## George Heydlauff Named to Head Community Chest

### Eight New Board Members Elected At Annual Meet

With the new year less than one month old the Chelsea Community Chest has already conducted three important business meetings: a nominating committee meeting on Wednesday, Jan. 13, selected a slate of officers plus eight new Board members for presentation at the annual membership meeting held Jan. 20.

At the annual meeting conducted by the outgoing president, Richard Smith, the list of nominees was read and new nominations called for from the floor. There were none and the new members and new officers were elected unanimously.

New officers for the year 1965 are George Heydlauff, president; Roland Eder, vice-president; Dorothy Ortbring, secretary; and Jack Wellnitz, treasurer.

New board members beginning a three-year term are Charles (Jack) Cattel, (chairman of this year's successful fund campaign) Arden Musbach, Thomas A. Richards, Virginia Elkins, Gerald D. Grohnert, Darwin Downer, and Dr. Bruce T. Stubbs.

The eighth new member, elected for one-year-term is Bruce N. Klein, bringing the Community Chest Board of directors to full strength of 21 members.

Incumbent Board members for a two-year term are Eloise Frisinger, Dorothy Ortbring, Mary Jane Dettling, Miles Smith, William Tite, Jack Wellnitz and Roland Eder. Those with a one-year term remaining are Richard Smith, Clare Warren, Gordon Gary, William Dettling, Allen Broesamle and George Heydlauff.

New officers and members were congratulated and thanks extended to the 1964 officers, Richard Smith, president; Gordon Gary, vice-president; Gertrude Young, treasurer, and Dorothy Ortbring, secretary.

Appreciation was also expressed for the efforts of the nominating committee, under the chairman, N. H. Miles, and including Mrs. George Frisinger, Allen Broesamle, Roland Eder, William Tite and Miles Smith.

At this point the Jan. 20 annual membership meeting was adjourned by the president Richard Smith and immediately reconvened by the incoming president, George Heydlauff, and the first regular meeting of 1965 was conducted. A major item of business was the presentation of the Golden "V" Award to 1964 campaign chairman, Jack Cattel by J. Farrell of Detroit Michigan United Fund campaign and field representative.

Several topics of new business including projects for 1965 were discussed prior to adjournment.

J. E. RABLEY

## J. E. Rabley Promoted in Bank Position

J. E. Rabley of Lancaster, S.C., has been elected vice-president and a member of the board of directors of the Bank of Lancaster. He had been assistant vice-president.

Rabley was born in Bartlesville, Okla., and later moved with his family to Chelsea. He attended Michigan State University for two years and graduated from Duke University in 1949, with an AB degree in economics. He also is a graduate of the Graduate School of Banking, Rutgers University.

He became a bank examiner for the Michigan State Banking Department following graduation from Duke University and remained in that position until 1952 when he joined the Bank of Lancaster.

He was elected cashier in 1960 and in 1963 was elected assistant vice-president.

Rabley is the son of Charles Rabley and the late Lilly Keller Rabley.

He is married to the former Ruth Gracey of Chelsea and they have three children, Chris, 14; Jessa Lou, 11; and Johnathan, 9.

Rabley attends First Methodist church in Lancaster, where he is a member of the board of stewards. He is president of the Lancaster Lions Club and district chairman of the Boy Scouts.

### *Flock of Robins Visits O'Connor Home*

"One robin doesn't necessarily make a spring," or so the saying goes, but do you suppose approximately 100 robins could do it?

That was the report of Frank O'Connor, 8405 Werkner Rd. Looking out of his window last Friday, he was surprised to see a large flock of birds on his lawn. After looking a little closer he discovered the birds just happened to be robins. O'Connor is in the habit of feeding the birds by throwing corn and crumbs to them and has had the usual blue jays and cardinals around most of the time. Friday it was different, like hitting the jackpot, he had a yard full of robins. Spring beautiful spring?

### *Firemen Called to Ray Johnson Home*

The Fire Department was called to the Ray Johnson home at 722 Taylor St., Saturday morning at 7:30. Minor damage was done to the basement recreation room.

The fire was reportedly caused from candles that had been left on a table. All the fire was confined to the table, according to the report.

## Improving Bulldogs Win Over Saline

After a slow first half the Chelsea Bulldogs rolled to an 80-66 victory over Saline last Friday night at Chelsea.

Saline actually led by two points at half-time, 30-28. The smaller Hornets outscrapped the Bulldogs under the boards to score five or six easy baskets in that half. John Harvey and Larry Steiner led Saline with six points each. Ed Windell scored six for the Bulldogs.

Once the second half started it was evident that the Bulldogs were through playing dead. Tom Wojcicki, Charles Schmunk, Mike Tarasow, Dennis Stoffer and Gary White out-rebounded, out-ran, and out-shot the Hornets to score 29 points in the third quarter. Schmunk and Wojcicki scored nine each to make the scoreboard read Chelsea 57, Saline 7.

In the final quarter the Hornets crept to within four points of the Bulldogs, but quick baskets by Charles Schmunk thwarted the Saline threat. In the final minutes the Chelsea bench was emptied, allowing all players to see action.

The Bulldogs made fewer mistakes in this game than any game in this year. Only four passes were thrown away.

Also, this game marked the return of Jim Cameron to the hardwoods. Jim has just recovered from a broken hand suffered during football season. He should give the team some more outside shooting and floor leadership. He and Tom Wojcicki should make the finest pair of guards in the conference.

The play of Charles Schmunk has aided the Bulldog cause tremendously in the last few ball games. He is shooting well from the outside and is gathering his share of rebounds.

This week the Bulldogs return to full strength with the addition of Jim Ortbring to the squad. Jim is a 6'1" junior, who has a good shooting eye and is strong under the boards. The squad now numbers 14 boys—9 seniors and 5 juniors.

This Friday the Bulldogs will travel to Dundee to meet the high-flying Vikings who are currently tied with Dexter for the conference leadership.

## Lenten Union Series Plans Announced

Chelsea Ministers' Fellowship, meeting at St. Barnabas Episcopal church Tuesday morning, at their breakfast meeting heard the report by the committee appointed to plan the Lenten union services this year. They reported that the dates are set and announced the churches where the services will be held. There are one or two programs which are not entirely arranged for at this time, but so far this is the plan:

Ash Wednesday, March 3 — Each church may plan their own service at the beginning of Lent, even putting it on Thursday evening.

Thursday, March 11 at 8 p.m. at St. Barnabas, A Chancel Drama.

Thursday, March 18, at 8 p.m. at St. Paul's UCC, A movie and talk.

Thursday, March 25 at 8 p.m. at First Methodist — Choral musical program.

Thursday, April 8 at 8 p.m. at Methodist Home Chapel — A dialog sermon.

Good Friday, April 16 1:30-2:30 p.m. at First Methodist, not yet definite.

The committee of the Rev. Craig and the Rev. Smucker announced that the theme for the series has to do with "Unity in Diversity" or "Unusual Ways of Worshiping and Finding Inspiration." They hope that the community will find these presentations of unusual interest and value in their preparation for the climax of the Christian year, Easter.

The host pastor will be asked to arrange the format of the service and to print the programs. The Kiwanis Club will again be asked to furnish ushers for the services. William Collins is their support-of-churches committee chairman.

The minister discussed a letter urging their support of an effort to make a drive for Sunday closing of places of business in order.

### 'Mr. Democrat' Hospitalized

Dennis Tallent, 80, was stricken with a heart attack about 12:30 p.m. Tuesday while visiting at Hankerd's service station. He was taken to St. Joseph Mercy Hospital where he is reported to be resting well. His room number is 5022.

UNITED FUND AWARD: Shown accepting the Golden "U" award from Mike Farrell, left, Michigan United Fund Campaign and Field Representative, is Jack Cattell, center, Community Chest campaign chairman for 1964; Behind Farrell is Dick Smith, Community Chest president for 1964, and at far right, George Heydlauff the new Community Chest president for 1965.

## 236 Attend Olive Lodge Centennial

Olive Lodge observed their 100th birthday at a banquet Saturday night, Jan. 23, at the Chelsea High School cafeteria with approximately 236 members and guests present for the occasion.

Members of OES 108 presented the Lodge with a birthday cake, with the Master and Worthy Matron doing the honors of cutting the cake.

Tables were decorated in colors of blue and gold with a centerpiece of flowers gracing the head table, along with matching candles at the other tables.

Musical entertainment was furnished by the Four Tune Tellers of Manchester and Jackson, a barbershop quartet, and the Spartan Bell Ringers, a nationally-known student performing group from MSU. Dinner music was organ music played by William Barber.

Invocation was by George W. Atkinson; welcome, Franklin D. Sweeny, W.M.; toastmaster, Clarence E. Dukes; greetings extended from OES and RAM by Mildred Collyer, Matron and Jay Dean, HP respectively; introduction of Olive Lodge officers, Franklin D. Sweeny, W.M.; introduction of past masters and distinguished guests, Donald J. Dancer, PM, and the benediction by George W. Atkinson, chaplain.

Newton S. Bacon PGM of the Grand Lodge of Michigan, of Niles, was the speaker.

Guests were present from Detroit, Niles, Dearborn, Livonia, Ann Arbor, Toledo, O., and Chelsea and surrounding area.

### *Square Dance Planned To Help March of Dimes*

A square dance is planned to benefit the March of Dimes. So if you like to "alamand" left, and "doe-see-doe," then be at the Pleasant Lake school, 11700 Pleasant Lake Rd., Saturday, Jan. 30 from 9 p.m. to 1 a.m.

Luther Schaible's orchestra will play and Luther himself will do the "calling."

Round dances will be included for those who like, but the square dance will be the thing.

Most square dancing these days is done to records or a combination of records and a "live" caller for your enjoyment, this orchestra plays for the dances and the leader does the "calling."

### U-M Degrees Won By Four Area Students

Two Dexter and two Chelsea residents were among 1,526 students who received degrees from the University of Michigan at the end of the first term, as announced by Erich A. Walter, secretary of the University.

Conrad M. Hafner, 134 W. Middle, Chelsea, received his Bachelor of Science and Alice R. Tite, 784 S. Main, received her Master of Arts.

James G. Espery, III, 7830 Dexter-Ann Arbor St., Dexter, received his Master of Science and Robert P. Ulrich, 7861 Fourth St., a Master of Business Administration degree.

### *Girls Recreation Program Classes Start Saturday*

Girls in the fourth, fifth, and sixth grades are reminded of the girls recreation program being offered at the Chelsea High school gymnasium on Saturday afternoons from 1 p.m. to 3p.m. The first class will meet this Saturday, Jan. 30

Mrs. Charles Winans will be the instructor for the classes which will run through April 10. Registration fee of $1 may be paid at the first class meeting.

## Open House Slated By G. A. Sales

Chelsea's Chrysler products dealer, G. A. Sales and Service, Inc., will hold an open house Saturday, from 9 a.m. to 5 p.m. at their new building located at 1185 Manchester Rd.

George A. Staffan, its owner, says that although the agency is only 15-months old, business had increased so rapidly that the old quarters were found to be inadequate.

Previously, new car sales were handled in a rented showroom while servicing was done two miles away in another building. The new building, containing 5,000 square feet of floor space will permit the agency to have all its operations under one roof.

Staffan, a licensed mortician, formerly had been associated with his father in the Staffan Funeral Home. He still takes over the funeral home and assists his father at times.

George said he made a thorough study to determine what kind of business would be suitable for Chelsea and the surrounding community when he decided to go out on his own.

Several things led him to open the automobile agency, he says. First, there was no Chrysler dealer in Chelsea. Chrysler cars were popular and it's stock had been climbing steadily.

With the Chrysler Proving grounds nearby, Staffan felt it was a good business to go into.

Staffan's decision proved to be the right one because in just 15 months his staff has increased from two to 10 persons and new car sales have reached nearly 300 percent of the factory objective.

George, 25, married and the father of two daughters, said, "I like the funeral business, but my real satisfaction is here. I made it, it's my baby and I built it on my own."

### *Beauty Salon Plans Open House To Mark Card Shop Opening*

Toddy Smith and Fran Coy of the Magic Mirror Beauty Salon are announcing the opening, Sunday, Jan. 31, from 1 to 5 p.m., of a card shop in conjunction with the Beauty Salon, featuring famous name cards, ribbons and gift wrapping. A door prize and free gifts will be given and refreshments served.

Mrs. Rae Lillie returned home, Sunday, Jan. 24, after a three-week stay in Foote Hospital, Jackson.

## School Bands Perform for Full House

The Chelsea Bands, a combined total of 186 students, presented a concert in the high school auditorium Sunday at 2:30 p.m. The bands were directed by Bruce Galbraith, assisted by Martin Garvey.

The concert opened with the 50-member seventh grade band playing three numbers. These were "Military Escort March," "Bendemeer's Stream" and "A Mighty Fortress."

The eighth grade band, composed of 40 members, performed "Creole Suite." Karen Leach played a cornet solo "Sirius."

The eighth grade band then played "Song of Victory" and concluded their portion of the concert with the stirring "Trumpets and Tabards March."

Last to appear on the program was the 96-member high school band. They played "Sun Valley Overture," "Three Chorale Preludes," "His Honor March," "Great Gate of Kiev," "Folk Song Suite," and the "Blue and Gold March." The almost full house called the band back for two encores. The first was a Latin American number, "Trombrero," which featured a trombone trio, composed of Russell Maurer, David Blaess, and Ralph Johnson.

The concert closed with the school song, "Chelsea High."

A free will offering was taken after the concert, the money to be used by the band officers as they see fit.

### *Knitting Classes Will Meet On Thursdays*

Knitting classes will begin Thursday evenings, Jan. 28, in the Chelsea High School Home Ec. room. There will be two sessions, at 6 p.m. and 8 p.m.

There is room for two or three more in each class. Registration $8 for 10 weeks.

Those interested should contact Alan Conklin at the Junior High school for further information.

## Mothers March Nets $696 for March of Dimes

### Birth Defects Film Shown Kiwanians

The Kiwanis Club of Chelsea met Monday evening at the Congregational church. Luther Kusterer introduced Dr. James Shadoan as his guest, P. G. Schaible, Jr., introduced Jack Wellnitz as his guest, Robert Daniels introduced David Blaess, member of the Key Club as his guest, and Walter Zeeb introduced Robert Kushmaul, Jr., Key Club member, as his guest.

Leo Bishop gave a report on the Rubinoff concert which the club sponsored.

P. G. Schaible, Jr., program chairman for the evening, introduced Mrs. Merle Leach, local chairman of the March of Dimes; Mrs. Raymond Steinbach, chairman of the special events divison of the campaign; and Burton Lamken, principal of Lawton school in Ann Arbor, who spoke on the theme "Millions of Mother's Ask Why."

The March of Dimes was originally started to coincide with the birthday of President Franklin Delano Roosevelt, who had been crippled by poliomyelitis when he was a young man. The first polio drive began Jan. 30, 1938. Due to the wonderful success of the polio vaccines developed by Salk and Sabin, there is no longer the necessity for a month-long polio fund drive. The funds instead have been going to aid the research and treatment of birth defects and arthritis. This year, arthritis has its own campaign for funds. Therefore, the 1965 March of Dimes is strictly emphasizing birth defects.

Lamken noted that one out of 10 families have one child with some type of birth defect. The three areas which this year's drive is

### Boy Scouts Also Earn $184 from Peanut Sale

In spite of rain, snow, sleet, ice, or cold temperatures the March of Dimes keeps "marching" along.

The Mothers March has been completed successfully in spite of a cold, windy Tuesday night.

$696.67 was collected bringing the over-all total for the March of Dimes to date, to $1,671.81.

Last Friday and Saturday, Jan. 22 and 23 Boy Scouts of Troops 476 and 425, in spite of freezing rain, a little snow and some low temperatures, were at their posts on street corners, in stores and many other points, selling peanuts. The "salesmen" worked very hard and persistently selling their wares. A little changing around now and then helped keep the circulation going and concentration was easier.

When all collections were in a total of $84.12 was realized. The leaders for the peanut sales were Vern Hilts, general chairman, assisted by William Baker, scoutmaster of Troop 476; Alvin Reinhardt, Roland White, and Ralph Frisch, scoutmaster of Troop 425.

The bowling tournament is finished and $257 was taken in for entry fees. Ed GreenLeaf and Mac Packard were chairmen and directors of this event. The tournament was held at both Chelsea and Sylvan Lanes.

A donation of $36.92 was received for the March of Dimes from St. Mary's School.

The mailers sent out at the first of the drive have been coming in and so far $210.50 has been collected from them.

A March of Dimes board was put up in the Wolverine Tavern, each letter of "march of dimes," to be filled with dimes. Jan. 14 the last dime was placed on the board filling it with $15.50 worth of dimes. The board had only been in place five days.

The Key Club dance on Friday, Jan. 15, following the Chelsea-Lincoln basketball game, realized $36.10.

### Congregational Deaconesses Elect Group Chairman

The Deaconesses of the First Congregational church of the United Church of Christ met last week to organize for the year. They selected Mrs. Ronald Eder as their chairman, which automatically makes her the assistant moderator of the church. In case William Tite could not be present at a meeting of the congregation she would be responsible.

Other responsibilities assigned at the meeting were as follows: altar flowers, Mrs. Harold Knott; acolytes, Mrs. Doris Lehmann and Mrs. Carl Sanderson; communion preparation was assigned to Mrs. Toivo Riihimaki, assisted by Mrs. Harold Spaulding and Mrs. Robert Wagner; baptism arrangements are to be handled by Mrs. Robert Wagner, membership committee work by Mrs. Harold Spaulding; the sick list by Mrs. Stanley Beal, with Mrs. Wagner as vice-chairman and Mrs. Spaulding as secretary.

The year's meetings were set up for Thursdays at 8 p.m., April 22, Sept. 16, and Dec. 2, with other meetings on the call of the chairman. The Rev. Robert Livingston is minister of the church and meets with the committee.

### *Church Council Members Elected At St. Paul's*

At the annual congregational meeting of the St. Paul's United Church of Christ, on Sunday, Jan. 10, three new members were elected to the Church Council. William Blaess was named vice-president; Richard Schmidt, financial secretary; and Charles Winans, head usher.

During the meeting the Rev. Schnake was presented with a monetary gift and a scroll which expressed gratitude for services during the past five years, and regret at his leaving.

An open house was held for the Schnake family at the church from 1 to 4 p.m., which more than 200 friends and well wishers attended. The family left for their new home in New Glarus, Wis., on Wednesday, Jan. 13.

Jim Rohards who was hospitalized last Friday is slightly improved at this time. He is in Room, 5004, St. Joseph Mercy Hospital, Ann Arbor.

## Catholic Social Services Annual Meet Slated Feb. 10

The sixth annual dinner of the Catholic Social Services of Washtenaw county will accentuate thought on a timely topic, "Poverty." Sister Mary Emil, IHM, president of Marygrove College, will be speaking on the "Psychology of Poverty," at the Michigan Union Ballroom on Feb. 10, at 6:30 p.m.

An outstanding figure in the field of education, Sister Mary Emil's interests range from the involvement in the Sister Formation Conference, an organization dedicated to raising the standards of teaching nus, to an intense interest in social problems and their implementation.

A native of Detroit, a graduate of Marygrove College and St. Louis University, she has consistently contributed to Catholic and educational literature and is chairman of the Catholic Liberal Arts College Presidents of Michigan.

# GOVERNOR ROMNEY REPORTS

Let us turn our attention this week to agriculture, a very important segment of our state and national economy.

You don't need to be told that agriculture today is a business and a big one. But how many know that agriculture, as a whole, is the biggest buyer, the biggest seller, and the largest borrower in the American economy? The American farmer's investment in machinery alone is greater than the assets of the American steel industry, and five times greater than the assets of the automobile industry. His total investment is $214 billion, which is more than the investment of all the companies listed on the New York Stock Exchange put together.

It makes sense, then, that the various segments of this vast and far-flung business of agriculture should band together to advance their common interests, and, as they broaden their horizons beyond their own particular interests, I cannot help but believe that they develop an ever-heightening concern for the broader public interest. In this process of sharing ideas, information, problems and aspirations, farmers help to break down the artificial barriers of distrust and misunderstanding which too long have divided them from their friends and relatives who live in cities.

The American farmer's ability to produce has given our nation the most abundant supply of the best, and least expensive, food of any people on earth. Each year the farmer's increased efficiency saves the American people billions of dollars in food costs—far more, for example, than the recent highly-publicized reduction in the federal income tax.

But this ability to produce efficiently and in abundance has not been an unmixed blessing to the American farmer. He simply has not received his fair share of the economic progress which he has helped to produce.

The principal responsibility of government at any level is to provide a climate in which individuals and groups can satisfy their legitimate needs and aspirations.

Improvements in federal and state programs can help farmers overcome the disadvantages they face. For example, in my State of the State message to the legislature, I recommended a number of actions to improve the position of Michigan farmers, through programs for better marketing, promotion, inspection, and selling of their products.

To this point we have discussed three kinds of interest—the interest of particular segments of the farm economy, the interest of agriculture as a whole, and the interest of the general public. Now I would like to mention another, even broader, interest: the interest of the people of the world.

Food is the most precious commodity in the world today. According to estimates by the United Nations, 10,000 children around the world die of malnutrition or starvation every day. Over two-thirds of the world's adults and three-fourths of the children live in the developing countries that hunger most. In the middle of the twentieth century, it is a tragic fact of life that the typical family dog in the United States eats more and better food than the typical workingman in India.

This unconscionable gap between American affluence and the world's hunger obviously threatens our own stability and security but it does far more than that. It imposes an imperative moral responsibility on us to [illegible] our suffering brothers around the world—because both we and they are people—children of the Father who created every one of us.

Today, we have the tools and the know-how to eliminate hunger from the earth if we will but apply the same dedication and ingenuity to this moral imperative that we have applied to our own immediate concerns. We can unleash American techniques of food production and distribution around the world, to aid impoverished nations in their own development, so that they can end their hunger through purchase and production of food.

## GROUND HOG ALERT TIME IS HERE

# ★ MICHIGAN MIRROR ★

By Elmer E. White, Secretary, Michigan Press Association

### Too Much Money

A biennial ruckus over campaign-spending spirals appears to be holding attention this year longer than before, a possible indication there may be some changes made.

Michigan law books for several years have carried a limit on campaign expenditures, but the law was so written as to make it impossible to enforce the limitation. The legislature would be the action-taking unit in strengthening the law if any changes were to be made. It is an administrative agency, however, which is now shouting loudest for change.

Grand Jury investigation was hinted by some elections officials last year following both the primary and general election campaigns in one legislative district.

Initial studies indicated to some members of the Secretary of State's elections division that a clear and provable violation of the spending limit law existed.

Indications of a grand jury call have now all but disappeared and faded into the demands for revision of the expenditure reporting statute.

The law now limits expenses to $40 per thousand votes cast for governor in the previous presidential year. It also allows any number of separate campaign committees to spend this amount.

Financial support from outside the state in a campaign is totally beyond Michigan jurisdiction. And campaign committees are not required to register in any way, so no one really knows whether all expenditures are ever reported for any given candidate.

With these weaknesses pointed up this year and in past sessions, it now remains a question of whether the legislators will take action to place effective restrictions on a matter so dear to their own political lives.

### Stone Walls

Prison facilities and policies at both the county and state levels have undergone considerable change in the past decade, and still more is anticipated in the near future.

Corrections officials now feel that clean, modern jail conditions at the county level are an aid toward rehabilitation of criminals, particularly first offenders.

In the past 10 years some 34 new county jails have been built in the state and another 11 are in the construction or planning stage now.

At the state level, Corrections Director Gus Harrison notes a sharp change in the entire philosophy of penology.

The trend has been toward giving a man a chance while he is paying his debt to society, says Harrison. "Eventually I hope Southern Michigan Prison, the world's largest walled prison, will become obsolete."

More than a third of Michigan's prisoners are now housed outside the walls of the various penal institutions, either in trusty units, farm domitories or outside camps.

The decade just past has also seen a change in pardon-parole practices, according to the state's top corrections officer.

"On life term prisoners who killed or were judged habitual criminals, we've had about a 99 percent success ratio in our policy of allowing eventual release," said Harrison. "We also believe in the so-called mercy policy for old men who don't want to die in prison.

With the improved employment situation in Michigan, men ready for re-entry to society can be moved out of prison into jobs faster. The corrections chief said over the past 10 years there was an approximate 10 percent increase in the probation rate.

### Unlocked Barn

Security measures in President Johnson's activities since his re-election have been greater than ever before.

This was particularly noted in the elaborate inauguration plans and structures. It was clear the events of Nov. 22, 1963 are still foremost in the minds of many, at least in Washington.

In Michigan, the immediate impact of the assassination in Dallas was great, but apparently much of the concern has worn off with the passage of time.

Then and again last spring state officers discussed the need for what then Lt. Gov. T. John Lesinski described as a "detailed plan for events in case of a statewide tragedy in any way similar to the assassination of President Kennedy."

Initial suggestions included providing adequate protection for all top state officials and security of Michigan's international bridges, electrical plants, water supplies, and transportation and communications facilities.

To date no steps have been made public to implement such a plan which in December, 1963 seemed so necessary. Additionally no activities, even since the May intrusion into his office by an armed man.

It has often been said people act only in emergencies, but it would be hoped that reaction to such incidents would have by this time have produced some action from Michigan's governing officers.

# Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

My regular pamphlet from the U. S. Department of Agriculture come last Friday morning and I ain't been able to help my old lady git no chores done around the house on account of reading about the farm situation around the country. My old lady says the worst enemy in the world today a farm wife has got is them pamphlets from the U. S. Department of Agriculture.

First off, some woman that lists herself as head of the Market Division of the Department allowed as how she wanted to say a few words in defense of the grocery stores of America. Just what this has got to do with agriculture, I ain't shore, and she stretched her few words into the second chapter of the Gospel according to Jeremiah, but she had a good point.

She claimed American wimmen was complaining the food bill was gitting higher and higher. She says it ain't so, that wimmen was spending more and more at supermarkets and making the mistake of blaming it on food. They was a heap of difference, she claimed, between the supermarket bill and the food bill. In 1963, for instant, she reported about half the tooth paste, light bulbs, razor blades, cigarettes, dishes and toilet articles sold in America was bought at supermarkets. Furthermore, she claimed, a heap of socks, shirts, towels and such items was going on the supermarket bill.

I was discussing this matter with my old lady and she figgered, come to think about it, the woman was right, that nowadays supermarkets sold just about everything and wimmen was lumping the bill together and calling it groceries. How the so ever, allowed my old lady, if you bumped into a bunch of auto tires and lawn mowers you was in the wrong place. You was probable in a drug store.

I brung this item up at the country store Saturday night and Ed Doolittle was of the opinion the whole plan of living in this world was swapping ends and gitting out of focus. He said he had saw in the papers where we got 190 million Americans and fer ever 1,000 persons they was being served by 1.2 doctors, 4 service station workers and 13 Federal civilian employees.

Clem Webster was agreed with Ed, claimed we was now buying wimmen's hose at the drug store, garden hose at the department store and aspirin tablets at the supermarket. He reported he had even saw in the papers where a mill in North Carolina had shipped 200,000 diapers to a African country where the men was wearing 'em fer head turbans. Clem allowed as how this was about as far as you can git with swapping ends.

Yours truly
Uncle Lew.

## 14 Years Ago...

Thursday, Jan. 25, 1951—

The addition of flourine to public water systems to prevent tooth decay was discussed at a meeting of city, village and other officials concerned with water supply. Dr. Philip Jay of the School of Dentistry, University of Michigan, acted as a resource person for questions regarding results obtained in areas where flourine had been added to the water on an experimental basis. Reports of the Grand Rapids experiment showed a marked decrease in tooth decay in five- to seven-year-olds. Chelsea and Ypsilanti have the lowest flourine content water in the county.

George P. Hurrell, director of the Washtenaw County Planning Commission, in an interview with Standard representatives, stated it is his belief that the Sylvan Township "mystery project" area has gone beyond the rumor stage and that certain county officials have been given information regarding ultimate use of the property but have been sworn to secrecy until time when the information is made public. Most persistent of the rumors about the "mystery project" land is that Chrysler is to build a huge plant here. The rumor is unconfirmed.

The second annual firemen's dinner sponsored by the Chelsea Fire Department was held last Saturday. Guests at the dinner were village firemen, village officials, supervisors of Lima and Sylvan townships, Fire Chief Ben Zahn of Ann Arbor, Assistant Chief Ray Howard of Jackson, Gerald "Red" Carr of the Cassidy Lake department, wives of the firemen and other guests, 67 people attended the dinner.

Central Fibre began installation of an automatic sprinkler system for fire protection throughout its buildings on N. Main St.

## 24 Years Ago...

Thursday, Jan. 23, 1941—

The residece property of Mr. and Mrs. J. Edward McKune, 403 S. Main St., which was conducted as a rooming house, was destroyed by fire early Saturday morning. None of the building's contents were saved, but the loss is covered by insurance.

190 people were in attendance at the annual Masonic banquet held Friday in the public school auditorium. Guests attended from Ann Arbor, Detroit, Dexter, Grass Lake Jackson, Manchester and Pinckney.

March of Dimes envelopes will be mailed out this week. Mrs. W. R. Daniels has been named general chairman of the local drive committees. Assistants are: Mrs. F. W. Merkel, Mrs. Waldo Kusterer, Mrs. Paul Maroney, Mrs. A. L. Brock, Mrs. A. W. Wilkinson, Mrs. E. W. Eaton and Mrs. M. W. McClure. Contribution boxes will be in charge of Sister Grace Edwards at St. Mary school, Miss Mabel Fox at Chelsea High, and Mrs. Myrtle Ackley for the grades.

## 34 Years Ago...

Thursday, Jan. 22, 1931—

Dr. W. D. Henderson of the University of Michigan spoke on "Hands or Arms Across the Sea" at the Methodist church. Dr. Henderson stated four problems of the world today as being: international peace, governments, machines versus man, and learning to live together.

The Chelsea Odd Fellows defeated Stockbridge, 39-34 in a basketball game.

A three-act farce, "Two Days to Marry" is scheduled to be presented by the Young People's League of St. Paul's church.

## Applications Due For New Farm Feed Grain Bases

A new farm feed grain base may be established under the 1965 Feed Grain Program for farms which did not plant feed grain in 1959 and or 1960 that meet eligibility requirements, Mrs. Stump of the county ASCS office announced today.

To be eligible for a new farm feed grain base, Mrs. Stump said the operator must expect to receive 50 percent or more of his livelihood in the current year from the production of agricultural commodities on the farm, must have had at least two years experience in the production of feed grains in the last five years; must have adequate equipment for the production of feed grains; the land must be suitable for the production of feed grains; and neither the owner nor the operator may have an interest in any other farm for which a feed grain base has been established.

Interested producers who can meet these requirements should contact the county ASCS office not later than March 1 and file an application, Mrs. Stump said.

A farm for which a new farm base is established will not be eligible to participate in the 1965 program. However, producers will qualify for price support loans and purchases by planting within their feed grain base and maintaining the conserving base.

### SAYS GOODBY TO GOAT

San Dimas, Calif. — Sue Hutchason, 15, said a sad farewell to her pet goat as it was loaded on a truck bound for Mexico. The shipment of goats was part of a project which places barnyard animals with volunteer groups to raise, then they are shipped to needy families in Mexico for household milk goats.

## Congregational Church Education Committee Headed By Mrs. D. Maroney

Mrs. Daniel Maroney was elected chairman of the Christian Education Committee of the First Congregational church at their meeting with Mrs. Jerry Satterthwaite heading special events; Mrs. George Marshall, studying curriculum; Mrs. Al Johnson working on attendance; Ray Peffers on teachers recruitment and training; Mrs. Merle Leach, encouraging church camping; the Sunday school superintendent, Mrs. Franklin Gee, reporting on the budget; and Mrs. Marshall acting as clerk.

Progress would be faster if people could go forward on excuses.

## Mrs. W. Pielemeier Chosen To Head Congregational Memorials Committee

Mrs. Walter Pielemeier was selected to head the First Congregational church's Memorials Committee at their meeting Monday night at Pielemeier's. Mrs. Richard Smith was elected vice-chairman in charge of projects, and Mrs. George Frisinger was given the job of secretary and treasurer.

A policy statement was read and tentatively approved and will be sent to the deacons and trustees for their approval and then to be voted on finally at the next meeting of the committee.

Facts are not always the easiest things in the world to face.

## Just A Minute . . .

By the Rev. James A. Craig

The Bible has always been pretty hard on false prophets. Those are the fellows who go around crying "Peace, peace, when there is no peace." There are some around yet.

But they're not all false prophets. Some of them are people whose life is given to searching for solutions the problems men and nations have concocted. Their cry of "peace" is as much a hope as anything. They know it doesn't come easy or cheap.

Some of us never learn that. We would like to think that there are simple solutions to difficult problems.

Take the UN for instance. Because they have money problems, some think we can get along without it. It may not have been everything it was cracked up to be, but without it we may have had more shooting and less talking.

Sure it's a debating society. Nobody argues that. It is also an agency dedicated to raising the level of living in much of the world. It is an agency given to developing new ways of attacking old troubles on a world-wide scale. That could not be done before.

In our day the only response to the person we sometimes think of as the false prophet—and to the UN we so often criticize—is "War." None of us is willing to take that idea seriously—are we?

One who was not a false prophet laid down a rule by which we might try to live (as individuals and as nations). "Do unto others as you would have them do to you."

It's a good rule. Try it.

More than 90 percent of the 265 farmers surveyed in the Thumb and South Central areas of Michigan, who bought or rented land during 1959-63, were under 30 years of age, according to reports from USDA agricultural economists working out of Michigan State University.

## NOTICE OF PUBLIC HEARING ON AMENDMENT TO VILLAGE ZONING ORDINANCE NO. 55 AND ALL AMENDMENTS THERETO

Notice is hereby given that the Chelsea Village Council will conduct a public hearing, as the statute in such case provides, for the rezoning of the premises hereinafter described, which were annexed to the Village of Chelsea on May 12, 1964, as hereinafter described, the Sylvan Township Zoning at the time of annexation being a General Business and the proposed change is from said classification to Highway Service - Business District.

The said hearing will be held in the Council Room in the Chelsea Municipal Building on Tuesday, February 16, 1965, at 8:00 o'clock p.m. The proposed change in the zoning area is on file in the office of the Chelsea Village Clerk and may be examined prior to the date of hearing. The aforesaid premises are described as follows:

Commencing at the south quarter post of Section Thirteen (13), Town Two (2) South, Range Three (3) East; thence north 0° 06' 30" West 467.11 feet in the north and south quarter line of section; thence south 86° 33' West 465.31 feet; thence north 20° 26' East 440.0 feet in the center line of highway M-52 FOR A PLACE OF BEGINNING; thence south 86° 37' west to a point in the west line of the east half of the southwest quarter of Section Thirteen (13); thence south 0° 02' east to a point in the southerly right of way line of the north service road of Highway I-94; thence north 34° 57' 46" east aproximately 150 feet in the southerly right of way line of the north service road to the point of curvature of a circular curve to the right, having a radius of 451.48 feet; thence easterly along the arc of said curve 614.63 feet; the chord bears North 72° 05' 55"; east; thence south 68° 54' 05" east 338.48 feet to a point in the centerline of Highway M-52; thence North 20° 26' east in the centerline of Highway M-52 to the place of beginning, being a part of the southwest quarter of Section Thirteen (13), Town Two (2) South, Range Three (3) East, Village of Chelsea, Washtenaw County, Michigan.

the aforesaid annexed area is subject to the provisions of the Sylvan Township Zoning ordinance for only one (1) year after annexation unless the Chelsea Village Council shall lawfully adopt other zoning regulations.

This notice is given pursuant to a resolution adopted by the Chelsea Village Council at a regular meeting thereof held January 19, 1965.

McNAMARA'S TEAM

The Defense Department team of top qivilian leaders, headed by Defense Secretary Robert McNamara, is expected to remain intact until mid-1965. McNamara reportedly has talked with key members of his team of his desire for them to stay on and see the Pentagon's programs through the next session of Congress.

# NORTH ELEMENTARY SCHOOL NOTES

**KINDERGARTEN, Mrs. Jacobson**

This week the Kindergarten classes learned about dinosaurs. The children brought in books about dinosaurs, plastic dinosaurs and fossils. We displayed these with relatives of the dinosaur—our turtles. Did you know about that? Maybe we all could use a kindergarten refresher course.

**FIRST GRADE, Mrs. Horning**

All the cold weather and snow inspired us to make snowflakes for our bulletin board and for the tree in our room.

In science we are finishing a unit on water where we talked about evaporation and the water cycle. We made booklets of the material we learned.

Mrs. Horning made a letter box. After our work is finished we write letters to our classmates and place them in the box. Before we go home, the mailman, Mrs. Horning, empties the box and distributes the mail for the day.

**SECOND GRADE, Mrs. Terbeek**

In Mrs. Terbeek's second grade room we are studying about the days of the dinosaurs. We have read library books about them and know some of their names.

Van Trepnsso brought his dinosaur collection to school. We made chalk drawings of them. Our room now looks like a zoo of prehistoric animals.

(It's interesting to note that many children this week know a great deal about dinosaurs—there must be many DINOS!)

**FIFTH GRADE, Mrs. Winkle**

If you would like to make an interesting barometer for noting the high and low pressure of air, you might try the experiment that is being tried in Mrs. Winkle's fifth grade.

Put a balloon over the mouth of a glass bottle on a nice clear, sunny day; then see what happens to the balloon on a stormy day. I wonder what happens and why! (You will too!)

**THIRD GRADE, Mrs. Graul**

This week our class talked about the inauguration of the president and wrote sentences about the events on that day.

We are studying transportation in Social Studies which all of us find very interesting. All the different ways to travel are being discussed. One day we drew road signs after we talked about their importance to safe driving.

Trucks carry important products to all parts of the country. We listed some things trucks carry and each drew one type of truck.

Now we are studying trains and the part they play in transportation. We will be making a train mural soon.

Audrey Heard had a birthday on Jan. 22.

**FOURTH GRADE, Mrs. Baccke**

We had another spell-down last week. Ethel Shoudel was the champion and Mike Hess was the runner-up.

During this month, four of us had birthdays. We are: Richard Metcalf, Ronald Robbins, Danny Price, and Jim Ewald.

We finished a unit about the smallest continent—Australia. We wrote reports and drew pictures to tell what we had learned.

Long division is, so difficult! However, we have been, and will be, trying to learn all about it. (Once you learn this well; it is something no one will ever be able to take away.)

**FIFTH GRADE, Mrs. Vonk**

United States Geography has become our "cup of tea"; at least THIS week anyway.

We have begun a unit on the North Central States. One of these is of course, Michigan. We decided as a class that we who live in Michigan know the LEAST about it! We're out to repair that belief.

Each of us has selected a topic pertaining to Michigan being a "Wonderland." Some of these are: (a.) The flowers of Michigan, state flower; (b.) Birds of Michigan, state bird, (c.) Why Michigan got its name; (d.) Types of Farming in Michigan; (e.) Detroit Salt Mines; (f.) The Great Lakes; (g.) Why Lansing was selected as the Capitol?; (h.) The Mackinaw Bridge.

We will be gathering information from books, magazines, our vacation experiences, libraries, librarians, and any of you who have pertinent information.

Our projects will be displayed on any or all—available bulletin board space. Included in our projects will be self-made maps, pictures, clippings, historic materials, and anything and everything pertaining to Michigan—our Winter-Water Wonderland.

Come on in and let us sell you on Michigan.

# AGRICULTURE in ACTION

by M. L. Woell

MICHIGAN FARM BUREAU

### ★ *Sewing Snafu*

U.S. Farmers read local significance in the recent story out of Russia about the mountains of sewing machines produced by Soviet factories. They see a similarity between the mindless production of unneeded machines in the USSR—and mountains of politically stimulated and government-owned surplus grain, sugar, cotton and milk in the United States.

Here as in Russia, farm leaders point out, committees of "planners" sometimes start the machinery of production rolling without regard to what the market will take at a realistic price. "Pravda" the official Russian propaganda paper gives details of the Soviet mix-up.

"Once upon a time, 10 years ago to be exact, there was a great demand in the Soviet Union for sewing machines and people formed lines in front of stores. The government decided to meet the demand of the population for household sewing machines in the shortest possible time. The machinery of Soviet planning shifted into sewing-machine production. Within a short queues disappeared.

"Nonetheless, the factories worked merrily away, turning out machine after machine. Soon output was three times the original level. . . and machines overflowed into corridors and locker rooms.

"Finally, a worker of the Podolsk factory could stand it no longer and raised a cry for help in the form of a letter to Pravda. 'We have more than 150,000 sewing machines accumulated here,' the worker, V. Komoltsev, said, 'and still we are making thousands of them every day.' Pravda sent a staff member to Podolsk, where he found 'Himalayas' of sewing machines, as he put it.

"Although one-and-a-half-million sewing machines were piled up, the economic plan still called for production of an equal number of new machines. Plant managers were producing them regardless of consumer demands because that was what the plan stipulated, and their careers depended on the fulfillment of the plan."

Better than anything we have seen lately, this illustrates the inherent inability of a committee-directed industry to respond to the needs of the market and the consumer.

Our own history in attempting to operate U. S. federal farm programs contains example after example where program planners have either misread the needs of the market or have chosen for political reasons to ignore them.

**NO ENGAGEMENT RING**

Washington — Mrs. Lyndon B. Johnson explained the appearance of a ring on Lynda Bird Johnson's left hand this way. The 20-year-old daughter of the President wears a heavy signet-type ring on her right hand, but frequently she shifts it to her left hand when she shakes hands because it hurts her fingers.

# Farm Fires Very Costly Each Year

It would take a sizable bankroll to purchase all of the chickens, turkeys, sheep and lambs grown on Michigan farms, but that's the equivalent amount of losses suffered by the state's farmers each year due to damaging fires.

More than $7.25 million worth of farm buildings, machinery and livestock went up in smoke on Michigan farms during 1963, says Richard Pfister, Michigan State University agricultural safety engineer. Another $7 million is lost through indirect damage such as lost herd replacements, breeding programs, future production losses and late harvesting of crops.

The 1963 farm fire losses were three-quarters of a million dollars over 1962 Michigan losses.

Pfister cites four problems which account for two-thirds of the annual farm fire losses:

—defective wiring.

—inadequate lightning protection.

—improper storage of hay, petroleum and other highly combustible products.

—faulty heating equipment, a real problem at this time of year.

The agricultural safety engineer advised farmers to install adequate insulation so barns can be heated by livestock instead of by supplemental heating equipment. He cautioned farmers to be aware of the dangers of portable oil burning heaters which are not equipped with vents. Electrical heaters are better from a safety standpoint.

Heat lamps should be used only in specially designed fixtures and hung with chains to properly protect livestock.

Pfister also suggests keeping LP gas tanks out of farm buildings and points out that these tanks can lead to disaster due to the possibility of leaks which may cause an explosion in a confined area.

The name of "Old Glory" was given to the American flag on Aug. 10, 1831 by William Driver of the merchant ship Charles Daggert.

# Club and Social Activities

### VIVIAN OTTO CIRCLE

Vivian Otto Circle met at the home of Mrs. Loren Turner Wednesday morning Jan. 20 with Mrs. A. Wilkinson assisting.

Opening the meeting, Mrs. Winston Schenk took for her devotion the thought "Friendship," with many impressive meanings, after which Mrs. Ben Bower for her program, very interestingly presented her topic, "Spiritual Discipline, both Inner and Outer."

Plans were discussed and formulated for future activities and meetings.

For the February meeting group will go to home of Mrs. Lloyd Merrill on the Feb. 17 and Mrs. William Storey will be co-hostess.

### SYLVAN EXTENSION GROUP

Sylvan Extension Study Group met Thursday evening, Jan. 21, at the Salem Grove church. Everyone enjoyed a family pot-luck supper.

Sergeant Milo Thompson of Michigan State Police Safety and Traffic Bureau presented a very interesting program on safety, stressing importance of laws as well as consideration and courtesy for others on our very busy highways today.

There were several pamphlets given out on safety with a direction to, "read them!"

### GOD'S WILLING WORKERS

The Chelsea Baptist church missionary circle known as God's Willing Workers, met Tuesday evening, Jan. 25 at the church for a regular business meeting. Mrs. William Aldrich, president, presided at the meeting.

Mrs. Bruce Hopkins was in charge of the work session which followed the business meeting. The women tied two quilts during this work session. These quilts are to be sent to the Darrell Champlin family, missionaries to Surinam, South America. The quilt tops were donated by Mrs. Arthur Faber and Mrs. Kenley Snyder.

The Champlin family was evacuated from the Congo a year ago and was forced to leave all their belongings behind. A sum of money was also collected to be sent to the family to be used to purchase pots and pans.

Devotions were led by Mrs. Charles Heard. Mrs. Clarence Holiday was hostess.

The next meeting will be Feb. 22 at the church.

### PEARL BAXTER CIRCLE

Pearl Baxter Circle met Wednesday, Jan. 20, at the home of Mrs. Dan Ewald with Mrs. Walter Mohrlock as co-hostess.

Eight members and a guest, Mrs. James Hoffmeyer, WSCS president were present.

Devotions and program were presented by Mrs. Edwin Gaunt and Mrs. LeRoy Lord, the theme being "Self-Discipline" using Psalm 55 for the text.

Mrs. Howard Walz, chairman, opened the meting, reading a letter from Pearl Baxter, who is a missionary to the Phillipine Islands. The circles sent a gift of $10 to Miss Baxter.

The next meeting will be Wednesday, Feb. 17, at the home of Mrs. Irwin Klumpp.

### CHELSEA COMMUNITY FARM BUREAU

Chelsea Community Farm Bureau met Thursday, Jan. 14 at the home of Mr. and Mrs. John Brooks with Mr. and Mrs. Rueben Lesser as co-hosts.

A pot-luck supper was served to members and guests.

During the meeting, Mrs. Florence Mayer spoke on the benefits of a Community College and Leroy Kalmbach spoke on taxes and what could be done to reduce real estate taxes.

Following the meeting euchre was played with John Cook receiving men's high and Irwin Trinkle receiving low prize; Mrs. Irving Trinkle receiving ladies' high, Mrs. Henry LaRose receiving ladies low prize, and Mrs. J. V. Burg, I, receiving the traveling prize.

### SUBURBAN MOTHERS

Suburban Mothers Child Study Club met Jan. 14 at the home of Mrs. Bill Robertson with 16 members present.

A business meeting was held during which it was decided to change the date of the annual Husbands Night from Feb. 20 to Feb. 27. This will be held at the Inverness Country Club.

At the close of the meeting refreshments were served by the hostess and co-hostesses Mrs. Ron Kiel and Mrs. Warren Welton.

The next regular meeting will be held Feb. 11 at the home of Mrs. Louis Foreman.

### CHAT 'n' SEAU

Chat 'n' Seau met Tuesday, Jan. 19, at the home of Mrs. Martin Steinbach. Mrs. Cora Lee Miller was the co-hostess for the 7:30 p.m. dessert. Nine members were present.

Following dessert, Mrs. Steinbach led the devotions. Her theme, in keeping with the coming Lenten season, was "Various Kinds of Crosses. They were depicted as (1) the cross of Christ the King, (2) the cross of suffering, (3) cross of compassion, (4) the martyrs cross, and (5) the cross of eternal life. A business meeting followed the devotions.

The next meeting will be held at the home of Mrs. Elba Gage.

### VFW AUXILIARY

The regular meeting of the VFW Auxiliary was held Monday, Jan. 25 with 11 members present.

Report were given from both standing and special committees.

Under the heading of new business was a donation to the VFW National Home for furniture for the hospital lounge and a donation to the department treasury earmarked fo the addition to the Administration building, which will be constructed int he near future at the National home. This building will be known as the "Home Life Building."

It was voted to give $25 to cancer aid and research which is a part of the department president's special program. Money was also voted for the March of Dimes.

Next meeting will be a social gathering, Monday, Feb. 8, with Mrs. Alex Eresten, Mrs. Harold Knott, Mrs. Norman Bauer, and Mrs. Ray Franklin in charge.

### NOT SO NEW

Today's attractive colored plumbing fixtures can trace their ancestry right back to the Buffalo World's Fair of 1902. It was at the Buffalo Fair that a large fixture manufacturer displayed vases with colored glazes. With the experiences gained in making these vases, the manufacturer shortly afterward began to apply these colorful decorations to lavatory pitchers and basins.

# Girl Scout Association Plans Events

Chelsea Girl Scout Neighborhood Association met Monday, Jan. 25 in the Home Ec. room of the Junior High school. The flag ceremony was presented by senior Troop 77. Twenty-two Chelsea members were present. Ivy Reed, consultant from Huron Valley Girl Scout office at Ypsilanti and June Holden, District No. 3 chairman, from Ann Arbor, were in attendance.

Nine adult leaders and troop committee members were invested with leadership pins including Katherine Hilts, Barbara Fritz, Pat Shoemaker, Helen Harrison, Wanda Snyder, Marilyn Shepard, Marie Crouch, Ann Belser and Jean Akin.

Carrie Eisenbeiser received her 10-year pin.

Six senior girl scouts received their program and bars. This award is a gold metal bar given for completing at least 20 hours with younger girls. This is accomplished by taking a course, or as some girls did, working three summers at neighboring camps. Fifteen senior girls now have their bars. They are qualified to assist leaders at meetings, at camps, or any similar activity.

Those registered for 1964 and 1965 include 215 Girl Scouts, approximately 50 adults and five men assisting—Robert Jacobs, Junior Troop 82; Dr. E. J. Sutter, Cadette Troop 98; Leslie Eisenbeiser and Wilbur Warden, Senior Troop 77 and Warren Eisenbeiser, Cadette Troop 170.

Girl Scout week will be March 7-13. Girl Scouts in the Chelsea area are to have a father-daughter night, Friday, March 12 at the Junior High School gymnasium at 7:30 p.m. General chairmen for this event will be Rosine Jacobs and Betty Morningstar.

Imogene Slocum and Barbara Leach were delegates to the Huron Valley Council. A change that developed from this meeting is that Brownie Scouts will not sell Girl Scout cookies. This is the national policy. Mrs. P. E. Sharrard, cookie chairman, announced that Girl Scout cookies will be sold about the middle of February.

Senior Troop 77 will travel to Ann Arbor this Friday, Jan. 29, to sell peanuts for the March of Dimes.

All Brownies who are third graders were invited by Junior Troop 47 to come to the meeting of Feb. 9.

Refreshments were served by Troop 84.

## Brownies . . .

### TROOP 247—

January singing and learning to square dance.

Tuesday, Jan. 19, we met with Mrs. Hilt's troop at the Methodist church to hear Conservation Officer Donley Boyer speak and show slides.

Our Jan. 26 meeting we entertained Mrs. Hilt's troop with songs and games.

Officers for January were Susan Allen, president; Kathy Yoell, secretary; Debbie Knickerbocker, treasurer; and Cindy Frisbie, scribe.

Cindy Frisbie, scribe.

### TROOP 143—

Brownie Troop 143 opened its meeting with the Brownie promise and Brownie "Smile" song.

Treats were brought by Michelle Maistre, with special birthday treats by Gena Shoemaker.

Work was continued on preparing for the puppet show.

The meeting was closed with taps.

Trudie Sanderson, scribe.

### BRIGHTEN UP

To bring a touch of summer into winter, make temporary slip covers for a chair or sofa from washable striped or solid tablecloths or gay bedspreads. Tuck in the fabric as needed at back and arms. Slipcover is readily removed for washing. Replace it while slightly damp, pat smooth—no ironing necessary.

The first action for Marine ground forces in Korea was on Aug. 7, 1950 at the Pusan perimeter. That date was also the eighth anniversary of landings at Guadalcanal.

### TROOP 170—

At the Jan. 21 meeting of Girl Scout Troop 170, Kathy Foster came and told us about the Girl Scout Round-up. We talked about the Girl Scout promise and sang some songs.

Last week we picked patrols and this week we picked patrol leaders and assistant patrol leaders. Vicki Wilkerson is leader of one patrol, and Jacquino Bailey is her assistant. In the other patrol Christine Alber is leader and Barbara Bury is her assistant.

We will be going swimming on Saturday, Jan. 23, from 5 p.m. to 6 p.m.

Dianne Snyder, scribe.

### TROOP 84—

Girl Scout Troop 84 met Monday, Jan. 18, at the Municipal Building.

We sewed on our mouse book marks for the Juliet Lowe project. Items are made by different troops and sent to the homestead of Juliet Lowe, where they are sold in a little store to help with the upkeep of the home.

Treats were served in each patrol and grace was sung.

The skating party for next week has been canceled.

Becky Taylor, scribe.

### TROOP 47—

Girl Scout Troop 47 met Tuesday, Jan. 26, at the Municipal Building. After going through the Girl Scout promise and laws, the girls told what these items meant to them.

Dorothy Gauss brought her first aid kit she had made herself and showed it to the girls.

All girls are working on their first aid badges.

Ann Thomson brought treats.

Susan Cobb, scribe.

### NEEDLE BEATLEBUGS

The Neddle Beatle Bugs' business meeting was called to order by Carolyn Foster, our president. We discussed a plan for a party after the fashion show in March.

Carol Wier, we are happy to announce, is the first to finish her dress. Marsha Davis and Lorri Sannes brought and served refreshments.

Jeanette Newcome, reporter.

AL SAMBORN

* * *

## *Al Samborn Heads Michigan Week County Committee*

Al Samborn has been named chairman of Michigan Week for Washtenaw county by Donald Lloyd of Monroe, the regional chairman of the annual celebration.

Michigan Week runs this year from May 16-22.

Samborn has some unique ideas for making this years' Michigan Week festivities different from the programs that have become stereotyped the past few years. He intends to make it "a county-wide affair," he said.

An active leader in Dexter's civic affairs, Samborn is well qualified to put new enthusiam into Michigan Week this year.

He is serving his second term on the Board of Education, he is president of the Chamber of Commerce, a member of PTA, on the Washtenaw County Red Cross executive committee and the state board of the Michigan United Fund. The Samborns — Al, his wife, Marguerite, Jim and Cheryl, belong to the Methodist church.

He is program manager and news director of Radio station WPAG in Ann Arbor where he has been employed since 1949.

A native of Clare, he is a graduate of the U-M and served five years with the U.S. Navy.

Her son, Billy Joe, had visited his grandmother, Mrs. Mae Howard at Stockbridge the previous week and Mrs. Howard had spent the week-end there with them when she went to pick him up.

### *Final Grade Crossing Eliminated on I-94*

Lansing — The last grade-level crossing on the old Detroit Industrial Freeway (I-94) has been closed to through traffic.

The crossing — at Hanna Rd. — near Belleville in Wayne county was scheduled to be closed next year but a high accident rate at the intersection brought the closing now.

The section of I-94 which includes Hannan Rd. was built under emergency conditions during World War II to provide a fast route to the Willow Run Bomber Plant at Ypsilanti. Since then, the highway has been modernized by building overpasses and interchanges. A number of other grade-level crossings have been eliminated over the years and the highway now will meet freeway standards.

### *No Easy Answer to Winter Driving Safety*

There's no easy answer to the problem of safe winter driving, warns the Police Chief. The true answer, he insists, begins with a healthy respect for what winter weather can do—a respect sincere enough to make a driver put his car in best possible condition, equip it with the best known traction devices, and then drive it with the greatest caution and skill at his command.

## *Would You Drive Your Car Off 4-Story Building?*

Which would you choose to do if you had these two choices—drive your car into a large tree while going 35 mph or drive it off the top of a four-story building? The impact would be the same! So says the Oregon State Highway Department.

Also, an average medium-size automobile carrying four people can develop enough energy at 60 mph to equal the destructive power of a cup and a half of nitroglycerin. In other words, if such a car struck head-on a solid object, the result would be the same as a blast from that much nitroglycerin!

# ASC Office Lists Important Dates To Remember

Mrs. Carolyn Stump, office manager at the Washtenaw ASCS county office wishes to announce the following important dates:

Feb. 1 is the final date for filing a price support application for a loan on either soybeans, oats, wheat, rye, or barley.

Feb. 1 is the final date for filing for an incentive wool payment in the 1964 wool year. (This is for any wool or unshorn lambs sold during 1964).

Feb. 8 marks the first day of the 1965 Feed Grain Program sign-up period which runs from Feb. 8 through March 26. The 1965 program is very similar to the 1964 program. The minimum acreage which may be diverted is still 20 percent and the maximum is 50 percent or 25 acres, whichever, is larger, but cannot exceed the base. When diverting 40 percent or more of the base all diverted acreage will receive the high diversion rate.

Those producers who have signed to participate in the 1965 Wheat Program may revise their intention when signing to participate in the Feed Grain Program. Also the producer who participates in both the wheat and feed grain programs may be eligible to substitute wheat and feed grain acreages.

The notices of bases and payment rates for the 1965 Feed Grain Program were mailed Jan. 22, to all feed grain producers.

March 1 is the deadline date for filing an application for a New Farm Feed Grain Base. A producer to be eligible for a new farm base must derive 50 percent of his livelihood for the current year from the farm; must have been engaged in the production of feed grain in at least two of the previous 5 years; neither the owner or the operator can have an interest in any other farm which has a feed grain base.

Washtenaw county is offering a measurement service for the feed grain program. You may sign up for this service anytime before the planting of the crop. The ASCS reporter will come out to the farm and stake the exact acreage to be diverted and to be planted. The cost of this service is $5 per farm plus 10 cents per acre measured.

# Ann Arbor High Sophomore Wins Oratorical Contest

Miss Kristeen Hanselman, an Ann Arbor High school sophomore, yesterday was declared the 1965 winner of the Gilbert E. Bursley annual oratorical contest.

Miss Hanselman, daughter of Mr. and Mrs. Edward Hanselman, 1447 Catalina Dr., Ann Arbor, was one of five contestants who delivered a prepared speech on "How Can the Republican Party Be Improved in Michigan?" She was one of three finalists who gave an extemporaneous talk on "How Can the TARS (Teen-Age Republicans) be effective in the April election?" She will present her prepared speech to the Washtenaw County Republican Convention on Jan. 28. At that time she will be presented with the Bursley oratorical trophy, engraved with the names of the annual winners.

Open to all members of the Washtenaw County Teen-age Republican club, the Bursley oratorical contest was begun in 1964 by Senator Gilbert E. Bursley (then state representative, of Ann Arbor to stimulate interest and participation in government and politics by young people. Following yesterday's contest, Senator Bursley stated, "I am deeply gratified at the interest and enthusiasm shown by these teen-agers. Their concern about good government and their willingness to learn and to help are outstanding examples of good citizenship. I am proud of all of them."

# Girl Scout Council Holds Annual Meet

The semi-annual meeting of the Huron Valley Girl Scout Council, an agency of the United Fund, was held Thursday, Jan. 21, at the First Baptist church, E. Huron St., Ann Arbor.

In a brief ceremony, the Sarah Caswell Angell chapter of the DAR, Ann Arbor, the Ypsilanti chapter of the DAR, and the Sarah Ann Cochrane chapter of Plymouth, presented the Council with six American flags. These flags were given for the use of all the Girl Scouts in the Council, which includes Washtenaw, Livingston, and western Wayne counties.

The meeting was called to order by the president of the Huron Valley Council, Mrs. Kenneth Hulsing of Plymouth.

Mrs. Hulsing expressed the sorrow of the Council at the loss of Donald MacDonald of Belleville, the husband of Mary Jane MacDonald, the training chairman for the Council. Their daughters Beverly and Bonnie are very active in Girl Scouting.

Mrs. James Kennedy, Ann Arbor, chairman of the National Field Committee, member of the Board of Directors and member of the National Executive Committee of the Girl Scouts of the USA., was the featured speaker at the luncheon.

Mrs. Kennedy's theme was: "Girl Scouting Can Make the Difference."

In speaking, Mrs. Kennedy emphasized Girl Scouting as a method of developing character strong enough to withstand the pressure and complexities of today.

During the business meeting, plans for the future development of the campsites were presented to the group. Also presented was a report on troop insurance policies. Revised policies for the Huron Valley Council were then distributed to the group.

## The NATIONAL OUTLOOK

By GEORGE HAGEDORN

### ★ *The U. S. As World Banker . . .*

During the past two decades the U. S. has become, partly by design and partly as the unintended result of circumstances, a banker to the rest of the world. Although the term is used figuratively, there is a close analogy between our financial relationship with other nations and the relationship between a bank and its depositors.

First, business firms around the world keep a substantial part of their working cash balances in the form of dollars—either deposits in American banks or short-term claims against other American financial institutions or the U.S. Treasury. Second, foreign nations keep a portion of their official reserves in dollars, alongside the reserves they hold in gold. It is on these reserves that they depend to maintain the convertibility of their own currencies.

**Advantages**

Our position as world banker confers certain advantages on this country. Just as a bank operates with the funds made available to it by its depositors, so we are enabled to use the resources made available to us by those who are willing to hold dollars in other countries. In return, we provide certain financial services to the rest of the world. One of the services we provide is the protection of our foreign "depositors" through holding a reserve in the form of an unproductive hoard of gold. The analogy with ordinary domestic banking lies in the fact that a commercial bank must keep a part of its assets immobile in its official reserve.

There is nothing wrong with being a world banker. The other nations find it to their advantage to have us act in that capacity for them. We in turn derive an income from this activity—just as an ordinary bank earns a profit in return for the services it performs for the community.

**Responsibilities, Too**

But being a banker entails certain responsibilites—the chief of which is the duty of always being in a position to meet claims when they are presented.

Of course, no bank has cash in its vaults to pay its depositors if they all appeared at once to withdraw their balances. But it must conduct its affairs in such a way as to inspire the confidence which prevents its depositors from behaving in that way.

The short-term dollar claims held abroad now exceed, by a considerable margin, the gold stock of this country. This is not in itself alarming. The source of concern lies in the fact that foreign claims are growing while our gold stock is shrinking. If foreign nations began to suspect that these trends would continue indefinitely, they might start the "run on the bank" which would destroy the whole international financial fabric.

The restriction which this puts on our domestic monetary practices is on the whole salutary. It serves in a way, as a substitute for the discipline imposed prior to 1934 by the fact that our own citizens could convert their dollars into gold. Let us hope that, in seeking solutions to the balance-of payments problem, we respond to this discipline instead of evading it.

# Area Peace Corps Placement Test Slated Feb. 13

An opportunity for Chelsea-Dexter area residents to test their aptitudes for Peace Corps service will come at 8:30 a.m., Saturday, Feb. 13, at the Ann Arbor Downtown Post Office, 220 N. Main St., Civil Service Room.

The opportunity is the Peace Crops Placement Test. It is not passed or failed, but simply indicates where your greatest potential lies. The Peace Corps Questionnaire which must be filled out and brought to the exam unless previously submitted, tells what an applicant has done in the past. But the placement test is aimed at showing what he or she CAN do in the future. Applicants do not have to register for the test ahead of time.

The Peace Corps Questionnaire may be found in Post Offices. On college campuses, they are available at college placment centers or the offices of Peace Corps Liaison officers, who are members of the faculty or college administration. If you can't find a Questionnaire, write the Peace Corps, Washington, D.C. 20525.

There are two parts to the Peace Corps Placement Test: a general aptitude test and a modern language aptitude test—for which knowledge of a foreign language is not necessary. Applicants should plan on about one and a half hours at the testing center, unless they wish to take the Spanish or French achievement test. For this optional test, another hour should be added.

No passing or failing marks are given out, nor will the applicants ever learn their scores. The results are used, with the character references and questionnaires, to estimate the applicant's potential for completing the intensive training program and his ability to be an effective Volunteer overseas.

# ANNUAL TAX SALE

STATE OF MICHIGAN,
In the Circuit Court for the County of Washtenaw

In the Matter of the Complaint of BILLIE S. FARNUM, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

No. 1072

On reading and filing the complaint of the Auditor General of the State of Michigan praying for a judgment in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said complaint will be brought on for hearing and judgment at the March term of this Court, to be held at Ann Arbor in the County of Washtenaw, State of Michigan, on the 1st day of March A.D. 1965, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a judgment will be taken and entered as prayed for in said complaint. And it is further ordered that in pursuance of said judgment, the lands described in said complaint for which a judgment of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such judgment, on the first Tuesday in May thereafter, beginning at 10 o'clock a.m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the county of Washtenaw, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the judgment shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered, and if on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. William F. Ager, Jr., Circuit Judge, and the seal of said Circuit Court of Washtenaw County this 30th day of December A.D. 1964.

WILLIAM F. AGER, JR., Circuit Judge.

Countersigned,
LUELLA M. SMITH, Clerk

STATE OF MICHIGAN
IN THE CIRCUIT COURT FOR THE COUNTY OF WASHTENAW

In the Matter of the Complaint of BILLIE S. FARNUM, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Washtenaw.

BILLIE S. FARNUM, Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this complaint under, by virtue of, and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 126 of the Public Acts of 1933, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description, for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) $1.50 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said several parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your plaintiff prays:

a. That within the time provided by law this court may determine and adjudge that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final judgment in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said judgment provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, of such interest therein as may be necessary to satisfy the amount adjudged against the same, shall severally be sold as the law provides;

d. That your plaintiff may have such other and further relief in the premises as to this court may seem just and equitable.

And your plaintiff will ever pray, etc.

BILLIE S. FARNUM, Auditor General of the State of Michigan, for and in behalf of said State.

Dated: December 29, 1964

## County Republican Convention Slated Thursday Evening

The Republican Party of Washtenaw county will hold its Spring Convention in the West Cafeteria at Ann Arbor High school on Thursday, Jan. 28, at 8 p.m. John R. Hathaway, of Ann Arbor, has been appointed temporary chairman of the convention and he has announced the selection of Wendell Hulcher, Republican candidate for Mayor of Ann Arbor, to give the principal address before the delegates. Hathaway stated that the topic of Hulcher's speech will be "Unity with Diversity."

Another key part of the program will be the presentation of the Gilbert E. Bursley Cup to the winner of the Oratorical contest for teen-age Republicans. The subject of the contest this year was the Ann Arbor City election, and the winner will repeat the first-place oration as part of the convention agenda.

Other than Hathaway and Hulcher convention officers and committee chairmen are as follows: temporary secretary, Mrs. Gordon McDonald of Ann Arbor township; sergeant at arms, Peter Kozlouski of Webster township; parliamentarian, Joseph D. Lawrence, Jr., of Ypsilanti; credentials committee, William Coughlin of Ann Arbor; order of business committee, Roy Smith of Ypsilanti township; permanent organization committee, Chandler Rogers of Sylvan township; resolutions committee, Richard Emmons of Ann Arbor.

## Highway Salt Use Throughout State Headed for Record

Lansing —The State Highway Department is on its way to using a record amount of salt this winter to keep highways clear of ice.

Salt use this winter is already 50 percent over the average used in the past eight years. To date, 97,000 tons of salt have been spread this winter compared to 65,000 tons for the same period last year.

If use continues at the present rate a record 175,000 tons of salt will be used this winter. Last winter, 129,000 tons were used.

The heavy increase in salt usage is caused by unusually mild temperatures, which cause more freezing rain and sleet creating slippery highways which can be de-iced only with salt.

Highway Department maintenance personnel—from Chief Engineer to snowplow operator—would much prefer lower temperatures with a few substantial snowfalls rather than the almost constant drizzle of sleet and freezing rain common this winter.

The Highway Department bought 138,000 tons of salt last fall for use this winter.

## CHELSEA VILLAGE COUNCIL PROCEEDINGS

January 5, 1965
Council Room

Regular Session

This meeting was called to order by Pres. Haselschwardt at 8:00 p.m. Invocation by the Rev. Livingston of the Congregational church. Trustees present: Bollinger, Burg, Chapman, Crouch, Weber and Wood. The minutes of the Regular Session of December 15, 1964 were read and approved.

A report was given by Trustee Burg regarding Civil Defense activities. A complete hospital unit will be delivered to the village on January 25, 1965, and will be stored at the Civil Defense Control Center in the Municipal Building.

A discussion was held with several village residents regarding the possible malfunction of a transformer located on the corner of Garfield and Summit Streets, which could be the possible source of interference in Civil Defense radio and television reception. Further investigation was ordered.

A discussion was held with Mr. Neil Fahrner, regarding a request for re-zoning of a specific piece of property.

NOTICE

Notice is hereby given that a Petition requesting a reclassification and rezoning of premises hereinafter described from Agricultural Zoning Classification to R-1 Residential Zoning Classification has ben filed with the Village Council in accordance with the Zoning Ordinance.

Notice is further given that a Public Hearing on said request shall be held in the Council Chambers in the Municipal Building on the 2nd day of February 1965 at 8:00 p.m.

The premises which are the subject of this request are described as follows:

Beginning at a point in the south line of the northeast quarter of the southwest quarter of section number twelve (12), town two south, range three east, which point is 8.54 chains east of the southwest corner of the northeast quarter of the southwest quarter; thence east 11.66 chains in the eighth line to a point in the north and south quarter line; thence north 89.76 feet in the north and south quarter line; thence west 66 feet; thence north 238.48 feet in the west line of Grant Street; thence southwesterly to a point which is 3.48 chains north of the place of beginning; thence south 3.48 chains to the place of beginning, being a part of the northwest quarter of the southwest quarter of section twelve (12), Sylvan Township, Washtenaw County, Michigan. Excepting and reserving from the above land conveyed by William Fahrner, recorded April 4, 1946 in Liber of Records, page 257.

Motion by Bollinger, supported by Weber, to approve the above rezoning request. Roll call: Yeas all. Motion carried.

Motion by Wood, supported by Weber, to authorize payment to Mr. Peter Kurzy in the amount of $234.53 for engineering services for streets, sidewaks, and parking lots through Dec. 31, 1964. Roll call: Yeas all. Motion carried.

Motion by Wood, supported by Burg, to authorize the Vilage Clerk to invest $4,000.00 from the Parking Lot Bond and Interest Account into Certificates of Deposit at the Chelsea State Bank. Roll call: Yeas all. Motion carried.

Motion by Crouch, supported by Wood to authorize the transfer of $10,000.00 from the Chesea Elec. & Water Dept. to the General Fund. Roll call: Yeas all. Motion carried.

A discussion was held regarding the parking in the Sorenson Subdivision. Police Chief John Palmer requested that an investigation be instigated in an attempt to regulate the parking of cars on both sides of the streets in some areas.

Police Chief, John Palmer was instructed to more rigidly enforce the present ordinance which prohibits parking on any village street between the hours of 2:00 a.m. and 5:00 a.m. without a permit. This ordinance is in effect to facilitate cleaning and removing snow from the streets. Notice to this effect is to be published in The Chelsea Standard.

Motion by Bollinger, supported by Weber, to renew the Burglary Insurance policy for the Village Treasurer's Office in the amount of $71.82 payable in three yearly installments of $23.94. Roll call: Yeas all. Motion carried.

Trustee Chapman reported on a meeting held with the Michigan Economic Opportunities Act Committee.

Motion by Crouch, supported by Wood, to authorize and direct the clerk to issue checks in payment of bills as submitted. Roll call: Yeas all. Motion carried.

General Fund, $3,391.55; Parking Meter Fund, $16.88.

Motion by Chapman, supported by Crouch, to adjourn the meeting. Roll call: Yeas all. Motion carried.

Meeting adjourned.

Approved: Jan. 19, 1965.

Howard Haselschwardt,
President

George Winans,
Clerk

FULL ASSIMILATION

President Johnson has called for "nothing less than the full assimilation of more than 20 million Negroes into American Life." The 1964 Civil Rights Act, Johnson said, marks a milestone although it does not provide the whole answer. He said he would make Vice President-elect Hubert Humphrey responsible for pressing government programs.

## Byron Pearson Plays In Marine Band for Inauguration Ball

Byron Pearson, son of Mr. and Mrs. Willard Pearson, plays in the Marine Band in Washington. Tuesday eveing, Jan. 19, the band played "honors" for the President at Constitution Hall before the concert.

Wednesday the band played at the inauguration ceremonies and in the parade. Wednesday night, Byron played in a dance band at the Shoreham hotel, where one of the five inaugural balls was held. President Lyndon Johnson did make an appearance there at that time.
