Famous Missionary To Be Speaker at 3 Area Churches

Educator, Writer Has Spent Many Years in China

Miss Alice Huggins, former educational missionary in China, will speak at Congregational and Evangelical Reformed congregations of the United Church of Christ in this area during the coming week.

Her appearances here are being arranged by the Rev. Paul M. Schnake of St. Paul's church who is on the committee for international missions of the Michigan-Indiana Synod.

Miss Huggins will speak Sunday at both morning services at St. Paul's church, 8:15 and 10:45 a.m.

At the Congregational church she is scheduled to speak at a 7 p.m. pot-luck sandwich supper and at Bethel Church in Freedom township she will be guest speaker at the March 14 mid-week Lenten service.

Miss Huggins—who is a native of Kansas, has made a name for herself as a novelist in addition to her missionary activities. She began her work overseas in 1917 under the American Board of Commissioners for Foreign Missions, now a part of the United Church Board for World Ministries. This Board is the overseas agency of the United Church of Christ, which was formed by union of the Evangelical and Reformed Church and the Congregational Christian Churches.

Her first assignment was as a member of the Goodrich Girls' School faculty in Tunghsien, North China. She was a teacher and principal of the school until World War II when, enroute home for furlough, she was taken into custody by the Japanese at Manila, the Philippine Islands, and interned there for three years.

During her internment Miss Huggins completed the manuscript of her novel, "The Red Chair Waits" which, though later censored, was published in 1950.

HONORED FOR 25 YEARS SERVICE
School Superintendent Charles S. Cameron, right center, is congratulated by his predecessor, Albert Johnson, at Saturday's surprise recognition dinner honoring Cameron for his 25 years in the Chelsea school system. The dinner was held in the Chelsea High school cafeteria with 160 guests present. In the photo, from left, are Charles Lane, Chelsea High school principal; Howard Flintoft, president of the Chelsea school board; Albert C. Johnson, former Chelsea school superintendent who is now superintendent of schools at Benton Harbor; Superintendent Cameron; Arthur Schmunk, elementary school principal; and Dr. J. V. Fisher, former Chelsea school board president.

25 YEARS OF SERVICE: Testimonial Dinner Honors School Supt. C. S. Cameron

Charles S. Cameron, Chelsea school superintendent, was the guest of honor Saturday evening at a surprise testimonial dinner in recognition of his 25 years in the Chelsea school system.

He has literally "grown up with the Chelsea school system" according to comments about his work here—he came to Chelsea directly after graduation from Kalamazoo College in 1937 and has remained continuously since then.

He was a high school teacher and coach for 10 years and then served for five years as high school principal before being appointed superintendent when his predecessor, Albert C. Johnson, resigned to become superintendent of Willow Run schools.

Speakers at Saturday's banquet referred to "his dedication to the work as teacher, principal and administrator" of Chelsea schools and also commended him for his service to his church and the entire community. He has served in various official capacities in the Methodist church and is active in the work of the Kiwanis club.

Albert C. Johnson, who recently left the Willow Run school system to become superintendent of schools at Benton Harbor, served as master of ceremonies at the after-dinner program Saturday.

He called first on Thomas Buest, now the owner of Chelsea Hardware, who came here as agricultural teacher and was Cameron's roommate until his marriage. Buest had been asked to relate the honor guest's experiences "from bachelorhood to marriage."

Mrs. A. D. Mayer, the former Florence Nelson, who was commercial teacher at Chelsea High school before her marriage and later served on the school board, spoke of the period during which Cameron advanced from teacher to principal.

Dr. J. V. Fisher, former president of the Chelsea School Board, spoke of his nine years of association with Cameron since he became superintendent in 1952 and Howard Flintoft, present president of the School Board spoke of the past year, the 10th year as superintendent, and brought greetings from the current Board of Education.

The program also included reminiscences by four current teachers—Alfred Smith, who teaches Latin and English; Alan Conklin,

Village Election Slated Monday with Only One Full Slate of Candidates

Polls Will Be Open Monday 7 a.m. to 8 p.m.

The entire Independent party slate of candidates is unopposed in Monday's village election.

Up for re-election are President Robert Daniels; Clerk George Winans; Treasurer Wallace Wood; Assessor Thomas Smith; and Library Board director Katherine Wagner.

Dr. P. E. Sharrard, who was appointed to the Library Board to fill a vacancy, is seeking election to a three-year term.

The two candidates for trustee, in addition to Stephen Clark, are new—J. Vincent Burg, II, and Howard Haselschwardt.

The election will take place in Sylvan Town Hall, Monday, March 12, with polls being open from 7 a.m. until 8 p.m.

Area Plans Commission Underway

Plans for an area planning Commission are beyond the talking stage and it has been definitely decided to go ahead with the project.

This was decided at a meeting held Thursday evening which was attended by about 35 persons representing the Village of Chelsea, and Sylvan, Lyndon, Dexter and Lima townships.

Supervisor Leigh Beach of Lima township, who served as temporary chairman of the group, called for a vote on forming a Commission, after a preliminary discussion period, and those present unanimously voted in the affirmative.

Chelsea Village President Robert Daniels and supervisors Beach, Maurice Hoffman, George F. Bauer, Jr., and Warren Eisenbeiser of Lima, Sylvan, Lyndon and Dexter townships, respectively, were selected as a committee to name officers for the new group. After the officers are named they in turn will select the committee which is to be the decision-making group of the commission.

The pattern of the area planning commission here is expected to closely resemble the planning commission of Milan, which is to be used as a model. Thus, the commission will probably be made up of about 20 or 25 members with each governing unit contributing four representatives.

Purpose of the commission would be to draw up a master

Aggers Lose Final Game to Saline, 62-40

The Bulldogs' regular basketball season came to a close last Friday evening, as they were defeated by the Washtenaw Conference champions, the Saline Hornets, 62-40.

There are many teams in the history of Chelsea High school basketball with much better winning records than this year's team, but there has never been a team with more courage and determination to do their best at all times, against any odds. These are the requirements for real champions, and these young men may very well become.

The Bulldogs threw an early lead into the Hornets last Friday, when they jumped off to an early lead, but as the first half drew to a close the Hornets went in front, 14-10 and were never behind from that point on. At intermission it was Saline 14-10.

President Robert Daniels Seeking Second Term

Robert Daniels, Chelsea Village President, is seeking a second term in the upcoming election.

Burg for Trustee

J. Vincent Burg, II, candidate as one of the three trustees to be elected for two-year terms, is 32 years old; is married and has four children whose ages are 3 months, 2, 3 and 4½ years. The family home is at 158 Park St.

A 1947 graduate of Chelsea High school, he received a bachelor of science degree in pharmacy from Ferris Institute and has been employed as a pharmacist at Chelsea Drug Store for 10 years.

From 1952 to 1954 he served in Korea as a sergeant in the Army Medical Corps.

He is a member of St. Mary's Catholic church and at present is president of the church board. He is a past president of the Holy Name Society of the church. He

GIRL SCOUT BIRTHDAY PROGRAM—Representatives of the four categories of Girl Scouts in Chelsea visited Village President Robert Daniels Saturday to personally extend an invitation to him to attend the big Girl Scout anniversary celebration at the Chelsea High school gymnasium Sunday, March 11. Maxine Gee, a Brownie, was given the honor of presenting the invitation to President Daniels. Others in the group are Beverly

Boyer, at left, a senior Girl Scout; and next to Daniels, Elaine Paul, Junior High Intermediate group; and, at far right, Linda Merkel, Intermediate Girl Scout. Other civic leaders have received special invitations to Sunday's anniversary celebration in which Girl Scouts from Ann Arbor, Chelsea, Dexter, Dixboro and Saline are to participate. More than 1,000 Girl Scouts are expected to attend.

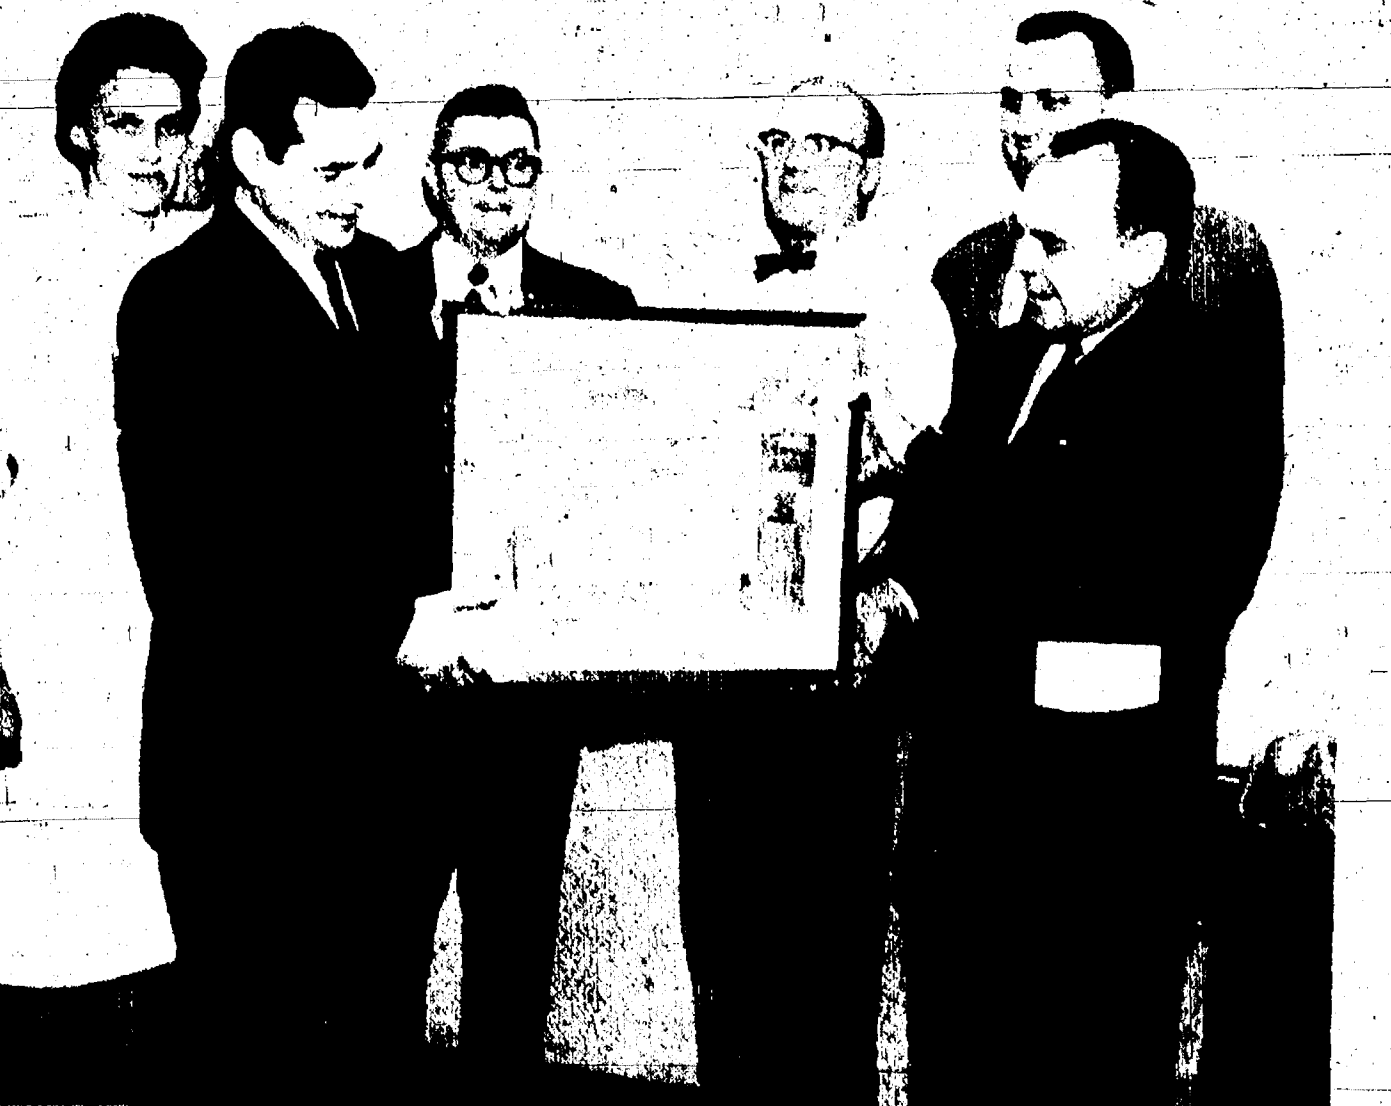

Dramatic Club Needs Clothing For Stage Play

The newly-formed Chelsea High School Dramatics club needs clothing of the late 1800's and early 1900's for their first production, Thornton Wilder's "Our Town," to be given March 30-31. All clothing which reflects this period is badly needed.

If borrowed clothing is to be returned the club guarantees dry cleaning. All articles which are not desired back will be added to a wardrobe file for the Dramatics Club.

Please contact Mrs. Gwenn Lu Goe at the high school if you have clothing you wish to donate or permit the club to borrow.

Costumes of other historical periods would also be appreciated for the wardrobe file.

OUTSTANDING SAFETY RECORD—For the third time in the past three years, Chelsea Spring Division of Rockwell-Standard Corp., has been awarded a plaque in recognition of a continuous period of 14 months when there was no accident at the plant requiring loss of work time. Chelsea Spring is one of only two plants in the state which received such an award for this period. The 14-month period for which the award was given totals 345,172 work hours, a safety record of which a company spokesman said the firm is "justifiably proud." Here to present the award Wednesday of last week to William Marsh, plant manager, was James K. Currie of Detroit, district safety engineering manager for American Mutual Insurance Co. The Chelsea plant is the only company insured by this firm to achieve the outstanding record of three safety awards in the past five years. Shown in the photo, at front, is William Marsh (left), plant manager, accepting the award from Currie. At rear are Mrs. Homer Kuhl, the plant nurse in charge of first aid, Donald Aldwin, personnel director; Carl Schwelger, plant superintendent; and Robert Rudd, plant engineer.

American Newspapers Are Probably Today's Best Buy in Entire World

Probably the best buy in the world today is an American newspaper—or its counterpart in other Western countries. Perhaps you receive your newspaper regularly without giving much thought to its value and the things you get for its small price.

First of all, you are buying the coverage of thousands of reporters all over the world. They cover governments, wars, disasters, feature items, strange events and all the news they can find.

Second, your newspaper is a community bulletin board, with the things for sale that might be available cheaply to those who need them. It is a vehicle to sell things you no longer need. And it brings you, in detail, the various merchandising of local merchants available to you at local stores.

Then, too, the newspaper brings you a commentary by the editor, and columnists, on the events of the day—the more important issues. The editorials and columns are the only part of the American newspaper which contains opinion.

No reader will agree with everything in any paper's editorials. This is not the purpose of the editorial. It is designed to stimulate thought, to interest citizens in the merits of the issues of the day, to encourage them to form an opinion and to provide background for the formation of that opinion.

Our greatest strength in this Republic lies in having a strong and well-informed public. Newspapers, long acknowledged to be the best advertising medium, do more to inform the public on current events and the issues of the day, than any other medium in American life. They bring the story of government—from Washington and from state capitals and from other states and other countries—which tells how public officers are handling the public's affairs.

The free newspapers—free press—of America have done much to make this country and our government an example to the world in many respects. And for a few cents each morning you buy education, stimulation, entertainment, a shopping guide, a salesman and a chronicle of society, sports, etc. Moreover, it is brought to your door and at very little cost. Nothing else compares with this bargain, this permanent printed record which you can keep, read at your leisure or pass on to others at your convenience.

Just an Error . . .

The following article was sent to us recently by an unknown contributor, but apparently one who understands some of the woes of a newspaper editor.

Anyway, we thought it to be a rather clever—as well as factual—report of the situation:

"The editor of a small town weekly was severely criticized because of an error appearing in his paper and in the next issue he had this to say about it:

"Yes, we know there were some errors in last week's paper. We will further agree that there were some errors in the issue of the week before, but before bawling us out too unmercifully about it, we want to call your attention to these facts:

"In an ordinary newspaper column there are 10,000 letters and there are seven possible wrong positions for each letter, making 70,000 chances to make errors and several million chances for transpositions. There are 48 columns in this paper, so you can readily see the chances for mistakes.

"Did you know that in the sentence, 'To be or not to be, by transpositions alone, 2,759,022 errors can be made?'

"Now aren't you sorry you got mad about that little mistake last week?"

MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

Those worried about the possibility of a state income tax might find consolation in the recent experience of their neighbors to the west.

The Wisconsin legislature enacted an entirely new 3 percent sales tax on "selected items," including cars, trucks, radio and television sets, sporting equipment, musical instruments, boats, lawn and garden supplies, furniture and appliances and hotel and motel accommodations.

Wisconsin's tax, estimated to bring in \$60 million a year, also would hit sale of restaurant meals, athletic event tickets, theater and other entertainment costs, telephone and telegraph service, beer, liquor and tobacco products.

As if this wasn't sufficient blow to the taxpayer's pocketbook, the legislature in our sister state increased the income tax by 1 percent on incomes under \$15,000 and 1 1/2 percent on those higher.

Reductions in personal property taxes were included in the comprehensive tax package in Wisconsin.

Boating and other uses of Michigan's thousands of lakes have increased sharply in recent years, and brought with it a hike in the number of accidents and deaths in water.

Atwater's reporting system from which the State Police compute the annual water accident statistics is not complete, it indicates strongly that increased use also brings increased misuse of facilities.

During 1961 various police agencies throughout the state reported 262 drownings and 231 other personal injuries in water accidents. The death toll was an increase of 12 percent from the previous year. The injury count was up 5.5 percent.

A large percentage of the drownings, 64.5 percent, were charged to non-boating accidents.

State Police attribute the greatest portion of the non-boating deaths to carelessness. Fifty-four of the 156 non-boating fatalities involved persons who fell from bridges, banks, docks, piers or other waterside facilities.

Another 47 of the drowning victims were described as "non-proficient swimmers"—and 35 more deaths were reported as caused by physical failure or exhaustion.

Among the boating accidents, carelessness also took its toll. Some kind of "operator negligence" was blamed for 24 of the deaths and another 12 persons died because boat operators disregarded weather conditions.

Overloaded boats, reckless operation, passenger negligence, unsafe boats and overpowered craft resulted in several other deaths. The department report showed no victims of boating accidents in which fire, explosion, wave swamps or other natural causes were the prime cause.

State officials are taking a close look at the 1961 water accident report to determine whether new laws might cut the death and injury toll.

State Rep. Charles Boyer, Marine Republican who heads the House Marine Affairs Committee, has proposed a bill to put the burden of writing rules and regulations for use of the waterways on a water safety board.

The rules and regulations un-

doubtedly are long overdue, because the increase in water activity in Michigan has been a gradual one over the past several years.

"It would appear, however, that the report would dictate more to the boater, swimmer, wader or riverside picnicker because of the heavy blame on individual carelessness. As in the case of traffic safety, the death toll quite often is attributed to human failures rather than lack of regulations.

Economic development, a term used to describe one of the apparent shortcomings which have plagued Michigan for several years, has every chance for success.

A report by the Michigan Economic Development Department indicates nearly every type of business which wanted to could locate in the state's present facilities.

The department's "Available Plant Summary" shows there are 291 buildings vacant and immediately available for industrial purposes. They are located in every section of the state and range from the very small to the extremely large.

Activity during 1961 in using available plant space was good, department officials said. Some 126 buildings listed in last year's report were removed from the summary this year. The balance sheet showed 119 plants were added during the year, however, so the summary lists nearly as many buildings this year as last.

Members of both political parties have been heard to lament the lack of economic development leg-

islation in the state, although the department report indicates there is considerable movement of industry both in and out of Michigan.

Some 119 Michigan communities also are organized to finance plant construction for new or expanding industry, the department reports. It would seem somewhat incongruous that the plants are available and many communities are willing to help industries locate in Michigan, but the list of vacant plants remains basically the same.

A long, hard look at all the other factors in establishing business and industry—including taxes of all types, licensing requirements and labor costs—would appear to be in order.

MSU Horse Show Scheduled March 30-31

The Block and Bridle club of Michigan State University is presenting its annual Horse Show, March 30 and 31.

The show staged in the livestock pavilion will feature barrel racing, polo demonstration, dressage act and many other exciting events. There will be a Friday and Saturday night show and a Saturday afternoon matinee.

For information on these events or tickets write to the Block and Bridle Club, c/o the Animal Husbandry Dept., MSU, East Lansing.

W. D. Knox, editor of Hoard's Dairyman, speaking at Farmers' Week at Michigan State University told dairymen that mastitis costs Michigan dairymen at least five percent of their annual \$200 million dairy income.

Blue Water Bridge Linking Canada, U.S. Now Toll-Free

Port Huron—The Blue Water Bridge between Port Huron and Sarnia, Ont., is now the only toll-free international bridge linking the United States and Canada.

By order of Gov. John B. Swainson, tolls on the bridge were discontinued at midnight, Feb. 26, to comply with agreements between Michigan and the U. S. Bureau of Public Roads.

The 1937 documents specified that the bridge become toll-free when it was paid for.

The last bonds on the \$4 million structure were retired last June. Swainson, who helped dedicate the bridge as a 13-year-old boy scout in 1938, paid the last fare as the span became toll-free.

The Bureau of Public Roads warned recently that federal highway money due Michigan would be jeopardized unless the tolls were removed.

Time Has Arrived To Remove Fish Shanty from Lake

William Tait, assistant superintendent at Kensington Metropolitan Park southeast of Brighton, suggested today that fishermen with fishing shanties on area lakes remove them as soon as possible.

He pointed out that fishermen with shanties on lakes in southeastern Michigan should take every precaution to remove shanties while conditions are still suitable for transporting. Usually the ice breaks up almost immediately when warm weather hits.

Failure to remove fishing shanties is covered by the conservation laws of the State of Michigan.

Uncle Lew from Lima Says

DEAR MISTER EDITOR:

I see by the papers where a Congressman from Georgia says the Government has got to spend another \$10 million this year to get rid of hog cholera. That's one item that won't have no trouble getting through the Congress.

Them same Congressmen that voted again Federal aid to education will vote solid to get rid of hog cholera. Long ago they took note of the political fact that more votes is in pigs than in education.

Speaking of education, I was reading a piece in a magazine where teachers in some cities are "gravely concerned over the rising headline" among high school girls. I reckon this is the dollar talk meaning high school girls are exposing too much leg. The piece said it had got so serious in some parts of the country that 37 girls was suspended from one high school in New York. I ain't acquainted with these things well enough to pass an opinion on it. When I was a boy nobody ever spoke of a girl having legs. They was referred to in a very low voice as limbs.

But I do know some changes in the attitude of women in these matters has took place down through the years. I recollect when I was a boy, for instance, that when a windstorm come up the women folks would always grab for their skirt. Now they always grab for their hat.

I bring up this headline item at the country store Saturday night

and Ed Doolittle claimed hemlin has been rising now for some time among young and old alike and the matter ain't worthy of much attention. He says about all it magazine piece proves is that a high school girl is more interested in her frame than she is in the frame of mind and they ain't doing wrong with that in the times. In fact, allowed Ed, it's right smart thinking. As long as fellow picks out his girl from looking at her hosiery instead of looking into her heart, claims Ed, frame is the thing.

But it could be, Mister Editor that Ed is a little too broad minded on the subject of hemlines. Ed watches television heap and some of them wimpy on television can get a feller's necklines. I would like to give opinion from that school teach that has been fussing about spelling and grammar. It would be nice to get a letter with spelling and grammar done proper, even if her opinion was wrong.

But gitting back to them Congressmen, I see by the papers where both the Democrats and Republicans in this new session the Congress is setting up committees to help the farmer. I recollect right, ever Congressman George Washington has set someone to help the farmer. I they actual want to do is to him mark his ballot.

Yours truly,
 Uncle Lew

PERSONALS

Mr. and Mrs. Henry Engelhart, Mrs. Matie Lucht and Mr. and Mrs. Earle Pettibone returned home Thursday after spending a two-week vacation in Florida.

Among the callers who visited Mr. and Mrs. E. M. Eismann at their home the past week were Mr. and Mrs. Wladislaw Eismann of Ann Arbor who were there Monday and Mr. and Mrs. William Eismann of Ann Arbor, and Mr. and Mrs. Harold Hunselman and family of Saline, who were there Sunday.

Mrs. Wesley Ellenwood had as her guests Thursday, in observance of the fifth birthday of her son, Terry Lee, Mrs. Robert Whitehead and daughter Kelly and Mrs. Ball Muio and daughter, Karen of Ann Arbor. The three children were born at St. Joseph hospital, Ann Arbor, the same week five years ago and the mothers and children have observed the children's birthdays at a reunion each year. A fourth mother, Mrs. Robert Newton, and her daughter Patricia of Milan, were unable to attend last week's reunion here.

Baseball fans will soon begin to read the morning newspapers again.

It takes a good spell to disprove the dictionary.

SOME WEDDING

Bournemouth, England — A wedding that will be long remembered is that of Alan Farwell and Gillian Seave. They finally got through the ceremony but had these interruptions:

The bridegroom fainted on the altar, the best man received a head injury when he passed out; a bridesmaid collapsed in the aisle; a choir boy fainted during the ceremony, and services were interrupted four times while four guests were revived.

Blindsight is what lesser minds utilize in lambasting their superiors.

World Day of Prayer Service Scheduled Friday Afternoon

Plans are complete for Chelsea's World Day of Prayer service sponsored by United Church Women of Chelsea and scheduled to be held at 2 o'clock tomorrow afternoon at St. Paul's United Church of Christ (E&R) on East Summit St.

The Rev. Paul M. Schuake, pastor of St. Paul's will have a part in the afternoon's meditations and women of the participating churches will serve as leaders during various parts of the service.

Mrs. Wilbert Grieb of St. Paul's church is general chairman of the World Day of Prayer service.

It was announced yesterday that Mrs. Jerry Beaumont of St. Barnabas' Episcopal church, is to be the soloist.

The theme for Protestant services held on this first Friday of Lent throughout the world is "For God So Loved The World."

The day of special prayer has been described as expressing "love of God in amazing reality."

The opening meditation includes the petition "may we be aware of a world in tension, a hungry world-hungry for food, for freedom and for the dignity of man which God's love assures to all His children."

World Day of Prayer is sponsored annually by United Church Women, a general department of the National Council of the Churches of Christ in the USA, representing 12 million Protestant and Orthodox women.

The day begins at dawn on the Tonga Islands in the Pacific where Queen Salote leads her subjects in prayer. This service has become almost a tradition in observance of World Day of Prayer.

Following the sun around the world, the women's prayers will be offered in cathedrals, in churches of brick and of thatch, and out of doors.

They will also be conducted by church women in hospitals, schools, business offices, and factories. The final service is held on St. Lawrence Island, Alaska, where fishermen stay home to observe the day with their families.

Offerings received on World Day of Prayer in this country are divided between the Divisions of Home and Foreign Missions of the National Council of Churches, which carry on the interdenominational work for which the offerings are designated. In the United States, the prayers and gifts help to recruit, train, and supervise staff and volunteers for many and varied types of Christian service. In the migrant ministry, funds are provided for recreational centers, vocational and homemaking schools,

day care centers, and program for responsible citizenship.

There are many other projects in which assistance is made possible by the contributions received at the special World Day of Prayer services.

'Parli-Pro' Team Wins Gold Award

Chelsea's FFA parliamentary procedure team placed third in the regional contest held Wednesday at Manchester; however, the three top teams were so close that each received a gold award, customarily reserved for first-place winners.

A Chelsea team, for the fourth successive year, has won the district championship, earning the right to enter regional competition.

Members of the Chelsea team this year, coached by their FFA advisor, Stephen Hayden, are David Young, Lynn Harvey, Thomas Penhallegon, Larry Stark, Al Schauer, Richard Harvey, Richard Haist, John Miles and Duane Weiss.

First-place winner in the regional contest was the Blissfield High school team; second place was won by the Reading team; and fourth and fifth place and a silver award went to Springport and Britten teams.

Morenci Church Dedicates New Education Facility

Sunday, March 4, the First Congregational church at Morenci dedicated its new Christian education building at services held at the church following participation by members of the nearby Methodist and Baptist churches in singing the hymn "We Love Thy Church, O God."

Members of the Methodist and Baptist churches proceeded to their respective church service after joining the Congregationalists for the pre-dedication hymn singing.

The Rev. Thomas Toy, former pastor of the Chelsea Congregational church, is the pastor of the Morenci Congregational church.

To Mrs. Toy was assigned the honor of formally opening the doors of the newly-completed building.

Present for the dedication was the Rev. Duane N. Vore, superintendent of the Michigan Congregational Christian Conference; the Rev. Henry Kroehler, president of the Michigan-Indiana Synod of the Evangelical and Reformed Church; and the Rev. Richard Gardiner, a former pastor of the Morenci church. The latter, now located at Canal Winchester, O., offered the dedicatory prayer.

The dedication activities included open house at the new building Sunday afternoon.

Legion's 43rd Birthday To Be Observed at Banquet

Legionnaires of Herbert J. McKune, Post No. 31 will participate in the nation-wide observance of the Legion's 43rd birthday, March 15-17, Commander Charles J. Supper announced this week.

Highlighting the gala anniversary observance in Chelsea will be a birthday party on the night of March 24 at the Legion Home, Commander Spencer said. All details for the party are being handled by a special committee under the chairmanship of Second Vice-Commander, Ray Lutovsky.

The American Legion's 43rd birthday party in Chelsea will be one of thousands of anniversary observances by some 17,000 posts from coast to coast and in

8 territories and foreign countries.

The birthday party will start at 6:30 p.m. with the women of the Legion Auxiliary serving a dinner.

After the dinner the controversial film "Operation Abolition" will be shown. The American Legion urges everyone who can, to see this film.

In its 43 years of existence, the American Legion has grown and registered successes far beyond the fondest dreams of its founders," Commander Spencer declared. "Today, it is the largest veterans' organization in all history. Its accomplishments in Americanism, child welfare, rehabilitation, national security, and countless acts

PRESIDENT'S

THE Most Talked-About Rocker in America

This Is THE Chair President Kennedy's Doctor Chose for His Relaxation.

GAMBLES are happy to be among the first in this area to offer the "PRESIDENT'S ROCKER" or as President Kennedy's Doctor calls it, the "CAROLINA ROCKER." Dr. Travell acquired the rocker for President Kennedy's back ailment more than five years ago. It has a large cane back made from select Carolina oak. It has a detachable cane seat of herringbone weave. The seat is 22" wide, 17" deep, and the back post is 33" above the seat. It weighs 25 pounds. Why is it different? The back posts are bent to fit the contour of the person's back. The arm rests are not too high (which keeps the strain off the shoulders and neck) and the detachable seat gives more support (bucket seats cause discomfort because they do not make a firm foundation). Yes, President Kennedy certainly opened a "NEW FRONTIER" for the P. & P. Chair Co. of Ashboro when he conducted his World Affairs Discussions with his top aides while rocking in an old-fashioned TarHeel-made Rocking Chair. Red Cross Work Viewed For Kiwanis

William de St. Aubin, Washtenaw County Red Cross director, was the speaker at the Kiwanis club meeting Monday evening. He was introduced by Robert Daniels, program chairman for the evening. The meeting was held in the social center of the Methodist church. Discussing the over-all program of the Red Cross, de St. Aubin gave a resume of the international and national aspects of Red Cross activities and then, in detail, explained about Red Cross work in Washtenaw county.

He quoted statistics pertaining to the Red Cross Blood Bank program. He said 5,000 persons in the county have been blood donors and approximately 1,300 families have used blood from the blood banks. The blood program is administered with the assistance of approximately 450 volunteer workers.

The Red Cross First Aid training program is popular, de St. Aubin said, and pointed out that 55 persons in Chelsea were enrolled in the latest class offered. More than 60 adults attended the latest adult swimming and water safety program and another class already has been filled.

He emphasized the importance of the work done by Red Cross volunteers.

Herb Estes also of Ann Arbor, showed slide pictures of the Red Cross office facilities at Ann Arbor and explained the proposed Red Cross administration building to be erected on land donated for the purpose.

Estes also showed architects' plans for the proposed new structure and said a fund-raising campaign is to be conducted for money to pay for the new building.

The Red Cross men said Paul Mann has been asked to be in charge of fund-raising in the Chelsea area.

Announced at Monday's business session was a meeting scheduled to be held at Adrian College Thursday (tonight) at which I. R. Withuhn of Milwaukee, Wis., Kiwanis International president, is to be the speaker.

Kiwanis Division VI, VII and VIII are to be represented at the meeting. Chelsea is in Division VI. Those from Chelsea who have indicated they plan to attend are Mr. and Mrs. Lloyd Heyliff, Mr. and Mrs. Leo Bishop, Mr. and Mrs. William Freeman and Mr. and Mrs. Anton Nielsen.

Guests at Monday's meeting included John Freeman, who attended with his father, William Freeman; Kiwanian Herb Estes of Ann Arbor; and Rotarian T. H. Chaplin, also of Ann Arbor.

Monday's meeting was held in the social center of the Methodist church.

George R. Wheelock Former Area Resident Dies Last Wednesday in A.A.

George R. Wheelock, a former area resident, owner and operator of the Michigan Dry Cleaners at Ann Arbor, died suddenly Wednesday morning Feb. 28 at his home, 19 North Prospect St., Ypsilanti. He was 55 years old.

He was born Nov. 13, 1905, at Lima Center, a son of Russell and Ora Perry Wheelock. On June 3, 1927, he was married to Delight M. Krontz at Waukegan, O.

As a young man he was employed by the Trojan Laundry in Chelsea and went to Ypsilanti with the firm when it moved there in 1929.

In 1958, Mr. Wheelock purchased the Michigan Dry Cleaners, which he owned and operated at the time of his death.

Surviving besides his wife are three sons, Russell G. of Belleville, Warren E. of Ypsilanti and Neal H. at home; six grandchildren; one sister, Mrs. Edward Miller of Chelsea; a brother, Warren of Wayne; a niece and two nephews.

Funeral services were held at 2 p.m. Friday at the Geer Funeral Home, Ypsilanti, with the Rev. Harold Engel, pastor of the Forest Avenue Baptist church of Ypsilanti officiating. Burial took place at Oak Grove cemetery, Chelsea.

James I. Bisbing Had Resided at Methodist Home Only Three Weeks

James I. Bisbing, who had resided at the Methodist Home only three weeks, died there Friday morning following a lingering illness. He was 88 years old.

He and Mrs. Bisbing, who survives, became residents of the Home at the same time, coming here from Flint.

Mr. Bisbing had retired in 1942 after 33 years as assistant postmaster at Flint. He had been a member of Central Methodist church of Flint since 1895. For seven years he was Sunday school superintendent at the church and was on the Official Board of the church for 50 years. Last January he was appointed honorary steward on the board.

Born Dec. 7, 1873, in Saginaw, he was a son of Mahlou and Eugenia Fox Bisbing. On Oct. 11, 1900, he married Corn Ann Cole. She died in 1928. On Sept. 29, 1933, in Flint, he married Edith M. Cole. She survives.

Survivors, in addition to his widow, are a daughter, Mrs. Clarence (Beatrice) Fuerstman of Detroit, Mich.; a son, James R. of Flint; two sisters, Mrs. Pearl (Ethel) Daniels of Flint and Mrs. Beattie Pender of Moline, Ill.; five grandchildren and six great-grandchildren and several nieces and nephews.

Funeral services were held at 10 a.m. Monday in the chapel of the Chelsea Methodist Home. The Rev. Harold A. Nessel and the Rev. George Stanford officiated. Burial took place at Grace Lawn cemetery in Flint.

Arrangements were in charge of the Burghardt Funeral Home.

Mrs. Lydia Forner Life-Long Area Resident Dies at Ann Arbor Hospital

Mrs. Lydia Forner, 77, died Wednesday, Feb. 28 in St. Joseph Mercy Hospital, Ann Arbor, where she had been a patient since Feb. 20.

She was born May 22, 1884 in Lyndon township, the daughter of Jacob and Christine (Mohrlock) Buehler. She was married to John Forner July 1, 1901 at Chelsea.

Mrs. Forner's entire life was spent in the Chelsea area and for the past 55 years she has lived at 625 N. Main St.

Mr. Forner died Sept. 11, 1937. She is survived by a daughter, Mrs. William Kolb, Chelsea; three grandchildren, Robert Forner, Ypsilanti; Mrs. John Rugg, Jackson, Douglas Kolb, Detroit; four great grandchildren; several nieces and nephews. A son, Ralph, died in 1944.

Funeral services were held Saturday from the Staffan Funeral Home. The Rev. Paul M. Schnake officiated. Burial was in Oak Grove cemetery, Chelsea.

Frank E. Ramsay Father of Chelsea Woman Dies Friday at Wyandotte

Frank E. Ramsay, father of Mrs. Louis Burghardt, died Friday evening at his home in Wyandotte after a brief illness. He was 71 years old.

Born at Wolverhampton, England, Dec. 18, 1890, he was a son of Jabez and Agnes Howells Ramsay, and came to the United States with his family in 1907, settling first at Joliet, Ill. He was married there Feb. 8, 1913, to Alma Jeffers who survives.

They moved to Wyandotte in 1915 and their home there has been at 115 Walnut St. for the past 40 years.

Mr. Ramsay retired in December, 1955, from the Wyandotte Chemical Corporation where he was superintendent of the mason department for 40 years.

Active in Masonic circles, he was a member of Moslem Shrine, Detroit; a life member of Scottish Rite Consistory, Detroit; a past master and life member of Wyandotte Lodge 170, F&AM; Wyandotte Chapter 136, RAM; and Wyandotte Chapter 370, OES.

Mr. Ramsay was a member of the First Methodist church at Wyandotte. Interested in music all his life, he was a charter member and former president of the Wyandotte Orpheus club. He was soloist at the Wyandotte Methodist church for many years.

Survivors in addition to Mrs. Burghardt and her mother, are a son, Frank Clare, of Royal Oak; two sisters, Mrs. Clyde (Agnes) McAllister of Plainfield, Ill.; and Mrs. Kathryn Grupp of Sacramento, Calif.; two brothers, Bert of Palo Alto, Calif.; and Howard of Livermore, Calif.; 10 grandchildren and several nieces and nephews.

Funeral services were held at 1 p.m. Tuesday at the Nixon Funeral Home at Wyandotte, with Masonic rites in charge of Wyandotte Lodge 170, F&AM. The officiating clergyman was the Rev. William F. Simon. Burial took place at Oak Grove cemetery, Chelsea.

The University of Michigan Hospital offers diagnostic service to physicians anywhere in Michigan who wish to refer patients.

Survey Finds 56 Buildings Suitable for Fallout Shelters

A survey by a Jackson engineering firm has turned up 56 buildings in Chelsea which might be used as community fall-out shelters in the event of a national emergency.

The list was compiled from records furnished by local officials such as the Village Clerk's office, building inspector, school board, etc. An integral part of the list is Chelsea's entire Main street which is under consideration for fall-out shelter protection.

The local list is part of a county-wide list which pinpointed 359 buildings outside the cities of Ann Arbor and Ypsilanti in Washtenaw county which could be used as community shelters.

The survey here was made by Commonwealth Associates of Jackson in contract with the federal government and was called a part of "Phase One" of the federal shelter survey program.

Colonel Gerald G. Miller, director of the county Office of Civil Defense, estimates that from two-thirds to three-quarters of the buildings which have been surveyed in Phase One will not meet the requirements for community shelters. For consideration under Phase One of the shelter program a building must have a protection

factor of "20" and shelter at least 50 persons. The protection factor is based on a formula worked out in numbers—as to the protection offered by any given building to withstand nuclear attack.

Phase two of the program will decide what shelters will be accepted for stocking of free food and medical supplies, radiological detecting meters and emergency engineering tools which will be provided by the federal government.

These 56 structures will be projected on to a map showing the buildings to be considered for the next phase of the survey.

The map will be discussed at a meeting March 15 in room 6 of the county building at 7:30 p.m. to consider the next phase of the program.

In a letter to CD zone directors Miller said: "It is of considerable importance that your community be represented at this conference insofar as the primary purpose will be to discuss the utilization of the buildings in your area for public shelters."

Ingham, Jackson and Lenawee counties all have more than 33 percent of their cows on some form of official milk testing program. The state average is 19.7 percent.

CON-CON HEADACHES — Nurse Cynthia Cummings may not have the remedy for all the headaches generated around Constitution Hall, but she dispenses pills to care for the minor physical ailments of the Constitutional Convention delegates. The first aid station in the Civic Center and Mrs. Cummings' services have been provided by the Michigan Medical Society, while medical service is provided by the Ingham County Medical Society. Receiving medication is Delegate Samuel Ostrow, (D-Detroit), under the watchful eye of Delegate Frank Staiger (R-Port Huron).

Girl Scouts of District III Will Meet Here Sunday for Golden Anniversary Program

Chelsea's high school gymnasium was selected some time ago as the location for a mass assembly of Girl Scouts to be held at 3 p.m. Sunday, March 11, to launch a week-long observance of the Golden Anniversary of Girl Scouting in America.

Dexter Girl Scout units have joined with the Chelsea Girl Scout Neighborhood in making arrangements for the big event.

Each Girl Scout is urged to invite her family to attend.

More than 250 guests have been invited to the event, among them Chelsea Village President Robert Daniels, Mayor Cecil Creal of Ann Arbor, officers of the United Fund and Community Chest organizations which support the Girl Scouts, and principals and superintendents of schools.

The assembly, part of the nation-wide observance, is also open to the public without charge.

Troops from Dexter and Chelsea will serve as official hostesses and Civil Defense volunteers will handle parking for cars and buses bringing the Girl Scouts and visitors.

The afternoon ceremony will include the presentation of 107 new troop flags which have been sewn by the girls in each troop and traditional songs and chants by selected groups. Three girls in the dress of their native countries—Mexico, Thailand, and Germany—will help high-light the purpose of the Juliette Low World Friendship Fund.

There will be a pageant of 50 years of Scouting with the theme, "Honor the Past; Live the Present; Serve the Future."

Sunday's celebration here is for all Girl Scouts and Brownies of District III of the Huron-Valley Girl Scout Council. It is the concluding highlight of the three-year observance of the 50th anniversary of Girl Scouting in America. The Golden Anniversary is March 12.

In 1900, as an introduction to the anniversary observance, the 100th birthday of Juliette Gordon Low, founder of the Girl Scouts in America, was stressed; and in 1961, Founders' Day was the chief anniversary highlight and many groups planted yellow roses and other yellow flowering bushes for a display of golden "birthday" blossoms for the anniversary year.

Planning for Sunday's anniversary celebration has been in progress for some time. Chelsea Girl Scout Neighborhood and Dexter Girl Scout Neighborhood organizations being in charge of arrangements. Chairmen of the two Neighborhood organizations are Mrs. Wilber Worden and Mrs. Richard Dettling, respectively.

Michigan Has More Cars Than Homes

Michigan has more cars than it does homes.

The State Highway Department reports that there are 2.9 million cars registered in Michigan.

The U. S. Census Bureau reports there are slightly more than 2.2 million occupied homes in the state.

Another interesting fact turned up by the Census Bureau is that nearly 600,000 Michigan families have two or more cars.

More than 300,000 families in Michigan don't own a car.

The Highway Department said there are 3.3 million registered vehicles in Michigan, a total that includes cars, trucks and buses.

Village of Chelsea, Michigan

We have examined the statement of financial condition of the Village of Chelsea as of December 31, 1961, and the related statement of receipts and disbursements for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. Operations are reported on the modified accrual basis.

In our opinion, the accompanying statements present fairly the assets and liabilities of the Village of Chelsea at December 31, 1961, arising from cash transactions and the revenues collected and expenses disbursed by it, in conformity with generally accepted governmental accounting principles applied on a basis consistent with that of the preceding year.

COMMENTS

STATEMENT OF FINANCIAL CONDITION (Exhibit A)

Unpaid property taxes at December 31, 1961, amounted to \$1,677, representing \$640 due for 1961 and \$1,037 due from prior years. Special assessments unpaid at December 31, 1961, amounted to \$876. Of this amount, \$343 represents 1961 unpaid assessments and \$533 represents unpaid assessments from prior years.

The amount of the 1961 tax levy for the Chelsea Public Library was \$4,507. This amount was paid by two warrants drawn on the General Fund from initial tax collections.

The increase in the Capital Fund consisted of a tractor purchased for sanitary landfill in the amount of \$11,776, a certificate of deposit in the amount of \$2,000 to be used to build a garage for public works vehicles, and purchases by the Public Works Equipment Fund.

Parking Meter bonds in the amount of \$3,000 were retired during the year. On December 31, 1961, there were \$94,000 of these bonds outstanding. A replacement reserve was established during 1961 in an amount of \$200. In addition to this replacement reserve, a bond and interest reserve must be established.

Total construction costs for the expansion total construction costs of the sewage disposal system at December 31, 1961, were \$228,300. The total cost of the sewage disposal system is being financed from the proceeds of a 5%, \$235,000 general obligation bond issue sold during 1960.

To repay this bond issue, the Village of Chelsea has levied a tax of 3 mills. Taxes unpaid at December 31, 1961, amounted to \$243. Of this amount, \$158 represents unpaid 1961 taxes and \$85 represents unpaid 1960 taxes.

A deposit in the City Bank of Detroit of \$71 represents three matured bond interest coupons that were paid by the Chelsea State Bank but which should have been paid by the City Bank of Detroit. The coupons should be forwarded to the City Bank of Detroit for reimbursement.

The Fire Truck Fund received \$1,000 from the General Fund and \$185 as interest from the Chelsea State Bank.

The Public Works Equipment Fund received \$2,000 from the General Fund. During 1961, additions from the Equipment Fund to the Capital Fund were a sewer riser—\$464, a jack—\$40, and a power saw—\$282.

RECEIPTS AND DISBURSEMENTS (Exhibits B, C, D, E)

During 1961, General Fund receipts totaled \$185,243, while disbursements totaled \$183,545, resulting in a net increase in the cash balance of \$1,698. Receipts included transfers of \$35,000 from the Chelsea Electric and Water Department, a loan of \$12,000 from the utility, and the reimbursement for employee fringe benefits of \$7,529 from the Chelsea Electric and Water Department.

Collections of 1961 property taxes amounted to \$57,844, representing 98.89% of the total assessment. A comparison of the actual receipts and disbursements with the budgeted amounts is presented in Exhibit F.

RICHARD HAIST, at right, was one of the two 4-H club members of Michigan designated as "outstanding Michigan club members" selected for the honor of calling upon Governor John B. Swainson and presenting to the governor a copy of "The 4-H Report to Michigan." Representing more than 70,000 boys and girls, 4-Hers Suzanne Garner of Tuscola county and Richard Haist of Washtenaw, visited the Governor's office along with State 4-H club leader, Dr. Russell W. Mawby. Haist and Miss Garner will be delegates to the National 4-H Conference in Washington, D. C. next month, one of the state's highest 4-H honors. The teen-age members pointed out to the Governor that 4-H clubs reach into all of the state's 83 counties. Members are enrolled in 4500 community clubs under the direction of more than 13,000 volunteer adult leaders. Together they plan and work "To Make the Best Better."

Responsibility for Tax Return Does Not End With Signature

Each Federal income taxpayer is responsible for the facts and figures entered in the return he signs. This is true even if it is prepared with the assistance of the U. S. Internal Revenue Service, District Director R. I. Nixon said today.

In advising taxpayers of this responsibility, Mr. Nixon said, we must remind them that they are responsible under law for all entries and all supporting documents in their returns no matter who prepares it.

The Internal Revenue, he said, welcomes returns prepared by competent professional persons, but such assistants in many instances can only rely upon information provided by the taxpayer.

The taxpayers themselves are the persons primarily and finally responsible, he said.

FROM THE GOVERNOR'S CHAIR

By John B. Swainson

Michigan's 12-month experience under the Kerr-Mills federal program for medical care for the aged shows it does not meet the needs of Michigan's senior citizens. Michigan was the first state to adopt the Kerr-Mills program and put it into effect. We have expended vigorous effort to provide adequate medical assistance for older citizens under its provisions. But the results of the first year of operation indicate that it is not effective.

Medical assistance was provided only 1.85 percent of our citizens 65 years and older. While the percentage of our senior citizens continues to soar, the contribution

to the solution of their health problems seems strikingly inadequate.

When the Kerr-Mills bill was passed, it was estimated that 60,000 or less than 10 percent of our citizens 65 and older would be eligible for medical assistance under its provisions. The fact that less than one-tenth of our senior citizens could qualify for assistance under the Kerr-Mills program disheartened us at that time.

But now that the program has been in operation one year and we find less than 2 percent of our senior citizens are receiving assistance, we are even more discouraged.

With about 688,000 citizens Michigan 65 years of age or older it is my belief that the time for action is now.

Last August I relayed to Congress my support of the Kerr-Mills program which would have provided for the rational and dignified payment of basic health care through the Social Security system. This is a sound, responsible way to meet an urgent health problem.

Only by allowing our citizens to provide for the medical care demands of their old age through systematic contributions to our Social Security system while working, can we achieve our aims of adequacy and dignity in this program.

Congress again has before it a program to provide medical care through the Social Security system and this deserves strong support to meet the needs of all our senior citizens.

Michigan now has what is probably the only toll-free international bridge in the world. Tolls on the Blue Water Bridge—linking Port Huron, Michigan, and Sarnia, Ontario—were taken off at midnight, Feb. 25.

The tolls were removed at the direction of my office in order to conform with an agreement reached when the bridge was built and to protect Michigan's federal grants for highway construction.

It was my good fortune to take part, as a Boy Scout, in a ceremony which officially opened the bridge in 1938. And it was a far greater pleasure to participate in a ceremony last week when the bridge became toll-free in accordance with the agreement made between Michigan and Ontario years ago.

Dr. Bartlett, Attorney General Kelley and Miss Dorian cautioned against this and other mail order "diploma mills," suggesting a check with the Superintendent of Public Instruction and the Board of Nursing before advertising is accepted or individual contracts entered into. For the convenience of newspapers and potential students, a list of education operations acceptable for licensing is maintained in the office of the Superintendent of Public Instruction. The Michigan Board of Nursing has compiled a list of schools of nursing approved by that board. These lists are obtainable upon request.

The Michigan Strawberry Council has elected Russell Helman, of Houghton County, president for the coming year. Other officers elected were Calvin Lutz, of Manistee county, vice-president and Harry Bell, Michigan State University horticulturist, secretary-treasurer.

BEACON LIGHT EXTENSION

"Household Hints" was the topic for roll call response at the February meeting of Beacon Light Extension club. The meeting was held Wednesday evening at the home of Mrs. Ellis Pratt.

Mrs. Jack Pfeifle was the leader for a lesson on the topic "Rapid and Smart Food Buying."

Guests at the meeting were Mrs. Alice Apple, home demonstration agent for Washtenaw county, and Mrs. James Pratt of Manchester, district extension club chairman. There were 16 members present.

Following discussion during the meeting, the group voted to discontinue for this year, their customary project of entering a display at the district spring party.

Mrs. David McCormick, chairman of Beacon Light Extension club and Mrs. L. Dean Sott, vice chairman, announced plans to attend the March 8 meeting at the home of Mrs. James Pratt, which the spring district party plans were discussed.

Also announced were plans for 10 of the club's members to attend a fashion show March 22 at the Fisher Theatre in Detroit.

The next regular club meeting date has been changed to March 20, at 8 p.m., at the home of Mrs. L. Dean Sott.

PNG CLUB

Fifteen members and three guests were served a cherry tart dessert when they met Wednesday evening, Feb. 22, at the home of Mrs. Russell Altstaetter for the monthly meeting of the Past Noble Grands club of Rebekah Lodge.

Mrs. Altstaetter's co-hostess was Mrs. Elsie Hintz.

Newspaper clippings of articles pertaining to Washington's birthday were read by the club secretary; however, the clippings made no mention of the many communities (including Chelsea) where streets are named after the first president.

Mrs. Donovan Sweeney and Mrs.

Ross Munro will be co-hostesses for a St. Patrick's day party at the home of Mrs. Sweeney March 14, with Mrs. Lloyd Keeny as entertainment committee chairman.

Members were told to "wear something green" or be fined.

Prizewinners at last week's meeting included Mrs. Gene Coltre, Mrs. Ross Munro and Mrs. Lawrence McDonald.

HELPING HAND SEWING CIRCLE

Ten members of the Helping Hand sewing circle spent Tuesday at the home of Mrs. Russell Altstaetter working on cancer pads. They sewed 44 of the pads and pinned 15 additional ones.

Two members of the group brought to the meeting a quilt they had made to add to the sewing circle's store of items being accumulated.

An effort is being made to obtain material for gowns and pajamas so members may begin to work on them at the next meeting, Tuesday, March 27, 1:30 p.m., at the home of Mrs. Watson Hart.

Mrs. Winifred Coffron, president of the circle, presided at the business session.

BAPTISM

The baptism of Elizabeth Jean, infant daughter of Mr. and Mrs. George Merkel, took place at 1 p.m. Sunday at St. Mary's Catholic church with the Rev. Fr. Francis Maliszewski officiating.

Sponsors for the baby are Mr. and Mrs. Donald Mynning of Dexter.

The Merkels entertained at a dinner at their home following the services, the guests including Mr. and Mrs. Mynning and the baby's paternal grandmother, Mrs. Joseph Merkel, Sr.

Aboard Dock Landing Ship at Norfolk, Va.

Norfolk, Va.—Raymond C. Cranna, engineer second class, USN, son of Mr. and Mrs. Clarence J. Cranna of Gregory, Mich., is serving aboard the dock landing ship USS Port Snelling, a unit of the Atlantic Fleet Amphibious Force, headquartered at Norfolk, Va., which celebrates its 20th anniversary on Feb. 20.

Organized on Feb. 20, 1942, the force led every major Allied amphibious landing in North Africa and Europe during World War II. Today, nearly 17,000 men assigned to 58 ships and supporting units make up the force, which teams with the Atlantic Fleet Marine Force to provide a vital amphibious striking capability for the nation. Combat-ready units range from the Atlantic Indian, Arctic and Antarctic Oceans, as well as the Caribbean and Mediterranean Seas.

Vice Admiral Alfred G. Ward, commander of the Atlantic amphibians, sent a personal anniversary message to the men of his force praising their importance as a "vanguard in peace and spearhead in war."

FOR HIGH SCHOOL STUDENTS:

Editorial Contest Slated as Michigan Week Feature

An editorial contest for all high school students of Michigan will be a highlight of the 1962 Michigan Week observance.

"Youth Looks at the Constitutional Convention" will be the subject of the editorials, according to an announcement today by Herbert G. Davenport, Grand Rapids architect and chairman of the Michigan Week Program Board and Stephen S. Nisbet, president of the Constitutional Convention and chairman of Government Day in this year's observance.

The state winner will be awarded a one-year tuition scholarship at the college or university of his or her choice. Runners-up will be presented with copies of the new Constitution, suitably autographed by delegates.

"This contest should be extremely worthwhile for both Michigan Week and the Constitutional Convention," Davenport said. "We hope to arouse more interest in the young people, as well as to make them more aware of the many advantages of our great state."

Nisbet said: "I hope our high school youngsters will participate in this contest and will follow the Constitutional Convention with close interest during the remainder of the deliberations. I'm sure this experience will be extremely helpful to them in years to come."

Each county will select a winner. Davenport said. Each county Michigan Week chairman will serve as chairman of a panel of judges to pick local winners. The winning entry from each county will be judged in state-wide competition to determine the grand prize winner.

It is expected that newspapers will co-operate by printing the editorials of county winners some day during Michigan Week, May 20-28.

Editorials must be limited to a maximum of 600 words and deadline for entries is May 10. All high school students attending school in Michigan are eligible to participate.

The state winner and runner-up will be announced at a Constitutional Luncheon in Lansing on Saturday, May 26, Youth Day. Invited to attend the luncheon will be county winners, their parents and faculty advisors and county Michigan Week chairmen.

Chairman of the Saturday luncheon meeting will be George Romney, a vice-president of the Constitutional Convention and chairman of Youth Day of Michigan Week.

Gov. John B. Swainson will present the awards to the state winners and runners-up.

Judging the state winner will be the press committee at the Constitutional Convention: Carl Rudolph of The Detroit News; Gene Schroeder of the Associated Press; William Kulesa of Both News-Papers; Willard Baird of Federated Publications and Rob Downey of WMSB-TV and WKAR Radio.

Students may obtain information and research materials on Con-Con by writing to: Public Information Office, Editorial Contest, Constitution Hall, Civic Center, Lansing.

Peace Corps

Seeks Former 4-H Members

Men and women with farm backgrounds and 4-H vocational training in agriculture are being sought through the Peace Corps by countries around the world. Volunteers may select the country where they prefer to serve, says Robert McCrory, county extension agent for Washtenaw county.

College graduates with degrees in Agronomy, Horticulture, Agricultural Economics, Animal Husbandry, Agricultural Engineering, Vocational Agriculture and Home Economics are also in demand in many countries, particularly in Latin America.

Countries that have requested farmers and agricultural specialists include India, Malaya, North Borneo and Sarawak, Philippines, Thailand, Trust Territories in the South Pacific, El Salvador, Colombia, Bolivia, Brazil, Venezuela, Peru, Tunisia, and the Ivory Coast.

The Peace Corps provides all expenses for men and women who are accepted for service. This includes transportation, housing, clothing, food, medical care, vacation, and incidentals. Volunteers also receive \$75 a month for each month with the Peace Corps, or a total of \$1,800 after two years service.

All persons in Washtenaw county interested in serving abroad with the Peace Corps should contact Robert McCrory at his office in the County Building, NO 3-7511 ext. 227.

Ag Success Not Always Measured by Farm Size

"Big Farming" isn't always the answer to success in agriculture, Erwin F. Davis, a real estate loan officer for the Farmers' Home Administration said at Farmers' Week. Before increasing the size of their farm operation, farm owners should consider additional costs and credit needs carefully, and be sure they can keep up a high standard of good management practices, he said.

"Our growing population needs more food to eat, more room to live and play in, and more industries," Donald Williams, administrator of the U. S. Soil Conservation Service, said at the annual meeting of the Michigan Chapter, Conservation Society of America, during Farmers' Week.

Land needed for growing forest products and for recreation use will increase markedly by 1975, he said. It has been estimated that 10 percent more Michigan land will be used for recreation in 1975.

Brownies...

TROOP 606—Brownies of Troop 606 met Thursday in room 7 at South Elementary school. Principal activity was the practicing of songs for the Girl Scout anniversary celebration Sunday, March 11.

The practicing was done in room 8 where the Brownies joined Brownies of Troop 625.

Treats were served by Mary McClear.

Home Economics
Mrs. Straker's Home Economics I classes are just beginning to learn the techniques of sewing.

Some of the girls are learning to fit patterns while others are studying the different types and qualities of fabrics.

Home Economics II and III classes are working on their sewing projects.

Some are constructing coats and suits, and others are working on spring dresses, and sports clothes. The girls are also learning on the techniques of alteration and construction.

Home Economics III girls are divided into two groups. While one group works on reports that are of interest to them, the other group works on their sewing project.

Physics
Physics students are working on projects which will be entered in the forthcoming Science Fair. The following is a list of several students and the projects they are striving to complete: Pat Pastor, color; Dianna Miller, electrodynamics; Sherry Frisinger, light and photometry; Nancy Carter, radiation; Dave McLaughlin, electro-physiological detector; Mark Steger, ram jet; Bud Schramm, function of components of radio receiver; Gerald Schiller, electric motors and generators; Mike Cross, photo-electric cell; Gary Szarecki, wave motion; Donna Snyder, ripple tank; Dave Fraser, van de Graaff; Don Atkinson, electricity (telsa coil); and Jim Maynard, light spectroscopy.

Office Practice
All the students are using office machines. There are 40 jobs to be completed soon. There are only eight machines and 16 girls, but Mr. Morrison has solved this problem by giving each girl a number and rotating each day. When they finish using the last machine, the girl does not use a machine for four days giving the other girls a chance. During these four days, this girl does private jobs for Mr. Morrison in the office, and is able to earn extra credit for them.

Mr. Sanborn
Mr. Sanborn is from Ferndale. He graduated from Eastern Michigan in 1950.

He taught two years in Sterling, after graduating. He then moved to Wellington, and taught music for four years. Finally, he moved to Chelsea and has been teaching here for six years. Along with teaching music, he's the advisor for Future Teachers club. He also gives private piano lessons after school.

Mr. Sanborn enjoys both water and winter skiing. Along with skiing, he likes to fish. He says, "I can fish all day whether the fish are biting or not."

The thing he likes about Chelsea High is the "progressive form of education." He is also very pleased with the school chorus this year. It's really very good because he's a fine director.

Mrs. Bach
Mrs. Bach is new to Chelsea this year. She teaches girls' physed in both the high school and the junior high. Mrs. Bach's home town is Toledo, O. She did her undergraduate work at Ohio Wesleyan in Delaware, O., and earned her Master's degree at Bowling Green State University. Last year Mrs. Bach substituted in the Toledo school system second semester. When asked what she thought of Chelsea High, Mrs. Bach said that she liked Chelsea High very much. She also said that she enjoyed teaching in a small school system like Chelsea because the student body has more unity.

Besides teaching Mrs. Bach is also advisor for the GAA and both Junior Varsity and Varsity cheerleaders.

GAA
Girls' Athletic Association had a meeting Wednesday, Feb. 21, during activity period. The possibility of amending the present point system was discussed. It was decided to drop all deficit in points at the end of each school year. This would enable everyone to start out with an even chance at the beginning of the school year. It was also decided that anyone who had extra points would be allowed to carry them over to the next year. The number of points for membership is 50, and the number needed to get an award is 100.

FNA
Future Nurses of America met Wednesday, Feb. 28, during activity period. They picked out and organized their club pins. Future Nurses are making arrangements to have professional nurses visit them and discuss the various subjects that are necessary to take in order to become a nurse.

Future Nurses sponsored a stand which sold refreshments at the first of the series of travelogues sponsored by the Kiwanis club and will continue to have it at the following travelogues.

Mr. Prinzing
Mr. Prinzing graduated from Chelsea High and after graduation attended Western Michigan University. He first taught at Three Oaks High school in Michigan, then at Benton Harbor Junior High. Mr. Prinzing teaches sociology, civics, economics, and World History.

He sponsors the Projectionists club and is advisor of the Junior class. He is in charge of the audio visual room at the high school and was also in charge of the Junior Christmas Card sale this year. Mr. Prinzing said when asked what he thought of CHS, "working with the students and faculty is a pleasure and a challenge."

New Booklet
Issued To Help Plan Retirement

"Retirement years can be good years." That's the theme of a new booklet which goes on to spell out how retirement may be "a new life of your own."

The booklet, "Now That You Are Retiring" is available at your social security district office. Also available are booklets explaining the old-age, survivors and disability insurance program.

Robert A. Keohoe, district manager of the Ann Arbor Social Security Office, said today that he felt this booklet would be of help to people now retired, as well as people who are beginning to make their plans for retirement. "It answers a lot of the questions we have heard time and again from people applying for benefits," he said.

The new booklet explores such questions as: "What will I do with my time?" "Will my income really be enough?" "Will my health last—and what if I get sick?" "Where can I go for help when I run into problems?"

A copy of this booklet may be obtained by writing or visiting the Social Security Office at 1355 N. Main St., Ann Arbor, or by calling 662-3275.

U.N. TO BERLIN
Secretary of State Rusk has endorsed the idea of shifting several United Nations offices to West Berlin.

In an interview Rusk said that he thought it would be a good idea to establish some activities in West Berlin where it would assist the people in earning a living and in playing a role in the present situation.

At the same time, Rusk said he thought headquarters for the United Nations should remain in New York.

GOOD NEIGHBORS
Howard, Colo. — It pays to be good neighbors so Denzel Goodwin says.

Goodwin lost his entire winter supply of hay, 4,600 bales, by fire. Later, while he was away from his neighbors, with trucks loaded with hay, rushed to his barn and storage bins stacked with 50 tons of hay donated by "good neighbors."
