Junior High Choir Tops in District Meet

The Chelsea seventh and eighth grade choir was one of only two out of 18 choirs awarded "one" or superior rating at the District IV Junior High Choir Festival held Friday, May 6, in Chelsea.

Eighteen groups from the suburban Detroit area competed for ratings in performance and sight reading. A final rating was determined, based on the average of the two areas.

A superior, or I, rating in both performance and sight reading went to the 9th Grade Mixed Chorus from Loma Valley Junior High school in Redford, and the 7th and 8th Grade Choir from Chelsea Junior High school. The Chelsea choir is directed by Paul W. Schultz and accompanied by Alice Tite.

Adjudicators had many nice comments for the Chelsea group. Dr. Eugene F. Grove from Central Michigan University said, "The students responded well to the director and sang with confidence. There is much evidence of thorough, careful teaching and effective learning." Ronald Melton from Midland High school stated "your uniformity is pleasing. To the eye and your sound anxious to do well and work with your director. Keep it up!"

This was the first year that sight reading was required at the Junior High level and it proved to be the downfall of many of the participating groups. Miss Martin White from Michigan State University was the sight reading adjudicator and had the following comments regarding the Chelsea choir: "Congratulations of your reading of rhythm. You have an excellent firm tone and I really like your confidence. This group shows fine reading habits and is an outstanding choir in sight reading."

In addition to participating in the festival, the 66 members of the choir assisted with the many details involved in hosting the festival. Schultz stated that he was "very proud of the choir's performance, both as musicians, and as hosts for the festival." More than 700 students participated in the event.

CLEAN-UP DAY: Monday and Tuesday were the annual spring rubbish pick-up days for the Village of Chelsea. Village residents who spent the weekend tidying up their basements, attics, garages and gardens had discarded items, including rakes and other rubbish not covered by the regular rubbish pick-up contract, disposed of by the Chelsea village work crews. Shown here as they loaded on a somewhat dismantled mattress are Fred Petch, holding left side of mattress, and Parker Brown on right. In the truck is Joe Brannan.

School Choirs Will Present Spring Concert

Famed MSU Professor H. O. Reed Will Appear as Guest Conductor

The Spring Choir Concert will be held at Chelsea High school next Sunday, May 15, beginning at 8 p.m. Performing groups include the 4th and 5th Grade Chorus, directed by Mrs. Alice Tite, and the 6th Grade Chorus, the 7th and 8th Grade Choir, and the High School Choir, all directed by Paul W. Schultz. The concert will be an appropriate "kick-off" to Michigan Week, since it will feature a guest conductor, Dr. H. Owen Reed, the composer of "Michigan March," "Michigan Morn" will be performed by the High School choir and will be conducted by Dr. Reed.

Dr. Reed is a highly respected composer of music for orchestra, band, chorus, and chamber music, plus several texts in music theory. He has degrees from Louisiana State University and Eastman School of Music and is presently Professor of Music and Chairman of Theory and Composition at Michigan State University. Among his many honors and awards are the Guggenheim Fellowship, 1948-1949, for creative work in musical composition, and the George Romney and Greater Michigan Foundation Citation for Distinguished Contributions in the Arts, 1963. He has been at Michigan State since 1950 and has studied with such eminent musicians as Howard Hanson, Aaron Copland, and Leonard Bernstein.

Other highlights of the concert will be folk songs with various instrumental accompaniment by the 4th and 5th, and also the 6th Grade Chorus, and the selections sung at both festivals will be sung by both the Junior and Senior High School Choirs.

Michigan Week Plans Completed

Winning dignitaries from DuSable's exchange city for 1966, Chelsea's exchange city for 1966, will be greeted by the Chelsea Mayor's Day activities, including a busy day for the Junior and Senior High School students, Mayor's Day activities, including a busy day for the Junior and Senior High School students, Mayor's Day activities, including a busy day for the Junior and Senior High School students.

The visiting dignitaries will be guests at a private dinner at Schum's before they return home Monday evening.

Storey commended the local facilities for their co-operation and civic pride in arranging tours and displays for the day. Displays of local products from the various factories will be set up on Main St. on Monday, according to Michigan Week Chairman Staffan.

The Mayor's Exchange Day will encompass the Michigan Week activities in Chelsea, according to Staffan, although other communities are planning activities throughout the week. Gov. George Romney has requested that village residents fly their flags all week, beginning Sunday, May 15, in honor of Michigan Week.

A caravan from Saline will visit Chelsea on Friday, May 20. Saline is celebrating the 100th year of its founding this year. Caravans from Chelsea visited Saline twice in 1965 to promote Chelsea's 125th anniversary.

School Board Petitions Due Saturday

Saturday at 4 p.m. is the deadline for filing petitions for non-residents for the Chelsea School District Board. Petitions for the June 13 election are to be turned in to Robert Foster, secretary of the Board. Petitions are available at the office of the superintendent of schools.

Two vacancies on the board will be filled. Board members whose terms expire this year are Donald Alber, who has already stated that he will not be a candidate for re-election, and Luther Kusterer. Although petitions have been circulated for Kusterer and have been turned in with the necessary number of signatures, he has not officially filed for the position.

Petitions are also being circulated for Lloyd Grau, Herman Koenig, H. Charles Powers, Dr. James Shaloun, Arthur Stoll and Robert Updegraff.

To be eligible for the position, a nominee must be a qualified voter in a school district and must own property which appears on the assessment roll. If property is jointly owned by husband and wife, both are eligible, if they are otherwise qualified.

Petitioners must obtain individual signatures of signers and not "Mr. and Mrs." or nicknames. At least 20 qualified school electors for this district must sign a petition for each nominee, and electors are reminded that they may sign petitions for only two nominees as only two board members will be elected for four-year terms.

Qualified voters are those persons 21 or older who are citizens of the United States and have resided in Michigan at least six months and in the school district for at least 30 days. Voters must also be registered in the township in which they reside.

Kindergarten Round-Up Is Slated Friday

Parents of children who will be five years old on or before Dec. 1 are asked to bring their children to South school Friday (tomorrow) to complete enrollment forms for the fall kindergarten classes.

Rural children and their parents are invited to come from 9 to 11 a.m. and children and parents living in the village are invited to come between the hours of 1 to 3 p.m.

While the children meet in either of the kindergarten rooms where supervised play and lunch will be provided, parents will complete the necessary forms and participate in discussion. Parents are requested to bring birth certificates to the Round-Up.

Parents may leave after completing the forms. If parents are unable to attend the enrollment session, they are asked to send the necessary information about the child to the South school by mail or to call the school today or next week. Parents are asked not to call on Friday because it will be a busy day at the school.

While the registration is being conducted on Friday, other elementary school children will be having a holiday and Junior High and High school students will also be out of school while their teachers attend schoolmasters' meetings.

School Millage Vote Slated Next Monday

Qualified electors of the Chelsea School District will vote Monday, May 16, in the gymnasium of the Junior High School Building, on a 2.25 operational millage increase.

The polls will open at 7 a.m. and close at 8 p.m.

Qualified electors include citizens of the United States who are at least 21, have resided in Michigan six months and in the school district 30 days preceding the election. Only persons who have registered as electors in the township in which they reside are eligible to vote.

If the increase is approved the total operational millage for the year will be 4.75 (\$4.75 on each \$1,000 of equalized valuation). The additional elementary and secondary teachers' salaries and salaries for teachers, increases in salaries for teachers, increases in salaries for teachers, increases in salaries for teachers.

The actual increase in the levy for school taxes will be only 1.25 mills, because of a reduction in the debt retirement millage.

School Board, CEA Reach Agreement

The Chelsea Education Association and the Chelsea Board of Education negotiation committee reached an agreement Monday evening on a three-year master contract governing teachers' salaries and employment conditions for the Chelsea faculty.

It is expected that the Chelsea Education Association will submit the agreement to their members in the immediate future for ratification. If ratified by the Association, the contract will take effect on June 30, 1968.

Members of the respective committees expressed satisfaction with the results of negotiations and are hopeful that it will be ratified.

The master agreement provides for salary increases and contains numerous provisions regarding a variety of employment conditions, such as sick-leave policy. It also establishes a Policy Review Committee which "hopefully will promote improved communications between the Board, administrators and teachers in respect to teaching conditions, curriculum, and other matters of mutual concern. The Policy Review Committee is to be established within 60 days of the start of the 1968-69 school term and will serve in an advisory capacity.

In addition, a grievance committee is also provided for in the contract.

Township Primaries Slated Aug. 2

Petitions for township offices are now available from the township clerks. The nominating petitions must be filed with the clerks by June 14 containing the required number of signatures.

This year will mark a first in township government as primary elections are now required by state law. Previously, candidates were nominated in party caucuses. The primaries this year will be on Aug. 2.

Prospective candidates for township offices must obtain not less than one percent, nor more than four percent of the signatures in the township registration. This means that the total number of signatures will vary from township to township. In Sylvan township candidates will need not less than 23 nor more than 80 signatures while Lima township will require between 7 and 28 signatures. Offices to be filled may vary from township to township, all made in other years have varied.

D. Rowe Named To State Water Advisory Board

Diane Rowe has been appointed to the state advisory board on the registration of water well drillers. The appointment was made by Governor George Romney.

Rowe, who resides at 18530 Bush Rd., is president of the Michigan Well Drillers Association.

Gov. Romney also announced the appointment of Edwin Hakala of Espenme, Lyric Park of Walker, Glenn Miller of Brighton and Forest Ringle of Lansing to the board.

CHS Band Gives Concert At Okemos

The Chelsea Band traveled to Okemos Saturday to perform in an exchange concert program begun last year when the Okemos band visited Chelsea and performed in a similar combined concert.

When the Chelsea Band arrived in Okemos Saturday morning, they rehearsed in combination with the Okemos Band under the direction of Professor Leonard Falcone, director of bands at Michigan State University.

Dr. Falcone, a baritone soloist during the All-Stars Band Concert in Chelsea in February, has a national reputation as a distinguished conductor, adjudicator and clinician.

Saturday afternoon was free, and most of the Chelsea students toured Michigan State University. A dance and party followed a second rehearsal Saturday evening.

Professor Falcone also rehearsed with the group on Sunday morning, after which the students went to the host families homes for lunch.

A combined concert was held at 4 p.m. in the Okemos gym. The Chelsea Band directed by Bruce Galbraith and assisted by Martin Curvey, played three numbers: "Chelsea Suite" by Thielman, "650 East" by Oldham and Hale, and "Mars" from the "Planets," by Holst.

The Okemos Band, directed by Phillip Hillstrom, played "Indiana March" by Dello-Ces and "Enigma Variations" by Edward Elgar. Phillip E. Hillstrom directs the Okemos Band.

The two bands then joined forces under the direction of Professor Falcone and played "Noble Men" by Fillmore, "Festival Prelude" by Reed, "Finiculi Finicula" (Continued on page five)

Jaycees Win State Awards

Chelsea Jaycees traveled to Lansing Friday and Saturday to participate in the state Jaycee convention.

The Chelsea club brought home several awards, including a first place award for civic improvement, a second place award for public relations, and two third place awards for inter-club relations and ways and means activities.

Attending the convention from Chelsea were Art Stoll, Mike Sweet, Tony Bowen, Mr. and Mrs. Dick Irwin, Mr. and Mrs. Alton Guenther, Mr. and Mrs. Bob Undergraff, Mr. and Mrs. Dave Rowe, Mr. and Mrs. Ken Norris, Mr. and Mrs. Silas Hopkins, Mr. and Mrs. Art Steinhaw, Mr. and Mrs. Dan Maroney, Mr. and Mrs. Vern Otto, and Mr. and Mrs. Ron Brannan.

Carol Cameron Named To Phi Beta Kappa

Miss Carol Cameron, daughter of Chelsea School Superintendent and Mrs. Charles Cameron of 615 N. Freer Rd., has been elected a member of the Kalamazoo College chapter of Phi Beta Kappa. She was one of 17 students from the college recently selected for the national honorary. Miss Cameron is a senior.

Poppy Sale Scheduled Next Friday

Chelsea residents are reminded that the annual Poppy sale will be Friday, May 20, in the Chelsea business district. The sale is sponsored by the Ladies Auxiliary of the Veterans of Foreign Wars, Post 1056, and the Herbert J. McKune Unit of the American Legion Auxiliary.

The American Legion Auxiliary poppy sales chairman is Mrs. David Stricker. Other members of the committee are Mrs. Richard Kern and Mrs. George Winans.

Mrs. Fred Kling, St. B. is the poppy sales chairman of the VFW Auxiliary.

The Poppy is a circular poppy made of a red, white and blue material with a green stem through the center. These poppies are made by disabled veterans who are residents of the Michigan Veterans Facility located in Grand Rapids and symbolize the sacrifice of the veteran's organization. We Honor The Dead by Helping the Living.

CLUB 13
Club 13 met May 2 at the home of Mrs. Clarence Nutt. The girls received their pennies awards for wearing their uniform to club. The two high winners were Denise Nutt with 22 cents and Kathy Sannes with 21 cents. The club welcomed two new members into the club, Miss Karen Milliken and Miss Cindy Rosentrotter. The girls made baskets of flowers for Mother's Day and were each given a tablet of writing paper for their mothers too. Club calendars were passed out and refreshments were served.

Mother-Daughter Banquet Held at Waterloo Church

Approximately 50 guests attended the Mother-Daughter banquet Saturday evening, May 7 at the EUB church school house, Waterloo.

The tables were decorated with dolls representing several nationalities. Programs were in the shape of paper dolls in various colors. Walters serving the ham dinner were George Michaels, the Rev. Wilbur Silvernail, Bernard Prentice and son, Wayne, Cas Case, Willis, Schulz and sons, Wesley and Floyd.

Following the dinner the ladies adjourned to the church for the program, with Mrs. Barbara Reeman as toastmistress. "Do-Re-Mi" was sung by a trio of little girls, Betty Parker, Debbie Clouse and Sherri Silvernail, accompanied by Mrs. Jean Silvernail. Toast to the mothers was given by Mrs. Ruth Michaels and toast to the daughters by Mrs. Mildred Carty. Mrs. Jean Silvernail then introduced the speaker, Mrs. Tassone who has a doll museum in Greenvale. She showed a number of dolls popular through the years—the Columbian doll of 100 years ago; the sawdust doll of 1905; Tony doll popular in 1910; raggedy Ann and Andy dolls of 1921; an Aunt Jamima doll of 1925; the Kathy Cruise doll that was manufactured in Germany in 1912 and was brought to the states in 1914; a Lenzi doll of Italy. Thank You dolls of Japan of 1942 to mention only a few of the more than 1,000 dolls Mrs. Tassone has in her museum.

Following her talk a duet "Mother's Prayers Have Followed Me" was sung by Miss June Levan and Mrs. Shirley Case accompanied by Mrs. Annabelle Woolley.

Mrs. Bessie Barber then presented gifts of flowers to the oldest mother Mrs. Laura Vicary; the youngest mother, Mrs. Ruth Schauer; the youngest daughter, Betty Case; mother with the most daughters, present, Mrs. Harold Schauer; the mother coming from the farthest distance, Mrs. Mary Switzenberg and the youngest grandmother, Mrs. Geraldine Klink. Mrs. Tassone was presented a token of appreciation which she then presented to Mrs. Bessie Barber, president of the WWSW to be used in special work of the organization. The program was then brought to a close with prayer by Mrs. Jean Silvernail.

THANK YOU

We wish to extend our thanks to all our friends and relatives for the acts of kindness, messages of sympathy, floral and memorial offerings received at the time of our recent bereavement. We especially thank the Rev. Robert A. Livingston for his prayers and comforting words and for the use of the Congregational church, Olive Chapter No. 108 for the beautiful service and the beautiful lunch served to our friends and relatives.

Also many thanks to the Burghardt Funeral Home for all the kindnesses extended to us at this time. All was very much appreciated.

THANK YOU

I would like to extend my sincere thanks to all my friends and relatives for all they did for me and my family during my stay in the hospital.

Gratefully yours,
Nancy Wood.

THANK YOU

I wish to thank all my friends, relatives and neighbors for their many acts of kindness while I was in the hospital and since my return home. Thanks for all the cards, plants and flowers; for the food brought in and the transportation for my wife to and from the hospital. My thanks to the Chelsea Blood Bank and to the Rev. Siebert for his calls and prayers. Words cannot express my appreciation.

SADIE HAWKINS WEEK

CHS students participated in the traditional "Sadie Hawkins Week" May 2 through May 6. Sadie Hawkins Week is an annual project of the GAA. This year Cindi Hertel and Karen Tandy were placed in charge of organizing the week. The dress was designated as follows: Monday, Bermuda; Tuesday, backwards day; Wednesday, crazy hat and shoe day; Thursday, crazy shirt day; Friday, dress-up day.

There was also a contest held during the week in which candidates were chosen for the honor of being Lil Abner and Daisy Mae at the dance Friday night. Students by putting money in their canisters. Each penny counted for one point toward the candidate. The money collected from votes was used to finance the big dance Friday night.

A literary magazine is being published at CHS this year for the first time in Chelsea's history.

The magazine, "Academe," will include student work in writing, music, art, and photography. All together 17 students work will be included in the magazine.

"The Academe" staff hopes that the magazine will give recognition to the best writers, artists, photographers, and musicians of

Chelsea High, and encourage students and the whole town become involved in school activities," according to Tina Lind, editor of the magazine. The magazine, which is scheduled to come out on May 21, is sold for 50 cents. Jan Koenigter is poetry editor of the magazine; Ron Watkins, editor; Terry Ferris, press editor; Nancy Mshur, technical editor. Members of Journalism first narrowed the field of candidates. Mrs. Jeanne Stock and James LaGoe made the final selections.

CHILD STUDY CLUB
Chelsea Child Study Club met Tuesday evening at the home of Mrs. Michael Papo. The president, Mrs. Paul Schable, presided at the meeting. Three guests were present, Mrs. Antonius Vandervoort, Mrs. William Storey and Mrs. John Haas. Co-hostesses for the evening were Mrs. James Shadon and Mrs. Robert Robbins.

At the annual meeting following the regular business meeting, annual reports were read. A Hobo Breakfast was announced. It will be Wednesday, May 15, at 10 a.m. at the home of Mrs. John Steele. In case of rain, the meeting will be postponed until Thursday, May 16. If it rains on May 16, the group will meet at the home of Mrs. Larry Chapman for a 9 a.m. breakfast. Guests are welcome.

The speaker, Mrs. Margaret Dietz, spoke and showed pictures of her trip to Egypt, Berlin and the Holy Land.

The next meeting will be the Spring Dinner Tuesday, May 22, at 7 p.m. at the home of Mrs. Robert Daniels. New officers will be installed at this meeting.

MODERN MOTHERS
Modern Mothers Child Study Club at the home of Mrs. William Clark Tuesday evening with Mrs. John Steele as co-hostess. Installation was held, installing officers for the 1968-69 year.

A short business meeting followed. It was decided to hold a picnic lunch June 22 at Pierce Park for each mother and her children. Discussion on the husband's night steak roast was held. Mrs. Donald Eder designated what each member was to furnish. The meeting was concluded with the arrival of Dr. Bacon from the Polson Central Station in Ann Arbor.

Dr. Bacon stated that the purpose of the center was three-fold: to provide information to treat emergencies and to collect data concerning the most common types of poisoning and where these poisonings occur. Members felt that much valuable information was learned.

Fourteen members and one guest attended the meeting.

Linda Goodell, James Hartmann, Mother-Daughter Banquet Held at Salem Grove

Miss Linda Goodell and James Hartmann exchanged wedding vows Saturday evening in a candlelight ceremony at the Emanuel United Church of Christ in Manchester. The double-ring ceremony was performed by the Rev. Ralph Kuether before an altar decorated with white gladioli and snow flowers.

The bride is the daughter of Mr. and Mrs. George Goodell of Manchester and the bridegroom is the son of Mr. and Mrs. Douglas Kennedy, also of Manchester.

"The Wedding Prayer" and "The Lord's Prayer" were sung by Roger Marvinson during the ceremony. Preceding the ceremony, traditional wedding music was played by Douglas Spike on the organ and Tom Uphaus on the piano.

The bride selected a floor-length gown with a detachable chapel train of angel-mist tulle. The scooped neckline was outlined with applique of re-embroidered lace. With lace also decorating the front of the bell-shaped skirt. Flattering sleeves completed the bodice. A petal and pearl headpiece held the elbow length bouffant veil of illusion in place. She carried a cascading bouquet of yellow daisies and pink sweetheart roses.

Miss Diane Dresselhouse of Manchester, a cousin of the bride, served as the maid of honor. She wore a floor-length aqua gown of nylon chiffon over tulle, styled with a square neckline and bell sleeves and skirt. The Empire waist was trimmed with venise lace. Miss Dresselhouse carried a bouquet of yellow and white daisies.

The bridesmaid, Miss Shirley Fraus of Manchester, was attired in a similar gown.

Donald Hinderer, cousin of the bridegroom, was the best man. Ushers were Roger Kipple and two of the bride's brothers, Larry and David Goodell.

Mrs. Goodell selected a light blue knit three piece suit and black accessories for her daughter's wedding. Mrs. Kennedy wore an aqua sheath with beige accessories.

At the reception following the ceremony in the church hall, Marilyn and Jeanne Hinderer of Chelsea, cousins of the bridegroom, and Nancy Kennedy of Manchester sister of the bridegroom, poured. Attending the guest book were Gloria Grossman of Manchester and Deborah Grossman of Clinton. Kathleen and Maureen Kirk and Kathy Mann, all of Manchester, cut the cake.

For traveling, Mrs. Hartmann selected a heaving bone light green and beige suit with beige accessories.

St. Mary School Association Plans Annual Parish Picnic

St. Mary School Association members held the May meeting at the school Tuesday evening, May 14 and discussed plans for the annual parish picnic. Date set for the event is Sunday, June 26, with St. Louis school grounds tentatively set as the location, pending approval by the school administration.

Co-chairmen of the parish picnic are Martin Tobin and J. V. Burg. Mr. Mark McKernan was named as the chairman of the hot lunch to be served today to pupils at St. Mary's school.

Frank Warywoda, who with Edward Opyowski, headed the committee in charge of the recent smorgasbord dinner, said 1,200 persons were served and expressed appreciation to all who helped make the project a success.

Sister Rosalyn's fifth and sixth grade room and Mrs. Gladys Kolb's fourth grade room, shared honors for parent attendance at Tuesday's meeting and are sharing the banner presented each month to the room with the largest number of parents who are present for the meeting.

Refreshments were served by Mrs. Walter Bolanowski and Mrs. Robert Tobin.

Hostesses appointed for the June meeting are Mrs. Martin Tobin and Mrs. Frank Warywoda.

Public Apathy
Pointed Out
By Minister

Citizen apathy was the topic of the Rev. James A. Craig's talk before the Chelsea Kiwanis Club at their regular Monday evening meeting.

The first Methodist church minister suggested many ways in which the Chelsea Kiwanis Club and its members could be of great value to the community. He suggested a school curriculum study aimed at developing a more rounded course of study and meeting the needs of young people through other facilities, such as a teen center.

The Rev. Craig also mentioned ways in which Chelsea could be made more appealing to the heavy summer vacation population.

Clare Warren, program chairman for the evening, introduced the Rev. Craig. Junior-Bless introduced Charles "Clup" Winans, a member of the Key Club, as his guest. Postmaster Richard Schaubles was a guest of Paul G. Schaubles, Jr.

Fred Pearsall, chairman of the Mothers' Day flower sale held at Hilson Plumbing, reported a net profit of \$155.25.

President Jack Fowler gave a Bon Voyage send-off for immediate past president Don Turner, who is leaving for Alaska and the land of the Arctic to make a film. Turner has had a special truck with a house on wheels built and will be joined by Ralph Guenther sometime in August. Turner will probably return to Chelsea in October or in November.

An inter-club from Chelsea will attend the joint meeting of clubs of Division 6 at Michigan Union in Ann Arbor Tuesday evening with the purpose of forming a Sixth Division Kiwanis Council.

As part of the Kiwanis Presidents' Exchange Week an inter-club from Chelsea attended the meeting of the Farmington Club Tuesday evening with President Jack Fowler presiding.

Questions & Answers

Bread crumbs used in a meat loaf occasionally make the loaf dry, even when it is basted frequently during the cooking. Is there a remedy?

Use soft bread crumbs and moisten them slightly with small quantities of white wine and milk. Or, omit the bread crumbs entirely and use in their place finely grated raw potato. Use one-half cup of grated potato for each one and one-half pounds of meat. No basting is necessary when grated raw potato is used; the loaf is light and retains its moistness even when cold.

New Park Manager Trainee Joins Waterloo Recreation Area Staff

Richard J. Nollitz, a native of Manitowish, Wis., has joined the Michigan Conservation Department's Waterloo Recreation Area as a Park Manager Trainee.

Nollitz attended St. Norbert College in Wisconsin and received his bachelor of science degree in forestry from the University of Michigan in 1958. Following employment with the Department as a Forest Trainee for one year, he returned to the University for a post graduate course in recreation.

Nollitz will be assigned to parks and recreation management activities under the supervision of veteran park superintendent, John P. Weiler. The appointment, which was effective May 1, was announced by Warren W. Shapton, conservation regional manager, and is in accordance with civil service recruitment procedures.

Discovery of the means of applying rotary motion to machines is considered to be one of the greatest inventions in all history.

SUNDAY'S SERMON

RECOGNITION

We all desire recognition. We search for it. It is said that the "bad" child is actually seeking recognition. Some individuals even seek recognition by the manner in which they dress, wear their hair, or otherwise try to be "different."

Sometimes, even wise men are confounded by the foolish things of this world. Some do foolish things in an effort to achieve riches, glory or fame.

The glory of this world is short-lived. Earthly recognition is subject to the unfailing short memory of mankind. Glory belongs to God. Nothing man might achieve can compare to the life and death of Christ, the example of supreme sacrifice, sacrifice not in search of glory, but in fulfillment of a promise that mankind be shown the road to eternal salvation.

Recognize God and you shall achieve a greater happiness.

**Just A
Minute....**
By the Rev. James A. Craig
"Family life in America is disappearing." So claim some of the experts—or, at least, some of those who claim to have studied the problem.

Before we agree with them we had better do some thinking of our own.

It is true that family life in America, and, for that matter, other parts of the world is changing. It's an open question as to whether it is disappearing.

The change has been in the direction of more activities centered outside the home. More lodges, more clubs, more recreation, more school and church programs, more hobbies, more of just about everything.

People who want to know what is going on in the world and are interested in a number of things are going to find these interests satisfied somewhere else than in the home and among the family.

We simply are not well enough equipped to meet all of the desires of each member of the family.

Therefore, he has to go somewhere else.

We shouldn't be unduly upset by this. After all there is a good precedent for it.

On one occasion some members of a family came looking for another member. When they asked for him they were told that "he was my family." These among whom he chose to live and work.

His idea of the family was that it was a place where one person could serve the needs of another for the common good of all. The family did not exist to serve him. He lived to serve it.

His name, of course, was Jesus. And his point was that we are all members of one family and that in it each is a servant to the others. In it there are no boundaries of race or creed. In it are people not unlike ourselves.

Tomorrow's Weather

"A ring around the moon means rain or snow," "Rain before seven, stop before eleven," and "Rainbow in the morning, sailors take warning" are old weather sayings. People have observed that certain clouds, wind, or pressure conditions can tell us what the weather will be.

Greater knowledge of the weather and more weather stations have enabled us in recent years to forecast the weather for weeks and even months.

The ancient people also realized this. Jesus once said: "When ye see a cloud like a man's hand, it raineth. And when ye see the south wind blow, it is hot. And when ye see the north wind blow, it is cold. There will be heat and it cometh to pass." Luke 12:54-56.

We therefore seem to be reasonable people. We use our minds. We can discern the signs of the weather and of the earth. How is it that ye do not do this at this time? Luke 12:56.

We are told so many times that we have read this far because you are interested in the weather which affects your daily life. Now that we have read this far, you are ready to go on to something else—although it affects your eternal life.

You believe the weather man and trust in the laws of nature. Yet you will not listen to the words of the God who made both the weather laws and the moral laws.

Let me tell you that the moral laws are just as certain. In fact, more so.

The wages of sin is death. (Rom. 6:23)

The soul that sinneth, it shall die. (Ezek. 18:4)

It is appointed unto man once to die, but after this the judgment. (Heb. 9:27)

The wicked shall be turned into hell. (Ps. 9:17)

He that believeth not shall be damned. (Mark 16:16)

You would be stupid to go out in a small boat if a hurricane were on the way. Even if at the moment all was quiet.

So also there is no other word for you but "ditch" if you think you shall escape the laws of God just because at present all is quiet.

God Himself has provided the only way to escape the punishment due to sin.

God died for our sins. (1 John 4:10)

Christ died for our sins. (1 Cor. 15:3)

God commands that all men everywhere should repent. (Acts 17:30)

Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house. (Acts 16:31)

God has provided that this day to turn from the service of sin and sinners to believe on His Son. Do it today!

25,000 Miles by Air
During Current Season

Detroit — The Tigers will log over 25,000 plus miles in the season, giving them a total of nearly 250,000 air miles since they took to airplanes in 1957. The club has booked 44 flights according to Charles C. Reeder, traveling secretary, all of them with United Airlines. Most of the trips are chartered, using DC6B planes, but jet planes have been booked for flights to and from the Pacific Coast.

The Tigers' only other travel during 1966 consists of two bus trips between Detroit and Cleveland.

Junior High Track Team Still Winning

The Chelsea Junior High track team has now gone through five consecutive meets undefeated as they beat Whitmore Lake last Wednesday, May 4, 86-18, and then on Monday, May 9, defeated Tecumseh for the second time, 65-43, in a meet originally scheduled for Chelsea's track but switched to the Tecumseh track because of the Ingham county meet being held here.

Some fine performances were turned in against Whitmore Lake even though the opposition was weak.

The Tecumseh meet was run in very cold weather and into a strong wind so the performances were not so good.

CHS Baseball Team Splits On 2 Games

The CHS squad battled its way to victory Tuesday night by a score of 12-8 over Lincoln. The opening run of the game was made by Neil Packard on an RBI batted in by Tom Wojcieki.

Dennis Kye pitched the entire game.

Tom Wojcieki broke an 8-8 tie in the sixth inning when he hit the first home run for the CHS baseball season.

Chelsea out-hit Lincoln, 13-7. Dave Blaess hit a triple, while Dan Parsons and Duane Schroon each had two singles to help the hitting attack.

Chelsea 3, Dexter 1—Dexter, dimmed Chelsea's chances of sharing the Conference championship on May 5 by defeating them 4-2. It was a closely played ballgame with Tom Wojcieki giving up only four hits, but a few fielding miscues turned victory into defeat. With the score tied 3-3 going into the bottom of the sixth, Dexter's first batter grounded out, but the next hitter hit a fly ball which Neil Pakeny misjudged and it fell in for a two-base error. Then Ed Arbour hit a double, driving in the winning run. Dan Parsons had two hits in three times at bat for Chelsea.

MYSTERY SOLVED: For the identity of these two charming children, see the photo reprinted beside this picture. This "mystery picture" caused a great deal of comment in Chelsea during the past week after The Chelsea Standard printed it along with the account of the 1917 twister which carried the photo from this area on June 6, 1917, and deposited it, uninjured, on the farm of Miles Frusher in White Lake township of Oakland county. Frusher found the photo lying in a field one evening, picked it up, put it away with other photos, and just recently rediscovered it while looking through old photos. He brought it to The Standard office and wondered if any Standard readers could identify the pair. Several area residents said the children "looked familiar" and it wasn't long before the pair were identified as Elmer and Walter Haab. Elmer, on the left in both photos, jokes that he has lost his curls, bows and ruffles, common dress for babies of both sexes in those days, and which misled many persons into thinking the youngster was a girl. The brothers have enjoyed the "mystery" and said that the picture must have been blown away from the home of their uncle, Christian Graus, whose farm buildings were all destroyed in the tornado. Incidentally, the daughter of the Christian Graus, who was reported "severely injured" was Mrs. Amanda Beuerle, who today lives in Ann Arbor, and Walter lives at 19147 Grass Lake Rd., Manchester. Earl and Today, Elmer lives on the Graus farm, located at 13081 Waters Rd. Walter, who are 86 and 68, respectively, estimate that they were probably about 3 and 5 or younger when the original photo was taken in Shaver's studio in Chelsea. The boys were then living in Chelsea, say they remember the storm and the ruin left in its wake.

Chelsea Girl's Husband Completes Air Force Special Survival Course

Reno, Nev. — Captain Elmer G. Gleske, whose wife, Joan, is the daughter of Mr. and Mrs. A. D. Schneider of 230 Washington St., Chelsea, Mich., has completed the rigorous U. S. Air Force survival and special training course conducted by the Air Training Command at Stead AFB, Nev.

Captain Gleske, a project engineer, received combat-type escape and evasion training for survival under adverse climatic conditions and hostile environments.

Captain and Mrs. Gleske will be in Sumter, S.C. from May 14 to Oct. 19, where he will undergo training in piloting reconnaissance planes before being assigned to Tan Son Nhut in support of the Pacific Air Force, the nations combat-ready air arm guarding the 10,000-mile Bamboo Curtain.

Mrs. Gleske will move to Chelsea in September where their two

sons, John, 5, and Robert, 8, will be enrolled in school.

A graduate of West Technical High school, Cleveland, O., Captain Gleske was commissioned in 1954 upon completion of the Air Force Reserve Officers Training Corps program at Ohio Wesleyan University, where he was graduated with a BA degree in mathematics. He is a member of Phi Kappa Psi.

Captain Gleske, who earned a BS degree in aeronautical engineering at the Air Force Institute of Technology, Wright-Patterson AFB, Ohio, was later assigned to the Special Weapons lab at Kirtland AFB in Albuquerque, N.M.
