COMMUNITY CHEST CAMPAIGN OPENS MONDAY

Bulldogs Rout Ypsi Roosevelt, 40-0, in Homecoming Game

Team Now Alone at
Top of Washtenaw
Conference Standings

Friday night Chelsea High School Bulldogs defeated Roosevelt, 40-0, in the annual homecoming game.

The first T.D. came following a hard-munch about half-way in the first period. Left Halfback Keizer took a pitch-out Quarterback Ed Lauson on three-yard line to score the touchdown. Lauson scored the extra point on a bootleg play.

The Bulldogs scored early in the second quarter as they took over the 45-yard line following a punt. Fullback Dave McSherry who was used sparingly to a facelift injury sustained in the first half, took the middle for yards and the touchdown.

Jim Maynard and Guards Ray Wulfer and Mike Marshall had the hole for Dave Lauson's attempt for the extra point not good.

Three plays later the Bulldogs again, Daryl Keizer scored on a 15-yard jump-off. Don Blacklock, Jim Maynard and Homer Nixon scored the hole. A pass attempt, extra-point was not good.

At this point Chelsea's second took over and held Roosevelt moved the ball from their own 20-yard line to the 40 when time out at the half.

The third quarter the Bulldogs returned to action long enough to score a fourth T.D. The scoring was a pretty play from Lauson who had excellent pass play from his line, to Halfback Keizer. The play covered 20 yards. The play covered 20 yards. The play covered 20 yards.

During the past week Dr. Paul received a black and white picture postcard from Harrisville, showing the engine and it was from this card that the above photo was reproduced.

Described as a 100-gallon chemical type engine, its trade name is listed as an "American-LaFrance Cosmopolitan Model." The old engine, painted red (what else?) has a place of honor on grounds adjoining the Alcona County Chamber of Commerce Information Bureau at the intersection of US-23 and M-72.

Chelsea Baptist Church observes 10th Anniversaries. Chelsea Baptist church will observe its 10th anniversary at the regular services at the church Sunday.

The Rev. David A. Wood, pastor of the church since 1951, announced this week that Roy Grindall of Detroit, who founded the church in 1950 and served as pastor until the spring of 1951, will be the guest speaker at the 11 a.m. service and also at the evening service which begins at 7:30 p.m.

Ex-Chelsea Fire Engine Displayed In Harrisville

Not only during "Fire Prevention Week" but all through the year, a little red fire engine shown in the photo is the official symbol of the City of Harrisville, in Alcona county.

Designated "one of the most photographed landmarks in Northern Michigan" the little engine was formerly the property of the Village of Chelsea and was sold in 1900 to Harrisville for \$450.

Dr. and Mrs. L. J. Paul saw the engine on a recent vacation trip and took a color picture of it which was not suitable for reproduction in The Standard.

During the past week Dr. Paul received a black and white picture postcard from Harrisville, showing the engine and it was from this card that the above photo was reproduced.

Described as a 100-gallon chemical type engine, its trade name is listed as an "American-LaFrance Cosmopolitan Model." The old engine, painted red (what else?) has a place of honor on grounds adjoining the Alcona County Chamber of Commerce Information Bureau at the intersection of US-23 and M-72.

Chelsea Baptist Church observes 10th Anniversaries. Chelsea Baptist church will observe its 10th anniversary at the regular services at the church Sunday.

The Rev. David A. Wood, pastor of the church since 1951, announced this week that Roy Grindall of Detroit, who founded the church in 1950 and served as pastor until the spring of 1951, will be the guest speaker at the 11 a.m. service and also at the evening service which begins at 7:30 p.m.

The congregation now numbers 45 members. Services are held in the new church building on Wilkinson St.

Chelsea K. of C. Reports 'Sell-Out' At Rummage Sale. Chelsea Knights of Columbus did a "land office" business at their rummage sale Friday and Saturday at Sylvan Town Hall.

New Location Told For Bus Station

Chelsea's Greyhound bus station, located for many years at Chelsea-Drug Store, is now located at Louie's Dairy Bar, 104 North Main St.

The bus route for buses entering Chelsea is now as follows: South Main St. to Park St. east on Park to East St.; north on East St. to East Middle and west to the corner of Main St.

The loading zone will be on the north side of East Middle St., behind the parking space reserved for the Chelsea police car.

The change of location became effective Wednesday, Oct. 12 (yes, today).

Kiwanis Club Entertains 14 Elder Citizens

During the program at the Kiwanis club Monday evening, Theodore G. Riemenschneider, one of 14 men honored at the club's annual "octogenarian night," jotted on a paper napkin the following pertinent verses:

"This old life's not long enough,
Nor deep enough the sea,
Or wide enough this weary world
To part my friends from me."

Make new friends, but keep the old—
Those are silver; these are gold.
New-made friends, like new-made wine,
Age alone can temper and refine."

In addition to Riemenschneider, the honored "senior citizens" at the dinner included Otto Schanz, George Haist, A. D. Hindsberg, William F. Wheeler, Otto Goetz, Martin Wenk, Dennis Tallant, Emanuel Eisenmann, Sam Bohner, James Thomas, Dr. A. L. Steger, Frederick T. Constable and Fred Sizer. The latter was the oldest present. He is 92 years old.

Several of the men spoke briefly during the after-dinner program period.

Other guests at the meeting were George P. Coash and William Dummiller of Ann Arbor, Ray Knickerbocker and Harry Prudden of Chelsea, and Kiwanians Orville H. Schroefer of Ann Arbor Eastern and Norman O. Wenk of Greater Ypsilanti Kiwanis club.

Announcement was made that Dr. Frank A. Pitt, former pastor of Grosse Pointe Memorial Presbyterian church, will be the guest speaker at the Oct. 17 Kiwanis club meeting. Dr. Pitt will tell about his observations of the life and customs of Russia. He visited Russia within the past year.

Dr. Pitt was the pastor of the Grosse Pointe church from 1930 until his retirement two years ago.

Anyone interested in hearing Dr. Pitt may attend the Kiwanis dinner meeting; however, arrangements should be made in advance by contacting any Kiwanian.

The meeting will take place in the social center of the Methodist church, the customary meeting place for Chelsea Kiwanians.

Barbecue Scene — Only a few chicken helves were left Sunday evening following the Jaycees annual chicken barbecue at Pierce Park.

The scene above was repeated throughout the afternoon as approximately 1,365 chicken halves were barbecued and sold — boxed dinner, carry-out service as well as "on the spot" service was the personal choice of customers. Gene Shoenmaker, general chairman of the barbecue, said

the co-operation he received from all committees who worked on the project and those who patronized the affair was "a wonderful experience" and contributed to its outstanding success. The Jaycees customarily stage the barbecue of the second Sunday in October as a convenience for the many people who visit the area for the Chamber of Commerce-sponsored October color tours.

Tomorrow, Friday, Oct. 14, is the date for Chelsea's Community Blood Bank clinic. Mrs. Dudley Holmes, the Blood Bank chairman, has stated that she is hoping that at least 250 people will volunteer as donors.

The clinic will be held at the Congregational church with the Detroit Regional American Red Cross group in charge. Clinic hours are 11 a.m. until 1 p.m. and 2 p.m. until 4 p.m.

Industrial workers will be permitted time off to go to the clinic. Mrs. Holmes has suggested that women of the community who are not employed may come in to donate blood at any time during the clinic without previous appointment. The clinic operates so smoothly and efficiently that a minimum of time is required.

Content workers, under the direction of Mrs. M. J. Baxter will serve coffee, juices and snacks for all donors.

All personnel working at the clinic will be served a luncheon following the morning clinic session. Mrs. Stanley Beal is in charge of the luncheon. Food for the luncheon will be provided by women of the community who have offered to prepare certain dishes as their volunteer service for the clinic.

As Mrs. Holmes pointed out in her original announcement of tomorrow's blood donor clinic, it is important that everyone who can possibly do so will donate blood at this time. For the first time since the Chelsea Blood Bank has been in operation here all blood has been used. In addition, 15 pints must be paid back to the Detroit Regional Center, that much having been used this year in excess of the amount credited to the Chelsea Blood Bank from last year's clinic.

Every person who works or lives in the Chelsea community is entitled to receive six pints of blood if needed; also, each person in his or her immediate family is entitled to a similar amount.

This year surrounding townships have requested that they be included in the Chelsea Blood Bank and Mrs. Holmes said the plan will be tried for one year. Whether the plan is continued another year will depend upon the number of donors who volunteer to contribute blood. The additional amount contributed must be sufficient to cover the anticipated extra demand.

Blood Bank Clinic Set For Friday

Tomorrow, Friday, Oct. 14, is the date for Chelsea's Community Blood Bank clinic. Mrs. Dudley Holmes, the Blood Bank chairman, has stated that she is hoping that at least 250 people will volunteer as donors.

The clinic will be held at the Congregational church with the Detroit Regional American Red Cross group in charge. Clinic hours are 11 a.m. until 1 p.m. and 2 p.m. until 4 p.m.

Industrial workers will be permitted time off to go to the clinic. Mrs. Holmes has suggested that women of the community who are not employed may come in to donate blood at any time during the clinic without previous appointment. The clinic operates so smoothly and efficiently that a minimum of time is required.

Content workers, under the direction of Mrs. M. J. Baxter will serve coffee, juices and snacks for all donors.

All personnel working at the clinic will be served a luncheon following the morning clinic session. Mrs. Stanley Beal is in charge of the luncheon. Food for the luncheon will be provided by women of the community who have offered to prepare certain dishes as their volunteer service for the clinic.

As Mrs. Holmes pointed out in her original announcement of tomorrow's blood donor clinic, it is important that everyone who can possibly do so will donate blood at this time. For the first time since the Chelsea Blood Bank has been in operation here all blood has been used. In addition, 15 pints must be paid back to the Detroit Regional Center, that much having been used this year in excess of the amount credited to the Chelsea Blood Bank from last year's clinic.

Every person who works or lives in the Chelsea community is entitled to receive six pints of blood if needed; also, each person in his or her immediate family is entitled to a similar amount.

This year surrounding townships have requested that they be included in the Chelsea Blood Bank and Mrs. Holmes said the plan will be tried for one year. Whether the plan is continued another year will depend upon the number of donors who volunteer to contribute blood. The additional amount contributed must be sufficient to cover the anticipated extra demand.

Tomorrow, then, is the day. The time is 11 a.m.-1 p.m. and 2 p.m.-4 p.m. and the place is the Congregational church on East Middle St.

William Freeman Sustains Injuries In Auto Crash

William Freeman, president of Chelsea Grinding Co., and one of the owners of the new Chelsea Lanes bowling facility on M-92, sustained painful injuries shortly after 1 a.m. yesterday when he missed the turn at the railroad crossing at the Methodist Home as he was headed toward town and off the road on the north side of the railroad tracks. The vehicle crashed against guard rails, a cement wall and a railroad telephone booth before settling over a utility pole.

Freeman was pinned beneath the car until Chelsea police and an ambulance arrived on the scene. He was taken to U. of M. hospital, Ann Arbor.

According to police officers' reports, it is believed he sustained a fractured shoulder and possible rib fractures. He also suffered a cut on the leg and cuts and bruises about the face and head.

Freeman was enroute home after showing pictures during the program period at a regular meeting of the Chelsea Rod and Gun club at the Legion Home at Cavanaugh Lake.

The Village Council is now making plans for an ordinance to prohibit parking on the village streets during the early morning hours, 2 to 5 a.m. This will be done in the hope of providing better snow and leaf removal. Cars left on the streets greatly hinder the Public Works crew in their efforts to do these jobs. This ordinance will also facilitate the sweeping of the streets in the spring and summer months.

Residents of the village are asked to help the Village Council in the preparation of this ordinance in the following way: If they now park on the street over night and have a driveway or garage in which to put their car they are asked to please move it from the street. Those who have no place to put their car are asked to check through their neighborhood to find an off-street parking place for it and put it there.

Those persons who have not the space by their residence, and also can not find parking facilities in their neighborhood should contact Village Clerk George Wenk by Monday, Oct. 17, leaving their name, address and telephone number.

The information will help the Council in its study of the situation prior to passage of the proposed ordinance.

Chelsea K. of C. Reports 'Sell-Out' At Rummage Sale. Chelsea Knights of Columbus did a "land office" business at their rummage sale Friday and Saturday at Sylvan Town Hall.

Solicitors, Campaign Workers Will Attend Kick-Off Luncheon

Laymen's Sunday To Be Observed at Methodist Church

Donley Boyer, in charge of arrangements for the observance of Laymen's Sunday at the Methodist church Sunday, Oct. 16, announced this week that he has asked Merle Hummel to preside at the opening of the service.

The Laymen's Sunday speaker is to be James Hoffmeyer. Topic of his message is "Always Be Ready."

Other men of the church who are to participate are Myron Curtis who will read the Scripture; David Soule who will give an interpretation of Laymen's Sunday and give the pastoral prayer; and Al Kleis who will close the service. Ushers for the service are Donald Dancer, Arthur Schmitt, Laurence Boyer, Harry Bailey and Larry Bates.

Book Fair Set Friday At Library

Books for adults, ranging from five cents to 50 cents each; children's books at 10 cents; comics at two cents each and books and papers at five cents are examples of the bargains which will be available at the Friends of the Library Book Fair Sale at McKune Memorial Library, tomorrow (Friday). The sale is scheduled to begin at 1 p.m. and will continue throughout the afternoon and evening until 9 p.m.

How Scouts of Troops 25 and 76 assisted in the preparations for the sale by staging a general pick-up of used books in the community Monday evening.

Proceeds of the sale will be used to supplement library funds for current expenses and purchase of new equipment and new books. Mrs. Robert Daniels is general chairman.

Ant work exhibits as well as antiques, will be on display for the pleasure of those who attend the book sale. Some of these items will also be available for sale, as well as records contributed by people of the community.

Among those who have been invited to display their art work are Jack Wellnitz, Mr. and Mrs. Benjamin Bower, Mrs. Patricia Jones, Barbara Eaton, Edith Rusten, Mrs. D. L. Gadhery, Merle Hummel, Robert Merkel, Jeffrey Daniels, Dan Ewald, Mrs. Godfrey Fox, Mrs. Robert Daniels, Mrs. Patricia Jones, Mrs. Philip Putscher and son, Phil.

A general invitation is extended to all people of the community to attend the used book sale and the exhibit of antiques and art work.

Volunteers Have 2 Weeks To Meet \$15,237 Goal

The annual Chelsea Community Chest fund-raising drive will begin officially following the customary kick-off luncheon for all solicitors and campaign workers at 12 o'clock noon, Monday, Oct. 17, at the Congregational church.

Guest speaker at the luncheon will be Jack Keller of the Ford Motor Co. Jack Wellnitz, 1961 campaign chairman, has urged all persons involved in this year's campaign to attend the luncheon. During the affair, the workers will receive materials and instructions necessary to the success of the drive.

Solicitors will begin making their calls in the residential and business areas immediately following the kick-off. Contributors are requested to be prepared to make their pledge or cash donation at an early date. The campaign is scheduled to close Oct. 31.

The workers will be under the leadership of Mrs. George Knickerbocker, southeast section; Mrs. Roger Smyth, southwest; Mrs. Merle Leach, northeast; Mrs. Stephen Slane, northwest; and Mrs. Walter Wolfgang, rural.

Industrial, business and school solicitations will begin early next week also. They will be under the direction of Lowell Davisson, P. G. Schabell, Jr. and Charles Cameron, respectively.

The Community Chest seeks a total of \$15,237 to cover its 1961 fair-share giving budget and administrative expenses. Chest officials hope for 100 per cent subscription of the amount. Last year's giving was more than \$14,000.

The red feather thermometer on the post office lawn will record the progress of the drive.

To Explain Art Program At PTA Meet

Merle Hummel, art instructor in Chelsea schools, will speak at the Oct. 19 PTA meeting on the topic "The Art Program in Our Schools."

The meeting will be held in the Chelsea High school cafeteria and will begin at 8 p.m.

Plans are being discussed for trying a different seating arrangement at PTA meetings, so that parents and teachers may become better acquainted.

Parents are being reminded about the question box suggested at a previous PTA meeting. Questions for the box should be mailed or handed to the PTA president, David Soule, as soon as possible in order that he may have time before the meeting date to designate someone to prepare an answer. All parents of school children are invited to attend.

JUDY SUMMERS (center) was chosen homecoming queen at Friday night's Chelsea-Roosevelt football game here. She was presented with a star and a bouquet of roses and crowned at ceremonies held in the Chelsea High school cafeteria after the game which Chelsea won, 40-0.

—MYSTERY FARM NO. 120. — Here is the 120th of the series of farm photos published in The Standard each week for readers to identify. If you recognize the place, please call The Standard office, GR 5-3581. The owner is entitled to receive a mounted photo free-of-charge if he will call at The Standard office on or before Saturday.

Club and Social Activities

LIMA CENTER

EXTENSION CLUB

Twenty-two members of Lima Center Extension club attended a regular monthly meeting held Wednesday, Oct. 5, at Lima Center Community Hall. Mrs. Harvey Fletcher was the hostess.

The day's lesson, "Business Facts," was presented by the leaders, Mrs. LeRoy Feldkamp and Mrs. LaVerne Coy. The lesson was in the form of a discussion, with all members participating.

An October color scheme was carried out in the table decorations for the noon pot-luck dinner. An added feature was an attractively decorated cake honoring Mrs. Earle Pettibone in observance of her 50th wedding anniversary.

Hand-made tote bags and Christmas idea items were brought to the meeting, completing the club's arrangements for the exhibit at the county Christmas idea open house at the County Building, Ann Arbor, this week.

Mrs. Alice Apple, county home demonstration agent is expected to visit the Lima Center club at the next meeting, Wednesday, Nov. 9, beginning at 11 a.m. The meeting will be held at the home of Mrs. George Freysinger.

KINDER KLUB

Kinder Klub, with 21 members and six guests present, met at Merkel Brothers Store Tuesday evening with Robert Merkel as commentator during a program on choosing a home furnishing color scheme, furniture arrangement, etc. He also showed films to illustrate the subjects discussed.

Hostess for the evening was Mrs. William Storey assisted by Mrs. Ray Lutovsky and Mrs. Morrie Hummel.

The annual "husbands' night" dinner is to be held Saturday, beginning at 6:30 p.m. in the Junior High school home economics room. Those who attend are to bring their own table service.

SURPRISE BIRTHDAY DINNER

Mrs. Mary Clark and son Dean entertained Sunday evening at a surprise birthday dinner honoring Mrs. Jay Hopkins.

Table decorations carried out the Halloween theme.

In addition to the honor guest, those present included Mr. Hopkins and the Hopkins' children, Larry and Janice; also Mrs. Edna Hopkins of Dexter and Mr. and Mrs. Carl Wollpert and Mrs. Anna Weyer of Grass Lake.

ST. PAUL'S MISSION CLUB

Eleven members and two guests were entertained Thursday afternoon at the home of Mrs. Ola Hillsinger for a regular meeting of the Mission club of St. Paul's church.

The opening devotional service was presented by Mrs. Amanda Mayer after which readings were given as follows: "I'm Mine," by Mrs. Wilbert Grieb; "The Parson's Corner," by Mrs. Mina Seitz; "Never Alone," by Mrs. Paul Seitz; "If," by Mrs. Clarence Nicolai; and "God's Choice for President," by Mrs. Emma Seitz.

The birthdays of Mrs. Hillsinger and Mrs. Christina Nicolai were observed and each was remembered with a shower of birthday cards.

At the Nov. 3 meeting, to be held at the home of Mrs. Mayer, the articles made by members during the year or otherwise donated will be picked for shipment to mission stations for distribution during the Christmas season.

SALEM GROVE WSCS

Members of the Women's Society of Christian Service of Salem Grove Methodist church met Wednesday afternoon at the home of Mrs. Erle Notten. There were 21 members and three guests present.

Assisted by Mrs. George Welch, the opening devotional service was presented by Mrs. Albert Schweinfurth. They also presented the lesson, "Which is Christian Citizenship?"

Mrs. Leonard Loveland and Mrs. Glenn Rentschler, who were on the September committee delegated to visit the sick and shut-ins, gave their report at the meeting.

Mrs. Austin Artz and Mrs. Chester Notten were appointed to act on the committee during October. Appointed as a fellowship committee for the church during October were Mr. and Mrs. Chester Notten and Mr. and Mrs. Austin Artz.

Following the business session a lunch was served as a special observance of the 20th anniversary of the organization of the Women's Society of Christian Service of the Methodist Church.

Hostesses for the luncheon were Mrs. Nelson Peterson and Mrs. William Broasmile.

The November meeting is to be held at the home of Mrs. Rudolph Rohde. It was announced.

LIMANERS

Limamers discussed plans for the November state hospital project and for other community service projects at their regular monthly meeting, Thursday, Oct. 6, at the home of Mrs. Lionel Vickers. Plans were also discussed for the Nov. 3 meeting to be held at the home of Mrs. Earle Whitney.

Thirteen members were present for a noon pot-luck dinner and for the business meeting and social hour which followed.

Assisting hostess was Mrs. Walter Beutler.

Mrs. Virginia Seitz, George E. Elkins Exchange Vows

Announcement is made of the marriage of Mrs. Virginia Seitz and George E. Elkins, which took place Saturday evening at the home of the latter's sister and brother-in-law, Mr. and Mrs. W. J. Howes, 550 Howard Rd. The Rev. Paul M. Schnack officiated in the presence of the immediate families and a few close relatives of the couple.

For the wedding, the bride wore a royal blue dress and hat and a white orchid corsage.

Mrs. Douglas Kennedy served as the bride's only attendant, wearing for the occasion a toast colored dress with a toast and pink hat and a corsage of pink carnations.

The bridegroom's brother, Carl Elkins, was best man.

Soloist for the ceremony was Wilbur Beeman who sang, "O Promise Me" and "I Love You Truly." He was accompanied on the piano by Mrs. Beeman.

Included among the relatives present for the ceremony were the bride's parents, Mr. and Mrs. Clarence Lehman; her son, Gary Seitz, and his paternal grandmother, Mrs. Philip Seitz; and the bridegroom's mother, Mrs. Gertrude Elkins of Auburn Heights.

Those who served at the reception included the bridegroom's sisters, Laura Elkins of Auburn Heights and Mrs. Howes; also, Mrs. Alda Lehman, Mrs. Llewellyn Lehman, and Mrs. Herbert Hinders.

The new Mrs. Elkins is employed at Chelsea State Bank while Mr. Elkins is affiliated with the Gamble store.

Upon their return from a three-week trip to points in the west and southwest, the couple will be at home, after Nov. 1, at 4017 Notten Rd.

ENGAGEMENT—The engagement of Sherry Myers and Robert Ball has been announced by the parents of the bride-to-be, Mr. and Mrs. Stewart Myers, 139 Lincoln St., Chelsea.

Mr. Ball is the son of Mrs. Rose Ball of Dexter.

The couple set March 11 as the date for the wedding.

Reception To Honor Earle Pettibone on Golden Wedding

Mr. and Mrs. Earle Pettibone will be honored Sunday at an open house reception at their home, 2220 North Dancer Rd., in observance of their 50th wedding anniversary.

They were married Oct. 19, 1910, at the home of friends, Mr. and Mrs. Norris Sherwood at Ypsilanti.

The first 10 years of their married life they lived on the former Pettibone family homestead north of Ypsilanti, which had been in the family since it was secured from the U. S. Government early in the 1830's.

In 1926 they moved to the farm at 2250 North Dancer Rd., which was their home until two years ago when they moved to their present new home at 2220 North Dancer Rd.

The Pettibones have one daughter, Mrs. Floyd Fowler, who, with her husband and son, Richard, lives in their former farm home. The Fowlers' other son, Dean, is married and the father of two children, Keith and Della. They live at Highland Lake.

Mr. Pettibone's mother, Mrs. Elizabeth Pettibone, who was 101 years old on July 23, is now a patient at Colonial Manor Nursing Home. She lived to see all of her family observe their golden wedding anniversary—a daughter, Mrs. George Parker of Geddes and two sons, Roy Pettibone of Farmington and Earle Pettibone whose anniversary is being observed Sunday.

The reception will be held from 2 p.m. until 5 p.m.

Sunday dinner guests of Mr. and Mrs. Herbert Paul were Mr. and Mrs. Oscar Stuebler of Ann Arbor, and Mr. and Mrs. Gula Holmes and Mrs. Josephine Sleighshouer of Denver, Colo.

MR. AND MRS. DON WOOD, who were married at St. Mary's Catholic church Saturday, Oct. 1, are now at home at 724 McKinley Rd. They are shown in the above photo as they appeared during their wedding reception at the Knights of Columbus Hall. Mrs. Wood is the former Wanda Sue Patrick, a daughter of Mr. and Mrs. Charles Patrick. Mr. Wood's parents are Mr. and Mrs. Wallace Wood.

Four Infants Baptized At Methodist Church

Baptisms which took place Sunday morning at the Methodist church included those of Douglas Larry Foreman, son of Mr. and Mrs. Louis Foreman of Watt Rd.; Jeffery Strait Baylis, son of Mr. and Mrs. Ross Baylis, 7845 Dexter-Townhall Rd.; Tracey Lynne Brannham, daughter of Mr. and Mrs. Ronald Brannham, 128 East Summit St.; and Gary Alan Packard, son of Mr. and Mrs. Gary Packard, 170 Cedar Lake.

The Rev. S. D. Kinde, pastor of the church, officiated.

CHELSEA SUBURBANETTES EXTENSION CLUB

Tuesday evening, Oct. 4, Chelsea Suburbanettes Extension club met at the home of Mrs. Franklin Sweeney with 10 members present. Co-hostess for the meeting was Mrs. Earl Kuhl.

Mrs. John Schittenhelm and Mrs. Mancel Hill became members of the club at this meeting.

A lesson on the topic, "Business Facts for Families," was presented by Mrs. Jerald Heydlauff and Mrs. Darrel Satterthwaite.

The next regular meeting is scheduled for Nov. 10 at the home of Mrs. Darrel Satterthwaite with Mrs. John Laraway as co-hostess.

BOY SCOUT TROOP 76

Oct. 10 our troop collected used books, comics, records, and magazines through a door-to-door pickup to be given to the McKune Library for their Book Fair.

Gary White, scribe.

Woman's Club Completes Plans Rummage-Sale

At the regular meeting of Woman's club Tuesday plans were completed for the annual fall rummage sale to be held Friday and Saturday, Oct. 21 and 22, at Sylvan Hall, General chairman of the sale is Mrs. David Coleman.

The spring and fall rummage sales of the Woman's club have come a traditional activity of the group. Proceeds of the sales set aside for community projects which, through the last year, have benefited for Chelsea residents.

The club was responsible for founding of the public library was instrumental in the creation of Chelsea Social Service, the Chelsea Community Center has carried out many philanthropic projects through the year.

Tuesday evening's meeting designated as guest night.

David Sanborn, vocal music teacher in Chelsea school, was guest speaker, his topic, "Music in the Home," to emphasize the program included from recordings of the open pheasants, "Grand Canyon Suite," "Diana and the Golden Age," and "The Golden Age."

Hostesses who served refreshments during a social hour included Charles Cameron, Mrs. David Quigoun, Mrs. E. W. Eaton, Lee Ferguson, and Mrs. C. Meserva.

from
Mr.
Quarry's
drug
store...

came a concept as
modern as tomorrow

... And the concept was service. A very special kind of service. In the days when Ann Arbor was a very small town... when the interurban railway was more than a faded memory... Mr. Quarry began building a reputation.

It was a reputation based on integrity, upon personal service, upon reliability of both products and peoples.

Today—sixty-five years later—the same concept still holds fast at Ann Arbor's largest and most modern pharmacy.

As the illustrations at left indicate, integrity, personal service and reliability are still the most important reasons why most people insist upon the Quarry for their pharmaceutical needs.

Regardless of where you live in Washtenaw County, consider the Quarry YOUR headquarters for your pharmaceutical, vitamin and cosmetic needs. Here, you'll find friendly people anxious to serve you... and products you know you can trust!

Why not plan to drop in soon?

... It costs you no more to take advantage of the services and facilities of Ann Arbor's favorite pharmacy... the Quarry.

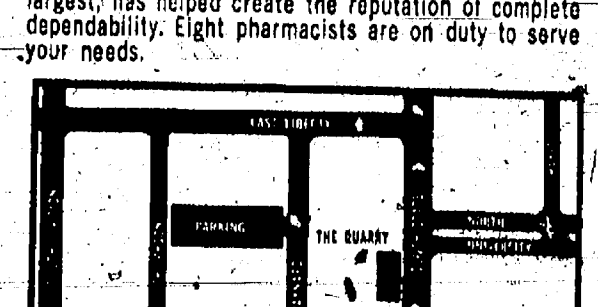

1. Located in the heart of the campus area on State Street, the Quarry is indeed a landmark on the Ann Arbor scene.

2. Bright, modern facilities combine with friendly, efficient service to make the Quarry a pleasant place to do business.

3. The pharmacy department at the Quarry, Ann Arbor's largest, has helped create the reputation of complete dependability. Eight pharmacists are on duty to serve your needs.

4. The Maynard Street parking structure is just "an arcade away" from the Quarry... a participating firm in the new Ann Arbor Park-Plan.

Hog Is Loser In Encounter with Pick-Up Truck

A pickup truck driven by Kenneth Proctor, Jr., of Dexter was extensively damaged at 12:46 a.m. Saturday when it struck and killed a 175-pound hog on Donner Rd. just past Island Lake Rd.

According to reports of the mishap, Proctor told sheriff's deputies the hog ran out in front of his truck suddenly from a grassed area beside the road and he did not have time to stop.

About 3 million salaried workers—85 per cent of them men—were employed in 1950 to manage the business activities of enterprises ranging from aircraft manufacturing to zinc mining, according to the U. S. Labor Department's Bureau of Labor Statistics.

Italia McLaughlin Becomes Bride of Harvey Koselka

Harvey Anthony Koselka, son of Mr. and Mrs. Frank Koselka, was married Saturday, Oct. 8, at Holy Trinity church, Middleburg Heights, Ohio, to Italia McLaughlin, daughter of Mr. and Mrs. Ebenezer McLaughlin of Middleburg Heights. The Rev. Fr. Leo Herlihy officiated at the 11 a.m. double ceremony.

Given in marriage by her father, the bride wore for the wedding a long-sleeved gown of heavy white tulle, styled with three-quarter sleeves and a V neckline. The gown of satin accented the waist and topped the skirt, which featured a flat front panel and a full skirt. The skirt extended into a chapel-length train. Full-length, two-tiered veil of tulle was bordered with tulle appliques and caught to the satin bow headband. She wore a single strand of pearls and an heirloom handkerchief. The bride's bouquet was comprised of white roses on a white ribbon.

The bride's sister, Mrs. Robert Hinz of Ann Arbor, was matron of honor. The blue tulle sheath dress she wore for the wedding was styled with a balloon-type overskirt. Her bouquet, all white, was of carnations.

The bridesmaids, Barbara Weber and Annette Robertson, both of Ann Arbor, wore costumes identical to that of the matron of honor. Denise and Duane Byratt, niece and nephew of the bride, served as flower girl and ringbearer. The flower girl's dress matched those of the other attendants of the bride.

The bride's mother wore a gown of royal blue lace over matching tulle and chose white accessories. Mrs. Haist, mother of the bride, wore a two-piece dress in Dior blue with which she wore matching accessories.

Mrs. Steele and Mrs. Haist each had a corsage of white roses.

The bridegroom's attendants included his brother, Richard Haist, as best man, and Richard Steele, brother of the bride, and Theodore Nixon, as ushers.

A reception followed in the parish hall with Judy Forness of Ann Arbor in charge of the guest book. Peggy Goetz of Ann Arbor, and Mrs. Bruce Byratt, sister of the bridegroom, poured, and Barbara Hartman and Judi Zahn of Ann Arbor, cut the wedding cake.

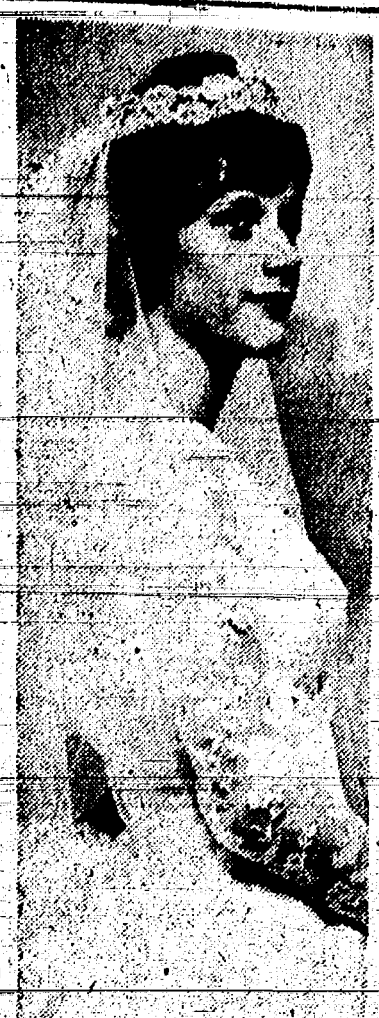

After a week's trip during which they will spend some time in North Carolina, the couple will reside at 849 Wickfield Ave., Ann Arbor.

The bride is a 1959 graduate of Ann Arbor High school and is employed at Ann Arbor Federal Savings & Loan Association.

The bridegroom, also employed there, is a 1958 graduate of Chelsea High school.

The bridegroom's parents entertained at a rehearsal dinner at their home Friday evening.

Pennsylvania was nicknamed the Keystone state by reason of its geographical location in the 13 original colonies.

Mrs. Kenneth Haist

Steele-Haist Nuptial Vows Spoken Saturday

Zion Lutheran church at Rogers Corners was the setting for a candlelight wedding ceremony Saturday evening uniting Barbara Steele of Ann Arbor, and Kenneth E. Haist.

The Rev. C. J. Renner, pastor of the church officiated.

Soloist for the ceremony was Max Ziegler, Jr. of Dexter, who sang "The Lord's Prayer."

Parents of the couple are Mr. and Mrs. Meredith C. Steele of 921 South Main St., Ann Arbor and Mr. and Mrs. Erwin Haist of 1120 Haist Rd.

The bride's wedding gown, of white silk organza and lace, featured a bustle effect achieved by means of puffed folds of organza at the back matching the skirt. The lace was used to fashion the fitted, long-sleeved bodice. A crown-shaped headpiece held her fingertip-length veil.

She carried an arrangement of white roses on a white ribbon.

The bride's sister, Mrs. Robert Hinz of Ann Arbor, was matron of honor. The blue tulle sheath dress she wore for the wedding was styled with a balloon-type overskirt. Her bouquet, all white, was of carnations.

The bridesmaids, Barbara Weber and Annette Robertson, both of Ann Arbor, wore costumes identical to that of the matron of honor. Denise and Duane Byratt, niece and nephew of the bride, served as flower girl and ringbearer. The flower girl's dress matched those of the other attendants of the bride.

The bride's mother wore a gown of royal blue lace over matching tulle and chose white accessories. Mrs. Haist, mother of the bride, wore a two-piece dress in Dior blue with which she wore matching accessories.

Mrs. Steele and Mrs. Haist each had a corsage of white roses.

The bridegroom's attendants included his brother, Richard Haist, as best man, and Richard Steele, brother of the bride, and Theodore Nixon, as ushers.

A reception followed in the parish hall with Judy Forness of Ann Arbor in charge of the guest book. Peggy Goetz of Ann Arbor, and Mrs. Bruce Byratt, sister of the bridegroom, poured, and Barbara Hartman and Judi Zahn of Ann Arbor, cut the wedding cake.

After a week's trip during which they will spend some time in North Carolina, the couple will reside at 849 Wickfield Ave., Ann Arbor.

The bride is a 1959 graduate of Ann Arbor High school and is employed at Ann Arbor Federal Savings & Loan Association.

The bridegroom, also employed there, is a 1958 graduate of Chelsea High school.

The bridegroom's parents entertained at a rehearsal dinner at their home Friday evening.

Pennsylvania was nicknamed the Keystone state by reason of its geographical location in the 13 original colonies.

Mr. and Mrs. Richard Koziski

Katherine Merkel, Richard E. Koziski Speak Vows in Saturday Ceremony

Katherine Merkel, daughter of Mr. and Mrs. Norbert L. Merkel, 146 Orchard St., became the bride of Richard E. Koziski of Greenfield, Mass., at a Nuptial Mass at St. Mary's Catholic church at 10 o'clock Saturday morning. The officiating clergyman was the Rev. Fr. Leo J. Smith.

Accompanied on the organ by Mrs. George Clark, St. Mary's choir sang the Mass and Richard Cobb sang "Ave Maria" and "Panis Angelicus."

The bride's floor-length, princess style gown was of ivory silk organza with a bateau neckline trimmed with Chantilly lace and matching lace elbow-length sleeves. Small scallops bordered the neckline and sleeves. Her headpiece was an orange blossom crown with a short veil of silk illusion. She carried a cascade arrangement of white fuji mums and ivy.

Mrs. Thomas Eisele, sister of the bride, was matron of honor. Her costume was a French violet colored peau satin dress, style features being a bateau neckline, elbow length sleeves and a bell shaped skirt. She wore a crown-shaped headpiece of matching fabric with a bow at the side. Deep purple and white fuji mums with ivy were used for the cascade bouquet she carried.

The bridesmaids, Mrs. Richard T. Merkel of Toledo, O., sister-in-law of the bride, and Margaret Pugh of East Lansing, and the junior bridesmaid, Dorothy Koziski of Greenfield, Mass., sister of the bridegroom, wore gowns and headpieces matching those of the matron of honor. Their bouquets, however, were of all deep purple fuji mums.

The bridegroom, who is the son of Mr. and Mrs. W. Edward Koziski of 61 Silver St., Greenfield, Mass., was assisted by Richard T. Merkel of Toledo, O., brother of the bride, as best man, and Donald Kasher of Dearborn and of Somerset, Mass., and Charles Raymond Bunn of Pleasant Ridge, as ushers.

The bridegroom's mother wore for the wedding a honey beige organza sheath dress with matching accessories complemented with a lavender hat and a corsage of mums and roses.

The bride's mother wore a deep purple wool sheath dress and matching accessories including a hat fashioned of leaves in shades of purple. Her corsage was also of mums and roses.

Following the ceremony a breakfast was served at the Farm Club on Plymouth Rd., Ann Arbor. Mrs. George Palmer was in charge of the guest book.

When the couple left to travel east, the bride was wearing a brown knit dress with alligator accessories and a beige hat. The bridegroom, who recently was commissioned a second lieutenant in the U. S. Army Signal Corps, is to be stationed for six months at Fort Monmouth, N. J.

The bride is a graduate of Marygrove College, Detroit, and has been employed in Home Economics Services of the Kellogg Co. at Battle Creek.

The bridegroom, a graduate of Northeastern University at Boston, Mass., was an industrial relations trainee at the Ford Motor Co. in Dearborn. He is a member of Nu Epsilon Zeta fraternity.

A miscellaneous shower was given at Greenfield, Mass., by Carol Lawnicki of Easthampton, Mass., and Dorothy Koziski of Greenfield.

Mrs. George Palmer entertained at a miscellaneous shower at her home here and a brunch and personal shower was given at Battle Creek by Sara Hill of Battle Creek and Margaret Pugh of East Lansing.

The bride's uncle and aunt, Mr. and Mrs. F. W. Merkel, entertained the wedding party and relatives at a rehearsal dinner at their home.

Advanced First Aid Class Set By Red Cross

An Advanced First Aid class has been scheduled to begin Oct. 24 at 7:30 p.m. in the County Building. It was announced today by Mrs. Sink, Assistant Chairman of the Red Cross First Aid Committee.

The free 18-hour course will be taught by Robert T. Fisher, a Red Cross trained volunteer instructor, and is open to anyone in the county who has completed the Standard course within the three-year limitation period or those who need to renew their Advanced certificates.

The class will meet each Monday evening in Room 117A of the County Building in Ann Arbor for nine weeks. Fisher suggests that those individuals planning to attend bring with them notebooks, pencils, and their "green-covered" First Aid textbook.

Registration may be made for the course by contacting the Red Cross office at Normandy 2-5546 or by mail before the deadline of Oct. 20.

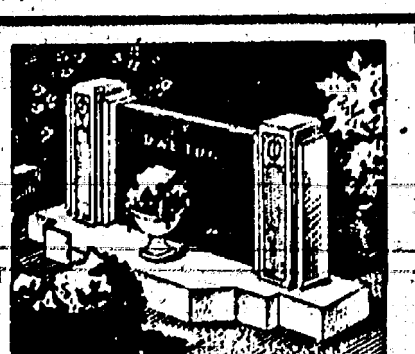

These free courses are made possible by public support of the United Fund appeals throughout the county.

Medical Profession To Be Recognized At St. Barnabas

St. Barnabas Episcopal church is planning special recognition of members of the medical profession—doctors, nurses, etc.—at the Oct. 16 morning worship service.

The sermon by the Rev. Allan Reed, vicar of the church, will stress the relationship between true Christian faith and healing of body and mind.

The special recognition was planned as being appropriate at this time in conjunction with the observance Oct. 18, of a day dedicated to the biblical "St. Luke, the Physician."

The Chelsea Standard Office

By NICK PRAKKEN, Manager

Your attention is called to the fine work being done throughout the year by the Chelsea Community Chest. The financial assistance it gives to Girl Scouts and Boy Scouts, for instance, are examples of the programs made possible in the community. Likewise, the help the Community Chest renders to those less fortunate than we is invaluable. Therefore we urge you to give generously to the Chelsea Community Chest.

FIXING UP FOR FALL? A lot of people find that this is a good time for getting things done around the house. And it's a good time to think about getting the extra convenience of an extension phone in your bedroom. It's particularly nice in the winter. If the phone rings at night, you don't have to hop out of a warm bed to take the call. Our new Princess phone fits nicely on any bed table—and its built-in night light is an added convenience. To order a bedside extension phone today, just call your telephone Business Office.

ONE OF THE LATEST improvements in home building is free Built-in-Wall telephone wiring—throughout the house. Special wiring, designed to provide for all future telephone needs, is concealed in the walls of your home during construction. When you move in and order telephone service, the installer locates the hidden wires with an electronic detector and connects your phones. Built-in-Wall wiring assures neat, attractive telephone installations in a wide choice of locations throughout your home and permits you to change locations readily at a later date. If you're thinking of buying or building a new home, be sure to call us at Michigan Bell. We'll be happy to install Built-in-Wall telephone wiring... at no cost to you or your builder.

TROOP 48—
On Oct. 1 Troop 48 held its third meeting. We finished our troop election: vice-president, Patty Wiseman; scribe, Cynthia Hepburn; treasurer, Lauralyn Johnson. We have planned a trip to the elder mill in Dexter on Oct. 14. Intz Schilling and Pat Apple brought refreshments.

TROOP 77—
The girls of Troop 77 are planning a Junior-Senior week-end at Bruin Lake Boy Scout camp. At their third meeting on Oct. 6 they went to South School and put on a skit and a flag ceremony for the new Brownie troop. Refreshments were served by the Brownies. The next meeting will be from 10 a.m. to 12 noon today (Thursday) at the regular meeting place. Brinda West, scribe.

TROOP 498—
At the Oct. 6 meeting Girl Scouts of Troop 498 continued their project of making place cards for the Chelsea Child Study club. They also went on record with a vote of thanks to the club for being the troop's sponsor this year. Refreshments were served by Sandy Knoll.

Roberta Paul, scribe.

IN-MEMORIAM
In loving memory of our dear
husband, father, grandfather and
great-grandfather, William Bueh-
ler, who died six years ago, Oct.
15, 1954.
His memories fade and life de-
parts.
We will always keep him in our
hearts.
Sadly missed by his wife, chil-
dren, grandchildren and great-
grandchildren.

Mrs. Anna Kalmbach and son,
Elmer, of McKittrick, Calif.; Mrs.
John Papier of Ventura, Calif.; and
Mrs. Frank Watkins of Ukiah,
Calif., left Friday to return home
after spending three weeks visit-
ing relatives here and at Grass
Lake. Mrs. Kalmbach is the mother
of Mrs. Norman Schmidt and a
sister of Mrs. LaRue Shaver. Dur-
ing the Californians' stay a fam-
ily get-together was held in their
honor at Grass Lake. Also present
for the gathering were Mrs. Hor-
ace Phipps of Lionville, Pa., and
Mrs. Herbert Scofield of Arlington,
Va. The five women are sisters.

The family gathering included the
remaining two sisters in the fam-
ily, Mrs. LaRue Shaver of Chelsea
and Mrs. Emma Taylor of Grass
Lake, this being the first time in
several years that all of the seven
sisters were together at the same
time.

Needlework Guild
Officers Report
Successful Project

Approximately 50 directors and
members attended the annual
Needlework Guild Ingathering Tea
held Thursday, Oct. 6 at the Con-
gregational church.

The ten-table was covered with
a lace cloth and the center-piece
was an arrangement of roses and
candles. Mrs. Watson Hart and
Mrs. Charles Wortley of The Help-
ing Hand Circle poured.

Contributions were displayed on
tables by Mrs. Vincent Burg, dis-
tribution chairman, and Mrs. John
O'Hara.

Mrs. Robert Wagner, second
vice-president and Ingathering
chairman, said she felt Ingather-
ing was successful in equaling,
and perhaps exceeding the number
of garments contributed in pre-
vious years. The reports from the
directors are not, as yet, com-
plete.

ance of defunct contract, \$68.50,
or pick up payments, \$6.20 per
month. Write Box AP-22, care of
Chelsea Standard.

IN-MEMORIAM
In loving memory of our dear
husband, father, grandfather and
great-grandfather, William Bueh-
ler, who died six years ago, Oct.
15, 1954.
His memories fade and life de-
parts.
We will always keep him in our
hearts.
Sadly missed by his wife, chil-
dren, grandchildren and great-
grandchildren.

Mrs. Anna Kalmbach and son,
Elmer, of McKittrick, Calif.; Mrs.
John Papier of Ventura, Calif.; and
Mrs. Frank Watkins of Ukiah,
Calif., left Friday to return home
after spending three weeks visit-
ing relatives here and at Grass
Lake. Mrs. Kalmbach is the mother
of Mrs. Norman Schmidt and a
sister of Mrs. LaRue Shaver. Dur-
ing the Californians' stay a fam-
ily get-together was held in their
honor at Grass Lake. Also present
for the gathering were Mrs. Hor-
ace Phipps of Lionville, Pa., and
Mrs. Herbert Scofield of Arlington,
Va. The five women are sisters.

The family gathering included the
remaining two sisters in the fam-
ily, Mrs. LaRue Shaver of Chelsea
and Mrs. Emma Taylor of Grass
Lake, this being the first time in
several years that all of the seven
sisters were together at the same
time.

TRAFFIC JAM
Waterbury, Conn. — A motorist
in a line of cars at a drive-in
theater balked at paying the ad-
mission price.
But he paid, and drove inside.
A short time later, he drove out
and told the manager that he had
no intention of seeing the movie.
He had been driving home, got
into the wrong line of traffic, and
couldn't get out before reaching
the drive-in box office.

Massachusetts ranks first in the
manufacture of textile goods and
hats and shoes.

Needlework Guild
Officers Report
Successful Project

Approximately 50 directors and
members attended the annual
Needlework Guild Ingathering Tea
held Thursday, Oct. 6 at the Con-
gregational church.

The ten-table was covered with
a lace cloth and the center-piece
was an arrangement of roses and
candles. Mrs. Watson Hart and
Mrs. Charles Wortley of The Help-
ing Hand Circle poured.

Contributions were displayed on
tables by Mrs. Vincent Burg, dis-
tribution chairman, and Mrs. John
O'Hara.

Mrs. Robert Wagner, second
vice-president and Ingathering
chairman, said she felt Ingather-
ing was successful in equaling,
and perhaps exceeding the number
of garments contributed in pre-
vious years. The reports from the
directors are not, as yet, com-
plete.

DEATHS

Gerald O. Luick

Managed Kroger Stores In Both Dexter, Chelsea

Gerald O. Luick, Kroger store manager at Dexter for one and one-half years prior to his fatal heart attack, died Wednesday morning, Oct. 5, at St. Joseph Mercy hospital, Ann Arbor. He had been a patient at the hospital since Sept. 11 after being at home a few days following a previous stay there.

Prior to becoming manager of the Kroger store at Dexter he had been with the former Chelsea Kroger store eight years, serving as manager for the five years before it closed early in 1956.

He was an agent the past 30 years for the R. C. Sheehan Insurance Agency of Ann Arbor.

Following his graduation from Chelsea High school in 1921, he attended Cleary College in Ypsilanti. He was employed for a short time at the Ann Arbor Bank and then was with Palmer Motor Sales for 10 years. From 1933 until 1939 he was employed by his uncle, Gottlieb Luick of Ann Arbor, as a manager of real estate.

Born in Lima township, Sept. 10, 1903, he was a son of Otto D. and L. May Wood Luick. He lived in the Chelsea area all of his life. Dec. 25, 1941, in Chelsea he was married to Mae Prudden who survives.

Also surviving are his mother who lives at 607 South Main St., Chelsea; a daughter, Nancy, a son, Kenneth, both at home; and a brother, Leigh Luick of Lima township. A sister, Beulah, died in 1928.

Mr. Luick was a member of the Congregational church at Chelsea. Funeral services were held at 2 p.m. Saturday at the Staffan Funeral Home in Chelsea, with the Rev. Philip Rusten officiating. Burial took place at Oak Grove cemetery, Chelsea.

Paul H. Graber

Former Chelsea Resident Had Been Invalid 29 Years

Paul H. Graber, 55, of 12041 Ashbury Park, Detroit, died unexpectedly on Sunday. He had been an invalid for 29 years.

Born July 2, 1905, at Francisco, he was a son of the late Rev. Jacob Graber who was then the pastor of St. John's church at Francisco. His mother, the former Elizabeth Schoenith Graber, is Mrs. L. P. Vogel, 154 East Middle St.

He graduated from Chelsea High school in 1923 and until he became disabled in 1921 was employed at Burroughs Adding Machine Co.

Survivors are his widow, Marie; two sons, Byron A. and Gerald O. Luick; his mother, Mrs. L. P. Vogel of Chelsea; two sisters, Mrs. Margaret Mallick and Erma Graber of Detroit; a half-sister and half-brother, Mrs. Ralph Osterie (Betty) and L. Philip Vogel of Chelsea, and four grandchildren of Detroit.

Also surviving are three step-brothers, General Herbert Vogel of Knoxville, Tenn., Karl Vogel of Huntington, W. Va., and Clarence Vogel of Chelsea; and two step-sisters, Mrs. B. C. Dunstone (Ruth) of Fort Wayne, Ind., and Major Florence Vogel, Army Nurse Corps, Detroit.

A son, Bruce, died in 1938 at the age of seven.

Funeral services were held at 2 p.m. yesterday at the L. J. Griffin Funeral Home, 17600 Plymouth Rd., Detroit, with the Rev. L. J. Peterson of the Grandale Presbyterian church officiating. Burial took place at Grand Lawn cemetery, Detroit.

Charles W. Guenther

Had Lived at Cavanaugh Lake Since Retirement

Charles W. Guenther who had made his home at Cavanaugh Lake the past five years, died suddenly at an Ann Arbor hospital, Monday, Oct. 8. He was 70 years old.

Funeral services and burial took place Thursday in Detroit.

Born March 18, 1880, in Detroit, he was a son of John and Julia Guenther and was married March 20, 1910 to Anna Leader who survives.

Also surviving are a daughter, Mrs. Donald H. Mitchell, and two grandsons, Donald H. Mitchell, Jr., and Charles Mitchell of Detroit.

DR. CLARE WARREN is shown at work in his newly-opened dental office in the first of the business and professional offices completed in what eventually will be Chelsea's first arcade-type construction project. James and Robert Daniels are the promoters of the new construction on their property on South St. between South Main and Congdon Sts. The patient shown in the photo is Arthur Stoll of Old US-12. Dr. Warren, formerly of Flint, is a 1956 graduate of the University of Michigan and served in the U.S. Air Force, stationed at Madison, Wis., until his discharge Aug. 1. His wife, June, taught three years in Chelsea schools. Dr. Warren is holding open house at his new office from 5 p.m. until 8 p.m. tomorrow evening (Friday).

WSCS 20th Anniversary Observed Wednesday at Special Luncheon, Pro

Fifty-five women were present for the luncheon and program held Wednesday afternoon, Oct. 5, in the Methodist church social center in observance of the 20th anniversary of the founding of the Women's Society of Christian Service (WSCS).

Mrs. J. Gaunt, WSCS vice-president and program chairman, with members of the program committee, were in charge of arrangements.

In keeping with the birthday theme of the society, those present were seated at tables decorated to correspond with their own birthday month—Christmas decorations for December—Valentine decorations for February, etc.

The afternoon program entitled "Chart and Compass" was in charge of Mrs. Arthur Schmunk. She was assisted by Mrs. Robert Harris who presented the opening devotional service, and Mrs. C. S. Cameron and Mrs. Alfred Weismann who gave readings pertaining to the society's goals and activities of the past 20 years.

The WSCS is a merger of three former groups known as Ladies Aid, Home Missionary and Foreign Missionary societies.

The WSCS subdivided into circles whose members hold separate monthly meetings and meet jointly for a WSCS general meeting six or eight times a year.

Mr. Guenther had retired five years ago after being employed in the experimental laboratories of the Nash-Kelvinator Corp. in Detroit.

Wood says, "It takes a great deal of money to finance a political campaign, especially during the year that elections are held on the local, state and national levels. The theory behind the 'Dollars For Democrats' method of raising money is that we feel it is better to receive many small donations from individual citizens than a large contribution from a special interest group."

The county-wide drive will end Monday, Oct. 17, with emphasis given to personal calls on that day.

Individual contributions may be made at Wood's office through Oct. 10.

County Democrats Launch Drive for Campaign Funds

The Washtenaw County Democratic Committee has announced that Wallace Wood has been appointed chairman for the "Dollars For Democrats" drive, in the townships of Sylvan, Lyndon, Dexter and Lima.

Wood says, "It takes a great deal of money to finance a political campaign, especially during the year that elections are held on the local, state and national levels. The theory behind the 'Dollars For Democrats' method of raising money is that we feel it is better to receive many small donations from individual citizens than a large contribution from a special interest group."

The county-wide drive will end Monday, Oct. 17, with emphasis given to personal calls on that day.

Individual contributions may be made at Wood's office through Oct. 10.

Fire Prevention Week Observed

Fire departments throughout the nation are observing "Fire Prevention Week," Oct. 9-16, and are stressing the fire prevention is everyone's job.

Urgent need for stepped-up fire prevention practices is indicated when it is realized that every day in the United States there are about 1,500 home fires... 31 deaths

Open House Friday At Fire Hall

Fire Chief Ted Balmer and his crew of firemen are holding open house at the Fire Hall in the Municipal Building Friday evening, Oct. 14 (tomorrow). They invite all families of Chelsea to come in and visit them and inspect Chelsea fire-fighting equipment.

by fire... 155 more fires... 110 factory fires... 110 barn fires... 22 school fires... 5 hospital fires

The U. S. fire loss total in 1955 was \$1,895,000,000 in about 2,000,000 fires.

Most deaths by fire tragically involve families in the home. Many are suffocated by smoke and fire gases without being actually burned. Many deaths also are caused by people falling asleep while smoking or re-entering burning homes to rescue pets and personal possessions.

The annual total of building fires in the United States is more than 840,000 as compared to 80,000 in Canada.

Most frequent causes of fires in buildings: carelessness in smoking and the use of matches, is listed as the cause of 190,800 fires.

Others, in the order of number of fires resulting, are defective overheated heating, cooking equipment; electrical; unknown; rubbish, ignition unknown; flammable liquids; children and matches; chimneys; flues; lightning; and open lights, flames, sparks.

Fire department officials stress the fact that fatal fires are not accidents. They happen when small children are left alone in a home, when someone dozes off with a lit cigarette in hand, when a portable oil stove is tipped over, or because of rubbish in cellars and attics. It's the simple things like these that again and again cause the tragic deaths from fire.

If the equally simple rules of fire safety are observed by people everywhere, we can practically erase our present sorry record—about 11,600 lives lost to fire each year in the United States and about 600 in Canada, plus tens of thousands more burned and disfigured. The principal victims are old people and children. Fire prevention is everyone's job every week of the year. Accepting and acting on this fact is the most important message of Fire Prevention Week.

Traditionally, Fire Prevention Week each year is the last week of October. It is observed at the time in the United States and by proclamation of the President of the United States. Governor-General Case Started An Special Day.

Fire Prevention Week dates back to Fire Prevention Week which was inaugurated in 1871. It is observed at the time in the United States and by proclamation of the President of the United States. Governor-General Case Started An Special Day.

Fine Weather For Start of Duck Season

Approximately 150 hunters were on hand at the Winnemans flooding project near Sugar Lake Lake, when the duck season opened Monday noon, Oct. 7.

Ideal weather Friday, Saturday and Sunday helped to make the week-end one of the best openings of the duck hunting season in a number of years, according to Conservation Officer Donley Boyer.

Boyer said ducks were quite plentiful but hunters' success only "fair" because of the large number of hunters.

Numerous hunting violations occurred. Boyer was assisted by two federal agents and a number of arrests were made.

Several of the violators have already appeared before Justice Chandler Rogers in Sylvan township justice court and all were assessed the regulation \$10 fine and \$7.50 costs or an alternative of three days in jail. All paid their fines and costs.

Two of the violations processed were for bugging more than the limits of wood ducks (the daily limit is one duck). The violators were David L. Scott of Chelsea and Ronald Roscher of Stockbridge.

Five violations were listed as "late shooting" meaning after sunset. Those who pleaded guilty of this offense are Robert Morrison and Fred Fry of Grass Lake, Roger White of Jackson, Larry C. Wainwright of Michigan Center, and Ronald Bulize of Chelsea.

Winter Storage Space Available at New Fair Building

Everett Van Riper has been appointed by the Chelsea Community Fair Board to be in charge of renting storage space in the new Community Fair livestock building.

Van Riper said the building is particularly suitable for the winter storage of farm implements and machinery.

A schedule of rental rates has been set up and anyone interested in renting space may contact him, he said.

Village Completes or Nears Completion on Major Projects

With street work completed for the season, two new wells completed and the filtering plant for the water department due to be ready in about a month, the south parking lot finished, and sewage disposal plant enlargement scheduled for completion by the end of the year, the "60's decade" which is the subject for dire predictions among candidates for the November election seems to have gotten off to a good start in Chelsea.

The Municipal parking lot on Park St. presents an attractive appearance. The lot is below sidewalk level and the south end retaining wall has been finished in stadium-style providing seating for approximately 300 people for such events as band concerts, etc.

The stadium style wall had not been included in original plans but was the result of ideas which evolved as the work was in progress. The feature adds much to the attractiveness and usefulness of the lot. In the event band concerts or other public entertainments are held there, cars may still be parked all around the north, east and west sides, with the stadium seating greatly increasing the number of spectators which can be accommodated.

For general parking, there are 85 spaces for cars available for free parking. The location is a convenient one affording easy access to the entire business district.

The free parking is made possible by Chelsea merchants who are contributing the amount which might be realized from parking fees if meters were installed in the lot.

Street work completed this year at a total cost of \$38,000 includes the projects listed as follows:

West Middle - From County Yards to Main St. Dug out and one coat of asphalt.

Park St. - From East to Main Dug out and one coat of asphalt.

Dale and Lincoln - Dug out and one coat of asphalt.

Hayes - From Railroad track to North St. Dug out and one coat of asphalt.

East St. - From railroad track to North St. Dug out and one coat of asphalt.

Jackson St. - One coat asphalt from Main St. to railroad depot and seal coat from depot to East St.

Wilkinson St. - From Wellington to Old US-12, seal coat.

Garfield St. - Scarified and oiled preparatory to resurfacing in 1961 or 1962.

Washington St. - From Flanders to High school entrance, scarified and oiled to aid in maintenance until it can be properly resurfaced in 1961 or 1962.

Hot asphalt patches were applied to Dewey, North, Summit, Grant, Main and McKinley at the entrance to the disposal plant.

Using equipment rented from the State Highway Department, Wilkinson, West Middle, Railroad and McKinley streets were painted with center dividing lines. On West Middle and McKinley where parking is permitted on one side of the street only, the dividing line is moved over to the center of

that portion of the street used for traffic giving cars going both ways the same amount of room, whether on the side where parking is permitted or the other side.

Additional public works plans include a storm sewer on East St. to the railroad tracks and a new sewer project to the St. Barnabas church property on Old US-12 and west to Arthur St.

Another improvement being carried out is a program which eventually will provide effective street lighting throughout the entire village. New lights are being installed where needed in locations

that have had no street lights before while existing lights are being replaced with new ones giving double the amount of light.

The better lights have already been installed on portions of West Middle St., South St., Washington and Railroad Sts.

Councilmen Merle Barr and Donald Baldwin are on the Council's light and water committee.

Barr and Stephen Clark are the off-street parking committee, and William Chandler and Baldwin are the councilmen on the street committee.

School Board Policies

This is a continuation of the list of Chelsea School Board policies as adopted at a recent meeting of the board.

Policies related to use of the school building and facilities were included in a list published in the Oct. 6 issue of The Standard.

A. Annexations - The Board of Education shall by resolution adopt policies on annexations.

B. Hunting Policy - Five (5) days shall be allowed for deer hunting and one day for small game hunting. Parent or legal guardian must make the request in person. Arrangements for school work must be made in advance. The same eligibility standards for athletic competition will be required of students excused for hunting.

C. Policy on noon driving - Driving at noon is not permitted. Violation of this policy the student will be dismissed from school one week. Parents will be notified by telephone or by letter of dismissal of the pupil.

D. Dances - One semi-formal dance in addition to the Junior-Senior reception will be permitted.

E. School Bus Use - School buses are restricted to the use of school groups.

F. Policies Relating to Solicitations For Charity - A. It is the duty of the schools to cultivate and maintain within the high school people a favorable attitude toward the high virtue of charity. However, giving to a charitable cause should remain solely a matter of individual conscience.

One solicitation for charity may be permitted annually on approval of the Board of Education, provided that:

1. No coin-cards or other devices suggesting amounts to be given, shall be used.

2. No competitive pressures shall be placed upon the students.

3. There shall be no plan to reveal identity of amounts given by

individuals, groups, rooms or schools.

Criteria for Telephone Teaching - 1. An illness that will keep the pupil from school three months or more.

2. Approval of the program by the doctor.

3. The parents, doctor, teachers, administrators and student must agree that the pupil will benefit. Final decision is responsibility of the faculty.

4. The pupil must have earned average grades or better in previous work.

5. The board of education will pay \$200.00 toward the cost of the

program per pupil and the parents will pay the balance.

Miscellaneous Provisions - 1. Non-resident students will not be accepted by the Chelsea School District except in special education classes approved by the board and reimbursed by State and/or County funds.

2. All summer programs, except the agricultural program, must operate on a self-supporting basis except that the school district will furnish the room and janitorial service.

3. Policy on diplomas: 1. Cumulative academic, 3.5. 2. General academic, 3.5-4.0. 3. Certificate of attendance, 1.0-4.0. 4. No recognition of a valedictorian and a salutatorian will be made.

BUSY BEAVERS - Sharon, Margie and Jim Myer were hostesses at our September meeting. We elected these officers: Janet Prentice, president; Sharon Myer, vice-president; Dianne Reynolds, secretary; Terry Schoonover, treasurer; Betty Tisch and Ruth Hannevald, name chairmen. Enrollment procedure was changed so we enrolled for winter and summer projects. Plans for a hayride were suggested, but final plans were left to the special events committee.

Games and pot-luck lunch were enjoyed by all after the meeting. Ruth Hannevald, reporter.

Last Week's Mystery Farm Has Been Owned Continuously by Everett Family Since 1833

Mystery Farm No. 119 - This photo, published in last week's Standard without identification, proved to be the Henry Everett central farm on Chelsea-Manchester Rd., corner of Grass Lake Rd. Mr. and Mrs. Norman Feldkamp and children now live there and Feldkamp operates the 220-acre property.

Mystery Farm No. 119 which appeared in the Oct. 6 of The Standard for readers' identification and proved to be the farm on Chelsea-Manchester Rd., south of Chelsea, has been continuously by the same family since it was secured from the U. S. Government in 1833.

Alice Everett of Whittier, widow of Henry Everett, is the owner. Henry Everett died February.

ed in a history of Washtenaw county as the original owners of the farm were John and Paulina.

at who came here from Oak County in 1833. Both were descendants of families who came to Chelsea in 1830 and 1836.

When the John Everetts came to the farm they brought with them an eight-year-old son, Frank, who was born in Oakland, May 20, 1826. When he grew up he became the owner of the farm.

He remarried after the death of his first wife and became father of three children, John, Clara and Elmer. It was this Henry Everett who lived on the farm until his death in 1902 and whose widow, Mrs. Clara Everett, is now the owner.

Mrs. Clara Everett has many children. Her son, Elmer, lives near their daughter, Mrs. Beverly Elcholtz, and Mrs. Everett maintained a permanent at the farm home and spent several months each year on the place.

Mr. and Mrs. Norman Feldkamp now live there and operate the farm, said it is their understanding Mrs. Everett will be leaving to make her home at the John Everett, Henry's older brother, is the only surviving

member of the Franklin Everett family. He was chairman of the mathematics department at Western Michigan University, Kalamazoo, for 31 years prior to reaching retirement age in 1945. When contacted Sunday while visiting at the home of his son Franklin in Ann Arbor, he had a fund of interesting information about the Everett family as well as about happy reminiscences of his boyhood on the farm here. He said he always remembered his disappointment about living so close to school that he had to go home for lunch instead of eating a lunch at the schoolhouse as the other students did.

The rural school he attended, known throughout the years as the Everett school, appears in the photo at upper center on the same side of the road as the Everett farm barns are located.

The school building, formerly used by the Chelsea School District, was purchased recently by Elmer Mayer after it was no longer in use as a school.

Dr. Everett, speaking of the farm, said he has never seen a nicer farm than his boyhood home with its abundant water supply from flowing wells and three streams passing through it.

In addition to the son in Ann Arbor, Dr. Everett has two daughters, Mrs. Donald E. Bowen and Mrs. Thomas Howson, both of Kalamazoo.

Dr. Everett's late sister, Clara, had two sons and a daughter, Everett, Boyden of Modesto, Calif., Arthur Boyden of San Francisco, and Miss Ruth Boyden who has been with the department of home economics at the University

of Kentucky for many years. She is credited with being instrumental in experiments proving that sunlight adversely affects riboflavin in milk and that dark glass bottles used as containers counteracted the adverse effects caused by the sunlight.

Dr. Everett recalled stories told him by his parents about family incidents, being impressed particularly with one about his grandfather, Franklin Everett, one of the younger sons in the large family of Dr. Jeremiah Everett, of Haverhill, Mass. The story related that "Franklin, looking for a market for his cattle, drove a herd to a point in Ohio where he had heard of a buyer. After completing the sale the buyer and seller suddenly realized, when signing their names, that they were brothers. Franklin's older brother had gone west to Ohio either before Franklin was born or when he was very young.

This incident is recorded in a genealogy of the Everett family as compiled by a Professor Everett at Harvard University, Dr. John Everett said.

Norman Feldkamp, who now operates the farm, also spoke of the "wonderful flowing wells" on the 220-acre farm. The freely-flowing water is piped into the house and barns, proving to be a great convenience, Feldkamp said.

Feldkamp operates the place as a dairy farm, specializing in Holsteins. He also does general farming.

The Norman Feldkamps have two children, Dale who is three years old, and Janet one-and-one-half years old. The Feldkamps

We Know Now Why Communist Leaders Come to United Nations

There should be little doubt now why Nikita Khrushchev and Fidel Castro and other Communists came to the United Nations session in New York City.

One could watch television on the day when President Eisenhower spoke, or when dictator Tito spoke, as well as several others, and see the reason quite plainly.

The free publicity, and full coverage which such dictators as Tito received in the United States is a way in which the Communists are taking advantage of our democratic system. Take Nikita Khrushchev, for example. (We don't really see why anyone would want to take him!) He came to the United States to visit President Eisenhower several months ago. His words were carried to all Americans in every corner of the nation, and he was given tremendous publicity. He was extensively interviewed and quoted, and had a forum for his propaganda which he could not have improved upon had he arranged it himself.

When it came President Eisenhower's turn to go to Russia, the invitation was rudely withdrawn and Ike was not given the opportunity of expressing his views to the common Russian people as had been promised. It is quite a well-known fact that Khrushchev was determined to wreck the Paris Summit meeting and withdraw Ike's invitation long before the U-2 spy plane incident occurred. This was merely a convenient excuse.

In other words, the Communists are having a field day in working on the American people and attempting to influence American and world opinion. Democratic leaders like President Eisenhower have no chance to compete by speaking to the people in communist countries, and therefore, leaders like Khrushchev and Castro feel they have nothing to lose and might as well take advantage of the really absurd degree to which some of our news media extend coverage of every expression and opinion of the communist leaders when they come to this country.

Uncle Lew from Lima Says:

MISTER EDITOR:

My old lady borrowed one of them modern, revised editions of the Bible that come out a couple year ago and I been looking it over. I'm mighty surprised to note it don't start with "In the beginning was Government benefits." The good Book don't even claim Moses come down off Mt. Sinai bringing the tax-and-spend system. All of which proves one thing, Mister Editor. This modern translation of the Bible is one of the few projects in Washington had voted any funds for this work, you could be sure they would've started it out with a good word for the tax-and-spend and Government benefits system. But things may be getting a little better along the Potomac. Senator Williams of Delaware has found where the Pentagon boys has placed a order for \$4,000 worth of erasers. The good Senator allowed as how it was the first time he has saw a healthy sign from that direction in quite a spell. So far as I can recollect, it's the first case on record of anybody in Washington admitting they might make a mistake.

Well, the session at the country store Saturday night was took up mostly on the subject of wimmen. All the fellers was talking about the new fall fashions they've been reading about and seeing in the ads. Ed Doolittle said—he heard that dresses was longer this season but he didn't know on which end. According to Ed, both ends could stand a little. One year skirts got longer, the next year they got shorter, and that's about all I see to it. I wonder what wimmen would think if men raised the cuff on their pants two inches the next, and kept this up for a generation. They'd think we was crazy and I ain't saying what I think about wimmen on account of my old lady might see this piece.

Zeke Grubb come up with a new angle on the subject. Zeke said he didn't know where they got such stuff but he was reading a piece by some column writer saying the percentage of bowlegged brides this year was much larger than usual. Zeke figured it must be because the wimmen of this generation now reaching marriage age learned to walk in automobile (Continued on page 12)

National Fire Prevention Week

★ MICHIGAN MIRROR ★

By Elmer E. White, Secretary, Michigan Press Association

There will probably be more people killed on Michigan highways in 1960 than there were in 1959, State Police report.

Provisional figures for the first nine months of the year indicate 3 per cent to 5 per cent more fatalities will have been recorded by the end of this year than occurred last year.

Reasons for the increase are hard to find. While the flow of traffic has increased, the number of casualties per 100,000 vehicles miles has gone up. This means that more accidents because more miles are driven is not the answer.

The inescapable conclusion is that drivers do not practice safety as conscientiously as they might. There has been no decrease in publicity efforts by the State Safety Commission, nor any let-down in police vigilance. In fact, safety programs and enforcement procedures are better than ever. But deaths which occurred through the end of September numbered 1,073.

The figure was expected to go even higher with reports of delayed fatalities. It was already 3 per cent higher than last year. With fairly solid statistics in for August, State Police said deaths for the first eight months of 1960 were 8 per cent above the previous year, and injuries were a shocking 43 per cent above 1959.

Vacation travel in Michigan—if it gets a boost from fall travelers—could reach the volume attained last year.

The Michigan Tourist Council said inquiries through August were about 16 per cent below the same period in 1959. Inquiries during September ran about the same as in September, 1959, however, indicating interest in autumn travel continues high.

Robert J. Furlong, the Council's executive director, said "from all indications" the summer tourist volume was slightly below last year.

He said an upswing in travel during July and August plus high expectations for fall and winter travel offset some of the early season lag, which he attributed to cool weather.

Favorable autumn weather could bring the dollar volume of the tourist business near the \$650 million spent last year, Furlong said.

People who live in glass houses don't have to worry about fires. For those who live in conventional structures of wood and other combustible materials, however, the Michigan Fire Inspectors Society has a warning: Don't panic.

That is, don't panic if your house is a fire. Call the fire department and give full information about the blaze.

William J. Luck, of Coldwater, was general chairman of the Fire Inspectors 11th annual conference at Michigan State University recently.

He told the story about a housewife who called the fire department and screamed into the telephone: "My back room is on fire."

"Where is it?" asked the dispatcher at the fire department. "Behind the kitchen," the woman said, and hung up. Luck said the episode actually happened in Michigan, and similar occurrences are not rare in this and other states.

Luck used the story to point out the necessity for directing firemen to the fire so they can perform their duties.

He warned that when a blaze is in the hands of firemen, the house, in effect, belongs to them. The homeowners can, however, give

some helpful assistance if he can remain calm enough to do so. Besides making sure the firemen can find the blaze, other things may be done to help them, Luck said.

Speaking to some 100 fire marshals and inspectors at the conference, Luck said homeowners should:

Get all people out of the house; close all the doors and windows; get out of the house and stay out, and stand by to give necessary information to the firemen.

This information could include layout of the house, whether there is an oil tank or similar item in the house, and where to find power cut-offs for electricity and gas.

But Prentiss Brown, a genius in

By FRANK C. MORRIS

Mackinac Bridge Barely Pays Interest

Unlike previous election campaigns, no Democrat this year mentions the Mackinac Bridge, that astonishingly beautiful edifice chosen by the party as an everlasting monument to the administration of G. Mennen Williams.

Running for re-election in 1958 and 1960, the Governor reminded the voters almost every day that the wonderful bridge exists only because he browbeat the Republican legislature. With good reason: the people of Michigan are proud of that amazing structure.

But the only mention of the bridge in this campaign was a two-paragraph story—the other day buried by the newspapers in an inconspicuous corner of a back page.

The story related that bridge traffic continued to drop during September compared to 1959. The report failed to point out that the revenue in the peak year of 1959 was far below expectations.

Although headed toward bankruptcy if it were owned and operated as a private business, the Mackinac Bridge will not wind up in receivership. It will not go broke because a bill will arrive soon in the legislature to refinance the structure and compel the Highway Department to dip further into the gasoline tax money to pay off the bonds. Maybe the lawmakers will be asked to add another cent to the gas tax.

That's why Johnny Swanson, the Democratic nominee for Governor, does not point to the bridge as one of the great achievements of the Williams administration. He would be in the position of the late Gov. Frank D. Fitzgerald,

who remarked: "Every time I jump into the Mackinac Bridge swimming pool, they have drained out the water." Fitzgerald also said of former U. S. Senator Prentiss M. Brown, who is the real father of the bridge:

"When I ask Prentiss what time it is, he starts making a watch." Had the Mackinac Bridge been financed like a family buys a home or a community builds a new school, the bridge would be running into the red by about \$2 million a year.

In the 14 Years Ago column (Oct. 1, 1942): Twins Lawrence and Leon Koch have enlisted as apprentice seamen in the U. S. Navy and reported for duty Tuesday, also, Dr. J. V. Fisher left today for Indian town Gap, Pa., to serve with the Medical Corps at the military reservation.

In the 34 Years Ago column (Oct. 5, 1922): Chelsea Screw Co. was obliged to turn down an order for one million radio parts because the factory is running at capacity and is not equipped to handle a greater volume of business.

the field of financing, stipulated in the covenant when the bonds were sold that there would be no payment on the principal until 1964.

There are two mortgages. The first is for \$79,800,000 at 4 per cent interest. The second is for \$20,000,000 at 5 1/2 per cent. So the bridge this year must earn \$4,217,000 to meet interest requirements.

That is just about the estimated total for 1960.

There will be nothing left for operating costs, part of which now come from highway funds.

There will be no money remaining for repairs necessary because of faulty construction and ice damage, an item that will be close to \$500,000.

There would be no money for retirement of the bonds had the day of reckoning when the structure been financed under normal practices.

When the bonds were sold Williams told the purchasers that the income in 1959 would be \$4,217,000. Instead, the income was \$4,170,000.

The Governor predicted on the basis of a survey by public engineers that the income for 1960 would be \$6,540,000. Instead it was about \$4,400,000.

Ground was broken in August for a new bridge across St. Mary's river at Sault Ste. Marie.

The voters of the north state, having built the bridge to get tourists to be in Peninsula, is now constructing new bridge to get the visitors to Canada as quickly as possible.

So Democrats aren't awaking to the fact that state, having built the bridge to get tourists to be in Peninsula, is now constructing new bridge to get the visitors to Canada as quickly as possible.

So Democrats aren't awaking to the fact that state, having built the bridge to get tourists to be in Peninsula, is now constructing new bridge to get the visitors to Canada as quickly as possible.

Now...your Chevrolet dealer offers one-stop shopping for your new '61 car!

Here's a better way to choose your new '61 car. Now your Chevrolet dealer offers a range of models to suit almost any taste or need—in a range of prices to suit any budget. It's the greatest show-on-worth! A full crew of low, low-priced new Chevy Corvairs, including four wonderful new wagons. New Chevy Biscaynes—offering big-car comfort at small-car prices. Beautiful Bel Airs, elegant Impalas, and the incomparable Corvette. Shown below are just 5 of the 30 different models you can pick from. Come on in and make your '61 car-shopping rounds the easy way—all under one roof!

New '61 Chevrolet IMPALA SPORT SEDAN

You've got five Impalas to pick from—models that put the accent on luxury while offering all of Chevy's new ideas about comfort and convenience—like larger door openings, higher seats, and a low-loading deep-well trunk.

Presenting big-car beauty at small-car prices

NEW '61 CHEVY BISCAYNE 6

(2-Door Sedan, above) All Biscaynes, 6 or V8, give you a full measure of Chevy quality, comfort and proved performance. Yet they're priced right down with many smaller cars that give you a lot less!

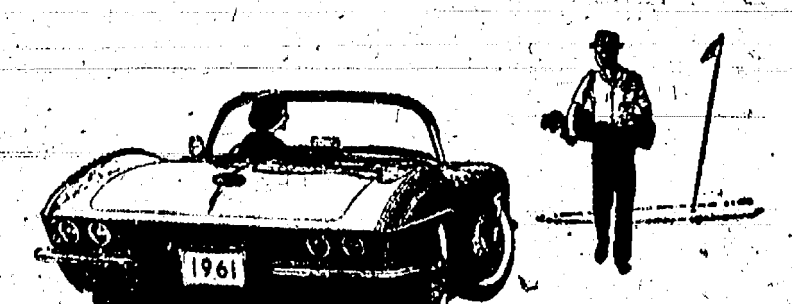

New lower priced '61 CORVAIR 500 4-DOOR SEDAN

Like all Corvair coupes and sedans, this model costs less for '61. You get more spunk, space and savings—and now Corvair has wagons, too!

New '61 Chevrolet BROOKWOOD 9-PASSENGER STATION WAGON

All six Chevrolet wagons feature a cave-size cargo opening that's nearly five feet across!... plus a new concealed compartment (lock is optional at extra cost) for stowing valuables.

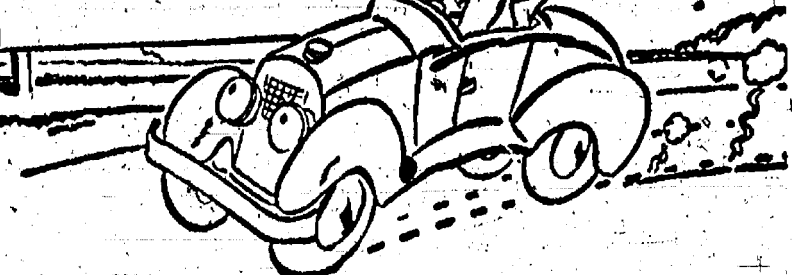

NEW '61 CORVETTE

New form and fineness for America's only true sports car. New '61 Corvette offers more performance and more luxury equipment than any car in its class.

See the greatest show on worth at your Chevrolet dealer's!

From where I sit... by Joe Marsh

Name That Name

Mrs. Wilkens, our kindergarten teacher, told me this one day of class.

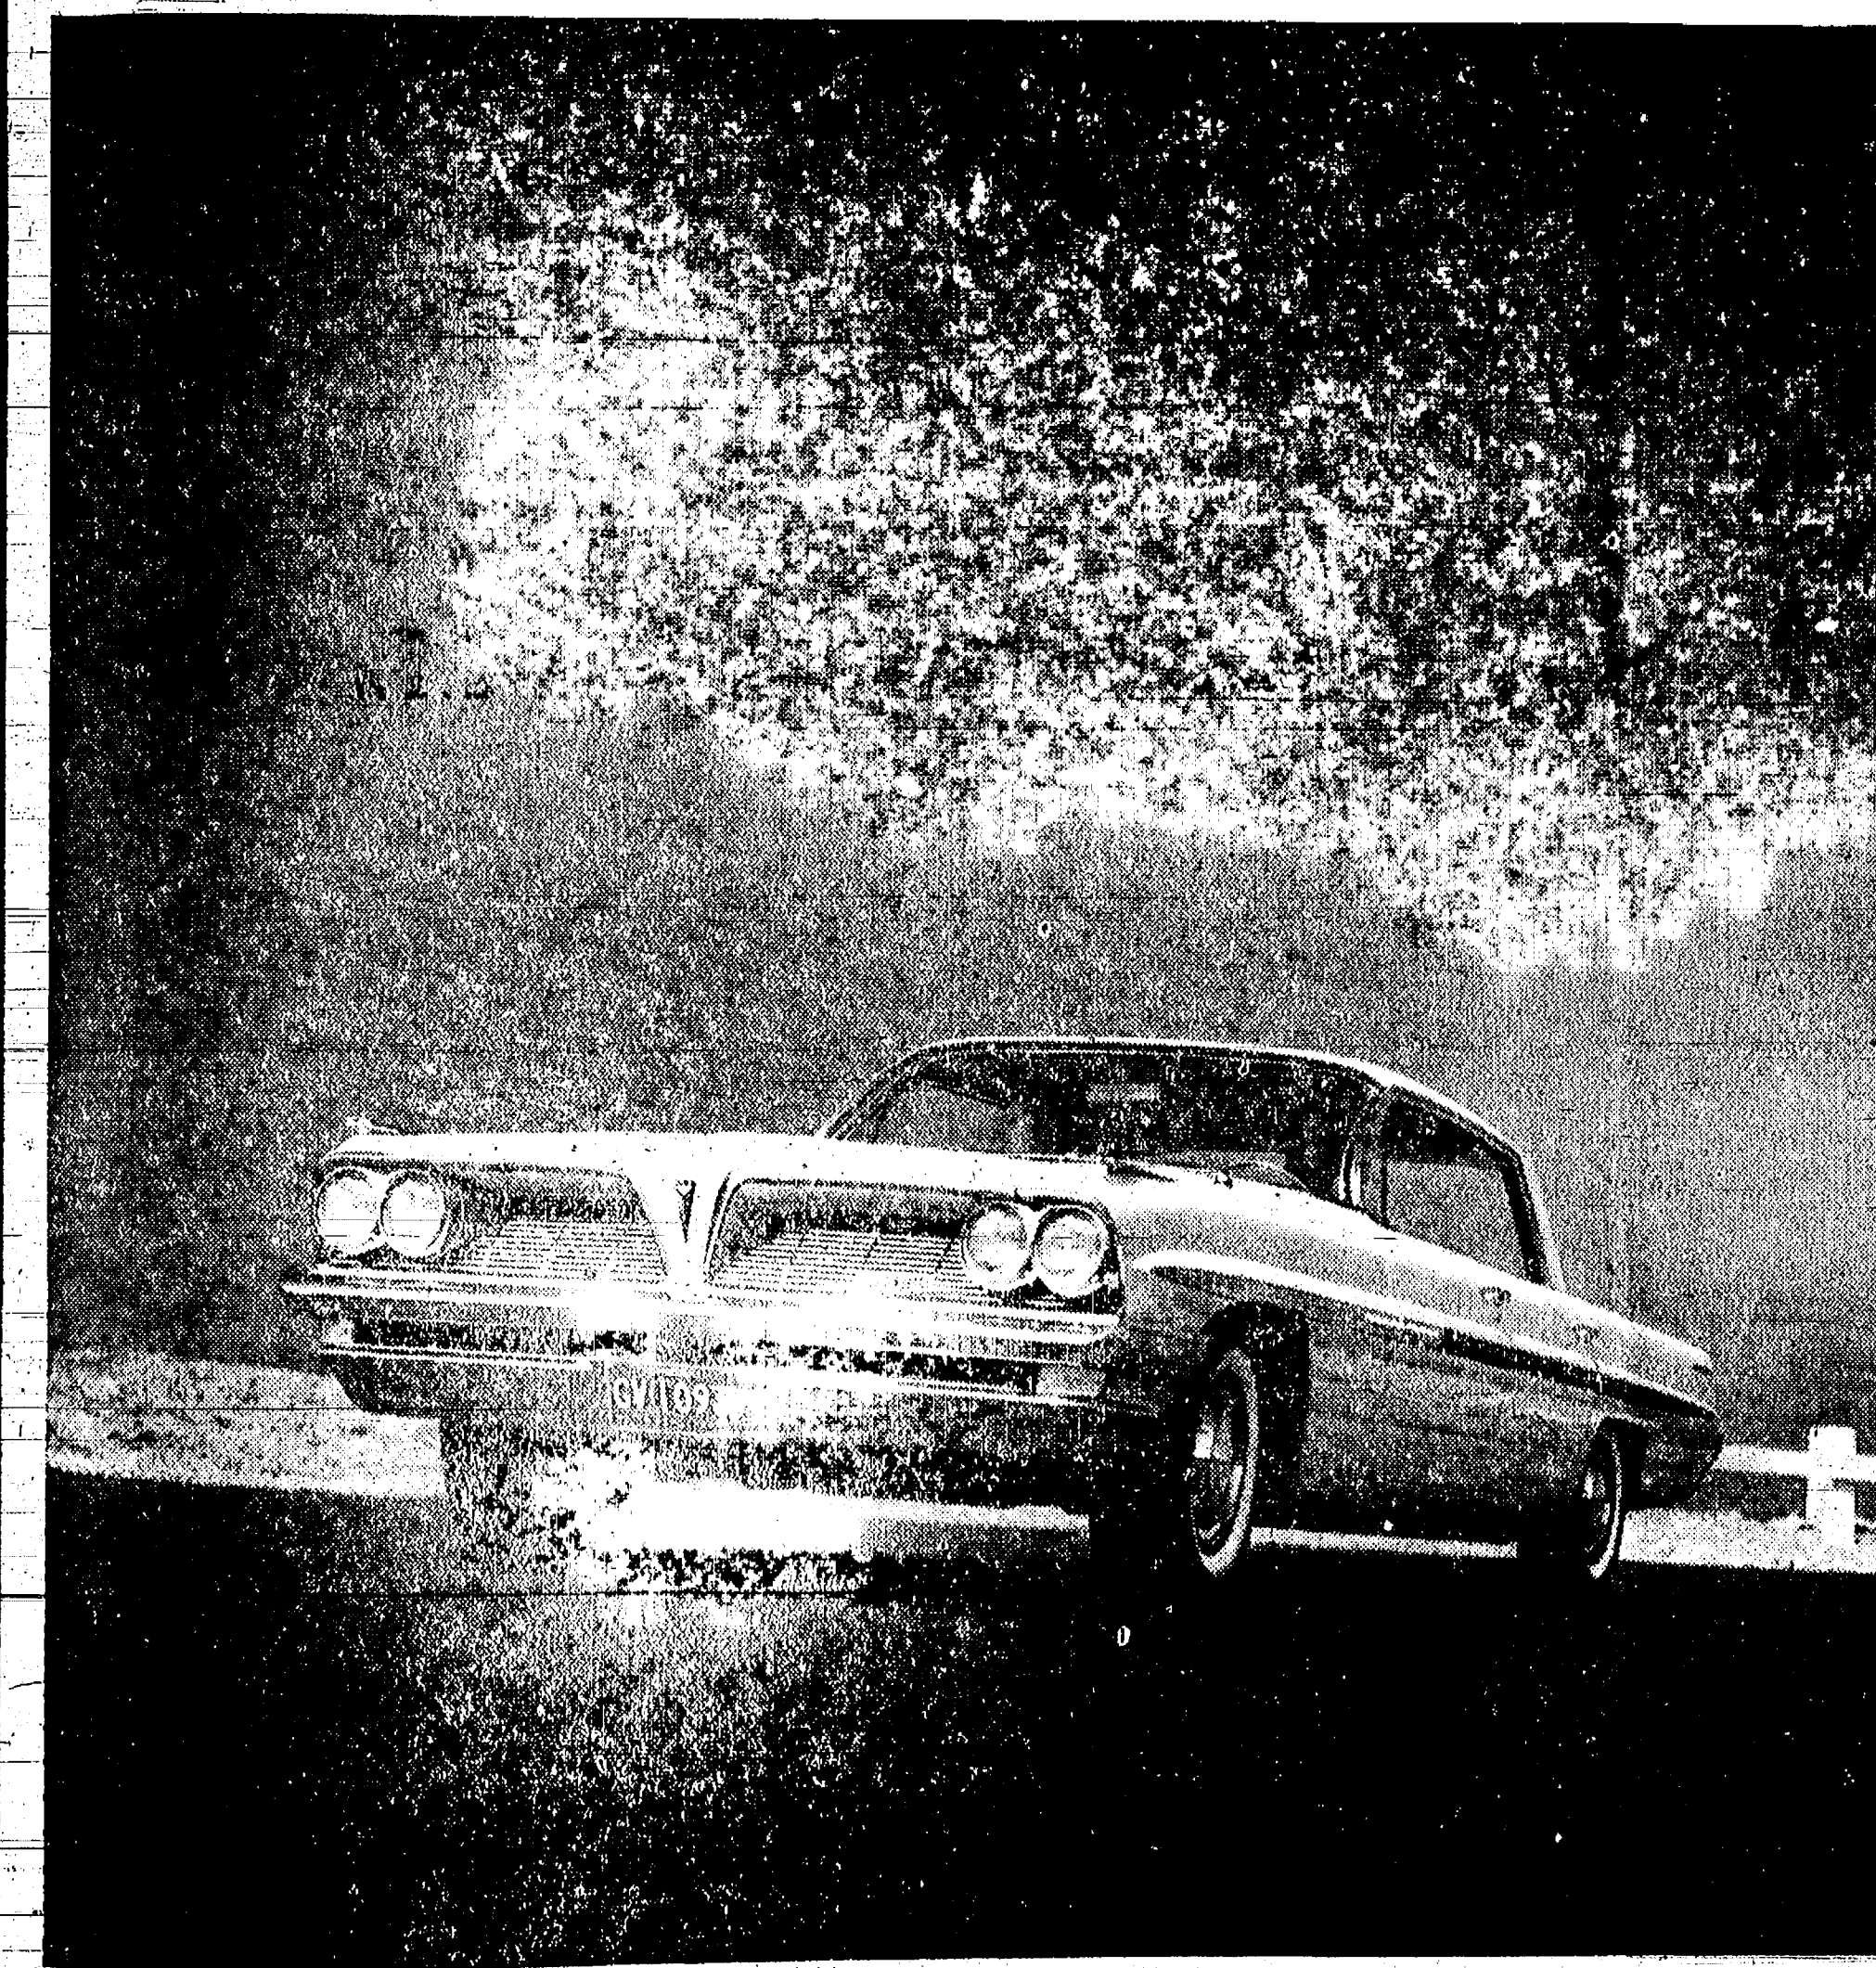

"To get acquainted with the children," she said, "I go around the classroom and ask each child to recite their names."

"What's your name?" I asked one little boy, "Freddie."

"The reply," "You mean 'Freddie'?" I said, "We use our proper names in class." So when I asked the little boy what his name was, he stood up proudly and answered, "Boberiek, ma'am!"

mind me of folks who think what's right for one must be right for another. For instance, my neighbor used to scoff at my having a good glass of beer with supper. He believed that only coffee was proper. Truth is, a mealtime beverage, like most other things, is purely a matter of personal preference. When we can respect the other fellow's opinion as well as our own, we'll have passed the first "lesson" in tolerance.

Joe Marsh

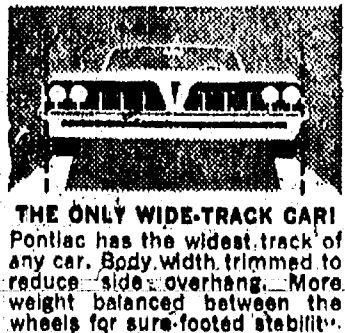

THE '61 PONTIAC IS HERE!

It's All Pontiac! on a new Wide-Track!

New track-to-body proportion! The track is the width between the wheels. Pontiac has the widest track of any car. And now that we've trimmed body width, more weight is balanced directly between the wheels. You ride with greater poise, maneuver with firmer control.

More room, more comfort inside! Headroom, legroom and footroom have been increased. Seats are higher, yet there's more clearance under the steering wheel. Doors are wider, swing open farther with no jutting barriers to bump as you get in and out.

Powered by the new, fuel-saving Trophy V-8 Engine! New fuel induction system gives this new free-breathing engine more air, makes gas go further. Eleven versions to select from. Horsepowers range from 215 to 348. For best economy you can specify the dollar-saving Trophy Economy V-8. Its lower compression ratio lets you use regular gas. Add it all up... it's the Wide-Track way to travel! Try it!

THE ONLY WIDE-TRACK CAR! Pontiac has the widest track of any car. Body width trimmed to reduce "side overhang." More weight balanced between the wheels for sure-footed stability.

118 W. MIDDLE STREET
CHELSEA, MICH.

WATERLOO

Mrs. Edna Walz of Stockbridge and Mr. and Mrs. Will Barber motored to Hudson on Sunday.

Sunday afternoon visitors at the Walter Vicary and Annabelle Woolley home were his sister-in-law, Mrs. Alonzo Vicary and the Cecil Vicarys and her mother, Mrs. Strobel, and the George Schaefer's, all of Cement City.

Mrs. Russell Stoker and friend, Mrs. Giffen from Ohio, were visitors on Monday at the Donald Beeman home.

Mr. and Mrs. Donald Beeman called on her parents, the Russell Stokers near Grass Lake, Sunday evening.

Mrs. Harold Lynde and daughter, of Oregon, have returned to their home after several weeks spent with her parents, the Wendell Barbers in Stockbridge, and grandparents, Mr. and Mrs. Will Barber, and other relatives and friends.

Mr. and Mrs. Glenn Crandall of Vandercreek Lake were Friday evening visitors at the home of the latter's sister and brother-in-law, Mr. and Mrs. Gottlieb Rothman.

Mr. and Mrs. John Dykema and Mr. and Mrs. Vern Garfield of Jackson, and Mrs. Ione Meeckel were guests on Sunday at the home of Mr. and Mrs. Leigh Beeman.

Mr. and Mrs. Glenn Rothman have returned from a northern trip, including the new open road circling Lake Superior and touching connecting States and Canada. They spent Saturday evening at the home of Mr. and Mrs. Karl Spieroff at Houghton.

MELONS QUENCH FIRE

Prescott, Ariz.—A truck caught fire after a crash near Prescott. Forest Ranger Richard Honinger stopped another truck, loaded with watermelons. He and the two truck drivers quenched the fire by squashing melons on the flames.

FLUFFY
soft and fragrant!
And drying with a modern gas dryer costs 1/5 as much

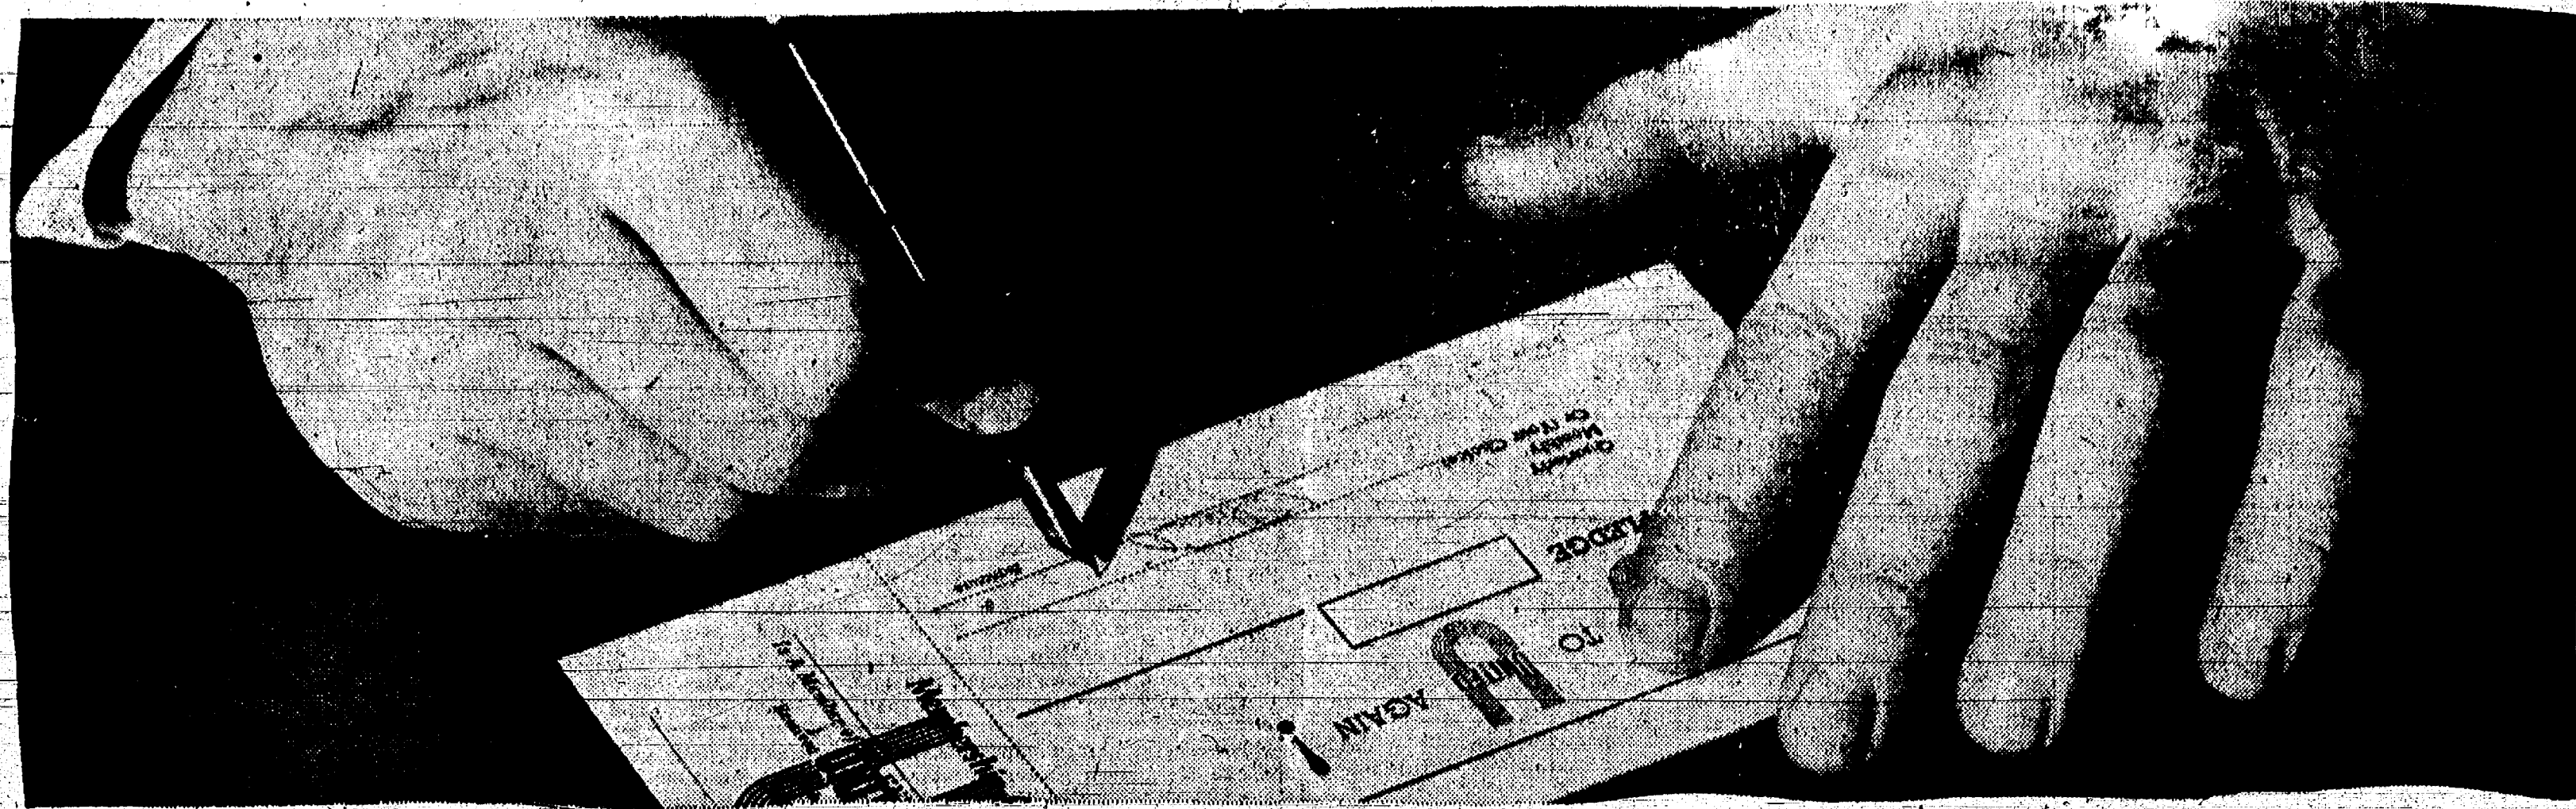

Boys will be boys! But there's something so inviting about fluffy towels—fresh and fragrant from a modern gas dryer. And keeping up with such unexpected laundry is easier and costs so little with a gas dryer. You spend less time, less energy and so much less money when you dry with gas.

New gas dryers operate at just one-fifth the cost of other types, yet offer every convenience—timer cycles, dial-a-fabric settings to let you dry every fabric, ultraviolet lamps to give clothes a sunny fragrance. So choose a gas dryer now from those displayed at Gas Company offices and dealers.

GIVE THE UNITED WAY
through your
Community Chest

GIVE The United Way through your Community Chest

Each year your one contribution will be divided among Community Chest and United Fund agencies. When you decide upon the amount you will give, remember each of these agencies depend primarily upon your support. The effectiveness of their 1961 program will be controlled by the amount you give. Give high so that each will receive as much as they would have donated to each directly and separately. Give for all.

LOCAL AGENCIES:

American Red Cross, Washtenaw County Chapter	\$3,285.00
Scouts of America, Portage Trails Council	1,800.00
Also Friends of the Library	100.00
Also Recreational Council	3,000.00
Also School Band Instrument Fund	500.00
Also Social Service	1,920.00
Children's Christmas Party Committee	350.00

Livestock, dairy and poultry farming are among the leading industries of Illinois. Chicago is the greatest livestock market.

WHO KNOWS?

1. What is the length of the standard tennis court?
2. Who was Tadeusz Kosciuszko?
3. What is the "tropopause"?
4. Are "national" holidays proclaimed by Congress?
5. Where is the "motor capital" of the world located?
6. Helena is the capital of what State?
7. What baseball player was known as "The Rajah"?
8. What is the most used form of public transportation in the U. S.?
9. Where is the "Traitor's Gate" located?
10. For what are the shallows of Newfoundland famous?

Answers on page 13
Only about a third of the men aged 65 and over were in the labor force in the summer of 1960, compared with 40 per cent 5 years ago and 49 per cent in 1950, the U. S. Labor Department's Bureau of Labor Statistics reports.

About half the States have laws or regulations that apply to all labor camps or specifically to camps for migrant agricultural workers. They usually include requirements as to sanitation, housing, and the location and construction of the camp, the U. S. Labor Department reports.

SEE THE NEW VALUE-PACKED COMET 1961 ...THE BETTER COMPACT CAR

ONLY COMPACT CAR WITH FINE-CAR STYLING

PRICED WITH OR BELOW COMPACTS OF OTHER MAKERS

BIG CAR COMFORT BEAUTIFUL INTERIORS

The only compact with fine-car styling. A spirited sense of proportion gives Comet the most successful styling in the compact car field. New rustproof aluminum grille, exquisite new interior fabrics, new fine-car appointments everywhere.

The first family-size compact Comet's 114" wheelbase (longer than any other compact) provides spacious comfort other compacts sacrifice. There is room for six grownups and a family-size load of luggage besides.

Big-car ride—small-car handling. The refined suspension (plus the 114" wheelbase) makes Comet's ride steadier and smoother than many standard cars. And you'll find that Comet turns, parks and handles almost as easily as a baby carriage.

Priced with or below compacts of other makers. For all its fine-car flair, family size, big-car ride and value features, Comet's priced with or below compacts of other makers.

New Thrift Power 170 engine for '61. Comet now offers two economy engines—the standard Thrift Power Six plus the new optional Thrift Power 170, for 11% faster highway passing, 22% better acceleration on hills.

One-year or 12,000-mile warranty. Your Comet dealer is extending his warranty on 1961 Comets to 12,000 miles or one full year, whichever comes first. See him to obtain full information. He will be glad to show you a copy of his new warranty.

New 1961 Models Have Everyone 'Looking'

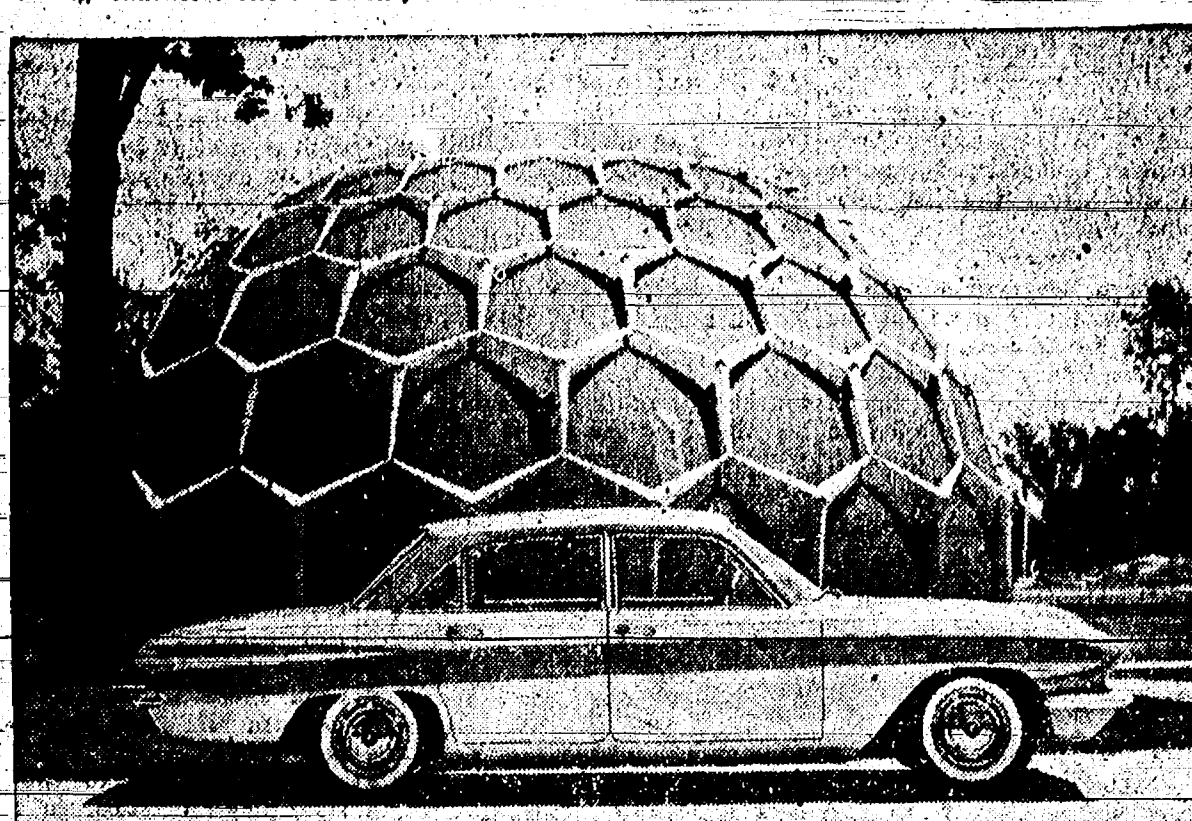

MERCURY for 1961 offers a completely new line of cars with two series in competition with the low-priced field. The new Mercurys are 4 1/2 inches shorter and 1 1/2 inches narrower than last year. Shown here is the Meteor 600 four-door sedan.

PLYMOUTH for 1961 has a complete new look of beauty and a new ride of stability. Long an economy leader in the low-priced field, Plymouth in 1961 has made major engineering and styling gains in the areas of economical operation; trouble-free driving, luxury-car appearance and solid-riding characteristics. Twenty-six different models, five engines, four different transmissions, and 14 body colors and 30 two-tone body color combinations are offered in the 1961 Plymouth. The proven Unibody construction and Torsion-Air ride have been retained and there is a long list of new engineering features.

MOST POPULAR PONTIAC BODY STYLE, the rakish four-door Vista hardtop, is more beautiful than ever in the new 1961 Bonneville series. Curving windshield pillars, a slim line roof, and crisply defined side windows create a new custom appeal. Distinctive Bonneville features include the high performing Trophy V-8 engine with four barrel carburetor and luxurious upholstery.

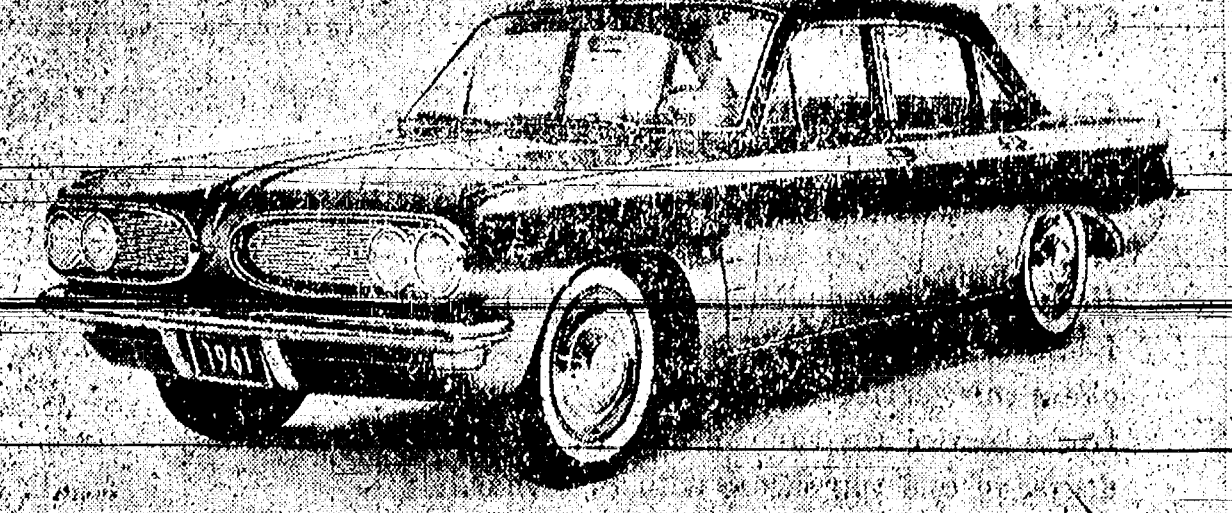

BUICK'S NEW LIGHTWEIGHT SPECIAL—Big car comfort and styling are combined with the economy of the small car in Buick's new lightweight Special four-door sedan, powered by the first American aluminum V-8 engine in the automobile industry. The Special is mounted on a 112-inch wheelbase, is 188 inches long and weighs only 2,700 pounds, some 1,600 pounds lighter than conventional-size Buicks. Its high compression V-8 engine develops 155 horsepower, giving it outstanding performance comparable to the bigger models in the Buick line. The Special comes in two body styles, a four-door sedan and a four-door wagon, with a deluxe version offered in each. A new dual-path turbine drive transmission is offered as optional equipment, along with power steering and air-conditioning.

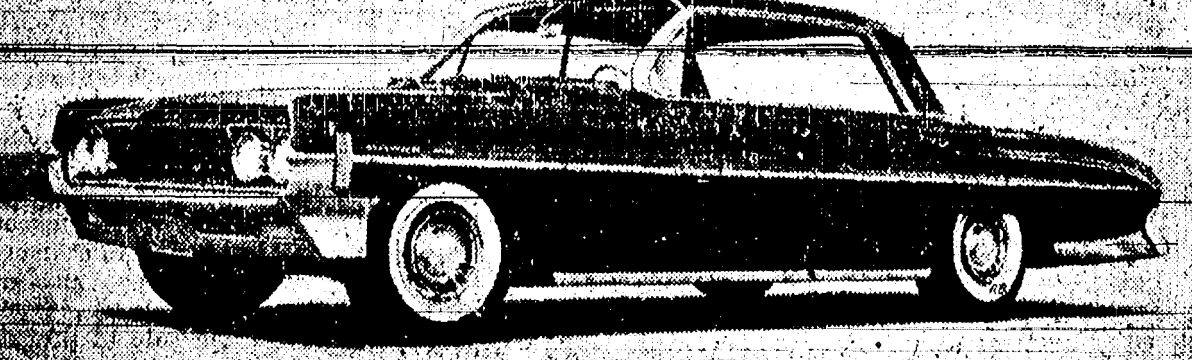

NEW CHEVROLETS—Designers have applied smooth, graceful lines to the '61 Chevrolet Impala, Bel Air and Biscayne passenger car lines. Wings on the rear deck have been smoothed into the body. Roof lines, as noted in the Impala Sport Sedan (above) are freshly contoured and are separately styled for each model. Over-all body design features gently sloping lines. Rear trunk deck lid now opens flush with top of bumper, affording easier loading and unloading. Fuel tank has been repositioned for greater safety. The Impala Sport Sedan is one of 20 body styles in the standard Chevrolet line.

VALIANT offers a more complete line of body styles for 1961 in the low-price, compact car class. In addition to the four-door sedan and the suburban in two different series, there is now a two-door sedan in the V-100 series and a two-door hardtop in the V-200 series. The 1961 Valiant has been improved in many ways for operating economy, durability, performance and smoothness of ride. In external appearance, it continues to accent the beauty of line and proportion which won wide acclaim when the car first appeared last year. Valiant offers air conditioning for the first time as a dealer-installed option.

BUILT on a 112-inch wheelbase the Tempest sedan features a 4-cylinder, front-mounted engine, a rear transmission and unit body construction, with an overall length of 189.3 inches. Carrying out Pontiac's famous wide track design, this family-sized car has a roomy interior, a flat floor and a spacious rear luggage compartment.

OLDSMOBILE'S all-new and distinctive styling motif for 1961 is exemplified by this Super 88 Holiday Sedan, a four-door hardtop. The new body lines give the cars a long, sleek look, but over-all length of the 88's has been reduced to 189.3 inches.

SMALLEST OLDSMOBILE—Entering the low-price field this fall is the all-new, smaller Oldsmobile, the F-85. Built on a wheelbase of 112 inches, its over-all length is 189.2 inches. The F-85 is offered as a four-door sedan or four-door station wagon (shown above). The high performing, economical F-85 is powered by Oldsmobile's all-new aluminum Rockette V-8, a water-cooled engine mounted up front. Rated at 155 h.p., the 350-pound Rockette V-8 engine has one of the highest power-to-weight ratios in the industry and is engineered to perform efficiently on regular-grade gasoline.

THE 1961 FORD FALCON features a new convex-shaped aluminum grille and new optional, 101-horsepower engine, but preserves the styling, maneuverability, interior roominess and 23.7-cubic-foot luggage capacity of the 1960 model. Shown above is the 1961 Falcon Fordor Sedan.

Oct. 19—PTA.

Oct. 20—Manchester JVs play here at 4 p.m.

Oct. 21—Varsity plays at South Lyon.

Nov. 17 and 18—Senior Play: "Diary of Anne Frank."

Robert Maynard, a member of the class of '61 is attending Eastern Michigan University. His name was omitted from the list published last week.

Mr. George Bergman announces a creative writing contest on the subject of Jane Addams, sponsored by the Huron Valley Chapter of the National Association of Social Workers. The contest is open to any student in grades 9 through 12, is limited to 500 words, has a

deadline of Nov. 10, and carries cash prizes up to \$25. For details consult Mr. Bergman.

Mr. Bergman draws attention to the National Foundation Health Scholarships in nursing, occupational therapy, physical therapy, medical social work, and medicine to prepare worthy students in these fields and to alleviate shortages of workers.

Approximately 500 scholarships are offered yearly, paying \$500 a year, apportioned geographically throughout the U. S. Selection is based on scholastic achievement, personal qualifications, professional promise, and financial need. Interested students should consult Mr. Bergman.

Athletic Board decided to sponsor the annual "Dads Night" on Oct. 28, and to pay for the cheerleaders' physical examinations necessary to qualify for insurance. Margot Murphy resigned as secretary and Rayma Smith was elected in her place.

The electronics class, escorted by Mr. Lane and Mr. Musser, spent an interesting and educational day at the Chelsea Milling Co., touring all parts of the mill, and learning how the mixes are packed and packed electronically. They discussed the electronics table

which sorts all machinery and viewed the "brain" employed by the mill. The boys agree an interesting day had certainly been provided.

Chelsea High School Library, one of four school libraries in Chelsea, is again carrying out its many functions. It is primarily used for the purposes of reference and research. A five-year back-log of helpful magazines is being added to the shelf supply of 2,500 books. The book supply may be augmented by borrowing from the State Library, Jackson County Library, and the University of Michigan Library. Students recommendations for useful new books are appreciated.

School librarians are under the directorship of Miss Wiese, who has a master's degree in Library Science, and who is studying for a Ph.D. in Education. Other purposes of the library are: reading guidance, consultation, occupational information, choice-of-college information.

Other features of the library include an individual film-strip viewer, a phonograph that eight people may listen to at once, and the new language laboratory which has five channels and 12 listening stations.

The Chelsea High School Library, with a student capacity of 95 and a book capacity of 12,000 volumes, has a busy year ahead.

Chelsea High Bulldog Band led the traditional homecoming snake dance through town to the athletic field last Friday night, providing music of the school song, "When the Saints Go Marching In," and "Music in the Air."

At half-time, the band escorted the cars bearing the candidates for homecoming queen, and then played "Melody of Love" while the candidates left the cars to be introduced. When Mr. Steve Hayden had finished speaking, and the queen candidates had retired, the band faced the Roosevelt stands to form "H!" and played "Roosevelt High."

They returned to the Chelsea side, playing "Music in the Air," forming first a spiral and then a block band again, before forming a "C" for Chelsea and playing the school song.

Band members elected Edward Lauson as president, Lynn Slusser as vice-president, Kathy White as secretary, and Sherry Frisinger as treasurer. The constitution was reviewed, and re-adopted without change.

The Junior High band elected James Cameron as president, Dennis White as vice-president, Nancy Koenigster as secretary, Barry Visel as Student Council representative, Jane Moore as treasurer, and Roy Lange as student director. They have been having chair tryouts and are now doing a little marching.

The senior band attended "band day" at the U. of M. stadium last Saturday. Most of the bands in Michigan's lower peninsula take part, making about 12,500 players on the field during the half. The mass bands were directed by Dr. Revell of the U. of M. and Mr. K. C. King, composer of much of the music that was played. All bass and snare drums were placed together. Drum majors and majorettes participated in a twirling exhibition.

Journalism club discussed ways to improve the next Bulldog to be sold Oct. 25. The club was pleased and proud that they had been chosen to receive Scholastic Roto, a picture-filled supplement containing many features of special interest to all teen-agers. The Roto will be included with certain future issues at no extra cost. A Junior High Journalism Club is being formed so that seventh and eighth grade news may be reported.

Movies shown recently to CHS students include "The Story That Couldn't Be Printed," "Magnum," "Water for Your Future," "Chaucer and the Medieval Period in Literature," "The Resolves of Patrick Henry," "Farm Tractor Care," "English History—Tudor Period," "Chaucer's England."

In addition to their constant practice, the varsity cheerleaders have been trying to promote school spirit through pep meetings held before each home game, and through the sale of programs before home games.

Future Teachers recently elected president Lynn Lipphart, vice-president Ruth Prentice, secretary Mary Ann Manson. Carolyn Barais was appointed historian, and Sue Eisenbeiser was appointed treasurer. The club considered the advisability of holding evening meetings, at which it might be possible to secure speakers such as Dean Brown of EMU. They also considered a workday trip to Ypsilanti on Oct. 20.

Art I students have completed making original sketches for book covers, and are now studying the history of art. Members of Art II have begun work on original paintings, using oil and water paints.

The Camera Club consists of 13 members and three advisors. Mr. Prinzing will work with the group on composition, Mr. Slater on cameras, and Mr. Hunter on developing and printing. The president is Malcolm Reinhardt, vice-president Bill Gaddis, and secretary-treasurer is Sue Lounsbury.

After a beautiful candlelight ceremony installing their 1968-69 officers, the Future Homemakers discussed ways to stimulate more active participation. Refreshments

Freshmen announce the appointment of Jeff Flintoff as their treasurer.

Sophomores have been working energetically on their money-making projects, such as making "confetti" for sale at the Homecoming game. They also plan "clean-up" days Oct. 18 and 19, and hope for a large turn-out of workers. They plan to hold a class meeting soon to settle such problems as a candy sale, an inter-class party, and the details of the clean-up days.

The senior play, "The Diary of Anne Frank," will be presented Nov. 17-18 at the Chelsea High School. The committee and Play Director Gwen LaGoe have included in the cast Marilyn Pajot, Kay Runciman, Linda Burghardt, Peter Flintoff, Ed Lauson, Eddie Brown, Carol Reddeman, Carol Cameron, Dan Mayer, and George Kleis.

The group meets each Thursday afternoon and Monday, Tuesday, Wednesday, and Friday evenings. The scene is laid in Amsterdam during and shortly after World War II. The play consists of two acts, each of which has five scenes.

Members of the high school choir have been working very hard for their coming performances. The 80 members have given up part

of their third hour class and over half their lunch hour for practice. Mr. Sanborn, director, also surrendered his noon hour. Under these conditions, the choir is making remarkable progress.

The Student Council has ordered its membership pins and cards for the coming year. R. Prentice and Lipphart are in charge of the pins and P. Romine of the cards.

Virginia LeVan, David Winans, and Rayma Smith were appointed to examine the constitutions submitted to the Council from the various clubs to see that they were satisfactory.

The first assembly of the year was presented Oct. 8. Ben Perrier showed films and related his experience in the Canadian wilderness.

Two seniors at CHS have been honored for outstanding performance on the National Merit Scholarship Qualifying Test (NMQT) given last spring. Each student who is endorsed by his school receives a formal Letter of Commendation signed by his principal and the president of the National Merit Scholarship Corporation.

Charles Lane, the school's principal, has announced that the commended students are: Carol S. Cameron and Marilyn L. Pajot. Nearly 600,000 juniors and seniors participated in last spring's competition.

This is the first time in recent years of CHS recorded history that two students reached such

commendable standing in national competition.

Applications are now available for the Navy's annual competitive examination for its nation-wide regular NROTC college training program, according to a recent announcement by the Navy Department. The mental examination is scheduled for December 10, 1968, and is open to all high school seniors and graduates who can qualify.

The deadline date for receipt of all applications is Nov. 18, the Navy stated.

Male citizens of the United States who have reached the 17th anniversary of birth and have not passed the 21st anniversary of birth on July 1, 1961, are eligible to apply for the Navy College Aptitude Test. Those contemplating a college course which takes five years to complete must not have passed the 20th anniversary of birth on July 1, 1961. Persons attaining a qualifying score will be given the Navy's rigid midshipman physical examination next February. From the pool of qualified candidates remaining in competition, approximately 1000 young men will be selected for appointment as midshipmen and will enroll in one of the 12 colleges of their choice, where a Naval Reserve Officers Training Corps Unit is located.

The regular NROTC is maintained for one purpose—to train and educate young men for ultimate commissioning as career of-

ficers in the Navy and Marine Corps. Successful candidates will start their Naval Careers in colleges and universities across the country in 1961. After a normal college education, and substantial Navy training, graduates will be commissioned as regular officers in the Navy or Marine Corps for active duty with the United States Fleets throughout the world. For those who apply and qualify, assignment to flight training will open new careers in naval aviation. In addition to the normal college curriculum, midshipmen in the Regular NROTC will study a planned course in naval science. All tuition, fees, and books will be furnished by the Navy, plus an annual retainer pay of \$600. NROTC midshipmen will part of three summers on cruises with various Fleet. Applications for this program are available from the U. S. Navy Recruiting Station. Bergman, counselor of the U. S. Navy Recruiting Station, has been providing specific information concerning NROTC program and will furnish information bulletins to any interested student.
