Celebration Parade Entry Urged NOW

George Atkinson, celebration parade chairman, needs immediate help with the parade arrangements. Parade applications are not being turned in as rapidly as necessary in order to organize this huge parade. Plans call for eight different floats to be marked off into numbered spaces, each number identified as to name of organization. The entire success of parade line-up depends upon pre-arranged dispersal of the various entries which cannot be arranged until applications are filled out and returned. Therefore, all who intend to enter a float march as a belle or brush chapter, organization, family group, or take any part whatever in this gigantic parade are urged to please contact George Atkinson or the celebration headquarters immediately. The parade committee has received the following entries for the Chelsea 125th Anniversary Parade to be held Saturday, July 11: Anderson's Dept. Store, Congregational Church, Chelsea Products, Inc., Chelsea Fire Dept., Chelsea Rod and Gun Club, Girl Scouts, Harker's Service Station, Hair-Jess, Kiwanis Club, Knights of Columbus, Methodist Home, Michigan National Guard (Ann Arbor), Lyndon Milk Makers, Tin Type Tillies, Zal Gaz Grotto (Ann Arbor), Chrysler Proving Grounds, Waterloo Band, Balmer's Brake Service, Dexter Fire Dept., Moore Gulf Service (Hamburg), Standard Oil Co., Sylvan Center City Electric, St. Peter's Church (Ann Arbor), Alfred Johnson, Washtenaw County Sheriff Dept., Laurence Noah, VFW, VFW Ladies' Auxiliary, Brothers of the Brush Band, Bollinger Sanitation Service, and Chelsea High School Band.

He and his wife and their 18-month-old daughter, Sheryl Lee, are now living in the Salem Grove church parsonage. The Rev. Pyscher, who is a native of Flint, has served the Gwinns charge in the Upper Peninsula the past two years. He will be attending Oberlin College near Cleveland, O., three days a week for study toward a bachelor of divinity degree. He received a bachelor of science degree from Northern Michigan College at Marquette. Salem Grove church is planning a reception for the new minister and his wife from 3 p.m. until 5 p.m. Sunday, July 6. The North Lake church is planning a reception to be held at a later date.

Square Dance Jamboree Set For Saturday

The first formal event of the 125th Anniversary Celebration will be the Square Dance Jamboree to be held this Saturday night June 27. It will take place in the new high school gymnasium. Spectators are invited to come and see the colorful costumes and action of Western style square dancing. Spectators admission will be 25 cents each, children under 12 free, if accompanied by parents. All spectators and dancers alike are urged to come dressed as Brothers of the Brush and Chelsea Belles in keeping with the Anniversary celebration. Square dancers from clubs in Ann Arbor, Ypsilanti, Milan, Belleville, Jackson, Mason, and Flint are expected to attend and some clubs from Detroit, Monroe and Lansing may be represented. Calling will be by Connie "Ike" Eichhorn, assisted by Shorty and Dorothy Hoffmann of Ann Arbor and Clarence Williams of Jackson. The Jamboree committee is also trying to arrange for a demonstration dance by a group that demonstrated at the national square dance convention at Denver earlier this year. Final plans for this group have not been completed.

Three Bands Rehearsing Regularly

The Green Band continues to meet on Mondays and Wednesdays at 8:30 a.m. and the Orange Band is meeting Tuesdays and Thursdays at 8:30 a.m. Both bands meet in the South Elementary school. In Green Band tryouts this week, Patty Bush, Kathy Paber and Ralph Johnson were first choice winners. Much emphasis is being placed on duet playing this summer in both bands. Orange Band members are working out of their theory workbooks for a short period of each rehearsal. The Senior Band will rehearse next Tuesday at Manchester High school. A bus will leave the Chelsea High school at 7:00 p.m. for students needing transportation to Manchester. Manchester Band Boosters will serve refreshments to band members after the rehearsal.

Kiwanis Club Rummage Sale Scheduled Friday, Saturday

Friday and Saturday are the dates for the annual Kiwanis Rummage Sale which, for the first time, is being held at the Community Fair building. It is believed the larger area available there will provide more adequate display space for the many items of furniture and clothing Kiwanians have been accumulating in pick-ups held in recent weeks. The sale formerly took place at Sylvan Town Hall. Included in the sale is a piano, a number of antique items and quantities of men's, women's and children's clothing and shoes. The variety of contributions gathered together for the sale seems almost endless. Months of effort on the part of Kiwanians go into the preparation for this annual event by which the club raises money for its community service projects such as the children's Halloween party and others. The rummage sale is scheduled earlier than usual this year because of Chelsea's 125th anniversary celebration. Doors will be open from 8 a.m. until 9 p.m. tomorrow and from 8 a.m. until 6 p.m. Saturday. Announcement of final plans for the sale were made at Monday's Kiwanis club meeting and after the meeting a general pick-up was held. Visitors at Monday's meeting were John W. Ras, Howard Walters, Harold M. Logan, George A. Petersen and Jack Trytten of Ann Arbor; George A. Schumm of Tecumseh; and Walter Henne of Ann Arbor Eastern Kiwanis club. The dinner meeting Monday was held in the social center of the Methodist church. Other candidates for office and the number of votes each received in the run-off election are: recording secretary—Western Allen, 53, and Bobby Kaiser, 43; committeeman—Elmer Hartman, 48, and Sylvester Parker, 40; steward, Dept. 2, days, four slides—Ralph Conley, 13, and Gerald Hoover, 6.

Friends of Library Mark 10th Anniversary With Meeting in McKune Memorial Library

Friends of the Chelsea Public Library, an organization founded Oct. 3, 1949, for the primary purpose of enlisting citizens of the community as active friends of the library in various ways, is this year observing its tenth anniversary. A semi-annual meeting of the group will be held in the new McKune Memorial Library at 8 p.m. Monday and everyone is interested in furthering the work of the library is invited to attend. Following a short business meeting, those present will tour the library quarters which will be officially opened to the public that day. While this is the first meeting of the group in the newly-completed McKune Memorial Library, it is actually the second semi-annual meeting. The last one was held in the new building, the new 12,500-sq.-ft. building was dedicated in 1956. This was shortly after the house of the former McKune family home to the Village of Chelsea for use as a public library was made known. When the "Friends of the Chelsea Library" was formed its purpose was stated as follows: to enlist citizens as active friends of the library; to stimulate gifts, endowments and bequests; to keep the public informed as to resources, services and possibilities of the library; and to help it in every possible way in its educational aims. Annual membership fee of the Friends of the Chelsea Library is \$1.00. Other memberships available are sustaining, at \$3.00 per year; patron, at \$10 per year; life membership at \$50; and memorial membership, \$100 or more. Many anonymous gifts have been made to the library and to a building fund started in 1952 by a gift of \$100 from the Woman's Club of Chelsea, under the leadership of Mrs. W. R. Daniels. This is the building fund which, together with contributions from many area citizens and organizations, has been used to defray the cost of the remodeling of the McKune House for use as the McKune Memorial Library. Past and present officers of the Chelsea Friends of the Library include Mrs. R. A. McLaughlin, Mrs. R. W. Wagner, Henry C. Schneider, Mrs. Henry C. Schneider, Harold Jones, Mrs. Dudley Holmes, Mrs. Karl Koester, Miss Mabel Fox, Mrs. John Fischer, Mrs. John Hale, James Daniels, Col. P. S. Holmes, Miss Nina Belle Wurster, Thomas Holmes, Elba Gage and George P. Frisinger.

75 Boys, Girls Participate in Fashion Show

On Saturday afternoon at 2 p.m. approximately 75 boys and girls took part in the fashion show held on Main Street. Each child was interviewed by Willard Guest and asked what they had enjoyed most about the anniversary celebration and what they would like to have repeated. The most popular answer was "another hayride." After the show they were treated to refreshments. A detailed program of events for the coming week appears elsewhere in this issue of The Standard. A special program of activities for women and girls is planned for Tuesday evenings and all women and high school girls are welcome to participate. The program will be held at the athletic field. Results of Monday's baseball games in the Babe Ruth League were reported as follows: Chelsea Nationals—Defeated Willow Run Americans, 8-4, as Pitcher Jerry Ringe struck out 15 men. Ed Lauson led the team with three hits. Defeated Clinton, 9-8, as Mike Marsh struck out 10 and Ed Lauson had two hits. Lost to Saline Americans, 5-1, as Saline Pitcher John Thors hurled a no-hitter. Chelsea Americans—Defeated Saline Nationals, 8-7, with last inning rally. Ken Larson was winning pitcher. Defeated Pinckney, 7-4, behind Dudley Homes' steady pitching.

North Lake Church Displaying Hand-Made 65-Year-Old Quilt

A pieced quilt made by members of the Ladies' Aid Society of North Lake Methodist church more than 65 years ago as a means of raising money to pay a church debt, was recently sent to the North Lake church by its purchaser, Mrs. Fred Glenn, who now lives in Detroit. Mrs. Glenn, the former Tirzah Twamley, was a member of the North Lake church for many years. She purchased the quilt at the time it was made by the women of the church and had kept it carefully stored during the years, principally because of its unique history. She said she felt now that it should remain the property of the North Lake church and in order to preserve it, the quilt was folded to fit into a large picture frame with a boxed extension at the back. Fred Briel of the North Lake church, built the extension.

MORE THAN 300 Chelsea area residents attended the reception honoring the Rev. P. H. Grabowski, at right, upon his retirement as pastor of St. Paul's Evangelical and Reformed church which he has served for 37 years. Shown with him in the photo taken shortly before the reception in the church hall Sunday, June 14, are Paul F. Niehaus, wearing the beard he has cultivated as a concession to Chelsea's 125th Anniversary celebration, and Miss Amanda Koch. Niehaus and Miss Koch have sung in the church choir during all the years the Rev. Grabowski has served the Chelsea church. In fact, both have been members of the choir for more than 50 years. Niehaus has been choir director for more than 40 years. At the reception the Rev. Grabowski was presented with a purse of more than \$1,300 which represented free-will contributions of church members and friends. The presentation was made by George Knickerbocker, Church Council president, who read a letter commending the pastor for his faithful service to the congregation and extending best wishes for the future. The Rev. Grabowski resigned for health reasons on advice of his physicians. He will continue to make his home in Chelsea and will serve for funerals, weddings, sick calls, etc., until the newly-named pastor, the Rev. Paul M. Schnake, of Caseyville, Ill., arrives in August.

Four Area Residents Earn U-M Degrees

Announcement has been made by the University of Michigan that four Chelsea area graduates were awarded degrees at the June 19 commencement exercises. They are Neil Buchner and Judith Ann Gilbert who received bachelor of science degrees in education and Jack D. Musser and Philip H. Smith, each of whom earned a master of arts degree.

Phil Bareis Signs Bonus Contract With Senators

Philip Bareis, southpaw hurler who gained widespread acclaim while a member of the baseball team at Western Michigan University, Kalamazoo, was signed to a Major League contract with a sizeable bonus last Thursday by the Washington Senators team and left Sunday for Lynchburg, Va. As a member of the WMU team he played in the Florida State University Invitational Tourney which opened March 30. At that time his coach, Charlie Maher, predicted that Bareis would be the "top left hander" of the season. Bareis is a son of Mr. and Mrs. Oscar E. Bareis of Danneer road. His wife, the former Helen Eisenman, daughter of Mr. and Mrs. Harold Eisenman, accompanied him to Lynchburg. Present plans indicate Bareis will return to Michigan in the fall to become athletic coach and teach part-time at Saline High school while he completes minor requirements for his degree from Western Michigan University. Mr. and Mrs. Nelson Kreider and family have returned to their home at Racine, Wis., after visiting friends here. Warren Geddes who had been a patient at St. Joseph Mercy hospital, Ann Arbor, since May 12, turned to his home last Saturday.

Girls' State at Ann Arbor. The boys left for their eight-day stay last Thursday and Stephanie, more familiarly known as "Sis," left for Ann Arbor on Tuesday, June 16, for a nine-day stay. At elections at Girls' State Sis Wagner was named as a member of the "Board of Supervisors." ROGER HERMAN, left, son of Mr. and Mrs. James Herman, Stephanie Ann Wagner, daughter of Mr. and Mrs. Fredrick Wagner, and Charles Cameron, son of Mr. and Mrs. Charles S. Cameron, were Chelsea's delegates to American Legion Boys' State at Lansing, and the Legion Auxiliary's

SHAVING INSTRUCTION — Mrs. Elwood Keizer, at right, acted as "barber" for the demonstration of recommended methods for shaving off beards after the July 11-18 anniversary week for which men of the community have grown "facial foliage" in various styles for the past two months. Their model for the demonstration was "Charlie McFuzz," seated at center with Mrs. Homer Nixon just behind him. Standing at the left are Mrs. Vernon Parks and Mrs. Donovan Sweeny, both watching attentively. All are members of the Becky Belles Chapter of Chelsea Belles. The demonstration was held on the street here Saturday evening, June 13.

Latest Shaving Techniques Shown by Becky Belles

Charlie McFuzz was the lucky brother of the Brush who had his whiskers shaved off at a demonstration given Friday evening, June 12, by the Becky Belles Chapter. After keeping all Chelsea Brothers of the Brush in suspense as to the identity of the model, live or otherwise, the Becky Belles turned up with "Charlie McFuzz," a dummy they had manufactured themselves. After he had been shaved, he was thrown in the stockade in accordance with penalty rulings of "Brothers of the Brush" who shave before July 13.

He later disappeared from the stockade and was last seen on Lulu Sweeny's front porch the next morning; however, his present whereabouts is unknown.

Following the shaving demonstration Friday, Charlie McFuzz was awarded to the winners of a peanut relay race between the Becky Belles and their challengers, the Bonnet Brigade Chelsea Belles. Mrs. Alfred Smith, acting as his hustler for the Bonnet Brigade, accepted the prize on their behalf.

VFW State Convention Underway at Traverse City

Traverse City will see its largest convention in history when an expected 5,000 veterans and their families converge on it today for the 40th annual state convention of the Veterans of Foreign Wars which continues through Sunday.

Delegates from the VFW's more than 400 local posts and 350 auxiliaries will attend the four-day party, expected to be one of the more important in the organization's history.

Among the delegates will be Mrs. Ray Franklin, president of the Ladies Auxiliary to Post 4076, Veterans of Foreign Wars, Mrs. Mary Kniss, Mrs. Fred Klink, Sr., and Mrs. Alvin Geer.

Fremont Boyer will be the delegate for the Chelsea VFW Post and Ken Hutzel, commander of the Post, as well as Sixth District Commander and Mrs. Hutzel, a past department Auxiliary president, will also attend.

Policies will be determined by delegates on the organization's many programs including Americanism, youth activities, community service, hospital work, legislation and service and welfare. Out of a host of resolutions will come a VFW's stand on such controversial issues as the Michigan Veterans Trust Fund, homestead tax exemption and veterans' preference at the state level, and on the new proposed pension changes on the national setup.

More than 75 resolutions running the gamut of veterans' affairs will be examined and acted upon.

Climaxing the four-day convocation will be an election of state officers. Fred K. McDaniel of Roseville, present state senior vice-commander, is virtually assured of election as state commander to succeed Wilbur B. Kirsch of Detroit.

From where I sit... by Joe Marsh

A Tip From Our "Cap"

Couple of months ago, Cap Anderson traded in that fifteen-year-old rattlesnake of his and purchased a new, many a model car. A real beauty, two-tone, and complete with power-everything.

But yesterday, of all things, Cap rattled into town behind the wheel of his old car. Naturally, all of us wanted to find out "How come?"

"Bought it back," said Cap. "I'm now a two-car family. I like my new car because it looks real modern—but I like this car because it's real me!"

From where I sit, all of us have certain affections that grow more a part of us with each passing year. For instance, when I think of Saturday night, I always think of my easy chair and a cold glass of beer. Your idea may be something else. But let's not ask each other to "change"—let's just respect the other fellow's preference. Agreed?

Few Simple Safety Precautions May Help Prevent Drowning Tragedy

The arrival of swimming weather brings to mind the fact that each year some thousands of persons drown because sensible precautions were not followed by the victims.

The following rules are good ones to observe:

1. Do not go swimming too early in the day.
2. Use supervised pools or beaches.
3. Stay ashore in heavy weather.
4. Keep children out of boats not equipped with life-preservers, or without expert swimmers aboard.
5. Teach children to swim at an early age.
6. Wait an hour after eating before swimming.
7. Use extra caution when fishing from a boat after dark, especially if in strange waters.
8. Always carry extra life-preservers in boats.
9. If you are deathly afraid of water, stay away from it.

One other word of caution is the suggestion that you try one of several floating techniques when in the water the next time. Many people can float indefinitely without any effort if they will hold their head back so that only the nose is above water. The feet may extend downward vertically from the surface, but if the individual will be careful to keep his head far back, he will find that he can float for hours in this position without physical effort. If you try it, or some other floating technique, it may save your life.

FBI Director Hoover Calls on Nation To Awaken to Communist Threat

FBI Director J. Edgar Hoover, in a recent speech at Charleston, W. Va., gave the nation a refresher course in what the Communists are up to—not in Russia, or Red China, but right here.

For the particular benefit of those Americans who have been soothed by reports that the Communist menace is fading and their numbers diminishing, Hoover declared that 70 to 80 per cent of all the Soviet diplomats stationed in this country are Communist spies—and that the number of these intelligence agents in this country has increased almost 50 per cent in five years!

"Using blackmail, bribery and similar techniques, Communist agents, many with diplomatic immunity, are stepping up their efforts to obtain our military, scientific and industrial secrets to use against us." This increased espionage activity, Hoover said, reveals the hollowness of their appeals for "peaceful co-existence."

The "hard-core" Reds now controlling the Communist party USA, he declared, are unaffected by the murderous policies that have brought and kept Red China, Hungary and Tibet under submission, and are driving now to infiltrate labor unions and essential industries. They are, he said, intensifying their "smear" campaigns against Congressional investigating committees, patriotic organizations and the FBI.

"It would be a sorry day," he declared, "if the FBI should cease to be a target of Communist attacks." And he added a very wise observation: "We may well be judged by the enemies we make."

Of course, you can't deliberately make a Red enemy anyway. And, in itself, that wouldn't help much. But we could fight Communism by learning more about it, by remembering that its adherents never sleep, by being alert to their deceptions, blandishments and false fronts, and their desire to work into and seize control of every worthy organization. We can fight Communism by alerting apathetic friends who hug off America's number one menace—and by reporting to the FBI any subversive activity we may encounter.

MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

The depth of its influence over the state's eight million citizens and their elected officials was again demonstrated by the Michigan Supreme Court.

In a period of just a few days early in June the high court settled legal problems stemming from family squabbles to such widely-debated state issues as taxes and labor disputes.

The court also adopted two rules of procedure that in effect remind the governor, the legislature and other judges to keep on their toes.

One rule paves the way for a quick decision on the legality of whatever tax program Gov. G. Mennen Williams and the GOP-controlled legislature agree upon. The rule allows Williams to bypass lower courts for decisions on matters "of such public moment as to require early determination."

Democrats have questioned the constitutionality of the Republican plan for a penny boost in the use (sales) tax, just as Republican questioned the constitutionality of the Democratic-endorsed "piggy back" income tax that was defeated in the House.

Another new rule sets up a procedure for cracking down on any judge who brings "disrepute" to the bench. It was another of many steps the high court has taken to tighten its control over conduct of the lower courts.

The court had a 5-3 split, with the Democratic majority controlling, on adoption of both rules.

And the court had a 5-3 split on a decision that said a taxpayer has the right to get his money back when an assessor makes a mistake.

In a majority opinion that will be a guideline for future tax disputes at the local level, Justice Eugene Black, of Port Huron, said the high tribunal upholds "the right of taxpayers to equitable relief from the unconscionable effect of crass mistakes of public officials in the field of taxation; mistakes gross enough to constitute fraud."

Black wrote another prevailing opinion he said was of "apparent state-wide moment."

The opinion said the various modes of fund allocation that by constitution and statute are based on population must refer to "the most recent state-wide federal census."

The court ordered state officials to distribute motor vehicle highway fund money according to Frankfort's population as determined by the 1950 census—even though much of the population now calls Elberta home.

For the second time in recent months, the Supreme court upheld

the right of strikers to engage in peaceful picketing.

The court said issuance of any injunction by the Calhoun Circuit Court forbidding peaceful picketing and the display of placards "involves denial of equity of the exercise of a basic constitutional freedom, the exercise of free speech."

In another labor matter, the state's highest court was told it would have the last word on Michigan's controversial "Ford Case."

The U. S. Supreme Court rejected an appeal by Ford Motor Co. of

the state court's ruling giving jobless pay to Michigan Ford workers idled by a strike of Ford workers in Canton, O.

Lawbreakers got a break in two of the court's latest decisions. The justices said police stopping an auto to issue a traffic ticket may not also routinely search the car. It also said a burglar-injured with police in hot pursuit can collect accident insurance.

The impact of supreme court action at the local level was reflected in annexation decisions. The court upheld annexation of a portion of Novi township to the city of Northville and denied a bid by Springfield to block proceedings to annex land in Springfield to Battle Creek.

The Michigan Supreme Court has been growing in size and power since 1895, when three justices were appointed to serve the Territorial Government of Michigan.

With their actions early in June, the eight justices now on the court served notice they will continue to exercise every bit of this power. Their opinions on issues of "state-wide moment" will be codes for conduct for generations to come.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

I see by the papers where one of them Government agencies in Washington has been paying \$6 a bushel for dirt to fill in the foundation on a building project. With our Congressmen always being so overcome with the giving spirit, it's all about the same to them: potatoes, apples, corn, wheat, dirt or anything, they figure about \$6 a bushel is a fair price.

And in the same paper I see where Westbrook Pegler says we got more dirt in Washington than in any capital in the world. We'll take Pegler's word for it. He's dug up enough dirt in his time to know dirt when he sees it. But with it being so plentiful in Washington, I think \$6 a bushel is a little high.

And speaking of Government projects in Washington, I see where they still got a few souvenir bricks for sale from the time they remodeled the old White House. I ain't going to buy one, because I don't choose to pay for one twice. I figure the one I ain't got cost me about \$10 in taxes.

I got a heap of sympathy for this fellow I was reading about in Utah. He says things is getting so high he can't afford to eat and get medical attention at the same time not if he pays as he goes. And this fellow from Utah seems to be a very unusual citizen on account of him preferring to pay as he goes. He says he's been suffering with tonsillitis for years and has decided to have 'em cut out. But he's having 'em cut out one at a time so he'll be able to pay as he goes. The people of Utah ought to send this fellow to Congress, maybe elect him President.

The experts is beginning to make guesses and predictions about the 1960 census. One expert claims it's going to be very alarming the way the census will show women outnumbering the men in this country. I don't see nothing alarming about women outnumbering the men. My old lady, for instance, has been outnumbering me two to one for years.

All the newspapers, Mister Editor, seems agreed on one thing, that the country is enjoying precisely the like of which this nation has never saw. One writer was asking where was the wolf that used to camp at the door.

I'll grant him that the wolf is gone, but instead of the wolf at the door, you got the tax collector. Between you and me, I'd just about as soon try to make a deal with the wolf. The wolf might listen to a little reason, but if a fellow shows signs of having any reason about him, the Government ain't got no idea or hiring him for a tax collector.

Mabel Fox Will Represent Region III at NEA Meeting

Miss Mabel Fox, Chelsea High school teacher, will represent Region III of the Michigan Education Association at the annual convention of the National Education Association in St. Louis, Mo., June 28 to July 3. It will be the 13th consecutive year she has attended the annual NEA convention.

Region III, which Miss Fox represents, includes Jackson, Monroe, Lenawee and Washtenaw counties.

Miss Fox will be among 200 Michigan educators and representatives from all 50 states attending the national convention expected to attract approximately

20,000 at the spacious Kiel Auditorium.

Open general sessions, workshops and departmentalized discussion groups will highlight the NEA's "work" schedule. Such key topics as lay relations, educational television, salaries and working conditions for teachers, answering the critics of education and many others will confront the delegates.

Dr. Charles Malik, president of the United Nations General Assembly, will address the entire delegation July 3. His speech will climax the NEA's first observance of "International Night."

COMELY CAYANAUGH CUT-UPS Chelsea Belles spent an evening cleaning at the new McKune Memorial Library and then challenged any other Chelsea Belles Chapter to equal their "Belle-hours." (It was pointed out, however, that challengers should first make arrangements with Mrs. E. W. Eaton of the Library Board who is in charge of planning work which needs to be done.) The Cut-Ups scraped and washed 184 of the small windowpanes, stained and painted doors, painted some window frames and the end of the upstairs hall, and cleaned two bathrooms. They figured their hours of work for the 21 present, in addition to some done by an individual member, at approximately 70 "Belle-hours." Appearing in the photo as they were gathered on the library steps are, top row, from left—Grace Gillette, Ann Kayser, Imogene Slocum, Magdalen Slocum and Alice Atkinson; second row—Donna DeCoster, Barbara Lauhon and small son and Mary Casey; third row—Doris Schauer, Ruth Schrader, Juanita Hosler, Betty Scott, Jeanne Scripser, Jean Aklin, Jean Staplah and Helen Sprague; fourth row—Phyllis Passow, Eleanor Waller, Leah Herrick, Eva Moll and Betty Howard; front—at left, Mary Ann Lantis and at right, Ardea Wahl. Others not present for the picture were Isabel and Lois Eisele. Because of illness, several members of the chapter were not present.

280 Attend Alumni Banquet Held at New High School

The 63rd Chelsea High school alumni banquet held Saturday evening, June 13, was the first alumni banquet to be held in the new high school building. Served in the new cafeteria by the Class of 1940, the attendance was estimated at approximately 280.

The invocation was given by the Rev. Philip Rusten and the guest speaker was Gordon Rietzsch, a graduate of Chelsea High school who is now president of Olivet College. He reminisced about his school days in Chelsea and also told amusing stories about other Chelsea graduates.

Many Chelsea people who attended the banquet wore anniversary costumes, carrying out the theme of the program, "Remembering When."

Duane Rowe, president of the Alumni Association, welcomed alumni and their guests and introduced A. D. Mayer as toastmaster.

Mayer called on all classes for remarks, the oldest graduate present being Mrs. Otto Luick of the class of 1897. She wore an anniversary costume which included the shoes she wore for the commencement exercises in 1897.

Leland Kalmbach, of Somers, Conn., who is president of Massachusetts Mutual Life Insurance Co. of Springfield, Mass., responded for his class, the 40th anniversary class of 1919. There were nine members of that class present.

The 25th anniversary class was

represented by Mrs. Annabelle Woolley and Wallace Wood.

Present to represent the class of 1899 was P. G. Schaub, Sr., president of Chelsea State Bank.

Eleven members of the class of 1900 attended, while six were present to represent the class of 1922; 28 from the class of 1939; and 14 from the class of 1940.

Twenty-three of the 1950 class of 71 graduates were present.

New officers elected for the coming year are George Staffan, '50, president; Arden Musbach, '50, vice-president; Mrs. J. Wilbert Smith, '50, secretary; and Clarence Wood, '40, treasurer.

Groups who met for reunions before or after the banquet included the class of '39. Hosts for a gathering at the home of Mr. and Mrs. David Strieter before the banquet and at the home of Mr. and Mrs. James Daniels after the banquet were Mr. and Mrs. Strieter, Mr. and Mrs. Daniels, Mr. and Mrs. Howard Haselschwardt, Mr. and Mrs. Leon Marsh and Mr. and Mrs. Duane Rowe.

Out-of-town guests who attended the reunion were Mr. and Mrs. J. E. "Bud" Rabley of Fort Mill, S. C., Mr. and Mrs. Frederic Lee-man of Ann Arbor, Mr. and Mrs. Bernard Lyons of Port Huron, Mr. and Mrs. Eldon Harris of Ann Arbor, Mr. and Mrs. Charles Bahnmiller of Garden City, Dr. and Mrs. Raymond Gies of Detroit, Edward Honeck of Concord, Mr. and Mrs. Stuart Dingle of Detroit, Mr. and Mrs. David Eaton of Saginaw, and Mr. and Mrs. Eugene Rossbach of Ann Arbor.

Also invited to attend were Mr. and Mrs. A. D. Mayer, the latter having been the 1939 class advisor.

Anniversary Caravans

Visit Neighboring Towns

Two more successful caravans were held during the past week. Thursday, June 18, 96 cars journeyed to Stockbridge. The capable Brothers of the Brush Band led the procession from the Memorial Field parking lot up to and around the village park. Through the splendid co-operation of Stockbridge Mayor Arthur Smith (who formerly worked at the Chelsea Spring Co.) one block was shut off for dancing. Our popular square dance caller, Connie Elchhorn, provided the music.

Later in the evening, the band and a smaller caravan continued on to Gregory, Pinckney and Fortage Lake area to arouse the residents to the anniversary cause.

Saturday evening, June 20, about 90 cars went to Grass Lake for their barbecue. The folks of Grass Lake wanted a street dance, but due to other commitments, our square dance caller and our rock 'n' roll band could not be present. It was decided next Friday night (tomorrow) will be "Grass Lake" night in Chelsea.

The next caravan will be to Saline on Thursday, June 25 (tonight). This should be the biggest one yet. Saline's mayor, business groups, and their radio station are putting forth a great deal of effort to publicize and make our visit a success. The starting time will be 7 p.m. at the Community Fair Grounds. Those who attend are asked to bring their friends.

MYSTERY FARM NO. 60 is the home of Mr. located at 18271 Scio Church road. The family has and Mrs. Elmer Bristle and their four sons. It is lived there since 1956.

Last Week's Mystery Farm Is Home of Elmer Bristle Family on Scio Church Road

Mr. and Mrs. Elmer Bristle are the owners of Mystery Farm No. 60. The photograph of the farm, which first appeared in the June 18 issue of The Standard, was quickly identified by many area residents.

The Bristles bought the farm located at 18271 Scio Church road in 1956.

They have a family of four sons—Stephen, who graduated this year from Chelsea High school; Jerry, 13; James 11; and Michael, 6 years old.

Stephen and Jerry have been active in 4-H work and have carried projects in registered Milking Shorthorn cattle and Black Top sheep.

James has just started a first-year registered Holstein project and has a Shropshire sheep project, as well. Michael proudly stated he will be in the first grade at North Elementary school in the fall.

The family belongs to Zion Lutheran church at Rogers Corners. Mrs. Bristle also is a member of the Women of Zion at the Rogers Corners church and the Rogers Corners Extension club, and both Mr. and Mrs. Bristle are members of the Jerusalem Farm Bureau group.

Bristle raises general crops on the 160-acre farm.

The attractive, 10-room farm home had been modernized by the former owners, Mr. and Mrs. Clarence Trinkle, and Mrs. Bristle said that she and her husband have made no changes since they moved there.

Before the Bristles bought the farm, it was known, since 1890, as the Trinkle farm. Christian Trinkle bought the farm for a home for himself and his bride, the former Julia Staebler. He died in 1910 at the age of 48 and his widow lived on the farm for another 15 years when she died at the age of 69.

Their family of one daughter and five sons were Amanda, later Mrs. Reuben Grieb, who died in 1945; Otto Trinkle who now lives south of Manchester; Walter of Chelsea; Wilbert of Steinbach road; Clarence of Freer Road; and Alton of Springfield, O.

All were born in the old farmhouse on the place which was moved back from the road and used for some years as a shop. It is no longer standing.

The present house was built in 1907, an uncle, Chris Koch of Ann Arbor, being the contractor.

Otto Trinkle said he remembers that the house was built at the same time as the Methodist Home and Koch's employees made the trip to Chelsea on the old Detroit United Railway electric car line. He said he or one of his brothers had to hitch up a team and meet the early electric car to bring the carpenters out to work on the new house.

Their grandparents, Friedrich and Barbara Trinkle, lived on the farm just east of the family home.

Following his mother's death, Clarence Trinkle bought the farm and lived there until he sold it to the Bristles.

Clarence Trinkle for some years operated a cider mill in the lean-to of the barn in the foreground of the picture.

Most of the farm buildings were erected during the time the Trinkle family owned the farm.

Christian Trinkle bought the farm in 1901 from his father, Frederick Trinkle, who had owned it since 1885, although the father had not lived on the place.

The first person listed as owner of the land is Henry L. Walker who secured a deed from the U. S. Government in 1880. Another owner listed is Jacob Bollinger who acquired the farm in 1870.

Clarence Trinkle owned the farm from 1926 until 1956 but had lived there a total of 32 years. All of the children of Mr. and Mrs. Clarence Trinkle were born there. Three are married—Robert, Mrs. Ellis Pratt and Mrs. Donald Bauer. Three are living with their parents at the present family home, 205 Freer road. They are Ralph, Eve and Ruth Ann. Another son, Loren, died Oct. 6, 1952, as the result of an accident.

Those who recognized the

Bristle farm and called The Standard office are Allen Brosamie, Helen Rothfuss, Ruth Ann Trinkle, James Bristle, David Pastor, Robert Kushmaul, Jr., Judy Woolley, Janet Bollinger, Mrs. Harold Wahl, Fred Hinderer, Mrs. Elliott Lounsbury, Charles Curtis, Mrs. Earl Kuhl, Gerald Schiller, "Chuck" Reed, Mr.

and Mrs. Walter Trinkle, Joseph Nytes, Mr. and Mrs. Willis Heydlauff, Mrs. William Stark, Otto Trinkle of Manchester, and Anita Wenk.

You get the BIG comfort dividends in your 59 FORD...

Some cars' door openings
aren't shaped to fit people!
So you have to squirm and
wiggle... make your body
conform to the car when
getting in and out.

NO SQUIRM

Doors in 59 Fords are wider
—up to six inches wider—
and door openings are
contoured to fit you! You get in
and out of a Ford with
greater ease and comfort.
The girls really like Ford's
doors—for more graceful
entries and exits.

To gain a low roof line,
some cars end up with
higher floor "humps"—and
this makes rear seats a
combination that's mighty
rough on the middleman.

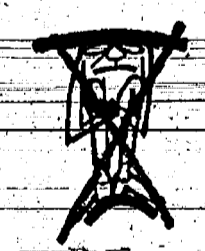

NO SQUEEZE

Fords have useable seating
space for six big people.
The driveshaft tunnel is
lower and rear seats are
deeply cushioned all
the way across. This means
more comfort for all passen-
gers—especially for the
man in the middle.

The squeezed-down, skimpy
roofs of some cars aren't
comfortable even for bare-
headed riders. And they
don't keep out excessive
sunlight and glare.

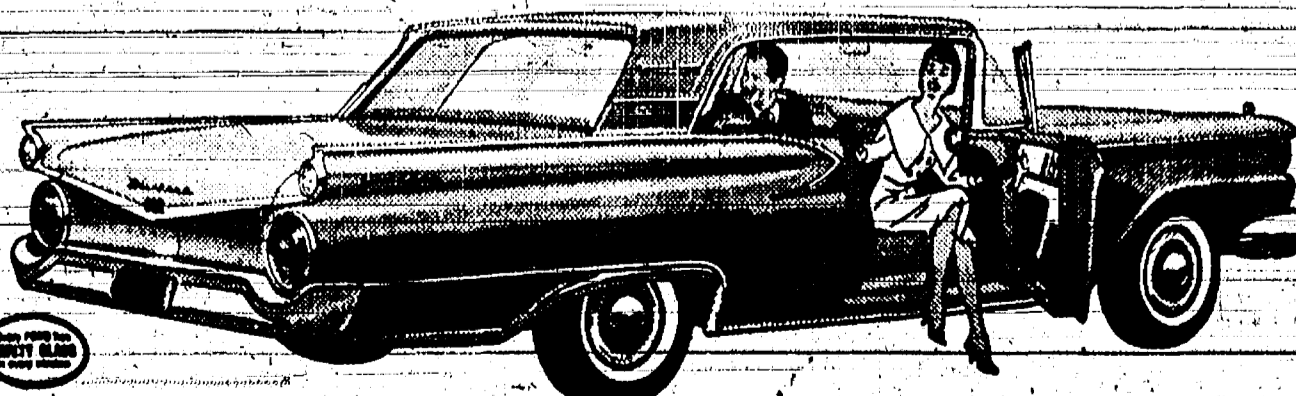

NO SQUASH

See how much more head
room Ford has. Even big
six-footers sit up straight
without touching the roof.
And Ford's big roof pro-
tects all passengers, in both
front and rear seats, against
the discomforts of excessive
glare and heat from the sun.

Greater comfort is only the beginning of the
dividends you get in a Ford. You get the
World's Most Beautifully Proportioned Car.
You get a big dividend in Ford prices... the
lowest of the best-selling three. And you get
saving dividends that out costs every mile you
drive. See and Action Test a new Ford at your
Ford Dealer's. See how you can go finer... with
more comfort... for less... in a new Ford!
