School Vote Registration Deadline Near

Monday, May 11, is the deadline date for registering with the township clerks of the Chelsea School District for the June 8 school election when two school board members are to be elected. Voters must be registered with the clerk of the township in which they live.

Petitions are being circulated for three candidates, Robert G. Koch of 12255 Scio Church Rd.; Robert G. Foster, of 140 Clardale Ct.; and Robert K. Taylor, 345 Washington St.

Foster and Taylor are present members of the board whose terms expire this year.

Deadline date for filing petitions for candidates for the June 8 election is Saturday, May 9, at 4 p.m. The petitions must be filed with the secretary of the board, Robert Foster.

Class of 15 Prepares For Examination at St. Paul's Church

St. Paul's United Church of Christ has a class of 15 young people who will be presented at the 10:45 a.m. service Sunday, May 10, to participate in the customary public examination, before their confirmation, Sunday, May 17.

The Rev. Paul M. Schnake, pastor of the church, lists the members of the class as follows: Kenneth Blaess, Lynn Faist, Dianna Hale, Lynda Koch, Mark Lancaster, Karen Lehman, Sharon Mepyans, Jean Walters.

The list continues with Joan Dietle, Linda Haas, Suzanne Knickerbocker, Deborah Kuhl, Gary Larson, Rockey Mayne and Paul Schnake.

CUB SCOUTS . . . MAYBE: The two boys at left, David Bedford and John Merkel, would like to become Cub Scouts like Mark Schaible, at right; however, at present there is no room for them in the 11 dens which now have an enrollment of more than 80 boys. Chelsea Jaycees, who are sponsors of the Chelsea Cub Scouts are conducting an extensive drive to give every boy of Cub Scout age an opportunity to join. Shown with the three boys is Dan Foytick, assistant Cubmaster. Parents of the three boys are the James Bedfords, John Merkels and P. G. Schaibles, Jr.

JCC Seeks To Enroll More Adult Cub Scout Leaders

Chelsea Jaycees are currently conducting a concerted drive to recruit adults to assist with a greatly-increased Cub Scout program in Chelsea. At present only one out of every four boys who would like to be in Cub scouts is successful in becoming affiliated with a den.

It has been pointed out that there are more than 300 boys of Cub Scout age in the Chelsea area and only one-fourth of this number can now be accommodated. There are 11 dens.

Ideally, no more than six boys should be included in each den; at present, however, some dens have as many as 10 or 11 boys.

Cub Scout age is eight, nine and 10 years — those slightly younger should get information about future enrollment while those 11 years old or older may contact J. D. Potts or Max Heppburn for information as to procedure for joining Scouting activities.

Prospective Cub Scouts and their parents may contact Assistant Scoutmaster Dan Foytik, Scout Executive William Windle or Mrs. Harold Harrison, den mother chairman, for information. Letters are being mailed to parents of boys known to be of Cub Scout age.

Information related to Cub Scouts, in addition to age requirements, states that uniforms are desirable but not necessary; a registration fee of $1 per year and dues of 15 cents per week are the cost to each boy; and parental help in any way possible for the parents, themselves, is desirable but becoming a leader is not a requirement.

Adult leaders, however, are urgently needed if the Jaycees' goal is to be reached — giving every 8- to 10-year-old boy an opportunity to become a Cub Scout.

Malcolm Novess is Chelsea's Cubmaster.

Boundary Dispute Settled Between Industry, Fair Board

A long-standing boundary dispute between Tokheim Engineering Corp. and the Chelsea Fair Board has been settled without the threatened court action set for April 15. The out-of-court settlement, announced yesterday, was instigated by the Chelsea Economic Development Committee who intervened in the controversy when it appeared that an important industry could be lost.

The dispute over a 33-foot strip on the west side of the Fairgrounds, which both parties claimed, threatened construction of new loading dock facilities planned by the engineering firm in their over-all expansion program. Fair Board officials feared loss of the footage would impair operation of the Fair dining facilities since a relocated boundary would be within eight feet of the building.

"It seemed a reasonable settlement could be worked out compatible to both parties when we volunteered to mediate the dispute," EDC officials commented.

An acceptable solution of dividing the property was arrive at when both parties were brought together and confronted with the other's needs—the Fair Board receiving a 10-foot strip and Tokheim the remaining 23 feet.

Both the Fair Board, for their realization of industrial expansion importance, and Tokheim, for their understanding of community activities such as the Fair, should be commended for the settlement, the EDC members pointed out in making the announcement yesterday.

FFA Livestock Judging Team Wins State Honors

Twelve boys of the Chelsea Chapter of Future Farmers of America participated Saturday in the annual agricultural judging contests at Michigan State University, East Lansing. Results of all the contests are to be announced next week; however, it was learned here yesterday that Chelsea's livestock judging team won first place in the state contests and will represent Michigan at the national FFA convention in Kansas City, Mo., in October.

Members of the winning team are Don Hinderer, Dick McCalla and Bob Kushmaul.

It was a matter of pride for the Chelsea chapter to have the unusually large number of boys participating at the state events.

In addition to the livestock judging team, Chelsea had teams entered in dairy judging, soils judging and forestry.

Members of the other Chelsea teams are listed as follows: dairy—Jim Briatic, Ken Bollinger, Bill Watkins; soils—Dave Hargrave, Ken Reinhardt, Doug Young; and forestry—Greg Kuhl, Dave Clark, Bill Wenk.

The Michigan FFA Association will sponsor the winning Chelsea team's trip to the national convention. All expenses of the trip for the team members and their advisor, Gary Jackson, are paid by the state association.

Home from Hospital

Martin Steinbach who was a patient for three weeks at St. Joseph Mercy Hospital after suffering a heart attack, returned to his home here Saturday.

Public Schools Will Be Closed All Day Friday

Chelsea public schools will be closed all day Friday, May 8. High school faculty members will be attending Schoolmasters Association meetings at Ann Arbor and elementary teachers have scheduled conferences.

Education Foundation Seeks To Form Fund For Student Loans

Goal Will Be To Help Deserving CHS Grads in Further Education

The Chelsea Community Educational Foundation Board of Directors is giving everyone in the community an opportunity to contribute tomorrow to the Foundations "Dollars for Scholars fund. Friday, May 8, has been designated as collection day and tables with collection personnel in attendance will be located throughout the afternoon and evening—12 noon until 9 p.m. — in both the uptown business area and at the Stop & Shop store.

Assisting in the project, also, will be members of the Kiwanis-sponsored Key club of Chelsea High school and members of the Chelsea Teachers Club who will canvass the village, stopping wherever residents have their porch lights turned on to indicate they wish to make a contribution.

Arrangements have also been made for mailing contributions in care of Chelsea State Bank, addressing them to Chelsea Community Educational Fund.

As suggested by the campaign slogan, all interested persons are asked to contribute at least one dollar. It is estimated that one dollar from everyone in the community, added to the amount already in the fund, and any larger contributions which may be received will provide a sufficient amount so that administration of extending loans to students may be instituted immediately.

Dr. J. V. Fisher, president of the Chelsea Community Educational Foundation Board of Directors, in summarizing activities of the Foundation; to date, said the Foundation is now ready to function when sufficient funds have been contributed and has broadened the scope of its initial purpose which was stated as follows: ". . . that no graduate of Chelsea High school in the future need be denied a higher education in the event he desires to continue in school and is capable of doing so.

The fund is now an available source from which qualified and deserving graduates of Chelsea High school may borrow in furtherance of their advanced education or for the acquisition of a trade or profession.

Arrangements for the mechanics of administering these funds are now completed and applications are in the process of being printed; within the next week they will be available through the office of the Chelsea High school student guidance counselor.

Norman Schmidt Retiring from Telephone Co.

Norman H. Schmidt, a 42-year veteran with the Ann Arbor office of the Michigan Bell Telephone Co., will be honored by fellow employees and friends at a retirement reception Friday evening at the Ann Arbor Moose Lodge.

Schmidt, who resides at 143 Van Buren, began his career with the local office as a groundman in the construction department. He eventually attained the rank of foreman. In 1957 he joined the staff of the district plant engineering group in Ann Arbor until his retirement.

He was married to Lenore Kalmbach of Grass Lake, Oct. 6, 1923. The couple have three children, Richard, Mrs. Ellis (Elaine) Boyce, Mrs. Duane (Eleanor) Hall and eight grandchildren, all of whom live in the Chelsea area.

Schmidt is a member of the Chelsea Rod and Gun Club, St. Paul's United Church of Christ in Chelsea, and the Telephone Pioneers of America.

He plans to devote his time to hobbies including hunting, fishing and gardening.

CHS Alumni Banquet Slated

Announcement was made this week that the Chelsea High school alumni banquet is to be held at the new high school cafeteria on Saturday, June 13, at 6:45 p.m. The Junior class is responsible for the catering.

The class of 1939 is planning to hold a reunion in observance of the 25th anniversary since graduation.

Present Alumni Association officers are Robert Merkel, president; Lloyd Grau, vice-president; Mary Kathryn Weber, treasurer; and Mrs. Robert Robbins, secretary.

Dating Problems To Be Studied By High School Youth

"Why do we date? What can we do on a date? Shall we go steady?" Starting this Sunday afternoon at 2 o'clock, in Sylvan Town Hall will be the first of three "Dating Roundtables" for high school young people. A social caseworker, a doctor, and an instructor in family living will lead the discussions after presenting materials they feel will be helpful.

Sponsored by the United Christian Youth Council of Chelsea which was organized this Spring to help local church youth programs be more effective and to be a means for co-operative efforts, the "Dating Roundtable" has been planned by a committee headed by Tina Lindauer. She appointed to this committee Kenneth Lofquist, Laurie Reddeman, and Tim Meininger who have been working with UCYC advisor, the Rev. Robert Livingston. The representative youth from the co-operating churches who make up the Council met in the school library to review and approve the committee's work. Arrangements have been made by the committee.

"Why Do We Date?" will be the topic for Sunday's session when Mrs. Roger Strauss of the Ann Arbor Family Service Bureau will speak and answer questions. In discussing motivations behind dating she will suggest "exploitation," "for fun," "psychological," and "pre-courtship" reasons for going on a date, and point out the problems involved in a date that mixes these motives.

Pencils and paper will be available for questions as well as from the floor and the committee says that half of the time will be reserved for this. Some questions already given to her are: How important are "looks" in ones choice of a date? What else might be important? Are some people potential "trouble' types that we can avoid? Does one's family affect dating, and vice-versa?

All high school youth are invited and questions may also be handed to anyone on the committee in advance. There will be no admission charged and advisors to

School Bond Vote Set For July 6

At a special meeting of the Chelsea School District Board of Education Tuesday evening, it was agreed to submit to electors a request for approval of a $240,000 bond issue for the proposed addition to Chelsea High school and to hold the election on July 6.

It was also agreed to submit at the same election, a proposal for a sinking fund.

Finalization of both proposals will take place at the regular board meeting on May 19.

Other action at Tuesday's special meeting included naming of Jack Curl as head football coach for next year.

Approval was also given for an additional first grade teacher in order to cut down the size of classes in that grade.

The proposed hot lunch program in the elementary schools was also discussed and the matter was tabled until the regular meeting May 19.

High School Yearbook Now on Sale

Carol Mayer, editor of the Chelsea High school yearbook, "The Barker," and James LaGoe, the senior class advisor, announced yesterday that orders for the books will be accepted until Monday, May 18.

It was emphasized that no orders can be accepted after that date; since no extra copies are being ordered, anyone whose order is not placed by May 18 will not be able to secure a copy later.

Students who wish to place their order may leave their names at the school office and some member of the senior class will contact them before the deadline date.

The Barker this year will cost 50 cents more than in former years, the additional cost necessitated because of 30 additional pages and because of the school's own individual cover design which is the work of Valerie Burghardt, the art editor. Cost of the book this year is $4. A deposit of $1 will be accepted at the time the order is placed or the entire amount may be paid at that time.

Delivery is scheduled for early October.

Theme of the school annual is "Our Town, School and Community," and with the 30 additional pages is described as "bigger and better than ever."

Senior class members are hoping to secure orders for at least 400 of the yearbooks.

Many parents will learn much by helping Junior with his school homework.

Road Commission Employees Earn Service Awards

Norman Gregory of Dexter received a certificate for 10 years of service and Oliver Walker of Chelsea received a certificate for 30 years service at the annual service award dinner of the Washtenaw County Road Commission Friday evening, May 1. The dinner was held at the American Legion Home at Saline.

Two men who had retired during the past year received gifts from their fellow employees. The two are Fred Houk of Chelsea, who was credited with 23 years of service, and William Rettig of Ann Arbor, with 15 years of service.

The awards were presented by County Road Commissioners Raymond L. Koch, Herbert L. Frisinger and Donald A. Weir.

Those who received recognition for 15 years of service are Marvin and Rudolph Boelter of Manchester, while 10-year certificates went to Emerson Wheeler of Chelsea, Egbert Treat and Raymond Rola of Manchester, George Chambers of Whitmore Lake, Ted Kulik of Whittaker, and Clarence Klumpp of Ann Arbor.

Five-year certificates were presented to Carl Carstens of Dexter; William Bross of Manchester; Margaret Teasdale, Patrick Clisham, Clarence Stoll and Bryan Meek of Ann Arbor; William Morgan and Ralph Winkler of Willis; and Ronald Smiley of Saline.

Poppy Day Sale Slated May 22 By Legion Auxiliary

Herbert J. McKune Unit No. 31 American Legion Auxiliary, with 16 members present, met Tuesday evening at the Legion Home at Cavanaugh Lake.

Announcement was made that the annual Poppy Day will be held Friday, May 22; also that the Auxiliary's mother and daughter banquet will be held Thursday, May 14, at the Legion Home and that a Second District birthday party for hospitalized veterans is scheduled for June 12.

Poppy Day chairman is Mrs. Merle Barr, Sr.

For the mother-daughter banquet, scheduled for 6:30 p.m. next Thursday, those who attend are to bring their own table service and a dish to pass.

Announced as the Auxiliary's delegate to Girls' State at Ann Arbor next month was Janet Kohr while Sandy Erskine was named alternate.

Mrs. Lee Buehler mentioned that the Auxiliary's hospital equipment is now stored in the Municipal Building. Anyone in the community who wishes to borrow items needed for home care of the sick may contact her, she said.

Hostesses for Tuesday's meeting were Mrs. Walter Schrader, Sr., Mrs. Clarence Ulrich and Mrs. William Stofer.

More Tax Records Set; Others Will Be Broken

Lansing — The Secretary of State's office which set all-time records in virtually all activities last year . . . tax collections, driver licensing, vehicle licensing, titles, you name it . . . is well on its way to smashing them if the first quarter story is a harbinger of things to come.

In the way of tax collections, Secretary of State James M. Hare disclosed that his department had collected $17,634,340 in sales tax, an increase over 1963's first quarter of $2,083,697. Use taxes for the first quarter of 1964 ran up to $2,229,426, an increase of more than a quarter million in this.

Working is an art which many people fail to appreciate.

Trouble in Ranks

Growing disenchantment among conservative Republican lawmakers with the man they were supposed to follow as chief executive was present only in off-the-record comment until recently.

Then Sen. Clyde H. Geerlings of Holland, long-term chairman of Senate Tax Committee, joined nine other GOP old guard members in supporting a Democratic-engineered Congressional and Senate districting plan.

The balk by Geerlings and the other Republican members was one of the first signs of possible trouble for Romney in his political activities.

A carefully considered statement by Geerlings the same day, declaring he was becoming a nonpartisan, attacked the Governor's methods more than his programs.

Long before Romney was elected, it was forecast he would have a difficult time adjusting to the ways of politics. He was a business oriented executive who previously achieved his aims by simply telling people to carry them out. This doesn't work in the State Capitol.

Presumably Geerlings and some of the other 10 disenchanted members made their discontent known to their colleagues, and to the Governor's office prior to the open split on the apportionment bills.

As in any private labor-management dispute, early attention to the Senators' grievances might have prevented the Geerlings public attack and the nine other votes which went to professional strategist Lt. Gov. T. John Lesinsk's apportionment plans.

Still another aspect of the somewhat blurred Romney image came the following day in the formal announcement by Ferndale auto dealer George Higgins that he would seek the Republican gubernatorial nomination against the incumbent.

The dangers to Romney incumbent in Higgins' announcement were immediately apparent to most regular Capitol observers.

Lack of a Democratic primary for Governor and the Michigan law allowing switch-voting in the preliminary contest could give the "out party" a much better chance to get in again.

Enough Democrats voting Republican for Higgins in the primary could push Romney completely out of the political arena in the state. Chances of this seem unlikely, however.

Hard To Reduce

Merger of state agencies will wait until 1965, unless a decision is made for a special session on the matter.

The new Constitution gave the legislature two years to accomplish the reorganization of some 130 boards and agencies into 20 or fewer state agencies. If this is not done in that time, the reorganization will become the Governor's responsibility.

Some progress was made toward this goal in the current session. In its way through the Senate, the proposal for reorganization was changed to meet objections of some groups.

Stoppage of the bill in a House committe was blamed on the shortage of time to consider it. The problems of reorganization are very vivid. No one wants his ox gored.

Dr. Albert Heustis, State Health Commissioner, wants a single unit to handle all the state health functions, but he disclaims personal ambition to head any new agency which would be formed.

Acting Mental Health Director Charles Wagg, however, says the many duties of his department preclude its being absorbed into a giant, multi-purpose health unit.

Educational activities of state government should all be brought under jurisdiction of the State Department of Education, says Lynn Bartlett, Superintendent of Public Instruction.

He proposes this include the State Historical Commission, but Secretary of State James Hare contends the commission is and should remain a part of his department.

Legislators in both houses will find it difficult to distinguish between the personal ambitions and the reasonable arguments from these and other state bureaucrats in attempting the reorganization.

It is reasonably certain every effort will be made to effect the merger in the legislature, rather than having it done by one man.

POLICE GET PIRATE MAP

Elizabeth, N. J. — Police received a crudely drawn map in the mail with directions leading to a big "X" denoting the place of the treasure. Detective George W. Devanney followed the map and discovered a 35-horsepower outboard motor. He believes the note was sent by some conscience-stricken juveniles.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

I been cooped up in the house all week on account of catching me a little virus. I was raised up to call it the sniffles but nowadays a feller can't git no status and very little sympathy unless he's got a virus.

When I was a boy they called it the sniffles until you got down in the bed with it, they they called it a cold. Along about the start of World War I the doctors started calling it "La Grippe" but that was hard for the one-gallus boys to pernounce so they changed it to the "Flu." Then about the time we discovered the atom the doctors come out with this Virus or Virus-X business. They didn't have no cure fer the sniffles and they aint got none fer Virus-X, but they couldn't be expected to cure a thing called Virus-X as fast as they could the sniffles, so I figger they was hiding behind fancy names. I'm looking any time now fer 'em to quit calling it the old-fashioned bellyache and start calling it somepun like "intestinal maladjustment."

And speaking of the medicine perfession, I see by the papers where the doctors in England was all going broke under their social medicine plan. I thought that was the aim, everbody go broke and live off the Guvernment on high taxes.

Anyhow, on account of me having a virus, I ain't done nothing all week but set and look at television. About all I learned was they got around 339 soaps or "detergents" that gits clothes whiter than the other 338. I recollect back during the war when England made General Eisenhower and General MacArthur a Knight of the Bath. I was just thinking, setting here listening to them commercials, they was missing a chanct to make a fortune by not endorsing fer television some brand of soap they used fer the Bath.

Ed Doolittle come by and set with me fer a spell and brung me up to date on the local news, the kind, Mister Editor, you can't put in your paper. He was telling me about his daughter, the one that works in the city and calls dinner "lunch." Well, she announced Saturday night she had broke up with her boy friend, said she wasn't going to marry no man that would ever tell her a lie. Her Ma told her it was going to be mighty said having a old maid in the family. Ed allowed as how they was a time when the head of the house should keep quiet and he figgered this was one of them times. Incidental, Ed said he was coming down with a virus hisself next week on account of his old lady has announced it's time fer Spring cleaning again. He says he always gits a virus fer that annual event. Ed is a mighty good feller to cheer you up, Mister Editor, when you got a virus.

Yours truly,
Uncle Lew.

Delinquent Tax Property Sale Off to Slow Beginning

The annual sale of lands delinquent for taxes throughout the county began Tuesday, at 10 a.m., in Room 117 of the County Building at Ann Arbor. County Treasurer Sylvester Leonard conducts the sale daily from 10 a.m. until 12 noon and from 2 p.m. until 4 p.m. The items are sold to the highest bidder.

The first day of the sale only one of the parcels had been sold. Still listed were a total of 1,016 parcels, according to Gerald Roberts, account examiner in the county treasurer's office. This compares with 880 parcels sold for taxes at the May tax sale last year.

The original list, as published in The Chelsea Standard during Feburary, 1964, contained a total of 2,026 items. Owners had until 5 p.m. Monday to pay the delinquent taxes and save their property from being put up for sale. A total of 1,275 took advantage of that opportunity, Roberts pointed out.

In connection with the sale, Roberts furnished some little-known information about delinquent tax sales. Roberts said many are often misinformed about the procedure.

Parcels up at the sale have taxes in arrears for the past three years.

The tax sale, actually is not an outright sale of the properties offered but a competitive sale of the lien for the unpaid taxes and charges. The tax lien covering the properties is sold to the persons who pay the accumulated taxes and charges and take the least undivided interest in the premises.

Successful bidders receive from the county treasurer certificates indicating their purchases of the delinquent tax liens. If the sale of the tax lien is for an interest less than the entire amount and the purchaser forecloses, he becomes a tenant in common with the owner to the extent of the undivided interest he purchased.

The owner has the right to redeem at any time prior to the next annual tax sale by pay the amount of the sale plus percent per month. Redempt may be made at either the cou treasurer's office or the office the auditor general.

If lands are redeemed by owner, the holder of the tax tificate is notified of such demption by the auditor gene and upon surrendor of the ce ficate of purchase he recei from the state the amount p by the owner to redeem.

If the tax sale is not redeem by the owner prior to the annual sale, the purchaser surrender his purchase certificate the office of the auditor gene and a tax deed will be iss

The tax deed in itself does convey absolute title to the pr ises. Redemption from the deed may be made by the ow by payment of the purchase p plus 50 percent, plus $5 and cost of the service of the s iff's notice, if the service has b made. This redemption may made by payment to the purcha himself or by depositing amount in the county clerk's fice.

Before the holder of the deed may acquire title to premises under the law he m cause a sheriff's notice to served upon all owners of inter and occupants of the premis This notice calls attention to owners that their properties h been offered for sale and that person making service does the tax deed covering the pr erties.

The owner has six months a service of notice to effect rede tion by paying to the purcha or depositing in the county cle office a sufficient amount to fect redemption. If redemption not made within this period of months, the tax deed holder absolute title to the premises der law.

Jet-smooth Luxury Chevrolet makes crooked roads feel like going straight

Chevrolet's Full Coil suspension makes the crookedest S-curve seem on the level. With a double-acting shock absorber in each corner, it takes the jumps out of bumps. With 4-link levelizing control, you get away with Jet-smooth acceleration.

With built-in anti-dive control, you come to Jet-smooth stops. And with low-friction Ball-Race steering, you waltz over twisting roads as gracefully as a ballerina.

CHEVROLET TRADE 'N' TRAVEL TIME
FOR THE GREAT HIGHWAY PERFORMERS

All seven Chevrolet engines are precision balanced for smooth operation. And because your Chevrolet has over 700 insulators and sound deadeners, you don't have to shout to have yourself heard.

It's Trade 'N' Travel Time at your Chevrolet dealer's—the perfect time to try the Jet-smooth ride. Find the meanest stretch of road you can. Then see for yourself how straight a crooked road can feel.

County School Official Is Guest of St. Mary's Assoc.

William H. Eary, co-ordinator of visiting teacher services with the Washtenaw County Intermediate School District, was introduced as the guest speaker at the May 5 meeting of St. Mary School Association by the association's president, Jack Merkel.

After his talk on the topic, "How Emotional Problems Affect Education," Eary answered questions on the subject and gave the names of various qualified agencies where help may be obtained for children with emotional problems. Among these are Catholic Social Services and the University of Michigan Children's Psychiatric Hospital. The latter was described as one of two in the United States rated as the best in their field, Easy said.

The monthly business meeting of the association was held following Eary's talk. There were 25 parents present in addition to the teachers — Sister Ann Seraphim, Sister Leo Patrice, Sister Marie Caritas and Sister Jean Barbara; also Mrs. Charles Sullivan, second grade lay teacher.

Mrs. Frank Warywoda reported on the "hot dog" lunch served to school children at noon on April 16; after discussion the group decided to repeat the project on Thursday, May 21. Mrs. Alex Roskowski was appointed to act as chairman of the event. Others appointed to assist her are Mrs. Mark McKernan, Mrs. Richard Kalmbach, Mrs. Jack Merkel, Mrs. Mark McClear and Mrs. Frank Warywoda.

The association went on record with a vote of thanks to the Sisters for their co-operation and to George Merkel for his assistance and donations for the lunch project.

A request from St. Mary's Altar Society asking the association's assistance with the annual Sisters' tea was discussed and it was agreed to co-operate. Mrs. Keith Boylan was appointed chairman for the association's participation. Date of the tea is late September or early October.

President Merkel announced June 16 as the date for a special "day of recollection" for women to be held at St. Francis Church, Ann Arbor. Hours are 10 a.m. to 5 p.m. Jesuit Fathers will moderate the meeting. Mrs. Leon Chapman may be contacted for further information, it was announced.

The next meeting of the association is to be held Wednesday, May 27, the change of date being decided upon to enable J. V. Burg, II, to be present to discuss the parish picnic to be held June 28 at the Ann Arbor Co-Operative Society Family Camp ground at Clear Lake. It was pointed out that the campground is north of the Clear Lake county park.

Everyone in the parish interested in holding this picnic is asked to attend the May 27 meeting since full support of the parish is necessary for its success. The meeting is to be held in the seventh and eighth grade room at St. Mary's school and will begin at 8 p.m.

Hostesses for the May 27 meeting are to be Mrs. Richard Kalmbach and Mrs. Arthur Stahl.

Hostesses for the May 5 meeting were Mrs. Alfred Juergens and Mrs. Paul Koch.

The attendance banner at Tuesday's meeting went to Sister Marie Caritas's third and fourth grade room. The banner is presented each month to the classroom with the largest attendance of parents at the association meeting.

It was announced by Sister Ann Seraphim that St. Mary's school will have classes as usual Friday, May 8 (tomorrow) although the public school will be closed. Parents will be responsible for their children's transportation to and from school.

Dan Maroney Named to Jaycee District Office

Announcement was made this week by the Chelsea Junior Chamber of Commerce that Daniel Maroney, a past president of the Chelsea Jaycees, has been named District V vice-president. The election took place at the District V regional meeting and banquet at Tecumseh on April 23.

Maroney served as district vice-president two years ago, having been appointed to fill a vacancy at that time.

Maroney, whose home is at Cavanaugh Lake, is employed at Spartan Industries in Jackson.

Another Washtenaw county man, Ken McAdams of Ann Arbor, was elected national delegate from Region B of which District V is a part.

At the banquet and meeting at which the two men were named to their offices, were Merle Leach, Maroney, Ed Akin and Arthur Stoll of the Chelsea Jaycees.

Dating Roundtables . . .

(Continued from page one)

youth groups are invited to observe.

On May 17 Dr. Jerry Gray's topic will be "What's There to Do?" He will deal with the area of physical contacts and perhaps have an informational movie. He will discuss questions in this area and consider some already posed for him: Why don't parents trust us? What else can we do on a date?

The final "Dating Roundtable" will be on May 24 when James Clark will speak on "Questions About Dating." He is an instructor in Ann Arbor and teaches youth on Family Living. What's a philosophy of dating? Going steady? Does love mean anything goes? Must we say "no" and can we? These questions are directed at him already.

The UCYC invites all high school youth to this series on dating which will be held in 112 W. Middle at the Sylvan Town hall on the next three Sunday afternoons. They say to come single in a crowd, or "get a date."

Seven Digit Dialing Now Necessary

N. J. Prakken, manager of Michigan Bell Telephone at Ann Arbor, has announced that beginning Saturday, May 9, it will be necessary for Chelsea customers to dial the "47" or "GR" when dialing any Chelsea numbers. To date, this has not been necessary.

The need for the new method of dialing was occasioned by the growth of the Chelsea-Ann Arbor exchange.

Prakken said that this summer a new office will open in Ann Arbor — a "76" office — and the University of Michigan will be assigned the number 764-1817.

In order that Chelsea customers may be able to dial into the new office, the Chelsea numbers must go to the seven-digit pattern.

Prakken said that failure to dial the seven-digit number, beginning Saturday, will give the calling party a recording which will state that the "call cannot be completed as dialed."

To avoid confusion and delay in having calls completed, Prakken said, "Dial the two letters, GR and five digits, or the seven digits which will be the telephone number preceded by the numerals '47.'"

The new system of dialing, Prakken repeated, begins Saturday, May 9.

ANNOUNCING CHARLIE BROWN'S PHENOMENAL "FALCON SALE"

GOOD NEWS SHOULD BE SHOUTED FROM THE ROOFTOPS

Peanuts Characters © 1960 United Feature Syndicate, Inc.

'64 FALCON SPRINT HARDTOP

No wonder Charlie's bustin' with pride! Falcon's outselling the "Big Three's" other compacts by almost 2 to 1. And we mean to keep it that way—with low, money-saving prices you just won't be able to resist!

Pick yours from the widest choice in the compact field—17 different Falcon models. Enjoy the newest styling—Falcon has a new total-performance look for '64. And Falcon has the plushest ride—thanks to wider rear tread, improved suspension and additional insulation.

If you really want to go, specify the optional 164-hp V-8—the kind that enabled Falcon to win both its classes in this year's Monte Carlo Rallye. Another sporty option is a 4-speed stick shift. And no matter which model you choose, you get Falcon's time- and money-saving twice-a-year (or 6000-mile) service schedule. So why wait? Hurry in today!

Michigan Cities Plan Salute to Lowly Mushroom

Lansing — Michigan's famous mushrooms holds the center of attention the week-end of May 9-10, with several events scheduled around the opening of the mushroom harvest season, according to the Michigan Tourist Council.

Boyne City pays tribute to the plant Saturday, May 9, with the staging of the National Mushroom Picking Contest in that community.

Two days have been set aside for a similar event, Saturday and Sunday, May 9-10, with the Mushroom Festival at Lake City.

Kalkaska is celebrating Mushroom Harvest Days during the entire month of May.

Also of interest to week-end travelers is the wind-up of the annual Blossom Festival at St. Joseph-Benton Harbor, Saturday, May 9.

E. Van Riper Honored By FFA Chapter

Everett Van Riper was recognized last Wednesday evening at the annual FFA banquet for his service to agriculture for Chelsea and the Chelsea Future Farmers of America. The degree of "Honorary Chapter Farmer" was conferred upon him to show the chapter's appreciation for his assistance.

Gary Smith of Litchfield, a past state FFA officer, was the guest speaker at the annual banquet which was held at the Chelsea High school cafeteria and attended by 130 persons, including FFA members, their parents and friends.

In his talk, Smith emphasized the value and importance of FFA membership.

Jerry Bristle and Ed Keezer were recognized for their total achievement in FFA and their farming programs. They are the recipients of the DeKalb Award, highest in the chapter, presented each year to the outstanding FFA senior.

Jerry Bristle was the recipient of the outstanding leadership award; Ken Bollinger received the scholarship award for his top scholastic mark in the chapter.

For proficiency in various areas of agriculture, Foundation award winners were Jerry Bristle, dairy; Ed Keezer, livestock; Dave Clark, poultry; Ken Bollinger, crops; Bill Wenk, forestry; Dick McCalla, farm mechanics; Jim Schiller, farm electrification; Carl Loetfler, soil and water management; and Jim Bristle, public speaking.

For their over-all achievement in agriculture, Don Hinderer was recognized as the Star Chapter Farmer and Bob Kushmaul as the Star Greenhand.

Personals

Mr. and Mrs. Walter Vicary and Mrs. Annabelle Woolley spent Sunday in New Baltimore where they visited Mrs. Vicary's sisters and their families Mrs. Fred Schlosser and daughter, Thelma, and Dr. and Mrs. H. E. Fogt and daughters' Dorothy and Adeline.

Mrs. Herbert Howell and daughters, Karen and Judy, of Jackson, spent Saturday here with her mother, Mrs. Fred Seitz, and attended St. Paul's church mother-daughter banquet in the evening.

Mr. and Mrs. Merle Barr, Sr., returned Thursday from a four-week stay in Florida. They visited Mr. Barr's sister and brother-in-law, Mr. and Mrs. Don Yost at Largo; Mr. and Mrs. Joseph Hull at Safety Harbor; Mr. and Mrs. Mance Kirkland at Eaton Park; and called on Mr. and Mrs. James Park, formerly of Chelsea, at Dunedin.

THANK YOU

Many thanks to the friends who called, sent fruit and otherwise remembered me while I was ill also, the Masonic orders for calls and cards, Mrs. Mac Packard for the loan of crutches, and the Rev. Paul Schnake for his call. These thoughtful kindnsses are much appreciated.

—Martin Miller

Church Softball League Proposed for Summer Play

Tuesday morning the Chelsea Ministers Fellowship decided to ask for volunteers from their churches to participate in organizing a Church Softball League for this summer. One from each church is to come to a meeting to make preliminary plans. Churches may enter as many teams as they like. The main point of the games will be fun and fellowship, with non-paid umpires. Church connections will be assumed for all players.

To be able to equalize abilities and include as wide a range of age and physical endurance the large no-glove softball will be recommended.

Representatives are invited to attend a short meeting Monday night at 6:30 on the steps at the main door of the high school. This is just before the track meet. If arrangements can be made for bad weather a sign there will show where the meeting will be inside.

The Recreation commission has given this project their approval and will help with arrangements.

Other business done by the local ministers was the arrangement for the Baccalaureate. It was decided that it was St. Paul's turn to provide the preacher. Mr. Schnake will preach and arrange for the other participants. The service will be held at the High School Auditorium at 7:30 p.m. on Sunday, May 31.

The UCYC (United Christian Youth Council) of Chelsea reports that there are three projects planned. For the first time they instigated the holding of an After-Prom worship service, and they asked the Rev. Livingston to conduct it in the social room of the Congregational church.

Also they announced a three-part Dating Roundtable for youth to be held May 10, 17, and 24 in Sylvan Town Hall at 2 p.m. on those Sunday afternoons.

This summer they have invited a Peace Caravan of young people to visit Chelsea on July 11, 12, 13, and 14. These caravaners will be available to the churches to participate in the services on Sunday, July 12. The UCYC has plans for an International Night which will use their diverse background in folk singing, dancing, and fun.

The recent dinner meeting with the Council members was appreciated by the ministers for its chance to get acquainted with the new Council it was stated at Tuesdays meeting.

Next meeting of the Ministers Fellowship is Tuesday, June 2, at St. Pauls at 8:30 p.m. All Chelsea ministers are welcome.

Mrs. LeRoy Satterthwiate and her mother, Mrs. Addie Fitzmier, attended a smorgasbord dinner at St. Paul's Lutheran church, Ann Arbor, on Wednesday of last week and Mrs. Fitzmier remained in Ann Arbor to spend until Saturday with her cousins, Mr. and Mrs. Robert Schulz at their home on West Liberty St.

St. Mary's Church Holds Annual May Crowning

St. Mary's Catholic church held its annual May Crowning on Sunday, May 3. The procession was led by the crossbearer, James Boylan, and two candlebearers, Michael Gaken and Ronald Wengren. The eighth grade boys formed the Crucifix of the Living Rosary and children from the fourth grade to the seventh represented the beads.

The First Communion group represented the Guard of Honor for the May Queen, Sharon Alber, and her court, the eighth grade girls, with Denise West as crown bearer, and Michelle Rappette and Richard Lutovsky acting as pages. This procession preceded the Rev. Fr. Francis Maliszewski, pastor of St. Mary's, accompanied by an altar boy, Michael Schnaidt.

The children sang as they entered the church accompanied by Marcy Orlowski and Mary Ann LaRose at the organ.

The ceremony of placing the crown on the head of the statue of the Virgin Mary took place during the singing of the hymn, "Holy Mary, Now We Crown Thee." Sharon Alber, as the May Queen, officiated at the crowning.

The Rev. Fr. Maliszewski spoke after the children representing the Rosary recited it and the May Crowning was concluded with the hymn "On This Day, O Beautiful Mother," sung by the children.

CHS Business Club Plans Open House

The newly-formed Chelsea High School Business Club plans an open house on Wednesday, May 20, from 7:30 to 9:30 p.m. It will be held at the High school in room 20 of the Commercial Arts Building.

Purpose of the open house is to acquaint the public with the various aspects of the commercial classes. Shorthand, bookkeeping and office practice projects will be displayed. Students will perform machine and typing operations.

The Business Club invites all interested persons to attend.

Those who always make positive statements make a lot of mistakes.

Chelsea Loses In Bid for New Industry

With the recent announcement by the Corning Packaging Co. of its plans to construct a new plant in Marshall, the Chelsea Economic Development Committee disclosed information regarding Chelsea's bid for the company's new expansion.

Committee spokesmen stated Chelsea and two other locations were suggested by the Consumers Power Companies Area Development section for the new plant. Following several days of preparation by the committee two separate meetings with Corning officials were held last October and options were taken by the committee on two parcels of land along the New York Central Railroad. Other requirements in addition to a rail siding included a minimum of 20 acres of land and proximity to an all-weather highway. "We met all requirements on the sites presented; however, we knew at the time we were bidding against other locations," a committee member stated. It was not known by the committee until the Marshall announcement by the company which other communities were bidding for the plant.

"It makes a site-selling job more difficult when you don't know who you are trying to interest or what your competition is," the spokesman stated. "Although we were unsuccessful on this bid we feel Chelsea has a bright future in the area of new industries."

The new plant in Marhsall will produce cardboard and plastic packaging products. Construction of the new 40,000-square-foot facility will start immediately on a 40-acre site. Initial employment is to be approximately 50 persons with eventual growth to approximately 125.

Michigan Week Plans Move To Completion as Date Nears

It was announced yesterday by Dick Harvey, chairman for Michigan Week, and his assistant, Lloyd Schneider, that plans are underway for this year's festivities here.

Michigan Week, an annual activity observed by all communities, is celebrating its 11th annual event May 17-23. The theme controlling the activity is "Michigan—Great in Resources and Opportunities."

One of the principal highlights of Chelsea's Michigan Week celebration is the exchange of mayors on Monday, May 18.

Announcement was made last week that Chelsea will exchange mayors for the day with Elk Rapids. The Elk Rapids-Chelsea exchange was arranged after Lake Linden, originally paired with Chelsea for the annual Michigan Week observance, had sent regrets, stating they would not be participating in the Mayors' Exchange.

The Elk Rapids Mayor is Ward Babcock. He will be accompanied by Mrs. Babcock and another couple, Mr. and Mrs. Clark Bratschi.

Members of the Chelsea party who will go to Elk Rapids for the day are Village President Howard Haselschwardt, with Mrs. Haselschwardt and Mr. and Mrs. J. V. Burg, II.

Michigan Week has become a great tradition, focusing attention on Michigan's heritage, growth and progress, resources, institutions and its future potential.

Each day of the week has a special designation to focus attention on various phases of the civic, religious and economic life of the community and the state.

Tornado Season Brings Warning

With the "tornado season" approaching, the Washtenaw County Civil Defense Office has issued a "Tornado Bulletin" to all Civil Defense personnel advising them that the attack warning fanout system is to be used for dissemination of tornado forecast and warning information, as authorized by the Federal Government.

Washtenaw county received its first tornado forecast for this year at approximately 3:30 p.m., Tuesday, April 28. Early reports from spot checks indicate that this information did not reach the majority of key individuals and locations.

A "tornado forecast" is defined as indicating that weather conditions are such that a tornado may develop, while a "tornado warning" indicates that a tornado has actually been seen and may or may not necessarily follow a tornado "forecast."

Tornado safety rules, are listed by the Civil Defense office as follows:

1. There is no universal protection against tornadoes except caves or underground excavations; however, family fallout shelters usually will provide a high degree of protection.

2. If you are in open country: Move at right angles to the tornado path. Tornadoes usually move ahead at about 25 to 40 miles per hours. If there is no time to escape to the right or left of the tornado's path, lie flat in the nearest depression such as a ditch or ravine.

3. If in a city or town: Seek inside shelter preferably in a strong reinforced building. Stay away from windows! In homes: The southwest corner of the basement usually offers greatest safety, particularly in frame houses. Standing against the inside wall on a lower floor of an office building offers some protection.

4. If in schools: In city areas, if school building is of strongly reinforced construction, stay inside, away from windows, remain near an inside wall on the lower floors when possible. Avoid auditoriums and gymnasiums with large, poorly supported roofs.

In rural areas, if school buildings is not of strongly reinforced construction, remove children and teachers to a ravine or ditch if storm shelter is not available.

5. If in factories and industrial plants: On receiving a tornado warning, a lookout should be posted to keep safety official advised of the tornado's approach. Advance preparation should be made for shutting off electrical circuits and fuel lines if the tornado approaches the plant. Workers should be moved to sections of the plant offering the greatest protection.

6. Keep calm: It will not help to get excited. People have been killed by running out into streets and by turning back into the path of a tornado.

7. Keep tuned to your radio or television station for latest tornado advisory information.

Tornado Characteristics

TORNADO "WEATHER"—
Hot, sticky days with southerly winds and a threatening, ominous sky; however, many such days occur without tornadoes.

HOW TO RECOGNIZE A TORNADO—
Usually observed as a funnel-shaped cloud, spinning rapidly, and extending toward the earth from the base of a thundercloud. When close by, it sounds like the roar of hundreds of airplanes.

TIME OF DAY—
Mostly between 3 and 7 p.m., but they have occurred at all hours.

LENGTH OF PATH—
Usually 10 to 40 miles (the average length is 16 miles), but they may move forward for 300 miles.

WIDTH OF PATH—
The average width is about 400 yards, but they have cut swaths more than a mile in width.

SPEED OF TRAVEL—
25t o 40 miles per hour average, but they have varied from 5 to 139 miles per hour.

Get Quackgrass First

Kill quackgrass first, then plant corn. Michigan State University Co-operative Extension Service crop scientist say a good quackgrass control is amino triazole when quackgrass is 6 to 8 inches high this spring.

Plow down 7 to 10 days later and use atrazine as a pre-emergence weed killer as you plant your corn. There's no need to cultivate corn when handled this way, if weather and moisture are anything near normal, farm crops authorities say.

'64 Wheat Program Available To Winter Wheat Growers

Winter wheat growers, who seeded their crop last fall, are still eligible to take part in the 1964 voluntary wheat program, Max M. Kalmbach, chairman of the Washtenaw County Agricultural Stabilization and Conservation Committee, said today. He pointed out that many growers have already taken the first step toward participating by planting within the wheat allotments established for the 1964 crop before the marketing quota vote last spring.

The next step, the chairman explained, is for growers who want to participate in the 1964 program to get in touch with the ASCS County Office and sign up as a participant. The wheat program sign-up will extend through May 15. After signing up, qualifying as a participant will mean:

(1) Staying within the farms 1964 acreage allotment, which already has had the minimum qualifying acreage diversion deducted. Additional acreage may be diverted if the grower wishes.

(2) Devoting to conserving use all the diverted land, in addition to maintaining the farms' normal acreage in conserving use. The minimum diversion amounts to 11.11 percent of the farm allotment.

(3) Staying within the wheat allotment on any other farm in which the grower has an interest in the wheat.

An important revision of the program is that price support loans and purchases will now be available to all growers on any farm where the wheat acreage does not exceed the farm's allotment. However by participating in the voluntary wheat program, the grower will be eligible for a diversion payment (20 percent of the county's wheat loan rate) on the normal yield of the diverted acres, a price-support loan (or purchase) at a national average of $1.30 a bushel on his entire production, and certificates bases on the normal production of his eligible acreage planted for harvest.

The certificates will have a cash value of 70 cents per bushel for the domestic marketing certificates, representing the producer's share of the wheat allocated for U. S. food, and 25 cents per bushel for the export marketing certificates, covering his share of the export marketing allocation.

The Commodity Credit Corporation, through ASC county committees, will help producers to market their wheat certificates.

Payments covering acreage diversion and certificates will begin after July 1. For those wheat growers who cannot come in during regular office hours, the Washtenaw ASCS office will remain open Saturday, May 9 from 9 a.m. to 4 p.m. and on Thursday and Friday evenings, May 14 and 15 until 8 p.m.

AGRICULTURE in ACTION .....

MICHIGAN FARM BUREAU

★ Star Gazing . . .

Things haven't changed too much from the old law-enforcement days of Bat Masterson, Wyatt Earp and Matt Dillon. Those charged with "keeping the peace" —with maintaining law and order, are still called upon in these non-frontier times to do a fair amount of posse-riding and live-stock-dispute settling.

A one-year report from the Michigan Sheriffs' Association reveals that although most modern sheriffs operate from radio-equipped cars, thirty-one Michigan counties have a total of 568 horses available for volunteer sheriffs' posses. These days they are mostly used by searching parties in recognition that there still are plenty of places where only a horse can reach.

When the West was newly opened to settlers, local sheriffs and "Federal Marshals" teamed up in much the same fashion as do Michigan's 83 sheriffs and troopers of our Michigan State Police. Law enforcement, then as now, centered strongly on protection of property and property owners, defense of widows, children and elderly people, and the smashing of organized crime.

Although the bulk of modern law enforcement work centers on problems brought about by automobiles (sheriffs investigated nearly 40,000 traffic accidents last year in which 713 persons were killed and 20,000 injured), the list of reasons for arrest is long: manslaughter, robbery, larceny, "wine and women," gambling, misuse of guns, all busy enforcement categories, just as they were when the West was won.

Familiar sounding, too, is the category headed "animals at large" with 663 Michigan persons arrested last year for this reason alone. The fact that Michigan does not allow "open range" is evident from the 570 convictions secured.

Livestock laws figured in another 26 arrests by sheriffs' offices last year and cruelty to animals brought arrest to 27 other persons. Enforcement of the Christmas Tree Law brought four convictions, while the related "malicious destruction of property" tagged another 1,074.

The wide span of sheriff department activities in 150 major categories is an amazing record, and one of protection-to-the-public of which we can be proud.

Those evening slippers of yours will seem just a bit smarter if they are dyed a shade deeper than your dress—as a matter of fact colored shoes are very good this season for daytime wear.

ANTI-LITTER DRIVE STARTS—This "Litter Costs you Tax $$$" sign on the tailgates of 34 big semi-trailer trucks will be a strong reminder to hundreds of thousands of Michigan residents that litterbugs cost them money. Here Gordon B. Bonfield (right), chairman of Governor Romney's Committee to Keep Michigan Beautiful, starts the 1964 anti-litter campaign by dedicating the first of 34 Owens-Illinois Glass Company trucks that will carry anti-litter messages to hundreds of thousands of Michigan residents this year. Looking on are, left to right, Frank T. Cantrill, of Grand Rapids, Owens-Illinois sales executive and member of the Governor's committee; Harry R. Hall, of Lansing, executive vice-president of the Michigan State Chamber of Commerce which is co-ordinating the campaign, and Edward F. Wendle, manager of the new Owens-Illinois glass container plant at Charlotte.

Washtenaw County Growth Tops in Metropolitan Area

The Detroit Metropolitan Area Regional Planning Commission has compiled a report showing that for the first quarter of 1964, Washtenaw county added a total of 618 new dwelling units as compared to 191 in the same period of 1963. The 1964 figure is an increase of 427 or 223.6 percent, by far the greatest increase of the four-county area which includes Macomb, Oakland and Wayne counties in addition to Washtenaw county.

The 1964 figure includes 206 single family units, four two-family units and 408 multi-family units.

Listing 20 demolitions, the next total of additional residential units is 598 in the county.

In the first quarter of 1963 only 63 multi-family units were listed; there were no two-family units and a total of only 124 single family units.

Rate of increase in all new residential units in Macomb county is 15.5 percent, in Oakland county, 194.5 percent; in Wayne county, exclusive of Detroit, 87.7 percent; and in Detroit, 85.4 percent.

In the entire four-county area for which figures were listed, the total increase in residential units of all kinds is 85.4 percent.

Total new residential units for the first quarter in 1964 in the four-county region is listed at 6,444 of which 4,267 are single family dwellings, 20 two-family houses and 2,167 multi-family units. The net total is 5,776 with 668 demolitions subtracted.

Detroit and Wayne county outside of Detroit account for the majority of demolitions — a total of 562. That figure, however, was 20 less than the 582 demolitions in the first quarter of 1963.

A CHILD'S THANKS

Anchorage, Alaska — After airlifting 30 persons from the earthquake area around Kodiak, a weary pilot found a note written on a paper napkin. It had been left by a 9-year-old child. It read, "This is for nice kind persons at the Navy Base. We thank you so much for your big help to native people."

The man who knows it all is as dangerous as the man who knows nothing.

Attends Camping Leaders Training Course at Holly

Mrs. George Frisinger was at Holly the week-end of May 1-3 to attend a leadership training program at Camp Ohlyesa, a YMCA camp there. Mrs. Frisinger and her husband are owners of Homestead Acres Day Camps at 13450 Jerusalem Rd., south of Chelsea.

Mrs. Frisinger mentioned that May 1-8 is designated as American Camp Week, sponsored by the American Camping Association. It recalls the concern that opportunities for camping be preserved and maintained as "a part of the great heritage of America for present citizens and for youth in years to come."

Mrs. Frisinger said, "if you are the parent of a camper or one who is interested in the welfare of youth the American Camping Association can have real importance for you. It is the foremost organization in the country dedicated to making camping a safe, significant and enriching experience for all campers in both organizational and private camps."

The Frisingers' Homestead Acres Day Camps are members of the Michigan section of the American Camping Association.

Camps such as the one in Chelsea which have earned the coveted American Association Camp Member seal have met stringent requirements — standards in eight areas — health, safety, sanitation, site and facilities, personnel, program, administration and transportation.

The ACA, through numerous educational meetings, is concerned with improving camping standards to further the interests and welfare of children and adults by means of camping education and recreation, Mrs. Frisinger stated.

She said that in line with this policy, a camp health directors course will be given to certified camp personnel during the week of May 22-28 at Clear Lake Camp west of Chelsea. The course is co-sponsored by the Michigan Camping Association Section of the American Camping Association, the American Red Cross and the Michigan State Department of Social Welfare.

Despite the cracks about budgets, most people would be better off if they stayed on one.

Dog Conformation, Handling Classes Offered 4-H Members

Classes for adults in Dog Conformation — Handling and Dog Obedience are now being planned for the Ann Arbor area. The series of classes will be held on Tuesday evenings. Mrs. Norman Korn, president of the Companion Dog Training Club, will be in charge and she will be assisted by other instructors.

The first classes are planned for Tuesday, May 12.

Anyone desiring further information may contact Mrs. Neil Stoll, Ann Arbor, NO 5-5279.

Young people interested in the 4-H Dog Project and obedience training should also contact Mrs. Stoll, who is the leader of the Ann Arbor 4-H Junior Kennel Club.

Two Plead Guilty To Hunting Charge

An Ann Arbor man and a Northville man were arrested last Wednesday in Northville township after Sheriff's Deputy Alfred Bland, discovered them shooting in that area and found a loaded gun in their car, according to Conservation Officer Don Boyer.

Boyer discovered a hen and a rooster pheasant and a fox squirrel in a bowling ball bag in their car, he said. Terry L. Dockett, 21, 1334 Rosewood, Ann Arbor, and William C. Cavanaugh, 25, Northville, pleaded guilty to a charge of killing and possession of pheasants and squirrel during closed season. They were released on $50 bond for sentencing May 7.

Frederick W. Hoffman

Life-Long Area Resident Dies Friday Afternoon at 90

Frederick W. Hoffman, a life-long area resident, died Friday afternoon at Colonial Manor Nursing Home where he had been a patient for 14 months. He was 90 years old.

Before his retirement in 1952, he had been employed at Oak Grove cemetery and prior to that he was with the Chelsea Public Works Department for a number of years. His home was at 353 Washington St.

Born at Waterloo, Oct. 5, 1873, he was a son of Bernhardt and Eva Turk Hoffman. He was married Feb. 26, 1902, to Matie Hammond. Mrs. Hoffman died June 27, 1933.

Survivors of Mr. Hoffman are a daughter, Mrs. Derwood D. Prochnow (Irene) of the Washington St. address; two sons, LeRoy and Milton, both of Chelsea, one granddaughter, Mrs. Philip Vogel (Joyce) and two great-granddaughters, Martha and Linda Vogel, of Grand Rapids.

Three brothers, Edwin, George and Aaron Hoffman, and a sister, Mrs. Matilda Adams, preceded him in death.

Mr. Hoffman was formerly a member of the old Waterloo Lutheran church.

Funeral services were held at the Staffan Funeral Home at 2 p.m. Monday with the Rev. James Craig officiating. Burial took place at Oak Grove cemetery.

Michael G. Dealy

Dies Sunday Evening At Ann Arbor Hospital

Michael G. Dealy of 7125 Bush Rd., died Sunday evening at St. Joseph Mercy Hospital in Ann Arbor after being admitted earlier in the day. He was 79 years old.

He was born Oct. 1, 1884, in Sharon township, a son of Gerald and Bridget Carr Dealy.

Mr. Dealy farmed in the Chelsea area for many years before his retirement about 12 years ago.

He was a member of St. Mary's church of Chelsea.

Surviving are several nieces and nephews including Gerald Grohnert and Clarence and Noil Foster of Chelsea, and Gerald Madden and Mrs. Eileen Madden Roberts of Detroit. Seven sisters and one brother preceded him in death.

Funeral services were held at 9 a.m. yesterday at St. Mary's Catholic church with the Rev. Fr. Francis Maliszewski officiating. Burial followed at Oak Grove cemetery.

Arrangements were in charge of the Staffan Funeral Home.

At the time of incorporation of the Foundation, the amount of funds available was $1,253.52. While this was deemed a generous amount to begin with, it already appears that a much larger amount will be required if present interest continues.

In the board of directors report it was pointed out that, traditionally, the principal means of raising educational funds is through impressive donations from industries and organizations, or from endowments or gifts from wealthy citizens. While such contributions would naturally be welcomed by the Chelsea Foundation, it is pointed out that the principal source of revenue will probably stem from many modest amounts contributed in keeping with the basic idea of "many . . . giving a little . . . to help many." The slogan "Dollars for Scholars" was suggested and the concerted campaign to add to the fund was set for tomorrow.

Another form of acquiring funds for the Foundation is by means of life memberships in the Foundation at $100 or more.

Memorial grants and special donations are other means by which the Fund may be augmented.

In conclusion, the summary of the Foundation's plans and activities states that "individually and collectively we can look upon this fund as a concrete expression of our confidence in our young people and in so doing offer them a chance which has been denied to many members of our community in the past—the chance for an equal opportunity to improve themselves, to attend college, or acquire a trade or a skill as their capabilities, desires, determination and initiative would indicate."

The "Dollars for Scholars" objective is to lend a hand, through the Foundation, to those who need assistance whether they are A, B or C scholars, the summary concludes.

Kiwanians Plan Mother's Day Sale

At Monday night's Kiwanis club meeting, Harold Jones announced the annual Kiwanis sponsored Mother's Day flower sale which is being held tomorrow and Saturday at Hilltop Plumbing store.

Dr. J. V. Fisher, president of the Chelsea Community Educational Foundation was present to announce the Foundation's "Dollars for Scholars" campaign to raise funds for a scholarship loan fund. The fund-raising event is scheduled for tomorrow, Dr. Fisher told Kiwanians.

Walter Gemperline of Plymouth, here for his official visit as lieutenant-governor of Kiwanis Division VI, spoke on the subject of freedom, stressing three areas which he called a call to personal service; building responsible citizenship; and a free man's way of life.

Key club guests at the meeting included James Knott and Ken Reinhardt.

Mrs. Ed Hennon Dies Suddenly Late Wednesday Afternoon

Mrs. Ed Hennon died suddenly late Wednesday afternoon at her home, 303 Congdon St.

Funeral services will be held Saturday at 2 p.m. from the Staffan Funeral Home. Burial will be in Oak Grove cemetery.

RECLUSE HAD FORTUNE

Flint — Police found 70-year-old Martin J. Nelson dead in his old car parked in a church lot. Neighbors thought the retired lighthouse keeper penniless, but a bank listed his fortune as $100,000 in cash and government bonds. How he obtained his wealth remains a mystery.

Personal Notes

Mr. and Mrs. Harold Craven returned Monday night from an automobile trip to California where they visited their son, Chief Warrant Officer Hubert Craven of the U. S. Coast Guard Station, Long Beach, Calif., and his family. The Cravens had left here April 8.

Mr. and Mrs. M. W. McClure returned Saturday from a 10-day visit with their daughter and family, Mr. and Mrs. F. W. Hopkins and children, at Vernon, Conn.

Council Briefs

At the May 5 meeting of the Chelsea Village Council, the opening invocation was given by the Rev. W. Scott Westerman.

Public hearing held on the rezoning request of Dr. Wilfred Lane to change his premises on N. Main St. from R-1, single family residence designation to G-B, general business. No objection entered and the zoning change was approved.

Discussion related to the requested annexation of the Machnik property, known as the former Ewald property. The petition for annexation was denied for lack of a motion for action on the request.

Discussion with residents of Sorensen subdivision regarding possible state health department approval for construction of basements under homes in the area. A resolution is to be drafted and submitted to the state health department recommending a change in the ruling acceptable to the village and asking for favorable action by the department to allow construction of basements.

Discussion of Consumers Power Co. purchase agreement related to purchase of equipment in annexed areas. No official action was taken.

Col. Gerald Miller, Washtenaw county Civil Defense director present to discuss possible purchase of UHF radio equipment for police and Civil Defense use. No official action taken.

Authorization given to transfer $10,000 from Light and Water Department Fund to the General Fund.

Village parks were subject of discussion bringing out the fact that the Chelsea Junior Chamber of Commerce and the Chelsea Child Study club have allocated funds to purchase new playground equipment for both village parks — swings, slides, etc.

Motion approved to authorize purchase from GA Sales & Service for $2,725.30 a 1964 Dodge Power Wagon chassis which is to be fitted for use as a fire engine.

Village Council meetings are held the first and third Tuesdays of the month on the second floor of the Municipal Building. All interested citizens are welcome to attend. Meetings begin at 8 p.m.

The NATIONAL OUTLOOK

By GEORGE HAGEDORN

The High Road and the Low Road . . .

September Congressman Mills, Chairman of the Ways and Means Committee this historic statement: "There are two roads the Congress could follow toward a more prosperous economy. One reduction road or the other expenditure increase road." He went on to say that he then before the House embodied ". . . a firm positive assertion of the preference of the United States for the tax reduction road."

Congressman Mills' attitude reflected that of many other leaders. A new political atmosphere seemed to be arising in which the benefits of lower tax burdens would have priority over the alleged benefits of new spending proposals. This impression was confirmed in January when President Johnson submitted a budget for fiscal 1965 which called for a spending total below that of the previous year. If this materializes it will be the first spending drop in 5 years.

But those who prefer the increased-government-spending road were only temporarily silent during this period. They are still very much with us and still unconverted. This school of political thought reemerged with the recent report of a Senate Subcommittee, offering "Proposals for a Comprehensive Employment and Manpower Policy in the United States."

The report, endorsed by a majority of the Subcommittee, urged that the primary economic goal of the nation should be the reduction of unemployment to 3 percent by 1968. I went on to assert ". . . realization of this goal will require an increase in federal expenditures of at least $5 billion a year."

Thus the question of "which road" has not been finally settled. It will remain the central issue of fiscal policy for the future.

The problem becomes more concrete if we look at a few figures. Under the present tax system normal economic growth should produce an increase in federal revenue of between $3 and $4 billion a year. The deficit anticipated for fiscal 1965 is about $5 billion, so the gap can very quickly be made up if further growth in spending is restrained. Thereafter we will have a choice between using the $3 to $4 billion annual revenue increase for further tax reduction, and using it for increased spending.

The Subcommittee program of a $5 billion annual spending increase would probably destroy all hope of further tax cuts in the foreseeable future. By contrast, a policy of close control over spending would make possible another major tax reduction within this decade.

One thing to remember: the high road of tax reduction, and the low road of increased spending, do not lead to the same destination. Both devices can result in heightened economic activity. But the economic activity generated by government spending is in the production of goods and services for government. The economic activity released by tax cuts produces goods and services that people want—as individuals.

Baseball Game Halted By Saline Player's Insults

Chelsea School Superintendent Charles Cameron is in Lansing today to confer with Director Charles Forsythe of the Michigan High School Athletic Association as the result of an incident which occurred at the Saline-Chelsea baseball game at the Chelsea athletic field Tuesday.

The incident occurred when a Saline High school senior on the Saline bench was publicly impertinent and disrespectful to the extent that the situation could not be ignored. As a result, Superintendent Cameron issued an ultimatum that he would not permit the Chelsea team to continue the game unless the Saline player in question was taken out of the game.

Umpires and coaches of both teams discussed the situation and when the Saline player was not removed and Chelsea stood by their superintendent's decision to discontinue in the game, the umpires declared Saline the winner by forfeit.

Chelsea and Saline school officials discussed the situation by telephone yesterday and Superintendent Cameron said he was advised that the Saline senior had been suspended from the team and ordered to apologize to him.

If the state High School Athletic Association approves, the Saline-Chelsea game may be re-scheduled, in whole or in part, at a later date. Superintendent Cameron said he and the Saline school officials he talked with were in accord in being in favor of such possible re-scheduling.

Tuesday's game was the only baseball game played this week—the Pinckney and South Lyon games were rained out.

Champion Bowling Team Decided Tuesday Evening

Final standings in the Chelsea Bowling Lanes championship tournament show that the three top teams which have earned the privilege of going on to compete in the Washtenaw county tournament are the Seitz's Tavern team, Brown's TV team and Turner Electric team, who finished first, second and third, respectively, in bowling events Tuesday evening.

The Washtenaw county tournament will take place at Cloverleaf Lanes in Milan.

Competing Tuesday night were the top three teams of each of five leagues.

The first place winner, Sietz's Tavern team, is a member of the Monday Night Senior House League at Chelsea Lanes; Brown's TV team plays in Tuesday nights in the Manchester Businessmen's League; and the Turner's Electric team is with the Nite Owl League.

HITCHHIKER ARRESTED

Columbia, Mo. — Returning home in his private car, Patrolman George Grazier saw a cold, wet man standing on the highway. He gave the man a ride, then realized his passenger was wearing prison clothes, and arrested him. The fugitive had escaped from a near-by prison farm.

A child's limited understanding of time is one of the reasons why he finds it difficult to hurry or wait when his parents tell him to, a Michigan State University home economist says.

South Lyon was expected to play the postponed game here yesterday and the Pinckney game was re-scheduled for May 19 at Pinckney.

Track Team Wins Its Own Invitational Tournament

The Chelsea-Pinckney track event and the Chelsea-Roosevelt meet Tuesday were Chelsea's seventh and eighth consecutive track wins with no defeats.

Tuesdays win gave Chelsea a 4-0 record in the Chelsea Invitational Tournament which was officially concluded that night; however, because of rain, some events are still to be held but these cannot change the fact that Chelsea is in first place with four wins and no losses.

It is also believed Chelsea's 880 and mile relay records will prove to be the winning entries of the tournament.

Chelsea received the tournament team trophy Tuesday night. Trophies will be presented the 880 and mile relay winners when all results are in.

Chelsea is now looking forward to a dual meet tomorrow (May 8) at 4 p.m. with Jackson Parkside, a Class "A" team. The meet will be held at Chelsea.

Another high point of the track season is the Class "B" Regionals to be held at Chelsea, Saturday, May 16, beginning at 10 a.m.

At Tuesday's Roosevelt-Chelsea meet Chelsea's 880 relay and mile relay teams each set new school records.

The mile relay team's time was 3:36.2 and the 880 team's time was officially listed as 1:36.1.

On the mile relay team were Warren Porath, Scott Smith, Jim Cameron and Mike Schrader; on the 880 were Jim Ortbring, Dave Dietle, Warren Porath and Tom Sharrard.

Chelsea's total points for Tuesday's meet amounted to 92 while Roosevelt scored 17 points.

Roosevelt took a first in the shot put event when John Capps' 41 ft. 11 in. topped Chelsea's 41 ft. ¼ in. by Dick Lauhon.

Other Chelsea records are listed as follows:

THE DEPENDABLES: SUCCESS CARS OF '64

Some men never outgrow the need

for a wagon

A wagon has a way with men. Always has. Always will. Especially when it's a Dodge Wagon. Case in point: that Polara shown above. As rugged and handsome a carryall as you've ever laid hands on.

Inside—saddle-grained vinyl that resists cracking, scuffing, shrinking, stretching. Hand-fitted carpeting on the floor. A center armrest in front that snaps down solidly under your arm.

And there's room. Big, open room you can cram to the roof. Seating for six or nine passengers. And underhood—a choice of engines ranging from a frisky Six to an optional, ripsnortin' 426 cubic inch V8. It's a tough combination to beat.

Look 'em over at your Dodge Dealer's. The wagons that have a way with men—Dodge Wagons. Man-sized. Man-powered. Eight versions to pick from. (And you might as well bring along your better half. Seems the gals prefer the big, strong, silent type, too.)

Civil Defense

Governor William A. Egan, Alaska: "When we were dropped to our knees by the earthquake and tidal waves in Alaska, the Civil Defense organization was there to help us up and get us started on the road to recovery. I can't give enough praise to the Civil Defense organization. Anyone in Alaska who had reservations about Civil Defense in Alaska, I am sure, has changed his mind now after seeing the great job this agency did and is continuing to do for our people."

Frank Peratrovich, President of the Alaska Senate: "Civil Defense deserves strong support. I hope the State Legislature will take another look at Civil Defense after seeing the tremendous job Civil Defense has been doing since the earthquake hit us."

St. Mary's First Graders To Register Next Week

St. Mary's school has announced that there will be registration Tuesday, Wednesday and Thursday, May 12, 13 and 14, for those who will be first grade pupils in the fall. Registration hours each of the three days are 3:45 to 4:30 p.m. at the school and from 6:30 until 8 p.m. at the convent.

A fee of $10 is to be paid at the time of registration.

It was emphasized that the registration is for first graders only since there is no room for additional pupils in the other grades.

Announcement also was made that the VFW Auxiliary has presented the first grade with a new American flag. The presentation was made by Mrs. Frank Warywoda on behalf of the Auxiliary.

The first graders went on record with a vote of thanks for the flag and had a special private flag-raising ceremony in their room.

As the new flag was put in place the pupils recited the salute to the flag and sang "The Star Spangled Banner."

St. Paul's Mother-Daughter Banquet Held Saturday

More than 200 mothers and daughters were present Saturday evening for the mother and daughter banquet held in the church hall at St. Paul's United Church of Christ.

Effective table decorations were carried out in green and white with centerpieces of various fruits and lighted candles.

Men of the church served the meal and washed the dishes afterwards.

Mrs. Ellsworth Smith acted as toastmistress for the evening's program which opened with a table prayer by the Women's Guild president, Mrs. David Strieter.

A welcome to mothers was presented by four girls — Carol Schroen, Terri Jones, Carol Dietle and Judy Blaess.

The welcome to daughters was given by Mrs. Paul G. Schlable, Jr.

Entertainment included songs by girls of the church's junior choir and several numbers by a quartet of girls in "Beatles" fashion. In the group were Lynn Fatis, Chris Taylor, Carole Sharrard and Joan Dietle.

Three mothers shared honors as the oldest ones present — Mrs. Samuel Bohnet, Mrs. Mary Faist and Mrs. Martha Weinmann.

Others honored were Mrs. David Grossman of Saline, youngest mother; Mrs. Carl Peterson (Ruth Luick) and Mrs. E. J. Blackmore (Grace Luick) of Battle Creek, who came the furthest distance to attend; Tracy Renee Grossman of Saline, the youngest daughter; Mrs. Lambert Mepyans, the daughters (four); and Mrs. Ernest Guenther, present with the largest number of daughters-in-law.

4-H Clubs

MERRY MAIDS

Merry Maids 4-H club will meet Saturday, May 9, at 10 a.m., at the Junior High school home economics room to organize for the summer's work.

Eligible to become members of the club are any girls who will be 10 years old by Aug. 4.

Girls who wish to become members of the club should be present for Saturday's organizational meeting. Those who cannot attend this first meeting should call either of the leaders before the meeting.

Leaders of the Merry Maids club are Mrs. George Heydlauff and Mrs. Daniel Ewald.

BUSY BLUE BELLES

Mrs. Edwin Lantis and Mrs. Duane Landwehr are leaders of the newly-organized Busy Blue Bells 4-H club which held its first meeting of the season and election of officers Saturday, May 2.

Elected are Jane Kalmbach, president; Jill Lantis, vice-president; Denise Hafner, secretary; Katherine Schafer, treasurer.

The president appointed Barbara Harvey and Susan Warywoda as recreation committee members.

Plans were discussed for earning money to buy a club flag.

Mr. and Mrs. Albert Norman

Albert Normans Observe 50th Wedding Anniversary at Vandercook Lake Home

Mr. and Mrs. Albert Norman who were married in Chelsea, April 29, 1914, observed their 50th wedding anniversary at a family party arranged as a surprise for them at their home 306 Cass, Vandercook Lake.

The family plans a more formal anniversary observance to be held in August when all members of their family will be able to attend. The August observance will be held at the home of a son, Ernest Norman, at Lake LeAnn, near Jackson.

The Rev. A. A. Schoen, who was pastor of St. Paul's church here, officiated at the wedding ceremony.

Mrs. Norman is the former Amanda Paul. Relatives here, in addition to immediate members of her family, include cousins — Paul F. Niehaus, Mrs. Clara Hutzel, Herbert Paul, William Bahnmiller, Mrs. Alfred Schneider and Mrs. Clarence Nicolai.

Mrs. Norman's twin sister, Sylvia, now Mrs. Carl Reynolds of Michigan Center, observed her golden wedding anniversary in 1963.

The Normans' daughter here is Mrs. Stanley Dyer, Sr., (Ann). Of their 15 grandchildren, three are also from this area — Mrs. Beverly Sager, Stanley Dyer, Jr., and Mrs. Ted Nixon (Shirley) who now lives at West Branch where her husband is a teacher and coach.

In addition to the son, Ernest, at Lake LeAnn, there are two other sons, Ralph Norman of Canton, O., and Paul Norman of Los Angeles, Calif.

There are also six great-grandchildren.

Another Graduate

Daniel Murphy's name was omitted from the list of graduates of the Dale Carnegie course when it was submitted for publication in the April 30 issue of The Chelsea Standard. Graduation exercises were held at Inverness Country Club Wednesday, April 22.

FIRST COMMUNION

David Alan Klink who made his First Communion at St. Mary's Catholic church April 26, was honored at a dinner later at the home of his parents, Mr. and Mrs. Fred Klink, Sr. In addition to the immediate family, those present were Mr. and Mrs. Duane Walz and family, of Munith, Mr. and Mrs. Eugene Wahl and daughter of Waterloo, Mr. and Mrs. Fred Klink Jr., and family, and Mr. and Mrs. John Klink and son. Afternoon callers were Mr. and Mrs. Frank Klobuchar, Mr. and Mrs. Richard Coff and daughter and Mrs. Thomas Klobuchar and son of Ann Arbor.

About $2,000,000 is spent to screen each newly-developed insecticide that reaches the market for use, a Michigan State University entomologist said. Only about one of each 2,000 developed reaches the market.

Russell Bernaths Celebrate 25th Wedding Anniversary

Mr. and Mrs. Russell Bernath celebrated their 25th wedding anniversary Sunday at their home, 308 Wilkinson St. They were married May 5, 1939, by the Rev. Addis Leeson in a home ceremony at the home of Mrs. Bernath's aunt, Mrs. Alfred Trolley, on the same street where they now make their home.

The Bernaths have one daughter, Barbara.

The table, from which refreshments were served to the many relatives and friends who attended, was decorated in pink and silver and included an appropriately decorated anniversary cake.

Mrs. Bernath is one of the librarians at McKune Memorial Library and Mr. Bernath has been employed for many years at Federal Screw Works.

Sunday's anniversary observance was arranged by Mrs. Bernath's mother, Mrs. Louise Hubbert, and her sisters, Mrs. Robert Patrick and Mrs. Joseph Penrose, both of Lansing, and Mrs. David Aronson of Chelsea. All were present with their families on Sunday.

Mrs. Bernath has another sister, Mrs. M. C. Dunkel who lives in California and could not attend the anniversary party.

St. Mary's Parish Holds Annual Mother-Daughter Breakfast

Mrs. Karl Riegger and Mrs. Arthur Patterson were chairman and co-chairman, respectively, of the mother-daughter breakfast of St. Mary's parish, held Sunday at the Chelsea High school cafeteria following the 8 a.m. Mass at the church. A total of 228 tickets were sold for the event which was sponsored by the Altar Society.

Flowers used as table decorations and later distributed as gifts to honored guests present, were donated for the occasion by Mr. and Mrs. Walter Zeeb of Chelsea Greenhouse.

An especially attractive centerpiece used at the speakers' table was later taken to Colonial Manor and presented to Mrs. George Clark, a patient there. Mrs. Clark formerly served for more than 50 years as organist at St. Mary's church.

Those at the banquet who received flowers are Mrs. George Merkel, the mother with the most daughters present (five); Mrs. Duane Rowe, the youngest grandmother; Mrs. J. V. Burg, II, mother of the youngest daughter (Kristen Jane, 16 days old); and Mrs. Carl Swickrath, the oldest mother present.

The Rev. Fr. Francis Maliszewski, pastor of St. Mary's church, welcomed the women and girls present for the breakfast and spoke briefly on the subject of motherhood and its duties.

At the close of the program the Altar Society president, Mrs. Leon Chapman, made announcements, mentioning particularly that the Washtenaw Deanery meeting scheduled to be held at St. Louis School for Boys, with St. Mary's Altar Society as hostess group, has been postponed until Sunday, June 14. She said, too, that volunteers for this project are needed.

Mrs. Chapman also announced that a bake sale is scheduled for Saturday, May 9, at the Knights of Columbus Hall and ladies whose last names begin with letters from A through G are expected to contribute baked goods for the sale.

There is to be no regular Altar Society meeting during May. The next regular meeting will be held June 10.

Season-long weed control from one Atrazine spray

Atrazine 80W herbicide is an easy one-spray weed control "plan" for corn that ends competition from most annual broadleaf weeds and grasses for the entire season. It works efficiently and profitably, promoting higher yields and reducing or even eliminating the need for cultivation.

Yields boosted by early control

Three years of intensive field study by independent research men prove that by controlling weeds during the first three weeks of corn growth, as many as 29 bushels per acre can be added to corn yield. When Atrazine is applied, broadcast or in bands over the rows, at or immediately after planting, you get this early control . . . control that continues right on through to harvest.

How Atrazine works

Rainfall or shallow cultivation moves Atrazine down to the weed root zone where it is absorbed by germinating weeds. Soon after weeds emerge, they die. And, Atrazine stays to pick off later germinating weeds, right up to harvest.

Added benefits during dry weather

In a dry year, corn needs every bit of moisture and plant food it can get. An early and thorough job of weed control with Atrazine eliminates the added stress of weed competition during drought periods.

Atrazine gives corn a full season of safe, effective weed control—control that won't let weeds get started, from planting to harvest. Order your supply of Atrazine today.

Don't let weeds and grasses rob your crop of moisture and soil nutrients this year. Use Atrazine.

First Library Use Survey Reported

McKune Memorial Library, one of 271 public libraries in Michigan which participated in the first state-wide survey on public library use ever conducted in the state, has now received a report of the results on a state-wide basis. The survey was conducted during the week of Feb. 10.

A tabulation of results showed that more than a million people use Michigan's public libraries every week, borrowing from collections totaling more than 10 million volumes and using the reference and other special services available.

State-wide, the survey showed that more than 615,000 elementary and high school students, or one-out-of-three enrolled in Michigan's public and parochial schools, use public libraries every week, in addition to college and university students or one-out-of-three who attend Michigan's 69 colleges and universities. In Chelsea results showed that of 170 patrons surveyed, 38 were elementary students, 62 high school, and six college and university.

In common with the pattern throughout the state, personal use was listed as the major reason why people patronize the public library in Chelsea. Figures show 125 listed personal use, 72 school use, and eight job-related reasons for using McKune Memorial Library facilities.

Again following the state patterns, survey results show the principal age bracket of persons using the library are the six to 18 year-olds.

Chelsea's figures for participation of all age groups are as follows: four to six years old, five; six to 13 years old, 47; 14 to 18 years old, 46; 19 to 21 years, six; 22 to 40, 33 persons; 41 to 60; 21 persons; and 61 and over, 13.

The final tally for McKune Memorial Library listed 119 women patrons and 51 men patrons. This showed that Chelsea women outnumbered men by a 70-30 ratio as compared to the states 60-40 ratio.

Although 74 percent of Michigan's library users get the materials and information they ask for, 260,000 patrons are unable to get the books, pictures, films, phonographs and tape recordings because many of the libraries can not afford first-rate collections and the necessary related services. In Chelsea, 149 reported they got the material they sought, 18 got part of the material they asked for, and three did not obtain what they wanted, according to results of the February survey.

Reports of the survey were released this week by Genevieve M. Casey, the state librarian.

In a letter to all librarians whose libraries participated in the survey, Miss Casey extended her appreciation for their co-operation pointing out that "the survey has provided the Michigan State Board for Libraries and the Michigan Library Association with valuable information which documents the need for more financial support for Michigan's public libraries."

All-Purpose Spray

Here's an all-purpose spray for the home garden recommended by Michigan State University horticulturists. Mix the following in one gallon of water: 3 tablespoons of 50 percent methoxychlor, 2½ tablespoons of 25 percent malathion and 1½ tablespoons of 65 percent zineb. Where mites are a problem, add 2 tablespoons of kelthane. Apply this spray to your vetetables every Saturday morning, and you will be amazed at how few insect and disease problems you have.

Minor Changes Made in Chelsea Postal Service

There have been some revisions in the changes described as "limited adjustments" in certain areas of postal services as ordered in Washington, March 10 and in effect this week.

Changes here, as announced this week by Chelsea Postmaster Carl Mayer are listed as follows:

(1.) There will be one consolidated window open for the sale of postage stamps and mailing of parcel post packages on Saturdays, beginning May 9. Most essential services will be available Saturdays at the one window; however, money orders will not be issued. The window will be open from 8:30 a.m. until 12 noon.

(2). There will be no change in rural route service on Saturdays and money order applications will be accepted by rural carriers.

(3). One of the six parcel post deliveries per week will be eliminated.

In line with this regulation, parcel post will not be delivered in the business and downtown section of the village on Tuesdays while residential parcel post delivery will be discontinued in all other areas on Wednesdays.

Postmaster Mayer pointed out that special delivery, air mail and perishables sent by parcel post will continue to be delivered every day as at present.

Also continuing the present policy, first class mail will be dispatched in accordance with the schedule which has been in effect for some time.

The Chelsea Post Office is open daily from 8:30 a.m. until 5 p.m. for regular window services as at present; the curtailment on the sale of money orders applies only to the Saturday morning window service.

The economy step, as announced in Washigton by Postmaster General John A. Gronouski, is expected to result in a saving of $12.7 million dollars on a national scale.

Democrats Name Credentials Committee For County Convention

The chairman and members of the committee on Rules and Organization of Business and the Hospitality Committee for the Washtenaw county Democratic convention have been announced by Peter Darrow, Washtenaw county Democratic chairman. FASHIONS FOR MEN

Los Angeles, Calif. — The latest fashions for men are bright, bold plaids and checks made out of the new stretch fabrics. Clothes will pull in to fit sunken chests and stretch to accommodate paunches. Other fashion notes are stretch shirts of cotton and nylon, self-belted slacks and washable shoes. Everything is cut slim and trim.

Detroit Inhospitable

The Los Angeles Angels have never won a series in Tiger Stadium, home of the Detroit Tigers.

"$7 a month* more for a Chrysler than for a Ford or Chevy? You've got to be kidding!" "Nope. Just bought one."

CIDAA

No "ifs," "ands," or "buts" about it! We've got the figures to prove it! This big, beautiful Chrysler Newport is priced *less than $7 a month more* than a comparably equipped Ford Galaxie 500 or Chevy Impala.

We're not talking about a stripped-down Chrysler. We're talking about a full-size Chrysler. With a 361-cubic-inch V-8 engine. Power steering. Power Brakes. Pushbutton automatic transmission. Radio. Heater. The works! Everything you want on a big car.

Still skeptical? Come in. Talk price. We'll convince you.

*Payments based on manufacturer's suggested retail prices of 4-door sedans. ⅓ down, 36 monthly payments. Excluding destination charges, state and local taxes, interest and insurance.

HALF-PAST TEEN

Just A Minute . . .

By the Rev. James A. Craig

The difference was striking. Everything was greener than here.

Looking down from a hilltop the gray-brown winter was nearly gone. The bright green of new leaves crept across the valley pushing back the brown shadow.

A new life was coming from the long sleep. Nature's world seemed about to burst with energy.

A few miles East, in Pittsburgh, the energy took a different form. The Methodist Church was assembled in General Conference (it does each four years) to look back and to look ahead.

Newspaper columns reported other Church assemblies meeting to consider similar matters.

In several places clergyman and laymen were thinking long and hard about the Church. The Church is in a changing world. Race, war and peace, music, missions, international affairs, and church organization are being reviewed and sometimes revised. The ancient faith seeks to speak a modern language.

Its belief is the same; its architecture may be the same; but no longer can it think or act in the same familiar and safe way.

The church, like each of us, dry bones shall come to life lives in a new world. It has to offer a challenge, as well as comfort, to a community and its people.

Persons registering after 5:00 o'clock, p.m., Eastern Standard Time, on the said May 11, 1964, are NOT ELIGIBLE to vote at the said Annual School Election.

BOARD OF EDUCATION NO LONGER TAKES REGISTRATIONS

Under the provisions of Act 269, Public Acts of Michigan, 1955, as amended, registrations will NOT BE TAKEN BY SCHOOL OFFICIALS and only persons who have registered as general electors with the Township Clerk of the Township in which they reside, are registered school electors. Persons planning to register with the Township Clerk must ascertain the days and hours on which the Clerk's office is open for registration.

This Notice is given by order of the Board of Education of Chelsea School District, Washtenaw and Jackson Counties, Chelsea, Michigan.

Dated: April 21, 1964.

ROBERT G. FOSTER
Secretary, Board of Education.

CORN Gets Off to a Good Start
WITH ORTHO "STARTER SPECIAL" FERTILIZER

THE EARLY WEEKS in the ground can be vital to your crop. That's why we recommend ORTHO "Starter Special" as the fertilizer to use now. This fertilizer has a high concentration of Phosphorous for strong root development, plus the right amount of Nitrogen and Potash for a balanced feeding.

SEE US RIGHT NOW for ORTHO "Starter Special" Fertilizer to give your crop a good, healthy start this year. Pound for pound, an ORTHO UNIPEL Fertilizer is the most profitable fertilizer you can use. Give us a call and our field man will be out to give you all the information you need.

Christian Family Day Slated at Methodist Church

At First Methodist Church Sunday, "The Family in Church" will be the theme of Christian Family Day, which is also known as "Mother's Day."

There will be church school classes for children in the nursery through the kindergarten. There will be no classes at 10 a.m. for children in grades 1-6. The usual 9 a.m. church school for all ages will be held.

Joining in the celebration of this important family day will be the Junior choir of the church. Mrs. King Hanna is their director. Music by the Senior choir will also contribute to the worship.

During the service the sacrament of baptism will be observed and new adult members will be received into the church's membership. This will be the second group of new adult members to be received this Spring.

During the singing of the closing hymn of the service the children will be excused from the service to go to their church school classrooms where they will receive a small plant to be taken home. This custom has been observed for several years in the church.

The Commission on Education, of which Dr. Clare Warren is chairman, is assisting in the planning for the service. The emphasis for the day will be on the importance of the Church to the family and the family to the Church.

The title of the morning sermon is "Big Shoes, Little Feet."

Three-Bedroom Unit

Because a line of type was inadvertently omitted in last week's story about the new apartment house being built on Van Buren St. by Thomas Eisele, there was no mention of the 13th unit which is to be a three-bedroom apartment. In addition to the three-bedroom unit which was not mentioned, there are to be eight two-bedroom apartments and four with one bedroom.

Now is the time to control Broadleaf Weeds in your lawn as you fertilize your grass.
