## Methodist Home Cornerstone Laying Scheduled Friday

Expect Addition To Be Ready for Oct. 1 Occupancy

## 158 Children Register for Kindergarten

At one o'clock tomorrow afternoon (Friday) cornerstone-laying ceremonies will take place at the Methodist Home where exterior work is now completed on the new wing which is expected to be ready for occupancy Oct. 1. The ceremony follows the noon dinner at which members of the Home Board of Trustees and others will be special guests.

Last Friday's "kindergarten round-up" was a very successful project, according to Elementary School Principal Arthur Schmunk. He said he was "pleased with the turnout" and hoped that those parents who have registered their children would "spread the word" to parents of any unregistered children they may know about who will be eligible to enter kindergarten next fall. It is helpful to know in advance, the principal said, the number of children who will be in kindergarten and where they live so that bus schedules may be planned.

A total of 158 children were registered Friday. These included 92 rural children; 51 town children at South school and 15 from town at North school.

Principal Schmunk estimates there are possibly 25 or 30 additional children who will attend kindergarten next fall and he urges their parents to contact South Elementary school by phone or otherwise as soon as possible.

To begin school in September, kindergarteners must be five years old on or before Dec. 1, 1962.

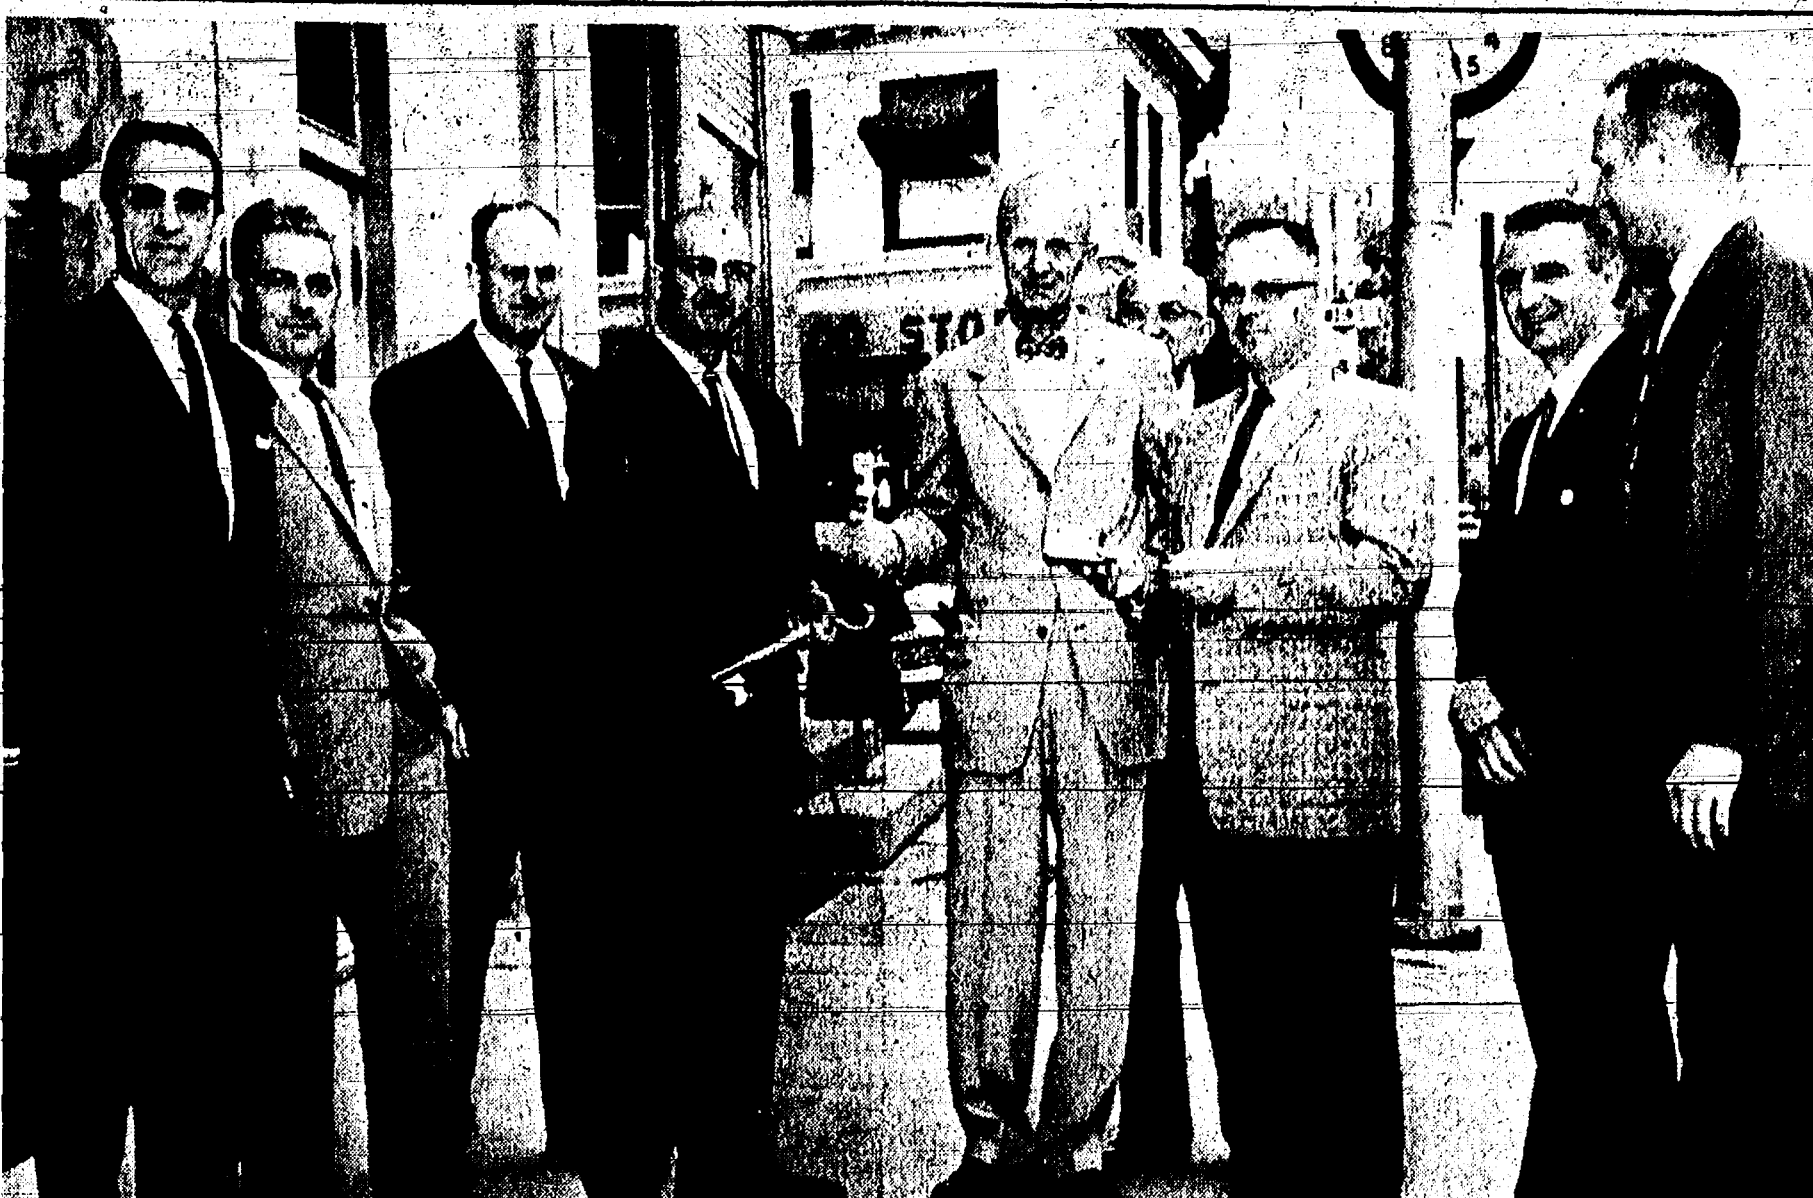

## First Grade Registration Set At St. Mary's

First grade registration at St. Mary's school is scheduled for Thursday, May 24, from 3:30 until 5 p.m.; Saturday, May 26, from 2 until 4:30 p.m.; and Thursday, Friday and Saturday evenings from 6:30 until 7:30 p.m. There will be a \$10 registration fee.

Girls' uniforms will be ordered at this time, also.

To enter the first grade in September, children must be six years of age by Dec. 1, 1962.

Fred Sager, who recently moved back into his own home at 139 Dewey St., is ill and confined to bed. Mrs. Emma Pickett, who is caring for him, said she welcomes Mr. Sager's relatives and friends as his visitors while he is confined at home.

EXCHANGE MAYOR—This was the scene in front of the Municipal Building Monday morning when Mayor Robert Rea of West Branch was presented the "Key to Chelsea" by Village Councilman L. J. Paul. Dr. Paul was Mayor Exchange Day chairman here. At right of Dr. Paul is Boyd Williams, West Branch assessor, who accompanied the mayor. He was presented with an engraved gift as a memento of his visit here. Those in the photo, from left, are Councilman Stephen Clark, Village Clerk George Winans, Vil-

lage Treasurer Wallace Wood, Mayor Rea, Councilman Paul, Chelsea Assessor Thomas Smith, West Branch Assessor Williams, Councilman J. V. Burr, II, and Councilman William Chandler.

BOY, WHAT A BREEZ! Even the dachshund will have his day at the Frankenthum Bavarian Festival June 11-14. The stein holds 98-12 oz. bottles and is typical of the colorful decorations that will add real Bavarian atmosphere to the town known nationally for its "gemutlichkeit."

## West Branch, Chelsea Both Report Enjoyable Exchange

Chelsea's Mayors' Exchange Day schedule as announced in the May 17 issue of The Standard was carried out as planned and the entire day was described as "very enjoyable."

West Branch Mayor Robert Rea, who said he was fire chief at home for many years, rode into town on the seat of the Chelsea fire truck beside Chelsea Fire Chief Ted Balmer.

Chelsea fire engines, the Chelsea High school band and village officials and their wives, riding in convertible cars supplied by Chelsea residents, had gone to Pierce Memorial Park to meet the West Branch mayor and his wife and West Branch Assessor and Mrs. Boyd Williams who accompanied them here.

## Recreation Council Drops Swimming

It was announced following the May 17 Chelsea Recreation Council meeting that the swimming program, one of the most popular features of the recreation program is "very regrettably being abandoned, at least for the 1962 season." Lack of facilities was given as the reason.

Because of liability of the school district if school buses were to be made available, the School Board had "regrettably" also, turned down the Recreation Council's request for school bus use.

Alan Conklin, Recreation Council director, outlined his plan for an expanded program in other areas to fill the gap caused by the change. The program, as planned, will include additional tennis, arts and crafts for young children on two playgrounds, fuller baseball schedule and new additions such as volleyball, badminton and various field events.

Basketball will be retained and if a high school class does not plan to do so, dances will be sponsored.

Dates for this year's summer recreation program are June 25 to Aug. 3.

The Recreation Council recommended Director Conklin for his adaptability in re-arranging the program.

All Recreation Council members are asked to make a special effort to be present for the next regular meeting scheduled for Tuesday, June 12, when plans for the future program are to be made.

## Leigh Palmer Being Honored by Ford Motor Co.

Leigh G. Palmer of Palmer Motor Sales, Inc., is among 50 veteran automobile dealers associated with Ford Motor Co. for 50 years or more who are being honored at the company's seventh annual stockholders' meeting at the Henry and Edsel Ford Auditorium in Detroit today.

## CHS Alumni Banquet Set For June 9

At an organizational meeting of the Chelsea High School Alumni Association, held Thursday evening at the high school library, Lawrence Dietle, president of the association, announced plans for the 1962 banquet to be held June 9 in the high school cafeteria.

Other officers for the year are Oscar Bohringer, vice-president; Mrs. Alfred Weimann (Mary), secretary; and Mrs. William Kolb (Clayde), treasurer.

All classes ending in the numerical "two" are to be honored this year. Various classes already have begun plans for get-togethers of former classmates.

Letters have been processed and sent out by the committees; it is of utmost importance, the committees state, that these letters be answered by purchasing a ticket at the designated stores or filling out an enclosed reservation blank.

Mrs. Theodore Bahnmiller, who was a patient at St. Joseph Mercy hospital for four weeks, left the hospital Wednesday of last week and is now at the home of her son-in-law and daughter, Mr. and Mrs. E. L. Hulce, at Roscommon.

The Chelsea party, in turn, gave each of the luncheon guests some of Chelsea's jiffy products which are manufactured and packaged here by Chelsea Milling Co.

The Chelsea men spoke at the luncheon, telling facts about Chelsea. (Continued on page five)

## Show Respect for American Flag When It Passes

Committees in charge of the Memorial Day observance wish to remind persons who will be viewing the parade of the proper etiquette when the American flag passes—all persons not in uniform should place the right hand over the heart and stand at attention, men first removing their hat. Children should be taught this mark of respect as well as the general meaning of the observance of Memorial Day, the committees point out.

They also urge a generous display of flags for Memorial Day, particularly along the parade route—a flag should be on display at every home and business place.

## Memorial Day Services Slated Wednesday

### Michigan Days Sale

Michigan Week, which got a head start in Chelsea with an outstanding observance of Mayors' Exchange Day on Monday will round out the week with a big Michigan Sales bargain days event Friday and Saturday. Advertisements in this issue of The Standard list hundreds of bargains in seasonal merchandise.

### Wild Chase, Shots Stop Young Pair

Two out of town youths, one 16 and the other 17, were captured by Police Officers Earl Willis and Frank Reed, while they were attempting a get-away after trying to stop down the two officers when they tried to question the pair. The two Chelsea officers had been alerted that there was a fight and drinking going on in the downtown area; as the officers approached the two youths started to drive north from Middle St. and failed to stop for questioning.

With the 16-year-old driving, they sped across the railroad tracks and turned in to the driveway to The Standard office, evidently believing it to be a through street.

Officers Willis and Reed parked the police cruiser crosswise in the driveway, blocking it and Willis went forward to question them. Reed remained at some distance in accordance with police routine in such cases. As Willis went around the front of the youths' car the driver started up and only the officer's quick action in literally diving out of the way prevented his being run over. As it was, he was knocked to the ground.

The car sped south across the lawn in front of The Standard office and on to the railroad track driving along the ties to the Main St. crossing. The car was driven to within six inches of Officer Reed where he was trying to stop them and as the car turned south he fired his gun at the tires, puncturing one.

Both officers then followed the speeding car for three miles south on M-42 and succeeded in capturing the youths near the Chrysler Proving Ground.

### American Legion Post Arranging Cemetery Rites

The Municipal parking lot will serve as the meeting point for all units of the Memorial Day parade which is scheduled for 10 a.m. Wednesday. The parade will form there and emerge at the East Middle St. outlet between the residence of Mrs. P. M. Brogan and the Palmer building.

Route of the parade will be west on East Middle St. to Main St.; south through the business district to Park St.; east on Park St. to East St.; north on East St. to East Middle St. and east to the cemetery.

All the children who march or ride in the parade are invited to form a line at the parking lot after the parade and free ice-cream bars will be passed out, compliments of Herbert J. McKune Post No. 31, American Legion.

Following the parade, a potluck dinner for members and friends of the Legion will be held at 1 p.m. at the Legion Home at Cavanaugh Lake. Those who attend are to bring a dish to pass and their own table service.

Chrysler Corp. is providing cars for Woman's Relief Corps members and for World War I veterans who may wish to ride to the cemetery and back.

The cars will be parked on East Middle St., across from the Municipal Bldg.; and those who desire rides may get into the cars there prior to the time for the parade to begin.

## Five in Race For 2 School Board Posts

A total of five petitions for the June 11 election of two School Board members were filed by the 1 p.m. deadline Tuesday, May 22, with School Board Secretary Stuart P. Booker.

The petitions are for incumbent Luther Kusterer and for Donald Alber, Shirley Heydauff (Mrs. Jennell), Norman O. Wenk and Robert D. Musolf.

Two board members are to be elected June 11 to succeed Howard Flintoft who is concluding nine years in office and Luther Kusterer, who is seeking re-election.

PLANNING POPPY SALE—Mrs. Lynn Kern (left) and Miss Alda Juergens, Poppy Day chairmen for Herbert J. McKune Unit No. 31 and the Ladies Auxiliary to Veterans of Foreign Wars Post No. 4076, respectively, have completed preparation for the annual poppy sale to be held tomorrow (Friday). Mrs. Kern displays the American Legion poppies and poster admonishing people to "Remember Poppy Day," while Miss Juergens shows the VFW Buddy Poppy and poster. Representatives of the two service organizations will be on the downtown streets selling their memorial poppies from 9 a.m. until 9 p.m. Proceeds of the sale are designated for rehabilitation and child welfare work. The photo of the two chairmen was taken at the home of Mrs. Kern as they were making last-minute plans for Friday's sale. Poppy Sale headquarters will be the lobby of Sylvan Hotel.

THREE INSTRUCTORS of English in colleges of Japan, now studying at the University of Michigan "to learn how Americans speak English," visited Chelsea schools Wednesday of last week. When the above photo was taken they were taking part in William Hunter's ninth grade geography class. They told members of the class about their country and its customs. The three men, from left, are Dr. Naomi Kakita; Dr. Yoshiaki Kanaguchi; wearing a typical Japanese costume, a dark brown robe with a special tie belt; and Dr. Katsumasa Ikenaga. The two girls at the left are Elsie Policht and Julie Elsom. The boy standing at left rear is Ken Reinhardt and seated behind the two doctors at left is Ofon Witeman. The three Japanese college instructors are also writing a book entitled "What To Say and What Not To Say in American." In addition to their visit to the high school the three men were guests of one of the sixth grades and one of the kindergartens.

## Memorial Day Is Time for All To Recall Heroism of Our Soldiers

When the commander-in-chief of the Grand Army of the Republic, General John A. Logan, issued the order designating May 30, 1868, as the day for decorating the graves of the men who fell in the War Between the States, he expressed the hope that it would be observed "from year to year while a survivor of the war remains to honor the memory of the departed."

The custom of this paying homage to the war dead, which had originated in the South and represented at that time only spontaneous local activity on the part of a relatively few women and children, thus came into being. The appeal of such an annual commemoration to large numbers of people was soon demonstrated throughout the reunited Republic.

By 1900, President William McKinley, himself a Union veteran, declared: "The Army of Grant and the Army of Lee are together. They are one now in faith, in hope, in fraternity, in purpose and in an invincible patriotism."

Since "The noblest memorial to a hero is not reverence for his dead bones, but the reproduction of his heroism," Memorial Day should not only be a day of remembrance but also a day of consecration for the present and future to the ideals which have made our nation great. It should be a time of renewal of our faith in God and His gracious Providence, remembering that we are not creatures of chance nor blind circumstances, but that we have been led and guided by the hand of God.

Let us reverently thank God this Memorial Day for the brave men, and women, who have given their lives that this land might remain free, for those who are serving in the armed forces today to protect our nation, and for a future which we trust in His wise and gracious hands.

## THOUGHT FOR MEMORIAL DAY

"IN THE YEARS FOLLOWING WORLD WAR II, WE LEARNED THAT WE MUST ASSUME WORLD RESPONSIBILITIES OR PERISH OFF THE EARTH, AND THAT IF WE WENT DOWN THE CONCEPT OF FREEDOM ON WHICH CIVILIZATION IN THE WEST WAS BUILT WOULD GO DOWN WITH US! WE LEARNED THAT FOR A PEOPLE, AS FOR A MAN, THE ROAD TO GREATNESS IS VERY HARD"

## MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

"The proposed constitution presented for approval to the people in November or next April will be a 'basic' document, according to Edward Hutchinson, Fenwickville Republican who helped write it."

Hutchinson, a former State Senator and delegate to the recently completed Constitutional Convention, is a recognized authority on Michigan's basic law, both the 1907 document and the proposed one.

"A Constitution should be a conservative document, which provides only the basic framework for laws to originate from," Hutchinson said.

"Democratic attempts on the final day of the Convention to change the most controversial sections of the proposed Constitution failed."

They said the document which was prepared did not accomplish Constitutional revision as the people wanted it.

Republicans, however, viewed the Constitution which will be presented to the people as a "true compromise."

One GOP delegate said Democratic members of the Convention had achieved adoption of more changes than he had.

Leaders of the Convention on both sides admit the proposed Constitution will not please everyone.

"Everyone can find something to object to in the new Constitution," said President Stephen S. Nisler, R-Fremont. "That isn't the point, however. The point is to explain the improvements, and there have been many."

Republican Vice-President George Romney, R-Bloomfield Hills, was joined by Democratic delegate Mrs. Edward Cushman, Dearborn, in supporting the "compromise."

"The question is not whether this is the best document Michigan could ever achieve some time

in the future, but whether it is an improvement over the present monies."

A strong civil rights section, changes in the judicial system to include an intermediate Court of Appeals, and continuation of several earmarked funds for government operations, were lauded by members of both parties in varying degrees.

Although most Democratic delegates said they would not help "sell" the document to the people, GOP members said this position was contradictory to the Democrats' position in attempting the last-minute substitutes.

"Even with this final attempt to change our document," the Democrats proposed to change only a small percentage of the decisions and modify a few more."

### Exchange Mayor . . .

(Continued from page one)

dren and their teachers lined South Main St. and waved as the caravan passed on the way to the Municipal Building.

The West Branch mayor and his party had arrived at the park at 9 a.m.

After the ceremony of presenting a "key to the village" to Mayor Ren and a gift to Boyd Williams, the day's tour of municipal facilities began.

Dr. L. J. Paul, a councilman, was chairman of Mayors' Exchange Day.

Following the Chrysler Proving Ground tour, the West Branch visitors and the Chelsea councilmen and their wives toured the downtown area to view the industrial displays arranged by Chelsea Industries.

The West Branch people were very much interested in the varied industrial facilities of the area as indicated by the displays on the street and in downtown show windows.

The car displays, the Bell Telephone Co. truck with its electronic equipment, the WPAAG mobile broadcasting unit, the tour of the village and Chrysler Exchange.

Grounds in the morning, a Chamber of Commerce noon luncheon at St. Paul's church, a tour of the new high school and Chelsea Milling Co. in the afternoon; a "rest period" for the visitors and others in the party at the home of the J. V. Burges on Wilkinson St.; and the dinner meeting of the Kiwanis club of Chelsea at the Methodist church in the evening; all were carried out as planned.

Kelly Allen, Public Works superintendent, and his crew had "done themselves proud" in cleaning up the streets and the visitors commented on the attractive appearance of the entire community.

The West Branch people were especially impressed with Chelsea's high school facilities, saying the school was the most beautiful and functional one they had ever seen.

At the noon luncheon at St. Paul's church, two men from Detroit and one from Toledo were guests of the Chamber of Commerce after their cars had been stopped, as they were passing through. Rather surprised by the invitation to a free lunch with no strings attached, they said they enjoyed their novel experience.

Two others, similarly stopped, had a free steak dinner at Chelsea Restaurant.

Many people in out-of-town cars were halted in the downtown area and given boxes of Jiffy Mix products. Chelsea Milling Co. had donated 1,000 boxes of their products for the purpose.

The free coffee and doughnut booth sponsored by the Chamber of Commerce was set up on Main St. between Vogel's store and Wallace Wood's office. Coffee and doughnuts were dispensed through-

### Sylvan Gets 37 Mills Tax Allocation

The County Tax Allocation Board at a meeting May 18 made a preliminary order regarding allocation of the net limitation tax rate for 1962 taxes in accordance with the applicable section of the Compiled Laws of 1948.

Sylvan township received a preliminary allocation of 37 mills; Washtenaw county 4.50 mills; Augusta township .43 mills; Manchester, 5 mills; Northfield township, .81 mills; and Saline, .92 mills.

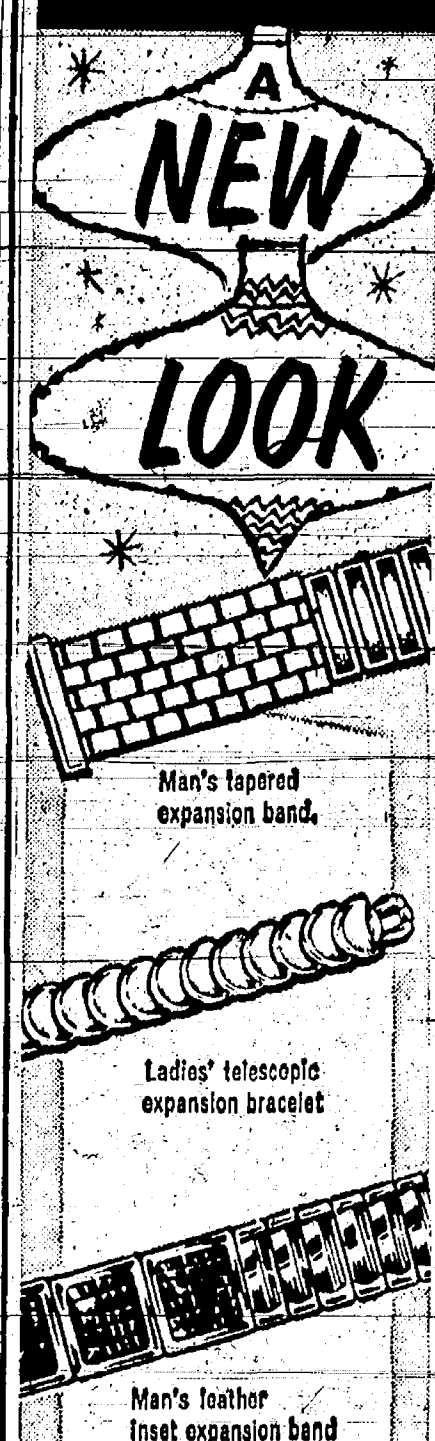

Ypsilanti township's preliminary allocation was 1.00 mill and all other townships were given no allocations.

The tax rates do not include any extra-voted millage in the local units to which they pertain, it was pointed out.

Announcement was made that the Washtenaw County Tax Allocation Board will hold a final hearing regarding the maximum tax rate to be allocated to each local unit for 1962 taxes on May 25, at 10:00 o'clock in the forenoon at Room 1 in the Washtenaw County Building.

All inter-county school districts were also advised that the chairman of the Washtenaw County Tax Allocation Board (the representative of this county on all joint tax allocation boards on which Washtenaw county is represented), has been advised and will take the position that the greatest tax rate that can be allocated to an inter-county school district is the difference between 15 mills and the highest millage allocated by the appropriate county allocation board to any of the counties in which such school district is located; and that the tax rate for an inter-county school district must be uniform throughout the district.

## Memorial Poppy Sale Set Friday by Legion, VFW Units

**Proceeds Used Only To Help Hospitalized Vets**

According to the custom which has become tradition in Chelsea during the past 16 years, the two service organizations—Veterans of Foreign Wars and American Legion—have planned their annual Poppy Day sale for the same day. This year the sale takes place Friday, May 25, tomorrow.

Representatives of the women's auxiliaries of both organizations, who accept responsibility for the day's sale, will be on the downtown streets from 9 a.m. until 9 p.m.

Miss Aida Juergens is Poppy Day chairman for the VFW Auxiliary and Mrs. Hilda Kern is chairman for the American Legion Auxiliary.

Headquarters for both organizations throughout the day will be the lobby of the Sylvan Hotel.

Mrs. Kern, quoting the American Legion's slogan "Wear a Poppy," said, "The American Legion Auxiliary states that wearing a poppy on Poppy Day will honor the more than half-million Americans who died and the nearly one million wounded during both World Wars and the Korean Conflict."

Proceeds of the American Legion poppy sale are used for rehabilitation and child welfare work.

Mrs. Kern said the red crepe paper memorial poppies worn throughout the nation on Poppy Day are made by veterans in hospitals and work shops in 40 states. These disabled servicemen are paid for each hand-made poppy they make, and the materials are furnished free by the American Legion Auxiliary in the states where the hospitals are located.

Miss Juergens said, in joining Mrs. Kern in the announcement of tomorrow's poppy sale, "The little red poppy that sprang to life upon the battlefield in Flanders fields in France during World War I, brings to us a message of hope, courage, faith and the will to survive."

"She continued, "Let us stop to think of the importance of the Buddy Poppy of our VFW organization, the symbolic flower of Flanders Field and the veterans who assemble them."

Miss Juergens mentioned that many of the men who make the

They moved from Chelsea to Williamston where they farmed for many years. Mr. Merker died Dec. 14, 1941.

poppies are working with partially paralyzed or deformed hands; some are in wheel chairs or bed fast while those who are able work at benches, each poppy, however, being given the personal attention of some disabled veteran.

It is the hope of the VFW, Miss Juergens said, that the annual poppy sale will serve to impress upon the public the debt of gratitude owed to all those who suffered the horrors of war and to those who gave their lives that the United States might remain free.

The VFW slogan is "Honor the dead by helping the living."

## Track Team Finishes 3rd In Regional

The Chelsea Bulldogs Saturday came within two points of winning the Regional track meet held at Ann Arbor High school. Hillsdale was the winner with 22 1/2 points; Jackson St. John was second with 21 points and Chelsea third with 20 1/2 points.

Dave McLaughlin earned 15 of the 20 1/2 points as he won the shot put, high hurdles, and low hurdles. Thus, Dave will compete in all three events in the State finals to be held at Michigan State University on Saturday, May 26.

Larry Cattell also qualified for the State Meet as he went 11 ft. in the pole vault to earn a two-way tie for second and picked up 3 1/2 points for Chelsea.

Larry also added another point as he placed fifth in the broad jump.

Chelsea's mile relay team of Cattell, Don Wilson, Warren Porath, and Mike Schrader ran the distance in 3:46.2, a new school record and finished fifth.

Chelsea's Jim Maynard was plagued by hard luck as he fell in the preliminaries of the high hurdles on a rain-soaked track and failed to qualify for the finals in his specialty.

## Youth Ticketed for Testing Unlighted Hotrod on US-12

Guy Devine, 18 years old, was ticketed for "driving a motor vehicle with defective equipment and having no license plates" after a deputy in a scout car from the Sheriff's Department stopped him Monday night as he was driving a home-made out-dated "hotrod" car on US-12 in Lima township.

The unlighted home-made vehicle was followed by two conventional cars driven by friends.

The youths told the investigating officer they were testing the speed of the hotrod and that the machine was a combination of a number of old cars they had put together. It bore no license plates.

Devine had no registration for it and there was no serial number on the motor block. In addition, it had no lights.

The hotrod was ordered towed to a garage where it was impounded by the Sheriff's Department.

# Bulldogs Claim School's First League Track Championship

Tuesday afternoon and evening Chelsea's Bulldogs ran away from the field as they won the first Conference Track Championship in the school's history.

Final results were as follows:  
1. Chelsea 81  
2. U. High 41 1/2  
3. Roosevelt 32 7/12  
4. Pinckney 29 1/2  
5. Saline 28 1/2  
6. Dexter 12 1/2  
7. Manchester 9

The cherished victory for which the Bulldogs had been pointing all spring came as a result of top performances by the entire 14-man squad which Coach Al Conklin sent into the meet.

The Bulldogs were paced by three seniors who contributed a total of 52 7/12 points.

Leading scorer was Dave McLaughlin who took first in all four of the events he was entered in. Dave established three new Washtenaw Conference records as he won the high hurdles in 14.6 seconds, the low hurdles in 20.3 seconds, and the shot put in 49 ft. 5 1/2 in., all new records. Also in the broad jump with a leap of 29 ft. 4 in. Altogether McLaughlin added 24 big points to the Bulldogs' total.

Adding 16 1/2 points to the score was Jim Maynard who came back after the disappointment of Saturday's regional meet to turn in his best times ever in the high and low hurdles as he placed second behind McLaughlin in both events. Jim had a clocking of 15.0 seconds in the highs and 20.9 in the lows. Jim also placed second in the shot put with a heave of 42 ft. 5 in. Maynard claimed a three-way tie for first in the high jump at a distance of 7 ft. 6 in.

Larry Cattell ran off the pole vault title and a new conference record of 11 ft. 8 in. as he added 12 1/2 points to the total. Larry placed third in the broad jump with a jump of 19 ft. 7 1/2 in. and third in the low hurdles in 21.2 seconds.

Larry also ran the untied leg on the fifth place 880-yd. relay team. Others on the relay included Warren Porath, Mike Schrader and Bill Coltre. They ran the relay in 1:37.8 to break the old record of 1:38.0 as every relay team that placed cracked the old record.

The mile relay team of Bill Detting, Paul Schramm, Don Wilson, and Warren Porath also placed fifth with a time of 3:48.4.

Sophomore Mike Schrader ran a very strong race in the 440 to take a third place in 54.9 seconds.

Junior Don Wilson ran the finest half mile of his career to establish a new 880 school record as he took fifth with a time of 2:08.4.

One of the biggest surprises of the meet was the mile run where Keith Haab came up with a 4:54.7 mile to become the first miler in Chelsea history to break 5 minutes. Keith's effort took a third place.

Sophomore Dave Winans also ran a very strong mile to finish fifth in the fine time of 5:07.0.

Educational facilities of the Upper Peninsula's two state-owned institutions of higher learning, Northern Michigan College at Marquette, and the Michigan College of Mining and Technology at Houghton, have been greatly expanded through multi-million dollar building programs during the past few years.

EXECUTIVES OF CHRYSLER PROVING GROUND were guests of the Chelsea Chamber of Commerce at a meeting in the dining room of the Congregational church Tuesday evening, May 15. From left, they are Bruce Thomas, department head in charge of the truck division; H. J. Ludwig, assistant chief engineer in charge of passenger car testing; Ralph Fike, Robert Chapman, Gene Anderson, Robert Rajala, department head in charge

of engineering development and evaluation; Harold Halliburton, department head in charge of mechanical and data service; Ray Litovsky, J. C. Gillie, Joseph Sturm and John Thompson. The latter was Chamber of Commerce program chairman for the evening. Ludwig, Thomas and Gillie were speakers at the meeting and the others, representing various departments at the Proving Ground, were introduced by the three speakers.

## Trackmen Win Conference Title with Undefeated Season

Last Tuesday, May 15, the Chelsea Bulldogs ended an undefeated dual meet season by downing Manchester, 86 1/2 to 20 1/2.

The victory clinched the championship of the Saline dual meet conference for the Bulldogs.

Chelsea had previously defeated Pinckney, 69-39; Saline, 59-50; Dexter, 83 1/2-21 1/2; and now Manchester, 86 1/2 to 20 1/2.

In the Manchester meet Dave McLaughlin established three new track records, including a new school record as he won four events for the Bulldogs. Dave threw the shot 49 ft. 5 1/2 in. to break his own school mark of 48 ft. 7 in.

Dave also won the broad jump with a leap of 20 ft. 7 1/2 in. and won both hurdle races, the lows in 20.6 seconds for a new track record.

Larry Cattell won the pole vault at 11 ft. and finished second in the broad jump and 100-yd. dash.

Junior Keith Haab won the mile in 5:02.3 to establish a new school

record. Dennis Gary held the old record of 5:03.5 set in 1958.

Don Wilson won the 880-yd. run in the time of 2:13.7.

Sophomore Mike Schrader lowered his own Saline track record to 54.9 as he won the 440-yd. run.

The 880-yd. relay composed of Dick Laubon, Schrader, Warren Porath and Bill Coltre, finished first for Chelsea with a time of 1:41.4.

The mile relay composed of Bill Detting, Paul Schramm, Jim Schneider, and Don Wilson, won in the time of 3:55.3.

Jim Maynard took three second places and a third for the Bulldogs. Jim was second in the shot put, high jump, and high hurdle and third in the lows.

Dave Winans picked up a second in the mile run in the time of 5:16.7.

Bill Detting took second in the 880-yd. run. Warren Porath was second in the 440. Dick Laubon was

second in the 220. Warren Porath was third in the broad jump.

Charles Schunk was third in the pole vault. Tom Shurtard was third in the high hurdles, and Jim Schneider was third in the 880.

The championship effort was dampened by an accident to pole vaulter Charles Schunk who broke his right arm while earning a third-place for the Bulldogs.

## What the Press Says About Medicare

Newspaper editors and magazine columnists are known for their objectivity in analyzing legislation as to its effect upon the public. They study an issue in depth before taking a public stand. Here are just a few observations of the press of the state and nation on the King-Anderson bill (HR 4222) commonly known as Medicare:

## Excerpt From Detroit Free Press Editorial, May 15, 1962

"Most people only know what the President tells them—that we have to do better about taking care of our senior citizens. They know that Kennedy likes his plan, and that he has all the big guns of his Administration working on its behalf.

"Therefore it must be good.

"It isn't. The bill is really an election-year package, designed to capture the vote of the 17 million Americans who are past 65. It doesn't even qualify as a medical care bill, which is what it purports to be.

"The Administration argument is based on the fact that our over-65 population is growing, and that with smaller houses and higher taxes, it becomes harder each year for their families to take care of them.

"No one denies this, and no one disputes the need for doing something. The real question is what is the best thing to do. The present bill isn't it.

"In light of these facts, the President's proposal makes far better politics than medical sense. We hold no brief for the American Medical Association, whose members are sometimes afflicted with inter-ear rigor mortis, but this time they are right.

"We hope, though, that a majority keeps its head, listens carefully, and holds to the conclusion that the music of the bandwagon is off key."

"The total cost must be a vague guess because the plan must deal with psychological imponderables. It is not based upon demonstrated need, and it was shown in Britain that no government experts could safely estimate the number of those who would avail themselves of something 'free.'

"We are quite aware that many who have looked upon this bill as the salvation of their declining years may still be somewhat skeptical of our argument. We urge them to write to their congressman and to ask for a copy of H.R. 4222, the bill introduced in the House February 13, 1961, by Rep. King. A careful reading of this document will open the eyes of any doubter.

"We want these senior citizens to have the security and adequate medical care they deserve. But, we do not relish the idea of buying their votes by misleading them into thinking that the King-Anderson bill will meet their needs.

"President Kennedy and the leadership of the American Medical Association proceeded absolutely nowhere in their discussion of the administration's so-called health care program for the aging this week. Such an impasse was to have been expected. The vast majority of the nation's physicians are fully aware of the fallacies in the plan and they justifiably want nothing to do with it."

## Raymond Moley Wrote in His Column in Newsweek, May 14, 1962

"This tax is discriminatory. It falls on only those who pay social security taxes, excluding all others. It is compulsory. But the need is alleged to be a national responsibility, and if that be so it should be paid by all, not some of the taxpayers.

"And consider—the small-businessman with a few employees. He cannot generally increase his prices to cover this expense. His plight is already obvious. It would be much greater under the King-Anderson plan.

"There can be no argument about the fact that there is a national obligation to make sure that no elderly person shall lack medical and nursing care. This country is rich enough, and its

people are humane enough to recognize that. Help is and should be provided by private insurance, philanthropy, the doctors themselves, and relatives. If, after a real examination of the facts, this is proved to be inadequate, the government should help. But the King-Anderson bill is not really protection for the aged. It is inequitable because it does not cover all old people who may need the care.

"The total cost must be a vague guess because the plan must deal with psychological imponderables. It is not based upon demonstrated need, and it was shown in Britain that no government experts could safely estimate the number of those who would avail themselves of something 'free.'

"We are quite aware that many who have looked upon this bill as the salvation of their declining years may still be somewhat skeptical of our argument. We urge them to write to their congressman and to ask for a copy of H.R. 4222, the bill introduced in the House February 13, 1961, by Rep. King. A careful reading of this document will open the eyes of any doubter.

"President Kennedy and the leadership of the American Medical Association proceeded absolutely nowhere in their discussion of the administration's so-called health care program for the aging this week. Such an impasse was to have been expected. The vast majority of the nation's physicians are fully aware of the fallacies in the plan and they justifiably want nothing to do with it."

## Excerpt from Editorial in Battle Creek Enquirer &amp; News May 4, 1962

"To further prove our argument that the public has been misled on this program, we cite the typical expense of a particular operation that is often required by elderly women.

"The standard surgeon's fee is \$90, but may range to \$135.

"The average length of hospital stay is eight days, for which the patient would pay each day under the King-Anderson bill deductible clause.

"Since some laboratory tests almost certainly would be necessary, another \$5 or \$20 of the patient's money would be involved.

"Thus, an elderly woman undergoing such surgery would have to pay at least \$170 from her own money—a sum far in excess of the average annual private insurance premium on true medical care plans that offer much more benefits, including fees of physicians and surgeons.

"There are many other flaws and fallacies in the King-Anderson bill, but to explore them here would only confuse the basic issue. We prefer to deal solely with the definition and stated purposes of the bill and to demonstrate how the public has been deceived by their wording and the interpretation of them by vote-hungry politicians. We are confident that if the people are awakened to realize how they have been deluded,

they would have none of the King-Anderson measure.

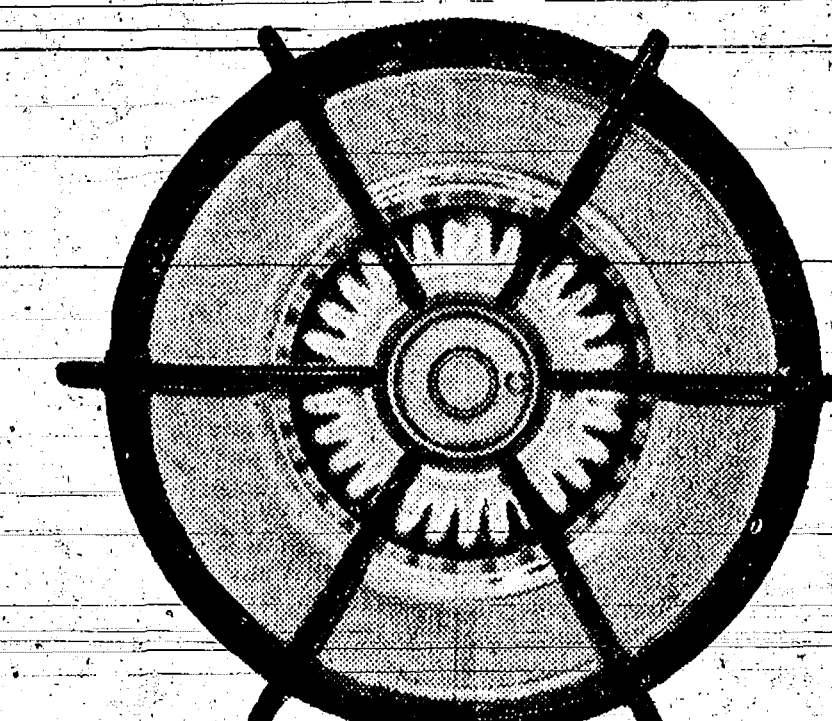

"We are quite aware that many who have looked upon this bill as the salvation of their declining years may still be somewhat skeptical of our argument. We urge them to write to their congressman and to ask for a copy of H.R. 4222, the bill introduced in the House February 13, 1961, by Rep. King. A careful reading of this document will open the eyes of any doubter.

Such an impasse was to have been expected. The vast majority of the nation's physicians are fully aware of the fallacies in the plan and they justifiably want nothing to do with it."

## THE LETTERBOX

Dear Mr. Editor:

It is apparent that finally in America the value of shelter against nuclear fallout is well recognized, as it is in Russia where, according to Time Magazine (Feb. 10, 1961), there are the concrete fallout shelters from every factory to the root cellar in every peasant hut.

However, to consider the big picture, if we survive these and other accidents taking life wholesale, we shall inevitably come to the age when, perhaps, we shall be afflicted with "small strokes" and the loss of alertness and other steps changing the individual from a warm, enthusiastic person with a bright brain to one that has little more enjoyment of life than a vegetable, plus possible pain, which is certainly unnecessary.

As Michigan in general is a leader in public health (for example it was the first state to lodge table salt to prevent exophthalmic goiter) right now is a good time to consider the possibility of doing for our loved ones what we should like done for us if we had our choice in the matter of the above or similar wasting diseases, by putting to sleep after consultation and approval by qualified medical boards.

I realize that laws and religious customs will have to be "pruned" radically to do this, but a start to changing public opinion must be made somewhere (otherwise we will be legalizing "witches"). Certainly euthanasia has the approval of many prominent clergymen and other public-spirited people. We cannot depend on the medical doctors to initiate legislation in this regard. For one thing they are sworn to the oath of Hippocrates, which enjoins them to preserve life to the bitter end. For another thing they are in enough hot water already! Still another consideration: the suspicion of convenience with relatives to get some of the wealth of a rich patient would have to be avoided. However, as a prominent clergyman living not far from here pointed out, such things as commitment in the case of mental disease are handled right now by suitable boards and in short the difficulty is not insurmountable. The main thing is that we should practice the Golden Rule to our aged as well as to the very young and the rest.

New occasions teach new duties. Time makes ancient good, uncouth.

They must upward still, and onward Who would keep abreast of truth." (from "The Present Crisis" by James Russell Lowell)

With regards, "A Citizen."

**Ypsilanti Attorney Seeking County Prosecutor's Post**

Vanzetti M. Hamilton, Ypsilanti attorney, has announced his candidacy for the Democratic nomination to run for the office of Washtenaw County prosecutor. Hamilton, 35, has been a resident of Ypsilanti since 1937, and has practiced law there for the past three and one-half years.

In announcing his candidacy, Hamilton made the following statement:

"The office of prosecuting attorney is the chief agency in the county charged with the responsibility of enforcing state criminal laws as well as conducting the various county agencies. It is my belief that this office must be administered both with diligence in the enforcement of law and with the fullest respect for the civil rights and liberties of those who are suspected or are accused of crimes.

"If elected to this most responsible position, I would strive to conduct the office with due regard for both of these criteria.

"As a life-long Democrat, and long-term resident of Washtenaw county, I believe in the two-party system of government, and I believe that better government in this county can only result from enlightened political discussion between qualified candidates from both parties."

Hamilton graduated from Ypsilanti High School in 1945, and entered Eastern Michigan University in the summer session of that year. While in college, he was active in Speech, Drama, and music activities. He was elected president of Phi Kappa Delta, the national speech honorary fraternity, in his senior year. He was also editor of the college newspaper in his Junior and Senior years, and was associated with Kappa Alpha Psi fraternity, in whose activities he continues to participate.

He taught at Willow Run Junior High School from 1949 to 1954, where he was one of the founders of the Willow Run Teen Canteen. He also received the M. A. degree in Speech Education from the University of Michigan in 1953. Hamilton entered the Law School at Wayne State University in the fall of 1954. He was editor of the Wayne Law Journal in his Junior and Senior years, and received the LL.B. degree in 1957.

After working as a driver's license administrator in the office of the Michigan Secretary of State for approximately one year, he returned to Ypsilanti, where he opened his own law office. **Grade School Music Festival Slated Friday**

"Music Around the World" will be the theme of this year's elementary school music festival to be held tomorrow, Friday, May 25, at 1:45 p.m. in the high school gymnasium.

The sixth grade band, under the direction of David Lindsay, will open the program with several selections. The combined classes of grade school children from North and South schools will then sing songs of countries representing every continent on earth, from Eskimo hunting songs to South American toe tappers, and from South Sea Island folk songs to Chinese lullabies. They will be directed by David Sanborn, director of vocal music in the Chelsea schools.

The public is cordially invited to this program free of charge. The doors will not be opened until 1:45 p.m. because of the rehearsal which will take place before the program.

**Mail Box Improvement Week Set May 21-26**

This week, May 21-26, is the annual Mail Box Improvement Week as designated by the Post Office Department.

Chelsea rural carriers and Postmaster Carl Mayer have stated they are grateful to Chelsea patrons for their continued efforts and co-operation in maintaining their boxes in keeping with department regulations — proper height, names plainly imprinted on the box itself or on name plates, and, in general, in a neat and often attractive setting.

Most rural patrons are careful to keep their mail box area free of weeds and tall grass and easily accessible for the carrier.

Patrons who may have neglected to properly care for their mail boxes are being asked to make a special effort to restore them to good condition this week.

Lightning has caused a three million dollar fire loss in the past five years on Michigan farms.

## WINDSHIELD VIEWS STOPPING ON DIMES

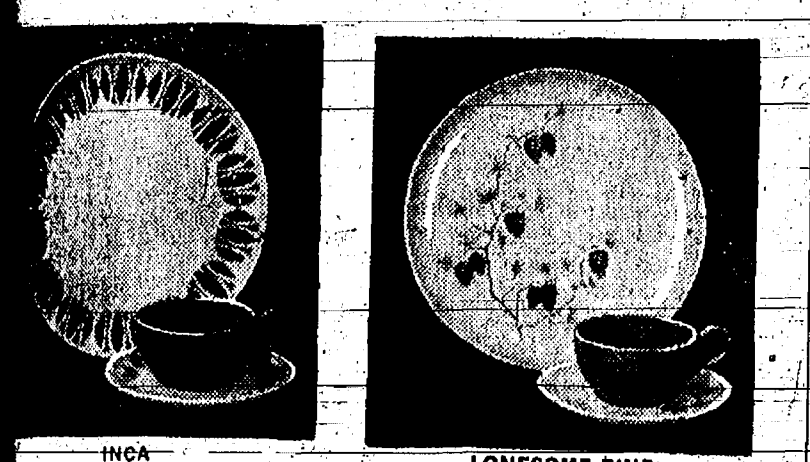

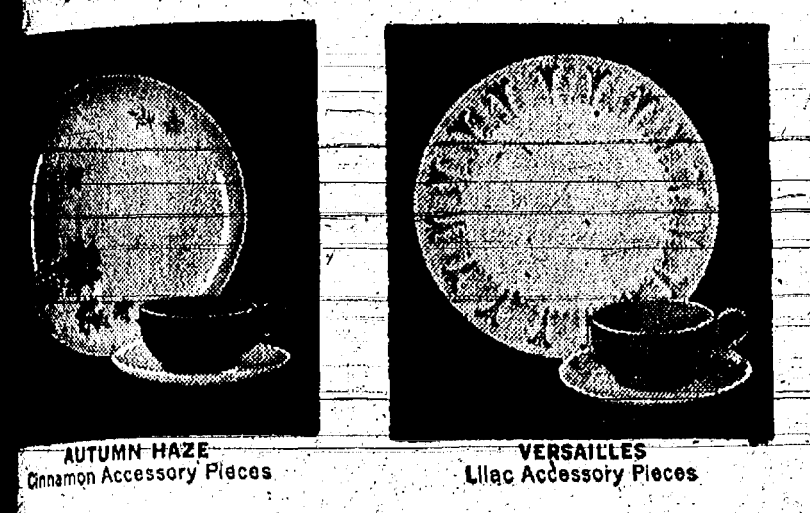

If you think you can stop your car on a dime, your change could be several dollars paid out for busted fenders, grill, noggin and so on. Most drivers tend to misjudge the distance it takes to bring their car to a complete stop at various speeds. For example: 125 feet are required to stop at 40 miles per hour. At 60 MPH you would need 272 feet. These figures are for ideal pavement surface conditions. Also, these figures are based on good brakes. If you suspect that yours might fall short, you better get over to FOOR MOBIL SERVICE fast. 520 South Main St. is the stop for all kinds of brake service that keeps you stopping. We'll guarantee it unless you're traveling too fast. Stop over today.

## Library Adds Extra Hours To Schedule

McKune Memorial Library, on Monday, June 4, goes on a new schedule of daytime hours on a permanent basis. The library will be open every day, Monday through Saturday, from 12 o'clock noon until 6 p.m.

The only change during the summer will be on evening hours. During June, July and August, the library will be open only one evening each week—Friday from 7 until 9 p.m.

In the fall, the schedule returns to the regular three evenings a week—Monday, Wednesday and Friday—from 7 until 9 p.m.

This schedule adds four and one-half hours to the former summer hours and the same number of hours to the regular fall and winter hours; in addition, the regular 12-5 p.m. hours will put an end to confusion as to "when is the library open today?"

The decision on the new, permanent schedule of hours as an added library service to the people of the Chelsea area was made at the May Library Board meeting; the matter had been under consideration for some time.

Principal study centered on whether the extra expense of additional hours could be fitted into the library's limited budget.

Former daytime hours were staggered at three hours each afternoon three days a week and five and one-half hours three days a week; evening hours were the same as those on the new schedule.

Announcement was made that the library will be closed all day Memorial Day, May 31.

## FFA Chapter Officers Named For Next Year

New officers of the Chelsea Chapter of Future Farmers of America have been elected as follows: David Young, president; Lynn H. Vey, vice-president; Jerry Hestler, secretary; Thomas Penhalligon, treasurer; Eddie Keizer, reporter; and Gary Koch, senator.

The officers will serve during the 1962-63 school year.

## Cynthia Klinger Graduating from California School

Cynthia Klinger, who attended Chelsea High school here freshman and sophomore years, before she and her family moved in 1960, to California, will be one of 376 seniors to be graduated June 14 from Hawthorne High school, Hawthorne, Calif.

She is the daughter of Mr. and Mrs. Ralph Klinger, of 1135 West 1st St., Hawthorne, Calif. She attended St. Mary's parochial school here for her elementary education.

Miss Klinger's grade average is 3.4857. She ranks 15th in the class.

She has served as editor-in-chief of the school's yearbook, the "El Estudiante." She was elected secretary of the school's House of Representatives by the student body of 2,000; has been an active member of the Girls League and while attending Chelsea High school, was a member of the Future Teachers Club.

She recently was selected to represent Hawthorne High school at a convention of the California Association of Student Councils which was held at Forest Home in the San Bernardino Mountains.

Miss Klinger's plans for the future include a further education at the University of California, Los Angeles.

## Rose Blooms Already!

Miss Robert Hestler has a beautiful Peace rose in bloom at her home, 17325 Waterloo Rd., at least three weeks before the customary rose season. Another bud was ready to open yesterday. The rose is pale ivory, shading to rose-tinted yellow.

## To Dedicate New Garage At Road Commission Yards

An added celebration for this Michigan Week in Chelsea is the dedication of the newly-completed Chelsea Yard III garage of the Washtenaw County Road Commission on West Middle St.

The dedication ceremony is scheduled for 11 a.m. tomorrow. Raymond L. Koch, chairman of the Road Commission, is to give the dedicatory address.

To be present for the occasion are the other two members of the Road Commission—Don Weir of Pleasant Lake and H. L. Frisinger of Ann Arbor; Howard G. Minier, superintendent-manager for the Commission, and all personnel connected with the Chelsea district which includes Lyndon, Dexter, Lima and Sylvan townships.

In addition to the district foreman, Wilbert Breitenwischer, employees include Raymond Schumacher, Oliver Walker, LeRoy and Vernon Satterthwaite, Fred Houk, John Klink, John Stoffer, Lloyd Schneider, Robert Farrell, Adrian Jones and Emerson Wheeler. The latter was recalled to military duty last year as a reserve and

is not expected to be here for the dedication.

Supervisors Maurice Hoffman, Leigh Beach, Warren Eisenbeiser and George Bauer of Sylvan, Lima, Dexter and Lyndon townships also are being invited to attend and a general invitation is extended to anyone interested.

The new garage building to house the Road Commission trucks and equipment working out of Chelsea, is of cement block construction 102 feet long and 48 feet wide.

The 102-foot length extends east and west along West Middle St. on what was formerly the Howe homestead site. It is attractively landscaped on the street side to blend with the adjoining residential area.

It will be heated by gas. Drivers of the equipment are especially happy because of this feature since they will no longer need to anticipate the trouble of starting cold motors during the winter.

Detroit, ranks fifth in the nation in total net effective buying income, and also in retail sales.

## John Merkel To Head McKune Library Friends

Discussion of library needs and methods which might be employed to aid in supplying some of these needs was on the agenda of the Friends of the Library meeting Monday evening.

Other business of special import was election of officers for the year, with John Merkel named as president.

Elected to serve with him are Harold Jones, vice-president; Mrs. James Hoffmeyer, secretary-treasurer; Dr. J. V. Fisher and Ben R. Donaldson, board members.

The meeting was held at McKune Memorial Library.

During the discussion of plans for special projects for the year, it was suggested that the McKune Memorial Library Board members be approached at a regular meeting with a request to list suggested library projects in the order of their urgent needs. The Friends of the Library could then plan their activities accordingly.
