

Women Stage Revolt, Demand Part in Anniversary Activities

DEMAND RECOGNITION—Here are some of the women who "stormed" Chelsea Anniversary Headquarters Saturday afternoon to demand their "rights"—an active part in the anniversary activities. This demonstration was a prelude to a meeting held in the cafeteria at Chelsea High school Tuesday evening, attended by 400 women who formally organized as "Chelsea Belles."

Shown in the photo, from left, are Mrs. Dudley Foster in a costume similar to the one which will be sold in stores here this week-end, Mrs. Merle Leach, Mrs. J. V. Burg, I. Mrs. George

Winans, Mrs. William Van Riper, Mrs. Everett Van Riper, Mrs. Lawton Steger and Mrs. Harry Morgan. Mrs. Steger's costume is approximately 100 years old. Mrs. Everett Van Riper's was the property of the late Bertha Spaulding; Mrs. Winans' was one originally worn by her grandmother; and others were loaned by Mr. and Mrs. Paul Maroney from a collection owned by the former's mother, the late Mrs. Clarence Maroney. Mrs. Morgan, at extreme right, made her own costume from a pattern of an 1850 style.

Organize 'Chelsea Belles' Chapters, Plan Fashion Show for Saturday

Saturday afternoon, beginning at 2 o'clock, Chelsea's newest organization "The Chelsea Belles" will hold a style show in front of Anderson's store. Models will appear on an elevated platform displaying gowns and hats which were the fashion at different periods during the 125 years of Chelsea's history, from 1834 through 1959.

It was pointed out that women in the community who are in doubt as to the type of apparel which will be appropriate for Chelsea's 125th birthday celebration should be sure to attend the style show Saturday.

The kick-off meeting to form the Chelsea Belles organization as a feature of the anniversary celebration was held Tuesday evening at the Chelsea High school cafeteria. The organization was effected as the result of a "revolt" staged on the streets of Chelsea last Saturday afternoon by women of the community.

Led by a German Band group of Chelsea High school students, women dressed in old-fashioned hats and costumes "stormed" the anniversary headquarters building carrying signs demanding that they be permitted to have a more active part in the birthday celebration.

The Chelsea Belles is the female counterpart of the men's organization, the "Brothers of the Brush" which received wide publicity after a painting bee April 18 when the anniversary headquarters building was painted in three minutes and nine seconds.

The ladies will be organized into chapters—much the same as the men, with 10 ladies to a chapter, each chapter to have its own name and elect officers.

Identifying marks for Chelsea Belles will be a fancy bonnet and a membership button (not false beards as rumored). Dresses in old-fashioned styles also will be worn by chapter members.

At the meeting Tuesday night, Mrs. Merle Leach, chairman of women's participation for the 125th anniversary celebration, stressed the fact that the Chelsea Belles offers every woman in the Chelsea area an opportunity to participate in the anniversary celebration and "really" have a "ball."

The first chapters to organize will probably be from local organizations but the greater share will eventually come from neighborhood groups.

Mrs. Dudley Foster, chairman of the Chelsea Belles, outlined the

procedure for organization of the chapters at Tuesday's meeting. Kits were distributed to women who plan to organize chapters. Each kit contains an information sheet, 10 Chelsea Belle pins, membership certificates and a charter.

A total of 44 chapters have already been formed.

Any woman interested in forming a chapter should contact Mrs. Dudley Foster, it was announced after Tuesday's meeting.

It was announced that bonnets and old style dresses will be available at Anderson's, Fashion Shop, Patty Ann Shoppe and Vogel's store this week-end.

At the conclusion of the meeting a style show was presented by the committee featuring dresses worn during the 19th century.

Those who participated included Mrs. George Winans, Mrs. Lawton Steger, Mrs. William Van Riper, Mrs. Everett Van Riper, Miss Ida Dettling, Mrs. Donley Boyer, Mrs. Dudley Foster, Mrs. J. Vincent Burg, I. Mrs. J. Vincent Burg, II, Lowene Rowe, Shawn Spaulding, Molly Foster and Sandra Karner. Anyone having in his or her possession period clothes for men or women is asked to contact Mrs. Merle Leach.

present for the meeting Tuesday evening and Roland Spaulding, general chairman of the anniversary celebration outlined planned activities.

Women at the meeting were enthusiastic in planning for their part in the celebration and it was pointed out that the anniversary celebration activities are in full swing now since "women have thrown their hats in the ring."

Plans of the women's chapters as well as the men's chapters all point toward the final week of the anniversary celebration, July 11 through 18, when special pageant programs will be given nightly.

Safety Patrol Boys

Attend Tiger Game

Approximately 40 safety patrol boys in charge of Elementary School Principal Arthur Schmunk, attended the Detroit Tigers-Washington Senators ball game at Briggs stadium in Detroit last Saturday. They were accompanied by fathers of some of the boys. The trip to the ball game is an annual affair sponsored by the Chelsea PTA in recognition of the work done throughout the year by the patrol boys.

Kiwanis Club Plans for Flower Sale

George Doe, chairman of the Kiwanis club's Mother's Day flower sale, tomorrow and Saturday at Hilltop Plumbing store, assigned club members for work at the two-day sale when he reported final details of the project at Monday's Kiwanis club meeting. Proceeds of the sale will be used for the club's various community service projects.

Guests at the meeting, held in the social center of the Methodist church, were Armand Jewett of Ann Arbor, Joe Stanczyk, Dan Maroney and Loring Bates.

E. W. Eaton was re-instated as an active member of the club. Lowell Davidson, as program chairman, introduced Murray Wandy of Ann Arbor, chairman of the operations committee of the Forney Clement Memorial Foundation project at University hospital, Ann Arbor.

Wandy explained that the project for crippled children was started in 1924 by the Ann Arbor Kiwanis club. Kiwanis clubs in the entire state now help support it.

Year-round teachers are now hired for the work and additional workers assist with the program during the summer.

Volunteers Needed To Help Paint McKune Library

The McKune Memorial Library building has been cleaned and cleared of the debris of remodeling and will be ready for painting beginning next Monday.

Anyone who is willing to volunteer assistance with the painting project may make arrangements to work at their convenience by calling the following Library Board members—Mrs. Fredrick Wagner, GR 5-4001; William Collins, GR 9-4121; or Mrs. E. W. Eaton, GR 9-7761.

It is expected some volunteers will find it more convenient to work evenings while others will prefer to work during the day.

It is hoped to have the painting completed in time so that moving into the new library quarters may be started the first of next month.

Contributors to the McKune Memorial Library Fund this week included Mr. and Mrs. Byron Soule, Mr. and Mrs. J. V. Burg, I. Mr. and Mrs. Russell McLaughlin, Max Ormsby, Modern Mothers Child Study club, Mr. and Mrs. P. S. Armstrong, Mr. and Mrs. G. L. Staffan and son, George, Mr. and Mrs. Louis C. Kindergarten 'Round-Up' Set May 15

The annual kindergarten "round-up" of children who will be entering kindergarten in the fall is scheduled for next week Friday, May 15, according to an announcement by Elementary Principal Arthur Schmunk.

Present kindergarteners will remain at home that day.

Rural prospective kindergartners and their mothers and/or fathers are to attend the "round-up" in the morning, from 9 to 11 o'clock, while those in town should be there from 1 p.m. until 3 p.m.

The sessions will be held at South Elementary school, both kindergarten rooms being used this year.

Adults who accompany the morning group of children will meet in the all-purpose room at 10 a.m. after both children and adults have met at 9 a.m. in the kindergarten rooms.

While the adults are having their meeting, the children will enjoy games under the supervision of high school students who are members of the Future Teachers club.

The same procedure will be followed in the afternoon with adults and children remaining together from 1 p.m. until 2 p.m. and separating for the adult meeting and the children's playground period at 2 o'clock.

Principal Schmunk suggested that parents discuss the "round-up" program with neighbors and friends whose children will be entering kindergarten in the fall and urge them to attend the May 15 "round-up."

Track Team Wins Second At Tecumseh

Last Saturday the Chelsea High track team came up with their finest performance of the season as they finished second in a nine-team field in Tecumseh High school's first annual Invitational Relay Meet.

The Bulldogs won two relays, tied for first in another, placed second in one relay and fifth in another.

The medley relay team of Larry Sohrann (440), Ron Doering (220), Orlie Purvis (220) and Don Sexton (440), turned in a great effort in winning in the outstanding time of 2:39.8. This time is better than the existing Huron League record.

It also compares favorably with a time of 2:38.8 by Class "A" Birmingham which won last Saturday's Central Michigan Relays. The time was also a new school record.

Doering, Sexton and Purvis teamed up with Lorin Keeser to win the 440-yd. relay in 48.3. This time also is a school record as it is the first time Chelsea has ever run the event in competition.

The Shuttle Hurdle relay team, composed of Gary Dault, Robin Wright, Jim Raynard and David

School Election Ballot Contains Proposal To Finance Education for Handicapped

At the annual school election here June 8, electors of the Chelsea School District, in addition to naming two members of the Board of Education, will vote on the question of providing special education services for handicapped children.

All school districts in Washtenaw county will vote on the proposal which would be administered

by the County Board of Education with the co-operation of the state superintendent of instruction and an advisory committee appointed by the County Board of Education.

Children who would benefit are the mentally handicapped, emotionally disturbed, orthopedically handicapped, blind and partially sighted, deaf and hard of hearing, speech defective, brain damaged and homebound.

Approximately 8,000 children, 10 per cent of the total student population of the county, would be affected by the program and, in addition, classroom teachers, freed of the responsibility of the handicapped children, will be able to devote more time to their classes, including the gifted children. Under existing conditions, teachers devote much of their time to helping children who are handicapped.

Under the new program the handicapped children of Washtenaw county would receive, for the first time, the attention they deserve under specially trained teachers in classrooms equipped to meet their needs.

Children needing special programs of instruction or a more protected classroom situation would attend school in their own room but in the same building as other children; however, whenever possible, the handicapped children would remain with their group and receive help from trained teachers in special education.

School districts will develop special education centers, a local district serving children from neighboring districts. The district operating the center will receive reimbursement from the county fund for the difference between their approved claims for the cost of operation and the actual amounts

Brush Brothers Plan To Invade Briggs Stadium

Castro Rebels Accept Challenge For Tug of War

The J.A.Y.C.E.E.S. Chapter of Brothers of the Brush, who last week announced a tug-of-war to be held at Veterans Memorial Park Sunday, May 10, at 3 p.m., have received a challenge from the "Castro Rebels" Brothers of the Brush chapter headed by Louis Birch.

The tug-of-war will take place as scheduled at the creek which flows through the park.

Everyone is invited to come out and watch the event.

Dan Maroney, chairman of the project, has announced that he already has another chapter ready to challenge Sunday's winner for a tug-of-war the following week.

The challengers are members of the Chelsea Suburban Farmers chapter of the Brothers of the Brush.

The Bearded Knights chapter indicated yesterday that its members are prepared to enter a challenge for a future date.

Any chapter wishing to register a challenge should contact the chairman, Dan Maroney, at GR 9-1261.

Chartered Buses Will Transport Group to Stadium

Brothers of the Brush are going to Detroit to a baseball game tomorrow. Or would it be better to say they will invade Detroit?

They will board the buses at the parking lot by the headquarters building. There will be six buses going to the game, one of which will be a direct bus to and from the game, the other five will be slightly delayed after the game.

Buses will put out at 6 p.m. on Friday, May 8 and should arrive at 12th street and Michigan Avenue by 7:30 p.m. There the Brothers will be met by the Detroit Police Dept. who will provide an escort and safe passage to the stadium.

The brothers will be led by the Brothers of the Brush Marching Band composed of Charles Spencer, Bill Blass, Duane Weiss, Howard (Red) Plintoft, Carl Barth, Bill Lubahn, George Knickerbocker, Lyle Walz, Gayle Grove and Bud (Red) Wilson. The band will be followed by more than 200 Brothers, who will march from 12th street, down Michigan Avenue to Briggs Stadium. There they will

More than 35 students at the Chelsea High school have taken the National Merit Scholarship Qualifying Test. Mr. Charles Lane, principal, announced today. The test was administered at the high school at 9:00 a.m., Tuesday, April 28.

Testing was conducted in the new high school library under the direction of Mr. Bergman, guidance counselor. The test is the first step in competition for Merit Scholarships provided by some 90 corporations, foundations, professional societies and individuals, as well as by the National Merit Scholarship Corporation itself. Some \$15 million in Merit Scholarships has been awarded in the first four years of the program.

The National Merit Scholarship Qualifying Test is a three-hour measure of educational development and college aptitude. Emphasis is on broad intellectual skills, and on understanding and ability to use what has been learned, rather than on sheer knowledge of facts.

Some 10,000 Semifinalists, the highest scorers in each state, will be named early next fall. Each Semifinalist will take a second examination. Those who repeat their high performance on the second examination will become Finalists. Further evaluation of their grades, citizenship, and extra-curricular achievements will follow, and the winners will be announced in the Spring of 1960.

The test results will be reported to all participating schools before the beginning of the senior year, in time for use by seniors and their class advisors. The scores may also be used in many high schools to help students make decisions about college and the most appropriate courses to major in. Many students throughout the country who do not expect to win have registered for the test, in order to learn more about their individual strengths and weaknesses.

The test has been constructed

by Science Research Associates of Chicago, and will also be scored and reported by the testing agency.

Each Merit Scholarship carries a stipend based on the need of each individual winner, and is renewable annually without further competitive examination. The average stipend in past years has been \$700 per year. The minimum award in the 1959-60 program will be \$100 a year and a maximum will be \$1,500 a year.

The chorus spent a wonderful day in Kalamazoo making many new friends as well as gaining an unforgettable experience in singing with other chorus groups from all over central Michigan.

They enjoyed the scenery during a two-hour ride to Kalamazoo, April 22, and at 11:30 after an hour of practice they had a filling lunch, followed by free time when they toured the campus or points of interest in Kalamazoo. Rehearsals were scheduled both morning and afternoon; the program was at 8 p.m. They returned a little before midnight with a sung-out, tired and hungry group of kids, who all said "it was worth the effort."

Since then, they have labored mightily to be ready for the spring concert last Friday. Everyone was invited without fee.

Journalism club made a carefully considered list of qualities and skills which might be desirable, or which might increase the efficiency of an editor of the combined BULLDOG BARKS and HI-LIGHT. They then nominated juniors: Matt Murphy, Kathy Stephens, and Polly Willis, and sophomores Tassy Cavadas, Jill Barkley, Ruth Prentice, and Linda Burghardt.

Winners were Jill Barkley and Tassy Cavadas, who will attend a two-week session at MSU to increase their skills and broaden their knowledge of Journalism so that they may be more efficient editors next year.

The high school girls physical education classes have just com-

pleted a unit of the modern dance, which ended with a composition to music given by each girl, with or without a partner. Testings of dance forms continued throughout the first of the week.

Starting Wednesday, April 29, the girls started fundamentals of tennis. They do this indoors, because the tennis courts are not yet ready for use.

After considering the present balance in the Student Council treasury, which is \$207.01, the motion was to keep a minimum of \$205.00 in the treasury was passed. This was added as an amendment to the constitution.

It was decided to leave the handbook project up to next year's council because of the lack of funds.

Tom Dunlap reported that Mr. Lane has okayed the use of the gym balconies for noon dances. They will begin as soon as a chaperon can be obtained.

Dave Rowe will contact Pat Merkel to see about buying a popcorn machine for the new school.

Sophomore world history classes are studying about Yugoslavia and Tito, Poland, the Balkans, and Finland now. They have also started working on term papers which are due May 22.

Sophomores in the geometry class are learning proportions and proportional line segments.

English classes are reading stories in their literature books and discussing them in class.

They are planning to hold a car wash, May 23 at Hankard's Service. Student Council has approved their plans.

Tom Dunlap and Daryl Keezer

are setting up schedules for the sophomores to work. The boys will be washing the cars and the girls will sweep them out.

Librarians from Dexter, Manchester, Napoleon, Clinton, Ann Arbor High, and Northwestern Queens (Jackson) were recent guests at the high school library. They met to discuss "problems and practices in small school libraries." Each of these librarians commented on our fine new school and efficiency and spaciousness of the library.

Mrs. Arthur White was wrongly reported as having worked in the library as a volunteer. Mrs. Chester White should have been named.

The seniors held a meeting Wednesday morning, April 29, under the direction of Earl Heller vice-president, in which they discussed a "skip" day. One day has been set aside in the near future and a committee elected by the class was instructed to make plans and establish costs of an all-day picnic.

Barbara Hoffman, Larry S. McKeen, Bob Eder, Anita Eisenmann comprise this committee, with Sharon Slane acting as chairman. Sandy Fraser reported that her committee (to look into further expenditure of the surplus in the class treasury) had taken no action, but it was suggested that perhaps an electric popcorn popper be purchased for the senior stand next year.

During the meeting, commencement announcements were passed out to the class. Seniors are requested to pay for their announcements in their home rooms fairly soon.

Sunday Is Special Day Set Aside To Show How Much We Love Mother

Since the year 1907, the people of the United States have been observing the second Sunday in May as Mother's Day, with appropriate services in the churches of the land, where individuals are accustomed to commemorate holy things.

In 1914 Congress designated the day which is widely observed in other countries, as well as our own. It differs from the earlier celebrations of ancient peoples whose festivities did not carry the same sense of appreciation for individual mothers.

Words of man are incapable of expressing proper appreciation of the unselfish and devoted life of good mothers, and it is given to most children to revere and appreciate their own mother as the noblest expression of this intimate human relationship.

Mother's Day is, of course, commercialized, as is Christmas and most of our holidays. We regret this, and think it is a poor practice.

Nevertheless, we welcome the observance of Mother's Day, once a year, and think that those fortunate enough to have a mother living, and a Christian, loving mother, have the finest blessing in the world.

Cancer, Heart Disease Research Makes Good Place for U. S. Aid

If ever there was a case for U. S. aid—more important than foreign aid—more important than many domestic needs—it is the need for increased federal effort to solve the grim mysteries of cancer and heart disease.

An Oregon Senator, Richard Neuberger, voiced this opinion recently when he returned to the U. S. Senate after a long bout with cancer—which he has apparently licked. Neuberger says his cure was made possible by research in recent years, but that only a relatively small effort is underway to defeat this dreaded disease.

The cancer problem alone might affect as many as 40 million Americans now alive before they reach the end of their normal lifespan. Thus any progress, the saving of any lives, would be a great stride forward for the United States—and the world.

Yet we spend much more on many other things. The total amount spent for cancer research, by both the government and private organizations, amounts to only one-fortieth of what we spend on military preparedness in one year. We need not reduce our defense effort, but we should certainly find some way to do more in the battle against cancer, and heart disease.

As long as the federal government has money to spend on every conceivable plan that comes along, it seems, we feel they should do more for research on these two dread diseases. Progress achieved would more than pay for itself in lives and man-hours saved, not considering the humanitarian factor. Money spent on such a project would be one of our wisest investments.

★ MICHIGAN MIRROR ★

By Elmer E. White, Secretary, Michigan Press Association

Recovery from economic ill of the past year is being demonstrated by gradual increases in personal income. And Michigan looks good.

Individual income increased 7.6 per cent during February, the last figures available, compared to the national average increase of seven per cent.

Thousands are still unemployed, though the number is being reduced every month.

All states showed a spurt toward recovery except Arkansas.

Michigan's total personal income for the month was \$1,410,600,000.

Nevada had the largest increase in the nation, 14.96 per cent. This was attributed to the rise in non-manufacturing business, mainly desert resorts and tourism.

Increases in industrial states, including Michigan, were related to higher wages, rather than more jobs.

The reports from national sources stir up lurking fears of organized labor about automation. Labor leaders charge that thousands of workers laid off in the past year will have no jobs to return to because their places have been taken by machines. Members of the legislature point to the increased unit-production figures of automobile companies in Detroit and the fewer number of employees.

Alaska, the 49th state, was one of the losers in the report, showing a 4.8 per cent reduction in personal income for the survey period.

Federal surplus foods are coming into Michigan in greater volume than any other state.

Current figures show that 539,385 persons are receiving in free food, which is made available to direct relief clients to supplement the diet.

Other portions of the shipments go to public institutions and school lunch programs. Michigan took more than 10 per cent of the total of Federal surpluses in 1958.

★ How Are Your Brakes?

A young boy, who was apparently just learning to ride his bicycle, met me one day on the sidewalk, and as he passed he muttered, "I don't have any brakes." This remark seemed to be intended as a warning that I had better keep out of his way, because he couldn't stop if he wanted to.

It's a good thing to move forward, and also a good thing to be able to stop when necessary. A banker is glad to lend money to someone who knows when to stop buying furniture.

An engaged couple are to be congratulated if they know when to make love and also when to stop making love.

Prepaid hospital insurance is a good thing, but we'll soon price it out of our reach if we don't learn when to stop using it. Jim Breckenridge was saying the other day that he thinks the Blue Cross plan would be improved if it didn't cover the first day of hospital care. If a person had to pay for his first day in the hospital himself it wouldn't bankrupt him, but it would keep him from going to the hospital needlessly. Jim thinks this would keep the cost of Blue Cross down, and I think he's right.

It is a good thing for laboring men to demand high enough wages, and a good thing if they know when to apply a brake to their demands. If they get too much, prices go too high, people stop buying, and the whole economy is hurt.

It is right that framers should have a fair price for their products, and it is right that they should stop asking for more, if a fair price is offered.

Auto makers should produce cars powerful enough to take us where we want to go at a proper speed. But unless they stop increasing the horsepower, our cars will be more suitable for race tracks than for public highways.

The ability to start and the ability to stop are indispensable qualifications for investing in the stock market or for making a success of daily life.

MYSTERY FARM NO. 53, published in last week's issue of The Standard, is the home of Mr. and Mrs. Emerson Lesser at 4401 Musbach road.

Mr. and Mrs. Emerson Lesser are the owners of Mystery Farm No. 53, originally pictured in the April 30 issue of The Standard for readers to identify.

Located at 4401 Musbach road, north of Cavanaugh Lake road, the farm home was built by the Lessers 13 years ago when they bought the property from Mr. and Mrs. Glen Allen. The original house had burned down some years ago while a Mrs. Weber lived there. The farm is 60 acres in size.

The Lessers have since purchased an additional 117 acres on Cavanaugh Lake road which Lesser and George Steele work together. Steele lives on the 175-acre farm located at 17860 Garvey road

which the Lessers still own and which was their former home.

The Musbach road farm was formerly known for some years as the Rudolph Hoppe place.

The Lessers have been active members of North Sylvan Grange and the Chelsea Community Farm Bureau. Mr. Lesser was a member of the IOOF Lodge here for many years and Mrs. Lesser is a member of Rebekah Lodge, of which she is a past noble grand. The Lessers are also members of the Hi-Neighbor club.

They have one son, Melvin, and a grandson, Jerry. Melvin's wife is the former Catherine Steele, a daughter of George Steele and the late Mrs. Steele. The Melvin Lessers formerly operated a store in

Chelsea but now make their home in Munnich.

Those who correctly identified the Lesser farm are Allen Braesamle, Charles Curtis, Mrs. Emerson Lesser, Mrs. Charles Willoughby, Judy Woolley, Mrs. Carl Sanderson, Arthur Paul, Ruth Ann Sexton, Elwin Barth and John W. Steele, Jr.

In time of sickness you want—and demand—the best of care. But do you know that much of this care must come from yourself?

Too many people consider that a doctor's advice is something to be taken or ignored—depending on how they feel at the moment. These people do not receive the fullest benefit from their physician's attention.

Care begins when you conserve your strength and follow your doctor's orders. Keep him accurately informed about your condition; take your medicines according to directions; and follow his instructions carefully. By so doing, you become a good patient, one who gets the greatest possible benefit from the care he receives.

Bring your doctor's prescriptions to our Pharmacy to be filled by our highly skilled personnel.

From where I sit... by Joe Marsh

Call it—

"Helping Bud to Blossom"

When his wife left on a visit, Bud Harper promised to take care of her potted plants. He moved them out to the porch where he'd be sure to see them—and then forgot them.

Week later, Mrs. Harper asked about the plants in a letter. Bud rushed out, expecting to find them dead. But they were in perfect shape—even the pots had been rearranged.

Naturally, Bud was mystified. Then he found a note on one of the plants: "We'll lose this one unless you put Am-

monium Sulphate on it. Pete."

(He's the milkman.)

From where I sit, "neighbors' illness" is a wonderful thing, particularly when it's put into practice every day. This week, for example, why not have some neighbors in for a glass of beer or a cup of coffee? (Serving them their preference in beverages—that's "neighborliness" too.)

Bands Present Concerts at Manchester, Lincoln High

Tuesday morning the Chelsea Senior Band traveled to Manchester High school for an assembly program. Featured soloists were Carol Cameron on bass clarinet and the drum quartet which consisted of Donald Atkinson, Ted Wilson, Donna Sherman, and Terry Miller. Robert Smith was the announcer for the program.

The Dixieland ensemble also was featured in a special number with band accompaniment. Sharon Smyser, Eddie Lauson, Carol Reddeman, David Talbot, Peter Flintoff, and Ted Wilson make up the Dixieland ensemble.

After stopping at a roadside park for a picnic lunch, the members continued on to Mercywood Sanitarium where they presented an identical program for the patients and nurses there at 2 p.m. Everyone arrived back in Chelsea just in time to board their buses for home.

The Chelsea High School band will present a return assembly concert for the Chelsea High students in the very near future. The purpose in these exchange concerts is to foster a feeling of good will between students of the participating schools.

The Junior Band left today for the Lincoln Junior High school where they were invited to present an assembly concert for students there. The concert trio was to be featured, consisting of Gordon Beaman, Curtis Farley, and Victor Parks.

Also, a novelty number, "Crime Does Not Pay," was presented along with other marches, popular and classical compositions. Chaperons for the

trip were provided by the Band Boosters. The Lincoln Junior Band under the director, Robert Beiderwolf, will present a return concert for the local junior high next Thursday, May 14. This marks the Junior Band's first trip, and we are certain that it was a thrilling experience for everyone concerned.

School Proposition . . .

(Continued from page one)

received from the state appropriations for special education. For every dollar invested locally in terms of teachers and number of children educated under the proposed plan, approximately \$3.00 will be forthcoming from school aid funds from the state. The county fund will also pay for rooms and equipment.

It has been estimated that the cost to taxpayers will amount to approximately five cents per week on property with a state equalized valuation of \$5,000.

The ballot for the proposal will read as follows: "Shall the County School District of Washtenaw county, state of Michigan, come under the provisions of Sections 899-927, inclusive, of the School Code of 1955, which are designed to encourage the education of handicapped children; provided, that an annual property tax levied for administration shall be limited to one-half (1/2) mill?"

Anyone who is a qualified school elector in his own district may vote on the question. Property ownership is not a requirement.

Co-Operative Nursery Delegates Will Attend Annual Conference

The Michigan Council of Co-operative Nurseries, in co-operation with Michigan State University, has scheduled its annual conference for May 11-12 at Kellogg Center in East Lansing.

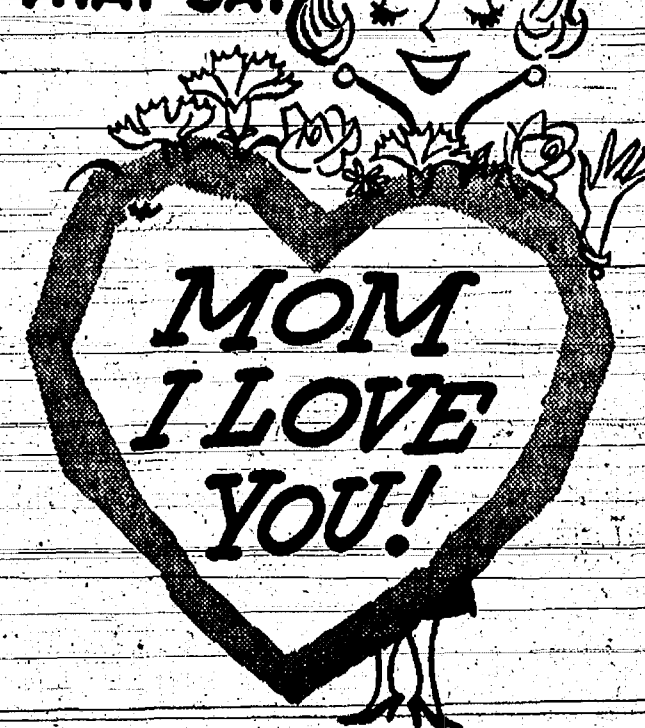

For the eighth consecutive year, mothers and teachers of more than 110 member nurseries, professional educators and interested visitors will gather to discuss the various facets of the co-operative nursery movement. More than 500 people from throughout Michigan and neighboring states are expected to attend the conference.

The featured speaker this year is Dr. Evelyn Mills Duvall, noted author, lecturer and educator in the field of family and human relations. Her books include "Family Living" and "Facts of Life and Love." As a family life consultant, she gives her time and services to college, university and community programs across the country. Track Meet . . .

(Continued from page one)

McLaughlin ran a dead heat with Lincoln, consolidated to share first place in the time of 1:08. This time being another new record for the Bulldogs.

The Bulldogs scored their fourth relay victory of the afternoon when the 880-yd. relay team of Larry Schramm, Robin Wright, Loren Keezer and Dalice Ferris turned in a school record time of 1:38.4. Their effort was good for second place as Lincoln won the event in 1:38.2.

The final relay points for Chelsea were earned as the 2-mile relay of Pete Flintoff, Stan Hand, Dave Fraser, and Larry Catell placed fifth.

In individual events the Bulldogs set two more school records as Fritz Wagner topped 40 ft. for the first time at 40 1/2. His effort was good for fourth place.

David McLaughlin set a new high hurdle record of 18:19 in the preliminaries of his event. In the final he placed third.

Jim Maynard going 5'11" tied for third in the high jump. While not a record, it was Jim's best effort of the season. In addition, Dalice Ferris placed fifth in the broad jump with a leap of 18'11", his best effort of the year.

In all the Bulldogs turned in quite a performance as they set six school records.

Because of the limited size of the squad, there were three events the Bulldogs couldn't enter because of the limits placed on the number of events a boy may enter; hence the Bulldogs trailed talented and deep Lincoln Consolidated in the final scoring, 99-46.

Following are the team scores of the nine squads entered: 1st—Lincoln, 60; 2nd—Chelsea, 46; 3rd—Boysville, 43; 4th—Ada, 39 1/2; 5th—Saline, 30; 6th—Addison, 19 1/2; 7th—Onsted, 10 1/2; 8th—Morenci, 13; 9th—Pinckney, 11 1/2.

led by Mrs. Paul Boehler of Chelsea, state area coordinator for the Huron Valley Council.

Films, exhibits and local nursery visits are scheduled during the two-day conference. Council publications will be available and "take-home" booth will be in operation for the purchase of materials for the nursery or presents for eagerly waiting children at home.

From the Chelsea area, those attending the two-day conference will be: Mrs. Raymond Schairer, nursery school teacher; Mrs. Floyd Way, Mrs. Alan Conklin, and Mrs. Paul Boehler.

Going for the workshops and luncheon on Tuesday will be Mrs. Charles Powers, Mrs. William Chandler, Mrs. David Soule, and Mrs. Charles Trinkle.

Painting Bee Picture Published In Tokyo Paper

Mrs. Roberta Oakley of Stockbridge, who is employed at Stockwell-Standard Corp. here, received a letter Monday from her son, Robert Oakley, Sp-4, stationed in Japan. He enclosed a clipping from a Tokyo paper showing the picture of the April 18 painting bee at Chelsea's 125th anniversary headquarters building when "Brothers of the Brush" painted the entire building in three minutes and nine seconds.

Oakley has been overseas 18 months and recently enlisted for an additional year of service. His wife is with him in Japan.

In a postscript added to his letter he said it seemed good "to see a picture from back home" while he was so many miles away.

During the past week Chelsea residents had received clippings of the picture from widely scattered points in the United States but this is the first indication that the picture has appeared in a foreign newspaper.

The city of Mobile, Alabama, was founded by the French in 1711.

Extension Groups Achievement Evening Scheduled May 11 at Ann Arbor High

Home Economics Extension Achievement evening will be held May 11, at 8:00 p.m. at Ann Arbor High School Auditorium, West Stadium Blvd., Ann Arbor.

Mrs. Kenneth Van Buren, Home Economics Extension Council Chairman, will preside at the program.

Program highlights include the 4-H dress revue presented by the honor group from 4-H Spring Achievement and narrated by Mrs. Walter Wolfgang; 4-H county clothing committee; short talks highlighting the County Extension program by Donald R. Johnson, county extension director, W. A. Dexter, county extension agent, agriculture, Emil L. Pimlinger, county extension agent, 4-H, Anna E. Brown, county extension agent, home economics, and Clayton Parr, chairman of County Board of Supervisors. The Chipmunks—a skit by the Foodlick Extension group, and exhibit awards.

Principal speaker of the evening is to be Dr. Frederick G. Alexander, assistant professor of speech, Michigan State University. His topic, "You Don't Mean To Tell Me" is an entertaining talk about the need for clear communication.

A hospitality hour will follow the program, coffee and cookies to be served by the Home Economics Council and the Past Chairmen's Club.

Exhibits by various Home Economics Extension groups will illustrate the Home Economics lessons which the groups have taken during the year. Awards will be given to the five best exhibits.

Extension members are inviting their families to accompany them to the program.

The public is invited to the program to enjoy a good speaker, and to become better acquainted with the Extension Home Economics program.

Mrs. Virgil Hines and Mrs. Elliot Lounsbury of Chelsea; Mrs. Walter Mast, Dexter; and Mrs. Ray, Grand Jacob of Grass Lake are serving on the refreshments and decorations committee.

There are 68 Home Economics Extension Groups with 1,032 members, participating in this educational program in Home Economics.

be met by Doc Fenkell, public relations director for the Detroit Baseball Co. Mr. Fenkell is arranging for the press and photographers to be on hand.

Three of the members of the Brothers, George Palmer, Ron Eder and George Winchester, Jr., will be taken out on the field to meet the new manager of the Tigers, Jimmy Dykes, in front of the dugout. They will present Jimmy with a membership badge and certificate to the Brothers of the Brush, as well as one of the anniversary hats. (It has been rumored that Dykes may be sporting some type of facial foliage for the occasion.)

While this is going on, Van Patrick in the radio booth will be telling his listening audience about Chelsea's 125th Anniversary Celebration.

The committee urges everyone who is attending the hall game to come appropriately attired, with the hats, ties, badges and any other type of dress they may want to wear such as canes, vests, etc.

MORE INDIANS
Cincinnati—There are more Indians in the Cincinnati area now than 200 years ago.
Dr. L. Mahoney, director of the Cincinnati office of the Bureau of

Indian affairs, said there are now 850 Indians in the area. The Indian population in 1759 consisted only of those persons living in seven or eight cabins at the mouth of the Little Miami river.

WHAT MAKES AN OLDS RIDE SO WELL?

SUPER 88 HOLIDAY SPORT SEDAN

Only Olds gives you both...

GUARD-BEAM FRAME PROTECTION AND WIDE-STANCE CHASSIS CONSTRUCTION

Come in and see for yourself! The sturdier design of Oldsmobile's Guard-Beam Frame is clearly shown on this miniature model.

Take a trial drive in a '59 Olds! Discover how the 9-inch wider frame makes Olds smoother, steadier, more sure-footed... more stable on turns. You'll find steering more responsive, too!

It all starts with a 9-inch wider frame... Oldsmobile's exclusive Wide-Stance Chassis!

When it comes to designing an automobile for superior riding qualities, the key engineering word is *balance*.

That's why Oldsmobile brings you the Wide-Stance Chassis—plus an exclusive frame construction with the best stability and security factors of both "X" and cross-member construction. There are stabilizer bars front and rear.

Big, smothering front coil springs team up with wide, splay-mounted leaf rear springs that automatically dampen road shocks. And the springing system is further assisted by direct-action, outboard shock absorbers.

But for you, the important thing is the result! You've heard of smooth, road-hugging rides before... but you actually have to drive a '59 Olds to experience the marvelous difference in its ride. Now that it's Spring... why not join us and take that ride?

Assembly of God Plans To Observe Pentecost Week

"Pentecost Week" May 11-17, will be observed at the Chelsea Assembly of God church, 118 South Main Street. The Rev. J. J. Traub, pastor of the Garden City Assembly, will be the speaker at the nightly services held at 7:30.

"Pentecost Week" is in observance of the Day of Pentecost in the New Testament. Here the disciples of Christ found a deeper walk with God by allowing the Holy Spirit to dwell in their hearts in a new and separate experience - apart from salvation. This experience accounts for the phenomenal growth of the Assemblies of God, and will be stressed during this special week of services. Everyone is invited to attend.

DEATHS

Mrs. Warren Alexander
Dies Tuesday at Her Home Near Lansing at Age 34

Mrs. Warren Alexander died Tuesday afternoon at her home on Reynolds road, at Haslett, following a long illness. She was 34 years old.

She was the former Betty Braenard, daughter of the Rev. and Mrs. Grover Braenard of Lansing. Survivors, in addition to her husband and parents, are two daughters, Sandra and Linda, and two brothers, Kenneth and Philip Braenard.

Funeral services will be held in Lansing where arrangements are being made by the Goresline-Rundman Funeral Home.

Mrs. Gerhart Lesser

Dies Early Monday at Nursing Home in Chelsea

Mrs. Gerhart Lesser of 11790 Island Lake road, Dexter township, died early Monday at Colonial Manor Nursing Home where she had been a patient since Friday. She had been in failing health for several years.

Mrs. Lesser was the former Martha Messner, a daughter of John and Christina Messner. She was born in Freedom township, July 27, 1877. Her marriage to Mr. Lesser took place in Chelsea, Jan. 24, 1901.

Mrs. Lesser was a member of St. Andrew's Evangelical and Reformed church at Dexter and the Women's Guild of the church. Survivors are her husband; a son, Alton Lesser, at home; two daughters, Mrs. William (Gore) Beach and Mrs. Reuben (Hilda) Lindemann, three grandchildren and three great-grandchildren; and several nieces and nephews.

Funeral services were held at 2 p.m. Wednesday at the Keefe Funeral Home in Dexter, with the Rev. P. H. Grabowski of St. Paul's church officiating in the absence of the Rev. Donald M. Eaton of St. Andrew's church.

Burial took place in Forest Lawn Cemetery, Dexter.

Dinner guests Sunday at the home of Mr. and Mrs. Sumner Osterle in observance of the first birthday of their son, Donald Glen, and the fourth birthday of Mrs. Osterle's sister, Leslie Hall, included Mr. and Mrs. Lester Hall and daughter, Leslie, of Grass Lake, Mr. and Mrs. Robert White and Mrs. John Osterle. Afternoon callers were the Rev. and Mrs. M. G. Osterle and children of Shelby, O.

Stone Mountain is a massive dome of muscovite granite in Georgia, and is said to be the largest in the world.

Four Seek Election to School Board

A petition is being circulated to place the name of Howard Flintoff on the ballot to succeed himself as a member of the Chelsea School District Board of Education. Presently serving as secretary of the board, he will have completed two three-year terms in office when his term expires next month.

Other candidates for whom petitions are being circulated are Stuart R. Becker, W. R. Guest and Luther Kystner.

Since only two board members are to be elected this year, petitions of only two candidates may be signed by the individual electors.

The annual school election in the Chelsea School District will be held Monday, June 8.

After this year all fourth-class school districts (which includes the Chelsea District) will be required to have a school board consisting of seven members and the term of office will be four years instead of three, as at present.

The bill to this effect, passed by the legislature and recently signed by Gov. G. Mennen Williams, reads as follows:

"After the annual election of annual meeting in 1960, the board of all fourth class school districts operating as a 3-3-3 district through 12 shall consist of 7 members. At the annual election or annual meeting in 1960, the voters shall elect by ballot for a term of 3 years successors to the members whose terms of office shall expire. At the annual election or annual meeting thereafter, the voters shall elect for a term of 4 years successors to the members whose terms shall expire. After the rotation is established, not more than 2 members shall be elected in any one year to fill vacancies occurring by expiration of terms."

Sue Eisenbeiser Chosen for 2-Week Canadian Campout

Sue Eisenbeiser, a member of Chelsea Girl Scout Troop No. 71, known as the Mariners, has received an invitation to attend a two-week campout near Amerby, Ontario, Canada, this summer in recognition of being chosen as one of 16 girls in the Huron Valley Girl Scout Council as alternates for the National Girl Scout Senior Roundup in Colorado, July 1 through 12.

The alternates, as well as the 40 girls officially chosen to go to the round-up, have been attending preparatory training classes since last December. The camp trip is a reward for being chosen an alternate and for attending the training session.

Sue Eisenbeiser is fifth on the list of alternates and will not know until the last minute if she will be needed to replace one of the original choices for the round-up. If she should happen to be called upon to attend the round-up she will automatically forego the campout.

Booker Attends Budget Sessions of State United Fund

Stuart R. Booker represented the Chelsea Community Chest at meetings held in East Lansing Tuesday and Wednesday to determine how much money will go to support state and national health and welfare agencies serving the various communities.

Booker is a member of the Michigan United Fund Admissions and Budget committee, composed of 50 community leaders who hear budget requests of 33 state and national health and welfare agencies which will be supported through contributions to united community campaigns next fall.

R. Duncan Hole Sentenced on Charge of Mortgage Frauds

R. Duncan Hole, former mortgage company operator, and two of his former employees, were sentenced Wednesday on charges stemming from mortgage frauds, some of which occurred in this area. Hole was found guilty in Federal Court, Detroit, last January.

He was sentenced to three years in prison on each of two indictments. He currently is serving a term in Southern Michigan Prison at Jackson. The two federal sentences will be served concurrently with the 7 1/2 year sentence he received last October in Washtenaw county circuit court.

He was charged with aiding in misapplication of funds and filing false reports with the Federal Home Loan Bank Board. Glorienne Buday, a saleswoman, and Margaret Craig, a secretary, former employees of Hole, were given two years probation.

Mr. and Mrs. Alvin Jedele and family, of near Saline, and Edwin Beutler, spent Sunday afternoon and were supper guests at the home of Mr. and Mrs. Albert Fink at Rives.

Argus Cameras Lays Off 90 in Plan To Lower Costs

Argus Cameras Division at Ann Arbor notified approximately 90 employees, primarily in salaried positions, that they are to be laid off, Richard J. Caley, industrial relations manager, announced last Thursday.

Some of the 90 were laid off Friday and the remainder will be laid off later this month and in June, according to the announcement.

The layoffs are for the purpose of reducing operating costs in an overall plan which will result in lower price tags on certain cameras. The lower prices are aimed at foreign competition from countries with low labor costs.

Argus Cameras, a division of Sylvania Electric Products, Inc., now employs about 750 persons.

Cub Scout Kite Flying Contest Set

Cub Scouts will have a kite flying contest Saturday afternoon on the Silas Hopkins property west of Weinberg Dairy, off Old US-12. It was announced this week by Herbert J. McKune Post No. 31, the sponsoring organization. Ray Lutovsky, the post commander, is chairman of the project.

Prizes will be awarded for the kite that flies the highest; the kite which remains in the air longest; and for the best looking kite made by a Cub Scout.

Home-made or ready-made kites bought by Cub Scouts are eligible for entry in the contest.

The kite-flying contest is scheduled to begin at 1:30 p.m.

Larry Schramm Wins Jaycee Road-e-o Event

Cecil Cobb, general chairman of the Jaycees-sponsored teen-age road-e-o event, held here April 25, announced names of the winners this week.

Larry Schramm, first place winner, was awarded a government savings bond and a plaque as his prize, while the second and third prizes consisting of merchandise prizes and certificates, went to Pat Merkel and John Moehan, respectively.

The road-e-o, which stresses driving skill, rather than speed, was held on Chandler street.

Schramm will be taken to Midland, June 6 to participate in state competition. The state winner becomes eligible for a trip to Washington to participate in the national teen-age road-e-o. The national winner receives a \$4,000 college scholarship.

Twenty-three cars participated in the local event April 25.

Cub Scout Pack No. 125 met at Chelsea South Elementary school

Thursday, April 30 at 7 p.m. The theme of the meeting was "Down on the Farm."

Mrs. William Freeman's Den No. 3, conducted the flag ceremony. Cubmaster, W. J. Grossman, conducted the parents' presentation of Bob Cat pins to those boys completing their registration certificates of Den 5, Den 9 and Den 10.

Mrs. Paul Morley was introduced as the new Den Mother chairman. Three new committeemen were introduced: Maynard G. Poertner, LeRoy Gray and Francis T. Wolchowski.

Committeeman Charles Spencer announced there would be a kite flying contest Saturday, May 9 at 1:30 p.m. on the Silas Hopkins property west of Chelsea on Old US-12.

The annual June Pack outing was announced by W. J. Grossman and Robert Shears.

Mrs. Erle Brady's Den 6, dressed as farm animals, put on a skit "Down on the Farm" and sang "Old MacDonald Had a Farm."

Mrs. Philip Rusten's Den 9 put on a skit "Story of Dairy Products."

Conservation exhibits made by Mrs. Herbert Lindow's Den 4, Mrs. Lawrence Boyer's Den 6 and Mrs. Philip Rusten's Den 9, were on display.

Waterloo EUB Church Will Observe 25th Anniversary Mother-Daughter Banquet

Mrs. Dorothy Riess, head resident at Dole Hall, Olivet College, will be the guest speaker at the 25th anniversary Mother and Daughter banquet of the Waterloo Village church. The banquet will be held Friday evening, May 8, at 7 p.m., in the schoolhouse next to the church.

Mrs. Gorton Riethmiller, wife of the president of Olivet College, will introduce Mrs. Riess.

Formerly dean of women at Southern Union College in Alabama, Mrs. Riess had been active for many years in service work for the YMCA, the USO and more recently, for the Congregational Christian Service Committee to select displaced persons for resettlement in the United States.

Mrs. Riess spent 14 years between World Wars I and II working with her husband in the program of the YMCA in Europe, principally in Germany, Czechoslovakia and Greece. When World War II broke out, they worked with the USO in the Pacific Northwest and Hawaii.

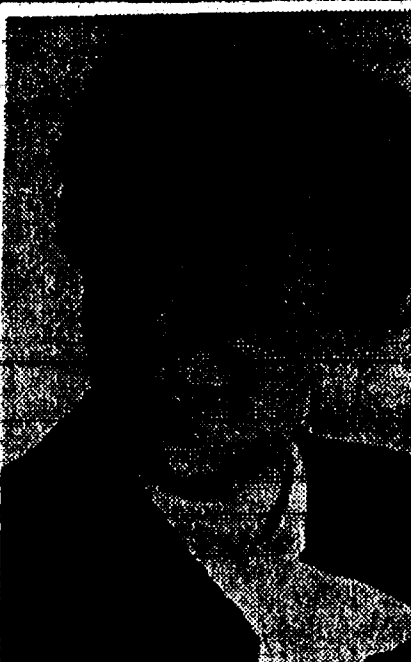

Since her husband's death in 1946, Mrs. Riess has been overseas for the re-settlement project of the Congregational Christian Church—Service Committee and toured the United States speaking for this work. Later, she spent some time in Athens, Greece, and in Egypt.

Mrs. Riess is an international honorary member of the non-academic sorority, Beta Sigma Phi.

In addition to the talk by Mrs. Riess, the banquet program will include a toast to the mothers by Marjorie Ferris and a response to the daughters by her mother, Mrs. Dale Ferris.

Also included will be a vocal duet by June and Virginia LeVan; a piano selection by Mrs. Nelson Prentice; and readings by Mrs. Wilbur Beaman.

As a special observance of the

MRS. DOROTHY RIESS

25th anniversary of Mother and Daughter programs at the Waterloo church, Mrs. Walter Vicary will give a resume of the tea, banquet and other events held there annually.

Mrs. Donald Beaman will present gifts to certain honored mothers and daughters present.

Mrs. Leigh Beaman is general chairman of the anniversary banquet and Mrs. Annabelle Woolley is program chairman.

Entry Deadline May 22 on Contest To Name Pageant

It was announced this week that the deadline for submitting names in the contest for a title for the 125th Anniversary pageant, July 14-16, has been extended to May 22.

An entry form is printed on page 7 of this issue of The Standard for the convenience of those who wish to submit a title. It was pointed out that the title should be descriptive of the Chelsea of the past and present since that is what the pageant will portray.

Entries should be mailed to Anniversary Headquarters.

New Children's Records Listed at Public Library

New records in the Chelsea Public Library include two albums of square dance music.

New children's records available are "Aesop's Fables," by the Hanky Pank players; "Rosemary Cleary Sings for children," by Peter Pan, by Walt Disney; "Bambi," recorded by Shirley Temple; "Captain Kangaroo's Songs and Dances," by Bob Keeshaw; "The Adventures of Kit Tin Tin," and "Hans Christian Anderson," Danny Kaye.

MAYTAG AUTOMATIC WASHERS

with the FIRST LINT-FILTER AGITATOR

★ EXCLUSIVE UNDERWATER LINT FILTER
Works under water, where the lint is. Filters during wash and rinse cycle. Gets rid of more lint than ever before possible. And you NEVER have to remove filter to load or unload the washer.

★ NEW AUTOMATIC DETERGENT DISPENSER
Just pour in the detergent, dispenser does the rest automatically! Sprays fully dissolved detergent into wash water. No half-dissolved detergent on clothes. 2-cup capacity lets you add softener if water is hard.

★ THREE-WAY LINT-FILTER AGITATOR . . . THREE-WAY DIRT REMOVAL
Only Maytag offers positive lint removal with exclusive Lint-Filter Agitator, Lint-Remover-Tub and Swirl-Away draining action. Swirling water currents force unwanted lint into filter . . . dirt and detergent residue spins out sides of tub and away from the freshly washed clothes . . . bottom draining assures positive removal of heavy sediment. This increased water action gives you a cleaner, brighter, more lint-free wash.

NEW AUTOMATIC BLEACH DISPENSER

Now you can bleach without worry, mess or mistake. To get perfect results, just pour proper amount of full-strength bleach into Maytag's new Automatic Bleach Dispenser. Bleach is automatically diluted to just the right strength and added to the wash water after your detergent has had a chance to do its best work. And, because your Maytag Automatic Bleach Dispenser waits till the time is right, you get whiter washes . . . safely and automatically.
