SCHOOL MILLAGE VOTE SLATED TUESDAY

Primary Vote Slated Tuesday For Townships

Heated Contests Will Be Determined In Legislative, Judicial Nominations

Voters will march to the polls Tuesday to end intra-party fighting on two important legislative and judicial contests.

In the Republican ticket, voters will choose between Marvin Rich and George Meader to decide which name will appear on the November Republican ballot as candidate for Representative in Congress from the Second District.

On the Democratic ticket, voters will decide whether the name of Jerome P. Cavanaugh or G. W. Williams will appear on the November Democratic ballot as candidate for Representative in Congress from the Second District.

This is the first year that township governments have been required to nominate by primaries. Previously, candidates have been selected in party caucuses in most townships. Said township has held primaries for several years.

Residents must be registered to vote with the township clerk of the township in which they reside in order to be eligible to vote in the Aug. 2 primary.

Sylvan Township
Only one township primary race has developed in Sylvan township. That race is for the Democratic nomination for treasurer, Mrs. Olie (Rena) Johnson and Albert Penhaligon will compete for the nomination on Aug. 2.

Other Democratic candidates whose names will appear on the ballot are Maurice Hoffman, supervisor; Daniel J. Murphy, clerk; Paul F. Niehaus, trustee.

On the Republican ticket will appear the names of Joseph Merkel, for supervisor; Fred Pearsall, treasurer; Reuben Lesser, trustee; and John Piorson and Howard Walz, constables. Two constables will be elected.

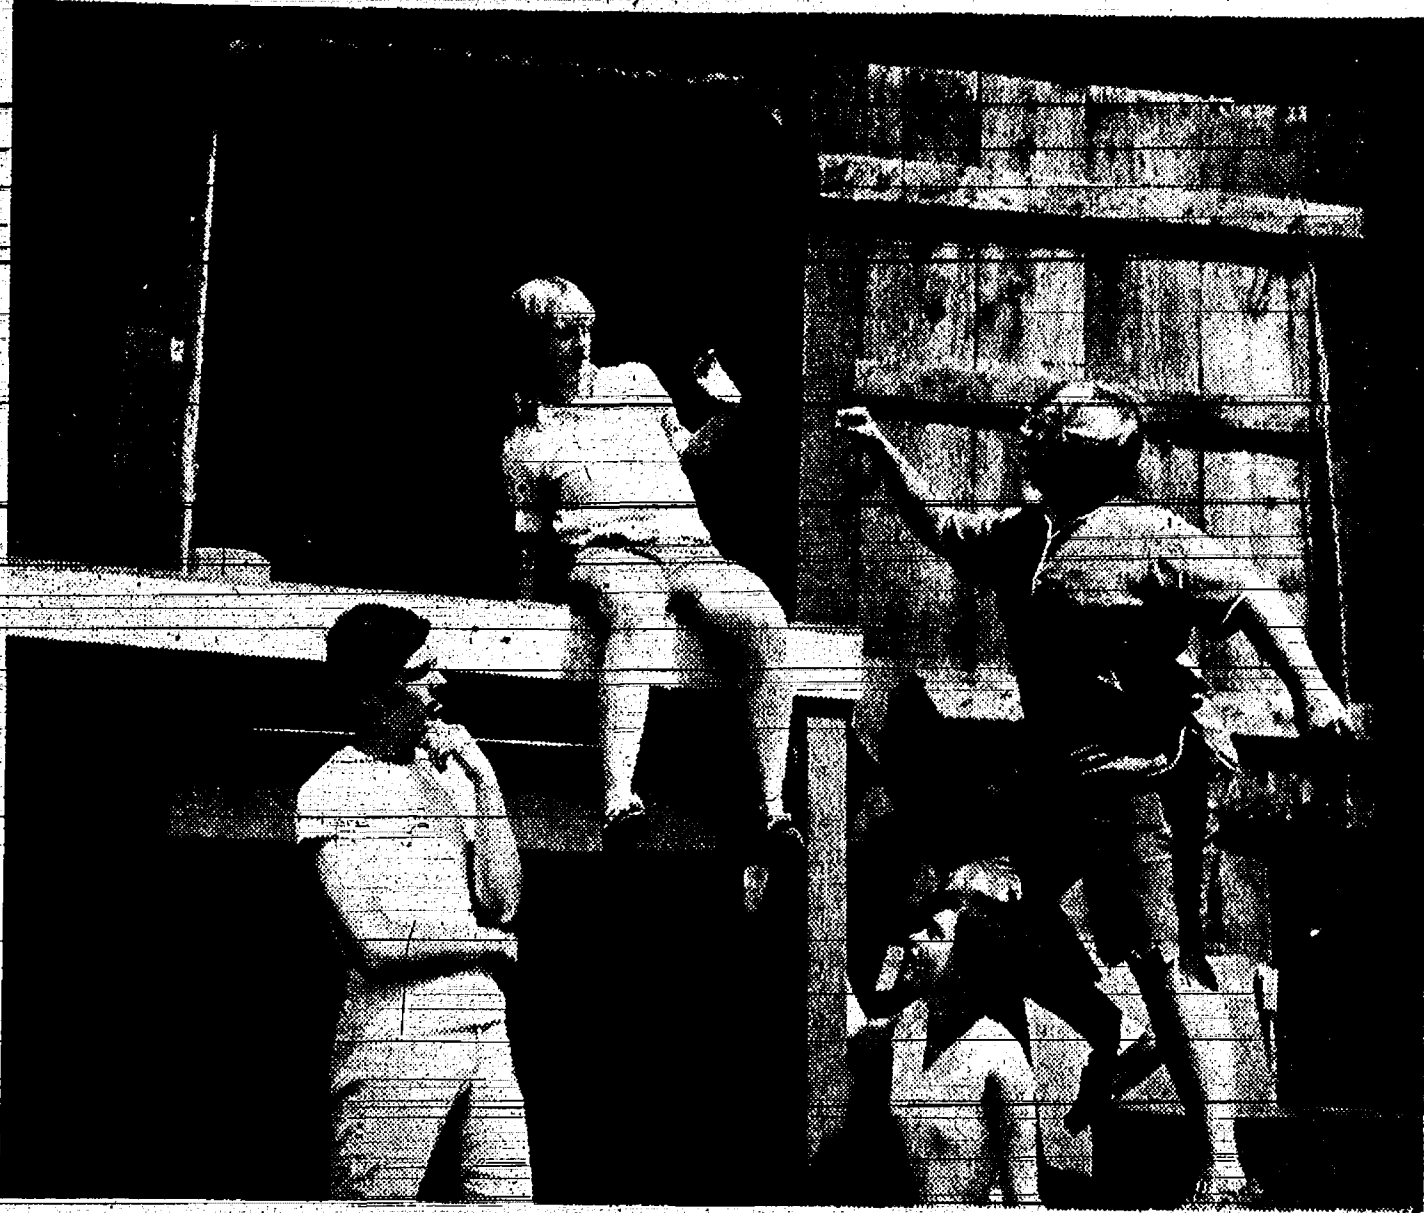

Lima Township
Lima township will have no primary contests, with Republicans J. L. Bradbury seeking his party's nomination for supervisor; Duane Luck, Republican, running unopposed for clerk; Hilda Pierce, Republican, filing for treasurer; Harold Gross, Democrat, running for trustee; and Ralph Stoffer, Democrat, seeking the office of constable.

Lyndon Township
Lyndon township voters will have nearly full slates on both tickets.

On the Republican ticket are George F. Bauer, supervisor; Mrs. George (Emma) Goodwin, clerk; Mrs. Mary Clark, treasurer; E. J. Hopkins, trustee; Donald Beeman, Norman Kaiser and Yassel Ledford, constables; E. J. Hopkins, Dean Clark and Earl G. Lee, Republican committeemen.

Candidates on the Democratic ticket are Dennis Guinan, supervisor; Mrs. Robert V. (Vera) Bezzet, clerk; Mrs. Gerald (Rita) Grohmer, treasurer; Orson Beeman, Sr., trustee; Norman Bott and Richard Menges, constables; Gerald Grohmer, Dennis Guinan and Orson Beeman, Sr., Democratic committeemen.

(Continued on page six)

ELIZABETHAN STAGE, partially completed, provides the setting for the Homestead Arts Camp production of William Shakespeare's "Twelfth Night." Campers, ages 9 through 17, are constructing the stage, sewing the costumes, painting the scenery, taking charge of lighting and make-up and acting the various roles in the Aug. 4-5 production. Shown rehearsing one scene from the play are, standing at left, Roger Frisinger, son of Mr. and Mrs. George Frisinger of 13450 Jerusalem Rd., on whose property the barn-turned-theater is located, and Lori Smith, on the balcony, Alice Reutland, kneeling, and Austin Ingelhart, shaking his fist, all of Ann Arbor.

Summer Theatre Presenting Shakespearean Production

Shades of William Shakespeare will again haunt the big red barn on the George Frisinger farm, 13450 Jerusalem Rd., Aug. 4 and 5, as members of the 1966 Homestead Arts Theater Camp present "Twelfth Night."

The production of the Bard's famous comedy about mistaken identities will begin at 8 p.m. on a specially constructed outdoor Elizabethan stage.

Acting in the leading roles will be Roger Frisinger, son of Mr. and Mrs. George Frisinger, in the role of Sebastian; Lori Smith of Ann Arbor in the role of Olivia; Agnescheek Austin, Ingelhart of Ann Arbor in the role of Sir Toby Belch; Lucy Winner of Ann Arbor as Viola; and Nora Davis, daughter of Ypsilanti Greek Theater's star, Ruby Dee, as Olivia.

The public is invited to attend the performances, for which a small admission charge will be made. To reach the Frisinger barn from Chelsea, travel south on M-52 to Jerusalem Rd. and go east approximately three miles.

The Homestead Acres Theater Camp, co-educational day camp for children 9 through 17, will complete its sixth year with the production of "Twelfth Night." Campers are bussed to the farm from Ann Arbor at 9:30 a.m. and return at 3:30 p.m. Monday through Friday.

The theater-in-a-barn started in 1961 as the Green Acres Farm-Summer Theater Workshop with Mrs. Donald Sandberg, a teacher for the Children's Creative Activities Program of Ann Arbor directing a production of "Tom Sawyer" and "The Sentimental Education."

"Shakespeare in a Barn," which included comic highlights from "Midsummer Night's Dream," "The Merchant of Venice," and "Romeo and Juliet," and a one-act play, "Dark Lady of the Sonnets," by George Bernard Shaw, was also presented in 1961 by members of the summer theater workshop and the Ann Arbor Civic Theater Acting Workshop.

Other productions performed in the ensuing years have included "Servant of Two Masters," a pre-Shakespearean comedy by Goldini; puppet productions, "Harlequinade," "Fanciest," "Shakespeare's 'The Tempest'; scenes from 'The Taming of the Shrew,' 'A Midsummer Night's Dream,' 'The Importance of Being Earnest'; and a French language production by Mary Kincaid, the author of "Contes Français," the nation's first French comic strip. County 4-H Fair Starts Next Monday

The annual Washtenaw county 4-H Show, Aug. 1-5, is expected to have more exhibitors and activities than in previous years. This is the first year that there is only one 4-H show; previous to this year the 4-H Spring Achievement was a winter show with exhibits. As a result of dropping the Spring Achievement program, all the 4-H projects made in the 4-H clubs since last October will be exhibited at the County Show.

The 1966 County Show starts on Monday and is a four-and-one-half day show. Exhibits are entered until 5 p.m. Monday, and will be released at 1 p.m. on Friday. The County Show is held at the Rural Activities Center, located on Safford Ave. in Ann Arbor. It is a free show and open to the public. It is estimated that there will be more than 5,000 exhibit entries from the 1,600 4-H members, ranging in age from 10 through 18 years old. The exhibits are scheduled to be evaluated throughout the week, and placing ribbons will be awarded to the exhibitors.

(Continued on page six)

Hole-in-One Golf Tourney Scheduled

The third annual Kiwanis Hole-in-One Golf Tournament is scheduled for this week-end at the High School football field.

The proceeds from the tournament will help pay the cost of installing the lights on the High School baseball field. The lights were installed four years ago by the Kiwanis club.

Hours for the competition will be 8:30-9:30 p.m. both evenings, and from 8:30 p.m. on Saturday afternoon.

Anyone making a "Hole-in-One" in the first category will receive a \$500 bond. A second category Hole-in-One for children will net the youthful golfer a \$50 bond.

Prizes totaling more than \$100 will be awarded in the two categories.

The second bill (S. 352) signed by the governor will prevent the assessment of taxes on growing crops such as wheat, rye, winter barley, hay, as well as trees, bushes and plants. This law will take effect in April 1967.

Vocal opposition to the previous school millage proposals also came from citizens over 65. A

Action Column

Questions and Answers on School Problems

Q. We've heard that the man in charge of the school buses has been paid an "outrageous" salary during the past year. What is his salary and what were his duties?

A. Mr. Grossman's salary was \$10,000 last year which included: use of his garage; use of his car; use of Grossman's supplies and utilities are paid by Grossman; labor on buses; tractors and power equipment belonging to the school system; Grossman runs; in winter he has the responsibility of seeing that all buses started, many times starting at 5 a.m.

Q. What will happen if the millage falls now at the reduced rate?

A. The Board is concerned for a quality education for our pupils. Therefore, our time to this point has been working toward an end and not deciding what cuts may be made. If the millage should fall, we have confidence that with the reduction of a request by 1/2 mill, due to increased state aid, the electorate will see that their Board is acting with faith to the entire district. The thoughts are behind the directing the administration staff of the administrators and teachers. Any cuts in budget will not be in personnel for this year, but would be in the area of building maintenance, supplies for libraries and teachers, reduction in transportation services by attempting to sell the three new buses ordered for this year. In all probability there would still be a certain amount of deficit spending in order to meet the commitments to date. We have confidence in the electorate and we sincerely hope they will show their confidence in us on Aug. 2.

Q. Is a call campaign going to be organized?

A. There is a very active committee of citizens working on publicity for the election in order that all voters might be adequately informed. One of the efforts of this committee is the organization of a telephone campaign. The callers will attempt to call every registered voter in the school district on Monday, Aug. 1. Their purpose will be to remind the people to vote on the next day and also to inform them of the public meeting to be held on that same evening.

Q. Why is the Board calling an open public meeting on the Monday evening before the Tuesday election?

A. It was felt that the entire issue would be freshest in the minds of those attending the meeting. This offers a last-minute chance to be in person for this

Mills Named To Serve as Schools Business Manager

Frederick A. Mills, 26, a teacher at Chelsea High school since 1965, has been hired as the Chelsea schools business manager for the 1966-67 school year.

His duties will include supervision of the financial staff of the Chelsea public schools, co-ordination of Federal Aid programs, the investigation of Federal programs and applying for available Federal funds, acting as a purchasing agent to take advantage of county group purchasing, correlation of purchasing of janitorial and teaching supplies between the different schools, supervising and co-ordinating the bus system, and co-ordination of the hot lunch program between the various schools.

The newly-created position involves the consolidation of a variety of duties previously under the jurisdiction of several persons, plus additional duties, such as the county group purchasing, which the Chelsea schools have not been able to take advantage of because the schools had no personnel available to attend the purchasing meetings.

Substantial savings to the school district are expected in several areas under the co-ordinated supervision of Mills.

FREDERICK A. MILLS

TROPHIES went to these four Cracker Box Derby contestants following an exciting race Saturday evening. Winning the trophy for the "Best Upholster" was Michael Roskowski, on the left, while Philip Musolf walked off with the championship trophy after outdistancing all his opponents in the race. Scott Foster, second from right, received the trophy for "Best Construction" and Eugene Moore, right, was the race runner-up. In background are Jaycee President Don Brannan and Jaycee race Chairman Tony Bowen. Local Jaycees were sponsors for the event.

George's

Milk, Dairy Products Prices Due for Jump

In the price of dairy milk will go into effect next week, the exact price in milk is not yet known, but it is expected that consumers will be paying approximately 50 cents per half-gallon more than they are now.

Monday, that will raise the price in stores to approximately 47 cents per half-gallon. The price of milk delivered to homes will be approximately 52 cents per half-gallon.

There has been a considerable increase in milk prices paid to farmers in southern Michigan. Farmers in southern Michigan will receive \$3.10 per hundredweight for class 1 milk. They have received \$2.40 per hundredweight for fluid milk in 1965.

The increase in milk prices is due to a number of factors. The first is the increase in the cost of feed. The second is the increase in the cost of labor. The third is the increase in the cost of transportation.

The increase in milk prices is a result of the increase in the cost of feed, labor, and transportation. The increase in the cost of feed is due to the increase in the price of grain. The increase in the cost of labor is due to the increase in the minimum wage. The increase in the cost of transportation is due to the increase in the price of oil.

Action Column

(Continued from page one)

chance to ask any questions that might still be in their minds.

Also by calling the registered voters on Monday, the call campaign could serve a dual purpose of reminding people to come to a public meeting if they wished and to vote on Tuesday.

Q. What's the latest situation on the search for a qualified vocational agricultural instructor?

A. Mr. Lane has written to 10 agriculture colleges for leads on ag teachers. At this point he is trying to communicate with two in Wisconsin. MSU sent a letter to him telling of the shortage of men in this field. They have offered the possibility of a Chelton, Michigan, graduate in the December class if we could get someone to fill in until that time. They would grant special permission for such a person to hold the position until December. It is the Board's feeling that the principal should continue to search for a man in the field with some experience. We should, however, investigate the offer of MSU as a last resort to fill the vacancy left by Mr. Jackson last January.

There had been one man interested in the job, but when the millage was voted down in June, he accepted a job on the western side of the state.

Q. Why were band uniforms ordered for the Junior High after the millage had been defeated and threats were made to delete programs and otherwise curtail education?

A. There seems to be a little misunderstanding. Uniforms have been ordered for the high school band only. The Band Boosters have tentative plans to do something at the Junior High level. The uniforms are 60 replacements of old ones, some kind as present. Some accessories also were ordered. All these things were ordered before any millage request.

Q. (a) Why is an assistant superintendent hired without the passage of the millage? (b) Why can't the present superintendent create many of the same savings in purchasing, bus supervision, etc. as a new man with considerably less experience? (c) May we have the qualifications of Mr. Mills and his experience as a school manager?

Part (a) This job has been needed and has been discussed for the last two or three years. It was placed in the budget as a necessary item for the operation of an efficient school system. It was felt by the board that in all honesty to the electorate, we didn't consider this an item that should swing on passage or defeat of millage.

Part (b) The present superintendent has not had the time to be a school business manager as well as properly administer matters of education (curriculum and personnel evaluation, etc.) and exert the necessary leadership which his office demands.

Part (c) Mr. Mills is a certified teacher in Michigan, a mathematics major. He has his masters degree in school administration from the University of Michigan.

Mr. Mills graduated with honors from Eastern Michigan University with his BS degree. During the summer of 1965, Mr. Mills took a course at the University of Michigan in school business management. A comparable situation can be seen with a previous industrial arts teacher in the Chelsea Schools, Mr. Jack Musser. He had similar qualifications. Mr. Musser was hired away from our system to a large district on the west side of the state with no previous experience in the field. The board was severely criticized at that time for letting Mr. Musser go.

His studies in school business management and administration have included the study of school financing, curriculum development, high school supervision, administration of vocational education programs, organization and administration of public schools, personnel and community relations, bonding and financing, purchasing, transportation, insurance, maintenance and operation of school systems.

A teacher at Chelsea High school since 1963, Mills has taught general mathematics, algebra, advanced algebra, driver training, has coached the Junior Varsity basketball team and was the assistant coach for the varsity football team. He has served as the advisor for the Key Club, the Kiwanis sponsored high school service organization, since it was organized in Chelsea.

Chelsea Jaycees named Mills the "Outstanding Young Educator of 1965" in the Chelsea Public Schools.

A 1968 graduate of Stockbridge High school, Mills is the son of Mr. and Mrs. Niel Mills of Stockbridge. The new business manager and his wife, Vernetta, and their son, Vaughn, who is 14-months old, reside at 408 S. Main.

For the past four summers, Mills has been a sports director in the summer activities program sponsored by the Chelsea Area Recreation Commission.

A member of the Chelsea Methodist church, Mills has served on the church's education commission. He is also a member of the Chelsea Jaycees.

He is affiliated with Kappa Phi Alpha social fraternity, Kappa Delta Pi education honorary and Phi Delta Kappa national men's education fraternity.

You are not your neighbor's keeper, but you can put in some time trying to be your own keeper.

Township Elections

(Continued from page one)

Freedom Township

Primary races have developed on the Republican ticket. Seeking the Republican nomination for clerk are Harold Elsemann and Clarence Schneider. Neil Stierle and Gilbert Luckhardt are both seeking the Republican nomination for trustee. John Miller is unopposed in his bid for the Republican nomination for supervisor, as is Walter Hieber, who is seeking the Republican nomination for treasurer. Three candidates, Paul Egeler, Luther Nagel and Lauren Miller, have filed for the Republican nominations for trustee.

No Democratic candidates have filed petitions in Freedom township.

Dexter Township

Four Democrats and one Republican are seeking nominations in Dexter township. They are Warren R. Eisenhaiser, Democrat for supervisor; Robert Wheeler, Democrat for clerk; Winifred Aberdeen, Democrat for treasurer; Marvin L. Bell, Democrat for constable; Leon O. Shutes, Republican for trustee.

Sharon Township

On the Democratic ticket for Sharon township offices will be Clinton B. Pisk for treasurer and Russell Fuller for supervisor.

Herbert Jacoby, Republican, will seek his party's nomination for treasurer and Duane R. Hesel, Democrat, another Republican, is a candidate for clerk. Max D. Roedel has filed for trustee on the Republican ticket and Raymond C. Jacob, Sr., and Floyd Proctor have filed on the Republican ticket for constable.

Scio Township

A three-way race has developed on the Republican ticket for the

position of Scio township supervisor, with Neil A. Mast, Virgil L. Walling and Richard L. Lorenson all vying for the Republican nomination. John R. Willert is the lone Democratic candidate for the same position.

One Democrat and one Republican are seeking party nominations for each of the other township offices. They are Peggy L. Erickson, Democrat, and Mildred Alley, Republican, clerk; Eileen M. Evans, Democrat, and Evelyn L. Brauning, Republican, treasurer; Gerald W. Brawer, Democrat, and Jacob Grant, Republican, trustee; George H. J. Smith, Democrat, and Larry G. Grant, Republican, constable.

Three Republicans are seeking positions as Republican committee men. They are Joseph Schnebelt, Jr., Robert L. Hutchinson and Robert W. Foster. Three committee men will be elected.

Webster Township

Only Republican candidates have filed petitions in Webster township. They are Carl Mast for supervisor; Mrs. Donna Baldus for clerk; Mrs. Margaret Myrning for treasurer; John Wheeler, Jr., for trustee; and Donald Baldus for constable.

- ★ Member Michigan Bar Association
- ★ Member Washtenaw County Bar Association
- ★ Graduate, University of Michigan Law School

WASHTENAW PROBATE JUDGE 10 YEARS

JOHN W. CONLIN, Probate and Juvenile Court Judge of Washtenaw County, is a candidate on the Non-Partisan ballot for the newly created six-year term Circuit Judgeship of Washtenaw County Tuesday, August 2.

The new Judgeship for Washtenaw County will raise to three the number of circuit judgeships for Washtenaw County to handle the increasing number of cases presented in the circuit court of Washtenaw County.

JOHN W. CONLIN was appointed Probate and Juvenile Court Judge by Governor G. Mennen Williams.

JUDGE CONLIN was elected as Probate and Juvenile Court Judge in November, 1956, and has been re-elected twice without opposition on the non-partisan ballot since that time.

JOHN W. CONLIN'S election and re-election, with bi-partisan support, reflects his ability and competence as a judge.

JOHN W. CONLIN has served Washtenaw County well for 10 years as probate judge and 30 years as a trial lawyer.

His experience and insight makes **JOHN W. CONLIN** highly qualified to serve you as Washtenaw County's third Circuit Judge. Vote for **JOHN W. CONLIN** for Circuit Judge on the Non-Partisan ballot, Tuesday, Aug. 2.

Annual County 4-H Show Set To Open Next Monday

(Continued from page one)

Various 4-H projects have expanded in member involvement this year. Last year there were 110 horses exhibited; this year more than 100 are registered for participation in the show. The rabbit project has 90 entries compared to 30 in the previous year. The knitting project has expanded with as many knitting entries as sewing exhibits.

Washtenaw county ranks second in the state in wool production, and the sheep show reflects the high quality and quantity of sheep raised within the county. There are 200 sheep entered for competition in the 4-H sheep show. The number of swine entries at the 4-H show has reached an all-time new record, 170 animals. There will be also 120 dairy animal shown. The dog show will have 10 entries.

Several new activities have been added to the show schedule. Demonstrations will be given by 4-H members. A group of 24 top 4-H style revue models will conduct a style show Tuesday evening. The Kiwanis Club of Ann Arbor will sponsor a recreation game hour on Wednesday evening. There will be judging contests in gardening, rabbits, poultry and home economics. The playoffs of the top 4-H softball team will be held during County Show weekend. A career meat evaluation program has been initiated this year.

Visiting the 4-H show on Wednesday evening will be many of the political and communications officials. A formal invitation was extended by the organized groups of the Extension Service, inviting this selected group to participate in the 4-H show in action.

SCHEDULE OF EVENTS WASHTENAW COUNTY 4-H SHOW

1:30 p.m.—Dairy Showmanship (Junior and Senior).

Slow Moving Vehicles Operated on Highways Must Display Emblem

Governor Romney has signed into law an act requiring the use of slow moving vehicle emblems on farm machinery, maintenance equipment, and other slow moving vehicles when operated on Michigan highways.

The use of the SMV emblem is currently required in Ohio and Nebraska, and several other states are considering similar action.

An easily recognizable standard device for identifying a slow moving vehicle on the highway was badly needed, contended Richard Pfister, extension safety engineer at Michigan State University. He said many farmers with tractors have been "sitting ducks" for the unfortunate motorist who failed to recognize a slow moving vehicle on the road ahead.

The new triangular SMV emblem is 10 inches wide and 14 inches high with a fluorescent yellow-green background.

9 a.m.—Livestock weigh-in and sale order.
9:30 a.m.—Dairy Show.
10 a.m.—Archery, Gun Safety, Home Economics, Judging Contest, Landscape, Passport, Landscaping.

10:30 a.m.—Cavalcade of Winners.
11 a.m.—Demonstration winners announced.
8:30 p.m.—Market Livestock Sale.

FRIDAY SCHEDULE
1 p.m.—Release all exhibits.

NOT CRICKET

As played in American Samoa, the English game of cricket gains something in translation. From 20 to 100 players take to the field at once, cheered on by a singing and dancing rooting section who often leave the sidelines to join the action in their lava-lava skirts.

APPLE PRODUCTION

Michigan State University predicts that apple production will double in 1980. The expected increase is due to the fact that the 1980 crop is estimated at 110 million bushels.

ROSS CAMPBELL CARES

The Qualified Candidate

The Probate Judge, to be selected for our Juvenile Court in November's non-partisan election should be a capable lawyer with experience in the juvenile court. He should have specialized training and an interest in aiding needy children.

Ross Campbell is the man for this job.

He has worked with neglected, abused and delinquent children. Ross is tremendously concerned with the unique problems arising in adoptions. He believes strongly in making parents responsible for their children's conduct and welfare.

Both in and out of the courtroom, Ross has the training and experience which enables him to evaluate intelligently reports from specialists and to deal objectively with the problems of juveniles.

Ross Campbell cares. Elect him to the Probate Court.

Referee, County Probate Court, Juvenile Division
Member, State Bar Committee on Juvenile Problems

and Mrs. Josephine Turk and two
of Mrs. Loveland's great-grand-
daughters spent Sunday with Mrs.
Leonard Loveland.

Louis Havens of Grosse Pointe
spent the week-end with Mr. and
Mrs. Roy Miller.

Mr. and Mrs. Chester Notten
called on Mrs. Eva Notten Sun-
day afternoon.

Mrs. Leonard Loveland was a
Friday evening supper guest of Mr.
and Mrs. Harley Loveland.

Mr. and Mrs. Arnold Egger of
New Boston spent the week-end
with Mr. and Mrs. Nelson Peter-
son.

Mrs. Peterson and Mrs. Ru-
dolph Rohde took Donald to Has-
tings Monday to attend the steam
show.

Howard Smith was a caller at
the home of Mr. and Mrs. Peter-
son on Friday.

Mr. and Mrs. Norman Peterson
and family were Saturday evening
guests there.

Mr. and Mrs. Frank Farthing
from Mattawan and Mr. and Mrs.
Raymond Smith of Climax spent
Sunday evening with Mr. and Mrs.
Dillman Wahl.

Mrs. Nina Lehman and Mrs.
Chester Notten called on Mr. and
Mrs. Will Wintery last Wednesday
afternoon.

Mrs. and Mrs. Clifford Musbach
of Month were Sunday evening
visitors of Mr. and Mrs. Clarence
Lehman.

Mrs. Claribel Hoppe spent Mon-
day evening with Mr. and Mrs.
Roy Miller.

Joyce Hosier celebrated her
sixth birthday Tuesday. Twenty-
one were present including four
of the guest's mothers.

Mr. and Mrs. Mark Seger and
two boys of Arlington, Va. spent
Tuesday afternoon with Mr. and
Mrs. Philip Hosier.

Mrs. George Parker and son, Ev-
erett, of Geddis were Sunday din-
ner guests of Mr. and Mrs. Earle
Pettilione.

Mr. and Mrs. William Porter and
son John, returned home Sunday
from a two-week vacation trip
through North and South Dakota,
Wyoming, and Yellowstone Park.

Mr. and Mrs. Ralph Wright of
Lansing and Mr. and Mrs. Robin
Wright and son, of Lima Center,
were Sunday afternoon visitors of
Mr. and Mrs. Burton Wright.

People who ride in fast-moving
automobiles without adequate
brakes must expect to be pulled
out of overturned and cracked up
vehicles.

THE LANSING REPORT

FROM

GIL BURSLEY

Farmers will be much interested
in several bills passed by this
year's Legislature. Here is a brief
description of several with the P.A.
(Public Act) number and the S.B.
(Senate Bill) or H.B. (House Bill)
number.

P.A. 208 (S.B. 352) exempts
from the general property tax the
value of deciduous and evergreen
trees, shrubs, plants, bushes and
vines, either annual or perennial,
growing on agricultural land de-
scribed as agricultural purposes. The
assessment of agricultural land
property shall be made without re-
gard to any enhancement in value
of the agricultural real property
because of such trees and plants.
This provision shall not affect the
taxation of growing timber.

P.A. 205 (S.B. 710) makes prop-
erty actually used by a farmer in
agricultural operations, exempt
from the personal property tax.
Previously, only such property up
to the value of \$1,000 and young
farm animals were exempt. This
act requires all tax bills to show
whether any exemption has been
granted to agricultural lands ac-
tually being used for personal prop-
erty of \$500 or less in value, and
the amount of the exemptions.

P.A. 120 (S.B. 189) authorizes
the Director of Agriculture to is-
sue cease and desist orders to any
person engaged in the business of
applying economic poisons out of
doors if he has reason to believe
that a licensee is using or is in-
tending to use economic poisons
in an unsafe or inadequate man-
ner.

P.A. 27 (S.B. 703) extends the
effective date for extension of
workmen's compensation to agri-
cultural employees, except those
employed on a seasonal basis, from
May 1, 1960 to May 1, 1967. The
act also eliminates, from work-
men's compensation coverage, a re-
quirement that the employee be a re-
sident of the state.

P.A. 160 (H.B. 351) provides
for the establishment of at least
two overnight rest camps for mi-
grant agricultural workers to be
located in the southwest part of
the state and in the southeast part
of the state near US-23. The two
camps would provide shelter, cook-
ing and sleeping facilities for mi-
grant workers and would be in op-
eration from May 1 to Oct 31 of
each year.

P.A. 120 (S.B. 189) authorizes
the Director of Agriculture to is-
sue cease and desist orders to any
person engaged in the business of
applying economic poisons out of
doors if he has reason to believe
that a licensee is using or is in-
tending to use economic poisons
in an unsafe or inadequate man-
ner.

P.A. 27 (S.B. 703) extends the
effective date for extension of
workmen's compensation to agri-
cultural employees, except those
employed on a seasonal basis, from
May 1, 1960 to May 1, 1967. The
act also eliminates, from work-
men's compensation coverage, a re-
quirement that the employee be a re-
sident of the state.

P.A. 160 (H.B. 351) provides
for the establishment of at least
two overnight rest camps for mi-
grant agricultural workers to be
located in the southwest part of
the state and in the southeast part
of the state near US-23. The two
camps would provide shelter, cook-
ing and sleeping facilities for mi-
grant workers and would be in op-
eration from May 1 to Oct 31 of
each year.

Deadline for State Fair Livestock Entries Is Aug. 5

Livestock and crop exhibits at
the 117th annual Michigan State
Fair will be set up with more at-
tention to the consumer in mind, it
was announced by Walter A. Good-
man, general manager.

The State Fair opens Friday,
Aug. 26 and runs through Mon-
day, Sept. 5. Deadline for farm en-
tries is Aug. 5.

Goodman said the consumer will
get a complete picture of how the
meat reaches his table. Besides the
classes for cattle, swine, and sheep
on the hoof, there will be judging
of beef, pork, and lamb carcasses.
And at an exhibit in the Agricul-
ture Building, the meat will be
packaged as it is in the super-
market.

The vegetable and fruit classes
at the fair will emphasize those
grown commercially in Michigan
to help point up the impact of
agriculture on the state's economy.
Retail value of Michigan farm
products was more than \$2 billion
last year.

In the small animals depart-
ments at the fair — rabbits, chicks,
pigeons — facilities are being ex-
panded and developed to appeal
more to children. Fair visitors will
find some of these exhibits scat-
tered around the Fairgrounds this
year to give the kids a pleasant
surprise at every turn.

Record entries are expected in
many classes, said Robert McLach-
lan, director of agriculture exhib-
its. Farmers will be competing for
\$140,000 in premium money. In
addition, championship animals
will be sold at auction — at top
prices — during the fair.

As in the past, the state's farm
youngsters will have their own
Junior Show at the fair. Their
cattle, sheep, and swine will be in
competition for \$7,500 in prize
money.

Farm wives, of course, will com-
pete in various Home Arts classes
— needle-work, cooking, baking,
canning, etc.

Each of the days of the State
Fair will have a special theme, but
all emphasize agriculture, with a
special Salute to Agriculture on
Thursday, Sept. 1.

MATRIMONY AT ANY AGE
Charleston, W. Va. — Some may
think 87 is too old for marriage,
but Harvey Hudson thinks it a
good age. He as applied for a li-
cense to marry 58-year-old Nellie
Lee Devers. Both had lost their
mates in death, and they had
known each other since she was a
child.

THANK YOU
We would like to thank our
friends and relatives for the beau-
tiful gifts and money presented to
us at our going-away party and
open-house. Everything was great-
ly appreciated.
Bill, Pat and Mike Robbins.

THANK YOU
I would like to thank the Farm
Bureau and Grange for flowers,
the Reynolds Lodge for fruit, and
my friends for all the cards sent
to me while I was in hospital.
Mrs. Walter Riemenschneider.

THANK YOU
Thank you for the cards, calls,
flowers, gifts while I was a pa-
tient at St. Joseph Mercy Hos-
pital in Ann Arbor for two weeks
and four days. All were deeply ap-
preciated.
Mrs. Eve Wheeler.

Township Can't Ban Trailers On State Lands

Lansing — Townships in Michi-
gan may not zone state lands
against the use of trailers, accord-
ing to a recent opinion handed
down by Attorney General Frank
J. Kelley.

The decision, which holds that
townships "cannot prohibit that
which the state permits," is tied
to a test case in which a trailer
user was ordered off state lands in
Gerrish township, Roscommon
county.

The camper was told to vacate
the premises by two sheriff deputies
who alleged that he was in
violation of a township zoning or-
dinance which prohibits trailer
camping in any area other than a
trailer park.

In taking issue with this pro-
vision of the local ordinance, At-
torney General Kelley ruled that
only the Department of Conserva-
tion has the authority to make
rules and regulations governing
use of state lands under its ad-
ministration.

He stated: "If townships were
permitted to regulate state lands,
it would amount to an interference
with state authority. The state
permits camping on state lands
whether in a tent, sleeping bag or
trailer. Therefore, the township

cannot under guise of zoning limit
camping on state lands contrary to
the policy of the Department (Con-
servation)."

The recent opinion carries broad
impact because the Department
has about 4.2 million acres of state
lands under its jurisdiction in
Michigan.

Economists Predict

More Corn Silage, Less Hay for Cows

Michigan dairymen will feed and
store twice as many tons of corn
silage and haylage in 1980 as they
are today. And they'll feed only
one-third as many tons of hay.

Michigan State University agri-
cultural economists made this pre-
diction after a thorough survey of
Michigan farms. They concluded
that the good dairymen is defini-
tely moving away from hay and to-
ward more corn silage and hay-
lage because he wants a more
highly mechanized operation. He
also wants the increased feed pro-
duction per acre he can get with
corn silage.

The economists' survey showed
that many of the state's dairy-
men have spent from \$15,000 to
\$40,000 for haymaking equipment.
For some farmers these invest-
ments will pay off well, but re-
searchers are warning these dairy-
men about dangers of over-invest-
ment.

DEATHS

Frederick G. Barth
Lima Township Farmer
Dies Tuesday at Hospital

Frederick G. Barth, 80, of 11040 Jerusalem Rd., died Tuesday at St. Joseph Mercy Hospital in Ann Arbor, where he had been a patient since June 22. He had been in ill health for several years.

Born Jan. 15, 1886, in Lima township, he was the son of Charles and Louise Albert Barth. He married Anna Mullen on Oct. 7, 1911, in St. Mary's Catholic church, Chelsea.

They moved to 11640 Jerusalem Rd. after their marriage and have lived at the same address ever since. He was engaged in farming and was a member of the Farm Bureau.

Survivors include his widow, two sons, Harold and Robert, both of Chelsea; three daughters, Mrs. H. (Ruth) Luenser, Mrs. Charles (Virginia) Williams and Mrs. Leo (Dorothy) Hellmer, all of Chelsea; one brother, Arthur, of Chelsea; two sisters, Mrs. Rose Geigler of Chelsea and Mrs. Minnie Andrews of Ann Arbor; and 10 grandchildren. A son, Carl, died in 1942.

Funeral services will be Saturday at 10 a.m. at St. Mary's Catholic church with the Rev. Father Francis Maliszewski officiating. Burial will follow in Mt. Olivet Cemetery. Friends may call at the Staffan Funeral Home where the Rosary will be recited at 8 p.m. Friday.

Floyd F. Watts
Dies Tuesday Morning
At Home in Ferndale

Floyd F. Watts of 413 Garden-ade in Ferndale, died Tuesday morning after being in poor health for the past four years.

He was born Aug. 12, 1895 in Chelsea, the son of Herschel V. and Sarah Beaman Watts.

His wife, Grace, survives. They were married April 5, 1917 in Chelsea. One daughter, Mrs. Harold W. (Dorothy) Miller of Detroit one sister, Mrs. Harold V. (Ruby) Stewart of Jackson, and two grandchildren, also survive.

He was a member of the Drayton Avenue Presbyterian church. He was past Noble Grand of the Ferndale Lodge IOOF 4590. He retired in 1963 as a machinist at Tilden-Dow Co. of Detroit.

Funeral services will be Thursday afternoon (today) at 1 p.m. at the Spaulding & Cantan Funeral Home, 500 W. Nine Mile Rd., Ferndale. The Rev. Robert B. Johnson of the Drayton Ave. Presbyterian church will officiate. Graveside services will be at Oak Grove cemetery in Chelsea at 3 p.m.

Woodrow C. Artz
Electrocuted While Sanding
Boat at His Unadilla Home

Woodrow Charles Artz, 47, was electrocuted at noon Monday, July 25, as he was sanding a boat in the yard of his home at 20800 Kaiser Rd., Unadilla. An autopsy was performed to determine the cause of death.

The son of William and Beda Moeckel Artz of Waterloo, he was born on Sept. 27, 1918 in Waterloo. He and Luella Robinson were married in Grass Lake. She survives.

He had been employed at Chrysler Proving Grounds for many years and was also associated with Triangle Motor Sales in Chelsea. He was a former International Harvester dealer in Munith.

He was a member of the Federated church of Grass Lake and the Lions club.

Surviving, in addition to his widow, are two sons, Roger and Larry, both at home, and two brothers, Howard R. of Jackson and Clayton of Dearborn.

Services will be held today (Thursday) at 2 p.m. at the Federated church in Grass Lake. Burial will follow at Mt. Hope cemetery in Waterloo. Funeral arrangements are by Stormont Funeral Home in Grass Lake.

25% of Cars
Defective in
Safety Check

A total of 52 vehicles were safely checked at the Stop & Shop supermarket parking lot last Friday evening and Saturday by the Chelsea Jaycees.

Of the total, nearly 25 percent were found to be defective in at least one area. The majority of defects was found in headlights and tail lights. Three vehicles had the defects repaired and returned for approval.

The turnout of drivers was somewhat disappointing, according to William Keller, who was chairman of the Jaycee community service project. He said that judging from the number of vehicles with visible defects noticeable to the casual observer which are on the streets and highways, perhaps what is really needed is a mandatory semi-annual safety inspection.

In addition to checking brakes, front and rear lights, turn signals, steering, tires, the exhaust system, glass, horn, windshield wipers, rearview mirror and seat belts, Jaycees also distributed a pamphlet entitled "How Good A Driver Are You?" The pamphlet includes a quiz on driving hazards, traffic signs, and knowing what to do in different situations.

Mr. C. J. Renner is a patient at University Women's Hospital in Ann Arbor, following major surgery on July 1. She is in room 3001 at the hospital.

Eight Boys Compete in First
Chelsea Cracker Box Derby

Nine Chelsea race enthusiasts competed Saturday evening in a "Cracker Box" Derby sponsored by the Chelsea Jaycees.

The competition took place on W. Middle St., with the use of a special starting ramp on loan from the Ann Arbor Jaycees.

The cars in the competition were built for the Ann Arbor Soapbox Derby held on July 9. Eight Chelsea boys participated in the Ann Arbor event. Harold Allen, who did not have his car completed in time for the Soapbox Derby, joined the other eight in the competition for Cracker Box honors.

In the opening heat of the Saturday night event, Philip Musolf, whose entry was sponsored by Musolf Construction Co., raced against Harold Allen, sponsored by Palmer's Ford. Musolf emerged the winner in that heat.

Scott Foster, whose entry was sponsored by G. A. Sales & Service, defeated Tim Lancaster, sponsored by Chelsea Drug, in the second heat.

In the third race, Eugene Moore, sponsored by Frigid Products, overcame Terry L. Roskowski, sponsored by Chelsea Lumber.

Jeff Daniels, also sponsored by Chelsea Lumber, outdistanced Michael Roskowski, sponsored by Spaulding Chevrolet, in the fourth race, then raced against Chris Tompkins, sponsored by Bill Brown's Super Service, and again came in number one.

Moore and Daniels competed in the seventh race to see who would challenge Musolf for the championship. Moore emerged ahead of Daniels in that race and went on to be overcome by Musolf in the final race.

Trophies were presented to the champion, and to Moore, the runner-up. In addition Musolf received a \$15 merchandise gift from Chelsea Hardware and Moore received a Sportsman's Lantern from Merkel Bros.

The award for "Best Construction" went to Scott Foster, who received a trophy and a \$5 gift certificate from Dancer's. Michael Roskowski received a trophy for "Best Upholstery."

Chairman of the Jaycee event was Tony Bowen.

The cars were on display Friday and Saturday at Sylvan Township Hall.

Jaycees expressed appreciation to Chelsea Police Chief John Palmer and Parker Brown of the Department of Public Works for their help in directing traffic and making necessary arrangements for the race.

A good crowd was on hand for the 6 p.m. racing event.

Jaycees Host
District Meet

Chelsea Jaycees were hosts to a District 26 Officers Orientation meeting last Wednesday, July 20 at the Jaycee Hall.

Officers from each Jaycee chapter in the District were invited to help set up the district's functions, goals for the year, and exchange ideas between chapters.

Forty-seven members were present from Chelsea, Dexter, Ann Arbor, Ypsilanti, Saline, Manchester and the Federal Correctional Institution (FCI) at Milan. Milan and Whitmore Lake were not present.

The FCI is a new chapter extended into the Michigan Jaycees by Milan last month.

State officers present were Michigan Jaycee President Wendell Smith of Plymouth, National Director of Region 1 Jim Locke from Albion, and District 26 Vice-President Pete Breckman from Ypsilanti.

Chairman for the meeting was Arthur Stoll.

Swimming
Still Leads

A record of 910 persons participated in the fourth week of activities sponsored by the Chelsea Recreation Commission.

The afternoon swimming program again proved to be the most drawing card with 500 persons participating between 18-22.

Following the afternoon swimming program in popularity the Midget League, 13-15; school playground arts and crafts, 12-15; Little League baseball, North school arts and crafts, Evening basketball, high school and junior high and evening gymnastics drew. On the other hand, baton twirlers attracted 50 fourth and sixth grade girls.

The Friday afternoon track and field included 32 participants and the morning swimming sons were attended by 48.

CRACKER BOX DERBY WINNER: Philip Musolf, center, raced away with the trophy Saturday evening in Jaycee-sponsored competition with the racer which he built. With Philip are Jaycee President Ron Branham and Tony Bowen, Jaycee chairman of the local derby.

Pro Grid Game
To Help Jaycees

Tickets are now available for the Detroit Lions-St. Louis Cardinals Aug. 11 Jaycee football classic.

The game will help the Michigan Jaycees finance the foundation of the Jaycees. Each local Michigan Jaycee chapter will be able to borrow money from the foundation to support local community services.

For more information, sports fans may call Ken Norris, 476-5532.

The Rev. and Mrs. James Craig and family left Sunday for a one-month visit to the New England states.

School Election

(Continued from page one)

\$149 more per \$1,000 or \$14.90 more per \$10,000 assessed valuation.

Area residents wishing to figure what the proposed millage would mean to them should multiply the increase per \$1,000 in their township by their own assessed valuation and add that figure to the total they paid in school taxes last year. The result will be their total school millage assessment for the 1966-67 school year.

Bill, Pat and Mike Robbins left July 21 for a one-month visit in Ireland.

Questions & Answers

Is there anything one can do to
prevent spinach from turning black
after it has been cooked?

After cooking or steaming spinach, run cold water
through the leaves and, with both hands, gently
squeeze as much water as possible from them at
once. It is the immediate removal of the moisture
that will prevent the spinach from darkening.

SPORTS CORNER

Busy August Slate Faces Detroit Tigers

Detroit — Shrine Night, Free Cap Day and some red-hot baseball action are in store for the fans at Tiger Stadium during a jam-packed August schedule.

The month's action will pit the Tigers against some of their most serious American League rivals, with the White Sox visiting twice; the Red Sox, Yankees and Orioles once each before the end of the month.

Nine night games, one two-nighter and one Sunday doubleheader are on the schedule, one of the most attractive months of the season for the fans.

Shrine Night, featuring a gigantic spectacle by Moslem Temple, will start the month's activity Aug. 2. An hour-long show of gaily-robed, sharply-drilled Shrine units will go to the support of Shriner's crippled children's hospitals.

There will be a two-nighter with Chicago Aug. 3, then Boston moves in for a big week-end which includes a Friday night game, Aug. 5, a Ladies Day afternoon game Aug. 6 and a Sunday doubleheader Aug. 7, which will be Free Cap Day.

Every boy and girl, 14 or under, admitted on a full-paid admission that afternoon will receive a baseball cap which is a near-duplicate of those worn by the Tigers. It is the third of three gift days on the 1966 schedule. At previous events, the youngsters received bats and balls.

Following a two-city road trip, the Tigers will take on the Yankees in three straight night games at Tiger Stadium: Aug. 15-16-17, then a game with the Orioles over the Aug. 18-20-21 weekend. The Aug. 20 date will be Retirees Day and Rally Day for the Hudson's River Dugout Club.

The final home series in August, will bring back the White Sox for three more night games Aug. 23-24-25.

Ramchargers, Cannonballs Tied for Little League Lead

Wheat Producers Who Comply with Program Eligible for Price Support

Mrs. Carolyn Stump, Washtenaw ASC office manager, announces that price support will be available in Michigan on the same basis as those that were covered in 1965. Producers who complied with the 1965 Wheat Diversion Program are eligible for price support loans on their wheat crop.

In Washtenaw county the loan rate for No. 1 soft wheat or No. 1 red wheat is \$1.24 per bushel. For the 1966 crop, the loan rate is the full parity price for producers who signed to participate in the 1965 wheat diversion program. These producers not only qualify for price support loans and purchases, but also for domestic marketing certificates. The certificates are based on 45 percent of the farm's projected production of wheat on the allotment, if not less than 40 percent of the allotment is planted.

The certificates have a cash value equal to 100 percent of parity as of July 1, 1966, less the national average price support loan rate of \$1.25. The effective parity price for wheat on July 1, 1966 was \$2.57 per bushel. Therefore, the value of the domestic marketing certificates was \$1.32 per bushel.

Producers obtain price support through warehouse-stored loans, farm-stored loans, or purchases.

This year, wheat warehouse receipts offered for price support must be supported by an official licensed inspector's certificate. Arrangements for sending a sample to a licensed inspector must be made with the warehousemen.

The producer must make arrangements with the warehousemen for payment of the inspection certificate. If the producer obtains a CCC warehouse-stored loan he will be reimbursed at the rate of \$2.00 for each certificate used with the warehouse receipts.

Producers should make a special effort to discuss with their warehousemen the arrangements for storing under the price support program. This includes the sampling and obtaining of grade certificates.

BIBLE VERSE TO STUDY

"Sir, what must I do to be saved?"

1. Who asked this question?
2. Of whom was it asked?
3. What answer was given to this question?
4. Where may this question be found?

STATE OF MICHIGAN

TOWNSHIP OF LIMA

COUNTY OF WASHTENAW

NOTICE is hereby given that a special meeting of the Township Zoning Board of Lima Township will be held at the Lima Township Hall, located at the corner of Jackson Road and Lima Center Road in said Township, on Thursday, August 4, 1966, at 8:00 o'clock in the evening of said day.

At said meeting the Zoning Board will consider the application of the Lima Township Board for a change in the zoning classification from General Business District B-2 to Agricultural District A-1.

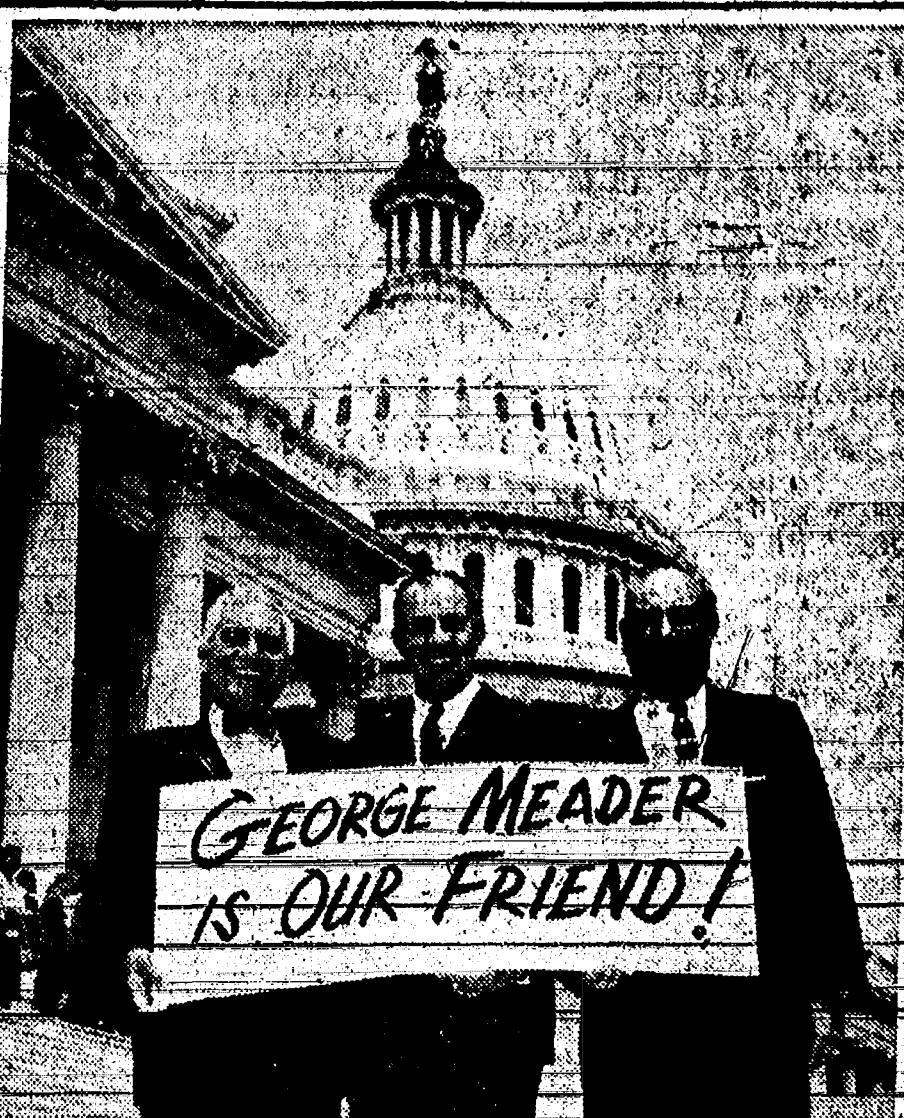

The said lands are situated on the north side of Jackson Road approximately 1400 feet east of intersection of Jackson Road and Steinbach Road and are particularly described as follows:

Commencing at the northwest corner of Section Twenty-Four (24); thence south 4° 13' 20" west 1,620.47 feet in the west line of said section; thence south 68° 19' east 455.17 feet; thence south 64° 30' east 634.01 feet; thence south 65° 46' east 393.51 feet FOR A PLACE OF BEGINNING; thence north 6° 50' east 1,407.53 feet in the west line of the east half of the northwest quarter; thence south 83° 39' 30" east 2,018.74 feet; thence south 8° 32' east 597.30 feet; thence southwesterly 66.50 feet in the arc of a circular curve to the right of 54.17 feet; thence the chord bears south 40° 35' 30" west 80.92 feet; thence south 64° 30' east 634.01 feet; thence south 65° 46' east 393.51 feet; thence south 18° 45' west 799.30 feet; thence north 71° 20' west 40 feet; thence south 18° 45' west 212.1 feet; thence north 77° 48' west 161.40 feet; thence northwesterly 1,292.01 feet in the arc of a circular curve to the right of 68.75 feet radius to the place of beginning, being a part of the north half of Section Twenty-Four (24); thence south 2° 22' South, Range Four (4) East, containing 63.00 acres.

All persons having an interest in said Township, or its duly appointed representative, shall be heard at such meeting and matters that shall come before said Board.

LIMA TOWNSHIP ZONING BOARD

GEORGE P. FRISINGER, CHAIRMAN

BARNSTORMING CREW: Three members of the U. S. Congress who will barnstorm the Second Congressional District in Michigan on Saturday, July 30, on behalf of the candidacy of George Meader, who is seeking the Republican nomination in the Aug. 2 primary, are shown on the U. S. Capitol steps. Left to right are William G. Bray, Ind.; William H. Ayres, O.; and E. Ross Adair, Ind.

REPORT from LANSING

State Representative

Thomas G. Sharpe

★ 1966 Welfare Legislation, Part I

The 1966-67 final budget for the Welfare Department is \$11,525,988 higher than the appropriation made in 1965-66. The appropriation for 1965-66 was \$106,170,500, however, the House passed Bill No. 3048 which provided for \$139,113,716 for this Public Welfare budget, which was \$32,943,156 greater than the preceding year. We are fortunate to be able to reduce this expenditure to a final appropriation of \$117,696,582.

It seems unbelievable, now that our unemployment rate is at an all-time low, that our appropriations for Public Welfare should be increasing each year. One of the major reasons for this is that we are embarking in more federal state matching programs. This reduces the state or much of its administrative ability and places the Federal Government in much control of our Social Welfare programs.

Some of the Bills passed this session:

A bill to authorize the social services department director to make family planning advice available to a licensed medical doctor or osteopathic physician upon request and referral by a public assistance recipient. Necessary drugs and recognized medical equipment may also be made available to a licensed pharmacist upon prescription issued by a licensed physician.

A provision that the amount of old age assistance shall be fixed according to the condition of the individual, community and circumstances in each case. The present limits of \$30 a month or \$140 a month for hospitalization or care in a convalescent home are deleted. The bill also provides that the state department of social services may pay for medical care received by a recipient of the aid in his home and in the disabled, or aid to dependent children; This act will become effective Aug. 1, 1966.

Expanding the ADC program to permit a child under 21, who is a student regularly attending college, to be included under the Aid to Dependent Children program. This bill also provides that a parent cannot be engaged in gainful employment for more than 32 hours in any one week.

Senate Bill No. 991 requires the state department of social services to establish minimum housing standards for the maintenance of health and decency for recipients of welfare funds. A standard must not be less than those required under the present housing law and would be revised by the department at least once a year.

No public assistance grants authorized under the social welfare act could be used to pay rent for any dwelling that does not meet the standards under this bill.

House Bill No. 3991 provides that the County Director of Social Welfare and his assistant shall hold no elective offices, shall devote their entire time to their duties and shall receive such compensation as shall be fixed by the State Civil Service Commission in addition to necessary travel and other expenses. This provision now only applies to the director. In addition, the travel and other expenses of the director and his assistant may be appropriated by the Civil Service Commission.

More on Welfare legislation next week.

Light Zinc Application Increases Bean Yield

Research on the most effective use of zinc can be worth as much as \$4 million a year to Michigan bean growers.

Michigan State University soil scientists estimate that just four pounds of this nutrient per acre can increase yields up to 25 bushels. They calculate that addition of zinc to all those Michigan soils which are deficient would mean another 1,100,000 bushels of beans.

Figuring \$3.50 a bushel, this would represent a return of nearly \$4 million to the bean growers of the state.

U. of M. Reveals Plans For New \$4 Million Theatre

Ann Arbor — Preliminary plans for construction of a new theatre at the University of Michigan were reviewed here Thursday, July 21 by the steering committee of the University's \$55-Million Program.

Gifts of stock currently valued at considerably more than \$1,000,000 have been received for the theatre from Mr. and Mrs. Eugene B. Power and their son, Philip Power. Power, a former Regent of the U-M is chairman of University Microfilms, Inc., of Ann Arbor, and a director of Xerox Corp. Additional gifts will be sought through the \$55-Million Program, according to Regent Paul Goebel, of Grand Rapids, national chairman of the funds drive.

The Power family has had a long-time interest in the theatre, and was among the founders of the Dramatic Arts Center in Ann Arbor in 1954, an early venture in community repertory theatre.

"We have made this gift out of the strong conviction that it is as important that the modern student have experience with good theatre as with athletics while he is in college," Power commented today.

Both professional and student theatre will be accommodated in the new structure, which is being designed by Saarinen Associates, of Hamden, Conn., with the stage being designed by Jo Mielziner, New York. This team of architect and designer was also responsible for the new Vivian Beaumont Theatre, in New York's Lincoln Center. Saarinen Associates designed the U-M's new School of Music Building, and Mielziner is widely recognized as America's most distinguished designer of stage settings.

U-M President Harlan Hatcher has said that "the new theatre will be a landmark for the University of Michigan, both in terms of its beautiful design and in terms of what it will provide in cultural enrichment for our campus community."

Members of the steering committee viewed a model of the proposed theatre, to be located in the heart of the University's Central Campus. It will face Felch Park on Fletcher St., in the block between Huron and Washington Sts. Parking and direct, covered access to the theatre will be provided by the Fletcher St. Parking Structure, now under construction.

Howard Hakken, University architect, said in presenting the plans to the steering committee, that "the theatre has a revolutionary interior, combining classic feeling with modern design." The interior of the proposed theatre, he said, will represent "the most successful attempt to date to combine the prosenium and thrust stage."

Both stage arrangements will be possible, and a double wing turntable will add to the unique flexibility of the total design.

An orchestra pit to accommodate

as many as 52 players is also included in the plans, so that operas and musical shows may be presented in the building. Seating capacity will vary, depending upon whether the orchestra pit is used and upon the stage arrangement. Maximum seating will be 1,420.

To be constructed of exposed aggregate concrete, the new structure will have a classical facade with columned arcade. The exterior wall of the lobby will be of reflecting glass, so that in daylight the trees and greenness of Felch Park will be reflected back to the eyes of the viewer. At night, with lights inside the theatre turned on, those approaching from the park will be able to see through the glass into the lobby and the theatre entrance.

Seating will be on an orchestra floor accommodating 831 and a balcony with 495 seats. There will be an overlap of balcony over the main floor of only three rows. All seats in the House will have a full, direct sight line to the stage, and no seat will be further than 87 feet from the stage.

Backstage facilities will include dressing rooms, shop, storage space for stage sets and costumes, a rehearsal room, and green room. Because the theatre will be built on the side of a hill, many of these facilities will be below the street level at the entrance to the building.

This theatre will be the University's first new stage facility in 35 years, the steering committee was told. It will be a much-needed addition to theatre accommodations at the U-M. Michigan, which has long had an outstanding program of student theatre, has added in recent years a highly successful Professional Theatre Program. The University's Musical Society has likewise expanded its offerings of chamber groups and dance recitals.

The Theatre Program, starting its fifth year at Michigan in September, will have offices on the first floor of the new theatre building. Since 1962, the Program has presented nearly 50 professional productions on the campus, including the annual fall festivals by the Association of Producing Artists and last winter's initial appearance by the American Conservatory Theatre Co.

With Prof. Robert C. Schnitzer as director and Marcella Cisner as associate director, the U-M program has led the way in the current trend toward establishment of professional theatre in association with universities across the country.

Other features of the Professional Theatre Program include the New Play project, in which an original drama receives its premiere production in Ann Arbor; the granting of seven fellowships each year to outstanding drama school graduates from all over the nation to work at the U-M; and the annual Play of the Month Series, presenting current Broadway and

Off-Broadway successes. One of the new plays was "An Evening's Frost," which went on to New York success and will be toured nationally next winter.

The \$55-Million steering committee approved placing the theatre high on the list of objectives for the funds drive which is seeking private gifts for a variety of University needs. It is estimated that approximately \$3,000,000 will be needed to complete the theatre project.

The most important safeguard against hazards around the house is attitude. If you think constantly about the safe, sensible way of doing things, it will become a habit and can help to reduce the number of accidents in the home.

Extra Deep Plowing Increases Crop Yield

Deep plowing — as deep as 2 to 30 inches — is being used substantially to boost crop yields in several areas in Michigan.

Michigan State University scientists explain that deep plowing works best where soils would otherwise be too compact for good growth. The technique also increases soil aeration and water holding capacity which hastens the decomposition of organic matter and liberates more nitrogen, phosphorus and sulphur for use by crops.

In experiments using a glider disc plow specially designed by MSU agricultural engineers, corn yields have been increased 10 bushels per acre and similar increases have been seen on beans, wheat and other farm crops.

There are people who always have a good excuse for whatever they fail to do.

To The Qualified Electors:

NOTICE IS HEREBY GIVEN,

That a General Primary Election will be held in the

TOWNSHIP OF SYLVAN

(Precinct No. 1 and 2)

STATE OF MICHIGAN

At

Sylvan Township Hall

Within said Township on

TUESDAY, AUGUST 2, 1966

For the purpose of placing in nomination by all political parties participating therein, candidates for the following offices, viz:

STATE Governor.

CONGRESSIONAL

United States Senator, United States Senator (to fill vacancy), Representative in Congress.

LEGISLATIVE

State Senator, State Representative

TOWNSHIP

Supervisor, Clerk, Treasurer, Trustee, 2 Constables.

IN ADDITION, Delegates to the Democratic and Committeemen will be elected.

Also Any Additional Amendments or Propositions That May Be Submitted.

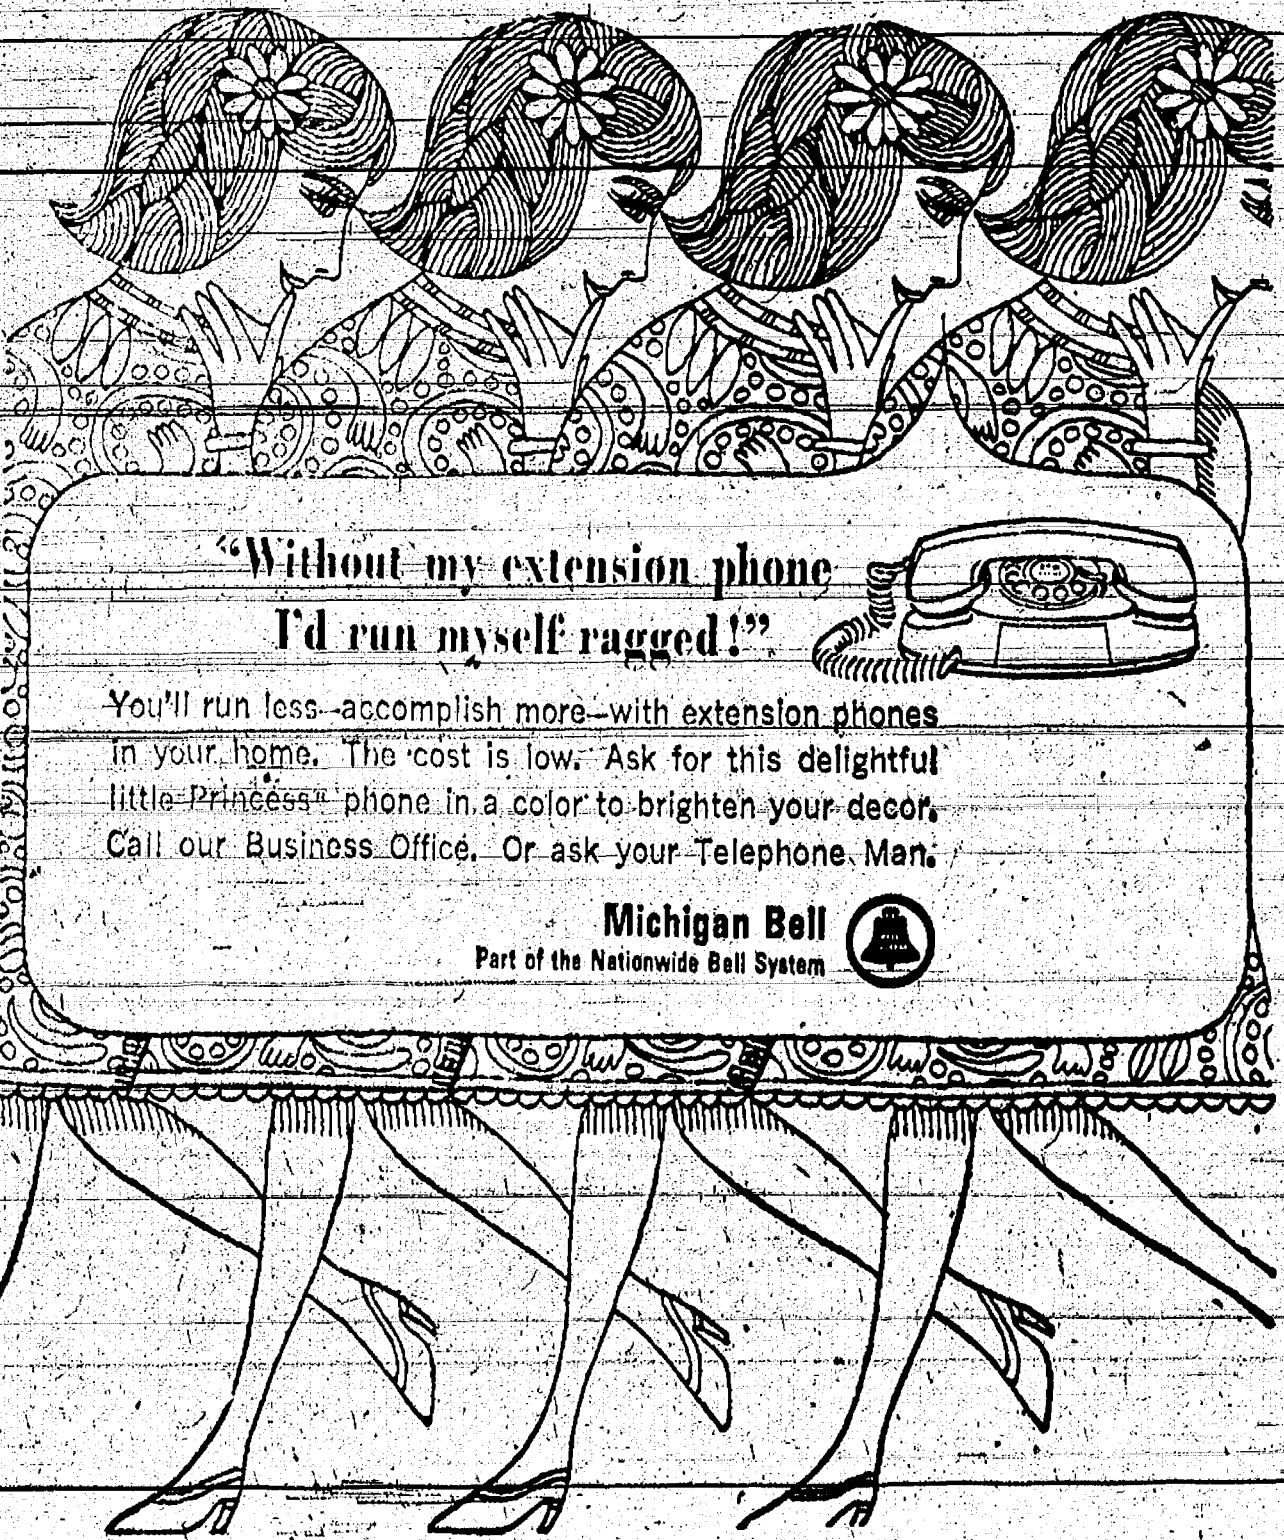

Notice Relative to Opening and Closing of Polls

ELECTION LAW, ACT 116, P. A. 1954

SECTION 720. On the day of any election the polls shall be opened at 7 o'clock in the forenoon, and shall be continuously open until 8 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereon shall be allowed to vote.

THE POLLS of said election will be open at 7 o'clock a.m. and will remain open until 8 o'clock p.m. of said day of election.

DANIEL J. MURPHY, Township Clerk

back to congress

Only George Meader's proven integrity, experience, and energetic leadership can return sound Republican representation to the Second Congressional District.

MEADER for Congress Committee

D. E. Beach Granted Honorary Degree from Korean University

Dwight E. Beach, commander of the United Nations Command in Korea, and a member of the Korean University, was recently granted the honorary degree of Doctor of Laws (LL.D.) by Chung-Ang University, Seoul, Korea.

Beach's brother, David, lives at 297 Jefferson. Their parents, the late Mr. and Mrs. D. E. Beach, were lifelong residents of the township and Chelsea.

Louise Yim, president of Chung-Ang, conferred the degree upon the four-year-old university. The degree was conferred on Beach's "great contribution" that has helped in the "safety, well-being and future of the Republic of Korea."

Beach was also warmly welcomed by the university as a guest of honor. He is a graduate of the military academy and a member of the Korean forces even more.

Beach was also warmly welcomed by the university as a guest of honor. He is a graduate of the military academy and a member of the Korean forces even more.

The Serviceman's Corner

AIRMAN STAFFORD D. WHITE

Airman Stafford White Chosen for Air Force Technical Training

San Antonio, Tex. — Airman Stafford D. White, son of Mr. and Mrs. Chester H. White of 210 Island Lake Rd., Chelsea, Mich., has been selected for technical training at Keesler AFB, Miss., as U.S. Air Force air-traffic specialist. The airman recently completed basic training at Lackland AFB, Tex. His new school is part of the Air Training Command which conducts hundreds of specialized courses to provide technically trained personnel for the nation's aerospace force.

Airman White was graduated from Chelsea High school in 1965.

STORK VS JET — Rock Hill, S.C. — When Lt. Carl L. Latham Jr. arrived in Mississippi for two weeks active duty, he called his expectant wife and was told she was in the delivery room. He arrived home using a private plane, jet and taxi only to learn the stork was faster — he was the father of an eight pound son.

HERO COULDN'T SWIM — Atlanta — Forgetting he couldn't swim, Sol Wolkin, a mattress company official, jumped into a motel swimming pool and rescued a small child. Wolkin said he used a "slashing style" and pushed her to the edge then "slashed" his way to safety.

VALENTINE SAVES LIFE — Milwaukee — Luck and a late Valentine card probably saved the life of Lance Corp. Robert W. Monday, a soldier in South Vietnam. His parents quoted their son as saying he put the card, letters and a cap under his helmet which deflected a machine gun bullet that penetrated the helmet.

An expert is a man hired by your side. The thief knows very few honest men.

Boy Scout Camp Filled to Capacity For Second Week

Bruin Lake Boy Scout Camp was completely filled to capacity again for the second week of the 1966 season ending last Saturday, with 210 scouts and leaders from 10 troops in Washtenaw and Livingston counties.

Camp staff and families of staff and Scouters increased the number at camp to 251 according to William Windle, camp director.

Although all four districts in the Council were represented at camp this week, Ann Arbor units predominated with Troops 7, 11, 12, 18, 23, 101, and 123 in attendance. The other Troops in camp were Troop 240 of Ypsilanti, Troop 383 of Brighton, and Troop 476 of Chelsea.

Featured during the first week of camp was the Water Carnival held on Friday afternoon. Troop 5 of Ann Arbor came to first place in this aquatic event. This is the third year in succession that Troop 5 has won this event.

Troops entering camp Sunday, July 24, are: Troops 29 and 78 of Ann Arbor, Troops 222, 231, 247, and 298 of Ypsilanti, Troop 350 of Brighton, Troop 364 of Howell, and Troop 477 of Dexter. The third week of camp promises to be the biggest week of the summer in attendance.

The "more pay for less work" idea has a counterpart in "more profits for less goods."

CHELSEA VILLAGE COUNCIL PROCEEDINGS

July 5, 1966 Council Room

Regular Session
This meeting was called to order by President Baldwin at 8 p.m. Trustees present: Bollinger, Chapman, Crouch, Schaible, Storey and Weber. The minutes of the regular session of June 21, 1966 were read and approved.

Mr. Edwin Oram asked if the lot size in the proposed Mobile Home Park Standards might be reduced from 70 feet x 100 feet to 40 x 80 feet. Lot sizes and whether homes shall be skirted will be set in the Standards for Mobile Home Parks.

Mr. Telephone Company will move some of their poles at Pierce Park so the driveways may be widened.

Discussed the speed limit on North Main Street. The speed limit is set by the State Highway Department. The Council will ask for a speed survey to be taken during the busy hours of the day.

Stop signs will be located at the Washington street and Free intersection, making it a three-way stop.

Discussion was held with John Palmer, Chief of Police, regarding the use of firecrackers. There is a state law and also a village ordinance against the use of firecrackers.

Motion by Schaible, supported by Bollinger, to repair and backtop the street over the bridge on McKinley Street. Roll call: Years all motion carried.

Motion by Schaible, supported by Bollinger, to repair and backtop the street over the bridge on McKinley Street. Roll call: Years all motion carried.

ing the possibility of a relocation of the main sewer line, which would present a considerable savings for the excavation section of the bids. Pres. Baldwin was authorized to contact the Dana Corp. in this regard.

A discussion was held regarding possible contract additions and/or deletions.

Motion by Schaible, supported by Bollinger, to approve the low bid of the Union Construction Co. of Manchester, Mich. for the construction of the Sibley Road sewer and lift station. Said bid to be subject to change orders as suggested by the village sanitary engineers. Roll call: Years all motion carried.

Motion by Chapman, supported by Weber, to adjourn the meeting. Roll call: Years all motion carried.

Meeting adjourned. Approved: July 19, 1966. Donald E. Baldwin, President. Duane Crouch, Acting Clerk.

Council Room July 12, 1966

Special Meeting

This meeting was called to order by President Baldwin at 7:30 p.m. Trustees present: Bollinger, Chapman, Schaible, and Weber. Trustees absent: Crouch, and Storey.

This meeting was called to discuss bids for the proposed sewer construction on Sibley Road. Dana Corporation officials and Mr. Greg Kubell of Finkbeiner, Pettis and Strout were consulted.

Bids were received from the following firms: Frank Seller and Co., \$101,799.53; Union Construction Co., \$82,314.26.

A discussion was held regarding the possibility of a relocation of the main sewer line, which would present a considerable savings for the excavation section of the bids. Pres. Baldwin was authorized to contact the Dana Corp. in this regard.

Marilyn Wenk Wins Scholarship at EMU

The Eastern Michigan University Board of Regents has announced the awarding of a Regents scholarship to Miss Marilyn L. Wenk, daughter of Mr. and Mrs. Norman Wenk of 2681 Fletcher Rd. Miss Wenk, a sophomore at the school, was given the scholarship on the basis of her scholastic average, leadership and need. It covers 60 percent of tuition for one year and is renewable if the student maintains a satisfactory academic average.

SUNDAY'S SERMON

GOD'S HAVEN

There's a lull in the world outdoors when the summer sun, with mid-day strength, scorches the edges of the earth. Nature's children seek the shadowy banks of river and stream and the cool shade of the forest floor.

Where do you turn when life becomes uncomfortable? Where do you seek shelter when the day's task appears hopeless and when you are sorely discomfited? Where is your haven?

There is a place by the side of the road, not far from where you live. Most simply, it's God's house. There is here a quiet goodness, a serenity, it awaits every man, through an ever-open door.

Never hesitate to turn your footsteps — or your thoughts — toward God's house. Find your comfort in faith. Waste not your day's searching for an elusive sanctuary. For earth's greenest meadows, for all the flowers that open and it is through worship that man may communicate with his Creator.

Pork shoulder steaks are just as easy to prepare as pork chops and they're likely to have a lower price tag. You can braise pork shoulder steaks in barbecue sauce, or cream, tomato, onion, vinegar, sugar, or ketchup.

THE COUNTRY PULPIT:

When You Need A Friend

Do you ever wish that you had a friend to help you out of life's difficulties?

Perhaps you are discouraged. Your life has been filled with sorrow and loneliness and disappointment. You seem to have had more trouble than others. When you seek comfort from those around you, they do not understand or do not care. You wish there was someone who could stand by your side and help you.

Or it may be that you are struggling with some habit — some evil appetite or passion that holds you in its grip. Time after time you have determined to cut loose from it, but then you find yourself powerless to resist. You yearn for some friend who has power to set you free.

Then again you might be among those who are burdened by a sense of sin and guilt. Voices from the past will not be silenced. Like angry bloodhounds, your sins refuse to let you escape. If only there was someone who could forgive you, and let you make a clean start.

Or finally it may be that you need a friend in your sickness. You are weary by pain and suffering, and terrified at the thought of what might happen. How often, in your quiet moments, you have longed for some voice to speak peace to your heart, and some strong hand to help you face the future unafraid!

Everyone feels the need of such a friend at one time or another. But where is he to be found?

The Bible gives the answer. The friend you need is the Lord Jesus Christ. There is no one who can heal the broken heart like Jesus. Who but He can snap the chains of habit and set the captive free? He is the friend who alone has power to forgive sins, and no one else can provide real comfort in time of sickness or death.

The best of all friends is the Lord Jesus. He is the "friend that sticks closer than a brother" (Proverbs 18:24). He is always near when you need Him. He is a friend who loves at all times, in adversity as well as in prosperity. He is an unfailing friend, one who will never leave you. The proof of His friendship is the Cross of Calvary. There it stands in lone majestic splendor, telling all the world that the Son of God shed His blood for sinful mankind so that He might save those who believe on Him, and be their friend forever.

But perhaps you say, "Christ lived 1900 years ago. How can He be my friend today?" It is true that Christ lived 1900 years ago, but it is just as true that He lives today. He rose from the grave three days after His death, and afterward He ascended into Heaven. That is where He is today — seated at God's right hand.

This is how you can make Him your friend. Go to Him by faith with all your need. Confess your sins to Him. Admit that you cannot save yourself, and that unless He saves you, you will be lost forever. Then receive Him as your Lord and Savior.

If you do this, God's Word assures you that Christ will save you. For "if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised Him from the dead, thou shalt be saved" (Romans 10:9).

Whenever Christ becomes your Lord and Savior, He also becomes your friend. He will comfort you, cheer you, help you, and then, when life is over, He will take you safely home to Heaven.

Christ speaks to you today as you face life's difficulties alone. "Come unto Me, all ye that labour and are heavy laden, and I will give you rest" (Matthew 11:28).

He wants to be your friend. Will you let Him?

Attending Conference

Jazz musicians, psychiatrists and painters are meeting with United Church of Christ ministers and lay people in Hillsboro, N.H., for a three-day look at arts, religion and the creative process.

The Rev. Robert A. J. Livingston, pastor of the Congregational United Church of Christ of Chelsea, is among those attending the conference.

On the scene are a poet, an architect, novelist, dancer and a professor of religion and art.

The conference is sponsored by the Division of Christian Education of the United Church Board for Homeland Ministries.

The Rev. Howard A. Boardman, Boston, of the Division's Leadership Ministries staff, is the dean of the conference.

The Rev. Howard A. Boardman, Boston, of the Division's Leadership Ministries staff, is the dean of the conference.

Just A
Minute . . .

By the Rev. James A. Craig

Will Rogers once said he never met a man he didn't like. We may not be as generous as he in our opinions. We have our likes and dislikes and even feel we are entitled to them.

It may be OK. At any rate we'll keep them.

While we may or may not like some people, there are some things that people, generally, are in favor of. Among these are education, knowledge, if you will. No one can do anything without some knowledge of how it is to be done.

People are generally in favor of schools. I have never met a man who was against schools.

Even the most reluctant will grudgingly admit their value to the community and the community's children and the community's future.

Education — knowledge — schools have an intrinsic value, that is, a value in themselves.

That's value that you can't destroy — none of us can. We might hinder it, even slow it to a stop, but we can't destroy it.

On the other hand, we can enhance it. We can increase its value, make it more useful to the town, the student, the employer, the parent. And that's what we have a chance to do.

I'm not saying we shouldn't work for improvement where we feel it is needed. I'm saying that we have a treasure in what St. Paul called an earthen vessel and a chance to make it more valuable without hindering it with a debt or a deficit that shall cost even more in the long run.

Opportunities seldom knock more than once. Now that it's here for the third time let us take it.

CREATING TIPS
 From scratch to redecorate the interior of your home? The interior and drapery fabrics, then match these with the color of your choice. Samples of all three materials are available in interior design today.

the three faces of LADY ELGIN
 all lovely!

It is easy enough to plan to make a million dollars, the execution of the plan is what delays the accumulation of the fortune.

TODDY and FRAN
 Do you sometimes get tired of being the same old you? A desire for change strikes us all. Have you thought of how quickly you can alter your personality simply with a change of hairdo? Look at some of the "before" and "after" in popular magazines as proof. A demure little old-fashioned girl becomes a saucy little modernistic elf with the help of her hairstyle. Turn yourself over to one of our experts for that lift you get from a change of place — whether it's an expensive vacation or an inexpensive trip to our shop. We're open evenings except Saturday.

Open House Event To Honor Kalmbachs On 40th Anniversary
 Mr. and Mrs. Walter Kalmbach of 212 Francisco Rd., Grass Lake, will be honored at an open house on Sunday, Aug. 7, from 2-5 p.m., on the occasion of their 40th wedding anniversary.

Friends and relatives are invited to attend the anniversary festivities, which are being hosted by the couple's children, Walter Kalmbach, Jr., of Saginaw, and Miss Phyllis Kalmbach of Jackson.

Open House Tonight Will Honor Smuckers

Friends of the Rev. and Mrs. John Smucker and his family and parishioners of St. Barnabas Episcopal church are invited to attend the 8 p.m. open house in their honor tonight at the home of Mr. and Mrs. Jervold Benumot, 835 Washington St.

The Smuckers will be leaving Chelsea in August, when they will move to Flint. The Rev. Smucker will become the first full-time official of the Michigan Association for the Deaf. He has served as vicar at St. Barnabas since 1962.

TIPS for your TOP from

TODDY and FRAN
 Long skirts with a slit on the side that show a part of a lady's leg as she walks are being seen on evening gowns for the coming season.

The girl who likes short hair will be more concerned about the cut she receives from the operator than other other one thing. If hair with a natural wave, is cut properly it will fall into place naturally and call for less professional help.

Color for hair has become very popular — not the old dye jobs but mixes which last several weeks. Many of these only take about ten minutes to apply on the hair before being washed off and have proved to be a boon to those career women who look older with gray hair and who find it easier to keep a job as a blond or brunette.

Club and Social Activities

BRIDAL SHOWER
 A bridal shower was given Friday evening in honor of Miss Donna Cotterman at the home of Miss Peggy Dehn at North Lake. Miss Dehn and Miss Gina Cotterman were co-hostesses.

Fifteen guests attended the kitchen shower, which celebrated the coming nuptials of Miss Cotterman and Alonzo Taylor. An Aug. 20 wedding is planned by the couple.

Games were played and refreshments served by the hostesses.

YFW AUXILIARY
 Chelsea YFW Auxiliary, Post 4074, held their 21st anniversary party Wednesday, July 20 at the home of Mr. and Mrs. Marshall O'Dell. A 6 p.m. pot-luck supper was served.

Eighteen members and their families attended the celebration. Other guests were Mr. and Mrs. Harry White of Ann Arbor and six other members of the Ann Arbor Auxiliary. Mrs. White instituted this auxiliary in 1945 and has installed the officers every year except one.

Other guests were from Detroit, and Mr. and Mrs. Clare Smith of Florida, a former member of the Auxiliary.

Mrs. M. Puckard won the door prize. Dennis Bauer, son of Mr. and Mrs. Norman Bauer, played a number of selections on his guitar.

MISSIONARY GROUP
 The meeting of God's Willing Workers missionary group of the Chelsea Baptist church was held at the church Monday evening, July 25. A special donation for specific needs of the church's missionaries in Thailand, the Loren McGreaves, was taken.

"The Christ We Know" was the theme of devotion by Mrs. E. A. Wigle. Mrs. Clarence Holiday served refreshments following the meeting.

Fashion Notes

The girl who likes short hair will be more concerned about the cut she receives from the operator than other other one thing. If hair with a natural wave, is cut properly it will fall into place naturally and call for less professional help.

Color for hair has become very popular — not the old dye jobs but mixes which last several weeks. Many of these only take about ten minutes to apply on the hair before being washed off and have proved to be a boon to those career women who look older with gray hair and who find it easier to keep a job as a blond or brunette.

Key Club International Picks Kansas Youth as President

Chicago, Ill. — Larry A. Wohlford, 17, a member of the Key Club of Hutchinson High School, Hutchinson, Kans., was elected president of Key Club International at the close of the 23rd annual convention of the organization in Chicago, Ill., June 26-28.

The young president is the son of Mr. and Mrs. Olan Wohlford, 818 E. Seventh St., Hutchinson. He is president of his Key Club, a past district bulletin editor, and served as a trustee of the organization before his election to the presidency.

Also elected were two vice-presidents: D. Colley Joseph of Baton Rouge, La., and William E. Partidge, Demopolis, Ala., a secretary, Cecil E. Snodgrass of Ruyalup, Wash., and 12 trustees: C. Christopher Bean, Burlington, N. C.; Kirk K. Dolby, Warren, O.V.; Steven R. Fairbanks, Salt Lake City, U.T.; Arnold B. Gault, Richmond, Va.; James E. Huth, Bannock, Wis.; Alan Joffe, Buffalo, N.Y.; Sam J. Lacina, Grinnell, Ia.; Stuart K. Olvey, Denver, Colo.; R. James Starley, Palos Verdes, Calif.; Douglas A. Street, Ottawa, Ontario; Gary Wilson, Beeville, Tex.; and Ronald D. Wallace, Marietta, Ga.

The 2,150 young men attending the convention adopted as their theme for the 1966-67 school year "Initiate Personal Responsibility."

Judged best all-round clubs in service work and administration for the past year were: among clubs with 34 members or more was Baldwin County high school, Day Minette, Ala.; among clubs with 24 to 33 members was Miami Beach high school, Miami Beach, Fla.; and among clubs with 23 or fewer members was Broadmoor Senior H.S., Baton Rouge, La.

Warren High school, Downey, Calif., was awarded first place in competition for honors being given for the one most effective single project carried out by a Key Club. Their program was an intensified, all-encompassing community beautification program including the following work: maintenance of "Welcome Downey" signs; cleaning 200 bus benches; landscaping center dividers on main thoroughfare; waxing 50 city police cars; gardening four churches; assisting in the set up of a little league ball park; and washing city litter baskets. These activities, along with other work, took a total of 4,200 hours of service. Second place was awarded to Rochelle Township high school, Rochelle, Ill., and third place was given to Hillsboro high school, Hillsboro, Kans.

The 1967 convention will be held in Louisville, Ky., next July.

FATS SPREAD

Fats absorb odors and flavors readily. We use this characteristic to advantage when we cook onions in a small amount of fat and then distribute this onion flavor by mixing the fat throughout a casserole mixture.

Chelsea Man Injured in Crash Near Ann Arbor

A three-car accident on Jackson Ave. at Highlake Ave., in Ann Arbor, resulted in injuries to seven persons Saturday evening.

Ann Arbor police said that a car driven by Ernest Norton, 39, of Chelsea, headed west on Jackson, skidded 40 feet and crashed into the rear of a vehicle operated by Neil F. Maulbetsch, 23, of 2350 E. Northfield Rd. Police said the Maulbetsch car was stopped before making a left turn. The impact reportedly pushed the Maulbetsch car ahead and it was hit by a vehicle going east on Jackson and operated by Alanna Loken, 17, of 1521 Glen Leven, Ann Arbor, police said.

The seven injured persons who were taken to St. Joseph Mercy Hospital included Norton, Maulbetsch and three passengers in his car, Miss Loken and a passenger in her car.

Jaycees To Serve As Election Reporters In Aug. 2 Primary

The Chelsea Jaycees will have a key role in the Aug. 2 primary.

In an effort to speed up reporting of vote results of the gubernatorial and senatorial races, the Chelsea Jaycees will serve as special precinct reporters in this area for the AP-UPI-Michigan Election Pool.

Each local Jaycee precinct reporter will be properly identified with a letter from State Elections Director Robert M. Montgomery.

The AP-UPI Election Pool said the Jaycees in turn will receive a cash grant from the wire services for taking on the state-wide project to assist the news media in getting the vote results to the public as soon as humanly possible.

The grant is earmarked for Jaycee projects dealing with the prevention of government activities, free enterprise activity and community development work.

Congressman Wes VIVIAN Reports from WASHINGTON

WES VIVIAN

Last week, the House of Representatives debated on one of the most important bills to come before the 89th Congress this year. This was the appropriation bill for the Department of Defense for the fiscal year which began on July 1. This bill is significant for two extremely important reasons: first, the appropriation must be designed to best protect the peace, freedom and security of this Nation; and that of all other free countries in the world; second, the \$58.6 billion requested for the defense of our country represents approximately one-half of the entire annual budget. In view of these facts, it is obvious that each aspect of this appropriation bill must be carefully weighed before its passage.

The most controversial aspect of the appropriation bill came to light, last week, when Congressman Cohen (Calif.) offered an amendment to delete \$153.5 million provided for the production of an antiballistic missile system, because he did not feel that such a system would add to our national security.

I joined Congressman Cohen in support of this amendment, and I presented to the Members of the House of Representatives three reasons for my action. As a scientist, I have studied this matter very thoroughly for the past twenty years. I am very familiar with current research on missile systems — both defensive and offensive. On the basis of this knowledge, I maintained that there is today no concrete evidence of the probable efficacy of this proposed program. To proceed with an antiballistic missile system at this point would, at best, provide us with a very weak defense system against a potent offensive force such as that possessed by the U.S.S.R. As I argued during the debate, "Do not be deluded into believing that we can simply spend dollars and attain an effective defense." I urge that further research be conducted before starting on a costly program of this nature.

The second factor which, in my estimation, calls for the deletion of the antiballistic missile system from the appropriation bill is the consideration of defense strategy. During the debate, I stated, "I think we all realize that when two nations such as the USSR and the United States each possess an unstoppable offense, a certain balance of terror exists. It is an inhuman balance of terror. I acknowledge that it is a balance. At present, our 'balance of terror' is under a great deal of stress; the development of an antiballistic missile system would upset this precarious balance. It is evident, then, that this defense system will by no means insure that our national security will be increased; the tension of the present time has made the world too unstable for such an assumption."

The third consideration that led me to support Congressman Cohen's amendment is the fact I am not convinced that this is the proper time to act. The President is the proper person to decide that our country is ready for installation of this type of system. And should the President make this decision, I would not hesitate to vote for the needed funds. But the President has not called for funds for the antiballistic missile system, and I believe that such funds should be appropriated only in response to such a request.
