New Firm Organized For Manufacture of General Mills Feeds

Plan To Start Production For Area by June 1

Blaess Elevator Co. is announcing the assignment of their complete feed milling facilities to the new firm, Larro Feeds, Inc. The new firm will be the first national company to be manufacturing feed in the State of Michigan. The Michigan Feed Milling Co. will assume ownership on May 1 and all custom feed grinding operations will be discontinued on that date with a target date of new production to begin June 1 to coincide with the final closing of the general Mills plant at Rossford, on June 30. This new facility will serve the state of Michigan through the Michigan Feed Milling Co. of Chelsea.

JCC Road-e-o Scheduled for Teen-Agers

The 10th annual Jaycee-sponsored Teen-Age Safe Driver Road-e-o is scheduled to be held here at 2 p.m. Sunday, Apr. 30. It was announced this week by the Jaycee committee in charge of the affair. Members of the committee are Ronald Branham, chairman; Ed. Akin, Richard Salonen and Cyrus Hopkins.

The road-e-o event will be held on the parking area at the Stop & Shop supermarket at M-92 and Old US-12.

The event stresses safety and expert handling of a vehicle rather than speed.

Special trophies are planned for the winner of first place, in addition to the regular awards; also, an award to the best girl driver, providing she does not win first place in the event.

All interested teen-agers who would like to be included in the event should contact one of the committee members who are making a special effort to have a larger-than-ever group participate this year.

The road-e-o is one of the Jaycees' community projects, its principal object being to promote a safety program among young people of the community. Girls are particularly urged to "try and show up the boys" if they can, according to committee members.

NEW AND OUTGOING PRESIDENTS of the Junior Chamber of Commerce and the Jaycee Auxiliary are shown in the above photo taken Saturday evening following joint installation ceremonies held at the Dexter American Legion Home. At left is Jaycee Past President Merle Leach and at right is the Auxiliary past president, Mrs. Elton Guenther. The others are the new presidents, Dan Maroney and Mrs. George Ellenwood. The evening's program began with a family style chicken dinner and following the installation of officers and the showing of travel pictures, was concluded with dancing. Fifteen couples attended.

Jaycees, Auxiliary Install Officers at Joint Meeting

Chelsea Junior Chamber of Commerce and its Ladies' Auxiliary joined forces for the annual installation of officers of both organizations Saturday evening at the Dexter American Legion Home. The affair included a family style chicken dinner, with 15 couples present.

This was followed by the two installation ceremonies after which Merle Leach showed slide pictures of his travels in Europe. Dancing was the entertainment for the remainder of the evening.

The Jaycee Auxiliary officers, installed by the outgoing president, Mrs. Elton Guenther, are Mrs. George Ellenwood, president; Merle Leach, vice-president; Mrs. Charles Gehlan, secretary; Mrs. Blaine Lyle, treasurer; Mrs. Duane Layher, board member.

Mrs. Guenther also presided during a presentation of awards when Mrs. Dan Maroney, outgoing vice-president, was named "girl of the year," and given a trophy and a gift for her work during the year.

Mrs. Gene Shoemaker received a merit award for "outstanding work." She was secretary the past year.

An achievement award went to Mrs. Duane Layher.

The new president, Mrs. Ellenwood, presented Mrs. Guenther with a past president's pin and Mrs. Ellenwood and Mrs. Maroney then presented gifts from the Auxiliary to Mrs. Guenther, concluding the Auxiliary's portion of the program.

The outgoing Jaycee president, Merle Leach, served as installing officer for the men's group, which now is headed by the following new officers: Dan Maroney, president; George Winchester, Jr., first vice-president; Ray Steinbach, second vice-president; Ronald Branham, secretary; Blaine Lyle, treasurer; and Gene Shoemaker, Charles Gehlan and Duane Layher, board members.

Mr. and Mrs. Melvin Leach were guests of the Jaycees at the installation dinner and ceremonies. Announcement was made that the Jaycees retained the district Jaycee "travel trophy" for another six months as a result of attending a meeting at Carlton last Thursday. Eleven Chelsea Jaycees were at the meeting and heard the state Jaycee president, M. L. Benton at Grand Rapids May 5 and president and national director.

Other announcements pertained to the Apr. 30 Teen-age safe driver "road-e-o" sponsored by the Jaycees; the state Jaycee convention at Grand Rapids May 5 and 6; and a safety flare kit sale with Cub Scouts who are sponsored by the Jaycees.

Zoning Board Says 'No' on Land Fill Plan

The Lima Township Zoning Board, at a hearing attended by approximately 60 area residents Wednesday evening, Apr. 5, voted unanimously not to allow a sanitary fill to be established on the Joseph V. Donahue property on 194 between Fletcher and Freer Rds.

The meeting was held to consider the request of the Chelsea Village Council to operate the sanitary fill there. Owners of the site, Joseph and Esther Donahue, had arranged to lease their property to the village for the sanitary fill some time ago.

Councilman William Chandler, working on the sanitary fill proposition for the Village Council, said yesterday that several other sites are under consideration. He added, however, that anyone knowing of an available site should contact him or any Village Council member.

County 4-H Achievement Winners Told

At the annual county 4-H Achievement Show Apr. 6, Barbara Wenk, daughter of Mr. and Mrs. Norman Wenk, was named alternate model for the State 4-H Show dress revue to be held at East Lansing in August and also was chosen to exhibit her suit and blouse at the State Show. She was one of eight girls who won a place of honor in the senior-miss division.

Chosen as the county delegates for which Barbara is alternate, were Lorna Moore of Willis and Judy Bateson of Dexter.

Two other Chelsea girls are also included in the "top twenty." They are Mary Kay Albur and her sister, Sharon. The sisters were chosen separately; however, both are in the young miss classification. They are daughters of Mr. and Mrs. John Albur.

The complete list of award winners as compiled by Jim Hutchinson and Sharon Hall, Washtenaw county 4-H club agents, is as follows:

DRESS REVUE WINNERS—These three Chelsea girls placed among the group listed as the "top twenty dress revue winners" at the Washtenaw County 4-H Achievement Dress Revue at Ann Arbor High school Wednesday evening, Apr. 6. From left, they are Sharon Albur, 11 years old; her sister, Mary Kay, and, at right, Barbara Wenk, daughter of Mr. and Mrs. Norman Wenk. The Albur sisters are daughters of Mr. and Mrs. John Albur. The Albur girls' separate awards were in the "young miss" group. Sharon, a first-year sewing club member, is wearing the apron which earned her the award, and Mary Kay is shown wearing the green and blue cotton print dress she made in second-year sewing. Both are members of the Merry Maids 4-H club led by Mrs. George Heydlauff. Barbara Wenk, at right, placed in the senior miss division. She is a member of the Wide Awake 4-H club led by Mrs. Walter Wolfgang. Her collarless wool suit with its boxy jacket is of washable pongee blouse with a symmetrical print design in royal blue with a touch of red. A choker boy collar on the blouse adds a distinctive note and her accessories—shoes, purse and gloves—are in the bone color of the blouse and jacket. Barbara was chosen to exhibit her outfit at the State 4-H Show and was also chosen as alternate model from Washtenaw county for the State Dress Revue.

25 Candidates Answer Call For Baseball

Even though the snow may fly most anytime now, if you look carefully about town you will discover that the youth of the community are trying hard to get the baseball season underway.

At the high school, some 25 candidates answered the call when Baseball Coach Bob Taylor—decried that its time to "Play-Ball."

Among those coming out are 11 returning lettermen, of which nine are seniors, one is a junior and the other a sophomore.

The 25 candidates will be divided into two teams, a varsity and junior varsity team. The varsity schedule is given below while the Junior Varsity schedule is not yet ready to be released.

The conference schedule opens Apr. 18 at Pinckney, but three games have been scheduled for this week in an effort to better prepare the players for the Conference opener.

The Bulldogs were to have opened at Stockbridge on Monday but because of the snow, moved the game to Wednesday. Thursday the Grass Lake team is scheduled to play at Chelsea, with Stockbridge playing at Chelsea on Friday.

E. A. Wolter Chosen To Head Supervisor Board

E. A. Wolter, Scio township supervisor, was re-elected chairman of the Washtenaw Board of Supervisors at an annual board or organizational meeting Tuesday morning.

Wolter defeated Supr. Erwin Frederick of Lodi township for the chairmanship by a 2-14 vote. The board re-elected Frederick vice-chairman by unanimous vote.

Both Wolter and Frederick have been chairman and vice-chairman respectively, for the past year. For one year prior to 1960, Wolter served as vice-chairman.

Pinckney Bank Hit By Robber

Dexter police yesterday afternoon were questioning two area men in an all-out search for possible suspects in a daylight robbery of the McPherson State Bank at Pinckney where a lone bandit got away with cash amounting to \$3,786, Wednesday morning about 9:30.

The man, described as white, between 25 and 30 years old, and wearing a red sweatshirt with a hood, escaped in a black 1951 Chevrolet after taking the money from the bank cashier at gunpoint. The getaway car was found abandoned 30 minutes later on Stinchfield Woods Rd., a little more than four miles southeast of Pinckney.

Reports of the robbery state that the gunman entered the bank at 9:35 a.m. He was masked and carried a long, blue steel revolver. The bank manager, Alfred Fredenberg, and the cashier, Mrs. Roberta Essenburg, alone in the bank at the time, were ordered to give him "all the money in the drawer," and then warned them not to notify the police or try to stop him.

Leaving by the front door he drove away in the car which he had left parked in front of the bank and was seen heading south on Patterson Lake Rd.

The man reportedly weighs about 155 pounds and is 5-9 or 6-10 in height.

Requests for Night Parking on Streets Now Being Processed

Police Chief John Palmer requests that Chelsea residents asking for permits for night parking, give the make of car and its license number when making out their written request.

This information must be given before the permit can be completed and issued, Chief Palmer said.

Permits are being requested in anticipation of the night parking restrictions which are to go into effect as soon as signs, now ordered, are delivered and installed.

MYSTERY FARM NO. 146—Here is another in the series of farm photos published each week in The Standard for readers to identify if they can. If you recognize the place, call The Standard office, GR 5-3581. It is the 146th area farm photo in the present series. None has ever gone unidentified; however, some have been less familiar and therefore more difficult to recognize in an air view. The owner of the farm will receive, as a gift, a mounted photo of the farm if he calls at The Standard office on or before Saturday.

CHS Track Team Boasts 8 Lettermen

Thirty eager young men turned out in answer to Coach Alan Conklin's call this week for track candidates. The squad is likely the largest in the school's history.

Included in the list are eight returning lettermen: Seniors Pete Flintoff and Donald Sexton; Juniors Larry Cattell, Jim Maynard, Dave McLaughlin, and Al Schauer; and Sophomores Don Wilson and Bill Coltre.

In addition to the lettermen several other boys have come out for track this year for the first time. The largest number come, however, from the freshman class with 11 candidates.

Area Residents Urged To Join In Project

The Chelsea Standard's "special" reporter has made an announcement of a meeting to be held this evening (Thursday) at 8 o'clock at McKune Memorial Library to acquaint interested persons with plans, to date, for Chelsea's 1961 Show Boat production and to decide upon beneficiaries of any profits which may be realized from the community project.

The special reporter's report is as follows:

Organizational plans for the community show boat production, hereafter referred to as "Chelsea's 'O' Time Show Boat," are progressing smoothly according to the general chairman, Doc Alber.

Officers and division heads have been appointed and division committees will be formed as the time for various committee action approaches.

K. R. McMannis has been named treasurer and Leo Bishop, secretary.

Chairmen of the four divisions have been appointed with Dan Ewald in charge of the program division; Paul Mann, ticket division; Al Mayer, advertising division; and Anton Nielsen, show division.

Each of these divisions will be composed of numerous sub-committees with each committee contributing an important part to the over-all success of the Show Boat.

The success of your Show Boat! That's where you come in! Each of you come in! Each of you is urged to take part in the work and play connected with this community activity. Contact one of the division heads, offer your services and get into the act. Hundreds of people are needed in the show, either on stage, behind the scenes or in pre-show activities.

For further information come to a community meeting being held tonight at the McKune Memorial Library for the purpose of acquainting you with the plans for the Show Boat and also selecting, by vote of those attending, the recipients of any profits derived from the production of "Chelsea's 'O' Time Show Boat." Anyone with suggestions for a worthy community project is urged to attend.

Proving Ground Employees Vote To Call Strike

Employees of Chrysler Proving Ground voted yesterday to strike the Chrysler Corporation because the corporation is "not living up to the settlement agreement in its entirety," according to a statement released last night by Jack Taylor, president of UAW-CIO Local 1284. Before the strike can become effective, it must be authorized by the International Union, Taylor explained.

In the statement issued by Taylor at the conclusion of the balloting yesterday he said "Chrysler Proving Ground employees voted Apr. 12, 1961, by 86 per cent, to strike the Corporation for better working conditions."

"Another reason is the fact that the firm recalled employees, cut their pay, and the said employees are still doing the same type of work as before under another classification."

"The Corporation is not living up to its settlement agreement in its entirety, as signed Sept. 26, 1960, by the Corporation and the Union," Taylor charged.

Difference Between 'Good' and 'Very Good' Pays Great Dividends

Stoichiometry, according to Webster's Unabridged Dictionary, is "the art of calculating the combining weights of the elements... the laws of chemical combination." It is the mechanics of explosives, a technical subject for advanced students; but to Admiral Arleigh Burke, Chief of Naval Operations, it was the means of learning what he now considers the basic lesson of life:

"The difference between being fairly good and very good requires a great amount of work, but also pays great dividends."

The importance of this difference, the Admiral says, was driven home to him at the University of Michigan, in Ann Arbor, in Assistant Professor Warren L. McCabe's class in explosives. The two men had little, if any, personal contact outside the classroom, and have met just once in the intervening 30 years. Yet the Admiral never forgot McCabe, and this year, chose him as his partner to share the 1961 Golden Key Award, given annually to a prominent American and the teacher who contributed most to his success. McCabe now is Dean of Polytechnic Institute, in Brooklyn, N. Y.

"He was the strictest man I ever had," Burke recalled recently. "His insistence on high performance taught me that if anything is to be done at all, it is important that it be done just as well as it possibly can be done."

Perhaps if this lesson had not been taught so well, America might not have a Polaris missile-firing submarine. It was recently pointed out that it was Admiral Burke who ordered Rear Admiral William F. Raborn to go full speed ahead on the underwater missile program. The result is history.

The Golden Key Awards are presented in pairs each year, by seven educational organizations. Both recipients are given citations and keys; the teacher also receives \$1,000. The presentation is sponsored by business organizations, such as Western Electric; Procter & Gamble; Nestle; IBM; Lockheed Aircraft; Fuller Brush; Westinghouse Broadcasting; Union Carbide; F. W. Woolworth and the Motion Picture Association.

Every teacher shapes thousands of lives; only a few ever receive the recognition due them.

Michigan Is Agriculture . . .

Michigan is an important agricultural State. This is a distinction too frequently relegated to the background because of our pre-eminence as an industrial state.

A sound, progressive agriculture is important to industry. Michigan's agricultural products have meant, and should mean even more, processing plants which have come to be an important part of our industrial development. Agriculture can be the deciding factor in the establishment or expansion of an industrial plant.

In our Michigan agriculture we have a great advantage. The entire nation should know this. Unfortunately, everyone does not know that Michigan is among the first ten states in the production of some thirty farm products; and that we are self sufficient in agricultural products for table use.

The Chelsea Standard today presents another in a series of industrial development advertisements in which the importance of agriculture to industrial development is emphasized. Clip this advertisement and send it to someone outside our State. This is a means to let everybody know of this, great advantage. It is a way in which every reader can assist Michigan's industrial development.

★ MICHIGAN MIRROR ★

By Elmer E. White, Secretary, Michigan Press Association

The State of Michigan as an employer often seems to drag its feet when it is merely choosing its path carefully.

A case in point is provided by group insurance programs, both life and health protection, which Michigan recently decided to adopt. Barring hitches the plans will go into effect with the start of the 1961-62 fiscal year July 1.

The problems and pitfalls have been enormous, however, and they may not be over yet.

A mistake by Civil Service would be even worse than one in private business. Industry cannot afford too many mistakes, of course, but there are too many enemies of government employment policies to permit a single serious blunder without drastic reaction.

The Civil Service Commission looked long and hard at programs in private industry before it authorized a insurance plan for the roughly 31,000 state workers with Michigan paying part of the cost. Authorization came last November. In March, insurance companies were selected and program terms defined.

Characteristic caution marked the step from start to finish. More than two years ago, cost estimates were solicited from various insurance companies. After the Civil Service Commission waited until a survey was taken of some 385 public and private employers where group insurance programs with employers paying half the cost were in effect, it went ahead with a program for state workers.

Authorization to negotiate the insurance program was given after bids were taken.

Since state law sets group life insurance premium rates, the deciding factors on the firm which would handle the policies dealt

mostly with how much of the money taken in would be kept by the company, how much would be returned to the state in claims and dividends and other complicated factors.

Apparently there was no program on the health insurance program. This went to Aetna Life Insurance Co., Hartford, Conn. But the life insurance portion caused considerable uproar.

United Benefit Life Insurance Co., Omaha, Neb., a companion firm of Mutual of Omaha, was given the nod, chiefly because it would return a large portion of the premiums collected to the state in taxes and dividends.

In giving the business to United Benefit Life, a pair of state firms, whose bids could not match the Nebraska company's, were passed by.

The commission, faced with the problem of paying a higher rate to Michigan companies for an identical service available from an outside source, decided to expend the fewer dollars with the outside firm.

The two companies, whose higher bids were identical, protested. Gov. John B. Swainson said he would look into the situation. The Civil Service Commission said the complaint of the Michigan companies was groundless.

Meanwhile, state classified employees quietly hoped they would get the opportunity, now enjoyed by many in private industry, to take advantage of group insurance rates.

If indets tipped their hats, the entire female population of the United States would owe a doff or two to one of Michigan's esteemed, Supreme Court Justices, Justice Talbot Smith, in a new

are "really good at" the practice of law.

Smith, a member of the high court since 1955, says that women face an uphill battle for recognition as attorneys, but that he has personally never seen an incompetent or overly emotional lady lawyer.

He also says that state services is one of the best positions for women making a career of the legal profession.

Smith's book, which recently went on sale, ranges over the whole field of law, taking a critical look here, poking a probing finger there. Anyone contemplating law as a career can get a panorama of the profession from the book.

Smith, incidentally, is the second member of Michigan's high court to take to writing. Former Justice John D. Voelker, who sometimes writes under the name Robert Traylor, wrote the best-seller "Anatomy of a Murder" and then retired from the bench to devote full time to literary pursuits. His book called "Laver," says women

WASHINGTON AND 'SMALL BUSINESS'

By C. Wilson Harder

In a recently released report by the Senate Small Business Committee headed by Senator John Sparkman, there is concern over diminishing share of military and defense contracts secured by small business.

The report states that from 1934 to 1939 the total small business share of military business declined from 25.3% to 16.1%, or a drop of about one-third.

There are many reasons for this, especially under present day conditions.

Presumably, in bygone eras, when weapons and equipment were different, there were only a few huge companies equipped, for example, to manufacture 18 inch naval guns.

But under today's defense conditions, weapons are largely built up from thousands of small components, none requiring an industrial giant to produce.

In fact, investigations have shown that often a soundly operated, small firm capable of producing even better items than specified and at a lower cost, has been bypassed in favor of some giant firm.

The committee points out that in the last session of Congress a bill was introduced which would have aided the Small Business Administration in diverting more sub-contracts to small business. This bill did not get on the floor of Congress, probably due to all the time consumed on a reshuffle of the civil-registry arguments.

The Senate Small Business Committee is quite positive in a position that more supervision must be exercised by small business representatives.

It is perhaps a natural aspect of human nature that the armed forces would favor big combines. For example, one of the nation's big rubber companies has built many foot lockers for the armed forces although they are not at all allied to the rubber industry, and these are scores of capable luggage and trunk makers.

On the other hand, the big rubber company, because it does so many millions in defense work, can afford to keep people in Washington to socialize with, and entertain, defense brass. And human nature being what it is, it is only to be expected that a purchasing officer will seek to extend favor to those who so pleasantly entertain him and his wife.

Several years ago the Small Business Administration, after a determined campaign by many independent businessmen through National Federation of Independent Business, set up program whereby SBA assigns representatives to major government buying offices.

This resulted in one year in a 75% increase in the value of defense contracts awarded small business. However, for the first half of 1949, the share to small business decreased 9%, indicative of a reversal of the previous upward trend that had been won. Thus, the Senate Small Business Committee is again alerting independent business to renew and increase its activity in this area.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Spring ain't arrived real good afore we got troubles. The fellers at the country store Saturday night was agreed that April is gitting to be the most aggravating month in the year.

First off, Ed Doolittle warned everybody to be on the lookout for the annual Spring cleaning. Ed says that in one day a feller's old lady can clean up around the place in such a manner as to set the household back a whole year. Some of the fellers was in favor of a law making Spring cleaning illegal, unlawful, and a public felony.

And Clem Webster reported he'd saw in the papers where one school has already named their Commencement speaker. This was received as mighty bad news on account of it has took most of us all Summer and Winter to git over some of the Commencement speeches we read in the papers last Spring. Clem claims it'd be a heap better for the graduates if they'd git turned out a couple inches earlier so they could git a running start in life. They ain't got a second to lose in adjusting themselves to a country where a plumber's helper makes more money than the school principal, where prices is so high they'll probably have to wear their caps and gowns to work, and where the only blessing of finishing one war is to git ready for the next one.

And when the Government set April aside for the Revenue folks it just about put the stopper in the jug. Zeke Grubb allowed as how it used to be a feller could do a little twisting and turning with their income tax forms but now, claims Zeke, if you do more subtracting than adding, you got to send the records along for proof.

This'll be bad for Zeke on account of him subtracting a heap better in he adds. And I happen to know that Zeke keeps his records writ on the barn door and gitting the barn door mailed to the Income Tax folks is going to be a problem for Zeke.

Of course, April has a few good points. For instant, Thomas Jefferson was born in April. But we even got a little agreement from the fellers about ole Tom. Most of the fellers was agreed that Jefferson done a heap of fine things in his life, but Bug Hookum was lamenting about ole Tom inventing the swivel chair. Bug allowed as how inventing that contraption for them bureaucrats in Washington just about offset all the good he done in life.

Taking everthing in consideration, threats of Spring cleaning and Commencement speeches, income tax, and swivel chairs, it was voted by all that April ain't one of our best months. Ed Doolittle went so far as to say we could run the country pretty good with just eleven months and give April to Khrushchev.

Uncle Lew,

MICHIGAN IS AGRICULTURE

Michigan is rich in food stuffs. In fact, no state is richer and this is another reason Michigan ranks high in industrial opportunities.

By the variety and volume of its agricultural production, Michigan fills the family table and the pantry shelves more completely than any other state. Michigan is among the first 10 states in 30 agricultural commodities, and of course stands first in several of these.

Michigan is a rapidly advancing leader in food research—an ideal location for the research laboratories of nearly all food processors.

Where foods are produced, foods are processed. Michigan has many food processing industries and offers opportunities for many more.

A state which is built on such a sturdy and steady agricultural foundation is a good place in which to live and work and do business. That's Michigan.

Help carry Michigan's message to the nation. Clip this ad and mail it to someone in another state with your own comment. Let's talk up Michigan and its advantages for industry. Together, we can assure a greater future for all of us.

MICHIGAN IS EVERYTHING FOR INDUSTRY

This ad is one of a series published as a public service by this newspaper in cooperation with the Michigan Press Association and the Michigan Economic Development Department.

Weekend Painters get a break with a new kind of Latex House Paint!

If you're planning to paint the outside of your house this year, there's a new kind of paint from "Dutch Boy" that can make your job a lot easier. It promises professional results to even first-time painters.

Until recently, the weekend or vacation painter had to wait for an extended period of good weather. Now new "Dutch Boy" Latex can be used even right after a rainstorm. And it's especially helpful for the stop-and-go kind of exterior painting that most homeowners have to do. With this remarkable new paint, you can pick up right where you left off. Lap marks won't show. Skips and holidays can be touched up any time.

Extremely easy to apply, there is no tiring brush-drag with new "Dutch Boy" Latex. On certain exterior surfaces, you'll find a roller works perfectly. This new paint literally flows on over wood and masonry—and it covers fast and evenly. This easy application means that two coats go on in little more than the time it takes to apply one coat of regular paint.

When repainting surfaces with "Dutch Boy" new Latex, there's no need for a separate all-type primer with all its complications. Instead, you simply use the easy-to-mix additive, PBL, with the first coat... "Dutch Boy" does the rest.

You have a paint job that dries, bug-free, in just 30 minutes. Add the second coat when convenient.

Dutch Boy DUTCH BOY PAINTS AVAILABLE IN CHELSEA AT MERKEL BROS.

Messy solvents and thinners are unnecessary, too. Brushes and equipment—like the painter himself—can be cleaned up with soap and water.

Homeowners who have used new "Dutch Boy" Latex House Paint claim it ends exterior house painting as they've known it before. It's an easy, simple, low-cost way to have a complete exterior paint maintenance program. Once applied, new "Dutch Boy" Latex lasts for years and years. Colors will stay bright and clear. Simple one-coat touch-up is all you will ever need. The part of a house exposed to more severe weather can be repainted at any time without repainting the whole house. So long as you keep the same color, your Latex program means that you may never again need to repaint the outside of your entire house at one time.

Properly applied, this new paint can eliminate most blistering and peeling problems caused by trapped interior moisture. New "Dutch Boy" Latex House Paint "breathes"—allowing interior moisture to escape yet sealing out the weather.

This new paint promises much to the do-it-yourself homeowner. Check with your nearest "Dutch Boy" Dealer listed below or write for informative free booklet to: NATIONAL LEAD COMPANY, General Offices, 111 Broadway, New York 6, N. Y.

Local School Bus Drivers Win Prizes

Two Chelsea school bus drivers, Richard Rogers and Ray Peebles, participated in the five-county bus drivers' rodeo held Saturday in the parking lot of Ann Arbor High School.

Rogers scored a total of 412 out of a possible 400 points and Peebles scored 404. The two drivers placed them among the group eligible for prizes and each received a \$5 gift certificate—Rogers' being from the R & S Shoe Store, Ann Arbor, and Peebles' from Grinnell's store.

The first place winners in the men's and women's divisions of Washtenaw county—Neva VanHofe of Ann Arbor, and Harold Anderson of Tecumseh, together with the two first place winners of area contests held in Kalamazoo and Jackson counties, competed in Jackson in a run-off on Sunday, Apr. 9 and winners were announced yesterday at Lansing.

Sheldon Durham, driver for the Vicksburg Public schools was the winner, his score in a different listing of points being 225 out of a possible 350. He received his trophy from Harold Kackmeister, president of the Michigan Sheriffs Association.

Neva P. VanHofe earned 425 points out of a possible 500 to be the top woman driver at the Ann Arbor rodeo. Second place in the women's division went to Mary Berlin of Swartz Creek whose score was 422, and third place winner was Mary Lou Fairbanks of the Tecumseh public schools with a score of 422.

Winner in the men's division at Ann Arbor was Harold Anderson of the Tecumseh public schools, his score being 455. James F. Grimm, Jr., of the Van Buren public schools was second and Bert Wade of Tecumseh, third, with respective scores of 446 and 438.

Three women drivers placed in the top 10 at Ann Arbor, according to David Soule of Chelsea who is co-ordinator of the Michigan School Bus Driver Education Program, with offices at Eastern Michigan University. Soule was assisted in setting up the skill tests at the Ann Arbor contest by Norman Klave, supervisor of transportation for the Dexter school system.

The rodeo judges at Ann Arbor included Captain Lyke and Deputy Fitzgerald of the Washtenaw Sheriff's Department; Ann Arbor Police Lieutenant Schluep; Ypsilanti Police Captain Borst; Trooper Soyring of the Ypsilanti State Police Post, and Corporal Simoneau and Trooper Keger of the Redford State Police Post.

The 50 bus drivers who participated in the event at Ann Arbor included 25 men and 25 women.

Al Samborn Named to Red Cross Post

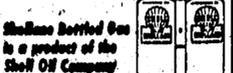

Albert J. Samborn, news and program director of radio station WPAG, was appointed chairman of the Public Information Committee for the Washtenaw County Red Cross Chapter, John Laird, chairman, announced today.

A resident of Dexter, Samborn has been active in civic affairs in the community, county, and state. A former president of the Dexter United Community Chest and current Board member, he is a member of the Michigan United Fund Board and has been serving on the Board of Directors of the Washtenaw County Chapter of the American Red Cross.

A graduate of the University of Michigan with Naval service, he has been especially interested in church and school activities, having served as president of the Parent-Teachers Association and chairman of the Better Schools Committee.

"We are pleased that Samborn accepted this appointment," Laird said, because our service programs touch most of the people in Washtenaw county and we are happy to have them know of the services available and also the opportunities for volunteers to serve their neighbors through the Red Cross. I am sure Samborn can be of great help in this respect." Samborn, with his wife and two children, lives at 7106 Dexter Rd.

DEATHS

Mrs. Agnes A. Fishel

Widow of Chelsea Barber Dies Saturday Night

Mrs. Agnes Ann Fishel, who had resided the past four years at 215 Adams St., at the home of her brother, Otto Schanz, and her niece, Flora Schanz, died unexpectedly in her sleep Saturday night. She was 74 years old.

She was the widow of Blythe Fishel, who at the time of his death, Jan. 15, 1951, had been a Chelsea barber for five years. The Fishel home at that time was at 158 Park St.

Mrs. Fishel was the former Agnes Ann Schanz, a daughter of Michael and Magdalena Stemmler Schanz. She was born in Chelsea, Aug. 20, 1886. She and Mr. Fishel were married in Detroit on Oct. 30, 1907, and made their home in Ann Arbor until 1915. From 1915 until 1946 they lived in Detroit, coming to Chelsea in 1946 when Mr. Fishel became affiliated as part-owner and later full-owner, of the Miller Brothers barber shop.

Survivors, in addition to her brother, Otto Schanz, and the niece, Flora Schanz, are several other nieces and nephews.

Two sisters and a brother preceded her in death—Mary Schanz on Nov. 10, 1952; Mrs. Ida Schmidt, Oct. 4, 1953; and Conrad Schanz, Dec. 18, 1953.

Requiem Mass, with the Rev. Fr. Francis Maliszewski officiating, took place at 9 a.m. yesterday at St. Mary's Catholic church and burial followed at Avon Cemetery, Rochester.

The Rosary was recited at the Burghardt Funeral Home at 8 p.m. Tuesday.

Nationally Famous Radiologist Dies

Dr. Samuel W. Donaldson, 69, chief radiologist of St. Joseph Mercy Hospital, Ann Arbor, since 1923, died of a heart attack early Saturday at the hospital. He lived at 2128 Melrose Ave., Ann Arbor.

Dr. Donaldson, who set up the St. Joseph X-ray department 38 years ago, was nationally known for his contributions to the field of roentgenology.

The attack aircraft carrier USS Franklin D. Roosevelt has three steam catapults which permit it to launch six planes each minute. About 575 Michigan young people will have enrolled in Michigan State University's 1960-61 cultural short course program.

Voting Machines Ordered Secured for Possible Recount

Sylvan Township Clerk Richard Kern was notified last Thursday by County Clerk Luella M. Smith that extra precautions should be taken to secure the voting machines here since it is believed a state recount is possible because of the close results in the contest for one of the posts on the Wayne State University Board of Governors.

Carl Heller, one of two Republican candidates, as winners. Pierson received a total of 449 votes and Heller, 408.

The other Democratic candidate, Earl Willis, was credited with a total of 370 votes and the other Republican candidate, William Schatz, with 400 votes.

Unofficial tabulations showed that Republican Thomas B. Adams of Detroit led Democrat Ralph E. Richman of Holland by only a few hundred votes in the state.

Mrs. Smith sent similar notices to all city and township clerks in the county in accordance with a telegram she received from Robert M. Montgomery, state director of elections. Montgomery anticipates the possibility of a recount in the Apr. 3 election.

Pending a decision on the possible state recount, Kern said, no check can be undertaken on whether the Sylvan township machines were improperly adjusted so that cross voting for candidates for constable was not possible.

Statements to the effect that the Sylvan township machines were improperly set for the election of constables were attributed to "several local residents" in stories published Friday in area newspapers.

Results of the election for constable showed John Pierson, one of two Democratic candidates, and

Robert DeFant Reports For Spring Training With Baseball Team

Robert DeFant is at San Bernardino Beach, Fla., where he reported Apr. 1 for spring training in preparation for pitching with the Minnesota-Twins farm team during the coming season. He is the son of Mr. and Mrs. Peter DeFant.

A 1957 graduate of Chelsea High school, DeFant attended Western Michigan University at Kalamazoo for one and one-half years and Jackson Junior College last year. He plans to enroll at Michigan State University in the fall.

He is the second Chelsea area man to be chosen for training with the Twins farm team. Philip Bareis is in training there for his second year in professional baseball.

Education is a great asset but it is not exclusively confined to the acquisition of intelligence.

COMPLETE 50th QUILT—Members of a Methodist Home sewing group shown in the photo were completing the 50th quilt for relief work in Korea when the above photo was taken Monday. The quilts, when completed, are packed in large bags addressed to the Church World Service Center, Nappanee, Ind., and from that point are shipped to their eventual destination. Some of the quilts made by the group have been quilted and others tied in

traditional style with yarn. Other Home residents, in addition to those shown in the photo, assist with the work on occasion but the six ladies shown are considered "regulars" with the work. Shown, from left, as they were at work Monday, are Mrs. Franklin Van Valkenburg, Mrs. C. Vahue, Mrs. L. A. Murdick, Mrs. Ida May Harland, Mrs. William Ross and Mrs. Ira Snavely.

Extension Director Johnson Addresses Kiwanis Club

Don Johnson, Washtenaw County Extension director, was the guest speaker at the Kiwanis Club meeting Monday evening in the social center of the Methodist church. He outlined the functions carried out through his department which includes agriculture, home demon-

stration and the 4-H youth program. Johnson was introduced by the evening's program chairman, Floyd Fowler. Guests at Monday's meeting were Louis W. Allen, James Windell, and Jack Dettinger.

Photographer Does Repeat on Floyd Brand Sylvan Rd. Farm

The Floyd Brand farm at 3145 Sylvan Rd. is the fourth area farm of which the photographer has mistakenly taken a second picture in the apparent belief he had not seen the place before.

In this second photo, the house almost obscured by trees and a new 38'x108' barn, which was under construction in the earlier photo, is shown entirely completed. Brand has added a new corn crib and remodeled the one shown in the large barn into a dairy crib. The new barn, at right, replaces former barn destroyed by fire on Mar. 26, 1958, along with a lot of 20 cows, a number of

lamb and calves and a quantity of hay, grain and farm tools. The new barn houses sheep and cattle and pigs.

Brand does general farming on the 160 acres on which the house and barns are located. In addition he farms another 75 acres a mile south on Sylvan Rd. and 40 acres a mile west on Heim Rd. which he purchased with the farm in 1950.

The former owners, James and Mary Struthers, moved to Chelsea when they retired in 1946. Mr. Struthers died several years ago and Mrs. Struthers now lives at the Methodist Home. Mr. and Mrs. Struthers had owned the farm since May 28, 1912.

late John L. Fletcher, Chelsea banker, bought the farm in 1870. The Fletcher family owned the place for 82 years before it was sold in 1912 by Cora Fletcher Kellogg to Mr. and Mrs. James Struthers.

Those who called The Standard office to identify the Brand farm photo included the men at Farmer's Supply Co. and at Blaess Elevator Co.; also, Mrs. Floyd Brand, Arthur Paul, James Brown, Mrs. Clifford Bolton, Elmer Lehman, Mrs. Charles Curtis, William Curtis, Helen Rothfuss and Paul Feldkamp.

Memorial Dedications To Be Sunday Feature At Methodist Services

Dedication of memorials will be a feature of the 10 o'clock worship service Sunday, Apr. 16, at the First Methodist church. A kitchen unit, now nearing completion, in the Educational Unit of the church is presented by many people in memory of the following individuals: Miss Lillian Foster, Mrs. Lillian Steinbach, Ma and Mrs. Herman Dancer, Mr. and Mrs. Guy Hulce, Mrs. Lulu Scripser, Mr. and Mrs. Finley Hammond, Edward Scripser, Jack Fields, Wayne Wine-land, and Mrs. Eva Trolley.

A pair of candlesticks on the altar in the Educational Unit will be dedicated to Mrs. Fred Broesumic and altar vases in memory of Miss Mabel Fox, who at the time of her death was chairman of the Official Board of the church. The altar pieces match other furnishings previously given as memorials.

The kitchen will be used by church school classes, WSCS circles, and other small groups in the preparation of light refreshments for limited numbers of people.

Names of all individuals in whose memory memorials are given are placed in a memorial book in the narthex for permanent record.

BROWNIES

TROOP 51
Tuesday evening, Apr. 11, Brownies of Troop 51 met at South school. They played a peanut game and several outdoor games and had refreshments served by Joy Reynolds. The Brownies are planning a trip on Apr. 18 to U. of M. Hospital, Ann Arbor.

Girl Scout cookies, for which orders were taken last month, were distributed Tuesday to the Brownies for delivery.

Future Homemakers held an Easter egg hunt for the village children in Veterans' Park during spring vacation. The baskets were made and decorated at a fun night. They also colored eggs and filled the baskets with candy. About 25 children joined in the fun and frolic. Relay races, carrying the egg-on-a- spoon, and other games were played. Prizes for the winners of each game were given in the form of jacks, marbles and other toys. Everyone who participated had an enjoyable time.

CHS students were privileged this week to have the Paw Paw Varsity Choir and the Van Buren County Folk Dancers perform for them. The choir and dancers are presently on their spring tour. Members of the CHS choir and Student Council opened their homes to these talented students. The following morning the group then traveled to Bay City. Possibly everyone remembers their former choir director, Miss Smith.

Women's Fellowship Members Entertain At 'Husband's Night'

It was "husband's night" at the regular meeting of the Women's Fellowship of the Congregational church, with members of the Women's Guild of St. Paul's church and their husbands as guests. Young people of both churches also had been extended an invitation. The meeting was held Wednesday evening, Apr. 12.

The program was in charge of Mrs. Max Heuburn, chairman of the Christian Education committee and she had arranged for Ben O. Livos of the University of Michigan to be the guest speaker. He explained about the help which churches may be to young college students and the work ministers on campus are doing for these students.

Grey Austin, also of Ann Arbor, entertained with folk songs following the talk by Livos.

No formal business meeting of the Women's Fellowship was held, however, the president, Mrs. E. W. Wagner, made several announcements—that tickets are now available for a luncheon to be served at the Congregational church on Apr. 27 in connection with a house tour sponsored by the Chelsea Co-operative Nursery; that Esther Chapter is scheduled to meet at the president's home Apr. 13 at 8 p.m. with Mrs. Leon Fox and Mrs. Lee Ferguson as hostesses and a book report, "Dr. Ida," by Mrs. Walter Piemeier; that Ruth-Naomi Chapter was to meet at the home of Mrs. Russell McLaughlin at 9 a.m. yesterday; and that Rachel chapter was scheduled to

hold a meeting at 1:30 p.m. yesterday at the church.

The program at the Rachel Chapter meeting was to be a continuation of the study of the book, "One World, One Mission," and Mrs. Ben Widmayer was to be in charge of devotions. Hostess was Mrs. Norman Perkins.

Future Nurses chose committees for their dance which will be held April 14.

Physical science classes directed by Mr. Steve Hayden have been studying architecture, and the many different types of home equipment. Home lighting, heating and repair are being thoroughly discussed. A future project will require each student to plan and draw to scale a model home.

The Junior Class successfully presented "Good Night, Ladies" on Apr. 7-8. The substantial profit was placed in the trip club fund.

Most of the final plans for the Junior-Senior Prom have been completed. The Juniors, having successfully completed these two projects, have accepted the project of preparing the alumni banquet on June 10. Nancy McCalla was placed in charge of making plans for the dinner.

The Juniors are also planning a summer dance program with Dave Pringle. The dances will be held every other week in Chelsea's new parking lot. Dave Talbot was placed in charge of making final arrangements.

IMPROVEMENTS IN CHELSEA TELEPHONE SERVICE PROPOSED

The following improvements and rate changes are being presented to the Michigan Public Service Commission for approval:

EXTENDED AREA SERVICE

As soon as the Commission's approval is received we will engineer and then install the lines and equipment necessary to provide "Extended Area" calling between Chelsea and Dexter. This means that you will be able to call all Dexter telephones on a local basis the same as you would call Chelsea telephones; no toll charges would be made on such calls.

Increases in monthly exchange rates that would result from the introduction of Extended Area Service, as outlined above, are as follows:

PROPOSED INCREASES IN RATES AND CHARGES (All increases are Subject to State and Federal Taxes)	
RESIDENCE SERVICES	BUSINESS SERVICES
Individual Line.....25¢	Individual Line.....\$1.00
2-Party Line.....20¢	PBX Trunk Line.....1.50
4-Party Line.....15¢	Semi-Public Coin Box..2¢ per day
Rural Line.....25¢ (Except in the Cavanaugh Lake "Locality Area" where the increase for rural service would be 15¢.)	2-Party Line.....50¢
	Rural Line.....25¢

BETTER GRADES OF SERVICE

We are adding more lines and equipment to provide better grades of residence service. As the result, only individual line and two-party line services would be offered in connection with orders for new service and changes of address throughout the Chelsea exchange area, except in the outlying rural area where we would continue to provide rural services.

Existing customers with four-party service could retain such service at their present locations at the basic rate of \$3.00 per month. If they move to new locations and choose two-party residence service their basic rate would be \$3.70 per month; or \$4.70 at Cavanaugh Lake, \$5.70 at Waterloo and \$6.20 at North Lake.

Only individual line service, currently enjoyed by 90 out of every 100 Chelsea business people, would be offered to business customers ordering new service or moving to new locations. The individual line basic rate would be \$9.05 per month; or \$10.55 at Cavanaugh Lake, \$12.05 at Waterloo and \$12.80 at North Lake. Existing customers with two-party business service could retain such service at their present locations at the basic rate of \$7.55 per month.

On moves to new locations within the outlying rural territory, four-party residence customers changing to two-party service and two-party business customers changing to individual line service might have their mileage charges increased because different mileage rates apply for these services. The rates are: 25¢ per 1/4 mile per month for four-party, 50¢ per 1/4 mile per month for two-party and 75¢ per 1/4 mile for an individual line. The minimum mileage charge is \$1.50 per month.

All of the above rates are subject to State and Federal taxes.

If you have any questions about the proposals, please call the Business Office. Our representative will be glad to discuss them with you.

Twenty members and guests attended a "come-as-you-are" breakfast Wednesday morning, Apr. 5, at the home of Mrs. Austin Artz.
It was a regular monthly meeting of the Salem Grove Women's Society of Christian Service.
The program and devotional service was on the topic, "Women's Changing Roles," and included readings from the book "Women of the Bible," by Mrs. Albert Schweinfurth; Scripture passages by Mrs. Nelson Peterson; and readings by Mrs. George Welch and Mrs. Glenn Rentscher.
Mrs. Ben Donaldson was present as the guest speaker. Title of her presentation was "Why Read?"
Election of officers took place during the business session and resulted in naming the following: Mrs. Austin Artz, president; Mrs. Albert Schweinfurth, vice-president; Mrs. Glenn Rentscher, secretary; and Mrs. George Welch, treasurer.
Also named were secretaries of departments: Mrs. Rudolph Rohde, promotion; Mrs. Charles Curtis, missionary education; Mrs. Walter Bohne and Mrs. Clifford Wolfe, Christian social relations; Mrs. T. G. Riemenschneider, youth work; Mrs. Dillman Wahl, literature and publications; and Mrs. Oscar Klambach, supplies.
The nominating committee is Mrs. William Broesamle, chairman; Mrs. Roy Miller and Mrs. Paul Poltes.
Installation of officers will take place Sunday, May 28.
Four new members were welcomed at the meeting—Mrs. Phillip Hosler, Mrs. William Howard, Mrs. Nina Wahl and Mrs. Floyd Bailey.
Appointed church hostesses for April were Mrs. Leon Sanderson, Mrs. Nelson Peterson and Mrs. Truman Lehman.
Mrs. Walter Rohne is to be the hostess for the next meeting, Wednesday, May 3.

Mrs. Wilfred C. Lane

Donna Noah, Dr. Wilfred Lane Exchange Vows in Candlelight Service

St. Paul's Evangelical and Reformed church was the setting for a candlelight service at 7 p.m. Saturday, uniting in marriage Donna Esther Noah, daughter of Mr. and Mrs. Laurence E. Noah, and Dr. Wilfred Chandler Lane, son of the late Dr. and Mrs. C. C. Lane. The officiating clergyman was the Rev. Paul M. Schnake.
Soloist for the ceremony was Darlene Beyer of Grand Rapids. Accompanied on the organ by Mrs. Carl Mayer, she sang "At Dawning," "O, Perfect Love" and "The Lord's Prayer."
The bride, given in marriage by her father, wore a princess style gown of white silk organza with a bodice of re-embroidered alencon lace. The floor length skirt was finished at the back with a large bow and a flowing train. A tiara of orange blossoms held her fingertip-length veil and she carried an arrangement of white hydrangeas centered with a white orchid on a white Bible.
The bridegroom's sister-in-law, Mrs. Charles H. Lane, was matron of honor, and Joanna Liewing of Ann Arbor, was bridesmaid. They were gowned alike in street-length sheath-style dresses of celeste blue silk with a bow arrangement at the back. Each wore a matching "bow" hat and carried a bouquet of shaded pink carnations.
Jennifer Lane, niece of the bridegroom, was dressed in white organza, ashed in blue satin for her role as flower girl. She carried a basket of rose petals.
Her brother, Charles C. Lane, served as ringbearer, and their father, Charles H. Lane, brother of the bridegroom, was best man.
L. Duane Noah, a brother of the

bride, served as an attendant, and the guests were seated by another brother of the bride, Lynnwood Noah, and Frederick Belser.
The bridegroom's aunt, Mrs. Bertha Hedderick of Erie, Pa., wore a blue print silk dress and had a corsage of pink roses.
The bride's mother, in a navy blue-shantung sheath dress with matching jacket, also had a corsage of pink roses.
At the reception held at the home of the bride's parents, those who assisted included Mabel Hedderick of Erie, Pa., a cousin of the bridegroom, and Mrs. William Hogan of Detroit, the bride's cousin, who poured coffee and punch respectively; also Helen Johndro of Ann Arbor, in charge of the guest book, and Mrs. Richard Kalmback of Gregory, Lynne Freeman and Penny Eisenbeiser, at the gift table.
The bride is a graduate of Chelsea High School and Henry Ford Hospital School of Nursing. Until her marriage, she was employed at the Veterans Administration hospital at Ann Arbor.
The bridegroom, also a Chelsea High School graduate, received his degree from Michigan State University School of Veterinary Medicine.
Following a three-week trip to New York and Nassau, the couple will be at home, after Apr. 30, at 836 North Main St.
Pre-nuptial affairs honoring the bride included two parties given by her co-workers at the VA hospital, and two showers given by Mrs. Warren Eisenbeiser and Mrs. Leslie Eisenbeiser, and by Joanna Liewing and Betty Polster.

Open House Event Honor C. Koenigs on 50th Anniversary

Mr. and Mrs. Charles Koenig of 8805 Sylvan Rd., were honored Sunday at an open house reception in observance of their golden wedding anniversary. The affair took place at the home of their son-in-law and daughter, Mr. and Mrs. Lester Hook, 8214 Trinity Ave., Detroit.

Mr. and Mrs. Koenig were originally from Pennsylvania. They were married Apr. 6, 1911, at Connelville, Pa., and made their home in Indianapolis, Ind., for the next five years. Mrs. Koenig is the former Bertha Swope.
From 1916 until they moved to their present farm home five years ago, when Mr. Koenig retired, they lived in Detroit. They had purchased the farm, known as the old Wingate place, in 1948. Mr. Koenig has been employed for some years as a machine operator at the R. C. Mahon Co., on Mt. Elliott Ave., Detroit.

The Koenigs are now members of the Chelsea Methodist church and the Older Adult group of the church. Mrs. Koenig is also active in Morning Philathea Circle.
The Koenigs' family, in addition to the daughter in Detroit, includes three sons, Grover, Louis and Charles, all of Detroit, six grandchildren and one great-grandchild. One of their grandsons, Charles, is in military service in Germany.
Approximately 60 guests attended the reception in their honor on Sunday, including 10 members of the Older Adult group of the Methodist church.

Those from the group who attended are Mrs. Theodore Bahmiller, Mrs. Maude Bernath, Mr. and Mrs. William Jensen, Miss Jennie Ives, Mrs. John Kilmer, Mrs. Myrtle Price, Mrs. Winifred Coffron and Mr. and Mrs. Loring Bates who provided transportation for them.

ST. PAUL'S MISSION CLUB
With 12 members present, the Mission club of St. Paul's church held the April meeting Thursday afternoon at the home of Mrs. Mina Seitz. The afternoon's work included sewing on quilts and preparing material for rugs to be made later.
Announcement was made of the birthday, Apr. 19, of Mrs. Louis Eppler, former president of the Mission club, who now resides at the Evangelical Home for Children and the Aged, 6700 West Outer Drive, Detroit, 85. Members of the club and other friends here plan to remember her with a shower of birthday cards.
The program at Thursday's meeting included the following readings: "God's Living Room," by Mrs. Alvin Vail; "Springtime," by Mrs. Oscar Lindauer; "If We Knew Each Other Better," by Mrs. Wilbert Grieb; and "Recipes," by Mrs. Clarence Nicolai.
Mrs. George Mayer presided at the meeting and was in charge during the opening devotional. Hostesses for the May 4 meeting will be Mrs. Paul Seitz and her mother, Mrs. Christina Nicolai.
U. S. Marines mounted on camels escorted an American diplomatic mission into Abyssinia in 1903.

BAPTISM
Annette Marie, daughter of Mr. and Mrs. Donald Umstead, was baptized Sunday morning at a service at the Methodist church with the Rev. S. D. Kinde officiating.
Sponsors were Mr. and Mrs. Richard Umstead of Ypsilanti.
The Donald Umsteads entertained at dinner at their home following the service, guests including the sponsors and the baby's grandmother, Mrs. Blossom Umstead.

BAPTISM
Baptism last Sunday at the First Methodist church was administered by the Rev. S. D. Kinde to Annette Marie Umstead, daughter of Mr. and Mrs. Richard Umstead, 139½ W. Middle St., and Miss Patricia Ann Wiyeman, daughter of Mr. and Mrs. Seldon Wiyeman, 20098 US-12 W.
