A highlight of the year for area school choirs will occur Tuesday, May 2, at 8 p.m., when Chelsea hosts high school choirs of Lincoln, Manchester, Saline, University High schools in the Chelsea High school gymnasium.

Designated the "Huron Valley Festival," it is hoped the event will become an annual one in that future festivals will include many more area school choirs.

The massed chorus at Tuesday's concert program will include soloists.

Ray Morgan, head of the music department at Eastern Michigan University, will conduct the combined group as they sing their own composition, "God is the Father of the World."

Each school choir director will conduct the massed choir in his own number.

Year music directors of the participating schools are David Sander, Chelsea; Edna Yerk, Lincoln; Dexter, Roger, Manchester; Arthur Katterjohn, Saline; James Berg, University; and Miss Ruth Ayres, Lincoln Consolidated school.

The choirs will arrive for rehearsal in the Chelsea gymnasium at 6 p.m. and will be dismissed at 7 p.m. The concert will begin at 8 p.m. The choirs will then individually rehearse their numbers and to robe for the concert.

Individual numbers will be performed in the program will be "Psalms, No. 138," and "The Church" by the University of Ann Arbor; "Climb Mount Zion" and "Split of the Lincoln High School; "At the End of the Road" and "Aurea Leg," Manchester.

Each choir will sing "Ride a White Horse" and "Send Forth Thy Word." Individual numbers are to be performed on page eight.

Art exhibit will be held in the Chelsea High School building on May 10-11-12. The exhibit will last from 7:30 p.m. each evening.

Purpose of the art exhibit is to display the works art students created this year.

Pottery and ceramic objects, copied and enameled jewelry, sculptures, and water-color paintings, varnishes, and colorful textiles will all be on display.

Everyone interested is invited to view the exhibit.

Lloyd Grau Rates High in Iowa Livestock Judging

Lloyd Grau of Chelsea, who is Junior at Michigan State University, East Lansing, was one of a 10-man team from MSU to attend the Iowa State University livestock judging contest at Ames, Ia., last Saturday.

Grau tied with Dale Shelton of West Branch, for fifth place in swine judging.

The MSU team won second place in the contest, finishing close behind the first place Kansas State University team.

Others competing included Missouri, Wisconsin and Nebraska state teams.

The MSU team members were accompanied by Coaches Harlan Ritchie and Robert Hines.

Grau is the son of Mr. and Mrs. Arthur Grau, 3420 Chelsea-Manchester Rd.

Junior High Band Rated High in State

The Chelsea Junior High School Band, composed of 65 young musicians, participated in the State festival which was held in Grand Rapids last Saturday.

The group was judged in concert performance and sight-reading by experts in the instrumental music field from leading music schools.

The three concert judges were of differing opinions on the outcome of the presentation with one adjudicator awarding the Junior Band a first division and the other two holding out for a second division rating.

In the sight-reading department there was no question as far as the judge was concerned for he was lavish in his praise in awarding a first division.

The final rating computed for the local group was a second division. This high rating at the state finals is an accomplishment of which the students can be very proud.

Some comments from the adjudicators included: "The band gives evidence of having been carefully rehearsed and shows the beginning of stylistic sensitivity." "A good band with lots of spirit and vigor." "All you need to do to improve is to continue whatever you are doing, the students are obviously being well-trained."

Mr. and Mrs. Irven Weiss were Sunday evening callers at the home of Mrs. Eshter Gross, in Dexter.

Mr. and Mrs. Donley Boyer and family are home again after a week vacation in Florida.

Volunteers Needed for Showboat

A meeting of the cast committee of Chelsea's "Ol' Time Showboat" was held at McKune Memorial Library Tuesday evening. Chairman Howard Flintoft announced that the outline of the show was discussed and calls for a cast of at least 200. Since this is a community-wide project (many miles in any direction from Chelsea) all who would like either to take part in the show, help backstage or in preliminary activities are urged to call Flintoft, GR 6-1631, or the show chairman, Anton Nielsen, GR 9-2094, or they may fill out the form, printed on page eight of this issue of The Standard and mail it to Flintoft or Nielsen.

It was announced at Tuesday's meeting that people needed are adults for the chorus, vocal soloists, school age dancing girls, and "lots of backstage help."

Flintoft said, "you don't have to be talented—just interested in supporting a community project and having a lot of fun."

Final casting will be in charge of the show director, James Egbert.

Members of the cast committee, in addition to Chairman Flintoft, are Mrs. George Fyisinger, Mrs. Erwin Haist, Paul Niehaus, Mrs. Charles Miller, Mrs. Ren Hutzler, Fred Anderson, David Sanborn, Mrs. George Palmer, Mrs. Frederick Bolser, Mrs. Deane Rogers and Mrs. Anton Nielsen.

Co-Op Nursery Children Busy with Trips, Parties

Upon returning to the nursery, each child was presented with a candy sucker. The morning session is planned for this month to the farm of its members — Donnie and son of Mr. and Mrs. Schairer. Birthday parties have honored the children of Mr. and Mrs. Schairer, Mrs. Beth Chandler, Mrs. Victor Steinbach, son of Mr. and Mrs. Steinbach, and Mrs. Lillian, son of Mr. and Mrs. Lillian. Parents interested in enrolling their children in nursery school are asked to call Mrs. Schairer at Chelsea. There are several openings in the morning session for three-year-olds. New Pastor To Be Instituted Sunday at Francisco Church

Special services are to be held Sunday at St. John's Evangelical and Reformed church at Francisco—formal installation of the pastor, the Rev. J. Tracy Luko at the 11 a.m. service, and at 2:30 p.m., a dedication service in observance of the installation of new pews, chancel furniture and floors.

The Rev. J. Tracy Luko, who began his duties as pastor of the church on Mar. 5, will be installed by the Rev. Henry Kroehler of Jackson, a former pastor of the church who now serves as president of the Michigan-Indiana Synod. A carry-in dinner will follow the morning service. The meal will be served in the church hall.

At the 2:30 p.m. dedication service it is planned to have all the ministers who have served the church during the past 35 years take part in the service.

The ministers are the Rev. P. H. Grabowski of Chelsea, who was the pastor from 1926 until 1950; the Rev. Henry Kroehler, 1951-1958; the Rev. E. O. Davis, 1959-1959; the Rev. Donald Voss, 1959-1960; and the present pastor.

Sunday's dedication marks the completion of an improvement program begun at the Francisco church in the spring of 1957.

On Apr. 14 of that year, ground was broken for an "Educational building at the rear of the church, connected with the church by means of a corridor.

Up to that time St. John's Francisco, had been, as one member described it, "a typical country church"; however, it had long been the desire of the congregation to have such a building for use as a Sunday school, for social events and a place to serve public dinners.

Under the guidance of the Rev. Davis, the school building was begun when men of the congregation, using tractors, scoop shovels and hand shovels excavated for the basement.

The cement blocks which formed the walls, were laid by professional builders—Ray Bohne and Carl Winwright—who were hired to do the work.

The cornerstone laying took place June 10, 1957, with the pastor, the Rev. Davis, and the Rev. Kroehler participating.

Jaycees, Cubs Plan Sale of Flare Kits

The Chelsea Jaycees, in co-operation with the Cub Scouts, have adopted a new project which is expected to save many lives on the highways.

The project, to be kicked off May 13, will encourage motorists to carry some type of warning device for use in case of vehicle breakdown or accident on the highway.

Local Chairman Ralph Frisch and Elton Guenther said today: "There were more than 60,497,000 breakdowns on the nation's highways last year, breakdowns that were the direct cause of some 140,400 deaths or injuries."

"Use of devices to warn approaching traffic could have alleviated a large percentage of this tragedy. For this reason complete co-operation by our townspeople is essential in order to lessen the toll."

Cub Scouts will be distributing a warning device during this safety campaign.

The kit will include two flares which can be seen for 1,000 feet and will burn for approximately one hour. It will fit easily into a vehicle's glove compartment.

Kits are available from any Cub Scout.

Ferndale Teacher Named To Direct Girl Scout Camp

Martha Newell of Ferndale, has been named Camp Director at Cedar Lake for the 1961 camping season. Cedar Lake is the Huron Valley Girl Scout camp near Chelsea.

Miss Newell, a native of Gull Lake, Augusta, was leader of the counselor-in-training unit at Cedar Lake in 1958 and 1959. She has also served as a waterfront director, sailing counselor, and swimming counselor.

The new camp director is an elementary teacher in the Ferndale school system and spent last year teaching in the Army Dependents' School in Germany. She traveled extensively in Europe and the Middle East before returning to this country.

Miss Newell, a graduate of Western Michigan University, has taught in elementary schools in Michigan for four years and high school in Florida for two years. She has also worked in Girl Scout camps in Maine, Georgia, and Wisconsin.

Registration for Cedar Lake camp sessions begins on May 1. The two-week sessions at Cedar Lake will begin June 26 and end Aug. 18. The cost is \$42.50 for each girl. Applications should be mailed to the Huron Valley Girl Scout-Council office at 201 N. Washington St., Ypsilanti.

A booklet entitled "Let's Go Camping with the Girl Scouts" is available listing all camp sessions for 1961, in addition to the Cedar Lake program. These include day-camps in the three-county area of Washtenaw, Livingston and the eastern part of Wayne counties.

Within recent years, several excellent pest control chemicals have been developed which can be safely used by home fruit growers, say Michigan State University fruit specialists.

Red Arrow Park Will Be Closed By Highway Dept.

Lansing—Red Arrow Park, a popular roadside park on Interstate 94 Freeway near Chelsea will be closed next month to comply with Interstate standards, the State Highway Department said today.

The park, four miles west of M-92 in Washtenaw county, will be replaced by two rest areas now under construction on I-94 between Ann Arbor and Jackson.

The Highway Department said location of the Chelsea Roadside Park is contrary to federal standards. The park is between the east and westbound lanes of I-94.

The park will be closed when work starts on a project to lower the roadway at a railroad underpass just west of the park. The highway will be lowered two-and-a-half feet to provide a 16-foot clearance, the minimum Interstate standard.

ROAD-E-O WINNER—Don Forner, right, son of Mr. and Mrs. Albert P. Forner, was the first place winner in Sunday's JCC teen-age road-e-o. Sunday afternoon, Village President Robert Daniels, on behalf of the Jaycees, presented him with the trophy and a \$25 U.S. Savings bond as his prize. Second place winner was Ron Walters and third place winner was Stan Dyer, while Sandi Abell placed highest of all the girls who entered. Walters and Miss Abell received \$25 bonds and Dyer a \$5 gift certificate. Sheriff George Petersen was unable to be present as one of the judges, the remaining men who acted as judges being Harold Waller and Elmer Kiel of Chrysler Proving Ground; Sgt. Harold Bliss, traffic manager for Jackson Post 41, Michigan State Police; Washtenaw County Deputy Sheriff Joseph Fitzgerald; and Archie Gauthier, representing Pure Oil Co. A total of 22 young people participated, one-third being girls. Four cars used in the road-e-o were provided by Chrysler Corp., and Lloyd Heydlauff furnished a public address system. Jaycees expressed appreciation for the co-operation of all who assisted with the project. Wallace Wood provided a film which was shown at the school as a preliminary to the road-e-o, and High School Principal Charles Lane also assisted with the preliminaries which included written tests. Sunday's winner will compete in the state contest June 10 at Benton Harbor-St. Joseph.

Firemen Called to North Lake Home

The Chelsea Fire Department was called to the Norman Quigg residence, 7061 Glenn Circle, North Lake, at 6:28 p.m. Monday, when the house was endangered by spread of a rubbish fire. Straw started around a basement window as protection against cold during

the winter, caught fire from the rubbish blaze, damaging the window casing and scorching the siding on the house.

Open House Set by U-M Engineers

Ann Arbor—Some of the striking equipment modern engineering requires for both education and research will be on public display at the University of Michigan College of Engineering, Saturday and Sunday, May 6-7.

Over 100 different types of equipment and tasks will be shown on Central Campus and North Campus from 9 a.m. to 5 p.m. on Saturday and 2-5 p.m. on Sunday.

Visitors may see the winking lights and hear the hum and beep of giant electronic computers, view the eerie blue glow of the U-M's Ford Nuclear Reactor, and see how shock waves are produced in a high-speed wind tunnel.

They may examine the 360-foot naval architecture towing tank, see an electron microscope magnify many thousands of times, and learn how industrial engineers solve problems of modern industrial operations.

The newer accomplishments of engineering—from polymer products to semiconductors—will be on display and also a model of the Tires weather satellite (which the University helped develop).

In a pioneering project, U-M undergraduate engineering students are being taught to use computers as an everyday engineering tool, under a special Ford Foundation grant. Displays will show how this is being done.

Purpose of the open house, according to Walter R. Tong of Berkeley, publicity chairman, is to acquaint both the public at large and prospective engineering students with the latest engineering advances. Publicity co-chairman is Stephen C. Porter of Ann Arbor.

The Engineering Council, a student organization, sponsors the annual open house. In charge this year are Frederick J. Hornbacher of Saginaw, Council president; and Jeffrey W. Bero of Oxford, Chairman for industrial displays is Curtis Fishback of South Bend, Ind., and departmental displays co-chairmen are Roy Haesler, Jr., and Rafael Munoz, both of Detroit.

the Housing Authority of Yamhill county, which operates Bala Village. He continued with active participation in Migrant Ministry.

During the period from 1955-1960, he made several extensive tours in behalf of Migrant Ministry and served as consultant to Children's Fresh Air Farm for underprivileged children at Birmingham, Ala.

A graduate of Chelsea High school, Schneider attended Michigan State University two years and Linfield College, McMinnville, Ore., two years. He received a bachelor of arts degree at Linfield College.

He earned a master's degree in social work at Florida State University in 1960, completing his studies on a National Institute of Mental Health grant.

He received many honors in Boy Scout work, earning Eagle, God and Country and Pro Des Patria awards.

In March of this year he received the Scouters' Key for outstanding service to boys and a citation for work with the Alcoholism Commission. He is a member of the National Association of Social Workers and serves on the religious education committee of the United Church of Christ at Newville, Wis.

Authority for the commissioning comes through the Michigan-Indiana Synod of the Evangelical and Reformed Church, the Rev. Henry Kroehler, president. Approval for the commissioning is given by Dr. James E. Wagner,

president of the Evangelical and Reformed Church.

Schneider's wife, Ruth Ann, was a missionary teacher at Wasatch Academy, Mt. Pleasant, Utah, prior to their marriage. They have one daughter, Debbie Lynne.

Schneider's parents are Mr. and Mrs. Lewis Schneider, 219 Railroad St.

All members and friends of St. Paul's church, friends and relatives of the Schneider family, and interested people of the community are invited to attend the commissioning service and a reception which will follow in the church hall in honor of the newly-commissioned missionary and his wife.

There are workers in the world whose chief occupation is to appear busy. Principles are splendid to live by but are not much for profit-making.

Roscoe Bonisteel Seeks Position as Con-Con Delegate

Mrs. Ellsworth Smith, Chelsea civic leader, is a member of a Washtenaw county-wide Committee of 100 which is supporting the candidacy of Roscoe O. Bonisteel, Ann Arbor attorney and former Regent of University of Michigan as a Republican candidate as a delegate to the Constitutional Convention from the 33rd Senatorial district, which embraces all of Washtenaw county.

Announcement of Bonisteel's candidacy was made this week by Mrs. Angela S. Dobson, 2110 Tuomy Road, Ann Arbor, Republican women's leader.

Mrs. Dobson is temporary chairman of a Washtenaw county-wide Committee of 100 which urged Bonisteel to become a candidate and is circulating petitions on his behalf.

"The importance of the Constitutional convention to Michigan today and Michigan of the future makes it imperative to have the best qualified men and women available to study our present State constitution and deliberate on recommended changes," Mrs. Dobson said.

"We feel that the most distinguished citizens of Michigan should be candidates and delegates."

Mr. Bonisteel, in the opinion of members of the Committee of 100, and thousands of others, is the most qualified and most logical man to represent Washtenaw county at the Constitutional convention.

Track Team Places Second At Tecumseh

The weatherman finally relented and the Chelsea High track team at last was finally able to participate in a meet.

Considering the long lay-off, the squad performed exceptionally well as they trailed first-place Jackson St. Mary's by 5 1/4 points.

(44 3/4 to 50 1/4).

The Bulldogs picked up a big early lead in the morning field events but slowly saw their lead dwindle until St. Mary's forged ahead at the next to last event.

The Bulldogs' early lead was fashioned as Dave McLaughlin established a new school and Tecumseh relay mark of 46"7" in the shot put. Jim Maynard was third as his put of 42"11" missed second place by only one-half of an inch.

Donald Sexton then claimed a first place in the broad jump with a leap of 19'1 1/2". Sexton also picked up three-fourths of a point in a tie for fourth in the high jump.

Larry Cattell then picked up four more points as he claimed second place in the pole vault with a leap of 10'3".

In the afternoon running events the Bulldogs claimed first and second in the high hurdles as David McLaughlin and Jim Maynard finished in that order.

The 440 relay team of Larry Cattell, Al Schauer, Don Sexton broke the school record of 48.3 seconds with a time of 47.9 which was good for fifth place.

The medley relay team of Warren Porath, Larry Cattell, Jim Maynard and Don Sexton took a second place as Sexton ran a tremendous anchor lap to pick up 20 yards and take second.

The shuttle hurdle relay team of Jim Maynard, Larry Cattell, Mike Schrader and Dave McLaughlin broke the school and Tecumseh Relay records but saw their efforts good only for second place in a time of 64.2 seconds.

Saturday a select group of Bulldogs will compete in the Albion Relays at Albion college.

Notary Appointments

Secretary of State James M. Hare has announced that during the first quarter of 1961, appointment of notaries public in this area includes the names of Rita D. Grihnert and Edwin J. Weiss.

In releasing the list, Hare reminded the public that a notary's right to serve is cancelled if he moves his legal residence from the county for which he is appointed.

"Valuable documents become invalid in many cases when they have been notarized by a person whose commission has lapsed or who is otherwise no longer eligible to certify signatures," Hare warned. "Cautious citizens should always double-check if the notary they select is properly appointed, qualified, and legally competent to certify the documents he or she is signing."

Eighth Grade Students, Parents Will Meet With Counseling Staff

George Bergman, counselor at Chelsea High school, has announced that on Monday, May 8, at 7:30 p.m. the high school cafeteria will be open to all interested eighth grade students and their parents who wish to discuss the complete four-year high school program.

Bergman will present explanations concerning the general, commercial, vocational (industrial arts - technological, agricultural, homemaking) and pre-college course sequences and the requirements for graduation which are to be met by all Chelsea High school students.

In view of the importance of careful and wise course selection in high school to adequately meet employment and college admissions requirements the administration has decided on this new approach, Bergman said.

Other interested community members will also be welcome to attend.

Michigan cattle feeders who have automatic feeding equipment can increase rate of gain if they feed often than twice a day, say Michigan State University livestock specialists.

State License Required For Spray Applicator

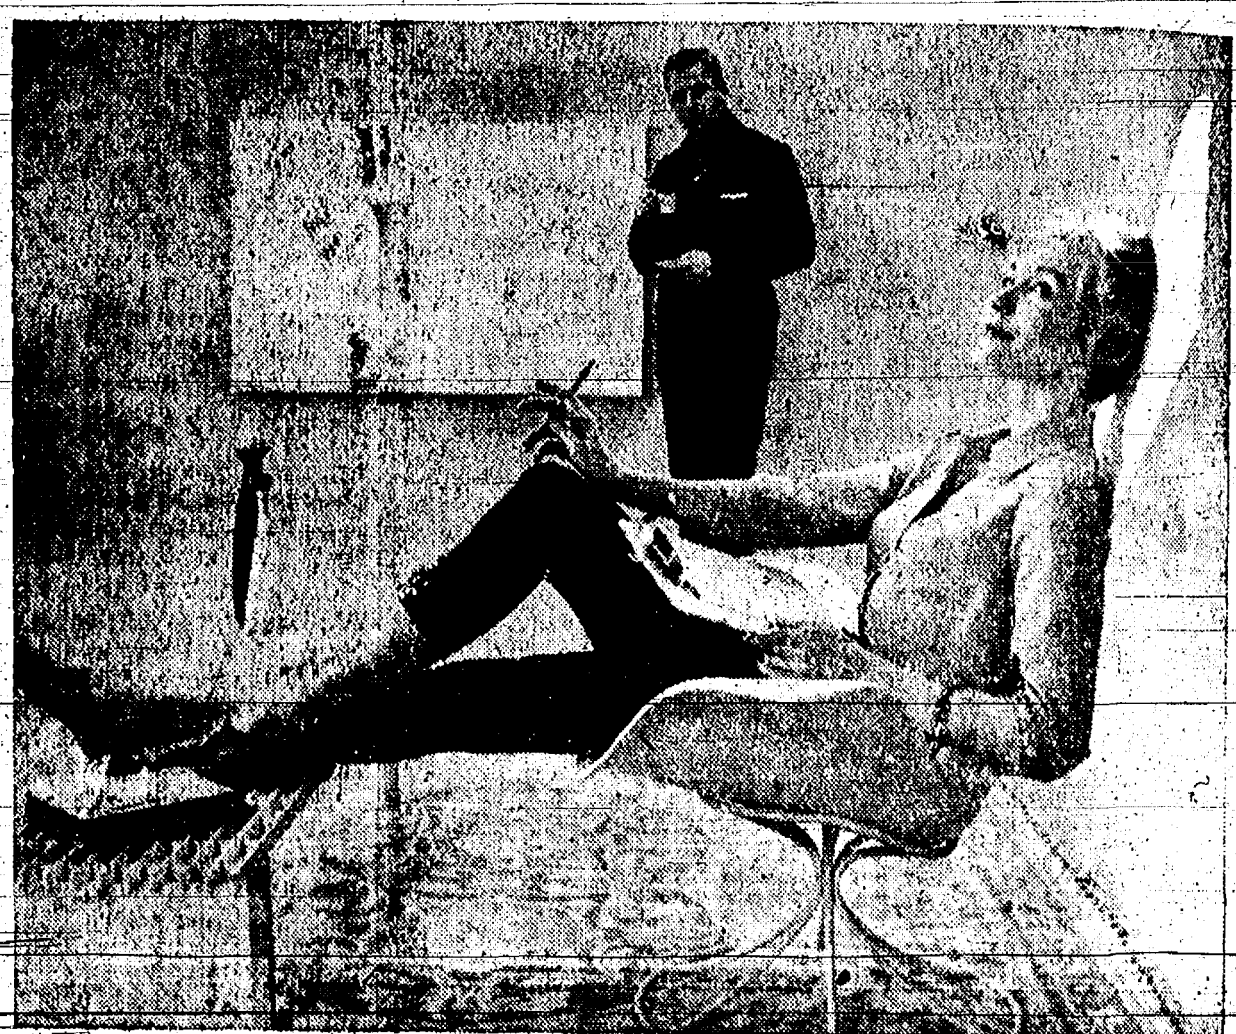

Spring spraying already is under way in some parts of the state and a license is required of persons who do out-of-door spraying for hire or otherwise engage in the business of applying economic poisons.

Applications for an economic poison applicators license are available by writing the Michigan Department of Agriculture, Pesticide division at Lansing.

The license is necessary if persons collect a fee for the service, whether the economic poison is applied by sprayer, blower, plane or other means. Persons who treat their own property do not perform the service for hire and are exempt, according to Agriculture Director G. S. McIntyre.

Mrs. Martha Wagner of the Lant State Hospital, spent a week-end at the home of Mrs. Herman Reed and on Saturday evening accompanied them on a birthday party honoring Harold McDonald, Sunday, May 7. Mrs. Reed and son and Mrs. Wagner were dinner guests of Mr. and Mrs. Hazen Leach and Mrs. S. Martin.

100 Trout Taken
From Sylvan Pond
On Opening Day

Conservation Officer Donley
Boyer reported that approximately
100 trout were taken between 6
a.m. and 8 a.m. on the opening day
of the season, Saturday, on Sylvan
Pond, near Waterloo Area
headquarters. Boyer said that at
least 75 cars were on the scene.

The early morning good luck did
not continue later in the day, how-
ever, according to Boyer, who said
too, that fishing for northern pike
and wall-eyed pike was "not good."

The Sylvan Pond catch of trout
was the best of anywhere in the
county, although "fair success"
was reported at Portage and Little
Portage lakes near Dexter.

The trout that were taken,
Boyer said, were caught "on the
bottom." The fish remained in deep
water because of recent weather
conditions.

The trout season, which opened
Saturday continues until Sept. 10.

In 1891, a special detachment
of U. S. Marines was assigned to
halt the wholesale destruction of
seals in the Bering Sea by poach-
ers operating out of season.

Track Team Wins Over Dexter Squad

Competing last Tuesday on Saline's new track the Chelsea Bulldogs defeated Dexter, 61-48, in a dual meet.

Junior Dave McLaughlin was the leading point maker for Chelsea as he won the shot put, and both hurdle races, in addition to running the anchor leg on the victorious 880 relay team. Dave earned 164 points with his performance. Senior Don Sexton was a double winner as he won the broad jump and the 440-yd. dash. Don also ran on the 880-yd relay team and tied for second in the high jump. The Cattell twins, Gary and Larry, won the mile and pole vault, respectfully to round out Chelsea's first-place winners. Larry Cattell also finished third in the 100- and 220-yd. dashes, as well as running on the 880-yard relay team.

Second place winners for the Bulldogs were paced by Junior Jim Maynard who finished second in the shot put and both hurdle races.

Sophomore John Ashley took a second in the 880-yd. run in his first competitive effort in the event.

Freshman Warren Porath placed second in the 440-yd. run and ran on the 880-yd. relay team as well. Freshmen Mike Schrader and John Hand scored thirds for the Bulldogs in the low hurdles and mile run, respectively.

In addition to the Chelsea-Dexter meet, dual meets between Saline and Roosevelt and Pinckney and Manchester were run off simultaneously, with Saline and Pinckney picking up victories.

The next such meet will be held on Monday, May 8 at Saline High's track with field events beginning at 8:00 p.m. and the running events following about 7:00 p.m. Local athletic fans, who have never had the opportunity to observe a high school track meet, would do well to attend. Admission price is only 25 cents.

Bulldog Bats Hot Against Roosevelt

After being rained out of a full week's schedule of games, the Chelsea Bulldogs returned to action Tuesday with their first Washtenaw Conference win, an 11-6 victory over Ypsilanti Roosevelt.

Behind the fine pitching of Jerry Ringe and a blistering 12-hit attack, the Bulldogs scored in all but two innings to start their bid for the conference title.

Even though the weather was bitter cold, and the wind was blowing hard, the Chelsea batsmen hit safely in every inning.

After spotting Roosevelt a three-run first inning, lead, the Bulldogs came back to score one run in the first inning, four in the second, three in the third, and three more in the fifth, while Jerry Ringe was setting the Rough Riders down with just four hits and striking out 12 men.

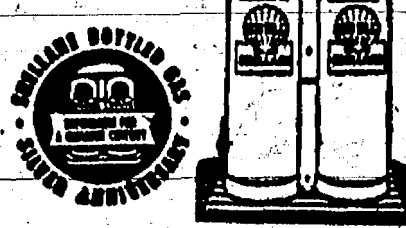

Mike Marsh led the hitting attack with three hits, but got plenty of help from Kenny Carson.

School Library Volunteers Honored at Open House

At the Chelsea School Library open house Apr. 26, High School Principal Charles Lane made the initial presentation to Mrs. Thelma Schwiager, volunteer chairman, and Dr. J. V. Fischer, president of the board of education, distribution of the balance of the awards to the women who have worked in the four Chelsea school libraries this year.

Principal Lane said, "Please accept this token of our appreciation for the contribution which you have made to the education of our boys and girls."

This was the third annual presentation of awards to library volunteers. In addition to the new volumes purchased with NEA funds, the open files of 50 periodicals, and 10 file drawers of pamphlets, a volume of the World Book Encyclopedia in Braille was on display. Jim Versailles, local resident, translated from various pages of the encyclopedia and demonstrated his Braille printer.

Libraries maintain collections of books, periodicals, documents, and films which are used by the handicapped in learning skills, finding employment, and in general establishing contact with the world around them.

Boy Scouts Enjoy Frigid Camp-Out

Chilly weather, plus the possibility of rain, did not prevent Boy Scouts of Troop 25 and their families from enjoying a week-end of camping at Camp Tacoma, Clear Lake.

Boy Scouts cleared away brush and prepared the waterfront for the summer.

According to a report of the week-end's activities, the kitchen was ably managed by Dave Talbot and a crew of fathers, while Boy Scouts did KP duty and women in the party relaxed and enjoyed themselves.

Saturday afternoon an interesting demonstration of skin diving and equipment was given by James Ballantine of Ann Arbor.

In the evening Conservation Officer Donley Boyer showed colored slides of wild animals, birds, and flowers.

Vernon Parks also showed colored slide pictures which he had taken on previous camping trips.

The camping period closed Sunday morning with an outdoor chapel period in charge of the Rev. Philip Rusten.

Jackson Man Pays Fine for Dumping On State Land

Samuel L. Douglas, 39, of Jackson, pleaded guilty Apr. 26 before Sylvan Township Justice of the Peace Chandler Rogers to a charge of dumping rubbish on state land. He was ordered to pay \$9.30 fine and costs and remove the rubbish.

Douglas was arrested Apr. 21 by Conservation Officer Donley Boyer. The offense occurred in Lyndon township on Waterloo Area state land.

In another Conservation Department violation which occurred about 6 p.m. Apr. 26, the offender was apprehended for shooting pheasant out of season. His speedy arrest was brought about through cooperation of two farmers who witnessed the incident. One of the farmers followed the car in which the man left the scene, getting its license number, while the other farmer contacted the conservation officer.

The offender, Lawrence R. Hatch of Ann Arbor, appeared in Municipal Court, Ann Arbor, on Friday and pleaded guilty to the charge before Judge Francis O'Brien and the judge sentenced him to two days in the County Jail, together with fine and costs of \$115 in lieu of an additional five days in jail. He at first indicated he would appeal in Circuit Court but later changed his mind. He served the two days and paid the fine.

The incident occurred on Island Lake Rd., near Waterloo Rd., in Dexter township, according to Conservation Officer Boyer's report.

STEEL FRAMED BUILDINGS by PRUDEN INDUSTRIAL COMMERCIAL FARM AUTHORIZED DEALER: Chelsea Lumber Co. Dial GR 5-3391

MYSTERY FARM NO. 148—This photo, which first appeared without identification in the Apr. 27 issue of The Standard, is that of the Donald Irwin place on Grass Lake Rd., a mile from the western edge of Washtenaw county. It has been owned by the Irwin family continuously for 124 years.

Mystery Farm' Has Been in Irwin Family for 124 Years

The Donald Irwin farm on Grass Lake Rd., almost at the west edge of Washtenaw county, appeared in the Apr. 27 issue of The Standard as Mystery Farm No. 148 and was quickly identified by area residents.

The farm has been owned by the Irwin family continuously since the original deed for the first 80 acres was signed by U. S. President Martin Van Buren in 1837. Donald Irwin's great-grandfather, James Irwin, a blacksmith, was the first owner. He came to the United States from Ireland and had been an apprentice blacksmith in New York state and then Saline. He "walked over" from line to look over the "wilderness" land at the west edge of the county and picked a spot approximately halfway between the present two houses on the farm as the

place to erect a log cabin for his family.

The smaller home which appears at the left in the photo, was built by James Irwin in 1854, while the new house at the right, which is the present home of the Donald Irwins, was built by Donald's father, Max Irwin, in 1909-10.

The bungalow-type home, an ultra-modern style of construction at the time, attracted wide attention because of its many space-saving features.

The larger of the barns (at right) included part of the original barn built in 1843 of hand-hewn lumber. This barn was destroyed by fire on New Year's Day, 1959, together with all its contents, approximately 100 head of sheep, 15 head of cattle, farm machinery, milking equipment and large

quantities of hay, straw and grain.

Firemen from Manchester, Grass Lake and Chelsea were delayed in reaching the scene because of a terrific New Year's ice storm. A barn moved from the former Roy Raymond farm, now subdivided, replaced the barn that burned.

The New Year's day fire was the first disaster to strike the farm buildings in more than 120 years of ownership.

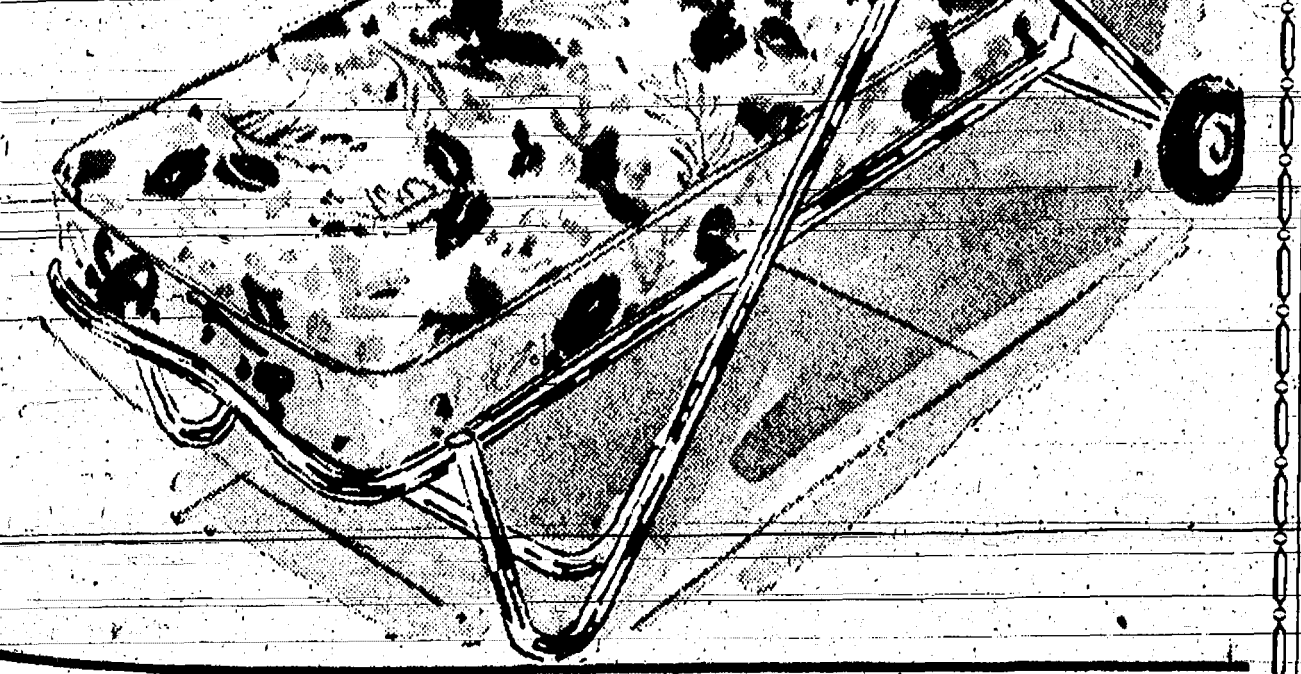

Donald Irwin has lived in his present home all his life. He and his sisters, Mrs. Maxine White and Jean, now the wife of Albert Johnson, former superintendent of Chelsea schools, were born there. Their older brother, Frederick, was born in the smaller home where the Max Irwin family lived before the new home was erected.

Both spoke briefly. Mrs. Harris, district Girl State committee chairman, speaking on that subject and Mrs. Ruckriegle on general Auxiliary topics.

Miss Paul Maroney, Girl State chairman for the Chelsea Auxiliary, mentioned that selection of a State representative sponsored by the local group is to be announced soon.

Other announcements included the following: by Mrs. Clotilde, that Poppy Day will be held May 26, 9 a.m. to 9 p.m.; by Mrs. Ruth Christwell, that a coffee hour is scheduled at the VA hospital at Ann Arbor on Saturday, May 27, by Mrs. Norma Popovich that the Junior Auxiliary girls are having a family picnic at their home on May 18, and by Mrs. Kern, Auxiliary president, that the annual dues luncheon will be held Tuesday, June 6, 8:30 a.m. at the Legion Home with Mrs. Grant Scholten as the hostess.

Also announced was the Auxiliary's mother and daughter banquet to be held May 10, 6:30 p.m., at the Legion Home. It will be a delicious meal and those who attend are to bring their own table centerpiece and a dish to pass.

Mrs. Popovich gave a report of the April 30 district meeting at which she mentioned that the Chelsea Unit received two citations at the meeting—the national merit award and the national service award, both for membership quotas.

She also said that the American Legion Auxiliary, William Morrison, and Mrs. Edna Schultens, were present at the district meeting.

Chelsea people who attended the district meeting, according to Mrs. Popovich's report, included Mrs. Christwell, Mrs. Grant Scholten, Mr. and Mrs. William Morrison, and Mrs. Paul Maroney.

Following the dinner at the district meeting, the movie, "Operation Abolition" was shown, Mrs. Kern reported.

At Tuesday's Auxiliary meeting, Mrs. Kern, appointed Mrs. Popovich, Mrs. Harold Scholten and Mrs. Ernest Guenther as the nominating committee and also announced that a meeting of Unit chairmen is to be held on the purpose of filling out annual reports.

Entertainment during the concluding social hour at the meeting included slide pictures shown by Mrs. Merle Barr, Sr., and several games.

HS-Baseball. (Continued from page nine) Homer Nixon, Alton Nixon, and Dan Atkinson, who got two hits each with Charles Koenig getting three. Dan Atkinson, Mike Marah, and Homer Nixon all had doubles.

The cool weather caused several errors on both sides, but with the coming of spring we hope that this will change.

The line score was Roosevelt, 6; Chelsea, 11 runs on 12 hits and 4 errors.

Today the Bulldogs are scheduled to play at Pinckney and tomorrow at Manchester. The Manchester game may be moved to Chelsea to allow more time to rebuild the Manchester diamond.

The Chelsea Junior Varsity lost a squeaker to Stockbridge, Monday, but will try again on Friday when they play the Dexter N's at Dexter.

House Okays Bill To Raise Freeway Speed at Night

A proposal to allow 65 miles per hour on divided highways at night received approval of the House last week.

Present 55 mile limits are unrealistic supporters of the bill contended, and the higher speed would not cause added hazard on divided highways. It has been noted that most traffic on these highways is now moving at about 10-miles-per-hour over the posted limits.
