## Poppy Sale Scheduled Tomorrow

A custom which has become tradition in Chelsea during the past 15 years or more, is that of the service organizations—American Legion, Foreign Wars and Veterans of Foreign Wars—who plan their annual Poppy Day sale for the day after tomorrow. This year the sale will take place Friday, May 26 (tomorrow).

Representatives of the women's auxiliaries of both organizations, who accept responsibility for the sale, will be on the downtown streets from 9 a.m. until 9 p.m. Mrs. Wayne Harvey is Poppy Day chairman for the VFW Auxiliary and Mrs. Paul Frayer acts in the same capacity for the American Legion Auxiliary.

Mrs. Harvey explains that the "Buddy" Poppies are made by disabled veterans only and are the organization's symbol to the public that "We Honor the Dead by Helping the Living." The sale poppies is the only direct appeal to the public for aid to the needy and needy veterans.

The "Buddy" poppies sold in Chelsea are made by disabled veterans who are residents of the Chelsea Veterans Facility located in Rapid, Mrs. Harvey said.

Mrs. Frayer, quoting the American Legion's slogan "Wear a Poppy," said, "As we pin the poppy over our hearts this morning, let's remember the little poppy which sprang to life in the battlefields of France during World War I—the poppy which brings a message of courage, faith, and the will to survive to disabled veterans today while honoring the memory of those who have died."

Proceeds of the American Legion poppy sale are designated for rehabilitation and child welfare work.

Mrs. Frayer said disabled veterans make the Legion's crepe paper poppies by hand from materials furnished by the American Legion of the states in which hospitals are located.

One of the many projects for which Poppy sales money is used is the purchase of hospital books for veterans who are unable to provide extra for their comfort.

Reservations for both service organizations for tomorrow's sale will be in the lobby of the Sylvan Hotel.

## Chelsea Products Union Officers To Be Elected

Next Wednesday, May 31, from 11 a.m. until 5 p.m., balloting will take place at the Union Hall to elect three committeemen, and other officers of Chelsea Products Union, Amalgamated Local Union No. 437, UAW-CIO.

Candidates for committeemen are Elwood McGlothen, Clyde Whitaker, Frank Oates, Lee Hoppe, Clifford Salyer, Robert Butler, Harold Salyer and Chuck Blanchard.

Candidates for the office of chief steward, days are Jim Carpenter, Kendle Howard and Edward Baczenski.

Night chief steward candidates are Gary Wright and Robert Keiser.

Other candidates are Colonel H. Hughes, Gary Wortley and Norman O'Connor, recording secretary; Weldon Long, guide; and Adelbert Reinche, sergeant-at-arms.

## Kiwanis Club Citizenship Awards Given

At Monday night's Kiwanis club meeting in the social center of the Methodist church, the annual Kiwanis citizenship awards were presented to a boy and girl in each of the grades seven through 12 of the public school and the seventh and eighth grades of St. Mary's school.

William Collins, chairman of the Kiwanis club's vocational guidance committee, made the presentation of awards.

St. Mary's students who received the awards are Mary Kay Alber and Gary Houle, seventh grade, and Katherine Eder and Douglas Rowe, eighth grade.

Junior high school students honored are Laurie Reddeman and Robert Kishmaul, seventh grade; and Jane Faust and George Gary, eighth grade.

High school students given the award are Janice Wood, Warren (Continued on page three)

MANISTEE MAYOR Joseph Quinn is shown in the above photo as he received the "key to Chelsea" from Dr. L. J. Paul, Chelsea Village Council member who was co-chairman with Merle Barr, Jr., of the Mayor's Exchange Day program here. Those who appear in the photo are, from left, Donald Garnache who is a Manistee city commissioner; Dr. Paul; Mayor Quinn; and Donald Baldwin, Chelsea councilman. Behind them, from left, are Councilman Stephen Clark; Village Assessor Thomas Smith; Manistee Assessor Chester Gloczeski; Village Clerk George Winans and Councilman William Chandler. The day's program here was carried out as scheduled. At the noon businessmen luncheon held in honor of the Manistee visitors at the Congregational church, the three officials were presented with cigarette lighters, appropriately engraved to indicate they were a gift from the Chelsea community. The day's activities included a tour of the Municipal building, Municipal parking lot, Chelsea Milling Co., McKune Memorial Library, Chrysler Proving Ground and village facilities. Final activity of the day for the Manistee visitors was the Kiwanis club dinner held in the social center of the Methodist church.

## Detroit Resident Flips Convertible Monday on I-94

Irving Rosenberg of Detroit, driving west Monday afternoon on I-94 near the Kalmbach Rd. overpass, escaped with minor injuries when his convertible car rolled over on its top after he lost control of the vehicle.

The section of highway at that point is still under construction and according to reports of the accident the mishap occurred as the driver attempted to avoid oncoming traffic.

## 'Wonderful Time' Enjoyed At Manistee

Village President and Mrs. Robert Daniels and Councilman and Mrs. Harvey Lixey report having had "a wonderful time" during their stay in Manistee Monday for Mayor's Exchange Day.

They left here early Sunday afternoon and at 4 p.m. by pre-arrangement, met the Manistee mayor, Joseph Quinn, and his party at the Hotel Doherty at Clare for a short visit.

The "Chelsea" party had overnight accommodations at the Moonlight Motel at Manistee and had breakfast Monday morning at the Chippewa Hotel.

Highlights of a tour of the area were visits to the Morton Salt Co. plant and the home of one of the owners, Mr. Grey, who has a number of Arabian horses.

At a noon luncheon at the Chippewa Hotel, the Chelsea party met the city manager, city treasurer and the city commissioners and their wives and then visited the Century Boat Co. and had a ride on Lake Manistee in one of the boats.

Their final visit of the day was to the Glen of Michigan dress manufacturing plant where Mrs. Daniels was presented with one of the blouses made by the company.

President Daniels, speaking of the visit to Manistee said it was "an enjoyable and informative experience." He said the hospitality of the entire community was "really outstanding."

Daniels said he and Councilman Lixey were especially interested in the promotional activity of the Manistee Industrial Development Corporation because of the fact that an Industrial Development Committee was recently formed in Chelsea.

Mr. and Mrs. Daniels and Mr. and Mrs. Lixey left Manistee during the afternoon for the long drive home, arriving here late Monday evening.

## Rev. F. Fischer Ordained as Elder In EUB Church

The Rev. Frederick Fischer was ordained Sunday as an elder of the Evangelical United Brethren Church at the Centennial conference of the Michigan district at Blissfield, site of the first state conference just 100 years ago.

The Rev. Fischer is pastor of the Kesawig EUB church at Suttons Bay, a post he has held since his graduation from Asbury Seminary, Wilmore, Ky., in 1958.

A 1961 graduate of Chelsea High school, he graduated from Asbury College in 1955 before entering the seminary.

The Rev. Fischer's parents, Mr. and Mrs. Harvey Fischer of Four Mile Lake, and a brother, Marvin, attended Sunday's ordination ceremony.

His wife and their daughter, Beverly, had spent the past week here with the Harvey Fischers.

THE REV. F. FISCHER

## Memorial Day Program Will Honor All Vets

### Dogs Must Be Kept Confined, Boyer Reminds

Conservation Officer Don Boyer reminds area dog owners that it is unlawful to permit dogs to run at large in wildlife habitat during the spring and early summer nesting and young-rearing season.

The ban is in effect now and won't be lifted until late summer, when young pheasants, rabbits and other creatures will be big enough to take care of themselves.

Boyer said he had received several complaints recently about dogs running loose and harassing wildlife. So far he has only issued warnings to the offending owners, some of whom said they were not aware of the restriction which is of several years' standing.

### Parade Forms At 10 for March To Cemetery

The annual Memorial Day observance here will include the traditional parade to Oak Grove cemetery where a brief ceremony will be held at the Soldiers monument.

A public address system will be set up at the cemetery by Alton Gieske, a service he has contributed to the Memorial Day observance for a number of years.

With George Winans as officer of the day and J. V. Burg, II, as drill sergeant, the parade will form in front of the Municipal building at 10 a.m. Tuesday.

All veterans and members of Chelsea service organizations are urged to participate in the parade as a tribute to those who have died.

Also included in the parade formation are a color guard of American Legion and Veterans of Foreign Wars members; members of the women's auxiliaries of the two organizations; Boy Scouts; Cub Scouts; Girl Scouts; Brownies; Woman's Relief Corps members; Chelsea Junior and Senior High school bands; and school children.

The parade route is south on Main St. to Park St.; east on Park St. to East St.; north on East St. to East Middle St. and thence to the cemetery.

The ceremony at the cemetery will include an opening prayer by the Rev. Paul M. Schmacke of St. Paul's church; reading of General Logan's orders pertaining to the observance of Memorial Day; numbers by the school bands; and closing prayer by the Rev. Fr. Francis Maliszewski of St. Mary's Catholic church.

A wreath will be placed on the Soldiers Monument and each serviceman's grave will be marked with an American flag.

Chrysler Proving Ground will provide cars for Woman's Relief Corps members and veterans who may wish to ride to the cemetery and return.

When the parade returns to Main St., all children will be treated by the Legion to ice cream cones at Chelsea Drug store, American Legion Commander William Blaess said yesterday.

## Break-in Reported Saturday

Loon Mebon, owner of Mebon's TV, Appliance and Furniture store, 1170 South M-92, reported to the Chelsea Police Department Saturday morning that he discovered on opening the store that burglars had entered the place by forcing the lock on a rear door and stole approximately \$7,000 worth of television sets, phonographs and radios.

Police chief John Palmer said yesterday that five officers have been assigned to the case by the three law enforcement agencies investigating the break-in—the Chelsea Police Department, Washtenaw County Sheriff's Department and the State Police.

## Final Plans Being Made for Alumni Association Banquet

Final plans are being made for Chelsea's annual Alumni Association banquet, to be held at the High school cafeteria on Saturday, June 10, at 6:45 p.m.

A capacity crowd for this informal dinner is expected so George Knickerbocker, Alumni Association president, states that reservations must be made before June 3.

Invitations have been sent out to all the known Chelsea alumni dating back before the turn of the century.

These invitations are to be returned to Dan Murphy, 304 South St., if a reservation is desired. Dues for alumni are \$1.00 each and dinner tickets are \$2.00 each person. The money may be sent to Murphy and the tickets will be reserved and held for the one intended at the cafeteria the night of the dinner.

There will be no dance and the dinner, as planned, will be informal. Tickets are also available at Winans Jewelry, Posters Men's

## Track Squad Nips Saline To Share Conference Title

Last Thursday night Coach Al Conklin's Chelsea Bulldogs defeated Saline 58 1/2 to 52 1/2 to create a three-way tie between Chelsea, Saline and Pinckney. Each squad finished their dual meet record with four victories and a loss, and each will receive a trophy.

Thursday's win wasn't decided until the meet's final event, the 880-yd. relay. Chelsea's team of Larry Cattell, Don Sexton, Warren Porath, and Dave McLaughlin came through with a victory and clinched the meet for the Bulldogs.

Chelsea took eight firsts, five seconds, and four thirds in winning their fifth dual meet.

Dave McLaughlin paced the victors with three firsts in the shot put, 100-yd. and 220-yd. dashes. Don Sexton, in his final competition, won the broad jump and the

440-yd. dash, and Warren Porath in the 220-yd. dash.

Chelsea High thus ends the most successful season in the school's history as they won five out of six dual meets and finished second in the Washtenaw Conference, second in the Tecumseh relays, fifth in the Regional and fifth in the state meet. In addition, Dave McLaughlin is the state high hurdle champion.

## Baseball Title Goes to Saline With 1-0 Win

Last Thursday the Chelsea High baseball team was in a position to win the baseball championship and assure the winning of the all-sports trophy, but a fine young pitcher by the name of Dave Rockwell from Ypsilanti Roosevelt had different ideas.

It was his outstanding one-hit performance that enabled the Rough Riders to defeat the Bulldogs, 5-3 and send Chelsea home with just one remaining chance. That chance was of defeating Saline at Saline on Friday, which would throw the baseball championship into a three-way tie and again assure the Bulldogs of the all-sports trophy.

For Chelsea it was Don Blalock on the mound and for Saline it was Jim Walters, both left-handers.

Blalock and Walters were both pitching strong games, with Chelsea getting single hits in the first three innings but unable to get that much-needed second hit to score. Saline was without a hit until the fifth inning when left-felder Leidheiser opened the inning with a triple.

The next man went down swinging, and then Alton Nixon picked Leidheiser off at third base when an attempted squeeze bunt was missed by Sixby. This ended the pressure and Blalock then got Blalock on a bounce back to the mound to retire the side.

In the Chelsea sixth Ken Larson led off with a double and moved to third on a wild pitch, but was stranded there as the next two hitters went down on strikes and Mike Marsh hit a ground ball to short.

(Continued on page three)

## Mrs. Michigan Will Be Crowned Thursday Night

Mrs. Robert Daniels has been in Detroit yesterday and today participating in the Mrs. Michigan contest.

Mrs. Daniels, who won the Mrs. Ann Arbor Area title is now being called "Mrs. Chelsea" for purposes of state competition.

Winner of the "Mrs. Michigan" title will be crowned at ceremonies to be held this evening and there is a possibility the ceremony will be televised.

The contest at Detroit is being held in the Blue Flame auditorium of Michigan Consolidated Gas Co.

POPPY DAY CHAIRMEN—Mrs. Paul Frayer, left, and Mrs. Wayne Harvey are respective chairmen for Herbert J. McKune Unit No. 31, American Legion Auxiliary, and the Ladies' Auxiliary to Veterans of Foreign Wars Post No. 4076, Veterans of Foreign Wars, for the annual Poppy Day sale here Friday. The two chairmen have arranged a schedule for their committees who will be assisted throughout the day, 9 a.m. until 9 p.m. Headquarters for the day will be in the lobby of Sylvan Hotel where the above photo was taken as the two chairmen made arrangements for the Poppy Day sale.

## D. McLaughlin Wins Both Hurdle Events in State Meet

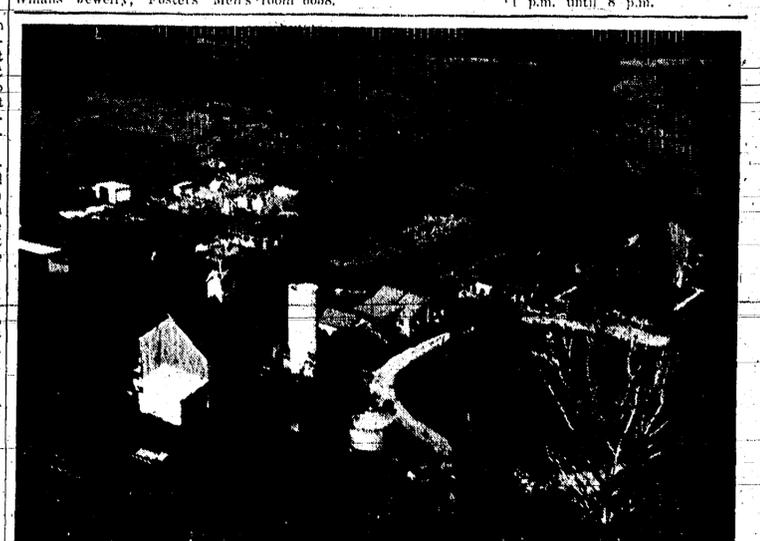

Last Saturday at the State Track and Field Finals held at Mt. Pleasant, Dave McLaughlin became the first athlete in the history of Chelsea High school to earn a state championship in track.

Dave was the winner in the 120-yd. high hurdles in the time of 14.95 seconds.

In the 180-yd. low hurdles his

time of 19.8 seconds broke the existing state mark of 20.0 seconds but was not accepted because of the prevailing wind velocity.

The 12 points (first place is worth six points in the state meet) earned by McLaughlin enabled Chelsea to finish in fifth place in the team standings.

MYSTERY FARM No. 152 is another area week. If you recognize the place, please call the farm for readers of The Standard to identify it. Standard office, GR 5-3581. The owner will receive, they say. ### Michigan Weeks Gives Us All Chance To Boost Our Great State

As we observe the eighth annual Michigan Week, May 21-27, the question is often raised regarding the objectives and reasons for this celebration.

Michigan Week is unique. It is the only state event of its kind held in the nation. It was started in 1954 by a group of civic leaders on recommendation of a special advisory group of the Michigan Economic Development Commission.

Sponsored today by the Greater Michigan Foundation, a non-profit organization of which Dan Gerber, Fremont, president of Gerber Products, is president, the purpose is three fold:

1. To advance the economic and social progress of Michigan through every practical means;
2. To promote among Michigan residents and the people of the United States better understanding of the advantages Michigan offers as a place for living, playing and carrying on a business;
3. To get all Michigan people working together to make Michigan an even better place to live, work and play.

Each year the annual week has a slogan and a theme for special emphasis.

The 1961 slogan is: "Michigan Marching Forward". Theme for this year's observance is "Michigan's New Horizons".

The week's gigantic program is built around the observance of seven special days, each set aside to cover an important phase of the state's economy.

Special days are designated as: Sunday, May 21, Spiritual Foundations Day; Monday, May 22, Our Government Day; Tuesday, May 23, Hospitality Day; Wednesday, May 24, Our Livelihood Day; Thursday, May 25, Education Day; Friday, May 26, Our Heritage Day; and Saturday, May 27, Our Youth Day.

Michigan Week organization is headed by a general chairman, who this year is John H. Carton, Battle Creek, president of the Wolverine and Federal Insurance companies, and two deputy general chairmen. They are: Herbert J. Daverman, of the J. & G. Daverman Co., Grand Rapids, and Harding Mott, vice president of the Mott Foundation, Flint.

For effective organization at the area level the state has 16 regions, each headed by a Michigan Week regional chairman. They in turn select county chairmen who carry forward organization at the local level with community chairmen in the cities and villages. In all it is estimated that more than 8,000 persons are working in the over-all organization for the event.

Through a vast network of state boards and committees the program reaches every segment of the institutions and organizations that exist within the state and reach far outside the state through special committees and groups working from coast to coast.

State boards cover organization, the general program, public relations, schools and colleges, cultural activities and youth organizations.

"In brief it might be said that Michigan Week's chief aim is to focus attention on Michigan: its heritage, its people, its culture, its institutions and its boundless opportunities," Mr. Carton said.

"Michigan is our product and Michigan Week seeks to enlist all of its citizens in a dynamic sales force to sell the product with great vigor, pride and enthusiasm—not only to the people within our boundaries but to people everywhere," he said.

Robert F. Kennedy, Attorney General: "In the field of bid-rigging and price-fixing, it is the consumer who suffers—the consumer is the ultimate victim!"

### Uncle Lew from Lima Says:

DEAR MISTER EDITOR: I see by the papers where officials at Harvard are discussing the idea of reducing enrollment. This could be a topic that might be taken up by the Congress and maybe call for a Senate investigation.

The Republicans have been complaining since January that the country is suffering from an over-supply of Harvard men, that a heap of our troubles is coming from that source. They'll claim that Harvard has taken this step to protect the national interests. The Democrats will claim it was pressure from the Republican money boys. This could be the first time in history one of our big colleges has got caught in a squeeze between Wall Street and Pennsylvania Avenue. I'm watching for developments in this thing very carefully, Mister Editor.

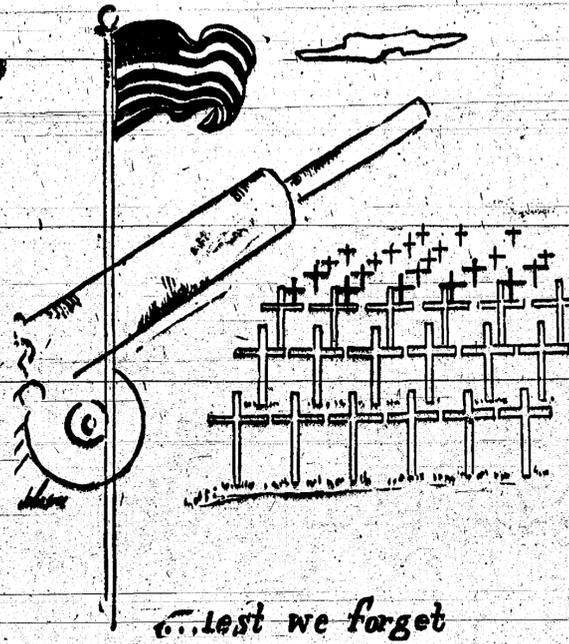

With all this mess going on in Africa, they was another item in the papers the other day that didn't get the proper attention. A Government official from one of them new African states got too far into the brush and was eat up by his cannibal constituents. If them African natives consider politicians a choice morsel, we could send 'em several of ours. I'll let you have first pick, Mister Editor. Speaking of politicians, I see here some feller at the convention of the American Science Institute said last week that it was now possible to tell what a chicken

was saying when it cackled. I'm hoping that at their next annual convention they'll announce a invention for telling what a politician is saying when he cackles. That would be the first major breakthrough we've had in Washington since Abe Lincoln announced Government was of the people, for the people, and by the people.

The fellers at the country store Saturday night was viewing with alarm this new trend for everybody in Government to hold a press conference about ever other day. Ed Donahue allowed as how he couldn't get nothing on his radio and TV no more but some feller meeting the press. Everybody was agreed it's good for people to know what's going on, but some of the fellers said it would also be nice if our public servants would spend a little time on the job.

Zeke Grubb bring up the idea that maybe farmers and ranchers ought to hold a press conference about once a year. A heap of times claimed Zeke, things has happened years afore the politicians can get it announced at a press conference. For instant when Roosevelt called a press conference in 1932 to announce that farms was washing away and that he was starting a soil erosion program, Zeke said he'd already had four farms washed away.

Yours truly,  
Uncle Lew.

### MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

If it comes off, and only time will tell, the 1961 Michigan Legislature may find that its greatest accomplishment was in that intangible and controversial realm known as "national image."

Tight budgets and no new taxes, concrete actions of this year's session could lead to a reversal of the national picture of Michigan as a perennial problem state.

Scars from the "cash crisis" of 1958 and the tax squabble of 1960 will remain, but the wounds might at least be allowed to heal. True, Michigan still will be beset by problems of unemployment, automation, labor disputes, rural-urban bickering and controversy between the two major political parties, but the sorrowful and oftentimes needless damage wrought by stalemate and blunder and faulty financial management may be on the way to repair.

If so, both parties can claim part of the credit despite a Republican legislature and a Democratic governor. While education, mental health and other vital areas of state government will have to get along on less money than they had hoped to have available for fiscal 1961-62, it is hoped they can get through one more year of austerity.

It was, after all, only something of a political misfortune that at least taken increases in the tight operating budgets recommended by legislative appropriating committees for the crucial areas of government weren't increased.

The willingness to add was there, but disagreements over the means and who would get the credit prevented any increases.

Republican lawmakers frankly say they are happy with the budget as it was passed. In fact, they are eager to claim credit for what they hope is a return to fiscal responsibility for Michigan. Gov. John B. Swainson wants it clearly understood that any cutbacks in state services, educational or otherwise, are the fault of the GOP.

But privately, many Democratic senators and representatives are not too displeased with the \$462.6 million operating budget, which is, of course, a record high for Michigan.

The reasoning is that if it takes a year of belt-tightening to present future unfavorable publicity such as the recent Saturday Evening Post article on "Michigan, the Problem State," then the price may not be too high.

Important part of the price involves the risk to the quality of higher education. Despite the record budget, educators are faced with providing facilities and education for a still more startling record number of students.

As salary increases are eliminated or reduced; as facilities like libraries and classrooms become more outmoded and overcrowded, staff people lose enthusiasm for their work. The most talented instructors find it easier to accept where they are paid more, have better conditions. The mediocre get fewer offers and tend to stay. At the same time, it becomes more difficult to interest first-rate instructors to join the Michigan faculties. The result becomes an average or less teaching staff.

It is not increased work loads these college people object to, it is lack of tools and lack of what they consider appreciation or respect for education.

The people of Michigan must decide soon if they want to support higher education at a level which

will grind out students after mediocre training period at a level which will permit true university training.

"You have less money per student than previously," the legislature tells education administrators, "but you had better not limit your enrollment so that qualified students cannot get in or you'll reckon with us."

The only thing that can give is the quality of the education or tuition fees which were increased \$24 per year only last year.

The key to the 1961 Michigan Legislature rating in the historical record book may be found in the national economic picture over-all.

If there is recovery in the durable goods market, it is almost sure to be reflected in a rosier fiscal picture for Michigan.

Budgets are based on frankly pessimistic revenue estimates. Swainson actually formulated his recommendations on revenue estimates some \$15 million higher than those used by lawmakers.

There could be a surplus of revenue, which might be applied

### JUST REMINISCING

Items Taken from the Files of The Chelsea Standard

#### 4 Years Ago ...

Thursday, May 23, 1946—Chelsea State Bank announces new hours—9 a.m.—3 p.m. except Friday to 5:30 p.m. and Saturday 12 noon.

Gladwin's Mayor Ray Flynn spent Monday here for Mayor's Exchange Day.

Announcement that Gorton Riethmiller, former Waterloo resident, has been named president of Olivet College, effective July 1.

Mr. and Mrs. E. J. Bahnmiller will observe their 50th wedding anniversary Sunday.

#### 14 Years Ago ...

Thursday, May 22, 1937—

Chelsea's new Chamber of Commerce appointed a committee—F. Merkel, W. Kustorer and E. Winsans—to formulate and present a recommendation to the Village Council for enactment of a Village ordinance against solicitation of merchants unless approval is given by the village president.

The Rev. P. H. Grabowski will preach the sermon at the annual Union Memorial Day church service Sunday at the Methodist church. American Legion and VFW posts and auxiliaries and WRC groups each will attend in a body.

In the 24 Years Ago column (May 22, 1913) Chelsea Screw Co. has completed organization and elected officers as follows: M. J. Dunkel, president and general manager; P. L. Girbach, vice-president; Conrad Lehmann, secretary-treasurer.

#### 24 Years Ago ...

Thursday, May 27, 1927—

According to information assembled by the American Legion, there are buried in Oak Grove and Mt. Olivet cemeteries 72 Civil War, 18 World War and Five Spanish-American war veterans. All will be decorated at Memorial Day exercises. The program will include the recitation "In Flanders Field" by Charles Bahnmiller and the response by William Rademacher.

Chelsea High School Band, directed by Robert Hargreaves, will present a concert on the McKune

to the state deficit, estimated at \$62 million by June 30.

While governmental theorists can argue endlessly about the desirability of operating in the black, there can be no doubt that it looks good on paper, and that is where a great many of Michigan's fiscal troubles have been, on paper.

One more bright spot in terms of national prestige is in the offering for the state.

#### 34 Years Ago ...

Thursday, May 26, 1917—Chelsea has contributed \$250.81 for flood sufferers of the Missis-

ippi valley, the Red Cross states. Dancer & Walz have taken the Chevrolet agency and they can locate a permanent room, they have four cars on play at their homes on Middle St.

The largest class ever to graduate from St. Mary's High School will hold commencement exercises June 15. The 10 members of class are Dorothy Liebeck, Bauer, Kathryn Wheeler, Eisele, Clara Juergens, Grace Lin, Robert Wheeler, John Leo Tuttle and Thomas Y.

The Army has the largest serve Officer's Training at the three services representing the University of Michigan.

#### WASHINGTON AND 'SMALL BUSINESS'

By C. Wilson Harder

The nation's independent businessmen, voting through the National Federation of Independent Business, have for some time opposed the imposition of new taxes on gasoline, tires and recapping rubber to finance the national super highway system.

This mammoth project was started on estimates prepared five years ahead of the time actual work began, and at the present time, nobody, C. W. Harder but nobody, knows how many extra billions of dollars will be needed to complete the entire ambitious project.

Naturally, independent business, so largely dependent upon automotive transportation, is concerned with extra taxes.

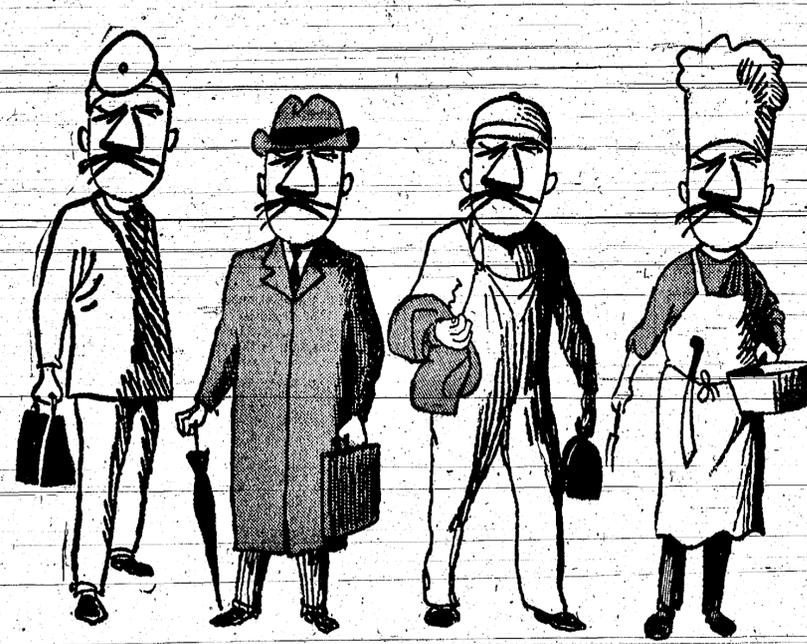

It now develops there are other complications.

It appears that the Bureau of Public Roads officials are now conceding that instead of the \$5 billion estimated to secure rights-of-way, it will now cost at least \$7 billion with one of the bureau's top brass expressing the belief that even the \$7 billion figure is conservative.

Congressman Ed Edmondson points to some facts dug out of just one state by a special committee investigating federal highway program headed by Rep. John Blainik.

In one project of the federal highway development in Miami, Florida, it was learned that the Florida Road Department paid \$82,000 to have buildings removed from a right-of-way; a sub-contractor netted some \$100,000 from the project.

Yet the fact remains that the taxpayer deserves protection. It would be very well at any time a legislative body be asked for more tax money to carry on a project, that before money is shelled out, a court of inquiry be convened to examine minutely what has caused the need for fresh money. If a sound need has been caused by bureaucrats in charge "going off," then those bureaucrats should be summarily fired and blacklisted for all time from ever holding any kind of a government job again. After all, paying public should have some protection against this.

### MICHIGAN IS PEOPLE WORKING TOGETHER

The people of Michigan are brothers at heart. They believe in each other and they believe in the communities and the state in which they live. They think, as people should, that the place where they live is the greatest place on earth, and they work hard to make it so.

In Michigan, groups and communities work together to build their state, in a spirit and a way unsurpassed anywhere. All of this working together is making Michigan a steadily finer place in which to live; in terms of culture,

schools, recreation and all-around livability. It is making Michigan an ever greater place for industry; in terms of markets, management skills and labor skills, research facilities, community cooperation and other advantages industry needs.

Help carry Michigan's message to the nation. Clip this ad and mail it to someone in another state with your comment. Let's talk up Michigan and its advantages for industry. Together we can assure a greater future for all of us.

#### MICHIGAN IS EVERYTHING FOR INDUSTRY

This ad is one of a series published as a public service by this newspaper in cooperation with the Michigan Press Association and the Michigan Economic Development Department.

**Baseball Title . . .**  
(Continued from page one)  
Saline started their half of the game with a pop single to center field. Fry, McDonald followed with a pop to the pitcher for the first out. Fry moved to second on the play. Steman, the pitcher, then walked, but Blalock hit on strikes for the second out. Farrar then walked to load the bases.  
With two out, the bases loaded, Fry and two on the hitter, and Fry, Tucker, a pinch-hitter, took ball four which forced in what proved to be the only run of the game, as the bases were again unable to move in the seventh.  
Don Blalock pitched a beautiful game, and the defense played well to come up with a hit or two in the right spot.  
As a result the baseball team (to which the All-Sports trophy was added) probably have to be shared with Saline.  
The only remaining conference game between Roosevelt and Chelsea, will determine whether Chelsea wins the All-Sports trophy outright or shares it with Saline.  
The line score for the Roosevelt game was Roosevelt 5 runs on 8 hits and one error, while Chelsea had 3 runs on one hit and one error.  
Saline had one run on two hits and one error; Chelsea had 0 runs on 4 hits and 0 errors.  
On Monday evening Chelsea defeated Stockbridge at Stockbridge.  
The game was a bit unusual in that nearly everyone played at a new position.  
Mike Marsh got the victory, but plenty of help from Alton, who made his first appearance as a pitcher. Alton also pitched in three trips to the plate. For Chelsea it was 0 runs on 5 hits and 1 error, while Stockbridge had 5 runs on 5 hits and 2 errors.  
The Bulldogs finish their season playing Ann Arbor high school at Park in Ann Arbor on Friday, and a two-night double-header at Leslie on Monday.  
People who have nothing important to do will find time to attend to a number of unimportant things.

**R. McCalla Starts Mobile Mill Business**

A new local mobile milling service will start in the Chelsea-Dexter area next Monday, May 29. Ralph L. McCalla, 12876 Old US-12, is the owner and operator of this new feed processing business. This operation will go under the name of McCalla's Mobile Feed Service, and consists of a complete feed processing plant mounted on a two-ton truck.  
Ralph plans to hold a series of farm demonstrations with this new unit next week, and all area farmers are invited to attend.  
Equipped with a cornsheller and powerful unloading system, this mobile feed mill can grind, mix and blend all types of home-grown grains right on the farm. In fact, the farmer does not have to be on hand while this service is given.  
A complete line of Wayne ingredients, quality feeds will be handled with this business, Ralph stated. These will be delivered to the farmer in a separate concentrate truck, which will drive into the farm along with his mobile feed mill.  
This new business owner is well acquainted in this area. He is a son of Charles McCalla, owner of the Washtenaw Farm Bureau store in Ann Arbor. His wife, the former Eline Rohrer, was born in Flint.  
A special announcement advertisement in this week's issue of The Standard lists the many services available from the new businessman and shows a picture of the Daffin Mobile feed unit which will be into service Monday, May 29.

**FEED MILL WAREHOUSE**—Chelsea Associated Builders workers are shown in the above photo as they were fitting corner uprights on the frame for the 90' x 160' one-story warehouse for finished feeds storage of Michigan Feed Milling Co., the operating company for the manufacture of General Mills feeds at the Blass Elevator Co. plant at Four Mile Lake. Chelsea Associated Builders are doing the construction work in conjunction with Chelsea Lumber Co. The warehouse is being added at the north side of the existing elevators, the side walls to be of blue aluminum and the roof pure white. The present feed mill, at left of photo, is being expanded by means of a structure above the present roof line to accommodate scapling and crumblizing rolls for processing feeds. At the opposite side, behind the elevators shown, nine bins of 40-ton capacity each, are being constructed and will be of approximately the same height as the present elevator bins. A railroad sidetrack runs directly to the buildings, the main New York Central Railway tracks running along the south side of the plant. Blass Elevator Co. continues to operate its own business at the location.

**U-M Band Members Visit Historical Holy Land Spots**

Editor's Note: George Heller is a member of the U. of M. Symphony Band currently touring Russia and Middle Eastern countries on an extended concert tour sponsored by the U. S. State Department. In the following letter, the second from George, he tells of interesting visits in the Holy Land.  
Athens, Greece National Hotel May 13, 1961  
Dear Mr. Leonard,  
Our stay in Athens brings to a close the Mediterranean portion of our tour. Next we shall go back behind the Iron Curtain to play in Bucharest, Rumania and Warsaw, Poland, and then we will fly to New York City to finish the tour with a concert in Carnegie Hall.  
After eight weeks in the Soviet Union we were especially appreciative of the Mediterranean countries. We were once again able to experience the many things of which Russian citizens are deprived. Such things as Coca-Cola, good food, competitive consumer goods, comfortable hotels with adequate facilities to name just a few were welcome indications of comparative free economies. Since our experiences in the six different countries were as varied as they were numerous, I will just retrace the highlights of each country.  
We arrived in Cairo on Apr. 17, just after the announcement of the

**Early Church Service Planned for Students Attending Junior Prom**

At the request of the students of the junior and senior classes at Chelsea High school, a special early morning church service will be held at the Congregational church following Saturday night's Junior-Senior Prom.  
The Rev. Philip Rusten, pastor of the Congregational church, responding to the students' request, has planned a special half-hour candlelight service to begin at 4 a.m.  
All students are welcome to attend the service.  
The Rev. Rusten said the service will include a litany and a brief sermon, followed by hymns and prayer.  
The regular Sunday morning service and church school will be held at 10 a.m. as usual.

**Cub Scouts DEN VI**

Cub Scouts of Den VI and their den mothers, Mrs. Curtis Farley and Mrs. Vernon Parks, had as their guests at their May 17 meeting, Debby Kay Knickerbocker and her mother, Mrs. C. Knickerbocker.  
Boys in Den VI are Barry Novess, John Hepburn, David Conklin, Lee Dickelman, Arthur Farley and Bruce Parks.  
The group played baseball and Mrs. Farley made the only home run of the afternoon.  
A picnic supper was served and plans were discussed for Cub Scout summer activities and for next fall when Cub Scouts of Den VI will begin on their Bear Patch work.  
Cub Scouts went on record with a vote of thanks for the support of parents in furnishing transportation and den mothers commended parents for their many ways of helping throughout the year.  
The Hopwood Awards given annually at the University of Michigan are the largest cash awards for creative writing in the country.

**Citizenship Awards . . .**

(Continued from page one)  
Forth, ninth grade: Kathryn White, Jack Howard, 10th grade: Mary Ann Hanson, Donald Atkinson, 11th grade: and Carol Reddeman and David Lixey, 12th grade.  
The citizenship recipients are selected by vote of their fellow students and the faculties of the schools.  
Guests at Monday's Kiwanis club meeting, in addition to the citizenship award winners, were Minister's Mayor Joseph Quinn, Commissioner Donald Garnache and Assessor Chester Glocheski, who had spent the day in Chelsea as Mayor's Exchange Day guests.  
Included with the visiting mayor's group attending the Kiwanis club dinner were Chelsea Village Council members Merle Barr, Jr., William Chandler, Stephen Clark and Dr. L. J. Paul; also Village Clerk George Winans, Treasurer Wallace Wood and Assessor Thomas Smith.  
Other guests were President Dan Maroney and Ralph Guenther of the Junior Chamber of Commerce.

Gagarin space feat, and just before the Anti-Castro uprising. We played three concerts outside the U. S. Exhibition Building at the International Agricultural Exhibition. Our other concerts in Cairo and our concert in Alexandria were all canceled because of Communist pressure on the regime to ensure America's role in the Cuban situation.  
In the spare-time provided by the cancellations we visited the famous pyramids and the Sphinx. From our hotel facing the Nile we saw Nasser and Yugoslavia's Marshal Tito board a yacht in front of our hotel for a cruise up the Nile.  
After Cairo we flew to Amman, Jordan, where we stayed in private homes. I stayed with a man who was a professor of education at a state college in California and was on two-year leave to be an advisor to the Jordan Ministry of Education. We learned a great deal from our hosts about life in Jordan.  
In Amman we played one concert in a 2,000 year-old Roman amphitheatre. We then rode by car to Jerusalem to play a concert at a French school. In our short stay in Jerusalem we visited the Mount of Olives, the Garden of Gethsemane, the Church of the

Nations, and the Church of the Holy Sepulcher which is built over what is believed to be the place of Christ's Crucifixion and the tomb in which he was laid.  
After Jerusalem we rode by car to Bethlehem to play another outdoor concert. We had a very short visit to the Church of the Nativity, which is built over the cave where it is believed that Christ was born.  
Because our stay in Syria was also canceled, we spent the extra time by visiting a very beautiful and ancient city named Petra. It contained many great buildings carved out of rock in the side of a steep canyon. We spent one night there sleeping in tents and in caves carved out of rock.  
On Apr. 28, we flew to the city of Beirut, Lebanon. In Beirut we played 4 concerts at International College, American University at Beirut, St. Joseph's University, and UNESCO Hall. We enjoyed Beirut very much as it is really designed for the tourist. Hotels were extremely good and there were many fine restaurants serving excellent European food.  
After Beirut, we flew to Nicosia on the Island of Cyprus. At our first concert in the Sports Stadium we played to an audience of 5,000, including the President of Cyprus, Archbishop Mikarios.  
Our second and final concert in Cyprus was at the Curium Amphitheatre for a crowd of about 3,000. We enjoyed the people of Cyprus very much and found the mountains and foothills very attractive scenery.  
On May 7 we flew to Istanbul via the Greek Isle of Rhodes. We found Istanbul to be a great disappointment. Political upheaval and economic instability of the Turkish Government have caused many hardships for the people and for tourists. Food and facilities at our hotels were very reminiscent of our stay in Russia. The Government has placed restrictions on importing foreign goods, and Turkish goods often aren't comparable to American and British products.  
We played our concerts in a sports building which had a four-second echo, making playing very difficult.  
We arrived in Athens yesterday morning at 8 o'clock. On our one free day I had a great chance to tour Athens. I met a Greek dentist who is coming to the University of Michigan to do graduate study in orthodontics. He showed me many spots of interest, including the Acropolis and the Parthenon, the Temple of Jupiter, and the Lycabettos. Last evening I ate a dinner of Greek seafood in a restaurant along the shore of the Mediterranean.  
With three weeks and three cities remaining on the tour itinerary I feel that I have gained a wealth of information about other parts of the world, and along with this I have realized that Americans are the luckiest people in the world.  
Sincerely,  
George N. Heller.

**SHOW THEM HOW**  
Parents naturally want their children to develop a kindly concern for people. Home economists suggest a good way to encourage this is by example. A child will act toward others in much the same way that his parents or adults act toward him.  
Edinburgh, Scotland—Landowner Queen Elizabeth increased the rents of 25 of her Scottish tenant farmers. The farmers are paying up without a squeak.  
They said the Queen spent \$81,200 on repairs and improvements to her properties last year. The rent increases apparently are to help recover some of these costs.

**CHELSEA SEWAGE DISPOSAL** improvements are now complete but the above photo shows the construction while in progress. Located at the northeast edge of the village, the sewage plant now presents a much neater appearance. More important, however, is the fact that the capacity of the facility is increased to the point where it is no longer working at double (and more) of its intended usage. The newly-completed plant was one of the municipal facilities visited by Manistee's Mayor Joseph Quinn and his party on Mayor Exchange Day, Monday, May 22.

**Holton Kniselys Honored Sunday**  
**50th Anniversary**  
Sixty-five relatives and friends gathered Sunday at a party celebrating the 50th wedding anniversary of Mr. and Mrs. Holton Knisely at their home, 8601 Hank Rd.  
The affair was arranged by the bride's sons and daughters, James Eberts (Lorna) of Lake Laker, David Knisely of Michigan University, Ypsilanti, and Eric and Beth, at home.  
The Kniselys were married May 1911 at the North Lake home. Mrs. Knisely's parents, the late Mr. and Mrs. Perry Noah, Mrs. Knisely is the former Mildred Knisely.  
Among those present Sunday were Mrs. Knisely's daughter, Mrs. Eberts who was best man at the wedding and Mrs. Wilfred Knisely, the former Donna Noah, who was flower girl. They are a nephew and niece of Mrs. Knisely. Mrs. William Hogan of Detroit, the former Irene Stöfer, was the bride's attendant at the wedding but could not be present Sunday.

**MICHIGAN WEEK**  
Illustration of a person in a marching band uniform.

**Building Fund Leaders Told By Red Cross**  
Edward Adams, Jr., chairman of the Building Fund drive for the Washtenaw Chapter of the American Red Cross, today announced the closing of the drive. The solicitation is limited to friends, supporters, and volunteers of Red Cross, and funds amounting to large.  
Fund Drive Leaders in Ann Arbor are: Dr. Darrell A. Campbell, Mrs. Frederick A. Collier, Herbert Estes, Mrs. Harlan Hatcher, Dr. L. Dall Hensy, E. C. Lacta, John R. Laird, Kenneth MacDonald, Lawrence H. Oulmet, Jack L. Shipman, and Mrs. John S. Worley.  
In Ypsilanti Mrs. Owen J. Cleary, Thor Marsh, and M. Slinkule have been named.  
Drive leader in Chelsea is Paul E. Mann in Dexter, Albert Samborn in Manchester, Franklin Beck in Milan, Harvey A. Young in Saline, W. D. Crim, and Whitmore Lake, George Romine.  
The building will be centrally located in the county on Packard Rd. next to Burb Park, and will permit consolidation of operations which are now being conducted in churches and factories and other space donated by interested groups in the county. Land for the structure has already been made available by a friend of the Red Cross, and funds amounting to \$200,000 are being sought to construct and equip the building.  
M. D. ACTIVE AT 85  
Arcadia, Wis. — Dr. Elizabeth Comstock celebrated her 85th birthday anniversary by delivering a baby in St. Joseph's Hospital here.  
The doctor is looking forward to the anniversary in June of her 60th year in medicine and she has no plans to retire. Dr. Comstock has made plans to attend the meeting of the International Medical Women's Society in the Philippines next year.  
**ELVIS' HUBCAPS FOUND**  
Nashville, Tenn. — Two of the four missing hubcaps of Elvis Presley's car have been found on the bedroom wall of an admiring teen-age girl police said.  
The hubcaps were taken from Presley's car recently while it was parked at a Nashville recording studio.  
Names were not disclosed but police said the girl's boyfriend said he got the hubcaps from some other boys. The other two are still missing.

**MARY-MARTHA CIRCLE**  
Mary-Martha Circle of the Women's Society of Christian Service, with Evening Philathea Circle members as guests, held an installation service at the joint meeting Tuesday evening, May 16, at the home of Mrs. James Grant on Sibley Rd.  
Installed as officers of Mary-Martha Circle were Mrs. James Grant, chairman; Mrs. Ross Baylis, vice-chairman; Mrs. Jack Pfeifle, secretary; Mrs. Duane Lujok, treasurer; and Mrs. Andy Blackwell, sunshine chairman.  
Installed as Evening Philathea Circle officers were Mrs. J. Wilbert Smith, chairman; Mrs. Arthur Schmunk and Mrs. Francis Smyser, vice-chairmen; Mrs. George Knoll, secretary-treasurer; and Mrs. David Mohrlock, sunshine chairman.  
Co-hostesses for Tuesday's meeting included Mrs. Jack Pfeifle, Mrs. Duane Lujok and Mrs. John Potts.  
The meeting was opened with a brief business session conducted by the Mary-Martha Circle chairman, Mrs. Ralph Frisch, and a devotional service in charge of Mrs. Blackwell.  
Mrs. Ross Baylis presented the program based on information about Old Testament priests and prophets.  
Proceeding the installation ceremony, the Rev. S. D. Kinde spoke on the topic "New Roads for the Church Calendar Year 1961" in which he outlined church women's obligations if the work of their organization is to prosper.  
The June 20 meeting of Mary-Martha Circle is scheduled as a picnic for members and their children.

**Dog Club Will Meet Thursday**  
The first meeting of the summer schedule of the Washtenaw County 4-H Dog club is to be held at 7:30 p.m. Thursday, May 25, at the Farm Council Activities Center on Saline-Ann Arbor Rd., according to an announcement from the Ann Arbor 4-H club office.  
Topic for the first meeting will be "History of Dogs."  
Marcia Schieke of Dearborn, will be present to give tips on obedience training.  
Also to be discussed is the history and anatomy of dogs.  
Purpose of the 4-H dog project is for members to gain a better understanding of their dog as well as other breeds by learning feeding, training and care needs.  
To join this dog club it is necessary to be a member of another 4-H club. The dog should belong to the member or his family and he should have the full responsibility of care. The dog need not be registered.  
Succeeding meetings of the club, all to be held at the Farm Council Activities Center, and the topic for each meeting are listed as follows:  
June 8—Feeding; June 22—General Care and Grooming; July 6—Breeds and AKC (American Kennel Club); July 20—Medical Care (A local veterinarian will speak);  
Aug. 3—Responsibilities and Laws with a member of Sheriff Department as speaker; Aug. 7, Preparation for County Show.

**KNOW THIS BOAT?**—Shown above is the old side-wheeler that once carried passengers on Cavanaugh Lake cruises around the lake and to and from the island that once existed at the north end of the lake. There is some confusion as to the exact name of this boat. It has been called "Maid of the Mist," "Queen of the West," and "Maid of the West." Do you remember the correct name? If you do, the Chelsea Old Time Showboat committee would appreciate it if you would call and let them know. The committee says they "would like our Showboat for 1961 to be historically correct." If you have information about the boat please contact the general chairman Donald "Doc" Alber (or, if after midnight, according to one of the committee members, contact "Tony" Nielsen).

**Drive Safely On Holiday Week-End**  
If the forces of nature cooperate this coming week-end will be the first of this year's "nice weather" week-ends. Memorial Day is Tuesday and there are many who are planning to work Monday-in to make a four-day holiday. We can expect the highways to be crowded with autos—new, old, and middle-aged—driven by people who will display driving skill ranging from excellent and courteous to downright ridiculous.  
Because we do care and because we want all of you with us in good condition when the holiday is over, we are printing a few statistics concerning events that took place on U. S. highways and streets last year.  
Statistics, at best, are cold. It is only when someone close to you becomes one of the digits that the figures hit with shocking impact.  
We wish you a happy holiday and hope none of you will be a "statistic" when the holiday is over.  
Highway accidents killed 38,000 persons and injured 3,078,000 on U. S. Highways during 1960.  
Studies show that traffic violations can be blamed for 2,600,000 injuries and more than 30,000 deaths on our highways during 1960.  
Speed is still the number one killer on our highways. During 1960, 10,970 persons lost their lives in accidents blamed on speed. More than 1,000,000 were injured.  
The record of drivers between the ages of 18-25 improved during 1960 but they still were involved in nearly 28 per cent of all fatal accidents—twice what their numbers would warrant.  
Pedestrians crossing the street didn't make it on more than 170,000 occasions during 1960. Dead after being struck down by a car were more than 5,000 persons while more than 165,000 were injured.  
Studies show that the safety record of commercial vehicles is far better than the private passenger car.

**Afternoon Philathea**  
With Mrs. Russell Baldwin as chairman and Mrs. Walter Mohrlock, Mrs. George Stanford and Mrs. Nora Hahn as members of the committee in charge, a dessert luncheon was served Wednesday afternoon in the social center of the Methodist church to 24 members and two guests of Afternoon Philathea Circle.  
A regular meeting of the group followed, the opening devotional service presented by Mrs. Howard Wain, including Scripture pertaining to qualities of a good wife as related in the 31st chapter of Proverbs.  
Mrs. Edwin Weiss reviewed a chapter from the book, "Great Women of the World," in which a resume of the life of Mrs. Martin Luther was given. Mrs. Luther was described as "the first minister's wife" and a woman who represented "the new spirit of the Reformation."  
New officers elected and installed are Mrs. Russell Baldwin, chairman; Mrs. Willard Pearson, vice-chairman; Mrs. Carl Schloesser, secretary; Mrs. Irwin Klump, treasurer; Mrs. Roy Kalmbach, sunshine chairman; and Mrs. Guy Barton, Kiwanis supper chairman.  
The June meeting will be a picnic at Dexter-Huron park on June 21.

**Girl Scout Council Elects Officers for 3-Year Term**  
Mrs. C. M. Enkemann of Ann Arbor was elected president of the Huron Valley Girl Scout Council Tuesday, May 16, at the May meeting of the Council at Brighton. Mrs. Enkemann succeeds Mrs. Laverne Howard of Ypsilanti who has been president since 1958. Mrs. Enkemann will also serve a three-year term.  
Elected as first vice-president was Mrs. Glen Edmondson, also of Ann Arbor. Mrs. Edmondson will serve a two-year term.  
Five new members were elected to the Board of Directors. They are Mrs. Charles Howe and Mrs. George Baker representing Ann Arbor District III, Mrs. Frederick Tanner of Milan District II, Mrs. Roy Meier, Wayne District I, and Mrs. LaVerne Howard who will represent Ypsilanti District II.  
New members of the membership-nominating committee are:

**Girl Scout Council Elects Officers for 3-Year Term**  
Mrs. Wyeth Allen of Ann Arbor District III, Mrs. Robert Lee of Ypsilanti District II, and Mrs. William Feight of Plymouth District I, for three-year terms; and Mrs. Charles W. Lane of Ann Arbor District III, for a one-year term.  
The May 16 meeting marked the end of the first three-year cycle of the Huron Valley Girl Scout Council. Reports on the accomplishments of the first three years highlighted the meeting.  
In other business, the budget for 1962 was accepted.  
More than 150 delegates from the three-county area of Washtenaw, Livingston, and the western part of Wayne county attended the meeting held at the St. Paul Episcopal church in Brighton.  
Standard Want Ads Get Results!

**DEBORAH CIRCLE**  
Deborah Circle of the Methodist Women's Society of Christian Service met at 9 a.m. Wednesday, May 17, at the home of Mrs. Richard Kern, with Mrs. William Storey as assisting hostess. There were 16 members and two guests present.  
Mrs. George West presented the opening devotional service and Mrs. Eldon Gorton, during the program period, led a discussion on the topic, "A Death in the Family," taken from a book by James Agee.  
The Rev. S. D. Kinde installed the new officers and presented each with a white carnation.  
Officers are Mrs. George West, chairman; Mrs. Eldon Gorton, vice-chairman; Mrs. Clare Warren, secretary; Mrs. Harry Burnett, treasurer; and Mrs. Robert Turner, sunshine chairman.  
The June 17 meeting will be the final one of the current year and will be in the form of a picnic at the home of Mr. and Mrs. David Soule at Crooked Lake, with husbands of members as guests.

**IN MEMORIAM**  
In loving memory of our son and brother, John Meehan, who passed away one year ago May 29, 1960.  
There is a lonely grave not far from here, where lies the one we loved so dear.  
What would we give to clasp his hand, his happy face to see, to hear his voice and see his smile that meant so much to us. But God took him home; it was his will.  
He is sadly missed by his mother Ruth, sister Linda and Mr. and Mrs. Julius Reule.

**NORTH LAKE EXTENSION CLUB**  
A delicious luncheon, served to 18 members, one guest and several children, preceded the regular business meeting of the North Lake Extension club at the home of Mrs. Albert Ruhlig, Wednesday, May 17. Birthday cakes for Mrs. Byron Soule and Mrs. Reuben Lindemann served as centerpieces at the tables.  
Mrs. Lindemann, group chairman, presided at the meeting and she and members expressed their appreciation and satisfaction to Mrs. Carl Lesser, Council representative, for her rewarding efforts in the success of the recent spring party in Dexter. Mrs. Soule reported on her recent visit to the State Hospital at which time she delivered the 22 "Cobler Afrons," spring basket favors and other articles. Mrs. Carl Lesser gave information concerning Summer Camp, Homemakers' Conference and Christmas Workshop.  
Members of the group were happy to hear from Mrs. Lee Ferguson about the activities of her daughter, Mrs. Robert Daniels, recently selected "Mrs. Ann Arbor Area," and wish her continued success.  
A nominating committee was appointed for election of officers at the next meeting.

**IN MEMORIAM**  
In loving memory of Virginia, Clairice, Gerry and Linda Smith who passed away May 24 and 25, 1952.  
Today recalls the memory of our loved ones, gone to rest.  
Those who think of them are those who loved them best.  
Sadly missed by Mother, Daddy and family.

**CARD OF THANKS**  
We are deeply grateful for the kindness and words of comfort extended to us by all Mr. Mayer's friends and business acquaintances here in the community and throughout the state. We thank you for all the flowers, cards, memorial fund contributions and tributes that were paid by the many organizations with which he was associated. All your prayers and expression of love and kindness have comforted us through these moments of loss and will sustain us in the future.  
The Family of Alfred D. Mayer

Limancers Thursday, June 1, at the home of Mrs. Nina Wahl. Potluck dinner, 12:30 p.m.

### JCC Park Improvement Progressing

Blaine Lyle, chairman of the Chelsea Jaycees park improvement project, reports that work at Pierce Park is progressing, with volunteers working at clearing away brush and leveling the fill dirt in preparation for seeding.

They are hoping to have the brush cleared away by the second week in June in order that additional picnic space and parking areas will be available for all-summer use of Chelsea area people and visitors.

The long-range Jaycees project will provide additional space for use each year as work is continued until eventually the entire park area will be available for such use.

This year's plans include adding lights to provide additional early evening convenience in the park area.

Jaycees are currently carrying on a membership drive inviting young men 21 through 35 years of age to join the Chelsea group to "work together for a common cause, community betterment."

The Chelsea Jaycees have affiliations with state, national and international Jaycee organizations.

The current year's president is Dan Maroney.

### Rogers Corners Pastor Leaving for Vacation

The Rev. and Mrs. C. J. Remmy plan to leave today for a week's vacation at Ottawa, Ontario, Canada. In the absence of the Rev. Remmy, the Rev. M. W. Brueckner will be in charge of the June 25 service at Zion Lutheran church, Rogers Corners.

The trouble with asking an older man for advice is that he will usually take time to give you some.

### DEATHS

#### Arthur Schulte Former Chelsea Resident Dies in Grand Rapids

Arthur Schulte, formerly of Chelsea, died Friday at Butterworth Hospital in Grand Rapids. He was 76 years old. His wife, the former Stella Weber, died several years ago.

The family lived in Chelsea before moving to Grand Rapids in 1922. While living here Schulte was an employee of Hoover Steel Ball Co.

Survivors include three daughters, Mrs. Sylvester Beasecker (Helen), Mrs. Cyril Abraham (Lucille), and Mrs. Richard Burr (Betty), and a son, Gerald, all of Grand Rapids.

Also surviving are nine grandchildren; two brothers, Eugene and Walter Schulte of Detroit, and two sisters, Emma of Detroit, and Josephine of Indian River.

Funeral services were held at 10 a.m. Monday at Holy Name Catholic church, Grand Rapids and burial took place at Mt. Olivet cemetery here.

The Rev. Fr. Francis Maliszewski officiated at the graveside services at 2:45 p.m.

### BIRTHS

A son, Thomas Edwin, Sunday, May 14, to Mr. and Mrs. Chiefes Abbott of Buffalo, N. Y. Mrs. Abbott is the former Barbara Tobin, daughter of Mr. and Mrs. E. R. Tobin.

CONFIRMATION CLASS at St. Paul's Church—Fifteen young people were in the class confirmed at St. Paul's Evangelical and Reformed church at the 10:45 a.m. service Sunday, May 21. Members of the class, shown above with the pastor, the Rev. Paul M. Schnake, are, rear row, from left, William Altenberndt, David

Dietle, Paul Guenther, Dennis Stoffer, the Rev. Schnake, Fred Eckhardt, and Valerie Burghardt. Front row, from left; Lee Satterthwaite, Kathleen Sutter, Lucinda Schumm, Barbara Mep-yans, Sandra Osborne, Carol Ann Hafley, Linda Meehan, Jane Faist and Gregory Kuhl.

## Chelsea-Dexter Toll-Free Phone Calls Seem Assured

Toll-free telephone service between Dexter and Chelsea, as well as Dexter "locality" service at Portage Lake and Loch Alpine, like that which for some time has been provided at North Lake, Cay-anough Lake and Waterloo Village as part of the Chelsea community, seems assured after the hearing held Monday morning before a Michigan Public Service Commission staff member.

The hearing took place in the Lewis Cass building at Lansing.

At present, telephone customers in the Portage Lake and Loch Alpine areas, which are now on Dexter rural lines, must pay up to \$17 per month for private or two-party lines because of the rate treatment for that type of service—the regular telephone rate for a private line plus additional charges for mileage from the central exchange.

The request for the "locality" service at Portage Lake and Loch Alpine and for toll-free service between Dexter and Chelsea are both included in the current package request of the Telephone Co. now awaiting approval of the Michigan Public Service Commission.

Fifteen representatives of eight governmental and civic bodies were present at the hearing or sent letters of approval to support the Bell Co. proposal.

Included among witnesses appearing in favor of the extended service were E. A. Wolter, Scioto township supervisor and chairman of the Washtenaw Board of Supervisors; Mrs. Leonard F. Davis of the Portage Lake Association; Jerome A. Geister of the Loch Alpine Association; Harry Peters, Dexter village clerk; and Raymond P. Lorichon, who represented the Bell Co. and also presented letters of support from the Dexter and Chelsea Village Councils.

Mark E. Huston, executive staff supervisor of the telephone company's revenue section from Detroit, appeared as the official Bell witness.

Others present at the hearing, but not called upon to testify, included Nicholas J. Franke, Michigan Bell regional manager at Ann Arbor; C. B. Woodhead, district commercial manager for the Telephone Co.; Leo Hooy, Dexter Chamber of Commerce president; Frank Hagyard of Dexter; and Ron Mason, Detroit Edison manager at Dexter.

## Eight Women Earn Red Cross First Aid Awards

Announcement was made this week that eight Chelsea women have received Red Cross First Aid certificates signifying they have completed a 10-hour training course offered here this spring at the request of the Chelsea Girl Scout Neighborhood.

The eight women, all registered volunteers with the Chelsea Girl Scout Neighborhood are Mrs. Donald Knoll, Mrs. Franklin Gee, Mrs. Donald Porath, Mrs. Bob Fitzsimmons, Mrs. David Bronnan, Mrs. Leslie Eisenbeiser, Mrs. Edwin Paul and Mrs. Max Heppburn.

Announcement was also made by the Chelsea Neighborhood that Mrs. Warren Eisenbeiser has been presented with a five-year pin for her work in Girl Scouting.

William Wheeler, Jr., of Calumet, spent several days of the past week visiting his father, William Wheeler, Sr., and other members of the family. His father accompanied him when he returned to Calumet and is spending some time there.

## Time Capsule Will Be Buried Thursday on Interstate-94

A "time capsule" to complete the formal dedication of Interstate-94 Freeway will be placed at a roadside Rest Area between Jackson and Ann Arbor, May 25.

State Highway Commissioner John C. Mackie said mayors and presidents from 25 cities and villages on the 203-mile freeway from Detroit to Stevensville have been invited to take part in the ceremony.

He said placing of the "time capsule" is part of the Highway Department's observance of Michigan Week and National Highway Week, May 21-27.

The "capsule" will be placed along the westbound lane of I-94 at a Rest Area near Mt. Hope Rd., about 10 miles east of Jackson at 2:30 p.m.

Instructions will be left to open the "capsule" during Michigan Week in the year 2000—the 40th anniversary of the opening of the 203-mile freeway. The final link on this stretch of highway was opened to traffic last December.

Mrs. Emma Seitz spent Sunday in Jackson and attended the confirmation of her granddaughter, Karen Howell, at St. John's Evangelical and Reformed church Sunday morning. Also present were Mr. and Mrs. Walter Seitz and family, of Dearborn, and Karen's paternal grandmother, Mrs. Louis Rowell of Lyndbrook, Long Island, N. Y.; Karen's parents, Mr. and Mrs. Herbert Howell, entertained at a dinner at their home following the service. Evening guests at the Howell home were Mr. and Mrs. Paul Seitz and sons.

You have never heard a gambler bragging about the money he lost.

## Church Training Session Being Held at Cedar Lake

One of 16 workshops being held across the country to train "competent and dedicated" Christian education leaders for the United Church of Christ opened near Chelsea, Monday, May 22.

The United Church was formed in 1957 by union of the General Council of the Congregational Christian Churches and the Evangelical and Reformed Church.

All sessions of the intensive five-day meeting are being held at the near-by Cedar Lake Outdoor Center of the Waterloo State Recreation Area.

National leaders of the denomination conducting the workshop are the Rev. Edward A. Powers of Boston, head of the Congregational Christian Division of Christian Education; Patricia Risdon, Boston, secretary of children's work for the Congregational Christian Division of Christian Education; Loren Walters, Philadelphia, assistant to the executive secretary of the Board of Christian Education and Publication of the Evangelical and Reformed Church, and Leona Poppe, Philadelphia, a field worker of the Board of Christian Education and Publication of the Evangelical and Reformed Church.

About 65 selected men and women of the denomination, Ohio, Michigan and Indiana, form the "core group" of the workshop.

One of the major tasks of CEA leaders will be to help introduction and interpretation of the new United Church of Christ school curriculum, than a million dollars was expended in the production of new course of study over a period of several years.

The theme and key question of the workshop is: "How do we come and help others to become more effective leaders in Christian community for the Christian education?"

The workshop will close Sunday, May 27, following a session in which the Christian education leaders will evaluate the program.

## Traffic Light Violation Leads to Detroit's Arrest

A Detroit couple, Mr. and Mrs. Thomas Whitehead, 18 and 19 years old, respectively, and an 18-year-old companion, David Thompson, also of Detroit, were taken into custody here Monday night after being stopped by a Chelsea police officer for a traffic violation.

The driver was arrested on a charge of automobile theft when he admitted under questioning that he had stolen the car in Detroit during the afternoon.

Mrs. Whitehead was booked on a concealed weapons charge when a loaded .26 caliber automatic and a long-bladed knife were found in her possession. The gun, the trio said, was the property of a relative in Detroit.

The car had been stopped by the Chelsea police officer after it had been driven through the intersection of South Main and South State against the yellow "caution" signal at 9:20 p.m.

The two men were later turned over to Detroit authorities on the auto theft charge. Mrs. Whitehead is to appear in Ann Arbor Municipal Court on the concealed weapons charge on Monday, May 29.

## Memorial Day Barbecue Plans Told by Legion

Ticket sales for the American Legion Memorial Day Pic Barbecue indicate a good turnout according to committee chairman Verne Salsburg.

"Pit Boss" Joe DeCoster said that excavating equipment will arrive at the Legion grounds, Cavanaugh Lake in plenty of time for preparation of the rock pits.

Fires will be started early in morning Memorial Day to be ready for the serving which starts at 2 p.m.

Meanwhile, Eileen Huber of food committee announces that crew is ready for a production chicken-wrapping session over week-end in preparation for barbecue.

According to Mrs. Huber, a quiet, generations-old session recipe will be used and no amount of questioning will reveal the act ingredients.

Members will be served to holders only and tickets urged to purchase patrons. Legion members before the line at noon Saturday, May 27.

Frank Gucker Misses Perfect Tourney Game by One Pin

Frank Gucker, owner of the Dexter Bowling Club, came within one pin of a perfect game while bowling in the Chelsea Lanes Singles Tournament Sunday night, May 14.

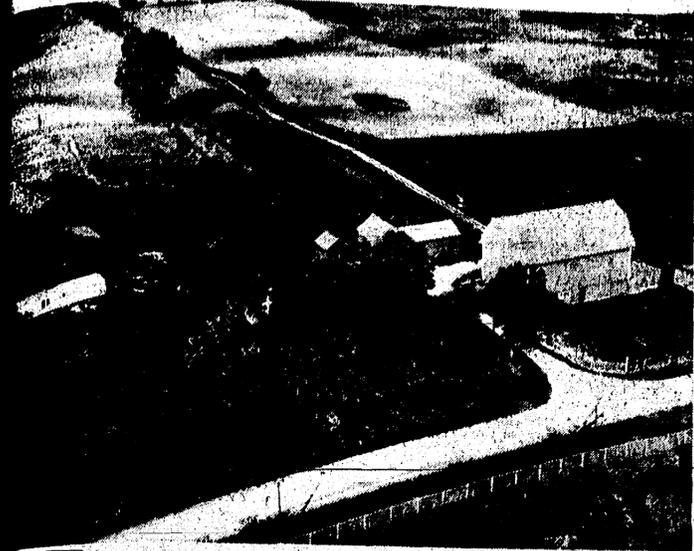

NEAR PERFECT GAME—Ollie Johnson, at left, holds the No. 3 pin which was all that kept Frank Gucker from scoring a perfect 300 game while bowling at Johnson's Chelsea Lanes in tournament play.

Area Church Women Attend May Fellowship Day Meeting

Approximately 75 women attended the May Fellowship Day meeting held Friday afternoon at St. Barnabas' Episcopal church.

Mrs. Lewis Bernath and Mrs. Ralph Oesterle. The meeting was sponsored by women's groups of St. Paul's Evangelical & Reformed church, St. Barnabas' Episcopal church and the Methodist and Congregational churches.

MYSTERY FARM No. 151, originally shown in the May 18 issue of The Standard without identification, was recognized by many area residents as "the old Foster farm" on Sylvan Rd.

Robert Brown Now Owns Place Formerly Known as 'Foster Farm'

A photograph of the farm at 2801 Sylvan Rd., published in the May 18 issue of The Standard as Mystery Farm No. 151, has been identified as "the old Foster farm" for more than 100 years.

The farm for the Foster family from 1914 until his death in 1940 and from then until 1951 his son, Frank, operated the place.

showed that a right-of-way was granted to "Damien Hiem for a certain slough or cat-hole for a term of 99 years."

WILLOW RUN CONVALESCENT. NEWEST and LARGEST NURSING-CARE HOME. LOWEST RATES AVAILABLE.

The farm property was originally a part of land secured by U.S. Government patent dated Oct. 15, 1835, to Jacob J. Taylor and signed by President Andrew Jackson.

Registration is scheduled from 4 to 6 p.m. Friday and the weekend will be concluded at 10 a.m. Sunday after the traditional "Scouts' Own" ceremony.

Girl Scout Camp-Out Set For Week End

More than 350 Girl Scouts and leaders will gather at the Bruin Lake Boy Scout camp this weekend for the Junior-Senior Week-End, the first major Girl Scout camping activity of the year.

Library Summer Hours Effective June 1 to Sept. 1

At a meeting of the McKune Memorial Library board Tuesday evening, May 16, announcement was made that the summer schedule of the library goes into effect June 1 and continues until Sept. 1.

Jackson Resident Fined on Charge of Exceeding Limit on Fish

George E. Davis of Jackson, appeared before Sylvan Township Justice of the Peace Chandler Rogers Tuesday evening, May 16, and pleaded guilty to a charge of taking more than the limit of pan fish.

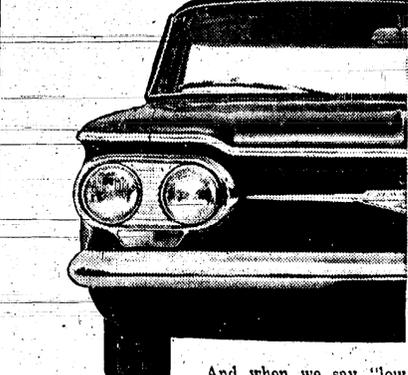

... new "OAK RIVER" Continuous Filament Nylon carpet by MOHAWK. SMART SUBTLE TEXTURE in 100% Nylon. CONTINUOUS FILAMENT Nylon Pile. BUILT-IN DURABILITY. MOHAWK QUALITY CONTROL.

# THE LETTERBOX

**Dear Sir:**

The enclosed information has come to my attention and I feel sure you will be interested since so many people in your community have been so thoughtful and kind to a family quite removed from your town. I understand an older son lives in Chelsea.

In this world today we hear so little of goodness, we feel strongly that when the occasion arises, people's kindnesses should be told.

Reading Mr. Wirtz's words (written following the Apr. 28 death of his wife) certainly tells us of gratitude and I hope you will take the opportunity to let the people of your town know just how he feels.

Sincerely,  
Sylvia Goodison,  
South Beacon News,  
East Detroit, Mich.

Mr. Wirtz's letter is as follows: To the people of Chelsea and Lima Center, Michigan:

I want all of you to know that you have the most thoughtful and the kindest people living in your community. To the Chrysler Corp. Proving Ground personnel and employees my thanks for the three baskets of flowers and especially the greatest gift any man could get at a time like this—the memorial edition of the Holy Bible from the UAW of America, Local Union No. 1284 AFL-CIO, at Chelsea; and to the Carl, LeRoy and Bob Heller families and Mrs. Mira Satz of Lima Center Rd., and Merkel's Hardware store of Chelsea.

My family and I wish to take this opportunity to sincerely thank all who were so thoughtful in our time of sorrow and may God bless you.

L. V. Wirtz,  
28270 Stewart  
Warren, Michigan.

**Michigan Leads Nation in New Highway Starts**

Lansing—The U. S. Bureau of Public Roads (BPR) reports Michigan awarded contracts for construction of more miles of Interstate freeway than any other state during the first three months of this year.

Michigan led the nation in the same category last year. The BPR report showed Michigan awarded contracts for 80 miles of Interstate highway between Jan. 1 and Mar. 31. South Carolina, with 50 miles, was second, followed by Louisiana, 34 miles, and Oregon, 32 miles.

The report showed Michigan also led the nation in dollar volume of all highway construction contracts awarded during the first three months.

Michigan awarded contracts for construction and modernization of 300 miles of highway at a cost of \$77.0 million, followed by California, \$67.4 million, and Texas, \$61.2 million.

## Road Commission Service Awards Go to 13 Employees

Names of 13 employees of the Washtenaw County Road Commission were presented service award certificates at the annual service award dinner, held this year at the American Legion Home at Dexter, were announced by the Road Commission this week.

Included is Wilbert Breitenwischer of Chelsea, whose certificate is for 40 years of service; Ralph Grossman of Chelsea, 30 years; and Emerson Wheeler of Chelsea, five years.

Superintendent-Manager Howard Miner was awarded a 10-year certificate.

Other awards are listed as follows: Max Royce and Leo Cornell of Ann Arbor and Alger Clark of Manchester, each credited with 35 years of service; Orval Thronpe of Ypsilanti, 30 years; Michael Graesser of Ann Arbor and Daniel Roth of Salem, 20 years; Edwin Jahnowski of Ann Arbor, and Roland Kapp of Whitmore Lake, 15 years; and James Shelden of Whitmore Lake, five years.

Commissioners R. L. Koch and D. A. Weir awarded the certificates.

## Horse Show Set at Farm Council Site

The second annual Hunter-Jumper horse show sponsored by the Hawthorne Hills Pony club of Ann Arbor will be held at the Washtenaw County Farm Council Grounds, 5005 Saline-Ann Arbor Rd., Saturday and Sunday, May 27-28, beginning at 10 a.m. each day.

Events will include junior olympic jump team competition, dressage, horsemanship, and individual hunter and jumper classes. Exhibitors from Michigan and Ohio are expected.

Judging the show will be Miss Mary Litchfield of Ligonier, Pa., and Major Robert Berg of Oxford, a member of the 1958 Olympic equestrian team.

Committee chairman are: Jerry Everett, show manager; Fred Nimke, assistant manager; Ruth Everett and Lois Beltran, secretaries; Mrs. Jack Hogan, publicity; John Hedesky, grounds; Mrs. Ray Carlson and Mrs. Ben Colmery, food; Al Eisele, jumps; Mrs. Lawrence Krohn, tickets; and Mrs. Harry Daniels, trophies.

## PTA Panel Discussion Centers on Marking System

Wednesday's PTA meeting, held at North Elementary school, included annual reports given by officers and chairmen, installation of officers by Dr. J. V. Fisher, president of the Board of Education, and a most interesting panel program which provided clarification of the marking system used in Chelsea schools and was followed by general audience participation.

Philip Smith, of North Elementary school, introduced the panel members—Mrs. Francis Smysor, fourth grade teacher at South Elementary school; Mrs. Paul Blomquist, second grade teacher at South Elementary school; Mrs. Jack Good, who is a sixth grade teacher at North school; Don Bussler, junior high mathematics instructor; and Wesley Cowell, who represented the physics and chemistry departments of Chelsea High school.

The panel topic, "Our School Marking System," was addressed to each teacher explained his or her observations of the A, B, C, D, and U, S, U marking systems. O, S, U, signifying outstanding, satisfactory and unsatisfactory, are the letters used in the lower elementary grades while the A, B, C and D systems, with "A" signifying excellent or outstanding, is the rule in grades five through 12.

Mrs. Eisele called the A, B, C, D, marking system "too discouraging" for young children because for lower elementary grades it is too limited to correctly interpret the child's work or effort. With the help of I. Q. and achievement test records, she said, the teacher can try to interpret the correct mark in the O, S, U category. She said it is her belief that the best way for parents to get an idea of their child's progress is for teacher and parents to meet and discuss the matter.

Speaking for third and fourth grades, Mrs. Smysor said these two grades serve as a transition period from the O, S, U marking system to the A, B, C, D system which the pupils will encounter in the fifth grade for the first time. She said that just as each child differs, each teacher also differs in the way he or she grades as well as by the ability of the child. Mrs. Smysor said the teachers make good use of the achievement tests given each spring to measure the child's growth year to year compared with national standards. The teacher also tries to interpret how each child is learning according to his or her own abilities.

Jack Good, during his talk about fifth and sixth grade marking, emphasized that the "A" in the A, B, C, etc., marking is not the norm for measuring ability—it is "C" that indicates the average, not only in higher elementary but in junior and senior high school and throughout college. Through-out these various stages also, Good said, each instructor gives a different emphasis on the different qualities of each student and that "A" is equivalent to "outstanding" or "exceptional" as compared to the average.

Don Bussler, speaking about seventh and eighth grade mathematics, said markings are based on an absolute scale of tests he gives every two weeks to determine what extent the students are learning the material. The assignments between tests are designed for 80 per cent book work and 20 per cent stimulation toward basic knowledge of the subject.

Performance is the total emphasis in marking physics and chemistry students, Wesley Powell pointed out, since performance is the only way to measure how well the student is mastering the subject. He said grades are definitely important—a student "earns" the mark he gets by his achievement. As far as ability is concerned, Cowell said, he is interested in that only to note if the student is working as hard as he can—but the performance of the work, the end result, determines the mark the stu-

**BROWNIES**

TROOP 58  
May 18, each Brownie of Troop 58 brought her favorite pet, so we could have a pet show. Each Brownie told a little about her pet. Some of our pets were kittens, dogs, a bird, a tiny turtle, a chameleon, and a hamster in which we were all very interested. Snappy brought the treats. We closed our meeting with taps. The meeting was held at the home of Mrs. Carl Elkins.

Kathy Porath, scribe.

**TROOP 58**

At the May 10 meeting of Brownie Troop No. 58, held at South school the girls made corsages for their mothers in preparation for a Mother's Day Tea which their mothers attended May 11 at the home of Jacquelyn Bailey. Their special guest speaker was Mrs. Wilber Silvernail, wife of the pastor of the Waterloo Village church.

Mrs. Silvernail told many interesting things about her former home in Japan and Sue Eisenbeiser modeled an authentic Japanese kimono. The girls served punch and cupcakes.

Jacquelyn Bailey, scribe.

**MICHIGAN MARCHING FORWARD!**

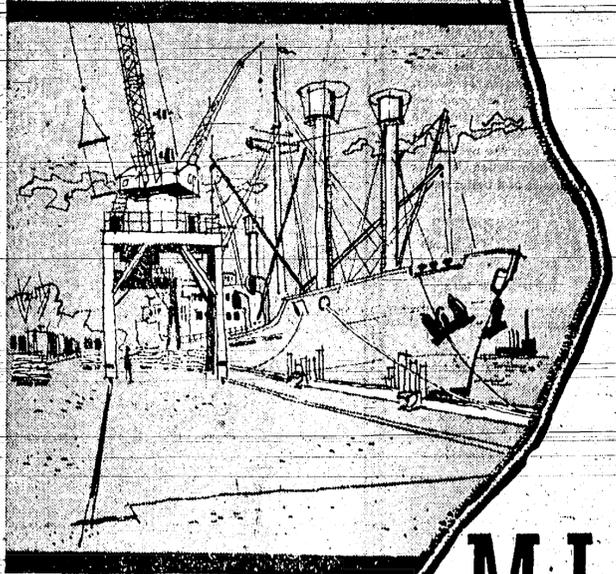

**KNOW**

**Michigan and its  
many wonderful attributes**

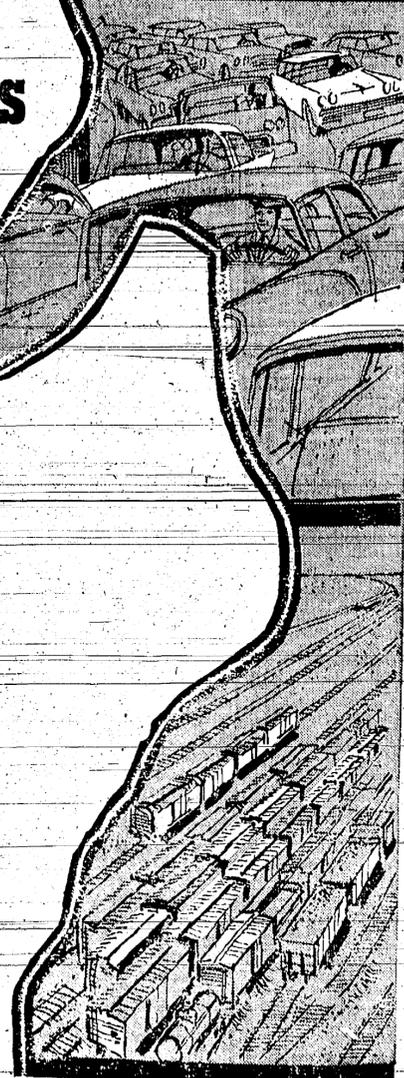

*Michigan has so many natural advantages*

- Michigan has the greatest shoreline of any state—3,121 miles—equaling the Atlantic shoreline from Maine to Florida . . . and it's longer than the whole Pacific from California to northwest Washington.
- Michigan has 11,037 lakes for sports pleasure. It's the greatest tourist state in the midwest, attracting 5,000,000 visitors every year.
- Michigan sells more hunting and fishing licenses than any other state.
- Michigan has 61 state parks—more than any other state in the union.
- Michigan borders four of the Great Lakes, connects by inland waters with New York, Pennsylvania, Ohio, Indiana, Illinois, Wisconsin, Minnesota and Ontario, Canada. Through the St. Lawrence Seaway, Michigan is a major part of the nation's fourth seacoast, enjoying water connections with the world's seaports.

*Michigan's Achievements Are Monumental*

- Michigan is first in the nation in value of manufactured products. It builds 88% of all cars and trucks. Pre-eminent too, is Michigan's production of cereal foods, metal working, machinery, salt, sporting goods, drugs, rubber, paper, furniture . . . and many other products.
- Educationally, Michigan ranks among the nation's top three states. It has sixty-nine universities and colleges. Michigan is a leader in adult education, driver training for high school students, vocational education, disabled and handicapped personnel education and established school camps.
- Michigan's farm production is big—so big, in fact, that it easily surpasses the value of agriculture in 35 other states.
- Michigan's highway system is recognized as among the finest in the nation . . . and extensive plans for improvements are greater than those of any other state.

**MICHIGAN WEEK**

Mr. and Mrs. Jerry Kelly and family, Mrs. Alma Bangs of Livonia, and Mr. and Mrs. Robert Fischer and son, of Ann Arbor, were Sunday visitors of Mr. and Mrs. Harvey Fischer and Mrs. John Fischer.

Mr. and Mrs. Floyd Fowler and Mr. and Mrs. Dean Fowler and family, of Hi-Land Lake, spent Sunday visiting the Tulp festival in Holland.

Mr. and Mrs. Donald Wright and daughter, of Ypsilanti, were Sunday dinner guests of his parents, Mr. and Mrs. Burton Wright and family.

Mr. and Mrs. Everett Chambers and family, of Detroit, spent the week-end with Mr. and Mrs. Nelson Tucker.

Mrs. Mary Reames of Dexter and Mrs. William Wierich are spending some time at Chicago Heights, Ill., with her sister, Mrs. Irvn Kuerstin.

Mr. and Mrs. Claude Spiegelberg of Chelsea were Thursday evening visitors of Mrs. John Fischer and Mr. and Mrs. Harvey Fischer.

Mrs. Ezra Heininger attended the Children's Day program at Salem Grove Methodist church, Sunday morning. She also attended a birthday dinner, honoring her sister, Mrs. Edna Loveland, at St. John's E&R church at Francisco.

## CAROLINE'S TELEPHONITIS

Palm Beach, Fla. — Caroline Kennedy, the President's 3-year-old daughter, has telephonitis, her grandfather revealed.

Grandfather Kennedy says she likes to pick up the White House phone and say, "I want to speak to Grandpa" and it works.

He also revealed that she is quite a talker. And, on other occasions has put calls through to other family friends.

Research into medical uses of radioactive iodine is the lengthiest series of investigations supported by the Phoenix Project of the University of Michigan.

## Appropriations Bills Reflecting Tighter Budget

Michigan is not going on a spending spree next year, in fact, a bit of belt-tightening in most departments of the state government seems in prospect.

Pay raises and other benefits recently granted by the Civil Service Commission can become reality only if the number on the payroll is cut, for no extra appropriation was made to take care of them.

Schools will get \$20 million more than last year, if the Senate concurs in House appropriation bills. This, say the educators, adds up to about the same amount of state aid per student as last year.

Members of the legislature think it may be a little increase. Only the school enrollment figures next October will tell.

Welfare appropriations are up \$18 million, mental health \$2 million, higher education a little over \$1 million, general state government about three-quarters of a million, and so it goes. The cost of just about every government activity has gone up, and the appropriations have to meet these increased costs.

Nobody got all they asked for with the Governor's budget requests cut to the point that everybody thought it couldn't be cut further, but the House Ways-&Means Committee cut them still further, and the only place where their figures and the Governor's agreed was on the appropriation for debt service and there they came out to the penny. Interest on debts and payments due have a way of adding up to the same, no matter who adds them.

Human beings are naturally curious about affairs that do not concern them.

Items bought in today's supermarket include about 20 per cent non-food items.

Advised to read the Bible, a man replied, "I don't have to, I believe every word of it."

## Michigan Uses More Poultry Than It Grows

Michigan farmers produce only about one-half of the poultry and eggs consumed in Michigan.

However, poultry and egg production is a \$73 million business in the state which ranked 16th nationally in egg production in 1955 and 18th in chicken and turkey production, says George N. Motts, Michigan State University agricultural economist.

In 1955, Michigan farmers produced about two per cent of the national output of chickens and eggs. Michigan's population in 1955 was close to 4.5 per cent of the U. S. total, indicating a net deficit in poultry production.

The value of poultry and egg production in Michigan during the postwar period, averaged 10 per cent of the total value of farm marketings in the state. This was well ahead of the value of either fruits or vegetables and about half that of red-meat animals, Motts says.

Ten counties in the southern half of the lower peninsula produce more than 40 per cent of the state's poultry products. Three counties — Allegan, Ottawa and Kent — produce 22 per cent, or over half the total.

In 1954, Allegan county ranked 14th among all U. S. counties in the number of chickens on farms and 15th in the number of eggs sold.

Motts is the author of a new MSU Agricultural Experiment Station bulletin, "Marketing Handbook for Michigan Poultry Meat and Eggs."

The bulletin discusses such topics as production and marketing patterns, marketing agencies, producers' marketing organizations, grading and inspection laws relating to marketing of poultry and eggs, market news, market promotion and market preferences and consumer information.

The bulletin is available in county extension offices or by writing the Bulletin Office, Michigan State University, East Lansing.

## GRANT TO AID FARM PROGRAMS

Seven agricultural scientists, each from different counties in the Middle East, have been sent to study in Mexico by the Food and Agriculture Organization of the United Nations, under a far-flung program designed to stimulate greater yields of wheat and barley in their homelands.

Through a grant of \$150,000 by the Rockefeller Foundation, groups of six or seven plant scientists will also be sent to Mexico and Colombia for eight or nine months of practical training in the field, nursery and laboratory work covering all aspects of wheat improvement. The grant will enable FAO to award from 80 to 85 other fellowships during the next five years.

## Michigan '60 Road Program Ranks Third in Nation

Lansing—Michigan ranked third in the U. S. in amount of federal aid highway and bridge construction contracts awarded during 1960, the U. S. Bureau of Public Roads (BPR) reports.

The BPR report showed Michigan awarded contracts totaling \$210.7 million during 1960 for highway and bridge projects partially financed with federal funds.

California led the nation with contract awards totaling \$253.3 million, followed by New York with \$220.3 million.

The BPR also reported that Michigan led the nation in the number of miles of interstate freeway placed under contract during 1960. Michigan awarded contracts for construction of 126 miles of interstate freeways, followed by Texas with 124 miles.

An average of 6.4 contractors bid on every highway construction project in Michigan during 1960 compared to the national average of 6.9 bids per contract, the BPR reported.

Weather permitting, radar speed meters will be in service from 8 a.m. to 5 p.m. in high accident areas and department planes will aid in directing patrols to accident sites or to highway sections with unusual congestion.

The Memorial week-end last year claimed 21 lives in 17 fatal accidents, an average of one death every three hours and 43 minutes. The rate was much worse than that of the average of one fatality each four hours and 16 minutes.

## Police Plan Extra Patrols For Memorial Day Period

With motorists converging on Michigan highways during the extended Memorial Day period, the first major holiday of the warm weather season, State Police have scheduled increased traffic patrols from noon Friday, May 26, to midnight Tuesday, May 30.

They will be assisted by 100 National Guardsmen from 1 p.m. to 11 p.m. on Monday and Tuesday, May 29 and 30, as second men on two-man patrols and on point control. Another 98 Guardsmen will aid sheriff departments.

State Police Detectives will be used on desk assignments to relieve uniform officers for additional patrols and pass days are canceled for Monday and Tuesday.

Patrol shifts will be lengthened from eight to 10 hours and assigned generally to the state trunkline system with special attention to high accident areas.

Weather permitting, radar speed meters will be in service from 8 a.m. to 5 p.m. in high accident areas and department planes will aid in directing patrols to accident sites or to highway sections with unusual congestion.

The Memorial week-end last year claimed 21 lives in 17 fatal accidents, an average of one death every three hours and 43 minutes. The rate was much worse than that of the average of one fatality each four hours and 16 minutes.

for the Memorial holiday periods in the seven years of 1953-59. "Traffic deaths in Michigan for this year are about five per cent ahead of the 1960 rate for the same periods," said Commissioner Joseph A. Childs.

"To hold deaths down during the heavy travel of the Memorial holiday period, motorists are urged to faithfully follow the rules of the road. Drive defensively too, always being on the lookout for the driver whose maneuver might involve you in an accident. Pedestrians are cautioned to be unusually alert, especially in recreation and resort areas. This is no time for any driver or walker to tempt fate by carelessness."

Advertising renders a service to the buyers as well as to the seller. Successful merchants should remember this when they prepare their advertisements.

PAROLED AT 84  
Lansing, Mich. — An 84-year-old woman will get her wish to die a free woman after serving 28 years in prison for the poisoning of her husband.

Gov. John B. Swanson commuted the life sentence of Mrs. Elizabeth Zolkowski to 90 years. This made her immediately eligible for parole because of time off for good behavior.

Advising renders a service to the buyers as well as to the seller. Successful merchants should remember this when they prepare their advertisements.

Advising renders a service to the buyers as well as to the seller. Successful merchants should remember this when they prepare their advertisements.

It is astonishing how many words of smart men have been forgotten by the so-called humorist.

# How so few... Feed so many

All of us are understandably proud of the achievements of American industry. Yet how many of us realize that in the eyes of the rest of the world our agricultural achievements are perhaps even more impressive.

Why? Because ours is the only country in the world where so few feed so many.

Take Russia, for example: 45% of the population must work the land in order to grow barely enough food for the country's needs. In other countries, as high as 90% of the population works the land; yet famine is an ever present threat. Our population is only 9% farmers, yet they provide abundant food for all of us. What's more, this small minority produces more, buys more, sells more, creates more jobs than any other industry.

How is it possible? Efficiency is the answer. Our farmers have increased their efficiency more in the last 20 years than in the preceding 120 years. They now produce 71% more food per acre, 300% more food per man-hour than was possible even thirty years ago.

What does this mean to you and me? Abundant food—important as that is to all of us—is only part of the answer. For as farm efficiency increases, our food bill takes less and less of our income. Thirty years ago, for example, food took 42% of the average income; today it takes only 21%. Thirty years ago the average wage earner worked 15 minutes to buy a quart of milk; today he works only 7 minutes.

Farmers, indeed, are few in number. Yet their contribution is great—to our economy and to our prestige in the eyes of the world.

# Club and Social Activities

**OLDER ADULT GROUP**  
Thirty-six members of the Older Adult Group of the Methodist church met for a pot-luck dinner Saturday noon at the home of Mr. and Mrs. William Jensen at Cedar Lake.

Following the dinner games were played and a social time was enjoyed.

Assisting hostesses were Mrs. L. Gadeberg and Mrs. Winifred Coffman.

Honored in observance of May Birthdays were Mrs. Letha Beach, Mrs. Ada Fisk, Byron Fortman, Mrs. Edwin Gaunt and Miss Jennifer.

A short after-dinner program included prayer by the Rev. S. D. Dole, a devotional service in charge of Mrs. Mabel Foster and reading by Mrs. Myrtle Price. The next regular meeting will be held June 17 at the home of Mrs. Charles Koenig, 5585 Ryan Rd.

**WOMEN'S CLUB**  
Twenty-one members of the Women's Club were present for a messenboard dinner and installation of officers, held Tuesday evening at the home of Mrs. Keith Boylan.

Installing officer for the new year, Mrs. Benjamin Bower and her staff, was a former club member, Mrs. Donald Cook, of Van Monroe.

Cards furnished entertainment following the installation ceremony.

No further meetings are scheduled for the current club year, the new club year beginning in September.

Telephone Your Club News to GR 5-3581

**JOINT BIRTHDAY DINNER**  
Mr. and Mrs. Paul F. Niehaus, whose birthdays occur on the same day, May 24, were honored at a birthday dinner at their home on Sunday, relatives of Mrs. Niehaus arranging the affair.

Originally planned as a surprise for both, the relatives were obliged to take Mrs. Niehaus into their confidence in order to be sure to find them at home when they arrived with a complete dinner.

Present for the occasion were Mr. and Mrs. Paul Bauerle, Mr. and Mrs. Harry Winfield and Mr. and Mrs. Paul McKim and family, of Lansing, and Mr. and Mrs. Vaughn Lake of Greenville.

**IDEAL HOMEMAKERS**  
Freedom Ideal Homemakers Extension club elected officers for the coming year when they met Friday, May 19, at the home of Mrs. May Grossman.

Elected are Mrs. Arthur Kuhl, chairman; Mrs. John Miller, vice-chairman; Mrs. Wilbert Koengter, secretary-treasurer; Mrs. Charles Krueger and Mrs. Theophil Menzel, project leaders; Mrs. Will Reno, reporter; Mrs. C. J. Renner, community chairman; Mrs. Charles Krueger, recreation chairman.

A questionnaire on safety driving was discussed and filled out at the concluding activity of the afternoon.

The final gathering of the current year will be a picnic at the home of Mrs. Menzel on Sunday, June 18, with a pot-luck dinner scheduled for 12:30 p.m.

**EVENING PHILATHEA CIRCLE**  
Evening Philathea Circle members were guests of Mary-Martha Circle for the final meeting of the year, Tuesday, May 16, at the home of Mrs. James Gaunt.

Members of the group went on record with a vote of appreciation to Mary-Martha Circle for an exceptionally enjoyable meeting.

**JERUSALEM HOMEMAKERS EXTENSION CLUB**  
Jerusalem Homemakers Extension club members held a meeting Tuesday evening, May 16, at the home of Mrs. Robert Schroen.

Business at the meeting included election of officers and making plans for a children's party at Ypsilanti State Hospital Friday, May 19. The group served cake and fruit salad at the hospital party.

Officers of the club elected at the meeting are Mrs. Robert Kuhl, chairman; Mrs. Elmer Lindow, vice-chairman; Mrs. Warren Hoover, secretary-treasurer; Mrs. William Van Riper, recreation leader; Mrs. Vergil Hines, community chairman; and Mrs. Erwin Haist and Mrs. Charles Curtis, project leaders.

The final meeting of the year will be the annual dinner June 20 at an Ann Arbor restaurant.

**BEACON LIGHT EXTENSION**  
Beacon Light Extension club, with 18 members and two guests present, met Tuesday evening at the home of Mrs. Armin Kuhl.

The chairman, Mrs. Raymond Jacob, Jr., read the minutes of the latest County Council meeting and a safety program questionnaire was filled out.

Plans were discussed for the final meeting in June but a decision is still to be announced.

A miscellaneous program was presented by Mrs. Jack Pfeifle and a demonstration of chair cleaning was given by Mrs. Otto Jeele.

Names were drawn to determine when members are to act on the program committee and it was announced regular meetings will be resumed in September.

New officers elected for the coming year are Mrs. David McCormick, chairman; Mrs. L. Dean Sook, vice-chairman; Mrs. Lawrence Krusa, secretary-treasurer; Mrs. Jack Pfeifle, leader; Mrs. J. L. Barkley, community chairman; Mrs. Walter Haab, historian; Mrs. Armin Kuhl, reporter; Mrs. Ellis Pratt, sick committee.

The meeting was concluded with refreshments served by the hostesses.

**LYNDON HOME EXTENSION**  
Lyndon Home Extension club, with 26 members, two guests and three children present, held a regular meeting Thursday, May 18, at Lyndon Town Hall. Hostesses for a dessert luncheon served at the gathering were Mrs. Mary Clark, Mrs. George Goodwin, Mrs. Norman Bott and Mrs. Edna Hopkins.

Mrs. Stephen Baker presided at the business meeting when the nominating committee reported for elections to be held at the next meeting, Thursday, June 16, at 12 noon. The meeting will be held at Lyndon Town Hall, beginning with a pot-luck dinner.

Members of the nominating committee reporting are Mrs. Florence Beeman, Mrs. Mary Clark, Mrs. Edna Hopkins and Miss Frances McIntee.

Mrs. Charles Fuhrmann entertained the group by showing slide pictures of the many kinds of African violets she saw at an annual convention of African violet growers which she attended last year.

**BIRTHDAY, Mother's Day Dinner Honors Mrs. L. Loveland**

Mrs. Leonard Loveland was honored Sunday at a belated birthday-Mother's Day dinner arranged by her family and held at St. John's church hall at Francisco.

The table centerpiece was an attractively decorated birthday cake, flanked by spring flowers including tulips, lilacs, apple blossoms and violets.

Included among those present were her four sons and two daughters—Ralph Loveland of Monroe, Harley, Dale and LeRoy of the maul, chairman; Mrs. Elmer Lindow, vice-chairman; Mrs. Warren Hoover, secretary-treasurer; Mrs. William Van Riper, recreation leader; Mrs. Vergil Hines, community chairman; and Mrs. Erwin Haist and Mrs. Charles Curtis, project leaders.

Those who attended Sunday's dinner are Mr. and Mrs. Dale Loveland, Mr. and Mrs. LeRoy Loveland and family, Mr. and Mrs. Ralph Loveland and daughters, Mr. and Mrs. Harley Loveland and daughter, Loretta, Mr. and Mrs. Glenn Rentschler and son, Robert, Mr. and Mrs. Chester Notten; Miss Mabelle Notten, Mrs. Ezra Heinger, Mrs. Eva Notten; Mr. and Mrs. Alvin Wahr and family, Mr. and Mrs. Gale Loveland and family, Janice Barrett of Jackson, Mrs. and Mrs. Verland Loveland and son of Monroe, and Mr. and Mrs. Harold Spink of Horton.

**BIRTHDAY**  
Mrs. Helen Szuca, a nurse at the Methodist Home, was guest of honor at a pre-birthday party Tuesday evening at the home of Mrs. David Martin. Twenty members of the diet kitchen and nursing staff of the Home attended.

A pot-luck supper was served, the table being centered with a decorated birthday cake and spring flowers.

Mrs. Szuca, whose birthday occurs tomorrow (Friday) was presented with a wrist watch as a gift from the group.

One highway accident ought to be enough to teach an individual to drive carefully but sometimes it takes another which leaves nobody to learn the lesson.

**YOUNG PEOPLE HONORED ON CONFIRMATION AT METHODIST CHURCH**

Mr. and Mrs. Marvin Salyer entertained at a breakfast Sunday in honor of their son, Keith Edwin, following his confirmation at the Methodist church. Present were Mr. and Mrs. William Freeman, Rebecca, John and Ruth; Mr. and Mrs. William J. Adams, David and John; Mr. and Mrs. Robert Turner, Patsy, Sandra and Robbie; Mr. and Mrs. George Cantrell, Bobbie, Steven and Sherry; Mr. and Mrs. Loren Turner and Denise Salyer.

Deborah Gordon, who was confirmed Sunday at the Methodist church, was honored at a dinner given by her parents, Mr. and Mrs. Eldon Gordon. Guests were Mr. and Mrs. Dale Gordon and two sons, and Mrs. Paul Gordon of the week-end here; Paul Gordon of Detroit; and Mr. and Mrs. John Quisenberry and three children of Lansing. Afternoon guests were the Rev. and Mrs. S. D. Kinde.

Dinner guests of the Robert Kushmaul Sunday in honor of their son, Robert, Jr., who was confirmed at the Methodist church were Mrs. Grace Kushmaul, Mr. and Mrs. Roy Waters and Mr. and Mrs. W. J. McCurdy of Grass Lake; Pam, Michael, and Roger Kushmaul of Cavanaugh Lake, and Mr. and Mrs. Nelson Kushmaul and son, Jack, of Leslie. Evening guests were Mr. and Mrs. Jack Pfeifle and family and Mr. and Mrs. Alton Curtis and son, Richard, of Grass Lake.

Mr. and Mrs. Andy Blackwell entertained Sunday in honor of their daughter, Sherry, a member of the confirmation class at the Methodist church. Dinner guests were Mr. and Mrs. Scott Blackwell of Chelsea, and Mr. and Mrs. Raymond Avery and family and Mrs. Savoda Klinger of Detroit. Callers in the day were Mr. and Mrs. William Osborne and family, Mrs. Russell Abdon, Mrs. Gerald Wenk and Mrs. Harold Harrison and daughter, Arletta.

Mr. and Mrs. Ira Johnson entertained at dinner Sunday in honor of their daughter, Pamela Stevens, who was confirmed at the Methodist church. Guests were her grandparents, Mr. and Mrs. Carl Stevens of Chelsea, and Mr. and Mrs. Reginald King of Leslie and Mr. and Mrs. Floyd DeHaven of Cavanaugh Lake.

**MEMBERS OF ST. PAUL'S CONFIRMATION CLASS HONORED BY FRIENDS, RELATIVES**

A family dinner at the home of his parents, Mr. and Mrs. Paul E. Guenther, honored Paul Guenther, a member of the confirmation class at St. Paul's church. Present for the occasion were his aunts and uncles and their children and his grandparents, Mr. and Mrs. Ernest Guenther.

Valerie Burghardt, also a member of the class, is a daughter of Mr. and Mrs. Louis Burghardt. Their dinner guests, following the service, were Mr. Burghardt's sister and brother-in-law, Mr. and Mrs. James Abbott of Southfield, and the Rev. and Mrs. Paul M. Schmake and family.

Another member of the class, Sandra Osborne, was honored at a dinner given by her parents, Mr. and Mrs. William Osborne. Guests included her grandparents, Mr. and Mrs. Hazen Lehman and family.

Mr. and Mrs. Julius Reule entertained at a confirmation dinner for Linda Meehan. Guests were Mrs. Ruth Meehan, Mr. and Mrs. Martin Walker, Irene Kuykendall and Bill Ball of Jackson; Mr. and Mrs. Gilbert Beemer of Grass Lake; Mrs. Harry Morgan, Mr. and Mrs. Bud Slane and family, Mrs. John McMillan, Mr. and Mrs. Wilbur Werner and family, Mr. and Mrs. John Laraway and family, Mr. and Mrs. Robert Reed and family and Jerry Schook. The Rev. P. H. Grabowski was an eyeing visitor.

David Dietle also was honored at a family dinner given at the home of his parents, Mr. and Mrs. Lawrence Dietle. Guests present were from Detroit, Ann Arbor, Toledo, O., Chicago, Ill., and this vicinity. Included were the confirmation's baptismal sponsors, Mr. and Mrs. Harry Littoral.

Open house at the home of Mr. and Mrs. LeRoy Sattarhwaite was attended by 85 guests from Freedom township, South Lyon, Ann Arbor, Clear Lake, Manchester and this vicinity in honor of their son, Lee. Also guests were the Rev. and Mrs. Paul M. Schmake. A buffet supper was served. The previous Sunday the Sattarhwaite entertained Mr. and Mrs. Clarence Finkbeiner of Saline at dinner in honor of their son's confirmation.

Mr. and Mrs. Fred Schumm honoring their daughter, Lucinda, following her confirmation at St. Paul's church, had as their guests her grandparents, Mr. and Mrs. George Schumm of Tecumseh; also Mrs. Louise Bauman and Mrs. Betty Wing and daughter, Mary of Tecumseh; Mr. and Mrs. Robert Schumm and family of Mt. Clemens; Mr. and Mrs. Albert Schumm and family of Birmingham; Mr. and Mrs. Roland Goltz and family of Saline; Mr. and Mrs. Robert

**MODERN MOTHERS**  
Modern Mothers Child Study club met for a pot-luck supper Tuesday evening at the home of Mrs. Raymond Steinbach. There were 14 members present.

Annual reports given included that of the treasurer; also reports of the spring conference at Saline given by Mrs. Donald Bussler, Mrs. William Chandler and Mrs. Jack Musser.

Installation of the new president, Mrs. Raymond Steinbach, and other officers took place with Mrs. Jack Merkel as installing officer.

A cake contest was the evening's program, cakes being awarded to Mrs. Kenneth Buck, Mrs. William Chandler, Mrs. Donald Bussler and Mrs. William Wade.

Club meetings will resume in September after the summer vacation period.

There is nothing like an increased income to make a man, or woman, feel like the world is getting better.
