

New State Legislation Necessitates Primary Village Election

Legislation recently passed by Michigan State Legislature relating to the election law changes will have several effects on Chelsea village elections.

The new legislation will affect nomination of candidates for village offices, including the necessity of having a primary election as well as the custo-

mary general election, the creation of new village political parties or reinstating an ineligible existing party on the ballot.

The new legislation requires that all candidates for village offices must be nominated by primary election unless the village, by charter amendment, provides otherwise.

Chelsea does not have such a

charter amendment. Insufficient time prevents the adoption of a charter amendment to effect 1966 elections.

Candidates for any village office must be nominated by petition which must be filed with the village clerk before 4 p.m., Monday, Jan. 3, 1966.

The petition must bear signatures of at least one percent and

not more than four percent of the registered village electors. The number thus being at least 15 and not more than 60. Nominating petitions will be made available at the clerk's office after Dec. 15.

If no more than one candidate for each office in each party files nominating petitions, no primary election will be required.

The date for the primary election is Monday, Feb. 21, 1966. The election date is Monday, March 14, 1966.

The new method of nomination takes the place of nomination by caucus. The change in the state law was designed to make it possible for any citizen, on filing proper nominating petitions,

to become a candidate for village office.

New village political parties may be created as the result of recent state legislation by filing a petition in the prescribed form, signed by two percent of the electors which in Chelsea would be at least 30.

To qualify for the 1966 election, petitions must be filed with the village clerk prior to 4 p.m., Monday, Jan. 3, 1966.

For a political party to continue on the ballot in subsequent years it must have had at least one candidate in the preceding village election who received at least two percent of the total vote cast.

Existing political parties which meet this requirement are not

obligated to file nominating petitions for the 1966 village election. However, an existing party which is ineligible to appear on the official ballot may be reinstated by filing the petitions such as are required by new political parties.

Bulldog Cagers Win Opener From St. Mary

Will Begin Conference Play Friday Evening in Contest at Dundee

Chelsea Bulldogs won a hard-fought decision from Jack-St. Mary Friday night.

The Bulldogs opened the 1965-66 season at Chelsea. It was also first game of the season for Jackson Celts.

On Monday night the Bulldogs will begin conference play when they travel to Dundee. Dundee won first game by defeating Tecumseh 79 to 77, in overtime with Kroege scoring 30 points.

An overly aggressive defense accounted for many Bulldog fouls in Friday night game, according to Coach Terry Pokela.

By halftime David Clark and Tom Wojcik had accumulated four fouls each, while Tom Wojcik and Salyer were nursing three fouls. Houle and Wojcik actually fouled out. Clark and Salyer played the entire second half without netting the fifth

William Wenk Wins State 4-H Key Club Award

William Wenk, son of Mr. and Mrs. Ernest Wenk of 2838 Fletcher Rd., was one of seven Washtenaw County 4-Hers to receive a state-wide Michigan Key Club award as part of the county 4-H Achievement Program.

The framed honor certificate and gold key recognized significant leadership in local and county 4-H organizations.

Winners were selected on the basis of a point system that gives weight to project work, judging and demonstration events, office holding and participation in a variety of other 4-H events.

Wenk, member of Rogers Corners Herdsman 4-H club, is studying general agriculture at Michigan State University in East Lansing, where he is a freshman.

Council Briefs

The Rev. John Fall of the Chelsea Methodist Home gave the invocation at the Dec. 7 meeting of the Village Council.

The meeting was called to order by President Pro-Tom Vincenz at 8 p.m. in the Municipal Building.

Discussion was held on the petition submitted by Lynn and Hilda Kern and Donald and Alice Knoll for possible annexation of land located to the south of the present village limits. Council will take matter into consideration and an informal hearing of the interested parties will be held at the regular session of the Village Council on Jan. 4, 1966. A committee was appointed to investigate.

Request was entered for village water service outside the present village limits. Village policy dictates that no water can be sold outside the municipal limits. The request was not granted.

A petition was submitted by the Chelsea School District requesting annexation for the site of the North Elementary school to the village.

Trustee Chapman informed the Council that a two-inch water service has been installed under M-22 to Pierce Park to allow for proper flooding of the ice skating rink.

A discussion was held regarding the purchase of new Christmas decorations recently installed on Main St. Total purchase price was \$395. The Chamber of Commerce requests that the village enter into an agreement to pay for one-half the total price. Motion was made to approve expenditure of \$378 as the village share of the new Christmas decorations.

Discussion was held regarding the village land fill site with no official action.

Discussion was held regarding the need for repair of the garage floor in the Municipal Building. Trustee Bollinger was instructed to proceed with any necessary repairs.

Discussion was held regarding the possible purchase of a used UHF radio unit for use in the auxiliary police car. Police Chief John Palmer was instructed to investigate.

Saturday Basketball

Basketball sessions scheduled for Saturday afternoons by the Chelsea Area Recreation Commission for high school boys not in the organized high school basketball competition will meet from 12 to 2 p.m. instead of 1-3 p.m., as originally scheduled.

Mill Creek Reservoir Plan Blasted at Water Conference

National attention focuses on the Chelsea-Dexter area today at a meeting in Washington, D.C. The National Water Conference, meeting in the Sheraton Park Hotel under the sponsorship of the United States Chamber of Commerce today heard John E. Kinney, sanitary engineering consultant from Ann Arbor sharply criticize the proposed Mill Creek Reservoir project.

His speech was delivered at 9:15 a.m. this morning, Dec. 8, on the second day of the two-day conference. Delegates were addressed by representatives of government, industries, electric companies, water resource personnel, the League of Women Voters, and other groups. James M. Guigley, assistant secretary of Health, Education and Welfare, was one of the featured speakers.

Kinney, in referring to the proposed Mill Creek Reservoir Project, said: "If you want to investigate your home area activities carried on under the guise of water management, the confusion of agencies involved would be a revelation. The blunders worn by those promoting progress at any cost might not be readily apparent but with time would be evident.

"As an example, consider the proposal now underway to place a reservoir on a creek upstream from Ann Arbor, Michigan, in the Huron River basin. This reservoir is touted to the public as providing flood control, low flow augmentation, water supply, recreation and habitat for fish and wildlife. Since everyone is promised a benefit, the public appeal is terrific.

"Ann Arbor's future water needs could be supplied by simply connecting to the metropolitan Detroit authority, but developing further surface supplies seemed more desirable to some. To get a study at no cost, as well as a vehicle to invite federal funds for construction, the assistance of the Corps of Engineers was solicited by a basin promoting committee.

"Since the Corps is limited to projects which have flood control benefits, some justification had to be devised. If the lower river channel is not widened as much as planned, and if the optimistic population forecasts are accurate for the year 2000, then it was estimated that a possible flood damage of \$245,000 a year might then be realized in the lower river. The door was opened for a 'free' study.

"Ann Arbor has secondary

treatment of sewage. The Department of Health, Education and Welfare report estimated a need of four times their reported present low flow in the river by the year 2015 to provide high dissolved oxygen downstream from the treatment plant.

"However, it seems HEW used data considered in error and the low flow is now said to be three times that reported. The Corps of Engineers is assuming no responsibility for determining the accuracy of measurements. So far HEW has not agreed to revise its report. The flow augmentation benefits are as subject to criticism as are the flood benefits.

"Only one of six possible sites has been promoted. The site covers some 14,000 acres of the most fertile agricultural land in the basin. The natural flatness of the land will result in only 2,500 acres with water more than 9 feet deep. More than 1,000 acres will have less than two feet of water.

"Some of the less desirable features are glossed over. Because this creek drains fertile farm land, the algae now in farm ponds will bloom in abundance in the shallow water. As the water level drops the algae

Bands, Choirs Plan Christmas Free Concerts

High School, Junior High Groups Will Perform Sunday, Wednesday

Chelsea school bands, directed by Bruce Galbraith and Martin Gurvey, and the Chelsea choirs, directed by Paul Schultz, will present two Christmas concerts in the Chelsea High school auditorium.

Moonlight Madness Sale Set Monday

Chelsea has, for several years past, had "Moonlight Madness" sales, which proved exceptionally popular with area shoppers. Following a similar pattern, Chelsea merchants will stage a "Moonlight Madness" sale next Monday evening, Dec. 13, from 6 p.m. until 9 p.m.

During the three-hour special event, many merchants will have outstanding specials for Christmas shoppers.

Monday, too, will be the first of the extra evening shopping hours planned for the coming two weeks, in addition to the regular Friday evenings when stores customarily remain open until 9 p.m.

Monday, Dec. 20, Tuesday, Dec. 21, Wednesday, Dec. 22 and Thursday, Dec. 23, stores will remain open until 9 p.m.; however, on Friday evening, Dec. 24, which is Christmas Eve, the stores will close at 6 p.m. The regular closing hour Christmas Eve has become a tradition in Chelsea.

Post Office Adds Extra Hours for Two Saturdays

Postmaster Richard Schaules has announced that the Post Office will be open until 5 p.m. on Saturday, Dec. 11, and Saturday, Dec. 18, for the convenience of patrons.

The postmaster suggests that mail of all kinds be brought to the Post Office early in the day. This is important throughout the year, but is particularly so during the holiday rush.

Patrons also are asked to separate their Christmas cards in bundles for out-of-town and local delivery and use the special labels provided by the Post Office to mark each bundle. The stamped envelopes should all face the same way in the bundle.

The postmaster is asking that all outgoing mail include the local ZIP Code in the return address. "This is the best time of the year to update mailing lists. Remember to check the ZIP Codes on all incoming mail and add them to your address book.

Next Sunday, Dec. 12 at 3 p.m., the ninth grade band, the High school choir and the High school band will perform the first of the Christmas concerts.

A brass quartet under student director Mike Punderbough, including Tim Meiningers, John Collins and Ralph Johnson, will be featured.

In addition to several traditional Christmas selections, the High school choir will present four Celtic carols, including a Welsh, Irish, Scottish and Cornish selection.

Included among the concert band selections will be the overture to Handel's "The Messiah."

The choir and concert will combine in a performance of "The Christmas Story."

Wednesday evening, Dec. 15 at 7:30 p.m., the Junior High school concert will take place. Featured are the sixth grade chorus, the seventh grade bands, the select seventh and eighth grade choir and the eighth grade band.

A brass ensemble will perform "Take Courage" by Bach. Members of the ensemble are Linda Robbins and Anita Marzetta.

The sixth grade chorus will be accompanied by Mrs. William Tite and in one selection, "Fum, Fum, Fum," the chorus will be accompanied by three flutists, Karen Johnson, Jackie Schiller and Toni Weller.

Soloists for the Junior High select choir include Jill Flintoft, Pat Stoffer, Lisa Sharrard, and Susan Blaess. The soprano descant in "Alleluia, Christ is Born," by Williams, will be sung by Pat Gilbert, Lisa Sharrard and Gayle Winans.

A free-will offering, to be used by the students for a project of scholarships, will be taken following the concert.

Stockbridge Youth Fined for Assault At Cage Game

Day Livingston, son of the Rev. and Mrs. Robert A. J. Livingston, lost two teeth Friday night when he was assaulted during half-time of the basketball game at the High school.

A complaint, signed by Supt. Charles Cameron, was filed against Van Fletcher of Stockbridge, according to Chelsea Police Chief John Palmer.

CUSTOMER SATISFACTION: George Staffan, sales executive on behalf of G. A. Sales Service, "for having established a continuous program of action designed to maintain a high level of customer satisfaction." The award, from P. M. Schminster, vice-president of Chrysler Corp., was presented by A. D. Imber, district sales manager of Chrysler (on right) and Tony Burowski, Chrysler Plymouth customer relations manager (on left) on Friday, Dec. 3. This is the first year G. A. Sales & Service has received such recognition.

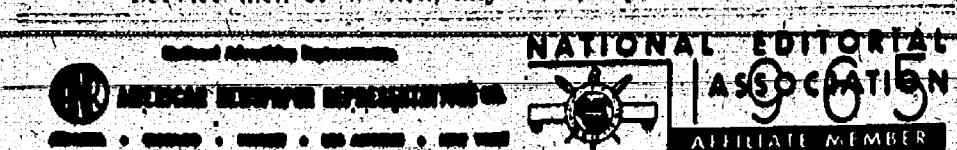

SILVER BRAVER AWARD: Harold "Bill" Baker, Scoutmaster of Chelsea Troop 476, models the coveted Silver Beaver medal presented to him at the annual Fellowship and Appreciation Dinner of the Portage Trails Council. The Portage Trails Council is composed of Washtenaw and Livingston counties. The award is the highest honor the Scout Council can bestow upon an adult scout leader. With Baker is his sister, Mrs. Vincent Stahl.

Undefeated Junior High Gridders Feted at Dinner

Teamwork was the emphasis of a dinner at which members of the undefeated Junior High school football team were feted. The dinner was furnished and prepared by the Future Homemakers of America, under the direction of Mrs. Doris Lehman, home economics instructor.

Boys and guests, 52 in all, were served at the Dec. 2nd dinner in the Junior High school home economics room.

Attending in addition to members of the team and coaches Bert Kruse and Tom Morrison were Mrs. and Mrs. Charles Cameron, Mrs. and Mrs. Alan Conklin, high school football coach Jack Carl, Mr. and Mrs. Martin Gurvey, and Mr. and Mrs. Bruce Gal-

breith. Junior High cheerleaders also attended.

Couch Carl showed movies of the 1965 high school football games and made observations on different plays.

Music directors Gurvey and Galbreith presented a dialogue between two radio announcers.

Members of the team were presented with certificates of recognition as members of the football team. Boys presented coaches Kruse and Morrison with autographed footballs.

The dinner menu included creamed chicken on a biscuit, mashed potatoes, peas and carrots, molded salad, relishes, ice cream and cake and coffee.

MICHIGAN MIRROR

No New Tax Yet
 Greener pastures do not always lie in the other former's field, notes Robert E. Smith with authority.

Smith is the associate legislative counsel for the Michigan Farm Bureau, which regularly keeps its members informed of government matters of interest.

"We as citizens of a county or state such as Michigan often think that we are the only ones plagued with constantly increasing taxes or with governmental fiscal problems," relates Smith.

The fallacy in this thinking was brought to Smith's attention by the Michigan Revenue Department, frequently the brunt of verbal blows from the citizenry.

Officials report that nearly two-thirds of the 50 states adopt new state taxes or increased existing tax rates this year.

Tobacco taxation was increased in 22 states; nine states raised gasoline taxes; sales and use tax changes were enacted in eight states; and two states passed new water laws.

Income tax levies in nine states and six instances of hiked alcoholic beverage taxes were recorded.

Income tax activity, of course, has been of serious concern to Michigan residents in recent years because of legislative consideration of this method of taxation.

The Revenue Department notes that 3 states now have individual state income taxes. Some 24 of these also have a sales tax in effect.

One state enacted an income tax this year, but the Nebraska law is "presently subject to further action" at this time, reports the state department.

Michigan may be arriving at a point where the legislature cannot reasonably enact a state income tax, the Department statistics indicate.

In other states, such as Ohio, the lawmaking bodies have learned that a state-wide income tax levy is impractical when many cities use this form of revenue raising.

In Ohio about 100 cities have an income tax.

Presently in Michigan, the cities of Detroit, Flint and Hamtramck have collected income taxes. The cities of Warren and Highland Park expect to collect on personal income next year, barring any public referendum. Saginaw also has been authorized to collect an income tax.

Several other cities are considering this form of taxation. The legislature may find itself pre-empted from this form by its own lack of action if other large cities follow suit.

Better Transition
 Long an advocate of the liberal school of correction methods, State Corrections Director Gus Harrison will start a new program next year to help prison inmates adjust more quickly to normal life after release.

Harrison recently announced a plan whereby model prisoners in all state institutions under his jurisdiction might be allowed the opportunity to be part-time members of society.

The plan calls initially for placing a small group of model prisoners who are near the end of their terms in jobs on the outside during the day.

Emphasis in Harrison's announcement of the program was on the fact that these would be model prisoners, only those men

believed to be good social risks. "Any inmate who has not established a good institutional record or who has a poor attitude, or is deviated in any way will not be considered," he said.

This, no doubt, is designed to assure members of communities near prison institutions that there will be no danger to them or their families caused by the day-work plan.

In order to be effective, of course, Harrison also must find employers with jobs available close to the various institutions who are willing to start the model prisoners on the road back to responsible living. The emphasis on the type of men to be used in the program should not be lost to the businessmen experiencing labor shortages.

PEAK FEDERAL SPENDING
 During its 1965 session, Congress approved \$119,300,000,000 in Federal spending. This sum was exceeded only by the \$147,000,000,000 voted in 1942, the first full year of World War II. Congress cut only \$2,400,000,000 from the President's requests.

Save labels from ready-to-wear clothing you buy. Write the name and color of each garment on the label, then file it for easy reference when it's time to launder or dry-clean the garment. The label gives information on the care the clothing needs.

24 Years Ago...
 Thursday, Dec. 4, 1941—According to figures compiled by Supervisor Fred G. Broesamle, the tax rate in School District No. 3, Fr. Sylvan and Lima, is lower this year than it has been for at least 35 years.

A new modern fire truck has been ordered by the village from the American Fire Apparatus Co., Battle Creek. The new truck carries a 400-gallon booster tank which is a great advantage in fighting rural fires.

Rumors that Chelsea's water supply is contaminated and that its use was to be prohibited by the State Department of Health have been circulating in Chelsea. The county Health Department reports that a small amount of contamination has been found due to the installation of new equipment, but that chlorine treatment has been given to eliminate the slight contamination.

Donald Baldwin, Wilma Paul, Robert Freysinger, Marlene Heydlauff, Deloris Elsemann, Douglas Vogel, Jim Miller, Junior Niehaus, Billy Lyons, Richard Carlson, and Minnie Mae Platt are portraying the character in "Thirty Minutes With Santa Claus," the Chelsea public grade school annual Christmas program.

Letters were awarded to the following members of the football squad: L. Dietle, C. Lane, Junior Miller, C. Downer, D. Gadd, R. Kern, T. Lyons, J. Merkel, S. Policht, R. Strieter, D. Poor, Junior Gross, M. Schiller; and reserve awards went to J. Gaken, H. Orbring, J. Weir, R. Walx, A. Modak. Managers' awards were presented to L. Policht and C. Slane.

The awards were presented at the annual football banquet sponsored by the Kiwanis Club.

Deaths this week include William Mohrlock, Mrs. Mary Wiedmayer, Lt. Col. P. T. Carpenter, Mr. and Mrs. John Bruestle, former area residents, will observe their 58th wedding anniversary Saturday.

14 Years Ago...
 Thursday, Dec. 6, 1951—The Rev. John Fontana, pastor of St. John's Evangelical and Reformed church, Rogers Corners, resigned his post as pastor. His resignation concludes nearly 59 years that he has served in the ministry. He served the Rogers Corners church since December, 1937.

Jack Patrick of Grass Lake died Friday of injuries received at the Jackson Concrete and Pipe Co. Funeral services were held during the past week for Mrs. Delbert Howe and Mrs. J. Greve.

Manchester went down to defeat before the Chelsea carvers, 85 to 25, Friday night.

Arnold W. Lehman was elected worshipful master of Olive Lodge 156 F&M.

Mrs. Henry Orbring accompanied her son, Sheriff's Deputy Edgar Orbring, to Tucson, Ariz., where he was sent by the Sheriff's department to pick up Mrs. Hazel Orbring, the Pickney woman who has been charged with forgery.

34 Years Ago...
 Thursday, Dec. 3, 1931—Mr. and Mrs. Joseph C. Dreyer delightedly entertained 28 guests Saturday evening, Nov. 28, at their home, 322 Jackson St., in celebration of their 20th wedding anniversary.

Chester Miller, Jay Weinberg, Donald Dancer, Carl J. Mayer, Clarence W. Maroney, George F. Ravlier, George Atkinson, L. R. Shaver, Bruce I. Plankell and Rex Richards have been elected officers of the Masonic Lodge 156 F&M.

Mrs. Florence Rhodes gave a bridge party last Wednesday evening, in honor of Mrs. Henry Glazier, who with Mr. Glazier and her children, is moving to Chicago to make her home.

The Chelsea High school band will present a concert at the Methodist church on Sunday evening. Included on the program will be a trombone duet by Della Eschbach and Frederick Strieter and a saxophone and clarinet duet by Eunice Hart and Olen Hart.

Merkel Brothers have just rearranged their store with new shelving on the north side of the building and the display counters made more convenient for showing their merchandise.

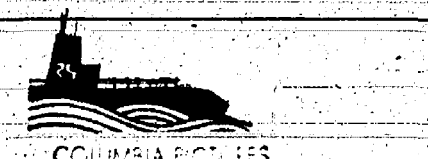

Mrs. Minerva Stofor was guest of honor at an enjoyable family party on the occasion of her 82nd birthday on her son, Homer Stofor, was also celebrated. Mrs. Stofor has lived on her present farm since moving here 53 years ago from Ohio.

Enrollment Lags In Recreation Classes for Youth

Only 501 grade and high school students registered for the Saturday recreation program under the direction of the Chelsea Area Recreation Commission, Director Alan Conklin reports.

He said students who are interested may still register for the 15-week programs. The registration is far below the numbers enrolled in a similar program last year, he said.

In the fourth through eighth grade boys basketball classes scheduled from 10 to 12 a.m. in the high school gym, 32 boys paid and registered. Girls in the same age group meeting for a physical education program in the high school gym from 1 to 3 p.m. numbered 16. Eleven boys registered in the high school non-varsity boys basketball program which meets in the junior high school gym.

The time for the high school non-varsity boys basketball program has been changed to 12 noon to 2 p.m. The class originally was scheduled for 1 to 3 p.m.

Director Conklin added that the modern math for parents class has been indefinitely postponed until after the holidays. The class will begin Jan. 5, and interested persons may register by calling the Junior High school (475-5151) before the first class. The Junior High school will be closed between Dec. 18 and Jan. 3 because of the Christmas vacation.

The math class will meet at the North school, Robert Benedict will teach the class.

DEXTER TOWNSHIP ZONING BOARD
 Stanley Policht, Secretary

Uncle Lew from Lima Says:
 DEAR MISTER EDITOR:
 The fellows at the county store Saturday night was thrown into a state of panic when Zuke Grubb came in and announced he was janking his 1960 pickup truck and writing himself a new 1966 model.

Ed Dozille allowed as how Zuke was a good example of how come more folks stays poor. Always getting in back to the banker to get something new ever time it come out. Furthermore, Ed was of the opinion Zuke was just trying to get more status in the community and didn't need no new truck at this time.

Clem Webster of the Great Society was defending Zuke, said it was folks buying things they didn't need that was keeping the economy of the country at a high level. He recollected how President Johnson had took some tax off'n automobiles and advised the people to spend this savings immediate so's to keep the money flow going steady.

Josh Clodhopper was agreed with Clem, said if a feller wanted to keep his status he had to git a new wife about ever two year. And Josh claimed, if a feller couldn't afford both, it was better to git the car on account of the new safety gadgets they was putting on 'em. They wasn't much safety in a new wife, allowed Josh, but they got cars nowadays that'll tell you how much air you got in your tires and if the law was behind.

But Ed, incidental, that has started blaming his roommattin' and pore eye sight on the Democrats, wouldn't give up. He said Lady Bird was trying to git rid of all the junkyards and here was Zuke messing up the scenery with janking his old truck. Ed claimed that, actual, what they was doing was paying folks to git 'em back off the highway and the Government was paying fer trees and bushes to set out along the road so's people couldn't see 'em. And he claimed the tax Lyndon took off'n cars didn't amount to nothing on account of taxes in the Great Society was like moleholes. When one gits stomped down in the front yard two more pon up in the back yard.

Personal Mister Editor, I would have to vote fer Zuke gitting his new truck. The national economy is now geared to the merry-go-round system and we got to keep it going round and round to keep the roof from falling down.

I was reading in the papers last week where the Republicans had made a survey, and found where a \$10,000 life insurance policy was losing about \$60 worth of buying power ever month. But if the Democrats would make the same survey they would come up with a different set of figgers. They would show we was going to live a heap longer in the Great Society and didn't need no insurance. A feller just pays his taxes, Mister Editor, and hopes for the best.

Yours truly,
 Uncle Lew.

There must be reasons. Sure!

Name ten. OK:

1. All these comforts are available: steering wheels that tilt or tilt and telescope; AM/FM Multiplex Stereo radio, first ever offered in cars; and Strato-bucket seats (ie give you just a sampling).
2. Comfortion automatic heating and cooling you can order—just dial the temperature and turn it on. Comfortion automatically keeps you comfortable no matter what the weather outside.
3. More engine choices—the widest horsepower range available: the 425-hp Turbo-Jet V8 Chevrolet and Corvette to a 90-hp Four in Chevy II.
4. Body by Fisher—Craftsmanship by the world's best known coachmakers with everything from luxurious interiors to the long luster Magic-Mirror acrylic lacquer finish.
5. Self-cleaning rocker panels flush out salt and other corrosives with rainwater, dry themselves with outside air—another way Chevrolet takes extra care so you needn't bother.
6. A hushed and gentled ride with body mounts designed to isolate vibration better and shock absorbers matched to body style—coupe, sedan, convertible, wagon.
7. America's only rear-engined car, Corvair, with more weight over the driving wheels where you need it and less on the steering wheels where you don't.
8. America's only true sports car, Corvair, with fully independent suspension, four-wheel disc brakes and engines you can order up to 427 cubic inches.
9. Higher resale value—Chevrolets traditionally are worth more at trade-in time because more people want Chevrolets... new or used.
10. All these safety features standard now: seat belts, front and rear padded dash and sun visors, outside mirror (use it always before passing), shatter-resistant inside mirrors, speed electric windshield wipers for better visibility in a downpour, windshield washers, back-up lights.

(Continued from page one)

Mary scored five of 14 foul shots while the Bulldogs added six nine tries. The first quarter ended with the Bulldogs holding a 20-19 lead. Tarasow scored 10 of 14 Bulldog points.

St. Mary outscored the Bulldogs 18-7 in the second quarter play, this holding a 32 to 27 time lead.

After half-time adjustments, Bulldogs went into a full-zone press in the third quarter. The hard defensive play of Bulldogs took its toll as the Bulldogs committed many foul shots without an opportunity to stop the Bulldogs.

The Bulldogs tied the game at about five minutes remaining in the third quarter and continued to move ahead while St. Mary could not get a surge going. Jeicki scored eight straight points in this quarter and Clark added seven more to place the Bulldogs back.

The fourth quarter opened with the Bulldogs leading, 50 to 40. The lead continued as fouls to Wojcieki and Orbring and Mary eagerness Smith and Scheld of the game. Smith, who stands 6'4", made himself felt under a basket, with his rebounding shooting, while Scheld, who stands 6'2", was gathering more than 100 rebounds.

Dan Parsons and Bill Harvey, who were in the final minutes, with Parsons showing poise on defense and offense those crucial seconds. Harvey, who is 6'11" and weighs 195 pounds showed the effects of a week-long absence from practice because of deer hunting.

The more than adequate Bulldog substitutes in the fourth quarter of the game stretched the point lead at the beginning of the quarter to six before the extended. Tarasow and Clark scored 13 of the 16 Bulldog points in the fourth quarter.

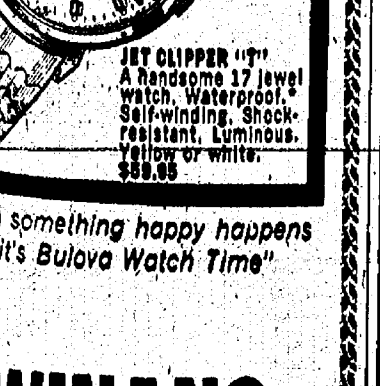

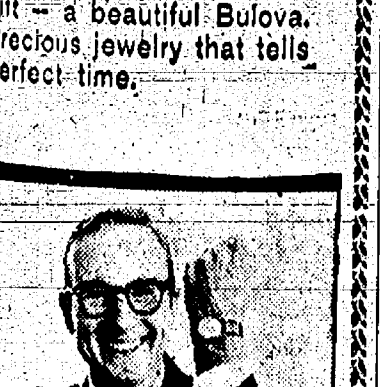

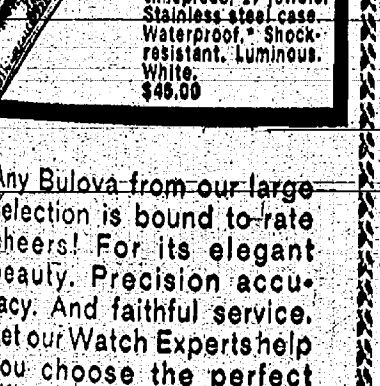

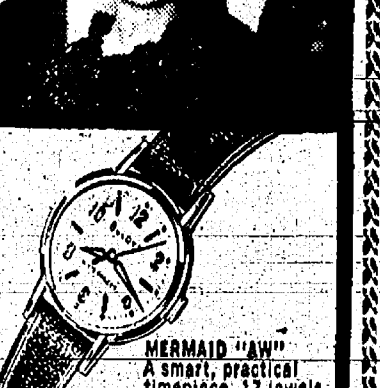

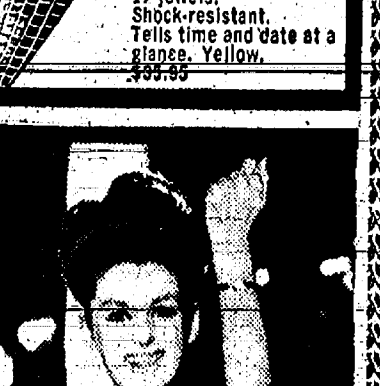

Pekela summarized Tarasow and Wojcieki's performance as strong, and the performance of the other two positions as not adequate. He said that the Bulldogs have better bench depth than he had anticipated, but the team would not work shooting. The team shot a percent game as compared with St. Mary's 42 percent. Senese fouling must also be eliminated, he added. The Chelsea game showed more defensive hustle than any games over the past 10 years, he concluded.

Scorers for Chelsea, in addition to those already mentioned, were Jim Orbring, three points; Dan Parsons, two points; and Flintoff, one point.

Dan Scheld scored 11 points for St. Mary. Terry Conklin scored 15. Jim Smith added 18. Knoll, seven; Tony Benson, four; and Terry Robe, four.

COUNTY 4-H AWARD WINNERS: From left, Becky Van Riper, recipient of a flower gardening medal; Jill Lantis, knitting medal winner; Rod Powers, awarded swine and woodworking medals; and Robert Koenig, an electric medal award recipient, were four of 13 Chelsea-area 4-H'ers presented with top county honors. The awards went to top 4-H club members in each 4-H project area. The county 4-H Council selects recipients on the basis of their over-all 4-H records and activities throughout the year. Recipients must be between 12-14 years old.

CHS Students Attend Youth Legislature

Seven Chelsea high school students attended the 17th Annual Youth Legislature for Michigan in Lansing Dec. 2-4. Those attending are Tom Scholten, Dave Blass, Tim Meininger, Neil Packard, Chuck Patrick, Jim Hazler, Ted Ewald, Miss Marcella Pollock, junior and senior high youth program director at the Young Men's - Young Women's Christian Association of Ann Arbor, accompanied the group. Nearly 300 teen-age leaders were present for the opening of the mock legislative meeting Thursday evening. Governor George Romney addressed a joint session of the group on the second day. The legislative sessions followed the standard procedures of the regular law-making bodies. Committees studied and reported bills onto the floor for debate and final passage. The youth leaders elected by a majority vote of their fellow student legislators were Andrew Marks, 1014 College, Mt. Pleasant, governor; James Gourley, 12806 Montrose, Detroit, Lt. Governor; and Jon Greening, 1025 Vassar, Alma, speaker of the house. The elected officials assumed their new roles with the opening session Thursday evening. The following were elected to fill out the administrative board at various pre-legislative training sessions: Shari Woylford, 207 Elm, Flint, Midland, attorney general; James Sudberry 801 N. Cedar Rd., Manton, president pro-tem of the Senate; Carol Holmstedt, 2208 Riverside Drive, Port Huron, secretary of the Senate; and Robert Karmann, 15888 Ohio, Detroit, speaker pro-tem of the House.

Area 4-H Club Activities

WIDE AWAKE
The meeting of the Wide Awake 4-H club was called to order Saturday afternoon by president, Char Powers. Flag pledges were led by Marilyn Linderer. For roll call, each person told what her personal improvement goal was. There was an attendance of 19. Projects were discussed regarding what members could do for the needy and for Colonial Manor Nursing Home. Names were drawn for gifts, the price for them will be 15 cents to \$1. The club's Christmas party will be on Dec. 18 at the home of Jeanne Hinderer. Demonstrations were given by Karen Sullivan and Jeanne Hinderer. Refreshments were served by Elaine and Eileen Brille and Tina Oetting. Recreation was in charge of Char Powers while junior leaders met to discuss the Christmas party. Rhonda Kern, secretary, Substitute Today to The Standard.

BUSY BLUEBELLES
Busy Bluebellies 4-H club held their monthly business meeting at the home of Jane Kalmbach on Dec. 4 at 1:30 p.m. Members drew names for the Christmas party which was planned for Dec. 21 at 7:30 p.m. at the home of Mrs. Edwin Lantis. Three members were chosen to be on the clean-up committee: Theresa Bassett, Mary Wood, and Carol Warywoda. Members plan to sing Christmas carols in the lobby of St. Joseph Hospital and distribute gifts to the children on Dec. 22 at 1:30 p.m. Demonstrations were given by Helen Wolski and Jane Kalmbach on how to give a good demonstration. Sue Broesamle and Roberta Dvorak gave a demonstration on types of fabrics. Mrs. Lantis will hold a work meeting for the hospital at 2 p.m. on Dec. 11. Helen Wolski, reporter.

Mill Creek Reservoir Plan Blasted at Water Conference

(Continued from page one)
The city water supply and the city water supply expect continuous taste odor problems, such as it experiences in spring and the mud flats will provide excellent mosquito breeding grounds.
The greater significance, however, is the limitation on the Corps of Engineers which orients consideration towards flood control. This bias does not allow a total and impartial assessment of the area's economic and social needs.
Regardless of the term 'multipurpose,' incompatible purposes

such as flood control or low flow augmentation and recreation cannot be best served by the same reservoir. In a given area several single purpose reservoirs could be vastly more effective. Yet, the Corps of Engineers' mission denies this possibility. And, in addition, the value of land as a resource must be considered as a comparable significance in satisfying future area needs. Reclamation land in terms of today's markets, and water in terms of value 100 years hence, is less than reasonable.
"Objection by the farmers to the loss of their land is considered as selfish by many concerned solely with the dire forecasts of future water shortages. However, we cannot continue to dismiss alternatives to basin needs simply because groups employ the tactics of Lucy and either dominate decision or destroy objection by scornful comment."
(The reference to Lucy in the last paragraph refers to a character in the syndicated comic strip entitled "Peanuts." Kinney refers to Lucy as the epitome of a person with preconceived ideas and desires who will not be dissuaded by logical objective arguments.)
Kinney attributes the "ever increasing pandemonium" in water management to a lack of competent leadership and arguments over ill-defined goals.
To correct the situation, Kinney suggests that scientific water resources investigations be kept separate from the equally important functions of law enforcement, regulation and capital construction; that the Executive branch of the government accept the responsibility of establishing a more reasonable balance in the budget among the various needs for research, investigation and construction; that Bureau of the Budget learn how the "costly" comprehensive planning by HEW and the Corps of Engineers is being deliberately bypassed by HEW in order

to establish precedent and authority, under the guise of pollution control," before the comprehensive surveys are concluded; the technically competent should assert professional status by assuming responsibility for recommendations in difficult decisions; and political and technical leaders should define specific goals and guidelines.
Michigan's poultry industry consumed more than 430,000 tons of feed last year. This meant a dollar volume of 35 million for Michigan feed mills.

COVETED SCOUT AWARDS, known as the Boy Scout Silver Beaver Awards, were presented by Circuit Judge James R. Breakey, Jr. (on left), to left to right, S. J. Elden of Ann Arbor, Lyle M. Munnell of Howell and Harold "Bill" Baker of Half Moon Lake. Judge Breakey, a past recipient of the award, made the presentations at the Portage Trails Council's annual Fellowship and Appreciation dinner at the Michigan Union Nov. 30. The coveted awards, the highest a Boy Scout Council can bestow upon adult Scout leaders, were given in recognition of long and devoted service to boyhood. Baker is Scoutmaster of Chelsea Troop 476, sponsored by the Chelsea Kiwanis Club.

NFO Convention Told of Farm Marketing Progress

Charles Hayes, Milan, county National Farmers Organization president, returned from the two-day national NFO convention in St. Louis, Mo. held Dec. 1-2, 10,000 voting delegates from 25 states attended the convention. The theme of the convention was "Successful Bargaining, the NFO Way." The organization has members from Florida to Idaho, from New Jersey to Colorado.

"The work of the members of the National Farmers Organization has been instrumental in this achievement. With continued support, our productive family farm system can successfully respond to the agricultural challenges of our times. Lyndon B. Johnson, President of the United States, temporary White House, Johnson City, Tex."

County President Hayes said that "the convention unveiled proof that NFO marketing arrangements have netted an advantage to member farmers over and above the market improvements everywhere. NFO bargaining has accounted for \$4 per cent of the price rise in hogs and \$2 per cent of the price rise in cattle. We predict NFO programs to yield similar results in grain and dairy."

Highlighting the convention speaking program were Congressman Paul Findley (R-Ill.) U. S. Senator Riech-Bayh (D-Ind.) and Senator Ralph Yarborough (D-Tex.)

National NFO President Oren Lee Staley, returned to office by acclamation for the 11th consecutive year, told the convention that six of the nation's 15 largest processing firms are accepting meat from NFO under marketing arrangements.

Staley read a personal telegram at the convention from President Lyndon B. Johnson, which in part said, "The farmer is wrapping up his best year since 1952. His success represents our nation's signal progress toward the parity of income-progress which will continue in the years ahead and on through the decade."

Assault Case
(Continued from page one)
Peace Chandler Rogers that he had overheard Fletcher making arrangements for a fight with a third party and reported it to the teacher in charge, Richard Dussan. Moments later, Fletcher confronted Livingston and asked him why he sent for the teacher. Livingston said he told Fletcher that the reason he sent for Dussan was because he liked the school and didn't want fights to spoil its reputation or inexperienced kids to get hurt. The Livingston said Fletcher suddenly hit and knocked him down.
When Mr. Dussan was informed of the assault, he stopped and held Fletcher until Police Officer Earl Willis booked him on charges of simple assault.
Fletcher was fined \$45 plus \$5 cost or seven days in jail and was locked up in jail for the night, according to the local police department.
Promises are easier to make than to fulfill, but people continue to make them carelessly.

CARD OF THANKS
We wish to extend our heartfelt thanks and appreciation for the many acts of kindness, messages of sympathy and beautiful floral offerings received during our recent bereavement.
The family of
Kenneth (Pete) Carty.

THANKS
I would like to thank my neighbors and friends for all the courtesies bestowed on Roy and me during my stay in the hospital and since my return home. The beautiful flowers, cards, candy and food, the many visits and calls and the many prayers offered on my behalf were very much appreciated. A special thanks to the Rev. Siebert and St. Paul's church and the Rev. and Mrs. Johnson.
Mrs. Roy Koch.

THANK YOU
We wish to extend our thanks to Harvey and John Liksey, Al Keizer, K. R. McMannis and Frank Klobuchar for assuming the responsibility again this year of erecting the Crib in the downtown area.
St. Mary's Altar Society.

THANK YOU
My sincere thanks to the many friends who visited me during my hospital stay either in person or through the medium of phone calls, cards and gifts. Because of your thoughtfulness, the long days passed quickly and the thought of your kindness cheers me during my continued convalescence at home.

DEATHS

John W. Metzger

Dies Saturday at Hospital Following Brief Illness

John W. Metzger, who lived at 176 E. Summit St. in Chelsea until early this year, died at University Hospital Saturday afternoon after a brief illness. He made his home with his son, Gerald A. Metzger, at 159 Rosewood in Ann Arbor. He would have been 81 on Sunday. Born Dec. 5, 1884, in Kent county, he was the son of Eberhart and Anna Conant Metzger. He was married to Cora Widmayer on Feb. 12, 1914. Mrs. Metzger preceded her husband in death on Jan. 17, 1955.

They had farmed in the vicinity and moved into Chelsea in 1937 where Mr. Metzger was employed at the Federal Screw Works until his retirement in 1952.

Surviving is the son, Gerald of Ann Arbor, with whom he made his home. Other survivors include two sisters, Mrs. Luci Underhill of California and Mrs. Elsie Wheeler of Remus, and six brothers: Paul, of Pierson, William of Gaylord, Albert of Lansing, Carl of Lake City, Charles of Bailey and Raymond of Sturgis.

Mr. Metzger had been a long-time member of St. Paul United Church of Christ in Chelsea and recently transferred his membership to the Church of the Good Shepherd in Ann Arbor. Funeral services were held at 1 p.m. Tuesday at the Burghardt Funeral Home with the Rev. Richard E. Crusius officiating. Burial followed in Oak Grove cemetery, Chelsea.

Herbert McIntee

Waterloo Area Resident Dies at Ann Arbor Hospital

Herbert McIntee, 76, died Dec. 2 at St. Joseph Mercy Hospital in Ann Arbor, where he had been a patient since Nov. 15.

For the past two years he made his home with his sister, Mrs. Howard Collins, 111 Maple St., Stockbridge. With the exception of the past two years, he lived his entire life at 9850 Beaman Rd., Lyndon township, in the Waterloo area. He was born there on Aug. 11, 1889, the son of Eugene and Mary Morgan McIntee.

He was a member of St. Mary's Catholic church of Chelsea and the Farm Bureau.

His sister, Mrs. Collins, is the only survivor. Three sisters and one brother preceded him in death.

The Rosary was recited at the Staffan Funeral Home on Friday evening. Requiem high mass was sung at St. Mary's Catholic church on Saturday with the Rev. Francis Maliszewski officiating. Burial followed at Mt. Olivet cemetery, Chelsea.

JVs Lose

The Junior Varsity lost its first game of the 1966-67 season on Dec. 3 to Jackson St. Mary, 60 to 53.

A slow starting first half saw the JV's trailing 37 to 20 at half-time. Coach Fred Mills was encouraged with the team's second half performance in which the Little Bulldogs outscored their opponents, 33 to 29. He commented that a series of mistakes which led to the loss of the ball and some difficulty in finding the range on the basket are areas in which the JV's must improve. However, the Little Bulldogs out-rebounded the larger St. Mary team 51 to 41.

Jack Risner led the Chelsea attack with 19 points. Larry Gaken added 10. John Lixey 9. Ken Blaess 4. Dan Clark 4. Brian Policht 3. Jim Lyerla 2. and Jim Boham 2.

Risner also led the Bulldogs in rebounding with 14, while Lixey pulled down 13. Gaken 9, Lyerla 7, Clark 7, and Don Henry 1. Members of the 1966-67 Junior Varsity squad are: John Lixey, Larry Gaken, Jim Lyerla, Brian Policht, Jim Boham, Jack Risner, Mike Lehmann, Gary Larson, Louis Deloy, Ken Blaess, Don Henry, Dan Clark and John Freeman who will join the team after an injury to his wrist mends.

Fire Hits Tool Shed on Beeman Farm

A tool shed caught fire early Monday morning at the Leigh Beeman residence, 16610 Waterloo Rd., but firemen from the Chelsea Fire Department brought the blaze under control before extensive damage had been done.

The fire was discovered by a neighbor, Clarence Foster, who noticed the burning building and awoke the Beemans. The alarm was turned in at 5:39 a.m.

Three fire trucks were dispatched to the scene, according to Fire Chief James Gaken, who said the fire apparently started near the location where electricity enters the building in the rear corner of the central portion of the shed.

The structure has a central two-story section with one-story wings on either side. Chief Gaken said the fire burned the south end of the building and spread to the second floor, which was completely destroyed.

A spinning wheel and other antiques stored in the building were destroyed by the flames, Mrs. Beeman said, but all the machinery in the bottom section was saved. A nearby barn and the house were also unharmed by the fire.

No estimate has been made of the damage Mrs. Beeman said that the building was insured.

HOSPITALIZED
George Doe was taken to St. Joseph Mercy Hospital in Ann Arbor on Dec. 8. He is in room 378.

Committee Plans Ways To Publicize Project 74 Goals

Mrs. Dudley K. Holmes and Mrs. Alfred Mayor attended a Project 74 luncheon meeting at the Ann Arbor Women's City Club as the guests of Mrs. William Riefel on Friday, Dec. 8.

Also present at the luncheon were Mrs. Robert D. Vinter, director, Mrs. Josselyn Van Tyne, chairman of Project 74, and Mr. Peter Olmsted of Ann Arbor. Mrs. Warren Huff of Plymouth, Mrs. Franklin Reck and Mrs. D. D. Ludwick of Manchester, Mrs. Campbell of Milan and Mrs. Robert Merchant of Saline, Mrs. Vinter and Mrs. Van Tyne discussed the progress of the study being made for Project 74, an animated discussion and exploration followed by all present as to the best way of presenting the facts found by these objective studies.

Project 74 is a two-year study aimed at finding the most efficient way of handling the greatly increased number of dependent, neglected and juvenile delinquency cases in the county.

Judge John M. Conlin and the staff of the Juvenile Division of the Probate Court are today try-

'Portraits of Mexico' Film Scheduled Saturday Evening

The third in the current series of "Travel and Adventure Series," sponsored by the Kiwanis club, will feature Curtis Nagel with his latest film production, "Portraits of Mexico." The program will be presented at 8 p.m. Saturday in the Chelsea high school auditorium.

"Portraits of Mexico," an all-color motion picture described as "100 minutes of 100 unforgettable colorogue delights of the Land of Enchantment," Mexico, itself, is described as one of the most fantastic, historical and scenically magnificent countries of the Americas. It is the land of conquest, a land of contrasts and a land of color. This travel-film program brings the unique customs and costumes to the screen, in addition to the incomparable Mexican music and dances.

CURTIS NAGEL

In Mexico City are found the old and the new, including: Zocalo Square, the Paseo de la Reforma, one of the world's most beautiful boulevards, the Monument of the Republic, the Avenida Juarez with the soaring Latin American Tower. A Sunday afternoon is pictured at the Rancho Chargas showing the Horse Ballet.

Other memorable highlights include the ancient Indian Pyramids of the Sun and Moon at Teotihuacan, the snow-capped peaks of Popocatepetl and Ixtaccihuatl, Puebla one of Mexico's most Spanish cities, Mitla and its exotic ceremonial sun-dancers, Taxco—silver-

city, and much, much more.

Curtis Nagel was born in Boston, Mass., and now lives in Los Angeles, Calif. He became associated with the then new Technicolor Co. and worked on many of the pioneer films of that process. Later he produced more than 15 theatrical color films for Educational Films, Paramount and 20th Century-Fox. Nagel was co-producer of the epic film "Tabu," which won an academy award.

Turning from theatrical productions to the travelogue field, his productions have continued to win awards. Over the past few years he has been ably assisted by William Moore who also has a great background for the travelogue industry. Their talents have produced some real classics; the latest being "Portraits of Mexico."

Boy Scouts Plan January Paper Drive

Chelsea Boy Scout Troop 425 will have their annual paper drive on a January week-end, according to Scoutmaster Ralph Frisch.

Anyone with bundles of paper which they would like to get rid of before that date may call Ralph Frisch at GR 9-2101.

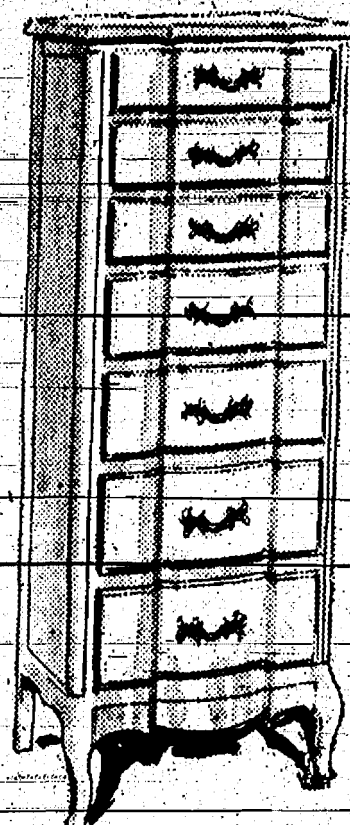

The Scouts collect the paper and sell it to the Lunske Junk Dealers in Ann Arbor. Money from the sale of the paper is used to finance camping trips.

4-H ACHIEVERS: Chelsea area 4-H'ers walked off with many county-wide 4-H awards. The awards earned by Chelsea area 4-H'ers were presented Nov. 30 in a program at the High school cafeteria attended by 175 4-H members and friends. Nine of the Chelsea area county project award winners are, seated from left, Lynda Koch for food preservation and flower gardening; Charlene Powers for leadership and clothing; Cynthia Niehaus for food preser-

vation and Linda Van Riper for leadership. Standing, from left, are Jane Kalmbach, beef award winner; Helen Wolke, foods-nutrition medal recipient; Arlys Wiseman, achievement and bread medals honoree; Guy Freysinger, poultry award winner; and Don Koenigter, beef medal recipient. Mrs. Lori Wise, county 4-H agent, presented the awards.

MISSION CLUB

The December meeting of St. Paul's Mission club was held at the home of Mrs. Emma Seitz on Dec. 2. Devotions and prayers were by Mrs. Amanda Mayer.

A Christmas program singing and the following readings followed: "The Spirit of Christmas," Mrs. Paul Seitz; "The Christmas Candle," Mrs. Wilber Grieb; "A Christmas Wish," Mrs. Mina Seitz; "The Christmas Wish," Mrs. Clarence Nicolai; "The Story of a Christmas Guest," Mrs. Oscar Lindauer; "Peace on Earth," Mrs. Emma Seitz.

Instead of exchanging gifts, donations were made and the money was used to remember diverse shut-ins.

One guest and 11 members were present. The next meeting will be at the home of Mrs. Wilber Grieb on Jan. 6.

WOMAN'S FELLOWSHIP

The Woman's Fellowship of the Congregational church had a luncheon meeting at the church on Dec. 2. The Rachel Chapter had charge of the salad luncheon and served as hostesses. About 20 women were present.

Mrs. Andrew Dyson had charge of the devotions which were on a Christmas theme.

Mrs. Jerry Satterthwaite told the story of the Advent candle and showed how to make the candles. An Advent candle is lighted on each of the four Sunday days of Advent and a Bible verse and song are sung as part of family devotions. On Christmas day, a taller Christ candle is lighted.

LEGION AUXILIARY

The Christmas pot-luck of the American Legion Auxiliary was attended by 34 members. The party was at the Congregational church Wednesday (Dec. 7) at 6:30 p.m. Junior members, who were invited guests, were given gifts by the Auxiliary. Senior members had a gift exchange.

Mrs. Paul Maroney, rehabilitation chairman, reported on the Veterans' Hospital gift shop. Three of the local members, Mrs. Irwin Klumpp, Mrs. Paul Maroney and Mrs. Evelyn Rowe have worked in the shop from 9 a.m. to 4 p.m. Mrs. Maroney also urged anyone wanting to get in touch with the hospital to learn of their needs.

The recommendation was made that anyone sending packages to servicemen overseas wrap them in the hometown newspaper.

The Legion Christmas party on Dec. 18 at the Legion Home was announced and members were urged to attend.

Mrs. Charles Popovich, Mrs. John Pearson and Mrs. William Weber were on the committee for the evening.

ALTAR SOCIETY

The Dec. 1 meeting of the Altar Society of St. Mary's church was held at St. Louis school with 50 members and three guests present. The president, Mrs. Oscar E. Baris extended her thanks to all for their part in making the recent annual dinner a success and Mrs. Wayne Harvey reported that approximately 550 were served.

Remembrance Chairman Mrs. George Brettschneider stated that 700 pounds of used clothing had

been sent for the Bishop's Relief Drive.

Altar committee for December includes Mrs. Dennis Guinan and Mrs. L. D. Guinan; refreshment chairman for January is Mrs. Wallace Wood.

Flower collection will be taken up after the Masses on Dec. 12. Program chairman Mrs. Paul Harker, announced that the January meeting will be held one-half hour later than usual at 8:30 p.m. at the school. Games are planned for entertainment.

The meeting was closed with a prayer and refreshments were served by the December committee with Mrs. John Steele as chairman.

LIMANERS

Limancers December meeting was at the home of Mrs. M. W. McClure on Dec. 2 with Mrs. Lionel Vickers as co-hostess. Twelve members were present for the 12:30 pot-luck lunch.

A donation was received for Camp Cille and items were brought in for the Washtenaw County Hospital as part of the club's annual Christmas project.

GRANNY DRESSES

The "granny" dress look is quite the thing with the younger set today. Dresses that were intended to be worn indoors are seen on the streets in some sections of the country. Many of these creations are charming; they may be of wool, crepe or other materials but they are high-waisted and have narrow skirts. Some have long sleeves.

Mrs. Richard L. Schaules

Vickie L. Blacklaw, R. L. Schaules Wed at Congregational Church

A candlelight ceremony at the Congregational church united Vickie Lynn Blacklaw and Richard Lowell Schaules in marriage Saturday evening, Dec. 4.

The bride is the daughter of Mr. and Mrs. Edward Blacklaw of 113 McKinley St. The bridegroom's parents are Chelsea Postmaster and Mrs. Richard Schaules, 14450 Island Lake Rd.

Two hundred guests attended the 7:30 p.m. double-ring ceremony performed by the Rev. Robert A. J. Livingston. Bruce Galbraith sang two solos, "Because" and "The Lord's Prayer."

The white empire styled bridal gown of peau de soie had a floor-length sheath skirt and a full bouffant detachable chapel length train. A lace panel adorned the front of the bodice and slim skirt. A scooped neckline and fingertip sleeves completed the bodice. The two-tiered bridal veil of English illusion was attached to a lace covered pill box, highlighted with scalloped pearls and aurora crystal. The bride carried a bouquet of cascading white roses backed with ferns.

Mrs. Cindy Blacklaw served as her sister's maid of honor. Her floor-length gown had a gold velvet bodice with long sleeves, an empire waist secured with gold satin, and an off-white crepe floor-length skirt. She carried a colonial bouquet of bronze and gold mums predominated by the bronze flowers.

The bridesmaid, Miss Gayle Schaules, sister of the bridegroom, wore an empire-styled gown with a brown velvet bodice and an off-white floor-length skirt secured at the waist with rust-colored satin. Her colonial bouquet was in the same colors as that of the maid of honor.

The junior bridesmaid, Miss Terese Blacklaw, sister of the bride, wore a gown in the same style and colors as the maid of honor, and carried a colonial bouquet of bronze and gold predominated by the golden mums.

For her daughter's wedding, Mrs. Blacklaw chose an off-white lace suit with gold accessories. Mrs. Schaules selected a two-piece pink brocade dress with loden green accessories. Both mothers wore corsages of white orchids.

Stuart Blacklaw carried the rings for his sister's double-ring wedding ceremony.

Alton Nixon of 718 McKinley served as the best man. Ned Blacklaw, brother of the bride, Richard Wood of 530 Thompson, Ann

Arbor, and Homer Nixon, also of McKinley St., seated the guests. Three cousins of the bride assisted at the reception given by the bride's parents at the Rod & Gun Club. Miss Bonnie Clark of 422 Madison St., and Miss Barbara Wiggins of Royal Oak served punch and Miss Emmy Bernard of Chicago attended the guest book.

Others helping at the reception included Miss Audrey Hayes of 5000 Stoffer Rd., who poured coffee and tea, and Mrs. Wilson Morley of Beaman Rd., who cut the wedding cake.

A navy blue two-piece suit with matching accessories was selected by the bride for her traveling outfit.

The newly-wedded couple are at home at 1297 Sugar Lake. Both are graduates of Chelsea High school. Mrs. Schaules attends the Ann Arbor Beauty College and Schaules served in the armed forces and attended Jackson Junior College. He is employed at Chelsea Products.

TRAVELOGUE SCENE: A Mexican with his faithful donkey, shown in the above photo, is one of the many contrasting views included in the Kiwanis-sponsored travelogue, "Portraits of Mexico" to be shown Saturday evening at Chelsea High school. The charm and beauty of the old, as well as of the new and modern in Mexico, are brought out in the scenes shown and narrated by Curtis Nagel, who presents the third in the series of six travelogues of the 1965-1966 season.

Chelsea Elementary SCHOOL NOTES

On Monday, Dec. 13, Mrs. Hingline and Mrs. Johnson's morning kindergarten classes will visit the Chelsea Methodist Home. They will put on a short program.

All Elementary School third graders have been studying about Dental hygiene. We saw a film strip entitled "Good Dental Health Is Up to You."

Wednesday we cleaned our teeth and practiced the proper brushing method. After brushing we dissolved a tablet in our mouth. The harmless food dye in the tablet showed us where we had decay-producing deposits in our teeth. We all had fun looking at our teeth in the mirror.

Each student took home a Dental Instruction Kit and a pamphlet, "Why are my teeth important?"

Fifth Graders, North School
We, the North School fifth graders, went to the museum in Ann Arbor Friday, Dec. 3.

In the entrance square we were able to see fungi. We were very impressed by the number of different kinds.

As we then went up the stairs we were able to see a "real live" Gila monster in his cage on one of the landings.

Chelsea School District Cafeteria Menu

Monday, Dec. 13 — Savory beef in gravy, whipped potatoes, buttermilk peas, hot biscuits, vanilla ice cream, milk.

Tuesday, Dec. 14 — Hamburger on bun, green beans, Jell-O salad, pineapple cake, milk.

Wednesday, Dec. 15 — Goulash, Mexican cold slaw, bread and butter, dessert and milk.

Thursday, Dec. 16 — Christmas dinner.

Friday, Dec. 17 — Fishwich on bun with tartar sauce, potato tots, and apple. Christmas surprise.

From there we went to the Michigan Wildlife Balcony where we were enchanted with the many various types of animals. The microscopic pond life was fascinating to many children.

On the fourth floor the dioramas of Michigan and other North American Indians held the attention of many. Finally we moved on into the Geology Room where we had great fun recognizing some of the materials we had become acquainted with in the study of geology. Then on to the Hall of Life where some of the materials which we had studied through work in our rooms and through television were made more realistic and understandable to us.

We returned tired but enthusiastic about what we had seen. Many plan return trips with their parents.

We wish to thank the room mothers, Mrs. Huehl, Mrs. Robbins, Mrs. Schiller and Mrs. Tompkins, for accompanying us.

The museum staff members complimented us on the excellent behavior and intensive interest of the children from the North School of Chelsea.

"The New Mathematics For Parents" books have arrived and parents interested in a copy may pick one up at the South school. The cost of the book is \$2.50.

On Wednesday, Dec. 8, the Lansing Conservatory of Music gave the Fifth Grade students a music test.

Miss Bona, the school nurse, has been vision-testing. She plans to test the kindergartners in January.

Children and teachers are busy preparing for Christmas. Many fine bulletin boards and decorations are to be seen in the rooms.

On May 4, 1942, the Coast Guard Cutter Icarus sank the German U-352 off the coast of Charleston, S.C. and took 33 prisoners.

Diabetes Now Ranks Among Top Killers

Diabetes, which ranks seventh in the list of causes of death by disease, is a chronic condition which develops when the body cannot make use of certain foods especially sugars and starches. Diabetes may be fatal unless properly treated.

It is estimated that one American in every 50 has diabetes, and that there are approximately 4,000,000 diabetics in our country. Of this number, about 2,400,000 know they have diabetes, and about 1,600,000 are still unaware of their condition. Projected for Michigan this means 180,000 diabetics with 96,000 known and 84,000 undetected.

Approximately 5,600,000 additional persons living in the USA today are potential diabetics—for Michigan 640,000 meaning that they will develop the condition some time during their lives. At least 250,000 new cases of diabetes are now being diagnosed per year in the United States and 10,000 in Michigan.

Diabetes runs in families. Of the total population of the United States, one out of every four persons—nearly 50 million people—are believed to be capable of transmitting diabetes to their offspring. Most "carriers" of diabetes are themselves free of the condition.

The usual signs of diabetes are increase in thirst, constant hunger, frequent urination, loss of weight, intense itching, easy tiring, pain in fingers and toes, changes in vision, and slow healing of cuts and bruises. However, diabetes may be present without any signs at all.

The most likely targets are persons who are related to diabetics, are overweight, or are past 40 years of age. After 45, three diabetics out of every five are women.

Weight control is important in the prevention of diabetes. Six out of seven people over 40, when their diabetes was diagnosed, were overweight before the onset of the condition.

Diabetes can strike at any time. Cases have been known in a nine-day-old boy and in a 99-year-old woman.

Diabetes can be controlled by diet, exercise, and, when necessary, insulin or, in older and milder diabetics, one of the oral compounds. However, a planned diet is always a basic fundamental of diabetes treatment.

Neglect of diabetes may lead to development of complications; the most serious of which are heart disease, failing eyesight, hardening of the arteries, kidney disorders, gangrene, cerebral hemorrhage, and diabetic coma.

The Diabetes Detection Drive highlighted by "Diabetes Week," Nov. 14-20 in 1963, is conducted by the American Diabetes Association in co-operation with the Michigan Diabetes Association and its 10 Affiliate Associations throughout Michigan. During Diabetes Week, detection tests are provided in hundreds of local communities through their doctor's offices and hospitals.

The goal is to find as many as possible of the 64,000 undetected diabetic men, women and children in Michigan, and at the same time to educate the American public on the signs and the importance of early detection and control of the condition.

Slippery Roads Cause Car To Leave Highway In Lyndon Township

A car went out of control on snow covered pavement in Lyndon Township Monday morning and a Chelsea woman was injured.

The 1963 Corvair was driven by Elizabeth A. Harris, 19, of Chelsea, according to the report filed by Washenaw County Sheriff's officers. Owner of the car was listed as Walter Harris of 228 Park. The report stated that the rear portion of the car was badly damaged.

She was traveling north on Werkner Rd., one mile south of Island Lake Rd., at about 50 miles per hour when the car went into a skid, hit a tree with the rear end, spun around and knocked down two posts and 20 feet of fence on the west edge of the roadway, belonging to Robert Shears, 8312 Werkner Rd., the report states.

The accident occurred at 8:45 a.m. Monday morning, according to the report. The driver was treated at the Chelsea Medical Clinic.

Joe Foss, presently commissioner of the American Football League, became an "ace" during his tour on Guadalcanal. The Marine Corps Major shot down 28 enemy aircraft during a period of 40 days.

4-H Leaders Receive Pins To Honor 20 Years Service

Recognition is given to 4-H volunteer leaders who achieve 5, 10 and 20 years of service as a 4-H club leader. Upon obtaining tenure, the leaders receive pins and certificates from the Michigan State 4-H club office.

Leaders completing 20 years of 4-H service receive a gold clover pin with a diamond center and a certificate. They are special guests at Michigan State Show, and are invited to the Washtenaw Council Recognition banquet next February. Receiving this recognition are: Mrs. Walter Wolfgang, Ray Schairer, and Mrs. Lewis Haselschwerdt, all of Chelsea, and Mrs. Harvey Sanderson of Ann Arbor.

Achieving the gold clover award for 10 years of leadership are: Mrs. Jay Knapp, Ypsilanti; Mrs. Glen Wiseman, Chelsea; Ray Tichnor, Ann Arbor, and Lowell Spike, Manchester.

Five-year silver pins were given to Mrs. Charles Curtis and Mrs. William Van Riper, of Chelsea; Mrs. Leo Gannon, Mrs. Charles Wright, Mrs. Don Mull, Gerald Dunn and Harold Leemon of Ypsilanti; Wes Amisill of Dexter; John Miller of Saline; Mrs. John Sexton of Ann Arbor; Sam Striz and Mrs. Ken Vandy, of Milan; and Richard Wheeler of Whitmore Lake.

Dog Licenses Now on Sale By Townships

Dog owners of Washtenaw county are being urged to purchase the required licenses for their dogs at their earliest opportunity. Purchase of the license is not only a necessity to pay the dog tax (\$3.00 for male and unsexed dogs and \$5 for females) but is of value to the owners in recovering dogs who become lost. This latter value, however, only obtains if the owners obey the Michigan State Law attaching the license tag to the collar of their dog, as soon as possible.

William L. Parker, manager of the Washtenaw county Humane Society, Shelter points out that lost or strayed dogs who are wearing current license tags, however, if a dog is lost and is not wearing a tag, personnel at the Shelter make every effort to identify the dogs brought in and return them to their owners.

Anyone who loses a dog should contact the Shelter by calling NO 2-6311 and give a description of the animal.

The identification of dogs can only be positive if they are wearing their license tags.

The identification can be made either by the Shelter manager or at the Washtenaw County Treasurer's office.

While dog licenses may be purchased at the various township treasurers' offices until Feb. 28, early purchase is advisable.

Those who do not purchase licenses for their dogs by Feb. 28 are liable for a fine of \$3.

PROOF OF DRAFT CARD

Jowa City, Ia. — Charles Craig, 19, a University of Iowa freshman, is proud of his draft card. He wears it around his neck in a plastic holder which reads "I'm a draft card-carrying American and proud of it." Craig hopes other students will do this to show their support of their government.

ASC Community Committee Elections Being Held Tonight

Farmers today got a "last-minute" reminder about important elections which will be held in Ann Arbor today. The elections are to choose ASC farmer-committeemen who will serve for the next year as local administrators of national farm-action programs.

According to Earl Dolezky, chairman, Agricultural Stabilization and Conservation County Committee, "These ASC Committeemen have broad important program responsibilities, which makes it all the more urgent that representative farmers be elected to the job." He urged all qualified voters to be sure to cast their ballots.

Each year, the chairman explained, such qualified voters—farmers who are taking part or are eligible to take part in one or more of the farm programs which the committee administer—elect a community committee from among their own number.

The chairman, vice-chairman, and regular member of this committee will all serve as delegates to the county convention where the ASC County Committee is elected.

Programs administered by the committeemen include the Agricultural Conservation Program, acreage allotments, commodity loans, the feed grain program, the voluntary wheat program, the Sugar Act program, the National Wool Program, and farm storage facility loans. Other duties are assigned to the committees by the Secretary of Agriculture as the need arises.

In Washtenaw county, eligible voters will cast ballots for community committeemen at a meeting held for that purpose, at a polling place set up for that purpose.

Chairman Dolezky urged all qualified voters to be sure to cast their ballots. Eligibility to vote or hold office as a committeeman is not restricted by reason of race, color, creed or national origin.

Community committee election meetings will be held in the following halls at 8 p.m., Dec. 9:

Lyndon township, Lyndon Township Hall.
Dexter, Dexter Township Hall.
Webster, Webster Township Hall.
Northfield, Whitmore Lake Fire Hall.
Salem, Salem Township Hall.

This means more to the average person than may appear on the surface, for true market expansion includes the consumer along with the farmer. The consumer is rarely conscious of the role he plays when he purchases a food item (or ignores one), but it is the consumer who remains king in our free market economy. He is the judge who sets the standards of variety, quality and amount to be produced on the farm.

When Michigan farmers say that they intend to work hard at the job of market expansion, they mean improving sales by product quality, variety, sound methods of trade and active search for new markets on a world-wide scope.

When Michigan farmers say that they must work together "bargain for improved prices and other terms of trade," they mean no threat to anyone. They know that sound marketing approaches are not based on threats or compulsion.

They know that such approaches must be designed to sue and improve the free market system for long-term gains for everyone concerned—no matter where they live.

Trophy for Excellence

Townline Workers 4-H club of Saline has been awarded the Club Trophy for excellence in their club's summer 4-H participation. Selection was based on records submitted and tabulation of points for various activities. Mr. and Mrs. Leonard Burmeister are administrative leaders and the club had 28 members. The Townline Workers also received the trophy in the summer of 1964.

Second place in the Club Trophy contest was the Lincoln Pioneers club. Mrs. Sam Striz administrative leader. Third placing club was Busy Belles 4-H club, Mrs. Webb Harwood, administrative leader.

The Club Trophy contest is annually sponsored by the Ann Arbor National Bank and Trust Co.

FISH RESEARCH

Bremerhaven, Germany's largest deep-sea fishing port, is active in ocean research. One Bremerhaven vessel has covered 340,000 miles in ten years, investigating important types of useful fish. A recently completed ship, the "Meteor," discovered 80 previously unknown types of fish on her first voyage.

Computer-Based Educational Network Proposed By U. of M.

Ann Arbor — The efficiency and effectiveness of college teaching would be improved in a University of Michigan proposal to establish a state-wide computer based educational network.

The proposal is included in the University's annual appropriation request. It would be set up, at a cost of \$1.00 million, through the Center for Research in Learning and Teaching. A computer terminal would be located at each of the state-supported colleges and universities in Michigan, making possible shared programmed instruction, library information and materials.

Tigers Announce Schedule of Spring Exhibition Games

Detroit — A series in Houston's fabulous Astrodome and 12 games in the new 4,000-seat Marchant Stadium at Lakeland, Fla., highlight the Tigers' 1966 spring exhibition schedule.

The Tigers will play 23 games in Florida and four more on their 60th American League season. It was announced by James A. Campbell, executive vice-president and general manager.

Three of the games on the northward trek will be with the Houston Astros of the National League in their \$31,000,000-covered stadium which Texans call "the eighth wonder of the world."

Night games are scheduled for April 7-8 and an afternoon game April 9. The following day, the Tigers will play the Astros' Oklahoma City.

The Tigers, consolidating all of their Lakeland training activities at Tigertown, where Marchant Stadium is under construction, will meet last fall's World Series rivals in their first three Florida games. They will inaugurate their new all-concrete stadium with a game against the Minnesota Twins on Saturday, March 12, meet the same team at Orlando the following day, and entertain the Los Angeles Dodgers at Lakeland, March 14.

The Tigers will play 13 of the other 15 teams training in Florida before hitting the road, missing only the Washington Senators and Astros, who will be met at Houston later. They return to Miami after a one-year lapse, to meet the Baltimore Orioles March 20.

For the first time in several years, all the Tigers' games in Florida will be afternoon affairs, starting at 1:30 p.m.

REMOVE LEAVES

Remove leaves as quickly as possible throughout fall to keep your grass from smothering. Don't burn leaves. It's better to place them in a compost pile to use later as a source of organic material for flowers and shrub beds.

Errors often arise when men try to prove that they have been right.
