Helping Hand' Project Set by C Auxiliary

Blue Hand Sign in Window Assures Help for Any Youngster in Trouble

This week the women of the Jaycees Auxiliary are displaying their "Helping Hand" program in their windows during school hours. People displaying the Helping Hand are instructed to assist the younger members of the community who may be in any kind of trouble. They are instructed not to give first aid. Every school-age child will be briefed on the program, and the significance of the Hand. The Auxiliary chairman, Mrs. Anne Steinaway asks further that parents explain the symbol to the entire family, and locate with the children the homes in the area with the Hand in the window. School children will receive a flyer to take home to assist the parents in following through on the program.

Jaycees Auxiliary members wish the public to know that there is nothing compulsory about using the designated havens. They are chosen to display the to be used only if the parents have given unanimous support, and to ascertain that

Clive Mosier Is Killed In Vietnam

The first family in Chelsea to lose a son in Vietnam is Mr. and Mrs. John V. Mosier, 19850 Old US-12. Their 24-year-old son, Clive V. (Buster) Mosier was killed in combat a week ago.

Clive was a 1961 graduate of Chelsea High School, and worked for his father in his sawmill for a period before becoming an Ann Arbor resident five years ago. He was employed as a foreman with Selle's Construction Co. before entering the U.S. Army on Sept. 1 of last year.

He is survived by his widow, Joyce; by his parents; four brothers, Clyde, Charles R. and Gary W., all of Chelsea; and Ronald of Livermore, Calif.; his maternal grandfather, Walter Bilbrey of Williamsville, Mo.; his paternal grandmother, Mrs. Martha Mosier of New Carlyle, Ind.; and several aunts, uncles, nieces and nephews.

He was born Jan. 3, 1945 and was married Nov. 4, 1961.

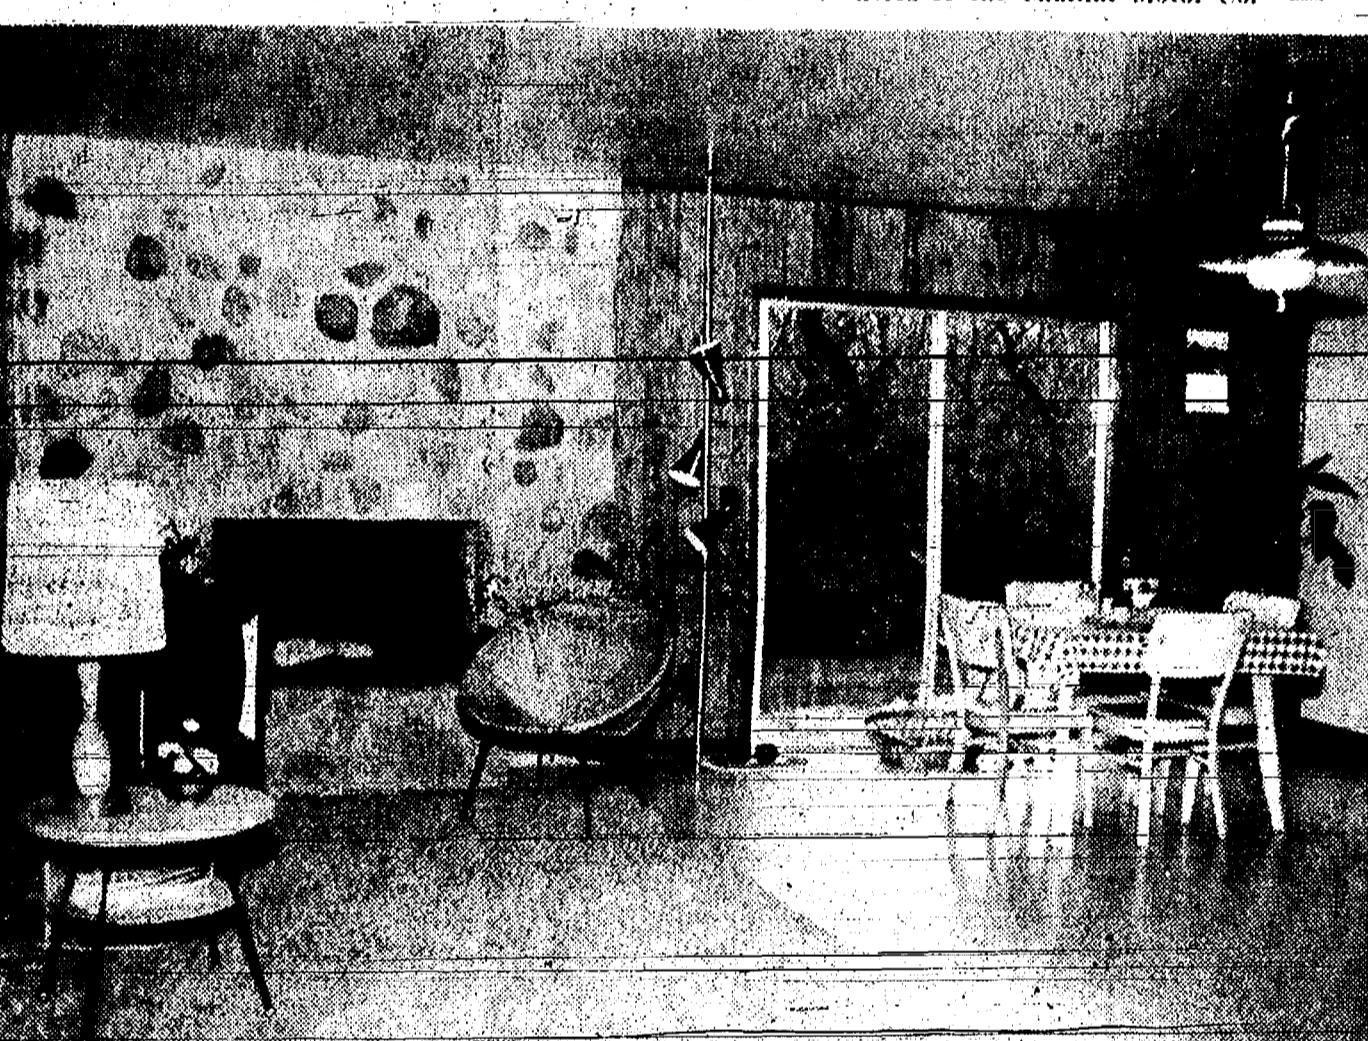

He was a member of the Pentecostal Church of God in Ypsilanti. Funeral services were held there on Wednesday, with the Rev. A. W. Thomas officiating at the cemetery. Burial was in Arbor crest Cemetery.

Jaycees Auxiliary members wish the public to know that there is nothing compulsory about using the designated havens. They are chosen to display the to be used only if the parents have given unanimous support, and to ascertain that

THE DINING-LIVING ROOM AREA in the new ranch-style home of Mr. and Mrs. Walter D. Mohrlock, 24 Cavanaugh Lake, shows the spacious effect of the cathedral ceiling. A happy combination of modern and antique motifs make this an unusual room. The pink split-faced brick fireplace, with raised sandstone hearth, and the new window wall

overlooking the lake are definitely modern. This is combined with antique golden oak furniture, which the Mohrlocks have refinished to natural. Further inventiveness made use of crewel embroidery material to cover the davenport and iron bench shown above. The material was formerly draperies in the executive offices of the Cadillac Motor Co.

THE AMBITIOUS ROBERT TRINKLES, 240 Washington St., remodeled a century old frame house. They built a kitchen-family room addition at the rear which looks out on a dense wooded expanse. Of special interest in this room, part of which was formerly a porch, is the large fieldstone fireplace which was constructed entirely by Mrs. Trinkle. The walls are paneled in colonial hickory. The rug

is a special point of pride to Mrs. Trinkle, as it was made from farmers' discarded twine and won her a grand champion ribbon at the Chelsea Fair. Both the Trinkle home and the Mohrlock home will be included in the tour of Chelsea area homes being sponsored by the Chelsea Child Study Club. The tour is scheduled next Thursday, May 11.

Both groups of teachers made tours respectively of the packaging department, and the warehouse. Jiffy Mix samples were distributed to the tourists.

At the Chelsea Milling (Jiffy Mix) plant, Mrs. Vi Matthews of the accounting staff conducted the tour.

No samples were given out, but some of the teachers of the lower grades asked permission to bring some of the waste polyethylene material for use in their arts and crafts classes.

Miss Nina M. Greening was in Lansing recently to attend the funeral of Marcus Quigley.

(Continued on page six)

Chelsea Jaycees have completed plans to sponsor another safe-driving "road-e-o," similar to those held in the community for several years past. The date selected is Saturday, May 13.

Competition is open to high school students who are licensed drivers and who will not have reached the age of 19 years before Aug. 1, 1967.

The boy and girl who are first-place winners in the event here will be eligible to compete for state championships on June 3, at Dearborn. State champions become eligible to compete for national honors.

This year the national competition will take place at Ann Arbor in July — a total of \$14,000 in scholarships will be awarded the national winners.

Driving tests conducted at the May 13 road-e-o competition

scheduled to be held at Chelsea High School will include precision driving through a series of five areas, courses to be marked by flags and chalk lines. Intermediate size new cars to be used in the competition will be provided through Chelsea-area dealerships.

Registration for the Chelsea competition may be made by contacting Terry Pokela at Chelsea High School or by calling Billie Keller at 475-7371. There is no entry fee.

Final registration date is next Thursday, May 11. At 7:30 p.m. that day, at the high school, a car

will be drawn for the grand prize.

(Continued on page six)

At Central Fibre Products Co., which manufactures wire and fibre board parts for interior trim in automobiles, there were also two groups of teachers learning about the functions of the company.

Here, Harold Jones, vice-president, and Michael Cross of the engineering staff conducted the field trip.

No samples were given out, but some of the teachers of the lower

grades asked permission to bring some of the waste polyethylene material for use in their arts and crafts classes.

School Board Briefs

Present: Warren, Foster, Powers, Taylor, Irwin, Koenn, Lancaster, Superintendent Cameron, Business Manager Mills, Principals Lane, Conklin and Wojciecki.

Meeting called to order by President Warren at 8 p.m.

Minutes of the April 20 meeting approved as read.

Motion by Foster, supported by Koenn, to pay general fund bills of \$5,314.36. All ayes.

Motion by Taylor, supported by Lancaster, to invest the balances of the 1966 and 1968 Debt Retirement Funds. All ayes.

Dr. J. V. Fisher, representing the Sex Education Committee, reported on the progress of the committee to date.

Motion by Lancaster, supported by Powers, to form a curriculum committee to establish a program in sex education for the Chelsea School District. All ayes.

Discussion was held with a group of mothers who were concerned with the transfer of elementary pupils at the Junior High school. Steps are being taken to provide additional supervision during the transfer.

Motion by Taylor, supported by Powers, to hold the annual school election on June 12, 1967 and to approve the election inspection. All ayes.

Motion by Powers, supported by Koenn, to hold a special millage election on July 10, 1967. All ayes.

Motion by Foster, supported by Powers to accept the resignation of Helen Walton, effective at the end of the 1966-67 school year. All ayes.

Motion by Taylor, supported by Irwin, to accept the resignation of John Walton, effective at the end of the 1966-67 school year. All ayes.

Motion by Koenn, supported by Lancaster, to accept the resignation of James Laffon, effective at the end of the 1966-67 school year. All ayes.

Motion by Irwin, supported by Powers, to accept the resignation of Orville Tompkins, effective at the end of the 1966-67 school year. All ayes.

Motion by Taylor, supported by Foster, to accept the resignation of Richard Wetters, effective at the end of the 1966-67 school year. All ayes.

Motion by Powers, supported by Koenn, to accept the resignation of Terrance Kite, effective at the end of the 1966-67 school year. All ayes.

A member of the Board of Education will represent the Chelsea School District at the biennial Intermediate School District election, to be held Monday, June 5, 1967 at 8 p.m.

Business Manager Mills reported that the Middle School is now on-schedule and progressing at the expected rate.

A copy of the North Central Association evaluation of the Chel-

Council Briefs

Chelsea Village Council met for their regular session, Wednesday, May 3.

A discussion was held, and decision made that the Village Council will act as the Village Zoning Board of Appeals.

Acting Police Chief Earl Willis submitted a parking meter survey which recommended a major overhaul or replacement of the major portion of the present parking meters, which have been in use for many years. Trustee Storey was advised to investigate and submit recommendations to the council.

Trustee Weber submitted specifications which were let for bids to three sweeper firms. A decision was made to authorize the clerk to issue a purchase order to the Bell Equipment Co. of Detroit, for one Elgin "Policar" with a self unloading elevating hopper in the amount of \$12,839.00.

Comment was made regarding the fine appearance of the Meadon Appliance property. The clerk was instructed to contact Mr. Meadon, to express the Council's appreciation for his fine co-operation in helping to improve the appearance of the entrance to the Village. The council expressed the hope that some others will follow Mr. Meadon's lead.

Motion was made to advertise for bids for the 1967 street construction program. Bids will be accepted until 12:00 noon, May 15, 1967.

The following streets will be built or repaired this year—subject to possible revision: Filmore; North East Street, Railroad from village limits west to approximately the area of Taylor Lang; Madison—from Washington to Jackson; McKinley—from East Middle to the Railroad.

Thirty-one of the 80 played scholastic ball and 24 were affiliated with the American Legion program. Eight played in the Babe Ruth League, three in Pony League and two in Connie Mack League circles.

Grapes are an important Michigan agricultural crop with 50,000 tons produced in the state during 1966.

Foreground, Impala Sport Sedan. Background, Camaro Sport Coupe and the Chevelle Malibu Sport Coupe.

Drive the cost of living down, without giving up all this.

Chevrolet's room, ride and price.

Two months after the '67s came out, *Automotive News* made its annual roominess study, and Chevrolet got the most points. It's roomier inside, they reported, than any other American car. The ride, of course, is Full Coil suspension smooth with refinements that make it more road-sure than ever. That brings us to price: Chevrolet hardtops and convertibles are still the lowest priced full-size cars you can buy. That should bring you to your Chevrolet dealer's.

Chevrolet's quick size.

It's quick to climb, quick to turn, quick to do what you tell it to. Other mid-size cars might be like Chevelle, true. But two things they're not. They're not as low priced. And they're not made by Chevrolet, which means this: Body by Fisher, the GM-developed energy-absorbing steering column, inner fenders to protect the outer fenders, Full Coil suspension. You're better off with a Chevelle. You really are.

Camaro's road-hugging stance.

At its price, Camaro is the only sportster to give you wide-stance design. It rides steadier, clings to curves better, hugs the road closer. Yet, it doesn't hug you too close, because it's also the roomiest car of its kind at its price. You get a bigger standard engine. You get a car that handles. You get a lot of fun out of driving again. And, during your Chevrolet dealer's Camaro Pacesetter Sale, look at the buy you get.

See your Chevrolet dealer during his Camaro-Pacesetter Sale

Special buys on Camaro Sport Coupes and Convertibles specially equipped with 250-cubic-inch Six, 155 hp • Deluxe steering wheel • Bumper guards • Whitewall tires • Wheel covers • Wheel opening moldings • Stripping along the sides • Extra interior brightwork • And, at no extra cost during the sale, special hood stripe and a floor shift for the 3-speed transmission! SALE SAVINGS, TOO, ON SPECIALLY EQUIPPED FLEETSIDE PICKUPS (Model CS 10934).

Chevrolet's remarkable value is another reason you get

that sure feeling

Over Crops Provide Many Benefits in Soil Conservation

Grant, a truck-crop farmer and a member of the Washtenaw County Soil Conservation Service and assisting the local Soil Conservation District, in addition to the many benefits to the soil management from the use of rye cover crops, prevent many tons of silt from entering the streams and rivers of our local watersheds. This in turn helps many thousands of people who are dependent upon the water quality of our streams and rivers for human consumption, recreation and cultivation.

Information from the U.S. Soil Conservation Service and the Washtenaw County Soil Conservation District, in addition to the many benefits to the soil management from the use of rye cover crops, prevent many tons of silt from entering the streams and rivers of our local watersheds. This in turn helps many thousands of people who are dependent upon the water quality of our streams and rivers for human consumption, recreation and cultivation.

HOME PLAN OF THE WEEK

Progressive House Plan No. Y 3531

RONALD R. EVILIZER

*Manchester Area
Youth Completes
Navy Basic Training*

Great Lakes, Ill. — Seaman Recruit Ronald R. Evilizer, 19, USN, son of Mr. and Mrs. Raymond E. Evilizer, of 13499 Logan Rd., Manchester, Mich., has been graduated from nine weeks of Navy basic training at the Naval Training Center here.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

*Pfc. Robert J. Allen
Arrives in Vietnam*

U. S. Army, Vietnam — Army Private First Class Robert J. Allen, 20, son of Mr. and Mrs. Western Allen, 17925 W. Old U.S. 12, Chelsea, Mich., arrived in Vietnam with his unit, the 815th Engineer Battalion.

Pvt. Allen, a supply parts specialist in the battalion's Company A, and the other members of his unit received advanced training at Ft. Belvoir, Va., before departure for Vietnam in February.

*Eskimo Episcopal
Priest Will Speak
Monday Evening*

An Eskimo who has lived most of his life off the land and sea, hunting and trapping in the area of Kivikuk and Pointe Hope inside the Arctic circle, will speak to the public at an open meeting at St. James Episcopal church in Dexter Monday evening, May 8.

Milton Swan, lay reader in the Episcopal church for 30 years and ordained as a priest in 1964, will conduct a prayer meeting at 8 p.m., after which he will speak of his experiences and his people since his conversion from paganism in the 1880's. He will be prepared to answer questions and meet guests in a coffee hour which will follow.

The first Eskimo so ordained, Swan has a limited education, but has trained himself and speaks excellent English, his second language. Before his ordination he studied with clergymen.

Colorful bracelets, ear-bobs and pins are being worn with the garish striped garments being offered in the shops. African and Indian influence is evident in these fashions.

TODAY'S THOUGHT

By LOUIS BURGHARDT

TO ALL CLERGYMEN — AND CHURCH GOERS

(Replies are welcome)

Front row seats are always in demand at sports events. The closer the better . . . Higher priced box seats at ball games, are usually filled first. The closer the better, even though there is danger of being hit by a foul ball . . . People pay high prices for ring side seats at boxing matches. The closer the better, even though a spot or two of blood may spout on them . . . Wrestling matches always attract front row spectators at premium prices.

The closer the better, even though a sweaty wrestler may be thrown over the ropes into someone's lap . . .

Can you explain why bearing these examples in mind — front row seats in church are avoided? A clergyman is properly clothed and surely as attractive as a sports participant. He certainly doesn't offend with bad breath—he has something to offer, or people wouldn't walk in the church in the first place. The moral and sanitary atmosphere is surely better in church than in auditoriums and stadiums. Yet, with all these reasons for close-up advantages, people continually seek either the back seats or those not too far in front. Why? Got an answer? If you have, your replies are welcome . . . BURGHARDT FUNERAL HOME, 214 E. Middle Street, Chelsea, Mich., Phone GR 5-4111.

Two Softball Leagues Set For Summer

The Chelsea Adult Softball Program will begin Monday, June 5. Games will start at 6:30 and 8 p.m. There will be two leagues—a slow pitch and fast pitch. The slow pitch will have four teams, and the fast pitch will have six teams.

Although the league rules will be basically the same as last year, there are two changes. They are: the age limit for the slow pitch has been dropped from 21 to 18 years of age; and the fast pitch teams will be allowed to recruit two players from outside the school district. The entrance fee for the league is set at \$125 per team.

The four teams in the slow pitch league are: Chelsea Ladies, Rockwell's Standard, Wolverine Tavern, and Triangular Motors. The six fast pitch teams are: Jiffy Mix, Larways Feeds, A & W Root Beer, Wolverine Tavern, Galup-Silkworth, and Chelsea Products.

For any information pertaining to the program, the league director, Matt Murphy, may be reached after 6 p.m. at 475-5421.

ROBERT E. KUSMAUL, Jr., son of Mr. and Mrs. R. E. Kusmaul of Freer Rd., recently graduated from boot training at Great Lakes, Ill. He is currently home on leave, and will be returning to NAS Oceana, Virginia Beach, Va.

Negligent Driving Charge Filed in Fatal Crash Case

A charge of negligent homicide arising from the Nov. 11 death of a 25-year-old Chelsea teacher, was filed against Raymond C. Kerr, 64, on Saturday, April 29.

Mrs. Susan Lake of 2070 Pauline Blvd., Ann Arbor, was a passenger in a car driven by her husband, John, when the accident occurred on Old US-12 in Lima township. Sheriff's deputies said Kerr turned in front of the Lake car.

Kerr lives at 18090 Bowens Rd., in Manchester township.

Judge James R. Breakey, Jr., set a pretrial hearing for May 6.

ANNIVERSARY STAMP

The Post Office Department will issue a 13-cent regular postage stamp in Boston on May 29, which is the late President Kennedy's 50th birthday anniversary. The stamp, likeness of the late President, is part of the Prominent American series.

Michigan produced one million bushels of peaches in 1966. Due to severe early frosts, this was far below the state's five-year average.

Saturday, May 6—
1:00 p.m.—Junior catechism class.

2:30 p.m.—Senior catechism class.

Instead it appears that both persons and agencies of the government are determined to "get" him for unspecified reasons.

I don't agree with his religion.

But, then we don't discriminate because of religion, do we? He is entitled to follow the convictions of his religious persuasion.

If some others were as faithful as he is proving to be, they would be praised, not damned.

Unfortunately, it appears that we have focused on Mohammed Ali the general and unspecific suspicion and distrust, if not hatred, of those who find themselves in opposition to the war in Vietnam and the whole draft process.

The ultimate indignity was the stripping of his boxing crown. He has broken no law. He has represented his sport acceptably.

He is, above all, honest in his convictions.

Perhaps that's what we can't live with.

FIRST METHODIST CHURCH
The Rev. James A. Craig, Pastor

Thursday, May 4—
7:00 p.m.—High school choir.

COOPERATION

If you have ever tried to win someone over to your side in an argument, you should have learned that a loud voice or a show of temper does nothing to help your cause.

Sometimes, in order to win a point, one must make a concession. Life has been referred to as a "give and take" proposition. The description is fair. None of us are inclined to be just "givers." We are all possessed with a certain amount of the "taker's" instinct. Yet, those who get the most out of life are the ones who have learned to balance the scale between giving and taking. They give what is just; take what is fair. A precious few even give more than they take.

Whatever your aims in life, whatever your immediate goal, your chances for success, your promise of happiness with success, must relate to manner in which you strive to achieve.

If you give, if you help others who strive, then you may in turn expect their cooperation and their appreciation of your own efforts.

Ordinance No. 55F

AN ORDINANCE TO AMEND THE PROVISIONS OF ORDINANCE NO. 55, 55A, 55B, 55C, 55D & 55E, KNOWN AS THE CHELSEA VILLAGE ZONING ORDINANCE, TO PROVIDE FRONT, SIDE AND REAR YARD REQUIREMENTS IN INDUSTRIAL DISTRICTS AND TO PROVIDE FOR IMPOSITION OF REAR YARD REQUIREMENTS IN ZONES ADJACENT TO A MORE RESTRICTED ZONE.

The Village of Chelsea Ordains:

ARTICLE III**Use and Density Regulations**

Article III of said Ordinance No. 55 as amended, is further amended by the deletion of Article III; Section 3.05; Regulations in Industrial Districts, and the following is inserted in its place:

Section 3.05**REGULATIONS IN INDUSTRIAL DISTRICTS**

a. In any Industrial District they are no limits to the lot area that can be covered by buildings or structures, provided that the requirements as specified in Sections 5 (b) and 5 (c) of this Ordinance are met.

b. Yard Requirements:

In any Industrial District the following side yards shall apply:

1. Front yard, not less than thirty-five (35) feet.

2. Side yard, least width of either yard shall not be less than twenty-five (25) feet.

3. Rear yard, not less than thirty-five (35) feet.

c. Transition Strips:

1. A use, building or structure on any lot in any Industrial District abutting a lot in any residential or commercial district shall provide a transition strip of at least fifty (50) feet, the inner twenty (20) feet of which may be used for parking.

2. Except for landscape improvements and necessary drives and walks, the front yard shall remain clear and shall not be used for parking, loading-unloading, storage or accessory buildings and structures.

ARTICLE IV**Use and Density Regulations**

Article III of said Ordinance No. 55 is further amended by the deletion of Section 3.09, Sub-Sections 5 and 6, and the following is inserted in its place:

Section 3.09**REDUCTION OF LOT AREAS**

Where a lot adjoins a lot in a more restricted zone such lot shall have a minimum width equal to the required side yard in the more restricted zone, and any adjoining front and rear yard shall

have a minimum width equal to the required side yard in the more restricted zone, and any adjoining front and rear yard shall

have a minimum width equal to the required side yard in the more restricted zone, and any adjoining front and rear yard shall

have a minimum width equal to the required side yard in the more restricted zone, and any adjoining front and rear yard shall

have a minimum width equal to the required side yard in the more restricted zone, and any adjoining front and rear yard shall

have a minimum width equal to the required side yard in the more restricted zone, and any adjoining front and rear yard shall

have a minimum width equal to the required side yard in the more restricted zone, and any adjoining front and rear yard shall

have a minimum width equal to the required side yard in the more restricted zone, and any adjoining front and rear yard shall

have a minimum width equal to the required side yard in the more restricted zone, and any adjoining front and rear yard shall

have a minimum width equal to the required side yard in the more restricted zone, and any adjoining front and rear yard shall

have a minimum width equal to the required side yard in the more restricted zone, and any adjoining front and rear yard shall

\$800,000 of your tax money spent for this purpose every year.

Maybe you enjoy paying these "throw-away" taxes. We don't.

CUB SCOUT NEWS

PACK 445 — Our den meeting was held April 26 at the home of Mrs. Winston Phillips Case. All our members were present. We had fun making clown faces. We are happy to welcome a new member, his name is Kent. Instruments were furnished by Robin Boyer, scribe.

PACK 445 — On March 21, we held our meeting at the home of Mrs. Tom Harris. We had our flag ceremony. Then we made Maps of the United States and are filling in our rivers, lakes and mountains, which is the theme for April. Leslie Sharp, scribe.

NOTICE OF LAST DAY OF REGISTRATION School Election

Notice of the Last Day of Registration of the Qualified Electors of CHELSEA SCHOOL DISTRICT WASHTENAW and JACKSON COUNTIES, MICHIGAN

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice that the Annual Election of said School District will be held on

Monday, June 12, 1967

Section 532 of the School Code of 1955 provides as follows:

The Inspectors of Election at any Annual or Special Election shall not receive the vote of any person residing in the registration School District whose name is not registered as an elector in the City or Township in which he resides...

The last day on which persons may register with the appropriate Township Clerks to be eligible to vote at the Special School Election called to be held on Tuesday, June 12, 1967, is

Monday, May 15, 1967

Persons registering after 5:00 o'clock p.m., Eastern Standard Time, on the said Monday, May 15, 1967, are not eligible to vote at said Special School Election.

Under the provisions of the School Code of 1955, registrants will not be taken by school officials and only persons who have registered as general electors with the township clerk of the township in which they reside are registered school electors. Persons planning to register with the respective township clerks must ascertain the days and hours on which the clerks' offices are open for registration.

This Notice is given by order of the Board of Education of Chelsea School District, Washtenaw and Jackson Counties, Michigan.

CHARLES M. LANCASTER
Secretary, Board of Education

Dated: April 20, 1967.

Track Team Wins, 73-45, Over Dexter

At Chelsea last Thursday, April 27, the Senior High track meet resulted in a score of 73 for Chelsea and 45 for Dexter. This brought the conference record up to 2 and 1 for the season.

The shot put event was won by Larry Gaken with a heave of 45' 9".

The high jump was won by Lance Burghardt, with a leap of 6' 8" and Rick Slane came in third.

Larry Blackwell won the pole vault again with a vault of 10' 0" and John Bergman and Mike Funderburgh tied for second place.

The high hurdle event was won by Paul Lancaster with 16.7 with Mike Lehmann placing second.

880 relay team placed third in a time of 1:36.3, with the team members being Rick Slane, Tom McGaw, Steve Slane and Paul Lancaster.

Steve Slane won the 100-yard dash, setting a record in the preliminary with 10.15 and Rick Slane came in third.

Steve Slane won the 220-yard dash with a time of 22.9 breaking the old relay record; and Rick Slane came in fourth.

The meet was won by Sturgis with Chelsea scoring 22 points.

Chelsea athletes got a number of sixth places, just missing the scoring points.

Future plans have the Chelsea

High track team scheduled to go to Lincoln High School on Thursday, May 4 for a conference meet;

and the Albion Relay will be held on Saturday, May 6.

Curiosity is the key to all knowledge.

THE CHELSEA STANDARD, CHELSEA, MICHIGAN

Rep. Esch Names District Office Representative

The appointment of Harold E. Wilson of Ann Arbor as district office representative was announced today by Congressman Marvin L. Esch.

Wilson, 28, originally of Northville has been affiliated with Mutual and United of Omaha Insurance in Ann Arbor since 1960. For

the past three years he has served as sales manager. He holds a business degree from Michigan State University and was president of the Beta Theta Pi Alumni Association.

Active for several years in local Republican activities, Wilson has been a delegate to several party conventions and served as chairman of the first ward for the Ann Arbor Republican Committee.

According to Representative Esch, Wilson's duties will include frequent contact with local officials and community leaders, communication of constituent and governmental problems to Washington and general management of the Ann Arbor and Monroe district offices. He will be headquartered in the Ann Arbor office at 200 E. Huron.

100-yard dash had Tom Smith coming in third.

100-yard dash was won by Steve Slane, with a time of 10.2, with brother, Rick Slane, taking second place.

The broad jump had Mike Schmitz in third place.

The two-mile run made a sound win in this event for Larry Portath, at 11:10.

The 880 relay team won in 1:36.4. Team members were Tom McGaw, Paul Lancaster, Rick Slane and Steve Slane.

One mile run was won by Bob Dove in 4:52.2.

180 low hurdles was won by Mike Lehmann, 22.2, with Paul Lancaster in second.

220-yard dash won by Rick Slane, 22.9 with Steve Slane coming in second.

Coach Bert Kruse commented that, "The contributing factors in winning the meet was that they had a first and second in five events."

4-H Clubs

SYLVAN JUNIOR RANCHERS

Sylvan Junior Ranchers 4-H club held their organizational meeting April 20 at the home of Ron and Ken Herrst.

The following officers were elected: president, Ken Herrst; vice-president, Marlin Johnson; secretary, Anne McKernan; treasurer, Ron Herrst; reporter, Tom McKernan.

Projects for the coming year were discussed.

The May meeting will be held at the home of Tom and Anne McKernan.

Tom McKernan, reporter.

Cub Scouts

DEN 1, PACK 445—

Thinclads 3rd In Parkside Relays Meet

The Parkside Relays, held Saturday April 29 at Jackson, had a total of 13 schools competing, in the Class "B" section. Chelsea placed third.

This was held at a small field, with a select group of track schools competing.

Point winners for Chelsea were Larry Blackwell, pole vault, 4th place—11' 8".

880 relay team placed third in a time of 1:36.3, with the team members being Rick Slane, Tom McGaw, Steve Slane and Paul Lancaster.

Steve Slane won the 100-yard dash, setting a record in the preliminary with 10.15 and Rick Slane came in third.

Steve Slane won the 220-yard dash with a time of 22.9 breaking the old relay record; and Rick Slane came in fourth.

The meet was won by Sturgis with Chelsea scoring 22 points.

Chelsea athletes got a number of sixth places, just missing the scoring points.

Future plans have the Chelsea

High track team scheduled to go to Lincoln High School on Thursday, May 4 for a conference meet;

and the Albion Relay will be held on Saturday, May 6.

Dexter Youths Enter Trouble Shooting Contest

Bob Stone and Andy Braun will represent Dexter High School in the Plymouth Trouble Shooting Contest, Charles Linn, instructor, has announced.

He said that the team of Sam Bouillon and Ron Pustay will serve as alternates.

A total of 26 schools in this area are expected to enter teams in the contest, which will be held May 6 at Western Michigan University, Kalamazoo.

Winning team in the local contest will receive a trip to Detroit in June to compete against leading Trouble Shooters from all parts of the country in the National Finals. Winners at Detroit will receive college scholarships, trophies, prizes, tools and equipment valued at \$100,000.

Trouble Shooters compete against other teams and the clock is used to determine which team can most quickly and accurately locate, diagnose, and repair a series of mechanical malfunctions in the engine of a new car.

The meet was won by Sturgis with Chelsea scoring 22 points.

The Dexter High school team will be sponsored by G. A. Sales & Service of Chelsea.

FOOD FOR TWO

It may be more economical to buy foods in smaller units than you one did if you're cooking for one or two. An economy box of cereal is no bargain if half of it goes to waste before you use it.

Special recipes for one or two often give the amounts of ingredients to buy.

Convert to Gas heat today and get something for nothing until November.

Here's how our special limited-time-only offer works. If you're heating with oil now, we'll buy what's left in your storage tank and pay you what it cost you originally. We'll remove your tank from your home or business and even haul it away if you want. All at no cost to you. If you're heating with coal, we'll take what coal you now have off your hands. And pay you what it cost originally.

Whether you convert your present furnace or install a new gas furnace, we'll pay for it and its installation by a gas company approved heating contractor. It won't cost you a penny until next November. If you pay for the unit

and its installation by November 1, 1967, there'll be no carrying charge. Or, you can make equal monthly payments, including carrying charges, on your gas bill over a period of up to three years starting November 1, 1967. Either way, there's no carrying charge until November. You don't need to make any payments except for the gas you use. Take advantage of this special limited-time offer. Call your Michigan Consolidated Gas Company office for the name of an approved heating contractor and all the details of this offer. And remember, when you heat with gas you'll also save up to 1/4 on your heating bills.

Michigan Artist Gwen Frostic To Be CAP Guest

A tea and reception will be held at the CAP Plant on Tuesday, May 9, from 2 p.m. to 4 p.m. Gwen Frostic, nationally known artist and poet, and author of books on nature subjects will be the guest of honor. Miss Frostic is also the owner of Prescraft Papers, Inc., a decorative paper manufacturing company in Benzonia. Recently the Detroit News did a feature story on Miss Frostic, telling about her dual role, businesswoman and artist.

There will be a display of Miss Frostic's art work. She will also read some of her own poems.

Guests at the tea will have a conducted tour of the CAP Plant. The sponsoring committee, representing organizations long interested in Miss Frostic's work, are Mrs. Howard S. Holmes, Sr., whose son Dudley is a Chelsea resident, is general chairman; Mrs. John B. Dunn, also of Chelsea; Mrs. John W. Kemper, representing the PEO Sisterhood; Mrs. Wendell P. Drouay, Business and Professional Women; Mrs. Charles L. Belknap, Alpha Sigma Tau; Mrs. Alex H. Smith of Michigan Botanical Club and Miss Eleanor Weston of Ypsilanti Literary Guild.

The public is invited; reservations may be made by calling busy, the CAP Factory, 663-3553.

PATRICIA JANE BELL

Granddaughter of Mrs. Ella Kuhl Is Exchange Student

Patricia Jane Bell, granddaughter of Mrs. Ella A. Kuhl of Peck Rd., and daughter of Mr. and Mrs. Oliver H. Bell of 15703 Grandville Rd., Detroit, is an exchange student to Cologne, Germany through the International Association for the Exchange of Students for Technical Experience. This is a program available for my technical student, attending any college who qualifies.

She left Kennedy Airport in New York for London May 1 and will visit her roommate who is doing her practice teaching in Sheffield, England, for one week. From London she will fly to Geneva, Switzerland and take the train to Zermatt to ski for one week before she starts working for the Bayer Pharmaceutical Co. in Leverkusen, a suburb of Cologne. Here she will spend 10 weeks working in their laboratories learning the manufacturing of drugs.

The IAESTE Counsel in Germany finds suitable living accommodations and plans week-end trips. Pat hopes that this program will not only be a very informative one but a very pleasurable one as well.

After completing her studies in Germany she hopes to spend a few days in Norway visiting friends and then embark on the Afreliu, a chartered boat for students, back to New York.

Pat has just completed her fourth year in pharmacy at the University of Michigan and will return in August to resume her studies. She will receive her Doctorate in Pharmacy in 1969.

SOUTH SCHOOL, FIRST GRADE

Mrs. Ford's and Mrs. Andrew's first grade classes have been studying outer space. At the end of their studies each class took a trip to the moon. They turned on their imaginations, fastened their seat belts and blasted off! When they got to the moon they found that there was no life and no water. One side of the moon was very hot and the other side was very cold. They especially enjoyed jumping up high and climbing craters. On their way home they stopped at a space station and ate moon and star cookies.

Magnavox

COLOR TV SPECTACULAR

\$498.50

Mobile Cart
Optional

Thrill to the biggest picture in Color TV! This magnificent Magnavox brings you Brilliant Color 295 sq. in. pictures, Quick-On, Chromatone, plus exclusive Bonded Circuitry that sets a new standard of performance and reliability. Telescoping dipole antenna, too. Model 535 will give you convenient room-to-room mobility, also ideal for use on tables or shelves.

8 Factual Reasons Why Magna-Color TV is your best buy:

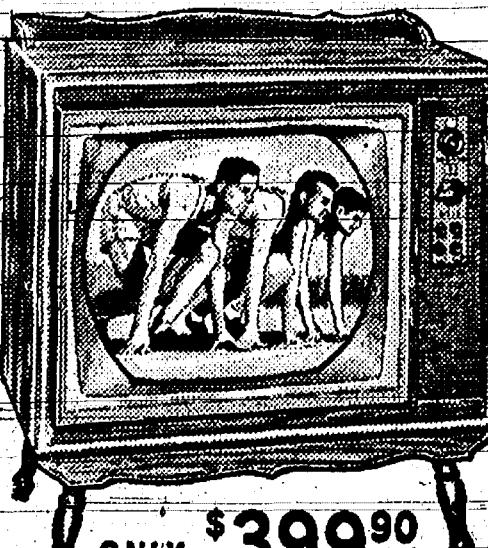

1. **MAGNAVOX AUTOMATIC COLOR**—the most important advance in Color TV gives you perfectly tuned pictures that stay precise on every channel automatically, without hand tuning.
2. **BRILLIANT COLOR**—makes colors much more vivid and more natural.
3. **QUICK-ON**—Magnavox pictures flash-on in seconds, four times faster than most others.
4. **CHROMATONE**—Adds thrilling depth and dimension to color, warmth to black and white pictures.
5. **SUPERIOR MAGNAVOX SOUND SYSTEMS**—give greater program realism.
6. **HAND-CRAFTED FURNITURE**—choose from over 40 authentic, beautiful styles you'll enjoy for years.
7. **LASTING SATISFACTION**—from knowing you own the finest, most reliable Color TV ever made.
8. **GREATER VALUE**—only Magnavox is sold directly through franchised stores such as ours—saving you "middleman" costs.
