VISITING MAYOR—WILLIAM Chandler, at right, as acting Chelsea village president pro-tem, is shown presenting to Stanton's Mayor Herb Baker the "key" to Chelsea at ceremonies in the Municipal building Monday morning. At the left is Mrs. Chandler, with Mrs. Baker. Others in the photo are Mr. and Mrs. Fred Hansen of Stanton and Village Clerk George Winans.

## Michigan Week Highlighted By Exchange of Mayors Day

Village President and Mrs. Donald Alber and President Pro-Tem and Mrs. Harvey Liksey, who spent Monday at Stanton, 125 miles north of Chelsea, in observance of "Exchange of Mayors" day, reported yesterday that they had a "wonderful time" and "were royally entertained."

Stanton's mayor, Herb Baker, and the mayor pro-tem, Fred Hansen, meanwhile spent the day in Chelsea. They were accompanied by Mrs. Baker and Mrs. Hansen.

With ideal weather prevailing, the program for the entertainment of the Stanton visitors, was carried out as scheduled here.

The day's program started at 10 a.m. when the reception committee met the Stanton mayor and his party.

The group then followed the Chelsea High school marching band, Chelsea Fire Department trucks and other vehicles to the Municipal building where the Stanton guests were formally welcomed and presented with a "key to the village."

The tour of the Chelsea High school followed, with the Stanton visitors especially interested since they are enlarging elementary facilities and planning construction of a new high school at Stanton.

The Chelsea Chamber of Commerce had a noon luncheon for the visiting mayor's group at the Congregational church and then the men in the group visited the Chrysler Proving Ground and Cassidy Lake Camp while the ladies toured the Chelsea Milling company and the Methodist Home.

Following the afternoon tour the party met at the home of Mr. and Mrs. William Chandler for a brief period of relaxation before going to the Methodist church where they closed the day as dinner guests at the Kiwanis club with Mayor Baker being the guest speaker at the meeting.

The Chelsea party met at the Stanton party met at Charlotte at 8 a.m. and had breakfast together there.

When the Chelsea group reached Stanton they were met at the city limits by Mr. and Mrs. Max Connelly. Connelly was chairman of Stanton's "Mayor-Exchange" program.

Also there to meet them were Mr. and Mrs. Eldon Adams and the Stanton school band to escort the party to a "coffee break" meeting with businessmen.

They toured the downtown area, visited a new bank building and the new elementary school; and were taken on an automobile ride around the area during the morning.

The school superintendent, Jack McConkey, told them of the addition of four rooms to the elementary school and plans for a new high school.

The Albers and Likseys were guests at the home of the city attorney and his wife, Mr. and Mrs. Homer Miels, before going to lunch at the Danish Kitchen where they were presented with gifts by City Clerk Otto Andrews.

President Alber was presented with a beautiful, lighted picture of falls similar to scenery in the area and Liksey was presented with a gold plate as a memento of the day.

Instead of the customary "key to the city," Albers was presented with a plaque designating him as honorary mayor of Stanton.

During the afternoon the Chelsea visitors were taken on a tour of the Michigan Consolidated Gas Company's storage installation at Six Lakes, outside Stanton; the Triebel apple orchards where trees were in blossom, presenting

### CD Officials Seek Count of Bonafide Fall-Out Shelters

Col. Gerald Miller, Sashtenaw county Civil Defense director said yesterday that his office is making a survey of the county to determine the number of bonafide family fall-out shelters there are, either in basements or in outdoor locations. He said he would appreciate it if people who have such shelters would notify him by calling the Civil Defense office in the County Building at Ann Arbor, NO 8-6819, or dropping a post card to Room 9, County Building.

He said he is interested only in determining the number now completed and ready for occupancy.

Col. Miller said W. J. Grossman, Civil Defense director in the Chelsea area has pamphlets describing such shelters, which he will give to anyone interested.

To screen out radiation, he explained, the shelter should have four walls of cement blocks or similar construction with a ceiling 8 inches thick, also of cement or block construction or a full three feet of sand and soil.

The pamphlet on shelters available from Grossman, gives detailed information on construction, supplies and ventilation facilities.

## Plans Complete for Annual Poppy Day Sales Friday

Veterans of Foreign Wars Post No. 4076, assisted by its Ladies Auxiliary, and Herbert J. McKune Unit No. 31, American Legion Auxiliary, have completed plans for their annual Poppy Day when representatives of both service organizations will sell poppies on the streets in downtown Chelsea from 9 a.m. to tomorrow.

VFW Auxiliary members sell the "Buddy Poppy," their motto for the sale being "Honor the dead by helping the living."

The sale is the only appeal made by the VFW for the aid of needy veterans. All proceeds of the sale are earmarked for a relief fund held in trust for rehabilitation purposes only and used for the welfare of needy veterans.

The crane paper poppies sold by the American Legion Auxiliary also are prepared by disabled veterans.

Mrs. Gorton said proceeds are designated for rehabilitation and child welfare work. One of the projects for which some of the proceeds are used is for the purchase of canteen books for hospitals.

Mr. and Mrs. Roy Carpenter of Indiana, were week-end guests of Mr. and Mrs. Richard Abdon and family. Mrs. Carpenter is a sister of Mrs. Abdon.

Chelsea High school's track team finished third with 31-4/15 points in Tuesday night's Washtenaw Conference meet. U. High won the championship with 56-112/120 to Saline's 56-81/120.

Chelsea Sophomore David McLaughlin emerged as the biggest point scorer of the meet as he accounted for 16 1/2 points. Dave won the shot put with a heave of 44 ft. to establish a new school record. (McLaughlin held the previous record of 43 ft. 1/2 inch.) His effort was also a conference record as each winner in the conference meet set a conference record this being the first meet of the new Washtenaw Conference.

Dave also won the 120-yd. high hurdles with a time of 15.4 seconds. He finished second in the 180-yd. low hurdles and ran on the fourth place 880-yd. relay team to finish with 16 1/2 points.

### GENTLEMANLY CONDUCT

Marshfield, Wis.—The gunman who held up a loan company in Marshfield evidently had a sense of pride. "If anything happens, be sure to tell the police I was a gentleman and did not hurt you," he told the woman clerk he robbed.

There are people in the world who judge everything by its banking.

Chelsea High school's track team finished sixth in last Saturday's regional track meet held at Eastern Michigan's Briggs Field. The sixth place finish was the highest ever recorded by a Chelsea team in a regional meet.

Three Chelsea boys accounted for all of the 19-1/7 points which earned the sixth place.

Dave McLaughlin took a first place in the high hurdles in the excellent time of 15.4, which is only 3-tenths of a second off the regional record and 4-tenths off the state record. McLaughlin also took second in the low hurdles with a time of 20.8 seconds.

Both of Dave's times are new school records, breaking marks McLaughlin already held.

McLaughlin's first-place finish in the 120-yd. high hurdles is believed to be the first one ever recorded in a regional track meet by a Chelsea athlete.

In addition to McLaughlin's nine points in the hurdles, Don Sexton took a third place in the broad jump with a leap of 20 ft. 5 in. for a new school record. Sexton held the old record of 20 ft. 2 in.

Both Sexton and McLaughlin qualified for the state finals to be held this Saturday at Central Michigan College at Mt. Pleasant.

In addition to the two boys who qualified for the state meet Dalce Ferris took a fifth in the 220-yd. dash, while Sexton tied for fifth in the high jump.

In addition, the Chelsea 880-yd. relay team, composed of Ferris, Larry Cattell, Don Sexton, and McLaughlin, set a new school record of 1:37.7 in finishing sixth. Sixth place does not receive any points, however.

Today's picture review:

TOBY TYLER

The young in years and heart could hardly ask for a pleasanter little circus film than Walt Disney's "Toby Tyler."

It's a folksy, old-fashioned story about a little boy who runs away to join a circus back in the good old days when circus troupes traveled in horse-drawn carts and visited small towns all around the country.

Our young hero starts out as assistant to a peanut vendor (a wily villain), and ends up as a bareback riding star. In his peregrinations he makes friends with a friendly clown, a gruff but very lovable strong-man, and, most especially, Mr. Stubbs—a prankish but lovable chimpanzee.

Ten-year-old Kevin Corcoran is likable in the title role; Marquis is a member of the Marquis family of talented chimps often seen on TV, is full of antics as Mr. Stubbs. Bob Sweeney is amusing as the villain.

The children especially will enjoy the many scenes showing circus performers in action.

#### Storage Payment Rates Set on Reseal Loans

The U. S. Department of Agriculture announced May 5 the revised storage rates to be paid farmers who hold price-support loan stocks in farm storage under resale for another year, during 1960-61.

The new yearly resale storage rates, with the former rates given after in parentheses, follow: corn, 14 cents per bushel (16 cents); barley, 14 cents per bushel (16 cents).

Reseal loans are approved in Michigan only on corn and barley this year.

These rates were set in line with amounts to be paid warehousemen for the storage of grain under the revised Uniform Grain Storage Agreement. They are 2 cents per bushel less than last year for corn and barley.

The rates will apply to resale and extended resale price-support loans for a full year's storage following support loan maturity dates this spring and summer.

Rounding the new uniform warehouse storage rates of 18.508 cents per bushel for corn and barley and 19.222 cents per bushel for oats, to the nearest whole cent—as is customary to get the resale rate—results in the reduction of 2 cents a bushel in the resale storage payment for corn and other grains in major resale areas, as compared with a nearly 3-cent average reduction in the new warehouse storage rates.

Farmers who utilize warehouse storage while commodities are under support loan will receive the benefit of the reduction in warehouse rates, on the same basis as the Commodity Credit Corporation on grain which it hold in its inventory.

Reseal programs for price-support loans on 1959-crop farm-stored grains have been announced for Michigan on corn and barley. In addition, price-support resale loans already in effect on 1958-crop corn and barley, 1957 crop, and 1956-crop corn can be extended by producers for another year.

Reseal programs have been made available by State Agricultural Stabilization and Conservation Committees on the basis of feasibility of safe storage for another year and of whether or not it will be advantageous to producers and CCC to have a program.

The two men gave detailed reports of the budget and the proposal for the millage needed for the functioning of the school district. The answers: (1. a, 2. a, 3. c.)

what's the real price of a quart of milk?

In terms of the average amount of work required to buy a quart of milk, the "price" is 70% less today than it was 45 years ago.

The real price of a quart of milk is measured by the amount of work—not the amount of money—required to obtain it.

In 1914, for example, the average hourly wage earner worked 22.9 minutes to earn the money to buy a quart of milk. (See table. Today's average wage earner works only 6.8 minutes to earn enough money to buy a quart of milk.)

In terms of the work required to obtain it, the same quart of milk "costs" 70% less today than it did 45 years ago.

Bargains like this are few and far between.

**Chelsea Women Attend Deany Meeting at Adrian**  
Six Chelsea women represented St. Mary's Altar Society at a Southwestern Deany meeting at St. Joseph's Parish, Adrian, Sunday. They are Mrs. Leon Chapman, Mrs. John Lyons, Mrs. Harry Lyons, Mrs. Herbert Roy, Mrs. Joseph Hafner and Miss Gertrude Young. Principal speaker at the meeting was the Rev. Fr. Joseph Femminio who has been delegated to be in charge of migrant work in Lenawee and Monroe counties. Topic of his talk was "Brotherly Love." The Rev. Fr. Femminio brought out the fact that this "brotherly love" is evidenced in many ways, giving as examples the volunteer work of six Ann Arbor doctors and six Toledo doctors who alternate to staff a clinic two nights a week to care for the migrant workers; the work of five volunteer nurses; and the assistance of two Marygrove College students who teach migrant children.

The Chelsea women took with them to the deany meeting the peanut butter, jelly and other items contributed during the past few weeks by St. Mary's church women for the migrant project. The food is used for noon lunches for the children of migrants taught by the Marygrove students.

### Miss Cora E. Simpson Was Medical Missionary To China for 40 Years

Miss Cora Eliza Simpson, former medical missionary to China for almost 40 years and founder of the Florence Nightingale School of Nursing, Christian Union Hospital, Foochow, China, died Saturday afternoon at the Methodist Home here after a long period of failing health. She had suffered a stroke five years ago. Miss Simpson was 80 years old.

Born Feb. 13, 1880, at Oberlin, Kan., she was a daughter of George and Rhoda Rosina Simpson.

She received nurses' training at Nebraska Methodist Hospital, Omaha, Neb., and was awarded a public health nursing certificate at Simmons College in Boston.

She went to China in 1907 as a medical missionary. The Florence Nightingale School she founded was the first school of nursing registered with what is now the Nurses Association of China. She often recalled that in 1907 when she arrived in China there were no Chinese women nurses; in fact, there was no word for nurse in the Chinese language at that time. When she left China in 1946, there were 14,000 trained Chinese nurses.

Miss Simpson was the author of a book about her experiences entitled "Joy Ride Through China."

She was a life member and registered as the No. 1 member of the Nurses Association of China at Nanking which she was instrumental in founding, and served for many years as the association's general secretary. In that capacity she was the official delegate to the International Congress of Nurses at Helsinki, Finland, in 1925, and at Paris, France, in 1933.

Miss Simpson was a member of the American Nurses Association; the International Council of Nurses at Geneva, Switzerland; St. Barnabas Guild for Nurses International; Nurses Missionary League International; and a life member of the American Red Cross.

She was a member of the Metropolitan Methodist church in Detroit when she became a missionary and returned there when she retired in 1946. She came to the Methodist Home on Feb. 5, 1948, and in 1954 transferred her church membership to the Chelsea Methodist church.

Survivors are a brother, James F. Simpson of Guide Rock, Neb., and a sister, Mrs. James Rupe (Mabel) of Tacoma, Wash., who formerly was a missionary worker in India.

Funeral services were held at the Methodist Home Chapel at 10:30 a.m. Tuesday. Officiating clergyman were the Rev. Scott MacDonald, of the Metropolitan Methodist church, Detroit, the Rev. S. D. Kinde of the Chelsea Methodist church, and the Rev. E. J. Weiss, superintendent of the Methodist Home. Burial followed in Oak Grove cemetery.

Arrangements were in charge of the Burghardt Funeral Home.

## 32 Big Loads Of Rubbish Hauled Away

Chelsea Public Works Department trucks hauled a total of 32 loads of rubbish and William Terna, who has the village rubbish and garbage contract, hauled eight loads during the grand scale rubbish pick-up the past week-end.

Working on the Public Works Department crew were Superintendent Kellie Allen, Parker Brown, Charles Hafner and Duane Downer, assisted by Ron Clark, son of Village Councilman Stephen Clark, and Councilman William Chandler. The crews started the pick-up at 6 a.m. Saturday and finished on Monday.

Among the items hauled away were old davenports, chairs, stoves, hot water heaters, leaves, cement slabs, stones, washing machines, bedsteads, and every conceivable kind of junk.

Another general community-wide rubbish pick-up will be held in the fall, according to present plans.

With the twice-a-year general pick-up of articles too large in size or volume to be included in the regular pick-up by the rubbish and garbage contractor, the rubbish situation should be well under control, according to village officials.

## CHS Baseball Team Loses Hitting Punch

Chelsea High school's baseball Bulldogs have suddenly become "puppies at the plate," and as a result have dropped two very important Washenaw Conference games.

Last Thursday Chelsea played at Dexter, and suffered a 2-1 loss after collecting just four hits. The only Chelsea run came in the fourth inning as a result of two Dexter errors.

Dexter got one run in the second inning on two errors and a walk.

### Protest Lodged

#### On Dexter Game

There may be a change in the results of the Dexter game, as formal protest has been registered with the State Director of Athletics. The protest is based on the use of a non-registered umpire who reversed a decision in favor of the home team.

and the winning run in the seventh inning on a walk and two hits.

Matt Murphy had two of the four Chelsea hits, while Glenn Miller had two hits for Dexter.

Homer Nixon, who pitched well enough to win, allowed five hits, struck out two, and walked five. Chelsea had one run on four hits with three errors, while Dexter had two runs on five hits and three errors.

Tuesday it was the same story all over, only this time Homer Nixon allowed just two hits to the Manchester Dutchman, a bunt single in the first inning, and a scratch single in the fifth. He struck out nine men and walked five. Manchester's Terry Ayers, however, overshadowed Homer's performance as he set the "Biteless Bulldogs" down without a hit, in registering his first no-hit, no-run game.

The game's only run came in the fifth inning, the Manchester fifth inning. After retiring the first man on a ground ball to short, Mike Higgins walked and Ayers followed with a pop single to left. With runners on first and second and one out, Homer struck out the next batter to relieve the pressure a bit. Then with runners still on first and second and two out, an attempted pick-off throw from the catcher to shortstop, went through and allowed the runners to advance. Homer then got the hitter to hit a bouncer to third which was not fielded and allowed the game's only run to score. The inning then ended as the next batter sent a fly ball to center field which Don Blalock gathered in for the third out.

Totals for the game were, Chelsea: no runs on no hits with two errors; while Manchester had one run on two hits and one error.

## Last Week's Mystery Farm Identified as Ernest Schiller Home on Fletcher Rd.

The Ernest Schiller family owns Mystery Farm No. 98 and Mr. Schiller has lived there all his life. The farm, located at 2820 Fletcher Rd., south of Chelsea, was purchased by his father, Michael Schiller, in 1890.

With the exception of an ice house, at upper right in the photo, the buildings were erected after 1917 tornado damaged or destroyed the original buildings. The ice house, severely damaged by tornado, was repaired and converted to use as a tool and storage shed. The building is visible behind new home.

Michael Schiller and his wife,

the former Christina Elsemann, were members of pioneer families in the Lima and Freedom township area. They had a family of six sons and four daughters—Julius, Albert, Emanuel, Robert, Ernest, Alfred, Minnie (now Mrs. Leon Eschelbach of Ann Arbor), Elfrida who is Mrs. Arthur Wacker of Manchester, Miss Dolia Schiller and Clara, now Mrs. LeRoy Heller of Chelsea.

Of the sons, Julius lives in Ann Arbor; Emanuel and Robert are deceased; Albert lives nearby on Fletcher Rd; and Alfred makes his home with the Ernest Schillers.

Mrs. Ernest Schiller is the former Melinda Wiedmayer. The Ernest Schillers and their sons, Gerald, 16, and James, 13, are members of Zion Lutheran church, Rogers Corners.

Gerald and James, both students at Chelsea High school, are active in 4-H club work and are members of electrical and sheep clubs.

The Schillers do general farming on the 158 acres and raise cattle, sheep, hogs and chickens.

According to early records of ownership the land was secured from the U. S. Government in 1837 by Manasseh B. Wellman. It changed hands many times until 1881 when Henry Wolf became the owner, and nine years later, sold it to Michael Schiller, father of the present owner. Ernest Schiller bought the farm from his mother in 1941; however, she continued to make her home there. She died in 1954.

People who recognized the farm and called The Standard office soon after the paper was published Thursday are the men at Blaess Elevator; Charles Curtis, Douglas Stark, Edwin Horning, Mrs. Ernest Schiller, Mrs. E. M. Elsemann, Mrs. Walter Beutler, Robert Schneider, Thomas Lounsbury and Paul Rothfuss.

When you begin to please everybody, it's time for you to examine yourself.

May 30—No school on Memorial Day.

Thursday, May 12, was a most unusual day at Chelsea High school. First-hour classes did not meet, as the time was used to complete pre-enrollment forms for next year. School seemed unusually quiet without the presence of the members of the class of 1950, who were taking their annual "skip day." During the afternoon, a large number of eighth graders from St. Mary's and the Chelsea Public schools came to visit, and later in the afternoon the annual award assembly was held to honor those underclassmen who gave service or achieved recognition of some sort to bring credit to their "alma mater."

The band participated in the annual Mayor's Day parade, feeling privileged to play for Mr. Hubert Baker from Stanton, the visiting mayor. They played "Hail Hail"

and "Our Boys Will Shine Tonight."

The day following the spring concert, the band will go to Merced and present the identical concert. After the concert and parade, the band will busy themselves with preparations for the graduating ceremonies. They will play for class night June 14, and for commencement, June 15. Eighth graders will play for those two dates with the senior band, in the absence of the seniors.

Several boys have been trying out for the drum major's position which will be vacated by the graduation of Jon Harris. Among the boys trying out are Marvin Fischer, Lennis Beach, Dale Smith, Jim Fite, and David Kephart.

French Club held a dance for senior high students April 30. Chaperons were Mr. and Mrs. Flora and Mr. and Mrs. Alfred Smith. The club also held a business meeting on May 18. A discussion was held to evaluate the success of the preceding dance—the planning, development of the plans, and the ultimate success or lack of success. The next meeting is scheduled for May 26.

Latin club held its annual "Roman banquet" May 10. Toga, Roman style furniture, Roman menu centered around shrimp, held the center of the stage. Guests were Mr. and Mrs. A. Smith, accompanied by their daughter, Susan. Entertainment was provided by Carol McCarthy and Dave Talbot—a Roman style polka.

Mr. Charles Lane, CHS principal, announces that under the provisions of the National Defense Education Act of 1948 and in cooperation with participating colleges, universities and the National Science Foundation, highly concentrated programs for talented high school students and teachers are to take place during the summer of 1950.

Of thousands of applicants, little over 10 per cent are admitted to these partially or fully endowed programs.

Daniel Mayer, a junior, qualified for math and science institute at Northern Michigan College in Marquette (The Superior College for Superior Students on Lake Superior Shores).

Carol Cameron, also a junior, has been invited to participate in a similar math and science institute at the Michigan State University campus in East Lansing.

Mr. William Hunter, biology teacher, will attend Radiation-Biology Institute in Montana.

Mr. George Bergman, counselor, was selected for special training program in the identification of gifted students in the Summer Guidance and Counseling Training Institute at the University of Missouri.
