SCHOOL BOND ELECTION SLATED WEDNESDAY

Bulldogs Win Over Dexter, Tie Up League

Pressing Defense Used To Confine Dexter's Usually Big Offensive Stars

After dropping an earlier decision to the Dexter Dreadnaughts the Chelsea Bulldogs pressed to a 65-50 victory over the Dexterites Friday night at the Chelsea gymnasium. In addition to the thrill of a victory over rival Dexter the Bulldogs gained satisfaction by moving, once again, into a four-way tie for first place in the Southeastern Conference.

A change in Chelsea defensive strategy at the beginning of the second half, with the score tied, 30-30, upset the much-feared one-two offensive punch of Doug Dunham and Ron Mull. The Bulldogs resorted to a full court zone press which made Mull and Dunham take the ball up court, preventing them from taking their favorite shots and getting offensive rebounds.

The Bulldogs took advantage of the pressing defense by intercepting numerous Dexter passes and causing the Dreadnaughts to make many floor mistakes. The pressing team of Tom Steele, Tom Wojcicki, Charles Schmunk, Dennis Stoffer, Gary Dresch and David Clark, outscored the Dexter team, 20-8, in the third quarter to give the Bulldogs a 50-38 lead at the beginning of the fourth quarter. Steele scored eight of the points on three driving lay-ups and two foul shots. Gary Dresch replaced Wojcicki near the end of the quarter and hit on two crucial long jump shots to demoralize the Dexter outfit.

The Bulldogs maintained their lead in the fourth quarter with Dave Clark scoring eight points and Charles Schmunk, Dennis Stoffer and Tom Steele outrebounding the much taller Dreadnaughts.

Chelsea, not forgetting last week's complete collapse with victory around the corner against South Lyon, played ball control basketball for the last five min-

Council Briefs

Meeting for Tuesday, Feb. 16 opened by President Howard Haselschwardt with the invocation by the Rev. Harold Bilotta.

A motion was made to approve the rezoning of the Schumm property from general business to right of way service business district.

Motion to approve a variants in the zoning code for Charles J Popovich of 109 Wilkerson St.

A request was entered for a public hearing for rezoning of a piece of property located at N. Main St., immediately north of Chelsea Trailer Park. A public hearing will be held on Tuesday March 16, at 8 p.m.

A letter was submitted to the Council by property owners from the Sorensen subdivision area asking for strict enforcement of the village dog ordinance. Police Chief John Palmer was so instructed.

C. of C. Endorses Plan For School Addition

At its regular meeting Tuesday evening the Chelsea Chamber of Commerce unanimously approved a resolution endorsing the proposed plan to add 10 classrooms to the present high school which will be presented to the electorate next Wednesday.

"It is both the duty and privilege," president Don Baldwin said, "for the Chamber to take a stand on such issues which will help build and improve our community, and we are happy to be able to lend our support to this proposal."

Senior Class Rehearsing Musical Show

The seniors of Chelsea High School are breaking a tradition and will present an outstanding Broadway musical "Oklahoma," a "first" in the senior productions.

This musical is an all-time favorite among the musical world and is currently showing on Broadway after a run of 22 years without closing. It's songs are popular throughout the country. "Oklahoma" promises an enjoyable evening for those who like music, laughter and a good drama.

Charles Cameron, Superintendent of Schools has started the ball rolling by purchasing the first tickets.

Dates for this upcoming musical are March 26 and 27. Due to the popularity of "Oklahoma" committee members suggest that those planning to attend should not wait too long to purchase their tickets.

Girl Scout Cookie Sale Starts Friday

Orders for Girl Scout cookies will be taken over a period from Friday, Feb. 26, through Friday, March 12. Delivery will be made about April 29.

Brownie Scouts will not sell cookies this year, although the mothers of the Brownies may take orders for their girl's troops. This is a new policy established by the Huron Valley Girl Scout Council and is recommended by the National Council.

Five kinds of cookies are to be available this year: four flavors, chocolate and vanilla creams, Scot-teas, mints and Savanahs (peanut butter).

From the sale of each box of cookies, 5 cents is kept by the troops, 22¼ cents is the cost. 15¼ cents covers sales tax and supports the over-all camp program (camperships, camp equipment, buildings and many other things) 1 cent for National and International events (Girl Scout Roundup) and 1½ cents for a contingency fund.

Last year more than 5,000 boxes of cookies were sold by 173 girls. This meant $270 profit for their troops and more than $980 toward the camp fund.

Adults working with the troops are Mrs. P. E. Sharrard, general chairman; Diane Worden, Troop 77; Mrs. Maynard Poertner Troop 98; Mrs. Dale Bailey, Troop 170; Mrs. Wilbur Yocum, Troop 58; Mrs. Ralph Frisch, Troop 84; and Mrs. Alex Eversten, Troop 82.

In charge of the mothers for the Brownie troops are: Mrs. Warren Porath, Troop 247; Mrs. Gary Wright, Troop 145; and Mrs. Calvin Clark, Troop 144.

Youth Fellowship Elects Officers Sunday Evening

St. Paul's Youth Fellowship met Sunday evening to elect officers and make plans for the coming year.

Officers elected include Duane Schroen, president; Joan Dietle, vice-president; Gary Seitz, secretary; and Lynne Faist, treasurer.

The Fellowship meets twice monthly, the second and fourth Sundays of each month.

The group decided they would like to entertain the youth group of the Congregational church in the near future.

After playing games each member made his own banana split.

EAGLE SCOUTS HONORED: In an unusual ceremony Saturday evening three members of Boy Scout Troop 476 received their Eagle Scout ratings. Shown here are the new Eagle Scouts and their parents, from left to right, Eagle Scout Robert Miller and his parents, Mr. and Mrs. H. C. Miller, Eagle Scout Ray Worden and his parents, Mr. and Mrs. Wilbur Worden, and Eagle Scout Kenneth Reinhardt with his parents, Mr. and Mrs. Alvin Reinhardt.

Three Members of Troop 476 Earn Eagle Scout Rating

Three members of Boy Scout Troop 476 were elevated to the rank of Eagle Scout, Saturday night before a gathering of 150 people, at the Chelsea Congregational church.

After the flag ceremony, the Rev. R.A.J. Livingston gave the invocation.

Scoutmaster Harold Baker coordinated the Eagle Ceremony. Eagle Scout Jeff Spaulding escorted Eagle candidates Robert Miller, Ray Worden and Ken Reinhardt before the audience. Three members of the Court of Honor reported on the favorable findings of the board in recommending the three Scouts for the Eagle award. After the Eagle Scout Oath the new Eagle Scouts sat in places of honor, with their parents.

Jay Livingston gave the Eagle Scout poem. Each new Eagle Scout, in turn, was escorted to the center of the audience and awarded his Eagle badge. His father presented him with his Eagle certificate and the boys pinned miniature Eagle badges on their mothers. Harold Baker presented the Eagle to Robert Miller, Robert Anderson to Ray Worden and the Rev. Philip Rusten to Ken Reinhardt.

In a colorful candlelight ceremony, Steven Knickerbocker, Dan Spaulding, Pat Quigg and Richard Westcott were inducted into the troop as Tenderfeet.

The Court of Honor was introduced by Max Hepburn, committee chairman. Advancement chairman, Wilbur Worden, introduced the men giving out the awards.

Merit badges were presented

Dr. Mallary Fitzpatrick Jr.

Guest Pastor Will Speak at Congl. Church

The First Congregational church (United Church of Christ) is celebrating the 116th anniversary of its founding and 75th anniversary of the dedication of the building on Sunday, Feb. 21 with a guest minister at the morning service. The Rev. Dr. Mallary Fitzpatrick, Jr., will be guest minister Sunday with the Rev. Robert Livingston conducting the service.

Dr. Fitzpatrick is Associate Professor of Practical Theology and Chairman of the Committee on Ministry in the Divinity School of the University of Chicago. He was minister of Mt. Hope Congregational church in Detroit from 1949 to 1952. He taught at the School of Religion of Howard University in Washington D.C. His special interest is in "in-service" education, and in the relationship between the local church and the seminary in relation to the seminary student's academic career.

His sermon topic will be "Is Faith the Answer?" His text will be from the 34th Chapter of Deuteronomy, verses 1 to 12.

School Board Answers Bond Issue Questions

Q. How many classrooms will be in the addition?

A. Ten. Two commercial rooms, one special education room, one language laboratory and six regular classrooms for math, science and English.

Q. Will the district receive money from the county for the special education room?

A. Yes. Approximately $20,000 will be received from the county for this room and an additional amount will be received for the equipment for the room.

Q. Was it an unanimous decision by the Board to resubmit the $240,000 bond proposal for the addition to the high school to the electorate?

A. Yes.

Q. Why is an additional building necessary?

A. Because of increased enrollment. The enrollment increased from 364 in 1958-59 to 525 in 1963-64. The anticipated enrollment in 1966-67 will exceed 600 pupils.

The expansion at the Chrysler Proving Grounds will probably cause the enrollment increase to be greater.

—The special education pupils are meeting in the faculty dining room.

—The commercial rooms will allow for expansion of the business education curriculum.

—The language laboratory will permit the oral approach to the teaching of foreign languages.

—The visual education room is being used as a classroom.

Q. How will the present commercial room be used?

A. This room is in the science building and it will be equipped for a general science agricultural science room. Some funds under the National Defense Education Act are available for conversion of this room to a science room.

Q. Where will the building be located and will it match our existing school?

A. The building will be located north of the administration building and the architecture will harmonize with the present buildings.

Q. What will this addition cost the taxpayers?

A. It will cost approximately 7¼ mills over a three-year period or an average of 2½ mills each of the three years. The bond issue must be voted on as 3 mills for 3 years. The short bonding period will reduce the interest costs to the taxpayer.

Q. How much will it cost a taxpayer for property assessed at $2,500?

A. The average cost of 2½ mills per year (in the townships) is $16.17 for property assessed at $2,500. This figure is found by the state equalization valuation.

Q. What are the reasons the Board of Education decided to build the addition to the high school rather than replace the junior high school?

A. (1) The immdiate space needs are at the high school.

(2) Planning a junior high school and selecting a site will take 1½ to 2 years.

(3) Bonding for a junior high school would increase the per capita debt of the district resulting in increased interest costs to the taxpayer.

(4) The high school addition can be built and paid for by the time the junior high school bond proposal would be submitted to the electors.

(5) The outstanding debt on the high school will be reduced $170,000 in the next three years thus reducing the per capita debt in the district.

Q. Who may vote on the proposition?

A. To be eligible a voter must be: (1) U. S. Citizen over 21 years of age. (2) Resident of Michigan for at leastsixmonths. Michigan for at least six months. (3) Resident of the school district for at least 30 days. (4) Registered in the township in which he lives. (5) Own property assessed for taxes within the school district, or be the lawful husband or wife of such a person.

Q. What question will be voted upon?

A. Shall Chelsea School District, Washtenaw and Jackson Counties, Michigan, borrow the sum of not to exceed Two Hundred Forty Thousand Dollars ($240,000) and issue its bonds therefor, for the purpose of erecting, furnishing, and equipping an additional high school building, and for site development and improvement?

Q. When and where will the election be held?

A. The election will be held in the junior high gymnasium from 8 a.m. to 8 p.m., Feb. 24.

The election will be held in the Junior High gymnasium from 7 a.m. to 8 p.m.

To be eligible to vote on the bond proposal electors must be properly registered in the township in which they reside and must own property assessed for taxes within the school district or be the lawful husband or wife of such a person. They must also be a resident of Michigan for at least six months and a resident of the school district for at least 30 days.

The plans call for a special education room, two commercial rooms, a language laboratory, and six regular classrooms for mathematics, science and English.

The district will receive approximately $20,000 from the county, for the special education room and an additional amount will be received for the equipment for the room.

The bond issue will require a levy of three mills for three mills for three years to retire the bonds. The average cost to a taxpayer of 2½ mills per year (in the townships) is $16.17 for property assessed at $2,500. The short bonding period will reduce interest costs to the taxpayer, Board members have pointed out.

10-Room High School Addition Needed for Increased Enrollment

Scott Named At People's Party Caucus

At the People's Party caucus, held Monday evening in the Municipal Building, Joe Scott was nominated as a candidate for a two-year term as trustee.

Scott has lived in the village for 19 years. He is employed at Chelsea Products.

In a statement at the caucus, Scott said he personally would like to see the rebuilding of the People's Party for the good of the village.

Scott says he will campaign on the following platform: to provide an opposition; to represent the views of the unrepresented; to consider possibilities of "city government" as a means for Chelsea to stay in the main stream of area expansion; to provide means to expand services to village people and industry; and to give a means by which the political process may be participated in and enjoyed by more of the citizenry.

Cub Scouts Hold Blue & Gold Banquet

Cub Scout Pack 455 held their first Blue and Gold Banquet Thursday, Feb. 11, at the Methodist church Social Center, with 125 in attendance.

The Rev. James Craig gave the invocation before a bountiful dinner.

The program was opened with the flag ceremony by the Webelos Den led by Jim Branham.

With their Cubmaster acting as master of ceremonies, Den 9 presented a Chuck Wagon band and sang several appropriate songs. Next on the program was "Sing Along with Den 10," with several numbers being sung.

Cubmaster Carpenter introduced Scoutmasters Ralph Frisch and Bill Baker who gave out awards using the colorful "pulling together" ceremony.

The following boys received awards: Jerry Push, one year perfect attendance pin; Robert Schaeffer, bear badge; Bill Har-

Nearly 100 More Pupils Expected in Fall To Create Overflow Conditions

Voters of Chelsea School District will go to the polls next Wednesday, Feb. 24 to vote on the proposed school bond issue. The bond proposal is for $240,000 for needed class rooms at the high school. The addition is needed because of the increased enrollment from 364 in 1958-59 to 525 in 1963-64. Also the anticipated enrollment in 1966-67 will exceed 600 pupils. Expansion of the Chelsea Proving Grounds will probably cause the enrollment to increase even greater.

Major Fire Averted at Pure Station

Chelsea Fire Department was called to Hankerd's Service Station. Thursday evening about 6 p.m. when gasoline was ignited on the floor of the station and considerable damage was done to the building by the smoke.

A car was on the hoist at the time and attendants had been draining the gas tank preparatory to fixing it. Gasoline was over most of the floor and a pan of gasoline stood on the floor.

It was not determined what ignited the fumes from the gas, whether the hot water heater or an air compressor or just what did it but the gas was ignited.

In addition to the smoke damage to the inside of the building, major damage was done to the car on the hoist and the gas tank. Several windows were broken out, undoubtedly from the second igniting of the gas creating a pressure on them. Not an explosion as was thought at first.

The station is back in operation again after a little clean up job and is now selling gas as usual.

Post Office Closed Next Monday for Holiday

No rural or city delivery on Monday, Feb. 22. The early morning mail will be received and normal dispatch will be made in the evening. The post office lobby will remain open all day but there will be no window service.

Independents Name Full Party Ticket

At the Independent Party caucus held Monday, Feb. 15, in the Council Room of the Municipal Building the following slate of candidates was nominated.

For president, Howard Haselschwardt; clerk, George Winans; treasurer, Wallace Wood; three trustees for two-year terms each, Paul Bollinger, Larry Chapman, Paul Schaible, Jr.; assessor, Thomas Smith; library board trustees for three years, Katherine Wagner and Parker Sharrard.

All those nominated are incumbents with the exception of Schaible who will making his initial entry into village political activities.

FATHER AND SON BOWLING: A total of 30 teams participated in the Father and Son Bowling Tournament held Saturday afternoon at Chelsea Lanes. Besides the 18 real father and son teams there were 12 teams of sons and adopted fathers, for the sons whose real fathers don't bowl. In the adopted father and son event, Neil Fahrner, left, adopted father, and Doug Weatherwax, son, center left, finished first with a total of 1,323 pins with their handicap. Robert and Jack Taylor, father and son, on the right, finished first in their event with 1,150 pins with their handicap. The four are shown after having received their trophies.

4-H Clubs

MERRY MAIDS

Merry Maids 4-H club held their meeting Wednesday, Feb. 10 at the home of their leader, Mrs. Dan Ewald.

The flag pledges were given and there was discussion of Spring Achievement and the Mother's Tea. The Mother's Tea is held to acquaint mothers with the accomplishments and progress of club members with their knitting and sewing projects.

Refreshments were served at the close of the meeting.

Diane Koch, secretary.

BUSY BLUEBELLES

Busy Bluebelles held a 4-H Valentine party, Thursday, Feb. 11, at St. Louis School where they were entertained with several selections by the band of the school and also songs sung by the boys. All enjoyed refreshments.

The Bluebelles were accompanied by Mrs. Wayne Harvey, Mrs. William Chandler and Mrs. E. Lantis.

Critics of youth usually forget that boys and girls become adults after being trained and educated by their elders.

utes. The Dreadnaughts pressed to get the ball, but were not successful as Dresch, Wojcicki, Cameron, Steel, Schmunk, Clark and Stoffer passed and dribbled the time away.

In the first half the Bulldogs played mostly a man-to-man relaxing defense in the hopes to contain the shooting and driving of Mull and Dunham. Drawing the unenviable task of guarding Dunham, Jim Cameron drew three quick fouls; thus making him unavailable for most of the contest. Jim has been the inspiring floor leader the Bulldogs have needed; with his loss the job for the balance of the Bulldogs was made larger and Chelsea fans were extremely happy to see they more than met the challenge.

Keeping up with the Dreadnaughts in scoring were Wojcicki with six points on good jump shots from the outside; Stoffer with six points, also on jump shots; Schmunk hitting seven points after a slow start; Cameron with five before going out of the game; Steele with four points on driving lay-ups; and Clark with two points.

Dunham scored 13 points and Mull, 11 in that even first half. Dunham scored eight and Mull seven in the second half.

The Bulldog defense allowed the Dreadnaughts only 12 points on field goals in the second half and also out-rebounded them, 15-9, in the second half.

Tuesday the Bulldogs played Vandercook Lake at home in a non-conference game which they won (see adjoining story.) Friday is a big game with the Bulldogs tangling with the Lincoln Railsplitters at Lincoln. Lincoln has defeated Dundee and South Lyon in the last two weeks to make them a force to be reckoned with in the league race for first place.

Individual scoring was as follows.

For Chelsea Tom Steele had 14, Charles Schmunk 13, Dennis Stoffer 10, David Clark 9, Tom Wojcicki 6, Jim Cameron 5, Gary Dresch 6, Dick Lauhon, 2.

For Dexter Doug Dunham had 21, Ron Mull 18, Jon Crocker 7, Earl Miller 2, and Marty Walsh 2.

CUB SCOUT NEWS

DEN II, PACK 415—

Cub Scouts of Den 2 Pack 415 met at the home of Mrs. Robert Schafer Tuesday, Feb. 9.

Refreshments were provided by Bill Schafer and while we were enjoying our treats—a letter was written to Mr Turner thanking him for showing his film "Swampy" at our Blue and Gold dinner.

The pledge of allegiance to the flag was said and all boys scrubbed their hands so they could pull taffy. The candy was wrapped and put in red and white paper hearts as gifts for our mothers on Valentine's day.

The meeting closed with the living circle and the Cub Scout promise.

Bill Schafer, scribe.

DEN IV, PACK 445—

Den 4, Pack 445 met Tuesday, Feb. 9. The meeting was opened with the pledge to the flag.

The boys finished the place favors for the Blue and Gold dinner and Dan Thomson and Dan Merkel told a story to the den.

During the meetings for Jan. 26 and Feb. 2, we worked on hand puppets and the favors for the Blue and Gold dinner.

Dan Thomson brought us treats and we closed each meeting with the scout promise and the living circle.

Dan Merkel, scribe.

TROOP 47—

Girl Scout Troop 47 met Tuesday, Feb. 16, at the Municipal Building. The group sang "The Growing Up Tree" and we looked over the literature on camps for 1965.

Mrs. Carmer Slocum's son had made a puppet theatre and puppets and wanted his mother to show us how they worked.

Maria Houle brought treats.

Susan Cobb, scribe.

DEN 13, PACK 435—

Cub Scouts of Den 13, Pack 435 met at the home of Mrs. William Wade on Saturday, Feb. 13. All cub scouts were present.

The boys worked on decorations for the "Blue and Gold" banquet which will be held at North school Tuesday, Feb. 23, at 6 p.m. Everyone is to bring their own table service.

Mrs. Wade served refreshments and the meeting was closed with the Law of the Pack and the Cub Scout Promise.

Tom Skittenhelm, scribe.

DEN II, PACK 415—

Cub Scouts of Den 2, Pack 415 met Tuesday, Feb. 16, at the home of their den mother, Mrs. Robert Schafer.

The roll call was answered by telling ways of respecting the flag and the pledge to the flag was said.

Refreshments were brought by Tom Hepburn.

The boys cut out puzzles for Tom Forner who has been absent for several weeks and practiced a play to be given at the pack meeting.

Pinewood Derby cars were passed out to the pack.

Dennis Landwehr, scribe.

DEN I, PACK 415—

Cub Scouts of Den 1, Pack 415 met at the home of their den mother, Mrs. George Atkinson, at Cavanaugh Lake.

Derby kits were passed out at the beginning of the meeting. A rope trick was played and a denner, Carmer Slocum, and assistant denner, Ed Hartman were elected.

Treats were served and the meeting ended with the flag ceremony, grand "howl" and the Cub Scout song.

David Lauhon, scribe.

First Loans Go to Michigan Low Income Rural Families

The first two loans, one to an Indian, to help low-income families in rural areas raise their incomes and attain a better standard of living under President Johnson's War on Poverty Program were announced today by Michigan State Director, Nyle L. Katz.

The new credit program will enable a cabinet maker to buy a used pick-up truck for dependable transportation and a trucker to purchase an engine for a truck tractor so that he will be able to continue in the trucking business as a self-employed trucker.

A resident of Shepard, Isabella county, was loaned $1,500 for seven years to purchase a used pick-up truck.

He is a cabinet maker and the lack of transportation has resulted in unemployment. The truck will provide dependable transportation and will be used to haul tools and materials. It is expected that there will be a substantial increase in his income and thus permit a better standard of living for the couple and their five children, ages 2 months through 10 years.

A resident of Howell, Livingston county received a loan of $2,400 for 12 years to purchase an engine for the truck tractor which he uses to haul agricultural products south and southeast.

The financial assistance will enable him to furnish a reasonable living for his family of 10 which includes eight children, ages 4 through 18. All of the loans bear a 4⅛ percent interest.

Economic Opportunity loans may be made in amounts up to $2,500 to finance small family business, trades, service and farming enterprises.

The farm and rural families eligible for anti-poverty loans are confronted with such problems as limited resources; low incomes; indebtedness beyond their present ability to repay; lack of management skills, and an unsatisfactory level of living. To help overcome these problems and assure success of the new businesses or farming enterprises borrowers will be provide with intensive and continuing management aid by local county supervisors of the Farmers Home Administration.

To be eligible for the new rural credit program, an individual applicant must meet the following requirements.

(1) Live in a rural area which includes towns up to 2,500 population.

(2) Have an income so low it does not cover basic family necessities.

(3) Be unable to obtain credit from other sources, including the regular loan programs of the Farmers Home Administration, and

(4) Show a reasonable promise of succeeding in the enterprise to be financed by the loan.

The Farmers Home Administration carries out its supervised credit program through 1,000 local offices serving all rural counties in the 50 States, Puerto Rico, and the Virgin Islands.

TROOP 82—

Girl Scout Troop 82 met Tuesday, Feb. 16. This was a Court of Honor meeting and there was discussion of the activities for the next two months.

Mrs. Paul Mann explained how to use a pattern book, taught the girls how to put in a hem and showed them some other stitches for their sewing badges.

New patrol leaders and assistants are Betty Morningstar and Cynthia Boyer, Lisa Peffers and Laura Lancaster and Lynne Jacobs and Shirley Newcome.

Jane Mann was elected the new troop scribe and Jean Haselschwardt is the new treasurer.

Refreshments were furnished by Dawn Menge.

Laura Lancaster, scribe.

Personal Notes

Dr. and Mrs. Bruce T. Stubbs returned home Friday after a trip to Cadillac.

Mrs. George Beutler reports seeing a robin hopping around on their lawn Feb. 9.

Mrs. Anna Haselschwerdt fell on the ice Wednesday, Feb. 10, as she was getting into a car and broke her hip, she is in St. Joseph Mercy Hospital and is improving.

Recent callers at the George Beutler home were Mrs. Mahllen Ellis of Ypsilanti, Frank Dyer of Royal Oak, and Mr. and Mrs. Mike Frey of Chelsea.

Jim Hafner and Martin Steinbach of Chelsea, Ray Welshan, Jr., of North Lake, and Ray Welshan ,Sr., of Sugar Loaf Lake, spent the week-end ice-fishing at Houghton Lake.

Mrs. Howard Gilbert has entered St. Joseph's Mercy Hospital in Ann Arbor for treatment of a heart ailment.

It's a poor brain that has to be fired by alcohol before it can function.

WHY YOU SHOULD VOTE "YES" On School Bond Issue

(THIRD IN A SERIES)

For two weeks now we have been giving you some pertinent facts concerning the up-coming school bond issue. On February 24th you will have the opportunity to express your view on it. The time has come for us to rise and be counted. Do we want our community to stand out as a landmark; do we want our children to develop into future citizens and leaders, or do we want to stand idly by on the brink of prosperity and watch other communities draw our young people—our life-giving wealth—away from us because they offer them better opportunities?

Think of the future, and what our children have facing them. Let's not force them to meet this future unprepared. We have a duty to future generations, to provide them with an education which should inspire them to meet any difficult challenge in the years ahead.

Let's get out and exhibit the privilege of being able to do something for our children's destiny.

DEATHS

Mrs. Thomas E. Lewis

Addison Native Dies At Methodist Home

Mrs. Nora Lewis, 89, died Thursday, Feb. 11, at the Methodist Home.

She was born May 22, 1875 in Addison, Mich., the daughter of Bajanah and Mary Colby Baker.

Mrs. Lewis entered the Home on Nov. 24, 1962 after the death of her husband, Thomas Emmet Lewis, on June 29, of that year.

Her two sons survive her: Ferris Lewis of Dearborn and Russell Lewis of Phoenix, Ariz.

Funeral services were held Feb. 15, at the McFarland Funeral Chapel in Dearborn with the Rev. Matthew Betz and the Rev. Edwin officiating.

Burial was in Grand Lawn cemetery, Detroit.

Miss Bertha Schlenkert

Former Matron Dies Sunday at Methodist Home

Miss Bertha M. Schlenkert, 76, died at the Methodist Home Sunday, Feb. 14, after a long illness. She had been a resident of the Home since May 3, 1963.

Miss Schlenkert was born Feb. 6, 1889, in Detroit, the daughter of Frederick and Bertha Voltz Schlenkert. She was a member of the Whitefield Methodist church of Detroit.

She had worked as a matron at the Methodist Home several years ago and had instituted the first dietary kitchen while serving in that position.

Surviving, in addition to a sister, Mrs. Harold (Hulda) Engel of Detroit, are three brothers, George of Metropolis, Ill., John and Henry of Detroit; and several nieces and nephews.

Funeral services were held Tuesday, Feb. 16, at 10 a.m. at the Methodist Home chapel, with the Rev. Matthew J. Betz and the Rev. Harold R. Brown officiating. Additional services were held at the Fred Wood Funeral Home at 8450 Plymouth Rd., Detroit, on Wednesday, Feb. 17, with burial in Woodmere cemetery, Detroit.

BIRTHS

A son, Matthew Charles Saturday, Jan. 30 to Mr. and Mrs. Matthew Villemure of 334 Washington St.

Mr. and Mrs. Keith Boylan visited their niece, Marilann Steele at St. Joseph Mercy Hospital, Ann Arbor on Sunday. She has been confined there the past month and will be there at least one month more. Her room number is 4489.

Council Briefs

(Continued from page one)

A discussion was held concerning storm sewer connections. The motion was made that the village building code be amended to provide that cast iron pipe be used to connect any storm sewer drain from the property line to the main storm sewer and to provide that any storm sewer drain installed by public works crews will be billed to the property owner on a labor and material basis.

A discussion was held regarding the problem of street light failure on the west side of S. Main St. Obsolete equipment will require either replacement or rewiring of the present system. Replacement of lights would require an expenditure of approximately $2500 plus labor. Rewiring and underground cables installed would require an expenditure of $700, plus labor. Motion was made to rewire and install underground cables. Homer Nixon advised the Council that the work cannot be completed for approximately six weeks until the frost has left the ground and he wished to advise residents of the village that street lights on west side of S. Main St. would not be operative.

A motion was made to appoint Justin Wheeler and Dahue Riker to act on the Board of Review on March 8 and 9 in conjunction with Tom Smith the village assessor.

A discussion was held regarding the radio equipment available to the village through matching funds from Civil Defense.

A motion was made to authorize the purchase of Motorola Radio equipment for use by the Chelsea Police Department and if necessary by the Civil Defense. Total cost of the radio equipment which would include base station, remote control console, antenna, transmission line kit, microphones, a mobile unit and all installation would be $2,183, the village share of which would be half or $1,091.50, the balance to be paid by Civil Defense.

A motion was made to approve a petition to Michigan Water Resources Commission for the formation of a Huron River Watershed Council pursuant to Act 253 of Public Acts of 1964.

The motion was made to designate the Village Clerk as single administrator for the Village of Chelsea in all transactions with State Highway Commission.

Motion approved to pay bills as presented.

Union Lenten Series Slated On Thursdays

At a breakfast meeting of the Chelsea Minister's Fellowship Tuesday at the Methodist Home the Rev. James Craig reported on slow but steady formulation of the Union Lenten Series planned for the Thursdays of Lent starting with March 11. Again he reminded the ministers that Bishop Emerick is coming March 25 and that the choirs of all of the churches will sing at a musical program on April 1 at the Methodist church.

The Rev. Livingston will be the speaker at the Good Friday 1:30 to 2:30 union service at the Methodist church. It has been traditional to have a local minister be the preacher at this Good Friday service. The locations for the services except for those requiring the seating capacity of the First Methodist church had been made flexible to accomodate the programs when they become firm. Publicity will be handled by the Rev. Craig when the program is set. It was decided that the offering should go to the United Nations' Children's Fund, UNICEF, to help feed, cure and educate needy children around the world.

President John Smucker welcomed the Rev George Nevin of Salem Grove and North Lake Methodist churches to his first meeting with the Chelsea Minister's Fellowship. The group expressed the desire that all Chelsea ministers active in churches in the area would be able to attend future meetings. The next meeting is planned for Tuesday, March 23 at 8 a.m. for a breakfast meeting at the First Methodist church.

Hosts for the meeting were the Rev. E. J. Weiss and the Rev. John Fall, ministers and administrators of the Methodist Home.

New MPA Head

New president of the Michigan Press Association is Arthur P. Gallagher, editor of the Ann Arbor News. He was elected at the 97th annual meeting of MPA at Kellogg Center in East Lansing.

Other officers are Harry Weinbaum, West Side Courier, Detroit, president-elect; Norman C. Rumple, Midland News, vice president; Harry Whiteley, Presque Isle County Advance, Rogers City, treasurer. Elmer E. White is executive secretary.

Vidian Roe, Fremont Times Indicator, is immediate past president.

Millard S. Engberg, Belding Banner News, and Fred S. Smith, Evart Review, are newly elected members of the Board of Directors. Re-elected to the Board for three year terms were Frank Angelo, Detroit Free Press; Jim Brown, Ingham County News in Mason; Stanley R. Pratt, Sault Ste. Marie News.

The state meeting was climaxed by the 24th "All-Michigan Dinner," co-sponsored by the Michigan Department of Agriculture. Entree this year was "old fashioned chicken with yellow gravy." Only foods produced in Michigan are served. Michigan is the only state which has agriculture versatile enough to permit this type of banquet.

TIRED CAT

Seminole, Okla. — Soon after moving into her new home in St. Louis, Mo., Mrs. Jim Robertson said that her Siamese cat named Thurm disappeared. Six Weeks later the cat turned up at the home of her mother, Mrs. E. A. Cummings. Thurm had previously made this 450 mile trip by car. Mrs. Cummings sent the cat home aboard an airliner.

New Driver's License Photos Will Be in Full Living Color

Lansing — Ever wonder how you would look in living color? Well, in less than six months . . . about June 1 . . . Michigan's licensed drivers will begin to find out.

Secretary of States James M. Hare doesn't plan to start his own television show. But he does plan to begin issuing a new driver's license which will show the operator's picture in full and living color.

Hare said contract to produce the photo-license has been let to DEK Processes, Inc., of Fort Wayne, Ind., adding the new license will be among the first color photo driver licenses in the country and "will serve as an excellent identification for law enforcement officials as well as for banks and liquor establishments.

"Actually, when we resumed our exhaustive investigations into the broad field of photo-licenses last year, we were not sure whether we wanted color pictures or the more conventional black and white," Hare said. "However, in discussing the situation with enforcement people and business interests, we discovered that they strongly favored the color photo. This helped to shape our decision in the matter."

The color photo won't be the only thing new on the license, Hare said.

"Actually, the entire license will be restyled," he said. "Both the photo and license will be printed together in a single process on a sheet of sensitized paper. The license will be laminated with a plastic which will contain the state's coat of arms. This should foil attempts to in any way alter the license.

Although the first of the photo-licenses are due to start rolling out about June 1, it will be three years from that time before all of Michigan's present 4-million licensed drivers have them. Hare said there were no plans to accelerate the state's normal three-year renewal cycle for licenses. But drivers should have the new license by 1968, he said.

Hare said that the new type of license would be issued to persons who lost their licenses, however.

Actually, the photo-license concept is not a brand new idea in Michigan. This type of license was first approved by the legislature back in 1949. However, no appropriation was made to implement the plan until the 1964 session when lawmakers voted $500,000 to get the program started.

"We had explored the photo-license field when the law was first passed in 1949," said Hare, "but we were forced to do it again this past year because of the many changes in processes, other innovations and alternations in costs. This has been the prime reason for a delay in getting the program under way."

Laboratory facilities will be set up in Lansing by the DEK Co., but in five years under terms of the present contract, explains Hare the equipment will become the property of the State of Michigan.

When the program becomes operational, about 2-million licenses . . . new and renewals . . . will be issued annually.

"This means we must process between 6,000 and 9,000 licenses each day with the average day geared for about 8,000," Hare said.

By the time everyone in Michigan has a new photo-license, Hare estimated the state would have well over 4¼ million licensed drivers.

U-M Research Head Will Direct Area Science Fair

Ann Arbor — Dr. A. Geoffrey Norman, University of Michigan vice-president for research, will be director of the 1965 seventh annual Southeastern Michigan Science Fair.

Announcement of appointment of the director was made by the fair's executive committee.

The 1965 Fair is scheduled April 9-11 in the U-M Intramural Sports Building in Ann Arbor. Junior and senior high school students in Lenawee, Monroe, Washtenaw, Livingston and Jackson counties will compete for scholarships and prizes valued at more than $1,000 in the fair.

Dr. Norman was named to supervise the U-M's $42,000,000 research programs last summer, succeeding Dr. Ralph A. Sawyer who is on retirement furlough. Dr. Sawyer was director of the 1963 Fair.

A research biochemist and professor of botany, Dr. Norman has been director of the U-M Botanical Gardens since 1955. He joined the U-M faculty in 1952 to supervise the plant nutrition work of the Michigan Memorial - Phoenix Project.

Born in Birmingham, England, he received bachelor and doctor of philosophy degrees at the University of Birmingham before first coming to United States in 1930 as a Rockefeller Fellow.

He returned to England, received a doctor of science degree at the University of London and headed the biochemistry section of the Rothamsted Experimental Station from 1933 to 1937. He then returned to the U. S., joining the faculty at Iowa State College, where he served until 1946. Later he was division chief in the Chemical Corps Biological Laboratories, Fort Detrick, Md., until 1952.

He is a member of numerous scientific organizations, including the Royal Institute of Chemistry of Great Britain, of which he is a Fellow, and the American Society of Agronomy, which he served as president in 1957.

Directorship of the Science Fair alternates between a University representative and an area scientist. Last year, Gordon LeBrasse, director of the Federal Mogul Research Division, served as director.

CAR TAGS BEAR KKK

Dallas, Tex. — Cars with license plates bearing the letters KKK are causing some questionable stares from visitors in Dallas, Texas. For the first time, Texas is issuing auto tags bearing three letters instead of two, which are followed by numerals. It just happens that Dallas County will receive "KKK" plates.

Toddlers Add to Rapid Growth of Winter Recreation

A large group of youngsters is contributing to the rapid growth of winter sports in Michigan.

In many families, learning to ski goes hand-in-hand with learning to walk, the Michigan Tourist Council reports. Many experienced adult skiers are surprised as youngsters barely out of diapers go zipping by on a ski hill.

"Outdoor sports are healthy recreation for young and old," said William T. McGraw, Tourist Council director.

"Many ski equipment manufacturers cater to the younger set, with skis, boots and clothing to fit the smallest children. Ski schools offer expert instruction for youngsters. They learn quickly and many surpass their elders in moving to advanced slopes.

Early exposure to winter recreation has carried over to high school and college levels. A growing number of Michigan high schools offer skiing as a varsity sport and booming interest in the sport is reported in colleges and universities.

Long before the national emphasis on physical fitness, many Michigan parents encouraged their children to take an active part in winter sports. Skis, skates, sleds and toboggans have long been common gifts in Michigan households.

Teaching the children to ski encourages family participation in winter sports, enabling mom and dad to spend more time on the slopes. Many family vacations are now spent at Michigan winter resorts.

From the band of small fry have come Olympic champions, like Terry McDermott of Essexville, world speed skating champion and America's only gold medal winner in the 1964 winter Olumpics.

But whether or not they choose to follow in Terry's footsteps, the shouts of joy echoing off snow and ice are evidence that Michigan children enjoy their state in winter.

Michigan Week Publicity Head Named for County

Donald A. Morris, manager of special services at the University of Michigan, has been named director of publicity for the Washtenaw county Michigan Week observance May 16-22. The announcement was made last week by Al Samborn, Washtenaw county Michigan Week chairman.

Morris, former education writer for The Detroit Times, has served also on the Wayne State University relations staff prior to coming to the University of Michigan in June of 1962. Morris was managing editor of the University of Michigan News Service until last April when he became manager of special programs.

As publicity chairman for the county Michigan Week observance, Morris will serve on the county Michigan Week Co-Ordinating Council, helping in planning for the annual event. He will also aid community publicity chairmen in the task of detailing the role their community plays in the "Story of Michigan."

Boy Scout Council Plans Winter Camp

The Boy Scouts third Iroquois District Winter Outing will take place Friday, Saturday and Sunday, Feb. 19, 20 and 21, at Alvin Reinhardts Woods, 10001 Joslin Lake Rd., Gregory.

The schedule for the three days promises an interesting time. There will be a fishing derby, tracking or a hike, campfires and singing and skits and games at various times at different places.

Sunday church services are planned for all denominations and as Sunday is the final day, awards and presentations will be made at that time. Judging of various phases of the campout determines the awards and the awards will be patches for all registered participants.

There will be skating and fishing only if the ice is safe.

Some of the essentials for camping are available at a cost and others can be had by a short walk.

Boys are urged to consult their handbooks and come prepared for cold weather camping.

Jaycees Auxiliary Views Film By March of Dimes

Jaycee Auxiliary met at the home of Mrs. Kenneth Norris, Tuesday, Feb. 16, with Mrs. David Rowe as co-hostess.

Preceeding the meeting Mrs. Silas Hopkins, program chairman, introduced a special guest Burton Lamken, an elementary school teacher, who spoke on the March of Dimes and the different diseases it has helped stamp out, such as polio. This year the March of Dimes campaign is promoting the treatment, research and education of doctors and therapists for birth defects. A moving film, "Strangers to the World," was shown by Mr. Lamken of the effects birth defects have on children and their families, and what can be done for these afflicted children.

The Auxiliary welcomed three new members: Mrs. Gerald Blough, Mrs. Kenneth Noble and Mrs. Robin Wright.

Mr. and Mrs. Kenneth Noble, Mr. and Mrs. Dan Maroney, Mr. and Mrs. Ken Norris and Mr. and Mrs. Silas Hopkins attended the Jaycee winter board meeting in Battle Creek on Friday and Saturday, Feb. 12 and 13.

The Auxiliary plans a dinner party for Tuesday, March 9 at Weber's Supper Club in Ann Arbor and will attend a movie.

The next membership meeting will be Tuesday, March 16, at the home of Mrs. David Rowe with Mrs. Robin Wright as co-hostess.

Hard work never hurts anybody, so we are told, but if this is true, then it must scare some people to death.

Club and Social Activities

CHILD STUDY CLUB

Chelsea Child Study Club met Tuesday, Feb. 9, at the home of Mrs. James Shadoan with 15 members present.

Municipal Judge Francis O'Brien of Ann Arbor spoke on "Alcoholism as It Effects the Teen-Agers."

Co-hostesses for the evening were Mrs. Jack Cattell and Mrs. James Shadoan.

The next meeting Tuesday, Feb. 23, will be a field trip to the Chelsea Fire Department. Representatives of the School Board will speak on the upcoming bond issue at this time.

WOMAN'S RELIEF CORPS

Woman's Relief Corps held their monthly meeting Monday at the home of Mrs. Harold Knott. 14 members were present.

During the business meeting members decided to celebrate their 75th anniversary in October with a banquet. A social hour followed and refreshments were served with Margaret Dietle acting as co-hostess.

The March meeting will be at the home of Mrs. Mildred Hopper.

PAST NOBLE GRANDS

Past Noble Grands club of the Chelsea Rebekah Lodge met Tuesday, Feb. 9 at the home of Mrs. Anna McDonald. Co-hostess was Mrs. Wilbert Breitenwischer. Mrs. Al Hinz was in charge of the evening's entertainment, a valentine game. Prizes were awarded to Mrs. Elwood Keezer, high; Mrs. Ross Munro, low, and a special prize to Mrs. Anna McDonald.

The club approved a donation to the Washtenaw County Hospital.

Mrs. Gale Gilson and Mrs. Belle Barth are still confined to their homes due to illness.

A door prize was awarded to Mrs. Ross Munro and Mrs. Donley Boyer.

The March 9 meeting will be held at the home of Mrs. Al Hinz, with Mrs. Russell Altstaetter as co-hostess. A "backwards" party will be the entertainment for the evening with Mrs. Elwood Keezer in charge. A forfeit will be given if each member doesn't dress accordingly.

Officers for 1965 will be Mrs. Donley Boyer, president; Mrs. Anna McDonald, vice-president; Mrs. Donovan Sweeny, treasurer; and Mrs. Mac Packard, secretary.

SUBURBAN MOTHERS

Suburban Mothers Child Study club met Thursday, Feb. 11 at the home of Mrs. Louis Foreman for a combined business meeting and valentine party. Co-hostesses were Mrs. Bob Fitzsimmons and Mrs. David Longworth.

With Mrs. Warren Eisenbeiser narrating, fellow members Mrs. Ron Kiel, Mrs. Robert Adam, Mrs. Louis Foreman, Mrs. David Longworth and Mrs. Bob Fitzsimmons modeled their own humorous creations in a "Fashions for Fun" fashion show.

Several games of bingo were played and refreshments served.

A pot-luck dinner, with husbands as guests, will be held Saturday, Feb. 27, at the Inverness Country Club.

The next meeting will be Thursday, March 11, at the home of Mrs. Ron Kiel.

SILVER ANNIVERSARY HONORED AT RECEPTION

A silver anniversary reception and open house was held for Mr. and Mrs. Harold Wahl of 4015 Clear Lake Rd., Sunday, Feb. 14, at the Francisco church hall.

Mr. and Mrs. Daniel Wahl, Mr. and Mrs. Eugene Wahl and Miss Joan Whal, children of the Harold Wahls, were hosts for the occasion.

Helping serve at the reception were Mrs. Douglas Kennedy, an attendant at the Wahl's wedding; Mrs. Norman Brautigam a sister of Mrs. Wahl's, and Mrs. Edward Willy. Karen Wright had charge of the guest book.

More than 100 friends and relatives were present from Manchester, Grass Lake, Jackson, Munith, Stockbridge and Chelsea.

ST. MARY'S ALTAR SOCIETY

St. Mary's Altar Society met Wednesday, Feb. 10, at St. Mary's school with 37 members present.

Many useful items were donated to the Pope's "storehouse."

Mrs. James Gaken announced that February is Catholic Press Month as well as Brotherhood Month.

The Altar committee for February is Mrs. August Dorer and Mrs. Joseph Laban.

It was decided to have a Mother-daughter breakfast in May as has been done previously. The committee will be appointed later.

An announcement was made that St. Mary's School Association will hold a public smorgasbord Sunday, March 7, at the Chelsea High school cafeteria.

The meeting was turned over to the Program chairman, Mrs. Robert White, who introduced Mrs. Marvin Kirk of Manchester. "Indecent Literature" was her topic and the talk was very informative, members reported.

Refreshments were served by Mrs. Armin Schneider and her committee.

SILVER WEDDING ANNIVERSARY

Mr. and Mrs. Robert Lowery held an open house for friends and relatives on Sunday, Feb. 7, at the Manchester Methodist church Fellowship Hall.

Mrs. Tom Carpenter, Mrs. Frank Kuhn, Janet Lowery and Marilyn Huffman, nieces of Mr. Lowery helped with the serving and Mrs. Donald Huffman, Mr. Lowery's sister, poured.

JV Cagers Win Over Dexter, 61-47

Strong rebounding, which saw the Little Bulldogs out-rebound the Dreadnaughts, 52 to 30, was the key to the Chelsea victory last Friday evening. The rebounding coupled with good defense and alert ball handling added up to a 61 to 47 victory.

The Bulldogs grabbed an early 9 to 1 lead and were never headed although Dexter closed the gap to one point at one time in the first period.

Leading, 29 to 18, at half-time, the Little Bulldogs moved to a 48 to 32 margin at the end of the third period in the game that saw everyone on the bench get into the game.

High scorer for the Bulldogs was Dan Parsons with 17. Bill Harvey and Don Salyer each added 10. Rick Salyer 9, John Lixey 5, Tom Kern 4, Jim Henry, West Stinehelfer and Larry Porath 2 each.

Rick Salyer pulled down 12 rebounds while Dan Parsons collected 11, Bill Harvey and Larry Porath, 2, Kim Flintoft, Eric Batzdorfer, Wes Stinehelfer, Jeff Hitchingham and Dave Blaess each contributed 1.

The next game is with Ypsilanti Lincoln at Ypsilanti. The JV game starts at 6:30 p.m.

Tourist Association Offers Skiers Free Winter Sports Guide

Lansing — With the Michigan winter sports season at its peak, the Michigan Tourist Council reminds snow fans that copies of the 1965 Winter Sports Guide are available without charge.

Pinpointed in the guide are 87 of the state's 89 winter sports facilities. Two of the centers—Maplehurst on Torch Lake north of Traverse City and Pinnacles Ski Resort east of Gaylord—opened their facilities too late for inclusion on the map.

Iroquois Mountain Lodge near Sault Ste. Marie, destroyed by fire during the last week of December, has reopened its slopes for skiers, according to the resort management.

The publication contains a numbered index which lists all the tows, dining areas, accommodations and other facilities for each individual center.

Copies of the guide are available by contacting the Michigan Tourist Council, Lansing 48926.

Bulldogs Win Tuesday Evening Over Vand. Lake

Chelsea was victorious over Vandercook Lake Tuesday night by a score of 84-69.

At the end of the first quarter, Vandercook Lake led by three points, 17-14.

The Bulldogs drove ahead of their opponents at half-time with a four-point lead, 38-34, and then maintained the lead until the final buzzer.

Tom Wojcicki made four field goals in the third quarter and led the scoring for the game with 24 points. Charles Schmunk made 17 points and Tom Steele, 10.

The third quarter was close with the Bulldogs making 19 points and Vandercook Lake, 18, but the last quarter was definitely Chelsea's when they out-scored their opponents, 27-17.

This makes an 8-7 record for the Bulldogs. They have won six of their last seven games, including last Friday's game against Dexter.

Wrestlers Take Fourth In Succession

Chelsea High school's wrestling squad scored its fourth consecutive victory last Thursday night by defeating Monroe Catholic Central by a score of 27-16.

Chelsea's individual winners were: (95) Bill Lounsbury, dec.; (103) Mike Roark, dec.; (120) Mike Hendricks, dec.; (133) Paul Huber, pin; (145) Stafford White, dec.; (180) Dick McCalla, pin; (hwt.) Bob Snyder, pin.

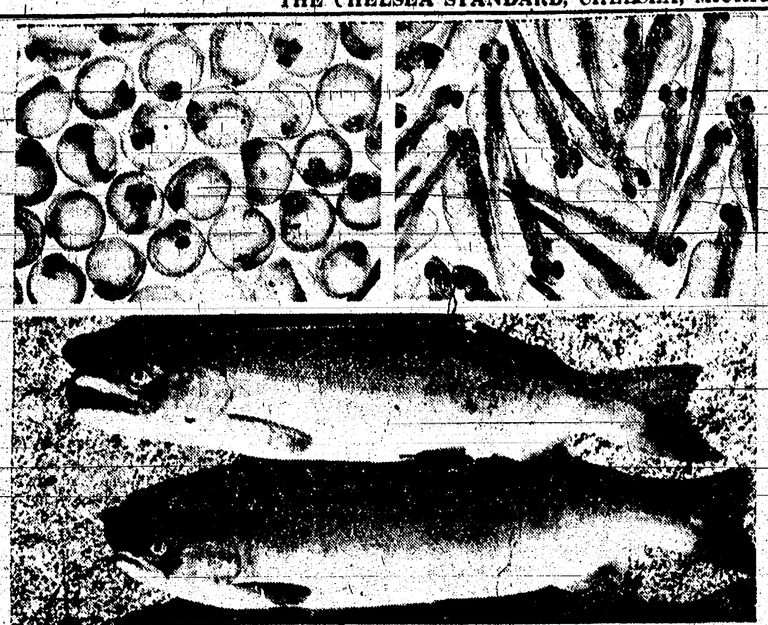

The Bulldogs will rap up their dual meet season this Saturday night at 7:30 with a home meet against South Lyon.

Coach Dusseau has high hopes for several of his wrestlers in the regional tournaments to be held at Chelsea this year, Feb. 26 and 27. Probably the most outstanding Chelsea wrestler this year is Dick McCalla with a dual meet record of (11-0). As a team Chelsea is now (7-5).

NEW MICHIGAN SPORT FISH: A sport fish new to Michigan — the Kokanee salmon — is being "egged along" this winter by the Conservation Department to set the stage for introductory plantings in Higgins and Torch lakes in the spring. Several hundred thousand eggs from the State of Washington (top left) have already hatched and passed through the sac-fry stage (top right) at the Department's Oden and Harrietta hatcheries. Together with survivors from about 2½ million Colorado eggs bound for the two hatcheries in February, they will be reared to fry size before their release. Kokanee plantings are scheduled in the two northern lakes during the next four springs in an effort to build up brood stock (bottom photo, male above female) from which Michigan can get its own eggs. If all goes well, this imported species will eventually be planted in the Great Lakes, and several large inland lakes.

IN THE OPEN

By Lee Smits

My conscience troubles me a little about our backyard sparrows.

From the first snowfall to the emergence of bugs in the spring I dole out 100 pounds of scratch feed per month to support a flock of about 40 sparrows. I am not doing the sparrows any good, over the long haul; simply amusing myself.

The neighborhood habitat will support a certain number of sparrows. At least 80 percent of all the sparrows hatched have to perish in their first year. Otherwise there would be too many sparrows for the food and shelter available, sparrows being subject to the same iron laws of nature as deer, quail, lemmings, human beings.

Various factors control the sparrow population. Infant sparrows are killed by bluejays, grackles, cats. At the far end of the sparrow life-span severe cold, I believe, is the chief control factor.

Last winter an old male sparrow sat hunched up under a hedge, his feathers rumpled, his eyes closed. I could reach down and stoke his head with my finger. He was suffering not at all. Just dozing; dreaming, maybe, of courting a mate, building a nest, rearing a brood, in the midst of mountains of scratch feed and clouds of insects. One morning he was frozen solid. In the spring there are the shells of dead sparrows here and there under their winter roosting places.

I have sat with Harold Titus in his home overlooking Grand Traverse Bay, watching birds come to his feeding station. Evening grosbeaks, chickadees, juncos and other birds that a person (who has given up trying to know all the birds he should know) can't identify. The Titus birds are beautiful. A flock of evening grosbeaks against a snowy background is almost incredibly beautiful.

I recall, many years ago, seeing a red-breasted grosbeak on its nest, a male. I read in Richard H. Pough's invaluable "Audubon Bird Guide" that "the male has a curious habit of singing softly while incubating the eggs."

But even as I watch the fascinating Titus exhibit of bird life, I think of my grimy sparrows back home and am grateful for them.

Turning again to Dick Pough's book we come upon some entertaining sparrow lore:

Man has transplanted the bird all over the world. Whether he has acted wisely or not, the fact remains that the so-called English sparrow is his constant companion in the temperate zone of every continent."

Probably Dick Pough's question about sparrows can be answered. Communist China carried on a terrific all-out campaign against sparrows because sparrows eat grain. Presently it was discovered that crops fell off seriously for the lack of sparrows, catching bugs and worms. So the sparrow war was stopped.

English sparrows—I believe they originated in Asia—were brought into the United States in 1850.

Says Dick Pough, "So long as acceptable habitat remained unoccupied—the birds spread into it. A prodigious rate of increase was achieved. Today the available habitat is carrying all the English sparrows it can accommodate, and the same high reproductive rate produces no year-to-year increase in total population. The extra birds are elliminated so unobtrusively by natural mortality factors that we are seldom conscious of the process."

Another fascinating item from the Pough bird book, about the European tree sparrow:

"These very gregarious birds are found in farming country near St. Louis and in the city parks. The species has made very little progress since its introduction into St. Louis in 1870."

I could go on and on about our English sparrows; their bad manners, fighting continuously in the feeding station; their devotion to their families, the beatings the females give the courting males; their courageous optimism. Comes a sunny day in mid-winter, and sparrows carry bits of grass around, practicing nest building.

English sparrows — correctly listed as house sparrows — give Peggy and me a lot of enjoyment, whether or not it is strictly ethical to upset nature's rhythm by serving them scratch feed during the toughest part of the sparrow year.

Catholic Social Services Helps 1,028 Families in '64

Sister Mary Emil, president of Marygrove College, spoke at the sixth annual banquet of Catholic Social Services Wednesday night on the subject "The Psychology of Poverty."

Sister Emil narrowed the subject down to one she said she felt more qualified to speak on—reactions to poverty or "the morality of responsibility." She discussed at length the fact that the poverty of the entire world is the responsibility of each person, and that the least bit anyone person is able to do is his obligation. "Be concerned about your neighbor — love your neighbor" was one of the positive precepts she stressed. "And your neighbor is not just the person you can see but one anywhere in the world," she said in essence, and who "has" "has a responsibility to help each of the "have-nots".

"How can we help those we can't even see?" she asked—and answered—"One way is to think until we are organized toward solution" — think of what might be done, and start wherever you see a way to help the stricken —the poor, the hungry, the thirsty, the old, she said. She put particular emphasis on helping the needy who are old.

The speaker quoted a less known admonition of Pope John when he said, " . . . everything we have that is a superfluity must be given to others."

Preceding the main speaker, Mrs. Marguerite Parrish, executive secretary of the Catholic Social Services described the function of this agency which benefits from our local Community Chest as one which "meets the needs of families under stress — families that suffer because love is lacking."

The Rev. John A. Trese, assistant director of Catholic Charities of the Archdiocese of Detroit elaborated somewhat on the part the social workers plays in this agency—the need each of the workers has to bring "creativity, ingenuity and imagination into their relationship with the persons in need." "One who is to really help needs sensitivity; he brings himself, his values, love and understanding into the relationship," Fr. Trece said, "We offer help based on love and skill."

The help of which he spoke went out to 1,028 families in 1964. 2,356 individuals, 670 of them under 18 years old, were served by the agency. The bulk of their case load was made up of marital problems, although personality problems with both children and adult ranked high, too. Unmarried mothers accounted for 112 of their problems. They handled 73 boarding home applications and 65 adoption applications, and 27 problems of the aged plus a miscellany of other matters.

Of the 1,028 families served by the Catholic agency which serves all religions, 503 of them were Roman Catholic, but 370 were Protestant and 95 were "mixed."

There were 36 Dexter cases among those served and 41 from Chelsea. "Outside contacts and office interviews" numbered 10,839, during the year.

Of the $125,892 received by the agency during 1964, some $16,408 came from county community chests, including $200 from Dexter and $178 from Chelsea. Other donations, fees, refunds and the Archdiocesan Development Fund accounted for the larger share of the operating expenses. At the end of the year, all except $57 had been disbursed.

Of the $125,835 spent, salaries and related funds accounted for $89,573, administration $9,987, office and building maintenance $2,387 and activities and services the balance.

The Rev. Francis Maliszewski of Chelsea gave the benediction while the invocation was by the Rev. Schlinkert of Manchester.

Jaycees, now a quarter of a million strong, work for community betterment in 5,300 communities in the nation.

32 Girl Scouts Preparing for Summer Trip

Five meetings of the Huron Valley Girl Scout Council have taken place on the second Saturday of each month at Hill Top Lodge in Ann Arbor. These were to prepare girls for the future Girl Scout Roundup at Coer d' Ain, Ida., in the summer of 1965.

One program consisted of a Spanish girl, Miss Carmen Valqueze, who taught and familiarized the girls with Spanish phrases which will help them to converse with Spanish speaking girls at the Roundup.

William Stapp visited at another time and showed colored slides and gave many interesting facts about Idaho. He is a conservation consultant in the Ann Arbor school system.

Four patrols elected patrol leaders and assistants who will guide each patrol from now through Roundup.

Another time there was a discussion on foreign flags and uniforms of other Girl Scouts and Guides.

The sixth meeting brought the 32 girls training for the Roundup closer to their goal. After the regular flag ceremony the girls marched silently back to the lodge and participated in a wide game. The game consists of various topics and doings in which each girl takes part. Questions are asked on Scouting and Roundup. Songs were sung that will go with the girls to the Roundup.

A special guest from Plymouth, Mrs. Kenneth Hulsing, president of the Huron Valley Girl Scout Council, explained local, national and regional scouting. She spoke on Council structure and explained how the Council works, election and voting procedures.

Phrases in French, German, Spanish and Japanese were reviewed. These phrases are the most commonly used at Roundup permitting girls to speak with foreign girls.

Guests who were present at lunch included Mrs. Crooks of Ann Arbor, vice-president of the Council and Miss Ellen Littlejohn of Ypsilanti, executive director of the Council.

Each meeting was concluded with singing songs and an outside flag ceremony.

Rep. Vivian Sheds Himself of Stock, Business Interests

Washington — Congressman Weston E. Vivian, Democrat of the Second District of Michigan has announced that he had resigned, effective last week, from the Board of Directors of Conductron Corp., and that he had disposed of all of his stock holdings in the corporation.

Vivian, one of the founders and formerly a vice-president of Conductron, an Ann Arbor-based corporation which specializes in research and development of sophisticated electronics equipment, made the following announcement:

"I have recently been assigned to serve on the Committee on Science and Astronautics of the House of Representatives. Because Conductron Corporation is a contractor in this field with the Federal government, I have decided to sever all financial and business connections with the corporation, to eliminate any possible conflict of public and personal interest."

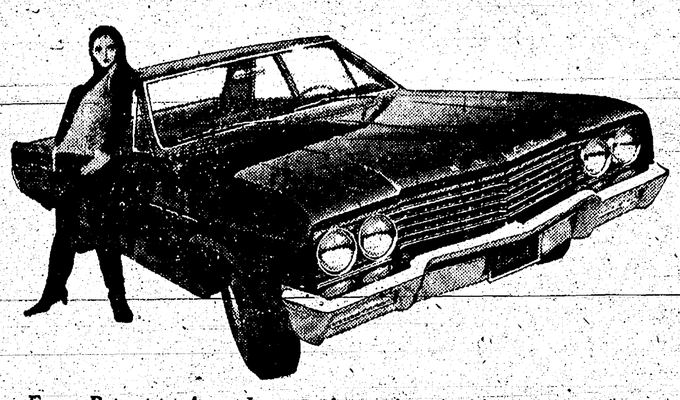

"I have therefore resigned as a director of the company and sold outright the shares of Conductron stock I owned when elected to Congress, except for 400 shares which will be placed in irrevocable trust for the benefit of my children.

"During my campaign this past year for the seat which I now occupy in the United States House of Representatives, I strongly supported the point of view that no representative of the public should expose himself unduly to questions of conflict of interest and, further, that he should make a full financial disclosure annually of his income and holdings even though such action is not now required by law. I intend to make such a financial disclosure myself in the very near future. In addition I shall, in the 89th Congress, support legislation requiring such 'full disclosures.'"

The NATIONAL OUTLOOK

By GEORGE HAGEDORN

★ *Little Grains of Sand* . .

The Economic Opportunity Act of 1964, the first big gun in President Johnson's war on poverty, provides for a program of loans to low-income rural families. The first eleven loans made under thi s provision have just been announced by the Secretary of Agriculture. The Secretary's statement names the eleven families, describes their circumstances in some detail and explains the manner in which it is hoped that the loans will help them.

The case histories are rather pathetic, and one gets a feeling that specific examples of human misfortune should not thus be held up to public display. But more important is the fact that the descriptions raise questions as to whether this program is an effective weapon against rural poverty.

The loans are for relatively small amounts — $2,500 is the maximum—and bear long maturities—up to 15 years. They are available only to families who cannot obtain credit from other sources, but who nevertheless show "a reasonable promise of succeeding in the enterprise to be financed by the loan."

To Buy Small Farm

Six of the loans, are to be used, at least in part, to refinance existing indebtedness on farm properties. Four families are helped to purchase new equipment for their small rural enterprises: a television repair service, a firewood and fence-post cutter, a shoe-repair shop and a commercial fishing establishment. One family with 10 children is to be helped to purchase a small farm.

The present incomes of the eleven families are pitifully low, and the predicted incomes after the loan funds are used are not much better. Several of the families suffer from added handicaps such as a partial disability of the breadwinner.

The individual stories are touching, and one would like to think that Uncle Sam's intervention will provide the happy ending. But in these days of a plentiful credit supply, one wonders just how workable a business proposition can be when it is unable to qualify for a small loan from ordinary sources.

Welfare Confusion

The preservation or creation, of more subsistence farms and more enterprises that are just on the borderline of economic viability seems to be a doubtful method of bringing prosperity to rural America.

The Secretary's statement leaves us completely in the dark as to how these cases were selected to get the first loans, and how future applicants will be screened. It would be interesting to know the answers to these questions since there has been much confusion among state, local and private welfare agencies as to the role they will play in implementing the Economic Opportunity Act.

There are about four million rural families living in poverty, if the Administration's definition of poverty — family income below $3,000—is accepted. Trying to help any substantial number of these families by loans specially tailored to their individual circumstances seems like trying to move a pile of sand grain by grain.

5 Chelsea Students Chosen to Play In All-Star Band

Chelsea musicians Barry Visil (cornet), Carolyn Wilkerson (flute), Diane Worden (French horn) and Scott Smith (sousaphone) were selected Jan. 23 at Swartz Creek as members of two 107-piece "1965 Fourth annual Greater Michigan All-Star Bands."

Top high school musicians from all over Michigan wetn to Swartz Creek High school to try out and receive their music on Saturday, Jan. 23. The 214 top musicians will return to Swartz Creek on Saturday, Sunday, Feb. 20, 21 for the two days to prepare for their concert. The concert is open free to the public. Doors will open at 3:30 p.m.

Seventy-two high school bands will be represented in the two bands. One band is made up of selected students from Class AA, A, and C high schools and the other band from Class B and D schools. Originally, more than 5,000 high school musicians were considered.

Some of the nation's top conductors and soloists will be present to help the students in their rehearsals and concert. Dr. Ronald Gregory, conductor of Indiana University Symphonic Band, will conduct the class AA-A-C high school band. Dr. Harry Begian, conductor of Wayne State University band, will conduct the Class B-D high school band. Three nationally famous soloists will highlight the Sunday concert: Lawrence Wiehe, Jr., trombone soloist of the U.S. Air Force Band of Washington; Eugene E. Rousseau, saxophone soloist, music staff member from Indiana University; James Douglass, cornet soloist of U. S. Navy band.

In the Sunday concert the All-Stars Bands will perform the Michigan School Band and Orchestra Association's required high school band numbers for their coming district and state festivals.

This annual event is organized and sponsored by the Lansing Conservatory of Music, Inc., with Stuart Warnaar, Swartz Creek Public Schools music director, local chairman. The event is organized to honor these outstanding high school musicians. All high school bands in the greater part of Michigan were invited to send applications of their best musicians to be considered. The Honorable William Sides, Mayor of Swartz Creek, will open the concert with a few words of welcome and has proclaimed the day "High School Band Day."

Local Girl Scout Will Report on Activities at Summer Round-Up

Thirty-two Grll Scouts from the Huron Valley Grll Scout Council have been chosen to attend the National Girl Scout Roundup in Idaho, during July of this year.

Twenty-four of the Scouts will attend the encampment at Coeur d' Alene, Ida. The remaining girls were elected as alternates whose chief responsibility would be replacing any of the Roundup Scouts who might not be able to attend the meetings.

Girl reporters and commentators with a natural interest in journalism have been chosen to record the events of the encampment.

To prepare the Scouts for this responsibility, they are receiving special training now. They will be sending in stories of their pre-Roundup training for weekly publication. As a result of their present training, the girls will receive the Public Relations Aide Bar. In working for the Aide Bar, the Scouts are gaining experience in service to their community, and furthering their interest in a career in journalism.

In this area, Kathy Foster, 431 W. Middle St., will be the newspaper reporter. She will send back information about the daily life of the girls during their trip and camping experience.

Each year the trucking industry buys more than one million new trucks and 60,000 trailers. These vehicles can produce enough horsepower to generate all the electricity needed by all the homes in the United States.

AGRICULTURE in ACTION

by M. L. Vogt

★ Farm Labor Law?

Michigan farmers are worried about implications in the report of a "Workmen's Compensation" study commission, appointed by Governor Romney and recently reporting back to him.

If the commission's recommendations are carried out, farm labor will be included under mandatory coverage for the first time. At present, employers of agricultural labor are exempt from mandatory coverage but may voluntarily come under its provisions.

The report made to Romney had the unanimous support of all five "public" members of the eleven-member commission, which includes six non-voting "advisory" members. Three of these represent the "claimants' interest," and three represent the "employers' interest".

None of the public members of the commission have an agricultural background, or are farm-related. Commission chairman was the Rev. Hugh White, Jr., Director of the Detroit Industrial Mission. Other public members were: Professor Meyer S. Ryder, professor of Industrial Relations at the University of Michigan; Robert G. Howlett, chairman of the State Labor Mediation Board, and Boaz Siegel, professor of Law at Wayne State University.

According to Dan Reed, Legislative Counsel for the Michigan Farm Bureau, farmers are already providing reasonable protection for employed farm workers. He has pointed out that proposed compulsory workmen's compensation can add to costs now already critical in agriculture and well might break the financial back of many farmers.

Reed says that farm and industrial employment cannot be compared, in that many kinds of work arrangements are in common use on the farm. These range from work-trades between neighbors, "piece-work" payment, and contractual arrangements.

"With transient workers, how can one know that an injury has been incurred on a particular farm job?" Reed asks. He implied that workers tend to show up with some sprain or injury when they discover that a job is about to run out, and compensation is obviously available.

Presently, non-compulsory Workmen's Compensation rules exempt employers of fewer than three workers. According to Reed, because of its unusual labor requirements, agriculture needs special consideration of its problems.

Local Jaycees Attend State Board Meet

Members of the Chelsea Jaycees attended the Michigan Jaycee winter board meeting in Battle Creek, Friday and Saturday, Feb. 12 and 13.

Those attending were local president Ed Akin, Ron Branham, Silas Hopkins, District V vice-president Dan Maroney, Ken Noble Ken Norris and Art Steinaway and their wives

Highlights of the meeting were reports and forums on various state projects. The Mental Health and Retardation project is one of primary concern to the state as well as the national organization.

The Motor Vehicle Inspection project promises to be a controversial issue. The Michigan State Jaycees are supporting similar bills in the state senate and state house of representatives. These bills provide for motor vehicle inspection with specific standards. The standards are for the inspection equipment as well as minimum standards for the vehicles inspected.

It was reported at the meeting that there is a watered-down bill in the senate that has no standards at all. This second bill is backed by certain special interest groups in the state. The chairman assured the group that the issue was not if there would be motor vehicle inspection. The issue will be whether or not it will have the necessary standards to do the necessary job. That job is to cut down the accident fatality rate in the state of Michigan.

Other highlights of the program were on forums on Junior Champ, Junior Golf, Junior Tennis, Community Development, Community Schools and Chapter development.

Escapee Sentenced For Armed Robbery of Bailey's Restaurant

Leroy G. Banneau, 18, one of two Cassidy Lake escapers who were apprehended after a police chase in which five shots were fired, has received a sentence of from 3 to 10 years in Southern Michigan Prison for armed robbery. This sentence is in addition to his present term of two years for auto theft. Bonneau pleaded guilty.

Bonneau and his companion, Daniel Jeffery, 21, were arrested by Jackson police and sheriff's deputies Jan. 3 after a chase through the eastern portion of the city. Jeffery has not been charged.

Bonneau and Jeffrey had entered Bailey's Restaurant on Interstate I-94 and Clear Lake Rd., forcing a waitress at knifepoint to give them money from a cash register. The men slashed telephone lines and also stole a pick-up truck the waitress said.

Retarded Children's School Head Speaks to Kiwanians

The regular meeting of the Kiwanis Club was held Monday at the Congregational church social center.

Elden "Al" Heller, the program chairman, introduced the guest speaker, Charles Foster, executive director of the Washtenaw Association for Retarded Children who spoke on several areas of the retardation of children.

WARC promotes a workshop for the retarded and physically handicapped children and an after-school sheltered workshop for those who have finished the school or are past 21 years of age.

WARC is interested in these children from the time they are born until they are able to enter society on their own.

There is an interest also in the prevention of retardation.

Children attend the Sullivan Education Center on Jackson Rd., from the ages of 3 to 21. The center is operated under the Board of Education of Ann Arbor and has a rehabilitation program to place persons from the school in employment, if possible, or help adjust them so they may enter society and be self-sufficient whenever this is possible.

WARC is a United Fund supported organization and consists of parents, teachers and friends of the retarded children, or anyone who is interested in this type of work.

An outstanding final goal presented by Foster was a plan for obtaining a bus for transportation for the Center, by donation of trading stamps to be made to WARC for the purchase of the bus. The project was considered for the Boys and Girls Committee of the Kiwanis.

During the business meeting Luther Kusterer chairman of the "On to Gaylord Kiwanis State Bowling Tournament," committee annouced the tournament will be held the last week-end in April and the first week-end of May and that members are working toward three, five-men teams for the event.

Paul Mann, chairman of the "On to Windsor, United States, and Canada Good Will" meeting, announced the meeting date as Wednesday, April 28, at the Elmwood Casino.

P. G. Schaible, Jr., introduced Jack Wellnitz as a guest. Clare Warren introduced Dr. Gene Miller and Dr. James D. Shadoan as guests.

John Keusch, inter-club chairman, announced the schedule to be made up for the balance of the year's interclub activities and appointed "Jerry" Niehaus as this week's captain. Mr. and Mrs. Walter Zeeb, Mr. and Mrs. John Steele, Don Turner and Mr. and Mrs. Paul Niehaus are to attend a joint brotherhood meeting with Kiwanis, Rotary, Lions and Junior Chamber of Commerce participating at St. Patrick's church of Brighton, Wednesday, Feb. 17, where Mr. and Mrs. Niehaus have charge of group singing.

Sylvan Board of Review Members To Attend Tax Commission Conference

Supervisor Maurice Hoffman's request has been granted for members of the Sylvan township Board of Review to attend the annual conference held by the State Tax Commission in conjunction with the 9th District of the State Association of Supervisors, at LaSalle near Monroe on Tuesday, Feb. 23.

The Board of Review for Sylvan township will meet to review the assessment roll on March 2 and 2, and for appeals and conferences with taxpayers on March 8 and 9.

A balanced life includes work, recreation, meditation and study.

SOUTH ELEMENTARY SCHOOL NOTES

Mrs Hanna, Second Grade—

Mrs. Hanna's grade had a nice time celebrating Valentine's day. The children made large valentine hearts to decorate the room. Each child also made a valentine to take home to their families. The children made valentine holders from paper plates and decorated them to use for the party. The children enjoyed opening their valentines and the treat planned by our room mothers: Mrs. Leach and Mrs. Schiller, at our valentine party.

Mrs. Matsen, Third Grade—

This week has been Dental Health Week and we have been studying about dental care. We made posters for the hall and show case.

We all brought shoe boxes from home and decorated them to put our valentines in We enjoyed our valentine party on Friday

Miss Gower, First Grade—

We have certainly had an exciting week. Janet Long, Rex Miles, Joey Keezer and Peter Bedford were the word champions of their reading groups this week.

More news for our parents —We can all add two and three numbers together in any combination up to eight. Maybe now we can go to the store and buy things with either a nickle and two pennies or seven pennies This way we will learn to use coins properly.

Mrs. McKerrow, Mrs. Hineline Kindergarten—

The kindergarten rooms have been busy stuffing, sewing and cutting hearts for valentines day. We have also found time to count into a tape recorder and study the life of Abe Lincoln.

Now with the holidays past we are settling down to writing our own books—alphabet, that is.

Mrs. Benford, First Grade—

We are learning to "Listen to Music" in our room. Our main objective is to learn that some music tells us things without any words. We have listened to many pieces of music. In the "Midsummer Night's Dream" by Mendelssohn we heard many clowns. Some of the children heard the clowns walking and dancing, others heard them balancing on a tightrope and juggling. We also listened to the "March of Little Lead Soldier" by Pierne. Immediately all the children could pick out the soldiers marching which made them think of parades and many other things. We hope that learning to listen with our ears and minds to music, will also help us be better listeners in other areas.

Mrs. Kelly, First Grade—

It was a nice valentine party. Mrs. Kelly's first grade decorated their own boxes, and made their own candy treat from melted chocolate and butterscotch bits, noodles and dropped on waxed paper. The candy turned out to every child's delight. The children also learned how to write down a receipe and prepare the necessary things needed for the candy. So, as we said, it was a very nice party.

Mrs. Lange, Fifth Grade—

For the past two Fridays, the boys and girls in Mrs. Kerr's room and Mrs. Lange's room have been having just lots of fun after the afternoon recess period. Doing what?? Dancing the Virginia Reel and square dancing. None of us claim to be expert at this but with all of our mixups we have really had fun.

Mrs. Lange has been ill the better part of two weeks, however her recovery was speeded up greatly when she received a large envelope containing the nicest letters imaginable from each of her students.

We have practically worn out a World Book Encyclopedia set by using it for resource material for special reports. Unbelieveably these reports are not assigned but chosen and given spontaneously. This willingness and eagerness to learn really makes the days fly by.

28,700 Rainbow Trout Planted in Area Lakes

There were 28,700 rainbow trout totaling 4,228 pounds planted by the Michigan Department of Conservation in 1964 in Half Moon Lake and Big and Little Portage Lakes.

In other lakes, streams and rivers of the county, brown trout, bluegills and largemouth bass were also planted, totaling in all, 33,084 fish that are growing up to please the Isaac Waltons of 1965 as a result of last year's program of the department.

ANNUAL TAX SALE

STATE OF MICHIGAN,
In the Circuit Court for the County of Washtenaw

In the Matter of the Complaint of BILLIE S. FARNUM, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

No. 1072

On reading and filing the complaint of the Auditor General of the State of Michigan praying for a judgment in favor of said State, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said complaint will be brought on for hearing and judgment at the March term of this Court, to be held at Ann Arbor in the County of Washtenaw, State of Michigan, on the 1st day of March A.D. 1965, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, or such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a judgment will be taken and entered as prayed for in said complaint. And it is further ordered that in pursuance of said judgment, the lands described in said complaint for which a judgment of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such judgment, on the first Tuesday in May thereafter, beginning at 10 o'clock a.m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the county of Washtenaw, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the judgment shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered, and if on such second offer, for during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. William F. Ager, Jr., Circuit Judge, and the seal of said Circuit Court of Washtenaw County this 30th day of December A.D. 1964.

WILLIAM F. AGER, JR.,
Circuit Judge.

Countersigned,

STATE OF MICHIGAN
IN THE CIRCUIT COURT FOR THE COUNTY OF WASHTENAW

In the Matter of the Complaint of BILLIE S. FARNUM, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Washtenaw,

BILLIE S. FARNUM, Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this complaint, under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 126 of the Public Acts of 1933, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale; (b) interest computed thereon as provided by law to the first day of May next ensuing, (c) a collection fee of four per cent and (d) $1.50 for expenses all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and have remained delinquent and unpaid for a sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so added in said schedule against each parcel of land therein described constitute a valid lien upon such of the said several parcels of land described in said schedule and against which extended in the name of the people of the State of Michigan, the payment of which lien this court has power as a preferred or first claim upon such lands by the sale thereof,

Wherefore your plaintiff prays:

a. That within the time provided by law this court may determine and adjudge that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule therein extended against the same;

b. That within the time provided by law this court make a final judgment in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said judgment provide that in default of the payment so ordered of the several amounts computed and extended against said lands in said schedule, the several parcels of land, or such interest therein as may be necessary to satisfy the amount adjudged against the same, shall severally be sold as the law provides;

d. That your plaintiff may have such other and further relief in the premises as this court may seem just and equitable.

And your plaintiff will ever pray, etc.

BILLIE S. FARNUM, Auditor General of the State of Michigan, for and in behalf of said State.

Dated: December 30, 1964

CAR DRIVER FINED

Miami Beach, Fla. — A cab driver was fined $100 for refusing to drive a war widow and her sick son to a hospital because her bathing suit was wet. Margaret Thomas, 26, whose Army captain husband was killed in Vietnam last July, testified that her 20-month-old son drank baby oil at the beach and the driver refused to take her to the hospital. A city law requires cab drivers to pick up "any orderly person."

Tiger Saturday Games Will Start Earlier

Detroit —All Saturday afternoon games at Tiger Stadium in 1965 will start at 1:15 p.m., fifteen minutes earlier than formerly, it was announced Saturday.

Other afternoon games will start at 1:30 p.m. (Labor Day at 3:00 p.m.); night games at 8:00 p.m. and twi-night doubleheaders at 6:00 p.m., as in the past.

The Tigers have been notified that their game with the Yankees in New York on Sept. 18 has been changed from a night game to an afternoon game.

Life Savers for All

The need for seat belts is greater in neighborhood driving than on high - speed highways. Every other accident occurs at speeds under 40 miles per hour and most injuries are cuased when passengers are thrown from their seats on sudden stops.

Tigers Sign Several Area Sandlotters

Detroit — An infielder from suburban Detroit who led the Ivory club of the Detroit Amateur Baseball Federaton to a national championship and a left-handed pitcher, also from greater Detroit, are among a half dozen prospects signed to contracts with clubs in the Tiger minor league organization.

Wayne Ginste, of Ferndale, batted .531 for Ivory in the 1964 national Class A amateur tournament. He is 21, stands 5-10, weighs 160, and alternated between second and third base on the Detroit sandlots. He will report to the Jamestown club of the New York-Pennsylvania League in spring training at Tigertown, Lakeland, Fla.

The pitcher is Phil Bartolone, a 6 foot 2 inch, 175 pounder from Madison Heights. He had a 10-6 record for Madison Lamphier High school and, doubling as a first baseman, hit over .400 in three seasons of scholastic ball, clouting three home runs in 1963 and four in 1964. He was signed to a contract with the Daytona Beach club of the Florida State League.

Also signed as pitchers are Nicholas Klein, of Williamstown, N.J.; George Korince, of Meritton, Ont., and Frank Vezie, of Stateline, Calif., all righthanders, and an outfielder acquired is Tony Moreno, of West Orange, N.J.

Klein was tendered a Jamestown contract. Korince, Moreno and Vezie will join Daytona Beach in spring training.

The Tigers will continue to sign free agents until April 30, after which all their prospects will be frozen for the free agent draft adopted by the major leagues.

Proposed Women's Golf League Formation Slated at Grass Lake

Monday evening, March 8, 7:30 p.m. has been set as the time for the first informational meeting of a proposed women's golf league for this summer at the Waterloo Golf course.

The meeting will be held at the George Long school in Grass Lake.

Beginning players as well as those who have had experience on the links will be welcomed. Rules and by-laws from several other women's leagues in the area and from some of the men's leagues will be discussed.

For further information about the meeting and the league call Mrs. William Siegrist between 6 and 9 p.m.

Happiness adds up to different things for differnt persons.

Burmeister's Holstein Bull Awarded Highest Attainable Rating

Brattleboro, Vt. — Gold Medal Sire recognition — the highest attainable by a registered Holstein bull—has been awarded by the Holstein-Friesian Association to Carnation Ideal Elation, 1318980 (VG), owned by Leonard Burmeister, Ann Arbor, Mich.

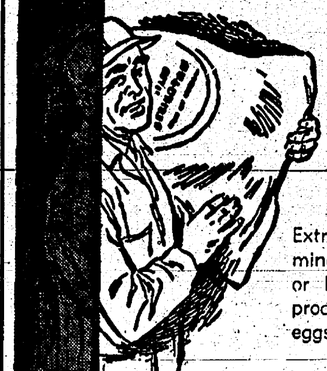

Only those registered Holstein bulls having daughters that meet exceptionally high standards in milk production and body conformation are qualified for Gold Medal Sire honors.

Carnation Ideal Elation joined the Gold Medal ranks as a result of his recent designation as a Silver Medal Production Sire. Of his daughters 12 have official records averaging 16,980 lbs. of milk and 597 lbs. of butterfat.

He earlier earned the paralleling Silver Medal Type award in 1964 on the basis of the uniformly outstanding type conformation of his officially classified daughters
