ALL-STARS BAND CONCERT SCHEDULED SUNDAY

Band Groups Score Well at District Meet

Thirty-six Chelsea High School band and instrumentalists participated in 23 events at the district solo and ensemble festival Saturday at Highland Park High school in Highland Park.

Two groups received a "superior" or "1" rating — a brass quartet composed of Mike Funderburgh, Tim Meininger, John Collins, and Russell Maurer, and a saxophone quartet composed of Laurie Reddeman, Marilyn Miller, Gina Lindauer, and Gary Larson. These groups are now eligible to compete in the state solo and ensemble festival on March 19.

These people received an "excellent" or "2" rating — Joanne Fisher, Sandy Knoll, Mary Ellen Ashley, Sandy Johnson, Karen Lehman, Mike Funderburgh, Dave Haess, Janice Bush, Tim Meinger, Karen Leach, Sarah Lindauer, Russell Maurer, Shelley Baize, Kinyon Gorton, JoEllen Tison, Mike Grau, Carolyn Wilkerson, Ray Seitz, Marianne Edwards, Nancy Koengeter, Sarah Storey, Debbie Kuhl, Sue Knickerbocker and Kathy Fulks.

A "good" or "3" rating was received by Russell Beeman, Lynn Ferguson, Barbara Bauer, Dorreen Kuhl, Sue Guenther, Diane Stoffer, Karen Lehman, Sarah Lindauer, and Sue Garlick.

Margaret Kuhl accompanied directors Bruce Galbraith and Marvin Gurvey to the event.

Parliamentary Procedure Team Tops in District

The parliamentary procedure team from the Chelsea chapter of the Future Farmers of America placed first in the district contests last Thursday, Feb. 10, at Clinton High school.

Due to its fine showing, the team, consisting of chairman Bob Kushmaul, vice-chairman Jim Christie, secretary John Hafner, and members Ron Bollinger, Loren Heller, and Howard McCalla, earned the right to represent the district at the regional finals in Mt. Pleasant on Thursday, Feb. 24. It was the first year on the team for Bollinger, Heller and McCalla.

Juvenile Court Needs Listed for C. of C. Members

Forty-seven persons heard Tom Croxton of the School of Social Work at the University of Michigan discuss Project 74 and the Washtenaw County juvenile courts at the Tuesday noon Chamber of Commerce meeting. The title of his speech was "Horse and Buggy Courts in Space Age Times."

Municipal Court Judge Francis O'Brien was a guest at the meeting.

Croxton discussed the juvenile court and the lack of facilities in the county in comparison with the number of cases handled, a common complaint throughout the country.

Two Chelsea residents, Donald Bacon and Mrs. Dudley Holmes, are local consultants on Project 74.

Senior Class Rehearsing 'Brigadoon'

The mythical Scottish village of Brigadoon will come to life as the curtain rises on the Chelsea High school stage March 11 and 12. Members of the senior class will dramatize the villagers made famous by Lerner and Loewe first on Broadway and later through the motion picture and summer theaters throughout the country.

In that remarkable group of musicals that burst forth shortly after the war—"Annie Get Your Gun," "Kiss Me Kate," "South Pacific" — the enchanting "Brigadoon" of Alan Jay Lerner and Frederick Loewe stands out as a particularly appealing example of the lyric theatre. It opened March 13, 1947, and ran for more than a year, toured extensively and wound up in a motion-picture version some years later. It has also been revived in New York and at summer festivals throughout the country, and has taken its place as one of the major classics of the popular musical theatre.

It seems odd, now, to remember that when "Brigadoon" opened, neither Lerner nor Loewe was particularly well known. Loewe had written the music for "Great Lady" in 1938 and then joined Lerner for a 1943 revue called

WHAT'S COOKING? That's what these members of the Chelsea Band Boosters are trying to figure out as they make final plans for the menus, housing and registration for the All-Star Bands week-end Friday and Saturday. Chelsea will host 218 students participants, plus their directors, from 65 Michigan high schools during the fifth annual event sponsored by the Lansing Conservatory of Music. From left, Mrs. Dan Ewald, in charge of Saturday lunch for band directors, compares notes with Mrs. Charles Baize, who, along with Mrs. Earl Tison (not shown) will serve directors and students coffee and rolls Saturday morning; while Mrs. E. J. Sutter plans the registration of all the students, Mrs. Loren Koengeter makes arrangements for the Saturday lunch for students, Mrs. Herman Ashley (standing) collects ideas for the Sunday noon banquet and Mrs. P. E. Sharrard hopes she has arranged enough housing for all the guests. Not in photo is Sylvester Wojcicki, in charge of Saturday evening party. All chairmen expressed appreciation for splendid co-operation from other members of the Chelsea Band Boosters organization.

Dexter Wins Over Crippled Bulldog Five

The Dexter Dreadnaughts scored their 11th victory Friday night at the expense of an incapacitated Chelsea team. Final score totaled 63:38.

The defeat, Chelsea's 10th this season, left the Bulldogs in the league basement with a conference record of 1-7.

Tomorrow night the local cagers meet the Lincoln Railsplitters on the home court. The Railsplitters are tied with Dexter for second place in league standings.

A special half-time attraction of the game will feature the sitxh graders who have been participating in the Chelsea Area Recreation Commission sponsored Saturday basketball program. They will be divided into two teams and

St. Paul's Church Will Seek $60,000 In April Canvass

A goal of $60,000 has been set for the Target Week Canvass, April 11-17 for St. Paul United Church of Christ.

The campaign will be directed by the Rev. Gilbert Weidman, secretary of the Church Finance Advisory Service, Chicago.

The Executive Board of the Building Fund Campaign Committee will be holding regular meetings every Sunday evening until the canvassing begins. Eldean Eisele heads the Executive Board.

Heading the various committees will be Dave Stricter, group meetings; Larry Gorton, canvass personnel; Earl Guenther, brochure and promotional; Ted Faist, statistical; June Winans, women's participation; Marion Pierson, office and clerical; and Ray Knickerbocker, publicity.

Special Ash Wednesday Services Set

Area churches are planning special Ash Wednesday services Feb. 23, to commemorate the beginning of the Lenten season.

Lent, a penitential period, begins on Ash Wednesday and lasts until Easter.

Three breakfast meetings are planned. Members of St. Barnabas Episcopal church will meet for a 7 a.m. Ash Wednesday breakfast, and youth of the Congregational church will meet at 7:30 a.m. for breakfast and worship. Persons planning to attend the breakfast at the Congregational church are asked to sign up in advance. At 9 a.m. the Women's Fellowship of the Congregational church will meet for breakfast and will hear Mrs. Ben Donaldson.

St. Mary's Catholic church will begin a series of Wednesday evening masses and Lenten sermons which will extend until Holy Week. The masses will begin at 7:30 p.m., with the Lenten services presented by the guest priest. Follwoing the Ash Wednesday service, the distribution of the ashes will occur.

St. Paul United Church of Christ has also planned special Ash Wednesday communion service to begin at 7:30 p.m.

A Litany and Penitential service will begin at 8 p.m. at St. Barnabas Episcopal church. Other churches scheduling an 8 p.m. service are the Zion Lutheran church at Rogers Corners, St. Thomas Evangelical Lutheran church, Bethel Evangelical and Reformed church and the Congregational United Church of Christ. The Bethel Evangelical and Reformed service will be followed by a coffee hour. The topic of the Congregational sermon will be "When Decision Means A Cross."

Several churches are planning other special Lenten services and the Chelsea Ministers Fellowship has scheduled three joint Lenten services, the first to be Feb. 27 at the Methodist church with the Rev. John Smucker conducting the services.

Council Briefs

The Chelsea Village Council met at the Municipal Building Feb. 15. Invocation was given by the Rev. Scott Westerman of the Chelsea Methodist Home.

Discussion was held with Lynn Kern regarding the possible annexation of his property located immediately south of the fairgrounds. Investigation will be conducted in this regard.

Discussion was held with Mrs. Robert Daniels regarding a request for funds for the 1966 recreation program. The recreation council entered a request for $2,500 as the village share of the total program for 1966. The request was tabled for further discussion.

Discussion was held regarding the poor repair work being done in the Village of Chelsea by the gas company. Trustee Schaible was instructed to contact Mr. Lacy of the Michigan Consolidated Gas Co. in this regard. Strict enforcement of the village ordinance as regards the public utilities was recommended.

Discussion was held with Dr. Michael Papo and Arthur Lindauer regarding a proposed extended care facility to be located in the Village of Chelsea. Information was requested regarding available facilities for the area involved. No official action was taken at this time.

Motion was made to authorize Finkbeiner, Pettis & Strout, village sanitary engineers, to advertise for bids for an aerial survey of the Chelsea area in connection with an over-all planning study of the village needs regarding sanitary sewers, storm sewers and land use study for the area and so forth. Carried.

Discussion was held regarding the village land fill site. No official action was taken at this time.

Motion was made that a public

Proving Grounds Local Ratifies New Agreement

Members of UAW-CIO Local 1284, Chrysler Proving Grounds division, voted Saturday, 88-40, to ratify a package agreement presented by the union bargaining committee and to thus avert a strike, according to Ray Canino, vice-president of the local.

Members of the bargaining committee representing the union were Jake Donahue, Evan Leddy and Gale DeSmythers. International UAW Chrysler Department negotiator Robert Taylor of Detroit also assisted in the negotiations.

Final vote in the union ratification came after several meetings between management and the union bargaining committee. The strike vote was taken on Jan. 21 at the local hall but a strike date had not been voted by the union members.

The settlement involved numerous grievances concerning bargaining issues.

REVIEWING THE RECORD, Mrs. Paul Fackler, left, new owner and administrator of the Colonial Manor Nursing Home, gets advice from Mrs. Nellie Flood, right, who recently retired. Mrs. Flood started the nursing home in Chelsea 17 years ago, and has actively run the home ever since.

Mrs. Nellie Flood Retires From Colonial Manor Home

After nearly 18 years as the owner and administrator of the Colonial Manor Nursing Home, 236 E. Middle, Mrs. Nellie Flood has announced her retirement.

The new administrator, Mrs. Paul Fackler of Detroit, officially assumed duties at the home on Feb. 1.

Mrs. Flood first came to Chelsea in June, 1947, and started the nursing home the following year. Her husband had died in Oregon in 1944, shortly after retiring and moving from Detroit to Salem. Mrs. Flood "wanted something to do" and as a trained nurse with many years experience, the nursing home provided an ideal opportunity.

The home opened with seven residents, later increased to 15, then 25, and still later, to 30. When the nursing home rules changed the number of residents was reduced to 25 and remains at about that number.

The oldest guest ever at the home was "Grandma" Emma Curry, a "dear old doll" of only 102 when she left the home to move to Ohio with her daughter. Mrs. Curry lived five years after she left the Colonial Manor, and died at a mature 107 years.

Most patients have been between 82 and 92. Mrs. Flood said, and about two-thirds have been women who are invalids or otherwise afflicted and who need constant care.

School teachers, professors, doctors, businessmen, farmers, librarians, musicians and general laborers have come from Detroit, Ann Arbor, Manchester, Stockbridge, Gregory, Clare, Cheboygan and even California to live at Colonial Manor.

One resident "could really make the piano talk" and was also a wonderful violinist—a former college music professor. Mrs.

Top Band Students of 65 Schools To Perform With Famous Artists

Two Days of Clinics, Rehearsals, Study Climaxed with Public Concert

Area residents are invited to attend a star-studded band concert Sunday afternoon at 4 p.m. in the Chelsea High school symnasium. There is no charge for the performance which will feature two famous college band directors, three outstanding guest soloists and top instrumentalists from 65 Michigan schools.

The concert, under the sponsorship of the Lansing Conservatory of Music, Inc., is hailed as the Greater Michigan Fifth Annual All-Stars Concert. Local chairman for the event is Bruce W. Galbraith, director of the Chelsea High school bands. He has been assisted by Martin Gurvey.

Top band students from 65 Michigan schools have been selected by impartial judges to participate in the concert. Two bands will perform at the Sunday afternoon concert, one composed of 109 students from class C and D schools, under the direction of Dr. Ronald D. Gregory, and the other composed of 109 students from AA, A and B schools, under the direction of Dr. Norman Dietz.

Dr. Gregory, director of bands at Indiana University, is one of the most sought after bandmasters in the guest conducting, band judging and lecturing fields. Dr. Dietz directs the Chippewa Marching Band and other bands at Central Michigan University in Mount Pleasant, where he is a professor of music. He has composed several selections.

The first guest soloist to appear will be Harry H. Moskovitz, who will perform "Suite in A Minor" by Telemann, accompanied by Henry F. Ross, Jr., on the piano. Moskovitz played with the NBC Symphony under Toscanini, the St. Louis Symphony, CBS Symphony, the Symphony of the Air, the New York City Opera, Voice of Firestone, New York Philharmonic Stadium Concerts, the Goldman Band, and is presently the solo flutist with the Bell Telephone Hour.

Haskell W. Harr, the drum soloist, will be accompanied by the C-D Bands in a performance of "Drumbeat Jamboree" by Paul Yoder. Harr is famous throughout the country as the author of drum instruction methods books which are the most widely used books of this kind in the country. He is an associate professor of percussion at VanderCook College of Music.

Two baritone solos will be performed by Leonard Falcone, accompanied by Ross at the piano. Falcone is considered the foremost baritone soloist in the United States. Both he and Moskovitz have several recordings to their credit. Falcone is director of bands at Michigan State University. His selections will be "Fantasia Original" by Picchi-Mantia and "The Swan" by Camille Saint-Saens.

Area participants in the Class AA-A-B All-Stars Band will be Carolyn Wilkerson, flute; Kinyon Gorton, clarinet; Marrianne Edwards, bassoon; David Blaess, trombone; John Collins, baritone; all of Chelsea, and Ruth Ann Farrell, bassoon, and Stephen Whipple, bass clarinet, both of Dexter.

Final seating positions will be determined Saturday morning, and the balance of the day will be spent in rehearsals. A short party will be provided Saturday evening under the direction of Elementary Schools Principal Sylvester Wojcicki. The party will be for participating students and the Chelsea High school band.

Following the party, band students will go to the homes of various Chelsea families who have offered hospitality to the visitors. Mrs. P. E. Sharrard has been making arrangements for housing the visitors.

On Sunday morning, brief instructional clinics and final rehearsals will take place before the guest band members attend worship services in local churches. Clinicians will be Clifford Lillya of the University of Michigan, cornets, and Keith Stein of Michigan State University, clarinets.

A banquet for band members, directors and guests, under the chairmanship of Mrs. Herman Ashley, will precede the concert. Following the concert, members will return to their homes throughout the state.

Other members of the Chelsea Band Boosters who are making arrangements for the week-end are Mrs. Dan Ewald, who will be in charge of the Saturday lunch for the band directors; Mrs. Charles Baize and Mrs. Earl Tyson, who are planning coffee breaks for directors and students; Mrs. E. J. Sutter, who is in charge of registering the students; and Mrs. Loren Koengeter

Wrestlers in Second-Place League Spot

Last Thursday night the Chelsea wrestlers came out of their late season slump to defeat Clinton, 24 to 20. The win put Chelsea in a second-place league tie with Whitmore Lake.

Bill Pearsall (95) started things out right for the Bulldogs by defeating Dave Hawkins, 9 to 3, in the 95-lb. class. Pearsall now has a 7-7-1 won-lost record.

Bill Lonsberry (103) kept things rolling with a 9 to 3 victory over Phil Blom. It was Lonsberry's eighth win in 13 matches.

Paul Stahl (112) lost a 3 to 0 decision to Clinton's Mike Heiholzer. Stahl's record consists of 8 wins, 4 losses and 1 tie.

Mike Funderburgh (120) won his match by a second round fall. It was Funderburgh's nineth conquest of the season.

Mark Lancaster (127), the Bulldogs' regular 133-pounder, found the 127-lb. class to his liking as

World Day of Prayer Services Slated Feb. 25

United Church Women of Chelsea will again sponsor the World Day of Prayer service on Friday, Feb. 25 at the First Congregational church at 1 p.m.

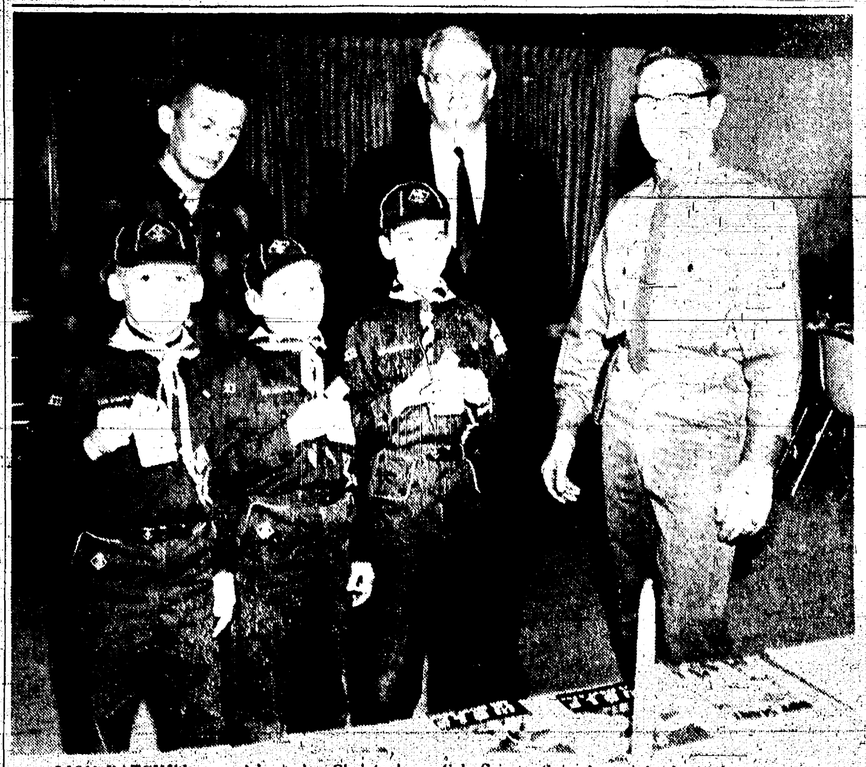

This year's service has been prepared by women of the World Day of Prayer Committee of Scotland and reflects the long traditions of the church in that country. The 1966 service is based on the international theme: "You Are My Witnesses" (Isaiah 43:10).

Women of the various churches in this community will be taking part in the service. All women are cordially invited to attend. A sitter will be provided for pre-school children.

Chairman for the day is Mrs. William Storey.

The Women's Fellowship of St. John's United Church of Christ will also sponsor a World Day of Prayer on Feb. 25 at 1:30 p.m.

Women of Zion of the Zion Lutheran church at Rogers Corners and the women of St. John's United Church of Christ at Francisco are invited to attend the prayer service and the coffee hour which will follow.

LION PATCHES, earned by twins Christopher and Joseph Nelson (front row left and center), whose father, Tom Nelson of 350 Crooked Lake, looks over their shoulders, and Chris Phinney, Standing in front of his father, James Phinney of 16450 Cavanaugh Lake Rd., were presented to the Cub Scouts Saturday night by Cubmaster Donald Fritz at the Pack 415 Blue and Gold Banquet at Chelsea High school. Cubs earn the Lion Patch when they are 10 by accomplishing 12 achievements. (See story on page six.)

Understanding your HEALTH

By Albert E. Heustis, M.D. Director
Michigan Department of Public Health

Are you listening to a monosonorous nocturnal rumble at your house these days? Well, if you are, I'm pretty sure you're not enjoying it.

If you haven't guessed already, the impressive name simply means snoring, a common malady that affects an estimated 25,000,000 folks in the United States. Although snoring and snorers have been the butt of jokes for years, people who have chronic sufferers in the family don't think it's funny at all.

The snorer's doctor doesn't think it's much of a joke either. Snoring can be a sign of more serious health problems, and can actually furnish some important clues to the person's generally health. For instance, a child that snores may have enlarged adenoids or tonsils, or an allergy condition.

Snoring may also be an indication that you are smoking too much or that you are overweight and should be cutting your calorie intake. It may mean that you are working too hard and are over-tired—or in some cases it might point to a need for more of general health. All these things, and more, can affect the tone of the tissues in the throat and result in snoring.

Now, why do people snore? Well, snoring is generated while breathing in or out during sleep by several structures in the nose and throats. These sounds are usually due to vibrations in the soft palate and other soft structures of the throat while breathing. The frequency of the vibrations and the tone quality of the snore depends on the size, density and relaxation of the affected tissues upon the force of the air flowing through them.

As well as being a pesky annoyance of more or less embarrassment, snoring may be a good health problem to the area of emotional health. Here snoring becomes a psychological problem for the entire family as well as the snorer. Sometimes, snoring can be prescribed to bring relief to a person suffering nasal congestion caused by a cold, sinus trouble, hay fever, and asthma.

In still other instances, persons have been cured of snoring by being taught to sleep on their sides or stomachs instead of on their backs, which seem to set off the snoring mechanism. My general advice is this—if you hear a snoring in your family, and the usual home remedies don't work, you should see that he or she gets to your doctor for a check-up.

Just Like Home

Never enough money to do everything desired or necessary; that fiscal year spending.

The problem of state government as well as most families in Michigan.

Despite a proposal to increase Michigan's spending by $125 million, many complaints have already been heard that some members of the state family will still be forced to live beneath their needs.

Loudest complaints to date have come from the institutions of higher education.

One of the unhappy college presidents is University of Michigan President Harlan Hatcher. He termed the Governor's budget recommendations "very disappointing" because they fall far short of meeting the full need.

Higher education is not alone in its demand for greater funds to consider plans for new or expanded programs, build new physical facilities, and hire additional staff.

Whether it be higher education, agriculture, civil rights, mental health, or whatever, a vicious circle develops similar to one common in a private family situation.

Extra income encourages the family to move into a bigger, perhaps newer home. This requires some new furniture and perhaps allows the family members to broaden their activities. There may be room, for example, for a ping pong table. This may call for special lighting fixtures, and so the story goes.

The expenditures for equipment all too often get even larger than the extra income which permitted the initial change in the family's life.

Where does it end? Only common sense can keep living costs within the budget, whether it be in a five-member family or among the several units of state government.

Gov. Romney proposes to dip into the fat surplus of revenues for 868 million in the coming fiscal year.

A survey of each agency as it sees its forthcoming needs would, no doubt, show every penny of the current $136 million surplus could be spent and still leave someone crying for more.

Teacher's Looks

Some crises never seem to be resolved. The critical problems of local school districts fall in this category, and particularly the teacher shortage.

As far as memory goes back, it seems school teachers have always been in demand. This year apparently will be no exception.

Michigan State University officials report that despite a new high in enrollments of elementary and secondary education students, the supply is still falling short of the demand for teachers at these levels.

Statistics show Michigan State, with 1,600 potential teachers graduated last year, leading the nation in training educators.

Still, Donald F. Harden, MSU placement officer, says the graduates from East Lansing can essentially handpick the area in which to work. This is especially true for elementary school teachers, since greater numbers of students select the secondary level.

Dr. Leland W. Dean, director of MSU's School of Teacher Education, notes that the shortage of elementary school teachers has been present since World War II. Educators are hesitant to predict when, or even if, the supply will catch up with the demand.

New Look

Reorganization of state government is formally in effect now. A more accurate term for the process might be reshuffling.

For while there are now fewer units with the name "department," there are essentially the same number of agencies. In most cases just the title has been changed.

What it has meant in the departments reshuffled the longest has been a change in many of the procedures. Where a council was once independent, its staff must now go through several channels to do its work because it is now part of a larger unit, the department.

Other changes are resulting by executive edict. The Governor has distributed a memo requiring different handling of publicity and one regarding the filling of high-level personnel vacancies.

It seems the executive office wants to be notified of vacancies, presumably including some which would be covered and filled through the civil service process.

Regarding publicity, any press releases are to be channeled through the upper levels of the departmental structure rather than released by a person who might previously have headed the public relations work in a given council or sub-department unit.

Many state employes, and others outside, are still watching to see the full effect of the reorganization changes and the governor's edicts.

All are hoping the changes might result in less red tape for the public in dealing with state government. The overriding fear, however, is that the government procedures are getting even more complicated and cumbersome than ever before.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR!

The fellers at the country store Saturday night was general agreed that the world of today was hurtling all over more'n it was hurting in any one place. You don't git deep thinking like this, Mister Editor, from our State Department, and it ain't often you git such grass roots filosophy from the Congress.

What brung this matter up was one of the fellers—and I ain't calling his name at this time—reported he was taking next Tuesday for a holiday on account of it being George Washington's birthday. He allowed as how that was one day out of 365 ever year when he took off complete. Personal, I never heard tell of him hitting a lick at a blacksnake on the other 364 but I didn't say nothing.

But this got Ed Doolittle to wondering what Washington would think of he could take a quick look today at the country he was the father of. Ed, that has took to worrying since the Great Society got in full swing, was of the opinion ole George would ask the Lord to forgive him fer ever starting this mess.

Zeke Grubb was agreed with Ed, claimed we was going round in circles and gitting no place fast. Fer instant, said Zeke, we got machines that can take ocean water and make it fitten to drink, but, we was poisoning our rivers with all kinds of chemics faster than we can treat the water back like it was. And we got pills for everthing that can git wrong with us, pills to slow us down, speed up us, make us sleepy, keep us awake, and just about everthing that keeps us from feeling natural. Furthermore, allowed Zeke, they was putting more safety gadgets on cars but was making 'em bigger and faster and ever year we set a new record for folks gitting killed on fancy highways. We was gitting telephones, reported Zeke, that show you who you was talking to, but we live so fast in them big cities a feller don't even know his next door neighbor.

This was a pritty long speech fer Zeke and some of the fellers give him a round of applause. Bug Hookum was agreed with Ed and Zeke, said he had saw a piece in the papers where we got more television sets in this country than we got inside toilets. Bug reported he didn't have neither and he figured ole George would be on his side. We was better off, claimed Bug, in George's time when all we knowed about science was that when you thumped a watermelon and it went "plunk" it was ripe, and if it went "plink" it was green.

I admit, Mister Editor, they was two sides to this matter, that maybe we aint making the best of things, fer I'd rather be here now than in George's time, even if they was calling garbage collectors "garbologists" in Washington.

Yours truly,
Uncle Lew.

4 Years Ago...

Thursday, Feb. 15, 1962—

Six youths, ranging in age from 17 to 24 years, were being held in custody at the Washtenaw county jail following confessions that they were involved in the burglarizing of two stores in this area. The stores, Baxter's Market and Bertke and Jedele's Waterloo Store, were broken into Saturday night.

Don Dickelman, son of Mr. and Mrs. Edwin Dickelman, received the Boy Scout honor award "Pro Deo et Patria"—For God and Country, in recognition of a year of special work for the church.

Several area families have reported being bilked by two dark-complected women thought to be gypsies who have appeared on their doorsteps selling artificial flowers, asking to be let in out of the cold, or other similar favors. After the two women have left, the housewives have reported numerous missing articles. One woman reported $110 worth of household items missing after the pair departed.

A 920-lb. summer yearling Angus steer owned by Mahogany Farms, Williamston, was selected as the grand champion of the beef cattle feeding project show at MSU Farmers' Week.

The Chelsea Junior Chamber of Commerce members, reporting on the community attitude survey made in Chelsea in January, said that most people regarded utilities, postal services, medical and dental services, law enforcement, fire protection, parking in the business district, newspaper service, as very good, but listed a need for adequate recreation facilities for children, teen-agers, adults and older people.

Mrs. John Fischer was honored Sunday on her 90th birthday. Martin Wenk also was honored on his 86th birthday.

Leo Johnson has been appointed science and mathematics teacher at Chelsea High school to replace Edward Benjamin who resigned to take a position with the Eberbach Pharmacy in Ann Arbor.

The Chelsea spring division of the Standard Steel Spring Co. has conducted an intensive safety campaign by issuing hardened safety lens glasses to all employees who wear prescription glasses. The campaign is an attempt to reduce "lost time" accidents resulting from injuries in the plant.

A total of 214 dogs in this vicinity were vaccinated against rabies at the clinics held last week.

Chelsea High school's debate teams completed their first year of competition last week with a split decision at Onsted. Members of the local teams are Barbra Speer, Sandra Baldwin, Joan Schweinfurth and David Bertke.

Under the county-township fund-matching program for secondary road improvement, Sylvan township will receive $2,089.00 and Lima township will receive $2,089.04. The amounts are to be matched by the townships.

The Chelsea cagers won a 54-30 victory from Flat Rock, Friday evening.

In the Four Years Ago column (Feb. 12, 1948): The Rev. T. W. Menzel formerly associate professor of Religion at Elmhurst, Ill., College, was installed as pastor of Bethel church, Freedom township, Sunday, Feb. 8. Argus, Inc., Ann Arbor, announced Friday that the firm intends to open a branch factory here.

24 Years Ago...

Thursday, Feb. 12, 1942—

The farm home of Mr. and Mrs. Homer Stofer near North Lake, was destroyed by fire on Wednesday afternoon last week. The blaze started from a burned out chimney. Stofer saw the flames when they first broke out and believed he had extinguished them but later found the entire upper story ablaze when he returned from the barn.

Mrs. Clarence F. Dietle, Mrs. Wilbur Hinderer, Mrs. Wilbur E. Riemenschneider and Mrs. Raymond D. Gadd were elected officers of the Band-Orchestra Parents' Association. Trustees elected were Paul E. Niehaus, Thomas Smith and Paul G. Schaible.

Registration for men between 20-45 will be Monday at the Sylvan Town Hall under the supervision of the local Defense Committee.

R. A. McLaughlin has installed a new Weaver wheel balancing machine at his super service station.

In the 24 Years Ago column: (Feb. 14, 1918): Owing to a lack of coal the Francisco school was closed for three days last week. The office of the Wm. Bacon-Holmes Co. was entered by burglars during the week-end and a sum of one cent was realized by the culprits for their efforts.

34 Years Ago...

Thursday, Feb. 11, 1932—

At a meeting of the board of education held Monday night, Earl Y. Poore, formerly head of the Shelby public schools, was tendered a contract as superintendent of the Chelsea public schools for the 1932-33 term.

The Chelsea Group of rural teachers held their meeting Feb. 6 at the Parker school with Mrs. Allen Steinbach as hostess.

A play entitled "Who Wouldn't Be Crazy?" was presented by St. Mary's school Sunday afternoon and evening. The cast included Lawrence Hoffman, Bernice Turtle, Albert Forner, Joseph Lyon, Wayne Rossabch, Miladore Liebeck, Josephine Liebeck, Mary Jane Burg, Catherine Conlan, Louise Rossbach, Catherine Steele, Kenneth Gilbert, Richard Lyon, Gertrude Hinderlang, Vincent Swickerath and Ambrose Dreyer.

George A. Young was honored Sunday at the home of Mr. and Mrs. David Alber in observance of his 70th birthday. Guests included Mr. and Mrs. Arthur Young and family of Lima township.

The Chelsea cage team was defeated Friday night by the Belleville quintet, 21-18. Playing for the home team were Adam, Mayer, Lixey, Schneider, Parker and Hoezel.

Mr. and Mrs. Glendon F. Swarthout: The Standard's traveling correspondents, writing from Bridgetown, Barbados, in the Caribbean, write that they shall be going southward to Rio de Janeiro together on the 33,000 ton luxury line S. S. Argentina, called the "Good Neighbor Ship." They hope to be in Rio in time to cover the conference of Latin-American nations with regard to common defense of South America.

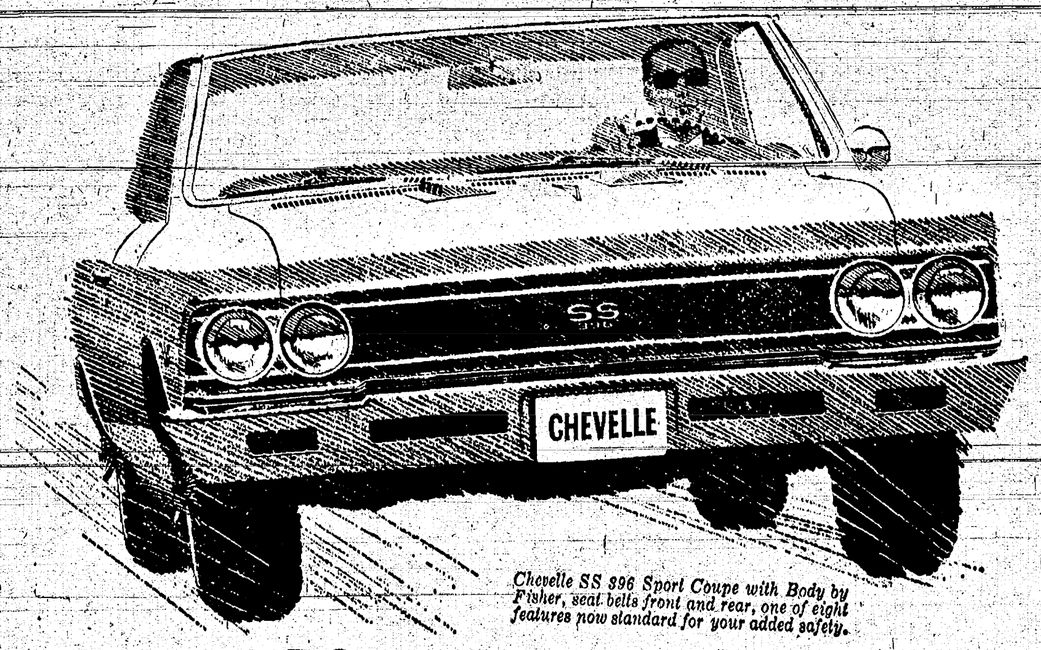

Change Announced in Feed Grain Program

The USDA today announced a change in the 1966 Feed Grain program. It will permit participants to plant soy beans on feed grain acreage and receive the price support payment they would have earned if feed grains were planted. Farmers will be permitted to determine what acreage planted to soy beans will be considered as feed grain acreage.

Under the change announced today, producers may plant all of their permitted feed grain acreage to soy beans and earn their total feed grain price support payment. This action makes no change in the diverted acre provisions of the program.

For the guy who'd rather drive than fly: Chevelle SS 396

Chevelle SS 396 Sport Coupe with Body by Fisher, seat belts front and rear, one of eight features now standard for your added safety.

POTENT
THE CHEVROLET WAY

This is about a Chevelle—a very special one—with a bulging hood, a black grille and red stripe nylon tires.

Start it up and you've tuned in on 396 cubic inches of Turbo-Jet V8.

Get it moving and suddenly you're a driver again. With gears to shift. A clutch to work. Even a set of gauges to read, if specified.

Now take a curve, surrounded by a machine that delights in crooked roads.

This, you see, is an SS 396. A Chevelle, yes. But what a Chevelle.

Dexter Wins Over Crippled Bulldog Five

(Continued from page one)

will play during the half-time. Fourth and fifth graders in the same program will combat during the half-time of the Junior Varsity game.

The ailing Chelsea squad was devastated Friday night by a lengthy sick list. Tom Wojcicki had sprained his ankle the night before in practice; Dave Clark was recuperating from strep throat; Jim Ortbring was out with pneumonia; and Bill Harvey was also ors nd Harvey isa junior; Clark out because of illness. Clark, Wojcicki and Ortbring are all seniors and Harvey is a junior; Clark and Wojcicki have been regular starters, and topscorers for the Bulldogs. All four should be back in action in tomorrow's game.

The remaining Bulldogs made a good showing in the first quarter, averaging 50 percent on scoring and displaying sharp ball-handling. In one maneuver, Gary Houle went for a lay-up, faked his guard and passed to Don Salyer who made the shot good. The Bulldogs managed to hustle around and the quarter ended with the Dexter team leading by only 15-13.

During the second quarter the Bulldogs managed to hit 26 percent to Dexter's 26.6 percent and Dexter broadened its lead to 28-20.

The manpower shortage became most evident in the third quarter, when the Bulldogs' shooting slipped to 16.6 percent compared to Dexter's spectacular 76 percent. The Bulldogs made mistakes which cost control of the ball and they fouled repeatedly.

In the fourth quarter the Bulldogs tried to rally but could not overcome the big Dexter lead. The Bulldogs tallied 22.2 percent to the Dexter 23.5 percent in the final quarter. Another injury occurred when Salyer pulled a muscle in his thigh and was forced out of the game.

Mike Tarasow led the Bulldog scoring with 11 points. Houle, Salyer, and Jeff Hitchingham scored six points each; Tom Kern chalked up four, Larry Poruth three, and Kim Flintoft two. Flintoft occupied Wojcicki's position on the court and captained the game.

Chelsea's over-all scoring averaged 26 percent in comparison with Dexter's 40 percent.

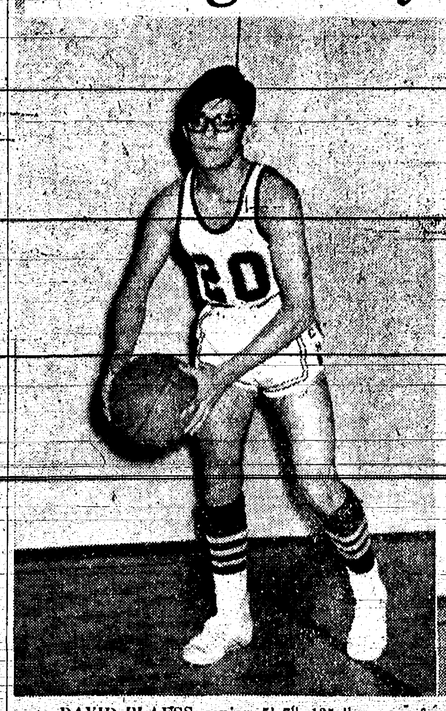

Ron Mull led the Dreadnaughts with 10 points, followed by Earl Miller with 15 and McIntyre and Haight with eight each.

Chelsea managed to out-rebound the taller Dreadnaughts, 35-25, and captured 18 offensive rebounds while Dexter copped only two. Hitchingham, playing in his second game this season, turned in a promising performance as he tied with Tarasow on rebounds. Both men gathered seven rebounds, while Houle brought down five, Wes Stinehelfer four, Kern and Dan Parsons three each, and Salyer, Flintoft and Luane Schroen two each. Dexter's Haight brought down eight and Mull seven for the Dreadnaughts.

Ted Balmer Receives AAA Service Award

Ted Balmer, owner of Balmer's Brake Service, received a special citation Friday from the American Automobile Association for 18 years of service to the group. The AAA, as it is more commonly called, celebrates its 50th year in 1966. Bob Smith, AAA representative, presented the service award to Balmer, who has it displayed at the shop.

Cagers of the Week

DAVID BLAESS, senior, 5' 7", 135 lbs., son of Mr. and Mrs. William Blaess of 730 Taylor, substitutes at the guard position. A fast player, he is probably the Bulldog's top hustler. His shooting and lack of experience holds him back in his first year on the varsity squad. He plays infield on the baseball team, is in the National Honor Society with a high academic record, belongs to the Hi-Y and Key Club. David plans to attend college next year.

KIM FLINTOFT, junior, 5'7", 145 lbs., son of Mr. and Mrs. Howard Flintoft of 610 S. Main, plays in the guard position, is a very good ball handler but needs work on his shooting. A starter in the Dexter game, he also started against Vandercook. He played varsity football this year as a halfback, is a member of the National Honor Society, president of the Hi-Y club and a member of the Key Club.

Michigan Guide Lists Winter Sports Centers

Lansing — Barring an unusual weather change, good to excellent skiing conditions are expected at most of Michigan's 87 winter sports areas through February and into early March, according to the Michigan Tourist Council.

Ski buffs and other winter sports enthusiasts are reminded that copies of the 1966 Winter Sports Guide and Ski Map are still available. The map shows the locations of all Michigan winter recreation areas in both the upper and lower peninsulas and details the facilities available at each.

Copies of the publication are available without charge, by contacting the Michigan Tourist Council, Lansing 48926.

Washtenaw Association For Retarded Children Will Meet Monday

The Washtenaw Association for Retarded Children will meet Feb. 21 at Trinity Lutheran church, 1400 W. Stadium Blvd., Ann Arbor, at 8 p.m. The February meeting will be the membership meeting. For information, persons are asked to call Mrs. Donald Koch, 662-6471.

Speaker at the meeting will be Dr. Henry Gottwald, associate professor of special education at Eastern Michigan University. He will speak on his impressions of what is going on locally, state-wide, nationally and what it means for the future of the retarded.

The meeting is open to the public.

Dexter Downs JV Cagers

The junior varsity basketball team fell to the Dexter JV's last Friday in a tight 54-57 battle. The Chelsea team played a good game, probably the best all season, but started to play sloppily in the last quarter.

The scores for each quarter follow: 12-9, first quarter; 29-27, half-time; 41-40, third quarter; 54-57, final score.

John Lixey was Chelsea's high-est scorer with 22 points. Larry Gaken had 15 points; Jack Risner had nine, Dan Clark made six points and John Freeman scored two points.

Lixey was also the leading rebounder with nine, Gaken and Clark each had eight rebounds, Risner had five, and Don Henry and Ken Blaess each had one rebound.

The next game will be at Chelsea tomorrow night (Friday) against the Lincoln Railsplitters. Junior varsity games begin at 6:30 p.m.

Educational Association Beginning Negotiations With School Board

The Chelsea Education Association, winner of sole bargaining rights for all teachers in the Chelsea School District, is beginning negotiations with representatives of the Chelsea Board of Education.

These negotiations will cover working conditions, salaries, fringe benefits, and other items leading to improvement of education in the school district.

Water Safety Instruction Course Starts Feb. 28

The Spring Red Cross water safety Instructor training program will get underway, Monday, Feb. 28 at 7 p.m. at Tappan Junior High school, Ann Arbor.

This special training program is open to any individual who will be 18 years of age before the first of May and holds a current Senior Life Saving Certificate. Students will be required to attend all 10 sessions.

Registration for this course may be made by contacting the Red Cross Operations Center at 662-3546 no later than Feb. 27. When the class limit is reached, registration will close.

John Orcutt, instructor for the class, has asked that all students bring pencil, paper, swim suits, towels and a valid Senior Life Saving Certificate.

As usual, there will be no charge as the administrative cost of this Red Cross service is provided through United Campaign contributions.

PROTECT NUTS

The oily nature of nuts causes them to become rancid and stale when exposed to air, moisture and warmth. Food specialists advise keeping nutmeats in tightly-sealed containers or in moisture and vapor-proof wrappings in the refrigerator or freezer to prolong their freshness. Large nutmeats stay fresh longer than chopped or ground ones.

HOT SPOT

Daytime temperatures in Riyadh, the capital of Saudi Arabia, rise as high as 113 degrees and may fall no lower than 90 degrees at night. Families often sleep on the roofs of their mudbrick houses to escape the heat.

PROCLAMATION

WHEREAS the Fifth Annual Lansing Conservatory of Music All-Star Bands Day involving participants from 65 High Schools in Central Michigan is to be held in Chelsea, Michigan, on Feb. 20, 1966, and

WHEREAS the aims and objectives of this program are to provide an opportunity in which recognition will be given to outstanding High School musicians in our area, to give students added motivation to excel in the music field, to promote interest in private study, to give students and their directors an opportunity to hear nationally-famous professional performers, to promote good fellowship and exchange of ideas, and

WHEREAS the Village of Chelsea is honored to welcome Directors Dr. Norman Dietz and Dr. Ronald Gregory and guest soloists Leonard Falcone, Harry Moskovitz and Haskell Harr,

THEREFORE, BE IT RESOLVED, that I, Howard Haselschwardt by virtue of the authority vested in me as President of the Village of Chelsea, hereby proclaim Sunday, Feb. 20, 1966, to be

ALL-STAR BANDS DAY

in the Village of Chelsea, and extend the warmest welcome to all those participating.

I have duly executed the foregoing proclamation.

Dated: Feb. 17, 1966.

CARD OF THANKS

I wish to express my sincere thanks to my relatives for taking care of my wife and staying at my home, to the Rev. Livingston and the Rev. Craig for their visits while I was in the hospital and to the Rev. Kinde for coming to see me. Many thanks to the Chelsea Fire Department and to the Chelsea Police Department for the flowers, to those who called while I was in the hospital, for the many, many cards I received, for those who came to the hospital to see me, for those who have come to my home since my return, and for the many calls which I have enjoyed. It will long be remembered. Thanks to Lloyd Heydlauff for the television set.
Frank Reed.

CARD OF THANKS

We would like to express our appreciation for kindnesses shown us during our recent bereavement. We would like to especially thank George Staffan and the Rev. Stephen Peterson.
The family of Fred Haarer.

Vice-President Urges Full Use of Nation's Brain Power

"Our margin of strength is brain power in the form of knowledge, intelligence and understanding not atomic power," Vice-President Hubert H. Humphrey told a gathering of about 1,200 Monday, Feb. 7 in Eastern Michigan University's Pease Auditorium.

The Vice-President appeared on the EMU campus to address student representatives from 44 high schools in the Second U. S. Congressional district, Eastern students and the general public on "School Dropouts and the Youth Training Program."

Attending from Chelsea were Supt. of Schools Charles Cameron, John McGill and Duane Schroen. Dexter was represented by John Peck and David G. Millar.

Humphrey warned that this nation's broad global commitments demand that it fully utilize the intellectual capacity of each of its 200 million citizens in participating in policies affecting one billion others in the world.

"National security and manpower training are closely allied." Our nation must perform at full capacity to provide leadership for the entire world," Humphrey said. If the nation defaults on its commitments, the stability of the world is threatened, the Vice-President warned.

Humphrey, who serves as chairman of the President's Youth Opportunity Task Force, said that the present administration in Washington, D.C. is one that is "dedicated to the cause of education."

He hailed the efforts of Eastern's Campus Service Corps in its assistance to the problem of education through work with teenagers in the community. Humphrey, called for an attack on the national trend which shows that some 750,000 students will not finish high school this year and a labor force of some 32 million without secondary school diplomas by 1975.

He appealed for an arrest to this "tragic loss of human resources" when more than "four-fifths of our school dropouts have the capacity to graduate from high school and assume productive, well-paying jobs in our economy."

He concluded his remarks listing a four-point remedy for halting the early departure of teenage students from the schools. Humphrey recommended a shift toward making subject matter more relevant and interesting for youth; community-wide efforts to provide employment and training for youth; special school facilities in the schools geared toward aiding returning dropouts and a mass program to shore up vocational education and manpower training for those unable to return to the academic classrooms.

The program ended with the Vice-President holding a press conference for the high school student delegates who asked questions ranging from the possibility of the Red Chinese entrance into the Vietnam struggle, economic drain on the domestic poverty war caused by the conflict in the southeast Asian Republic, the country's food assistance program for undernourished foreign powers, relations between the U.S. and India under the Asian power's new woman Prime Minister, federal budget allocations and the recent recommendations of President Lyndon B. Johnson's blue-ribbon panel on domestic wage-income levels.

Seated on the Pease Auditorium stage and participating in the program were Edward J. McCormick, chairman of the EMU Board of Regents who introduced Dr. Harold E. Sponberg, President of the university, who in turn presented U. S. Congressman Weston E. Vivian (D-Ann Arbor). Rep. Vivian introduced Vice-President Humphrey.

During the program Rep. Vivian was handed a dispatch from the nation's capital and announced that the Office of Housing and Urban Development had approved plans for construction of two new dormitories for the university. Plans call for $2.4 million in federal aid for the residences one of which will house 300 men students and the other 300 women students.

Humphrey's appearance on the Eastern campus concluded with a brief address to some 600 invited guests from the Second Congressional District in the Warner Gymnasium. The Vice-President's party then left for Detroit where several other engagements were slated.

GOTHAM ORIGIN

New York City was first referred to as Gotham in an 1808 book of essays by Washington Irving, his brother, William, and James K. Paulding. The name was taken from a village in Nottinghamshire, England, which became famous in the Middle Ages as a residence of fools.

WARM FASHION

Two-way stretch thermal underwear is the fashion in warm winter "longies" for men and women. This "weather conditioned," textured nylon waffle knit can be machine-washed, and dryer-dried, or blotted in a towel after laundering and hung over the shower rod.

DR. CHARLES C. MILLER

DR. GEORGE N. KOFFEMAN

Michigan Center Chiropractor Assumes Practice of Dr. C. Miller

Dr. George N. Koffeman has announced the opening of his office in Chelsea for the general practice of chiropractic. He has taken over the practice of Dr. Charles C. Miller, now of Clovis, N.M.

Dr. Miller has practiced in Chelsea for the past nine years. His wife and daughter, Janet, 16, a junior at Chelsea High school, will remain in Chelsea until school is out next spring. The Millers have three other daughters: Carolyn, 22, a recent graduate of Wisconsin State University who is now teaching in Lake Geneva, Wis.; Terry Jo, 20, who is studying at Dr. Martin Luther College in New Alm, Minn.; and Debra, 18, who is a student at the Davis Business College in Toledo, O. The Millers reside at 138 E. Middle St. Dr. Miller has been an active member of Faith Evangelical Lutheran church in Dexter, president of the church board and on the council.

Dr. Koffeman attended Western Michigan College prior to World War II, served three and one-half years in the United States Air Force and upon discharge enrolled at the Lincoln Chiropractic College, Indianapolis, Ind., graduating in 1949. He did post-graduate work at the Palmer College of Chiropractic, Davenport, Ia., graduating in 1952.

Establishing an office in Jackson, he has practiced for 14 years in that area. His present office is in Michigan Center and his intention is to practice in Chelsea Tuesday and Thursday afternoons and evenings and Saturday afternoon.

Dr. Koffeman is married and he and his wife, Jenny, have three children, a boy, 8, a girl, 5 and a new baby boy, born Feb. 11.

Many Stray Dogs Found in Waterloo Recreation Area

Ron Fapsdorf, state park ranger, reports that many stray dogs, including many hunting dogs, have been showing up in the Waterloo State Recreation Area.

These dogs are taken to the Washtenaw County Humane Society at 3100 Cherry Hill Rd. in Ann Arbor and most are never claimed, he reports.

Dogs should always wear identification tags listing the owner's name, address and telephone number. Michigan state law requires that dogs also wear rabies vaccination tags.

Approximately 7,000 dogs are brought to the Washtenaw County Humane Society each year. Most are strays but some are also taken to the society by the owners who are moving out of the area and can no longer keep the dog.

The Society is required by law to keep the dogs three days but usually wait a week before adopting a dog out to new owners and often keep the dogs as long as 15 days. If the dogs are not claimed and no new "parents" are found, the dogs are disposed of.

Anyone who is interested in adopting a dog may go to the Humane Society and if they meet the requirements they may get a dog. Dogs are not adopted to University students because of the possibility that they may be used for medical research or experiments and persons taking dogs from the Society must sign a statement saying that they will return the dog if they no longer want it and that they will not sell nor give the animal away.

Persons who have lost a pet are urged to call the Humane Society to see if the animal has been turned in. The telephone number is NO 2-0311.

POSTAL INCREASES

The Post Office Department has announced its plans to raise rates charged for money orders, insurance, and registered, certified and C.O.D. mail. The increases, the first since 1961, will go into effect March 26.

Medicare Sign-Up Session Slated At Korner House

Washtenaw county has been chosen as the site of an "Operation Medicare Alert" project as part of the effort to inform people 65 and over of the benefits available through medicare, Robert Kehoe, social security district manager in Ann Arbor, announced today.

"Operation Medicare Alert" is a joint program of the Social Security Administration and the Office of Economic Opportunity. Older people hired by the Office of Economic Opportunity as neighborhood "canvassers will get in touch with the people 65 and over who are eligible for medicare benefits but cannot be reached by other means.

Social Security Manager Kehoe and Clyde Walker, Blue Cross representative, will be in Chelsea Friday, Feb. 18 to give information about the local program. Eligible persons who haven't signed up for Medicare may sign up Friday at the Chelsea Senior Citizens Korner House from 1 to 4 p.m.

People 65 and over need to take action if they want all the protection offered by medicare's two-part program—hospital insurance and voluntary medical insurance, which will help pay doctor bills and certain other medical expenses. Medical insurance will protect those people who were 65 or over before 1966 only if they sign up by March 31. Both parts of medicare go into effect July 1.

Anyone having questions about medicare, or about any part of the social security program, should get in touch with the Ann Arbor Social Security Office on N. Main St. The telephone number is 663-8541.

Production Average Released for Herd Owned by Lowell Spike

Brattleboro, Vt. — A new annual herd production average for milk and butterfat has been announced for the registered Holstein herd owned by Lowell Spike, Manchester.

As reported by Holstein-Fresian Association of America, the herd has completed its latest testing year with an official per-cow average of 14,584 lbs. of milk and 528 lbs. of butterfat, based on 38 completed lactations.

Michigan State University supervised the weighing and production testing procedures in cooperation with this breed improvement program of the Holstein organization.

This herd's performance level compares favorably to the average U.S. cow's annual output of 7,880 lbs. of milk and 285 lbs. of butterfat. Production averages are calculated on the commonly employed, two milkings per day, 305-day, mature equivalent basis to provide a comparison standard.

Cub Scout Awards Presented At Blue-Gold Banquets

Pack 455 . . .

Fifty-six Cub Scouts, parents, brothers and sisters attended the Blue and Gold banquet of Pack 455 last Saturday evening. A fine pot-luck supper was prepared by the mothers in the undercroft of St. Barnabas church.

Displays were prepared by the Dens for showing to all by the Cubs and their Den Mothers: Mrs. Helen Harris, Mrs. Alice Windle, and Mrs. Gloria Carpenter.

Dens 1, 2, and 3 each presented skits on the theme: "Strong for America."

Awards were received by Leslie Sharp, Den 3, bobcat, Terry Foster, Den 2, bobcat, Jon Schenk, Den 1, 1st- 2nd-, and 3rd-year pins, Chuck Carpenter, Den 1, bear badge and gold and silver arrow points, and Jack Willard, Den 1, two silver arrow points.

The parents of Leslie Sharp and Terry Foster were welcomed into the Pack at the induction ceremony directed by Bill Windle.

Robert Lambert spoke a word of welcome from the Boy Scouts to all of the boys.

A lively time of singing and stunts under the leadership of Mrs. Pat Bowden and Mrs. Smaker, Cubmaster, capped an evening of fun for the grown-ups of Pack 455.

Area Holsteins Set New Production Levels

Brattleboro, Vt. — New [illegible] registered milk and butterfat production levels by registered Holsteins in this area are listed in a special report from Holstein-Friesian Association of America.

Thirty cows owned in the region are:

Leo Bur Farmer Boy 4-5487, an eight-year-old owned by Leonard Barmeister, Ann Arbor, produced 27,100 lbs. of milk and 972 lbs. of butterfat in 305 days.

Southwind Princess 3504602, an 11-year-old, owned by Exton Frey, Ann Arbor, produced 20,100 lbs. of milk and 604 lbs. of butterfat in 305 days.

Baker Inka Supreme Mistress, 5062243, a four-year-old, owned by George Macomber & Sons, Ann Arbor, produced 14,030 lbs. of milk and 560 lbs. of butterfat in 365 days.

Green Acre Governor Prudence, 5302437, a four-year-old, owned by Lowell Spike, Manchester, produced 18,480 lbs. of milk and 560 lbs. of butterfat in 305 days.

These new production figures may be compared to the estimated annual output of 7,800 lbs. of milk and 285 lbs. of butterfat by the average U. S. dairy cow, notes the national Holstein Association.

BAD FISH

The stonefish, which lurks in the Western Pacific and Indian ocean bottoms, is the world's most poisonous known fish. Poison from the hypodermic spines that cover this member of the scorpion fish family will cause insanity or death.

Brigadoon . . .

(Continued from page one)

"What's Up?" Their next work together, in 1945, produced "The Day Before Spring," a musical of considerable charm and style that somehow never attracted the public. And then came "Brigadoon," so perfect in its concept that they became famous almost overnight.

Thereafter Lerner wrote the book and lyrics for Kurt Weill's "Love Life" and the Academy award-winning screenplay for "An American in Paris." The authors next collaborated on "Paint Your Wagon," a success of the 1951-52 season, and moved to California, where they wrote a number of film scores. When they returned to New York, they brought with them "My Fair Lady," a work which requires no comment from anyone. Lerner wrote the screenplay and lyrics and Loewe the music for the screen musical "Gigi" and the Broadway show "Camelot."

In "Brigadoon," their first success, one can almost feel their confidence in the material, in the [illegible] and sometimes daring use of music. While "Oklahoma" had raised its curtain on a solitary middle-aged woman churning butter, it still took courage to begin a musical production with a distant chorus invisible behind an empty misty glen. Soon the glen itself fades, the Vendor's Calls begin, and the stage comes to tumbling with the spirited chorus of "Down on MacConnachy Square." And thereafter "Brigadoon" offers one delightful moment after another.

"Brigadoon" tells the story of a young American and his companion, who happen on a small village in the highlands of Scotland, a village that is unlisted on any map. They discover that it is an enchanted town that comes to life for one single day every 100 years, and follow the villagers through a day that includes a wedding and a near-disaster when one of the young Scots tries to leave the town. The American falls deeply in love with Fiona, but is told he cannot stay in Brigadoon. He returns to New York, quarrels with his fiancee and at last goes back to Scotland, where, by the power of love, he awakens the slumbering town long enough to join Fiona.

Tickets are now on sale by members of the Senior Class for the Chelsea High School version of "Brigadoon" to be presented March 11 and 12 beginning at 8 p.m. An afternoon matinee will be presented for grades 4 to 8 on Thursday, March 10.

BRAVE PET

Perth, Australia—When Penney, a small pup, saw a 6-foot dugite snake approaching her 3-year-old mistress, she started barking and dodging it until the child's mother rescued her daughter. Penny was affectionately rewarded after a neighbor killed the snake.

Pack 415 . . .

Pack 415 held its Blue and Gold banquet at the Chelsea High School cafeteria Saturday Feb. 12. There were 100 present with the Cub Scout families and guests. Guests included the Rev. Fr. Umberto Mellare, Scoutmaster of Troop 476 Bill Baker, Scoutmaster of Troop 425 Ralph Frisch and family, District Chairman Rolland Spaulding and Mrs. Spaulding. Cubmaster Donald Fritz was Master of Ceremonies. Mrs. George Atkinson was chairman of the banquet.

Father Mallare gave the invocation. After a delicious meal was enjoyed by everyone, Rolland Spaulding spoke about Scouting. Skits were given by each Den and games were played.

Cubmaster Fritz then introduced the hard-working committee and guests. Raymond Steinbach will be the new publicity chairman as Mrs. Willis Heydlauff is retiring from Cub Scouting after four years. Cubmaster Fritz introduced two new families who are joining the pack, Mr. and Mrs. Robert Keiser and family and Mr. and Mrs. Cecil Clouse, Jr. and family. Mrs. Keiser will be a new Den Mother.

Cubmaster Fritz then presented the following awards: David Clouse, bobcat pin; Joseph Nelson, lion patch, one gold and one silver arrow; Christopher Nelson, lion patch, one gold and one silver arrow; Christopher Phinney, lion patch, one gold, three silver arrows and his Webelo patch; John Phinney, two silver arrows; Thomas Hepburn, one gold arrow; Carmer Slocum, one silver arrow and Donald Pierson, one silver arrow.

Committee Chairman Donald Pierson presented cubmaster Fritz with a billfold and keycase set from the Pack.

The flag ceremony was performed by all the Cub Scouts.

Scoutmaster Bill Baker then showed slides of the different campouts that had been held since last fall. He also showed pictures of the summer camp which is held at Bruin Lake.

Neighborhood Commissioner Carmer Slocum led the group singing. The next pack committee meeting will be March 1 at 7:30 p.m. at the Albert Forner home. The next pack meeting will be March 22 at 7 p.m. at the High school cafeteria.

Wrestlers . . .

(Continued from page one)

he took a 5 to 3 decision from Bruce Gibbons.

Mike Hendricks (133) dropped his second match of the season by a 5 to 4 score. Hendricks has 13 wins to his credit.

Ray Wigner (138), a six-match winner, lost a 6 to 1 decision to Terry Brooks.

Lauren Boyer (145) won his 11th match by pinning his Clinton foe in the second round.

Ron Watkins (154) gave Chelsea its biggest lead and its last win of the meet when he pinned John O'Conner. The team scores at this time were Chelsea 24, Clinton 9.

Ray Worden (165) lost by a fall to Clinton's Don Papsdorf.

Paul Lancaster (180) lost an 8 to 2 decision to Rory O'Conner. Lancaster has won five matches this season, all were by falls.

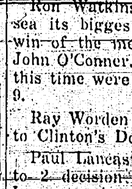

Heavyweight Gary Hopkins lost a 7 to 1 decision to Clinton's Tom Karapus. Hopkins has four wins in 180 and heavyweight classes so far this season.

Tonight at 7 p.m. the cellar dwelling South Lyon matmen will be in Chelsea. This will be South Lyon's last chance to win a conference meet and the Lions would like nothing better than to knock the Bulldogs from their second-place position.

A match worth watching tonight will be in the 103-lb. class, when Bill Lonsberry and the Lions' Doug Taube meet on the mat. Taulbee was the runner-up in last year's Regionals. Lonsberry will be out to avenge an earlier defeat by Taulbee.

Saturday the Chelsea wrestlers will be at Dexter High school for the conference meet. Preliminary wrestling begins at 2 p.m. and the conference championship will be at 8 p.m.

F-A George Cubberly In Hawaii Aboard Destroyer Tender

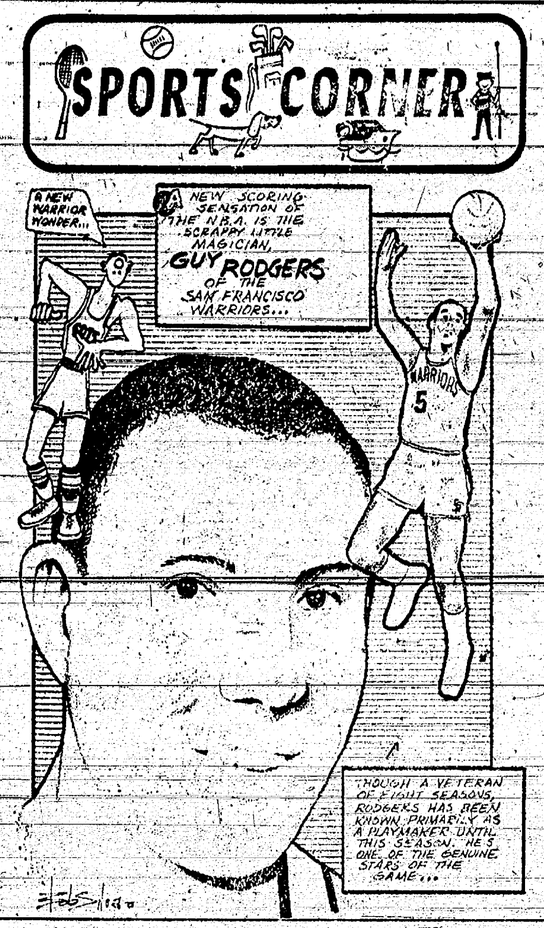

USS Frontier — Fireman Apprentice George A. Cubberly, USN, son of Mrs. O. H. Armstrong 1420 Old Manchester Rd., Chelsea, Mich., is now in Hawaii, serving aboard the destroyer tender USS Frontier, which is normally homeported in Long Beach, Calif.

Frontier will provide maintenance, repair and support services for Pacific Fleet destroyers operating in the Central Pacific.

INEXPERIENCED BURGLARS

Fortuna, Calif—When Bill Johnson stopped by his garage, he found two girls about 18, hiding. They fled while he telephoned police. Having tried to open the cash register with a screw driver, the police said the girls were "extremely unprofessional" since all they had to do was push a button.

Conservation Officers Reach Across County Lines To Get Their Man

The long arm of the law reached over into Wayne county Saturday when a Wayne county conservation officer picked up Gary L. Taylor, 21, and brought him before Justice Chandler A. Rogers.

Taylor was ticketed May 16, 1965, for possession of alcoholic beverages in Silver Lake Park in Dexter township. He failed to answer repeated summons.

He pleaded guilty and was sentenced to $10 in fines and costs or five days in jail. He was unable to pay the fine and was taken to Washtenaw County Jail.

Chelsea Man Named To Post with County Probation Department

Luis B. G. Camilli, 26, of 525 N. Main, Chelsea, is one of three new probation officers appointed to fill vacancies in the Washtenaw County Adult Probation Department.

A January, 1966 graduate of Eastern Michigan University in Ypsilanti, Camille also attended Capital University in Columbus, O., and the University of Puerto Rico in Rio Piedras. He worked for the U. S. Department of Health, Education and Welfare in the Commonwealth of Puerto Rico from 1960-62 and was a technician at Wayne State University and at the Acroquip Corp. in Jackson before joining the probation department.

Camilli succeeds Willie Smith who left in September to be Ypsilanti Human Relations director. He began work in January with the department, which serves as the Circuit Court's investigative arm and supervises persons placed on probation for criminal offenses, and makes recommendations to the court.

Frank Blough Hurt When Auto Hits Guard Rail

Frank Bernard Blough, 20, of 20920 Scio Church Rd., Chelsea, was treated for injuries on Feb. 10 when the 1962 Ford Falcon he was driving struck a bridge guard rail on Pierce Rd.

The accident occured at 7 a.m. three-tenths of a mile south of Garvey Rd. in Sylvan township, when the driver lost control of the vehicle on the soft shoulder of the road, according to the Washtenaw County Sheriff's officers report. The vehicle struck the guard rail head-on when the driver tried to pull the car back onto the road. The vehicle skidded 99 feet on the east shoulder before hitting the bridge, the report stated.

According to the report, the accident occurred in rainy weather before daylight on a wet surface as the driver was headed north at 45 miles per hour. The accident was reported to the sheriff's office by Walter Zeeb, 7610 Lingane Rd., Chelsea. Owner of the vehicle was listed in the report as Phil and Frank Blough, Ionia, Grass Lake.

DEATHS

Mrs. Leigh Beeman

Dies Tuesday in Jackson After Extended Illness

Mrs. Carrie Beeman, 69, died Tuesday in Jackson at the home of a sister-in-law, Mrs. John Dykemaster, after a long illness. She had been a patient at Foote Hospital in Jackson.

Born July 24, 1896, in Grass Lake township, Jackson county, she was the daughter of George and Jennie Everett Dykemaster. She was married to Leigh Beeman on April 24, 1920. He survives.

Also surviving are three sons, Wilber, George and Donald, all of Waterloo, and 12 grandchildren. A brother, John Dykemaster, died Jan 5, 1964.

Mrs. Beeman was a member of the Waterloo Evangelical United Brethren church and the Women's Society of World Service.

Funeral services will be held on Friday at 2 p.m. at the Burghardt Funeral Home. Burial will follow at Mt. Hope cemetery, Waterloo. Officiating will be the Rev. Harold Mann and the Rev. Wilber Silvernail. Friends may call at the Burghardt Funeral Home.

The family has suggested that any memorial contributions that may be made be designated to benefit the American Cancer Society. Envelopes are available at the funeral home.

Mrs. Roy C. Ives

Funeral Services Slated Today at Grass Lake

Rubydel Ives, 83, died Monday, Feb. 14 at the Hopper Retirement Home at Cavanaugh Lake. For the past 11 months she had lived at the home, which is located at 38 Cavanaugh Lake.

Born in Allegan county, Oct. 8, 1882, she was the daughter of Adolph and Sarah Newell Wightman. She married Roy C. Ives, and for many years they farmed near Chelsea. He died in March, 1965.

Survivors include two sons, Raymond L. of Moran, Wy. and R. Vincent of Grass Lake, and four grandchildren.

Mrs. Ives is at the Stormont Funeral Home in Grass Lake where funeral services will be held today (Feb. 17), at 2 p.m. Burial will be at the Oak Grove cemetery, Chelsea.

Eugene E. Tompkins

Webster Township Resident Dies at Ann Arbor Hospital

Eugene Edward Tompkins, 59, of 8370 W. Huron River Dr., Webster township, died Sunday at St. Joseph Mercy Hospital in Ann Arbor after a short illness.

He was born July 14, 1906 in Grant, the son of Richard and Hannah Chesley Tompkins.

A resident of the Washtenaw county area since 1927, he was a member of the Dexter Gospel church.

He married Viola Tanner Oct. 1, 1927 in Bowling Green, O.

Survivors include his widow, one son, Robert J. of Ann Arbor; two sisters: Mrs. Clinton (Mildred) Collyer of Chelsea and Mrs. Donald (Pearl) Fogg of San Diego, Calif.; two brothers, William of Jackson and Phillip of Grass Lake; three grandsons, Darrell, Paul and Gil Tompkins, all of Ann Arbor; and several aunts, uncles, nieces and nephews.

Friends may call at the Hosmer Funeral Home, where funeral services will be held this afternoon (Thursday) at 2 p.m. with the Rev. Henry A. Campbell officiating. Burial will be in Washtenong Memorial Park.

Memorials may be made to the Dexter Gospel church in Mr. Tompkin's name. Envelopes are available at the Hosmer Funeral Home.

Sub Detection Tactics Explained To Kiwanis Club

Submarine detection was the subject of a program by Don Donkin, a project engineer for Sparton Electronics Division in Jackson, when he spoke before the Chelsea Kiwanis club Monday evening.

Donkin was introduced by program chairman Jerry Beaumont.

Spartan Electronics has a contract with the U. S. Navy to produce sondbuoys with rotechute, which are fired from airplanes into the water to detect and locate submarines. Donkin showed pictures of the sondbuoys projected from airplanes and answered all questions which did not involve classified information.

A 1951 graduate of Howe Military school and a 1959 graduate of the University of Michigan, Donkin received a masters degree in mechanical engineering from the University of Michigan in 1965.

Jerome B. Casey introduced Larry Sanderson, a member of the Key Club, and Kenneth C. Runciman introduced Neil Packard, president of the Key Club.

Bowling chairman, George A. Starlan, started listing members for participation in the Michigan District Kiwanis Bowling tournament the week-ends of April and May at Caberfae Bowling Lanes at Cadillac.

Interclub Chairman Don Turner announced that Mr. and Mrs. Floyd Fowler, Mr. and Mrs. Gene Miller, Clarence Pendley, Louis Allen and Don Turner were to attend the Sixth Division Interclub Tuesday at Lefy's in Plymouth.

President Floyd Fowler brought to the attention of the club a bit of history of a Kiwanis reforestation project originated by Kiwanian Harry B. Black, Michigan District Kiwanis International chairman of the committee on conservation, in 1928, to provide for reforestation of cut-over land to be devoted to the perpetual enjoyment of the people of the United States.

The land, located near Lumbermen's Memorial, is 15 miles northwest of East Tawas. The U. S. government gave $1 and each Michigan Kiwanian gave $2 for each acre planted. This beauty spot, sometimes called "Nature's Cathedral," was dedicated Aug. 2, 1936, with a Kiwanis monument containing names of each contributing club.

After a 38-year growth, these Norway pines are reportedly a sight to behold. Chelsea Kiwanians are planning a meeting with the Kiwanis club of East Tawas and an opportunity to browse through this Kiwanis forest sometime this summer.

The Rev. Edwin and Mrs. Weiss of the Methodist Home left Monday for Texas. They will return home on March 7.

Local Explorer Scouts Will Help Check Auto License Applications

Many car owners find, after waiting in line to purchase their 1966 license plates, that they do not have their application completed. The most common omission is the insurance of the license on the back side of the license registration application, which must be completed and signed.

To assist the applicants, as a public service, the Explorer Scouts, Post 485, which is sponsored by the Congregational church, will operate a booth at which Scouts will offer to check over the forms before applicants get into line.

The Scouts will have a tent located on the street, directly in front of the license office at 105 S. Main St. on Saturday, Feb. 19 and Saturday, Feb. 26.

This is a unique public service offered by the Explorer Scouts. The public is urged to take advantage of it.

Price fixing is wonderful when it doesn't affect what you have to sell.

Mrs. Nellie Flood Retires . . .

(Continued from page one)

Flood recalled. She said there has always been lots of music and singing and that many accomplished organists and pianists have spent their twilight years at Colonial Manor.

One resident, Edith Thomas, for many years had been the children's librarian at the University of Michigan. A special trust fund was established at the library in her memory when she died.

Mrs. Flood's future plans are to stay in Chelsea and to "help my daughter regain her health." Her daughter, Dorthea, is Mrs. John Hanna, and Mrs. Flood has made her home with the Hannas for the past eight years in a house next door to the Colonial Manor. Mrs. Hanna worked with her mother at the nursing home for 15 years, until her health failed.

A grandson, William King Hanna, became Mrs. Flood's partner on his 21st birthday. His wife, the former Anne Marie Buss, teaches at South Elementary school. Hanna will enter a Methodist seminary in Delaware, O., this summer and presently serves a Methodist church in Wellsville.

One of the hardest decisions Mrs. Flood ever had to make was to sell the nursing home. She had contemplated selling for the past two years. To her successor Mrs. Flood says, "My wishes are for her every success and best luck."

Mrs. Fackler has been active in civic affairs in the Detroit area, having served as past President of the Edison Parents Club of Edison Elementary school, on various PTA committees for Cadillac Junior High school, in the Grandmont Improvement Association and in the Central Northwest and Ward Memorial Presbyterian churches. She majored in business administration and merchandising at Wayne State University.

The Facklers have four children: Mark, a student at Westmont College in Santa Barbara, Calif., David, a high school senior; Nancy, who is in the ninth grade; and Gloria, age 8.

The Facklers will continue to make their home in Detroit for the present, but are contemplating a move to this area some time in the future. Fackler attended Michigan State University and is actively participating in land development and building in the Detroit area.

Truck Weight Restrictions

The Washtenaw County Road Commission deems it necessary to preserve the roads under the jurisdiction of this Board and by virtue of the applicable sections of the Michigan Vehicle Code being Act 300, Public Acts of 1949 as amended, we impose springtime axle load restrictions effective a.m. Wednesday, February 16, 1966.

The allowable truck loadings are as follows:

MAXIMUM ALLOWABLE GROSS AXLE LOADINGS

Spacing Between Axles	Concrete	Black-Top & Gravel
9 feet or over	13,500 pounds	11,700 pounds
More than 3½ feet, but less than 9 feet	9,750 pounds	8,450 pounds
When less than 3½ feet the combined weight shall not exceed	13,500 pounds	11,700 pounds
Maximum load on any wheel shall not exceed: (pounds per inch of tire width)	525 pounds	45 pounds

MAXIMUM TRUCK SPEED

Not truck tractor semitrailer combination of such vehicles with a gross weight exceeding [illegible] pounds shall exceed [illegible] miles per hour which be reduced to 35 miles per hour when reduced loadings are being enforced.

Tremendous Advances Made In Tuberculosis Control

Lansing — State Health Director Albert E. Heustis said today that Michigan has taken enormous strides in the control of tuberculosis despite the recent unfortunate occurrence in Garden City.

"Thanks to modern methods of diagnosis and treatment, there has been a marked decline in death from tuberculosis and the number of TB hospitals has been reduced [illegible] decreased need for care," he said.

As a protection for school children, Dr. Heustis cited a state law requiring that the TB skin test be included as part of the health requirement for every youngster entering school.

"This procedure locates infected children and identifies families in which older members unknowingly are infected with TB germs, spreading the disease to other individuals," he said.

But Dr. Heustis observed that the battle against TB was far from over.

"The recent incident in Garden City involving a teacher who had tuberculosis infection to 14 children serves to show that the disease is still a public health problem in Michigan," he said.

Three years ago the state health department, in conjunction with the Michigan Department of Education and the Michigan Tuberculosis and Respiratory Disease Association, recommended that all school boards require annual evidence that school personnel were free of tuberculosis.

According to Dr. Heustis, less than 50 percent of the state's schools had put the voluntary requirement into effect as of 1964, the last survey was taken.

The state health department has also supported activities carried out by local health departments and school boards to screen people for TB.

Dr. Heustis observed that a program to help insure more complete follow-up of patients treated for TB and discharged from hospitals would be in full operation within the next 30 days.

The program is designed to assist local health departments in carrying out procedures insuring that patients receive proper treatment without having to remain in hospitals any longer than absolutely necessary.

"At a certain stage in the disease, adequate out-patient treatment can be substituted for hospitalization," Dr. Heustis said.

He observed that last year the number of cases of TB in Michigan was approximately half the number reported in 1955. Hospital bed occupancy has also declined 1,558 in December, from 3,499 in December of 1954.

In the future, Dr. Heustis said there is an expanded use of chemotherapeutic drugs to prevent disease in people who have been in contact with infected persons.

In addition, Michigan is taking advantage of funds available from the federal government for such efforts. The funds are going mainly to problem areas in the southeastern part of the state, he commented.

Limited Number of Conservation Yearbooks Being Made Available

U.S. Representative Wes Vivian announced today that he has available a limited number of copies of the U.S. Department of Interior's Yearbook of Conservation. The glossy, color-photograph-illustrated volume is entitled "Quest for Quality."

"The conservation of our rapidly-depleting natural resources is surely one of the most urgent items on the national agenda today," Vivian said. "'Quest for Quality' is a valuable document of the effort now underway, and a magnificent guide to the magnitude of the job ahead of us.

"This is not a job which we will complete this year, or within this decade. Conservation is a continuing challenge, and one of ever-increasing dimensions. I am pleased to be able to offer this document, even if only in limited numbers, to persons in the Second Congressional District who share my concern about this vital area of national policy."

Vivian stated that persons who would like to receive copies of the volume should call his office, 71-6611, or stop in at 245 E. Stadium, in Ann Arbor. The Congressional office is open during normal business hours, Monday through Friday, as it has been for the past year. Because of the extremely limited supply, distribution will be limited to one per person.

TROOP 58—

Troop 58 met Monday after school at St. Paul's church with 19 Girl Scouts present.

After the opening ceremony, Scouts practiced for Father's Night, which will be March 8.

Scouts went to patrols and worked on badges. Mrs. Shoemaker is going to teach Scouts how to do smocking.

A Valentine party was held Saturday, Feb. 12 at the home of Debbie Fitzsimmons with 18 present. Valentines were exchanged, games were played, songs were sung. Refreshments of cake, ice cream, punch and candy were served.

The Feb. 14 meeting closed with taps.

Debbie Fitzsimmons, scribe.

TROOP 47—

Troop 47 met Tuesday. Scouts started to sew the hair on their puppets, then the sixth graders had a flag ceremony. Thanks to Joan Slane for bringing treats. The fifth graders did part of their magic carpet badge. Kathy Reilly did my home badge. The sixth graders did part of their personal health badge. The meeting closed with taps.

Cindy Leach, scribe.

TROOP 82—

Troop 82 met Feb. 15 at the Congregational church. The meeting was opened by Jacquie Frisch who played her trumpet.

New patrol leaders and assistants were elected. They are: Orioles, Scouts, Julie Ewald, leader and Janet Green, assistant; Sunflowers, Catherine Clark, leader, Gina Cotterman, assistant; Jolly Green Juniors, Sharon McClane, leader; Linda Hafner, assistant; Shamrocks—Jacquie Frisch, leader, Janice Schenk, assistant.

Refreshments were brought by Michelle McClear.

The Court of Honor has been invited to a Junior Patrol Workshop in Ann Arbor, Friday, Feb. 18.

The meeting closed with the National Anthem.

TROOP 98—

Girl Scouts of Troop 98 held their Wednesday Feb. 9 meeting at the Penthouse. The Father-Daughter Banquet was discussed and what Scouts would like to contribute to it. Scouts also discussed badge work. There was no closing.

Linda Merkel, secretary.

TROOP 77—

Girl Scouts of Senior Troop 77 met Feb. 2, after school in the lounge.

During the meeting it was decided to have a skating party the following afternoon, Thursday, Feb. 3. A previous skating party had to be postponed because of bad weather, and it was decided to continue the sport at a later date.

This time, the party was successful and was held at Susan Garlic's home at North Lake.

Sandy Knoll, scribe.

TOPS Group Fights Battle Of Bulge

Twenty-six area women have faced the problem of over-weight by admitting they are part of the statistics listing over-weight as the number on American health hazard and have joined the nationally recognized TOPS organization.

TOPS (take off pounds sensibly) members gather every Wednesday at 2330 W. Delhi Rd. at 1 p.m. to advise, encourage, and heckle each other into fighting their weight problems.

Crash diets and fads have no place in their group as each member must consult her own physician for her goal and the diet and the method used in losing the excess weight.

The local TOPS group is included in the Jackson-Lansing area and is part of a state and national group.

Weekly meetings begin with a "weighing in" of members and the roll call is then answered with the loss or gain in poundage.

The person losing the most weight is queen and wears a tiara throughout the meeting.

Boos greet those who have gained and they must wear a "pig bib" during the meeting. A "pig box" filled with penalties is passed to each "bib" wearer and she must follow the instructions on the slip drawn. Included among the many penalties are writing "I am a pig" 50 times or sing a song such as "Piggy, Piggy" to the tune of "Daisy, Daisy."

TOPS members obviously attack a serious problem by having fun and have mastered the art of laughing at themselves while removing the object of their merriment.

When a member loses the amount of weight recommended by her doctor or reaches her goal, she must wait three months more not gaining more than three pounds or losing more than seven to become a member of KOPS (keep weight off sensibly).

Kay Cornell, 700 Island Lake Rd., Chelsea, was Queen of chapter 65 last year after losing 45½ pounds. There are also state and national queens and last year's national queen lost 198 lbs. Monthly queens receive various prizes such as a shampoo and set, a low calorie luncheon, and the envy and applause of every other member.

Members take turns at being hostess for the weekly meetings and programs on self-improvement, hobbies, psychiatry, food preparation and so forth are offered.

Persons joining enter in one of five weight divisions which are over 300, 250-300, 200-250, 150-200, and 150 and under. For every 25 lbs. lost by a member every other member gives a dollar and the lucky winner also gets a low-calorie luncheon.

Members of Chapter 65 would like to see chapters of TOPS for both men and teen-agers of the area started.

Chapter 65 members come from Dexter, Chelsea, Ann Arbor, and Pinckney.

Anyone interested in joining this group may call 479-6006 for information.

Franklin P. Jones once said "A woman is never overweight until she has run out of places to hide it."

An honest look in the mirror the next time the battle of the bulge and girdle is being fought might bring club membership to a new all-time high.

SEA LURE

Figureheads that adorned sailing ships in the 19th century evolved from the ancient art of decorating bows to lure friendly spirits aboard.

MRS. DONALD YOUNG

SUE ANN EISENBEISER

Area Residents Earn Degrees at Eastern Michigan

Sue Ann Eisenbeiser, daughter of Mr. and Mrs. Warren Eisenbeiser, Frederick John Meyer of 507 Wilkinson and Mrs. Donald G. Young of 19986 Waterloo Rd. received bachelor of science degrees Jan. 23 at the mid-year commencement exercises at Eastern Michigan University in Ypsilanti.

Miss Eisenbeiser received her degree in special education, which qualifies her to work with physically handicapped children, with an elementary provisional certificate. Meyer, who is a research chemist with Gelman Instrument Co., completed the requirements for a degree in chemistry. The Meyers have two children, Carolyn, 5, and Elaine, 3. Mrs. Young, who is now teaching first grade at Gregory Elementary school, received her degree in education with an arts group major and an early elementary provisional certificate.

A total of 554 degrees were awarded at the mid-year commencement, including 355 undergraduate and 158 graduate degrees.

Charles L. Anspach, former president of Central Michigan University and a member of EMU's Board of Regents, delivered the commencement address. Dr. Anspaugh, who in the mid-1930's was dean of administration at Eastern, selected as his topic "An Exit Evaluation."

The presentation of candidates for bachelor's degrees was made by Bruce K. Nelson, vice-president for instruction. They were conferred by Edward J. McCormick, chairman of Eastern's Board of Regents.

James H. Glasgow, dean of the graduate school, presented candidates for the master's and specialists degrees. They were also conferred by McCormick.

Two Valentine Parties Provided for Boys At St. Louis School

Boys at St. Louis School were feted at two Valentine parties this week.

The Busy Bluebelles 4-H club, under the leadership of Mrs. Edwin Lantis and Mrs. Robert Bassett, came to the school Monday evening. Records were played and dancing provided entertainment. Cupcakes, candy and punch were served.

Tuesday evening, Mr. and Mrs. Ed Biessel gave a Valentine party for the boys. Ice cream sundaes, cupcakes decorated with a Valentine theme, candy and punch were served. Records were played. Attending the party were the sisters at the school, the priests, Mr. and Mrs. Richard Hubert of Ann Arbor and Mrs. Bill Robbins and Michael.

Supervisors, Board of Review Members To Attend Conference

Several members of township and village boards of review from the Chelsea area will attend a conference next Thursday in Marshall.

Attending the conference will be township officials Joseph Merkel, Victor Kohsman, John Eder and Sylvan Township Supervisor Maurice Hoffman. The village will be represented by Thomas Smith, assessor, Paul Niehaus and D. A. Riker.

The conference is jointly sponsored by the Michigan State Association of Supervisors and the 9th District Association. Registration begins at 9 a.m.

The conference, for township and city supervisors and boards of review in Calhoun, Jackson, Washtenaw, Branch, Hillsdale, Lenawee and Monroe countise, is also open to any village assessors who are not members of the County Board of Supervisors.

Reservations for the luncheon on Thursday, Feb. 24, may be made through Marcus J. Gray, Calhoun County Clerk, Marshall and should be sent in today.

About 88 percent of Michigan's Upper Peninsula is in forest land. More people are employed in the forest industry in the region than in any other segment of the economy.

Fashion Notes

One mistake many women make in selecting a dress is the fact of fit. No matter how beautiful the dress or the quality of the material, if it is an ill-fitting garment it is a total loss as far as the wearer is concerned.

One of the best dressed women in the States has said that she preferred a cheaper dress that was well fitted and becoming.

So bear in mind, when you start out shopping with that Christmas gift money, to be sure that the color compliments your complexion and eyes.

Just A Minute . . .

By the Rev. James A. Craig

What are you? An assortment of relatively inexpensive chemicals? The accumulation of a culture; the product of a family; the sum total of what you have been exposed to; the end result of a society hurrying to get to today only to pass rushing to tomorrow?

What are you? A bundle of ideas, of hopes, of opinions, of fears, of solitude, of worry, of friendships?

What are you? A human being with an amazing capacity to destroy and an unfathomed capacity to help and heal; a worker, a citizen, a master, a servant, a pin point in time, an influence slightly felt but shaping lives that will shape their world.

You're all of these things. Aren't we all?

And what of it?

Only that most of our time we spend doing things that don't mean much. Each of us wants to do something that is worthwhile.

Then we can listen to the words of Pope Gregory I to gain a perspective: "Be not anxious about what you have but about what you are."

And what you are is worth being. Jesus understood that when he reminded his listeners that even the hairs of their heads were numbered and no sparrow's flight went unnoticed.

DON'T REFREEZE

Thawing and refreezing of frozen foods should be avoided because of the adverse effect on nutrient content and flavor and the possibility of spoilage.

SUNDAY'S SERMON

HAPPINESS

Ask ten individuals to give you a brief definition of "happiness" and no two will give you identical responses. Happiness is somewhat like beauty. Every man has his own opinion of what constitutes perfection.

If you feel that you have been unable to find a share of happiness, perhaps it is time to evaluate your outlook. Just what constitutes happiness? What, specifically, would it require in the way of changes in your life to make you feel completely happy?

Is your search for happiness a realistic one? Have you, perhaps, been looking for happiness in the wrong places?

Happiness will not come to you like a bolt from the blue. Any search for happiness must begin within the framework of daily living. If you seek happiness, you must begin by doing what you can to impart a bit of happiness to everyone who comes your way.

Nearly 37 million enrollments were recorded in educational television during the 1964-65 school year, according to Dr. Lawrence E. McKune, director of the University of the Air at Michigan State University.

Extend Deadline Date for Highway Trainee Applicant

Lansing — The Michigan Department of State Highways has announced an extension from Jan. 31 to Feb. 14 of the deadline for accepting applications for the previously announced Highway Trainee Program, according to State Highway Director Howard E. Hill.

Application forms may be obtained from offices of county clerks except in Wayne county, the Michigan Employment Security Commission or the Michigan Civil Service Commission. Examinations will be given March 5 at various locations throughout the state to select 75 students to participate in the three-year program.

The three-year program alternates every six months between class work and job training. Students earn up to $200 every two weeks on jobs such as drafting, inspection, design and survey and attend Ferris State College, Michigan Tech and Lansing Community College.

Any high school graduate under 41, including those who graduate this June is eligible to take the examination.

Hill said the extension was granted to permit applicants more time to inquire about the program.

JANITOR-TEACHER

Springfield, Mass. — Students at American International College are being coached, in French by the woman janitor. Irene Nichols was born in France and at their insistence volunteered to conduct an informal course in conversational French twice-a-week.

HOME CLUB

Sixteen of the 40 players on the Detroit Tigers' 1966 spring roster were residents of Michigan.

THE COUNTRY PULPIT:

Now Is The Time!

Old John was suffering from an attack of bronchitis. His life was not in danger, but he felt painfully weak and ill. The Doctor made the necessary inquiries and, after promising to get some medicine ready when called for, he was about to say "good-bye" when the wife of the sick man inquired, "When must John take the medicine, sir?"

"I will put the directions on the label," replied the doctor; then, with a smile, he turned to the invalid and said, "Let me see; you are not very ill; suppose you begin taking the medicine in a month."

"In a month!" cried both at once in astonishment.

"Yes; who not? Is that too soon?"

"Too soon! — Why, I may be dead then!" said John.

"That is true; but you must remember you really are not very bad, yet — still, perhaps you had better begin to take it in a week."

"But, beggin' your pardon, sir, and I might not live a week," cried John in great perplexity.

"Of course you may not, John, but very likely you will, and the medicine will be in the house; it will keep; and if you find yourself getting worse you could take some. I shall not charge anything for it. If you should feel worse tomorrow you might begin even then?"

"Sir, I may be dead tomorrow!"

"When would you propose to begin then, John?"

"Well, sir, I thought you would tell me to begin today."

"Begin today by all means," said the doctor kindly. "I'm glad to see you realize how foolish it is to put off taking this medicine. But aren't you being just as foolish when you put off taking the medicine which the Great Physician has provided for your sin-sick soul?

"You have listened when I've told you about the need of salvation, but you have always postponed taking the remedy which God has provided. For years you have turned away from the Lord Jesus.

"You have said to yourself, 'next week' or 'next year' or 'when I'm on my deathbed, I will seek the Lord' — any time rather than the present.

"And yet the present is the only time that you are sure of God's offer. He says in II Corinthians 6:2 'Now is the accepted time; behold, now is the day of salvation'."

BUICK $1,000,000 SWEEPSTAKES

WIN $2,332

*Manufacturer's suggested retail price for Special V-8, 2-dr. coupe. Price includes Federal Excise Tax and suggested dealer delivery and handling charges.

Would you believe your car's vehicle identification number might be worth $2,332.00 in cash to you?

(This odd figure is also the price of a Buick Special*. Pleasant surprise, isn't it?)

HERE'S HOW IT WORKS: Check that car registration of yours. If the first symbols of your vehicle identification number on it match up with one of those listed at the right, you might have won yourself $2,332 cash. No slogan to invent, no puzzle to solve. To find out for sure if you won, just hop down to your nearest Buick dealer's. He's got a list of complete winning numbers posted. (No, you don't have to own a Buick to have a winning number.) If your complete vehicle identification number appears on his list—you're in the money.

Residents of Kansas, Missouri and Nebraska may, if they prefer, send in a postcard to R. L. Polk and Co., P. O. Box 1347, Detroit, Michigan 48231 and receive the weekly list of winning numbers by mail for comparison with their own vehicle identification number. An official entry form will be included. Sweepstakes limited to persons over 21 living in the continental U.S. Entries must be postmarked before midnight, Thursday, March 31, 1966. Not valid in Florida or states where prohibited by law.

Chelsea Elementary SCHOOL NOTES

NORTH SCHOOL

Second Grade, Mrs. Ford—

Every Wednesday we go into the gym for physical education. Sometimes we play games we have learned from our television program. Last week we did some tumbling stunts. Now we can all do a forward roll. We hope we can tumble again soon. It was fun!

All rooms enjoyed their valentine parties on Monday.

Spelling contests were held on Wednesday for the 5th graders at both schools. The Spelling Bee is sponsored by the Detroit News. The results will be published in next week's paper.

The boys in the 4th and 5th grades at the North school are enjoying the basketball practice they are having during noon hours. We thank Mr. Schmunk for coaching the boys during his noon hour.

We welcome Michael Wireman, kindergarten, and David Wireman, 1st grade, to our school. They come from Stockbridge.

SOUTH SCHOOL

Mrs. Hanna's Second Grade—

The boys and girls have just finished studying a unit on weather. They learned many things. The children especially enjoyed watching a cloud and fog form, and watching it rain right in the classroom. This was done with experiments. The children learned that a cloud is made of small drops of water in the air; a fog is a cloud near the ground; wind is moving air; and many other things. When tiny drops of water are cooled they come together and make large drops. In a cloud the large drops are heavy and fall as rain or snow.

The children are very excited now about penmanship. They are learning cursive writing. Right now they are in the process of learning how to make the small alphabet letters. Soon they will begin making the capital letters.

Band Boosters Plan Arrangements To Care For All-Star Personnel

The Band Boosters regular meeting was held Feb. 9 in the high school band room. Three ensembles from the Senior High band presented their festival selections: Sue Knickerbocker, Kathy Fulks, Debbie Kuhl and Sarah Storey—clarinet quartet; Kinyon Gorton, Marrianne Edwards, Ray Seitz, Nancy Koengeter and Sandy Johnson—wind ensemble; Tim Meininger, John Collins, Russell Maurer, Mike Funderburgh—brass quartet.

The various committee chairmen for the All-Star Band gave their reports. Plans are being made for the district band festival which will be held in Chelsea March 5.

Refreshments followed the meeting. The next meeting will be March 9.

A PLEA FOR UNITY

The Atlantic Council has urged the Johnson Administration to initiate a new drive to unit among the Atlantic allies. The council is a private organization composed of many national figures.

DISPLAYING COLLECTIONS made by Cub Scouts of Den I, Pack 455, Jack Willard and Chuckie Carpenter, both of Den I, explain to acting Cubmaster the Rev. John Smucker, back row left, District Commissioner Robert Lambert, and Den Mother Mrs. William Windell of Den II, what the different collections are. Cub Scouts compile collections as part of the requirements for one of several badges. The display was on exhibit at the Saturday evening Blue and Gold Banquet of Pack 455 at St. Barnabas church.

Animal Breeders Group Elects New Officers

An election of officers of the Washtenaw Chelsea Animal Breeder's Association was held recently at a board meeting at the home of Herman Koenn. Members elected to serve during the coming year are as follows: Herman Koenn, president; Robert Mast, vice-president; Wesley Amsdill, secretary and treasurer. Members of the board are Walter Wolfgang, Robert Breuninger, Harold Gross, and Raymond Schairer. Clifford Bradbury, James Bradbury and Keith Bradbury are the inseminators.

Fire Dept. Called For Smoking Car

The Chelsea Fire Department answered a call last Thursday at the home of Dr. James H. Botsford when smoke began pouring out of the motor of a car which was parked in a garage attached to the house. Firemen detached the battery cables. Some damage may have been done to the car's wiring system, according to Fire Chief James Gaken.
