QUOTE

To what a fortuitous concurrence do we not owe every pleasure and convenience of our lives.
—Oliver Goldsmith.

SEVENTY-NINTH YEAR—No. 16

14 Pages This Week

Plus 4-Page, 16-Page Supplement

CHELSEA, MICHIGAN, THURSDAY, OCTOBER 3, 1968

10c per copy

SUBSCRIPTION: \$3.00 PER YEAR

Community Chest Budget Set at \$23,850

Solicitors Will Seek New Record High Amount in Drive Starting Oct. 11

Community Chest fund-raising is beginning to shape up the 1968 United Fund Campaign chairman Rolly Ross list the goal at a record \$23,850 to be raised Oct. 11 to 12.

Contribution between the 12 major beneficiaries is Salvation Army, \$3,500; Chelsea Social Service, \$2,400; Girl Scouts, \$2,500; United Fund, \$3,800; Social Services, \$400; Boy Scouts, \$2,500; Chelsea Senior Citizens, \$2,000; Chelsea Band Instrument Fund, \$2,000; Chelsea Senior Citizens, \$2,000; Chelsea Senior Citizens, \$2,000.

The goal for last year was \$21,000, about \$2,000 less than the goal for this year.

What in United Fund is a central group that help to 38 health and welfare agencies in the state or local. Its broad scope includes services as Michigan Diabetic Association, Michigan Heart Assoc., Michigan Epilepsy, Michigan Kidney Foundation, Michigan Multiple Sclerosis Society, United Cerebral Palsy, Leukemia Society, and Dogs for the Blind, and others.

United Fund donations might be prepared newcomers to the United States for naturalization, in the handicapped and finance.

These agencies do not fund-raising campaigns of their own in Chelsea because of United Fund, the village residents are not being continually asked to donate to the separate agencies. The agencies do have to bear the expense of extra employees or asking more volunteers and in other ways acquire additional expense. This way United Fund makes functioning of the various services more efficient and the effort of the person contributing money more effective. The committee in charge of raising the largest, monetarily, of donors is the Industrial Committee. This portion of the fund will be headed by Bud Ross. His co-chairman will be Tom McClellan of Standard and Dan Ewald of

Official School Enrollment Totals 2,297

Parents of the 2,297 officially-counted students in the Chelsea school system should be preparing for the annual four-day week-end created by the Michigan Educational Association meeting Thursday and Friday, Oct. 17 and 18. The official tally is made on the fourth Friday of September each year and serves as the count on which the state subsidies are figured. The figure represents an increase of 154 over last year's enrollment of 2,143 and should insure higher state subsidies beginning with the next payment.

About 80 students from St. Mary's are counted one-half weight since they have been half-time students at Beach Junior High School under the new shared facilities program since the opening of school this fall.

St. Mary's, a parochial school, has sixth, seventh and eighth grade students at Beach during the morning or afternoon to take math, science or elective courses. Their elective choices are non-academic subjects such as home economics, music, physical education and band. The purpose of the program is to give them an opportunity to take advantage of Beach facilities such as science laboratories.

According to Fred Mills, business manager for the Chelsea School system, the participants seem satisfied with the program. He feels that it is meaningfully adding to their education.

Students attending morning session at Beach are taken there in the morning by school busses. They are picked up at noon and taken to St. Mary's where the afternoon shift boards and goes to Beach.

St. Mary's students have been riding Chelsea busses since the transportation service began about 20 years ago.

HOMECOMING QUEEN: One of these eight hopeful smiles will be widened Friday night when last year's homecoming queen Janice Taylor places the 1968 crown on the winning candidate's head. Standing, left to right, Caryn Thornton and Lynn White, Juniors; and Gina Funderburgh and Gail Winans, sophomores. Crowning will be at half-time of the Chelsea-Milan

Homecoming Set Friday at Chelsea High

Festive Event Starts Tonight with Snake Dance, Bonfire, Pep Rally

That line of chanting young people marching through Chelsea tonight is an expression of student unrest.

That's right—Chelsea High school students will not rest until they've had the best homecoming yet, complete with bonfire, dance, queen crowning, and—naturally—a football victory over Chelsea's old rival, Milan.

Tonight, students will meet at the municipal parking lot at 7 p.m. and snake-dance through town, to the beat of school songs and cheers. Their goal is the bonfire at the high school, where queens will be introduced. They are Carole Barnes and Karen Leach, senior candidates; Caryn Thornton and Lynn White, juniors; Gina Funderburgh and Gail Winans, sophomores; and fresh candidates Karen Keleman and Connie Orlovski.

Those who spent the most time gathering sticks, branches, logs and old cardboard boxes in an attempt to make their class pile in the parking lot the largest will be gratified to see their class awarded a very appropriate wooden plaque. The results of their efforts, meanwhile, will be going up in smoke at the bonfire.

30 Girls Take Part in Local Track Meet

Thirty girls from Chelsea, Jackson and Manchester met Sunday afternoon for a few hours of track competition. The meet was the last full track meet held outdoors for the season. A week from Saturday they will meet for a cross-country competition, and the remainder of the meets will be indoors.

Winners in the 50 yard hurdles were Kathy Kirkpatrick, Jackson; 7:08; Diane Eggleston, Jackson; and Caryl Thornton, Chelsea. Kathy's time, according to their coach, was exceptional enough for her to place in a state meet.

Since she has just begun hurdling, the club is expecting big things from her in the next few years. Winners of the 50-yard dash, 15 and under, are Peggy Kraie, Chelsea, 6:08; Janet Sibley, Chelsea; and Vicki Prater, Chelsea. Winners of the over-15 division are Debbie Pines, Jackson, 6:04; Luwanna Brown, Jackson; and Sharon Green, Jackson.

Jean Wenk of Chelsea won the 100-yard dash with a time of 12:10. (Continued on page five)

It will be a proud moment indeed for three Bulldogs when the results of elections held during the week are announced. Which will be selected sleepiest player on the team, which will be the Don Juan, and who will be team clown? Trophies will be awarded for each of these positions.

Tomorrow will be the big day. Students will arrive at school garbed in school colors, blue and gold. That evening the Bulldogs will meet the Big Reds of Milan on the football field. The Chelsea varsity will attempt to keep a tight hold on the Kivans trophy that has been in the hands of the winner of Milan-Chelsea games since 1955. The Bulldogs won the trophy last year when they defeated Milan, 18-0.

At half-time master of ceremonies Larry Blackwell, president of the junior class, will be interviewing queen-candidates. One of them will be crowned by last year's winner Janice Taylor, the former Janice Stephens.

The new queen will receive the crown and a dozen red roses. The other candidates will be given a red rose.

After the game all will celebrate the gridiron victory, or forfeit the game, at a homecoming dance. Decorations for the dance were made by Martha Moore.

Marlynn Hindover and Kathy Powers were homecoming chairmen. Cindy Benjamin provided decorations for the school halls.

The Varsity club hosted a now-defunct football game Tuesday with the sophomore and senior girls taking on the juniors. Since the event coincided with college night, the ranks of the seniors had to be reinforced with sophomores.

World-Wide Communion Sunday Slated

Churchgoers in all denominations and all locations will be receiving communion Sunday as part of the traditional World-Wide Communion Sunday services.

This annual observance is the first Sunday in October each year. It began in 1936 in the Presbyterian Church of the USA, now known as United Presbyterian Church in the United States of America. The service then was for churches of only that denomination.

The observance became interdenominational in 1940.

Bulldogs Down Gibraltar, 26-7, For Third Win

The saddest news from the Chelsea football field Friday evening, was that Tri-captain Gary Ellenwood fractured his leg and would be out for the season. Otherwise, the Chelsea Bulldogs kicked off their home football season in style as they routed Gibraltar-Carlson, 26-7, extending their winning streak to three games.

The Bulldogs were outweighted by the Carlson boys, but the Marauders were no match for the hot Chelsea offense, led by Jim Wojcicki, Craig Houle, Mike Harvey, and Dave Conklin.

The game got under way with Chelsea kicking off the Gibraltar-Carlson. A tough Bulldog defense headed by Dennis Brown, Gary Ellenwood until he sustained his injury, and Mike Harvey, held the Marauders within their own territory, forcing a punt with a 4 and 20 situation.

Jim Wojcicki returned the punt to the 10-yard line, where he was run out of bounds. Craig Houle picked up an additional five yards on the next play. Mike Schmeidt carried the ball over the goal for Chelsea's first touchdown of the evening. Tim Ortring kicked the extra point.

Gibraltar returned Chelsea's kick to their own 40-yard line. The Marauders successfully picked up a first down, rushing for 10 yards, but were stopped cold by the defensive action of Dennis Brown and Mike Harvey. Again, Gibraltar Carlson was forced to punt. In one of the most spectacular plays of the evening—Jim Wojcicki returned that punt 60 yards for a touchdown.

In the third play of the second quarter, Mike Harvey received a pass from Craig Houle for the third Bulldog touchdown, and Tim Ortring kicked the extra point. (Continued on page six)

Council Briefs

At a regular session of the village council Tuesday, a request for a change in zoning, from general business to industrial, for the properties located at 110 Jackson and 118 N. Main was referred to the planning commission for discussion.

Fred Lehman representing Dairy Queen presented plans and specifications for a new type Dairy Queen restaurant on S. Main adjacent to Pierce Park.

A decision was made to install street lights along Mayer Dr. from Madison to Freer.

Parking restrictions were increased for North St. and Buchanan St. Added to the present no-parking zone.

Bicycle Riders Need To Study Regulations

Some Chelsea bicycle riders need to brush up on the regulations, according to Police Chief George Meranuck. Three rules in particular are creating problems and causing complaints.

First, no one may ride a bicycle in the business area of Main St. Although signs are posted in this area forbidding bicycle riding, police have received complaints that this regulation is sometimes ignored. Meranuck said that children riding in this area will be ticketed if the problem persists.

This regulation is designed to prevent collisions between persons leaving stores and persons riding bikes and is important to the safety of riders and pedestrians.

Second, no bicycles without lights may be ridden after dusk. Those found riding bicycles without lights in the dark have been taken into the police station and turned over to their parents, with resulting inconvenience to parents, child, and police.

Third, there are still some unlicensed bicycles being used on the streets. All bicycles must be registered at the police station. It is unnecessary for parents to accompany the child, but he should bring the name, color and serial number of his bike and 50 cents to the station when registering it.

Jaycees Seeking Financial Aid for Olympic Teams

Each year the United States Olympic Committee relies solely on voluntary contributions to carry out the selection and training of its U.S. and Pan-American teams. The Chelsea Jaycees are asking the citizens of Chelsea to support the U.S. Olympic Committee and the team of athletes, with the feeling that the games are a major contribution to the promotion of world peace.

Candidates have been placed in 15 businesses throughout the community along with envelopes with which to mail personal contributions directly to the U.S. Olympic Committee.

Friday Oct. 4 Is Registration Deadline Date

Persons planning to vote in the Nov. 5 general election who are not already registered voters must personally apply at the office of their township clerk or, if that is impossible, register in the township, city or village where he legally resides before 8 p.m. Friday. He must secure from his Clerk duplicate registration cards and have them notarized and returned before 8 p.m. tomorrow.

Voters using the duplicate registration cards must have the signature of the notary public or other officer administering the oath on the designated line. Only actual residents of the precinct at the time of registration, eligible under the constitution to vote in the next election, will be registered.

Persons not registered in any district, county, township, city or village will not be able to vote in any election or primary. Registered electors who have changed their residence since registration will be able to transfer their registration to the new address by sending to the clerk a signed request giving his present and past addresses and date of moving, or by applying in person. These will not be made within 30 days preceding the election, which—Registered electors who have moved from one election precinct to another precinct of the same township, city or village may have the transfer made on election day through the election board in the precinct in which he is registered, places the deadline at Oct. 4.

Lyndon Township clerk is Doris Fuhrmann, 5005 Roepecke Rd., Grass Lake. Clerk for Lima township is Duane Lulek, 12980 Old US-12, Rt. 2, Chelsea. Dexter township clerk is William Eisenbeler, 18900 Island Lake Rd., Dexter. Freedom township clerk is Harold Eisenman, 13875 Water Rd., Sylvan township clerk is Daniel J. Murphy, 227 Washington St., Sharon township clerk is Duane E. Haaslschwerdt, 8310 Chelsea-Manchester Rd.

Dexter township clerk is William Eisenbeler, 13900 Island Lake Rd., Lima township, Duane Lulek, 12980 Old US-12, Rt. 2, Chelsea. For Scio township, the clerk is Mildred Alley, 8130 Kensington, Dexter. Webster township clerk is Donna Balduz, 6755 Webster Church Rd.

JV Gridders Trample Grass Lake, 42 to 7

Junior Varsity gridders trampled Grass Lake Thursday night, 42-7, with the Chelsea first string playing only the first quarter and two minutes of the second quarter.

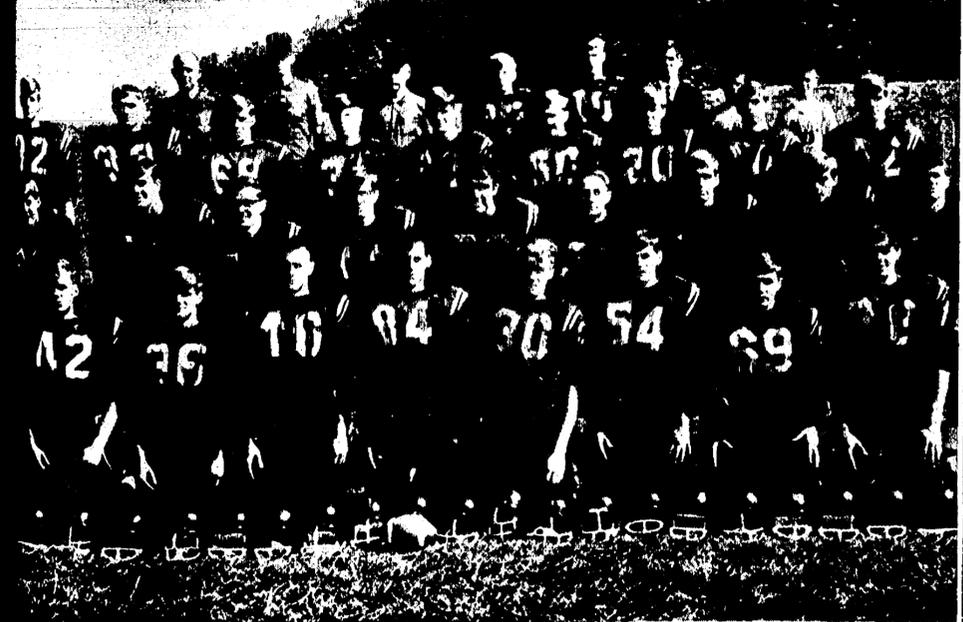

All members of the home team participated as points were tallied by Larry Gorton, 13; Bob Salyer, 7; Tom Lukaszak, 7; Mitchell Heard, 2; Howard Treado, 3; and Mike Powers, who intercepted a pass and returned the ball 50 yards for a touchdown. Jeff Bust kicked an extra point.

A fair-sized crowd thronged out to see the 21 gridders on home ground.

Coach John Schaffner commented that the opposition was the poorest he had ever seen. "They didn't look that bad size and speed-wise but they were just—poor."

Don Turner Arrives Home from Alaska

Summer traveler Don Turner has returned from his adventures and is home at 14285 Old US-12. He was caught in a snowstorm in Montana that forced him to drive for many consecutive hours and has been resting since his return. Turner will be spending the winter editing about 16,000 feet of film for his travelogue, from two 16 mm cameras. This is his second summer in Canada, and about his 12th summer traveling and taking pictures.

VARSITY BULLDOG LINEUP for this season under the guidance of Head Coach Phil Barolsand his two assistants have defeated their first three opponents, Stockbridge, Dundee and Gibraltar. Team members are (front row, from left), Mike Schmeidt, senior halfback; Kerry Kargel, senior fullback; Craig Houle, senior quarterback and co-captain; Gary Ellenwood, senior tackle and co-captain; Mike Harvey, senior end and co-captain; Chuck Patrick, senior center; Mike Gaken, senior center; Greg Stephenson, senior tackle. Second row (from left), Leonard Kosma, junior end; Dennis Brown, junior guard; Tom Smith, senior flanker; Sam Hoover, senior end; Ben Bower, senior tackle; Paul Prinsing, senior guard;

OUTDOOR COOKS: Troop 465, while "roughing it" last weekend, learns how to prepare hamburgers for open fire cooking by wrapping them in foil and putting them over hot coals. The demonstration was one of the many activities packed into the Golden Jubilee-Camporee at Hudson Mills Metro Park. Park personnel said that the boys left their campsites immaculate in spite of activities such as these.

Washington Report
 by Congressman
MARVIN L. ESCH

In the past few days the Congress has cleared several major conservation measures to preserve our great natural resources. The Cascade Range in northern Washington state contains some of the most magnificent scenic areas in the continental United States. It contains forests of giant trees, clear, sparkling rivers and lakes, high, glacier-clad peaks and unspoiled wilderness. This magnificent area, just south of the Canadian border, has been designated as the North Cascades National Park, and its scenic grandeur will be preserved for the future of our nation.

Although least dramatic conservation legislation which came before the 90th Congress was a bill guaranteeing that the Land and Water Conservation Fund would receive a percentage of funds derived from off-shore oil receipts. At least minimal funding is guaranteed to this important program every year—despite other demands on the national budget. Conservation programs are thereby assured of national support and continuity.

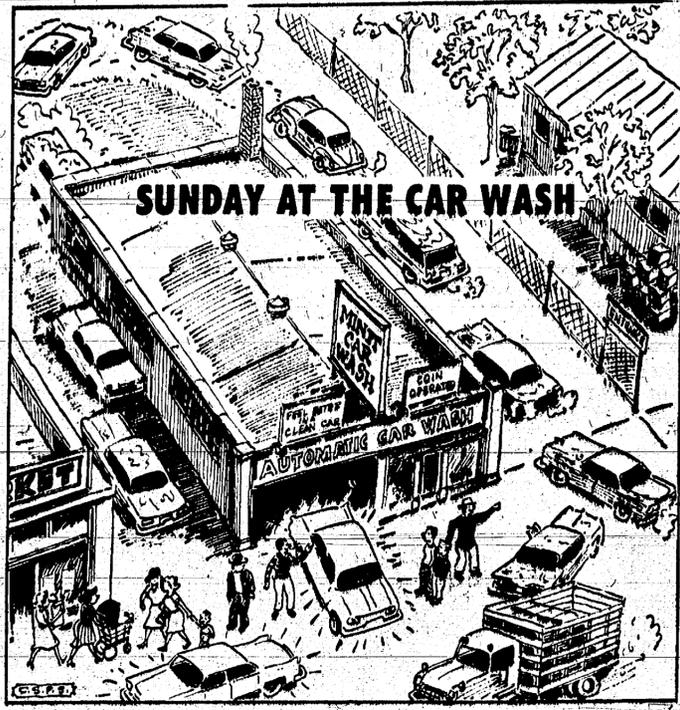

These are all important steps in the right direction—but we must not be complacent. Many other important and priceless natural wonders are in danger of destruction. Time is running out and our efforts to bring these areas into the National Parks and Wilderness systems must be intensified. The 90th Congress will adjourn leaving much necessary conservation work undone. This must be put high on the agenda for the 91st.

Action also came last week on an important measure to preserve several of the nation's rivers in their free and wild state. Known as the Srenic Rivers Act, this legislation preserves six rivers because their natural, scenic, scientific, esthetic and recreational values outweigh their value for water and power development.

Perhaps the most controversial conservation measure of the 90th Congress has at least been cleared for Presidential signature and a Redwoods National Park has been created in northern California. As I said during the debate on this issue, "the redwoods are a national, even an international heritage. These giants, the tallest living things in the world and among the oldest, are a direct link with the past. They are an important remnant of the original America—the abundant, beautiful and unspoiled continent we have occupied almost completely and too often treated with shortsighted neglect."

Conservationists throughout the nation were distressed when the House Interior Committee bowed to commercial interest and reported a small and inadequate park. I fought for the inclusion of several essential areas which had been left out and was delighted when the final bill endorsed by the House-Senate Conference Committee included some of those areas. Now that the most important portion of this magnificent primeval forest has been saved, we can continue to work for inclusion of auxiliary lands.

Perhaps the most important

SUNDAY AT THE CAR WASH

★ **MICHIGAN MIRROR** ★

By Elmer B. White, Secretary, Michigan Press Association

Jury Duty
 A new system for selecting citizens for jury duty goes into effect next year. More people will be called to serve, but the length of service is cut from three months to a maximum of 30 days.

Prospective jurors are presently selected by township supervisors and city aldermen from property tax rolls. They serve for \$15 per day. The selection method was designed when Michigan was primarily an agricultural state and is not conducive to present modes of living, charges Lee C. Dramis, a Lansing lawyer who played a leading role in rewriting the jury law.

Workingmen find it difficult to support their families on \$15 a day, and many ask to be excused for economic reasons. Persons who do not own real estate are automatically eliminated. This excuses about 80 percent of the men and 60 percent of the women in urbanized counties, Dramis said.

As a result, juries are now composed mainly of retired persons, housewives and persons with little or no regular demands on their time.

The new law specifies that voter registration lists be used instead of property tax rolls. A special jury board, appointed by the governor, will make the selection rather than supervisors and aldermen. A special mathematical formula will insure names being picked at random.

Exemptions under the new law are few: physical or mental disability, persons over 70, police officers and lawyers, citizens who do not understand the English language. The presiding judge may make other exceptions, but exclusions are expected only rarely under the new system, Dramis contends.

New jurors will be selected by the jury board in May of each year. If lawyers agree, six-member

juries may be used for civil cases. In the past, 12-member juries were required for all circuit court cases. Six-member juries will be used for both civil and criminal cases in the new District Courts which replace the present Justice Court system Jan. 1.

A special provision in the new law makes an employer who flees a person because of his absence for jury duty guilty of a misdemeanor.

PTA Goals
 Three "vital" areas will receive concerted attention by the Michigan Congress of Parents and Teachers Association this year, according to the organization's president, A. B. Haist. The areas are: sex education; crime prevention; and the relationships between student, parent, teacher, school administrators and school board.

During a 1967 survey among Michigan families, these three subjects were rated "critical." The organization hopes that each of the 2,000 local units will devote several meetings to the topics, and then build upon local interest with specific programs.

"If all the PTA units across the state will concentrate on these three major subjects, the PTA in Michigan can unite for effective study and positive action," Haist declared.

Many positive programs have been fostered in the past, but seldom has the organization aimed strongly at specific subjects. To help its 360,000 members organize plans of action, the group sponsored nine "program planning clinics" during August. About 400 officers attended the sessions.

Need Updating
 Most people seldom need the services of a notary public, but proper notarization of documents

can avoid serious complications when legal transactions are made. Buying and selling agreements, transfer of property, publication of legal notices, and many other affairs must have signatures notarized. The notary public's responsibility is to verify the validity of the signature. Failure to do so may result in a costly court suit.

The importance of a notary public is in sharp contrast to the minimal requirements for the appointment. For many years now, applicants need only be 21 years of age, a resident of the county from which they apply, and be endorsed by a circuit or probate judge, state senator or representative. A \$2 filing fee is charged by the state, \$1 by the county clerk, and \$8 to \$14 for bonding.

The governor makes the appointment and only his office can revoke a commission. There are currently about 100,000 notaries public in Michigan. Complaints regarding improper notarization and overcharging of fees are frequent, according to the Secretary of State's office which processes applications. Seldom are commissions cancelled.

Efforts to establish higher qualifications have been unsuccessful. New legislation has been introduced, but it has not received serious attention from lawmakers.

Rehearsals Starting For Community Choir
 Rehearsals begin 2 p.m. Sunday at St. Paul United Church of Christ for the Community Choir Christmas performance of the Messiah. All area residents are welcome to join the choir, under the direction of Miss DiAnn L. Roy.

JUST REMINISCING

Items Taken from the Files of The Chelsea Standard

4 Years Ago . . .

Thursday, Oct. 1, 1964—
 Two cars and a Chelsea school bus were involved in an accident on M-52 at 7:10 a.m. Monday. Cause of the accident was poor visibility. Heavy smoke had drifted across the highway from smudge pots used to combat the effects of frost on the Gaunt lagoon farm.

Chelsea JV's defeated Ypsilanti St. John's Thursday, 24-7, in their first game of the season. Chelsea scored first after a 70-yard run by Phil Eckhardt. The try for the extra point failed.

Chelsea made no further scoring until the fourth quarter when they scored three times on a two-yard plunge, a five-yard drive by Paul Lancaster and a 35-yard run by Phil Eckhardt.

The large country home at 10842 Joslin Lake Rd., known as Camp Orlie headquarters for 33 years, burned to the ground Sunday night. Firemen from Chelsea, Dexter and Unadilla responded and were on the scene most of the night. The 12-room house was formerly the John Sullivan home. It housed the kitchen, dining hall and quarters for the camp staff and first aid room for the camp.

The Bulldogs won Friday's game with Lincoln, 14-0, but Coach Carl Curf commented "We looked flat against Lincoln and our tackling wasn't crisp." Jim Cameron ran 60 yards for a touchdown on a reverse and Paul Huber scored a touchdown by running nine yards on a counter. Gary Dresch successfully kicked the extra point on each touchdown.

Co-Captains Dick McCalla and Dick Lauson accepted the Milan-Chelsea Kiwanis football trophy back for the first time in six years.

The 1965 Chelsea Community Chest budget, as recommended and approved by the Community Chest Board of Directors Sept. 16 is almost \$1,000 lower than the 1964 budget.

Tom Penhallegon, who has been in the Navy since June, 1963, is spending two weeks here at the home of his parents, Mr. and Mrs. A. S. Penhallegon before reporting Oct. 3 for duty aboard the USS Grant County at Little Creek, Va.

14 Years Ago . . .

Thursday, Sept. 30, 1954—
 Sharon Dances, chosen queen of the 1954 Chelsea Community Fair at the concluding grandstand program Saturday evening was crowned by Village President Maxwell G. Sweet. Her attendants were Carole Adkins, Nancy Atkinson, Mary Lou Ghidotti, Marilyn Honbaum, Donna Klink, Shirley Marsh and Karen McAllister. Judges were Robert Cray of Jackson, Nicholas Prakken of Ann Arbor and Mrs. Robert Hamilton of Manchester.

Work on the new North Elementary school is proceeding rapidly with ceramic tile practically completed this week in rest rooms and entrances and on window sills.

Harvest Open House at the Methodist Home, scheduled for tomorrow from 1 p.m. until 4 p.m. will feature the dedication of the chimneys which were installed last May as a gift from the Chelsea Home Friends. The Rev. M. J. Betz, superintendent of the Home,

34 Years Ago . . .

Thursday, Oct. 4, 1931—
 Several members of the American Legion Post and Auxiliary attended the Second District meeting held at Jackson Sunday, Sept. 30. Among those present were William Rademacher, J. Swicketh, George W. Walworth, Dr. Fay Palmer, Dr. and Mrs. L. Brock, Mr. and Mrs. P. C. Schooley and Mr. and Mrs. G. Schooley.

Considerable interest is manifested in the possibility of establishing a Freshman College in connection with the Chelsea High school under F.E.R.A. outline of courses has been submitted to the superintendent by H. Wilber of Michigan State Normal College, who is the head of work in this territory.

An air of expectancy has been hovering over Chelsea for the past month—meetings and gatherings all for just one purpose—the Chelsea's Homecoming and Birthdays Party a success. Sylvania and Lima townships were organized in 1834 and Piercival, predecessor of Chelsea of today was started at the same time. Lyndon township was settled during the same period but did not become a recognized township until 1837. Tomorrow the celebration will be under way and it will show what co-operation civic pride can do.

Another school year has started and many exciting things have happened. Along with the activities—the classes have had elections. Senior officers are president, Richard Sorveto; vice-president, Nicholas Panatier; secretary, Leo Allshouse; treasurer, Marie Haselwerdt. Class officer is Miss Hazard.

Chelsea journeyed to the town of Pinckney for the first time in a good many years. The Pinckney lads by hook and crook won the game. Coach Spaulding's team seemed to be in better condition this week than they appear last.

TRUCK OWNERS

More than 90 percent of the owners own only one or two trucks.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:
 The first item on the agenda for the session at the country store Saturday night was a report by the storekeeper. He said he "shores wishes the fellers had been there Friday morning when this family drove up in a big air conditioned car pulling one of them houses on wheels. He allowed as how they was really traveling through the Great Society, and he knew Ed Doolittle that calls it the Great Plague would like to have saw the show. They come in the store, he said, and the tribe of young'uns cleaned out his cold drink box. By that time, the Mama had rounded up all the groceries her old man could carry and they was fixing to load it all in that house on wheels when the old man got out a bunch of food stamps. The storekeeper said he had never saw them stamps until now and he wasn't about to take 'em in trade. Final, the man cashed a Government check and paid for the stuff, but he was mighty unhappy about having to part with what he called real money. The fellers wasn't shore if the storekeeper made up that tale, but it was agreed they was a lot to be learned from it. For instance, Zeke Grubb said it looks like the only difference in the store and the well off in this country now is that one uses credit cards on private companies and the other uses 'em on the Government. He said he had saw where the Department of Transportation was asking for free car repairs for the poor folks and he was surprised this family didn't ask the storekeeper to fix the brakes or something. Ed reported he had took note where a heap of states was changing the name from the Department of Public Welfare to the Department of Social Services. They was claiming that the name was helping their image and one state, Maryland, Ed said, claimed they was getting about twice as many calls now for social services as they used to get for welfare. Zeke reported he had saw where Congressman William Rota of Delaware had ask the Department of Health, Education and Welfare for a report on their programs and they told him it would take 1,600 man-hours to figure 'em up and they was too busy keeping up the good work to stop and count 'em. Ed was of the opinion "social services" was breeding like germs and it was general agreed by the fellers that we was bad in need of a strong disinfectant fer them kind of germs. But I reckon, Mister Editor, it's like one Congressman said, it ain't charity, just "assistance" paid for by the Federal, state and local taxes. I'll let you figer that one out.

Yours truly,
 Uncle Lew.

Putting-you-firsts:

(A quick tour of some of the thoughtful new features the 1969 Chevrolets offer that other cars in Chevrolet's field don't.)

Headlight washers
 You push the windshield washer knob and hold it, and your headlights come clean. Fluid is diverted to two jet nozzles at each light lens. (Outer lights only on duals.) The spray removes up to 80% of accumulated dirt. The feature is standard on 1969 Corvettes. It comes with the hidden headlights available on Camaro, Caprice and Kingswood Estate Wagons. It is available on all other models except Corvair.

Heated glass
 In a moment your rear window will self-defrost. Because we've built onto it a network of tiny ceramic strips capable of heating the entire surface. Fog and frost disappear quickly and quietly. You just flick a switch. The heated rear window is available on the 1969 Caprice Coupe and Impala Custom Coupe.

Pushbutton tire chains
 You press a button on the instrument panel and the rear tires get a shot of "liquid tire chain."

Variable-ratio power steering
 You spin your wheels once, wait a moment, and you're off with traction you wouldn't believe possible on slick ice, or packed snow. Available on all 1969 big Chevrolets.

Steering wheel lock
 When you own a car as desirable as the 1969 Chevrolet, you don't take chances. When you leave it, you lock it. Not just the doors. You lock the ignition, steering wheel and transmission lever, too. Our new lock on the steering column takes care of all that. Standard on all 1969 Chevrolets, Chevelles, Chevy Novas, Camaros and Corvettes. Sorry, car thieves.

Power steering plus
 The 1969 Caprice, Impala and Camaro are available with a new type of power steering. Variable-ratio power steering. What it does is give you faster steering with fewer turns of the wheel.

Walk-in wagons
 The tailgate swings open like a door on most of our 1969 station wagons. Which in itself is no big deal. But wait, there's more. We've built a concealed step into the rear bumper. You simply step up, over, and in. (The way we build our wagons, you can do it without bumping your head, and without acrobatics.) Walk into a wagon soon at your Chevrolet dealer's.

'69 Impala Custom Coupe

Putting you first, keeps us first.

100,000th CAMPER WELCOMED: Mr. and Mrs. George Antelope of Trenton, receive a Department of Conservation citation by Park Supervisor Glenn Kraal for receiving the 100,000 camper permit at the Waterloo Recreation Area.

Waterloo Recreation Area Welcomes 100,000 Camper

The 100,000th camper permitted to camp at the Waterloo Recreation Area since record-keeping started last week to Mr. and Mrs. George Antelope of Trenton, Mich. The Antelopes were issued a Department of Conservation Citation by Park Supervisor Glenn Kraal. The framed citation was signed by Robert J. Antelope, chief of the Parks Division, Park Supervisor Kraal. Mr. and Mrs. Antelope are retirees and much of their time travel throughout the United States visiting various state parks. They are very highly of Michigan Parks. During the winter visit the southern United States area.

date, this year, 12,441 camper permits have been issued at the Waterloo Recreation Area at the campgrounds, Sugar Loaf, and Green Lake. A total of 65 campsites are available in Waterloo Area and most of them remain full throughout the summer season. Modern facilities are available at Sugar Loaf and Portage Lake at Portage Lake, modern

Seek Foster Grandparents For Children

Older persons living on a limited budget will be given the opportunity to increase their income and in doing so, help one or two institutionalized children.

Participants in this "Foster Grandparent Program" must be over 60 and have an annual income of \$1,500 or less. 40 to 50 persons will be sent to a paid training program and then given 20 hours work per week, at \$1.50 per hour. Each grandparent will "adopt" no more than two children from Ypsilanti State Hospital (York Wood) or Plymouth State Home and Training School.

About 80 children have been selected to be adopted with preference given to those having no families or with economically deprived families. Some, but probably not all, will be mentally retarded.

The grandparent's assignment will be to develop a warm personal relationship with the child and provide the kind of care grandparents furnish—playing, games, reading, aid in feeding and dressing, comfort at bedtime and during illness, trips and excursions and holiday celebrations.

It is hoped by Office of Economic Opportunity that the youngsters will be able as teenagers to develop a marketable skill if given personal attention.

The grandparents will not perform duties that replace any services now provided at the school, nor will they be assigned to normal institutionalized responsibilities. Their help is designed to be an extra for the children.

At the same time, the program provides new roles and functions for older Americans. It creates new employment opportunities and trains older people in a skill that they can use elsewhere.

Interested grandparents should contact the Washtenaw County Citizens' Committee of OEO at 692-8172 or the WCCORO Aide in this area, Mrs. Vera Bissett, at 475-8400.

Registrations For PP&K Still Accepted

Young Chelsea football fans who want to do more than watch from the sidelines have one more day in which to register for the eighth annual Punt, Pass and Kick contest. Boys ages 8 through 13 are eligible to register at Palmer Motor Sales—until tomorrow night.

Eighteen trophies are waiting to be awarded at the Chelsea High school athletic field Saturday. Registrants must be accompanied by a parent or guardian. There are no charges and no need for special equipment, except the right skills and muscles.

When registering each entrant receives a free lapel pin and a tips booklet written by Bart Starr, Billy Lottbridge and Jim Bakker.

Chelsea winners go on to zone, and then, possible, district, area, division and national contests. Suitable trophies and runner-up certificates are awarded at each competition level.

Avea winners go with their fathers to division competitions in NFL stadiums and division winners travel to Miami with parents for the final during the NFL Play-Off Game in the Orange Bowl Jan. 5. They will also go on a Washington, D.C. tour for the next two days.

Punt, Pass and Kick is a national program sponsored by the Ford Dealers of America and the National Football League, Palmer Motor Sales and the Jaycees—co-sponsor the contest the local level.

BLOOD BANK FOR DOGS

St. Johns, Quebec, Canada—Dr. Jean Gosselin, a veterinarian, and Frank Fuchs, a dog breeder have established a blood bank for dogs. Dogs owned by Fuchs provide the blood which is stored in the animal hospital. Several pets have been saved. There are no special types of blood.

NEW FROM THE EXCHANGE AT AAA FAULT-FREE COLLISION PROTECTION!

Chris' Columbus just ran into the newest car insurance protection from the Exchange at Triple A. It's called Fault-Free Collision Protection. And it doesn't cost one red cent extra when you carry collision coverage with the Exchange. Here's how it works: Your collision damages are immediately paid in full... including the deductible... when your collision damages exceed your deductible and the other driver is identified and at-fault. No more waiting for the wampum until after sending smoke signals and holding pow-wows with the other insurance company.

Of course, if both cars carry collision coverage with the Exchange, both are paid in full... regardless of fault... by famous FELLOW MEMBER COLLISION PROTECTION. Also, ask'em about NEIGHBOR-CARE, drive-in CLAIMS SERVICE, the new OUTDOOR LIVING PACKAGE and MONEY BACK on your car insurance, all available at no extra wampum when you insure your car with the leader.

AS Chief Runningboard would say, "You come around these parts Chris, and you soon discover why Exchange top car insurance totem pole."

LET'S LOOK AT THE RECORDS BY LINDA NOBBS

The United States is experiencing another musical assault from outside her territorial boundaries. This time it's by a group hailing from Toronto, Can., known as "The Sugar Shoppe".

Whether it be writing or producing or arranging or singing or appearing on TV, few duos are capable of doing more than one of these categories well. In case of Peter and Gordon, they not only do them all individually, well, they are masters at doing them all.

THANK YOU We wish to thank all our friends, relatives and neighbors for their cards, gifts and flowers. We especially wish to thank our neighbors for the wonderful surprise they gave us Friday evening which helped to make our 50th wedding anniversary a most memorable occasion.

THANK YOU We wish to express our thanks to all our friends, neighbors and relatives for their cards, gifts and flowers on our wedding anniversary. A special thanks to our daughter and family for making it such a memorable occasion.

COSTLY PICKUP It costs United States taxpayers \$600 million a year to pick up the litter dumped on streets, beaches, parks and other public property.

MID-STATE FINANCE CORP. \$25 to \$1,000 For Any Worthwhile Purpose See or Call FRANK HILL at 475-8631 111 PARK STREET CHELSEA, MICH.

INVITATION TO BID

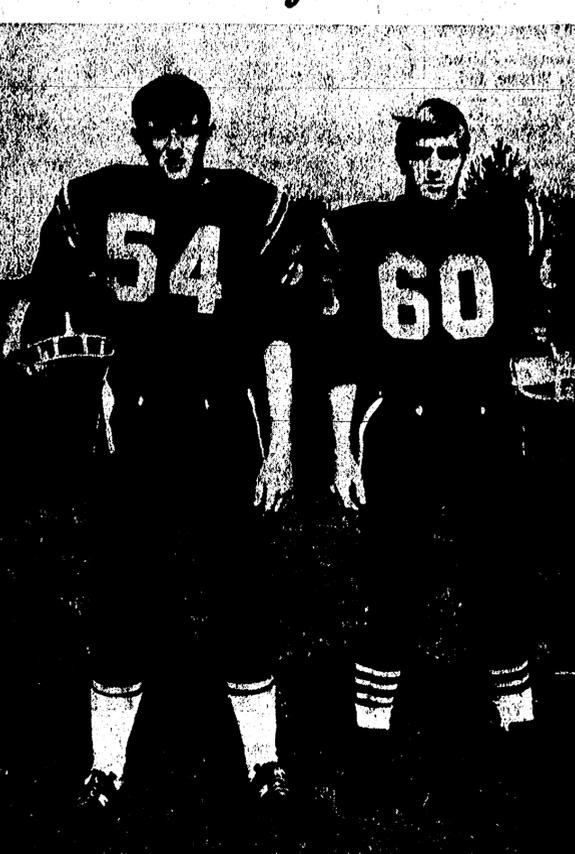

The Chelsea School District invited bids for the purchase of land and buildings (old Jr. High) located on the northeast corner of the intersection of Park St. and East St., Sylvan Township, Washtenaw County, Michigan.

Any person wishing to bid on the purchase of the above described property, must obtain an official bid form and a copy of the terms of sale from the Business Manager's office at the High School Administration Building.

Sealed bids for the purchase of the property and buildings will be received by the Chelsea School District Board of Education at the High School Administration Building, Washington St., Chelsea, Michigan 48118, on or before Monday, the twenty-first day of October, 1968 until 8:00 o'clock p.m. Eastern Daylight Savings Time, at which time and place said bids will be publicly opened and read. The Board of Education reserves the right to reject any or all bids.

Chelsea School District CHARLES LANCASTER, Secretary

Gridders of the Week

CHUCK PATRICK, senior center and tackle, wears the number 54 jersey for the Chelsea Bulldogs. The 6'0", 190-pound athlete has played football since sophomore year, when he joined the Junior Varsity team.

TOM GARDNER, Bulldog number 60 has recently shifted from guard position to center. Tom, a 5' 10" 165-pound senior has been playing football since seventh grade, when he was a gridder for the Junior High team.

Experts Find New American Politics Is Making Its Debut

Dearborn—A new American politics is making its debut. The political boss has largely disappeared, party loyalties are waning, social issues have replaced economic ones, and the hum of the computer is replacing the old campaign song.

Prof. John Dempsey, of the University of Michigan's Dearborn Campus, sees the roll of the organization changing: It can no longer deliver the vote or even influence the election to a great extent.

The political organization in the past depended on the local machine and the political boss who got fat by fulfilling needs of their people. But today those in need can find help through the employment service, public health clinics, and other social service agencies.

Civil service has replaced, in most instances, the patronage jobs which allowed the political boss to be influential and in turn to deliver the vote.

In addition, Prof. Dempsey says, there are fewer immigrants and even fewer poor people in need of the services that the political boss could deliver.

Today, party loyalty is not as strong as it was 25 or 50 years ago. In the past, individuals decided that they were either Democrats or Republicans, and they voted that way. Now more people are looking at the issues and the

room and watch the candidates present their opinions. The candidates are appealing on a personal level to the individual listener, and the voter eventually becomes conditioned to the candidates' names. He then finds his own reasons to vote for one or another candidate.

"Through the use of computers, the modern candidate can be appraised in advance of the interests of the voter," Dempsey said. He can ask questions to the electorate and suggest answers and find out in advance what the wishes of the voter are by using modern sampling techniques.

According to Dempsey, the modern candidate can use computers and sampling techniques to run a trial campaign and learn about its effectiveness. He can then eliminate unpopular ideas from the real campaign.

The modern candidate can reach every voter with a personal letter. The computer can address the envelopes, write a letter to a special interest group, and even sign it in ink as it is folded before mailing.

"The 1968 candidate is young," Dempsey said. "He is stereotyped as the man in the gray flannel suit, and most of all he is successful." Dempsey is teaching an eight-week course — through election week — on "The Making of the President, 1968."

DEATHS

James J. O'Donnell Chelsea Woman's Father Dies in Ft. Wayne, Ind.

James J. O'Donnell, father of Mrs. Jack Young of Chelsea, died Sept. 25. Mr. O'Donnell lived at 3925 Gaywood Dr., Ft. Wayne, Ind. He was born Oct. 21, 1905, in Pittston, Pa., to Joseph and Anna McKee O'Donnell. He married Evelyn L. Kline May 19, 1937.

Survivors, in addition to his widow include two daughters, Mrs. Young and Mrs. Robert Young of Ann Arbor; two grandsons; two brothers, Joseph of Ann Arbor and Edwin of New Baltimore; three sisters, Mrs. Irene Edes of Detroit, Mrs. Dorothy Stallwood of Holland, Mich. and Mrs. Mary Gallagher of Ann Arbor.

Funeral services were 7:30 p.m. Friday at the Muehlig Chapel with the Rev. William Baker officiating. Burial followed in Ellwood, Ill.

OBITUARIES

A daughter, Dana Kay, Sept. 29 to Mr. and Mrs. Keith J. Van-Poperin, Grass-Lake.

A daughter, Erin Irene, Sept. 26 to Mr. and Mrs. David Kealy of North Miami, Fla., formerly of Chelsea.

A son, Norman Craig, Sept. 27 to Mr. and Mrs. Paul M. Weber.

A son, Jonathon Frederick, to Dr. and Mrs. W. C. Lane Sept. 30, at St. Joseph Mercy Hospital in Ann Arbor. The Lanes live at 636 N. Main. Maternal grandparents are Mr. and Mrs. Laurence Noah of Chelsea and paternal grandparents are the late Dr. and Mrs. C. C. Lane.

A daughter, Kirsten Kimberly, Sept. 30, to Mr. and Mrs. Jesse N. Box.

A son, Labe Israel, Oct. 1, to Mr. and Mrs. Labe D. Minix.

WANTED: TALL GIRL

London—Early this year, Alan Childs, 6 feet 7 1/2 inches tall, appeared on a television quiz program where he mentioned that he didn't have a girl because he couldn't find one tall enough. He received 104 letters from tall girls, including one from Sandra Radcliffe, 6 feet 8 inch tall who has become his bride.

The art of intelligent writing is to make the words so simple that no one can misunderstand you.

Applications will be mailed out at different times because of the varying dates of sale of commercial vehicles and passenger cars.

All prepared applications were mailed out and should be received by commercial vehicle owners by Oct. 1, start of the commercial and trailer plate sale.

On the other hand, passenger car owners will be getting theirs a little later, to coincide with the beginning of the passenger plate sale on Nov. 15, two weeks later than the usual start of sale for these plates.

In any event," says Hare, all prepared applications that will be sent out should be in the hands of vehicle owners at the latest by Nov. 20. Owners who do not receive applications by that time, should assume that they will not receive them and will have to pick up a blank application at a Secretary of State's branch office and fill it out from scratch.

"ERNEST" CONGRATULATIONS were in order at Dana this week. Ernest Kesler retired Sept. 30 after completing over 16 years of service. Most of his work was in assembly where it is said that "he could build any unit any way it was needed." He received gifts from the employees and company and congratulations from Lee Hess, second from right. Also shown are, left to right, Cledeys Whitaker, Hal Pennington, Harold Salyer, Kesler, and Herb Gottlieb. "Ernie" plans to spend some time in the north woods and southern Indiana.

Chelsea Scout Troop 425 Rated Best in Entire Council

Chelsea Kiwanis-sponsored troop No. 425 was picked as the top troop in the Portage Trails Council Jamboree Camporee competitive judging last week-end. The troop was judged on about 12 points and was rated first in the Council, which covers Washtenaw and Livingston counties.

Dexter Troop No. 428 was awarded top rating in the Troquois District Camporee competitive judging held in conjunction with the Portage Trails Council Jamboree Camporee. The troop was judged on the basis of about a dozen council points and about a dozen district points.

Scoutmaster Jim Klapperich was presented a personal presidential red, white and blue ribbon by District Chairman Rolly Spaulding as the first district scoutmaster to have all patrols in the troop qualify for presidential ribbons in the history of Iroquois district.

The Golden anniversary celebration was last week-end at Hudson Mills Metro Park, northwest of Dexter. According to chairman Anthony J. Procassini, chairman of the event, this is the first Camporee to be staged by the local council.

More than 1,000 boys and adult leaders from the two counties took

part, erecting a vast array of tents Friday night after dark.

Saturday was devoted to demonstration of scouting skills by the individual troops and patrols. Council Cub Scouts were represented by eight of the top packs in the council. They put on a cubbing demonstration Saturday afternoon with assistance from the Sea Scouts and Explorers.

Council honor camper group, the Order of the Arrow, served as the Camporee service group and kept the mechanics of the Camporee running smoothly.

Saturday's activities were climaxed by a gigantic pageant held in a natural amphitheater, depicting the 50 years of scouting in the Portage Trails Council.

Camporee participants departed Sunday afternoon following the awards ceremony. An interesting observation was made by Brent Schultz, park superintendent.

He remarked that the entire area that had been crammed with scouts and visitors had been so clean when the week-end was over that he could not find even a gum wrapper.

Scouts have a camping policy of leaving their campsite cleaner than when they arrived.

Bulldog Varsity Gridders Chalk Up Impressive 26-7 Win

(Continued from page one)
The Carlson defense was warmed up by the late portion of the second quarter, but not enough to stop quarterback Houle as he scored for Chelsea on a quarterback sneak. The Bulldogs went to the locker room at half-time with a comfortable 26-0 lead.

Neither team was able to score in the third quarter. A strong Chelsea defense led by Greg Stephens, Tim Colvia, Karsten Kargel, and Len Kozma, held the Marauders in mid-field for most of the quarter. Just as it looked as if the Marauders might get somewhere on offense they made the mistake of taking to the air. Tim Colvia made an interception, giving Chelsea possession of the ball.

The Bulldogs took over on Gibraltar's 42-yard line and worked the ball well into Marauder territory with Conklin passing to Roy Holliday for 24 yards and a new first down.

Bulldog possession of the ball continued into the fourth quarter until a pass from Bob Brassow intended for Art Farley was intercepted by Carlson.

Again the Bulldog defense held the Marauders back and Bob Brassow got revenge as he intercepted a Carlson pass. Chelsea failed to score, however, and Gibraltar-Carlson regained possession of the ball. The Marauders finally scored late in the final quarter with Fred Demerse plunging for the touchdown. Chelsea defense was led by Greg Stephens and Kerry Kargel with seven tackles each; Glen Wilkerson, Dave Conklin, Art Farley, Jim Wojcicki and Bob Brassow had only two passes completed against them and had three interceptions each.

Council Briefs . . .

"You must co-operate," often means, "Let me have my way."

Prepared License Application Forms Should Make Plate Purchase Easier

Lansing—Michigan's vehicle owners will find the usually tedious job of buying license plates easier this year, thanks to an electronic marvel which is keeping tabs on the state's nearly five-million motor vehicles.

For the second year in a row, vehicle owners, with few exceptions, are receiving prepared license-plate applications printed on the Department of State's computer.

This year's form, says Secretary of State James M. Hare, is a smaller, more comprehensive application than the one sent out last year. It has only two parts as opposed to three parts last year.

In addition, states Hare, it has more prepared information on it, too. It will not only contain all vehicle information, such as the year, make, body style, vehicle number and weight, but it will also have insurance information on

it—that is, if the vehicle is covered by liability insurance. On applications to motorists will be the insurance company of note, presuming the owner had one listed on his 1968 application form, and his policy number. Expiration date of the policy will have to be entered by the owner.

But probably the most important bit of information on the 1969 application will be the new license plate fee, computed on the basis of 55 cents for every 100 pounds of the weight of his vehicle for passenger cars. Last year, the fee was 35 cents per hundredweight.

"This means the owner will not have to sit down and figure out how much cash he will have to take along to get his 1969 tags," said Hare. Added to his new license-plate fee is the \$1 insured fee. In the event the vehicle is not covered by liability insurance, the person pays a \$35 fee." Hare said the prepared applica-

AGRICULTURE In ACTION

by M. L. Voss

Price and Politics

Farmers don't know whether to be pleased or unhappy that they are largely ignored at both the Republican and Democrat political conventions. Having suffered in the past from too much—rather than too little—political attention—farmers' general feeling may well be relief.

When they had registered their opinions earlier, in meeting after meeting, the party platform committees in direct contact with farmers who turned out to be party's choice—as president-elect Hubert Humphrey and Richard Nixon have their agricultural beliefs on record in farm speeches—Humphrey at the 1968 convention of the American Farm Bureau Federation, and Nixon at the national meeting in 1966.

Both men made eloquent statements before crowds of 5,000 farmers more—Nixon, as might be expected in opposition to government supply-management program of the present Administration, and Humphrey in general support of the program.

Generally, there are few political issues to be made out of a national situation in which farmers continue to drop while food prices soar. Apply the farmer has only hurt with his abundant produce—more than double the output of non-farm lands and representing a tremendous increase to the national income in which he has not shared.

Government supply-management has not worked. With prices at only 73 percent of parity, and food prices higher ever before, it is clear that government farm programs have not served either the interests of consumers or farmers' stated Charles Shuman, president of the American Farm Bureau, in appearance before both the Republican and Democrat platform committees.

These programs make farmers dependent upon government payments for a substantial part of their incomes," Shuman said. "Farmers have confidence that market-directed economy will give farmers a higher net income than a government-managed program."

Running Out for Registered Persons

Registration is fast closing in on unregistered persons for the Nov. 5 election, says the state's elections administrator.

Unregistered persons have only until Friday, Oct. 4, to register for the election, says Secretary of State James M. Hare. Registrars are being taken by city or township clerks at designated locations in most all communities.

Low Birth Rate

—A social economist, V. K. Bennett, stated in a report that the Soviet birth rate was declining and that by the 1970's the country faces the prospect of a smaller population. This, he said, will create a smaller work force.

Simplicity

is this good for you...

The Simplicity riding tractor gets around easier (short 20-inch turning radius) than many smaller tractors. Versatile, too! Simplicity's new no-scalp mowing is the beginning. Easy-mount attachments convert this 6-hp tractor into a dozer, grader, roller, leaf-collector and snow blower. Controlled traction differential keeps you going on slippery terrain. Ask for Simplicity's Yours of the Year!

We invite your comparison. I come on in and get your free tractor value yardstick. Take the right measure of your yard with just the right rider from the Simplicity line of six deluxe models. Easy terms arranged.

SUNDAY'S SERMON

Life
We are most impressed with the miracle of life at the beginning—and at the end: in witness to birth and in witness to death. Do we not, in the time between, take so much for granted? Do we forget to be thankful for the blessings that come our way every day of our lives? Do we accept all of the love and the wealth, the bounty of the earth, the warmth of the sunshine... unthinkingly? Do we assume, as some kind of a heritage, health, wealth and happiness? Until we lose them—and are inclined to cry out in despair, and disbelief?
Life is a great miracle. And every day that we live we should be grateful. We should thank God for the beauty of the earth and for the share of living we have been accorded.
The best of life is faith and Christian living. The best of life is service and the act of giving to others along the way.
Your share in life is a share in the miracle of creation... and it should not be wasted.

ASC Chairman E. Doletzky Starts Second Term

Washtenaw County ASC Committee for 1969 is made up of chairman, Earl Doletzky of Dexter, vice-chairman, Raymond Girbach of Saline and committee member, Lawrence Stein of Ann Arbor.
Doletzky is serving his first of a three-year term, this being his second term of office. Girbach is serving his second year of a three-year term. Stein is serving his last year of a three-year term. The newly-elected alternates are LeRoy Braun, of Northfield township, and Lauren W. Geiger of Salem township.
Terms of office for county committeemen are on a three-year basis, with one new member normally being elected each year at a convention of newly-elected ASC community committeemen. The situation varies, however, according to the number of actual vacancies on the committee. In addition, first and second alternates are elected for one year each.
The ASC farmer-committee system is unique. No other group of citizens has so direct a voice in developing and running government programs. Farmers eligible to take part in programs administered by the committee first elect community committeemen, who in turn elect county committeemen. While the county committee is in actual charge of administering the programs locally, including expenditures of federal funds, the county committeemen lend operating assistance where needed, and are particularly responsible for keeping their neighbors informed.
The elected committees are not federal officeholders. Congress holds the Department of Agriculture responsible, and that department, in turn, relies on the judgment and leadership of the locally elected farmer-committee. The county office serves as headquarters for farmer business connected with program participation.
Major ASC activities in Washtenaw county include the Agricultural Conservation Program, the Feed Grain Program, the Wheat Program, the National Wool Program, Price-support Loans, Storage Facility Loans, Dryer Loans and the Cropland Adjustment Program.

NORTH ELEMENTARY SCHOOL NOTES

KINDERGARTEN
Teacher, Mrs. Packard
Our first few weeks have been spent trying to get to know everyone's name and getting used to being at school every day. Some have come to the conclusion it's not what they had in mind. We have talked about seemingly endless safety rules with constant reminding.
In between social experiences we've talked about the season of Fall and we've had "signs of Fall" brought in by some. We've discussed, learned names and worked with the shapes of circle, square, rectangle and triangle. Much has been done to help learn and review the eight colors. Everyone is making a color book showing the eight colors. The children are anxious to complete these to show to their parents.
The black rabbit and two mice have had lots of attention every day. These are the favorite playthings for many of the children.

FOURTH GRADE
Teacher, Mrs. McCullough
We've been growing mold in our classroom. We found out that it needs room, temperature, air, water, and food to grow on. You can only see the stalks and spore cases with a hand lens or microscope.
We had a family of gerbils in our classroom. They look like brown mice. They come from the desert in Asia.

FIRST GRADE
Teacher, Mrs. Mullin
We are learning to read, which keeps us very busy. We made some books for our room and are making one now on cats and dogs. We wrote a story about Fall, and look each day for signs of Fall. Our table is full of acorns, pumpkins and colorful leaves!

FIFTH GRADE
Teacher, Mrs. Graybill
Reporter, Doug Welshans
We started in science and learned about the changing earth. We learned about volcanoes and how they erupt. We learned how earthquakes started. We have started a rock collection. A lot of people brought rocks.
We tried out for chorus and 20 people from our room were picked. We have been studying about Indians in social studies.
Teacher, Mrs. Heller
Reporters, Kristy DelPrete, Kathy Fairbanks
Mrs. Heller's class is studying about Indians. We also are doing Indian projects.
Wednesday our teacher taught us how to do crayon stencil and that was fun.
Our class is studying about different kinds of rocks in science. Our class is bringing in milk cartons for mail boxes.

SECOND GRADE
Teacher, Mrs. Morgan
Mrs. Morgan's second grade class has had several insects brought to school. We have had a walking stick, caterpillars, and a praying mantis. We have enjoyed learning about things that are alive and not alive in science on T.V. We have a salamander, and a monarch butterfly.
We had fun in an art lesson making pictures using string.
Teacher, Miss Timmerman
Miss Timmerman's second grade class has been bringing in many interesting things to look at. We saw a preserved frog, grasshopper, and crayfish. We had a live turtle and lots of caterpillars, too. Have you ever seen a puffball? We have one almost as big as a basketball.

THIRD GRADE
Teacher, Mrs. Edmonds
Mrs. Edmonds' third grade class is planning to make a pioneer village. The girls are making doll dresses and the boys are making the log cabins. After the project is finished, it will be on display at North school.
In social studies we have studied about our country, flag, and states. Now we are learning where each state is located on the map.
In Art we used colored chalk and put out our own designs for our pictures. After we finished we put them on display in our room. Now we are making flowers out of cleaners bags.
Teacher, Mrs. Hirc
We are in the third grade now and are doing many new and interesting things.
In social studies we made some folders about our family. We brought in some pictures of our families. Some of us have here

Servicemen's Corner

Lt. C. F. Cooper Wins Navy Air Medal
Moffett Field, Calif.—Navy Lieutenant C. F. Cooper son of D. H. Cooper of Daly Rd., Dexter, Mich., was awarded the Air Medal. He received the medal for meritorious service while engaged in combat operations against the enemy in Southeast Asia while with Patrol Squadron 47.
The medal was awarded for the period Jan. 6 through June 26, 1968 and from June 26, 1967 until Jan. 5, 1968.
Patrol Squadron 47 is home based at Moffett Field, Calif., in the San Jose area.
Truth may be hard to ascertain but the search warrants the attention of all individuals.

SOME KISSER

Kissing gouramis do just that. The fish, aquarium favorites, kiss other fishes, tank walls, even stones; nobody knows why.
0050 Carpet Cleaning
October brings Halloween. So be careful that colored-paper decorations don't contact your carpet. They can cause stains. We recommend Host, the new method of cleaning carpets without water. The carpet is dry and ready to walk on immediately. Use our Host Electric Up-Brush. It's easy. Clean 40 sq. yds. only \$9.95.

ELECT PATRICK J. CONLIN FOR DISTRICT JUDGE
From C. William Hunsberger, Souderton, Pa.: I remember not so many years ago... when the average person could not afford a power mower to cut his grass. When he didn't have all the tools to trim his own trees, shrubbery... nor the compounds to rid his lawn of weeds.
Lawn care... for those who put forth any effort... was a chore. Pushing a hand mower across even an average size lawn took hours of sweat and toil. Of course, in those days we didn't have the noise of gas motors rending the neighborhood, nor did we have the pollution of air caused by dozens of power mowers being operated at the same time.
I remember, too, when it was the custom of many people to not only sweep their sidewalks, at least weekly, but the gutters as well. Unless they lived in the bigger towns and cities they didn't have the convenience of a municipal sweeper. People then, even as now, took pride in keeping their property neat, clean and presentable.
The smell of burning leaves in the fall is a bit of nostalgia fast disappearing from the American scene.
DIAPERS FOR SUBS
Groton, Conn.—Workers at the General Dynamics shipyard use thousands of diapers in the construction of a nuclear submarine. Diapers are used to keep the parts clean. Workers found they worked as well as linen and have reduced operating costs by about \$20,000 a year.

AUTOMATIC SCREW MACHINE OPERATORS and SET-UP MEN
Excellent pay and fringe benefits. Fully paid Blue Cross, paid holidays. Excellent profit-sharing pension fund. Working 55 hours per week.

AN EQUAL OPPORTUNITY EMPLOYER

DON'T BUY ANY HEATING OR COOLING SYSTEM...
UNTIL YOU SEE **WILLIAMSON'S** NEW **"FIVE-IN-ONE"**
1. Heat the home
2. Add moisture to winter
3. Cool the home
4. Remove moisture in summer
5. Deodorize and freshen the air
Williamson's new "Five-In-One" completely outdates all conventional heating and cooling systems. In just one cabinet, no larger than the average size warm air furnace, the "Five-In-One" includes all the necessary components to heat, humidify, cool, dehumidify, and electronically clean the air in your home. The "Five-In-One" will cost less to install and is far more attractive than components purchased separately and combined to achieve the same total comfort.
For gentle warmth in winter, pleasant coolness in summer, and air pure, fresh and properly moisturized all year round, take a good look at Williamson's new "Five-In-One"—an entirely new concept in total indoor comfort.

Elaborate Series Souvenir Program Readied By Tigers

Detroit—The 1968 World Series official souvenir program to be offered at Tiger Stadium during the games scheduled for Oct. 5-7 will be 120 pages—one of the largest scorebooks in the history of the World Series.

It will be an all-color publication with photos of the Tigers and St. Louis Cardinals in four-color printing. Full-page team photos of the two teams also will be in four-color.

The last previous World Series scorebook sold at Tiger Stadium, for the war-time 1945 series, was a 20-page booklet with no advertising. The 1940 publication was 20 pages.

The current World Series scorebook will be sold at the stadium or by mail order.

Temporary Instruction Driving Permits Increase

Lansing—There are more persons in Michigan learning to drive than ever before in history, a tally of temporary instruction driving permits revealed.

The Michigan Department of State reported that through Sept. 17, with 8 1/2 months still to go in 1968, nearly 161,000 instruction permits had been issued, as compared to 159,500 for all of 1967.

Series of Skiing Lessons Slated To Start Oct. 12 on TV Program

East Lansing—A television series for the skiing enthusiast premieres Saturday, Oct. 12, at 7:30 p.m. on WBS (Channel 10), Michigan State University television.

"Skiing," a series of 13 lessons, makes no effort to teach a specific technique, but emphasizes the basic movements common to all modern techniques. The fundamentals of skiing at the beginning, intermediate and advanced levels are illustrated.

As a part of the skiing instruction, the series covers intelligent purchase of ski equipment, ski safety and snow-making. Special lessons concentrate on ski competition, expense, the similarity of various ski techniques and skiing for children.

HIPPIES—"NET Journal" relates the experiences of Toronto's Diggers ("hippies"), as they attempt to bar auto traffic from the street which has become the center of hippieism on "Flowers on a One-Way Street," Friday, Oct. 11, at 7 p.m.

Yorkville Ave. has become virtually impassible through the confluence of Toronto's pedestrian and vehicular traffic. The Diggers argue with municipal authorities

that the issue is larger than one street; it involves a sense of community and the willingness of a city to allow this community to exist.

In a series of confrontations between Diggers and city officials, the divergence of aims becomes increasingly apparent. A former mayor who holds a meeting with the Diggers to prove his indulgence of "flower power" soon indicates a total inability to understand their requests.

CHINESE COOKING—"Joyce Chen Cooks," a series opening the door to the mysteries of Chinese cooking, premieres Tuesday, Oct. 8, at 1 p.m. and Friday, Oct. 11, at 12:30 p.m.

In her charming manner, Mrs. Chen shows viewers how to cook Chinese dishes in their own kitchens, using equipment already on hand and ingredients available from any supermarket.

Since 1958, she has been running "Joyce-Chen's" restaurant in Cambridge, Mass., the only Chinese restaurant on James Beard's list of the 23 best eating places in the United States.

GUITAR—"Playing the Guitar," a series of 39 lessons with internationally known classical guitarist Frederick Noad, premieres Saturday, Oct. 12, at 12 noon.

The series is designed for those who have not had previous musical experience, as well as those who wish to improve their guitar technique.

The lessons include an introduction to techniques fundamental to most styles of guitar playing, the basics of music notation, practice studies, sight-reading and memorization.

DRAMA—Sir John Gielgud, internationally renowned for his portrayal of classic and serious roles, makes a rare appearance as the romantic lead in "The Mayfly and the Frog" on "NET Playhouse," Sunday, Oct. 6, at 11 p.m.

The fanciful story is of an embittered, middle-aged multi-millionaire and a scruffy teen-aged girl. The collision of his Rolls Royce with her ancient motor scooter sparks an unlikely, tender adventure.

SEWING—"Shortcuts to Fashion" proves that home-sewing can be fun and still have a professional touch, beginning Thursday, Oct. 10, at 11:30 a.m. and Friday, Oct. 11, at 1 p.m.

Teaching the course is Alfred Bach, industrial engineer, pattern maker, tailor, dressmaker, fashion expert and showman. Called the "Pied Piper of Sewing," Bach has charmed women from the fashionable Harrods in London to Titcher's in Dallas. He has transformed his knowledge of ladies' sewing from mere "seamstress" appearance to fashionable cuts and styles.

4-H Clubs

NEEDLE NUDGERS
Needle Nudgers 4-H club held their first fall meeting Thursday, Sept. 28 at the home of Mrs. Albert Sannes at 223 Lincoln. Fourteen girls attended the meeting. Officers elected for the year are Pam Blackwell, president; Renita Taylor, vice-president; and Yvonne Clark, secretary.

A report on summer club activities and County 4-H Show'78 given by Cindy Baird. Project plans were discussed. Posters for National 4-H Week will be made at the next meeting and will be displayed in the downtown area during National 4-H Week, Oct. 6-12.

WIDE-AWAKE ELECTS
Wide-awake 4-H club had their monthly meeting Saturday at the home of Marilyn Hinderer. They had an election of officers. President is Holly Powers, vice-president Nola Wackenhut, treasurer Eleanor Musolf, secretary Sharon Sullivan, and scrapbook chairman Jean Wenk.

Marilyn Hinderer showed pictures from the Washington, D.C. trip. The next meeting will be at the home of Diane Bycraft. Refreshments were served by Marilyn and Mrs. Hinderer.

FREER ACRES
Freer Acres 4-H club was called to order Sept. 24 by last year's president Jean Haselwardt. New officers were elected. They are, president, Jodi Daniels; vice-president, Darlene Robbins; secretary, Maralee Peppers.

Two committees were selected for the coming year. The cookie committee members include Debbie Akin, Diane Robbins and Margie Parsons. The activity committee is made up of Barb Boylan, Stephanie Aldrich, Pat Knickerbocker and Laurie Mann. There was a discussion of future meetings, followed by refreshments.

On Aug. 22 there was a picnic at the Robert Daniels' cottage on Cavanaugh Lake.

Two Chelsea Girls Compete in National Cross-Country Meet

Two girls from the local track club participated at the national cross-country meet at Eastern Michigan University in Ypsilanti Saturday. Alicia Johnson placed 25th out of 100 with a time of 6:33 minutes in the 3-and-a-half mile race against contestants from the U.S. and Canada.

This time would have placed her 10 seconds behind last year's state champ in that age group. Since Alicia began practicing fifty three weeks ago, the time is exceptional. Oct. 28 she will be competing in the state championship meet at Flint.

The Chelsea coach feels that she has the most ability of any girl in the Chelsea area for distance running. He compares her ability with Francie Kraker of Ann Arbor who is on the Olympic team this year. Seven years ago, when Francie was starting, he worked with her and estimates their ability at about the same.

The other participant, Debbie Pines from Jackson, ran in the special 220 race and placed fourth with a time of 26.0.

Usually the victim of gossip has something others are jealous of.

Club, Social Activities

YOUNG HOMEMAKERS
Various new hair styles and good grooming tips were demonstrated by Mrs. Fran Coy from Magic Mirror to the Young Homemakers Extension Study group. The meeting was called to order Sept. 25 by president Mrs. Earl Koch at the home of Mrs. Lloyd Grau. Co-hostess was Mrs. Reuben Lesser, Jr.

Committees reported and a schedule for the coming year was compiled, with meeting dates included. A tour of Kellogg's in Battle Creek was set for Oct. 17.

Items were brought to the meeting for the group's display at the rural-urban holiday idea open house. Secret pals were revealed and new names drawn for the coming year. The next meeting will be No. 2 at the home of Mrs. Earl Horning.

PAST NOBLE GRANDS

The Past Noble Grand Club of Chelsea Lodge No. 130 met at the home of Mrs. John Dvorak last Thursday. Mrs. Donovan C. Sweeney acted as co-hostess. After a dessert luncheon, games were played. The door prize drawing went to Mrs. Mac Packard. The Rebekah Lodge is planning a 50th anniversary of their lodge in Chelsea. Each Past Noble Grand is urged to attend the celebration Oct. 10 at 7:30 p.m. at the Hall. The October PNG Club meeting will be held at the home of Mrs. Packard.

LEGION AUXILIARY

The monthly meeting of the Herbert J. McKune Unit No. 31 was held Oct. 1 at the Legion Home at Cavanaugh Lake with 17 members present.

The Unit Activities chairman, announced that they are planning a bake sale to be held at the Sylvan Town Hall on Saturday, Oct. 26, starting at 9 a.m. All members are urged to contribute. Winter meetings will be at the Sylvan Township Hall starting with December. The November meeting will be held at the legion home at Cavanaugh Lake on Nov. 6 at 8 p.m.

Members played a game and enjoyed refreshments.

Upper Peninsula Fall Colors Near Peak This Week

Lansing—Early-bird, autumn color viewers will have their first good chance to see Michigan's annual change from summer green in limited areas the week-end of Oct. 5, according to the Michigan Tourist Council.

Council observers report that color in the Upper Peninsula will be near the coming peak condition in that area the week-end of Oct. 5.

Some areas in the northern section of the lower peninsula expect good viewing during the coming week-end with impressive colors predicted in the regions of Petoskey, Gaylord and Alpena.

Areas to the south report tingling of leaves in isolated spots. Michigan color tour planning information is available without charge from the Michigan Tourist Council, Stevens T. Mason Building, Lansing, 48926.

Homemaking Hints

"Vegetable hating" in children is usually a temporary thing. Refusal to eat a certain vegetable does not always indicate a permanent dislike. Nutritionists suggest introducing new vegetable under favorable conditions by serving them at meals which include other familiar, well-liked foods.

About half the family food dollar goes for protein foods—meats, poultry, fish, milk, and eggs—so the economy-minded shopper will do well to strive for efficient purchases in these items. Many delicious, low-cost main dishes can be prepared from the less tender cuts of meat or meat substitutes.

Food claimed the largest slice of the farm-family living expenditure pie in '66—23.4 percent, an average of \$1,631 annually, according to TelFarm research from more than 100 Michigan farm families.

WHO KNOWS?

1. Name the state with the largest area covered by forest?
2. Can you name the state rates second?
3. Which of the oceans is the largest?
4. Where is the National Library of Medicine located?
5. What is Florida's State bird?
6. Which is older—the National American League?
7. When did the Cardinal win a World Series?
8. Who won the 1968 Series?
9. Where is the Atacama desert located?
10. Who was President when Phillipine Islands gained independence?

Is your home going to turn into a desert this winter?

A lot of homes will.

In wintertime, people in houses with flame-type heating wake up mornings with that stuffed-up feeling. With hoarse, dry throats. Furniture dries out and starts creaking. Sound familiar? You bet it does. The best way to stop it is with electric heat.

You see, electric heat isn't a dry or drying heat. So you usually don't need a humidifier. The moisture from-bathing-and-cooking is all you need for natural comfort.

An Edison-Approved Electric Heating Contractor will be glad to tell you all about comfortable electric heat. He'll figure your operating cost, and explain the guarantee. And now, your contractor's offering a \$100 trade-in on your old heating system. Call him for a no-obligation electric heat survey. Look in the Yellow Pages under "Electric Heating—Equipment and Systems."

He'll show you how to turn your desert into an oasis.

Rebekah Lodge Anniversary Plans Complete

Further plans for the 50th anniversary party were made Friday night at a meeting of the Rebekah Lodge No. 180. The party is slated for 7:30 p.m. Oct. 10. The local lodge was instituted in July, 1918 at Lansing. Rhea Alexander is the only member still in the lodge. Anna McDonald has been a member here and in Eaton county 57 years. Many others have their membership more than 25 years.

The Old Fellow Lodge was active here for many years, but disbanded in 1958. The Rebekah membership is 78 now.

Luncheon and entertainment have been planned for the party. All present members, members, past Noble Order members and others associated with the Rebekahs are urged to attend celebration.

Transportation may be arranged by calling Mrs. Donovan Sweny at 475-8895. Mrs. Richard Keizer, secretary, should call either above or Mrs. Ronald Beyer, treasurer, at 475-8895. The announcement of the party will be made at the Officers' Visitation at Owasco Lake Oct. 9. Chelsea entertain Nov. 5 at the hall.

Henry Englehardt's 50th Anniversary Honored at Party

Mr. and Mrs. Henry Englehardt were honored at a surprise party celebrating their 50th wedding anniversary at their home at 35 Dexter-Chelsea Rd., Friday night.

After going out to dinner as guests of their nephew and his wife, Mr. and Mrs. Robert Weiden of Hollywood, Calif., they were surprised on returning home by 22 friends who had come to extend best wishes and congratulations in addition to bringing refreshments.

The Englehardts have lived on their present property their entire life. Mr. Englehardt died Sept. 28, 1918, by the late Mrs. A. A. Schoen of Dexter in the Englehardt farm house. Their attendants were Anna Leucht, Mrs. Anna Stoffer of near Chelsea and Leon Eschelbach of Arbor.

SH & WEAR—SILK
Remember that fabric-silk? It's on the way back. Researchers are reportedly developing a chemical treatment that is answer to a silk-worm's prayer. When silk has been treated with the new finish, it can be washed in your washer without wrinkling.

TIPS for your TOP from TODDY and FRAN

Full dolldrums? What is there about this season, lovely as it is, that brings tears to women's eyes at the drop of a dry eye? Whatever it is, we know it's too shall pass, but why wait for time to heal the blues when a new hairdo will do the trick? We're serious! It sounds like an advertising "come-on" maybe. And naturally we're advertising to get you to come in and test what we say. But you're going to be surprised, if you haven't tried it before, how completely life-lifting an appointment at the beauty shop can be! We know this because our customers tell us so—and our customers are the nicest people you could meet. Join us?

Mirrol Beauty Salon
Phone 463-0816
5703 Jackson Rd., Ann Arbor

60TH ANNIVERSARY OPEN HOUSE: Mr. and Mrs. Clinton Smyth will observe their 60th wedding anniversary Oct. 6 with an open house from 2-5 p.m. at the Sunset Inn in Owasco. The Smyths have been life-long residents of Shuron Township, Chelsea and Grass Lake until moving to Owasco five years ago. They have four children, Gerald and Roger Smyth of Chelsea, Mrs. Joseph (Betty) Merkel and Mrs. S. A. (Maxine) Moser of Owasco. They also have 12 grandchildren and three great-grandchildren.

MODERN MOTHERS

Members of the Modern Mothers Child Study Club will meet Oct. 8 at the home of Mrs. Richard Stoll with Mrs. Richard Cook as co-hostess. The program topic will be nursery school, with Co-op Nursery teacher Virginia Meyer. Members should bring a baked item for the sale and \$1 for donation.

SENIOR CITIZENS

Senior citizens met at 7:30 p.m. Sept. 24 at the Korner House. The next few weeks will be busy ones for the members as they gather at 7 p.m. Friday for euchre, attend a social party Oct. 10 at 7:30 p.m., have their birthday party Oct. 24, at 6:30 p.m. and meet at 7:30 p.m. Oct. 29 for a business meeting.

Subscribe Today to The Standard!

Jaycee Auxiliary Members Attend District Meeting

Chelsea Jaycee auxiliary members traveled to Ypsilanti Tuesday to attend the District 22 fall meeting.

Members attending were Mrs. Art Steinnaway, president; Mrs. Bob Undergraff, treasurer; Mrs. Fred Patterson, secretary; Mrs. Ron Bramham, past president; Mrs. Roy Greenleaf, director; Mrs. Chuck Koorn, and Mrs. Don Froelich. Mrs. George Ellenwood, a half-time member, and Mrs. Joe Verway attended as guests.

Sandy Ames, executive vice-president of Michigan Jaycee Auxiliary, was the speaker.

Mrs. Peter Breschmin, District 22 vice-president, presided over the business meeting during which the District, composed of 11 locals, accepted a District Mental Health Project. Each local is to hold a fund-raising event with the proceeds going into a central fund for a proposed project.

Nearly all 11 locals are participating in the Helping Hand Project.

Trovel Trophies were presented to Adrian and Dexter, first and second place, respectively. Augusta township has been extended and at Sault Ste. Marie Fall Board the extension would be accepted.

Augusta Charter Night will be Nov. 2 at Leithausers in Sallie.

Population Explosion Reported from Hell

Hell, too—has growing pains, as the 1908 census recorded a 15 percent increase from 45 to 82 persons in the tiny community of Hell, Mich.

The Hell Chamber of Commerce predicts more inflation and an even greater boom in the '70's, than in the '60's on both the local and national levels.

ENGAGED: Mr. and Mrs. George Bauer of 19835 Waterloo Rd., announce the engagement of their daughter, Barbara Jean Bauer to Charles Allen Fredette. Her fiancé is the son of Mr. and Mrs. Ellis C. Boyce of Island Lake Rd. Barbara is a senior at Chelsea High school and a part-time employee of the Chelsea State Bank. Mr. Fredette is a sophomore at Eastern Michigan University in Ypsilanti and plans to enter the teaching profession.

FOUR MILE LAKE

Mr. and Mrs. Glenn Rentachler and Mrs. Ezra Holminger were Sunday dinner guests of Mr. and Mrs. Alvin Wahr and family of Helm Rd.

Mr. and Mrs. Donald Wright and family, of Chelsea, were Sunday visitors of his parents, Mr. and Mrs. Burton Wright.

Mrs. Clarence Moore was a Saturday afternoon visitor of Mrs. Alvin Wahr.

Mr. and Mrs. Gerald Loveland of Monroe and son were Sunday dinner guests of Mrs. Leonard Loveland.

Wool Sewing Contest Entries Accepted Now

Young sewers should begin getting their sewing machines and eyeing their favorite patterns for the "Make It Yourself With Wool" competition.

The district and state contests feature enticing piles of prizes including a chance to participate in the national finals in San Francisco and possibly a trip to travel through Europe at no personal expense.

Girls between the ages of 10 and 22 may enter. They must make their own garments from 100 percent wool loomed, knitted or felted in America. Girls in district two, including Washtenaw, Monroe, Lenawee, Jackson and Hillsdale counties, will be directed by Mrs. Harold Hannwald of 14880 M-52, Stockbridge.

Contestants will be modeling their garments at the state competition Dec. 7 at Michigan State University.

The state winner will travel to San Francisco for the national finals June 16.

Scholarships, bonds, sewing machines, luggage, wardrobes and accessories, sewing aids and books are offered on all levels of competition.

Young ladies aspiring to that European trip and possessing sewing skill should contact Mrs. Hannwald.

IRON-IT-ON
You'll have best success with iron-on tape if you use it on medium-weight straight skirts. The tape is fine with lightweight fabrics, but the line of bonding is apt to show through the fabric. Before using try a small piece of tape on the fabric to see if the line is conspicuous.

THRIVING PEANUT SALES
West, Fla.—Thirteen-year-old Michael C. Artall has a business averaging \$100 a week selling peanuts. He owns his \$225 peanut roasting machine and often hires two or three boys to help him keep his racks filled in navy installations and stores. He pays the boys on a commission basis.

WASHING WOODENWARE
Woodenware with a varnish or lacquer finish can and should be washed in lukewarm sudsy water. But washing doesn't mean soaking. No matter what the finish is, it won't stand long periods of soaking without some damage to the wood. Lacquered bowls will cloud if put into hot water.

WINTER FEED FOR BIRDS: Two brothers, Jon (left) and Don Oesterle, have among the sunflowers they raised this year several with unusually large numbers of blooms. The one shown in the photo has 27 flowers branching out from the bottom to the top of the stalk. Another one beside it has 18. A check by neighbors of sunflowers in their own gardens revealed that none had more than eight or 10 blossoms. Don, 10 years old, was a Cub Scout the past two years and Jon was at many of

the meetings which were held at their home because their mother was den mother of Den 11, Pack 455. One of the things stressed at the meetings was the winter feeding of birds, so he and Jon, eight years old, decided to raise sunflowers for the purpose in the yard at their home, 541 Chandler St. The 27 sunflowers on this one plant will add quite a few seeds to their winter supply. The boys and their 22-month-old sister, Susan Lynne, are the children of Mr. and Mrs. Sumner Oesterle.

Girl Scout Association To Meet Oct. 7

The first meeting of the Western Washtenaw Association of Girl Scouts will be held Monday, Oct. 7 at 7:45 p.m. at St. Paul United Church of Christ, Chelsea.

Under a recent reorganization of the Huron Valley Council's administrative structure, the 24 neighborhoods in the council were changed to eight area associations. The Western Washtenaw Association is comprised of 84 Girl Scout troops, including 702 girl members and 173 adults in Chelsea, Dexter and Saline.

Council reorganization followed months of research, a pilot project, a survey of all Girl Scout leaders, and an extensive study of present and projected membership. The Oct. 7 meeting will be conducted by Mrs. William Fleming of Ann Arbor who served as District chairman under the old council structure.

Featured speaker of the evening will be Mrs. H. M. Crooks, Jr., of Ann Arbor, chairman of the council's Program Committee. She will speak on the impact of Girl Scouting in Chelsea, Dexter and Saline.

An election will be held for chairman of the association and nominating committee. The candidate for chairman is Mrs. Carl O'Brien of Saline; the slate for nominating committee includes: Mrs. James Barden, Dexter; Mrs. R. A. DeLong, Dexter; Mrs. H. K. Clark, Saline; Mrs. Ed Monty, Saline; and Mrs. Jerry Satterthwaite, Chelsea.

Life in the United States, is not what the society and theoretically-minded people think and do.

Art Clemes Wins Inverness Club Golf Tournament

Some of the best area golfer have been ironing out their differences on the green during the Inverness Country Club golf tournament, and winners have finally emerged, according to Inverness Vice Barry.

Club tournament winners are Art Clemes, first, and Clinton Smith a very close second.

In the first flight, Louis Abel and William Hunter placed first and second, respectively. Second flight winners were John Hess, first, and Leon Szabon second.

In the senior men's tournament, Harry Cotterman won and K. R. McManis took the second position.

This activity concludes Inverness tournaments for the season.

Howard Holmes Will Present Lecture At Adrian College

Howard S. Holmes, president of the Chelsea Milling Co., will be a guest lecturer in the Department of Economics and Business Administration at Adrian College on Friday.

Holmes will speak on "Marketing 'Jiffy Brand Mixes'" to the students in the Marketing 303 class of James Cuthbertson.

His lecture will be the first in a series of 10 to be held throughout the first semester in which well-qualified persons throughout the business world will share their knowledge with Adrian College students.

Local Governments Share of Highway Fund Shows Increase

Chelsea taxpayers who have willingly or unwillingly paid the extra one cent per gallon increase in gasoline sales tax may be comforted in the knowledge that they will be seeing some of the extra money put to work nearby.

Chelsea's share of the net revenue during the last fiscal year was \$36,475, an increase of about \$4,000 over the 1966-67 fiscal year.

Other local cities and villages received: Ann Arbor, \$769,957, up about \$55,000; Dexter, \$20,365, up about \$2,000; Manchester, \$22,122, up about \$2,000; Milan, \$41,522, up about \$4,000; Saline, \$25,715, up about \$2,500; and Ypsilanti, \$191,928, up about \$24,000.

Jackson county took \$1,742,803, up about \$130,000. Washtenaw's share was \$1,915,390, an increase of about \$150,000.

As taxpayers know, nothing is free. Money for these increased revenues came mainly from record-breaking state gas tax and license plate fee incomes, producing \$309.9 million for Michigan's Motor Vehicle Highway Fund. This represents an increase of almost 10 percent.

Henrik E. Stafseth, state highway director, said the increase is due to the hike from six to seven cents a gallon in state gas tax. This tax began Jan. 1 and was part of the "Good Roads" package enacted by the legislature last year.

The other revenue-producing part of the package restored motor vehicle weight taxes to the pre-depression level. It did not take effect until Oct. 1 and Nov. 15 when new commercial and passenger plates are placed on sale.

The gas tax produced \$219.7 million in the fiscal year ending June 30. This is an increase of 12.5 percent. License plate fees totaled \$35.6 million which is up 1.5 percent from last year.

Collection costs were held to less than one percent increase, totaling \$7.2 million.

The State Waterways Commission's share jumped 122.3 percent to \$2.1 million mainly from a tax package provision boosting the Commission's share of the gas tax from .5 to 1.5 percent on Jan. 1.

Net revenue for distribution to state, counties, and municipalities was \$300.3 million, an increase of 3.1 percent. The Highway Department received \$139.7 million, up eight percent. Counties divided \$103.6 million, an increase of 7.6 percent. Incorporated cities and villages shared \$56.9 million, receiving the largest percent increase of the three—14.9 percent.

The reason the municipal percentage of increase is greater is the hiked municipal tax having shares, from 18 to 20 percent on Jan. 1, and the reduced state and county portions from 47 and 35 to 46 and 34, respectively.

Youth Fined on Charge Of Being 'Disorderly'

A 17-year-old area youth was fined \$25 by Justice C. A. Rogers Friday for a "disorderly person" charge.

Daniel Skodak of 13027 Aberdeen Dr., admitted to the charge, made Sept. 19. According to police chief George Meranuck, Skodak was cutting through an outdoor nature study class on the Dwight E. Beach Junior High school property when he began swearing and using "vulgar language in front of children." Beach principal Alan Conklin signed the complaint.

Net revenue for distribution to state, counties, and municipalities was \$300.3 million, an increase of 3.1 percent. The Highway Department received \$139.7 million, up eight percent. Counties divided \$103.6 million, an increase of 7.6 percent. Incorporated cities and villages shared \$56.9 million, receiving the largest percent increase of the three—14.9 percent.

FALLS UNDER TRAIN
Camden, N. J. — Surgeons at West Jersey Hospital report that they hope to save the almost severed leg of 8-year-old Astra Crane who slipped under a train and a wheel ran over her leg. While a policeman was taking her to a hospital she asked: "Do you think I can have a new leg?"

The Hi-Light

Edited by Students of the Chelsea High-School Journalism Club

150 Chelsea Band students went to the MSU stadium Saturday, Sept. 21. The 30 bands participating were featured before the game. Chelsea played "Green Fields" for their two-minute routine. At half-time "Mardi American" and "America the Beautiful" the MSU fight song and "Battle Hymn of the Republic" were played by all the bands together.

Health Club started last year, is official this year. Officers are: president, Nancy Dyston; vice-president, Linda Hillis; secretary, Sally Johnson; treasurer, Debra Maynard. Advisors are Mr. Bergman and Narge Rust. This semester four of the members took a six-week course at St. Joseph Mercy Hospital as auditors. They worked in pediatrics, obstetrics, and the ob-gyn clinic. This to various hospitals are being planned.

Auto-Owners INSURANCE COMPANY
Home office at Lansing, Michigan

Dana believes in putting all its eggs in one basket.

A 192 billion dollar basket.

Here's why Dana is putting everything it's got into the \$192 billion—and growing—transportation basket. The U.S. auto population alone has tripled in 20 years. Right now it's growing eight times faster than the human population. Studies indicate that by the early seventies transportation will account for 25 percent of the Gross National Product—about \$250 billion. Dana, with a total and diverse involvement in transportation, has a mighty good looking future in an

atmosphere like this. After all, we are the largest independent supplier of transportation components in the world. For more information, send for a copy of our annual report. Write: Office of the President, Dana Corporation, Toledo, Ohio 43601.
