Bulldogs Lose Third Game at Carleton

Chelsea Bulldogs suffered their third defeat at the hands of Carleton, 13 to 0, last Friday. The Bulldogs kicked off to start the game, but Carleton returned the kick to Chelsea's 25-yard line, but a 15-yard penalty on Chelsea's defense nullified the gain. Carleton then moved on downs. The Bulldogs moved to one first and then were forced to punt.

In the first and second quarters, both teams were unable to drive for any yards. Then, with two minutes left in the first quarter, Carleton began to move. In 34 seconds, they had a first down on Chelsea's five-yard line. The defense rose to the occasion, holding Carleton to four yards at the goal line. The half ended 0, Carleton 0.

In the second half, the same pattern was repeated. Chelsea was as far as Carleton's 30-yard line, but a fumble ended Chelsea's serious scoring threat.

In the fourth quarter, Carleton possessed the ball on the 30-yard line. The Bulldogs made a screen pass, the ball was intercepted, and a Carleton defense tackle caught the ball and ran 31 yards for the score. The point-punted and Carleton led 13 to 0.

Chelsea tried to come back, but two passes failed. Chelsea tried again and Carleton intercepted on the last play of the game. Carleton again scored from 40 yards out, and the extra point was good.

Council Briefs

At the regular Village Council meeting Tuesday, Oct. 3, a discussion was held with William Forns regarding the garbage and rubbish contract. Several pick-up problems were discussed—a rash of complaints in the past few weeks has caused concern on the council and a request for an increase in the contract was not approved. Terms felt that most area residents were well satisfied with the service they have been getting, and that the complaints, justifiable perhaps, were not necessarily the feelings of the majority. Permission was granted for the crew to begin work one hour earlier at 6 a.m., and residents will be advised to place their containers at the curb the night before. Forns felt that perhaps some of the complaints were caused by his instructions to his crew that they should abide by the contract and pick up only two 30-gallon containers for each residence. A decision will be made regarding the possibility of resubmitting the contract for bids.

A problem of cars being parked on the grass at Pierce park was discussed and hopefully a solution has been reached.

The excess parking of cars on the streets at night was discussed and an investigation disclosed that approximately 115 cars are parked each night. An investigation into the number of permits that have been issued will be held and a recommendation will be submitted in the near future.

Edw. Bench, Civil Defense director for the Chelsea area, has been asked to submit his ideas and specifications for a civil defense radio system which will be considered at a national meeting.

A variance was granted to Robert Foster of Charedale Court to construct an addition to his home.

Motion made and approved to enter into a contract with the Superior Ambulance Co. for the use of the Municipal Building.

Motion made and approved to enter into a contract with the firm of Pinkheimer, Pettis & Strout for the preparation of plans and specifications for the sewer line and life station to serve the Freer Rd. Middle-school area.

Motion to pay bills.

JV Gridders Win 2 While Losing Only 1

Chelsea's Junior Varsity team defeated Belleville in a football scrimmage Thursday, Sept. 28.

Larry Gorton, at tailback position, Dale Robbins, fullback, and Jack McClear, at wingback, all did fine jobs, according to reports of the scrimmage, and Jim Hercules, at guard and linebacker, again turned in a fine performance.

In the Sept. 21 game Dundee defeated the Chelsea JV's, 12-0, and in the Sept. 16 game with Stockbridge the Chelsea JV's were the victors with a score of 14-7.

In the Sept. 21 game Dundee scored in the second quarter by running off tackle and Dundee's final score came after Chelsea intercepted a pitch-out which was caught by Bob Brassow and ran into the end zone.

Although Chelsea lost this game a number of players turned in fine performances. A few of these, on defense, are Dale Robbins and Jim Hercules, linebackers; Dave Pickell, tackle; and Tom Harmon, quarterback.

EUROPEAN SOUVENIRS: Mrs. Leon Chapman, left, shows her sister, Mrs. Eugene Martin, some of the objects she collected during her five-week European vacation. Mrs. Chapman, wearing a blouse hand-made in Hungary, is holding a Hungarian doll and a candle from Germany. The doll in her sister's hands, the two dolls on the table, the vase, and the ashtrays also were purchased in Hungary; the steins were made in Germany; the lava was found on Mt. Vesuvius; and the coins came from Belgium, Hungary, England, Germany and Italy.

Kiwanis Club Hosts Chelsea's 'New' Teachers

Grade School Principal Benedict Tells of British Exchange Experience

"Teacher Exchange Opportunities" was the topic of Robert Benedict's report to the Kiwanis Teacher's Night at St. Paul church Monday evening. Benedict, who taught in Thaxted, England for one year, is principal of the North Elementary school.

He said that the English educational system favors the better student. Education above the elementary level is available for those who can qualify. While about 40 percent of American youth enter college, only about five percent of the English youth are able to go to college. Benedict said that the American system offers the greatest opportunity for education to the most people.

Attending as guests of the Chelsea Kiwanis Club were the teachers who are new to the Chelsea school system this year. The teachers were introduced by their principals and welcomed to the community by Paul Schaible, Jr., president of Chelsea Kiwanis Club. The Kiwanis spouses were also guests for the dinner and program.

Three Chelsea Scout Troops Camp in Wild

Three Chelsea Boy Scout troops represented Chelsea at the fall camporee of the Troquois District of Portage Trails Council, held Sept. 29 and 30 and Oct. 1 at the new wilderness. Boy Scout reservation south of Cadillac. The camporee featured outdoor living and training in the wilderness.

Sponsored by the Kiwanis club, Chelsea Troop 476 had 20 boys attending under the leadership of Scoutmaster Bill Baker, assistant Scoutmaster Vern Hills, Vern Parks and Charles Gaudin.

Troop 425, also sponsored by Kiwanis, led by Scoutmaster Paul Gorman, assistant Scoutmaster Jim Brachman, Bob Roy and Ed Dickelman, was represented by 15 Boy Scouts.

Chelsea's newest troop, number 465, sponsored by Chelsea Rod & Gun club, registered 100 percent attendance at the camporee. Leaders of Troop 465 were Scoutmaster Earl Dreiman, Bob Snyder and committeemen Fred Pearsall and Carner Shocum.

The camporee was conducted by the district camping chairman, Alvin Reinhardt, the district activities chairman, Max Hepburn, and the district chairman, Roland Spaulding, all of Chelsea, and the district commissioner, Robert Lambert, of Dexter.

A total of 98 boys and 26 adult leaders took part in the camporee. The week-end activities began Friday night when the Scouts set up camp, in the dark on ground covered with wet snow, and ended at noon on Sunday, a clear, windy day. The Scouts sighted several deer, a fox, a coon, a flock of geese, and large flocks of ducks during the week-end. The leaves at the Scout reservation had already changed color.

Other Scout troops participating in the camporee came from Dexter, Whitmore Lake, Safford, and Milan.

PP&K Event Scheduled For Saturday

Only two days remain in which Chelsea area boys may register for the annual Punt, Pass & Kick competition. The event is open to boys 8 through 13, who should register with a parent at Palmer Motor Sales.

According to Fred Mills, competition director, top performers have a chance to appear at the annual National Football League Play-Off game Jan. 7, 1968. Registration will close Friday, Oct. 6.

The competition, sponsored locally by Palmer Motor Sales with the Chelsea Jaycees as co-sponsor, will be held on the Chelsea High school football field Saturday, Oct. 7 beginning at 9 a.m. There is no charge and no special equipment is needed. Registrants will compete with others from their own area in punting, passing, and place-kicking distance and accuracy. There will be no body contact.

Awards in the Chelsea contest this year are first, second, and third-place trophies. Six winners from Chelsea will attend a zone competition for which the date and place will be determined later.

Punt, Pass & Kick is sponsored nationally by the Boy-Dealers of America and the National Football League.

Mr. and Mrs. Albert Eschbach of near Manchester spent Sunday afternoon with his brother, Ralph Eschbach.

Mult Recreation Class Survey Being Conducted

Chelsea Recreation Department planning to organize several classes and recreational activities if it receives a sufficient amount of interest for them. Subsequent to the survey, classes may be offered include arts and crafts, modern math, knit, the Bishop method of sewing, and bonds, trampoline for women's physical education, and physical education for men.

Anyone interested in taking one of these classes should fill out the appropriate boxes in the survey on page six and send it to Richard Baris at Chelsea Junior High school. A space in the survey may be filled in with other suggestions.

Before the Recreation Department organizes any of the classes, it must receive enough favorable responses to determine which classes should be given. To date interest, mail the coupon to Richard Baris at 479-7466.

Will Be on TV Show

A film of the Chelsea Waterloop-Pinekey scenic color tour will be shown on the Ron Gamble Weekend Show, Tuesday, Oct. 10 at 7 p.m. on TV Channel 4. Last year a crew from Channel 4 made the film, which features the Arden Masbach family as tour guides.

School Board Briefs

At a regular meeting of the Chelsea Board of Education Monday evening members present were Foster, Powers, Irwin, Koenig and Hopkins. Absent were Taylor and Lancaster. Also present were Supt. Cameron, Business Manager Mills and Principals Lane and Conklin.

Meeting was called to order by President Foster at 8:30 p.m. Minutes of the Sept. 18 and 25 meetings were approved as read.

On Sept. 25 the Board accepted the low bid of 3.25 percent interest of the Chelsea State Bank to be paid on the \$200,000 state aid anticipation notes.

Motion by Irwin, supported by Koenig, to pay general fund bills of \$39,469.68. All ayes.

Business Manager Mills reported that a meeting will be held Thursday, Oct. 5 to complete plans for the sewer and road to the Middle School.

Supt. Cameron reported that the final 1967 Headstart Project report indicated a successful program.

The meeting was adjourned at 11 p.m.

Mrs. Chapman Visits Behind Iron Curtain in Hungary

Mrs. Leon Chapman of 682 N. Main returned to the United States Sept. 28 after a five-week vacation in Europe which included a visit behind the Iron Curtain.

Her trip began Aug. 22 when she left Metropolitan Airport at 10:30 p.m. and flew non-stop to Frankfurt, Germany, arriving there at 10:45 German time the next morning. Mrs. Chapman was greeted in Frankfurt by Mrs. Lori Wise, a former 4-H club agent for Washtenaw county whose husband is stationed in Germany with the U.S. Army for two years. Mrs. Chapman stayed with the Wises at their home in Bad Kreuznach while she was in Europe.

During her five-week vacation Mrs. Chapman took many small trips to other parts of Europe by plane, bus, train, and car. She attended a cousin's wedding in Antwerp, Belgium and went on a conducted tour of London, where she saw Westminster Abbey, Windsor Castle, Canterbury Cathedral, the changing of the guards at Buckingham Palace, and Carnaby Street, described by Mrs. Chapman as "a hangout for English teenagers."

The highlight of her European vacation was a one-week trip behind the Iron Curtain to Hungary. Mrs. Chapman flew to Budapest and then took a four-hour train ride to the small town of Vaszkony, where her mother was born and raised. She visited several aunts and uncles whom she had never met before. They were surprised to discover that Mrs. Chapman could speak Hungarian fluently and they marveled at the fact that she had come all the way from America to see them.

Mrs. Chapman described Vaszkony as a small town, population about 150, with no automobiles (walking and bicycling are the only local means of transportation), no post office, very few streetlights, and only one store. The townspeople work on Russian-controlled co-op farms. Although she was very happy to meet her relatives at last, Mrs. Chapman said that she was glad to leave Hungary because life there was depressing. "The people are not permitted to travel outside the Iron Curtain, and they do not have any of the luxuries enjoyed by the average U.S. citizen."

To be admitted to Hungary, Mrs. Chapman had to apply for a special visa through a travel agency while in Detroit. In addition, she needed entrance and exit papers which were left with Hungarian border police upon arrival and departure, respectively. She also had to register with these police each time she crossed the border. Mrs. Chapman could not even bring any "outside" money into the country. She had to buy a coupon in Detroit which she exchanged for Hungarian money upon her arrival in the Communist-controlled country.

Flying back to Germany from Budapest, Mrs. Chapman rejoined the Wises for an auto trip through Switzerland and Italy. Their Italian itinerary included the Leaning Tower of Pisa; St. Peter's Cathedral, the Sistine Chapel, and the Vatican Museum in Rome; Pompeii and a chairlift ride to the top of Mt. Vesuvius in Naples. Mrs. Chapman then returned to Frankfurt by plane to catch her flight back to the U.S.

She came home with many wonderful memories which include (in addition to those already mentioned) a chartered cruise on the Rhine to watch the fireworks and burning of the castle at St. Goire during the grape-harvest wine festival. While browsing through a bric-a-brac souvenir shop, she overheard a couple speaking English. Introducing herself, Mrs. Chapman discovered that they were Mr. and Mrs. Mitchell of Kalama, cousins of Chelsea residents Mr. and Mrs. William Van Orman of 311 East St.

Among her tangible souvenirs is the peasant blouse which she purchased in Hungary; four dolls, a vase, and two ashtrays from Hungary; a candle and two steins from Germany; pieces of lava from Mt. Vesuvius; and coins from Belgium, Hungary, England, Germany, and Italy.

Gridders of the Week

BULLDOG END ROB POWERS, No. 89, is a 11", 153-pound senior playing on the varsity team for the first year. He and his family moved to Chelsea this year from Indiana, where Rob attended Holy Cross Seminary. He belongs to the French club at Chelsea High school, and was active in basketball, science club, and baseball at Holy Cross. Outdoor activities include water skiing and golf. Rob, son of Mr. and Mrs. Robert H. Powers of 1100 Near Lake Rd., Grass Lake, would like to attend Notre Dame after graduation.

MIKE HARVEY, No. 30, is a 6', 170-pound fullback on the Bulldog team. The junior is playing on the varsity team for the second year, having been on the JV team as a freshman. Mike is also participating in baseball for the third year, and is vice-president of the Varsity Club. His favorite subject is history. Outside activities include hockey, hunting and fishing. A graduate of St. Mary's school, Mike is the son of Mr. and Mrs. William M. Harvey of 13410 Old US-12.

Helping Hand Film Being Shown Through Schools

Gabby and Pat will visit our elementary schools this week in "The Riddle of the Friendly Strangers," a movie sponsored by the Marathon Oil Co. This movie will be used in conjunction with the Helping Hands program being sponsored by the Chelsea Jaycees Auxiliary.

Pat, a ventriloquist, and Gabby, her puppet, star in the 26-minute color film which talks about strangers. In addition to the film, another important part of the program is a children's coloring and game book which covers the principal points of the film. Approximately 850 elementary school children will view this movie when Mrs. Arthur Steinway visits the schools to acquaint the children with the Helping Hand program. Monday evening Auxiliary members viewed the film and found it to be very educational.

North Elementary School was visited Wednesday at 2:30 p.m. and South Elementary School will be visited Thursday at 9:30 a.m. and 2 p.m. Thursday evening the co-operative Nursery will learn about the program and will view the film at 9 p.m. St. Mary's School will see the film three times on Friday, beginning at 12:30 p.m. The movie will be shown a total of eight times this week and will reach about 1,000 people.

The first phase of the Helping Hands program is almost completed. There are 130 posters placed in homes in Chelsea to date and names for homes to be put on waiting lists are being collected.

If you are a Helping Hand home don't feel that it is an indefinite situation. When a name on your block is received we will contact you and make arrangements to move your Helping Hand sign. Also, if anyone uses your home, please remember to send the postcard back as Jaycees are keeping a file. This is just the first phase of the program; the Auxiliary plans to continue the program for as long as the community feels it is needed.

The Helping Hands program, which offers children a refuge when they are hurt, lost, molested, or in any other danger, has received great support from the community. The program was accepted and endorsed by the following: Chelsea Jaycees, the Village Council, Chelsea School Board, Official Board of First Methodist church, and the Chelsea Police Department. Without their co-operation the program would not be possible.

BLUE RIBBON FLORISTS AT WORK: Members of the Blue Ribbon Florists 4-H club made 40 bouquets from home-grown flowers at their meeting Sunday, Oct. 1. Shown above are (left to right) Diane Bycraft, future club members Billy and Gina Van Riper, Sharon Heyland, and Van Riper-Lynds. Koch, Becky Van Riper, Denise Bycraft, Cindy Van Riper, and Jeannette Bauer. Members missing from the photo include Linda Van Riper, Betsey Bacon, Allea Pierson, Debbie Pierson, and Arlys Wiseman. The 4-H youngsters took the bouquets to Colonial Manor, the Methodist Home, and the homes of several elderly and shut-in residents to mark the beginning of National 4-H Week on Oct. 1. During the week they plan to make and deliver more bouquets. Each year the Blue Ribbon Florists buy and place plants in the two urns in front of Memorial Library. The planting is always done just before Memorial Day. This year the club filled the urns with water ivy and geraniums. Leaders of the 4-H group are Mrs. William Van Riper and Mrs. Glen Wiseman.

REPORT from LANSING

State Representative

Thomas G. Sharpe

The logjam broke in Michigan's teacher strike last week. Detroit public school instructors accepted a compromise between the board of education and their union negotiators to end a two-week illegal walk-out. The strike in Michigan's largest school district had deprived 300,000 students of educational facilities since Sept. 4.

Major components of the contract settlement are a \$1,700 across-the-board pay raise spread equally over the next two years, reduction in the school year from 40 to 39 weeks, and a limitation of class size to 30 pupils.

Now that a settlement has been reached, the next problem will be to come up with the money to cover the contract terms. The cost of the two-year contract is estimated at \$18.7 million. Detroit school officials admit they don't really have the money and will be forced into a deficit-financing position. They are looking to Lansing to bail them out, but the money does not appear to be available at the state level at this time. It is almost certain that new school aid money will not be available this year, and there is no assurance it will be there next year. In fact, the availability of extra money for Detroit schools does not meet with my approval. If a drawn-out auto strike develops, as appears quite possible at this time, it could seriously undermine the state's economy and reduce state tax revenues, imperiling state school aid next year.

The State Board of Education has adopted new regulations to implement the new 180-day school year requirement contained in a bill passed by the Legislature during the 1967 regular session. Formal adoption of the rules will mean that a school district will lose 100th of its total state school aid for each class day under the 180-day minimum. Formerly schools were directed only to hold school nine months each year. Under the new school accounting code, legal holidays, teacher-parent conference days, teacher institute days, record keeping days and teacher work stoppages cannot be counted toward the 180-day requirement.

The financial implications for school districts which have suffered cutbacks in teacher salaries this year are obvious. These schools will either have to lose part of their state aid or operate with shorter vacations during the school year and fewer days off.

After the Detroit walk-out was settled, for instance, it was pointed out that there were only 188 days left in which to meet the 180-day limit. Each day below 180 will cost the Detroit school district \$800,000 in state educational aid.

PEARLS of WISDOM

To live is like love; all reason is against it, and all healthy instinct for it. —Samuel Butler.

Habit is habit, and not to be flung out of the window by any man, but coaxed downstairs a step at a time. —Mark Twain.

Certainty generally is illusion, and repose is not the destiny of man. —Oliver Wendell Holmes, Jr.

Older men declare war, but it is youth that must fight and die. —Herbert Hoover.

Purity of race does not exist. Europe is a continent of energetic mongrels. —H. A. L. Fisher.

All human error is impotence, a premature renunciation of method, a delusive pinning down of a delusion. —Franz Kafka.

Lay my ashes at the roots of a dogwood tree in Paducah at the proper-planning season. Should the tree live that will be monument enough for me. —Irvin Cobb.

Breathalyzer Will Be Used By Police

The Breathalyzer, a device which will detect alcohol on the breath, will be in use by police officials in Michigan beginning Thursday, Nov. 2.

In accordance with the new implied consent law, which states that a person arrested for driving while drinking, et al, has the option of demanding that only a breath test be administered, police have developed the machine and a training program for its use.

The program, which will train approximately 750 officers, has already graduated a class of 20 state police instructor-inspectors who will assist in teaching and provide periodic instrument checks.

Financed half by the federal government and the remainder by the state, the initial goal is to provide at least one breathalyzer and operator in every county.

The week-long classes are being held at Kalamazoo Center on the MSU campus and are limited to 28 persons for each session. The program is expected to be fully operative by June 30, 1968.

Home-making may be a lost art but there is much to be said for the ancient custom.

★ MICHIGAN MIRROR ★

By Elmer E. White, Secretary, Michigan Press Association

"About 100 nurses are needed right now, at Sparrow Hospital," notes Roger Busfield, associate director of the Michigan Hospital Association.

Sparrow is a 465-bed hospital in Lansing. Its city for registered nurses is echoed throughout the state. Urban and rural, large and small, many hospitals in Michigan are feeling the pinch of the RN shortage.

Busfield, reflecting hospital views, feels that nurses' wages are generally in line with other skilled professions. He agrees there are too many exceptions where pay is low. He points to a recent survey published by the hospital association which lists the "average starting monthly salary" for general duty nurses in Michigan at \$410, up from \$380 in 1965. Maximum salary for general duty is averaged at \$481 monthly.

Bedside nursing has become the job of "nurses' aides and practical nurses, while registered nurses are doing the heavy lifting.

Although both men agree that RNs are trying to correct the situation, they do not agree with what caused the trend.

Busfield feels that the nurses, by constantly upgrading their profession, "upgraded" themselves into keeping records and leaving bedside nursing tasks to those less qualified.

Bresler maintains that "it just kind of happened." Nurses were always held responsible for patient records, he says. As "red tape" increased in hospitals, nurses were assigned more of the paper work.

"It just grew like Topsy," he said.

There are three ways to become an RN in Michigan. Some community colleges offer an associate degree in a two-year program.

A three-year program is offered by many hospitals. Instruction takes place in hospital classrooms.

while another machine added up what he owed, pay his bill, and go home without saying a word.

Ed Doolittle was agreed with Zeke; said it was the aim of the Great Society for everybody to have a number tatted across his forehead, a sorter Master Account Number for social security, Medicare, draft board, driver's license, home mortgage, life insurance and income tax. He claimed even the churches was going on the automatic. He told the fella's his daughter, that went to one of them big churches in the city, reported all the members has got a number instead of their name on their contribution envelopes and for any business with the church office.

Clem Webster cleared his throat and was getting ready to defend the Great Society and operating by the number when the fella that runs the store announced he was closing up for the night on the automatic.

I hope, Mister Editor, you don't put your newspaper on the automatic any time soon. You'll get mighty lonesome setting there by yourself and worrying about which way the country was headed.

Yours truly,
 Uncle Lew

and students pay tuition the same as college students.

A four year college program leads to a Bachelor of Nursing Science.

Graduates of all three programs must pass state exams to become licensed.

Higher pay and more respect for professional abilities must be apparent, says Bresler, before the current shortage of nurses improves.

The state-backed program is expected to entice some 700 nurses back to duty. Hospitals and colleges will graduate several hundred more. These will help, but they cannot fill the need nor solve the problem.

ROADSIDE BREATH TESTS

London—British police have planned "breath tests" to detect drunken drivers. Approximately two million tests are expected a year. Any driver refusing to take the breath test will be liable to a fine of \$140 plus possible conviction if found guilty.

ANOTHER BABY WHOOPER

Patuxent, Md.—Tex., the survivor of two whoopers hatched in the San Antonio Zoo in July, has been sent to the Wild Life Research Center where it will join four other young chicks. The center director said Tex would help build up the flock of this rare bird.

JUST REMINISCING

Items Taken from the Files of The Chelsea Standard

4 Years Ago . . .

Thursday, Oct. 3, 1962—The Flying Dutchmen of Manchester had their wings clipped last Friday night by an explosive Chelsea offense coupled with a rugged defense. The score was Chelsea 45, Manchester 6.

Discussion was held by the Chelsea Village Council relative to the proposed purchase of Consumers Power Co. equipment and material located in the recently annexed south portion of the village. There was no official action taken.

National Fire Prevention Week begins Sunday, Oct. 6 and in recognition of the special week, the Chelsea Fire Department will hold open house that day and again on Saturday, Oct. 12, in the fire hall at the Municipal Building.

Hours for the open house both days are from 2 p.m. until 5 p.m. Fire safety movies will be shown Saturday, Oct. 12, and coffee will be served. All Chelsea's fire-fighting equipment will be on display at both open house affairs and firemen will be on hand to greet those who attend.

A coffee hour for all area workers in the coming Chelsea Community Chest campaign is now definitely scheduled to be held Tuesday, Oct. 8, at 7:30 p.m. at St. Paul United Church of Christ.

Co-chairmen Thomas McClear and Arden Musbach have stated that the goal for this year's campaign is \$17,000.

The annual chicken barbecue scheduled for Oct. 13 was discussed during the business meeting at the Junior Chamber of Commerce dinner meeting Tuesday evening at Stiver's restaurant. It was explained that Lloyd's Dairy Bar is handling advance ticket sales for the event scheduled to be held at Pierce Park.

Helmut Henning, whose home was given West Rhau Der Sohn, Niedersachsen, Germany, was the guest speaker at the Monday, Sept. 30 dinner meeting of the Kiwanis Club. He is spending the 1963-64 school year at the home of Mr. and Mrs. George Frisinger as an exchange student under the "Youth for Understanding" program of the Michigan and Washington County Council of Churches.

Henning spoke of his impressions of school—he attends Chelsea High School—and life in the community. He also mentioned differences noted between schools here and in Germany.

14 Years Ago . . .

Thursday, Oct. 1, 1952—Friday afternoon the fourth annual pig scramble was held at the Chelsea Community Fair. The following is a list of boys' catching pigs, and the sponsors' names:

Jim Dault, Chelsea State Bank; LeVern Walz, Chelsea State Bank; Bob Weirich, Kusterer's Food Market; David Fischer, Farmers' Supply; Irvin Knickerbocker, Glick's Department Store; Bob Fischer, Deer Whitaker; Dean Fowler, Merrell's Hardware; Jim Klobuchar, Warren Daniels; David Grossman,

Foster's Men's Wear; James Grau, Joe Merkel; Douglas Stark, Strider's Men's Wear; James Weir, Lawrence Wacker; Tim Schulze, Blesse Elevator; and Alan LeVan, Frigid Products. The girls in this pig scramble, with the exception of four purchased from Jesse Hewens of Ypsilanti, are great-granddaughters of the girl which the above sponsors purchased in 1938.

The two programs of adult education sponsored by the Chelsea Public Library will begin next week. The art course, under the direction of Prof. Frank Cassara, begins Monday evening and will continue each Monday for an eight-week series which will be concluded Nov. 23. The classes will be held in the library. Tuesday evening Oct. 6, the annual fall lecture series opens with Dr. Henry J. Gombert speaking on the topic "Atomic Energy."

The services of a civil engineer have been secured by the Chelsea Agricultural Schools Board of Education for the purpose of getting estimates on the approximate cost of sewer and water lines to the various sites under consideration for a proposed new elementary school.

The Chelsea Fire Department float won first place in Saturday's Community Fair parade. The American Legion Auxiliary's hospital bed float, the sixth grade's UN float and the VFW Auxiliary's Freedom float won second, third, and fourth place, respectively.

driving allowances so that they may travel to the north woods in quest of deer during the annual season in November. Leonard has based his request on the fact that a substantial deer kill would materially in relieving the meat shortage.

34 Years Ago . . .

Thursday, Oct. 5, 1932—The Rural Letter Carriers of the 2nd, 14th and 17th congressional districts of Michigan held their first tri-district meeting and banquet Saturday evening at the public school gymnasium. About 100 were in attendance and partook of a supper at 7:30, served in a unique and delightful way by the pupils of the senior class of Chelsea High School.

The SPI held its first meeting of the year on Monday evening at the home of Miss Tilly M. Baker. Officers elected are: president, Miss Wackenhut; vice-president, Louise Winans; secretary, Mary Schneider; treasurer, Leta Kaecher. A short program was given, after which refreshments were served.

Daringly new! Chevrolet's new line of Super Sports for '68.

Computer-tuned suspension systems. Improved shock absorbers. New double-cushioned rubber body mounts. They all team up to bring you the smoothest, most silent Chevrolet ride ever. A fresh new idea in ventilation comes standard on every 1968 Camaro and Corvette. It's Astro Ventilation, a system that lets air in, but keeps noise and wind out. You'll appreciate all the proved safety features on the '68 Chevrolets, including the GM-developed energy-absorbing steering column and many new ones. More style. More performance. More all-around value. One look tells you these are for the man who loves driving. One demonstration drive shows why!

Washington Report
by Congressman
MARVIN L. EICH

Although some 25,000 people responded to my recent questionnaire, relatively few people will ever take pen in hand to express their opinions on current issues. The questionnaire approach of sampling opinion is a good one, but more important are individual letters to one's representative in government.

A resident of the district whom they had seized. I am not always successful with each case, but I will always do everything I possibly and properly can.

This type of service, plus an opportunity to express your views is always available from my office and I hope you will take advantage of it. You can write me care of the House Office Building, Washington, D. C. Or if you would like, you can stop into or call one of my district offices and your message will be relayed to me in Washington. The Ann Arbor office is at 200 E. Huron, phone 685-0818 and the Monroe office may be found upstairs at 2 E. Front St., phone 242-7530.

JV Wins Second . . .
(Continued from page one)

middle guard. On the offensive, Glenn Wilkerson did a fine job of catching the ball even though Dundee double covered him.

Larry Gorton scored the first touchdown in the Sept. 16 game with Stockbridge by running 85 yards around the end.

The second touchdown was scored by Jim Wojcik on a bootleg, running 25 yards around end.

The Chelsea defense scored the first points for the team, however, by backing Stockbridge into their end zone for a safety.

Stockbridge's lone score came on a short sweep off tackle early in the first quarter.

Chelsea's defense did an outstanding job with Dale Robbins and Jim Hercules as linebackers, Dave Pickell, tackle, and Bob Branson, end.

Helping Hand . . .
(Continued from page one)

fact would not have succeeded. Police Chief Meranuck spoke at an Auxiliary meeting about safety and crime and highly commended the Auxiliary for their program.

Remember: All school children—elementary, junior high and high school—may use this sign in an instance where they are frightened, ill or wherever they feel they need help.

If any club or individual wishes more information about the Helping Hand program they may contact Mrs. Arthur Steinway at 475-8815 or Mrs. Lloyd Swan at 208 S. St., or call 475-7656 in the evening.

Personal Notes

Mrs. Gladys Sharp received word Tuesday evening of her mother's undergoing surgery for gallstones. She stayed in Detroit with her mother on Saturday.

Carl and Nancy Rupert and Joe and Dorothy Stanley, members of the Michigan Wolverine Radio club, Washtenaw Chapter, were guests of MWRC, Flint Chapter, at its regular meeting Sunday, Oct. 1. Following the meeting they attended a coffee break held at the home of Ray and Maxine Nowalk of Flint, where they met old friends and made many new ones.

Mr. and Mrs. Walter Schrader, Sr., spent from Saturday until Monday as guests of their son and family, Master Sergeant and Mrs. William Schrader and children, at their home in Muskegon.

CANADA AIDS INDIA
Ottawa—The Office for External Aid has reported that the Canadian Government has provided \$142-million worth of food to help avert a famine in India over the last two years. Private agencies also helped in the massive relief operation.

If you want to live a long time, maintain the will to live—it's better than medicine.

RUBBISH PICK-UP TO BEGIN AT 6 A.M. STARTING TUESDAY, OCTOBER 10

NOTICE TO VILLAGE RESIDENTS—Effective Tuesday, Oct. 10, 1987, the garbage and rubbish contractor has been authorized to begin his daily pick-up one hour earlier—at 6:00 a.m. All village residents are hereby notified and advised to place their garbage and rubbish containers at the curb the night before the collection days which are Tuesday and Friday. The contract stipulates that each residence is allowed two 20-gallon covered containers and contrary to past practices, the contractor advised the council that because of the huge amount of rubbish and garbage he has been forced to instruct his crew to abide by the contract and to pick up only two containers at each residence. Many people persist in placing garbage and rubbish at the curb in poorly constructed cardboard containers and even paper bags which at times break apart when handled, and the contents are of necessity, left on the ground. The contractor will remove debris that is placed in substantial cardboard containers of the regulation size unless dampness makes them too soft to be handled. Hardship cases for pick-up are once again advised to notify the Light & Water Dept. so that the contractor can be notified. Any problems with garbage and rubbish should be handled by contacting the Light & Water Dept.

VILLAGE OF CHELSEA
GEORGE WINANS, CLERK

TODAY'S THOUGHT

By LOUIS BURGHARDT

You have heard it said, "Times change, but people don't." . . . This is ridiculous . . . Times change only because people change. Changing times come about only because people change sociological concepts and moral values. Sometimes changing times are dynamic, sometimes deplorable. In our last several generations we have seen both.

Changing times, either for the good or bad, are a direct result of either adhering to or disregarding the spiritual laws that a man shall reap what he sows. When he sows seed of love, trust, hope and faith, we reap a harvest of happiness in return. When we sow seeds of suspicion, envy, greed or hate, we harvest the thorns of unhappiness. In present-day language, we often refer to "cause and effect." When we see or realize a bad "effect," we often try to camouflage the "cause" with alibies or excuses. Wouldn't it be better for all of us to de-emphasize present day language of "cause and effect" and re-emphasize God's words: "Whoever a man soweth, that shall he also reap?" . . . BURGHARDT FUNERAL HOME, 214 East Middle St., Chelsea, Mich. Phone GR 5-4141.

American Legion Auxiliary social party, Monday, Oct. 23. Public invited.

DEATHS

Robert Salyer
Dies Thursday at Hospital After Extended Illness

Robert Salyer, a resident of 18408 M-52, died Thursday, Sept. 28 in St. Joseph Mercy Hospital, Ann Arbor at the age of 17. He had been ill for the past nine months, during which he had been hospitalized several times.

Born Oct. 26, 1949 to Charles E. ("Buck") and Kathleen (Marshall) Salyer, he was a junior at Chelsea High school this year.

He is survived at home by his parents, a brother, Danny, and two sisters, Lorraine and Barbara. Other survivors include his maternal grandmother, Mrs. Rebecca Risner of Plainwell; his paternal grandmother, Elizabeth Salyer of Stockbridge; and several aunts and uncles.

Services were held Sunday, Oct. 1 at 2 p.m. in the Staffan Funeral Home, with the Rev. Charles E. Roark of Trinity Pentecostal church, Fitchburg, officiating. Burial took place in Oak Grove Cemetery.

RATS SWARM IN EUROPE
Pribol, Yugoslavia—Hordes of hungry mice have damaged and destroyed crops which were estimated at hundreds of thousands of dollars. Peasants reported seeing mice destroy wheat fields overnight.

SENIOR CITIZENS BOWL HERE: The Ann Arbor Senior Citizens Bowling League, which formerly met only in Ann Arbor, bowled in Chelsea Lanes for the first time Friday, Sept. 29. Some of the members are pictured here. Seated, left to right, are Ernie Vick, Ann Arbor; Gus Trabert, Ann Arbor; George Lawrence, Chelsea; Clarke Parker, Ann Arbor; oldest member, Al Smith, 95, Ann Arbor; Larry Dann, Chelsea. Standing, from left, are Del Packard, league secretary, Ann Arbor; Ferd Merkel, Chelsea; Carl Schallhorn, league president, Ann Arbor; Floyd Routson, league vice-president, Ann Arbor; George Lawrence, Chelsea; Clarke Parker, Ann Arbor, formerly of Chelsea; L. D. Guinan, Chelsea; and the Rev. P. H. Grabowski, Chelsea.

Senior Citizens Bowl Regularly

The Ann Arbor Senior Citizens Bowling League met at Chelsea Lanes at 1 p.m. Friday, Sept. 29 for the first time. The league, composed of men 55 or older, had previously bowled only in Ann Arbor. This year it will divide its meetings among the Colonial, Washtenaw, Ypsilanti, and Chelsea Lanes.

Organized in Sept. 1963, the league bowls every Friday afternoon from September to May. It has increased its membership from four teams of two bowlers each in 1963 to its current strength of 60 regular members divided into 12 teams, with several substitutes available to fill in. All of the members live in Washtenaw county.

Carl Schallhorn of Ann Arbor is league president, while Floyd Routson of Ann Arbor serves as vice-president. The oldest member is 95-year-old Al Smith, one of the original eight men

who organized the league. He missed only one night of bowling in five years. Four of the other original members still belong to the league. They include Oscar Staebler and Wally Holcomb, who have never missed a meeting, Del Packard, league secretary, and Willard Hayhow.

The Ann Arbor Senior Citizens Bowling League belongs to the Michigan Senior Bowling Association, which was formed January 1967. The Association has sent for a charter from the American Bowling Congress. Del Packard of the Ann Arbor league serves as secretary of the Association, which regulates all

ON FEDERAL PAY
L. Mendel Rivers, chairman of the House Armed Services Committee, endorsed a pay raise for the nation's 3.5 million servicemen comparable to one Congress gives federal civilian employees.

ALWAYS BETTER BUYS AT GAMBLES

Unless we miss our guess, bad weather is going to come up with the idea that "there ought to be a law" to prevent fishermen from drowning themselves.

This will be one outcome of the Sept. 23 disaster off Frankfort when a still-unknown number of fishermen, drawn there by the coho salmon fishing, were caught in a squall and drowned. Shocking though it was, it still points up the fact that all the laws in the world won't prevent some fishermen from taking terrible chances with their lives.

Sportsmen who know and respect the Great Lakes have been saying for many weeks that the waters were going to claim some lives. The U.S. Coast Guard, responsible for enforcing safety laws on the Great Lakes, have been almost beside themselves trying to stop fishermen from going out in almost anything that would float.

You name it—somebody had it out in Lake Michigan fishing from it. Midget boats that would almost be out of place in an inland puddle were plying the waters alongside canoes, yachts and elaborate cabin cruisers. Despite the fact that federal law requires life preservers for every passenger, violations were more common than compliance with the law.

Even today, with the disaster behind some fishermen seem to have learned nothing by the example. Unsafe boats are still working Lake Michigan waters and the fishermen in them succumb to coho fever and continue willing to take unnecessary risks.

If a fisherman does not care enough about his own life or that of his companions, how in the world can anyone be so optimistic as to think common sense can be legislated?

Fished the right way, from safe boats and in safe boating weather, the coho salmon can provide some of the finest fishing Michigan has ever seen. It could be a shame if the legislature, peddled by well-meaning people to "do something," should curtail the entire fishery by unnecessary restrictions. Misguided emotion could do this without accomplishing a thing.

There ought to be a law," indeed. There is a law. There are whole bundles of laws designed to keep fishing a safe sport. It's all the laws in the world that guard the fisherman from his own worst enemy—himself.

Until every fisherman learns to fish for himself and keeps it in mind at all times, we will continue to have tragedies on the water.

TAX INCREASE
William McChesney Martin Jr., chairman of the Federal Reserve, urged Congress to pass the tax increase bill. He emphasized what he called clear and compelling evidence that inflation threatens.

CONTROL BILL
The House has tentatively approved a \$40 million increase in the authorized for rat extermination and state health programs. Today the House rejected the administration's \$40 million rat control bill.

Questions & Answers

Can anything be done, either before or during the cooking of hard-cooked eggs, to make certain that the yolks will be centered?

There is no certain way to center the yolks in hard-cooked eggs, but this method will provide reasonable assurance. Simply hard-boil the eggs gently but continuously during the cooking period, and four or five times more during the remaining period.

Foundation, the Audubon Society,
and here in Michigan, Nature Cen-
ter projects are active. Mean-
while the demand for state and
national parks, for access to fish-
ing waters, keeps increasing and
available areas keep shrinking.

The overall conservation cam-
paign is for the benefit of the
majority of Americans, the gen-
eral public. The extra affluent
minority can always find the leis-
ure and the cash to enjoy the
best of outdoor recreation—in the
Canadian northwest, Alaska, Af-
rica, Latin America there remains
unspoiled wilderness, an abundance
of fish and game.

In Michigan there are 60-odd
shooting preserves, where a long

...the project was suspended temporarily. The town planning commission will pass on the plan to the county planning commission and there will be consultations to determine what will be of most benefit to the public.

After what the final design is, the general outlook for the water wilderness, with travel distance in Michigan and everywhere else in the world, is not very bright.

The use of people—More and more people. More and more freeways, more and more homes, more and more summer cottages. Woodlots, marshes, ponds, meadows, fields, hedgerows, and other outdoor resources are not only those who are not using our water. Wonderful!—Hunters, hikers, fishermen, etc. It also greatly increases the more passive section of the public classified as nature lovers.

Mr. Smits' column is presented through the courtesy of the Michigan Consolidated Gas Co.

A VILLAGE COUNCIL PROCEEDINGS	
Sept. 19, 1967 Counsell Room	Engineer, for street engineering from August 14 through August 29, 1967. Roll call: Yeas all. Motion carried.
Session. Meeting was called to order. Baldwin at 7:30 p.m. Present: Crouch, Fulk, Miller, Storey and We-minutes of the Regular Session of Sept. 5, 1967 and the meeting of Sept. 1, 1967 and approved.	Motion by Weber, supported by Fulk, for the purchase of Hulseford Construction Co. for '68" of curb installed on M-52 between Orchard and Summit Streets in the amount of \$650.00. Roll call: Yeas all. Motion carried.
A discussion was held with a representative of the Michigan League regarding the pros and disadvantages of a change of government, and the ability of a city and/or village. No official action was taken.	Trustee Storey advised the council that the village has hired one new police officer, Mr. Vernon Kir-cald, for full time duty, and hopefully will have a fourth man in the near future.
Chief-George Meranuck with the Council the following individuals: Mayor, Councilman, Police Commissioner, Fire, Baldwin appointed Trustee Haystack as Police Commissioner.	Trustee Storey requested that Fred Baldwin relieve him from his duties as Police Commissioner. Fred Baldwin appointed Trustee Haystack as Police Commissioner.

Resolution by Stoney, supported by Miller, to approve the appointment of **George Heydlauff** as Police Commissioner for the Village. Roll call: Yeas Crouch, Fulks, Miller, Stoney and Weber. **Heydlauff** abstain.

Trustee Weber informed the council that the Health Department has prohibited the village from accepting any liquids for disposal at the village landfill site. It will be necessary for the village to apply for a special license for the disposal of liquid waste.

A chemical analysis of the liquids to be disposed must be sent to the State Health Department for an opinion regarding permission to dispose of liquid waste. Effective immediately the disposal of liquid waste at the Village Landfill will be discontinued until

tion carried.

By Heydlauff, supported by the Board, to authorize payment to the firm of Peter Kurzy, Village Engineer, for the 1967 bituminous seal coat on street construction in tract of 11,038.55. Roll call.

Motion carried.

By Crouch, supported by Heydlauff, to authorize payment of \$1,000 to Peter Kurzy, Village Engineer, for the pending project is a small which takes large work items. One about 1000 yds. were bonded last year. The dozen men involved in the work.

Without a roll call, the Department eventually band 500 to 600 in Michigan can reach this goal, game need help from local citizens.

A discussion was held regarding the construction of a sewer line necessary to serve the Freer Road area. The Council is in agreement that it is feasible to construct a sewer line station and forced main to serve this area.

Motion by Weber, supported by Heydlauff, to authorize the President and Clerk to enter into an agreement with the firm of Finkbeiner, Pettis and Strout to prepare plans and specification for the proposed construction of a sewer line to serve the Freer Rd. Middle School. Roll call: Yeas all. Motion carried.

Motion by Fulk, supported by Crouch, to authorize the clerk to issue checks in payment of bills as submitted. Roll call: Yeas all. Motion carried. General Fund: \$25,176.34; Parking Meter Fund:

Area Teachers Feel Need for Expanded Vocational Education

Sixty-four percent of 450 teachers questioned as part of the Vocational Technical Education Opportunities Study conducted last June in Washtenaw and Livingston counties, and just now being summarized, replied that they thought high-school courses were not available to meet the needs of these students likely to drop out after graduation.

Of that same group of teachers, 64 percent stated that courses are available to meet the needs of these students.

In it, as well as to continue to courses at their individual schools simultaneously.

Among the comments of teachers questioned were these: "In the long run it would save the taxpayers money and enrich the lives of those students who are not college-bound." "An area vocational-technical program would be a great benefit to the students, the employers and the economy of the county."

"Equipment, space, persons

the individual high schools. The area vocational high school is an excellent idea as it allows the students to still identify with the school.

Acceptance and support of a program by teachers is essential for its success. According to the director, Earl Shaffer, "It was apparent that high school teachers in Washington and Livingston counties recognize a need to greatly expanded occupational training programs for high school students."

"Furthermore, teachers feel such an area program or skill center would make it possible for each high school to be more truly 'comprehensive' in that it will be serving the needs of a great segment of its students."

SEES NEGRO GUARDS

Int. Acct.: \$9,001.95
Motion by Fulk, supported by
Smyre, to adjourn the meeting.
Car. Yeas all. Motion car-
ried.
Meeting adjourned.
Approved: Oct. 3, 1867,
Donald E. Baldwin, President.
George Winans, Clerk.

SEAS CORNERS EXTENSION
The Corners Extension Study met Tuesday, Sept. 19 at the home of Mrs. Ray Niles, who assisted by co-hostess Mrs. Wink. Eighteen members and five visitors were present. The roll call, members tried to guess the identity of their "pals" for the past year. The names had been revealed in the "pals" were selected the coming year.

Idea Open House to be held on Oct. 10-17, and the election of Mrs. Ernest Wink as the new secretary-treasurer of the group.

The next meeting will be held Tuesday, Oct. 17 at the home of Mrs. Luther Schlabbe, 4005 S. Fletcher Rd., Manchester. Mrs. Erwin Wink will serve as co-hostess. The lesson for next month, "New Fashion Washday," will be presented by Mrs. Herbert Hindover and Mrs. Norman Wink.

The Department of Health, Education and Welfare reports plans to begin a survey of Northern schools to determine whether there was discrimination against Negroes.

NORTH FRANCISCO

Mrs. Berndine Roller of Manchester, Mrs. Edith Seeger of Jackson, Mrs. Nina Wahl, Mrs. Douglas Kennedy and Mrs. Loren Hinder were in LaSalle, Ill., last week and on Wednesday attended the funeral of Fred Drewitz, a cousin of Mrs. Roller, Mrs. Seeger and Mrs. Wahl.

Mr. and Mrs. Elmer Lantz of Jackson were Monday evening visitors of Mrs. Nina Wahl.

Sunday dinner guests of Mrs. Alda Lehman were Mrs. and Elmer Biederman, of Michigan Center, and Mr. and Mrs. Clarence Lehman.

Mrs. Leonard Loveland spent Sunday with the Harley Lovelands. Sunday evening callers of Mrs. Leonard Loveland were Mr. and Mrs. Chester Nottan and Mr. and Mrs. LeRoy Loveland and children, Tommy and Mary. Mrs. Dillman Wahl was a Monday evening visitor.

Mrs. Claubel Hoppe called Saturday at the home of Mr. and Mrs. Roy Miller.

Mrs. Norman Peterson, with her daughter and her husband, Mr. and Mrs. Bovier, and granddaughter, Laura Bovier, of Michigan Center, were Sunday visitors of Mr. and Mrs. Nelson Peterson. Wednesday evening callers were Dwight, Electa and Gertrude Harr.

POLIO DROPS OFF
Polio cases throughout the United States were down to 15 during the first seven months of 1967, virtually a 100 percent drop in incidence since Salk vaccine was first used in 1955.

SLOWING DOWN
The estimated rate of U.S. population growth during 1966 was 1.15 percent of the population, lowest since the end of World War II and continuation of a decline that began in 1967, the Census Bureau reports.

People who get tired easily seldom accomplish much worthwhile work.

HALF-PAST TEEN

Agricultural Entrepreneurs Discuss High Cost of Education

Twenty families of the Agricultural Entrepreneurs Farm Bureau Group met at the Lima Community Hall Sept. 28 with Mr. and Mrs. Calvin Frey as hosts.

The meeting was called to order by Lloyd Boyce, the new chairman, with the group joining in electing the Farm Bureau Creed.

A letter was read from Dr. Williams, Administrator of the U. S. Department of Agriculture, extending appreciation for the interest shown in the agricultural aspects of the related land in the resource water program. He stated that the 1968 budget includes funds for participation by the Department of Agriculture in co-operation with the Corps of Engineers and other concerned federal and state agencies in a comprehensive study of the water and related land resource of the southeastern Michigan area. Letters were also received from Congressman Esch, and Senators Hart and Griffin in reply to the group's request.

Due to conflicts of holidays, meetings and notices too late for publication in the Farm Bureau News, published the first week of the month, it was decided to go back to the third Thursday of the month for meetings as had been the practice for more than 20 years.

Clarence Reddeman, assistant

NORTH ELEMENTARY SCHOOL NOTES

FIRST GRADE—
Mrs. Foreman, Mrs. Samuelson, Mrs. Steffen, teachers.
We are beginning our October booklets with stories and pictures about Fall and Halloween.

Many children have brought things for our Harvest corner. We have acorns, Indian corn, gourds, small pumpkins, and other items. "Three Little Pumpkins" was the song we learned in music class this week. One pumpkin was green but promised to be orange on Halloween, one said he would become a pumpkin pie, and the other pumpkin wished to be a jack-o-lantern.

We have been making things for our bulletin boards. Our library has so many interesting books. We like the stories and the many colorful illustrations. Something new and interesting has been added to our reading program with the recent addition of a controlled reader.

SECOND GRADE—
Mrs. Adams, teacher.
Our class is learning about ways we make a living. One of the things we learn is how things used to be made and how they are made now. We visited the Chelsea Milling Co. to see how Jiffy Mix is made. Now we are finding out how bread used to be made. This is what we wrote about our trip to the Mill.

On Sept. 22, our class visited the Jiffy Mix factory. We walked from school to the factory. We saw cooks trying out the mixes. This made us hungry! Next we saw machines putting boxes together, and filling them with mix. Boxes were moving along in rows. They looked like trains on a track. We learned by looking and asking questions. We were given a box of cake mix and frosting to take home.

THIRD GRADE—
Teacher, Mrs. Mateen, Reporter, Kim Brown.
In our room we have been studying about transportation. In the back of our room on the bulletin board we drew pictures of how we travel. Some of the children made scrapbooks on cars, boats, and trucks. We are also studying animals. We used the microscope.

We are growing shrimp. We are making animal folders. They have pictures, drawings and poems on animals. We have three new boys in our room, Bruce Stubbs from St. Mary's, Jon Gonyon from Ann Arbor and Robert Walker from Detroit.

FOURTH GRADE—
Teacher, Mrs. McCullough, Reporter, Yvonne Sindlinger.
Almost all plants need water, air, nitrates and phosphates, and sun. Mrs. McCullough's class has been learning about plants. We have planted some plants and we have been watching them and keeping track to see how plants grow best.

Two Men Fined On Conservation Law Violations

Harry Alfred Lindener, 22, of Northville, was stopped on Dexter-Pineck Rd. at 5:50 a.m. Sept. 22 by Sheriff's deputies, who found a loaded gun in his car. Lindener pleaded guilty before C. A. Rogers, Sylvan township justice, on Sept. 30 and paid a fine and costs of \$18.

Jonathan Graham, 34, of Inkster, formerly of 869 Starwick, Ann Arbor, was given a summons on May 27 for fishing without a license. Graham never responded to the summons but was finally caught. He also appeared before Justice Rogers, pleading guilty and paying a \$12.50 fine.

You'll buy a new furnace maybe once in your life. Here's how to do it right.
First, call Edison. We'll give you the names of electric heat contractors near you. Each has been Edison-approved as capable and reliable. (And, right now, each will give you a \$150 trade-in on your old furnace if you convert to electric heat.)
Next, the contractor will check your home, review your needs, and recommend the type of heat best for you. He will estimate both installation and operating cost and give them to you in writing. All without obligation. We'll check the quotes if you like.
Then, after your new electric heat system is installed, Edison and your contractor will make any adjustments necessary to the system if operating cost exceeds the original estimate during the first three years of use. At the end of this time, if operating cost still exceeds the estimate, and you aren't satisfied, Edison will remove the system and refund your original price.
That's our new Three-Step Protection Plan. Remember the first step. Call Edison.

Modern Laundry Hints Offered in Extension Class

If you are a busy homemaker, and who isn't, you may want to learn how to save time and energy in your laundry. Mrs. Alice Apple will teach a class "New Fashion-Washday" Wednesday, Oct. 5, from 1 to 3 p.m. in the Ann Arbor Community Center, 625 N. Main St., Ann Arbor.

The lesson will be a discussion on efficient use of laundry equipment, information on care of new fabrics and help in planning and organizing a workroom with emphasis on conserving energy.

Elaine R. Eder

Earns U. of M. Degree

Elaine R. Eder, daughter of Mr. and Mrs. John Eder, Jr., of 756 Taylor, received her Bachelor of Arts degree from the University of Michigan during its August commencement ceremonies. She is now taking a language course at Columbia University, New York City, until December, when she will leave for Africa.

Michigan's Lieutenant Governor, William G. Milliken, spoke to the ceremony and received an honorary doctor of laws degree from University of Michigan President Harlan Hatcher.

Servicemen's Corner

Grass Lake Area

Trainee Granted Early Army Promotion

Ft. Knox, Ky.—Wayne R. Weston, 19, son of Mr. and Mrs. Carl R. Weston, 4435 Kalmbach Rd., Grass Lake, Mich., was promoted to Army private pay grade E-2 upon completion of basic combat training at Ft. Knox, Ky., Sept. 15.

The promotion was awarded two months earlier than is customary under an Army policy providing incentive for outstanding trainees.

As many as half the trainees in each training cycle are eligible for the early promotion, based on scores attained during range firing, high score on the physical combat proficiency test, military bearing, and leadership potential.

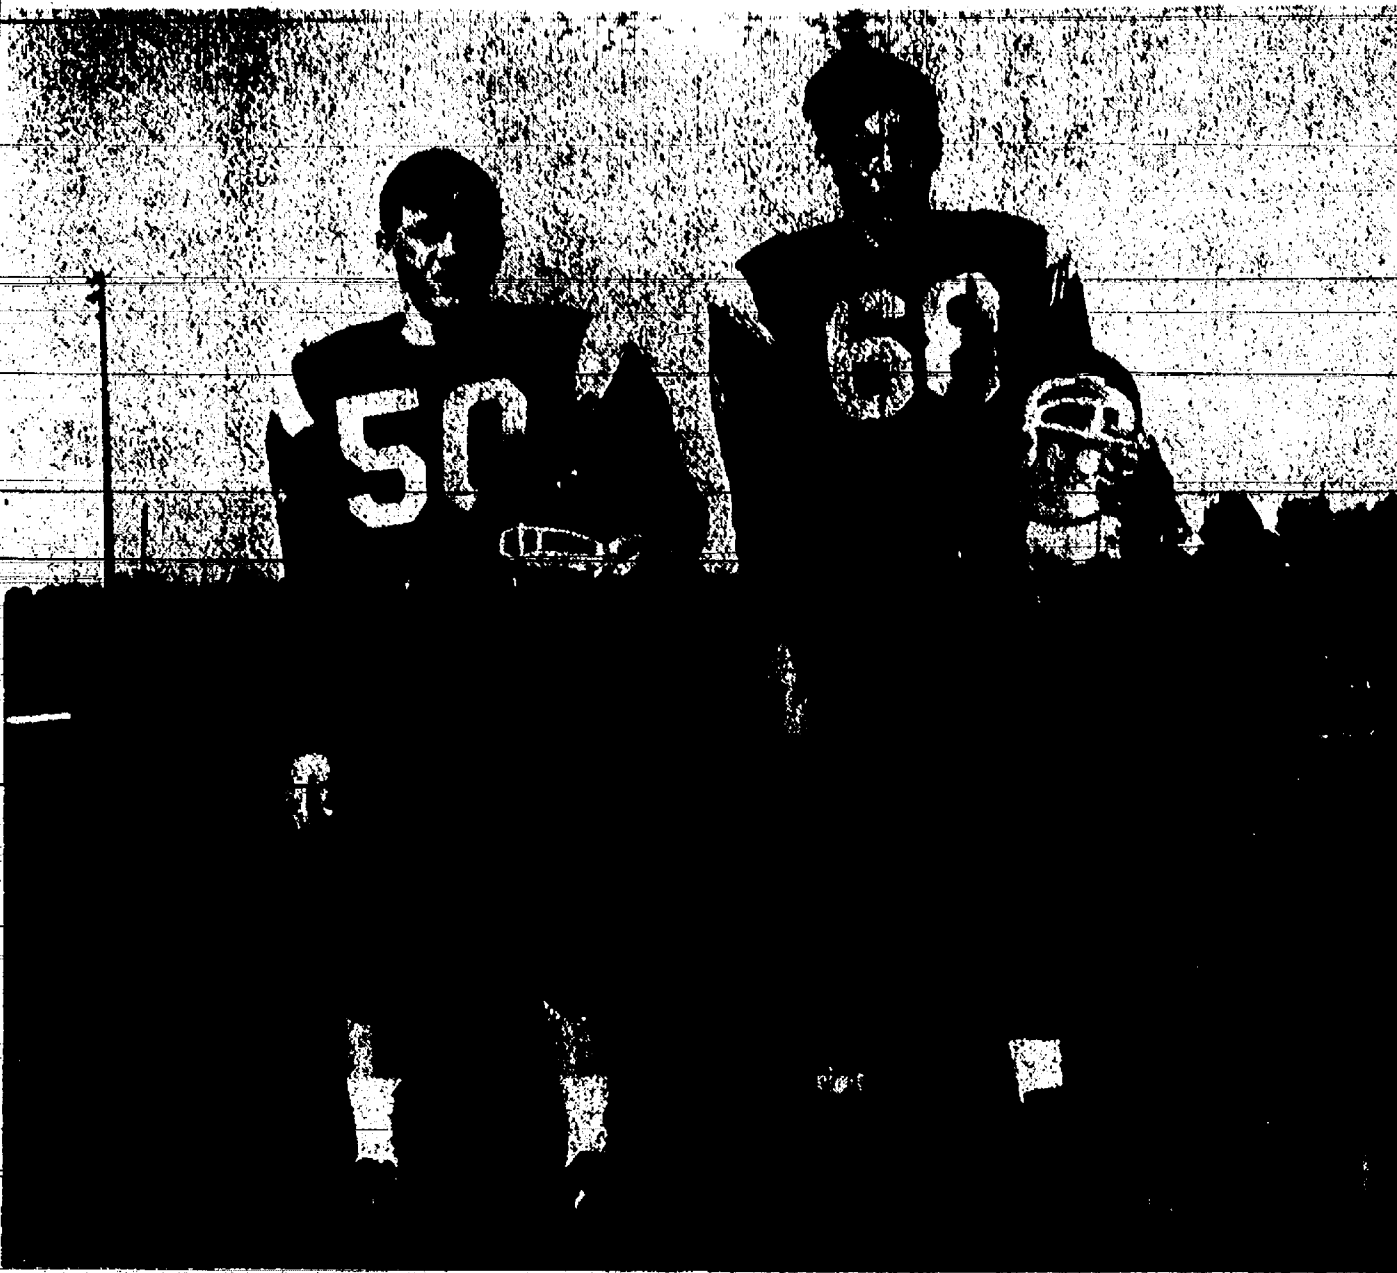

During advanced individual training, also of eight weeks duration, those who received early advancement to E-2 may be eligible for another "accelerated" promotion to E-3 (private 2nd class).

Manchester Soldier

Earns Paratroop Badge in Army Service

Ft. Benning, Ga.—Private Walter M. Lamb, 17, son of Mrs. Carmen O. Calloway, 607 City Rd., Manchester, Mich., received the Army Paratrooper Badge Sept. 15 upon completion of the Infantry School's three-week airborne course at Ft. Benning, Ga.

His training, which included five jumps from a C-130 airplane flying 170 miles an hour at an altitude of 1,250 feet, qualified him as a paratrooper. He also underwent strenuous physical conditioning.

RAY WORDEN, No. 50, is a guard on the varsity team for the second year. The senior, who stands 5' 11" and weighs 170 pounds, spent two years on the junior varsity team. Ray is a member of the Varsity Club, is on the wrestling team for the fourth year, and plans to go out for baseball in the spring. A member of the Varsity Club, Tim lists physical education and electricity as his favorite subjects. He is the son of Mr. and Mrs. Norman Colvis of 15481 Old US-12, Grass Lake.

neering in college. His parents are Mr. and Mrs. Wilber Worden of 118 Lincoln St.

TIM COLVIA, No. 63, is a guard on the Bulldog team this year. The 5' 8", 150-pound sophomore played for the junior varsity as a freshman. He is on the wrestling team and plans to go out for baseball in the spring. A member of the Varsity Club, Tim lists physical education and electricity as his favorite subjects. He is the son of Mr. and Mrs. Norman Colvis of 15481 Old US-12, Grass Lake.

Lt. Daryl Keezer

Visits Here Briefly

Enroute to New Base

Lieutenant and Mrs. Daryl Keezer, enroute from Langley Air Force Base at Hampton, Va., to a new assignment at Mather AFB, Sacramento, Calif., spent four days last week visiting their parents, Mr. and Mrs. Elwood Keezer of McKinley St., and the Rev. and Mrs. Charles Heard at Half Moon Lake. Lieutenant Keezer is attending the Air Force Navigation School at Mather AFB.

LSJ AND ICE CREAM

Stoy Point, N.Y.—Using a Good Humor truck, four youths were arrested for selling more than ice cream. State police made the arrests after an undercover agent asked one of the youths to supply some pop for a party. Seven ounces of Marijuana and some LSD were reported confiscated.

Bow & Arrow Deer

Season Now Open

The bow and arrow deer hunting season has been extended this year. Season dates are Oct. 3 to Nov. 17 and Dec. 4 to Dec. 31. Formerly, the season ran only from Oct. 1 to Nov. 5. The limit for bow and arrow hunting is one male or female deer per person per season.

MUMMIFIED BABIES FOUND

New York—When John Hartnett, superintendent of a Manhattan apartment, advised tenants to clear the basement storage area of unwanted items, he got quite a surprise. An old trunk was opened and the bodies of three mummified infants were found. Newspapers in the trunk revealed one could have been there 47 years.

CUB SCOUT NEWS

DEN 1, PACK 415

Den 1, Pack 415 met Sept. 21 and 28 at the home of Den Mother Mrs. George Atkinson of Cavanaugh Lake. Members of the den include Joe Branham, Danny Cobb, David Fletcher, Tom Taylor, Victor Steinbach, and David Stoll. During these meetings, each Cub Scout had a chance to tell about his summer vacation. The flag ceremony closed the meeting.

Den Mother and Mr. Atkinson

member-at-large, CSBSA, recently redecorated the den for the Cub Scout meetings.

Tell any person that she, or he, has charm and the chances are better that there will be charm.

Interview with J. Stalin's Daughter TV Show Feature

East Lansing—"N.E.T. Journal" presents "A Conversation with Svetlana Alliluyeva," an interview with the daughter of the late Josef Stalin Sunday, Oct. 8, at 4:30 p.m. and Wednesday, Oct. 11, at 12 noon on WMSB (Channel 10), Michigan State University television.

N.E.T. correspondent Paul Niven interviews Mrs. Alliluyeva about her recent book, "Twenty Letters to a Friend" and the book's revelations concerning her late father's regime and such products of his era as Secret Police head Lavrenti Beria, Soviet Head of State Anastas Mikoyan and Deputy Premier-Georgie Malenkov.

The 41-year-old daughter of Stalin, who defected to this country in April, has already created a furor in the publishing world with a manuscript which she smuggled out of Russia last year.

Mrs. Alliluyeva is a former member of the Soviet literary intelligentsia and worked as an English translator in a Soviet publishing house. Disturbed by the treatment of intellectuals in the Soviet Union, she came to the United States seeking the "self expression" that has been denied her so long in Russia.

Other WMSB highlights include: "Lincoln Center Stage 5" presents an hour-long special, "Five Ballets of the Five Senses," Sunday, Oct. 8, at 10 p.m.

The five senses are examined in terms of music and dance in an original ballet choreographed by John Butler. The ballets include "Taste of Sorrow," "Scent of Flight," "Touch of Loss," "Sound of Fear" and "Sight of Beginning." Original music was composed by Gunther Schuller, Eric Siday, Robert Starer, and Benjamin Lees. The performers featuring guest soloist Carmen de Lavallade, include dancers from the Harkness Ballet and the Metropolitan Opera companies, as well as folk singer Leon Bibb and actress Mildred Dunnock.

BUSINESS

"Business Roundtable," a series of programs presenting leaders from business, education and government as they discuss current policy questions premieres Monday, Oct. 9, at 7:30 p.m. and Tuesday, Oct. 10, at 12:30 p.m.

Dr. Alfred Seavey, dean of the Graduate School of Business Administration at MSU, is moderator for the series. Guests on the first program are Crawford H. Greenwalt, chairman of the board of E. I. du Pont, de Nemours and Co., and Donald R. Turner, assistant attorney general of the Antitrust Division, U.S. Department

of Justice. They consider the question: "Is American Business Too Big?"

MUSIC

Van Cliburn International Piano Competition features a recital by Barry Snyder, second-place winner of the 1960 Van Cliburn Competition, Wednesday, Oct. 11, at 7 p.m.

Snyder devotes the major part of his program to the Sonata in F Minor, Opus 37, the "Appassionata" by Beethoven, and Minstrels, a prelude by Debussy.

Snyder has appeared with the Detroit Symphony, and has received the Van Cliburn Award for the best chamber music performance and the Pan American Union Award as the highest-ranking contestant from the Americas.

HUMANITARIAN

"The Creative Person" focuses on Mrs. Welthy Fisher, 37-year-old educator and humanitarian who founded Literacy Village near Lucknow, India, Sunday, Oct. 9, at 8 p.m. and Wednesday, Oct. 11, at 11:30 a.m.

The film shows Mrs. Fisher, having spent her life fighting illiteracy, poverty and ignorance in China and India, returning to Literacy Village from the United States. The program explores the departments in the village and the methods and achievements carried out by the personnel of the center.

Cameras follow different teams of teachers into the out-of-the-way villages, where agriculture, general education and the organization of village government is taught.

BLACK NATIONALISM

"The Dissenters," a series of interviews with spokesmen representing dissenting views, premieres

Sunday, Oct. 8, at 1 p.m. Daniel H. Watts, one of the leading theoreticians of militant Black Nationalism.

Watts is editor-in-chief of the "Liberator," one of the leading journals of American Black Nationalism. He gave up a promising career as an architect to further his quest through his magazine. The journal features the work of many leading Negro authors, including the playwright Leroi Jones.

UN PRESIDENT

United Nations, N.Y.—United Nations General Assembly's new President, Comrade Khrushchev, called on the 12 member states to begin a study of the Middle East problem.

Each Foreign Minister of Russia is the first Communist to come president.

When you get rid of the idea that your mission is to regulate other people you are in a position to improve yourself.

NOW SHOWING
THE FALL SUIT STORY
By CURLEE

Suddenly, last year's suit doesn't seem to have it any more. Curlee has changed the shape and tailoring details, new patterns and colors. Some with vests, too. Come in and see for yourself.
