Manly Roosevelt

Homecoming Game

Friday night Chelsea High's boys' basketball team, after scoring three times as many points as their opponents, defeated Manchester 13-0 in a homecoming game. The Bulldogs, coached by Coach Alton Nixon, played a poor first half against the Manchester team, but in the second half they came out with a vengeance and scored 13 points in the second half to win the game. The Bulldogs' defense was excellent, holding Manchester to zero points throughout the game. The Bulldogs' offense was led by Dave McLaughlin, who scored 10 points, and Alton Nixon, who scored 3 points. The Bulldogs' defense was led by Dave McLaughlin, who scored 10 points, and Alton Nixon, who scored 3 points.

## Chest Campaign Kick-Off Lunch Set for Oct. 17

The Chelsea Community Chest campaign to raise \$10,237 for the 1961 budget, begins with the customary kick-off dinner Monday, Oct. 17. In announcing the campaign plans in last week's issue of The Standard, officials had given the date of the luncheon as Oct. 18. Invited to be present for the kick-off luncheon are all solicitors, all area captains and workers, members of the Community Chest board of directors and everyone who has a part in the campaign. The luncheon will be held in the dining room of the Congregational church. Luncheon arrangements are in charge of A. D. Mayer.

Jack Wellnitz, 1961 campaign chairman, has arranged to have all campaign material ready for distribution to workers at the kick-off luncheon. The campaign continues through Oct. 31.

## Kiwanis Club Will Honor 80-Year-Olds

A. D. Mayer, in charge of the program at the Kiwanis club meeting Monday evening, introduced Jeffrey Spaulding and Jack Howard, Boy Scouts who attended the international jamboree at Colorado Springs last summer, sponsored by the Kiwanis club. They gave an interesting, detailed account of their trip to and from the jamboree and their experiences while there.

Mayer's son, Daniel, who served as an assistant Scoutmaster at the jamboree, narrated pictures of the jamboree shown at Monday's meeting. Guests at the meeting, held in the social center of the Methodist church, were Roland Spaulding, William Howard, William Adams, who is Troop 76 Scoutmaster, Glenard McLaughlin and Ward Tupper of Dexter who extended an invitation to the Dexter Kiwanis club's birthday party, and Lyle Hackett of Mt. Clemens.

It was announced that Chelsea club members—A. D. Mayer, Loring Bates and R. F. Niehaus—were planning to attend an inter-club meeting Tuesday evening at Grosse Pointe, Ontario, Canada.

The Kiwanis club will honor octogenarians of the community at the Oct. 10 meeting. H. T. Moore, program chairman, has requested that members and friends co-operate by notifying him if they know of men who have reached the age of 80 and thus are eligible to be guests at the special night honoring the "senior citizens."

Miss Sarah Benter, who had been a patient at Mercy hospital, Jackson, for a week, is now convalescing at the home of her sister and brother-in-law, Mr. and Mrs. Floyd Rowe.

**GUN HANDLING TAUGHT**—Taking turns at two of the five trapshooting stations at the Chelsea Rod and Gun Club grounds Sunday afternoon were James Patterson at left, with Al Kleis as instructor, and James Schneider with Ralph Guenther demonstrating. The men were among

Rod and Gun Club members who assisted as instructors at the trap shoot which was part of the Conservation Department sponsored hunter safety course in which more than 100 young people participated. The final class session was held Tuesday.

## Register Today To Vote; Final Date Is Next Monday

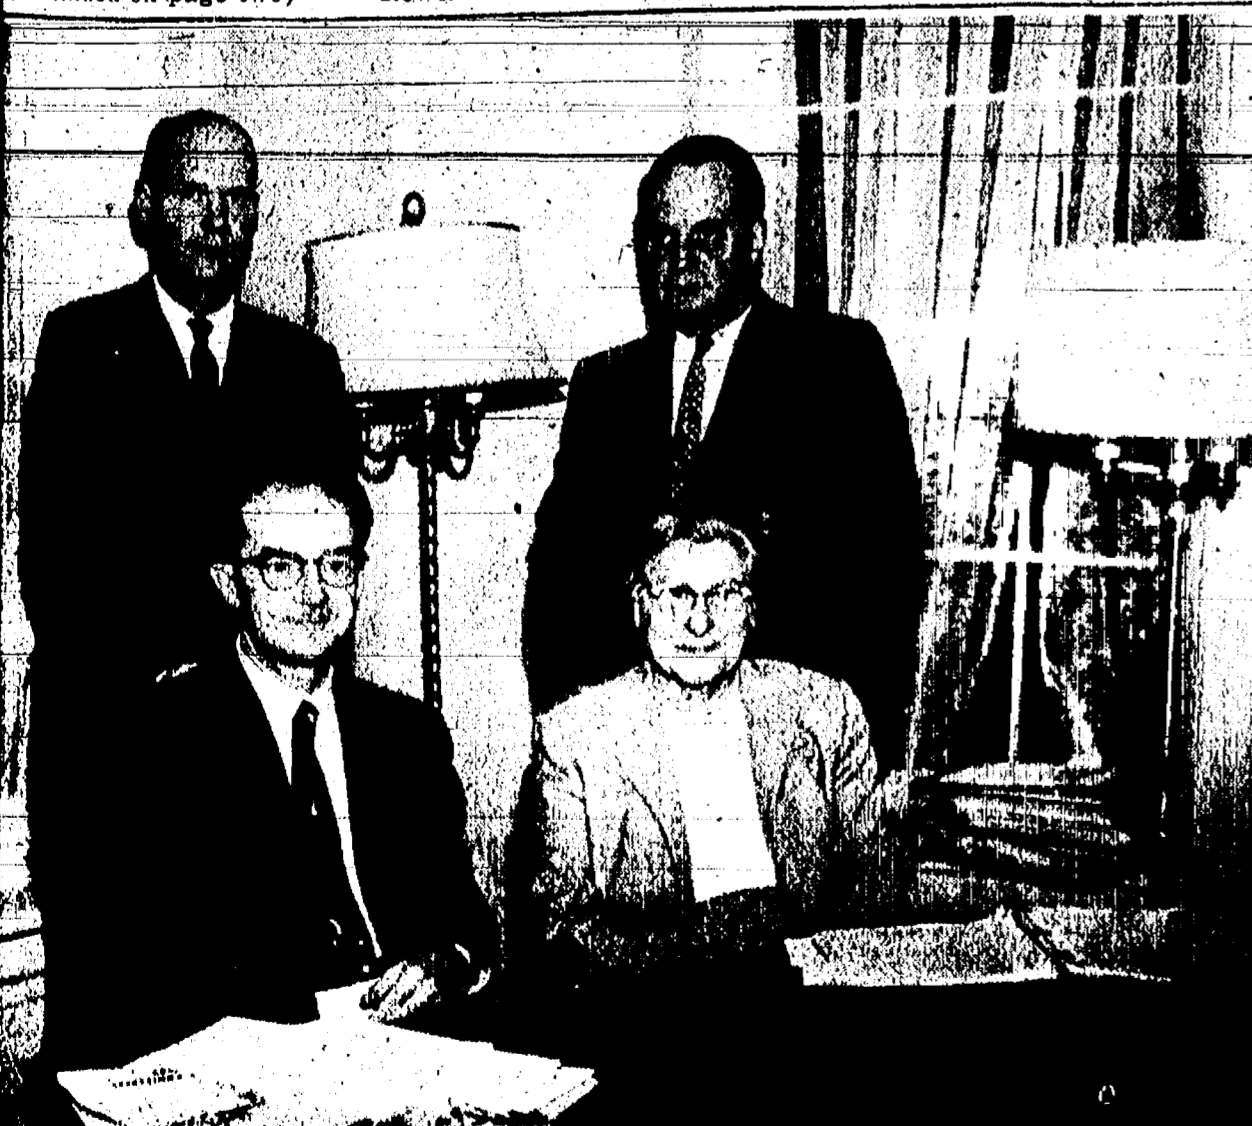

Monday, Oct. 10, is the final day to register for the November presidential election. Official registration notices of townships in this area are published in this issue of The Standard. The notices state times and places where residents of Lyndon, Lima, Sharon, Dexter and Sylvan townships should register.

Chelsea residents are again reminded that they must be registered with their township clerk in order to be eligible to vote in the presidential election.

Registration with the village clerk is for village elections only. Madison street is the dividing line between Lima and Sylvan townships. Those living on the east side of Madison St. and all of Chelsea east of that line must register with the Lima township clerk, Ralph J. Stoffer. Those living on the west side of Madison St. and all of Chelsea west of that line must register with Richard Kern, Sylvan township clerk.

## Dr. Engelke Named President-Elect of State Medical Society

Dr. Otto K. Engelke, Washtenaw county health director, was named president-elect of the Michigan State Medical Society at its 105th annual meeting held in Detroit, Tuesday, Sept. 27. Dr. Engelke will take office next year. Dr. Kenneth H. Johnson of Lansing was installed at the meeting as president for the present term.

**HISTORICAL SOCIETY MEETS**—Approximately 75 persons attended a meeting of the Washtenaw County Historical Society at McKune Memorial Library Thursday evening and heard Harold (standing, at right) give an interesting talk relating to cemeteries in this area. His history to be included in the Society's next publication of material pertaining specifically to Washtenaw County. Standing at left in the photo is Dr. J. V. Clever, Chelsea vice-president of the society, who aided at Thursday's meeting. Seated are Dr. Clever, the society's Ann Arbor vice-president and director of the U. of M. Michigan

1. Steer shall be purchased by the steer club member on or before Nov. 15.
2. The steer shall be purchased by the member as he sees fit, bearing in mind the ideal weight at market time.

It was announced that interested in joining the steer club may proceed to fulfill the requirements for club membership and contact either Norbert Merkel at Merkel Brothers store or Stephen Hayden at Chelsea High school. The Chelsea Steer Club was

## Rummage Sale Set for Week-End

Chelsea Knights of Columbus has scheduled a rummage sale for tomorrow and Saturday, at Sylvan Town Hall and Denny Murphy, general chairman, says a great variety of items will be on sale. Some of the more unusual articles contributed for the sale are an old style fanning mill and a large music box which uses perforated metal disc records. Clothing, shoes, furniture, household furnishings and other record players are among the items on hand for the sale which begins at 9 a.m. tomorrow.

Hours tomorrow are 9 a.m. until 9 p.m. and on Saturday, 9 a.m. until 3 p.m. Proceeds of the sale are used for the Knights of Columbus community service projects and for its contributions to Boysville at Macon.

## Adult Education Classes Forming At High School

Charles Lane, Chelsea High school principal, has had inquiries regarding adult education classes here for the 1960-61 school year. He said interest has been shown in art and commercial subjects. Principal Lane pointed out that a class in any subject desired (except driver education, may be formed providing an adequate number of students apply. The cost of each course depends upon the number of people who enroll. Tuition fees must cover the cost of instruction as well as a maintenance cost for the building. The adult education program will be entirely self supporting because of the absence of state assistance and a limited local budget. Anyone interested in adult education should fill out the convenient form which may be found on page 1 of this issue of The Standard and sent it at once to Charles Lane, care of Chelsea High school.

## Jaycee Barbecue, Fall Color Tour Expected To Serve Many Visitors

### Boy Scouts Will Pick Up Used Books

Next Monday, Oct. 10, Boy Scouts of Troops 25 and 70 will call at Chelsea homes to pick up any books that residents may wish to contribute for a used book sale to be held Oct. 14 at McKune Memorial Library.

The used book sale is being sponsored by Chelsea Friends of the Library with Mrs. Robert Daniels serving as chairman.

Proceeds of the sale are to be used to supplement library funds for current expenses and for the purchase of new equipment and books.

In addition to used books, antiques of various kinds will be offered for sale.

Local art talent will be on display; area authors will be invited to be present; and various exhibits will be arranged.

Sale hours are to be from 1 p.m. until 9 p.m.

People who have books or antiques to contribute may call Mrs. David Soule, GR 9-2474.

All kinds of books are acceptable for the sale—paper backs, old books, novels, children's books, comics and feature magazines such as National Geographic, etc.

Boy Scouts will distribute leaflets explaining about the sale when they canvass the community for contributions.

### Suit Seeks To Close Sharon Dump

Suit was filed in Circuit Court, Ann Arbor, Wednesday, Sept. 28, by the Sharon Township Board and by several area residents in an attempt to close the Sharon dump, operated by Mr. and Mrs. William Ternes on the Ternes farm at 18921 Lehigh Rd.

Ternes is the garbage and rubbish contractor for Chelsea. He also collects and hauls rubbish and garbage from Saline and, under a subcontract, from Dearborn.

The suit as filed asks the court to issue an injunction restraining Ternes from operating the farm as a commercial dump and requiring the defendants to bury all rubbish and garbage now on the farm.

Plaintiffs in the suit, in addition to the township board, include Donald Irwin, Mr. and Mrs. Floyd Brand and Elmer Lehman.

A hearing, scheduled for Tuesday, was postponed until Oct. 14.

Mrs. Donald Rowe entered St. Joseph Mercy hospital, Ann Arbor, on Tuesday for observation.

Phinis Case is a patient at Veterans hospital, Ann Arbor, and underwent surgery there on Friday.

### Plea Issued for More Volunteer Library Helpers

Mrs. Carl Schwieger, chairman of the PTA school library volunteers committee, said yesterday that she is making "a serious plea for mothers to volunteer only three hours per week to maintain our school libraries during the open library periods in North and South Elementary schools."

Mrs. Schwieger said no previous experience is necessary for the supervisory work done by the volunteers. She urges volunteers for the project to call her.

She said, "It is a very gratifying job to have a part in helping our young people to become better readers and spellers through their interest in reading."

### Blood Bank Now 15 Pints In Arrears

Mrs. Dudley Holmes, Chelsea Blood Bank chairman, is reminding people of the community that a blood donor clinic will be held here Friday of next week.

The clinic will be held at the Congregational church on Oct. 14 from 11 a.m. until 1 p.m. and from 2 p.m. until 4 p.m.

The Detroit Regional American Red Cross group will be in charge and volunteer workers of the Chelsea community will assist at the clinic.

In announcing the blood donor clinic Mrs. Holmes pointed out that this is the first time in the history of the Chelsea Community Blood Bank that it has used up all blood contributed. In addition, it is 15 pints in arrears. The 15 pints must be paid back to the Detroit Regional Center after the Oct. 14 clinic.

Mrs. Holmes said, "once can see by this that there is a very real need for making the Oct. 14 clinic a complete success which, in my estimation, would be signing up 250 donors. If even 50 were rejected we would still have 200 pints with which to operate for the coming year."

In addition to volunteers assisting at the clinic—a doctor, two registered nurses, five nurses aides and five registrars—Mrs. Holmes pointed out that other volunteers who wish to help toward the success of the project, may contribute food for a luncheon to be served to all clinic workers between 1 p.m. and 2 p.m.

Food needed for the luncheon includes meat, casserole dishes, rolls, salad and dessert. Mrs. Stanley Bond will be in charge of the luncheon.

Canteen workers who will provide coffee, juices and food for all donors will be in charge of Mrs. M. J. Baxter.

### Color Tour Routes Marked With Signs

In conjunction with the annual Chamber of Commerce color tour program here throughout October, the Chelsea Junior Chamber of Commerce is holding its annual chicken barbecue for all comers Sunday.

Jaycees barbecue chairman, Gene Shoemaker, said yesterday that plans have been made to handle a "bigger than ever" crowd. He said 1,400 chicken halves have been ordered for the annual event.

Widepread publicity in tourist information services the past two years has resulted in bringing large numbers of people to the area. The chicken barbecue was originally planned as a convenience for people coming to the area for the color tours. The second Sunday of October has proved to be most popular for sightseers.

Chamber of Commerce committees each year post signs along the color tour routes indicating not only the routes to take but pointing out picnic sites and special points of interest.

Jaycees, in planning their chicken barbecue, point out that the meal may be eaten at the barbecue location—Pierce Park on South Main St.—or the dinners, packed in convenient cartons, may be carried to a picnic site along the color tour routes.

Most Chelsea residents also patronize the barbecue event, many availing themselves of the "carry-out" arrangement.

"Hank" Orthing, described as an experienced barbecue operator, will again be in charge of the barbecue pits.

Jaycee Auxiliary members will assist their husbands with the gigantic job of serving.

The color tour area has been marked out as Tour No. 1 and Tour No. 11.

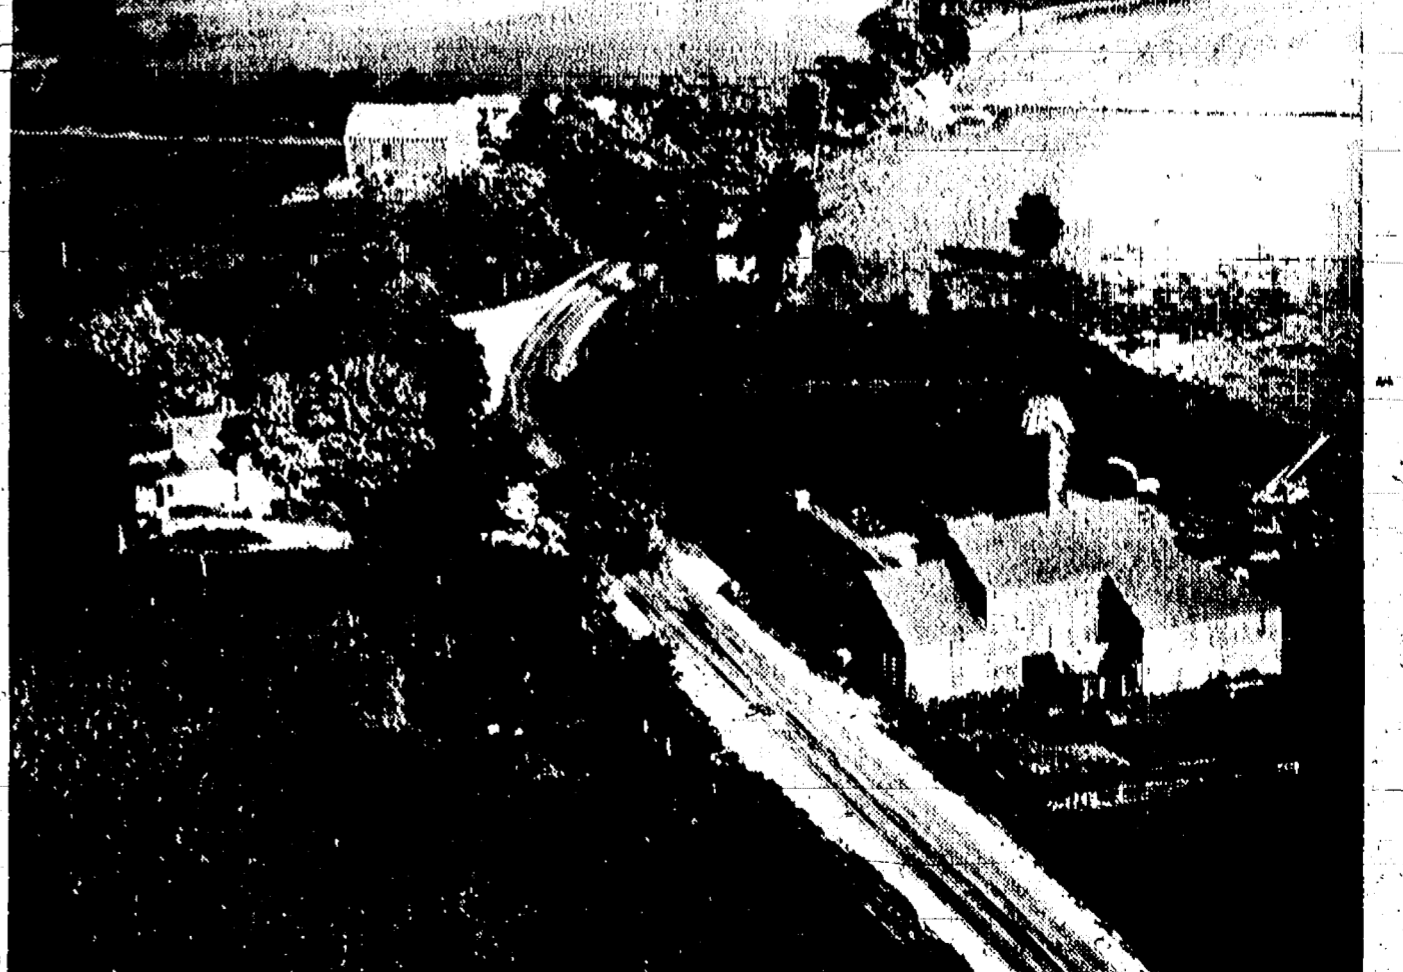

Both tours begin at Main and Michigan streets and follow the same route—Werkner and Storer roads—to North Territorial Rd.

Tour No. 1 heads east to Town Hall and Silver Hill Rds., then Patterson Lake Rd. west to Hankford Rd. south on Hankford to North Lake Rd. and back to Territorial Rd. and, from there, back to Chelsea.

Tour No. 11 leads to the west on Territorial Rd. into the Waterloo Area by way of Sugar Loaf Lake Rd. and McClure Rd. to Cavanaugh Lake Rd. The route leads back to Chelsea from the west by way of Cavanaugh Lake Rd.

The first real frost of the fall season struck the area Saturday, Oct. 1. While not too severe, the frost has helped to bring out the various shades of red and gold in the foliage of the many kinds of trees in the wooded areas through which the color tours are planned.

Dave Cumbo of Chicago, Ill., was a caller Sunday of Christine Rowe and was a dinner guest at the home of Miss Rowe's parents, Mr. and Mrs. Wesley Ellenwood.

**MYSTERY FARM NO. 119**—Although the farm shown in the photo probably is not located on the official route of the Chelsea Chamber of Commerce-sponsored Color Tour No. 1 or Color Tour No. 2, mapped out north and west of Chelsea, the bit of tree-lined roadway shown is probably exceptionally attractive at this time of year. If you recognize the farm, please call The Standard office at once, GR 5-3681. The owner is entitled to a mounted photo of the farm; free of charge, if he calls at The Standard office by Saturday.

## Check Now with Your Township Clerk To Make Sure You Are Registered

This is a crucial time in the history of the world when communist propaganda claims that democracy is failing because often one half of the eligible citizens of this great country do not vote in elections.

We have often wondered why it is necessary to urge, plead and even threaten citizens to exercise their rights and privileges as free Americans.

In the free countries of Europe the percentage of those voting far surpasses that in the United States. In countries behind the iron curtain people do not have the privilege of voting in free elections.

What rights and responsibilities are we talking about? First the right and the obligation to be a registered voter, and second, the right and obligation to be an active voter. This seems simple enough, there's nothing complicated about it. And yet less than half of the citizens in most election years bother to exercise their franchise.

It would be much more reassuring and more pleasant to write about the record number of voter registrations and have pictures of the long lines of eager citizens waiting to get their names on the qualified voter lists. But unfortunately we can't honestly write about this in Washtenaw county or any place else in the nation. It is a fact that voter apathy is creating the weakest link in our democracy.

You ask what can we do about it? We can register on or before Monday, Oct. 10, the final date for registering, and we can then vote on Nov. 8. Not just a few of us, but every last citizen of this community and county. If this were to happen many of our problems of government would be very quickly solved and our democracy would be immeasurably strengthened.

This get-out-the-vote drive really starts now—not on election day. Now is the time for all eligible electors to make certain they are properly registered with their township or city clerk so they may vote on Nov. 8. It's not a job we can let George do for us, it's something that everyone has to do for himself. Check your registration today.

## \$64,000,000,000 QUESTION

## ★ MICHIGAN MIRROR ★

By Elmer E. White, Secretary, Michigan Press Association

The Michigan Probation, Prison and Parole Association wants to help inmates of correctional institutions think better of themselves by helping the public to think better of the inmate.

They call it "mobilizing social influences for correctional change." Social influences, however, is a broad and inclusive term. It could also be subject to a wide variety of interpretations which would be flattering neither to the MPPPA nor inmates in Michigan prisons and other penal institutions.

The idea that MPPPA wants to get across is this:

An inmate, or a parolee, or a probationer, is subject to social influences much stronger than the ones which make most of us act the way we do in our normal daily lives. A person who has made a mistake, even though he might want to reform, meets suspicion, social stigma and misunderstanding to a great degree.

Even family and neighbors are wary of a person who has been in trouble. The general public shuns "ex-cons" and "jailbirds."

One natural reaction of the person who has been convicted of a crime is to fight back against the person or persons who refuse to accept him as a responsible member of the community.

The attitude and influence of other prisoners, if an offender is institutionalized, is also important in shaping his behavior upon release.

The concept of corrections held by the general public may be second only to the influence of correctional workers in rehabilitating an offender, says the MPPPA.

A late September meeting of the organization tried to bring out the whole panorama of influences—working both ways—between offenders, the public and the groups working in corrections.

No whitewash of lawbreakers was intended. The psychological aspects of criminal behavior, whether they cause habitual lawbreaking or some other problem, are not neglected by the MPPPA.

But even psychological problems have to be treated within the context of society.

The aims of the MPPPA would be to have correctional procedures all working toward the same goal, increase society's understanding of the offender and the offender's understanding of society, and being groups related to the correctional field into the integrated effort for a greater degree of rehabilitation.

Butchers with a thumb on the scale are a common subject of cartoon quips.

Not so funny are the occasional cases where a buyer gets less than the legal measure of a product because of deliberate misrepresentation by the seller.

It's the job of the Foods and Standards Division of the Department of Agriculture to police the weights and measures of goods offered for public sale.

It tries to protect the public from paying too much for the goods received.

Dealing with reputable firms, understanding what is bought, knowing how quantity is determined and examining the cost per unit of measure can help the public protect itself.

But the Foods and Standards division warns consumers to remember the old legal maxim: "Let the buyer beware."

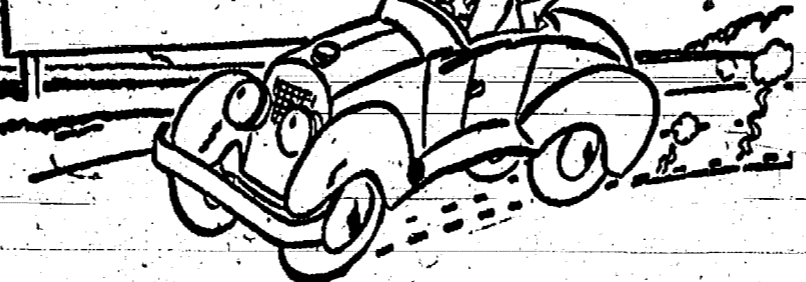

A hopeful note has crept into talk from the Michigan Economic Development Department on the

Manchester scored in the third period on a quarterback sneak by Doug Wiggins from one yard out. The extra point attempt by Nickerson was wide.

In the fourth period Jim Maynard, running at left half, moved the ball deep into Manchester territory and McLaughlin cracked out the middle for the TD from the 3. Senior Tom Dunlap, who also sparked defensively, took a pitch-out to score the extra point.

Late in the quarter, with the second unit in action, Manchester moved deep into Chelsea territory. The Chelsea regulars returned to action but Manchester picked up a first down on the two-yard line. Four plays later, however, the Bulldogs took over on the three-yard line. On the first play Dave McLaughlin took a hand-off and raced 65 yards through a hole opened by Homer Nixon, Maynard and Waller, for the final Chelsea TD.

The Chelsea second unit composed of Don Sexton, Ken Larson, Paul Schramm, Don Wilson, Stan Hard, Bob Riemenschneider, Larry Castell, Dud Holmes, Tom Dunlap, Al Schauer and Larry Kramer, shoved the Dutchmen back deep into their own territory and recovered a fumbled punt as time ran out.

Manchester wasn't able to move the ball against Chelsea's first string line of the Nixon twins, Marsh, Waller, Ellenwood and Richie Wood. Jim Maynard who plays a line backer on defense got in several smashing tackles.

This week the Bulldogs host Ypsi Roosevelt in the annual homecoming game. Roosevelt defeated Pinckney, 3-0, last Friday and is the only other undefeated team in the conference in addition to the Bulldogs. Game time is 7:30 p.m.

Michigan has a much better "image" outside the state than it has enjoyed for a long time, the Department says.

Local industrial expansion programs, building of new manufacturing facilities and a general optimism among business and community leaders in all parts of the state has improved the feeling of outsiders, the Department says.

The Department hopes the optimism—and consequently the improved image—will spread.

Necessary ingredients to help the movement catch fire are business confidence, governmental stability, and pride in Michigan accomplishments in Michigan people.

Interested citizens would like to see a snow-balling, or pyramiding, return of confidence in the "economic climate."

### Chelsea Girl Scout Neighborhood Group Studying Insurance Plan

The first Chelsea Girl Scout  
 Neighborhood meeting of the 1960-  
 61 season was held Monday at the  
 Junior High school with 27 mem-  
 bers present. Mrs. James Windell,  
 neighborhood chairman presided.  
 She explained the Huron Valley  
 Council's proposal for accident in-  
 surance covering all Girl Scout ac-  
 tivities. Information concerning  
 this insurance will be sent home  
 with each Scout for her parents'  
 opinion of the plan. The Chelsea  
 Neighborhood will then decide on  
 its acceptability and pass the in-  
 formation on to the Council. If  
 the plan is approved the insurance  
 should be available early in  
 1961.  
 The Council also proposed that  
 Girl Guides from India be invited  
 to visit here during the 60th Birth-  
 day celebration in 1962. This pro-  
 ject would be financed by troop  
 contributions and must be ap-  
 proved by the local troop. This is  
 part of a three-year Heritage Pro-  
 gram which starts this year with  
 the celebrating by the local neigh-  
 borhoods of the centennial birth-  
 day, on Oct. 31, of Juliette Low,  
 founder of U. S. Girl Scouting.  
 Plans are underway for a program  
 here. Next year the Heritage Pro-  
 gram will concern national activi-  
 ties and will climax in 1962 with a  
 huge international celebration of  
 the Girl Scouts 60th birthday.  
 Mrs. Warren Eisenbeiser and  
 Mrs. Edwin Sutter are Chelsea's  
 delegates to the Council with Mrs.  
 John Chaplin and Mrs. Parker  
 Shavard as alternates.  
 Mrs. Carl Mayer, registrar, an-  
 nounced the awarding of five-year  
 pins to Mrs. Lambert Mopyans;  
 Mrs. Charles Ritter, Mrs. James  
 Herman, Mrs. Elmer Lindow, Mrs.  
 Ralph Klinger, Mrs. Robert Fos-  
 ter, Mrs. Elsworth-Smith, and Mrs.  
 Alex Mshar.

It was announced that Mrs. War-  
 ren Eisenbeiser and her daughter,  
 Sue, will lead one of the newly  
 organized Brownie troops.  
 In a previous story on Girl Scout  
 activities, leaders of Troop 48 were  
 incorrectly listed. They are Mrs.  
 Kenneth Wilkerson and Mrs. Ray-  
 mond Johnson.

The principle of protecting food,

## Lay Missionary To Speak At Zion Lutheran Church

Russell Sherer, a lay missionary of the American Lutheran Church will be the guest speaker at a program of the Zion Lutheran church Brotherhood at Rogers Corners to which everyone in the community is invited. The program is scheduled for 8 o'clock this evening. The Rev. C. J. Renner, pastor of the church, said he became acquainted with Sherer while serving as a pastor in Ohio. At that time Sherer, a self-taught blacksmith and welding expert had just turned down a welding contract on a new bridge in Ohio to take up missionary work at Madang, New Guinea.

The New Guinea Mission of the American Lutheran Church has been designated one of the fastest growing mission stations in the world, according to the Rev. Renner.

Sherer has completed two seven-year tours of duty at the New Guinea Mission where he is a vocational instructor. It was necessary for him to compile his own textbooks since suitable material

was not available for his requirements. To illustrate his story of work he is accomplishing in New Guinea, Sherer will show movie pictures.

Members of the Brotherhood have heard him speak before, he tells about his experiences in most interesting way.

The Rev. Renner said Sherer's missionary work is rather unattractive in the field. He has been outstandingly successful in teaching the people the use of the plow thus paving the way for better working conditions as well as training workers in skilled occupations.

## St. Barnabas Churchwomen Plan Christmas Bazaar

St. Barnabas Churchwomen held their monthly meeting Thursday evening at the home of Mrs. Deane Rogers. The meeting opened with a devotional service presented by Mrs. Allan Reed.

A report of the September Huron Valley Convocation at St. Luke's church, Ypsilanti, was given by Mrs. Jeremiah MacDougall and Mrs. Judson Goltz. They related that a highlight of the convocation meeting was an address by Sister Jones of St. Vincent School for Handicapped Children at Port Au Prince, Haiti.

Sister Jones told of her work, begun when she first undertook to help a blind child—then one who was deaf and a third who was crippled. Sister Jones also related that co-operation between the various hospitals sponsored by different denominations makes it possible for children to receive specialized treatment in the hospital particularly equipped for certain types of handicaps.

This year when the 16th anniversary of Sister Jones' Episcopal school is being observed, all churches with affiliations in Haiti are co-operating in the work for the handicapped which she started on such a small scale.

Mrs. Louis Ramp reported on the newly-formed St. Barnabas Churchwomen Needlework Guild. Chapter Mrs. Ramp explained that Mrs. MacDougall is chairman of the chapter. Mrs. Ramp also announced that the annual fall in-gathering of the Needlework Guild is to be held this afternoon at the Congregational church.

Plans were discussed for the annual Christmas bazaar sponsored by St. Barnabas Churchwomen. The bazaar is scheduled for Dec. 8 with Mrs. Edwin Lauson as general chairman.

Refreshments were served during a social hour which followed the business session. The next regular meeting is scheduled for Oct. 27 at the home of Mrs. Ed. Mester.

## Needlework Guild Ingathering Tea Set For Thursday Afternoon

The annual ingathering tea of the Chelsea branch of the Needlework Guild is being held from 2 p.m. until 4 p.m. today at the Congregational church.

The Helping Hand Circle, a group of women who have done sewing for community service projects for several years and now organized as one of the Needlework Guild groups, are in charge of arrangements for the tea. Mrs. Winifred Coffron, director who heads the group, is chairman of the tea and two members of the circle, Mrs. Watson Hart and Mrs. Charles Wortley have been asked to pour.

Mrs. Thomas Masterson, president of the Chelsea branch of the Needlework Guild, explained that membership week is being observed this week, saying that the only requirement for membership is a donation of clothing, household linen or money. Customarily, it is suggested that two similar items be

given at the same time in line with the plan to have "one to wear and one to wash."

Mrs. Masterson mentioned that last year 516 articles were collected and given to Chelsea Social Service. She said that many contributors are needed to insure an adequate supply of clothing. The Guild program of neighborhood giving is carried on entirely by volunteers, there are no administrative expenses, no overhead, no costly "drives." Every article contributed will reach someone in need in this area.

In the Chelsea area, Chelsea Social Service, of which Mrs. Louis Ramp is director, distributes the clothing and household linens contributed at the ingathering.

**MYSTERY FARM NO. 118**—The farm photo people as the Earl Tison farm at 2180 Sharon Hollow Rd.

## Last Week's 'Mystery Farm' Identified as Earl Tison Home on Sharon Hollow Rd.

Earl Tisons are the owners of "Mystery Farm No. 118." The photo of the farm was published without identification in the Sept. 29 issue of The Standard.

The men at Bloss Elevator again the first to recognize place, located at 2180 Sharon Rd., south of Grass Lake.

Tisons have lived on the farm since moving here from Jackson in 1954. They bought the place years later from Don Irwin who purchased it following death of Albert Bahnmiller.

Bahnmiller and his wife, the former Klumpp, were owners of the farm for 31 years. Owner records list them as having resided the place in December, 1954. His widow, now at Grass Lake.

Irwin is employed at Chrysler Ground as a test driver.

In addition to operating a used car lot at the junction of old Manchester-Chelsea Rd. and the re-located M-92, south of Chelsea.

Mrs. Tison was formerly employed in the A. D. Mayer Insurance office. She is the former Betty Ritchey of Houston, Tex., and was serving as a WAVE in Washington, D.C., at the time she and Tison were married. He was serving in the Army.

Their family includes a 12-year-old son, Terry, and a nine-year-old daughter, JoEllen. Both attend Chelsea schools.

Originally 100 acres in size, the Tisons' farm now comprises only 60 acres, Don Irwin having retained 40 acres. Irwin works the farm.

The four-bedroom home has been modernized. New hardwood floors were installed and a fireplace added to the attractive interior.

Other long-time owners of the farm were members of the Fairchild family, Stephen, Sr., and Stephen, Jr., who were listed as owners from 1890 until 1893, and the Randolph Cook family, owners from 1893 until 1923. Mabel Cook Ordway and her husband, Hattie B. were the owners when the Bahnmillers purchased the farm.

The first owners who procured the land from the U. S. Government, were Nathan B. Ayres and his wife, Nancy. The date was not listed. Ayres sold the farm in 1849 to Arnold Bell and the next owner was Stephen Bahnmiller, Sr., in 1860.

Among those who called "The Standard" office to identify the Tison farm are Mrs. Harold Wahl, Charles Curtis, William Curtis, Miss Arthur Stoll and Mrs. Morgan Each.

### LONELY TIME

Evening's a lonely time  
When you sit and wait,  
Listening for footsteps  
To turn in at the gate.

Up and down the little lane  
Windows come a-light;  
Families unite again,  
Close against the night.

Birds have sung their vesper  
songs,  
Now, within the nest,  
Each is home where it belongs,  
Settled down to rest,  
Each beside its drowsy mate.

## HERE IS A NEW AND BETTER LOW-PRICE CAR —WITH A 12-MONTH OR 12,000-MILE WARRANTY

You're looking at the newest car in the low-price field—the Mercury Meteor. But the resemblance to other low-price cars ends with the price.

**COSTS LESS TO DRIVE!** You save on upkeep. Your Mercury dealer is extending his warranty on all 1961 Mercurys to one full year or 12,000 miles, whichever comes first. See him for full information. He will be glad to show you a copy of his new warranty.

You save on gas. Mercury's new, wider choice of engines and transmissions lets you tailor your new Meteor to your kind of driving. Choose super economy, super power, or any combination in between. And just think of these 7 other savings:

A new pre-lubricated chassis lets you drive 30,000 miles before it needs another lubrication. A new-type oil filter lets you drive 4,000 miles between oil changes. Mufflers are aluminized for more than double the life. Brakes are self-adjusting.

New zinc-coated body panels protect your car from rust two or three times as long. Spark plugs are self-cleaning, save gas. A special Super-Enamel finish never needs waxing.

**LOOKS BETTER—AND IS!** The styling and size are completely new. Trimmer, easier to garage, far more agile. You get a de luxe interior in every model at no extra cost.

**FEELS LIKE MORE!** Here's the first low-price car to provide a true "fine-car feel." Not just shock absorbers and springs for your riding comfort, but a unique new system of rubber cushioning called Cushion-Link suspension. It is exclusive on all Meteor 800's, Montereyes, and Mercury station wagons. No more bumps from tar strips and other road-surface irregularities.

Don't miss the first showing! See your Mercury dealer now. Here, without question, is the newest and smartest buy in the low-price field.

## The Way the Ball Bounces

With Tom Johnston

Just who is going to beat the Bulldogs? That's the question of the week after Chelsea's easy win over Manchester last Friday night. I'd be inclined at the moment to say that only Dexter has the guns to spring an upset on the league champions. Despite their loss to U. High last week, Dexter showed that they can move the ball, and that they are a tough, competitive ball team. My best bet, is that the conference race will end up unchanged in the standings from last fall. (Will you settle for that Al Conkin?)

That 78-yard run that will go into the record books of the University of Michigan couldn't have happened to a nicer guy than Denny Fitzgerald. The Michigan State game will certainly go down as one of the great games in the series. It was a game that no one should have been ashamed of losing, both teams played 60 minutes of great football.

By the way, Duke, who will be Michigan's opponent this Saturday at Ann Arbor will be bringing an unbeaten record to the Stadium. They have wins over South Carolina and Maryland. It should be a good game.

Baseball is still on the national sports scene, so we'll take a look at the world series.

The general manager of the Pittsburgh Pirates has informed the New York Yankees that they can expect no repetition of the 1927 World series.

That was the year that Babe Ruth and Lou Gehrig hit several "home runs" during batting practice. The Pirates looked on in awe—and the Yankees went on to sweep the series in four games.

Joe Brown says: "If the Yankees think the same thing is going to happen now... they can forget it."

The 42-year-old general manager was standing behind the batting cage during a Pirate workout when he made his remarks.

"Nobody owes this ball club," he says. "That goes for the Mighty Yankees or anyone else."

Brown says that the Pirates don't even feel that the American League is as good as the National League.

He says: "The Pirates don't think anyone should beat them and what's more, they're convinced no one can."

Yankee Manager Casey Stengel has suggested that one of the reasons his club was able to beat Baltimore in a recent crucial four-game series was because the young Orioles were "over-eager."

Brown says that that won't be the case with the Pirates.

He says: "We have fellows with much more experience than the

Oracles. Our pitching staff, with men like Vern Law, Bob Friend, Harvey Haddix, Wilmer Mizell and Elroy Face have been around the Majors much longer than most of the Baltimore pitchers.

Then he points to players like Burgess and Bill Mazeroski, who Dick Groat, Don Hoak, Smokey have more experience than Oriole players.

They don't figure to be over-eager," says Brown. "They know exactly what's at stake and what they have to do to beat the Yankees."

Brown believes the key to the World Series could be the Pirates' tremendous desire.

He relates one experience this past campaign.

Says Brown: "I can remember one game we played against the Dodgers in Los Angeles during July. Danny McDevitt had us shut out with two outs and two strikes on Gino Cimoli in the ninth. Cimoli got on and our next four hitters also had two strikes on them. We were one stroke away from losing five times. But we tied the score with three runs and won the ball game with another run in the 10th."

He adds: "That might give you an idea about the desire on this club."

Says Brown: "Ruth, Gehrig and

company may have cowed the Pirates 38 years ago, but it will be an entirely different story now. "We know they have hitters like Mickey Mantle and Roger Maris, but we've been saving some hitters to show them, too."

By the way, this Wednesday, Thursday, and Friday, we'll be broadcasting from one of Ann Arbor's oldest banks, and there will be a special group of sports features highlighting Michigan and national sports from 1900 on, as well as varied reports and reviews of area history, so try to be with us. Don't forget to get out to support your high school team this week, and I'll look for you here again the next time we look at "the way the ball bounces."

# FRIDAY! THE GREATEST SIXTY-ONE DERFUL CHEVROLET

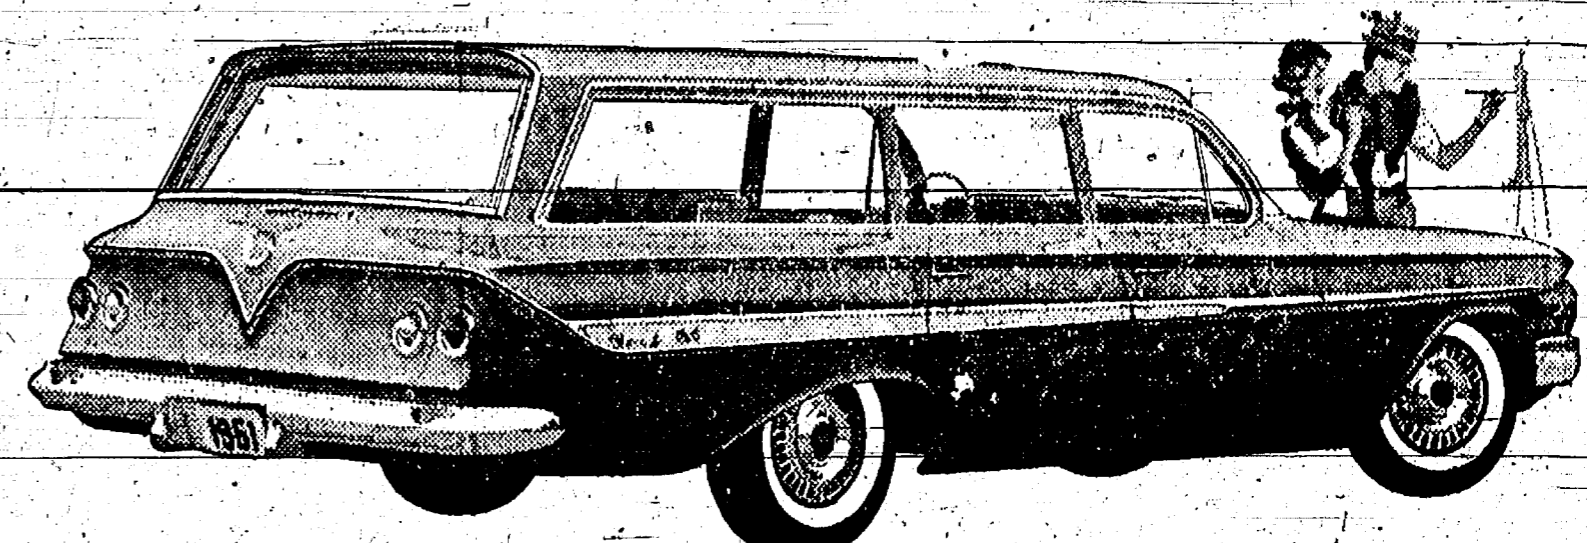

Here's the car that reads you loud and clear—the new-size, you-size '61 Chevrolet. We started out by trimming the outside size a bit (to give you extra inches of clearance for parking and maneuvering) but inside we left you a full measure of Chevy comfort. Door openings are as much as 6 inches wider to give feet, knees and elbows the undisputed right of way. And the new easy-chair seats are as much as 14% higher—just right for seeing, just right for sitting.

Once you've settled inside you'll have high and wide praises for Chevrolet's spacious new dimensions (in the Sport Coupes, for example, head room has been upped as much as 2 inches, and there's more leg room, too—front and rear). Chevy's new trunk is something else that will please you hugely—what with its deep-well shape and bumper-level loading it holds things you've never been able to get in a trunk before.

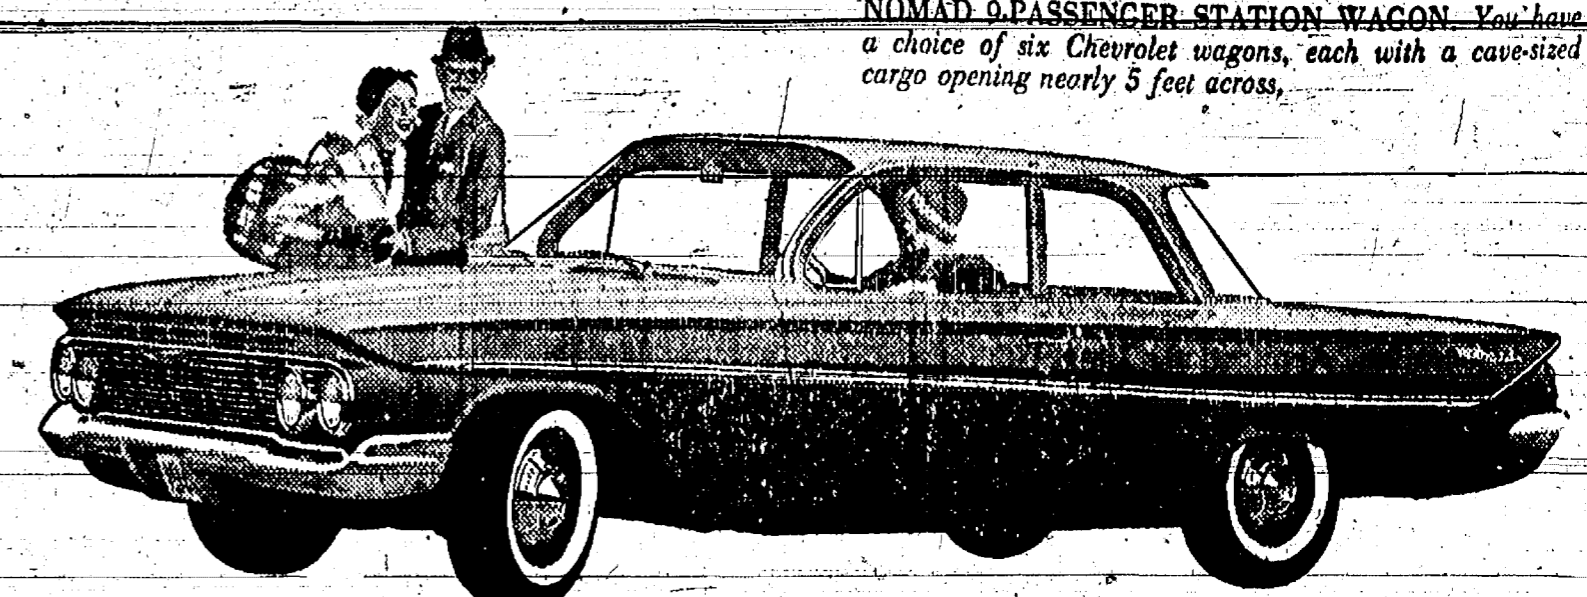

Yet, generously endowed as this car is with spaciousness and clean-etched elegance, it holds steadfastly to all the thrifty, dependable virtues Chevrolet buyers have come to take for granted. Your dealer's the man to see for all the details that make this sensationally sensible '61 Chevy a new measure of your money's worth.

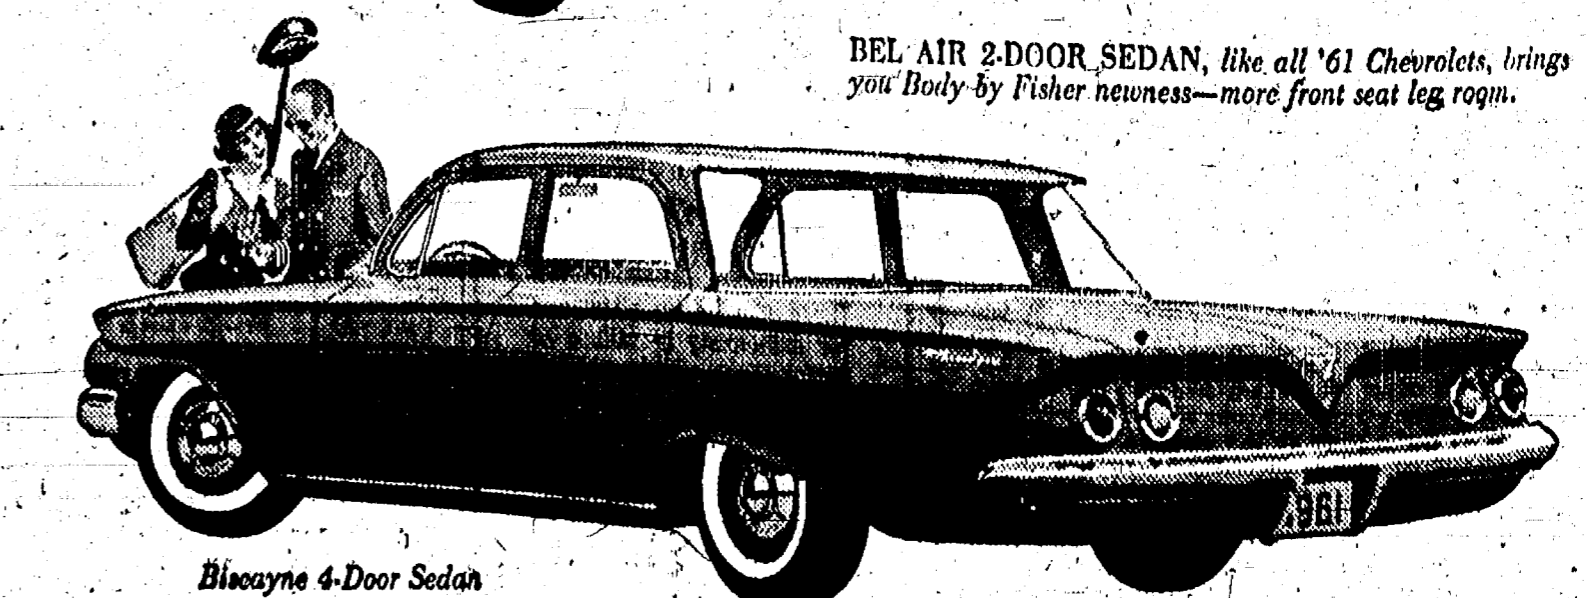

IMPALA 4-DOOR SPORT SEDAN—one of five Impalas that bring you a new measure of elegance from the most elegant Chevrolets of all. The front door entrance height is nearly 2 inches higher.

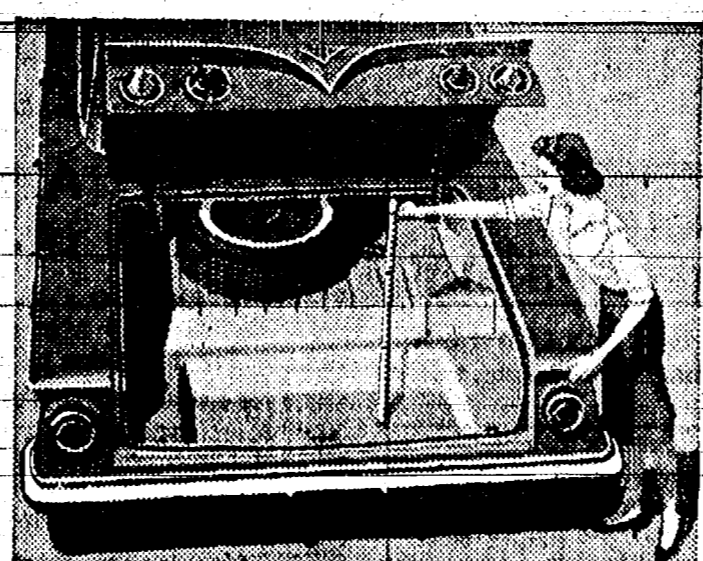

NOMAD 9-PASSENGER STATION WAGON. You have a choice of six Chevrolet wagons, each with a cave-sized cargo opening nearly 5 feet across.

BEL AIR 2-DOOR SEDAN, like all '61 Chevrolets, brings you Body-by-Fisher newness—more front seat leg room.

Biscayne 4-Door Sedan

There's never been a trunk like it before! The floor's recessed more than half a foot and the loading height is as much as 10 1/4 inches lower.

## MSU Enrollment Hits New Peak Of 23,373 Students

East Lansing—Michigan State University enrolled a record 23,373 students during registration week, which ended Sept. 25.

The total is 2,504 higher than last fall's 20,869, Registrar Kermit H. Smith announced. It includes 908 students enrolled at MSU-O and 1,284 taking courses through the resident extension centers. The on-campus enrollment in East Lansing reached 21,181, compared with 19,161 last year.

Among the students are 4,790 members of the Class of 1964, the

largest freshmen group ever to enter Michigan State. The newcomers number 25 per cent more than last year's freshmen, who in turn totaled 26 per cent more than the preceding year.

President John A. Hannah called the new record enrollment "a further vote of confidence of the people of Michigan in the high quality education offered by Michigan State University."

A heavy increase in applications for admissions gave enough advance warning that "every one of these additional students will be well cared for," Dr. Hannah promised. The entering students on both the freshman and gradu-

ate levels "come to us better prepared than those of any preceding class," he pointed out.

In class registrations there was heavy enrollment in the foreign languages, mathematics and the social sciences. Foreign languages were up 20 per cent, with Russian about 40 per cent ahead of last year. Enrollment in the beginning-geography course was more than double last year's. Freshman chemistry will use all available laboratory space every hour of every day all week long this fall.

## Notice to Bowling League Secretaries

We appreciate receiving regular weekly reports of your bowling league scores. However, we must operate on a rigid schedule to meet our deadlines. Reports from all leagues bowling Thursday night or earlier must be in our office not later than 5 p.m. Friday. Reports will not be accepted after 9 a.m. Monday. Monday night reports must be in by 9 a.m. Tuesday. Tuesday night scores will be used if they are in our Chelsea office not later than 9 a.m. Wednesday.

We also insist on regular reports. Nothing is more discouraging to team members and readers than to find reports published irregularly. Thank you.

# SHOW ON WORTH! CHEVROLET

## NEW '61 CHEVY CORVAIR

More space... more spunk and wagons, too!

The newest car in America: the CORVAIR 700 LAKEWOOD 4-DOOR STATION WAGON.

CORVAIR 700 CLUB COUPE. Like all coupes and sedans it has a longer range fuel tank.

CORVAIR 700 4-DOOR SEDAN: Provisions for heating ducts are built right into its body by Fisher.

Here's the new Chevy Corvair for '61, with a complete line of complete thrift cars.

To start with, every Corvair has a budget-pleasing price tag. And Corvair goes on from there to save you even more. With extra miles per gallon... quicker-than-ever cold-start warmup so you start saving sooner... a new extra-cost optional heater that warms everybody evenly. Riding along with this extra economy: more room inside for you, more room up front for your luggage (sedans and coupes have nearly 12% more usable trunk space).

And our new wagons? You'll love them—think they're the greatest thing for families since houses. The Lakewood Station Wagon does a man-sized job with cargo, up to 68 cubic feet of it. The Greenbrier Sports Wagon you're going to have to see—it gives you up to 175.5 cubic feet of space for you and your things. Compare that with any other U.S. wagon going!

Corvair's whole thrifty lineup gets its pep from a spunkier 145-cu.-in. air-cooled rear engine. Same rear-engine traction, same smooth 4-wheel independent-suspension ride. See the polished and refined 1961 Corvair first chance you get at your Chevrolet dealer's.

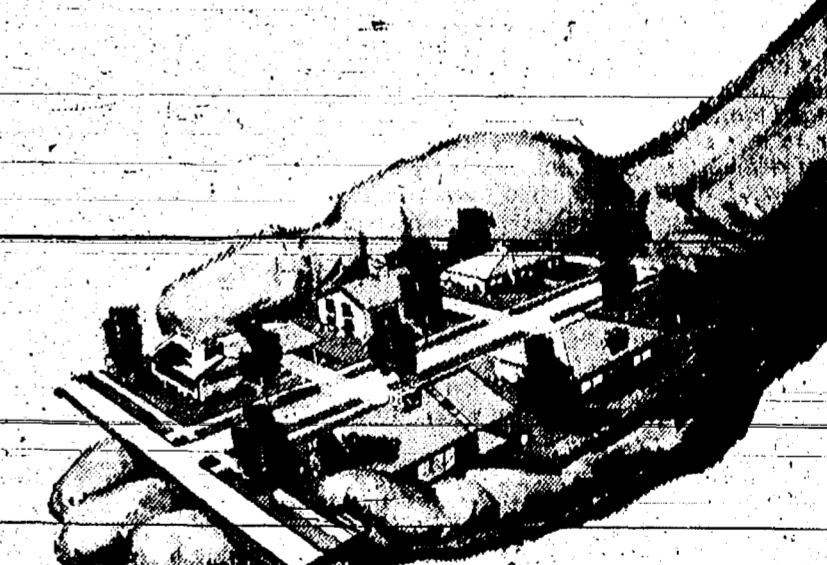

Spare tire is in the rear in coupes and sedans—leaving more luggage space up front.

Even middle-seat passengers sit pretty, thanks to Corvair's practically flat floor.

Now in production—the GREENBRIER SPORTS WAGON with up to twice as much room for people and things as ordinary wagons (shown with optional at-extra-cost third seat in position).

Chelsea High chorus, Lynne Fahrner was chosen secretary, and Pat Worden was appointed treasurer for her second successive year. Pat Pastor was elected news reporter; Ken Carty and Lana Centelli were elected librarians. Judy Carr, Ava MacDougall, Diane Miller, Kathleen McCarthy, Mike Schrader, and Donna Sherman were named to the publicity committee. A robe committee includes Pat Worden, Sandra Schardt, Joyce Romine and Laurel Hanson.

Chorus has been meeting four times weekly for 30 minutes to practice for a concert in co-operation with the band. Present plans indicate that only the parents of the performers will be invited, as another concert will follow shortly which will be open to the public. Some of the numbers will be "Joshua," "Songs from Carousell," and "The Story of a Tack."

Annual Homecoming ceremonies will occur tomorrow, beginning with a snake dance led by Mr. Lindsay and the band. It will start at the Junior High school and proceed along West Middle, Main, Van Buren, and Washington streets to the field.

The two girls who have been nominated for Homecoming Queen by each class will be introduced at half time. Nominated are seniors Judy Summers and Ann Schunk; juniors Carol Dancer and Dot Brown; sophomores Harriet McCallum and Judy Weinkauf; and freshmen Nancy Luick and Sandra Meabon. Coronation will take place at the beginning of the dance in the cafeteria. The Queen will be awarded a dozen roses and a tiara. She will lead the first dance with the co-captains of the football team.

For the dance, decorations and refreshments are in charge of chairman Tassy Cavadas, Toni Ha-

gen, Judy Martin, and Sherry Eisenman. Advertising is being done by chairman Judy Speer, Diane Hayes, Linda Burghardt, and Irene Wenk.

Librarians report that students preparing term papers for American Government are making use of the "Readers' Guide to Periodical Literature." The high school is building up a substantial collection of periodicals to provide wide coverage of current topics. Demand has been heavy for such topics as automation, farm problems, conservation, the U. N. and state police forces, from Ken Carty, Don Forner, Francis Laban, Herman Hoskins, and Jim Marshall.

Magazines used include Scientific American, Atlantic Monthly, Current History, Bulletin of the Atomic Scientists, The Reporter, and Newsweek.

The library conference room has been converted into a language laboratory with equipment purchased with funds from the National Defense Education Act. There are to be 5 channels and 12 listening posts.

Journalism club meeting Sept. 28 was devoted to details of how to distribute and sell the school paper, "The Bulldog-Barks." They decided to try for Junior High co-operation, and to have a regular "pep corner." Carol McCalla, Rayma Smith, Paula Romine and Nancy Huebsberg agreed to attend a Journalism Day at MSU in mid-October.

Twenty nine members of the class of 1960 are in advanced training courses; two are in the armed services; six are job-hunting, and the rest are happily employed. One is married.

Barbara Bertke enrolled at Elmhurst College, in Illinois; Tom

Brooks is at Ferris Institute, Charles Cameron is at Albion. At the University of Michigan, are James Collins, Linda Fisher, Diane Gary, and Quentin Smith. Jackson Junior College was the choice of Ron Doering, Ron Warren, Richard Irwin, David Rowe, and Carol Young.

Barrie Fisher is at DePauw, and Sis Wagner went to Olivet. MSU accepted Paul Frisinger, Eugene Ramp, and Susan Steger. Roger Herman is at Michigan School of Technology.

Carol Huebsberg, Charles Koengster, Sharon Smyser, Judy Welch, George Wilson, and Jon Harris chose Eastern Michigan University. June McLaughlin went to Ohio State, and Ann Morrison is at Siena Heights.

Mae Ellen Marshall is taking nurses' training at Fiske Hospital in Jackson, and Virginia Miller is attending Gay Carl Beauty School. Norman Hiltz and Larry Schroeder are in the armed services.

The history of the Future Homemakers of America was the theme of the Sept. 28 meeting. Each officer gave a brief talk on the purposes of the organization. Donna Schiller led the song prayer. They chose the second Wednesday of the month as the regular meeting day, and postponed the installation of officers.

Movies shown during September included "How to Study," "How to Concentrate," "How to Remember," "How to Think," "Exploring Space," "Air All About Us," "Medieval Manors," and "Joe Learns a Thing or Two."

The CHS Student Council has launched a new money-making project. Miniature pennant pins have been ordered for sale to both

senior and junior high students. A price was set for the rental of the school popcorn machine to the senior class. A few changes were made in the Student Council Constitution, and a corresponding secretary was added to the roster of officers. Joanne Wojciehowski

Girls Athletic Association is happy with the reception given their new "pep committee" which makes posters advertising games and which decorates the goal posts. Opinion seems general that their activities have given school a much-needed "lift."

The organization has ordered raa-raa sticks to be sold at the Homecoming Games. Softball teams are being organized and have already started to play a round-robin tournament of regulation games.

First year homemaking classes have completed a unit on good grooming, to the benefit of all. They have now divided into two groups, one learning the basics of cooking, and the other the elements of sewing. Second year students are preparing themselves for meat cooking. Third year students are sewing, and enjoying it.

Sophomores elected Harriet McCallum and Judy Weinkauf to represent their class as candidates for Homecoming Queen. A committee headed by Barb Wenk presented ideas for earning money to the class. Two projects were selected, but are not announced.

Juniors elected Carol Dancer and Dot Brown as their nominees for Homecoming Queen. The class has difficulty waiting for Oct. 6 when the class rings will arrive.

Seniors have operated a very successful stand at the football games this fall. Carol Cameron and Peter Flintoff, as co-chairman, are in charge of ordering supplies and organizing the squad of workers at the stand. However, all class members may earn trip club points by working at the stand or by preparing food in advance.

The Future Farmers of America again has advisor Steve Hayden. Under the leadership of president Charles Keen, vice-president Richard Harvey, treasurer John Bauer, and reporter Dale Horning and sentinel Malcolm Reinhardt, the group has 28 acres of corn planted and ready to pick. Twenty acres are near M-92 near the Kephart residence; the other 8 acres are on McKinley Rd.

On the second Monday in October, the initiation of Green Hands and Chapter Farmers will occur. The whole group is looking forward to a successful year.

The Chelsea Student Council will entertain the Washtenaw Conference of Student Councils on Nov. 2, 9:30 to 12:00. Lunch, and a tour of the school are being planned by a committee including Al Schauer (chairman), Nancy McCalla, Ruth Prentice, Dick Haist, Joanne Wojciehowski, and Jim Maynard. Local people who attended the County Conference on Sept. 28 are Dick Haist, Nancy McCalla, Al Schauer, Ruth Sexton, and Ruth Prentice. County officers are President Norm Brokaw (U. H. High), vice-president Mike Washburn (Saline), secretary Ruth Prentice (Chelsea), and treasurer Barbara Henderson (Ypsi Roosevelt).

The Student Council plans to purchase a record of sound effects to be rented to those organizations which need it. Due to lack of home room period this year, announcements are read over the PA system.

Forensics have become a part of CHS curriculum. Mrs. Sharp, speech teacher, has entered CHS in the state program. The topic for debate will be the United Nations. The first meet will be held some time next month. She would like to start a Forensics club in CHS if there is a possibility of sufficient interest and support.

On Wednesday, Sept. 28, junior high school library assistants held an organizational meeting during lunch period in the Junior High School Library.

Officers for the year are Jimmy Romine, president; Neil Colvia, vice-president; Joann Whitaker, secretary; Gail Kuhl, Treasurer; and James Bristle, Publicity Chairman.

Dues are twenty-five cents for the year.

Junior High Library club like

the Senior High Library club is affiliated with the Michigan Student Library Assistants Association, a student society on the Secondary School Principals' List of Approved Organizations. Members in addition to the officers include Patty Opplie, Pansy Stanley, Jo Ann Whitaker, Elsie Policht, Sandy Eresten, Darlene Bolanowski, Susan Swanson, Gail Kuhl, Robert Kushmaul, Robert Miller, Jerry Hughes, Mary French, Sandie Schiller and Sharon Bollinger are

also on the Student Council. Mrs. Thelma Schwieger, Chairman of School Library Volunteers, and Miss Joan Wiese, School Libraries Supervisor, attended the meeting.

# 107 Young People Complete First Hunter Safety Course

Tuesday evening, at the final Conservation Department sponsored hunter safety class session a total of 107 young people received certificates of achievement from the Michigan Department of Conservation. The certificates indicate that the "course in Hunter Safety as prescribed by the Department of Conservation" was satisfactorily completed.

A number of Chelsea Rod and Gun club members were present Tuesday evening to assist Gene Shoemaker, the volunteer instructor, in giving the "true and false" type of written examination. Shoemaker said the tests were passed "with flying colors" by all those who participated.

Conservation Officer Donley Boyer, presented the certificates. A highlight of the evening was an exhibit of Howard Anderson's well-known collection of guns, antique and modern. Anderson gave a most interesting review of the history of many of the guns.

Another feature of the evening's program was a movie of wing shooting, shown by Tom Dunlap, Chelsea High school senior. Principle theme of the movie was the

hunting of ducks and geese throughout the United States.

Sunday, Oct. 2, 40 of the young people were given actual shooting lessons at the Chelsea Rod and Gun club trap shoot.

Shoemaker said yesterday that thanks are due the Chelsea School Board, Chelsea Rod and Gun club, the Village Council and all who assisted in making the program such an outstanding success.

"On the basis of what has been accomplished," Shoemaker stated, "the future looks much brighter for full enjoyment of gun hunting for all sportsmen."

GLENN W. HAYES

## Glenn W. Hayes Begins Service In Marine Corps

Glenn W. Hayes, 17, son of Glenn C. and Norma Hayes, 134 Orchard St., has been accepted for enlistment in the United States Marine Corps.

According to Master Sergeant Bob Kurfies of the Marine Recruiting Station in Ann Arbor, Hayes received one of the highest scores on the Armed Forces qualification Test, in Detroit, attained in the recent history of the local recruiting office.

Hayes left on Monday, Oct. 8, for the Marine Corps Recruit Depot in San Diego, Calif., to begin 12 weeks "boot" training which is designed to make him into a basic Marine. Upon graduation, he will be transferred to the Marine Corps Base, Camp Pendleton, Calif., and undergo an additional four weeks of advanced combat training. The successful completion of the 16 weeks training will qualify him as a member of the most highly trained combat organization in the world, ready for any eventuality that may occur anywhere.

Hayes attended Chelsea High school prior to enlisting in the Marine Corps.

## Fishing License Sales Show Sharp Decline

Lansing—Michigan's fishing license sales are on the skids for the sixth straight year, figures through the first seven months of 1960 show.

As of July 30, only 671,390 licenses and trout stamps were reported sold, about eight per cent under last year's total through this period. In 1959, sales fell by about the same percentage from the year before. This has been the story since 1954.

Biggest drop this year is in resident licenses which are down to 477,002. At this time in 1959, they were 525,292. Trout stamps tumbled from 126,511 last year to 119,719. Annual non-resident licenses sagged from 64,310 to 60,090 while temporary non-resident sales are off by nearly 1,500 licenses. All money from hunting and fishing license sales goes into the Game and Fish Protection Fund which carries more than one-half of Michigan's conservation load.

Last year the University of Michigan Extension Service offered 602 courses in 63 communities in 52 counties within the state.

## Benson To Speak at State Grange Conference

East Lansing—Ezra Taft Benson, U. S. Secretary of Agriculture, will head a distinguished group of speakers at the Michigan State Grange conference Oct. 18-22 at Michigan State University.

Some 500 Michigan members of the historic fraternal organization will attend this 87th annual conference to hear committee reports on such Grange interests as youth activities, agriculture, taxation, safe driving, conservation, home economics and transportation.

The conference is a continuing education activity of the MSU College of Agriculture.

number and say that we are going to arrive at it between now and the deadline, Oct. 10. Instead of that we are pledging for ourselves and for the Republican ticket an all-out effort that calls for round-the-clock schedules concentrating on getting as many people registered as is humanly possible." In conjunction with this Mrs. H. asks that anyone needing information or transportation to the office call their area chair.

Last year University of Michigan faculty members taught off-campus courses with an enrollment of nearly 1,000 through the Extension Service of the U-M and Wayne State University of Adult Education.

SEC. 504. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the Clerk of the Township, City or Village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election.
