Region, Soph Class in Float Contest

Local weather prevailed for Saturday's Community Fair Parade. Main St. was lined with spectators from the downtown area. The past two years' parade event was plagued by rain.

There were 10 floats in the parade and viewers were heard to say that they were all so beautiful it would be difficult for judges to select the winners. Judges of floats were Alfred Lavalli, Dexter fire chief, and Mrs. Betty Oettinger and Robert Bar of Chelsea.

Chelsea school bands were applauded as they marched in the parade and the traditional Waterloo Band, riding on a platform truck, also received applause.

Fire department clowns kept up a running "show" along the parade route and distributed candy and other favors to youngsters.

General comment of spectators indicated that they thought it was a good parade.

Council Briefs

The regular session of the Chelsea Village Council was held Tuesday, Sept. 5.

A discussion was held with Graham Sprague and Ted Faust regarding their desire to build an automobile agency in the Highway Service district of the Village. The matter was referred to the Chelsea Planning Commission for recommendations.

A letter was submitted from the Village Planning Commission requesting that the Village Council discuss and act upon their decision for urban planning assistance.

A discussion was held with Braun of Michigan Neon Sign Co. regarding a request for permission to place a 24 foot by 8 foot lighted sign, approximately 20 feet from the property line at the entrance to the Chelsea Medical Clinic. Braun was advised that a written request for a variance to allow a sign of this dimension is required and that the council would act upon such a request at its regular session of Sept. 19.

A discussion was held with Paul Mann and Paul Schattler, Jr. regarding the site of the new bank building. The bank is desirous that inasmuch as both sides of the alley leading from Main Street will be black-topped, it would be to everyone's advantage to restore the first 130 feet of the alley to conform with the grades and drainage which will be established by the completion of the parking lots adjacent to the bank. The council agreed to reimburse the first 130 feet of the alley for the amount of \$600.00.

Teen-agers Paint North Lake Church

Anyone who passes the North Lake Methodist church and thinks he can detect a new paint job is correct. Not only the outside but the inside has been given a new coat. Responsible for this is Eric Knisely who organized a group of fellow teen-agers to spend several days working on the project.

The Rev. Mr. Cross is presently the Director of the Hamtramck Neighborhood Youth Corps, a program sponsored by the Protestant Community Services of Detroit. It is also a Social Service-Arm of the Detroit Council of Churches.

The Rev. Cross formerly was the Regional Director of the Michigan Migrant Opportunity Inc., sponsored by the Michigan Council of Churches and the Michigan Catholic Conference, having served 3 1/2 years as Pastor of St. Paul Lutheran church, Saginaw and 1 1/2 years in Lindenau, Tex., with this

Ambulance To Be Kept In Old Fire Hall

Permission was granted by the Chelsea Village Council to enter into an agreement with the Superior Ambulance Co. for the use of the old fire hall in the Municipal Building.

Under a contract now being worked out between Superior and a joint committee of the Washtenaw County Board of Supervisors, one ambulance would be permanently stationed at the old fire hall. A back-up ambulance would be moved into the area whenever the one stationed in Chelsea is out on a call. Besides having a place to station the ambulance, the rear of the fire hall also will be used as living quarters for the crew.

Four other ambulances will be stationed in the county at the following locations: I-94 and Zeeb Rd., at the County Road Commission garage; an as yet undetermined location in Ann Arbor; an as yet undetermined location in Ypsilanti; and the fifth hopefully in Willow Run Airport. The resident manager plans to keep a standby ambulance with him in Dexter.

Also planned is an ambulance at Eccles and Schoolcraft roads in Wayne county to serve Salem township and the northeast part of the county.

All parties involved hope to settle all details of the contract as soon as possible as the new ambulance service should be ready to operate by Oct. 1. That is the date set by county funeral directors for ending their ambulance service. Saline Supr. Robert Harrison Jr., chairman of the joint committee which is negotiating with Superior, says he hopes to have the contract signed in the next two weeks.

According to Harrison the rate to be charged will be \$30 a call and \$1 a loaded mile. This is based on an estimated 7,300 runs that must be made in the county each year.

Horse Show Winners Told

First-place winners in the Chelsea Community Fair open horse show in the six events held Saturday morning, before a noon break and the 1 p.m. parade, are listed as follows:

Janet Sibley, Western horsemanship for contestants 14 years of age and under; Mary O'Neill, Western horsemanship for those 15 years old and over.

In the Western pleasure class the junior group winner was Becky Rogers while the 15 and over winner was Melissa Elliott.

Diane Stoffer Is Queen of the Fair

Diane Stoffer was chosen Queen of the Chelsea Community Fair at the Saturday night program at the fairgrounds and Kathy Powers was named runner-up. This is the first year a runner-up has been named in the annual event.

The 1967 Queen is the daughter of Mr. and Mrs. John Stoffer, 237 Adams St. She was the Junior Chamber of Commerce candidate and rode on the JCC float in Saturday's parade.

Kathy Powers, the runner-up, is the daughter of Mr. and Mrs. Robert H. Powers, 114 South St., and was the Chelsea High school Junior Class queen candidate.

Judges for the queen contest were James Crawford of Ypsilanti, area supervisor for Ashland Oil Co. and Robert Lyndon, of Lyndon School Photos, Inc., Dexter.

Other queen candidates were Ann Thomson, May Fish, Joan Dietle, Rhonda Kern, Jeanne Hinderer, Linda Van Riper and Holly Powers.

Each of the nine candidates received a corsage as a gift from Sandy and Walter Zeeb of Chelsea Greenhouses; the queen also received a bouquet of red roses from the Zeebs.

Each candidate was given a piece of jewelry as a gift from the Community Fair Board who also provided a number of other gifts for the queen, including a scented candle, perfume, slip, blouse, knee socks, etc.

The Junior Chamber of Commerce Auxiliary (Jaycees Auxiliary) presented a sparkling tiara to the queen and a charm bracelet to the runner-up while Dancer's Store gave the queen a purse and Mrs. Dorothy Oettinger presented her with approximately \$10 worth of Vivian Woodard cosmetics and Patty Ann Shoppe gave her a slip.

Car dealers of Chelsea provided transportation for the queen candidates from the Jaycee Hall to the fairgrounds and to the home of Mr. and Mrs. Jerry Satterthwaite after the program. The Satterthwaites entertained at open house for all the candidates and their parents, as well as Jaycee Auxiliary committees, drivers of the cars transporting the queens, the judges and others who participated in the projects.

Mrs. Satterthwaite (Manketta) was queen contest chairman for the Jaycee Auxiliary and those on the committee included Mrs. Ed Akin, Mrs. Basil Greenleaf and Mrs. Richard McEmber.

A surprise feature of the queen contest, even to Mrs. Satterthwaite, was the presentation of a trophy to the queen.

THE LANSING REPORT
FROM
senator
GIL BURSLEY

Recently I mailed legislative questionnaires to some 7,500 Wash. and D.C. residents. About 1,500 returns have been received and I will share the results with you in this column.

Another questionnaire with additional queries on the cigarette and gas taxes and on issues related to the Detroit riots has been printed in eight area newspapers but I will not have these results ready until next week.

Public opinion was divided 50-50 on the questions of legalizing lotteries and on operating schools all year—rather than for nine months.

Approval of the fiscal reform program finally adopted by the legislature was voiced by 74 percent.

Eastern Standard Time all year around was the choice of 51 percent. EST with Daylight Time in the summer was preferred by 49 percent. 3 percent wanted Michigan in the Central Standard Time Zone with Daylight Time in the summer and 3 percent wanted Central Standard all year. I would suggest from this that the 1968 referendum will be strongly against Daylight Time since western and northern Michigan are overwhelmingly shunned and southern Michigan seems evenly divided.

Similar liquor on a county option basis receives 45 percent yes votes which still leaves but is an increase from 35 percent on this question which was registered in a March 1965 poll.

Fluoridation of water is approved by 81 percent. Legalizing abortions in certain cases such as rape, incest, etc., received 60 percent approval. Abortion rights—45 percent think government has gone too far, too fast; 30 percent feel "at the right time" and 25 percent "not fast enough."

Teachers salaries were thought "about right" by 55 percent "not high enough" by 40 percent and "too high" by 5 percent. Only 27 percent approved tuition tax reduction for the first two years of college and only 11 percent for all four years.

Additional state funds were allocated first to primary and secondary education, second to higher education, third to higher education, fourth to conservation.

If state funds had to be cut most favored starting with buildings, second, social services (welfare, child, agriculture, fourth, commerce and fifth, highways.

Of great importance were the many constructive suggestions and comments that accompanied these questionnaires when they were mailed back to me.

AGRICULTURE in Action

MICHIGAN FARM BUREAU

Fairs Are Important To Everyone . . .

The city children were wandering through the swine home at the Michigan State Fair. Both appeared to be about 6th graders and both were from metropolitan Detroit.

They were fascinated by a pen of three shots—yellow, white, black and red. One youngster shouted, "Not sheep, pigs!" The other out in "sheep got fur, no fur on these." But his fur's been cut—they take it off 'em," the other insisted. "Not so, Piggies. 'Steers, they's gramin' not ba'n' . . ." and so it went between the school chums.

As they dashed on, they left behind one thoughtful farm reporter—shaken a bit by the whole experience, and wondering how anyone could properly assess the value of such an experience in terms of the lives of these young people.

Not everyone likes fairs and this is understandable. Most fairs are much alike, and some have allowed the carnival part to far overshadow the serious side. Usually, this is the fault of local people who fail to exhibit, or in other manner, withdraw their aid and support. The theme "Consumer Meets Producer" of the Michigan State Fair was extremely appropriate this year and the State Fair Authority is to be commended for much obvious effort in developing and carrying it out.

Where else—except in a few big city zoos—do city children see live farm animals and learn to distinguish between them? Horses go most of them, belong in the unreal world of western television, and Herefords are as rare as hippos. Where, but at a fair, can they see where milk comes from and have a chance to feel the fat of a pig's back in a shining sheaf? Someday soon farmers must realize that fairs—big ones and little ones, county and state fairs—provide one of the few remaining important links between the country and the nonfarm public. Fairs deserve more rural support than most of them receive, if for no other reason than their educational and value alone. They force us to think in terms of the best, and with only a little extra effort can easily become the farmer's most important public relations tool.

Fashion Notes

Mothers and college students are busy this month getting outfits for the coming school year. Mothers who know quality are taking advantage of sales but saving money on garments is a mistake if the quality and tailoring of these garments are poor.

The small girl has many attractive clothes to choose from but one of the most sensible is the plaid or checked jumper which is worn with different blouses.

Short pants for youngsters with pull over shirts are good for school wear until cooler weather sets in. Sweaters and rain coats are necessities.

LBJ URGES FARM AID
President Johnson has revealed a new farm policy. He said he thinks "the farmers are on the short end of the stick" and should have the right to bargain collectively for better prices for their products.

"Hard Core" Unemployed
Michigan's "hard core" unemployed in the Upper Peninsula were picked for a unique retraining educational pilot program. Although job retraining has been conducted at many locations for quite some time, the UP project combined basic education and vocational training with the teaching of only job skills.

A Federal program passed in 1964 provides funds for attracting hard core poverty. The Michigan Department of Social Services and Northern Michigan University, at Marquette, pooled their talents to provide a more flexible program, based on individual needs, than is normally found in retraining.

The 201 enrollees were first given thorough medical-dental examinations and underwent extensive counseling. Factors which became apparent and which could affect the trainees' successful completion of the program included: alcohol problems, drinking habits, marital difficulties, low reading and mathematical competence.

Trainees, housed in special quarters at Northern, received specific help on these individual problems. During this period social services staff visited homes, explained the program and asked for cooperation and support from families.

Once a vacancy developed in the job training classes, a trainee was "promoted" from basic education to job skills. No class schedule was set; trainees graduated from classes as employment was found or when they entered a more highly-skilled course.

Programs planned for 10-week intervals actually averaged 11½ weeks. Maximums and minimums ran from one year to one day. Some men spent the entire period in the basic education program and increased general education levels. Others spent less time in classroom, but acquired skills in welding, woodworking, auto mechanics, and other fields.

At the end of the year's program, 94 of the 201 originally enrolled planned to continue their education or vocational training.

52 had or were promised employment, 27 were unemployed, 14 were in work-experience projects, eight were under medical care, six were in jail, unknown or dead. Estimated trainee cost was \$1,622 per hour, although exact figures will not be known until the books are officially closed. Results of the program were felt to merit its continuation for another year.

Color-It-Blue
Motorists traveling north on U.S. 27 near Mt. Pleasant or Clare and those northbound on U.S. 23, between Ann Arbor and Flint, will note blue markings for exit ramps.

Both projects are part of a "color-coding" experiment by the Michigan State Highway Department. Previous tests in Minnesota and Florida prompted Michigan to add a third color code to the existing yellow and white-on-green interchange signs on its freeways.

High-speed freeway travel requires "glance" notification of interchange areas to permit advance positioning for exit maneuvers. The need is greater when exit ramps are approached from left lanes and look identical to the thru-way.

Erratic driving maneuvers were observed at such interchanges with drivers switching lanes two and three times before deciding whether to exit or continue on the freeway.

The erection of blue signs and markings at Mt. Pleasant and Clare reduced erratic maneuvers 38 percent. Data from 30,000 driver interviews is now being processed. The highway department has received many letters from motorists expressing favorable reaction to the coding system.

Results on U.S. 27 showed enough merit to justify a similar experiment on an extended length of freeway. In 1965 color-coding was established on U.S. 23.

National adoption of the system could result if tests continue to show favorable results. The U.S. Bureau of Public Roads contributes 75 percent of test funds.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

I see by the papers where Congressman Robert Michel of Illinois was mighty upset about some of them meetings Agriculture Secretary Freeman was holding around the country.

For instance, he says they held one in Kansas and they were wild applause for everything Secretary Freeman said and when somebody got up to complain about some items in the farm program they were booed down.

Congressman Michel done a little investigating and he reports that for this meeting in Kansas they had about 1,400 folks there and around 400 of them was Federal employees flew there at a cost of \$5,827 to the taxpayers. Furthermore, Congressman Michel found out most of the applause for the farm program was coming from them 400 and most of the booing again the complainers was also coming from the same 400.

I ain't never understood the farm program under the Republicans or the Democrats and I don't aim to get political over matters I don't understand. But it seems to me, Mister Editor, if the Secretary of Agriculture has to sit the back stacked for applause at these meetings with the farmers, they was some weak spots in it.

This same place I was reading in the papers said Congressman Michel was aiming to look into some other meetings Freeman was holding in the farm belt and see how many Federal farm employees was being flew or hauled to furnish the background music. Per-

sonal, I just try to live with whatever rubs them farm magicians in Washington pulls out of the hat—and some of them was queer bunnies.

Incidental, speaking of Washington, I see where a column writer named Ashley Cooper on a Charleston, S. C. paper has compiled a list of some of the label buttons they was now wearing in the nation's capital. I copied 'em down for you, Mister Editor, so's you'd have a better idea of how the thinking was going these days amongst the citizens at our seat of Government:

"I am a human being—Do not fold, spindle or mutilate."
"I am anonymous, help me!"
"Stamp out reality."
"Fight poverty—give me \$10."
"Eat, drink and be merry, for tomorrow you may be radioactive."
"We shall overkill."
"Drink Canada dry. Visit Ex-67."
"Goodnight, David—Goodnight, Goliath."

Yours truly,
Uncle Lew.

Thursday, Sept. 5, 1963—Carol Mayer, daughter of Postmaster and Mrs. Carl Mayer, was selected as the 1963 Queen of the Community Fair at Saturday evening's "Queen's Day" program. Queen candidates were interviewed on stage Saturday evening by George Winans, master of ceremonies, and Chelsea Village President Robert Daniels. The queen contest is sponsored annually by the Chelsea Jaycees Auxiliary. Acting as the Auxiliary's co-chairman for the event were Mrs. George Ellenwood and Mrs. Donald Bush, Auxiliary President Mrs. Gene Shoemaker, president Mrs. Mayer with gifts from the Community Fair Board.

Other Queen candidates were Mary Kay Alber on the sophomore class float; Pam Davis, Rogers Corners; Hardean 4-H club candidate; Kathy Foster, freshman class; Penny Murphy, Junior Chamber of Commerce representative; Alyce Riemenschneider, Chamber of Commerce representative; Janet Rohr for the junior class; Laurie Reddeman, Blue Ribbon Florists 4-H club; Gayle Schales, senior class; Sandra Severn, Girl Scout Troop 48, and Drinda West, Girl Scout Troop 77.

Chelsea High school's youthful football team was practicing in anticipation of the opening scrimmage with Michigan Center on Friday, Sept. 6. The opening game of the regular season will be at Milan, Sept. 13. The squad is heavily laden with sophomores and juniors and could be sprinkled with a few freshmen before the season is over. This year's varsity is coached by Jim Bedford and Fred Mills. Mills is a graduate of Stockbridge High. He received his BS degree from Eastern Michigan University and his Master's degree from the University of Michigan. Jack Curl will coach the junior varsity which began practice Monday.

At the Fair, Doug Young's grand champion steer—an Angus weighing 945 lbs.—was sold to Farmers Supply Co. for 41 cents per lb. The reserve champion, Jack Young's 1,000-lb. Hereford, went to Chelsea Drug for 35½ cents per lb.

14 Years Ago . . .

Thursday, Sept. 8, 1953—By a unanimous vote of the Chelsea Agricultural Schools Board of Education a \$198,000 bond issue was proposed to build an eight-room elementary school. It was thought this amount would cover all costs of the building and all incidental items, including the cost of the site. The Board was in the process of negotiating for the purchase of the chosen site, the northwest corner of the Henry Market Farm. The tax rate which would need to be levied to build the new school is approximately 1.5 mills.

Election of the North Lake school district approved annexation of the district to the Chelsea Agricultural schools district. The vote in favor of annexation was 77-16. Electors of the Everett school district voted 13-1 to split their district and annex part to the Chelsea district and part to the Manchester district.

Steps were taken to form a permanent Chelsea Blood Bank unit at a meeting Monday evening at the Methodist church. A temporary Chelsea Blood Bank has been in operation for one and one-half years. Those present at the meeting included Malcolm Bruce, Chelsea Blood Bank chairman; Mrs. Moline, Ill.—When Mrs. Kacpryk went outdoors to employ garbage, she helped her neighbor push her car away from the wall where it had rolled, but the car rolled back and trapped Mrs. Kacpryk's toe. Queen of the Fair... (Continued from page one) waite and her committee, was presentation of a watch to John Stoffer, as father of the Queen of the Fair. The watch was a gift from the Gooding Amusement Co. Mrs. Satterthwaite said yesterday that "it was a gratifying experience to head the queen contest committee for the Auxiliary and that it was a real pleasure to work with the girls who were candidates." She expressed appreciation, too, for the co-operation of everyone who had a part in promoting the annual queen contest.

THE JUNIOR CLASS FLOAT was billed as a tribute to Walt Disney. It won the Fireman's Award—queen candidate. In the Youth Division, Kathy Powers, daughter of Mr. and Mrs. Robert H. Powers, was the junior queen candidate.

Fair Kids Day Prizewinners Announced

Don Turner, Kiwanis Club community activities chairman, officially opened the 1967 Chelsea Community Fair at the evening program Wednesday, Aug. 30, designated Kiwanis Kids Day. He presented the 1966 Community Fair Queen and introduced Paul F. Niehaus as master of ceremonies for the evening.

The Chelsea High School and Community Band gave a half-hour band concert under the direction of school band directors Bruce Galbraith and Henry Tinkham, concluding with the national anthem as arranged by John Phillip Sousa.

Several members of the Chelsea High School band, who were at the Waterloo camp, also played with the Chelsea group.

Games provided entertainment for children from 12 to 12 years old, and the program concluded with a fireworks display.

Prizewinners in the various categories were listed as follows:

Sack race for seven-year-olds—Ed Paul, 1st, three tickets for carnival rides; Julie Proctor and Sue Heydauft, 2nd, two tickets; Pam Hinz, 3rd, one ticket.

Sack race for eight-year-olds—Laurie Proctor, 1st, three tickets; Name unknown, 2nd, two tickets; Keith Fowler, 3rd, one ticket.

Sack race for nine-year-olds—Bob Hercules, 1st, three tickets; Sack race for 10-year-olds—Gary Wellnitz, 1st, three tickets; David Proctor, 2nd, two tickets; Kevin Smith, 3rd, one ticket.

Similar first, second and third prizes were given to Dwayne Robbins, Maisha McGibney and Mary Beth Detling, respectively, in the 11-year-old group sack race and Bob Griffith and Don Trinkle, 1st, Chris Pihlman, 2nd, and Alan Machnik, 3rd, in the sack race for 12-year-olds.

Dale Petsch, the youngest child in the audience, was given a dollar as a prize.

Three two and one ticket were also given first, second and third prize winners in the penny scramble provided in four age groups.

Winners in the three-year-old group were Tommy Vandervoort, Mike Baveis and Timothy Greenleaf; in the four-year-old group the winners were Patricia Villamure, Mary Boylan, Craig Wirtz. Five-year-old winners: Deanna Petsch, Todd Otto, David Cottenman; and six-year-olds: Denise Robbins, Leon Wheeler, Janice Proctor.

Winners of prizes in the parade which preceded the evening's program received \$3, \$2 and \$1, respectively as first, second and third prizes in various categories and age groups.

In the three-to-five-year age group the winners for costumes were Mary Frances Boylan, big-headed clown; Kathy and Patricia Villamure, Indian costumes; Kirk and Charles Myers, clowns.

For bikes and wagons the winners were David Baldwin who wore a baseball outfit and had his bike trimmed with yellow and green balloons and the legend "I've been grand champion with the family since 1961"; Karen and Jeff Elkins, as bullet girls and Mexican boy; Carol Hafner with her wagon as 1960 Fair queen candidate.

Six- to eight-year-olds who won prizes are Cindy Frisbie, Duwana Villamure and Julie Skittenhelm.

Series of Classes Start Next Week for Expectant Parents

A new series of classes for expectant parents sponsored by the Ann Arbor Visiting Nurse Association and the Washtenaw County Health Department will begin next week. The classes are now held two times a week on Monday and Thursday evenings at 7:30 p.m. in Room 117A of the Washtenaw County Building. Parents may register for any one of the evenings at the 7 p.m. registration period which precedes the class.

The first class covers the general topic "How Your Baby Grows Before Birth." Other subjects to be covered in later classes include layette, labor and delivery and care of the newborn infant.

The series will be taught by Mrs. Marian Fincher, R.N., and Mrs. Mary Sexton, R.N., public health nurses, and will continue for seven weeks. The registration fee is \$2.50 per couple. A special class for fathers in planned, and information is available on hospital tours and related classes.

New Implied Consent Law Will Become Effective in November

House Bill 2038, passed into law recently, concerns a statute which will effect all those who choose to drive after drinking.

The implied consent law is "an attempt to better control drunken driving," according to Police Chief Robert Taylor.

A significant feature of the law, which becomes effective Thursday, Nov. 2, is that a law officer who stops a driver suspected of having been drinking, must inform the person that he must take a chemical test or be subject to the loss of his driving privileges.

The officer must also inform the driver that he has the option to demand that any breath test be given. However, in one way.

A scoop of dairy sour cream makes a delightful topping for fresh fruit desserts. Try it on fresh strawberries, blueberries or peaches.

LIFELINES:

SAFE IN CHRIST

There used to be an old battered safe standing on Broadway in New York, on which was the notice, "It's good the test; the contents were all saved." It had been in one of the hottest fires New York ever saw, but the old safe had carried its treasures safely through.

No life is so safe as that which is guided and controlled by Christ.

And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand, John 10:28.

You'll buy a new furnace maybe once in your life. Here's how to do it right.

First, call Edison. We'll give you the names of electric heat contractors near you. Each has been Edison-approved as capable and reliable. (And, right now, each will give you a \$150 trade-in on your old furnace if you convert to electric heat.)

Next, the contractor will check your home, review your needs, and recommend the type of heat best for you. He will estimate both installation and operating cost and give them to you in writing. All without obligation. We'll check the quotes if you like.

Then, after your new electric heat system is installed, Edison and your contractor will make any adjustments necessary to the system if operating cost exceeds the original estimate during the first three years of use. At the end of this time, if operating cost still exceeds the estimate, and you aren't satisfied, Edison will remove the system and refund your original price.

That's our new Three-Step Protection Plan. Remember the first step. Call Edison.

trained Air' duces Cracking Pavements

If your home driveway is cracking, you might wonder why concrete highways don't break the same way.

The last 20 years contractors have been adding a liquid to the concrete mix used on Michigan roads.

They don't use much—perhaps one or two for each cubic yard of concrete—but it prevents cracking. In fact, it prevents cracking.

The chemicals—called "air-entraining admixtures"—carry tiny bubbles through the liquid. They don't make the pavement spongy, and make it resilient.

The air spaces absorb pressure created by ice and expanding moisture, preventing cracking.

When you have concrete work done, ask your contractor to use an "air-entraining admixture." It's a good idea.

Grazing Permitted on Feed Grain Acres Starting Sept. 1

Earl Doletsky, chairman, Washtenaw Agricultural Stabilization and Conservation Committee announces acreages diverted for the 1967 Feed Grain Program may be grazed starting Sept. 1.

Previously grazing was not permitted from May 1 through Sept. 30.

The new provision does not allow the harvesting of hay—only grazing is permitted. This applies only to those persons participating in the 1967 annual Feed Grain Program. Farms signed in the Cropland Adjustment Program are not allowed to graze their designated acreage.

August Traffic Death Toll Shows Decline from '66

August traffic deaths in Michigan numbered 107, which were 88 or 18 percent fewer than 205 in the same month a year ago, according to State Police provisional figures.

It was the seventh month in the first eight years showing a reduction in deaths compared with corresponding months of 1966.

The August toll was 28 under the average of 195 for this month in the five years of 1962-66, and almost equal to the average of 170 for the 10 years of 1957-66.

August deaths brought the accumulated toll for the first eight months to 1,228, which is 282 or 16 percent below 1,440 for the same period last year. The Michigan traffic death count in 1967 is continuing to average about one less fatality a day compared with 1966.

Delayed death reports will increase the August and accumulated death tolls somewhat.

Game-Type Scrimmage Slated Friday

Chelsea High school's 1967 football team makes its debut in a scrimmage Friday night in an interesting experiment which will see two game-type scrimmages going on at the same time. Spectators are invited to get a sneak preview of the kind of a team Head Coach Phil Bareis will unveil in the season opener against Stockbridge on Friday, Sept. 15 at home.

Bareis has invited three other teams—Brighton, Howell and Michigan Center—to the Chelsea home field. Two of the teams will square off at one end of the field while the other two teams scrimmage at the opposite end-of-the-field. Also at the same time the junior varsity team will be practicing on the practice area adjacent to the football field.

Bareis says current plans are to start at 7:30 p.m. and let each offense have the ball for 10 minutes and then give the ball to the opposing team.

This will be the first chance Bareis has had this year to see his team in competition with another. He indicated that he felt the team was further along this year than last, especially in the conditioning which he termed very good. "Right now we're concentrating on putting boys into the various positions," Bareis said. The coach has some idea of which boys will be his first string players but he'll wait on the results of Friday's scrimmage before deciding on a starting lineup for the opening game.

At and Bareis said Co-Captain Mike Lehmann would be a starter with Bob Powers, Roy Holliday, and Leonard Kozma in contention. As with most of the positions the coach said the boys he named were pretty close together and "We'll have to see what they do under fire."

At the tackles, junior Gary Ellenwood is listed as a definite starter. Others who will see a lot of action at the position are senior Ron Morley, and juniors John Hoss, Jim Boylan and Greg Stephens.

Two junior guards—Mike Gaken and Kerry Kargel—Bareis says are further ahead of the rest. But juniors Tom Gardner and Paul Prinzing and sophomore Rich Bolinger are developing fast. At center, junior Chuck Patrick holds down the No. 1 spot. His replacements are Gardner, who spends most of his time at guard, and Larry Gaken, the regular fullback.

In the backfield, work has been hampered by several injuries. At quarterback, sophomore Dave Conklin fractured a thumb. He will be lost to the team for at least three weeks. Right now the starter is senior John Freeman. His backup men are juniors Craig Houle and Mike Schnaltd. Houle is just recovering from a fractured ankle and although he has been practicing he has not been up to full effectiveness. At the halfback spots, starters are Schmaltd, and senior Mark Lancaster. Replacements are juniors Houle, Tom Smith, and Larry Blackwell.

And senior Bob Taylor. Blackwell is currently out of action with an injury. Behind Gaken-at fullback are junior Mike Harvey and freshman Tim O'Brien. O'Brien is the only freshman currently on the varsity squad.

Two sophomores show promise of becoming one-way specialists on the team—Warren Wisner at defensive back and Glenn Wilkerson at offensive end. Others who may be important to the future of the team include senior Ray Worden who is in the hospital with a sinus ailment and junior Ben Bower who has had limited contact work as yet.

If radio newscasters knew half as much about the news as their authoritative voices lead one to believe they would know enough.

Michigan Ranks 7th in Number of Licensed Drivers

Lansing—Michigan has an estimated 4,418,000 licensed motor vehicle drivers as of the end of 1966, ranking it seventh in that statistic among the nation's 50 states.

This represents an increase of 111,985 from the 4,306,015 Michigan drivers' licenses in force at the close of 1965, according to figures released to the State Highway Commission by the Federal Highway Administration.

Throughout the nation there were 101 million motor-vehicle operators' licenses in force at the end of 1966, an increase of 2.5 million over the 98.5 million in effect at the end of 1965.

California led the nation in 1966 with 10,350,000 licensed operators, followed by New York with 7,069,000; Pennsylvania, 6,301,000;

Illinois, 5,821,000; Texas 5,553,000 and Ohio 5,511,000.

At the close of 1966 56.8 percent of Michigan's drivers, (2,531,000) were male and 43.2 percent (1,907,000) were female.

GUARDS AND RIOTS

The Pentagon has disclosed that the Army is making a detailed study "to determine the necessary revision" in riot-control training it leaves the troops on active duty. It is estimated 500,000 national guardsmen are receiving stepped-up training.

TODAY'S THOUGHT

By LOUIS BURGHARDT

Better labor and management relations, through the years, have helped to give us an enviable standard of living... Better homes... more and better automobiles... more and better food... better clothing... longer, paid for vacations... insurance, retirement and other fringe benefits... are tangible evidence of labor and management's progress.

These materialistic benefits brought on our present age of fast production with equally fast consumption. We have to produce more and consume more. In this situation, no legislation can ever change the truth that wages and profit can be determined by anything other than a man's capacity to produce. In today's wage scale, an 8th grade education equips one to produce around \$4,400.00 peak income. A high school graduate is educated to produce a peak of around \$6,500.00... The college graduate will be educated to produce higher peaks.

Preparation through education faces not only labor. It confronts management personnel and professional people too. Everyone these days has to know more to earn more. Those who discipline themselves to seek and earn a better education will be rewarded. Those who don't won't... BURGHARDT FUNERAL HOME, 214 E. Middle St., Chelsea, Mich. Phone GR 5-1141.

Council Briefs

(Continued from page one)

William Chandler submitted a new preliminary Corps of Engineers map which shows a new high-water level which would be higher than the effluent outlet of the village disposal plant and would cause flooding at the disposal plant property and at other points within the village.

Trustee Crough informed the council that no bids were received for the proposal to construct a water main to the Chelsea Medical Clinic. Alternatives to letting the job out for bid again are being discussed so that the program can get under way as quickly as possible.

A discussion was held regarding the garbage and rubbish contract. William Terns has requested an increase in the contract price based on the fact that there has been a considerable increase in costs since June 1, 1966 when the contract was signed. Trustee Weber was instructed to investigate and make a recommendation to the council at the Sept. 10 meeting.

Motion was made and approved that, upon the recommendation of Police Chief Meranuck, the six months probationary period of police officer Garnsey should not be renewed and that Officer Garnsey should no longer be retained by the village.

Legally Blind May Obtain New ID Card

Michigan persons who are legally blind and who would like an identification card with their picture on it may obtain one at the nearest driver license examining station of the Michigan Department of State. The new ID card for the blind is a result of new legislation passed during this past session of the Michigan Legislature. The cards are processed in the same manner as color-photo Michigan driver licenses.

Secretary of State James M. Smith described the ID cards for the blind as a natural extension of the color-photo license concept. The card is taken at a driver license examining station and these handicapped persons will then have an official identification to present in cash transactions and transacting other business.

Smith said he was hopeful the law could ultimately include persons who no longer can drive, older persons who cannot drive, and other adults whose disabilities prevent them from getting a driver license.

Blind persons may obtain their ID card at any driver examining station. The fee is \$1.00. These are permanent ID cards and do not have to be renewed, Smith noted. "If the holder loses the card, he can go into one of the licensing stations and obtain a duplicate. Changes of address are handled like driver licenses."

Persons with the bearer going in an exam station for a change of address sticker for the back of the card. IDs for the blind, Smith said, will be limited to give them better lasting abilities.

Smith said it was difficult to get just how many ID cards the blind would be issued. The cards went to Rep. Robert Mahoney and his wife of Detroit, both of whom are blind. Mahoney introduced the bill in the Michigan Legislature and provided for its passage.

Smith said there are about 18,000 legally blind persons in Michigan and that he expected about 10,000 would avail themselves of the new IDs.

In making application, all blind persons must provide evidence of legal blindness. The Chelsea Community Association conveys its gratitude to the members of our community who have cooperated in organizing, planning, and distributing the Chelsea Community Center. We feel that the information accessible through this center is of great assistance in organizational planning and scheduling in and about Chelsea. We appreciate the leaders of these groups who consult the Community Calendar as the first step towards concrete regard for all of the activities which interest and involve citizens of the greater Chelsea.

The Rev. S. L. Peterson, Acting Secretary, Chelsea Ministerial Association.

CHELSEA VILLAGE COUNCIL PROCEEDINGS

August 15, 1967
 Council Room
 Regular Session
 This meeting was called to order by Pres. Baldwin at 8:00 p.m. Trustees present: Crouch, Fulk, Heydauff, Miller, Storey and Weber. The minutes of the Regular Session of August 1, 1967 were read and approved.

A discussion was held with Mr. Robert Vanderkellen, representing Mrs. Florence O'Hara, regarding the location of a fire hydrant on Pierce Street. Mrs. O'Hara desires the assurance from the council that if for any reason the village deems it necessary to relocate this hydrant at some future date, the expense involved will not fall upon the property owner. The council expressed agreement to this request.

The problem of sweeping the village streets was discussed with Sup't. of Public Works, Parker Brown and Police Chief, George Meranuck. Numerous automobiles continuously parked in one location prohibits the economical use of the street sweeper recently purchased. Parker Brown was instructed to post "No Parking" signs when necessary. Chief Meranuck was instructed to work with the Public Works Dept. on this problem.

Pres. Baldwin made the following appointments for three 3-year members to the Chelsea Village Planning Commission: Dan Ewald, George A. Staffan and Robert Merkel.

Motion by Heydauff, supported by Crouch, to approve the appointment of Dan Ewald, George A. Staffan and Robert Merkel to the Chelsea Village Planning Commission for 3-year terms. Roll call: Yeas all. Motion carried.

Police Chief Meranuck requested that a notice be published in The Chelsea Standard for a mature individual to serve as a school crossing guard at the corner of M-52 and Dewey Street.

Trustee Crouch informed the council that the Chelsea Elec. & Water Dept. is searching for a full-time employee. The clerk was instructed to advertise for an employee for this department.

A discussion was held with Mr. Aubell and Mrs. King, representatives of Finkbeiner, Pettis and Strout, village sewage engineers, regarding the possibility of a trunk line sewer to serve the Freer Road and Middle School area. Questions of financing such a project were discussed. A preliminary estimate of such a project was stated at \$205,000.00. No official action was taken at this time.

Trustee Miller stated that 50 trees have been purchased and will be delivered and planted the latter part of September.

The possible spraying of elm trees for dutch elm disease was discussed. The State Forestry Division was contacted approximately five years ago. Their recommendation at that time was that unless all the village residents were to participate in a spraying and tree removal program, and inasmuch as the county was not undertaking a spraying program, it would be useless for the village to undertake a spraying program. Trustee Fulk informed the council that the University of Michigan has had a concerted spraying program for five years and are apparently fighting a losing battle. At the time of the first spraying investigation the council decision was to not enter into a spraying program. The State Forestry Division will again be contacted for an opinion at this time. Trustee Crouch reported on the

Jean Day, Donald Sexton Change Vows in California

Linda Jean Day and Donald Bon Sexton were married by the Rev. John B. Hines in a double ring ceremony in the First Southern Baptist church of Garden Grove Calif. on July 29.

The bridegroom, son of Mr. and Mrs. A. L. Sexton, is a graduate of Chelsea High school. He attended Ferris College before his enlistment in the U.S. Navy where he is now serving a four-year term.

Baskets of white gladioli and stock accented with pink carnations adorned the altar as the couple repeated their vows.

The bride, daughter of Mr. and Mrs. Richard M. Day, 1252 Garden Lane, Garden Grove, was given in marriage by her father.

She wore a gown fashioned of Chantilly lace over silk organza. Her gown featured a sash, neckline, and long sleeves tapered at the wrist. The full, four-tiered skirt was scattered with aurore boraalis crystals, and a large silk bow held the graceful chapel-length train.

Her elbow-length veil of silk illusion was held in place with a lace and silk flower accented with aurore boraalis crystals and tear drops. The bride's bouquet was a cascade of white carnations backed with leather fern, with a detachable white orchid corsage in the center.

Maid of honor was Sharon Cyester of Garden Grove. She wore a floor-length gown of light pink chiffon and crepe. Her headpiece was a large bow of shocking pink chiffon. She carried a cascade of shocking pink carnations and light pink daisy poms.

Bridesmaid was Ruth Ann Sexton of Chelsea, sister of the bridegroom. She wore an ensemble identical to that of the maid of honor but in shocking pink. She carried a cascade of light pink carnations and white daisy poms.

Junior bridesmaid, Renate Schmidt, wore an ensemble similar to that of the maid of honor and bridesmaid, but in light pink. She carried a smaller cascade of shocking pink carnations and white daisy poms.

Alan Ladd attended the bridegroom as best man and usher. Dick Day, brother of the bride, and John Karl of Garden Grove, "son of the bride," were "O Promise Me" and "Because."

For her daughter's wedding, Mrs. Day chose an apricot crepe and chiffon sheath, with white accessories. The bridegroom's mother wore a blue brocade sheath with matching jacket, and white accessories. Their corsages were white orchids accented with tulle and ribbon to match their ensembles.

At the reception, held at the home of the bride's parents, Mrs. Leslie Thompson cut the wedding cake while Mrs. Karl Schmidt presided at the punch bowl. A toast to the newlyweds was proposed by the best man, Alan Ladd. Mrs. John Boyesen, aunt of the bride, was in charge of the guest book.

Out-of-town guests were Mr. and Mrs. John Boyesen, aunt and uncle of the bride, and their daughter, Christine, from Pennsylvania. The bridegroom's parents, Mrs. M. Hoppa, friend of the bridegroom, and Mrs. David Penn, the bridegroom's sister, all from Michigan, attended the wedding.

Before departing on a honeymoon trip along the coast of northern California, the bride changed to an orange and white suit accented with white. She wore the corsage from her bouquet.

The bride is a graduate of Rancho Alamitos High school and is currently employed with Mercury Savings & Loan in Huntington Beach.

The couple is now at home in Westminster, Calif.

Gray wool is used for an ensemble of hip line coat over the dress. Blue fox is used on the hem line of the coat.

Mrs. John Gordon Cripe

Lynne Harr, John G. Cripe Wed In Ceremony at Methodist Church

Lynne Harr and John Gordon Cripe were married in the First Methodist church of Chelsea Aug. 26 in an 8 p.m. candlelight ceremony with the Rev. Robert Worre officiating.

The bride is the daughter of Mr. and Mrs. Donald Harr of Grass Lake. The bridegroom's parents are Mr. and Mrs. Joseph Cripe of Onondaga.

For her wedding the bride chose an organza gown with a high ruffled neckline. The gown was pearl-trimmed with re-embroidered alpaca lace on bodice, sleeves and controlled front skirt. The bride wore a full bouffant attached chapel-length train and pearl crown triple tier silk illusion elbow-length veil.

The bride's sister, Georgia Beeman of Grass Lake, was the maid of honor. She wore a style, ice green satin and brocade floor-length gown with a train. The veil was inset with pearls and she carried a gladioli cascade bouquet with a yellow center.

Bridesmaids were Karen Harr, the bride's sister, Georgia Beeman of Grass Lake, Mrs. Gary Ferry of Chelsea, and Esther Riffitt of Ann Arbor. Their gowns were empire style floor-length yellow satin brocade with satin pillbox veils.

The best man was Harry Hadley Jr. of Chelsea. Ushers were David Higley of Onondaga, Gary Ferry of Chelsea, Norwood Bush of Chelsea, and Walter Harr of Chelsea, brother of the bride.

The bride's mother wore a brown print dress with brown accessories and a corsage of white roses. The bridegroom's mother wore a blue print dress with accessories and a corsage of white roses.

A reception was held after the ceremony at the Red and Gun Club. Assisting in the preparations were Mrs. George Beeman, Mrs. Gordon Whitaker, Rita Teichow, Mrs. Corwin Byers, and Mrs. Margaret Stanley. Mrs. George Klink was in charge of the guest book.

The bride is a 1967 graduate of Chelsea High school. The bridegroom received his discharge from the Army in July, 1966. The couple will reside on Harr Rd.

Senior Citizens Plan September Birthday Party

The monthly business meeting of the Senior Citizens was held at Korner House Tuesday, Aug. 29. A thank you letter was read from Mrs. James of the Washtenaw County Chapter of the Red Cross. The letter was in appreciation for the making of 100 ditty bags for Christmas gifts to soldiers in Vietnam. Also 63 paperback books were donated and the group still is collecting more books. Anyone wishing to donate books should leave them at the Korner House or at the home of Mrs. Anna Werner, 521 S. Main St.

The first social meeting of the 1987-88 year will be Sept. 12 at 1:30 p.m. at Korner House. A social meeting will be held the second Tuesday of each month. The birthday party is scheduled for the third Thursday of each month. The September birthday party will be on Sept. 21 at 6:30 p.m. Dinner is pot-luck with each member to bring table service and a dish to pass. Mrs. Anna Werner is the chairman and Mrs. Joseph Luban is the vice-chairman of the event. Mrs. Donovan Sweeny has volunteered to make the birthday cake.

A euchre tournament was announced by H. O'Dell for the months of October and November. Already 24 members have signed up. Any member not present and wishing more information should call 475-7320 or 475-4701.

Marine Pfc. C. Whitaker Home on Brief Leave

Pfc. Clifton Whitaker, son of Mr. and Mrs. Willie Whitaker of Grass Lake, is now stationed in Camp Lejeune, N.C., after a visit home last week on leave.

He is attached to the Second Marine Division and will leave the Marine Corps after a two-year term of active duty ends in five months. Whitaker went into the service Feb. 3, 1966, and was sent to Vietnam Aug. 3, 1966. While in Vietnam, he earned three purple hearts, having been wounded in the left leg, right side, and left forearm. All three wounds were inflicted since July 5 of this year.

Stockbridge Ambulance Service Seeks Memberships

Stockbridge—Volunteers began an area-wide canvas Monday, Sept. 4 for members to join the Stockbridge Area Ambulance, Inc., with Mrs. Norman Kaiser, 12700 Jaycox Rd., taking memberships for Lyndon township. The newly formed non-profit organization plans to begin ambulance service Oct. 1, the date set for discontinuance of ambulance run by the Caskey Funeral Home.

Based on the plan now in effect at Durand, representatives from nearby townships have met with Stockbridge village and township officials and given their approval to the organization. These include: Unadilla, Bunker Hill, White Oak, and portions of Waterloo and Lyndon townships.

Families in these areas will be contacted and may become members by paying a \$10 fee. This will entitle them to service by the ambulance for one year, with the only charge being 50 cents a mile, one way.

Non-members will be provided ambulance service but at a cost of \$40 a call, plus \$1 a mile one way.

John J. Nichol, elected chairman of the group, has estimated they can begin operations on \$8,500, budgeted to cover the cost of a

opinion that some volunteers will be obtained during the membership drive when more people are contacted.

William D. Caskey, in charge of membership, has had enrollment cards printed on which the names of each member, his telephone number, address, and name and age of each member in the household will be listed. This will be signed by the head of the household who will also be given a pocket-size card to carry, certifying that he is a member of the Ambulance Society.

Caskey is being assisted by William Wall in the village of Stockbridge, Walton Bohne, Waterloo, Ted Smith, Unadilla, Loal Town send, White Oak, Raymond Marz, Bunker Hill and Mrs. Norman Kaiser, Lyndon township. They will arrange for residents to serve as canvassers within their neighborhoods with 10 to 12 families. Those who sign up to become members at this time will be billed in subsequent years.

There is no deadline on subscriptions at this time, but they hope to have a sufficient number to finance the project by Oct. 1. Commitment said they would need a membership of 75 percent of the homeowners for the program to function.

The group is now taking steps to become a corporation.

Kit of Postal Cards Will Help Everyone Obtain Address Zip Codes

Chelsea residents will have an opportunity to easily put ZIP into their mail in late September. Postmaster Richard E. Schaubel reported today.

During the last half of September, the post office will deliver to every householder a kit of eight postal cards which can be mailed back to the post office with addresses needing ZIP Codes. Each completed card will be sent to the post office which services the "zipless" address and the proper code will be added before the form is returned to the sender.

No postage will be needed on these cards.

Each of the eight postal cards in the kit will contain a message encouraging the general use of ZIP Codes. There will be a sixth card of instructions. All will be folded together like a closed accordion. There will be perforations between each form. In addition, another separate card will be delivered along with the kit which is a reminder of the local ZIP Code.

Last year approximately 11,000 addresses were ZIP coded by the Chelsea Post Office as part of a similar program using only one (or two) cards with spaces for as many as 15 addresses, Postmaster Schaubel said.

Nationally about eight addresses per card were returned during the 1966 project.

The unit cost of entering the code onto each card will be less than the system used in 1966 because it will be less expensive to use the same code on an inexpensive card which will be able to simply be torn off the card and sent to the post office on its return journey.

On an average day, between 175 and 250 million pieces of mail

enter the postal system. It is not expected that more than 10 million of the Zip-A-List cards will be in the system at any one time during the peak periods of mail handling. Since they will be handled essentially as ordinary postal cards, there will be no burden or disturbance of service.

"The ultimate result will be an improvement in service," Postmaster General Lawrence F. O'Connell said.

"The Zip-A-List project is the most dramatic aspect of our continuing campaign to make ZIP

Codes readily available to the public," Brien has said about the project. "ZIP Code is the base upon which the modern postal service is being built. But, it won't work and the modernization and efficiencies ZIP ing. Since they will be handled essentially as ordinary postal cards, spread usage of the five-number code."

Last year, approximately 17 percent of the nation's householders returned 98 million addresses for coding. The Postmaster General reported that many postmasters had informed the Department that the Zip-A-List project was an important aspect in making Christmas mailers aware of the importance of using the codes

Sheriff Asks Support for Law Change

Sheriff Douglas Harvey told of his concern for changes in the criminal sexual psychopath laws at the Monday evening meeting of Chelsea Kiwanis club. Harvey said that once a person is convicted as a criminal sexual psychopath he is sentenced or committed to a state hospital for "one day to life." If he is released from the hospital he is relieved from any further prosecution on the original charge.

Harvey said that the Ralph Niss case stirred his interest in changing the criminal sexual psychopath law. Niss was accused of sexually assaulting two teenage boys and then killing them. He stood trial for one of the deaths and was determined to be a criminal sexual psychopath. He was committed to Ionia State Hospital for one day to life but would be eligible for release when the hospital officials determine that he is sufficiently rehabilitated. Once released by the hospital, Niss will be relieved from any further prosecution on the original charge.

Harvey offered two suggestions as to how the law could be strengthened. A felon could be sentenced by the court, admitted to a State Hospital for treatment and then serve out his prison sentence after treatment. Or one who is suspected of being a criminal sexual psychopath could be evaluated in a court hearing to determine sanity. If the suspect was insane, he could be admitted to a state hospital and upon release, return to stand trial.

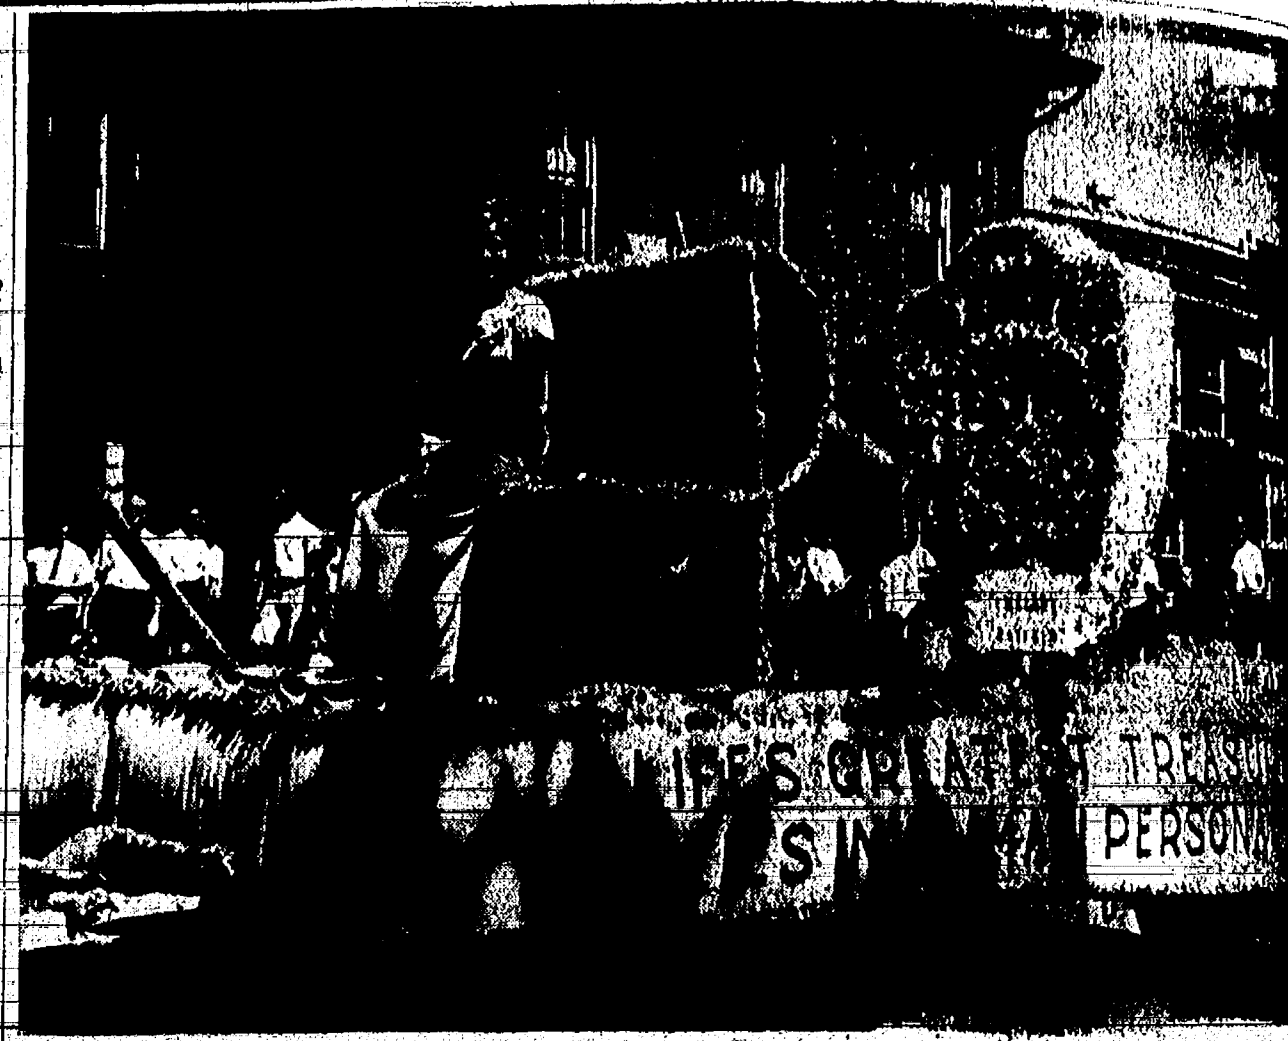

Interested citizens are urged to write their legislators if they feel the criminal sexual psychopath laws should be changed.

Guests included Charles Cox and Paul S. Closson.
