Bulldogs Win First Victory Against Milan

Suddenly Fierce Bulldogs Jell into Powerhouse To Dominate Game, 18-0

The Chelsea Bulldogs renewed old rivalry with Milan when they met the Reds last Friday night at the Milan football field. The score of the game was Chelsea 18, Milan 0. This was the Bulldogs' first victory of the season and the first time the Chelsea has scored this year.

Chelsea received the opening kickoff with John Freeman receiving the ball to Milan's 45-yard line. A fumble and one incomplete pass forced Chelsea to start on its own 20-yard line. Milan's first play was a trap play, caught by Mike Schmidt, who made a saving tackle on Chelsea's 15-yard line. The dogs settled down and held for four plays.

On the sixth play, the Bulldogs moved for their score. Mike Schmidt and Craig Houle took turns carrying the ball, with Mike Gaken, Gary Leumann, Larry Gaken and Mike Leumann blocking the way. The play of the series was a pass by Schmidt to end Mike Harwood, who scored on a two-yard line. Craig Houle scored on a quarterbackback pass.

The Bulldogs scored a second in the first half as they moved from the two-line. A pass from Houle to Stephens and Kerry Kargel moved the score at the time Chelsea 12, Milan 0. Houle came on strong in the quarter, taking the kickoff moving down the field. The dogs moved to a first down on the six-yard line. Here Chelsea defense stiffened again, with tackles by Mike Leumann, Larry Gaken, Mark Lander and John Freeman, kept the dogs out of the end zone. Chelsea's third touchdown came in the fourth quarter as Craig Houle hit John Freeman on a 33-yard touchdown pass. The offense rolled up 389 yards on the ground and 75 yards in the air. Craig Houle picked up 139

Teens Held For Series Of Break-ins

A recent rash of break-ins in Chelsea was hopefully ended with the arrest of two Manchester teenagers. All of the incidents occurred Oct. 8 and 9.

Sunday night, the two teens broke into St. Paul UCC through a furnace room door. Nothing was taken and no damage was done except to the furnace room door and the door to the minister's study, both of which had been forced open.

Early Monday morning the pair went through the men's room window at the Sunoco Station, M-52 and I-94. While purchasing gas earlier in the day, they had opened the window, returning in the early hours of the morning to lift it out and enter the station. Again nothing was taken and no damage was done.

The next target was Schumacher's restaurant, where the same two teenagers attempted to pry open the back door with a tire iron and a hoe. Officer McCormick happened to drive up for a routine check, and the two boys ran into the cornfield. A woman in a camper truck parked nearby saw the boys and alerted McCormick, who radioed for help. Police Chief Meranuck, an officer from Dexter, two sheriff deputy cars, and one state police car responded to the call.

The teens temporarily eluded the police in the cornfield, but officers found a 1960 Chevrolet parked on I-94 near M-52. Figuring this to be the suspects' car, Sheriff's deputy Baysinger sat in the back seat and waited. Shortly thereafter one of the boys approached the car and was promptly arrested. He confessed to the three crimes and gave the name of his companion, who was arrested in Manchester by Manchester police and the county sheriff Monday night.

The two teenagers have been identified as Ray Clause, 17, and George Osborne, 17, both from Manchester. After being arrested, they gave the names of three other companions who had been involved with them in seven break-ins and enterings in the Manchester area. These three have also been arrested. All are from the Manchester area. Money from a Manchester school and evidence from some of the other seven break-ins was found in the Chevrolet parked on I-94.

A warrant has been obtained for Osborne, who has been arraigned and is being held on \$5,000 bond for the attempted restaurant break-in. He is awaiting trial. Clause has not yet been arraigned. Both are in the Washtenaw County Jail.

VISITOR FROM DENMARK: Mrs. Axel (Anna) Nielsen (center), who lives in Copenhagen, holding an antique brass coffee pot which was originally owned by the Nielsen family in Denmark. Most of the items on the table were also made in Denmark.

Visitor from Denmark Finds Our Freeways 'Amazing'

The Anton Nielsen home, 404 Garfield, has had a resident of Denmark as a guest for the past two weeks. Mrs. Axel (Anna) Nielsen of Copenhagen came to America for the first time Sept. 28 to visit her brother and his wife.

Mr. and Mrs. Nielsen have introduced his sister to many of their friends and have shown her several of the local sights. On a recent trip to Canada, where they visited a niece in Woodstock, Ontario, she was amazed by the size of the expressway (I-94). Highways in Denmark are not quite as large and they don't have the cloverleaf interchanges and heavy traffic so often encountered on U. S. superhighway systems.

Mrs. Nielsen enjoyed shopping in a supermarket where a large variety of items may be found. Danish shops sell only specific items; for example, cheese is purchased in a cheese store, bread in a bakery, and meat in a separate shop.

Other things which have particularly impressed her in the U. S. are the abundance of electrical appliances, the tall buildings she saw in New York City as her airplane was landing, and the vast size of our country. Michigan alone is larger than Denmark.

Mrs. Nielsen speaks no English, but can understand a little. Mr. Nielsen has been acting as interpreter.

Some confusion results when Mr. Nielsen introduces his sister as Mrs. Nielsen. Her married name is the same as her maiden name because she married into another Nielsen family. In Denmark, the surname Nielsen is even more common than Smith is here.

Before Mrs. Nielsen returns to Denmark on Oct. 18, Mr. and Mrs. Nielsen plan to take her to downtown Detroit. She has enjoyed her trip to the U. S. and hopes to bring her husband here for a visit sometime. Mrs. Nielsen is the first member of Mr. Nielsen's family, all of whom live in Denmark, to travel to the U. S. since he left his native country more than 40 years ago. He and his wife have been to Denmark on four different occasions.

The Blood Clinic needs volunteer

(Continued on page six)

Community Chest Drive Starts Monday

Chelsea's Community Chest campaign for 1968 begins Monday, Oct. 16, and runs through Friday, Nov. 10.

Dr. Gene Miller, campaign chairman, will be attempting to meet the budget which has been set at \$21,950.

Other workers on the campaign are Richard Bock of Dana Corp. in charge of the industrial division; Beth Lynde, residential division; Dr. Jerry Waldyke, professional division; the Rev. Warner Siebert, organizations division; Fred Mills, schools division; and Arthur Schiller, rural division.

Residential division workers will conduct a house-to-house drive, calling on all homes in Chelsea. Campaign chairman, Dr. Miller, wants it understood that this house-to-house drive is designed to give everyone a chance to contribute. It is not intended that people should give twice to the campaign.

Because of the excellent co-operation by the community last year, the campaign workers are confident that this year's goal will be met.

Public Schools Closing Two Days Next Week For Teachers Meetings

Public school children in Chelsea will enjoy a four-day week next week. All Chelsea public schools will be closed Oct. 19 and 20 for the annual teachers' meetings of the Michigan Education Association and the American Federation of Teachers' Association.

The conferences, usually held in October, were scheduled for November last year. However, due to a bad snowstorm in November which prevented many teachers from attending the conferences, the dates were changed back to October this year.

St. Mary's school will be in session Oct. 19 and 20. However, since the buses will not be running, parents of bus children attending St. Mary's are asked to please provide for their transportation.

School bus service and classes for all schools will resume Monday, Oct. 23.

Color Tours, Barbecue Set This Week-End

Autumn Colors in Wooded Areas Expected To Be at Their Finest

The annual Chelsea color tour and Jaycee barbecue will be held as scheduled Sunday, Oct. 15. Color tours throughout the area should be at its peak this week-end.

Maps of the color tour will be available at the barbecue site in Pierce Park.

Appointments Accepted for Blood Clinic

The Detroit Regional American Red Cross Bloodmobile Unit will conduct the Chelsea Community Blood Clinic Tuesday, Oct. 31 from 11 a.m. to 5 p.m. at the Congressional United Church of Christ.

Mrs. Robert Wagner will make appointments for factories and schools on Monday, Oct. 30. Any one else wishing to give blood should call Mrs. Dudley Holmes, GR 9-2181 for an appointment to avoid overcrowded conditions at the clinic.

Blood donors must be between the ages of 18 and 59 inclusive and must weigh at least 110 pounds. Eight weeks must elapse between donations and only five may be made in a 12-month period.

Single minors, ages 18-21, must obtain written permission from a parent or guardian to give blood. Pregnant women will not be accepted as donors.

Women must wait 12 months after termination of pregnancy before giving blood. All donors are asked to wait one year after major surgery, two years after malaria, and one year after a blood transfusion before volunteering to give blood. Anyone who has had acute hepatitis or jaundice is not acceptable as a donor. People with hazardous occupations should not report to work for 12 hours after donating blood.

Donors are asked to abstain from eating fatty foods for four hours prior to giving blood.

The Blood Clinic needs volunteer

(Continued on page six)

Two tours will be marked. Color tour one, approximately 30 miles long, winds through the Pinckney Recreation Area, with its 9,505 acres of scenic woodlands. The second tour is for those who do not wish to drive such a distance. Both color tour routes will be clearly marked.

The Jaycees will begin to serve the 3,500 chicken dinners at noon. Extra pits have been added this year for faster service.

In case of rain, the barbecue will still be held. Arrangements have been made to cook the chicken under special tents if necessary.

Anyone wishing to purchase tickets in advance should call Walter Brown, 475-7634. Proceeds will be used for the soap-box derby and other youth activities in the community.

Thieves Enter G. A. Sales Last Week

Thieves broke into a window on the north side of G. A. Sales and Service office building at 1185 S. Main St. at about 5 a.m. Wednesday, Oct. 14.

Items stolen were a 1964 maroon Chrysler, small change from the cash register, three work shirts, and a key for the front door of the office. The thieves drove away in the Chrysler after siphoning gas from a truck belonging to Chelsea Manufacturing.

A Corvette parked near the scene of the crime led Chelsea police to suspect four recent escapees from the Michigan Federal Prison for the theft. The police had received a report that a car whose description matched that of the Corvette had been stolen in Ypsilanti by the four escapees. They apparently drove it to Chelsea and abandoned it after they took the Chrysler. Chelsea police have recovered the Corvette.

All of the suspects are originally from out of state.

Gridders of the Week

FEATURED BULLDOG GRIDDERS this week include Gary Ellenwood, left, and Jim Boylan. Gary, the son of Mr. and Mrs. Wesley E. Ellenwood, 201 Michigan, wears No. 84 and plays either tackle or end. The 6' 1", 185-pound junior has played with the Junior Varsity and is on the varsity team for his second year. He has played on the basketball team since his freshman year and is a member of the Varsity Club. In school his favorite subjects are advanced biology, Gary's outside interests include hunting, fishing, and spectator sports (especially football). Jim, No. 79, stands 6' 8" and weighs 240 pounds. A junior, he had been on the junior varsity team for two years before joining the varsity squad as a tackle. Jim has been on the wrestling team and has participated in the shot put and track team for two years. He is also a member of the Varsity Club and the Debate Club. Hunting and outdoor sports take up his spare time. Jim's parents are Mr. and Mrs. Keith Boylan of 245 Park St., plans to take up conservation or forestry after high school. His sister, Janet, is a sophomore at Chelsea High school this year.

Dr. Palmer Cited for 50 Years Service

Dr. A. A. Palmer, whose office is at 110 E. Middle St., was admitted to the Emory Club of the University of Michigan during the sesquicentennial celebration held at the University Medical Center Oct. 5, 6, and 7. The previous week in Grand Rapids he was presented with a pin for 50 years in the practice of medicine. He has practiced in Chelsea for all of those years except for the time he spent in the China, Burma and India campaigns during World Wars I and II, for which he received two Bronze battle stars.

Dr. Palmer began his practice with his father after graduating from the University of Michigan. The partnership was temporarily interrupted when he went into military service in World War I, after which it continued until his father's death. Dr. Palmer then took over the practice.

Reception Will Honor St. Barnabas Vicar

A reception given by St. Barnabas Episcopal church of Chelsea and St. James Episcopal church of Dexter will be held Sunday, Oct. 15 from 4 to 6 p.m. for the Rev. and Mrs. William D. Ladkau in St. James social hall, Dexter. The Rev. Ladkau is the new vicar of St. Barnabas and rector of St. James. Members and friends are invited to attend.

Bank To Be Closed Saturday for Holiday

Chelsea State Bank will be closed Saturday, Oct. 14. The bank, in accordance with Public Act 162, will be observing "Columbus Day" by closing on the Saturday nearest to the 12th day of October.

PRESS BOX NEARLY COMPLETED: Chelsea High school athletic field has a new press box. Construction of the building, being done by the Jaycees.

New Press Box Erected for High School Athletic Field

Chelsea High school's athletic field has a press box, thanks to the Class of 1966 and the Jaycees. The Class of '66 fund was given to the school to remove the 50-yard-line light pole and construct a press box. The Jaycees, hearing of the class fund project, offered to donate additional money and assume the responsibilities of building the press box.

The new 10-by-20-foot structure houses a press box on top of a storage area. There will be room for the P.A. system, the scoreboard control operators, spotters and scouts for both teams, a photographer, a scorer, a timekeeper, and the press in the building.

Previously, a pole at the 50-yard line containing lights and a "crow's nest" was used by the announcers and other supporting crews during football games. This pole, which obscured the view of many people in the stands, has been torn down. The press box is located behind the stands.

Approximately 10-15 Jaycees have been working on the actual construction of the press box, which they hope to have completed by the Homecoming game on Friday, Oct. 13.

THE LANSING REPORT
 FROM
GIL BURSLEY
 senator

Your legislature is in "special session" and can only consider those items formally presented to it by Governor Romney. Most legislators want this to be a short and businesslike session but some fear it could drag towards the end of the year if the agenda becomes too long or controversial.

For the past three weeks I have been part of a special Senate session. I have seen the creation facilities and public health do not stop at township lines or city limits.

The alternatives to constructive enabling action at state level are several.

1) We do nothing and continue the current pattern. Local government units would grow in size and number. Only minimal cooperation would exist. This results in the same old, same old situation.

2) We create and authorize an increasing number of single-purpose regional districts and authorities. This eventually leads to a confusing maze of governmental agencies with waste, duplication and inefficiency the end result. New York and Seattle have a dangerous number of such independent special purpose regional agencies already.

3) We could abolish government as we now know it by blank check county lines and by providing for the merger of two or more counties and the elimination of smaller units of government. This is the so-called metropolitan government concept which in varied forms, one finds in Toronto and Miami. Personally I don't think "metro government" advisable or possible in Michigan at least until the distant future.

What I do favor is a voluntary council of governments where your general government units—counties, cities, villages and townships are all represented and where school districts, because of their fiscal importance may also be represented. No local unit of government surrenders autonomy. Each can withdraw whenever it chooses. No taxing or bonding power is vested in the council. As a public forum for exchange of information and the working out of inter-governmental problems it is invaluable. Its functions are advisory. A recommendation is only implemented if each constituent government makes its own independent decision to go along.

The Southeast Michigan Supervisors Intercounty Committee in existence for some 13 years has been successful in that councils of government throughout the nation have in part been patterned after it. At this point we in Michigan are trying to broaden the membership of the SICC to something more than counties and to redesignate it as the SE Michigan Council of Governments.

In our committee research and travel I have accumulated more than 22 hours of tape-recorded testimony, pro and con, in Toronto, New York, Atlanta, Miami, St. Petersburg, Seattle, Salem (Oregon) and San Francisco—I think our committee report will be a valuable source for future problems in intergovernmental relations coming up in the legislature.

★ MICHIGAN MIRROR ★

By Elmer E. White, Secretary, Michigan Press Association

Volunteer Doctors

Michigan doctors have an outstanding record contributing their services around the world. Only California, where more doctors are licensed, can match it.

The Hope hospital ship, which visits countries inviting it, has 31 physicians and two medical students from Michigan on its staff. For this volunteer service, medical personnel receive no pay, and only moderate living expenses.

Ill and injured Vietnamese are cared for by a separate program sponsored by American Medical Association and supported by the Michigan State Medical Society. Eight Michigan doctors are currently working in Vietnam to help fill the gap left by their need for military service. Vietnam has only 1,000 in the whole country and 650 of these are in the Vietnam army. The remaining 350 care for the country's 15 million civilian population.

American physicians receive a \$10 per day living expense and travel expenses to and from Vietnam. They serve for two-month periods in one of the 16 provincial hospitals.

MEDICO is another plan which involves Michigan physicians overseas. It is administered through CARE. Six doctors from the state participated in MEDICO in Asia and Africa.

Many other physicians volunteered their services under church-sponsored medical missionary work.

Dr. Charles H. Moseley, director of the AMA plan, explains, "This program has done more to improve the image of the American physician than any I know of. The Vietnamese people know that a

physician who closes his office and comes as a volunteer to their land is making a sacrifice for them."

Libraries Lack

Nine million books must be added to state school libraries to meet minimum standards. Michigan has 4,484 school buildings, but only 1,095 have central libraries with full-time librarians. Only 840 have space adequate for quality library service.

If Michigan schools are to attain recommended standards, 3,389 school librarians must be added. Expenditures for library materials should total \$6 per elementary pupil and \$9 per secondary pupil. In 1965, Michigan averaged \$2.13. These are findings reported by the Joint Committee on School Library Development.

Substantial improvement results from federal funds. The state receives an annual allotment of \$4.7 million. This has been used to:

—Establish 20 area-wide centers to distribute instructional material to schools.

—Catalog books so schools without library supervisors can file volumes according to the standard Dewey Decimal classification.

—Provide consultants to train school personnel in proper library procedure.

—Make available scholarship funds for students desiring library careers.

—Extend use of a mobile unit to counties which need facilities to train teachers on the use of audio-visual aids.

The State Department of Education feels these improvements are helpful, but the level of library services are still less than they should be.

Ghetto School

Schools near ghettos can be used to fight injustices of inner-city life under a resolution adopted by the State Board of Education.

The nine-point program proposed by State Superintendent of Public Instruction Ira Polley, would require an \$11.8 million legislative appropriation. It would begin in fall of 1968.

Polley's plan includes using school closing hours for additional teaching sessions and recreational programs.

He proposes class reductions to 15 students from kindergarten through second grade for personalized student attention, and a preschool program for four-year-olds to acclimate them to the school environment.

These special courses would be offered for 10 weeks during the summer. Federal funds could provide student employment for youths in work-study programs.

High school students who have demonstrated ability to do college level work would be eligible for \$300 grants to help them continue their education.

Polley proposes a "College Service Corps" to enlist the aid of college students in tutoring and working with youths from underprivileged homes. He also feels consideration should be given to

JUST REMINISCING

Items Taken from the Files of The Chelsea Standard

4 Years Ago . . .

Thursday, Oct. 10, 1962

Tuesday night all volunteer workers in the coming Community Chest Campaign met at St. Paul's church hall for a coffee hour during which each received his or her packet of the materials needed for the solicitation during the three-week drive. The campaign begins officially on Thursday, Oct. 17, and continues for the three weeks ending Nov. 7. The goal for this year's campaign is \$17,168.

Mr. and Mrs. Walter Mohrlock and Mr. and Mrs. Lloyd Heydlauff returned Saturday night from a 10-day hunting expedition at Long Lac in northern Ontario, Canada. On Thursday Mohrlock downed a 1,000-pound cow moose which was brought to Chelsea by truck by Ralph Gauthier. Everyone in Chelsea is invited to attend the big Homecoming Pep Rally to be held tonight as a prelude to tomorrow's Homecoming football game. Sponsored by the Chelsea High School senior class, the big rally gets underway at the Municipal parking lot on Park St. at 7:30 p.m. when students will line up for a "snake dance." A bonfire will add to the festivities at the school parking area where faculty members and coaches will speak and team members will be introduced. All eight candidates for the title of "Homecoming Queen" (two from each grade) will also be present. They are Susie Gardner and Cathy Taylor, ninth grade; Lauralyn Johnson and Lynne Heard, 10th grade; Linda Meenan and Beverly Arnett, 11th grade; and Carolyn Smith and Rosemarie Porter, 12th grade. The traditional Homecoming dance will be held at the high school Friday night following the football game.

The Rev. Donald Kraushaar, pastor of the First Methodist church at Saline and the Rev. James Craig, pastor of the Chelsea Methodist church, will exchange pulpits for the Oct. 13 morning worship services.

The Rev. and Mrs. T. W. Menzel will hold open house Sunday afternoon and evening beginning at 3 o'clock in the newly-remodeled parsonage of Bethel Evangelical and Reformed church 10425 Bethel Church Rd. The Rev. and Mrs. Menzel and family recently returned to the parsonage after living for seven months at Bridgewater while the house was not completely changed on the inside.

A disastrous fire was averted last Wednesday morning, Sept. 30, when men and women employees of the Chelsea Milling Co., doubled as firefighters until Chelsea firemen arrived on the scene. Estimates of the amount of damage were not immediately available.

The 40th anniversary of the organization of Olive Chapel, OES was celebrated with a potluck dinner held Wednesday evening in the club dining room, followed by a program in the center room. Charter and life members of the order were guests of honor on this occasion.

At the first annual meeting of the Tower Creamery Co., held Tuesday night in the offices of the company, Charles W. Mackinnon of Chelsea, Louis Albersharon, Gail Clements of Pinckney, L. P. Vogel of Chelsea and W. J. (Continued on page five)

24 Years Ago . . .

Thursday, Oct. 14, 1942

Registrations for War Ration Book No. 4 will be held at the Chelsea public schools on Tuesday and Wednesday, Oct. 26 and 27, between the hours of 1:30 to 5:30 and 7 to 9 p.m. on each of the two days. As in previous registrations an adult in the family should register the family unit. Individuals not members of a family unit must appear in person to register. The person registering for the family unit must be asked to give the ages of each member of the family.

A meeting of solicitors and others who are interested in helping with the War Fund campaign will be held at Sylvan Town Hall 8 o'clock, J. C. Hendley will dress the group, which will represent Sylvan, Lyndon, Dexter, Lima townships and the village of Chelsea.

School superintendents, school commissioners of Washington county held a dinner meeting at the Tower Cafe last Thursday evening for the purpose of discussing current school topics and the situation of the school in the emergency. Those in attendance were Mr. Chapelle of Yellow River, Mr. Haisley, Mr. Crawford, Mr. Westfall of Ann Arbor, Mr. Downing of Manchester, Hanb and Mr. Thayer of the school commissioners' office, and Johnson of Chelsea.

Dramatically new! Astro Ventilation makes the ride as quiet as it is smooth.

With special new Astro Ventilation, you get outside air through two vent-ports right on the instrument panel. Just roll up the windows, open the vent-ports and get plenty of air without annoying drafts and street noises. It's standard on Camaro, Corvette and the Caprice Coupe (available on many other models) and it's one of the new ways for your comfort.

No better value for '68, you also get new riding silence, thanks to Chevrolet's computer-refined suspensions. You get better performance, GM's new exhaust emission control, proved safety features (the GM-developed energy absorbing steering column,

for one) along with many new safety features.

Drive the finest Caprice, The Grand Chevrolet, gives you new elegance everywhere. Camaro, "The Hugger," gives you smoother acceleration and more of a true sports-car feel than ever before. Come drive '68's finest now at your Chevrolet dealer's.

Be smart! Be sure! Buy now at your Chevrolet dealer's.

PPK WINNERS: Winners of the annual PPK & Kick contest are shown with the trophies they have earned. From left, first row, are John G. first place, 8-year-old; (second and third rows) Brian McGibney and Jeff Elkins, both 8, are not shown; Rex Miles, first place, 9-year-old; Michael Pouty, second place, 9-year-old; James Boyer, third place, 9-year-old; Second row, from left, are 10-year-old winners Donald Harmon, first place; Ronald Kiel, second place; and Michael Grambau, third place. Standing behind the contestants are Fred Mills, chairman of the project for the Jaycees, and Lyle Christwell, representing Palmer Motor Sales, sponsors of the contest.

SOUTH ELEMENTARY SCHOOL NOTES

KINDERGARTEN
Room 1—Teacher, Mrs. Michelson
We have insects in our room. Caterpillars turn into cocoons, then butterflies. We have animals in our room. We have a kitty. We have a rooster. We have a toad, a turtle and frog in our terrarium. We have fish in our aquarium. We have a bee hive, and milkweed. We have many things on our science table. Our lady bug flew away.

Room 6—Teacher, Mrs. White
Reporter, Mike Wood
We have a pencil color chart in our room. That way we can learn the different colors. Kelli brought a fish tank with four puppies—they had babies, but the mama fish ate all but one of them. We have him in a separate bowl so that he won't get eaten too.

Room 10—Teacher, Mrs. Plank
Reporter, Dawn Klobuchar
Tuesday we started our new Science unit on Sound by taking a "listening walk." We heard many different and unusual sounds. In our room we keep a daily record of the weather. At the end of each month we add a summary page to our "Monthly Weather Book."

Room 15—Teacher, Mrs. Pink
Reporter, Barbara Hinderer
We are giving oral book reports in our room. We are also making a booklet of Michigan animals. This week we are studying about the familiar birds of our state.

Room 18—Teacher, Mrs. Fulk
Reporter, Julie Chapman
In Social Studies we have been studying and talking about Homes Around the World. We painted shoe boxes and made dioramas to illustrate different types of homes.

FIRST GRADE
Room 4—Teacher, Mrs. Andrews
Reporter, Cheryl Barels
We have been collecting things for fall. Our TV art teacher showed us how to make fall scenes by painting with sponges and chalk. We made "All About Me" books. We have a new girl in our room. Her name is Becky Barker.

Room 5—Teacher, Mrs. Thodeson
Reporter, Pam Siebert
We had a picnic at Pierce Park with Mrs. Smidgaard's room. We walked to the park and ate our lunch. Then we played on the swings and merry-go-round. Before we came back to school we had a fall hunt. We found nuts, toadstools, pretty leaves, weeds, flowers and insects. Mrs. Baldwin, Mrs. Schneider, Mrs. Foster, Mrs. Beuerle and Mike went with us.

Room 12—Teacher, Mrs. Chubak
Reporter, Pam Siebert
In Science we have been doing many experiments. We had two cans and put holes in each can. Then we put string through the holes and tied knots in each end and talked to each other. We have a room library with three librarians to keep the books in order.

Room 20—Teacher, Mrs. Moore
Reporter, Julie Tite
We dissected a fish in science class and looked at scales of fish, fins, and scales under Jeff Schantz's microscope. Animals visited school. These include: Greg Guenther's French Poodle, Julie Tite's kittens, Jerry Anderson's duck, Eric Priming's guinea pig, Cheryl French's snake, and Ann Marie Kalish's Siamese cat.

Room 21—Teacher, Mrs. Senne
Reporter, Charlotte Steinaway, Debbie Bertke and Sharon Schiller
Last week the entire school had an assembly about The Helping Hand. We were told not to get near strangers nor get in a car with a stranger. Mrs. Steinaway told us about the houses where there is a Helping Hand Poster in the window where we can get help.

Room 19—Teacher, Mrs. Lange
Reporter, Kim Longworth
After reading several humorous poems by Ogden Nash in English class we decided to try our hand at writing original poems too. Here are some of them:

There once was a pig here are some of them:
There once was a pig
Who ate a fig
And did a jig
What a pig!

Once there was a seal
Who ate banana peels
He ate so many peels
He turned into an eel.
—By Pam Padgham

Once there was a rhino
That looked like a dino
He had a big horn
That looked like a thorn.
—By Garry Carpenter

SECOND GRADE
Room 13—Teacher, Miss Gustafson
Reporter, Nancy Steenson
We have been watching for signs of fall. We are pressing colored leaves. The caterpillars in our Science Corner are spinning cocoons. We like fall.

Room 11—Teacher, Mrs. Nance
Reporter, Karen Toon
Pat Smith and Greg Stocum brought frogs to school. The frogs kept escaping from their containers. Billy Klobuchar brought a guinea pig named Tommy. Tommy

PPK WINNERS: 11-year-old winners of the PPK, Pass & Kick competition held last Saturday are (front row, from left): Jeff Sprague, first place; Howard Haselchwardt, second place; Ron Clark, third place. Winners in the 12-year-old division are (second row, from left): Daniel Houle, first place; Mark Grambau, second place. Third-place winner William Moore is not in the picture. Mike Spence, second row, second from right, and Don Schoenberg, right, are first- and second-place 13-year-old winners, respectively. Shown behind the boys are (left to right): Melvin Pish and Ron Kiel, who assisted with the event, and Ron Eder, Jaycees representative.

Op Nursery Survey Results Bring Changes

Interested in extending its service to the community by increasing its membership, the Chelsea Co-op Nursery last spring conducted a survey in the Chelsea area which concerned preschool children and events in the area and which sought in the survey to determine the attitude of the community toward the nursery.

As a result of the survey, improvements beneficial to everyone have been made in the program. Suggestions for increasing membership included improved publicity which would stimulate community interest.

As a direct result of the survey, a new non-assist session (with higher tuition) was begun for mothers who, because of employment or other acceptable reasons, could not fully participate in a co-operative nursery program.

Approximately 50 percent of the returned surveys indicated that the bake sale at the Chelsea Fair and the spring project, both money-raising events, as well as the co-operative maintenance of the school by members, had been eliminated. An increase in tuition was desired in the area mentioned.

Chelsea Bulldogs Football Schedule
Sept. 15—Stockbridge home
Sept. 22—Dundee home
Sept. 29—Carlton Airport Away
Oct. 6—Milan Away
Oct. 13—Lincoln Home
Oct. 20—South Lyon Away
Oct. 27—Saline Home
Nov. 3—Dexter Away

CUB SCOUT NEWS

DEN 2
Den 2, Pack 455 met at the home of Den Mother Mrs. Sumner Osterle Wednesday, Oct. 4. The meeting opened with the Cub Scout Promise, followed by a bicycle safety report presented by David Proctor. The Cubs started to make decorations for a Halloween party. Bats fashioned from construction paper were completed during the meeting and paper was given to each member to make jack-o'-lanterns at home. After Dave Proctor had served refreshments, the meeting closed with the Cub Scout Promise and the Cub Scout Law.

DEN 5, PACK 415
Den 5, Pack 415, met Wednesday, Oct. 4 at the home of Den Mother Mrs. Cecil Clouse. Elections were held with the following results: Terry Ellenwood, denner; Dennis Bruner, assistant denner; and Gregg Harook, scribe. David Clouse furnished the refreshments.

In 5 years you can save over \$140.00 with a new Gas dryer.

Work it out for yourself. It takes less than 2¢ to dry a load of clothes with Gas. And you can dry 5 loads in a Gas dryer for the cost of drying 1 with electricity.

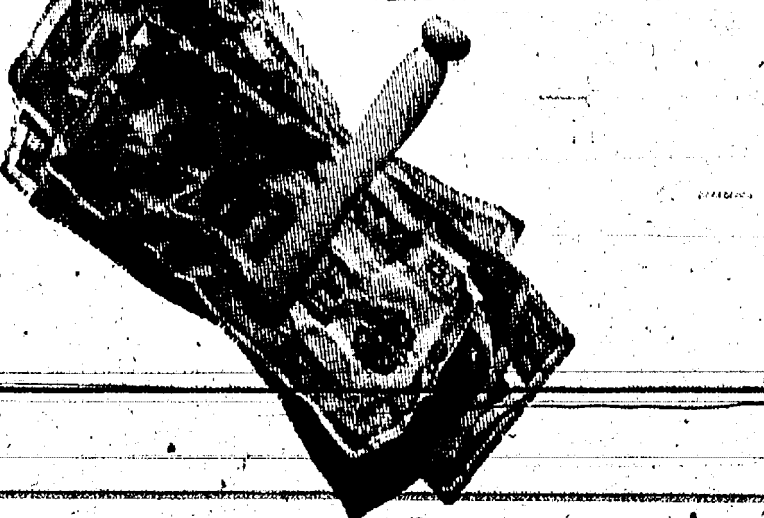

Based on the number of loads an average family dries, there's a saving of \$28 or more a year—\$140 in 5 years. Your Gas dryer can actually pay for itself in 5 years with the money saved in operating costs.

There are no hidden expenses, either. Installation is free. Maintenance comes to less than 20¢ a year, on the average (or the amount you can save on a few loads).

No wonder 7 out of 10 families that now have dryers have Gas dryers. Money aside, Gas finishes loads up to 10 minutes faster, so you can get more loads through in a day. Clothes come out fresh, soft and looking like new, including all your permanent-press things.

Gas makes the big difference... costs less, too. Not just for 5 years, either—but as long as you use it. See the latest dryer models at dealer or Gas Company showrooms.

Isn't it time you bought her a new Gas dryer?

THE ELEPHANT

When people call this beast to mind, They marvel more and more At such a little tail behind. And so large a trunk before.

—By Matt Marzec

There was a pig That had a wig And inside the wig There was a twig.

—By Elaine Schenk

In science we have been studying igneous, sedimentary and metamorphic rocks. We have put a display of them in the hall show case.

After Mrs. Lange demonstrated a volcano to our class using ammonium dichromate to burn so it looked like real lava, John Wagner and Donald Messener made and demonstrated one they made. Then Donald Pierson and Curt Winans also made one. Later on TV Science Mr. McClurg will show us the same experiment.

The "stilt" craze has captured our class. Many have brought theirs and loaned them to others so all who want can share.

Mr. Wojcieki has been checking us for the President's Physical Standards. So far no one has passed all events.

Room 21—Teacher, Mrs. Senne
Reporters, Charlotte Steinaway, Debbie Bertke and Sharon Schiller
Last week the entire school had an assembly about The Helping Hand. We were told not to get near strangers nor get in a car with a stranger. Mrs. Steinaway told us about the houses where there is a Helping Hand Poster in the window where we can get help.

This year Mrs. Senne brought her autoharp to school. Everyone wishes to take it home. We get to play it at recess. Mrs. Senne also hopes everyone may have a chance. People get to take it home during the week and on weekends, but we must be careful not to have anything happen.

ARABS TO SHIP OIL
Khartoum, Sudan—Arab leaders have agreed to resume oil shipments to the West. The decision came at the end of a four-day summit conference in which the oil-rich Arab nations will aid Egypt, Jordan and Syria, whose economies were badly shaken in the June war with Israel.

Selfish individuals contribute very little toward a better world.

ROY HOLIDAY, No. 88, is an end on the dog team for the second year. The junior, who weighs 165 pounds, is the son of Mr. Mrs. Clarence Holiday of 1936 Ivey Rd. Roy has been on the basketball and baseball teams since freshman year. Other activities include the City Club and Hi-Y. He enjoys listening to rock and plans to join the Air Force after high school graduation.

TOM SMITH, No. 22, is a 6' 2", 150-pound halfback on the varsity team this year. He played on the junior varsity team for one year and will enter the quarter mile event on the track team in the spring. In addition, Tom also finds time to participate in the Key Club, the Ski Club, the Varsity Club, Student Council, and the Catholic Youth Organization. Mechanical drawing is his favorite subject, and archery heads his list of hobbies. The son of Mr. and Mrs. Charles Smith, Jr., of 6699 Lincolne Rd., Tom has a brother, Richard, in the 9th grade at Chelsea High School.

About Your Social Security

People who rely solely on information from friends and neighbors about Social Security are being short-changed because they are paying for more reliable information. Robert A. Kehoe, District manager of Social Security at Ann Arbor noted.

The doors of the Social Security office swing wide and the people in the office are ready to assist all who walk in, Kehoe said. Social Security is your program and the district office employees want to see you get your money's worth.

He added that no one should hesitate to ask for information about his rights and responsibilities, and pointed out that many people understand one part of the law but do not understand some other part which may be just as important for them.

For example, most people come to the Social Security office to complete their application for benefits when they are about to retire, but many are not aware that a telephone call ahead of time asking what to bring with them may save an extra trip.

Most people know that if they are permanently and totally disabled they may qualify for disability benefits, but many do not know that a disabled person may now qualify for disability benefits if his disability is expected to last 12 months.

Those who know that widows and minor children receive monthly benefits, if the "breadwinner" dies, may not know that dependent parents can also receive monthly benefits.

It is common knowledge that people over 65 are eligible for Medicare. But many people do not know that they need to sign up two or three months before they are 65 to become eligible for the supplemental medical insurance as early as possible.

It has been published that 91 percent of those over 65 signed up for doctor bill insurance but do the other nine percent know that they will have another opportunity to sign up in October, November, and December of this year? Congress may extend the enrollment period until March 31.

Kehoe said whether you come in with a bundle of doctor bills for assistance in completing a claim for reimbursement, or inquiring about a lost Social Security card, you will receive helpful service from the employees of the Social Security office. The office is located at 220 E. Huron and is open from 8:45 A.M. to 4:45 P.M. and on Monday nights until 6:45 P.M.

OUR APOLOGIES to Ray Worden, No. 52, one of our featured football players last week. His picture was unintentionally confused with that of Warren Wisner, No. 50. Warren, a former member of the Bulldog team, recently moved to Milan. Ray is a guard on the varsity team for the second year. The senior, who stands 5' 11" and weighs 170 pounds, spent two years on the junior varsity team. Ray is a member of the Varsity Club, is on the wrestling team for the fourth year, and plans to be on the track team for the second year, participating in the half-mile run. His outside activities include nine years with the Boy Scouts, swimming, and water skiing. Ray enjoys science and math and wants to study engineering in college. His parents are Mr. and Mrs. Wilber Worden of 118 Lincoln St.

Personal Notes

Mrs. William (Judy) Brewer left Friday, Sept. 29 for a flight to Hawaii. She met her husband in Honolulu, where he was spending a "rest and recreation" leave from his base near Da Nang, Vietnam. While in Hawaii, they stayed two days at Waikiki Beach. Because Brewer is in the Navy, the couple was permitted to tour the Naval Base at Pearl Harbor. After visiting several other interesting places with her husband, Mrs. Brewer returned home Friday, Oct. 6.

The Rev. and Mrs. Randle Decker and son, Mr. and Mrs. Duane Weber and family, Mr. and Mrs. Mervyn Meyer, Mr. and Mrs. William Dooley and Mrs. Adolma Weber of Ypsilanti; Mr. and Mrs. Albert Weber and family, Mr. and Mrs. Don Weber and family, Mr. and Mrs. James Heydlauf and son, and Mr. and Mrs. Earl Willis of Chelsea were Sunday dinner guests of Mr. and Mrs. Prentiss Davis. Mr. and Mrs. Tom Spears and family were afternoon callers and Sharon Davis was home from college for the week-end. The occasion was to celebrate the birthdays of Mrs. Davis and her brother, Duane Weber and their mother Mrs. Adolma Weber.

Mr. and Mrs. Bob Gladstone, Mr. and Mrs. Lew Repke of Stock-

bridge, and Mr. and Mrs. Hank Leggett of Cavanaugh Lake took Olla Voelm and Lynn Howard out to dinner Saturday night, Oct. 7 at the Brown Hut in Jackson. After dinner they went to the Leggett's home for a retirement party where they were joined by Mr. and Mrs. Bob Root of Cavanaugh Lake. The party included an evening of card games.

Mrs. Herbert Paul spent three days in Freemoving, Ind., with her father, William Yocum, 96. He returned with her and is spending 10 days in Chelsea with Mrs. Paul.

New indoor carpet tiles, 12" x 12", backed with high-density latex foam rubber, are easy to install. Available in many fashion colors, they can be arranged in all sorts of interesting color combinations and patterns.

Just A Second
"The bee never wearies of dying to live in the sweetness of the comb."
—Lloyd Frank Merrell.

RADIO CLUB

Michigan Wolverine Radio Club, Washtenaw Chapter held its regular meeting Sunday, Oct. 8 at Sylvan Town Hall with vice-president Carl Rupert presiding. Final plans were made for the turkey party to be held Nov. 12. A Halloween party is to be held Oct. 28 at the home of Joe Stanley beginning at 6:30 p.m. for the children of the club members. Games and movies are planned for the occasion. Cider and doughnuts also will be served.

William Brewer of Ypsilanti won the door prize.

Coffee and refreshments were served at the close of the meeting.

CARD OF THANKS
In the time of our great and deep sorrow the kindness of our friends made it easier to bear. We would like to thank those who visited us and brought food to our home, the employees of Chelsea Milling Co. and the Junior Class of Chelsea High School. Also, the other students who contributed. And a special thanks to the Rev. and Mrs. Charles E. Rourke.

The Family of Robert Salzer.

34 Years Ago . . .

(Continued from page two)
Corbin of Dundee were elected to serve as the board of directors of the company. Following the election of directors, officers were named as follows: president, Charles W. MacKinnon; vice-president, Louis Alber; secretary, Gail Clements; and treasurer, L. P. Vogel.

Registration of all unemployed men of Chelsea and vicinity will take place here next Monday and Tuesday, Oct. 16 and 17. The registration here will be in charge of Lawrence Hamburg, member of the county committee, from the Ann Arbor office.

A pleasant family dinner was held Sunday at the home of Mr. and Mrs. N. F. Prudden, celebrating their 45th wedding anniversary, also the 20th anniversary of the marriage of their son, Dr. M. A. Prudden and wife of Fostoria, O.

THANK YOU

Many thanks for the lovely card and plants I received while I was in the hospital and after I returned home.

Mrs. Joe Hafner.

TODAY'S THOUGHT

By LOUIS BURGHARDT

"We find there is less emphasis on chastity than on the qualities of self mastery . . . We must also add that the break-up in sound family traditions is concomitant with the increase in wealth . . . Pampered children growing up in ease mistake whims for necessities and lose the power of self control." Does the quote describe a present day trend in American society?

The quote is from Tenny Frank, professor at Johns Hopkins University, in an analysis of causes for the fall of the Roman empire. It can be a shuddering thought to realize history has repeated itself. No one can deny our present-day practices are heading for increased harvests of unwed mothers, social disease, unstable personalities, triangle murders, immature adults, stunted talents, broken homes and fatherless children. These things happen principally because people turn away from the will of God.

Corrupted morals is not just a matter of individual affairs. It is more than that. It is a cause that can destroy our civilization just as surely as it caused the fall of the Roman empire. Corrupted morals is a concern and challenge that should be faced—NOW—before it is too late. BURGHARDT FUNERAL HOME, 214 East Middle St., Chelsea, Mich. Phone GR 5-4141.

On Wednesday, Oct. 4 the seventh grade of St. Mary's school made toys and stuffed animals for children in St. Joseph Mercy Hospital, Ann Arbor. The students offered the toys at the First Friday Mass, Oct. 6. Several girls and boys took the hand-made toys to the hospital on Monday.

BIRTHS

A son, Andrew Alan, Friday, Oct. 6, to Mr. and Mrs. David F. Martin of 867 Cavanaugh Lake at St. Joseph Mercy Hospital, Ann Arbor. Maternal grandparents are Mr. and Mrs. Walter Elliott of Trenton, Mr. and Mrs. Paul A. Martin of Lincoln Park are the paternal grandparents.

CHS RETAINS KIWANIS TROPHY: Paul G. Schauble, Jr., president of the Kiwanis Club of Chelsea (second from left) presents a trophy in recognition of last week's Bulldog triumph over Milan to Chelsea High football coach Philip Bareis. Looking on are Superintendent Charles Cameron (left), and Larry Gaken and Mike Lehmann, co-captains of the football team. The Milan and Chelsea Kiwanis clubs established the trophy in 1954 to be given each year to the winner of the Chelsea-Milan football game. To date the trophy has gone to Milan six times and Chelsea five. One game ended in a tie and the teams did not meet for four years because of scheduling conflicts. The present Chelsea coach, Phil Bareis, was a member of the 1951 team when the trophy was first established, and, in fact, scored the winning touchdown in Chelsea's 14-6 victory that year by snagging a pass from Bud Ringe in the corner of the end zone.

Ambulance Service Available at 769-2300

To reach the Superior Ambulance Co. for service, call 769-2300. This is the number for the company's main office in Wyandotte, but is a toll-free call. All calls for ambulance service must go through this main office, which then contacts the locally-stationed Superior ambulance.

The charge for Chelsea residents is \$22 plus \$1.00 per loaded mile for non-emergency calls, and \$25 plus \$1.00 per loaded mile for emergencies.

National Fire Prevention Week Being Observed

In recognition of National Fire Prevention Week, Oct. 9-15, Fire Chief Gaken and Assistant Fire Chief Packard will conduct fire drills in all Chelsea public schools tomorrow. Kindergartners from South Elementary schools visited the fire hall earlier this week. North Elementary kindergarten classes will go there tomorrow.

Blood Clinic Volunteers

(Continued from page one) nurses, nurses' aids, registrars, and food for the volunteers' lunch so that they can work through the day without interruption. Anyone who would like to help the clinic should call Mrs. Holmes.

Patience is the art of solving problems by leaving them alone.

Fresh Raspberry Crop Trying To Beat Frost

Ed Easterle of 628 S. Main St. got a big surprise while tending his garden this week. He discovered that his three raspberry bushes had grown seven large branches which were loaded with hundreds of large berries. Some were ripe on Oct. 10 and more should be ready to eat soon if they ripen before the frost kills them.

Easterle hadn't noticed the raspberry clusters for a long time because they were hidden under the thick foliage of the plants. He was amazed to find them growing and ripening this late in the season.

Nearly anybody can tell somebody else how to behave.

DEATHS

William L. Ford Chelsea Man's Brother

William L. Ford, known as William J. Burns, U. S. Army, retired, died Monday, Oct. 2 at the age of 58 in the U. S. Soldier's Home Hospital, Washington, D. C.

He was the son of the late Edward J. and Mary Ann (Daly) Ford, and brother of the late Edward Ford and Mary J. Ford.

A brother, John J. Ford of 112 East St., survives him. Burial took place in Arlington National Cemetery Thursday, Oct. 5. Mr. and Mrs. John J. Ford attended the burial.

Planning Commission Closes Year

The Chelsea Village Planning Commission held their first annual meeting last Thursday. An annual meeting report summarizing the first year's operations of the Commission was submitted and approved for transmittal to the Village Council. Highlighting the first year was the hiring of the planning consultants, Perkins, Rowe & Associates of Detroit to assist the Commission in formulating a Master Land-Use Plan for the Village. This project will be completed in approximately two years.

Special credit was given to Fred Barkley of the staff of the Washtenaw County Metropolitan Planning Commission, who was assigned to the Commission to help guide them during their first year. Barkley was commended for his continuing help since the completion of the first year as an interested citizen of the community. The Commission expressed great appreciation for his expert help which he has made so readily available and given so willingly.

Council To Act On Annexation Tuesday Evening

Tuesday, Oct. 17, the Village Council will act on resolutions to the County Board of Supervisors requesting annexation of land to the north and to the south. The areas involved are those which were previously recommended by the Planning Commission following an informal hearing and private discussion with the residents involved.

All interested persons are invited to attend Tuesday night's council meeting.

The way things are going, someday you may own a home computer that will automatically keep your bank account and household budget up-to-date, work out your taxes, keep stock of household supplies and decide the best place to store food in the refrigerator.

Found Any Old Ear Trumpets Lately?

Ann Arbor—Have you found any old ear trumpets lately? Perhaps an ancient hearing aid in Grandma's attic? If so, it's wanted by the Kresge Hearing Research Institute at the University of Michigan. Dr. Merle Lawrence, director, is setting up an historical exhibit of early hearing devices. He's looking for equipment used to relieve hearing problems, such as hearing aids or ear trumpets. He also could use tuning forks, whistles, or other early testing equipment. Persons wishing to contribute an item are requested to contact Dr. Lawrence at the Institute, the U-M Medical Center, 1501 S. St., Ann Arbor.

RUBBISH PICK-UP TO BEGIN AT 6 A.M. STARTING TUESDAY, OCTOBER 10

NOTICE TO VILLAGE RESIDENTS—Effective Tuesday, Oct. 10, 1967, the garbage and rubbish contractor has been authorized to begin his daily pick-up one hour earlier—at 6:00 a.m. All village residents are hereby notified and advised to place their garbage and rubbish containers at the curb the night before the collection days which are Tuesday and Friday. The contract stipulates that each residence is allowed two 20-gallon covered containers and contrary to past practices, the contractor advised the council that because of the huge amount of rubbish and garbage he has been forced to instruct his crew to abide by the contract and to pick up only two containers at each residence. Many people persist in placing garbage and rubbish at the curb in poorly constructed cardboard containers and even paper bags which at times break apart when handled, and the contents are of necessity, left on the ground. The contractor will remove debris that is placed in substantial cardboard containers of the regulation size unless dampness makes them too soft to be handled. Hardship cases for pick-up are once again advised to notify the Light & Water Dept. so that the contractor can be notified. Any problems with garbage and rubbish should be handled by contacting the Light & Water Dept.

What can I do for conservation? That is a question frequently asked by persons who have the uneasy feeling that they should become more personally involved in assuring the children of a better life the years ahead.

Fortunately, there are a number of answers to that question. Conservation happens to be one of many small problems which, when tackled by a group of people, can create tremendous changes for the better. What can I do? Pick one of these for a starter:

1. Help with projects mapped out by your local sportsmen's club.

2. Contact businessmen about conservation slogans and messages on their products.

3. Report water pollution violations to the Water Resources Commission.

4. Help obtain public access to local lakes and streams.

5. Establish a "conservation club" and publicize it in your community.

6. Encourage a school camping program where children can learn about conservation.

7. Create a scholarship or fund for wildlife students.

8. Work for better farm-to-market relations by bringing members of these groups together in social organizations.

9. Make available to landowners "Hunting By Permission" signs.

10. Clean up a local stream or river.

11. Inform your news media of your interest in good conservation.

12. Learn your wildlife regulations and the reasons behind them.

13. Study conservation legislation so you can make intelligent recommendations to your lawmakers.

14. Establish hunter-safety training programs for young people in your area.

15. Establish new wildlife cover areas and discourage the necessary destruction of existing habitat.

16. Provide books on conservation subjects for your school or community libraries.

17. Promote adequate instruction of all teachers in conservation.

18. Initiate and serve on conservation committees in service and social organizations.

19. Start a conservation education committee in your school.

20. Obtain recognition for those outstanding work in conservation.

21. By now you must realize that it could be almost endless. Choose one or more of these as a starter of come up with your own. Conservation for all is the basic action which leaves this earth of ours a better place than we found it.

22. COME IN - We recently move from other states to the United States to move away. In 1966, the increase through migration was an estimated 456,000 persons to the U. S. population, compared with 397,000 in 1965, the year of the Census reports.

Aerial Photos
Available for Any
Part of Michigan

There are aerial photographs covering the entire State of Michigan according to Frank Light, chairman of the Michigan ASC State Committee. Various portions of the state are reserved for new photography each year so that we will have up-to-date aerial photograph coverage. This is necessary because of the constant changes caused by building new roads, urban expansion; growth of trees, building of

Anyone is permitted to purchase one or more of these aerial photographs or enlargements of them. The cost for a 4 1/2 x 6 1/2 print is \$12. This covers an area of approximately nine square miles. Enlargements are slightly higher priced depending upon the size and scale of the enlargement desired. For example, a 20" x 20" enlargement, covering the same nine square miles at a scale of one inch on the photo equalling 860 ft. on the ground, would cost \$31. On this particular enlargement, eight inches would equal one mile on the ground.

These photographs are especially valuable to land owners and sportsmen for fishing and hunting purposes. Anyone interested in purchasing an aerial photograph should contact the local ASCS State office in East Lansing.

If you're out to trim calories, try low-calorie variety meats such as cooked beef heart or kidney or liver. They're low in calories, high in protein, vitamins

ers, set up four patrols. Scouts planned two hikes and two outings, one to be taken with Troop No. 145 and a two-day one-night camping trip to Houghton Lake. Ann Schum is Scoutmaster.

Each girl present paid \$1.00 registration and insurance.

The meeting closed with singing of "Pass" and refreshments were served.

TROOP 98

Girl Scout Troop 98 met at Penthouse. The 11 members present elected the following officers: Laurie Lancaster, Jane Mann, Pat Stofor, patrol leaders; and Nettie Kresken, Lisa Pelfers, Ann Thomsen, assistant patrol leaders.

The troop is making plans for horseback riding and for a long weekend hike.

Mary McNear and Ann Thomsen will represent the troop at Council Calistic meeting in Ypsilanti, Oct. 11, which will plan council-wide Calistic event.

Patrol 3 opened and closed

Don Walz Downs

1,400-Lb. Bull Moose on Canadian Hunting Trip

A recent hunting trip to Canada paid off for Don Walz of Chelsea. He shot a 1,400-pound, 17-point bull moose 50 miles east and 12 miles north of White River, Ontario. The moose was brought to Chelsea by train and trailer. It is now being stored in the Friday Products Locker along with two moose killed last week by Ed Siegel and Charles O'Brien, both of Ann Arbor.

There is a difference between working and working for a living.

Our man with the Armed Forces
Because beer is such a favorite with service men, we brewers like to do all we can to keep it around them. So USBA representatives serve as advisor members of the Armed Forces Disciplinary Control Boards throughout the country.
These men from the USBA operate hand in hand with service and civilian police, with malt beverage licensees, public boards and committees: military, civil, professional. Object: to protect those who are underaged, and to insure strict observance of the law.

We're proud of the work they do.

LOOKING OVER PRESS SHEETS of the new Particle Atlas are Charles Gelman, president of Gelman Instrument Co. of Ann Arbor (formerly of Chelsea); Ray Schmidt, secretary-treasurer of Braun & Brumfield, lithographers, Harry Shore, estimator at Braun & Brumfield, and Ed Lewis, vice-president

and general manager of Ann Arbor Science Publishers, Inc. (a Gelman subsidiary), who published the book. Lewis, who lives at 314 E. Middle St., says the first 400 copies of the full-color, \$125 book are being shipped to customers this week.

New Reference Book Foretells Advance in Particle Identification

Accepted particle identification techniques in pollution and crime laboratories may be broadly changed as a result of the new information now available. That reference book, *The Particle Atlas*, represents a major addition to documented scientific accomplishment because it makes possible fast, foolproof identification formerly achieved only by slow techniques and costly instrumentation.

The principle behind *The Particle Atlas* is that it is possible to identify and distinguish between microscopic objects such as rosin, bananas and roses; it should be equally possible to identify microscopic objects in the same manner, since each has its own individual set of visual characteristics.

The Particle Atlas presents 512 full-color photographs of particles from biology, fibers, rocks and minerals, minerals, and poisons; dyes, pigments, and chemicals; and various types of dusts, including industrial dusts. Microscopic particles are identified according to shape, size, color and transparency, birefringence, refractive index, and preparation procedures. The authenticity of the color reproductions

will enable the microscopist to place *The Particle Atlas* beside his microscope and execute immediate positive identification of at least 90 percent of the world's particles.

The Particle Atlas will be used by advanced professional laboratories, by labs wishing to gain a complete block of knowledge and ability in particle identification, and in classrooms for teaching particle identification. Some of the fields of interest in this type of scientific reference are: aerospace, aviation, agriculture, criminology, electronics, food processing, industrial hygiene, metalurgy, microbiology, micro-chemistry, parenterals, pollution control and quality control.

In addition to the color photographs, the encyclopedia includes a complete handbook that covers the preparation, use of the microscope in particle identification, a Michael-Lewis chart in full-color illustrating dispersion staining, microphotographic tables and charts, and a complete glossary. The book represents an entire review, instruction manual and illustrated reference for particle identification from first step to the last.

The result of 15 years of planning and six years direct effort, *The Particle Atlas* was written by Walter C. McCrone, a leading authority in his field. Ronald G. Draetz and John Gustaf Dolly.

Published and produced locally, *The Particle Atlas* is not only a major scientific achievement, but also a major printing accomplishment, since the photomicrographs had to be absolutely identical to the actual view through the microscope, thereby enabling the microscopist to place *The Particle Atlas* beside his scope and view like samples.

Thursday, Oct. 19—
10:00 a.m.—Mary Louisa Circle (All-day session).

LIFELINES:

Gospel Not a Failure

"How is it," asked a man of a minister, "that your religion has been going for nearly two thousand years and has not ended more people than it has done?" For reply, the minister asked another question: "How is it that water has been flowing for thousands of years and many people are still dirty?" It is not the fault of Christianity that people go without remedy for human ill, but the loss is theirs all the same. Christianity is not a failure. The Gospel is not a failure. Wherever it is preached in fidelity it wins. But there are some who "put it to them."

Jesus said "And ye will not come to me, that ye might live." John 6:40

Mrs. J. Hoffmeyer Elected President Of WSCS Group

WSCS of First Methodist church met Wednesday, Oct. 4 at 12:30 in the church social center for a birthday dessert. A table was set up for each month of the year. The Marion Kline Circle served the dessert. The program, presented by Mrs. Leigh Palmer, was "Reminiscing of Favorite Hymns." Mrs. Edward Lewis was presented with a past president's pin from the WSCS. Mrs. James Hoffmeyer was elected president.

At the September meeting Mrs. William Stoney was installed as circle chairman rather than president, as previously reported.

The next meeting will be Wednesday, Nov. 1 at 12:30 p.m. in the church social center with Marion Shaw circle as hostess for a pot-luck luncheon. The program will be "Uniting with EUB Church."

Operation 'W' Tour Arranged For Thursday

Do mysteries intrigue you? Then plan to take part in Washtenaw county's "Operation W," say Mrs. Helen Fairman and Mrs. Alice Epple, Extension Home Economists.

"Operation W" is an annual know your county tour sponsored by the Family Living Education Program of Michigan State University and planned and conducted by John Fawcett, Washtenaw county Soil Conservationist.

"W" stands for women (though men are welcome) and the tours are planned on the premise that every woman living in the county should know and understand as much as possible about its land, water, business and industrial resources. Just for the fun of it, where and what sites are visited are kept a secret until the tour is under way.

This year's tour will begin at 9:30 a.m. Oct. 12 at the Rowles Corners church, corner of M-52 and Pleasant Lake Rd. A car caravan will form here. Bring a sack lunch for the 12 o'clock return stop at the church. Coffee will be furnished. The tour will continue on after lunch. Everyone should be on their way home by 3 p.m.

Wear sport clothing and walking shoes. Come prepared for rain if the weather is uncertain. If the weather is really bad, time in the Howard Heath's program between 7 and 8:30 a.m. on WPAG for pertinent information.

JOINT GRANGE MEET

Cavanaugh Lake-North Sylvan Grange entertained the Webster and the Seio-Lafayette Granges Wednesday, Oct. 4 at Lima Community Hall. The state assistant steward, Alvin Thalen spoke on promoting the Grange work. Mrs. Sunday of the Seio-Lafayette Grange presented several readings, and Helen Wolfgang read a meaningful story from "Our Patron" magazine. The meeting closed with the singing of the Grange song, followed by a pot-luck luncheon.

It costs no more to operate a full home freezer than it does an empty one, U.S. Department of Agriculture specialists say. Yet they find only about half of the families who own freezers keep them even three-fourths full.

About 40 percent of available space is used for meat; 33 percent for fruits and vegetables.

Now see **MONTINA** VINYL CORLON® BY **Armstrong** at STORE NAME

Montina is made of stone-like vinyl chips set in deep, translucent vinyl to create an intriguing, pebbly texture. This textured surface helps hide scuffs and heel marks. Because Montina comes in wide rolls, there's scarcely a seam, wall to wall. And Montina can be used anywhere in the home—even in most downstairs rooms, directly over concrete.

VFW Auxiliary Initiates Two New Members

Chelsea Auxiliary to Veterans of Foreign Wars met at Rebekah Hall Monday, Oct. 9. Two members Mrs. Jeannette White, wife of Frank White, and Mrs. Donald Blough, wife of Gerald Blough, were initiated. A petition for Mrs. Ethel Williams, wife of Henry Williams, was referred to the membership committee as a prospective member.

The Past Commanders and Presidents Dinner-Dance will be held Saturday, Nov. 4 at 314 E. Liberty, Ann Arbor. The Chelsea Auxiliary will be responsible for the table decorations. All members are welcome to attend.

The Sixth District Meeting will convene Sunday, Nov. 12 in Tecumseh with a roast beef dinner to be served from 12 noon to 1 p.m. There will be a school of instruction at 11 a.m. that day for all interested members, especially the presidents, secretaries, treasurers and trustees. Theme of the meeting will stress community service and other chairmanships. The Sixth District recently added a public address system to its district equipment so that everyone can hear what is going on.

Thank-you notes were read from Mrs. Ernest Guenther and Mrs. Annabelle Woolley.

The Auxiliary is planning a smorgasbord-luncheon for Oct. 27 at the K. of C. Hall.

The next regular auxiliary meeting will be held Monday, Nov. 13.

Woman's Club

Woman's Club of Chelsea met at the McKune Memorial Library Tuesday, Oct. 10. Members responded to roll call by naming their favorite musical selection. A discussion was held regarding the dressing of dolls by the women of the Methodist Home for distribution by Chelsea Social Service at Christmas time.

Bruce Galbraith, Chelsea High school band instructor, presented a musical program in three parts. He opened the program by singing two songs: "I'll Elphinstone" and "The Piano." The second part of the program was a brief analysis of the music found in hymnals. Galbraith then showed slides taken on his trip to Russia with the University of Michigan band six years ago. He concluded his presentation with a question-and-answer period.

Refreshments were served by the hostesses, Mrs. Sidney Schenk and Mrs. Charles Mesura. Members were reminded of the rummage sale to be held at the Sylvan Town Hall Oct. 20 and 21.

ENRICHED FOODS

"When you see the word 'enriched' on bread, flour, and cereal products, it means that iron, riboflavin, niacin, and thiamine are added. Highly refined cereal foods are 'enriched' to restore levels of these four nutrients to the amount found in the whole grain or in excess of whole grain levels.

Religion may save the human race but it won't be through resolutions passed at mass meetings.

Mr. and Mrs. Walter Schrader, Sr.

Open House Reception To Honor Schraders on 50th Anniversary

Mr. and Mrs. Walter Schrader, Sr., of 1250 Wilkinson St., are being honored Sunday, Oct. 15, at an open house reception for friends and relatives in observance of their 50th wedding anniversary. Hosts

for the event will be their sons, Sr., of 1250 Wilkinson St., and his wife, Mrs. Schrader, who will be held in the social rooms at St. Paul United Church of Christ, of which the honored couple are members.

Altar Society Plans Possible Projects For Coming Year

The regular monthly meeting of St. Mary's Altar Society was held Wednesday, Oct. 4 with 24 members present. Mrs. Kathleen Chapman, newly-elected president, led the group in prayer.

The October Altar committee consists of Mrs. V. Burg, II, Mrs. W. Collins and Mrs. W. Hitchingham.

Mrs. L. D. Guinan, Good Samaritan committee, reported on a special meeting of the Good Samaritans, which was held to form three new committees for various projects. Three money-raising ideas were introduced, which the Altar Society members may incorporate into their programs.

Mrs. George Bretschneider announced that a bake sale will be held Saturday, Oct. 14. There will be no bake sale in November because of preparations for the beef dinner.

Contact lady, Mrs. Joseph Laban, announced that a Senior Citizens Arts and Crafts Show will be held at the Detroit Historical Museum from Oct. 12 to Nov. 5. All senior citizens over 60 years of age may contribute handy work.

After the close of the meeting, refreshments were served by the new officers and the executive board committee.

If you don't take care of yourself properly, listen to your heartbeat next time you have a chance. If it isn't beating, you're dead.

County Hospital Auxiliary To Hold Semi-Annual Meet

The Washtenaw County Hospital Auxiliary semi-annual meeting, which is open to all interested county residents, will be held at the Washtenaw County Medical Care Facility, 2900 Washtenaw Rd., at 1:30 p.m. on Oct. 18.

The Rev. Richard Crusius, pastor of the Ann Arbor Church of the Good Shepherd, will speak on "What Happens When You Don't Have a discussion of the cost in money and human dignity of citizen ignorance." The Rev. Crusius is chairman of Citizens for Improving Welfare Services and a member of the Ann Arbor United Fund Planning Committee.

In view of the probable continued refusal of the State, Eric Marshall to approve the present County Hospital building for care of state-aided patients, the resulting necessity for the county to assume the costs of this care, the Oct. 18 meeting should provide many questions and provide some answers.

Mrs. J. C. Huston, Mrs. Walter Must and Mrs. Lenore Moher are Auxiliary Trustees for Dexter.

40th Anniversary

Mr. and Mrs. Clair Barnum of Unadilla were honored on their fortieth wedding anniversary, Sunday, Oct. 8, with a buffet-luncheon. Their three daughters, Mrs. Charles Sullivan (Geraldine), Mrs. Paul Pickett (Betty), and Mrs. Robert Reid (Joanne), gave the luncheon, which was held in the Sullivan home. The three sons-in-law and seven grandchildren of the Barnums were present for the occasion, as well as Mr. and Mrs. Colon Charlick of Detroit (the couple's two wedding attendants) and many relatives and friends from Kalamazoo, Detroit, Beulah, Pinckney, Unadilla and Gregory.

A thin sheet of foam rubber padding underneath a fabric covered headboard adds comfort to bedtime reading or TV watching. Make a paper pattern of the headboard, cut foam rubber to measure, then cover with selected fabric.

Onsted Teachers Describe Their Work with Teen-Agers

Onsted teen-agers' trip to Expo was described by its sponsor, Thomas Thierly, at the Monday evening Kiwanis meeting. Thierly, who is a teacher at Onsted High school, has organized summer trips for youth from the Onsted area.

Aware of a serious moral breakdown in the United States, he said John Wynn, another Onsted teacher, decided to do something about it. They felt that through their summer trips they could help youth to become sound citizens and develop spiritual values.

This summer the group traveled in a borrowed school bus to Montreal, Canada for Expo 67. The group camped along the way and was able to enjoy an eight-day summer experience for a total of \$37 per person. The trip was described by Thierly using excellent color slides taken by members of the group.

Next summer, Thierly plans to take a group to California in his program to develop responsible citizens.

Phillip Barois, Chelsea football coach, was presented with a trophy for the high school in recognition of last week's win over Milan. (In 1964, the Milan and Chelsea Kiwanis clubs established the trophy, which has gone to Milan six years and Chelsea for five.) Team co-captains Larry Gaken and Mike Lehmann were also present to accept the trophy on behalf of the school.

Charles Cox was inducted as a member of Chelsea Kiwanis by Charles Cameron. Cox was sponsored for membership by Wallace Wood and Floyd Fowler. Cox is a dental researcher at the University of Michigan School of Dentistry.

Alfred Gross, Horace Lickly, Al Delmen and Paul Tomshanny formed an inter-club from Dexter. Dexter Kiwanis club is celebrating its 30th anniversary and was begun through organizational efforts of the Chelsea Kiwanis Club.

Milan Downs JV Gridders

Chelsea's Junior Varsity football team lost to Milan Thursday night by a score of 7-0.

Milan scored early in the game on a pass to its wingback, but a clipping penalty brought the ball back to Chelsea's 35-yard line. Chelsea held and began a drive to Milan's 30-yard line where they lost the ball on a pass interception.

In the second half Chelsea's offensive unit played well with the offensive line firing out and opening good holes. But two penalties and a fumble gave Milan the ball on Chelsea's 16-yard line and Milan then went on to score.

Chelsea is now looking forward to its game with Lincoln Thursday evening this week.

NORTH FRANCISCO

Mr. and Mrs. William A. Taylor of Brighton visited Mr. and Mrs. Roy Miller last Thursday afternoon. Clapfel Hoppe was a Sunday morning caller there.

Mrs. Leonard Loveland was a supper guest of her son and his wife, Mr. and Mrs. LeRoy Loveland of Grass Lake, Thursday evening.

Mr. and Mrs. Dale Loeland mother, Mrs. Leonard Loveland was a Friday evening supper guest of Mr. and Mrs. Dillman-Wahl and a dinner and supper guest on Sunday of her brother and his wife, Mr. and Mrs. Chester Notten.

Mr. and Mrs. Glenn Rentschler returned home Monday afternoon after spending a week at Houghton Lake.

Mr. and Mrs. Marion Rauer of Otsego spent Sunday afternoon and were supper guests of Mr. and Mrs. Nelson Peterson.

Fined for Spearing Bass

Richard Prusinski, 23, of Clawson, was caught spearing black bass on Saturday, Oct. 7. He pleaded guilty before Dexter township Justice of the Peace Earl P. Dolezky and paid \$33 fine and costs.

Telephone Your Club News To GR 5-3581

MINIATURE 'INDY': Youngsters at Chelsea-Dexter Co-op Nursery now have a place to ride their bikes. Several fathers of the nursery children built a three-foot-wide concrete track with a circumference of 100 feet. They worked two weekends on the project, finishing it Saturday, Sept. 30 when they poured the concrete. The track was the idea of Mrs. Raymond (Miss Jane) Schairer, who taught at the nursery for 10 years. Until now, the children

had only a grassy area for riding their toys. With the concrete track, the tots can now make better use of their tricycles, wagons, and other toys in which they ride. Money for the track came from a bake sale held at the Chelsea Fair and from the regular nursery tuition. Shown working on the concrete pouring phase of the program are, from left, Richard Barois, Plymouth Freed and Jim Eberts.

Hunting Pressure Heavy for Start Of Duck Season

The duck season opened Monday, Oct. 9. Local hunters will find a good supply of ducks and geese in this area.

Hunting pressure on Winnetona flooding was heavy during opening day. Approximately 100 cars were parked near the flooding at opening time. The hunters successfully downed many wood ducks and teal. Three hunters were arrested for taking more than their daily share of wood ducks.

Only four ducks per day may be shot by each hunter, with not more than two mallards and one wood duck to be included in the daily total.

KELLOGG CENTER BUSY

More than 2,400 people will visit the Michigan State University campus in October for 32 conferences and other educational meetings at The Kellogg Center for Continuing Education.

Chelsea School District Cafeteria Menu

Monday, Oct. 16—Savory beef over biscuits, buttered wax beans, bread and butter, dessert, milk.
Tuesday, Oct. 17—Hot dogs with buns and trimmings, potato chips, cheese wedges, carrot sticks, pear crumble, milk.
Wednesday, Oct. 18—Creamed turkey, whipped potatoes, buttered green beans, bread and butter, pudding, cookie, milk.
Thursday, Oct. 19—No school.
Friday, Oct. 20—No school.

High School Plans Musical Production

Chelsea High school will present the well-known musical "Bye-Bye Birdie" March 14, 15 and 16, with a 1:30 p.m. matinee performance on the 14th and 8 p.m. evening performances March 15 and 16.

The entire high school, grades 9 through 12, will put on the show for which tryouts will be held Dec. 11 and 12. Play sponsors are the senior class and Miss DiAnn L'Roy is chorus director.

R. Breitenwischer Promoted with Humble Oil Co.

Robert H. Breitenwischer, son of Mr. and Mrs. Wilbert Breitenwischer of 625 W. Middle St., was recently promoted to the position of District Geologist, Coastal Zone, of Humble Oil and Refining Co., Houston, Tex.

Breitenwischer was formerly with the geophysics section in the Offshore Zone of the Houston District. With the creation of Humble's new Eastern Marine Division and transfer of offshore activities to the East Texas Division, Houston and Tyler Exploration districts discontinued and operations were realigned to the Inland District and Coastal Zone. The Coastal Zone is responsible for all exploration of onshore activities along the Texas Gulf Coast. A graduate of Chelsea High school in 1946 and the University of Michigan in 1953, Breitenwischer started to work for Humble Oil Co. in 1953. Six months later he was drafted by the Army and spent most of those two years in Texas. He then returned to Humble and has worked in both Houston and Tyler, Tex., for the company. Breitenwischer, his wife, Jean, and their two sons, Kirk, 11, and Scott, 8, currently live in Houston.

Rural-Urban Holiday Idea Open House Scheduled Next Week

Rural-Urban Holiday Idea Open House, sponsored by the Washtenaw County Past Chairmen's Club will be held at the Rural Activity Center on Saline-Ann Arbor Rd., Monday, Oct. 16, from 1 to 9 p.m. and from 10 a.m. to 9 p.m., Tuesday, Oct. 17.

All Women's organizations are invited to attend and exchange ideas and also exhibit holiday gifts, decorations and food specialties.

This event is open to the public without admission charge. For further information call Mrs. Erwin Frederick, chairman, at 665-9082.

Michigan State University will offer 162 extension courses in 39 communities throughout the state this fall, under the auspices of the Continuing Education Service.

Returnable Bottles Being Discontinued

Deposit bottles will soon be rare items in Chelsea. Most of the local markets plan to discontinue or decrease their supplies of beverage in refundable bottles by the end of this year.

Stop & Shop will discontinue selling all deposit bottles containing pop, beer, and milk as of the end of October. All of this merchandise will be replaced by beverage in no-return bottles of various sizes. Deposit bottles will be accepted by the store until Dec. 1. This gives people more than six weeks to return the bottles they have accumulated.

Schneider's Store hasn't received many no-deposit bottles from distributors yet, but plans to begin curtailing the returnable bottles. The store will probably sell only no-deposit bottles after Dec. 1, according to Carl Schneider, owner.

Kusterer's plan to continue their present policy of handling deposit bottles, but accepting them only in exchange.

Rick's Market will continue to sell beverages in returnable bottles. The market now sells beverages in both no-deposit and returnable bottles. However, Ruth Rickeman, manager, noted that Rick's Market may eventually sell just throwaway bottles if it should receive an overflow of deposit bottles purchased from other stores. Deposit bottles have long been a problem for many stores. New labor contracts for store personnel have now made bottle handling too costly for supermarkets to absorb. Gene Shoemaker, Stop & Shop manager, sums up some of the other problems involved in the handling of deposit bottles: sanitation, injury by broken glass and old cases, storage space, dollar inventory cut-back of service by beverage companies, the greater number of sizes put out now by beverage companies, general inconvenience of bottles being constantly in the way, constant complaining by customers for the inconvenience of having to return bottles, large quantities of dirty bottles returned by children and others being collected along highways, additional money transactions and bookwork, and new union contracts that will not allow distributors to put up their merchandise on store counters.

HOMECOMING QUEEN CANDIDATES: These girls will compete for the title of Homecoming Queen during half-time of the Homecoming Chelsea-Lincoln football game tomorrow night. Candidates are (bottom row, left to right): Martha Ewald and Mary Tandy, freshmen; second row, from left: Patty Bauer and Debbie Weiss, sophomores; top row, from left: Shelly Harper and Chr. Frinkle, juniors; and Lynn Faist and Janice Stephens, seniors.

Teen-Ager Arrested On Burglary Charge

Donald Caudill, 17, of near Chelsea, was arrested with a 15-year-old companion by sheriff's deputies, who found the youths sleeping in a car parked on Jerusalem Rd., near Lima Center in Lima township. The boys admitted burglarizing a Jackson county bar. Officers found 107 packs of cigarettes, two quarts of wine, a case of beer and several other items in the boys' car.

Caudill was turned over to Michigan State Police in Jackson. The younger boy was released to juvenile authorities.

Begin moving outdoor plants indoors gradually before the heat's turned on. Plants that have been plunged outdoors in clay pots should be scrubbed to remove encrusted dirt and their foliage should be syringed and given a spray of insecticide.
