## Funeral Slated Thursday for Pfc. R. L. Koch

Funeral services are scheduled for Pfc. Ronald Lee Koch, 20, for Thursday, Feb. 29, at 10 a.m. at the United Church of Christ. Pfc. Koch was stationed at Lai Son Base with Co. A, 1st Battalion, 20th Infantry Regiment, 1st Infantry Division, when he was listed as missing in action. His death was confirmed Feb. 14, and his body was returned to Metropolitan Airport, Detroit, on Feb. 26 at 9:30 p.m.

Ronald was born Dec. 17, 1947, in Ann Arbor, a son of Wilbert and Helen Neyer Koch. He graduated from Chelsea High School in 1966, and was employed by Larow Food Co. until entering the service March 2, 1967. He received his basic training at Ft. Benning, Ga., and Ft. Polk, La., and was for Vietnam on July 20, 1967.

Surviving are his parents, Mr. and Mrs. Wilbert Koch of 595 S. Fletcher Rd., a brother, Gary Koch of Chelsea, a sister, Lynda Koch at home and a nephew, Kevin Koch, also of Chelsea.

Other survivors include a paternal grandmother, Mrs. Christian (Helen) Koch of Chelsea, and several aunts, uncles and cousins. Ronald was a member of St. Paul United Church of Christ, where he was confirmed June 17, 1962.

The family suggests that memorial contributions may be made to Ronald's memory to the St. Paul Church Organ Fund.

Friends may call at the Burlington Funeral Home, Chelsea, until 11 a.m. on Thursday and from then until the time of the service at the church.

## Council Briefs

At the regular meeting of the Village Council Tuesday, Feb. 20, a request was submitted from Brad Smith and Mr. O'Donnell, representing the Mobil Oil Co., in regards to permission to store temporarily, wrecked and abandoned vehicles. The problem was referred to the planning committee for a recommendation.

Cal Summers discussed the organization and plans for the Chelsea Auxiliary Police.

A discussion was held regarding an investigation conducted by Trustee Weber in reference to the collection of garbage and rubbish. A motion was made and approved to increase the garbage and rubbish contract in the amount of \$2,500 per year.

A request to grant a variance for the construction of a dwelling located on lots 16 and 17 was tabled for further study.

Fire Chief James Gaken was granted permission to investigate the possibility of a mutual aid agreement with other Washtenaw county fire departments.

A motion was made and approved to approve the Election Board as submitted by the Village Clerk.

A motion was made and approved to accept the following utilities in Lanewood No. 2—storm, sewer, sanitary sewers, water mains, and the snow removal and sweeping of the street. Council acceptance is conditioned upon the correction of several small problems.

A motion was made and approved to extend the contract completion date for the Freer Rd. sewer for 30 days with no penalty to the contractor, Dunigan Bros., Inc.

CONFERENCE CO-CHAMPS: Chelsea High school's wrestling team, which tied for a first-place finish with Dexter in the Southeastern Conference, includes (front row, from left) Mike Gaken, John McKeighan, Mark Lancaster, Mike Hendricks, Paul Maurer, (standing, left to right) Tim Colvin, Paul Stahl, Jim Boylan, Kerry Kargel, Wayne Stahl, and Coach Lauren Miller. Missing from the picture are team members Lauren Boyer and Tom Tibb.

## Wrestlers Tie With Dexter for League Crown

### Bulldog Wrestling Team Favored To Win Regional Tourney in Parma

The Chelsea wrestling team is not the only king of the High School wrestling hill. The Bulldogs placed second in the league meet here last Saturday. This second-place finish permitted the Dexter team to slip in for a share of the over-all Southeastern Conference championship.

The Dreadnaughts, after finishing second to Chelsea in the regular season, came on strong to gather 102 points Saturday in capturing the league meet. The Chelsea team finished a heart-breaking three points behind with 99. South Lyon finished third, trailed by Saline, Lincoln and Dundee.

Going into the finals, Dexter had eight men left undefeated while the Chelsea team qualified seven. After many upsets the Dexter team went home with six individual champions. Chelsea capped four individual crowns.

Winning championships for the Bulldogs were: Mike Hendricks (120), Lauren Boyer (145), Kerry Kargel (154) and Mike Gaken (180).

In the 105-lb. class John McKeighan lost his first match by a 4-0 score, but came on strong to pin his Dundee opponent and out-point Saline's entrant, 4-0, to garner a third place in his division.

Mike Hendricks (120) was the first Chelsea wrestler to appear in the finals and the first Chelsea champion this year. On his way to the finals, Hendricks pinned his Dundee opponent and won a 7-0 decision before winning the 120-lb. championship on a 4-0 decision.

Paul Stahl, Chelsea's gutsy 127-pounder, found the going tough in his weight class as he placed second. He won an 8-4 decision in his second match after receiving a first-round bye. In the finals Stahl met Sam Bouillon, a two-time conference champ. After his third championship, Bouillon scored a quick take-down and out-pointed the Chelsea wrestler 3 to 1 for the Dexter win.

Mark Lancaster (133), a strong performer for the Chelsea crew, also placed second in his weight. Lancaster scored a fall in his first match with his Lincoln man, then out-pointed Saline's Ticknor, 5-0, before losing to Dexter Ted Klapperich, 4-0, in the finals.

Wayne Stahl (138) lost his first match by a fall, then came back to win by a fall before losing by another one himself in the consolation finals. Stahl ended up fourth in his weight.

Chelsea's Lauren Boyer won his second 145-pound conference championship by winning two matches and drawing a first-round bye. Boyer gained a semi-final victory over Ed Lake of Saline. In his championship match, Boyer took a 4-0 victory from Dexter's Roger Boyce to retain his title.

Always dependable, Kerry Kargel (154) came through once again for the Bulldogs. Kargel won his second consecutive conference championship by pinning his opponent in the first match. Kargel won by a default in his championship bout after 15 seconds of fast and furious action with Dexter's Ed Loybell.

Sophomore Tim Colvin also came through in fine style, winning his first match by a first-round pin before falling victim to Dexter's Craig Blaizer in the finals. Colvin finished second in his weight class.

Mike Gaken won his first two matches by pins on his way to annexing the 180-pound title. In the finals, Gaken continued his winning ways by handing South Lyon's Kent Baile a blistering 3-0 defeat in the championship match.

Chelsea's heavyweight, Jim Boylan, offered a 5-1 setback in his first match but came back to win two quick falls, one of which was the tournament's fastest (14 seconds). Boylan came out in a very strong third place.

Tomorrow the Chelsea wrestlers will travel to Parma Western for the Regional tournament, which will last two days. Sixteen teams will participate. The Chelsea team is favored to win the first regional championship in its wrestling history. Several Bulldog wrestlers stand a good chance of winning in their individual weight classes and if they come through as they have in the past, they could make Chelsea a serious contender for state honors. The Chelsea wrestlers with outstanding records who should do well in this journey are: Mike Hendricks (112), Paul Stahl (127), Mark Lancaster (133), Lauren Boyer (145), Kerry Kargel (151), Mike Gaken (180) and Jim Boylan (hwt).

## Junior High Group Scores High in Contest

The Junior High Division of the Michigan School Band and Orchestra Association Solo and Ensemble Festival was held last Saturday at Henry Ford Community College, Dearborn, concluding the 1968 Solo and Ensemble Festival season. ## Former Chelsea Resident Faces Charge of Intent To Murder

A former Chelsea resident, 42-year-old Robert R. Amstutz of Ann Arbor, was charged with assault with intent to murder following the knifing of a 19-year-old Ann Arbor woman, Miss Bernice Bergsma.

Amstutz, a handyman for the apartment complex where Miss Bergsma and her mother live, entered their apartment last Thursday to do some repair work. Miss Bergsma, who was alone in the apartment at the time, asked Amstutz to leave while she took a shower. The handyman apparently refused to leave and a struggle followed during which Miss Bergsma was stabbed six times.

Amstutz left the apartment, and the teen-ager managed to telephone the police. She was taken to University Hospital, where her condition was listed as fair.

## Fire Dept. Hosts to Wives At Banquet

The Chelsea Fire Department's 16th annual Ladies Night Banquet was held Saturday, Feb. 24 at the Masque Lodge. Each woman present was given a carnation corsage.

The Rev. G. T. Nevins, pastor of North Lake Methodist church, gave the invocation preceding the most delightful social by the ladies of Eastern Star.

Raymond Johnson, master of ceremonies, introduced the following guests: Village President and Mrs. Donald Baldwin; Mrs. Frances Schiller, Mrs. Leon Chapman, Mrs. and Mrs. Ken Bucholz and Mr. and Mrs. Earley Bucholz, and Farley are members of the Auxiliary Fire Department.

As the master of ceremonies introduced Bud Hafner, he stated that Hafner has served the fire department as secretary, treasurer, second lieutenant, first lieutenant, captain and assistant chief during the past 15 years—an outstanding record. Hafner, in turn, recognized Claude Spiegelberg, who has been a fireman for 54 years, the longest service record of any fireman present at the banquet.

While introducing the Chelsea firemen who make up the local department, Hafner listed their positions in the department and their years of service as follows: Fire Chief James Gaken, secretary-treasurer and assistant chief before becoming fire chief in 1963, 21 years; Assistant Chief Mac Packard, second lieutenant and first lieutenant before becoming assistant chief in 1965, 19 years of service; Captain Arthur, second lieutenant and first (Continued on page two)

## 7 Fire Calls In Week Keep Firemen Busy

Chelsea firemen were busy again this week, answering seven calls in seven days.

Monday, Feb. 19, firemen put out a trash and grass fire behind Slocum Contractors building on Old US-12.

Trees and logs burning on Freer Rd., property belonging to Bernard Herst sent firemen racing to the scene Thursday, Feb. 22 at 4:50 p.m.

Members of the fire department extinguished a grass fire along the railroad tracks on Garvey Rd. Friday, Feb. 23 at 7:08 p.m.

Saturday, Feb. 24 was an exceptionally hectic day. Firemen had to put out three different fires, two of which occurred simultaneously. At 3:20 p.m., some grass on Sibley Rd. caught fire from burning brush. Grass blazed from burning rubbish on Notten Rd. at 5:28 p.m., while ties and grass burned on W. Middle St. near coal piles owned by Chelsea Lumber Co.

## Washington Report by Congressman MARVIN L. ESCH

As this session of Congress goes into its third month here are some random thoughts on current topics:

Speculation on the passage of the FOREIGN TRAVEL TAX now indicates that a program something less restrictive than that recommended by the President will emerge. Those of us who have grave reservations about the tax have been searching for more feasible alternatives to solve our balance of payments problem. One source of foreign dollars drain is the large number of dependents of servicemen stationed in Western Europe. A program which cuts back the number of these dependents by shortening lengths of duty, for example, might decrease the \$500 million loss we suffer in Western Europe annually. Alternative areas such as this deserve more study and attention.

The recent decision by SELECTIVE SERVICE on graduate and junior college student deferments is in direct disagreement with the concern expressed by my Subcommittee on Special Education. Finding graduate student deferments and leaving junior college deferments up to the discretion of the local boards only serves to further inequities in the draft and endanger essential educational programs. I have recommended that the subcommittee call in General Hershey, Director of the Selective Service, to emphasize to him directly the need to establish uniformity and fairness in draft directives.

Establishment of the first NATIONAL WILDERNESS AREA as authorized by legislation in the last Congress is expected to come before the House for final action soon. Controversy on this measure, known as the San Rafael Wilderness Bill, centers around how large this beautiful California site will be. Unfortunately, the Conference Committee report deleted 2,000 acres from the plan as originally adopted by the House. This action severely threatens the thrust of the whole wilderness project and I am supporting the restoration of this essential portion of the plan. Certainly our first attempt at preserving what little wilderness area remains in this country should be a complete and meaningful one.

Currently, the Education and Labor Committee of which I am a member is considering what is probably the number one topic we face this year, JOB TRAINING. Administration spokesmen are offering no new programs and present little of encouragement for proper training. I am pressing for increased involvement of private industry and our schools in the training of the unemployed as well as the establishment of a definite role for labor unions whose responsibility in this area has too long been ignored. Only through a total community effort are we going to solve the no-education, no-job, poverty cycle which has contributed to the unrest in our cities.

My office is anticipating the arrival of a large number of Washington visitors this spring. Frequently I am able to arrange special tours for constituents and always look forward to greeting them in my office. If you are planning a Washington trip please write me care of the House Office Building, Washington, D. C. as soon as possible. Arrangements must be made well in advance for limited tours and we operate on a first-come, first-served basis.

Other fire-fighters include Marvin Schiller, who served as both a second and first lieutenant, 17 years of service; Merle Leach, 14 years of service; Raymond Johnson, second lieutenant, 14 years of service; Paul Ballinger, second and first lieutenant, 13 years of service; Ronald Brannan, eight years of service; David Elkins, six years of service; Donald Alexander, president chairman of the auxiliary department, four years of service; Robert Dorcy, chairman of the kitchen fund two years of service; and Larry Koch, Philip Roy and Samuel Picklesimer, each with one year of service. The total number of years these firemen have given to the community is 234.

Following the recognition of the firemen, Mrs. Leon Chapman showed slides of her recent trip to Europe.

## MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

**Personal Income**  
Michigan lagged behind the national average in increased personal income for November, 1967, although it matched the national average on a year-to-date basis. Personal income rose 6.5 percent for Michigan and the nation during the period January through November. In November alone, however, the average rise nationally was 6.1 percent while Michigan recorded an increase of only 3.3 percent over November, 1966.

The bulk of the upthrust is attributed to continued expansion in non-manufacturing and government jobs. Return of strikers in several major industries also accounted for some of the lift.

California's 7.3 percent rise and Alaska's 13.5 percent increase may be traced to a big jump in government employment. Many other states experienced personal income improvements greater than Michigan's because of government spending. Income of industrial states generally lagged behind those where manufacturing is less important.

**Taxes in Smoke**  
Cigarette smoking may be hazardous to your health, but it contributes mightily to the well-being of the state treasury. The Michigan Department of Revenue reports that cigarette tax revenue for fiscal 1967 totaled \$78 million, an increase of \$1.35 million over 1966. Of this amount, \$22.2 million went to public schools and \$55.73 million to the state's general fund.

**Probate Judge Sets Hours for Special Problems**  
Probate Judge Ross W. Campbell has announced that he has set aside Monday afternoons from 2 to 4:30 p.m. and Friday mornings from 9:30 to 11:30 a.m. in the schedule of the Estate and Mental Health Division of the Washtenaw County Probate Court for otherwise unscheduled meetings with members of the public.

Judge Campbell invites anyone having a problem involving an estate, mental health, secret marriage, or guardianship matter which is not presently pending before the court to see him at his office in the County Building at either of these two times. The Judge will also be available by appointment at other times during court business hours. Telephone 663-7511, extension 208, Lansing 48926.

## Richard Foster Promoted with Dexter Police

Patrolman Richard Foster, of the Dexter Police Department, has been promoted to the rank of sergeant, effective Monday, Feb. 26, Police Chief Robert R. Taylor announced Saturday.

A newly-instituted slot in the Police Department, the position has been created to "spread the word," so to speak. Foster was chosen following a four-hour examination, passage of which was a prerequisite for the promotion.

At present, Chief Taylor is on call 24 hours a day, seven days per week. With the addition of Foster's position, the duties of which are not yet completely defined, some of the responsibility for the department's functioning will be extended to him.

Among the probable duties Foster will undertake are included the supervision of the part-time patrolmen, checking of reports and working with Chief Taylor on case assignments.

The work load of the DPD has doubled over the past year and the addition of a sergeant is seen as one of the ways of "ironing things out."

Foster stated that the department is interested in raising its standards by offering more education and training for its men, as well as improving its relationship with the community by keeping taxpayers well-informed of the department's monthly activities. An effort in this direction has already been made with the monthly reports of complaints published in The Dexter Leader.

At present the men in the department are working toward the eventual sponsorship of a Boy Scout troop. This is expected to come about in the near future.

Sgt. Foster, a native of Wyandotte, moved to Chelsea as a child. He received his high school diploma through the University of Michigan.

Married to the former Gloria Lee, a Caspian native, Foster was employed at the Chelsea Greenhouse for six years; at K & E Screw Products for five years and served as a corrections officer at Cassidy Lake Technical Training School before taking his present position with the DPD about a year ago.

Sgt. Foster has attended two schools sponsored by the Washtenaw County Sheriff's Department, as well as riot school in Davison.

Both he and his wife are extremely active members of the Chelsea Baptist church. Foster enjoys sketching portraits and has an interest in guns as well as hunting and fishing.

## Kiwanians Hear Talk By Planning Pro

Chelsea Kiwanis Club members heard ideas on village planning at the regular Monday night Kiwanis meeting. Speaking to the group was Brandon Rogers of Parkins-Rogers Planning Consultants, the firm hired by the village of Chelsea to assist and advise in its future development.

Rogers cited the need for housing balance, or a greater price range in houses, and a bypass for through traffic and trucks to the west of Chelsea as two of the most important steps Chelsea could take to improve the village.

Other aids to Chelsea's future include an industrial park, improvement of the downtown community center, discouragement of strip development by the planning of shopping centers, better freeway identification of Chelsea through improved signs, a school-community recreation center administered by joint school-community leadership, and investigation of rundown areas.

Research and development industry should be exploited in Chelsea because of its proximity to Ann Arbor and the expressway, according to Rogers. More housing and apartments are needed in Chelsea to keep up with the growth of industry in the village. While industry in Chelsea has increased 60 percent in recent years, its housing and population have only increased 10 percent.

The building of many new houses and apartments would encourage people working in Chelsea's industries to live here instead of commuting to distant towns.

Rogers showed a sketch of how Chelsea would look in 1990, if ideas now in a long-range planning phase are carried out. Over-all plans for the village will be completed by the consultant firm within a year and will be transmitted through a citizen information program, Rogers stated.

Guests at the dinner were all the members of the Village Planning Commission, including Dr. J. V. Fisher, president; Robert Rudd, vice-president; William Chandler, secretary-treasurer; and Lawrence Biele, Dan Evans, Merle Davis, George Staffan, William Freeman, Robert Merkel, councilman William Storey, and Fred Barkley, of the Washtenaw County Planning Commission. Rogers complimented the Village Planning Commission for its 100 percent attendance at every planning meeting and for the excellent co-operation of each member.

## Wolverine Tavern Has New Owners

Ownership of Wolverine Tavern, 20460 W. Old US-12, officially changed hands Monday, Feb. 26, from Carl Dredge and Donald Siegmund, its owners for the past eight years, to Joseph M. and Judith B. Merkel.

Mr. and Mrs. Merkel, formerly of Chelsea, lived in Owosso for six years, where Merkel worked in a tavern owned by his father. They are now in the process of moving back to Chelsea.

A recent report by the U. S. Office of Education shows that Michigan State University in 1964-65 granted 4,657 bachelor's degrees, more than any other university in America.

## Girl Scout Cookie Sale Starts March 1

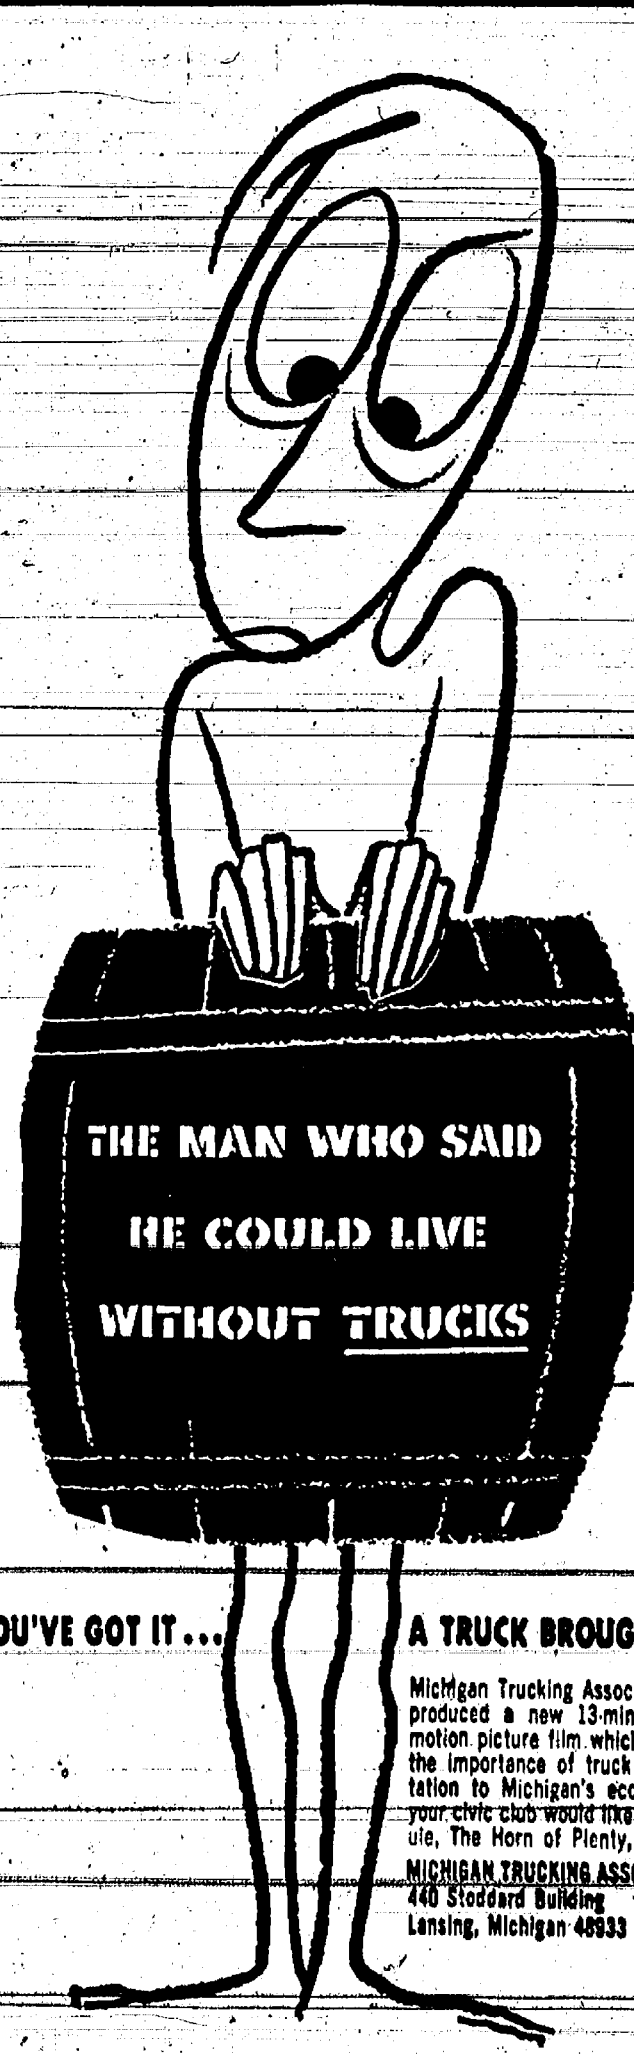

Junior, Cadette and Senior Girl Scouts will take advance cookie orders starting tomorrow through March 16. All cookies ordered during this annual Girl Scout money-making drive will be delivered April 22. Anyone wishing to buy cookies may order them from a Girl Scout or by calling Mrs. Paul Mann, 637 Flanders St. Money will be collected upon delivery of the cookies.

Five varieties of Girl Scout cookies will again be offered this year, including chocolate mints, savanahs (peanut butter-filled), pixies (coconut), sandwich cookies, and Sea-Tos (shortbread). All cookies are 50 cents per box, 5 cents of which goes to the individual troop selling the cookies, and 45 cents of which is used by the Girl Scout Council for camp development and maintenance.

Profits from cookies sales result in improvement and maintenance of camps, camperships for girls who would otherwise be financially unable to attend camps, minimal camp fees, and provision for operational expenses of camp programs.

## Sp. 5 David Feldkamp Home from Thailand

Sp. 5 David P. Feldkamp returned Feb. 21 after serving 16 months with the 35th Finance Detachment of the Army in Bangkok and Korat, Thailand.

He was greeted at Detroit Metro Airport by his wife, Jo Ann, and his 15-month-old son, Kevin David, whom he saw for the first time. They were accompanied by Mr. and Mrs. Russell Feldkamp and Mrs. Jon Wortley of Grass Lake.

After spending several weeks with their parents, Mr. and Mrs. Thomas Wortley, of Grass Lake, and Mrs. and Mrs. Russell Feldkamp, Sp. 5 and Mrs. David Feldkamp and Kevin will reside at Ft. Bragg, N. C., where he will be stationed during the remaining eight months of his enlistment.

## Varsity Cagers Lose Contest to Saline, 74-61

The Chelsea Bulldog varsity cagers were defeated by the Saline Hornets before a Parents' Night crowd last Friday evening by a final score of 74 to 61.

Pre-game activities included the introduction of the parents of all varsity squad members and cheerleaders, along with their sons and daughters. The parents were guests of the students at the traditional "Parents' Night" held during the last home basketball game of each season. Each mother attending the game as a guest was given a large mum corsage.

The game was again a good one which remained close until the final quarter. The scoring got underway with John Lixey making a field goal for Chelsea early in the first quarter. Roy Holliday put in another two points to give Chelsea a four-point lead over Saline. The Bulldogs were six points in the lead before Saline got on the scoreboard, and the Bulldogs held on to their lead throughout the remainder of the first quarter, with John Lixey and John Freeman leading in the scoring. At the end of the first quarter, Chelsea held a three-point lead with a 15 to 12 score.

The Hornets started closing the gap in the early minutes of the second quarter, and they soon were slightly ahead of Chelsea. John Lixey brought up an 18-15 tie on foul shots, but the Hornets again claimed the lead. The game remained close for the next two or three minutes of play but, in the final minutes of the half, Saline claimed a substantial lead over Chelsea. The Hornets were ahead at halftime by a score of 41 to 33.

The Bulldogs staged a good comeback in the third quarter with Jack Risner, Craig Houle, and Lance Burghardt leading in the scoring. Nevertheless, Saline continued to hold a small lead at the end of the third quarter with a 53 to 49 score.

The Hornets extended their lead in the fourth quarter on foul shots to defeat the Bulldogs, despite the last quarter efforts of Larry Gaken, John Lixey, and Rob Powers to "save" the game.

Leading in the scoring for Chelsea was John Lixey with 16 pts. Lance Burghardt followed with nine points. John Freeman and Jack Risner each contributed seven points. Other individual scores were as follows: Rob Powers, six points; Craig Houle, five points; Roy Holliday, four points; Larry Gaken, four points; Larry Blackwell, one point; and Doug Weatherwax, one point.

The Bulldogs will travel to Dexter tomorrow night to take on the Dreadnaughts in the regular game of the season.

Firemen Busy

(Continued from page one)

Feb. 25 at 12:38 p.m. at the Veryl-Pouty home, 17417 Gavanaugh Lake Rd.

Fire Chief James Gaken noted that the Chelsea Fire Department has received 22 calls so far this month. This figure is considerably higher than the number of calls usually recorded at this time of year.

## Cager of the Week

DOUG WEATHERWAX, No. 20, is a 5-foot 8-inch guard on the Bulldog varsity basketball team. The junior's previous experience as a cager includes one year on the frosh team and one year with the JV's, for which he received a letter. Doug, a member of Varsity Club, also lettered in the pole vault event on the track team as a sophomore. After school, he is active in Scouting, serving this year as president of Explorer Post 485. Doug's parents are Mr. and Mrs. Guy L. Weatherwax of 513 Arthur St.

## JV Cagers Feel Sting of Saline Little Hornets

The Chelsea Junior Varsity basketball team lost to Saline last Friday evening by a final score of 58 to 60 in a game which remained close until the last minutes of the final quarter, when the Hornets claimed a substantial lead over Chelsea.

Saline opened the scoring in the early minutes of the first quarter, but David Conklin returned for Chelsea to bring up a 2-2 tie. Conklin quickly put in a second field goal to give Chelsea the lead. However, the Hornets were quick to tie the game a second time. This time, Saline broke into the lead, but the Bulldogs kept close, with four minutes remaining in the first quarter. Dan Wenk brought up a 7-7 tie. Jim Wojciecki put in a field goal to once again give Chelsea the lead, but in the last minutes of the first quarter, the Hornets fired on to pick up a five-point lead over Chelsea. Saline was ahead at the end of the first quarter with a 10 to 12 score.

In the early minutes of the second quarter, the Hornets extended their lead over Chelsea on foul shots. In the final minutes of the half, the Bulldogs started closing in with Art Farley leading in the scoring. Nevertheless, the Hornets held the lead at halftime with a 28 to 23 score.

The Bulldogs kept narrowing up Saline's lead in the early minutes of the third quarter and, with slightly more than four minutes remaining in the quarter, Ned Blacklaw tipped in a field goal to bring up a 33-33 tie. David Conklin picked up a two-point lead for Chelsea on foul shots, but Saline quickly claimed a small lead over Chelsea. Floyd Boyce picked up two more points on foul shots to give the Bulldogs a one-point lead over Saline, with 54 seconds remaining in the third quarter. The Bulldogs held on to their lead and, at the end of the third quarter, were ahead by a score of 41 to 40.

The Bulldogs picked up another point on a foul shot in the early minutes of the final quarter, but Saline quickly brought up a 42-42 tie. The game remained close for the next few minutes. In the final minutes of the game, Saline picked up a good lead over Chelsea and held it throughout the remainder of the game.

Again fouls were costly to Chelsea as Saline picked up 17 points on foul shots. Jim Wojciecki and David Conklin were at the top of the scoring for Chelsea with 16 points each. Art Farley followed with five points. Other individual scores were as follows: Dan Wenk, four points; Doug Schoenburg, three points; Floyd Boyce, two points; Ned Blacklaw, two points; and Karsten Kargel, two points.

Tomorrow night the JV's will play their final game of the season at Dexter.

Frank Abdon Honored On 86th Birthday

A family gathering was held Sunday at the home of Mr. and Mrs. Frank Abdon to honor Mr. Abdon on his 86th birthday. Children, grandchildren and great-grandchildren attended the occasion. It was also the 84th birthday of his brother, Verne Abdon, who was present for the celebration. A grandson, Robin Wright, also observed his birthday then. Two beautiful cakes, centering the service table, were baked and decorated by a granddaughter, Mrs. Ronald Gentner of Ypsilanti. Mr. Abdon received many fine gifts.

**TODAY'S THOUGHT**

By LOUIS BURGHARDT

When people speak of "changing times," they often confuse the distinction between "changing times" and "changing customs." Because adults and children are separated by a generation, manners and customs change considerably with each generation. Sometimes for the better, sometimes for the worse. And always, the manners and customs of each generation cause both joy and disappointment to the old. But "changing times"—as such—change very little. Today's problems are much the same as in years past. Here is a clear example.

The Times Tower in Times Square, New York, was torn down not too long ago. When the cornerstone (sealed on Jan. 18, 1904) was removed, relics of the past as well as some old newspapers were found. The 60 year old newspapers headlined reports of "trouble in the Far East and in Africa." Changing times? Hardly. The 60 year old papers also related the concern of police over the crime syndicates. Changing times? Hardly. The 60 year old newspapers also featured reports that cigarettes were harmful to a main thing that changes in time, is time itself. BURGHARDT FUNERAL HOME, 214 E. Middle St., Chelsea, Mich. Phone GR 5-1141.

## CUB SCOUT NEWS

DEN 1, PACK 415

Den 1, Pack 415 met at the home of Mrs. George Atkinson of Gavanaugh Lake. She had been ill for the last two months and so the Scouts were very glad to see her again. The den talked about the theme for the month. They will be making a model of a river and studying some of the uses and care that must be given to our water. The boys talked about their hike that is to be held on Saturday. Ed Dreiman and Carner Sluom are organizing it. They will start from the Rod and Gun Club at 10 o'clock Saturday morning.

Mrs. Atkinson brought the treats.

David Stoll, scribe.

DEN 1, PACK 455

Den 1, Pack 455 met at the home of den mother, Mrs. Burgess, Thursday, Feb. 22. The Cubs opened the meeting with the flag ceremony and then talked about bridges, tunnels and rivers. Each Cub Scout had to look up something about these topics at home.

The treats that Donald Hall brought were enjoyed by the den.

The meeting closed with the living circle.

Eddie Clemes has transferred to another den. Den 1 is sorry to lose him, but is happy to have Jimmy Anderson join the den.

A new den chief, Lee Hafner, joined the den and is very helpful to the boys.

Jeff Eder, scribe.

DEN 2, PACK 455

Cub Scout Den 2, Pack 455 met Wednesday, Feb. 21 at the home of den mother, Mrs. Osterle.

The meeting opened with the flag ceremony. The Cubs finished painting the turtles they had made for the turtle race at the next pack meeting, and then talked about Article 3 of the Bill of Rights to coincide with the theme, "Freedom Festival."

Mike Bowen brought refreshments. The Cubs played a game called "rattlesnake," after which the meeting closed with the living circle.

Randy Guenther, scribe.

## First Race Set For Speedway In Irish Hills

An inaugural date of Sunday, Oct. 6 has been granted sanction to the new Michigan International Speedway by the United States Automobile Club (USAC) Executive Committee. It was announced today by L. H. LoPatin, president of MIS. This is the first time that a definite major race date of this importance has been awarded by USAC to a circuit under construction and prior to completion.

The event will be a 250-mile National Championship Race for (Indianapolis) cars and will be run on the Speedway's 2 mile banked oval. This will be one of the major races sanctioned by USAC in 1968. A full field of the high powered automobiles featuring all the major factory constructors is expected and it is anticipated that several international drivers will be among the starters—all eager to achieve an initial overall victory and lap record on the brand new circuit.

The Michigan International Speedway, located in the picturesque Irish Hills tourist area on US-12, 6.5 miles southwest of Detroit, is now under construction on the road and oval circuits.

The \$4.5 million racing complex, comprised of a three-mile road racing circuit (designed by world renowned racing driver Stirling Moss); a two-mile 18-degree banked "D" shaped oval (designed by Charles Moneybags); and a 1 1/4 mile International driving school course and skid pan combined will be fully completed by the Oct. 6 date—as well as a 25,000 seating capacity grandstand and complete press and pit facilities.

A full race program is planned for 1969 at what will be soon known as the world's foremost car racing plant and will include Indy and stock cars on both the oval and road circuits as well as major sports car events.

## Townships To Vote On Renewal of Edison Franchise

In the next several months, the registered voters of Lima, Seio, Dexter and Webster townships will be asked to vote in their respective townships on the question of renewal of the Detroit Edison Company franchise.

Under the State Constitution, the electorate must approve this question every 30 years. The constitutional provision dates back to the 1909 and the revised 1963 State Constitution. Another provision of the constitution provides that in each community where this special franchise election is held, the utility company must pay for the entire costs in conducting the special election.

The franchise election is simply asking the people of the community to approve the Detroit Edison request to use a public highway, alley and streets and other public places to construct and operate their electrical equipment. This in no way affects the rights of the individual on private property.

## Personal Notes

Sunday dinner guests of Mrs. H. T. Moore were Mr. and Mrs. A. K. Campbell of Toledo, O., and Mr. and Mrs. P. K. P. of St. Louis, Mo. Mrs. Campbell and Mrs. P. K. P. are Mrs. Moore's sisters.

Brad Stilwell, son of Mr. and Mrs. J. W. Stilwell of Bellaire, will celebrate his "first" birthday Feb. 29, at which time he will actually be four years old.

Attending a family party Saturday afternoon in honor of the occasion in addition to his parents and brother, Eric, will be Brad's paternal grandmother, Mrs. G. W. Stilwell of Central Lake; his maternal grandparents, Mr. and Mrs. H. T. Moore; Brad's aunt and uncle, Mr. and Mrs. A. L. Gagnon and children, Rene and Marc, of LaGrange, Ill.; and an uncle, Eldon Moore of Seattle, Wash. Mrs. Moore will fly to Seattle, Wash., with her son, Eldon, for a visit.

Mr. and Mrs. George Knoll visited Mr. Knoll's sister and her husband, Mr. and Mrs. Frank Van Comant, at Troy Sunday after-noon.

## Bible Verse Answers . . .

1. Psalm 119:165.
2. The absolute identity of the writer is not known, but probably David.
3. Certainly—those who love and obey God's laws are at peace with themselves, with God and their fellowmen.
4. Peace of mind, which comes only through a right relationship with God.

## JAYCEES PRESENT C.S.P. PETITIONS

Michigan Junior Chamber of Commerce members from Dexter last week filed 15,000 petitions at the State Capitol in Lansing, urging repeal of Michigan's Criminal Sexual Psychopath law. The signatures were collected all over the state. Dexter Jaycees conferred with State Rep. Roy Smith (R-Ypsilanti), chairman of the special House committee which recently completed a thorough

study of the CSP law. Smith authored a bill in the House which would repeal the law, thus making sexual psychopaths legally responsible for any crimes they commit. The Jaycees also appeared before the House Mental Health Committee, and argued in favor of Smith's repeal bill. Shown above are, left to right: Don Beach, Rep. Smith, Dean Milligan, Dexter Jaycee Chairman, and Dexter Jaycee president Ron Adair.

## Stanley Dulgeroff Seeking GOP Nomination for Sheriff

A former detective sergeant, Stanley Dulgeroff is seeking the GOP nomination for sheriff in the August primary election.

Stanley J. Dulgeroff, 47, of Ann Arbor, told his intentions to seek the GOP nomination in a statement outlining his impressions of the attributes necessary for competency in the sheriff's office.

Dulgeroff, now administrative assistant to the director of the University of Michigan's Speech Center, stressed in his statement the importance of administrative ability, leadership qualities and public relations in a man who is sheriff.

"A sheriff is essentially a police administrator who is hired and can be fired only by the voters," Dulgeroff said. "He is not a politician, a community leader, or a professional public performer, but also the highest degree of personal morality, the kind of private conduct that reflects credit to the department he heads and to the profession he serves."

The candidate said he feels a sheriff should be a competent command officer, not a man as an individual and as a police administrator. He said a sheriff should not be a man who is a "public man" but a man who is a "private man" and a "public man" at the same time.

Dulgeroff said in his statement that the sheriff's office is the backbone of both law enforcement and public safety. He said the sheriff's office should be a "public man" and a "private man" at the same time. He said the sheriff's office should be a "public man" and a "private man" at the same time.

## Rabid Skunk Killed By Dog Near Milan

Word has been received by the Washtenaw County Health Department from the Michigan Department of Public Health Laboratories in Lansing confirming a case of rabies in a skunk which was killed by a dog in Monroe county one mile from Milan.

The finding of this case so close to Washtenaw county serves to remind everyone of the constant reservoir of rabies in wild life and the resulting threat to domestic animals, especially dogs, and to human beings.

To counteract this threat in the past the Washtenaw County Health Department, in co-operation with the Washtenaw County Veterinary Association, has sponsored rabies vaccination clinics for dogs, the last of which was held in January 1967.

The County Public Health Veterinarian, Dr. George Bowler, states that the rabies vaccine most commonly used is good for two years and indicates that another public rabies vaccination clinic is not scheduled until January 1968. He also reminded dog owners that the dog licensing regulations in Washtenaw county require that all dogs must be vaccinated for rabies.

Dr. Otto Engelke, county health officer, regards this confirmed case of rabies in wild animals as a serious threat to the community. He further stated, "Every dog owner should make doubly sure that their dogs have an up-to-date rabies vaccination. If a check reveals a need for this vaccination, an immediate appointment with a veterinarian should be made."

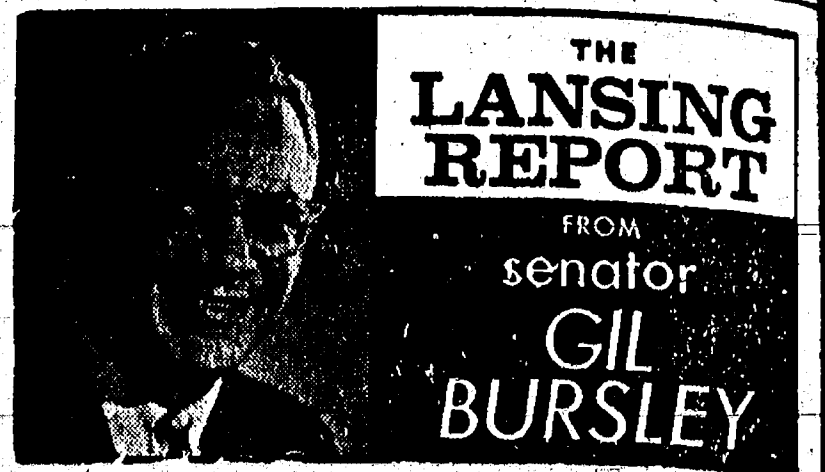

## MSU Beef Tour Scheduled Friday

Anyone interested in going on a beef tour at Michigan State University's beef research center should meet at the Chelsea Stop & Shop parking lot tomorrow morning at 9:30 to pool transportation resources with other tour participants. A person may also join the tour by driving directly to East Lansing.

The tour, sponsored by the Livestock Council, will begin at approximately 10:15 a.m. in East Lansing, at the beef research center. Tour members will spend the morning observing various research projects, which will be explained by Dr. Hugh Henderson, a livestock specialist at the University. Following a noon luncheon at the campus International center, Dr. Henderson will again address the group, describing the potential of the beef cattle industry in Michigan.

The tour is expected to be back in Chelsea at approximately 3:30 p.m.

Michigan state tax revenues increased at a rate of 4 1/2 percent in the latter half of 1967 but are still lagging behind earlier budget estimates.

The big news was, of course, the state income tax which produced \$52,827,453 in "new money" in the three months after it went into effect on Oct. 1.

The sales tax, still the source of half our funds, increased its return by \$14 million or 4 1/2 percent over the previous year.

The business activities tax receipts dropped off by \$5 million or 7 1/2 percent due to strikes which interrupted large payrolls and shot up labor costs. This tax has been replaced by a corporation income tax which should produce somewhat more money.

The Revenue Department informs me that it has developed a new form for business taxpayers which will reduce considerably the paper work, return on which to report wages, use and withheld taxes and then to submit one check covering the total. This is a simplified procedure for the taxpayer but results in some delay for the Revenue Department to get all the desired statistical breakdown.

As might be expected people still smoke despite various medical warnings and our cigarette tax receipts went up almost one million dollars in the last six months of the year. You can still figure that each penny of cigarette tax brings in to the state about \$11 million per year. Thus our present 7-cent tax nets close to \$80 million annually.

Total state revenues amounted to about \$668 million for the six months; of this the sales tax

amounted to \$317 million; motor fuel taxes \$100 million; business activities tax \$53 million; income tax \$52 million; cigarette tax \$20 million; use tax \$87 million; property taxes \$20 million; the inheritance tax \$11 million.

Also receiving a 11 1/2 percent increase was the state income tax. The state income tax receipts went up almost one million dollars in the last six months of the year. ## Give a hoot about savings? Dial direct.

Want to be a wise money saver? Then just dial your Long Distance calls direct instead of placing them Person-to-Person. It's one way to cut your phone bill if you are reasonably sure the party you are calling will be there. And it's easy, too. Just dial "4", then the Area Code, if it's different from your own, and the number you want.

For an idea of how much you can save, here's an example: A 3-minute Person-to-Person call between Detroit and Cincinnati costs \$1.60 at the day rate. Dial direct Station-to-Station and that same call costs only 65¢. You pocket the 94 percent difference.

So be smart. Give a hoot about savings. Dial Direct. It's the money-saving way to call Long Distance.

## Five Persons Arrested Here Since Saturday

Chelsea police have made five arrests since Saturday, including three persons wanted in other towns.

Daniel Risner, 18, of 930 S. Main St., was arrested on drunk and disorderly charges by Officer Catalina Saturday, Feb. 24 at 1 a.m. on Hayes St. Freq on \$35 bond, Risner was scheduled to appear before Judge C. A. Rogers yesterday.

Dane S. Hughes, 21, of 506 1/2 Chandler St., was arrested at Old US-12 and Main St. by Patrolman McCormick Monday, Feb. 26. Hughes had been wanted by Ann Arbor police on a charge of passing bad checks.

Later the same day, McCormick also arrested two men who were wanted by Manchester police. The men, whose names are being withheld pending further investigation of the case, had sped away in their car after Manchester police attempted to arrest them. Chelsea police were given the license plate number of the car, which led to their arrest on Main St. by McCormick.

Police Chief Meranuck arrested a Stockbridge man Tuesday, Feb. 27 in connection with a hit-and-run accident in Chelsea Saturday night. Daniel Wills, his wife Sandra, and baby, all of Columbus, O., were driving in Chelsea Saturday with Wills' mother, Mrs. Geraldine Wills of 525 N. Main St. As Wills started to make a left turn into Buchanan St., a car rammed the rear of Wills' vehicle and then took off. The elder Mrs. Wills and her daughter-in-law each received whiplash injuries in the accident. Wills reported the license number of the hit-and-run automobile and reported it to Chelsea police.

Through the co-operation of the Ingham County Sheriff's Department, Chelsea police traced the car to the Krummery farm in Stockbridge, where the owner of the vehicle, 21-year-old Isom Barnett, lives and works. After being arrested by Police Chief Meranuck, Barnett was then turned over to state police from Jackson, who had issued a warrant for his arrest in April 1966 for failure to change ownership of his car. He is now in Jackson State Police Post Jail awaiting trial.

The hit-and-run accident charges against Barnett are being investigated further, since he claimed that he was too drunk to drive the night of the accident and because no positive identification was made of Barnett as the driver of the vehicle.

COACHES OF CHAMPIONS: Dexter wrestling coach Al Ritt (left) shakes hands with Chelsea coach Lauren Miller, at the conclusion of Saturday night's conference meet at Chelsea High school. Dexter and Chelsea were tied for first place as a result of the Dreadnaughts' conference meet victory. Chelsea had finished its dual meet season undefeated, which earned the Bulldogs one-half of the championship.

A total of 18 teams entered the contest from the district towns of Chelsea, Ann Arbor, Dexter, Saline, Ypsilanti and Milan. Four Chelsea Jaycee teams participated in the tournament.

Chelsea team No. 1 won the tournament with a total pin fall of 3049. Saline Jaycee teams took second, third and fourth place with Ann Arbor finishing fifth.

Members of the victorious Chelsea team are Lyle Christwell, Ron Eder, Silas Hopkins, Arthur Steinaway and Walter Brown. Eder will receive a trophy in addition to the one to be awarded to the team. The trophies will be presented at the District-26 spring meeting in April.

Cash awards were also won by three of the team members. Silas Hopkins earned a prize for bowling the high actual score of 3049, Ron Eder for bowling a high actual game score of 304 and Walter Brown for rolling a high handicap series total of 304. Chelsea Jaycee chairman of the tournament was Silas Hopkins.

**Chelsea, Laurium To Exchange Presidents For Michigan Week**

As a feature of Michigan Week, mayors and village presidents from the various cities and villages throughout the state will trade places May 20. Pairing of villages for the exchange was arranged last week through a drawing of names from a barrel by Acting Governor William G. Milliken.

Cities and villages were grouped in four categories according to size. Chelsea's village president will exchange places with the head of Laurium. Dexter and Port Hope will trade village presidents for the day.

## AGRICULTURE in ACTION

By M. L. Woolf

MICHIGAN FARM JOURNAL

### ★ 5-CAP Program

The President's National Advisory Committee on Rural Poverty has placed its report in the President's hands, estimating that there are nearly 14 million "poor" people in rural America. This compares to an estimated 4 million actual farmers now on the land.

Not too surprising, government action and government money are suggested answers to the root problems of unemployment, bad housing and sub-standard health care.

All of which is background explaining a big sign near Baldwin, proclaiming 5-CAP. The sign so intrigued Mrs. Carl T. Reed, Oceana county farm wife and Farm Bureau leader, that she investigated in some detail.

"CAP stands for 'Community Action on Poverty' and the 5—as near as I could discover, refers to a five-point program. The sign is beside a big deserted country-type school, designating it as headquarters for a pilot program in Lake county and serving Mason, Manistee, Oceana and Newaygo."

Mrs. Reed reports that this is a new federal project, involving "Community Action on Poverty." Neighborhood Health Services, and funded by a one-year federal grant which may be renewed for two more. Complete medical care is offered all qualifying persons—the aged, ADC recipients, and those unable to work for one reason or another. "This area was picked because there are more people over 65 there, percentage-wise, than in any other area of the state," Mrs. Reed says, adding that an estimated 8,000 persons are eligible with about 4,800 expected to take advantage of the health-care program.

The budget breakdown of tax dollars to be spent includes: \$198,002 for personnel; \$84,208 equipment; \$87,845 for consumable supplies; \$35,120 for travel; and a healthy \$165,000 for "miscellaneous." Total direct and indirect costs of the project, reports Mrs. Reed, amount to \$912,713 for the one year.

Most disturbing is the by-passing of existing local facilities or the building of long-range permanent ones. "We built a medical care facility ourselves for a half-million dollars," says Mrs. Reed, who suggests that a 20-bed medical unit could be erected for permanent use and completely furnished for one year of the 5-CAP money. "Who knows what wonders could be done with the three million proposed in the three-year budget?" asks this alert farm woman.

### Girl Scout Adult Committee Plans Varied Spring Activities

A Girl Scout Neighborhood meeting was held Monday, Feb. 26 at First Congregational church, with 14 members present.

The Father-Daughter program will be Thursday, March 14 at 6:45 p.m. Since the Junior high gymnasium is not available, the program will be held in the High school cafeteria this year. Guest speaker will be Laurie Pearlman, who was one of eight girls chosen to represent the United States at "Our Choice" last year. Miss Pearlman, a resident of Ann Arbor, attends the University of Michigan.

Troop leaders are asked to urge their girls to attend church in uniform on Girl Scout Sunday, March 10.

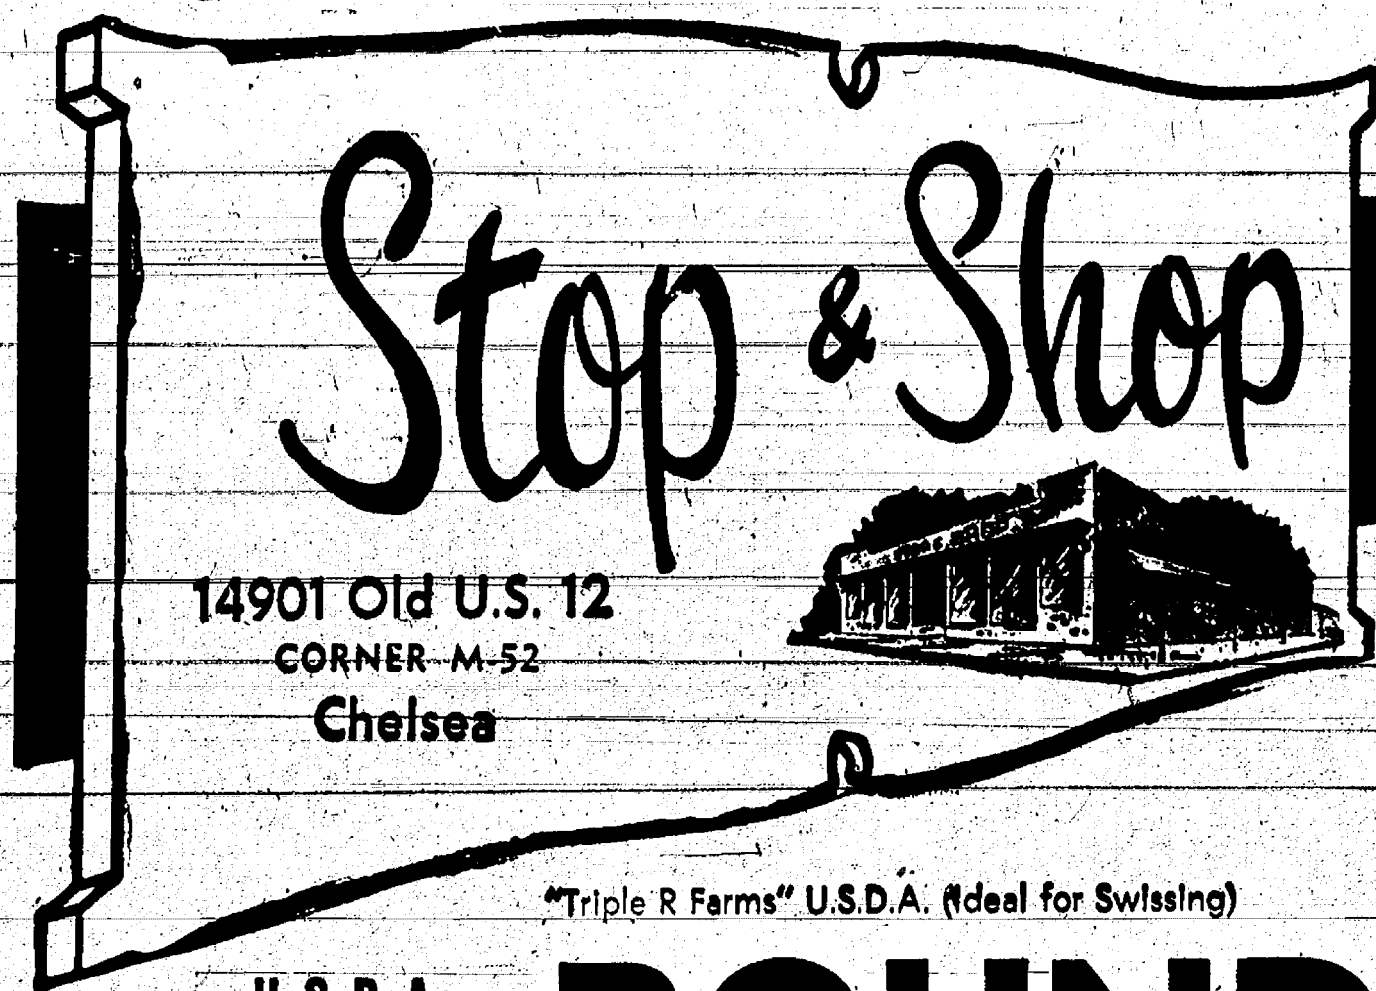

Cookie chairman Mrs. Paul Mann announced that the sale of Girl Scout cookies will begin Friday, March 1 and will end Saturday, March 16.

Delegates Mrs. Mann and Mrs. E. J. Sutter reported on the council meeting concerning possible structural changes in the Girl Scouts.

## St. Mary School Notes

FIRST GRADE—

Teacher: Sister Rita Michael  
Reporters: Mindy Frank,  
Judy Headrick,

We made valentines for our moms and dads—Wednesday—we had a Valentine's party. We had cupcakes and candy.

We have two new people in our class. They are Doug Wetzel and Judy Headrick.

SECOND GRADE—

Teacher: Mrs. Zeeb  
Reporter: Andy Pfitzen

Children who know the months and their birth dates have their pictures on our heart calendar. Joan planted some corn and when it grew she wrote the story and read it to us. David Wetzel is a new boy in the second grade class.

THIRD GRADE—

Teacher: Sister Jean Paul  
Reporter: Diane Burg

The third grade class made love bugs Friday. They are made of yarn and felt. It took us a long time to make them. We also made picture book reports. They are from the stories that we like best.

FOURTH GRADE—

Teacher: Mrs. Kolb  
Reporter: Lisa Schrader

The girls have challenged the boys in a math game using the multiplication facts. The losers will give the winners a small treat. The score at present is two to one in favor of the boys. Come on, girls, study those facts.

In our story in reading today, we learned that George Washington was not only a great man, he showed kindness toward a dog and his master. The master was General Howe, Washington's enemy.

FIFTH GRADE—

Teacher: Mrs. Thalner  
Reporters: Richard Lutovsky,  
Basil Scott

On Tuesday, Feb. 13, our room had a class spell-down to determine the school contestants for the school spelling bee. This will be held on March 8. Our class winner was Melinda Newcome.

Our music teacher, Mr. Jennings, is going to see if we can have a musical. (It is entitled "William Tell.")

In art class we made love bugs. It took the following: yarn, pipe cleaners, and felt. You make three pompoms of yarn and tie the body and tail together. Then you make a hole in the middle of the felt. The felt is then put between the head and body, and the two are tied together. We had the most fun that afternoon.

SIXTH GRADE—

Teacher: Mr. Van  
Reporter: Lynette Villeneuve

In English we have been studying conversation. Mr. Van gave us a paragraph with no punctuation in it. We are supposed to fill in the necessary punctuation marks.

SEVENTH GRADE—

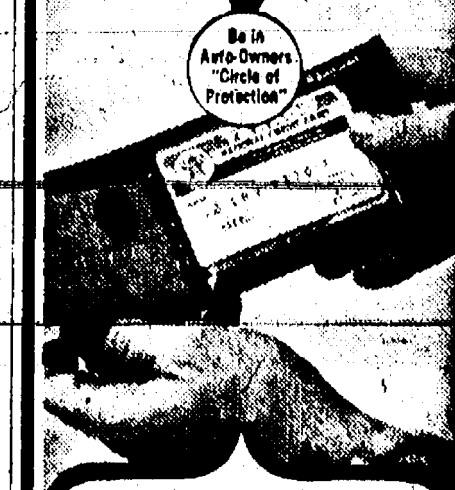

Teacher: Sister Marie Anita  
Reporters: Donna Clark,  
Karen Sullivan

During religion, this Tuesday, we listened to a Bill Cosby record entitled "Right." Now in science we are studying germs and diseases. In the future we are planning a Science and Art Fair. It will be open to the public. There will be first, second, and third place prizes.

When exposed to air, moisture, and warmth, shelled nuts tend to become rancid and stale. Keep nutmeats in tightly sealed containers or in moisture or vapor-proof wrappings in the refrigerator or freezer to prolong their freshness. Whole nutmeats stay fresh longer than chopped or ground ones.

## TV Sports Show Will Feature Shots of Big 10 Gymnastics Meet

East Lansing—MSU gymnastics coach George Saypol joins "Spartan Spotlight's" Terry Braverman for an analysis of top performances in the Big Ten Gymnastics Championships, Sunday, March 3, 4 p.m. on WMSB (Channel 10), Michigan State University television.

The 30-minute special features videotaped highlights of the Big Ten team championships, held at the Johnson Fieldhouse on the MSU campus, Saturday night, March 2. These championships are of special interest, since top competitors will go on to the national championships and possible Olympic berth.

The top four Big Ten schools battle for the team title in seven events: floor exercise, sidehorse, still rings, trampoline, horse vault, parallel bars and horizontal bar. Schools most likely to be included in the top four are Michigan State, Michigan, Iowa and Illinois.

Other WMSB highlight includes: "N. E. T. Festival" presents "Leinhardt Recreates," featuring the music director (recently resigned) of the Boston Symphony Orchestra, Leonard Bernstein, who is taking a film hand, but gradually the class of apparently ordinary English schoolboys begins to take control of him.

The author, Giles Cooper, before his death last year, was one of England's most prolific writers and was widely known in the worlds of radio, television and stage as a challenging mind much concerned with contemporary problems and society.

**CANCER—**"Spectrum" presents the first of a two-part report on the search for drugs that destroy cancer cells; Monday, March 4, at 11:30 a.m.

The first film, subtitled "The Search," shows researchers at the National Cancer Institute identifying and developing chemicals which either destroy cancer cells or inhibit their growth. Institute investigators test the chemicals in animals, evaluate and, in some cases, improve their usefulness against cancer in humans.

**ASTRONOMY—**"The Sea Above," a series of programs on basic astronomy, premieres Thursday, March 7, at 7 p.m.

Host John Cotton aims this series at adults who have had no previous exposure to astronomy and who might become interested in astronomy as a hobby. Cotton, an active amateur astronomer, has been an educator with the Dallas Health and Science Museum Planetarium for the past three years, and is chairman of junior activities for the Astronomical Society.

The first program in the series takes a look at Mercury and Venus, two inner planets in our solar system. Subsequent programs deal with other planets, the moon, the sun, stars, eclipses, space measurements and types of telescopes.

**SAFETY—**"Your Dollar's Worth" presents the case for safety automobiles and safer drivers; Sunday, March 3, at 11:30 a.m. and Monday, March 4, at 12 noon.

The program notes improve.

STUDYING A SUNMOBILE with great concentration are Chelsea Junior High school students (left to right) Dean Schoenberg, Mark Grambau and Stephen Siebert. The Sunmobile was one of several displays on hand during the GM Science Show, "Previews of Progress," held at the Junior high Monday, Feb. 26.

## GM Science Show Gives Students Preview of Future

"We have engineered in the United States the most progressive land on the face of the earth," said a young man, arriving as the replacement schoolmaster and finds himself in a most unusual and unbelievable situation. He begins to take a film hand, but gradually the class of apparently ordinary English schoolboys begins to take control of him.

## SOUTH ELEMENTARY SCHOOL NOTES

On Feb. 15 we had our annual Detroit News Spelling Bee for fifth graders. The winner, Laurie Mann, will receive an inscribed copy of Webster's New Collegiate Dictionary. The runner-up was Merry Hoffmeyer, and the winning word was convenience.

The last 20 students standing from this Bee will compete for the school championship on March 8. These 20 pupils are: Pam Blackwell, Donald Bollinger, Ronald Collins, Jodi Daniels, Tammy Greenleaf, Cindy Harok, Kathy Harris, Merry Hoffmeyer, Kathy Kuhl, Kim Longworth, Douglas Lovett, Lois Lovely, Laurie Mann, Donald Messner, Denise Petsch, Lori Schiller, Sharon Schiller, Linda Shadcan, Janet Speer, Curt Wilans.

**KINDERGARTEN**  
Room 6  
Teacher: Mrs. White  
Reporter: Michael Wood  
Mrs. White has the numps. We miss her. We made get-well cards for Mrs. White.

We are learning our left and right hands.  
We made pictures of Presidents Lincoln and Washington.

**Room 4**  
Teacher: Mrs. Andrews  
Reporters: Bryan Herlick and Steve Heydlauff  
We have been busy writing our own stories! We looked at pictures first and then wrote down our ideas. It is fun to be an author.

We studied about Abraham Lincoln and George Washington. We made log cabins for Lincoln and a book about Washington. We learned to sing "The Star Spangled Banner."

**Room 8**  
Teacher: Mrs. Smedegaard  
Reporter: Teresa Shepard  
We have been studying about air. We did experiments with balloons and other things to show that air is real, that air pushes against things, and that air takes up space.

We made weavings, paper mittens, and puppets with which we gave some puppet shows, and booklets about Abraham Lincoln and George Washington. We are collecting pictures of gases, solids and liquids. We are starting to study about weather for which we are keeping a chart of the daily temperatures in February.

**Room 5**  
Teacher: Mrs. Thodeson  
Reporters: Mark Foster, Karen Beuerle  
This month we made a Valentine Zoo, and we had a Valentine party. We are making a book about Abraham Lincoln and George Washington. We are learning to measure. Karen Beuerle and Lori Miles have February birthdays.

**Room 2**  
Teacher: Mrs. Thornton  
Reporter: Becky Sage  
We are learning the months of the year in our new We Learn to Listen, Speak and Write books. We are making a birthday calendar. Some of us are still trying to learn the alphabet. Becky Sage is moving to Virginia.

**SECOND GRADE—**  
Room 13  
Teacher: Mrs. Tallman  
Reporter: Nancy Steenson  
We are moon watchers and star gazers. We have been watching the changing phases of the moon and looking for the constellations we know. Our science table has books about space, and we have been reading and talking

about orbits, planets, comets, meteors and space rockets. We think a trip to the moon would be fun!

February has been a busy month. Our bulletin board has painted figures showing Fun in the Snow. We celebrated the birthdays of our famous presidents, Abraham Lincoln and George Washington. Our Valentine Party was fun, too. The most exciting thing is that we are learning cursive writing.

**Room 7**  
Teacher: Mrs. Rogers  
Reporter: John Daniels  
We'd like to say "hello" to James Bollinger who has had an operation. We hope to see him soon.

We are learning many things about measurement, telling time, reading a thermometer, fractions, and how to use a ruler.

We are also very excited about learning cursive writing. We practice as much as we can.

**THIRD GRADE—**  
Room 18  
Teacher: Mrs. Fulka  
Reporter: Suzanne Barlow  
We have been studying and talking about Good Dental Health. On Thursday, Feb. 19, Dr. Warren, who came to our room, told us many interesting things about our teeth. He gave each one of us a booklet and two X-rays. We appreciated Dr. Warren's coming to our room.

**FOURTH GRADE—**  
Room 17  
Teacher: Mrs. Chulock  
Reporter: Pam Siebert  
Our new librarians are: Michael Boyer, Susan Schulze and Karen Kern.

Plant No. 2 is coming out best in our experiment on radish plants with different types of soil and amounts of sunlight. It was grown in good soil, good light, and was watered every other day.

Plant No. 11 is second. It is planted in good soil, good light, watered every day, but in dark half the time and in light half the time.

We are learning a new kind of division. Everyone is working hard, and we did fairly well on our last papers.

We are sorry to say good-bye to Dennis Sage who is moving back to Virginia. We will try to keep him caught up on classroom news.

Michael Boyer won first prize in our Valentine box decoration contest.

**Room 20**  
Teacher: Mrs. Moore  
Reporter: Jim Marshall  
The study of Australia has proven very interesting. We have learned many new things through a filmstrip about Australia and reports given on plant life, location, climate, transportation, and animals.

Mrs. Tite is teaching us two songs: "Waiting: Matilda" and "The Kangaroo Down."

On Valentine's Day we enjoyed the nice party treats Mrs. Bollinger, Mrs. Hart and Mrs. Schiller brought, after which we looked at our Valentines. We then went to the gym to square dance with Mrs. Senne's students. This was more fun than just staying in our room.

In social studies we are learning about the Civil War and have a bulletin board showing the division of the states, the generals, presidents, and flags of each side.

In English we have made three-minute speeches using notes, very short extemporaneous talks, and reports. We are now writing imitations.

Seven students in our class put on a play on Monday, Feb. 12. It was about seven historical men. Joanne Schneider was the narrator. The actors and the parts they played were: Dennis Barker, George Washington and the Indian Chief; Laurie Mann, Patrick Henry and William Dawes; Debbie Berke, Paul Revere and General Cornwallis; Charlotte Steinaway, Daniel Boone; Sharon Schiller, William Penn and Thomas Jefferson. Merry Hoffmeyer, Lori Schiller, and Jim Marshall played the part of congressmen and Indians. Mrs. Senne thought our costumes were good. Our class enjoyed the play.

### Highway Dept. Still Puzzled Over Theft of Garage

Lansing—If you're looking for a gazebo or a chicken coop, a steel mill, oil walls, green tomatoes or a doughnut shop, you might contact the Michigan Department of State Highways.

The Department's Property Management Section is responsible for clearing right-of-way for highway construction. Property is usually sold at public auction and proceeds are returned to highway construction.

In 1965, machinery in a steel mill in Detroit brought \$45,000. A windmill on property near Pontiac sold for \$5.

Last summer, a Lansing drive-in restaurant was sold for \$5,500 and its fixtures, including a hot chocolate dispenser and cash register, brought \$3,441.

Nursery stock in the path of I-496 in Lansing sold for \$1,817. The gazebo, or outdoor garden observation building, was also sold to make way for I-496.

Theft from vacant houses is a problem. Bathroom fixtures, particularly tubs, are favored loot. In 1960, a house on the I-94 right-of-way near Ypsilanti was jacked up and towed away, but police stopped the strange cavalcade within a few blocks and the house was returned.

The Department is still puzzled by a 1962 theft. Someone made off with a two-car garage in Ann Arbor—and left no forwarding address.

### Religious Study Course Being Offered Public

Beginning Thursday, March 7 from 9 to 10:30 a.m. at the Chelsea Methodist church, a study course, "Christ and the Faiths of Men," will be offered. The course, to be led by the Rev. Robert Worgess, will study the predominant religions of our day. Projects, reviews, and slide presentations will be incorporated in the study.

Books may be obtained from Mrs. Ben. Donaldson and Mrs. James Hoffmeyer. Friends from other churches are welcome to attend the course, which is open to both men and women.

### LIFELINES:

## Children Under Six Free

A little boy was anxious to know how to be sure that "Christ died for him." A friend pointed to a railway time table with the words at the foot, "Children under six years of age travel free." Now, if you were under six, would you have any difficulty in knowing that you could travel free? "Oh, no," the little boy replied. "Well, the Bible says, 'Christ Jesus came into the world to save sinners' (1 Timothy 1:15); you are a sinner." "Oh, yes," "Then you need have no fear of putting in your plea and claim." This helped the little fellow to believe on the Lord Jesus Christ and be saved" (Acts 16:31). Are you saved? Do you know where you will spend eternity? You can know, Jesus said, "Whosoever will, may come" (Acts 2:21).

### SUNDAY'S SERMON

#### KNOWING GOD

How well do you know God? Is yours a Sunday God—someone to visit once a week? Do you believe in the all-forgiving God, ready and waiting to listen to a confession and ease the pang of a conscience? Perhaps yours is the benevolent God—the giver of great gifts and good fortune. We cannot truly "know" God on a part-time basis. God is eternal and omnipresent. We can really know God only after we have seen and grasped the "message" of the life of Jesus upon earth, only when we accept and understand the purpose of the death of Jesus on the cross.

God sent forth His Only Son—to live, to suffer and to die upon earth not without reason. In the life of Christ is found the example, the guidelines for everyday Christian living. Christ died so that men may seek eternal salvation. There is no higher purpose, no greater sacrifice to be made. There could be no stronger evidence of an eternal, omnipresent God.

Paul the Apostle reminded the Hebrews that God has spoken to them through His Son and, because of one great sacrifice for all sins, all men would come to know God.

will be chairman of the dining room.

A study class, "Christ and the Faiths of Men," will begin March 7. It will be held from 8 to 10:30 Thursday morning at the church in the educational unit. The Rev. Robert Wargess will teach the class.

Mrs. Fanny Chambers gave the program. She read from Luke 14:21. Her topic was, "The Missionary Finds a New Identity."

She was assisted by Mrs. Fred Harris, Mrs. Lyman Adams and Mrs. Robert Harris. The program was concerned with a young woman who, upon becoming a missionary, was assigned to the French-speaking section of the Congo. She taught French and math, her task being to prepare high school youths for university studies and to participate more in church work and community affairs.

The next meeting will be held in the social center of the Methodist Home March 21. It will be a planned pot-luck luncheon at 12:30 p.m. Mrs. Raymond Schairer will lead the devotion and program.

Other influences which determine the character of rivers and streams include flow rate, storm-sewer run-off, septic tank seepage, surface drainage, agricultural wash-off, water temperature and physical characteristics of a stream and its banks, all having considerable impact on the degree and type of a stream's quality and its appropriate uses.

achieve but nevertheless they are certainly well worth shooting for. Success depends upon recognition of the many influences which affect the character of the river. The Technical Advisory Committee has made note of some of these conditions in the qualifying remarks which accompany the recommendations. (These remarks were presented by John Dillon of Ann Arbor township, chairman of the Huron River Watershed Council.)

The Research Council statement, prepared by Mrs. Virginia Denham, MCRC chairman, further read: "We believe it is the responsibility and the duty of the Watershed Council, the Michigan Water Resources Commission, and the Federal Water Pollution Administration to make the people aware of all the factors which govern the appropriate uses and standards for the rivers and streams. It is vital that they not resort to the emotional appeal of promises to eliminate pollution and to provide trout streams and sparkling beaches simply through waste treatment controls alone."

## Senior English Classes 'Adopt' Korean Girl

About a month ago, the idea of "adopting" a child was first discussed in room 210 at Chelsea High school. Since then, Edward Hill's third hour English III students have become "foster parents."

OH Eun Sook, a 12-year-old Korean girl, once had no money for school supplies and clothes. She now, however, has been adopted by the group of students. Within the last two weeks, the third hour class decided to invite Mr. Hill's sixth hour class to join them in this endeavor. The two classes constitute the junior section of college-bound students at CHS. The sixth hour class elected to join them in their project.

The students announced that in order for OH Eun Sook to be continued in the program of "foster adoption," they plan to will the project to the class of '70 when they graduate. In this way, the project may be continued as each consecutive senior class resumes the obligations of the project.

Classes are working in co-operation with the Christian Children's Fund, Inc. Eun Sook is one of the 14,000 children assisted by CCF in Korea alone.

She is sponsored by the CCF Appenzeller Project, an endeavor named after a missionary who gave his life to the people of Korea. The project, explained Executive Director, Verbon E. Kemp, is "patterned after the Aid to Dependent Children Programs we have here in the States."

The CCF enables widows to keep and raise their children, which financial need would normally prevent. CCF provides the funds needed for proper care of the child. Thus, the child is actually raised by his own mother instead of by an orphanage.

## Cub Scouts Hold Blue, Gold Banquet

Cub Scout Pack 435 held its Blue and Gold Banquet Thursday evening, Feb. 22 at Inverness Country Club.

Table decorations, made by the Cub Scouts, included place mats and nut cups. The nut cups were made by attaching tiny "Cub Scouts" of pipe cleaners and marshmallows to paper cups. The Cub Scouts also made corsages for their mothers.

Guests at the banquet included the Rev. Robert Worgess, Mr. and Mrs. Roland Spaulding, Mr. and Mrs. Ralph Fitch and family, Mr. and Mrs. Robert Shears, Mr. and Mrs. Darrell Kniss, and Harold (Billy) Baker.

After the dinner, which was arranged by Mrs. David Longworth, the Rev. Worgess spoke on the values of Scouting and Kniss showed various animal pellets to the Cub Scouts, describing the habitat and characteristics of these animals, as well as the methods used to trap them.

The Charter was presented to Louis Foreman, the institutional representative, by Roland Spaulding. Mrs. Robert Shears was awarded a two-year den mother pin.

Cubmaster Richard Kalmbach gave out the following awards: Jeff Kiel, bobcat; Doug Foreman, bobcat; Ron Kiel, Webeles; and Steven Klink, Webeles.

To close the program, Mrs. Kniss was presented with the table centerpiece, an arrangement of blue and gold mums.

## CHS Pupils, Teachers Take Field Trips

Chelsea High school teachers Larry Lonsway, agriculture department, and Mrs. Virginia Dean, of the home economics department, took a busload of boys and girls to the recent Career Day conference at Michigan State University, East Lansing.

The counselors, George Bergman and Mrs. Ellen Gillies, attended a conference at Ferris State College in Big Rapids Feb. 13. Former Chelsea students now attending Ferris met with them and Ferris officials. Four Chelsea high students accompanied the counselors for this day on the Ferris campus. They are: Dan Clark and Terry Rickemann, seniors, and Jane Kalmbach and Paul Prinzing, juniors. The students joined a group of more than 400 high school students from all over the state, who were given a campus tour and the opportunity to talk with Ferris students.

During 1966-67, grants to Michigan State University totaled \$12,123,150 to support 567 research projects.

TOP HONORS: The Half Moon Patrol of Chelsea Boy Scout Troop 476 won a red, white and blue presidential ribbon for earning the highest number of points for outdoor skills during the recent "Frostbite Camporee." From left to right are Senior Patrol Leader Lloyd Hafner presenting Half Moon Patrol Leader Jeff Reed with the presidential ribbon, and patrol members Bruce Parks and Pete Stahl. Other honors awarded to Troop 476 at the camporee were the first-place blue ribbon to the Wolverine Patrol, and a top award to Troop 476 for the highest number of troop points. Troop 476 shared this honor with Troop 409 of Whitmore Lake.

## Panelists Discuss Ecumenism

This is the second presentation on ecumenism given at the Methodist church. This talk was given by Rev. Mary Ann Markel, a member of St. Mary's church.

In order to understand renewal within the Church let's go back briefly to church history.

After the violent schisms of the first half of the 16th century, neither the Protestants nor the Catholics could bring themselves to accept the irreparable loss of unity. The Catholics determined to recover their lost provinces. The Protestants were determined to extend the reformation over the whole of Europe. Mortal combat broke out and the "Wars of Religion" left Europe in shambles and shock. By the end of the 17th century, it was clear to all that unity could never be restored by force.

With reluctance, Christians came to accept the notions of religious toleration and religious pluralism as the only alternatives to endless strife. Out of this came the basic concept of denominationalism—that any group is entitled to a legal existence and is free to teach and practice its beliefs unless they are disruptive to public order.

Forced to tolerate one another, Christians began to develop a sort of etiquette and protocol for the conduct toward each other. It is this tradition of polite estrangement that most of us inherit. We cannot meet at the table of the Lord but get along fine at the office, over the bridge

table, etc.—by keeping religion out of it.

At the beginning of the 20th century, Protestant leaders realized need for a movement among the various Protestant denominations. Many ecumenical organizations were established within the Protestant churches, beginning in the World Missionary Conference in 1910. Eventually, the World Council of Churches was formed. Gradually dialogue began to develop between Protestant and Catholic theologians, although this was not wholly approved of in Rome.

When Pope John 23rd (1959) announced his intention to convene a second Vatican Council and included ecumenism on its

agenda, nobody knew quite what to expect. As it developed, the World Council of Churches was invited to send official delegates as observers to the council. The observers were received with stinted hospitality, given access to all the sessions and documents of the council, and invited to debate the issues with the bishops in weekly seminars. Of course, the observers learned more about the Roman Catholic Church than they had ever learned before.

We must remember that Vatican II was chiefly a domestic affair of the Catholic Church—an experiment in renewal and renovation.

In terms of quest for Christian Unity, the outstanding achievements of Vatican II were its decrees on Ecumenism, on Religious Liberty and on Catholic attitude toward non-Christian religions (Jews).

What this whole story adds up to is that in our own lifetime major transformation has begun affecting every part of Christian dom.

A new spirit is abroad in the Christian community; as Pope Paul said to the observers at the council in 1964, "An abyss of diffidence and skepticism has been mostly bridged over, a new method has been affirmed, friendship has been born, a hope has been kindled, a movement is underway. Praise be to God who, we sincerely believe, has so given his Holy Spirit to us."
