

Junior High Pupils Honored

HONOR ROLL AWARDS: Students in the seventh and eighth grades, a total of 23, are here on the Junior High school's honor roll for the entire school year received at the awards assembly held in the Junior High school gymnasium Friday. High grades honored are in the front row. They are, from left, Shelley Baise, Carol Baker, Terri Boyer, Mike Gray, Richard Marshall, John Feltz, Ryan Smith, Grace Boyden, Tom Thomson. Seventh graders on

the honor roll during the entire year are, second row, from left, Kathryn Cook, Gail Maistre, Dennis Morgan, Jane Osterle, Robert Peterson, Douglas Schoenberg, Brenda Seitz, John Sullter, Connie Taylor, Ann Travis. The remaining seventh graders cited are: top row, from left, Jacquie Bailey, Trena Bentley, Floyd Boyce, Robert Braslow, David Bush, Vickie Clemens, Stephen Eisenman, Beverly Gelbott and Patricia Gilbert.

INDIVIDUAL AWARDS: In the above group are those who received awards in individual subjects at the Junior High school awards assembly — front row, from left, Susan Guenther, Shelley Baise, Curtis Belser, Terri Boyer, Mike Gray, Richard Marshall, Steve Thomson, Tom Thomson, Lance

Burghard; second row: Lynn Ferguson, Marilyn Kinkor, Sarah Lindauer, Dennis Morgan, Douglas Schoenberg, Brenda Seitz, Ann Travis, Pat Gilbert, Keith Kusler; rear row, also from left, John Perry, Tom Smith, Carolyn Buckingham, Trena Bentley, Carol Sibley, Bob Hess and Larry Blackwell.

\$125,000 May Make Jr. High Safe, Sanitary

Engineers Say This Is Temporary; Recommend No Long-Term Use

Control safe use of the Chelsea Junior High school would require a \$125,000, according to a report made for the Board of Education by Hofsarty, Widrig, Beck & Levin Associates, an industrial consulting engineering firm.

Most all of the improvement authorization required is in the boiler room which was constructed at the time of the building's construction.

Control disrepair was recorded in the "old elementary school" which was built in 1922 and in the "new high school" or the north wing which first came into use about the turn of the century.

Boards were pointed up by the structural engineers, who indicated open stairways under the building and found that the building was not safe.

Principal measures recommended by the consulting engineers would cost somewhere between \$105,000 and \$145,000. This amount of money could extend the interim useful life of the Junior High building by up to five years, after which another large sum of money would be required for complete use of the structure—or it would have to be replaced.

The consultants recommended specific long-term use of the building.

Kindergarten Round-Up Hits 180-Plus

Children registered for kindergarten next fall now total more than 180, the figure will undoubtedly be larger when all prospective kindergartners are enrolled, according to Sylvester Weidick, elementary school principal.

The "round-up" held May 7 at South Elementary school for all future kindergartners of both South and North elementary schools brought registrations of 163 children who are to enter kindergarten in September. The additional registrations have been received since then.

Junior Champ Track Event Set Tonight

The Junior Champ program of track and field events for boys in the fifth through 8th grades will be held at Chelsea Junior High tonight at 6 p.m. It is being sponsored by the Chelsea Jaycees.

Winners will receive gold, silver and bronze medals, similar to those presented to winners at the World Olympics.

Chairman Arthur Steinway and his co-chairmen, Neil Fuhrer and Robin Wright are hoping for a big turnout of admiring boosters.

The day given for this program in last week's issue of the Standard was erroneously submitted by the Jaycees.

Summer Library Hours

Michigan Memorial Library will be open Monday, May 31, but closed Saturday, May 27, from 12 to 5 p.m.

Summer hours, beginning June 1, will be 12 to 5 p.m., Monday through Saturday. The library will also be open one evening a week, Friday, from 7 to 9 p.m.

SENIOR CITIZENS DEDICATE CLUB: Officers of the newly-organized Chelsea Senior Citizens group are seated in the above photo. The picture was taken at the dedication of the group's quarters at the corner of E. Main and W. Middle St. Saturday afternoon. From left are Vern List, vice-president; Mrs. List, treasurer; and Wilbert Heintzenwischer, president. The group's secretary, Mrs. Mary Margaret DeWitt, was not present. Standing from left are Village President Howard Havelochard, the Rev. R. A. J. Livingston, Miss Nina Greening and Hushel O'Dell. Miss Greening was program chairman for Saturday's dedication and the Rev. Livingston and Hushel O'Dell were on her committee.

Senior Citizens Dedicate 'Korner House' Clubroom

The Senior Citizens Korner House — the newly-formed group's meeting room at the corner of Main and West Middle — was dedicated Saturday, the program being carried out as announced in the Standard last week.

The day given for this program in last week's issue of the Standard was erroneously submitted by the Jaycees.

This initial pattern — shown by the Rev. Robert A. J. Livingston featuring Chelsea scenes and events from pioneer days until the present.

Miss Alice McFadden, director of the Ypsilanti Senior Citizens Center, told the Chelsea group about the projects which have been undertaken by the Ypsilanti group.

A black and white picture of a door had been set in place for the dedication ceremony Saturday and this was "opened" as the signal that the Korner House was officially in use.

The dedication ceremony took place outdoors, in front of the building, and after the ceremony was concluded those present were invited inside for entertainment.

Mrs. G. Walworth Retires As Chelsea's 'Library Lady'

Mrs. George (Rena) Walworth who had been affiliated with Chelsea's public library since it was founded by the then Child Study Club in 1922, has announced her retirement.

Her resignation was "reluctantly accepted," according to Library Board members and she was presented with a gift as a token of appreciation for her many years of service to the library and to the community.

Mrs. Walworth began her work with the Chelsea library when it was started in a store building on E. Middle St. with a stack of 22 donated books and 100 on loan from the State Library. The Child Study club of that time is no longer in existence.

Mrs. Walworth's work with the library has been a constant in Chelsea's history. She has been instrumental in promoting the welfare of the library. Mrs. Walworth is still a member of the club.

Before the permanent quarters became available in the former McKean bookstore where the library has been located since 1959, Mrs. Walworth had worked in the library for many years. The library functioned — a room on the second floor of the Chelsea State Bank, the building at the corner of Main and Middle St. now occupied by the Chelsea Senior Citizens group, and the second floor of the Chelsea Municipal Building.

Two generations of children, having their first experience in obtaining books at a library, have called Mrs. Walworth "the library lady," some even naming her "Mrs. Walworth's Library."

THE LANSING REPORT
 by Gil Bursley

The Legislature worked every day last week from morning until midnight. This was necessary because we in the State were faced with a complete reorganization of the State Government. The Legislature had to pass a bill which would reorganize the State Government. This bill was passed on Friday, May 21, 1954.

On Wednesday I did succeed in getting back to Dexter to talk to a meeting sponsored by the Dexter Branch of the Michigan Week Livelihood Day feature. This meeting was at the Dexter American Legion and the Dexter Branch of the Michigan Week Livelihood Day was present.

I was quite pleased to find that the Dexter Branch of the Michigan Week Livelihood Day was still active and that they were planning to have a meeting on Thursday, May 27, at 7:30 p.m. at the Dexter American Legion. I was glad to see that they were still active and that they were planning to have a meeting on Thursday, May 27, at 7:30 p.m. at the Dexter American Legion.

How To Grow
 Economic development is a field of state government activity. It is relatively new in Michigan but many local groups have been organized in this area for well over a decade.

Although communities were concerned with the lack of industrial growth, they were looking for state aid and advice from the state before Lansing officials were fully prepared to give it.

In Olivet, for example, an official notes that it was nearly 15 years ago that a few community-minded residents formed an industrial development corporation.

Four days after incorporation, a plant was built and ready for occupancy by an experimenting group of young men experimenting with the possibilities of fabricating steel tubing.

From a 4000 square foot building housed by the industrial development corporation, these men expanded their business and others joined in to form the community plant which now occupies 70,000 square feet of space now in use.

Since involved, however, is not the real fact notable in the activities of the Olivet group and others like it. In Olivet, the idea 15 years ago was to give employment for about 200 people, new product sales, plants and substantial return on investment.

A skeleton staff from two states was hired to give assistance to the Olivet group 15 years ago but there was relatively a modest check on several other communities listed in this Michigan Mirror before the present Economic Development Department had passed enough legislative legislation to have the substantial and work force it has today.

Since the pioneer corporations of this type began, the state has provided communities with some tools to more easily do the job. Laws now allow for such things as large scale financing for industrial housing municipalities and extensive funds for new product research.

Competition is now much keener than it was 15 years ago. Communities still face problems finding ways to locate attractive industrial and manufacturing operations.

What an Olivet official calls "attempts of piracy by desperate communities" has made the job tough for industrial development groups.

One of the main private tactics is offers of free rent for a limited period on a highway construction project, the state imposes a gross-line tax lower than 24 other states.

The highest state gas tax is in Alaska where motorists pay 9 cents on every gallon. Washington state collects 7 1/2 cents and 24 other states have gasoline taxes in the 6 to 7 cent range.

Michigan is one of 22 states which levy a six-cent-per-gallon tax on gasoline purchases.

Fewer Outlets
 Renewal of a quota system for admitting Michigan State University students from certain Eastern states recently raised many eyebrows about the reason behind the quota numbers.

As was explained, the states involved provide little in the way of publicly-supported higher education but Michigan gets a heavy influx of students from these states.

Therefore, MSU officials decided a quota system was needed to control the number of students from these states.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:
 I was in the country store Saturday night was through into a pile of shack and emergency money. Ed had announced he had put himself on Ed's own little credit cards.

Father there, Ed said he was evering one of the travel agents from a Greyhound Bus trip to the World's Fair in San Francisco. He allowed his bus a feller was going to have to keep moving with the ticket agency. He was going to give over in the such.

Some of the fellers figured Ed had ought to offer a speech for breaking tradition with his forefathers in this credit card business. Zed's bank statement claimed our ancestors didn't know how much but they knew how to do without. He had announced he wasn't doing nothing but his civility in getting adjusted to the business was paid in philosophy under the Great Society.

Clem Webster reported he was mighty disappointed in Ed and his fellow county chairman who might throw Ed out of the Republican Party for getting too liberal with the fur to the left in these matters.

Buz Bookum was lamenting he couldn't handle but one card problem at a time. He said a feller never got a bill or statement, more, all he got was a card punched full of holes. He reported that Ed had announced he wasn't doing nothing but his civility in getting adjusted to the business was paid in philosophy under the Great Society.

Vo-Ed Head Addresses PTO Group

Guest speaker at the May 19 meeting of the Parent Teacher Organization of Chelsea Junior and Senior High schools was Theodore F. Blake Jr., director of the Western Washtenaw County Vocational Education district.

His topic was the "Why-Who-How" of vocational education and the progress being made in this area. The definition of a vocational education by the Department of Education is "... anything beyond high school and short of a college degree." Its purpose is to equip young people with the necessary skills and knowledge which will enable them to earn a living.

According to recent surveys he said, the Chelsea area offers a diversity of work opportunities and occupations above the average. "If it is legal and profitable, it is here," stated Blake.

The vocational education program is designed to help the schools serve realistically those students who do not plan to enter a university or college. Another of its major functions is to point out job opportunities in this area.

The new slate include: Thomas Busch, president; Bruce Galvath, vice-president; Mrs. Billy Robertson, secretary; Andrew D'Yson, treasurer; and Carl Genske and Thomas Morrison, faculty representatives.

But called an executive board meeting of the new committee at CHS on June 2, to formulate plans for the coming school year.

SOUTH ELEMENTARY SCHOOL NOTES

Mrs. Zianna, Second Grade — "The Three Billy Goats Gruff" is a favorite folk tale of the children in our room. Right now we are learning the musical play of this story written by Frank Luther. There are songs for every one to sing, and some of the children have speaking parts to learn. Soon we will present it to a third grade room.

Mrs. Kerr, Fifth Grade — Children of our room and those of Miss Tiedeman's fourth grade class had a picnic last week at Pierce Park. The children all brought their lunches to school and we went to the park at noon. After lunch the boys played baseball and the girls played kickball. The fifth grade won both games. We are now studying the seven systems of the human body for our health class.

Mrs. McKerrow and Mrs. Hinehine, Kindergarten — Kindergarten classes wish to thank Mr. and Mrs. Trinkle for a delightful tour of their farm. We did and saw many interesting things. We watched Mr. Trinkle make feed from corn, straw and wheat and feed it to the pigs. Three children fed the baby lambs while the rest of us watched from the fence. The baby calf "Corky" put on a show for us when he put a pail of food on his head trying to get the very last drop. There were baby kittens only one week old that did not even have their eyes open.

We all hope that the hens lay eggs again as they were quite excited with 60 children in their coop. After seeing the farm machinery and the three ponies we sat on the grass and had milk and cookies. There were plenty of mothers to help relay the information to us so we all learned much about the farm. We would like to thank all the mothers who helped.

Mrs. Eckhart, Third Grade — Our class put on a musical play, "The Ugly Duckling." Several of the children recited parts of the story and everyone sang the vocal

numbers. Mrs. Benford's, Mrs. Fulk's, Mrs. Hanna's and Mrs. Mutsen's rooms consisted of our audience. Those with speaking parts are Maria-Markel, Kathy Stoll, Sheryl Cantrill, Bobby Knick, Sandra Norton, Patty Knick, Teresa Abdon, Chuckie Carpenter, David Bauer, Jane Belson, Carole Blotta, David Lauhon, Carole Smyth, Jeffrey Marshall, Randall Hoover and Christine Drierr.

Mrs. Matson, Third Grade — Our class walked to the Chelsea Library Tuesday afternoon. We all checked out interesting books and records. Next Wednesday we are taking a field trip. We are looking forward to seeing the Ann Arbor museum. We will spend time in the planetarium and the hall of evolution.

Miss Gower, First Grade — Last week we made a fivefoot long caterpillar of construction paper and a notebook of stories for Billy Herring who was in St. Joseph's Mercy Hospital.

News from home reaches us that the Mother's Day zinnia plants are growing well. We are still waiting to see who has the first flower in bloom.

Currently we are building a bulletin board that will tell all the places we would like to see this summer. Also included are the things we plan to do.

Last week we went to Pierce Park with Mrs. Benford's class and read Our Weekly Reader's under the trees.

Mrs. Lange, Fifth Grade — The boys in our class are looking forward to a softball game with Mr. Benedict's boys next Monday afternoon. Stephen Knickerbocker has been elected captain and is very busy encouraging everyone to practice.

We are learning now to use water colors properly in Art. So far the simple techniques used have worked out effectively to produce some nice work.

All the plans have been made for the picnic at the end of the year. Our room is expecting to

play Mr. Hudgins room and the girls will play softball. We are busily engaged now getting our year's work completed. Book reports are in and we are nearing the end of our Social Studies program.

We just completed our second reading test, given by Mrs. Elsele. The results were gratifying; several of the children made exceptional gains.

Both of the fifth grades visited the Junior High school and it was a great experience for every one. We are all looking forward to next year.

Mrs. Kelly, First Grade — In Science we are learning about things that dissolve in water. The children have been bringing in things that they think are soluble and we experiment to find out if they are. We found that popper, salt, aspirin and Alka seltzer will dissolve in water.

Mrs. Benford, First Grade — Our class went on a field trip to a dairy last week. We toured the Jackson All-Star Dairy. It was a profitable trip for all of us. We saw the processing and bottling of milk and the making of cottage cheese. The best fun was riding on the conveyor belt that carries the cartons of milk around. At the end of the tour we were treated with chocolate milk which we all enjoyed. The dairy also gave us dairy hats to take home.

This week we began making our own picture books. The booklet will contain 30 words and pictures that we hope to use when writing letters during the summer.

St. Mary's Holds May Crowning Ceremony Sunday

At the May Crowning ceremony, held Sunday at St. Mary's Catholic church, the procession was led by James Roylan, Dennis McClain, Michael Gaken and Michael Schradat, as crossbearer and acolytes.

It was followed by the students, with the eighth grade girls acting as court of honor to Linda Merkel, who had been chosen to do the crowning. Kathy Montague carried the crown and Matthew Staphish and Therese Ottoman carried Linda's train. Rodney Houle and Jack Young were ushers. Accompaniment for the May hymns was played by Janet Boylan and the benediction was given by the Rev. Fr. Francis Maliszewski.

REPORT from LANSING State Representative Thomas G. Sharpe

complete breakdown of normal processes. It is vastly different from its recent predecessors. Traditional reluctance to spend money seems to have vanished. The record will be heavily tinted with broadened social legislation, favored treatment for special groups, and a free-spending invitation to higher and higher taxes. Democratic majorities in both the House and Senate have little difficulty subduing Republican resistance. They have a comfortable margin of votes to insist on their own position on any partisan issue and to stifle Republican protests — subject only to a veto by the Governor. On the brighter side, the State Supreme Court began to hear arguments on an appeal from an earlier decision which created the present plan for apportionment of Michigan legislative districts. There is no doubt that the current "one-party" system in our state legislature could be eliminated if the Court sees fit to allow for a more equitable apportionment plan. HUMMINGBIRD HAVEN If you'd like hummingbirds for company this summer, try suspending a lantana plant, double-potted in one of the new hanging clay planters that have their own chains and come complete with any size pot and matching clay saucer.

WORK PROJECTS COMPLETED: Girl Scout Troop 84 proudly poses with its completed work projects: two bird houses for Pierce and Veterans Memorial Parks, toys for Camp Crile and bookmarks for the Juliette Low Homestead gift shop in Savannah, Ga. Standing with Larry Chapman, Chelsea Village trustee, who accepted the gift bird houses, as a member of the parks committee, and co-leaders, Mrs. Ralph Frisch, on his left, and Donna Sherman, on his right, are, beginning from left, Scouts Paula Haas, Kelly Murphy, Becky Taylor, Judy Hafley, Alfretha Harrison, Debbie Paul, Debra Haas, Jeannette Quigley, Jackie Frisch, Jane Dickelman, Pat Laraway, Cindy Chandler, Greta Graham and Barb Duerr. The four kneeling are, left to right, Betsy Belsler, Debra Akin and twins Karen and Kathryn Schaefer. Not shown with the group were Cindy Powell and Debra Shadoan.

Girl Scouts Give Bird Houses for Parks In completing their year's work on various badges, Girl Scouts of Troop 84 produced three groups of items which will be distributed in three different locations. The donation of two handsome bird houses for Pierce and Veterans Memorial Parks highlighted the final meeting of the season, which was held Monday in the Municipal Building. The gift was received by Larry Chapman, a member of the Chelsea Village Council, parks committee.

Vehicle Licensing Record Shattered During April Lansing — April, 1965, will go down in Michigan's auto-registration history as the "greatest record-breaking month ever recorded." The "astounding" number of 235,000 titles for Michigan vehicles were issued during the month, eclipsing the previous high month of May, 1963, by nearly 30,000 titles. "It wasn't that the record was broken," Secretary of State James M. Hare said, "but the overwhelming way that it happened." Hare said that if car sales kept pace with current highs the remainder of the year that last year's all-time record of more than 2-million titles issued would also be shattered. Hare did say that so far through April, 1965, figures were running "just a trifle under 1964's totals." April's 88,000 titles for new cars and 124,000 transfers are all-time marks also, Hare said. He added that "an interesting statistic was the fact that more than 9,000 titles were issued for vehicles which came in from other states." He said this was a "pretty good indication that new residents were moving into Michigan in large numbers."

Sen Basil Brown Will Address County Democrats Senator Basil W. Brown Democratic majority floor leader of the Michigan state legislature will be the principal speaker at a meeting of the Washtenaw County Democratic Committee tomorrow night, May 28, in the Parker Room of the YMCA-YWCA in Ann Arbor. Senator Brown will speak about "Fiscal Reform Prospects," one of the most controversial problems facing Michigan legislators today. In addition to his many duties as floor leader, Brown is also chairman of the Senate Judiciary Committee. Senator Brown was first elected in 1958 as State Senator from the Third Senatorial district in Wayne County. He has been re-elected ever since, and now, because of the reapportionment represents the Sixth Senatorial district. The public is invited to attend this meeting. Refreshments will be served after the evening's business is concluded.

SUPPLIES TO DOMINICANS A report on President Johnson's order to send food and medical supplies to the people of revolted Dominican Republic, was made by press secretary, George Reedy. By May 1, 30,000 pounds of medical supplies and 12 million pounds of surplus food were already in the Dominican Republic under the Food for Peace Plan. More exports originate in Detroit than in New York City, according to the U. S. Department of Commerce Export Origins Study.

County Service Businesses Gross \$28.7 Million in '63

Washtenaw county's 913 service establishments had total receipts of \$28.7 million in 1963, an increase of 59 percent from 1958, according to a report of the 1963 Census of Business just released by the Bureau of the Census U. S. Department of Commerce. The last previous Census of Business covered operations during 1958. The service trades in the Census of Business included those providing: personal services to individuals; miscellaneous business services; auto repair and other auto services; and other-repair services. Also included were motion picture production and distribution businesses; motion picture theatres; other amusement and recreation services; and hotels and motels. In the county there were 376 personal service establishments reporting 1963 receipts of \$8.9 million. Among the other selected services included in the census were: auto repair shops with receipts of \$3.6 million; motion pictures theatres with receipts of \$2.1 million, other amusement, recreation services with receipts of \$2.1 million, and hotels, motels, camps with receipts of \$2.0 million. The selected service trade establishments in the county employed 2,542 persons (exclusive of proprietors) and had a payroll for the year of \$8.9 million. The state as a whole included 44,412 establishments with receipts of \$1,793.1 million. The Bureau of the Census reported Selected Services, Michigan, 1963 Census of Business, from which these data are taken, may be purchased from the Superintendent of Documents, Washington, D.C. 20402 and at U. S. Dept. of Commerce field offices for '50 cents.

Post Office Observing Monday-Legal Holiday

Regular holiday schedules will be observed by all post offices on May 31, a federal holiday by virtue of the fact that May 30, the usual Memorial Day holiday date, is a Sunday. No-delivery services, except special delivery, will be provided. Street mail collections will be made on a normal holiday schedule and outgoing mail will be dispatched. Post office lobbies will remain open, providing access to lock boxes, and mail deposit slots.

Fishing Without License Costly for Three Visitors

Fishing without a license cost two men from nearby communities \$12.30 each in fines and costs. Curtis T. Matley, 21, of Ypsilanti, and Vincent Massey, 38, of Ann Arbor were sentenced Wednesday, May 19, by Municipal Judge Francis L. O'Brien of Ann Arbor. Another Ypsilanti resident, Donald E. Saylor, 22, was fined \$13 when he appeared before Sylvan Township Justice of the Peace Chandler A. Rogers.

'Mrs. Library' ... (Continued from page one)

She said she has always enjoyed her work at the library, now known as McKune Memorial Library; however, she felt she was ready to retire after a total of 33 years. For approximately 25 years of that time she has been the librarian. In June 1963, Mrs. Walworth was one of three women honored at a surprise recognition ceremony at a Chelsea Friends of the Library meeting for their efforts on behalf of the library. The others were Mrs. E. W. Eaton and Mrs. Warren Daniels.

THANK YOU

The Michigan Week committee and the Village Council wish to thank the local schools, individuals, businesses and all the many other people who co-operated to make our Chelsea Michigan Week program a success. Merle Leach, chairman.

THANK YOU

The Veterans of Foreign Wars, Post 4076 and the Ladies Auxiliary to Post 4076 Chelsea, wish to express their thanks to the community for their generous support of the Buddy Poppy sale. The Chelsea Standard for the publicity, to the Senior Citizens for letting us have the Korner House for our headquarters, and for the co-operation of the American Legion Auxiliary. Geraldine A. Klink Buddy Poppy Chairman Ladies Auxiliary to Post 4076 Veterans of Foreign Wars.

IN MEMORIAM

In loving memory of our Virginia, Clairice, Gerald and Linia Smith who passed away 13 years ago May 29 and 24. To know them was to love them. Both for family and friends. And the sweetness of their memory. Time can neither dim nor end. Sadly missed by Mother, Daddy and family.

Shaded areas of a house, such as under the eaves, do not get sun and fail to lose their gloss. These areas should be sanded before repainting to avoid peeling.

SELMA MARCH COSTLY: The Pentagon said it cost the Defense Department \$510,000 to protect the Selma-to-Montgomery civil rights marchers. This figure covered pay and allowances for 1,860 Alabama National Guardsmen called into Federal duty, plus transportation and other expenses.

CHELSEA VILLAGE COUNCIL PROCEEDINGS

May 4, 1965 Council Room Regular Session. This meeting was called to order by Pres. Haselschwardt at 8:00 p.m. Invocation by the Rev. John Smucker of the St. Barnabas Church. Trustees present: Bollinger, Burg, Chapman, Crouch, Schaible, Weber. The minutes of the Regular Session of April 20, and the Special Meeting of April 27, 1965 were read and approved. Trustee Schaible asked to be excused at this point to act as spokesman for the rezoning hearing scheduled for this meeting. A Public Hearing was held before the Village Council on the rezoning request submitted by Mr. Paul Schaible, Jr.

RESOLUTION BE IT RESOLVED AND IT IS HEREBY RESOLVED THAT Article No. 2, Section 3 of Ord. No. 55, known as the Zoning Ord., adopted Oct. 21, 1957, be amended by changing the boundaries of the area of zoning district map referred to in such sections as relates to agricultural and included in "R-1" Residential. Said premises are described as follows: Commencing at the southeast corner of "Palmer's Subdivision" as recorded in the office of the Register of Deeds, Liber 10 of Plates, page 6, thence along the center line of Washington Street south 82° 24' east 922.06 feet FOR A PLACE OF BEGINNING; thence continuing along the center line of Washington Street south 82° 24' east 172.17 feet; thence south 1° 30' 30" east 516.86 feet; thence south 89° 12' 30" west 170.01 feet; thence north 1° 30' 30" west 542.13 feet; thence south 1° 30' 30" east a part of the southwest quarter of Section Seven (7), Town Two (2) South Range Four (4) East, Village of Chelsea, County of Washtenaw, State of Michigan. Subject to the rights of the public over the northerly 25.0 feet thereof as occupied by Washington Street.

Motion by Chapman, supported by Crouch to approve the above Resolution as read. Roll call: Yeas all. Motion carried. A discussion was held regarding vandalism of signs located on various village streets. Removal and defacing of several signs have presented a hazardous condition. Obliteration of stop signs could contribute to a possible accident. Residents of the Village are encouraged to call the police, should any signs of vandalism be observed. If possible license numbers of automobiles involved should be obtained. A discussion was held with Mr. Jud. Bason, representing the Consumers Power Co., regarding an ordinance granting certain rights to Consumers Power Co.

ORD. 66 AN ORDINANCE, granting to CONSUMERS' POWER COMPANY, its successors and assigns, the right, power and authority to construct, maintain and use electric lines, poles, masts, towers, crossarms, guys, braces, feeders, transmission and distribution wires, transformers and other electrical appliances on, along and across the highways, streets, alleys, bridges and other public places in the VILLAGE OF CHELSEA, WASHTENAW COUNTY, MICHIGAN, and to do a local electric business therein, said local business to be limited to the provision of electric service to customers having power loads of 50 horsepower or more. THE VILLAGE OF CHELSEA ORDAINS:

SECTION 1. That wherever the word "Grantee" appears in this ordinance, it is hereby intended to designate, and shall be held to refer to the Consumers Power Company, a corporation duly authorized to do business in the State of Michigan, its successors and assigns.

SECTION 2. The right, power and authority is hereby granted and vested in said Grantee to construct, maintain and use electric lines, consisting of poles, masts, towers, crossarms, guys, braces, feeders, transmission and distribution wires, transformer and other electrical appliances on, along and across the highways, streets, alleys, bridges and other public places in the Village of Chelsea, Washtenaw County, Michigan, and to do a local electric business therein; said local business to be limited to the provision of electric service to customers having power loads of 50 horsepower or more.

SECTION 3. No highway, street, alley, bridge or other public place used by said Grantee shall be obstructed longer than necessary during the work of construction or repair and shall be restored to the same good order and condition as when such work was commenced.

SECTION 4. All poles, masts, towers and other supports shall be set and all wires shall be suspended in a careful and proper manner so as not to injure property or persons. The Grantee shall have the right to trim trees if necessary in the conducting of such business, subject, however, to the supervision of the Dept. of Electric and Water Dept. of the Village. The Grantee shall at all times keep and save the Village free and harmless from all loss, costs and damage to which it may be subject by reason of the negligent construction and maintenance of the poles, masts, towers, wires and other structures and appliances, the erection and maintenance of which are hereby authorized.

SECTION 5. The Grantee shall be entitled to charge the inhabitants of said Village for electric energy for light, heat and power; the rates as shown by the schedule now on file in the office of the Village Clerk. Said rates shall be subject to review and change at any time by the Michigan Public Service Commission or its successors, upon proper application by either said Grantee or the Village acting by the Village Council, being made thereto, and the regularly filed rates as approved by said Michigan Public Service Commission or its successors, as applicable to said Village of Chelsea, shall at all times be the lawful rates.

All bills for electric energy shall be payable monthly. The Grantee may collect the minimum charge as specified in said schedule. It shall also furnish and maintain commercially accurate meters to measure the energy furnished. Said Grantee shall at all reasonable times have access to the premises of its customers, for the purpose of reading, inspecting, removing and replacing such meters.

SECTION 6. In consideration of the rights, power and authority hereby granted, all of which shall vest in the Grantee as aforesaid, said Grantee shall faithfully perform all things required by the terms hereof.

SECTION 7. The rights, power and authority herein granted, are not exclusive.

SECTION 8. This ordinance shall take effect on publication in The Chelsea Standard, provided however, the Grantee shall, within 30 days after the adoption hereof, file with the Village Clerk its written acceptance thereof. Upon acceptance and publication hereof, this ordinance shall constitute a contract between said Village and said Grantee.

We hereby certify that the foregoing ordinance was duly enacted by the Village Council of the Village of Chelsea, Washtenaw County, Michigan on the 4th day of May, 1965.

Trustee Crouch moved that the Ordinance No. 66 as read be adopted, which motion was supported by Trustee Bollinger.

The following was the vote thereon: Yeas—Trustees Burg, Bollinger, Crouch, Chapman, and Schaible. No: None.

The President thereon declared said ordinance duly carried.

The acceptance of the above franchise ordinance, duly executed by the Consumers Power Company was then filed with the Village Clerk; and upon motion, the same was received and ordered recorded.

A discussion was held with several residents of Freer Road regarding the possible construction of storm sewer, grading and hued surface construction.

RESOLUTION DIRECTING PETITION TO WASHTENAW COUNTY BOARD OF SUPERVISORS TO ALTER THE BOUNDARIES OF THE VILLAGE OF CHELSEA, MICH.

WHEREAS, the property owner in the area hereinafter described has petitioned the council of the Village of Chelsea to alter the boundaries of said Village to include said premises;

WHEREAS, said area is immediately adjacent to a portion of the present Village west boundary and a portion of the present Village North boundary; said area being well adaptable to both present and future economic development of the affected area.

NOW, THEREFORE, BE IT RESOLVED AND IT IS HEREBY RESOLVED THAT a petition be addressed to the Board of Supervisors for the County of Washtenaw, State of Michigan, requesting that the northerly boundary of the Village of Chelsea be altered to include the premises described, as follows:

Beginning at the east quarter post of Section Eleven (11), Town Two (2) South, Range Three (3) East, Sylvan Township; thence westerly approximately 1330 feet in the east and west quarter line of said Section Eleven (11) to the west line of the east half of the southeast quarter of Section Eleven (11); thence southerly along said west line of the east half of the southeast quarter of Section Eleven (11) to a point in the southerly right of way line of the New York Central Railroad;

thence northeasterly along said southerly right of the way line of New York Central Railroad to a point in the east line of Section Eleven (11); thence northerly along said east line of Section Eleven to the Place of Beginning, being a part of the east half of the southeast quarter of Section Eleven (11); Town Two (2) South, Range Three (3) East, Sylvan Township; containing approximately 24.8 acres.

and that said petition should be executed by and in behalf of the Village of Chelsea by its president and clerk, and in accordance with the provisions of Section 51470 Michigan Statutes Annotated, and that the notice of presentation of said petition to the Board of Supervisors on Tuesday, June 8, 1965 in the Supervisor's Room in the Washtenaw County Building, Ann Arbor, Michigan, shall be given by the Village clerk by publication in the Chelsea Standard on May 20, 1965, May 27, 1965, and June 3, 1965.

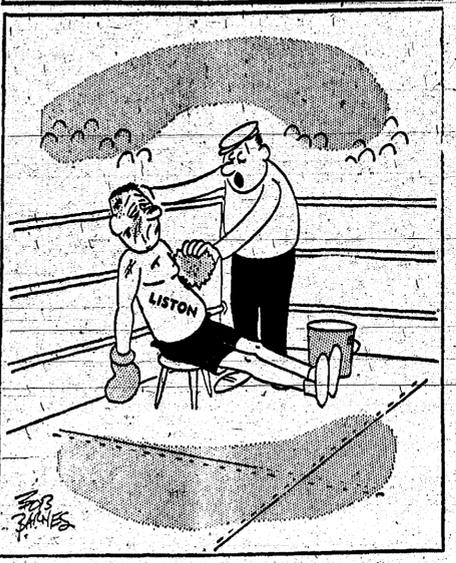

Motion by Burg, supported by Weber to approve the foregoing resolution as read. Roll call: Yeas all. Motion carried.

Motion by Schaible, supported by Chapman, to approve the low bid of Rod Mills for the installation of storm sewer for Freer Road in the amount of \$12,236.15. Roll call: Yeas all. Motion carried.

Thompson McCully bid for prime, and double seal was accepted in the General Street program.

Motion by Burg, supported by Chapman to authorize and direct the clerk to issue checks in payment of bills as submitted. Roll call: Yeas all. Motion carried.

LYNDON EXTENSION GROUP
A pot-luck dinner in Washenaw Park has been planned by the Lyndon Extension Study group for Thursday, June 3, at 12:30 p.m. At the May 3 meeting in Lyndon Township hall, the group played cards following dessert and a business meeting. Hostesses for the day were Mrs. Guy Barton, Mrs. Mary Clark and Mrs. Clara Hudson.

GRACE OTTO CIRCLE
Officers of Grace Otto Circle of the Women's Society of Christian Service of the Methodist church were elected at the circle meeting held Tuesday evening, May 18, at the home of Mrs. Robert Benedict, Jr.

Officers named for the 1965-66 year are Mrs. James Gaunt, chairman; Mrs. Russell Bernath, co-chairman; Mrs. Albert Peterson, secretary; Mrs. Robert Yorks, treasurer; and Mrs. Benedict, sunshine chairman.

Other business at the meeting included planning a picnic to be held at Pierce Park June 15, beginning at 11 a.m.

Guests of the circle at Tuesday's meeting were Mrs. Clifford Lyerla and Mrs. Hardy Morningstar.

Co-hostess for the meeting was Mrs. James Gaunt. Mrs. John Fall presented the devotional service.

SUBURBAN MOTHERS
Thursday, May 13, the Suburban Mothers Child Study club met at the home of Mrs. Rush Cattell. Mrs. William Dehn and Mrs. Andrew Policht were co-hostesses.

The order of business for the evening was the annual reports of all officers and standing committee members. Several revisions were made to the club constitution.

July 17 has been set as the date for a bake sale sponsored by the club.

The final meeting for the club's current season will be an installation ceremony for the new officers and dinner at an Ann Arbor area restaurant on May 27.

Fashion Notes

Swimsuits this season come in a variety of styles. A feature of the new suits is the uncovered shoulder—only one is covered with a strap or bow. A favorite material is stretch nylon.

Bareness is also apparent in other beachwear. One outfit with a long skirt has one uncovered shoulder and a bare midriff.

Mrs. Richard Frederick Irwin

Judith Ann Martin, Richard Irwin Exchange Vows at St. Paul's Church

Judith Ann Martin and Richard Frederick Irwin exchanged nuptial vows at 4 o'clock Saturday afternoon at St. Paul's United Church of Christ. The Rev. Robert A. J. Livingston officiated at the double-ring ceremony.

Parents of the couple are Lucille Martin of 609 W. Middle St., and the Donald M. Irwins of 16880 Grass Lake Rd.

The bride, who was given in marriage by her uncle, Darrell Larson, chose for her wedding a floor-length gown of silk taffeta with a princess-style waistline. A chapel train was attached to the bodice which featured lace roses applied to the taffeta with seed pearls. The rose pattern was repeated at the end of her train.

Her illusion veil was held in place with a crystal and pearl crown-shaped headpiece. She carried a sheaf of white, long stemmed American Beauty roses.

Norma Jean Larson, the bride's cousin, was her only attendant, wearing for the occasion a shell pink silk floor-length gown. Her headpiece was a circlet-of-match- ing pink with a brief veil and her bouquet, was a sheaf of long-stemmed pink roses.

WCS Holds Installation of New Officers

The installation of officers for 1965-66 for the Women's Society of Christian Service took place Sunday at the morning service at the Methodist church with the Rev. James A. Craig officiating.

Mrs. James Hoffmeyer, president, will be assisted by Mrs. Robert Benedict, vice-president; Mrs. James A. Craig, honorary president; Mrs. William Rooke, recording secretary; and Mrs. Howard Walz, treasurer.

Secretaries include Mrs. Lloyd Merrell, campus ministry; Mrs. Ben Donaldson, christian social concerns; Mrs. Calvin Summers, members' cultivation; Mrs. Clara Warren, missionary education and service; Mrs. Winston Schenk, program materials; Mrs. John Fall, spiritual life cultivation; and Mrs. Alan Conklin, supply work.

Committees and their members are Mrs. Clara Warren, representative to missions and education; Mrs. Benjamin Bower, representative to christian vocations; Mrs. Louis Allen, local church activities; and Mrs. William Storey, Mrs. Wilbert Smith and Mrs. George West, membership; Mrs. Edwin Gaunt, Mrs. Thomas Smith and Mrs. Arthur Stoll, nominations; and Mrs. Robert Kuehnau, publicity.

The new circle chairmen are Mrs. Arthur Schunk, Vivian Otto; Mrs. Lloyd Merrell, Marion Simons; Mrs. Ben Donaldson, Fern Baxter; Mrs. Carl Schloesser, Marion Shaw; Mrs. Ed Lewis, Marion Kline; and Mrs. James Gaunt, Grace Otto.

With Mrs. Edwin Gaunt in charge, a pledge service will be held at the June 2, p.m. meeting. All WCS members are asked to bring their pledge cards. Those who cannot attend will have their pledge cards mailed to their circle chairmen.

land, Hiller and McCormick, in Ann Arbor.

Also a Chelsea High school graduate, the bridegroom attended Jackson Junior College and Michigan State University. He is employed in offices of the Rockwell-Standard Corp.

The bride is a graduate of Chelsea High school and Cleary College, Ypsilanti, and is now employed by the law firm of Shank-

ENGAGED: Mr. and Mrs. George Beeman of Grass Lake are announcing the engagement of their daughter, Rosemary Lee, to George L. Klink, son of Mr. and Mrs. Fred Klink, Sr., also of Grass Lake. A '64 graduate of Chelsea High school, Rosemary now attends Preston's Beauty Academy in Ann Arbor. The bridegroom-to-be will graduate from CHS next month. A July 23 wedding date has been set.

Legion Auxiliary Dues Luncheon Slated Tuesday

Herbert J. McKune Unit No. 31, American Legion Auxiliary, has set Tuesday, June 1, as the date for the annual dues luncheon. The luncheon is scheduled for 6:30 p.m. at the Legion Home at Cavanaugh Lake.

A special invitation is extended to Junior Auxiliary members and to all old and new Auxiliary members.

Those who attend are asked to bring their own table service. This year's officers, headed by Mrs. Evelyn Royce, president, are in charge of arrangements.

Other officers are Mrs. Irwin Klump, first vice-president; Mrs. Duane Hall, second vice-president; Mrs. Leon Fox, secretary; and Mrs. Howard Walz, treasurer.

At the business session which will be held later, officers will be elected for the coming year.

A leader is a man who gets something done, not a man whose only ability is to criticize what others do.

Olive Chapter Hosts Lodge From Toledo

Olive Chapter No. 108, Order of Eastern Star, held an exchange night meeting with Collingwood Chapter No. 184, of Toledo, O., Wednesday evening, May 19, at the Chelsea Masonic hall.

Present for the special meeting were Mrs. Shirley M. Jones, of Grand Rapids and Carroll C. Curtis of Ypsilanti, who are worthy grand matron and worthy grand patron, respectively, of the OES Grand Chapter of Michigan. Curtis is also the OES General Grand Chapter grand organist.

Chelsea's drill instructor, Mrs. Vincent (Loera) Howell was in charge of presenting a special tribute by certain members of Olive Chapter No. 108, honoring the state officers and both Mrs. Jones and Curtis were presented honorary memberships. In the Chelsea OES Chapter, Mrs. Ellis (Elaine) Boyce was selected to make the presentations.

Chelsea's worthy matron, Mrs. Clint (Mildred) Collyer and the worthy patron joined in extending a welcome to all present. Mrs. Collyer also introduced the two state officers and following the special tribute paid them, she gave tribute to Worthy Matron Emma Johnson and Worthy Patron Robert Putnam and other officers and members of the Toledo Chapter, OES.

The Toledo officers were in charge of the initiation ceremony here.

Refreshments were served in the dining room following the meeting. Table decorations were in pink and white and light green and white in honor of the worthy grand matron and the worthy matron of Toledo, respectively. These are their colors for their year in office.

Theme of the evening was "Hello from Michigan to Ohio" and telephone key chains were used as table favors; members also were given badges in the shape of telephones imprinted with the message.

Among the 90 people present were guests from Grand Rapids, Ypsilanti, Dexter, Milan, Ann Arbor and Toledo and Maumee, O.

The man who tries to work all day and night, too, is not always the fellow who gets the most work done.

MODERN MOTHERS
Modern Mothers Child Study Club's husband's night was held Saturday at the North Lake home of Mr. and Mrs. Richard Dusseau.

The 34 persons present for the occasion enjoyed a steak roast.

Don Turner, the evening's special guest, showed pictures of Hawaii, the 50th state of the Union.

The final activity of the club year will be the annual picnic at Pierce Park, which is scheduled for June 23 at 11 a.m.

MEDAL 47 YEARS LATE
Niagara Falls — Having received a citation for gallantry in wiping out several German machine-gun nests during World War I, Raymond G. Eldridge had never received the medal. The American Legion Post notified the Defense Department and the Silver Star was mailed to the veteran.

We go along with the maxim that the best things in life are free—up to a point. Just as the well-groomed grass on the golf green has something over on the free grass it started from, we think the grooming a woman pays a professional for is well worth the price. No matter how beautiful your hair looks when you arrange it yourself, we think you miss a bit of luxury you deserve if you don't settle back and let us give you a relaxing shampoo and to-a-tee set that enhances your personality.

HISTORICAL DOCUMENTS and artifacts which played a major role in gaining statehood for Michigan in 1837, and those which followed from then to the present, will be on display in the Historymobile which arrives in Chelsea June 1 for a three-day stay. The 19 displays assembled in the museum-on-wheels all have strong historical significance and will prove of interest to everyone—from young school children to old-timers.

Michigan's Historymobile To Visit Chelsea Next Week

Chelsea-Dexter area citizens will have the opportunity to see some of the artifacts that have played an important part in the early days of the state when the Michigan Historical Commission's new June 1, 2 and 3. It will be parked on the east side of the Chelsea Fire Hall. This is the only stop scheduled in Washtenaw county this year.

Valued at more than \$50,000, the Museum-on-Wheels, has been developed entirely through the co-operation of Michigan businesses

and industries. All equipment and supplies have been contributed. Fourteen of the state's finest museums co-operated in the preparation of the displays.

Ed Akin Wins Top Jaycee State Award

At the Jaycees State convention held recently in Grand Rapids, Chelsea Jaycee Ed Akin was chosen as one of five outstanding Jaycee presidents from 198 chapters in the state.

The awards are based on a chapter's community development program, chapter development, individual development, public relations, membership participation and membership increase.

During Akin's tenure as president last year, the Chelsea Jaycees' membership expanded from 22 to 50, the largest in its history.

Akin, 31, has been a member of the Chapter for four years. He has served as publicity director and internal vice-president prior to assuming the presidency. As chairman of many outstanding Jaycee projects, he has received several awards.

A native of Concord, and a graduate of its high school, Akin served in the U. S. Air Force for four years. He and his wife, Jean, have two daughters, Debbie and Diane.

Akin moved to the Chelsea area six years ago while employed at the Chrysler Piquette Grounds. He now works for G. A. Sales & Service. Both he and his wife are active in community affairs. They attend the Chelsea Methodist church.

Planning for the future is the only way to improve the future.

ations of the 19 displays, which illustrate chronologically the colorful story of Michigan's development from prehistoric times to the present.

While several other states operate traveling exhibits, the Michigan unit is the first in the country to feature such an extensive display.

The Historymobile is being sent to various communities without charge, as a service of the Michigan Historical Commission. It is being brought here through the co-operation of the Chelsea Chamber of Commerce. C. of C. members also will serve as hosts and hostesses, assisting Charles C. Carter, the Historymobile operator.

It will be open daily from 10 a.m. to 6 p.m. There is no admission charge.

been undertaken there and presented the Chelsea Senior Citizens with a potted plant. She and her party of eight from Ypsilanti were later entertained at a tea at the home of Miss Nina Greening at Clear Lake. Miss Greening was program chairman for the dedication ceremony.

Another gift received by the Chelsea Senior Citizens is a 30-cup coffee urn. This was presented by "an anonymous friend." Many Chelsea groups and organizations — as well as individuals — have made contributions of time, effort and gifts for the Corner House. Not the least among these, according to Burg, is Carl Schneider who owns the building. He has made many needed improvements to make the quarters suitable for use by the Senior Citizens; provided materials for painting and renovating done by various organizations and, in general, co-operated fully to make the project a success.

Area Crashes Hospitalize 7 Persons

A spectacular crash on M-52 at Lehman Rd., in Sharon township Saturday evening resulted in serious injuries to the driver, Edward K. Brighton, 21, and his passenger, Clive Seydell, 22, both of Jackson.

Brighton was driving north on M-52 when his car went out of control and skidded 124 feet off the west shoulder of the highway. The vehicle then "sailed" through the air for 27 feet, landing on its side and sliding for another 82 feet. It then flipped through the air a second time for 24 feet, cleared a fence, turning end-to-end for an additional 22 feet before finally coming to a standstill about 10 feet from the edge of the road. His speed was estimated at 75 miles, according to the Sheriff's Department reports.

The Washtenaw County Sheriff's office said it was a fantastic accident. Yet both Brighton and Seydell survived though they were taken to St. Joseph Mercy Hospital, Ann Arbor. Brightons' 1966-model car was damaged considerably.

Several hours previously last Saturday, at 6:12 p.m., Robert J. Cole, 25, of Leslie, was driving south on M-52 at Werkner in Syl-

Chicken Barbecue Will Be Held Sunday By K. of C.

Chelsea Knights of Columbus, under the leadership of Chairman Walter Bury, are sponsoring a chicken barbecue for the public at Florence Park Sunday.

Serving will begin at noon and continue until 4 p.m. Chairman Bury said arrangements have been made for persons to eat their dinner at the park if they wish, or take out the dinners if they prefer to do so. The chicken halves will be barbecued at the park on special pits set up for the occasion.

Michigan was the first state in the nation to guarantee each child the right to free education through high school.

van township when his car collided broadside with another driven by Lucille Cornwell, 60, of Flint.

According to the Sheriff's office, the Cornwell car went through a stop sign at the intersection and into the path of Cole's car. Helen Hathaway, 83, of Ann Arbor, was a passenger in Cornwell's car. Passengers in the Cole car were Carol Cole 22, of Jackson; Shirley Cole, 21 of Munith; Paul Williams, 20, of Leslie. All were injured — except for Williams — and taken to St. Joseph Mercy Hospital, Ann Arbor.

Meet Your School Board Candidates

Candidates seeking election to the school board will have a opportunity to express their views at a public meeting planned at the Chelsea Education Association on Tuesday, June 1, at 7:00 p.m. in the Chelsea High school gymnasium.

The five candidates are Mrs. Harold Drosch, Jr., of Koch, Herman Koehn, Charles Koster and Robert Taylor. Action and answer period, low and refreshments will be served. Everyone is invited.

HALF-PAST TEEN

Just A Minute . . .
By the Rev. James A. Craig

Memorial Day! Flags will fly, Bands will march. Parades will be held. Picnics, weather permitting, are planned. All together it makes a good day to officially start the Summer. Graves will be decorated. Speeches will be made extolling the virtues of the nation and sorrowing at the price freedom demands. Some will hesitate—others will stop to give some thought to what the day means and to think that next year there will be more graves to decorate and a higher price paid. That's the way it is. And we are willing to go along with it. As long as we do their lives are wasted and our freedom is irresponsible since we do so little to prevent the rising cost in lives. Can't do anything about it? Oh, but we can. We're the ones who carry hate and fear with us. We're the ones willing that someone be contained or eliminated. We're the ones that demand an eye for an eye. Want a perfect world? Sure, but in the meantime I'll settle for a better one. One in which we make more of a token attempt at being Christian. One in which we try to make the UN work—and are willing to increase economical assistance to countries in need. One in which the pain at war's cost is unbearable and we can find no comfort until we find peace. Frankly, the scientists are getting ahead of the popular imagination.

Five County Youth Win 4-H District Awards
Five Washtenaw county 4-H club members win in District Awards competition and will compete with winners from other counties in competition for state awards at the state 4-H show to be held in August at Michigan State University. The five winners and the projects areas are: Jane Kingston, 5600 Textile Rd., Ypsilanti, conservation; Janet Kemner, 19820 Sharon Valley, Manchester, foods and nutrition; Debbie Fidler, 476 Rice Ave., Ypsilanti, home design; Cheryl Henes, 7941 Bethel Church Rd., Saline, poultry; Judy Thompson, 20860 Sherwood Rd., Belleville, sheep scholarship.

GIRL SCOUTS

TROOP 47—
Wearing full uniforms, Girl Scout troop 47 will take part in the Memorial Day parade. The troop plans to hold a court of awards and is currently working on the food supplies and menus for a camping trip on June 24, 5 and 6.

TROOP 82—
The Tuesday evening meeting of Girl Scout Troop 82 included an installation of patrol leaders and a reading from "Sal Fisher" by Donna Blackwell. Other features were games led by the 4th grade patrol, songs by the 5th grade patrol and a Health Aid Badge demonstration by the 6th grade patrol. Troop leader Mrs. Robert Jacobs was assisted by co-leader Mrs. Hardy Morningstar. Lynn Jacobs and Janice Schenk provided the treats. Lisa Peppers, scribe.

WIDE AWAKE CLUB
A discussion of coming events, which includes a field trip being planned by the leaders, was part of the Saturday meeting of the Wide-Awake 4-H club. Following a call to order by Susan Hines, flag pledges were led by Char Powers. A demonstration on milk drinks was presented by Jean Bauer, Denise Bycraft and Bonnie Powers. Mrs. H. C. Powers was hostess. The June 5 meeting will take place at the home of Carolyn Wenk. Your heart is not a machine, although in some ways it is better than any machine ever made. BLUEBERRIES—Nearly 25 million pounds of these attractive berries were raised in Michigan last year with more than half the crop going to processors. If Michigan isn't the nation's chief producer, it is a photo-finish race with whoever is. "Seems like everybody who is anybody is driving Chryslers these days."

"SURE, that's why I'm driving one."

More and more people are moving up to Chrysler. Their reasons should be important to you. One is looks. Chrysler's got style. It's clean. Distinctive. Different from all the "look-alikes." Another is price. Seven Chryslers are priced just a few dollars a month more than the most popular smaller cars. Yet, all are full-size. And the small monthly difference includes power steering, power brakes, automatic transmission, big 383 cubic inch V-8, radio, heater. The works. Come in. Move up to Chrysler. It's easy.

CUB SCOUT NEWS

DEN 14, PACK 435—

Pack 435, Den 14 met Monday at the home of Mrs. Kenneth Bucholz. A card was sent to Danny Boham, who is hospitalized, and the boys mounted the landmark buildings they had worked on during the week. The den's current project is a map of Chelsea.

Barton Wohlitz, scribe.

DEN 1, PACK 415—

Den 1, Pack 415, celebrated Michigan Week by exploring some of the Wolverine State's history, particularly the area around Chelsea. They also learned the song, "Michigan, My Michigan." Treats were by Eddie Hartmann.

Cammer Sloum, scribe.

PACK 435—

Cub Scout Pack 435 held their May pack meeting Tuesday night, May 25, at North Elementary School. Plans were announced for the pack picnic to be held Sunday, June 13, at Hudson Mills Park, from 11:00 on. All Cub Scout families are invited to attend and are asked to bring their own eats, picnic supplies, and equipment desired. Eating will begin at 1 p.m. There will be a baseball game and other entertainment.

The meeting opened with Den 13 presenting the colors. The parents participated in a cartoon stunt in which parents were required to draw their own face on a paper bag worn over their head. The parents also participated in a Moor Monster skit. The Cubs played a balance beans on the knife race.

The theme for May was "Know Your Hometown," and papers were read on Chelsea history by Tom Skittenhelm, Doug Hillman, Don Conklist and John Gilbert of Den 14. The other boys of Den 13 displayed a map of Chelsea made during Den meetings. Den 14 also displayed a map of Chelsea, and Charades of various Chelsea businesses were acted out by Steve Blinniesley, Jim Gullett, Bart Wohlitz, and Doug Irving. With the audience attempting to guess the business imitated. Den 15 displayed a map of the North Lake-Half-Moon Lake region, with topographical details indicated, and also performed a very clever skit of Cub Scouts on their first hike, featuring Bill Stahl as the leader and Mike Roskowsky as the reluctant hiker.

Den 13 received the parent attendance award. Jeff Bussler received a special mention for a model of a marine railway he had built, as did Tom Skittenhelm for a display of a stone ax head and a turtle shell, and Doug Irving for a display of two hand-made stone axes. Kim Wilkerson was welcomed into Den 14 as a new Cub Scout.

Best wishes and many thanks were offered to Cub Scout Doug Irving and his family, who are moving out of the area soon, and Doug's Den, Den 14, presented him with their map of Chelsea, to help him remember his friends and fellow Cubs.

The previous monthly meeting was held April 27 at North Elementary school. The meeting opened with Den 15 presenting the colors. An audience skit was held in which the parents participated.

The theme of the month was Green Thumb, and the Dens displayed exhibits of various growing things which they had assembled. Among the many fine exhibits were tomato plants, muskmelon plants, grass pumpkins, and several novel soft coal plants.

For their Den skits, Den 13 presented the Three Trees skit and Den 14 performed a play entitled The Jolly Green Giant. Steve Blinniesley and Jeff Layner were presented with wolf awards. Doug Irving received a silver arrow and Bob Weir received a gold arrow. Bill Stahl was presented as Den Chief of Den 15. The meeting closed with retirement of the colors and the Grand Howl.

Almost 50 percent of all deaths in the 45-64 year age bracket are due to heart and circulatory diseases, The Michigan Heart Association says. Industry has computed that these diseases among men and women at the peak years of their skill and productivity cost the nation at least \$4 billion in lost man-days annually.

PACK 415—

Cub Scout Pack 415, held its monthly pack meeting Tuesday evening at the High School cafeteria. The meeting was opened with the Flag Ceremony by Dens 5 and 6. The following awards were presented by Don Fritz, cubmaster: wolf patch, Paul Case and Douglas Pickett; gold arrows, Paul Case and Donald Gillett; silver arrows, Edwin Hartman, 2; Mark Stajich, 1; Paul Case, 1; Thomas Heppburn, 1; Donald Gillett, 1; Larry Jones 1; Derrick Harris, 1; perfect attendance bar.

The following songs were sung: "Pinewood Derby Song," and "She'll Be Coming Around the Mountain."

A Pinewood Derby race was held with the following winning awards: Thomas Forner, 1st; prize; Larry Jones, 2nd prize; Ronald Landwehr, 3rd prize.

Cubmaster Fritz then asked for three new Den Mothers. Dens 5 and 6 retired the flag. The next pack committee meeting will be held at the home of Don Fritz on June 1. Pack 415 Cub Scouts will attend the Tiger baseball game on June 12 in Detroit. There will be a Pack 415 hayride on June 13 starting at 1:30 p.m. at the Cammer Sloum home. The boys will march in the Memorial Day parade. Be at parking lot at 9:30 a.m.

AGRICULTURE in ACTION

by M. L. Woell

MICHIGAN FARM BUREAU

Higher Prices

In spite of prospects for bumper crops, there is every chance that many fruits and vegetables will be in short supply this year, resulting in substantial higher prices to consumers.

This nation-wide drop in food production is predicted by G. Stewart Boswell, of the "National Council of Agricultural Employers," who blames the critical farm labor shortage for such prospects. Fruit and vegetable farmers in Michigan, where crops requiring seasonal labor have a value in excess of 175 million dollars, have been denied the help of sufficient experienced workers from Mexico because of policies of the United States Department of Labor.

Replacement "domestic" workers—either are not available to do the kind of work needed, or do not have the "knack" of doing it. In some cases, farmers cannot afford to meet the expensive standards for wages, housing and transportation set by the Labor Department.

Last year 178,000 Mexican Nationals were used to tend and harvest U.S. crops. "Unless foreign workers are made available in sufficient supply to meet grower's needs, the farm labor crisis could have a profound effect both on the availability and price on fresh processed fruits and vegetables," Boswell said.

Adding emphasis to his words are fields of asparagus in California which have been allowed to go to "fern" (to seed) and acres of ripe strawberries rotting on the vine. In Michigan, cucumber growers are among the first to feel the labor pinch, and another excellent fruit crop is anticipated to soon complicate the picture.

Farmers continue to voice resentment at the attitude of the U. S. Department of Agriculture, pointing out that Secretary Orville Freeman has at no time offered to intercede in easing the worsening farm labor situation. "Who will pay for the labor shortage created by government edict? The farmer will be first, as always, followed by the consumer."

Part of the payment will come when, to meet their budgets, housewives have to bypass the fresh strawberries, the crisp pickles, fresh asparagus, and lettuce.

Michigan's Upper Peninsula, with its 19,538 square miles of land area, is equal in size to the combined areas of Connecticut, Delaware, Massachusetts and Rhode Island.

Police Ready For Holiday Week-End

With hundreds of thousands of cars expected on Michigan highways for Memorial Day week-end, the State Police will operate special traffic patrols for the holiday period from noon Friday, May 28, to midnight Monday, May 31, Commissioner Joseph A. Childs reports.

Traffic accidents killed 24 persons in the 78-hour holiday last year, the same toll as during the Memorial period in 1963. Highest toll for this holiday in postwar years was 34 killed in 102 hours in 1961.

Pass days are cancelled for the four-day period for all State Police uniform personnel at posts and districts. Detectives where available will take over desk duties to relieve uniformed officers for patrols.

Seventy-five officers attending an advanced trooper school at East Lansing headquarters will get off a day early on Thursday, May 27, to return to their home posts in time for the holiday patrols.

The State Police again will be assisted by 108 members of the National Guard who will serve as second men on two-man patrols or on point control.

Maximum patrol coverage will be from 3 to 9 p.m. daily during the holiday period, with special consideration to be given to sections of highways having had accident experience.

"While monthly traffic death tolls this year are less than in the corresponding months of 1964, injuries and accidents continue to reach new highs," Childs emphasized.

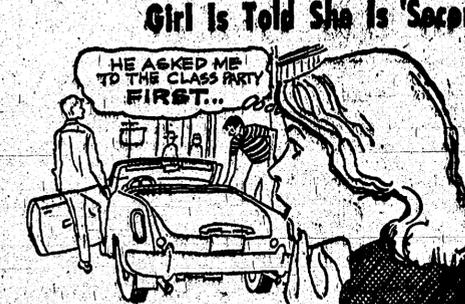

"The Memorial holiday weekend begins the season of increased recreational travel which means greater potential for accidents. For this reason, drivers should be extra vigilant in following safety rules. It's the surest way to continue the improved death record and gain a change for the better in the injury and accident trend."

PESTICIDES

Insecticides are essential, but they can be hazardous if used or stored carelessly. Pesticides should be stored in a safe place, preferably in a locked cupboard. The chemical should never be transferred to unlabeled containers, especially those which once held food or drink. Used pesticide containers should be disposed of in such a way that the package or bottle of left-over contents will not be a hazard to people, particularly children.

Michigan's shoreline, second only to Alaska's, totals more than 3,000 miles including offshore islands.

FOR AND ABOUT TEENAGERS

HE ASKED ME TO THE CLASS PARTY FIRST...

THE WEEK'S LETTER: "I am in the tenth grade. A particular boy, whom I happen to like very much, asked me to be his date for a class party. Then, the boy, who happens to be my brother's best friend, told me that he was trying to get another girl to go with him and if she did not agree, then he would take me. I don't think this is right, since he asked me first. What should I do about this?"

OUR REPLY: You should very politely tell this boy to just forget about the whole thing. His manners leave something to be desired if he asks a girl for a date, then tell her he would prefer to go with someone else and will do so if the girl is agreeable. This is somewhat like saying, "If

I should wind up without a date, I'll be more than happy to take you."

It is likely that the boy considers you a friend, just as he is a friend of your brother. He may even think that he is doing you a favor by taking you somewhere. Let him know, in a friendly way, that he is mistaken, and that you don't want him to ask you—or take you anywhere... unless it is something that he wants to do.

Quite often, a girl is "second choice"—as a boy might ask two or three girls before he gets a date. A girl may already have a date; she may have a previous engagement, etc. But, a boy never tells a girl that he has asked someone else first. It just isn't good manners. And, it isn't wise for a girl, being told she is second choice, to indicate that it doesn't matter by giving the boy a date.

If you have a teenage problem you want to discuss, or otherwise in need of advice, address your letter to THE WEEK'S LETTER, CHELSEA STANDARD, P.O. BOX 100, CHELSEA, MICHIGAN. FRANKFORT, KY.

Plymouth Kiwanis Members Furnish Monday Program

Visitors introduced by Dr. J. B. Casey at the Monday meeting of the Chelsea Kiwanis club at the Congregational church, were Russ Hartzie of Lansing, Charles Shade, Clare D. Lewis, Jr., Kyle Fuller, Bob Bradley, Mark Silson, all of the Ann Arbor Western Kiwanis club and John Raaf of the Ann Arbor Downtown club. Kiwanians attending from Plymouth were M. I. Johnson, William C. Hartman, Wendell Miller, James Seifon, Julius Ewen, Frank Terry, Edwin Rice and Bub Utter.

Utter, introduced by program chairman P. G. Schiabe, Jr., spoke on "The American Way." The five points stressed in his presentation were Survival, Security, Belongingness, Leadership and Self Actualization. As an employee of American Air Lines, he also discussed the advances America has made in aeronautics since World War II.

Because of Memorial Day, the Chelsea Kiwanis club will meet next Tuesday at 6:15 p.m., in the Congregational church.

The first ladies night picnic of the season has been set for Monday, June 7, at 6:30 p.m. at the Lloyd Heydlauff home on Cavanaugh Lake.

POVERTY YARDSTICK

Sargent Shriver, director of the Office of Economic Opportunity, has disclosed the new yardstick for determining the "poverty level" of an individual. A family of four with an income under \$3,180 and an individual income under \$1,540 are classed as poor.

Rural Area Residents Form Mill Creek Research Council

Seventy-five citizens, most of whom live in the Mill Creek basin, met at Lima Township hall Wednesday, May 19, and selected a member steering committee to guide a new local organization. Presiding was Mrs. H. W. Denham, Jr., 9741 West Liberty Rd.

The new group will be known as the Mill Creek Research Council. Its purpose is the study of the proposed Mill Creek Reservoir project and its effect on the local area. The project is now under consideration by the Army Engineer Corps.

It also intends to make available this information to anyone interested in the proposed project which will utilize some 12,500 acres—8,000 in Lima Township and smaller areas in Secoy, Dexter, Freedom and Lodi.

Another matter brought out was that although the main sites of the proposed impoundments would be located in Lima, the township has had but one-ninth of a vote on

the Huron River Watershed by governmental committee and also have but one-ninth of a vote on the new Huron River watershed council which will be organized on June 3, at 8 p.m., at Washtenaw County building.

Leigh Beach, Lima Township supervisor, has been representing on the 45-delegate watershed committee; a representation based on population. He represents 12 townships not entitled to a vote of their own. These include Lyndon, Northfield, Salem, Lima, Sharon, Freedom, Lodi, Pittsfield.

Act No. 253 of the Public Acts of 1964 grants legal authority for which the Huron River watershed council will be operating, which sets the formula for determining the representation of council and other similar projects.

Four flags have flown in Michigan—French, English, Spanish and American.

Tytve; 24 grandchildren; eight great-grandchildren; and two brothers, Ben C. and George Stapish, both of Chelsea.

The suspicion of illness is often more damaging to the average human being than the knowledge of illness.

Mrs. John Patterson

Methodist Home Resident Was Native of Scotland

Mrs. Mary Patterson, 83, of the Methodist Home, died Friday morning at the Home after a long illness. She had entered the home June 6, 1955, from Detroit.

Mrs. Patterson was born Sept. 4, 1871, in Dalwellington, Ayrshire, Scotland, a daughter of John and Rebecca White Bain.

She married John Patterson June 4, 1908 in Scotland and they came to the United States in 1922. He died July, 1940.

Mrs. Patterson was a member of Nardin Park Methodist church, Detroit.

Surviving are one son, Andrew of Detroit, two grandchildren and one great-grandson.

Funeral services were held at 10:30 a.m., Monday, at the Methodist Home Chapel. The Rev. William Johnson, chaplain of the Home, and Rev. William Mercer of Detroit officiated.

Burial followed in Agacia Park cemetery in Oakland county. Arrangements were in charge of the Burghardt Funeral Home.

Mrs. Wilson Lawson

Dies Thursday at Hospital in Superior Township

Mrs. Wilson Lawson, a Chelsea resident for several years before moving to South Lyon two years ago, died Thursday at Ridgewood Osteopathic Hospital in Superior township, following a long illness. She was 42 years old.

Born Oct. 6, 1912, at Heatherman, W. Va., she was the former Ruby Rose Noel, a daughter of William A. and Leona V. Reynolds Bjorndal Noel. She was married to Wilson Lawson on July 27, 1939.

Mrs. Lawson attended Western High school in Detroit and was a member of a Detroit Baptist church. She was formerly employed at Gelman Instrument Co. here and later at St. Joseph Mercy Hospital, Ann Arbor.

Surviving are her husband; two daughters, Mrs. Larry Cattell (Carol) of Chelsea and Patricia at home; a son, Wilson, Jr., also at home; her mother of Detroit; one grandson; three brothers, Ernest and Warren Bjorndal of Detroit and John Noel, mayor of South Lyon; four sisters, Mrs. Harry Kateris and Mrs. Leona McLaughlin of St. Ignace, and Mrs. Jack Fostef and Mrs. Daniel Fabbio of Detroit.

Funeral services were held at South Lyon at 2:30 p.m. Sunday followed by burial at the South Lyon cemetery.

Everybody is happy when everybody is making money.

Charles J. Williams

Former Village Councilman Dies at Jackson Hospital

Charles J. Williams of 117 W. Summit St., former Chelsea village councilman and long-time employee of Federal Screw Works, died Sunday at Foote Hospital, Jackson, where he had been a patient since Wednesday, May 19. He was 80 years old.

Born Sept. 22, 1884, at Williams-ton which was named after his family, he was the son of James and Frances Fordham Williams. He graduated from the Williams-ton High school in 1904 and on June 7, 1916, in Detroit, he was married to Susan V. Wilson. They spent most of their married life in Chelsea and for the past 32 years have lived at the present address.

He retired in 1946 as foreman of the tool shop of Federal Screw Works. He served several terms on the Village Council; was a life member of Olive Lodge No. 156, F&AM, a member of Olive Chapter No. 140, RAM, of Chelsea, and a life member of the Order of Eastern Star at Williams-ton.

Surviving are his widow, a son, Robert, of Gilletts Lake; a daughter, Mrs. Louis Fryzelka (Margaret) of Toledo, O.; five grandchildren and three great-grandchildren.

Funeral services were held at 2 p.m. Wednesday at the Staffan Funeral Home with the Rev. Robert A. J. Livingston officiating. Burial took place at Oak Grove cemetery.

Graveside services were conducted by Olive Lodge No. 156, F&AM.

Mrs. Julia Faltz

Former Croswell Resident Dies at Methodist Home

Mrs. Anetta A. Faltz, 90, died Wednesday, May 19, at the Methodist Home, after an illness of about a year.

She was born Aug. 15, 1874, in Buell township, Sanilac county, a daughter of Thomas and Deborah McClure Bennett. She was married to Julius Faltz on Aug. 12, 1910. He died in March, 1931.

Mrs. Faltz entered the Home on Oct. 25, 1948, coming from Croswell, where she was a member of the Croswell Methodist church for 67 years.

Surviving are a niece, Mrs. Lester Grout of Croswell and two nephews, Robert Grout, also of Croswell, and Guy Bennett of Peck, Mich.

Funeral services were held at 8:45 a.m. Saturday at the Methodist Home chapel with the Rev. John Fall, assistant superintendent of the Home, and the Rev. William A. Johnson, chaplain of the Home, officiating.

A second service was held at 2 p.m. Saturday at the Croswell Methodist church with the Rev. Clavin Blue officiating. Burial took place at the Croswell cemetery.

Arrangements were in charge of the Staffan Funeral Home.

Mrs. Ella Schneeberger

Dies Tuesday Evening Following Long Illness

Mrs. Ella Schneeberger, 88, mother of Mrs. Norman Perkins, died late Tuesday evening at Cedar Knoll Rest Home. She had been a patient there for three weeks.

Funeral arrangements are in charge of the Staffan Funeral Home.

Mrs. Schneeberger was born Sept. 23, 1876, in New York state. During World War II she worked at the Federal Screw Works until 1946, then moved to Lansing and lived there until 1950, when she came to live in Chelsea with her daughter and family, Mr. and Mrs. Norman Perkins. She became ill in 1962 and was in the Pickell Convalescent Home on South St. until May 5, this year when she was moved to Cedar Knoll.

Survivors are two daughters, Mrs. Perkins and Mrs. Della Kubek, of West Seneca, N.Y.; a brother, Lester Galster of Kissimmee, Fla.; two sisters, Miss Tilla Galster, of Detroit, and Mrs. Daisy Dietz, of Lansing; two grandchildren; and eight great-grandchildren.

The Rev. R. A. J. Livingston will officiate at the services, which will be held Saturday at 1 p.m. at the Staffan Funeral Home. Interment will be in Mt. Hope cemetery, Lansing.
