## Bulldogs Slip Past U. High By 7-6 Margin

Host Manchester Tomorrow Evening On New Home Field

Chelsea High gridironers chalked up their first gridiron victory in the new Washtenaw conference as they edged U. High's Cubs, 7-6, last Saturday night.

The hard-earned victory placed the Bulldogs in a first-place tie with Manchester, 6-0 victor over Pinckney and Saline who downed Dexter, 12-7, in other first-round games.

The conference's other team, Ypsilanti, dropped a non-league encounter to Clarens, 7-6. The first-place tie will partially be dissolved tomorrow night as Chelsea and Manchester clash head-on in a Chelsea Homecoming game on the new high school field.

The Bulldogs gave their supporters, several hundred of them, (it appears the spirit originated by our Anniversary has carried over to the local athletic scene) some anxious moments last Saturday night as they held off a furious last-minute rally by the U. High Cubs.

The final hectic moments of the game were set up as the Cubs returned a punt to their own 40. The score was 7-6 in favor of the Bulldogs with less than two minutes to play. Realizing that only a long pass or run would hurt them, the Chelsea second-string dropped deep in anticipation of the Cub passing attack. U. High moved the ball from their 40 to the Bulldogs' 20 with a series of short-passes. The Chelsea secondary, however, quickly tackled the receivers and time finally ran out.

The final spicing action was set up earlier. In the opening quarter the Bulldogs had two scoring opportunities but failed to cash in on them. First, the hard-hitting Chelsea defense caused U. High to fumble on their own 20 and the Blue and Gold recovered. However, the Cubs held and Chelsea lost the ball on downs. A few minutes later the Bulldogs were threatening to score again as the tough Chelsea defense forced the Cubs to punt. Linebacker Jerry Ringe broke through to block the kick and Chelsea recovered on U. High's 20. The Bulldogs drove down to the four where they fumbled with U. High recovering.

After an exchange of punts U. High recovered. (Continued on page seven)

**Junior Varsity Chalks Up 14th Consecutive Win**  
Last Thursday Coach Bob Taylor's Junior Varsity squad totalling but 15 in number, added No. 14 in a row as they smacked South Lyon's JV squad by the unbelievable score of 59-0. Taylor's JV's have now won 14 games in a row going back for the last three years.

The victory was sparked by backs Larry Castell, Larry Kramer and Don Blalock. Castell ran the opening kick-off back for a touchdown and before the rout was over added four more scores.

## Mrs. F. Howlett Honored by Local Teachers Club

Mrs. Florence Bachman Howlett, a retired teacher with more than 30 years of service in the Chelsea schools, has been made an honorary member of the Chelsea Teachers club.

Mrs. Howlett taught for many years and still remains keenly interested in school affairs. Officers of the Chelsea Teachers club for 1958-1959 are David Sanborn, president; Jack Good, vice-president; Mrs. Grace Jennings, secretary; and Mrs. Barbara Smith, treasurer. George Prinzing and Philip Smith are the representatives of the Teachers club to the Chelsea Board of Education.

**4 Killed in Spectacular US-12 Crash**  
Three members of a Hastings family were killed instantly and a fourth member of the family died four hours later at St. Joseph Mercy hospital, Ann Arbor, of injuries received at 4:28 p.m. Saturday in a collision with a truck on US-12 midway between M-92 and Fraser road. They had been enroute to attend a wedding reception in Ann Arbor.

Pronounced dead at the scene by Dr. Michael Papo, deputy Washtenaw county medical examiner, were Sporus Karmes, 66; his wife Helen, 46; and their son, Peter Karmes, 16. The fourth member of the family, Carol Karmes, 15, died at 10 p.m. at St. Joseph Mercy hospital.

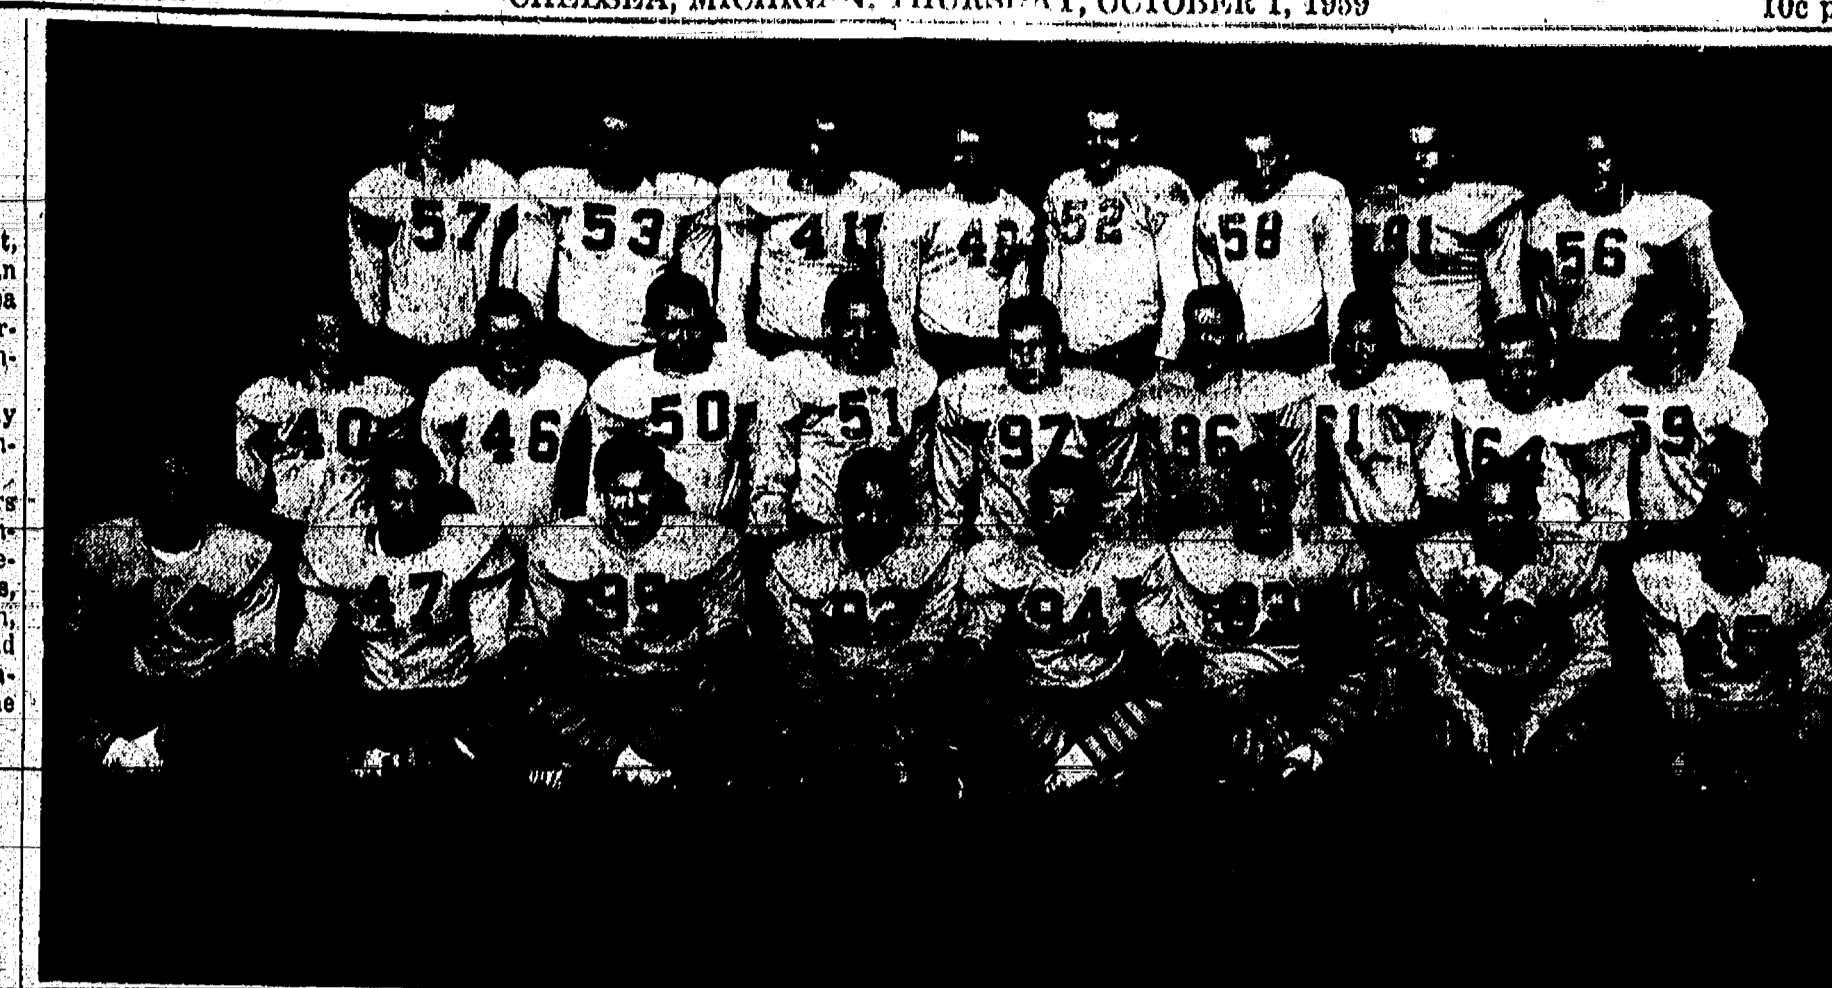

Herman Skaggs, 49, of Indianapolis, Ind., driver of the truck, was taken to St. Joseph Mercy hospital in critical condition. According to sheriff's deputies' reports, witnesses stated that the Karmes' car eastbound, was traveling about 50 miles per hour and attempting to pass the eastbound truck when suddenly it went out of control "either because a tire blew out or because it slid" on the wet pavement. It was raining at the time. The car skidded sideways for about 50 feet and then ahead for another 75 feet where the collision with the truck occurred; the report stated.

The tractor-trailer-truck is the property of the Ellis Trucking Co. of Indianapolis. The 1955 model car in which the Hastings family was riding was demolished and the truck was severely damaged.

Only surviving member of the Karmes family is 10-year-old Mary Ann, who had remained with friends in Hastings when the crash occurred. (Continued on page 12)

**Annual Harvest Open House Set at Methodist Home**  
The twelfth annual Harvest Open House at the Methodist Home is to be held from 1 p.m. until 4 p.m. tomorrow and the Rev. Edwin J. Weiss, administrator, said yesterday that a cordial invitation to attend the open house is extended to everyone in the community.

There will be opportunities for conducted tours of the Home, a program in the Home chapel at approximately 2 p.m., and a tea following in the dining room.

**CHS VARSITY FOOTBALL TEAM**—Front row, from left, are: George Wilson, Charles Cameron, Phil McDaniel, Co-Captains Roger Herman and David Rowe, Gary Dault, Dalice Ferris and Matt Murphy. In the middle row, from left: Ed. Lauhon, Al. Schauer, Danny Mayer, Jack Patrick, Dick Irwin, Chuck Koeniger, Wilson Morley, Danny Ellenwood and Peter Flintoft. In the back row are: Richis Wood, Homer (or Alton) Nixon, Charles Waller, Jim Maynard, Alton (or Homer) Nixon, Mike Marsh, Jerry Ringe, and Dave McLaughlin.

## Area Churches Will Observe World-Wide Communion

Sunday, Chelsea area churches will be among those who will be observing World-Wide Communion Sunday for the 20th consecutive year. The observance is sponsored by denominations, city and state councils of churches, the National Council of Churches of Christ in the U. S. A., and by church councils in many lands around the world.

The significant day for Christians begins with the churches of the Fiji Islands and in New Zealand, first on the other side of the international date line. For example, when it is 11 a.m. Sunday, Oct. 4, in New Zealand it is 6 o'clock (EST) Saturday evening, Oct. 3, in this part of the United States.

World-Wide Communion Sunday has been described as "one great fellowship of love throughout the whole wide earth."

The goal for a local church observing this great festival is to have every member present at its own communion table. Many congregations have two or more services to accommodate the membership.

This will be the case at St. Paul's Evangelical and Reformed church where Communion services will be held at an 8 a.m. service and the regular 10:45 a.m. service, according to an announcement by the Rev. Paul M. Schnake.

In keeping with World-Wide Communion Sunday, the Methodist church in the area will share in a special offering under the theme, "Servants of Christ." The offering taken nationally is divided among the Methodist Committee for Overseas Relief, the Commission on Chaplains, and the Commission on Camp Activities. More than 500 Methodist pastors are serving as chaplains: 149 with the Army, 121 with the Navy, 175 with the Air Force, 50 in VA hospitals, 44 in other hospitals and homes, 27 in correctional institutions, and 3 in industry.

The Commission on Camp Activities is helping churches in strategic areas near military establishments to plan programs adapted for the special needs of servicemen.

The Rev. George Stanford, the Rev. Edwin Weiss, and the Rev. Herbert Hichens will assist the pastor, the Rev. S. D. Kinde in the Communion service at the Methodist church.

The service will take place at the customary hour, 10 a.m. At the Methodist Home chapel the observance of World-Wide Communion Sunday will take place at the 8 a.m. service. The pastors, the Rev. Edwin J. Weiss and the Rev. George Stanford will also visit those in the infirmary or confined to their rooms at the Home.

Other churches in the area where special Communion services are planned are the Congregational church, the Rev. Philip Rusten, pastor, at the 10 a.m. service; Bethel Evangelical and Reformed church, the Rev. T. W. Menzel, pastor, at 10:30 a.m.; St. John's Evangelical and Reformed church at Rogers Corners and Francisco, the Rev. Donald Voss, pastor, at 11 a.m. and 9 a.m., respectively; and Salem Grove and North Lake Methodist churches, the Rev. Harry Pyscher, pastor, at 11:15 a.m. and 9:45 a.m., respectively.

At the Salem Grove and North Lake churches, the Rev. H. J. Pearce will be the guest pastor who will officiate at the Communion service.

The church calendar at Zion Lutheran church at Rogers Corners does not include observance of World-Wide Communion Sunday since the customary Harvest Festival on the second Sunday of October includes Holy Communion. St. Barnabas Episcopal church, of which the Rev. Allan Reed is the vicar, has the service of Holy Communion the first Sunday of every month.

This is also the rule at the Chelsea Baptist church of which the Rev. David Wood is pastor.

**Lewis Fish Family Homeless as Wind Collapses House**  
Mr. and Mrs. Lewis Fish and their five children were left homeless when the converted dorm schoolhouse where they lived was blown down at 11:30 p.m. Saturday.

Members of the family were asleep when the wind struck the dwelling located on Washburn road at Sharon Hollow road.

Fish, "clad" only in his underwear, ran to the home of neighbors, Mr. and Mrs. Robert Curtis, 3899 Sharon Hollow road, and asked for help. Curtis returned with him and helped get the children out.

None of the family suffered serious injury. Two of the children spent the night at the Curtis home and the others went to the home of Mrs. Fish's sister and brother-in-law, Mr. and Mrs. Lawrence McAtee on Washburn road. Mrs. Fish is the former Mildred Petesch, a former Chelsea resident.

Children in the Fish family ranging in age from three to 13 years old are Gloria, three, Jimmy, May, Sheila and Ruth. The family is now at the McAtee home.

Consumers Power Co. was notified and sent men to take care of broken wires and Road Commission crews cleared the road where uprooted trees had fallen.

At the Curtis home a door was blown open and had to be nailed shut in order to close it. Small outbuildings on the former Dicks farm, east of the Fish place, were also blown down.

Mr. and Mrs. Lester Bennett and son, John Howard, left Thursday by plane to spend the weekend in Minneapolis, Minn., and at 9:30 a.m. Saturday attended the wedding of Mrs. Bennett's sister, Marie Merkel, and Walter Tiffin at Ascension church. The Bennetts returned home Sunday night.

## Pep Rally, Homecoming Set Friday

Chelsea High school's "Homecoming Queen" will be elected by a secret ballot of the football team and crowned at the dance to be held following Friday night's Homecoming football game. Opposing team for the game will be the Manchester Dutchmen.

Queen candidates from the senior class are Judy Welch and Kathy Stephens.

Other candidates are two juniors, Judy Summers and Judy Martin; two sophomores, Roseann Hills and Nancy McCalla; and the freshmen candidates, Sandy Sharard and Loretta Wahl.

Chelsea High school alumni are invited to attend the dance and alumni whose class years end in nine, such as '59, '49, '39, etc., will be admitted for half price.

Manchester High school students also have been invited to attend the dance. The Manchester students will be required to have student guest checks to be admitted.

This will mark the first Homecoming game and dance since the new Chelsea High school was completed. The dance will be held in the new high school cafeteria. Hours for the dance are 9 p.m. to 12 midnight.

A pep rally in the Junior High school gymnasium at 6:30 p.m., and a "snake dance" through the downtown streets and out to the athletic field will precede the football game.

## Community Chest Officials Tell Fund Allocation Method

United Fund Contribution Serves Nine Separate National Agencies

In order to acquaint area residents with the various benefiting agencies for which apportionments have been included in the \$15,807 goal for the Community Chest fund-raising campaign beginning Oct. 13, Community Chest officials have prepared the following explanation of the allocation for the Michigan United Fund.

The Chelsea Community Chest brings together the campaigns of nine agencies seeking funds in our immediate area, one of which is the Michigan United Fund. The Michigan United Fund brings together State and National agencies. Thus, the Michigan United Fund is a logical extension of our local Community Chest. They work as partners to simplify and reduce the cost of fund-raising for worthy causes. They agree to it that our community is treated fairly by fund-raising agencies, and that our community receives as well as gives.

Both the local community organization and the Michigan United Fund are comprised of those of us and our neighbors who are interested in seeing worthy health and welfare agencies receive the funds they need in the least expensive and most efficient manner possible, and interested in seeing the over-pumping number of campaigns for funds by these agencies reduced through the "Give once for all" principle.

Control of the Michigan United Fund is vested in a board of directors and an Executive Committee composed of leaders from all facets of Michigan business, labor and industry, and again representing us and our neighbors in the entire state of Michigan. The Michigan United Fund reflects the thinking of the great majority of Michigan people and Michigan communities.

All Michigan United Fund agencies are carefully screened by more than 200 members of the MUF Admissions and Budget Committee, people from all over the state, representing all walks of life. Stuart R. Booker is completing his second term as a member of this group. They meet for two full days each spring to evaluate the financial requests of the state-wide agencies. They decide the amount needed by each agency to bring its services to the communities in Michigan. Each county and community's fair share of this amount is determined on the basis of local conditions and the community's ability to support. Each is asked to pay only its fair share.

Activities of the Michigan United Fund fall into major classifications: promotion of federated fund-raising, and fund-raising for 33 state and national agencies that are members of the Michigan United Fund. These efforts result in three primary "United" benefits to all Michigan residents.

You are asked to give once instead of two dozen times. Although Michigan has many campaigns, it is spared a great many more by the Michigan United Fund. Heart, cerebral palsy, arthritis and rheumatism, and multiple sclerosis—to mention only a few—have organized nation-wide fund-raising campaigns for considerable sums of money. They have posters and cannisters, emotional appeals, special contacts and proven fund-raising techniques, but they do not come into Michigan. . . . because the Michigan United Fund is their official fund-raising representative.

Through the Michigan United Fund, you are asked to give once instead of many times, reducing annoyance as well as fund-raising costs, and saving hundreds of hours of valuable volunteer time. You know the money you are asked to give is needed and that it will be spent wisely.

The United Fund's Admissions and Budget Committee is composed of representative citizens of the state—leading industrialists and businessmen from many fields, labor leaders, professional men and housewives. They spend two days each year reviewing, with agency representatives, budget

**Annual Fall Color Tours Begin Today**  
It's "Color Tour" time in Chelsea, and wide publicity by tourist information services is expected to bring large numbers of people to the area during the month-long project which begins today.

Anton Nielsen, Chamber of Commerce color tour chairman, said his committee assisted him in posting directional signs for the color-tour throughout the Waterloo and Pinckney recreation areas last Sunday in preparation for the opening date.

The signs point the route to be taken for Tours No. 1 and 2, as well as for combining the two tours.

Also plainly marked are picnic sites and special points of interest on both tours.

The Junior Chamber of Commerce has again planned a chicken barbecue for the second Sunday of the month, Oct. 11.

## Chelsea Educators To Attend MEA Regional Conclave

Chelsea school administrators and teachers will attend meetings of Region III of the Michigan Education Association in Ann Arbor on Thursday, Oct. 8, and Friday, Oct. 9. All four Chelsea public schools will be closed these two days.

The general chairman of the conference is Carroll Fortness, East Junior High school, Jackson. Region III of MEA includes teachers in Jackson, Lenawee, Monroe, and (Continued on page 12)

**SMILING CO-CAPTAINS** Roger Herman (92) and David Rowe (94) and Coaches Alan Conkline (right) and Truman O'Doherty reflect the elation of the Chelsea Bulldogs football team because of the successful way they kicked off the 1959 season. The Bulldogs were victors, 7-6, in the game with U. High at Ann Arbor, Saturday, the first game they played in the newly-organized Washtenaw County Conference.

**MYSTERY FARM NO. 69**—Do you know whose farm this is and where it is located? If you recognize it call us at GR 5-3551. It is the 69th in a series of farm photos published without identification until our readers recognize them and tell us. The owner is entitled to a mounted photo of the farm, free of charge, if he calls at The Standard office by Saturday.

## Conservation Dept. Accepting Applications For Field Officer Posts

Lansing—Young men interested in a career of enforcing Michigan's game laws may take a step in this direction by submitting applications for a conservation of field examination to the State Civil Service Commission office in Lansing. Applications must reach this office no later than Oct. 14.

The Conservation Department plans to fill 25-30 vacancies in its field force which presently numbers 165 officers.

Applicants who are 23-29 years old as of Oct. 14, weigh 150-220, are 5'9" tall and meet other minimum requirements will be eligible to take the written test Nov. 21. The written test, measuring mental ability, will be given at various examination centers throughout the state. Those who successfully pass this test, field investigation and physical examination will be screened by an oral interview board.

Candidates will be selected from this interview to attend the Conservation Officer Recruit School at Higgins Lake. The school, tentatively slated to begin early next spring, will last seven weeks. Trainees will receive classroom and field training in law enforcement techniques at the school. Graduates will then be assigned to regular field posts throughout the state.

Application forms for the examination may be obtained from

## 1960 Olds Has Fresh, Smooth Look

Designed for the start of a dynamic new decade is this 1960 Oldsmobile "99" Holiday Sedan. The low, level hood treatment affords maximum visibility through the Vista-Panoramic windshield. This smooth look is carried through on rear fenders and the expansive rear deck. Heat-resistant glass is standard in the spacious rear window of all Sedan Coupe models.

Adding smart accents to the front end styling are the horizontal grille louvers. The parking lights are safely recessed in the wrap-around section of the bumper where they can be easily seen from the front or side. The Holiday Sedan Coupe body style is available in all Oldsmobile series for 1960.

## The Serviceman's Corner

### Airman John Popovich Completes Home Leave

Airman Second Class John F. Popovich, son of Charles Popovich, Sr., has completed a 15-week course in aircraft jet mechanics (over two engines) at Sheppard Air Force Base, Texas, and has been assigned to March Air Force Base, Riverside, Calif.

Airman Popovich was given a 15-day leave and came home for a visit with his father. He also visited friends and relatives in Wyandotte, Flint and Saginaw, his sister, Mrs. A. J. Hale and his brother, Charles Popovich, Jr., and their families here. After spending 10 days here he left to make the trip to California by automobile, allowing himself five days travel time before he reported for the California assignment. He is with the 897th Combat Support Group.

Well over 150 Michigan schools requested specialized help from the University of Michigan consultants last year.

## Fall Fair Scheduled Next Week at County Hospital

Rugs, doll beds, leather goods, tables, bead mats, aprons, skirts, pillows, bread boards—these are some of the handcraft items made by patients at the Washtenaw county hospital which will be on display for sale at a fall fair to be held at the hospital, 2960 Washtenaw road, east of Ann Arbor, on Wednesday, Oct. 7. Hours for the fair are from 2 p.m. until 5 p.m. and from 7 p.m. until 9 p.m.

The articles offered for sale are made by the patients in the hospital as part of the rehabilitation project being carried on by the Division of Gerontology and by the Department of Physical Medicine of the University of Michigan. An opportunity will be afforded to see the sheltered workshop project in action. The patients in this "shop" are working on several jobs for local industries. Members of craft classes engaged in making articles similar to those on sale will also be in session to demonstrate how they do their work.

In addition to the demonstrations and the craft sale, the Washtenaw County Hospital Auxiliary will have a sale of baked goods and will serve refreshments. While much of the material used in the making of the sale items has been donated by area stores and industries, such as foam rubber, upholstery samples, wood, paper, and materials for rag rugs, there is a constant need to purchase the supplies not acquired by donations. The proceeds from the sale will be divided between the patients who have contributed their time and skill to the creation of the articles, and for the purchase of needed materials and equipment for future use.

Without the help of volunteers who were recruited through the Washtenaw Hospital Auxiliary from different communities in Washtenaw county, it would have been impossible to have developed such a full-scale craft program. This group of women devote many hours each week to assisting the craft director so that more patients may be accommodated in the classes.

## COMMENT on SPORTS

### ★ Baseball Post-Mortem

By Pete Fritchie  
Washington, D. C.—It's World Series time now but it's also time to dip back into the past and see what happened to teams like Cleveland, and to managers like Joe Gordon, and why.

The statement of Frank Lane, general manager of the Cleveland Indians, have been a puzzle for a long time. He has lambasted Joe Gordon, his manager, for a long time, even though Gordon brought the Indians along last this year, had them on top and kept them in contention most of the way. Lane was blasting Gordon even when the manager had the Indians on top. It would seem that Gordon had done a good job, to this writer. Cleveland wasn't supposed to win the flag this year. No one thought the Indians were the favorites when the season began and Gordon did well to get them on top and make them as tough as they were—all season.

Lane talked like Cleveland had been the favorite and for Gordon not to win the flag was a blunder. But, remember, the Yankees were supposed to win. And after them, most writers expected the White Sox and the Tigers to be in there, neck-and-neck.

It's true that the White Sox put the whammy on Cleveland and won the flag by being able to beat the Tribe. But that's usually the way pennants are won. You don't really deserve the flag quite as much unless you can beat the team to beat. That's why it is so strange to see, year after year, the Tigers whipping the Yankees and no one else. It was true again this year.

Cleveland played tough ball against the White Sox in most of the games they lost and even won their last three games, but by coming back to take the last two crucial games. But they had already lost to the Sox too often.

Now Lane said publicly he could name four or five managers who would do a better job at Cleveland than Gordon did, then made an about face and re-hired Gordon with a two-year contract.

Second place is not so bad, when you consider it—and look at Cleveland's last few seasons. There is only one notch above, as room for improvement and Gordon now has another chance.

THE REV. CHARLES BAGBY

## Prominent Speakers Will Address Teachers at MEA Regional Institute

Lansing—Region III of the Michigan Education Association—Monroe, Washtenaw, Jackson and Lenawee counties—will stage its annual Teacher's Institute Oct. 8-9 in Ann Arbor, according to Dr. E. Dale Kennedy, MEA executive secretary.

Billie Davis, who won national prominence for her role in the article, "I Was Hobo Kid," which appeared in the Saturday Evening Post, will use this topic for her presentation as main speaker for the Oct. 8 session at the University of Michigan's Hill Auditorium.

John Strandberg, MEA president and Detroit school teacher, will also address the first general session on "The Year Ahead."

Speaker for the second general session the following day will be

the Rev. Charles L. Bagby, minister of the First Congregational church, Jackson. Recipient of an honorary doctor of divinity degree, the Rev. Bagby will speak on "Peace Begins on Your Street."

Dr. Lynn Bartlett, state superintendent of public instruction, will also address the group on "Where There is No Vision, the People Perish."

Carroll Fortness, East Windsor high school, Jackson, is chairman of the conference. Executive secretary is Freeman Vaughn, Ann Arbor high school.

The MEA expects about 5,000 teachers from the four-county area to participate in the two-day conference.

## Ted Nixon Rates Starting Center on WMU Grid Team

Senior Ted Nixon, former Chelsea High star athlete under coach Ray Glasser, is again regular center in football at Western Michigan University this fall.

Presently weighing 218 pounds, he has been starting for two seasons, first as a tackle and last year as center.

Nixon and his teammates opened the current season Saturday afternoon, Sept. 19, at Central Michigan University, Mt. Pleasant, under coach Merle J. Schlosser, now in his third year at the helm. WMU lost that game, 21-15.

Last Saturday Western Michigan University was host for a game at the Kalamazoo stadium with the Miami University team of Oxford, O. WMU also lost this game.

Nixon's parents, Mr. and Mrs. Homer Nixon, and his brothers, Alton and Homer, attended the WMU-Central Michigan game.

Mr. and Mrs. Nixon also attended the WMU-Miami game but Alton and Homer, who are on the Chelsea High school Bulldogs team, had a game scheduled at University High at Ann Arbor.

and economy, too—

a gas dryer dries this big  
wash for less than 2¢

When it comes to making molehills out of mountainous loads of wash, nothing beats a modern gas dryer. Many things that otherwise need ironing come out fluffy and wrinkle-free, ready to fold. No lugging heavy baskets, no weather worries, when you own a gas dryer. And the ultraviolet sanitizing lamp gives the wash a fragrance like sunshine.

Savings? Plenty! A 9-lb. load, including heavy items like towels, dries for under 2¢. Dry at just 1/5 the cost—See the new gas dryers at your Gas Company or dealer showrooms.

## The Hi-Light

Edited by Students of the Chelsea High School Journalism Club

Co-Editors  
Jill Barkley and Tassy Cavadas

Oct. 2—Homecoming game with Manchester; homecoming dance following.  
Oct. 6—Assembly, Jack Bank.  
Oct. 8—MEA meetings in Ann Arbor; no school.  
Oct. 9—Game at Roosevelt.

The first GAA meeting of the year was called by current president, Linda Fisher, on Monday evening, Sept. 21. Other officers were chosen: Sharon Smyser for vice-president; corresponding secretary, Carol Dancer; treasurer, Marilyn Pail; point secretary, Nancy McCalla.

Mrs. Wanda Finch, advisor, announced that the awards for the previous year would be presented when the remainder of the awards are given.

GAA business meetings will be held every first and third Monday of the month, and are to be combined with fun nights. A social committee will be appointed to plan activities for the entire year.

Athletic Board officers this year are David Rowe, president; Charles Cameron, vice-president; Sue Steger, secretary; and Carol Cameron, treasurer. Board members were given the school athletic budget and asked to keep their respective organizations within its limits.

Season tickets were discussed, and a decision was made to forego the sale of season tickets this year.

Other Athletic Board members are Homer Nixon, Charles Kognu, Eddie Laubon, Phil McDaniels, Kay Runciman, Charles Koengeter, Marketa Young.

Varsity cheerleaders who were chosen in the spring of the year are Jane McLaughlin, Rita Schramm, Sue Wagner, Judy Summers, Kay Runciman, Linda Burghardt. Their first practice was held early in September so they would be ready for the Milan game. Jane McLaughlin was chosen permanent captain, with rotating captains for the games.

Journalism club is working on the production of the first "Butt-dog Barks," including subscription sale, individual sale, material to be included, etc. Prices were set up at \$1 per year and 15¢ single copies. Salesmen were appointed for various home rooms.

The Student Council has planned several assemblies, which are currently scheduled for Oct. 6, Jan. 6, and April 6.

President Roger Herman, Dave Rowe, and advisor Mr. Bergman attended a Student Council conference last Monday at Ann Arbor. They reported their findings at the meeting today (Oct. 1).

Ruth Prentice reported a balance of \$146.44 in the treasury after the records purchased by Tom Dunlap and Victor Blecharezyk were paid for. Dave Rowe, Vic Blecharezyk, and Roger Herman are on the committee to look into the possibility of buying a flag for the school.

The big name buttons that the Council has purchased, arrived yesterday and are scheduled to be sold soon for 25¢ each.

The Junior class at their last meeting discussed various projects for earning money throughout the year.

Candidates for the honor of being crowned Queen of the Homecoming are being sought by freshmen Loretta Wahl and Sandy Sharrard, sophomores Roseann Hiltz and Nancy McCalla, juniors Judy Summers and Judy Martin, and seniors Kathy Stephens and Judy Welch, who were nominated by vote of their respective classes. The girls will ride around the field between halves, but the selection and the crowning ceremonies will be held indoors in the school cafeteria during the homecoming ball afterwards. This is partly for the comfort of the girls and the enjoyment of the public, but is also being done to give half-time to the ceremonies for dedicating the football field and to avoid penalties on the team for unnecessary half-time delay.

The Library club has been busily discussing books, magazines, and different materials. The club discusses various ways of helping improve the library.

The club's officers are president, Dorothy DeFanti, '63, vice-president, Margie Hepburn, '60, secretary, Elaine Eder, '63, and Treasurer, Dorothy Martin, '63.

Members of the library have discussed taking field trips to some libraries in Ann Arbor, or the McKune Library in Chelsea.

Home Economics I is in the middle of studying personality, good grooming, and friends. Foods and their preparation will be a future project which the girls are looking forward to.

Second year Homemaking class is winding up a unit on canning and freezing. Those who have finished have begun working with woollens.

Dating, engagements, weddings, and marriage are a few of the things being taken up by Home Ec III class at the present time.

All Home Economics classes are happy to have Miss Doris Valk with them this year. It is agreed upon by all that she makes the subject interesting and appealing.

**NEW BOOKS IN LIBRARY**

Essentials of Russian (Reading-Conversation-Grammar), by A. V. Gronicka, is one of the new books added to the high school library in the area of Russian studies. Others are from Lenin to Malenkov: "The History of World Communism" by Hugh Seton-Watson, and "The Soviet Crucible: Soviet Government in Theory and Practice," edited by Samuel Handel. The magazine USSR Illustrated Monthly, published by reciprocal agreement between the governments of the United States and the Soviet Union, is also in the library.

Mr. Don Bussier, a Junior High Science and Mathematics Teacher, has offered to give beginning lessons in Russian to interested students.

A Navy career opportunity chart is on display in the library. This chart shows high school subjects needed to qualify for more than 50 different Navy ratings.

Mrs. Rodgers' class in Physical Science has been in the library to use reference books for information on Geology. The topic this past week was "Rocks and Minerals." Mrs. Finch's speech class

When you think of bottled gas, think of SHELLANE—only a few pennies a day to use

came in, on last Friday to do research on special topics assigned for credit.

Marilyn Pajot has joined the Library Club. Marilyn, a candidate for a state office in Student Librarian Assistants Association of Michigan last year, has been selected as Projects and Activities chairman. Jack Carpenter, a 9th grade student who transferred from Stockbridge, is the student librarian for first hour.

On Friday, Sept. 25, 289 books were in circulation. With an enrollment of approximately 375 students, library books are out to more than one-half of the student body.

## PARENTS VOLUNTEER

Mrs. Curtis Farley, Mrs. Edmund Kayser, Mrs. Carl Schwieger, Mrs. Fred Schumm, and Mrs. Bernath are among those who have volunteered to work in the school libraries. Additional helpers are needed to take care of the increase in the demand for materials and to supervise special groups. Interested persons may contact Miss Joan Wiese, school librarian, at the high school.

Throughout the USA nearly 70 per cent of employed persons ride to work in passenger cars.

## The Way the Ball Bounces

With Tom Johnston

Well, they won the BIG one. The Chelsea Bulldogs that is. Coach Al Conklin's young men came through with the bit win of the season in defeating Ann Arbor University High Saturday night at Holloway field, 7 to 6.

It was sophomore back Dave McLaughlin who battled his way over in the third period, and the same McLaughlin who fired a pass to Dale Ferris for the all-important extra point and the margin of victory.

On the wet field, the play of the line was the key to victory. The Nixon twins, Tackle Dave Rowe, Cameron, Ellenwood and Mayer, guards Irwin and Koengeter, and Herman and Ringe, the pivot men for the Chelsea eleven—these boys playing up front, did a good job of stopping the Griffen and Pete Andrews the Cub's two best backs. Andrews scored U. High's only touchdown when he blocked a McLaughlin punt and picked it up on his way to the end zone. The same Andrews missed the extra point, and the score was 7-6 where it remained the rest of the evening.

The Bulldogs will meet another tough foe this week when they take on the always dangerous Manchester Dutchmen. Manchester edged Pinekey 6-0 this week in the opener for Bill Baker's eleven.

In Friday's other league game, Saline upset Chelsea 12 to 7 as speedy back Bill Taylor scored two touchdowns in the second half. As the weeks go on in loop play, each team seems to be improving, and, while Chelsea certainly has so we need that speed to let the

favorite's role from here on in, they may have a couple of tough ones to get by before they step into the throne room. Saline is looking better each week. Dexter has been somewhat of a disappointment so far, and they know it. The Bulldogs and the Dreadnaughts are traditional rivals and that speaks for itself. And as I mentioned before, this week's game with Manchester could be a good one, even though Chelsea must be favored by at least one touchdown.

Wilson, Ferris, McLaughlin and Phil McDaniels all did a good job this week-end, and there is little doubt that the Cub's of U. High and Chelsea have the best backs in the league.

In other notes, I was somewhat disappointed in the quarterbacking of Stan Noskin in Michigan's game Saturday. He threw behind his receivers three times in the first half, all of the passes being intercepted. And that third period call, you know, the one where it was a third and five situation, they call time out and in comes Bennie McRae. Every pair of eyes in the stadium is on McRae, so who do they give the ball too? You guessed it, and he didn't make it. McRae was a real bright spot for the Wolverines this week, but I don't think he'll start Saturday against the Spartans. Bennie will see plenty of action though, as will John Staley, another fast tition. The sudden score, is Michigan back who sat out last week's action's only offensive weapon this fall. The line can't hold too long, and, while Chelsea certainly has so we need that speed to let the

boys through, and I'll bet you can look for sophomores John Stamos and Don Hannah both to see more action this week. Who will win the big one? Michigan State unless Bump performs, a miracle this week. Michigan will have a better chance at an upset too if Dean Look is unable to quarterback the Spartans. As they showed last week against Texas Christian, MSU is still hurting at the signal calling post.

On the high school scene, Chelsea over Manchester by 6 to 13 points, and Saline and U. High will keep winning.

## One Minute SPORTS QUIZ

1. Who won the LSU-Rice game?
2. Who won the Duke-South Carolina game?
3. Who is Joe Jay?
4. When is the Michigan State-Iowa game?
5. When is the Michigan State-Notre Dame game?

(Answers on page 9)

## 'Who Knows' Answers

1. Franklin D. Roosevelt in his first inaugural address.
2. In Saudi Arabia, on the Persian Gulf.
3. Rupee, India; ruble, Russia; Cruzeiro, Brazil.
4. Joe Louis.
5. Arthur Summerfield.
6. Battleships for states and cruisers for cities.
7. Alexander Dumas 'the Elder'.
8. In southwestern Oregon.
9. The Senate.
10. Cyrus West Field.

Last year Michigan motorists drove more than 81,000,000 miles each day.

## Hunting Safety Urged as Small Game Season Nears

Lansing—With zero hour approaching on Michigan's small game season, Conservation Department officials are urging sportsmen to set their sights on hunter safety as well as hunter success. There is ample room for improvement on last year's safety record which was marred when 12 persons were killed and 200 wounded by firearms during these small game seasons.

Department officials stress that the greatest menace to hunter life and limb during this year's seasons will be the victim's own gun or that of a hunting companion. Five hunters died last year from self-inflicted wounds and statistics showed that in 10 of the 12 fatalities, the victim was within 10 yards of the fired weapon.

As in the past, last year's casualties pointed out that the majority of accidents are caused by poor judgment and carelessness. Stray bullets and hunter firing misjudgments claimed four lives and wounded 101. Two hunters were killed and 12 wounded by careless loading and unloading. Three persons were fatally wounded while holding their weapons by the muzzle and clubbing game.

Other accidents were caused by careless fence or log crossing, careless handling of weapons, tripping and falling, defective weapons, and loaded weapons in cars, boats and tractors.

Hunters are reminded that shot-

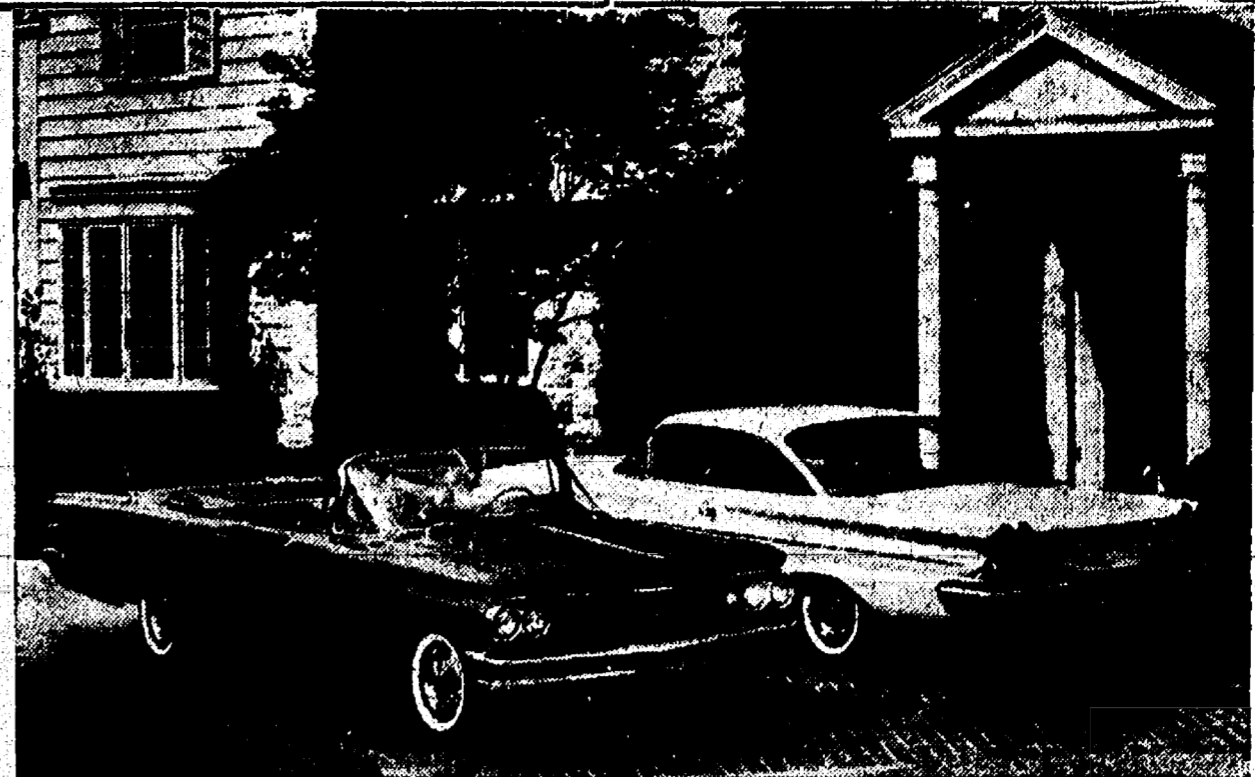

guns and rifles must be unloaded and either broken down, in a case, or in the trunk when they are carried in cars.

Observance of these rules will help hunters from becoming a 1959 accident statistic: (1) be sure of your target before you pull the trigger; (2) know what is beyond your target; (3) know where your companions are located; (4) always carry your gun so that you can control the direction of the muzzle; (5) never climb a tree or fence or jump a ditch with a loaded gun; and (6) know and respect Michigan's game laws.

### CABLES VS. WHALES

Washington—When a whale and submarine cable meet, the tangled results may spell disaster for the whale and broken communications for the telegraph company. However, the results may also mean additional information for scientists on how deep a whale can make.

Recent reports describe the finding of whale carcasses or remains entangled in cable brought up from depths of 3,000 feet. The maximum depth mentioned is 3,720 feet. Apparently the whales swim at these great depths in search of food. As they move through the water, jaws open and plowing through food-containing sediment on the ocean floor, the animals run the risk of collision with a cable. It also is possible that whales attack slack cable, mistaking it for food.

**PONTIAC'S NEW APPROACH** to styling is pronounced by the Bonneville convertible and the Ventura sport coupe, only two in a parade of 16 beautiful models introduced by Pontiac for 1960. Priced just above the Catalina series, the Ventura features special interior appointments, including seats trimmed entirely in Jewel-tone Morrokide. The Ventura is also available in a four-door hardtop Vista model.

## Ram Day Sale Scheduled Oct. 5 At MSU Pavilion

The use of a good ram is still the best way to improve a sheep program and to insure a profit from next year's lamb crop, livestock experts state.

Many sheep raisers have found Ram Day to be a good place to buy a ram. This event will again be held at the Michigan State University Livestock Pavilion, on Monday, Oct. 5, beginning at 10

a.m. At this time, leading purebred breeders in the state bring in their rams and place them in pens. Each ram will carry a tag giving its age, weight, and price. Buyers may select any ram they wish at the price indicated.

Approximately 200 rams will be on display at this ram "supermarket." All rams will be in-

spected before unloading and will have been dipped with lindane since June 1, 1959.

Large marketings have kept hog prices down in recent months. Prospects for 1960 aren't too bright either, says John Ferris, farm economist at Michigan State University.

## THANK YOU

I wish in this way to thank my friends and relatives for their calls, cards and gifts during my stay at the hospital and since I returned home. They were all greatly appreciated. Mrs. Ralph Collings.

## CARD OF THANKS

The patients of the Colonial Manor wish to express their appreciation for the flowers that are often brought to the home for their pleasure and enjoyment. Colonial Manor Nursing Home, Nellie Flood.

## CITY GETS THE BLUES

Luto, England—When blue rain began falling in the streets of this English town, the residents were baffled.

It was not until later that the cause of the mysterious rain was discovered. A nearby dye factory was being demolished at the time the storm came up. Large globes of dye were swept skyward by the wind and mixed with the rain, tinting it blue.

## Football Squad Turns in Team Victory over U. High

(Continued from page one)

High started a drive that reached Chelsea's 10 where the Bulldogs held after a U. High pass tricked off the hands of the intended receiver in the end zone.

The Bulldogs then moved to mid-field where the half ended in a 0-0 score.

In the second half the Bulldogs kicked off and again their rock-ribbed defense held and forced U. High to punt to the Chelsea 32. At this point the Bulldogs started a 68-yard march that was to pay off in a TD. Backs Phil McDaniels and Dave McLaughlin started to pound over their own tackles for four to five yards at a clip. Opening the holes on the right side were Charles Cameron, Don Ellenwood, and Dick Irwin while Chuck Koengeter, Dan Mayer and Homer Nixon were doing likewise on the other side. These short drives carried the Bulldogs to mid-field. Then QB George Wilson seeing the U. High defense sucking in to stop the power smashes of McLaughlin and McDaniels, faked to these men and slipped off tackle twice on keeper plays to move the ball to the U. High 35. Then McLaughlin swept his own left end behind Dalice Ferris block to the U. High 25. After a line play failed to gain McLaughlin swept wide to his right to move the ball inside the five. Four plays later McLaughlin cracked into the end zone over blocks by Center Roger Herman, Gary Dault and David Rowe.

Then came the key play of the ball game—the all-important extra point. Q.B. Wilson crossed up U. High who had massed their defense expecting a power smash by McLaughlin or McDaniels. However, Wilson pitched out to McDaniels who started to sweep to his right, stopped short and hit R.H. Dalice Ferris with a perfect pass for the extra point.

The Chelsea TD drive took up most of the third period. In the fourth quarter U. High started a drive of their own which reached the Bulldog 25 where Chelsea took over on downs. The Bulldogs then moved out to their own 38, where with about four minutes left they were forced to punt. The pass-front center was high and a U. High defender rushed in to block the kick. The ball bounced toward the Chelsea goal line where U. High's Pete Andrews picked up the loose ball and scampered in to score.

U. High attempted to kick the extra point but the holder momentarily bobbled the ball and then the middle of the Chelsea line blocked the kick. The Bulldogs took the following kick-off and moved to their own 40 where they were forced to punt which set the stage for the final hectic two minutes of play. The victory was certainly a team victory for Coach Al Conklin's hard-hitting ball club. The powerful running of Dave McLaughlin

and Phil McDaniels, the quarterbacking of George Wilson, and McDaniels' pass to Ferris for the vital extra point all stood out. But in the final analysis it was the rock and sock defense, that enabled the Bulldogs to keep the U. High "TD twins" Pete Andrews and Dave Griffin in check and was largely responsible for the victory. Turning in a truly outstanding defensive game was end Gary Dault and following close behind were linemen, Homer and Alton Nixon, Dave Rowe, Dan Ellenwood and Chuck Koengeter. Linebackers Roger Herman and Jerry Ringe and Backs Dave McLaughlin, Jim Maynard, Matt Murphy and Dalice Ferris. Also extremely pleasing to Coach Conklin and Line Coach Truman O'Doherty was the play of Sophomores, Jim Maynard and Al Schauer who filled in for Phil McDaniels who was used sparingly as a result of a shoulder injury received in practice last week. Schauer played offensively while Maynard saw his action on defense.

The coaches were also pleased with the performance of Charles Cameron who relieved regular end Alton Nixon who missed most of last week's practice because of illness. One other factor developed in the game as most sideline observers noticed that the Bulldogs appear to have improved, especially defensively, since their opener with Milan two weeks ago.

Tomorrow night the Bulldogs host Manchester in the annual homecoming game. Game time is 7:30 p.m.

## Methodist Home

(Continued from page one)

and the entire Upper Peninsula of Michigan. Between two and three hundred people customarily attend the open house. Residents of the Home will have on display at a bazaar held in the lounge in connection with the annual fall festival, the quilts and fancy work they have made during the year. Proceeds of the bazaar are designated for the Home's sewing room fund, used for the purchase of material for another year's work.

Residents may also exhibit their own handiwork items. Proceeds of the sale of these individual items go to the persons who made them.

The fall open house is one of the highlights of the year for residents, personnel and the administrative staff at the Home.

## County Road Commissions Responsible for 86,000 Miles of Michigan Highways

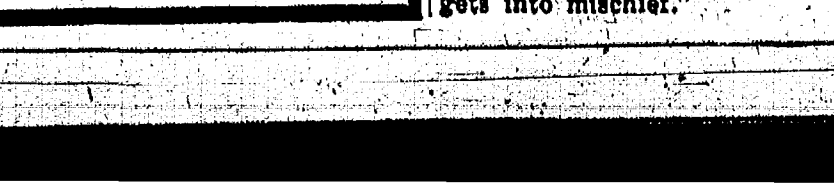

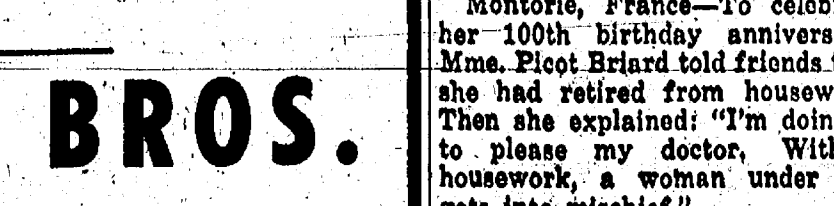

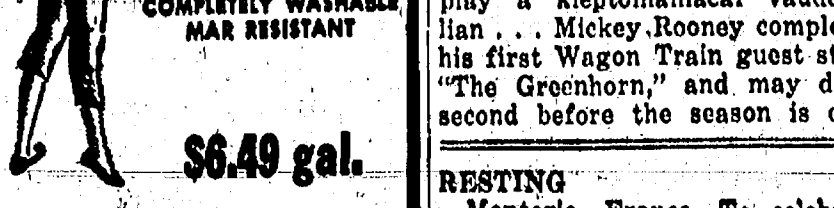

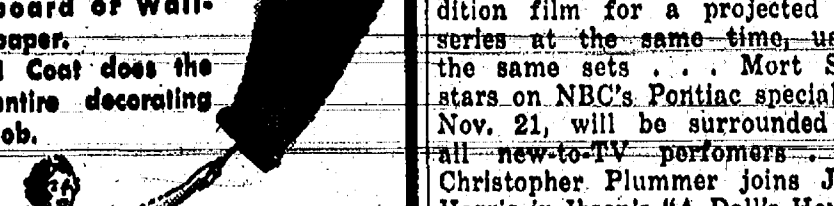

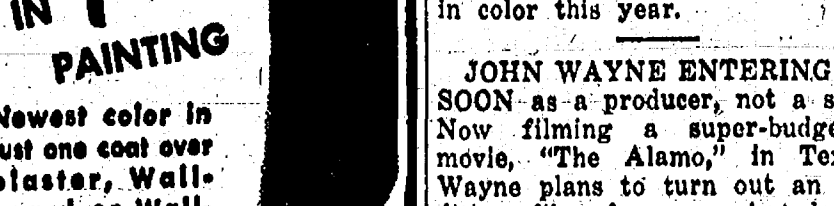

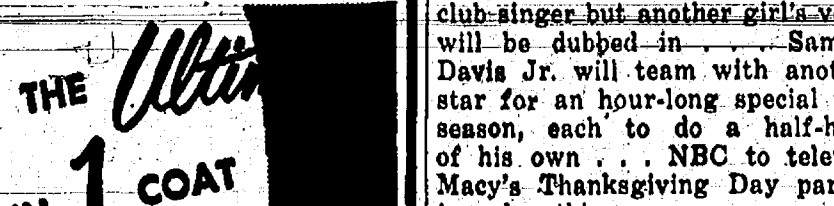

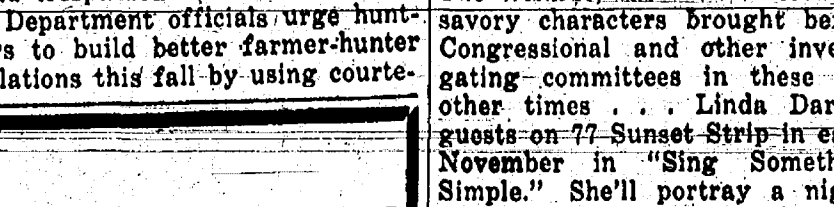

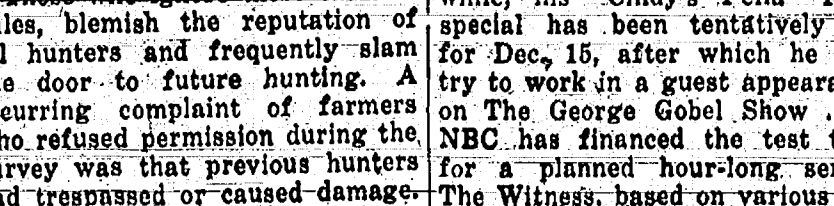

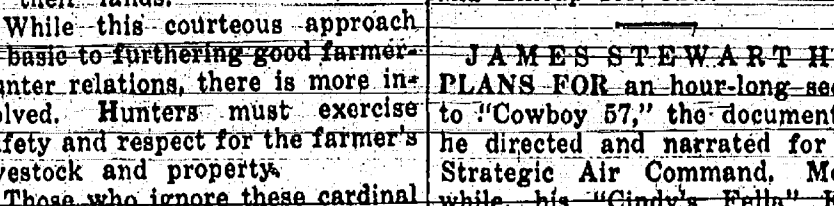

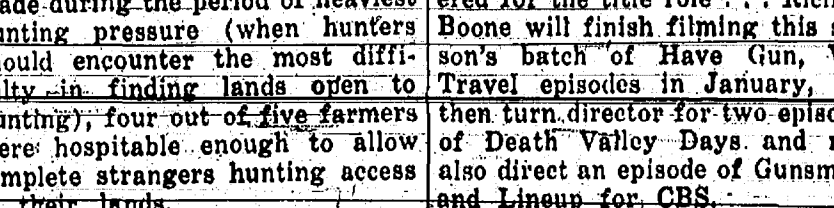

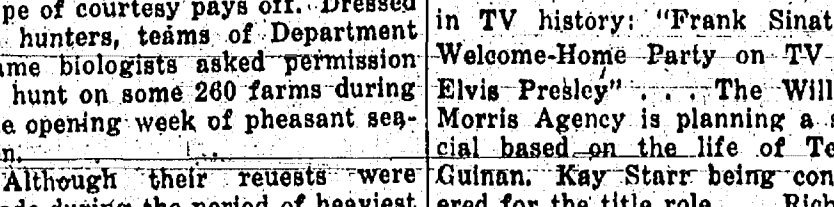

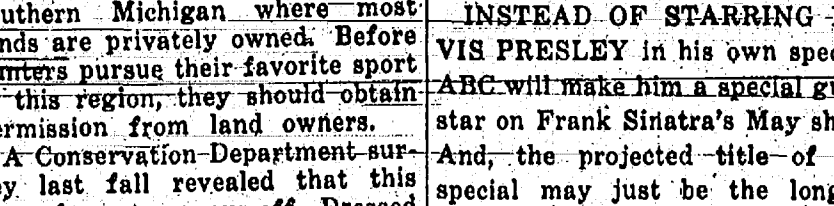

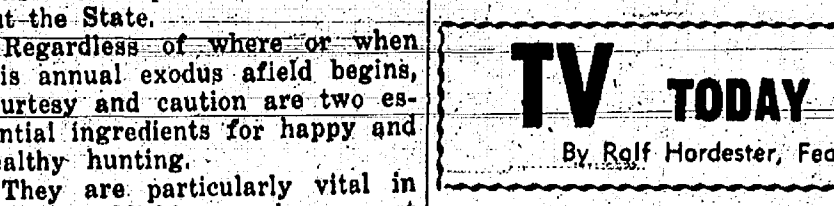

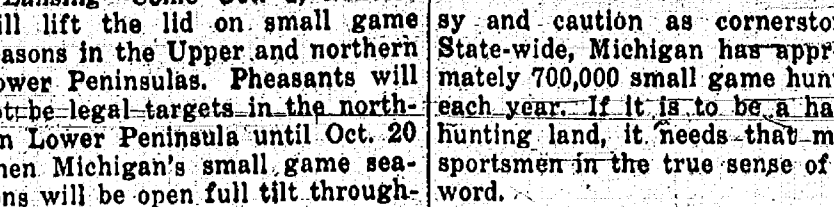

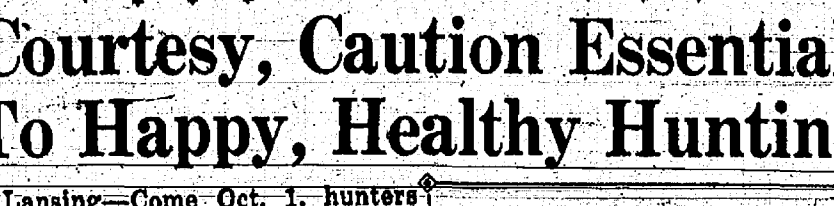

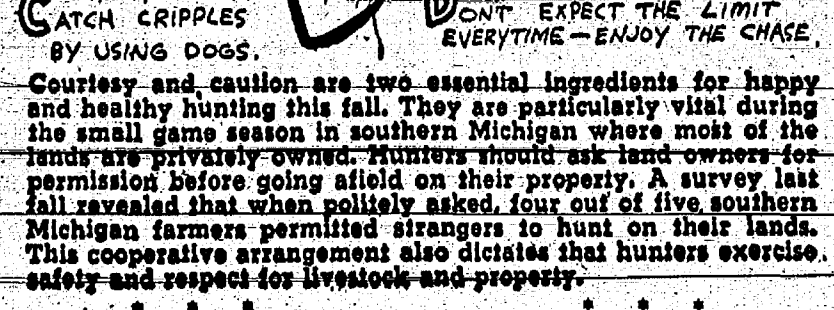

When under our 1908 Constitution, the first statutes were adopted giving responsibility to the county in the field of road building and maintenance, probably very few people foresaw the great size and importance that the county road system would reach by the year 1958. Today, 86,000 miles of roads, of the state's total of 109,000, are under the jurisdiction of 83 county road commissions. Since their inception years ago, county road commissions have undergone a tremendous change and re-organization to meet new and ever increasing challenges. Today, they are staffed by qualified and capable personnel, and undertaking tremendous tasks.

## PASTOR'S PATTERN

Parnell, Mo.—The Rev. Louis V. Hubbard, a Methodist minister, in announcing special services, concluded his mimeographed message with this sentence:

"If you can sin or play we want you to come and bring a special number." Of course, he meant to say "sing or play."

## Happy Hunting Land

## Donald Ruhlig Named Leader for Area Farm Census

Appointment of Donald L. Ruhlig of Dexter, as a crew leader for the 1959 Census of Agriculture was announced today by Field Director John E. Tharaldson of the Census Bureau's regional office at Detroit.

Ruhlig will direct a force of census takers who will canvass all farms in Washtenaw county. Before assuming his post, he will go to LaPere where he will receive five days of training by a member of the Census Bureau's staff. Topics to be covered include procedures for recruiting of census takers, census taker training, canvassing methods, preparation and submission of reports, and the supervision of census takers to insure a complete and accurate count.

The crew leader is one of the key people in the field operations of the Census of Agriculture. It is his responsibility to recruit and train the census takers and supervise their work; plan and allocate work assignments; review the work of the census takers and take remedial action where necessary, and to conduct difficult interviews.

After completing his training, Ruhlig will return to his district where he will spend several weeks recruiting census takers, and training them in preparation for the start of the field canvass on Oct. 28.

## PRODUCTION RECORD TOLD FOR ERKE HOLSTEIN

Brattleboro, Vt.—The Holstein-Friesian Association of America has announced the completion of an outstanding official production record by a registered Holstein cow owned by George and Ralph Erke. Their cow, Bess Julie Springdale, 4062990, produced 15,157 lbs. milk and 528 lbs. butterfat in 365 days on twice daily milking as a three-year-old.

Michigan State University working in close co-operation with the Holstein organization, supervised the weighing and testing of production as a part of the Herd Improvement Registry program.

## PAID FOR WORK ONLY

Folks who never do any more than they get paid for, never get paid for any more than they do.

## TV TODAY AND TOMORROW

By Rolf Hordestor, Feature Editor TV Guide Magazine

INSTEAD OF STARRING ELVIS PRESLEY in his own special, ABC will make him a special guest star on Frank Sinatra's May show. And, the projected title of the special may just be the longest in TV history: "Frank Sinatra's Welcome-Home Party on TV for Elvis Presley."

The William Morris Agency is planning a special based on the life of Texas Gurney. Kay Starr being considered for the title role. Richard Boone will finish filming this season's batch of Have Gun, Will Travel episodes in January, will then turn director for two episodes of Death Valley Days and may also direct an episode of Gunsmoke and Lineup for CBS.

JAMES STEWART HAS PLANS FOR an hour-long sequel to "Cowboy 57," the documentary he directed and narrated for the Strategic Air Command. Meanwhile, his "Cindy's Fella" Ford special has been tentatively set for Dec. 15, after which he will try to work in a guest appearance on The George Gobel Show. NBC has financed the test tape for a planned hour-long series, The Witness, based on various unsavory characters brought before Congressional and other investigating committees in these and other times.

Linda Darnell guests on 77 Sunset Strip in early November in "Sing Something Simple." She'll portray a nightclub singer but another girl's voice will be dubbed in. Sammy Davis Jr. will team with another star for an hour-long special this season, each to do a half-hour of his own. NBC to televise Macy's Thanksgiving Day parade in color this year.

JOHN WAYNE ENTERING TV SOON as a producer, not a star. Now filming a super-budgeted movie, "The Alamo," in Texas, Wayne plans to turn out an audition film for a projected TV series at the same time, using the same sets. Mort Sahl stars on NBC's Pontiac special on Nov. 21, will be surrounded by all new-to-TV performers.

Christopher Plummer joins Julie Harris in Ibsen's "A Doll's House" on CBS's Hallmark Hall of Fame Nov. 15. The two co-starred in last year's highly touted "Little Moon of Alban." George Burns' G-E Theater episode will be titled "Platinum on the Rocks." He'll play a kleptomaniacal vaudevillian. Mickey Rooney completed his first Wagon Train guest stint, "The Greenhorn," and may do a second before the season is over.

## RESTING

Montreal, France—To celebrate her 100th birthday anniversary, Mme. Floet Briard told friends that she had retired from housework. Then she explained: "I'm doing it to please my doctor. Without housework, a woman under 100 gets into mischief."

## PERSONAL NOTES

Mr. and Mrs. James Yoxall and daughters, of Detroit, were Saturday evening dinner guests of Mrs. Bertilla Forner and Mr. and Mrs. Keith Boylan. Afternoon callers were Mrs. Edward Hellmann and children, of Ann Arbor.

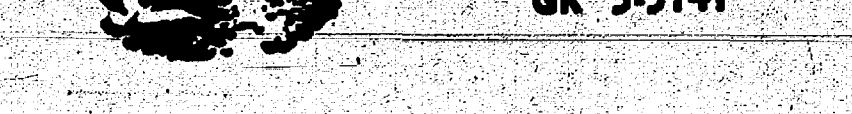

Mr. and Mrs. Elba Gage and Miss Lillie Wackenhut spent Sunday and Monday at South Haven as guests of Mr. and Mrs. Donald Barden.

## GOES OVER WITH BANG

Stillwater, Okla.—Police found three cylinder containers and took them to an oil well servicing company to see if they were explosive. They were. The windows of the company were blown out during the test.

## DRIP-DRY DOG?

Tuscaloosa, Ala.—Saved from a fearful scrubbing was a tiny Chihuahua dog at a laundry recently. An employee heard strange noises coming from a bundle of dirty clothes and found the dog inside.

## NEWS & HOLLYWOOD

Van Heflin is in Europe making "Jovanka" and has signed for another film with Producer Dino de Laurotis titled "Under Ten Flags."

It's the story of a naval officer in the last war who sailed under many different flags and sank many ships without a trace and apparently no survivors. Survivors, however, had been carefully landed on nearby islands. Van will make it either in Greece or Italy.

Joe Pasternak won't start "How Good Girls Get Married" until January. But he has already signed Gig Young, Peter Lawford, Debbie Reynolds, and Jimmie Rodgers, who will make his movie debut. The fellows will play young bloods of San Francisco; Debbie will be a secretary.

Milton Lewis, a talent scout at Paramount for 20 years, has moved to Columbia. His first discovery was William Baudel, who turned out to be Bill Holden.

George Englund is off to the Far East to find types for "The Ugly American."

Today's picture review:  
THE SCAPEGOAT

Moviemakers get two Alas Guinnesses for the price of one in this film version of Daphne Du Maurier's novel of the same name. There is also Bette Davis emoting in the best Bette Davis tradition as an impressively bizarre grande dame.

The plot involves two look-alikes who trade lives with each other, and the ensuing complications.

One is an English teacher of the French language, who pursues a rather drab and uneventful life; the other is a scally-wag-type French nobleman whose life is to put it mildly, rather colorful. The former is quiet, gentle and kind; the latter rakish, cruel and selfish.

Meeting by chance in France, and being dumbfounded by their amazingly similar appearances, the nobleman, by devious means, tricks the schoolteacher into assuming his identity, and then disappears.

Unable to persuade the family and friends of the missing man that he is not actually the man they think he is, he gradually assumes family and business responsibilities.

Suspenseful, as all Miss Du Maurier's offerings are, the climax is inevitable.

The supporting cast includes Pamela Brown, Nicole Maurey and Annabel Bartlett.

Unbelievable, as all Miss Du Maurier's offerings are, the climax is inevitable.

The supporting cast includes Pamela Brown, Nicole Maurey and Annabel Bartlett.

## Related in name and good looks—the new COMPACT CORVAIR and CHEVROLET

A strong family resemblance between the all-new Corvair and Chevrolet's conventional line of passenger cars for 1960 is evident in this unusual profile view. At 180 inches, however, the Corvair is more than two and one-half feet shorter, while its 105-inch wheelbase compares with 119 on the Impala Sport Sedan with which it appears.

Elegance and chassis refinements characterize the larger Chevrolet in an offering of 16 passenger models. The Corvair introduces an array of compact mechanical innovations designed to provide the riding and driving qualities demanded by the American buyer. The Corvair and conventional model will be in dealer showrooms Oct. 2.

Interior is ample for six passengers. Headroom from the passenger-depressed seat cushions, front and rear, measures a full 38.7 inches. Extension of the toppan forward gives almost 48 inches of legroom in the front compartment.

Importance of adequate luggage space has been recognized. Compartments under the hood and behind the rear seat provide more than 15.6 cubic feet of space. An optional folding rear seat-back brings the stowage area up to 28.9 cubic feet, about one foot less than the conventional-size Chevrolet.

Safety features range from the excellent steering, braking and directional stability to the broad expanse of safety-plate glass and rotary safety door latches. Front

Power train at the rear of the car. A light-weight six-cylinder "pancake" engine which uses a considerable amount of aluminum. Independent suspension of all four wheels including a "swing" rear axle. Unitized body construction. A virtually flat passenger compartment floor. Luggage compartment under the hood. Optional folding rear seat-back to provide more luggage space. Low center of gravity. Long cord tires. Airy super-structure. Airplane-type gasoline heater that gives almost instant passenger compartment warmth.

Among the many advantages are:

1. The rear engine provides a fore-and-aft balance in weight that is not practical in a front-powered car on a short wheelbase. Traction, braking and steering thereby benefit.

2. The usual driveline tunnel is eliminated by coupling the transmission to the engine at the rear. This permits a virtually flat passenger compartment floor and modish profile without sacrifice in headroom.

3. Comprehensive design and use of light-weight aluminum has resulted in an engine of superior efficiency. The engine is 40 per cent lighter than others of similar horsepower and gets from 25 to 40 per cent more miles on a gallon of gasoline than a regular cylinder engine.

4. Weight savings are manifest throughout. Air-cooling eliminates the need for a radiator and water-system accessories. (No antifreeze is necessary and boiling is not a problem.)

5. Unitized body construction offers a 60 per cent gain in torsional rigidity and a saving of approximately 60 per cent of the weight of a separate frame.

6. Suspension systems were designed to take maximum advantage of weight distribution. Unsprung weight has been reduced, particularly at the rear where a swing-type axle is used.

7. The flat engine design, with accessories at easy reach, may be readily serviced. Another asset to owners is the availability of 7,200 franchised Chevrolet dealers who will stock parts and accessories.

8. An optional automatic transmission and other convenience items are likewise directed to American tastes.

Around these achievements of a fresh engineering approach, Chevrolet has built a body with maximum interior room and minimum exterior bulk.

The result is a four-door sedan with six-passenger comfort with these dimensions:

Wheelbase, 108 inches. Overall length, 180 inches. Height, four feet, three inches. Width, 66.5 inches. Weight, 2,440 pounds, most 1,300 pounds less than more conventional-size cars.

The unique six-cylinder engine develops 80 horsepower at 4400 rpm. Bore and stroke are 3.88x2.6 inches and the displacement 140 cubic inches. Compression ratio is 8 to 1 and regular grade gasoline is recommended.

In addition to the standard model, a deluxe version is offered in the Corvair 700. The "700" features special bright metal trim and three color-keyed choices in upholstery fabrics. Exterior colors in either model include nine solids and seven two-tones, all in the long-glossing acrylic lacquers introduced in 1959 Chevrolet.

The 11-gallon gasoline tank is

located forward of the passenger compartment, below the floor, and is protected by front suspension massive crossmember. Oil capacity is four quarts.

In appearance, the Corvair carries the lithe, flow-lines of improved contemporary styling. The flat roof slightly overhangs the rear window. Hood and rear deck slope slightly downward. Sheet metal rounds inward below the bumper and along the sides to impart a modern "tailored" look.

Due to the unique cooling system, no grille is necessary at the front, where embellishments include chrome-bordered dual headlamps and the Corvair emblem. The rear deck is vented for engine air intake and a screened exhaust at the rear provides an outlet.

Jeff Spaulding, Gary White, and Dennis White passed on Morse code and first aid. Toby Freeman, Bob Snyder, and Jack Howard went over to the South school to have a board of review to see if they have earned their merit badges. Next meeting will be held on Oct. 4 at Mr. Adams' home. Gary White, scribe.

quarters are bulgurized for structural strength.

As an indication of exceptional vision, the windshield contributes 1,106 square inches to the total glass area of 3,881 square inches. The 16-inch steering wheel, with slender spokes and recessed hub, is mounted well below driving vision. Quick-eight instruments are hooded behind a single lens. The heavier rear end helps traction and aids control in the event of a skid. The 120.8 square inches of braking surface amounts to one square inch of lining to each 20 pounds of car weight, a ratio unequalled in many larger cars.

## Legal Notices

ORDER FOR PUBLICATION—Sale or Mortgage of Real Estate.

State of Michigan, The Probate Court for the County of Washtenaw.

In the Matter of the Estate of ERLIN L. NOTTEN, Deceased.

At a session of said Court, held on September 16, 1959.

Present, Honorable JOHN W. CONLIN, Judge of Probate.

Notice is Herby Given, That all persons interested in said estate are directed to appear before said Probate Court on October 14, 1959, at 1:00 A. M., to show cause why a license should not be granted to John E. Kuehn, Administrator of said estate, to sell or mortgage the interest of said estate in certain real estate described in his petition, for the purpose of paying debts.

It is Ordered, That notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in The Chelsea Standard, and that the fiduciary cause a copy of this notice to be served upon each known party in interest at his last known address by registered or certified mail, with proof of mailing, or by personal service at least fourteen (14) days prior to such hearing.

CORVAIR BY CHEVROLET! SMALL MIRACLE! THREE COMPACT CHEERS! FRIDAY!

QUIET REVOLUTION! ON DISPLAY FRIDAY! HOORAY! SMALL WONDER!

THE REVOLUTIONARY  
**Corvair**  
BY CHEVROLET

There's nothing like a new car—and no compact car like this de luxe Corvair 700.

Here's the car created to conquer  
a new field—Chevrolet's  
low-priced compact Corvair.  
The product of nine years of  
research and development at  
the auto industry's most advanced  
facilities, it's America's  
first truly compact, economical  
car that retains the ride and  
6-passenger comfort you're  
used to in a big one.The key to this small miracle:  
America's first and only  
modern rear-mounted aluminum  
engine—a lightweight 6  
that's so revolutionary it can  
be packaged with the transmission  
and drive gears as one  
compact unit.By putting the engine in the  
rear, Chevrolet has made the  
floor practically flat, front  
and rear. There's plenty of  
foot room for everybody,  
including the passengers in the  
middle.Shifting engine weight to the  
rear also makes for smoother,  
easier compact car handling  
and gives glued-to-the-road  
traction on ice, mud or snow.  
Corvair's size—some 5 inches  
lower, 2 1/4 feet shorter and  
1,300 pounds lighter than  
conventional sedans—makes  
it a joy to jockey through  
busy streets, a pleasure to  
park (no need for power  
assists). Its revolutionary  
Turbo-Air 6 gets up to 30%  
more miles on a gallon of  
regular (a real magician on  
milesage). And, because theAmerica's only car with an airplane-  
type horizontal engine! America's  
only car with independent suspension  
at all 4 wheels! America's only  
car with an air-cooled aluminum  
engine!The engine's in the rear where it  
belongs in a compact car!engine's air-cooled, you never  
have to fuss with antifreeze,  
you get quicker warmup with  
the less wear on parts even on the  
coldest mornings (even heat  
for passengers comes quicker  
—almost instantly—from an  
airplane-type heater\*).Yet, wonderfully practical as  
all this sounds, you'll find the  
most practical thing of all  
about this new Corvair is its  
remarkably low price. Yourdealer's the man to see for  
all the short, sweet details.  
**REVOLUTIONARY TURBO-AIR 6**  
Gets up to 30% more miles on  
a gallon, needs no antifreeze,  
provides quicker warmup with  
less wear on parts.**ONE-PACKAGE POWER TEAM**  
Wraps rear engine, transmission  
and differential together  
into one compact lightweight  
unit. Takes less room, leaves  
you more.**STYLING—PURE AND SIMPLE**  
Clean, uncluttered lines shape  
both 4-door models—the deluxe  
Corvair 700 and the standard  
Corvair. Each has its own distinctive  
trim, and you get more  
visibility area than in many  
full-sized cars.**FOLD-DOWN REAR SEAT\***  
Works easily, instantly adding  
to Corvair's versatility by  
enlarging rear seat cargo space  
to 17.6 cu. ft.**FLAT FLOOR**  
Corvair is America's only compact  
car with a practically flat  
floor, the only one with the kind  
of relaxing room that U.S.  
motorists are used to.**UNISTRUT BODY-BY-FISHER**  
Does away with conventional  
frame, incorporating all structure  
into a rigid body-frame  
unit that gives you more interior  
room with less weight.**UNDER-HOOD LUGGAGE  
COMPARTMENT**  
Trunk's up front (like an elephant's)  
where it's convenient for  
groceries, luggage.**4-WHEEL INDEPENDENT  
SUSPENSION**There's no conventional axle—  
front or rear. Wheels, cushioned  
by coil springs, take bumps independently  
of each other, for  
smooth, road-hugging ride.  
\*Optional at extra cost**Corvair**

Now! SYNCHRONIZED AIR-OIL CONTROL GIVES SUPER FLOOR HEAT at the turn of a dial!

fresh point of view...from Pontiac!

Another fresh one from Pontiac!

The inspired beauty of perfect proportion!

The precision control of Wide-Track Wheel Design!

The softer ride of supple suspension!

The wide choice of vigorous Tempest V-8 Engines tailored to economy or high performance!

The car craftsmen who developed Wide-Track Wheels, the innovation that brought a new standard of roadability to the American passenger car, present another fresh original for 1960!

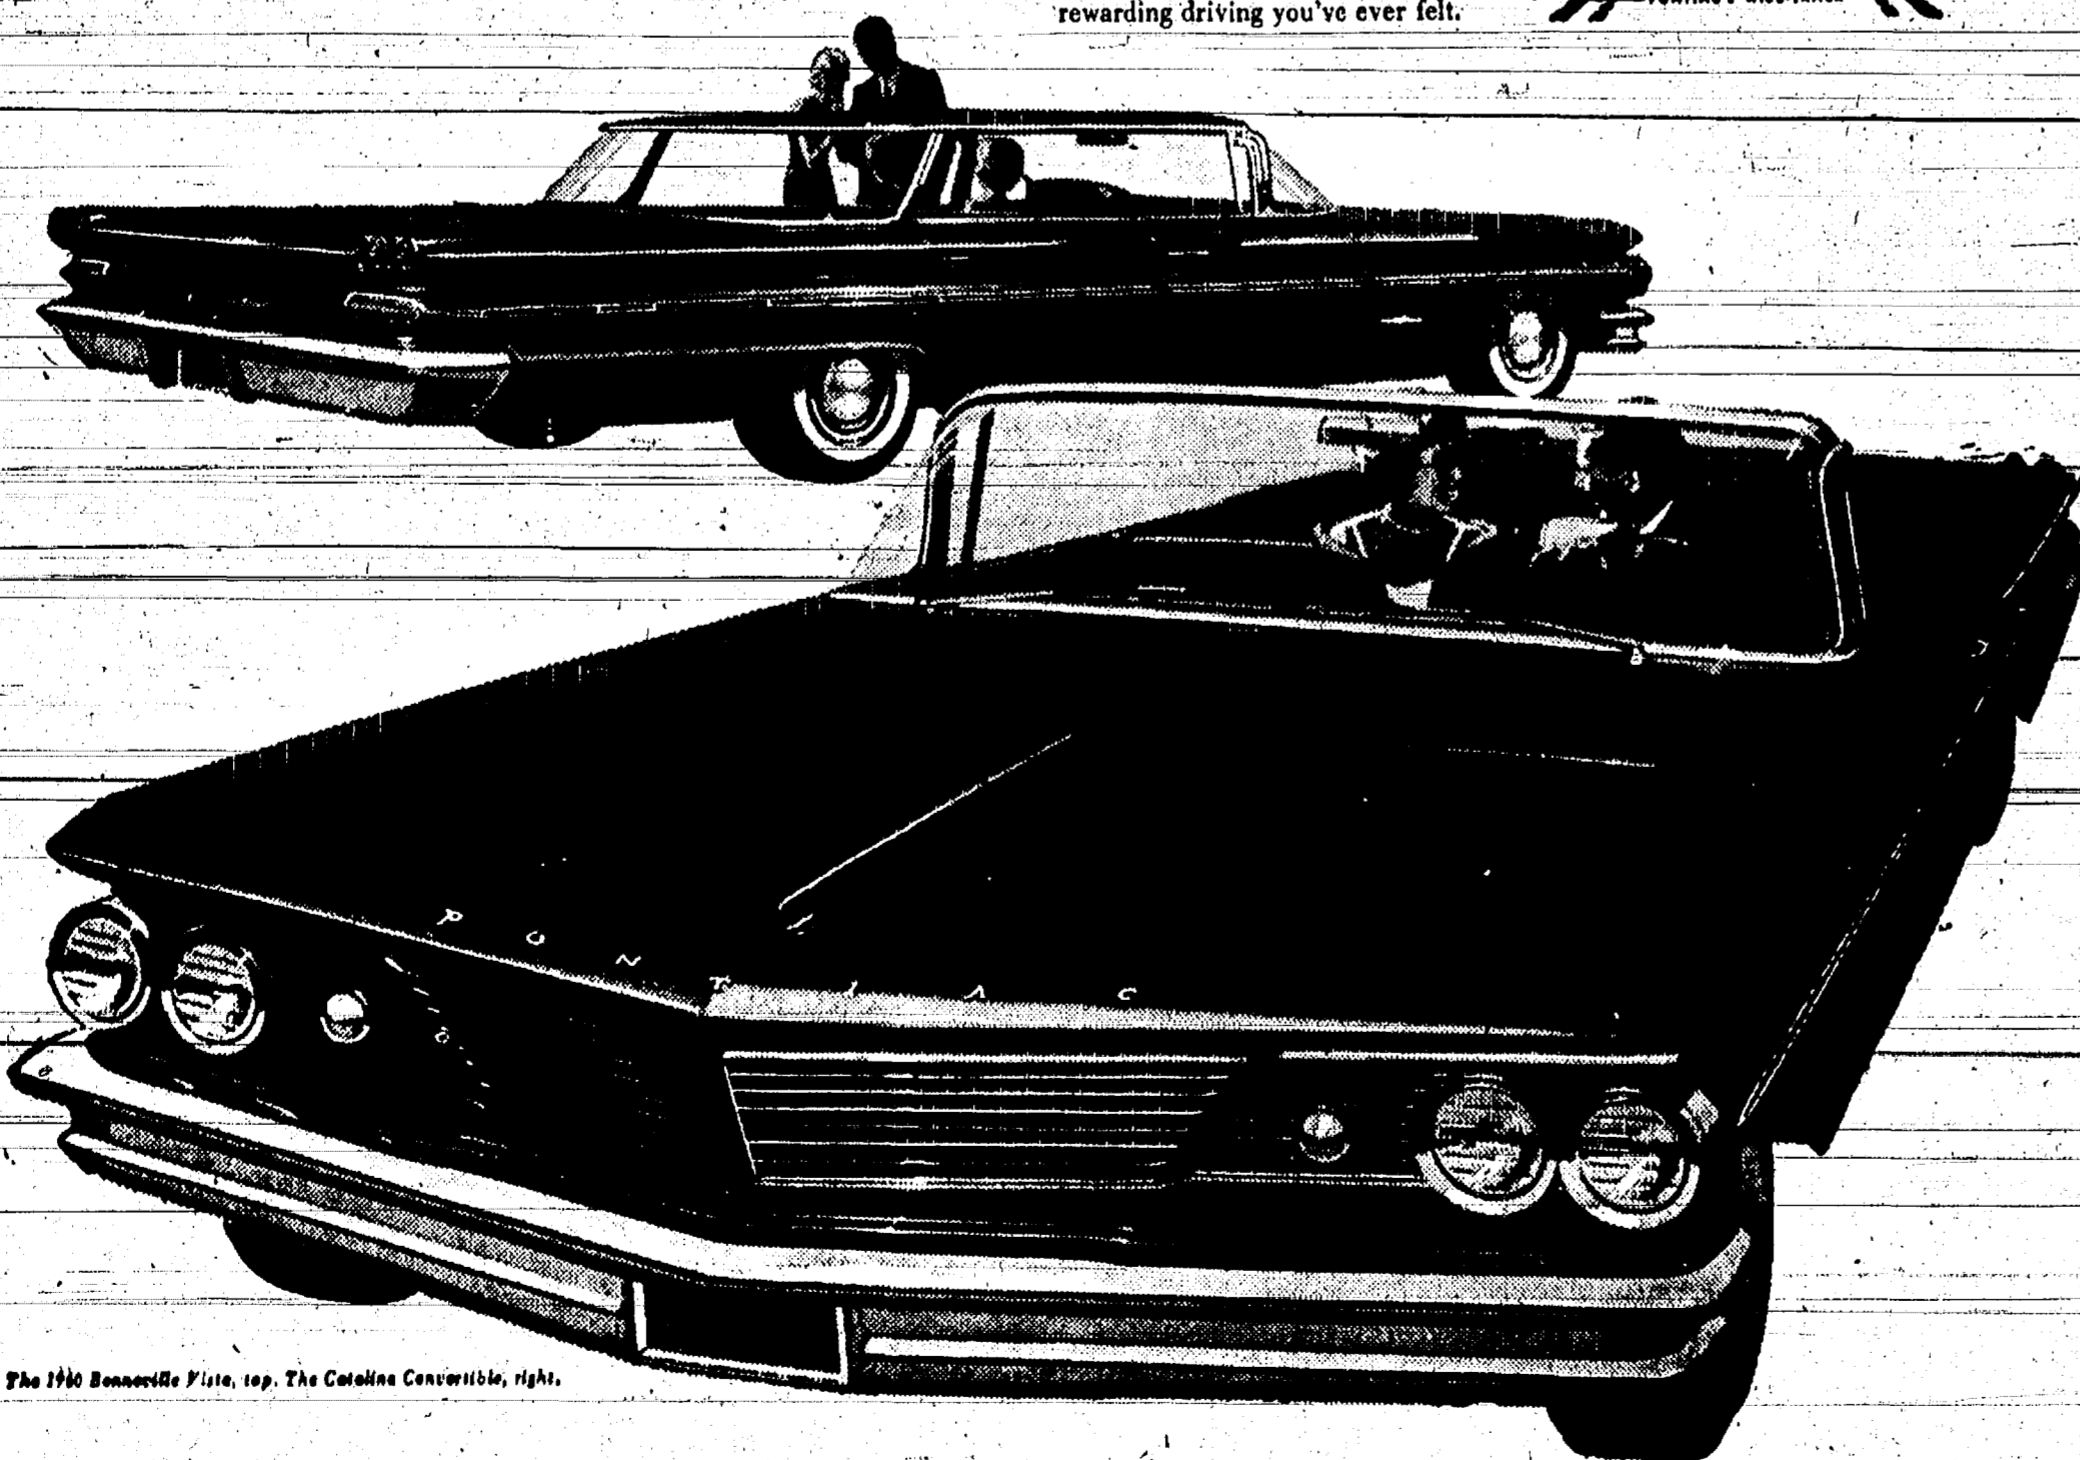

With clean, crisp lines they've composed a delightful rightness of form with unity and rhythm.

Into the proved principle of Wide-Track (wheels farther apart for a steadier stance) they've engineered an ingeniously improved suspension system. This combination of a firm foundation and supple suspension gives you flawless control, more skill in the fine art of driving, smooth stability, bump-yielding softness.

The power plant is typically Pontiac. A wide range of restless, ground-gaining power packages to choose from: All are husky V-8's, ranging from the frugal 425E economy engine that prefers regular grade gasoline to the fiery Tempest 425.

Haven't you been an admiring spectator of Pontiacs long enough? Isn't this your year to become a participant in Pontiac pleasure, to move up to Pontiac ownership, where the enjoyment is the fullest, where the point of view is the freshest?

Wide-Track Wheels give you swayless stability, solid comfort. You maneuver with skillful sureness, accurate control. It's the sweetest, most precise, most rewarding driving you've ever felt.

The 1960 Bonneville Vista, top. The Pontiac Convertible, right.

## Club and Social Activities

### ST. BARNABAS GUILD

The September meeting of the churchwomen of St. Barnabas (Guthrie) was held Thursday evening at the home of Mrs. E. W. Eaton.

The Rev. Allan Reed opened the meeting with a devotional service. A report of the Waldenwoods Workshop, Sept. 16 and 17, was given by Mrs. Chester Bowling, given by Mrs. J. MacDougall who said that seven members of St. Barnabas church attended.

Subject of the two-day conference was the Christian Social Relations theme.

A report of the Huron Valley Convention at St. John's Episcopal church at Plymouth was given by Mrs. J. MacDougall who said that seven members of St. Barnabas church attended.

Planning continued at the meeting for an expanded Christmas bazaar project under the chairmanship of Mrs. Chester Bowling.

It was announced that the next covered dish supper at St. Barnabas is to be held Oct. 8 with Mrs. David Colquhoun and Mrs. Karin Walfrid in charge.

The next meeting of Churchwomen of St. Barnabas will be held Oct. 22 at the home of Mrs. E. W. Eaton.

### Women's Fellowship Meeting To Feature Personality Panel

A "personality panel" will be a feature of the meeting of the October Women's Fellowship of the Congregational church.

The program will be in charge of Mrs. Elmer Lindemann and Mrs. Walter Plemeier for the Friendly Service department of the organization.

The meeting will take place at 8 p.m. Wednesday, Oct. 7, at the church, with Rachel Chapter in charge of serving refreshments.

Participating as members of the panel will be various women of the church who will take the part of representatives of the places where the Congregational women's special contributions known as "plus work gifts" will go in 1960.

### Bridal Shower Honors

Former Chelsea Resident Margaret M. Dumouchel

Chelsea friends of Margaret Mary Dumouchel who now lives in Melbourne, Fla., held a miscellaneous bridal shower Tuesday evening at the home of Therese Harker where they wrapped the gifts they had brought and packed them for shipment to the bride-to-be in Florida.

Hostesses for the novel affair were Therese Harker and Genevieve Wheeler.

Miss Dumouchel's marriage to James Hall is to take place in Florida on Nov. 14.

### ATTEND MEMORIAL SERVICE FOR MICHIGAN DEPARTMENT LEGION AUXILIARY OFFICER

Mrs. Ruth Christwell and Mrs. Howard Walz were in Detroit Monday evening to attend American Legion Auxiliary memorial services for Mrs. Catherine Wassall of Grosse Pointe, secretary-treasurer of the Department of Michigan American Legion Auxiliary. The service was held at 8 p.m. at the Verheyden Funeral Home.

Telephone Your Club News to GR 5-8581

### WOMAN'S RELIEF CORPS

At the September meeting of the Woman's Relief Corps, members voted to again provide a Christmas box for the patients at the Howell Sanitarium and Mrs. Winifred Coffron is in charge of receiving contributions for the project.

The meeting of the Corps, with 14 members present, was held Sept. 21 at the Cavanaugh Lake home of Mrs. Howard Walz. The gathering included a pot-luck dinner at 6:30 p.m.

The next meeting will be held Oct. 19 at the home of Mrs. Margaret Gilbert.

### SUBURBAN MOTHERS

Co-hostesses for the Sept. 24 meeting of Suburban Mothers Child Study club were Mrs. Walter French, Mrs. Jack Gilbert and Mrs. William Dehn at whose home the gathering took place.

There were 12 members and eight guests present.

During the business session, members voted to sponsor a Girl Scout troop in Chelsea and also made plans to send delegates to the fall Child Study clubs conference.

The next meeting of the club will be held Oct. 6, which is on a Tuesday, and Warden W. H. Bannan of the Jackson prison will be the guest speaker.

Tuesday's meeting will take place at the home of Mrs. Bill Robertson and co-hostesses will be Mrs. Ross Batzdorfer and Mrs. Warren Eisenbeiser. It was announced.

Entertainment at Thursday's meeting was a "white elephant" sale.

### List Needed Items For Needlework Guild Ingathering

For those who have asked for suggestions as to clothing most needed, as contributions for the Needlework Guild ingathering this year, a list of items was compiled as follows:

For boys—underwear shorts, sizes 4, 6, 8 and 12; underwear shirts, sizes 4 to 12; socks, sizes 8, 9, 10; mittens and gloves, for grades one to eight; jeans, size 6 to 14; shirts, sizes 4, 6, 8 and 10; T-shirts, sizes 3, 4 and 5.

For girls—slips, sizes 4 to 12; cotton pants, sizes 4, 6, 8 and 12; mittens and gloves, all sizes; dresses, sizes 4 to 10; skirts, blouses and sweaters.

Only items needed for infants this year are receiving blankets. Household items are towels and sheets.

Also welcome are money donations for the purchase of shoes.

This is the diamond jubilee year for the Needlework Guild which is holding its 75th ingathering.

An ingathering tea is scheduled here for Oct. 22, from 2 p.m. until 4:30 p.m.

The ingathering tea will be held at the Congregational church.

Mrs. Elton K. Musbach is chairman.

### WIDE AWAKE 4-H CLUB

An organizational meeting of Wide Awake 4-H club was held Sept. 19. Officers were elected as follows:

Margaret Kruse, vice-president; Barbara Wenk, secretary; and Judy Lindow, treasurer.

It was decided that business meetings would be held the first Saturday of each month.

### NORTH LAKE EXTENSION

North Lake Extension Club held its September meeting at the home of Mrs. Laurence Noah with Mrs. Grover Colby, Jr., as co-hostess.

Following the noon luncheon, 21 members and 6 guests, installation of officers was held.

Mrs. Reuben Lindemann, new chairman, presided at the regular business meeting. Club program and activities for the coming year were discussed and it was the desire of the group to again do some type of charitable work.

The Christmas Idea Open House will be held at the Court House in Ann Arbor on Oct. 12 and 13. Mrs. Carl Lesser would appreciate having the items for display from the North Lake Group by Oct. 11.

The next meeting will be Oct. 21 at the home of Mrs. Homer Stoffer. Roll call to be answered by ideas for fall bouquets.

### VFW Auxiliary Cites Boys for Aiding Jet Pilot

The Ladies' Auxiliary to Veterans of Foreign Wars Post No. 4076, had as a special guest at Monday's meeting the Sixth District president, Mrs. Georgia Crawford of Cement City. She acted as inspection officer.

Business transacted at the meeting included election into membership in the Auxiliary of Mrs. Norma Seyfried.

The group decided to honor David Rowe and Johnny Klink with citations for having given assistance and first aid to Lt. Albert L. Pruden, jet pilot who landed near here after parachuting from his plane which was accidentally shot down near Munith Sept. 14.

Reports of the VFW Pow Wow held in Lansing, Sept. 19 and 20, were given by those who attended.

Mrs. Alice Brady, Mrs. Iza Carty, Mrs. Thelma Franklin, Mrs. Mary Kniss, Mrs. Helen Harvey and Mrs. Geraldine Klink.

Those who attended the Sixth District meeting at Erie, Sept. 27, and gave reports at Monday's meeting are Mrs. Kniss, Miss Aida Juergens, Mrs. Franklin, Mrs. Klink, Mrs. Eulalie Packard, Mrs. Carty and Mrs. Janet Hutzel.

It was mentioned that Ren Hutzel and Fremont Boyer of Post 4076 also attended the district meeting.

Appointed by the president, Mrs. Franklin, to assist the membership chairman, Mrs. Janet Hutzel with the 1960 dues collection were Mrs. Packard, Mrs. Margaret Gilbert, Mrs. Hazel Dvorak, Mrs. Carty and Mrs. Anne Werner.

The hospital chairman, Mrs. Alice Brady, asked for donations of good used clothing for men, women and children, puzzles, magazines, etc., to be contributed to Ypsilanti State Hospital when she visits there this month. She said she will pick up donated items if those who wish to contribute will call her.

Mrs. Anne Geer tendered her resignation as treasurer and legislative chairman and it was announced election of a treasurer to fill the vacancy will take place at the October business meeting.

The local auxiliary voted a contribution of \$15 toward the purchase of furnishings for a house, mother cottage at the National VFW Home at Eaton Rapids and the business session was concluded with a report of the September social meeting held Sept. 14 at the home of Mrs. Dorothy Lentz.

In giving the report Mrs. Lentz said 36 members and guests attended.

The location of an October social meeting is to be announced later.

Monday's meeting was held at the IOOF hall.

### Homemaking Hints

Keep fresh corn sweet by keeping it cold, advise home economists. High temperatures turn the sugar content to starch in a matter of minutes. Buy corn that is cool and take it to your refrigerator. Plan to cook and serve fresh corn soon after purchase.

To make cleaning day as easy as possible, have your cleaning supplies organized and ready to go. Home economists say it helps to save a special closet, or section of closet, for cleaning equipment.

### Mary Lou Otto Becomes Bride of Ronald Chedester

Mr. and Mrs. Ronald R. Chedester, who were married Sept. 19 at the church of God in Howell, have returned from a week's stay at Tawas City and are now making their home on West Shaffler road, near Howell.

Mrs. Chedester is the former Mary Lou Otto, daughter of Mr. and Mrs. John Otto, 20330 North Territorial road. Her husband's parents are Mr. and Mrs. Earl Chedester of Howell.

The Rev. Allen Hancock officiated at the 6:30 p.m. ceremony in the presence of approximately 120 guests.

Soloist was Louis Wellman. He sang "I Love You Truly," "The Lord's Prayer" and "O, Promise Me."

For her wedding the bride chose a floor-length, princess-style white satin gown. Her veil was fastened to a crown-shaped headpiece of rhinestones and pearls and she carried a bouquet of red roses encircled with white sweetheart roses.

Edna May Robertson of Imperial, Pa., a cousin of the bridegroom, was the bride's only attendant. She wore for the occasion a ballerina-length gown of white lace over pink tulle. She carried white carnations centered with a red rose.

Alan Miller of South Lyon, was best man, and Glenn Miller and Ernest Chedester seated the guests.

Those who assisted at a reception held immediately after the ceremony at the home of the bridegroom's parents, included Mrs. Bernice Baker and Mrs. Grace Wencl who cut and served the wedding cake.

### Floyd Rodericks Honored on 25th Wedding Anniversary

Mr. and Mrs. Floyd Rodericks whose 25th wedding anniversary occurred Tuesday, Sept. 29, were honored Sunday at a surprise open house reception at their home.

Hosts and hostesses for the affair were their daughter and her husband, Mr. and Mrs. Donald Alexander, and their son and daughter-in-law, Mr. and Mrs. Gary Rodericks.

The daughter brought an anniversary cake which she had baked and decorated, topping it with the upper layer of her own wedding cake which she had preserved.

Mrs. Rodericks' corsage of red roses was the one she had worn at the recent wedding of her son and his wife.

Among the gifts received by the honored couple was a bouquet of wild blue gentians.

Guests present were from Pinckney, Howell, Milan, Jackson, Ann Arbor, Ypsilanti, Whitmore Lake, Manchester and this vicinity.

### Fire Prevention Week Is Time To Check For Home Fire Hazards

"A clean house seldom burns. Don't give fire a place to start!"

Fire Prevention Week which starts in Chelsea on Oct. 4 will have that basic message for everyone to learn and remember, Fire Chief Balmer announced today.

"Hardly a neighborhood in the entire nation escaped at least one destructive home fire last year," said Chief Balmer.

National Fire Protection Association records show that more than one-half million homes were hit in the United States. And all too often, fire brought death and injury in its wake.

"So our goal for Fire Prevention Week is to help make every home in this community safe from fire," Chief Balmer said.

"That means a concentrated attack on the spots in and around houses where fire starts—accumulations in attics, basements and closets, and any place there is trash and rubbish."

Check your heating equipment before winter puts it to hard work. It could be time to check that chimney too—a clean, tight one means fuel saving as well as fire safety.

"If you have an exhaust fan and dust over your kitchen stove, how long since it has had the greasy residue cleaned from it?" Chief Balmer asks.

"Above all, make sure that any portable oil heaters you have are clean and in sound working condition before starting them for fall. A dirty, defective one is as dangerous a thing as you could bring into your home."

"Don't give fire a place to start," he concluded.

More than 200 Michigan high schools were visited as part of the University of Michigan's accreditation program last year.

### THE NATIONAL OUTLOOK

BY RALPH ROBEY

### ★ How Serious Is Interest Rate Climb?

How much of a problem does the United States Government face as a result of the failure of Congress to lift, or remove, the 4½ percent ceiling on its obligations of five or more years' maturity? One answer is that the problem is serious enough to cause consideration of calling a special session of the Congress. But there is more to it than that.

When Secretary of the Treasury Anderson originally testified before the House Ways and Means Committee, he pointed out that since March 1942 there has been legal authority for offering bonds at a discount. That is, the Treasury legally can offer obligations with a 4½ percent coupon at whatever price is necessary in order to meet current market interest rates. However, according to the Secretary, the Treasury has not thought it appropriate to get around the ceiling in this manner.

Time For Re-appraisal? Is the Treasury correct in taking this attitude, or is it being a bit stiff-necked? What would be the effect of the United States offering obligations of more than five years' maturity at a discount? Finally, should the ceiling be circumvented in this manner, or would it be better to call back the Congress and try again to get the 4½ percent limit lifted?

As to the first of these questions, the Treasury was not merely being stubborn in its initial decision not to offer bonds at a discount. It was the financially honorable course to ask for a removal of the ceiling. And at the time there was every reason to assume that this request would be granted. With the advantage of hindsight it is easy to conclude that it would have been better not to be determined in opposition to offering bonds at a discount, but it is too late to change the earlier action.

As to the effect of offering United States obligations at a discount, the answer is that some of the opponents of higher interest rates might raise the question of whether such action is not contrary to the intent of the Congress. If that contention were upheld, the Treasury would be in a real mess.

If this argument was not made, one could feel sure that there would have been no real effect of such a discount offering. Canada, a short time ago offered bonds of less than two years' maturity at 94.65. These were 3 percent obligations—and at this price they give a yield of 6.61 percent. This is not taken as evidence that Canada is on the verge of a financial crisis; and the same would have been true in this country, at least it would have been before the Treasury announced it would not circumvent the ceiling in this way.

Rates Fluctuate Whether a special session of the Congress should be called is fairly easy to answer. If it were called and the ceiling was removed, it is unthinkable that a long term bond would be issued at present rates. Within the next, say, ten years we shall see lower interest rates, and no one as responsible as Secretary Anderson would consider obligating the United States Government to pay 5 percent or higher for a long period into the future.

Having lost the initial attempt to get the ceiling removed, and having publicly announced that it would not offer bonds at a discount, the Treasury has no real choice but to continue to rely on obligations of less than five years' maturity, upon which there is no ceiling.

### Ann Arbor Civic Symphony Plans 5 Public Concerts

With five concerts scheduled for the school year ahead, and the promise of three outstanding soloists, the Ann Arbor Civic Symphony is getting down to the regular weekly business (and fun) of its Tuesday evening rehearsals in the Instrumental Rehearsal room at the Ann Arbor High School. Rehearsals are from 7:15 to 9:30 p.m.

There are still openings for musicians who play any of the string instruments, or the bassoon, the French horn, the trombone or the drums. Mrs. James Robertson and Miss Ruth Davy, both members of the orchestra, are personnel co-chairmen, and will be pleased to talk to anyone interested in joining the group.

Dr. George C. Wilson, vice-president of Interlochen Music Camp and conductor of the orchestra for the past two years, will again be in the podium.

The public concerts, to be held with the exception of the June performance—in the Ann Arbor High School auditorium, will be Nov. 1, with Charles Fisher, pianist; Jan. 24, with Margery Schnell, harpist; March 20, with James Hering, pianist; April 24, with the Ann Arbor Civic Ballet; and June 1, the annual West-Park "Pop" concert.

### Deadline Extended on Rate Requests Under Conservation Reserve

Sept. 10 was the original deadline date for filing requests for payment rates under the 1960 Conservation Reserve program. However, due to several changes in the program, some of which have been approved by Congress and others that are still pending their approval, this deadline date has been extended from Sept. 10 through Oct. 9.

Therefore, if for some reason an individual was unable to request a payment rate by Sept. 10, he now has through Oct. 9 to contact his local ASC office and furnish them the required information to have such a rate established.

### NEW TRUCK FOR SCOUTS

At a meeting of the Executive Board of the Portage Trails Council, held in Milan, Tuesday, Sept. 22, Council President, Dr. Floyd Peyton, was presented the keys to a new Dodge pick-up truck. This truck was presented by Robert DeVee, chairman of the 1959 Free Fair and Robert Jones, president of the Milan Rotary club in behalf of the Milan Free Fair Board and the Milan Rotary club. Dr. Peyton accepted the truck and expressed appreciation in behalf of all the Scouts and Scouters of the Portage Trails Council, stating that the new truck was needed very badly and would be put to good use in behalf of the outdoor program for the Scouts of Washtenaw and Livingston counties. Grant Jones, Milan, Council Chairman of Camping and Activities, stated that others who contributed to the truck were Kenneth May, who built the rack, cleaned the truck and filled it with gas. Duane Schultz serviced the truck, T. G. Bodley painted the rack, and Horace M. Horton, did the lettering on the truck.

### UP AND DOWN HORSE CLUB

The Up and Down 4-H Horse club held its final meetings of the current year last Thursday and Saturday.

Thursday they met at the home of Rose Sharon Lutz and worked on reports.

The Saturday meeting was held at the home of the club leader,

### Herman Koenn. Club members

completed their reports and turned them in to the leader.

The club planned a trail ride in the Pinckney Recreation Area Sunday, Oct. 6, followed by a pot-luck supper.

Refreshments were served at both the Thursday and Saturday meetings.

## DEATHS

### Mrs. Laura Barber Was Life-Long Resident Of Waterloo Village

Mrs. Laura Barber, widow of Benjamin Barber, died Monday night at her home on the Munnich Waterloo road. She was 86 years old. The former Laura Hoffman, she was born at Waterloo, June 14, 1873, and was a life-long resident of the Waterloo area. Mr. Barber died more than 30 years ago.

Mrs. Barber was a member of the Waterloo Village EUB church and the Ladies' Aid Society of the church. She also was a member of the Henrietta-Waterloo Sewing club.

Survivors of Mrs. Barber are her son, Milton, at the family home; a granddaughter, Mrs. Ruth Ann Michael of 29 Palms, Calif.; two great-grandchildren and a brother, John Hoffman of Munnich.

The body is at the Cokesy Funeral Home at Stockbridge until noon today and funeral services will take place at the Waterloo Village church at 2 o'clock this afternoon, with the Rev. Dale Ferris officiating. Burial will take place in Mt. Hope cemetery, Waterloo.

### Mrs. Emma Richardson Dies at San Jose, Calif.

Mrs. Harold R. Parks of Jackson, received word Wednesday of the death of her aunt, Mrs. Emma Richardson of San Jose, Calif. Mrs. Richardson was the former Emma Schnackenberg and lived in Chelsea a number of years before making her home in California and had relatives and friends in Chelsea, Franciscan and the Waterloo-Grass Lake area.

## BIRTHS

A son, Michael Allen, Sunday, Sept. 27, to Mr. and Mrs. Charles Budoff.

Mrs. Elmer Pierce accompanied her sister, Miss Una Wenk of Ann Arbor, on a 12-day trip to Hammond, La., where they visited at the home of Mr. and Mrs. R. E. Lassiter. They visited points of interest enroute. Highlights of their stay in Louisiana were sight-seeing trips to New Orleans and Baton Rouge. They returned home last Friday.

Sylvester Weber who had been a patient at St. Joseph Mercy hospital, Ann Arbor, and underwent surgery there, has now returned home.

## PTA Area Council Meets Tonight at Pleasant Lake

Mrs. George Ellenwood, Mrs. Curtis Farley, Mrs. Walter B. Janowski, Miss Joan Weiss, Mrs. James Herman, Mrs. Carl Schwegler and Dr. and Mrs. Charles Miller will attend a meeting of the Western Washtenaw Area PTA Council which is to be held this evening at Pleasant Lake school. Mrs. Herman is treasurer of the council.

This is the first of four meetings which are to be held during the present school year. Dr. Carl Anderson is to be the guest speaker. He will discuss PTA budgets and fund-raising projects.

The Chelsea PTA executive board met Wednesday, Sept. 23, and approved a budget which is to be submitted to the membership at the next regular PTA meeting.

## Vandals Break Into Vacant Sharon Home

Vandals entered the Ellis home, residence at 17001 Grass Lake road over the week-end and practically wrecked the inside of the house. The place is owned by Mr. and Mrs. Mahlon Ellis of 2720 Textile road, Ypsilanti. Damage is estimated at several hundred dollars.

Deputies said a large wooden log was thrown completely through a rear window to gain entry to the unoccupied house. Once inside, the prowlers ransacked drawers and closets, upset furniture and knocked over lamps and tables. The telephone was spilt from the wall and food in the refrigerator was tossed on the kitchen floor.

Two shotguns, a radio and shells for the guns were taken.

## McKune Library Adding Children's Memorial Shelf

It has been announced by the McKune Memorial Library Board that at the September board meeting it was decided to add a children's memorial shelf at the library.

The same plan will be followed as that which is the rule for the present memorial book shelf for adults; however, books given for the children's shelf will be for the use of children or persons particularly interested in children.

Books for the new shelf may be given in memory of any deceased person; however, anyone contemplating such a memorial gift should consult a board member or the librarian before books are purchased.

It was also decided at the board meeting that the club room at the McKune Memorial Library may be rented for meetings for a minimum charge of \$2.50. The club room has facilities for serving light refreshments.

The Board of Directors room at the library is also available for meetings of smaller groups (maximum of 15 people).

This room is not equipped for the serving of refreshments. There is no rental charge for the Board of Directors room.

## Teachers Institute

(Continued from page one)

Washtenaw counties. The main theme of all 18 regional conferences in the state this year is "International Understanding."

Billie Davis, education lecturer and writer, will give the principal address at the first general session on Thursday. Her topic will be "I was a Hobo Kid." John Strandberg, president, Michigan Education Association, will discuss "The Year Ahead."

On Friday at the second general session Dr. Charles L. Bagby, minister of the First Congregational church in Jackson will speak on "Peace Begins on Your Street." Dr. Lynn M. Bartlett, state superintendent of public instruction, will speak to teachers on the topic, "Where There is No Vision, the People Perish."

Two of the 38 sectional meetings will be chaired by Chelsea teachers. Miss Mabel Fox, social studies teacher in Chelsea High school and president of Michigan State Teachers club, will be in charge of the MEA-NEA meeting on Thursday afternoon at 1:30 p.m. in Room B-104, Ann Arbor High school. John Starke, NEA field representative, will talk on "Education for International Understanding." Miss Johanna M. Weiss, school librarian, has arranged the library luncheon meeting at 12 noon on Friday at the Michigan Union. Dr. Irene Place, School of Business Administration, University of Michigan, will describe scientific management in libraries.

Former Chelsea school personnel on the MEA programs include John Griffin, vice-principal of Lincoln Consolidated School in Ypsilanti, and Albert C. Johnson, superintendent, Willow Run Schools.

BARTER SYSTEM Granite City, Ill.—Preferring barter to cash transactions, Melvin P. Pecher traded his old car—and 102 hogs—for a new car. The salesman who handled the deal then peddled the hogs.

## Deer Hunting Season Opens Today for Bow, Arrow Fans

Landings—Hunters will swing in to action Oct. 1 in northern Michigan with the opening of firearm seasons on small game and deer. In the southern lower peninsula the archery deer season also opens Oct. 1.

Last year's bag limits and season lengths will continue on ruffed grouse, pheasant, raccoon, rabbit, squirrel and woodchuck hunting. Pheasants will not be legal targets in the northern Lower Peninsula until Oct. 20 when small game season will be open statewide. Fox squirrels will again be protected in the Upper Peninsula.

For the first time in the State's hunting history, Hungarian partridges will be fair game under a "Hunting" permit issued by the Michigan Game and Inland Fisheries Department. But limits will be two per day, four in possession and eight per season.

Woodcock hunting seasons will run Oct. 1-Nov. 9 in the Upper and northern Lower Peninsulas and Oct. 20-Nov. 9 in the southern

Lower Peninsula. These cork-screw acrobats will be the first migratory game birds open to hunting in northern Michigan. Seasons on other migratory game birds, including waterfowl, begin at noon, Oct. 7.

Bears may be hunted with dogs Oct. 1-Nov. 5 above the Straits, Oct. 1-15 in the northern Lower Peninsula and Oct. 7-15 in the southern Lower Peninsula under small game licenses and special \$2.00 bear stamps.

Archers may hunt bears throughout the state Oct. 1-Nov. 5 under bow and arrow deer hunting licenses. Special bear stamps will not be required. Dogs are not permitted.

Archery deer seasons will run through Nov. 5 in northern Michigan and Dec. 15 in Allegan county. Archers may take only bucks with at least three-inch antlers in Emmet, Menominee and Chippewa counties—with the exception of Drummond Island.

Elsewhere, including Drummond Island, deer of either sex or any age may be taken by bow and arrow hunters.

Additional hunting information is included in the 1939 Michigan Game Law Digest which is available at license dealers and district field headquarters of the Conservation Department.

## Burton French Scholarship Fund Renewed at U-M

Among gifts, grants and bequests accepted by University of Michigan Regents at a meeting last Friday is the renewal for the 10th consecutive year of the Burton Arnold French scholarship for a student majoring in labor relations. The funds are contributed jointly by the Central Fibre Products Co., and Local No. 437 UAW-CIO, Chelsea.

A total of \$444,152.44 in gifts, grants and bequests were accepted at the meeting, including grants of \$54,000 from the Ford Foundation, New York; \$45,000 from the Rockefeller Foundation, New York; and \$31,622 from the W. K. Kellogg Foundation, Battle Creek.

The Kellogg Foundation also made a payment of \$23,622 representing the first installment on a five-year commitment of \$158,000, and a second grant of \$3,000 representing the third payment on a five-year commitment to the Medical School for training of teachers in the area of genetics under the direction of Dr. James V. Neel.

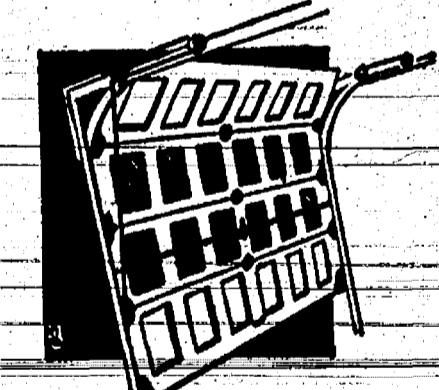

## 4 Killed in Crash . . .

(Continued from page one)

others left for Ann Arbor. She was located by officers at 10:30 p.m.

At 9:20 p.m. Saturday, 25 officers including all available deputies and state troopers from the Jackson and Battle Creek posts were sent to search the area where the accident occurred in the belief that the 10-year-old girl had been in the automobile with the other members of the family. The search was instituted after the Sheriff's department received a telephone call from Hastings stating that she had been in the car when the family left home. It was feared she might have been thrown into underbrush some distance from the scene and missed by rescuers. The search continued until 10:30 p.m. when word was received that the girl had been left with neighbors in Hastings.

Experience proves that if you leave too much to chance you won't have a chance.

## CHELSEA LUMBER CO.

## Community Chest . . .

needs and agency plans for the coming year. What you are being asked to contribute is based upon the recommendation of this committee.

You know you are being asked to raise only your "Fair Share" of state and national agency needs. The American Telephone and

Telegraph, co-operating with national Community Chests and Councils Committee, has worked out a quota system based on a number of giving-ability indices so that the amount each state is asked to give is in proportion to its ability as related to other states. A similar plan is used to assign the state quota to the various counties and communities in Michigan.

The Michigan United Fund is included in the 1939 Chelsea Community Chest budget for our fair share amount of \$2,147.00. This money will be apportioned among the 33 member agencies as follows:

Letter Writing Week Set for Oct. 4-10 By Postal Department

The 22nd annual Letter Writing Week will be celebrated in Chelsea during the week of Oct. 4 to 10, it was announced today by Postmaster Carl J. Mayer.

"I am sure we are all aware that a personal letter is, next to an actual visit, the most intimate and economical means each of us has to communicate with our fellow human beings. Accordingly, I urge everyone to 'write today to those away'."

Posters, depicting a mailman in a new postal vehicle called the mailster, will be displayed in post offices throughout the country. Colorful streamers, proclaiming that "Letters are fun to send and exciting to receive," will be displayed on postal vehicles.

Postmaster Mayer stated that the special week should serve as a reminder to write long-overdue letters to servicemen, hospitalized patients, foreign acquaintances, far-away friends and relatives, and others who will welcome a personal letter.

Offer 11 Enlistments From County Under Reserve Forces Act

Ann Arbor—Eleven enlistments in the Army under the Reserve Forces Act will be accepted from Washtenaw county in October, Sixth U. S. Army Corps announced today.

Major Charles P. Trickett, Reserve Coordinator for Ann Arbor, explained men from ages 18 to 25, inclusive, who qualify will begin six months active duty by Nov. 30. They complete their military obligation by assignment to an Ann Arbor Reserve unit for 5 1/2 years.

He said all applicants must pass physical examinations and aptitude tests at Fort Wayne, Detroit, to qualify. They cannot have any prior military service.

If accepted, the men will get their basic training at Fort Leonard Wood, Mo. After this two-month training period, they receive four months individual and unit training in military specialties either at that camp or one or more elsewhere in the United States.

Further information may be obtained at the Ann Arbor Army Reserve Center, 624 South Main street, Ann Arbor, or by calling this center. Normal hours 2-6:00 p.m. daily and 7:30 to 9:30 p.m. Tuesday, Wednesday and Thursday.

Dr. Paul's Mother Dies at Dayton, O.

Dr. and Mrs. L. J. Paul left Saturday afternoon for Dayton, O., after receiving word of the death of the doctor's mother, Mrs. L. R. Paul, following a long illness. She was 82 years old.

Surviving, in addition to Dr. Paul, is a daughter, Mrs. Max P. Baker, of Dayton.

Funeral arrangements had not been completed when the Pauls left here but they expected to return to Chelsea yesterday or today.
