shall be the rear line of the lot.

ARTICLE III ESTABLISHMENT OF DISTRICTS AND ZONING MAP

SECTION 3.01-DISTRICTS

For the purposes of this Ordinance all of the area of Sylvan Township is hereby divided into the following types of districts, to be known as, and having, the following symbols:

- A. A-1 Districts: Agricultural Districts.
- B. B-1 Districts: One-Family Residential Districts.
- C. B-2 Districts: General Business Districts.
- D. ER-1 Districts: Engineering Research Districts.
- E. I Districts: Industrial Districts.

3.02-ZONING MAP

Said districts are bounded and defined as shown on a map entitled "Zoning Map of Sylvan Township" which accompanies and which, with all explanatory matter thereon, is hereby made a part of this Ordinance.

3.03-LOCATION OF DISTRICT BOUNDARIES

A. Unless otherwise shown on the Zoning Map, the boundary lines of districts shall follow along the lines indicated on the United States Geological Survey Maps, or the lines of legal subdivisions of land indicated on such maps, or the center line of highways, streets, alleys, or waterways; or the shore lines of water bodies; or the boundaries of unincorporated areas or of the boundary lines of recorded plats; or property lines and the extension of any such lines.

B. Where the boundaries of use districts are so indicated that they appear parallel to the right-of-way lines of roads, such boundaries shall be construed as parallel thereto and at such distance therefrom as indicated on the Zoning Map. If no distance is indicated on the Zoning Map such dimensions shall be determined by the scale of the scale shown on said

ARTICLE IV CONFORMANCE REQUIRED SECTION 4.01

Except as hereinafter provided:

A. No building or land shall hereafter be used or occupied and no building or part thereof shall be erected, moved, or altered unless in conformity with the regulations herein specified for the district in which it is located.

B. No building shall hereafter be erected or altered:

1. To exceed the height;
2. To accommodate or house a greater number of families;
3. To occupy a greater percentage of lot area;
4. To have narrower or smaller rear yards, front yards, side yards,

than is specified herein for the district in which such building is located.

C. No part of a yard or other open space required about any building for the purpose of complying with the provisions of this Ordinance shall be included as a part of a yard or other open space similarly required for another building.

D. No lot shall hereafter be divided or reduced so as to create a lot width or lot area less than that required by this Ordinance.

ARTICLE V A-1 DISTRICTS: AGRICULTURAL DISTRICTS

Description of District:

This district is composed of rural, agricultural areas in the Township whose predominant land use is general farming on family-sized farms. The regulations for this district are designed to protect and stabilize the essential characteristics of these areas to minimize conflicting land uses detrimental to farm enterprises and to exclude development which requires highway, drainage and other public facilities in excess of those required by agricultural uses. To these ends, permitted uses are limited to agricultural and low density rural residential purposes and necessary community facilities such as schools, churches and parks. More intensive uses such as multiple dwellings and trailer parks are deemed to be in conflict with the purposes and characteristics of this district and are therefore not permitted.

The following regulations shall apply in all A-1 Districts except as otherwise provided in Article XI (Supplementary Regulations) of this Ordinance:

SECTION 5.01-USES PERMITTED

6.02-REQUIRED LOT AREA AND WIDTH

A. Each dwelling shall be located upon a lot having an area of not less than one (1) acre and an average lot width of not less than one hundred and fifty (150) feet. There shall not be more than one (1) dwelling upon each lot.

B. The average lot depth of any lot shall be not more than ten (10) times the average width of said lot.

C. Each farm enterprise which includes the raising and keeping of livestock for gain shall be located upon a lot having an area of not less than ten (10) acres.

6.03-REQUIRED YARDS

Each lot shall have front, side and rear yards not less than the following:

1. Front yard—thirty-five (35) feet.
2. Side yard—fifteen (15) feet except in the case of a corner lot where the side yard on the street side shall be not less than thirty-five (35) feet.
3. Rear yard—thirty-five (35) feet.

6.04-REQUIRED OFF-STREET PARKING

As required in Article XI of this Ordinance.

6.05-REQUIRED DWELLING AREA

Not less than seven hundred and twenty (720) square feet of floor area on the first floor level if one story, or six hundred (600) square feet of floor area on the first floor level if two stories.

ARTICLE VI R-1 DISTRICTS: ONE-FAMILY RURAL RESIDENTIAL DISTRICTS

Description of District:

This district is composed of rural residential areas in the Township without urban services, some of which are adjacent to lakes and streams, where low density single-family residential development has occurred or appears likely to occur. The regulations for this district are designed to protect and stabilize the essential characteristics of these areas and to promote and encourage a suitable and safe environment for family life. To these ends, development is restricted to low density residential uses. The regulations for this district are designed to protect and stabilize the essential characteristics of these areas and to promote and encourage a suitable and safe environment for family life. To these ends, development is restricted to low density residential uses. The regulations for this district are designed to protect and stabilize the essential characteristics of these areas and to promote and encourage a suitable and safe environment for family life.

**ARTICLE X
CONDITIONAL USES**
PURPOSE
 Certain land uses, because of their particular characteristics, require detailed consideration in order to determine whether or not they may be detrimental to the public welfare and to adjacent property. Because of the special characteristics of such uses, the proposed conditions of operation, design, size and intensity of use, traffic volume and access, population density, processes and equipment employed, amount of public facilities and other factors must be considered in relation to the intent and purposes of this Ordinance. Such uses are therefore designated as conditional uses.

SECTION 10.01—AUTHORITY
 The Zoning Board, as herein-after provided, shall have the authority to grant conditional use permits subject to such conditions of design and operation, safeguards and time limitations as it may determine for the following uses:

A. All conditional uses as permitted in the various district provisions of this Ordinance.

B. The following conditional uses in any district:

1. Cemeteries.
2. Removal of rock, sand, gravel, topsoil, minerals and natural materials, except crude oil, together with necessary buildings, apparatus, or structures, and incidental thereto (see definition, Section 2.04).
3. Public and private schools and educational institutions.
4. Community and organizational buildings.
5. Hospitals, sanitariums, clinics or rest homes.
6. Institutions for a philanthropic or charitable nature.
7. Public beaches, bathhouses and boat livery operated for gain.
8. Military establishments.
9. Temporary carnivals, circuses and other transient amusements and enterprises.
10. Public buildings.
11. Private resorts and recreational camps.
12. Public and private dumps, incinerators or sanitary fills.
13. Sewage treatment plants and disposal areas.
14. Public utility substations, buildings and towers.

SECTION 10.02—APPLICATION AND FEE
 Application for any conditional use permit permissible under the provisions of this Section shall be made to the Zoning Board. Such applications shall be accompanied by a fee of fifty (50) dollars, except that no fee shall be required of any religious agency. No part of such fee shall be returnable to the applicant.

SECTION 10.03—DATA REQUIRED IN APPLICATION
 An application for a conditional use permit shall contain the applicant's name in full, a statement that the applicant is the owner of the property involved or is acting on the owner's behalf; the applicant's address; the address or description of the property involved; an accurate diagram of said property, showing the existing and proposed location of all buildings hereon, the types thereof, and their use; and a statement and supporting evidence regarding the required findings set forth in Section 1.05 below.

SECTION 10.04—HEARING
 The Zoning Board shall hold a public hearing on hearings of conditional use permit, notice of which shall be given by one (1) publication in a newspaper of general circulation in the Township within ten (10) days next preceding the date of said hearing.

SECTION 10.05—REQUIRED FINDINGS
 The Zoning Board shall review the particular circumstances and facts of the proposed use in the light of the following required findings:

A. That public facilities and services such as highways, fire and police protection, drainage facilities, refuse disposal and schools are adequate for the proposed use or are capable of being adequately provided by the agencies responsible therefor.

B. That requirements for additional public services and facilities which will be created by the proposed use will not be detrimental to the economic welfare of the community.

C. That the proposed use, activities, processes, materials and equipment and conditions of operation, will not be detrimental to the public welfare persons or property by reason of excessive production of traffic, noise, smoke, fumes, glare or odors.

D. That liquids and other waste of any kind will be confined, treated or purified so as to prevent pollution of air, water and soil resources.

E. That the proposed use at the particular location will be consistent with the intent and purposes of this Ordinance.

SECTION 10.06—CONDITIONAL USE PERMIT DETERMINATION
 If the facts in the case establish that the required findings cannot be made and will not be applicable to the proposed use, the Zoning Board shall not grant a conditional use permit. If the facts in the case establish that the required findings can be made and will be applicable to the proposed use, the Zoning Board shall grant a conditional use permit. In the granting of any conditional use permit the Zoning Board shall impose such conditions of use as it deems necessary to protect the best interests of the Township and to achieve the objectives of this Ordinance, and the breach of any such condition shall automatically invalidate the permit therefor.

SECTION 10.07—REAPPLICATION
 No application for a conditional use permit which has been denied wholly or in-part by the Zoning Board shall be resubmitted for a period of one (1) year from such denial, except on grounds of new evidence or proof of changing conditions found by the Zoning Board to be valid.

**ARTICLE XI
SUPPLEMENTARY REGULATIONS**
 The provisions of this Ordinance shall be subject to such modifications, additions, exceptions, or deletions as hereinafter provided by the following supplementary regulations:

SECTION 11.01—TEMPORARY STRUCTURES FOR DWELLING PURPOSES; PERMIT REQUIRED
 No cabin, trailer coach, garage, structure, or other temporary structure, whether a fixed or movable nature may be erected or established for any dwelling purpose for any length of time except after the granting of a permit therefor by the Board of Appeals or provided in Article XII of this Ordinance.

SECTION 11.02—REQUIRED WATER AND SANITARY SEWAGE FACILITIES
 In the interests of protecting the public health and welfare every structure or structure hereafter erected, altered or moved upon any premises and used in whole or in part for dwelling, recreational, business, commercial or industrial purposes shall be provided with:

A. A safe and sanitary water supply.

B. A safe and sanitary means of collection and disposal of human excreta and domestic, commercial, and industrial waste.

C. Such facilities shall conform to the minimum requirements as set forth by the Washtenaw County Health Department.

SECTION 11.03—EXCEPTIONS TO REGULATIONS
 A. Essential Services. Essential services shall be permitted as authorized and regulated by law and other ordinances, it being the intent hereof to exempt such essential services from the application of this Ordinance.

B. Any lot created and recorded prior to the effective date of this Ordinance may be used for any permitted use even though the lot area is less than that required by the district in which said lot is located provided that the other requirements of that district are met, and provided that no adjacent land or lot is owned by the owner of said lot.

C. The height limitations of this Ordinance shall not apply to buildings used for agricultural purposes, church spires, belfries, cupolas, pent-houses and domes, not used for human occupancy, nor to chimneys, antennas, skylights, water towers, bulkheads, similar features and necessary mechanical appurtenances usually carried above the roof level. Such features, however, shall be erected only to such height as is necessary to accomplish the purpose they are to serve and then only in accordance with any other governmental regulations.

D. Where a rear yard abuts upon a street, the setback of all buildings shall be not less than the front yard requirements.

SECTION 11.04—REQUIRED STREET FRONTAGE
 Each principal use hereafter established shall be located on a lot which shall be located and maintained upon a lot which abuts a street for a distance of not less than thirty (30) feet.

SECTION 11.05—LOCATION OF ACCESSORY BUILDINGS
 A. All accessory buildings shall be in the rear yard except when built as part of the main building.

B. An accessory building attached to the principal building of a lot shall be made structurally a part thereof, and shall comply in all respects with the requirements applicable to the principal building. The accessory building unless attached and made part of the principal building as provided shall not be closer than ten (10) feet to the principal building.

C. No accessory building used in connection with any livestock, animals or poultry shall hereafter be located or maintained on any lot closer than fifty (50) feet to any lot line.

D. In the case of a corner lot no accessory building shall be located nearer to the side street-line than a distance equal to the depth of the front yard required on said lot.

SECTION 11.06—REQUIRED OFF-STREET PARKING AND ACCESS
 A. For each dwelling, business, commercial, industrial or other similar building hereafter erected or altered and located on a public highway in the township, and including buildings or structures used principally as a place of Public Assembly, there shall be provided and maintained suitable space off the right-of-way that is in general adequate for the parking or loading of vehicles in proportion to the following tables, and such space shall be provided with safe exit to and safe entrance from the public thoroughfare, but not to exceed one (1) exit and entrance for each such exit and entrance. Such exits and entrances shall be approved for the location and use by the County Road Commission, which shall also approve the design and construction thereof in the interests of safety, adequate drainage and other public requirements. A minimum of two hundred (200) square feet, exclusive of driveways and (2) automobile parking spaces shall be provided for each dwelling unit.

1. For dwellings at least one (1) parking space for each dwelling unit.

2. For motels at least one (1) parking space for each individual sleeping unit or guest unit.

3. For private clubs at least one (1) parking space for every two (2) of the active membership.

4. For hospitals at least one (1) parking space for each two (2) patient beds, excluding bassinets.

5. For sanitariums, convalescent homes and rest homes at least one (1) parking space for each (4) patient beds.

6. For medical or dental clinics three (3) spaces for each doctor or dentist having an office in such clinic.

7. For churches, theaters, auditoriums, stadiums and other places of public assembly at least one (1) space for each four (4) seats.

8. For retail stores, personal service shops, business and professional offices at least one (1) parking space for every two hundred (200) square feet of gross floor area in said establishment.

9. Industrial or manufacturing establishments shall provide parking spaces sufficient in number to accommodate the parking of automobiles and other motor vehicles used by the firm or employees or persons doing business therein.

SECTION 11.07—NON-CONFORMING USES
 A. The lawful use of any building or structure and of any land or premises existing prior to the effective date of this Ordinance may be continued if such use of building or structure entails no original construction, alteration, or enlargement thereof, does not constitute a public nuisance or endanger the public health, safety, or welfare, and does not involve the forming use of any building, structure, or any land or premises shall be undertaken following the effective date of this Ordinance.

B. If the non-conforming use of any building, structure, land or premises is changed to a conforming use, such use shall not hereafter be reverted to any non-conforming use.

C. If this non-conforming use of any building, structure, land or premises, or part thereof, is abandoned for a continuous period of six (6) months, then any future use of said building, structure, land or premises shall conform in its entirety to the provisions of this Ordinance.

D. When district boundaries shall hereafter be changed, and the location of any non-conforming use be changed to another type of district, then said non-conforming use shall be subject to all other provisions of this section.

SECTION 11.08—RECONSTRUCTION OF DAMAGED NON-CONFORMING BUILDING AND STRUCTURES
 Nothing in this Ordinance shall prevent the reconstruction, repair or restoration and the continued use of any non-conforming building or structure damaged by fire, explosion, or other cause, or acts of the public enemy, such as war, flood, or other natural disaster. In the event of such damage, provided that such restoration and reconstruction shall take place within six (6) months of the time of such damage, and that said use be identical with the non-conforming use permitted and in effect directly preceding said damage.

SECTION 11.09—REPAIR, ALTERATION AND COMPLETION OF NON-CONFORMING BUILDINGS AND STRUCTURES
 A. Nothing in this Ordinance shall prevent the repair, reinforcement, improvement or rehabilitation of non-conforming buildings, structures, or part thereof existing at the effective date of this Ordinance rendered necessary by wear and tear, deterioration, or depreciation; not prevent compliance with the provisions of the Building Code or Housing Law of Michigan, relative to the maintenance of buildings or structures; provided, however, that the cost of such repair, reinforcement, improvement, rehabilitation or completion shall not exceed thirty (30) per cent of the reproduction value of such building at the time such work is done; and provided further, there shall be no change of use of said building or part thereof.

B. Nor shall anything in this Ordinance require any change in the existing construction or intended use of the building for which plans have been prepared and filed, heretofore, with the Sylvan Township Building Inspector, and the construction of which shall have been diligently prosecuted for a period of one (1) month prior to the effective date of this Ordinance, and which will be completed within two (2) years after the effective date of this Ordinance.

**ARTICLE XII
BOARD OF APPEALS**
SECTION 12.01—BOARD ESTABLISHED
 There is hereby established a Board of Appeals, which shall perform its duties and exercise its powers as provided by Section 18, Act 184 of the Public Acts of 1948, as amended, in such way that the objectives of this Ordinance shall be achieved, the public health and safety secured and substantial justice done.

SECTION 12.02—MEMBERSHIP, TERMS OF OFFICE
 The Board of Appeals shall consist of three members. The first member of such Board of Appeals shall be the chairman of the Township Zoning Board, for the term of his office, the second member shall be a member of the Township Board appointed by the Township Board for the term of his office, and the third member shall be selected and appointed by the first two members from among the electors residing in the unincorporated area of the Township for a term of three (3) years provided that no one shall be elected to the township Board, nor any employee of the township Board, nor any employee of the Township Board of Appeals.

SECTION 12.03—RULES OF PROCEDURE, MAJORITY VOTE
 The Board shall adopt its own rules of procedure as may be necessary to properly conduct its meetings. The concurring vote of a majority of the members of the Board of Appeals shall be necessary to reverse any order, requirement, decision or determination of the administrative official or to decide in favor of the applicant any matter upon which they are required to pass under this Ordinance or to effect any variation in this Ordinance.

SECTION 12.04—MEETINGS
 Meetings of the Board of Appeals shall be at the call of the chairman and at such other times as the Board in its rules of procedure may specify.

SECTION 12.05—PUBLIC MEETINGS AND MINUTES
 All meetings of the Board of Appeals shall be open to the public and accurate minutes of the proceedings shall be kept, which record shall be filed in the office of the Township Clerk and shall be a public record.

SECTION 12.06—POWERS AND DUTIES
 The Board of Appeals shall hear and decide appeals from and review any order, requirement, decision or determination made by the Zoning Inspector in the administration of this Ordinance as hereinafter provided, and shall have power to grant or deny a variance from the strict application of any of the provisions of this Ordinance and to grant permits for the use of temporary structures for dwelling purposes including trailer coaches, to the extent of the following and no further:

A. Interpretation: To decide any question involving the interpretation of any provision of this Ordinance, including determination of the exact location of any district boundary if there is uncertainty with respect thereto.

B. Variances: To grant, upon appeal, a variance from any of the provisions of this Ordinance contained in this Ordinance in cases in which there are practical difficulties or unnecessary hardships in the way of such strict application, provided however that no variance shall be granted to permit the establishment within the district of any use which is prohibited by such a conditional use permit as required.

C. Temporary Structure Permits: To grant permits for temporary structures for dwelling purposes subject to the procedures and limitations as hereinafter provided.

SECTION 12.07—APPLICATION FOR TEMPORARY STRUCTURE PERMIT
 An application for a permit for the erection or movement of a temporary structure for dwelling purposes shall be made to the Board of Appeals on a special form used exclusively for that purpose.

SECTION 12.08—HEARING AND REQUIRED FINDINGS
 The Board of Appeals shall give notice of a hearing on such application. No permit shall be granted by the Board of Appeals unless it finds adequate evidence showing:

A. That the proposed location will not be detrimental to the property involved or to the neighborhood.

B. That the proposed water supply and sanitary facilities have been approved by the Washtenaw County Health Department or that the occupants of the proposed structure will have right to unlimited use of the water supply and sanitary facilities of a dwelling existing upon the same lot.

SECTION 12.09—TEMPORARY STRUCTURE PERMIT LIMITATIONS
 In the granting of such a permit the Board of Appeals may impose any reasonable conditions deemed necessary to protect the public welfare and the breach of any such condition shall automatically invalidate the permit. Said permit shall clearly set forth the structure proposed is intended for temporary dwelling purposes and that said structure is to be vacated upon the expiration of a specific time limit to be determined by the Township Board of Appeals. On delivery of the permit, the owner and occupant shall be bound by the existing conditions for the purpose that he or she has full knowledge of the terms of the permit and penalty pertaining thereto. No permit shall be transferable to any other owner or occupant.

SECTION 12.10—VARIANCES, REQUIRED FINDINGS
 No variance shall be granted by the Board of Appeals unless it finds:

A. That there are exceptional or extraordinary circumstances applying to the property involved, or to the intended use of the property, that do not apply generally to other property of like character in the same district and have not resulted from any act of the applicant subsequent to the adoption of this Ordinance.

B. That such variance is necessary for the preservation of a substantial property right belonging to other property in the same district.

C. That the granting of such variance will not be materially detrimental to the public welfare or injurious to the property or improvements in the vicinity, or in the district in which the property of the applicant is located.

D. That the granting of such variance will be in harmony with the general purpose and intent of this Ordinance.

SECTION 12.11—VARIANCES CONDITIONS MAY BE SPECIFIED
 In granting a variance, the Board of Appeals may specify, in addition to the applicant, such conditions for the preservation of a substantial property right belonging to other property in the same district, which conditions shall automatically invalidate the permit therefor.

SECTION 12.12—VOIDING OF VARIANCES
 Each variance granted under the provisions of this Ordinance shall become null and void unless:

A. The construction authorized by such variance or permit has been commenced within one (1) year after the granting of such variance and pursued diligently to completion; or

B. The occupancy of land or buildings authorized by such variance has taken place within one (1) year after granting of such variance.

SECTION 12.13—VARIANCES, REAPPLICATION
 No application for a variance which has been denied wholly or in part by the Board of Appeals shall be resubmitted for a period of one (1) year from such denial, except on grounds of new evidence or proof of changed conditions found by the Board of Appeals to be valid.

SECTION 12.14—APPEALS, HOW TAKEN
 Appeal from the ruling of the Zoning Inspector concerning the enforcement of the provisions of this Ordinance may be made to the Board of Appeals within ten (10) days after the date of the Zoning Inspector's decision, which shall apply with the Board of Appeals and the Zoning Inspector a notice of appeal specifying the grounds thereof. The Zoning Inspector shall forthwith transmit to the Board of Appeals all the papers constituting the record upon which action appealed from was taken.

SECTION 12.15—WHO MAY APPEAL
 Appeals to the Board may be taken by any person aggrieved or affected by the action of the Zoning Inspector or the Board of Appeals or by the Township, County or State.

SECTION 12.16—FEE FOR APPEAL
 A fee of fifteen (15) dollars shall be paid to the Board of Appeals at the time of filing the notice of appeal which the Board shall pay over to the General Fund of the Township.

SECTION 12.17—STAY
 An appeal stays all proceedings in furtherance of the action appealed from unless the officer from whom the appeal is taken certifies to the Board of Appeals, after the notice of the appeal shall have been filed with him, that by reason of facts stated in the certificate, a stay would, in his opinion, cause imminent peril to life or property, in which case proceedings shall not be stayed otherwise than by a restraining order, which may be granted by the Board of Appeals or by the Circuit Court on a writ of certiorari or writ of prohibition from whom the appeal is taken and upon due cause shown.

SECTION 12.18—HEARING ON NOTICE
 When a notice of appeal has been filed in proper form with the Board of Appeals, the Secretary shall immediately place the said request for appeal upon the calendar for hearing, and cause notices, stating the time, place and object of the hearing to be served personally or by registered mail, five (5) days prior to the date of such hearing, upon the parties making the request for appeal. All notices shall be deemed to have been given when deposited in the United States Post Office addressed to the respective property owners and determination of the Board shown on the last assessment roll of the Township.

SECTION 12.19—DECISIONS OF BOARD
 The Board shall decide upon all matters appealed from within a reasonable time and may reverse or affirm, wholly or partly, or may modify the order, requirement, decision or determination appealed from and shall make such order, requirement, decision or determination in its own name to be made in the premises and to that end shall have all the powers of the Zoning Inspector from whom the appeal is taken. The final decision of such appeals shall be in the form of a resolution containing a full recital of the findings and determination of the Board in each particular case.

**ARTICLE XIII
AMENDMENTS**
SECTION 13.01—INITIATING AMENDMENTS
 This Ordinance may be amended by changing the boundaries of districts or by changing or supplementing any other provisions hereof whenever the public necessity and convenience and the general welfare require such amendment. Said amendment may be initiated by resolution of the Township Board or by petition of one or more owners of property to be affected by the proposed amendment, which petition, in the case of one or more owners of property, shall be filed with the Township Board and shall be accompanied by a fee of fifty (50) dollars, no part of which shall be returnable to the petitioner.

SECTION 13.02—PROCEDURE
 The procedure for making amendments to this Ordinance shall be as follows:

A. Each petition for amendment by one or more owners of property shall be submitted to the Township Board who shall refer it for recommended action to the Zoning Board.

B. After consideration by the Zoning Board, the petition for amendment, including any changes thereto which the Zoning Board deems desirable, shall be submitted at least one (1) public hearing, notice of which shall be given by two (2) publications in a newspaper of general circulation in the Township, the first to be printed not more than thirty (30) days nor less than twenty (20) days before the date of such hearing.

C. Notice of public hearings on any petition for amendment of this Ordinance which proposes to change land use districts as shown on the Zoning map within five hundred (500) feet of the boundary

of adjacent townships or municipalities shall be sent to the Zoning Boards or other zoning agencies representing such townships or municipalities in order that coordination with adjacent zoning ordinances may be promoted.

D. The petition, if approved by the Zoning Board, shall be submitted to the Washtenaw County Coordinating Zoning Committee for review.

E. The petition shall then be submitted to the Township Board by the Zoning Board and acted upon in accordance with the provisions of Section 11 of Act 184 of the Public Acts of 1948.

**ARTICLE XIV
ADMINISTRATION**
SECTION 14.01—ZONING ADMINISTRATOR
 The provisions of this Ordinance shall be administered by the Zoning Inspector, who shall be appointed by the Township Board and shall be subject to such conditions and at such rate of compensation as said Board shall determine. The Zoning Inspector shall for the purposes of this Ordinance have the power of police officers.

SECTION 14.02—ZONING HEIGHT REQUIRED
 Except for agricultural uses of land and accessory buildings specifically used for agricultural operations as permitted in the A-1 Agricultural District, which are hereby exempted from the requirements of this Article, no land shall be occupied or used and no building or structure shall hereafter be erected or altered until a zoning permit has been obtained from the Zoning Inspector. Such permit shall be nontransferable and shall be obtained before any new use is established or work of excavation or construction is begun.

SECTION 14.03—CERTIFICATE OF COMPLIANCE
 Except as otherwise provided, no land shall be occupied or used and no building hereafter erected or altered shall be occupied or used in whole or in part for any purpose, until a certificate of compliance has been received by the Zoning Inspector stating that the proposed use or building complies with all the provisions of this Ordinance. A certificate of compliance shall be applied for at the same time that the zoning permit is applied for and it approved by the Zoning Inspector. It shall be used within ten (10) days after notification from the permittee that the premises are ready for occupancy.

**ARTICLE XV
VALIDITY AND PENALTIES**
SECTION 15.01—VALIDITY
 This Ordinance and the various parts, sections, subsections, phrases and clauses thereof are hereby declared to be severable. If any part, sentence, paragraph, section, subsection, phrase or clause is adjudged unconstitutional or invalid, it is hereby provided that the remainder of the Ordinance shall not be affected thereby. The Township Board hereby declares that it would have passed this Ordinance, and each section, subsection, phrase, sentence, and clause thereof irrespective of the fact that any one or more sections, subsections, phrases, sentences or clauses be declared invalid.

SECTION 15.02—PENALTIES
 Any building or structure which is erected, constructed, reconstructed, altered, converted, maintained or used or any use of land or premises which is begun, maintained, or changed in violation of any provision of this Ordinance, are hereby declared to be a nuisance.

any person, firm, or corporation, or the agent in charge of such building or land who violates, disobeys, omits, neglects or refuses to comply with, or resists the enforcement of any provision of the Ordinance or any amendment thereof, shall be fined upon conviction not less than one (1) dollar, nor more than one hundred (100) dollars, together with the costs of prosecution, or shall be punished by imprisonment in the county jail for not less than one (1) day or more than ninety (90) days for each offense, or may be fined and imprisoned as provided herein. Each and every day during which any illegal erection, construction, reconstruction, alteration, maintenance or use continues shall be deemed a separate offense. The Township Board, the Township Zoning Inspector, the Board of Appeals, the Attorney General of the Township or any owner of real estate within the district in which such building, structure or land is situated may institute injunction, mandamus, abatement or any other appropriate action or actions, proceeding or proceedings to prevent, enjoin, abate, or remove any said unlawful erection, construction, alteration, reconstruction, maintenance or use. The rights and remedies provided herein are cumulative and in addition to all other remedies provided by law.

**ARTICLE XVI
EFFECTIVE DATE**
SECTION 16.01
 The provisions of this Interim Zoning Ordinance are hereby declared to be immediately necessary for the preservation of the public health, safety and welfare and are hereby ordered to become effective upon the date of adoption, as provided by Act 184 of the Public Acts of Michigan, as amended.

The foregoing Interim Zoning Ordinance was adopted by the Township on Dec. 15, 1958.

A copy of the ordinance and zoning map will be on file at the office of the township clerk.

If the fabrics in your child's snow suit are made of man-made fibers, do not let the garment get too soiled. Michigan State University extension home economists recommend that nylon suits be washed often and let dry thoroughly. Also brush a little full strength detergent onto the greasy marks and soil spots before putting the garment in the soda.

 When asked "Why do we take science?" Mr. Cowell replied: "To make us become a more complete person and to become aware of the orderliness that exists in the universe, and to become acquainted with scientific ways of approaching our problems."
 Mr. Hayden was asked the same question and his answer was: "To get a better understanding of our physical world. Also to make our life more enjoyable through an understanding of why things happen the way they do."
