High School Office Entered Sunday Night

The Washtenaw County Sheriff's Department is investigating illegal breaking and entering of Chelsea High school late Sunday night or early Monday morning. Head custodian Ronald Johnson discovered that someone had entered the building when he arrived for work at 6 a.m. Chelsea Patrolman Peebles received a call at 6:15 a.m. and, with Fred Mills, who joined him, found nothing missing. A crowd had been broken, possibly by a crowbar, at the southwest end of the Administration Building. The subject attempted to make a hole in a safe, possibly with a crowbar, and had failed. Partial fingerprints have been taken and are being investigated.

HS Debate Teams Start Season Nov. 19

The Chelsea Junior Varsity Debate club had a practice debate against Stockbridge Tuesday night. Left coach William Coelius said the feeling that they did well for their first debate. The JV debaters, defending or opposing with the topic "compulsory military service for all citizens," were affirmative, Sue Blaess Virginia Ball; negative, Janis and Pam Pernell.

Meanwhile, a varsity debate begins Nov. 19, with a debate against Stockbridge. Two other scrimmages will be held on Nov. 21 and Nov. 26 against Ann Arbor Huron. Nov. 5 is the opening date of league debates that count toward a championship in the school league. Dec. 5 Chelsea travels to Saline. Dec. 12 is at home against Dexter. Dec. 19 is at Ann Arbor.

Chelsea will have an opportunity to debate the other four league schools Dec. 21 at a tournament. The Chelsea varsity will at Monroe Catholic Central, the Mason, Jefferson and Tecumseh.

Coach Coelius will request that each varsity team be brought to the debate so that the Chelsea JV's will be able to meet the teams of other league schools. This is the second year that Chelsea has had a debate team. The varsity debaters, Jim Boylan, and Bobbie Dvorak gained experience last year. Four members are necessary each team; one of the junior debaters will fill this position in matches.

Other JV members are Cindy Carter, Denise Slusser, Sharon Gault, Marlin Johnson, and McKernan.

The teams have been practicing at school almost every day in preparation for the opening of the season. "It takes a lot of work to debate," according to Coach. They also practice debating techniques.

First Show in Kiwanis Travel Series Stated Saturday Night

Head—take a long and lovely trip through the colorful Bahamas.

"Of course," you say to yourself, "I might just drop by any time."

You can do just that Saturday night. The Kiwanis club's eighth annual travel series begins at 8 p.m. in the high school auditorium. "Wings to the Golden Bahamas."

James W. Metcalf takes viewers on a winged trip from quaint Nassau through the Out Islands. Pictures, gold-laden galleons, confederate ships and 1920 vintage rum are only a few of the features that have people the Bahamas for more than 400 years. Unique, intriguing inhabitants in the chain of 800 tropical islands add excitement to these pieces of seaboard real estate.

Rec. Commission Will Show Series of First-Rate Movies

Chelsea movie fans will soon be able to indulge in local movies again. As part of the Recreation Commission winter program, popular movies will be shown at irregular intervals in the Chelsea High school auditorium.

This program, a new feature of the winter program this year, is being arranged through a firm in Chicago by recreation director Tom Balistrere. There will be showings of each movie at 6 and 9 p.m.

The first movie, "Robin and the Seven Hoods," stars Frank Sinatra, Dean Martin, Sammy Davis, Jr., Bing Crosby, Edward G. Robinson, Peter Falk and Barbara Rush. This musical comedy has been scheduled for Nov. 22, during Thanksgiving vacation.

Other movies that Balistrere hopes to offer are "The Longest Day," "The Guns of Navarone," and "Paper Lion." They will be scheduled on convenient dates, not to conflict with other activities. Tickets may be purchased for 50 cents at the auditorium at show time.

Bulldog Grid Team Closes With 8-1 Mark

The 1968 football season closed Friday night with the 20-12 Bulldog victory over Erie Mason to give the Southeastern Conference champion Bulldogs a final 8-1 season.

The Bulldogs wasted no time getting some figures on the scoreboard. Mike Harvey returned a short kickoff to the 40-yard line. Quarterback Craig Houle rolled to his right and, behind blocks by seniors Mike Harvey and Kerry Kargel, broke into the clear to run 60 yards untouched for a Chelsea touchdown. The extra point kick was wide and the score remained 6-0.

Erie Mason returned the kickoff to their 40-yard line, then ran a trick play on the surprised Bulldogs as the center scooped the ball to the Erie quarterback 20 yards to the left. The grid on the play was 45 yards to the Chelsea 15-yard line, where Karsen Kargel stopped the ball carrier from behind. Seven plays later Erie scored from the one-yard line. The first quarter ended with the score tied, 6 to 6.

Chelsea again held the Mason offense and took over the ball on the Erie 40-yard line. When three plays netted only four yards, Jim Wojcik stepped back, faked a punt, ran left and was finally forced out of bounds on the Erie six-yard line. The 39-yard gain was partly due to blocks from Richard Bollinger and Len Kozma. Quarterback Craig Houle scored Chelsea's third TD on a quarterback sneak from one yard out. Tim Orbring kicked the extra point and the scoreboard read, 20-6, Chelsea.

The Bulldogs scored again after a 61-yard drive, using the forward pass. Craig Houle passed 19 yards to Harvey, 25 yards to Harvey, 12 yards to Len Kozma and a four-yard touchdown pass to Harvey. The extra point kick was wide, leaving the half time score at 26-6.

NEW FIRE TRUCK: The latest addition to the Chelsea Fire Department is a \$28,000 truck with maximum capacity 50 percent higher than anything the fire department had before its arrival Nov. 1. The truck was initiated Sunday night when it was used to help control the Applied Dynamics fire in Dexter. The truck worked at full capacity for nearly three hours. Special features include a canopy cab, fog pressure device and pump that gives high pressure as well as volume. The truck was introduced to members of the Village Council, supervisors for the area they serve, and Chelsea firemen Sunday at a demonstration that replaced the annual "Bosses Night" for the firemen.

The new Chelsea fire truck received quite a work-out Sunday morning as it pumped 750 gallons of water per minute for almost three hours on the flaming Applied Dynamics Plant in Dexter.

In response to a call from the Dexter Fire Department, 13 firemen from Chelsea fought the fire that destroyed the major section of the one-story computer assembly plant. None of the 30 firemen fighting to control the blaze were injured as they poured 180,000 gallons of water on the plant at 7300 Huron River Dr.

The truck brings the total number owned by the Chelsea Fire Dept. to five. The Department decided not to trade in an older truck since the trade-in value would be less than the truck's worth to the Department. All trucks are serviceable, and all fit into the existing building.

The new truck has a Dodge chassis with body and fire equipment by American Fire Apparatus of Battle Creek. The pump is a Barton American mid-ship four-stage pump, which offers the advantage of simplicity and high pressure and volume. One convenience that this truck will offer is service from Battle Creek rather than another location farther away.

Another feature includes a canopy cab that will protect up to four firemen from weather as they go to fires. Other trucks leave only the back step for firemen. Exclusive of a large hose, the total cost was approximately \$28,000. The large hose is expected to arrive this week. The truck will be equipped with 1,000 feet of 2½ inch hose and 600 feet of 1½ inch hose.

The high-pressure fog feature will allow the truck to shoot fog 10 times as far as water, thus offering an advantage in rural areas where water sources are often scarce.

Grid Honors Given Tuesday At Banquet

Freshman, junior varsity and varsity football teams were honored at the tri-annual athletic banquet Tuesday night at the Chelsea High school cafeteria.

Approximately 250 players, parents, cheerleaders and guests indulged in a "tremendous" smorgasbord prepared by Mrs. Duane Weiss, Chelsea High school dietitian.

A special guest was Stan Kemp, player on the 1964 Wolverine Rose Bowl team, former free agent with the Green Bay Packers under coach Vince Lombardi and presently a member of the University of Michigan coaching staff.

The 1968 Southeastern Conference championship trophy was presented to the Bulldogs and is now on display in the trophy case at the high school.

All conference awards were given. Varsity players received their letters, first year players; the class, second year; and trophies, third year.

Cheerleaders, timers, announcers, doctors and others who helped the teams during their successful season were honored at the banquet.

Varsity co-captains for next year were announced as Richard Bollinger and Tim Colvia.

Expanded Rec. Program Set For Winter

The winter recreation program met with hearty approval when new director Tom Balistrere presented it to the Recreation Commission Monday night.

The September selection of Balistrere appears to be a good choice according to commission officers who praise the additions he has made to the program.

The program promises to be dynamic and appealing to all ages, male and female. New features include a movie program at Chelsea High school, judo, biddle basketball, first aid, winter tennis, and a special men's program designed to help tone muscles and lose weight.

As in former years, knitting, sewing, basketball, gymnastics and games will be offered. Registration must be completed between Nov. 15 and Dec. 15 in order to insure the registrant of a place in the activity of his selection.

It is necessary to insist that everyone register between these dates so that plans may be completed. A reservation in any class may be made by filling out a registration blank in any of the following businesses in Chelsea: House of Orients, Village Beauty Salon, Chelsea Drug, Strlester's Men's Wear, Foster's Men's Wear, and Murphy's Barber Shop.

The other way of registering will be to clip the blank in The Chelsea Standard and mail it completed to Tom Balistrere, 255 Park St. Chelsea.

Courses will begin the week of Jan. 8 and the last week of April. Courses to be offered beginning the week of Jan. 8 are:

A complete hand and machine sewing course open to all, 7:30-9 p.m. Mondays. Fee is \$10 for the 15-week course.

Complete knitting instruction course for beginners and experienced knitters, Mondays, 7:30-9 p.m. Instructor is Mrs. Clara Ewald. Fee is \$10 for the 15-week course.

Judo courses will include the history and origin of Judo, learning to fall, learning front, hip, reverse hip, leg whip, and shoulder throws and learning how to subdue attackers.

Judo courses for boys, groups I and II will be 7:30-8:15 p.m. Mondays at the high school gym. Instructors will be Doug Matz and Tom Balistrere. Fee is \$3 for the 15-week course.

Judo for men, group III, 8:30-9:15 p.m. Mondays at the gym. Instructor is Doug Matz. Fee is \$5 for the 15-week course.

New Fire Truck in Operation

The new Chelsea fire truck received quite a work-out Sunday morning as it pumped 750 gallons of water per minute for almost three hours on the flaming Applied Dynamics Plant in Dexter.

In response to a call from the Dexter Fire Department, 13 firemen from Chelsea fought the fire that destroyed the major section of the one-story computer assembly plant. None of the 30 firemen fighting to control the blaze were injured as they poured 180,000 gallons of water on the plant at 7300 Huron River Dr.

Frosh Gridders Complete Year Undefeated

The Chelsea frosh gridders completed an undefeated season with a decisive 57-31 victory over Saline on Oct. 24.

The team posted a 5-0-1 record in the season, which coach Tom Balistrere attributes to a "fine over-all team effort."

The squad that managed to finish so successfully is made up of backs Bob Craft, Mark Collins, Larry Jones, Tom Lixey, Tom McKernan, Glen Musolf, Dave Powers, Tom Winans, Dave Porath, Mike Thompson, Dan Schulke, Wayne Welton, linemen Keith Barber, Ed Koehneger, Lynn Houle, Larry Hopkins, Denny Landwehr, Randy Seitz, centers Bob Wojcik and Mark Wright, ends Roger Finch, Jeff Hughes, Don Hoover, Steve Knickerbocker, Ron Sweeney, and manager John Lantis.

Final record for the six game season was:

- Chelsea 40—Mich. Center 14
- Chelsea 37—Milan 14
- Chelsea 20—Brighton 10
- Chelsea 18—Lincoln 6
- Chelsea 13—Brighton 13
- Chelsea 57—Saline 32

Bulldogs Win All-Conference Team Honors

Chelsea Bulldogs placed three team members on the Southeastern Conference first team and three on the second team. Bulldogs on the all-league squads are:

Quarterback Craig Houle, senior, 175 pounds, 6' 1" tall, third-year Bulldog, was the only unanimous choice for the first team as he received 10 votes. Craig's season records show 143 carries, 850 yards gained rushing and nine touchdowns. He completed 25 out of 48 attempted passes for 389 yards and five touchdowns.

Tackle Greg Stephens, 185 pounds, 6' 0" is a third-year varsity senior lineman. He played middle linebacker and was the team's leading tackler. Greg is also credited by the coaches with being a fine offensive blocker.

Center Mike Gaken, 5' 8", 180-pound varsity lineman, is a third-year Bulldog. Mike, a senior, played in spite of injuries. His offensive and defensive playing were rated as most consistent linemen by the coaches.

Chest Fund Totals 91% of Projected Goal

Chelsea Community Chest has collected all but approximately \$2,000 of the \$23,850 goal with significant increases in almost every area.

Campaign chairman Rolly Spaulding is hoping that the response from rural mailings just beginning to flow in will be enough to push the campaign over the 100 percent mark to make the drive a complete success.

Campaign vice-chairman Dick Boss has compiled a list of committee reports totaling 91 percent of the goal. Last year the drive barely attained the goal which was raised by 10 percent this year.

Tabulations for committees are: From the educational committee headed by Chelsea Schools Business Manager Fred Mills the final figure is approximately \$500.

The residential committee showed a significant increase over last year. Chairmen Mrs. Sumner Osterle and Mrs. Robert Daniels reported that almost 50 solicitors collected \$1,400.

The professional committee headed by the Rev. Warner Siebert and Dr. Bruce T. Stubbs have collected \$700 with 30 percent still to give donations.

Organizations headed by Dr. Gene Miller have donated approximately \$400. Dr. Miller is expecting other donations to be made in this area to raise the total.

Businesses under the chairmanship of Robert Barlow, reported a whopping 80 percent increase with receipts totaling \$2,000. Boss commented that participation in this area was almost 100 percent with all but two businesses in Chelsea contributing to community chest.

The industrial committee has reached \$16,500 of its \$18,000 goal with a few more contributions to be made. Boss predicts that final figures will show the industrial division slightly short of goal but significantly higher than last year.

Chrysler Corp. donated \$800 from company and employees to make the largest total check. The largest company check was the \$1,400 Federal Screw Works donation reported last week.

Rural mailings have just begun to flow in to L. D. Guman and Art Schiller rural mailing committee chairman. The results have yet to be tabulated.

Donations amounting to \$21,800 are encouraging to campaign chairman who feel that achieving the goal is "very possible."

Grade Schools Are Holding Open House

North and South Elementary schools both scheduled open houses this week in conjunction with American Education Week, Nov. 10-17.

South Elementary school open house is 7-8:30 p.m. tonight. Parents will have an opportunity to visit their children's rooms and meet their teachers.

Buick-Olds Dealers Move to New Home

Sprague Buick and Oldsmobile have moved from their former quarters in the Daniels building at 118 N. Main to facilities at 1500 S. Main.

In fact, the facilities are so new that they have not quite been completed. Graham Sprague says he expects completion and official grand opening in mid-December.

They are open for business in their new location while Ted Fast and Sprague have the showroom completed.

Chrysler, Rockwell Lead in Blood Drive

Chrysler Proving Grounds had the highest number of employees donating blood at the annual Chelsea blood bank clinic in October. 65 Chrysler employees donated.

North American Rockwell had the highest percentage of employee donation as 20 percent of their men donated blood.

Jaycees are having plaques engraved for these two industries for their contribution to the blood drive.

FIFTEEN VOLUMES of the Michigan Historical Quarterly, years 1932-50, were given to McKune Memorial Library Friday afternoon. Ellis Martin, second from left, presented the set to assistant librarian Mrs. Howard Treado and John Thomson, left, chairman of the library board. Dr. J. V. Fisher, right, arranged the donation that will provide a log of historical events in the state during the years included. Martin, a retired school teacher from Dearborn, selected the set from his private collection at his home at Sugar Loaf Lake. He makes a hobby of uncovering little known historical facts.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Ed Donlitt told the fellers at the country store Saturday night that the new administration coming in reminds him of a baseball story from away back. This manager got so mad at his shortstop for making errors he went out to show the shortstop how to play. The manager dropped the first ball hit to him and got madder than ever with his player. "You got this position so messed up that nobody can play it," he said.

Ed allowed as how our next President was going to be in the same fix that manager was in. He said the Federal Government was in such a mess he's afraid nobody can run it. For instant, said Ed, if our new President don't cut back on Federal spending, he'll be called ever name in the book. But if he cuts back on any Federal services and benefits he'll be called the same names. All in all, said Ed, he'd as soon be elected guest of honor at a hanging as to have to step into Johnson's job in January. Even the new President's problems has got problems, was Ed's words.

Zeke Grubb got the floor and announced they was one critical issue the politicians didn't bring

up during the campaign. One issue that ain't been give near the attention it needs, said Zeke, is lead. He was of the opinion too many people in this country was suffering from lead. Settled in the seat of their pants, he said, we can't recognize our lead problem as old fashion laziness. We call it by a whole string of polite names but all the time more and more people was catching the disease. The Government has now got the country divided into the givers and the takers and the takers was fast getting into the majority. Zeke allowed it was time the new administration started to ever up the lead.

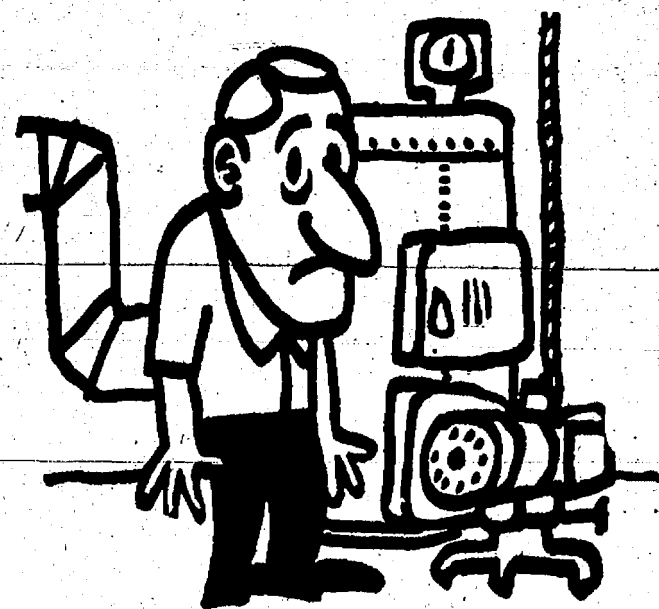

Ed got control of the floor again and he allowed as how we got too much protest in this country and not enough produce. He said all the people waiting for hand-outs and suffering from lead in the pants reminded him of the feller that was put in a room and told to find his way out. The feller tried pulling the bars off the windows, digging up the floor and butting through a wall, but he didn't think to try the door that was left unlocked. We got too many people in this country looking for ways through the walls instead of open doors, was Ed's words.

With Ed speaking in them parables again, and Zeke carrying on about the lead disease, I figger, Mister Editor, the session at the store Saturday night was a taste of the advice the new President will be getting, and I'm agreed with Ed that I'd rather be the guest of honor at a public lynching than to be setting in the next President's chair.

Yours truly,
 Uncle Lew

Salaries Rise
 Final figures from 1968-69 contract, negotiating sessions show Michigan teachers this year are among the best paid in the mid-west and the nation.

Only five years ago, a teacher armed with a bachelor's degree could expect to collect \$4,985 the first year on the job. This year the average beginning salary is around \$6,000.

Detroit claims the highest paid starting teachers in Michigan: \$7,500 per year. By contrast, Lake Linden in the Upper Peninsula starts its teachers at \$5,855.

The beginning salaries still fall short of the goal set by the 60,000-member Michigan Education Association. It is striving for a starting point of \$8,000 a year.

The MEA also wants \$10,000 in 10 years for teachers with master's degrees. Presently Dearborn's District No. 8 pays the most in this maximum salary category: \$13,210 per year.

But MEA officials say starting salaries aren't the only areas they're interested in. The big teacher organization says it also wants better compensation for experienced hands.

"We're trying to keep teachers in the profession," said Kai Erickson, assistant MEA secretary. "I'm sure the biggest gains this year will be in the middle levels."

Erickson said a large number of teachers are lost to industry and business in the third and fourth years because of the pay difference.

Figures show that Erickson is right about the salary boosts for experienced teachers.

Van Dyke School District is an example of the move to retain teachers. Last year, teachers there with bachelor degrees could expect no more than \$10,600 a year. This year, they were given a \$817 raise, to \$11,417.

Throughout Michigan in 1967-68, experienced teachers were getting a maximum average of \$9,580 for a bachelor's degree. They can ex-

pect about \$10,100 on the average this year.

What gains this year will mean to next year's negotiating sessions is hard to say. A legislative study committee is delving into ways to prevent contract disputes in Michigan.

House Code Checked
 "Outdated, confusing and unduly restrictive" is the way Gov. George Romney describes Michigan's housing code. He wants it revised and has appointed a 20-member blue-ribbon commission to do just that.

The commission includes local housing officials, architects, engineers, builders, trade unionists and attorneys. It also contains the state fire marshal, chairman of the board of plumbing, and chief of the environmental health planning unit.

Romney is hopeful the commission will come up with some recommendations for presentation to the 1969 legislature.

"A modern, uniform code oriented toward performance standards is necessary if we are to be receptive to the technological changes and improvements which are rapidly occurring in the housing industry," he said.

Grand River Coho
 Southern Michigan's Grand River, which snakes some 140 miles from near Jackson to Grand Haven, will be stocked with salmon next year, according to the State Conservation Department.

Fisheries officials say they will decide soon on exactly how many salmon will be planted and where the fish will be released.

They said it appears, however, that about 100,000 young salmon, probably coho, will be stocked in the Grand upstream from the dam at Lyons.

They said this would provide just enough salmon for sport fishing in the stream itself and contribute to off-shore action in the Grand Haven area.

A NOTE OF THANKS

At this time I wish to thank the citizens of Washtenaw County, and all those who worked for me in the recent District Court election for their vote of confidence. I pledge my full cooperation in helping to set up an efficient and fair District Court system.

1. That at a regular meeting of the Village Council of said Village of Chelsea, held on October 15, 1968, a resolution was adopted by said council that the boundaries of the Village of Chelsea should be altered pursuant to the provisions of Section 5.1470, Michigan Statutes Annotated, by adding certain premises herein after described to said Village, and that the Board of Supervisors of Washtenaw County, Michigan, should be petitioned to make said change.

2. That a certified copy of said resolution is attached hereto and incorporated into this petition by reference.

3. That the aforesaid area is immediately adjacent to the present Village east boundary extending southerly from the Penn Central Railroad tracks and east of Freer Road 1650 feet; that said area is in the immediate vicinity of the recently opened Chelsea Junior High School and that said area is well adaptable to both the present and future residential development.

4. That your petitioner is of the belief that it is for the best interest of the Village of Chelsea, Township of Lima and the area in question that the boundaries of the Village of Chelsea be altered so as to include said premises.

5. That the notice of presentation of this petition was published in The Chelsea Standard, a newspaper published and circulated in the Village of Chelsea, Township of Lima, on October 23, 1968, October 31, 1968 and November 7, 1968.

6. That the premises to be annexed to the Village of Chelsea and detached from the Township of Lima are described as follows: A parcel of land in the northeast quarter of Section Seven (7), Town Two (2) South, Range Four (4) East, Lima Township, described as: Beginning at the center of Section Seven (7), Town Two (2) South, Range Four (4) East; thence easterly along the east and west quarter line 907.50 feet; thence north 2 degrees 15' 30" west parallel to the north and south quarter line to the south right of way line of the New York Central Railroad; thence westerly along the south right of way line of the New York Central Railroad to the north and south quarter line; thence south 2 degrees 15' 30" east along north and south quarter line 1,683.00 feet to the place of beginning. Containing 35.06 acres of land, Township of Lima, Washtenaw County, Michigan.

Now, THEREFORE, your petitioner prays that this Honorable Body adopt a Resolution altering the boundaries of the Village of Chelsea to include the premises

New Convenience Store Will Open At Gulf Station

A new "convenience store" and service station is scheduled to open Nov. 22 at 295 S. Main St., former site of Bill Brown's Super Service station.

The Gallup-Silkworth Pump and Pantry will be one of four operations of its kind owned by Gallup-Silkworth of Ann Arbor. The other three are in Ypsilanti, Hamburg and Whitmore Lake.

The building, leased from Gulf, will be remodeled by Max Bunton from Ypsilanti.

According to Don Alber, retail division manager of Gallup-Silkworth, the store-station combination will feature long operating hours and an "instant stamp redemption" program. This program will allow a customer to trade stamps for a premium or to apply them as a discount on items in the store. This type of program is reported to be popular in Minnesota and Wisconsin but has not spread in Michigan yet.

Items included in the store inventory will be milk, bread, other groceries and convenience items.

A Gallup-Silkworth employee from Ann Arbor will operate the store until a manager can be found.

described in the resolution attached hereto.

Motion by Miller, supported by Gorton, to approve the above RESOLUTION as read. Roll call: Yeas all. Motion carried.

RESOLUTION
BE IT RESOLVED AND IT IS HEREBY RESOLVED, that the Village of Chelsea hereby make application to the Michigan State Highway Department for construction of 35 feet of 8" water main along the east curb line of M-52 at the McKune Memorial Library property. Said construction to start Nov. 4, 1968, and to be completed by Nov. 14, 1968.

The Village of Chelsea agrees to save harmless the Michigan State Highway Dept. and the Michigan State Highway Comm. against any and all claims for damages arising from operations covered by this permit.

Motion by Pennington, supported by Weber, to approve the above Resolution as read. Roll call: Yeas all. Motion carried.

Motion by Gorton, supported by Fulk, to authorize and direct the clerk to issue checks in payment of bills as submitted. Roll call: Yeas all. Motion carried. General Fund: \$12,068.93.

Motion by Miller, supported by Gorton, to adjourn the meeting. Roll call: Yeas all. Motion carried.

Meeting adjourned.
Approved: Nov. 5, 1968.

George L. Winans, Clerk.

District 4-H Achievement Program Set

Ambitious young 4-H club members will be rewarded for their efforts Nov. 29 at the annual county awards ceremony and achievement program sponsored by the Chelsea-Dexter district.

This annual program is designed to recognize contributions and efforts of the district 4-H members who have won county awards. The Chelsea-Dexter district is the only one in Washtenaw county that recognizes their award recipients in this way.

Club leaders already have been notified of the members of their clubs that have been selected for awards. In the past, this district has done notably well in collecting more than its share of the county awards.

Washtenaw county 4-H Council members Earl Heller and Mrs. N. C. Hindener have the responsibility of planning the program. The "family night" theme is designed to keep interest sparked among families of 4-H members. All persons interested in the clubs are invited to attend the ceremony, enjoy the program, and partake of refreshments.

The program will feature a slide narration by Marilyn Hindener of her trip to Washington in August. The trip was the citizenship short course award for excellence in 4-H. Several boys who participated in the Illinois exchange program will describe their experiences while living with another 4-H family.

Older club members will describe the opportunities and awards they received through their membership in the 4-H program.

Parents of club members are urged to attend the program and learn more about their children's activities. The ceremony is scheduled to begin at 7:30 and end by 9 p.m. in the Chelsea High School cafeteria.

Starting the second half Roy Holliday kicked the ball to the Erie seven-yard line, where it was fumbled by an Erie back, picked up and raced through a hole and down the side lines. Jim Wojcik finally tackled ball carrier Don Stump from behind.

The Eagles continued their march by driving 30 yards in 11 plays to score their second touchdown.

The remainder of the game became a defensive struggle as neither team crossed the goal line. Many of the younger Bulldogs saw action during this time. Junior Steve Thomson covered good yardage and Mike Bassett showed fine ability as defensive tackle.

Senior Halfbacks Tom Smith, and my young punter, Kasper, combined to form a solid defensive secondary in the second half. Senior Mike Gaken played one of his finest games as defensive tackle and was credited with eight solo tackles.

Sixteen seniors played their final game for the Chelsea Bulldogs Friday night.

Gridders of the Week

KARSTEN KARGEL, junior offensive and defensive tackle, is playing football for his third season. For 6' 2", 182-pound number 82, this is his first varsity year. In addition to football, Karsten is interested in wrestling and track. Last year he joined the track team as a high-jumper and plans to continue this sport this year. He will add wrestling to his list of activities for the first time in a few weeks. When time permits Karsten enjoys hunting small game and water skiing at North Lake. After graduation, he might join the Air Force. He lives with his parents, Mr. and Mrs. Clarence Kargel at 14400 Island Lake Rd., with a brother, Kerry, Bulldog senior, and sister, Karlene, Chelsea High school freshman.

BOB BRASSOW, junior quarterback for the Bulldogs, is in his second year of football. Last year he was quarterback for the Junior Varsity team. This 5' 10", 145-pound football player concentrates on that sport rather than participating in many, although he was on the basketball team his freshman year. Bob may be seen on the field in jersey number 14. His favorite subject is electricity, an interest he will probably follow up after graduation by majoring in electronics at a college. His one brother, David, is in the eighth grade at Beach Junior High school. Kathy, his sister, is in third grade at North Elementary. They live with their parents, Mr. and Mrs. Alvin Brassow, 1770 Lima Center Rd.

VA Education Benefits Now For Widows

For the first time, Veterans Administration education and training benefits are available to widows of men who died—and the wives of veterans totally and permanently disabled—as the result of military service.

In Michigan, an estimated 12,000 widows and wives could benefit from Public Law 90-631 which was signed by President Johnson on Oct. 23, and becomes effective Dec. 1, according to Robert M. Fitzgerald, manager of VA's regional office, Detroit.

The new legislation extends to eligible widows and widows the same VA educational assistance now available to sons and daughters of veterans who died or are permanently disabled as a result of military service, he explained.

Payments will range from \$130 a month for full-time training (up to a maximum of 36 months) to \$95 for three-quarters time training and \$80 for half-time training.

The new law also gives veterans separated from service after Jan. 1, 1955, one and one-half months of education and training entitlement under the current Post Korean GI Bill for each month of military service after Jan. 31, 1955. This is a change from the present ratio of one month of entitlement for each month of service.

Unchanged, however, is the maximum of 36 months of entitlement.

Under another provision of the new law, veterans with 18 months or more service after Jan. 31, 1955, who have satisfied their military obligation, will be entitled to 36 months of VA educational assistance.

Other provisions are:

- Increase from 36 to 48 months the aggregate period for which a veteran may receive educational assistance under two or more veteran benefit programs.
- Authorize the payment of the VA allowance to veterans in flight training on a monthly, rather than a quarterly, basis.
- Permit three-quarters and half-time farm co-operative training with proportionate reductions in the VA allowance paid for such training. Currently, a veteran employed in related agricultural work who is enrolled in farm co-operative training must take a minimum of 12 clock hours of institutional agricultural courses a week. The new law authorizes VA benefits for nine and six hour schedules. The monthly average of veteran trainees taking three-quarter or half-time institutional farm co-operative training is estimated at about 18,000 in the nation.

Fitzgerald said that VA estimates some quarter of a million widows and eligible wives can qualify at this time for education and training. Something like 6,000 a month are expected to enter training in the first year.

Cost of the new law in the first year is placed at \$71 million.

5. Electrically cleans the air

Williamson's new "Five-In-One" completely outdates all conventional heating and cooling systems. In just one cabinet, no larger than the average size warm air furnace, the "Five-In-One" includes all the necessary components to heat, humidify, cool, dehumidify, and electronically clean the air in your home. The "Five-In-One" will cost less to install and is far more attractive than components purchased separately and combined to achieve the same total comfort.

For gentle warmth in winter, pleasant coolness in summer, and air pure, fresh and properly moistured all yearround, take a good look at Williamson's new "Five-In-One"—an entirely new concept in total indoor comfort.

Need Bill of Sale To Transport Christmas Trees

Transportation of Christmas trees and evergreen boughs is illegal in Michigan without a bill of sale or proof of property ownership. But an exception to the law is made during the month of December when not more than two trees may be transported without any bill of sale if they are legally obtained.

Michigan residents planning trips to the north country before the holidays, such as deer hunters, were reminded of provisions of the Christmas tree law by Dean Lovitt, chief of the Plant Industry division, Michigan Department of Agriculture. Lovitt said necessary legal forms are available from the department office, State Police posts, Conservation offices, county extension offices and county sheriffs.

TODAY'S THOUGHT

By LOUIS BURGHARDT

"Let every man remember that to violate the law is to trample on the blood of his father and to tear the character of his own and his children's liberty. Let reverence for the laws be breathed by every American mother, to the lisping babe that prattles in her lap—let it be taught in schools, in seminaries, and in colleges; let it be written in primers, spelling books and in Almanacs; let it be preached from the pulpit, proclaimed in the legislative halls, and enforced in the courts of justice. And, in short, let it become the political religion of the nation, and let the old and young rich and poor, the grave and gay, of all sizes, tongues and colors and conditions, sacrifice unceasingly upon its altars."

Roberta is a graduate of Chelsea High school and Mercy School of Nursing, Lansing.

Sharon Farmer Killed Instantly In Farm Accident

Roland Guenther of 20486 Bethel Church Rd., Sharon township was killed instantly Saturday afternoon when he was struck with a conveyor machine which tipped over outside a barn. The 60-year-old farmer was father of Mrs. Melvin "Red" Lamb of Manchester.

Guenther was working near a barn located a short distance from his house two miles north of Manchester when the steel conveyor that had been placed against the barn fell.

Guenther was loading corn on the machine which had been held in place by a heavy piece of wood jammed against it.

Sheriff's Deputy Lawrence Baird said, the wood cracked, allowing the rig to begin falling away from the barn. When Guenther saw the conveyor falling, he attempted to escape but was crushed under it before he could reach safety. A section of the conveyor hit his head and also crushed his chest.

Dr. Jerry L. Wadyke of Chelsea, a deputy medical examiner, pronounced the farmer dead and gave the crushed chest as probable cause.

BIRTHS

A daughter, Martha Lynn, Nov. 8, to Mr. and Mrs. William T. Koernke, Jr.

AGRICULTURE In Action

by M.L. Wood

Hand Labor Scarce

No matter how mechanized, it is in that agriculture will always depend to some extent on hand labor. A case in point was the 10 tons of Michigan Navy beans stacked on Port Huron docks when the freighter "Viking" sailed for other appointments on its route to Liverpool, England. Although sold to English canners, the beans were left behind because there was no manpower to move them onto pallets which are hoisted by crane into the ship's hold.

Another 14,000 tons of Michigan beans were scheduled for future loading, and weeks of local unskilled labor (at \$2 per hour) needed, although long lists of jobless were known to be on welfare rolls.

Welfare recipients, some as young as 30 years, were reluctant to take temporary employment which might affect their eligibility status. Finally, after local efforts were exhausted, fruit pickers were brought from Michigan's apple orchards to help in the loading work. Finding the crew and convincing them to extend their stay was a simple compared to housing roadblocks which had to be overcome. Most farmers furnish free housing for farm help—housing which in Port Huron would now cost several hundreds of dollars.

A city ordinance prevented use of housing in an industrial-type area, and the Port Huron City Council refused to allow the use of another temporary housing site there, although sound, a large use was to be torn down as part of city renewal, reports M. J. Buschlen, manager of the Michigan Agricultural Services Association—farmer owned labor recruitment and placement group. "The housing is adequate, but slated for condemnation and the city refused to delay," Buschlen said.

A large ship, idle in port, has already large expenses, and added an extra day or two, ships range from \$1,000 to \$1,500 a day for time spent in de-rate delay. Finally the Viking's Captain ordered the anchor weighed.

The story is not all bad—Michigan Agricultural Services (a Farm Bureau affiliate) finally found a type housing for the workers and other ships will pick up the remaining beans. The saving in freight rates by using our St. Lawrence Seaway port over moving the beans by rail to Eastern ports totaled \$100,000 in this instance—to the stake Michigan farmers in just this one example of labor need.

SUNDAY'S SERMON

★ Never Alone

Have you ever noticed how much shorter a familiar path becomes when it is traveled in pleasant company?

And, so is life.
Some people choose the lonely road. Or turn upon it by mistake. It is long and hard and rocky. It is often cold and deserted. Only a few travel this way by choice. The road of life offers frequent companionship for anyone who walks forward with a smile and a handshake for all the world.

Give it a try. Meet the whole world half-way. Come out of your shell and grab yourself a share of the joy and the sunshine.

You won't be able, always, to walk in the sunshine. There must be minor setbacks, little disappointments along the way. But, in the main, life will be more fun, more worth living, if you let the world in—if you share yourself with the world.

Believe and trust in God. Look for good in all mankind. Do these, and you will never walk alone.

Experimental Drama Explored On Educational TV Program

East Lansing — Experimental drama is explored on "NET Playhouse" in "Theatre America" — New Theatre for Now, the first of a series of programs dealing with contemporary theater, Sunday, Nov. 17, at 11 p.m. on WMSB (Channel 10), Michigan State University television.

This first program is composed of five dramatic works—a one-act, two-character play, "The Golden Fleecce," and four short vignettes, each portraying a meaningful aspect of our modern society.

The five plays featured were originally presented during the experimental play series of the Center Theatre Group at the Mark Taper Forum in Los Angeles.

Other WMSB highlights include:

SPANISH HARLEM—

Life in the ghetto-slum of Spanish Harlem is vividly portrayed on the "Net Journal" production, "The World of Piri Thomas," on Friday, Nov. 22, at 7 p.m.

Since many Puerto Rican immigrants gravitate to Spanish Harlem, the area is also known as "El Barrio" (the neighborhood). All too often, "El Barrio" becomes the final repository for the unfilled hopes and dreams of a suppressed people. Drug addict-turned-author Piri Thomas succumbed to the relentless pull of this environment, but fought his way back into humanity. His book, "Down These Mean Streets," chronicles this struggle for self-respect.

"The World of Piri Thomas" uses such techniques as juxtaposition to bring the full horror of slum life into startling perspective. The contrasts between a young bride's dreams and the drudgery of reality is vivid and compelling.

MUSIC—
"Young Musical Artists" presents cellist Stephen Kates and pianist Samuel Sanders, Wednesday, Nov. 20, at 7 p.m.
Both Kates and Sanders are highly acclaimed performers. Kates, a 25-year-old New Yorker, won the Silver Medal in the 1966 Tchaikovsky Competition. Sanders received special recognition for his accompaniment of Kates. Both have toured widely and have recorded for RCA Victor.

The Sonata in F Major, Op. 6, by Richard Strauss is performed on this television recital.

The Hi-Light

Edited by Students of the Chelsea High School Journalism Club

Student councils of the South-eastern Conference met at Chelsea High School Wednesday, Nov. 6. The main object of the meeting was to determine when Student Council Exchange Day should be held and to discuss the sportsmanship trophy.

Schools which participated in the meeting were Dexter, Saline, South Lyon, Milan, Dundee, Lincoln, and Chelsea. Each school sent their class officers to the conference.

This year, girls who are taking third-year Home Ec. at CHS had the opportunity to cook foreign foods. With the help of Mrs. Taylor, the typing teacher the girls were set off on the right foot by demonstrating Mexican cookery. From there, the students decided which country they wanted to represent in cooking.

Some of the countries chosen were Greece, China, Germany, Mexico, and France.

On Tuesday, Oct. 29, Chelsea High school juniors and seniors went to the Sylvan Township Hall to vote. Students were able to watch the voting process in action,

and had the chance to cast their vote for candidates of their choice in the voting machines.

The results of the election a win for Humphrey with 50 votes. Nixon won 48 votes, Wallace got 30 votes.

Friday Nov. 1, the Student Council sponsored a mock election all of the students at CHS. Nixon Humphrey took the win with 50 votes and Wallace got 30 votes.

Chelsea Cheerleaders held a dance in honor of the Ball State victory in capturing the Southeastern Conference on Friday, Nov. 1. The theme of the dance was "Dedicated to the Ones We Love."

Chelsea High School Nickel Carnival time draws near, and it comes a whole party of fun.

Club and Social Activities

WOMAN'S CLUB

At the Nov. 12 meeting of the Woman's Club of Chelsea speaker Fred Mills outlined the duties and problems of his job as business manager of the Chelsea School District. He also urged members to vote at the school elections Dec. 18 on the program to organize a county vocational technical school to train students in industrial skills and methods.

As a special project this year, the club will help to make Christmas merry for the boys at the W. J. Maxey Training School in Whitmore Lake. Gifts and money are to be brought to the Dec. 10 club meeting and taken to the boys for their Christmas party.

MODERN MOTHERS

Modern Mothers Child Study club met at the home of Mrs. Paul Weber with Mrs. Richard Boss as co-hostess. A short business meeting was held. Ten members were present.

A country market of Christmas decorations made by members were sold as a money-making project. Mrs. Vern Otto, Mrs. James Hammel and Mrs. Philip Hume were accepted into membership. The next meeting will be Nov. 26 at the home of Mrs. John Steele. The program will be Christmas decorations with Margie Satterthwaite.

WSSC

The November meeting of the Woman's Society of Christian Service of the First United Methodist church was held Nov. 6. The program "Call to Prayer and Self-Denial" was led by Mrs. James Guant. Officers on the program included Mrs. James Lorenz, Mrs. Robert Robbins, and Mrs. Arthur Stoll. An interesting feature of the program was a silent tea and reading period. Grace Otto Circle was in charge of refreshments. Wesleyan Service Guild members were guests for the evening.

The December meeting will be a luncheon meeting on Dec. 4, with Christmas carols as the program.

VFW AUXILIARY

The regular business meeting of VFW Auxiliary No. 4078 was held Monday at the Rebekah Hall with 13 members present.

The charter was draped in memory of Clara M. Hutzler who died Monday. She was a charter member of the auxiliary.

Members were reminded that the December business meeting will be an inspection meeting with the sixth district president performing the inspection. This will be combined with the December social. The November social will be at the Rebekah Hall Nov. 25. The committee is Mrs. John Klink, Sr., chairman; Mrs. George Bauer, Mrs. Richard W. Kern and Mrs. Frank White.

Three dollars were donated to the Department of Michigan toward new equipment for their new offices in Lansing.

Dec. 1 will be the sixth district rally in Ann Arbor at Post No. 423.

It was reported that four members had attended the past president and past commander banquet at the Memorial Home in Ann Arbor Nov. 2. Those attending were Mrs. Bernice Schneider, Mrs. John Klink, Sr., Mrs. Mac Packard and Mrs. Charles Carty.

Mrs. Carmer Slocum, Mrs. Curtis Farley and Mrs. Doris Knott were voted into membership and will be initiated at the December meeting.

Mrs. Kenneth Carl Wenk

Janice C. Hutchins, Kenneth Wenk Wed Saturday in Flint Church

Mr. and Mrs. Kenneth Carl Wenk are honeymooning in Nassau after a Nov. 9 wedding at Emmanuel United Methodist church, Flint.

The bride is the former Janice Carol Hutchins, daughter of Mr. and Mrs. Glen W. Hutchins of

5315 Calkins Rd., Flint. Her husband is the son of Mr. and Mrs. Ernest W. Wenk, 2833 Fletcher Rd., Chelsea.

The Rev. John Murbach administered the vows at the afternoon wedding.

The bride wore a floor-length Princess A-line gown of ivory silk tulle. Tiny seed pearls and crystal beads accented the wedding ring neckline. The outfit featured long, tapered sleeves, court train and a camellia-embroidered petal allover lace. Her headpiece was a matching cluster of tiny seed pearls, which held a veil of imported English illusion.

She carried a cascade of gardenias and baby chrysanthemums surrounded by ivy.

Matron of honor was Mrs. Charles Gardner of Lansing. She wore a floor-length skimmer gown of Karate in bittersweet with Venetian lace edging the bodice, neckline and short sleeves. Her handpiece was a matching cluster of tiny leaves.

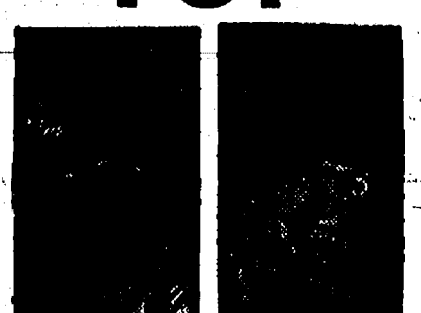

Bridesmaids were Miss Lovin Kohn, Miss Shirley Carlson and Miss Carol Berry, cousin of the bride, all from Flint. They wore gowns similar in style to that of the matron of honor in avocado.

All attendants carried baskets of straw flowers. William Wenk of Chelsea served as best man for his brother, William Oak, James Foster and John Mautner of Ypsilanti seated the guests. Acolyte was Craig Berry, cousin of the bride.

A reception followed in the church parlors. Mr. and Mrs. Wenk are both seniors at Eastern Michigan University. The bride majors in special education for the deaf and belongs to the Sigma Alpha Eta speech and hearing professional fraternity. Her husband majors in business administration, is a member of Alpha Sigma Phi social fraternity and is a Ypsilanti Jaycee.

They will live at 213 Perrin, Ypsilanti.

Kinder Klub Wins Yearbook Cover State Award on

Kinder Klub of Chelsea has just received a first-place award from the Michigan Child Study Association, of which it is a member, for their program-book cover of 1967-68.

The state theme, "Families in Focus," was depicted by concentric circles focusing on a mother's hand clasping the hand of a child. The combined efforts of the Program Committee members designed the book and cover and the actual art work was done by Mrs. David Plotcher.

Each year the Child Study Clubs of Michigan have a theme, with related units, around which they build their programs for the year's meetings. This is done by having speakers from various fields, showing films or panel or group discussions on certain subjects.

The program-book cover is supposed to carry out the same theme. Since members were unable to attend the annual conference of the Michigan Child Study Association Oct. 26 the certificate was sent directly to Mrs. Don Proctor, president of Kinder Klub. They were congratulated "on a very eye-catching and thought-provoking cover, which the judging committee felt earned a first place, without question," by Louise J. Wirbel, president of the MCSA.

PAST NOBLE GRANDS

Many ghosts and goblins gathered at the home of Mrs. Mac Packard for the Oct. 29 meeting of the PNG club. Assisting Mrs. Packard was Mrs. Clifford Wolfe as co-hostess.

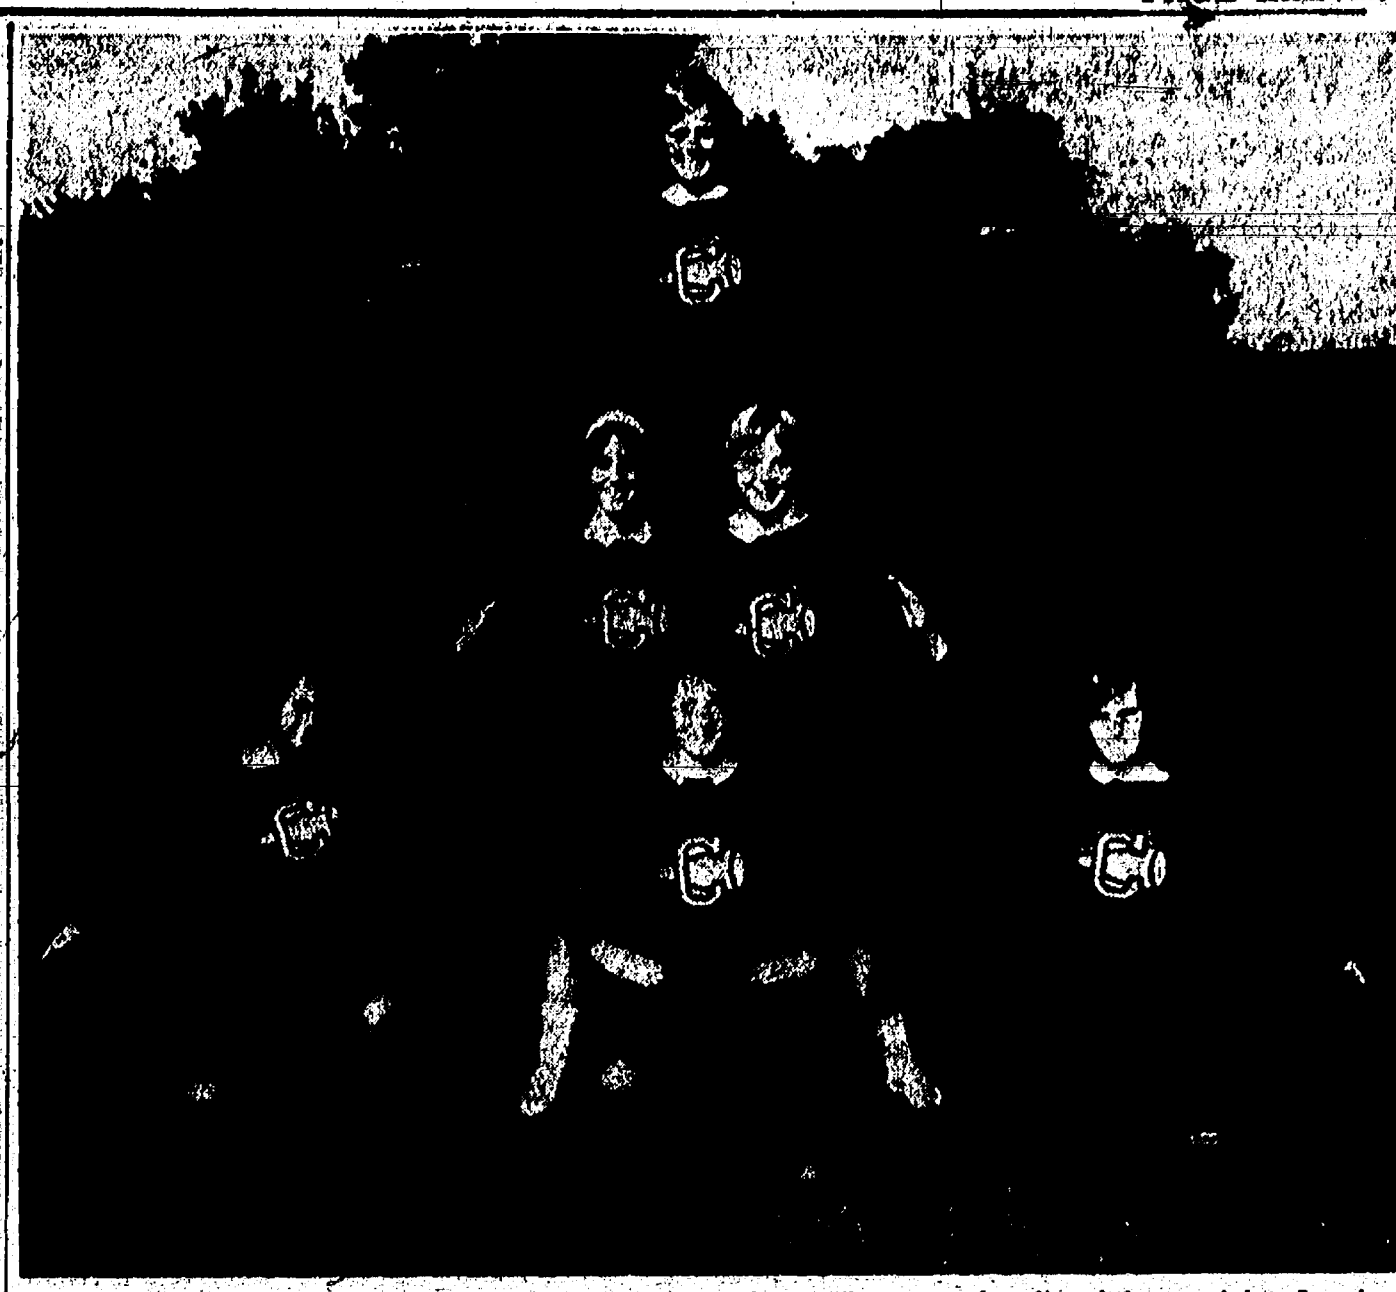

After a dessert luncheon, served from a table set in the Halloween theme, Mrs. John Dvorak received a prize for the funniest costume. A game of Honor Points was played and Mrs. Dvorak also won that prize. Door prize was given to Mrs. Al Hinn.

The November meeting will be held at 7:30 p.m. Nov. 26 at the home of Mrs. Richard Kozar with Mrs. Harriet Barnett as co-hostess. Drawing of names for Christmas exchange will be held at that meeting.

A pot-luck supper for the December meeting was discussed and Mrs. Russell Alstaetter will be the hostess for the December meeting.

WOLVERINE RADIO CLUB

The Michigan Wolverine Radio Club initiated three new members at its regular monthly meeting Sunday at Sylvan Town Hall. They are Mr. and Mrs. Clarence Williams of Ann Arbor and Leroy De Boyd of Ypsilanti. Mrs. Kenneth Baldwin of Grass Lake, attended as a guest. Nominations were made for officers for the coming year.

JV CHEERLEADERS: These six enthusiastic young ladies helped cheer the Junior Varsity teams on to victory this fall as they defeated such infamous rivals as Dundee, Milan, Dexter and others. They are, kneeling left to right, Laurie Lancaster, Joan Schmidt, and Eileen Bristle; center, from left, Kathy Leach and Karen Johnson; standing, at top, Teri Blacklaw.

KINDER KLUB

Kinder Klub Child Study group met Nov. 12 at the home of Mrs. Duane Landwehr. Mrs. Daniel Kellin and Mrs. Edwin Dickelman were guest speakers of the evening from the Spaulding for Children agency. The four guests present were Mrs. John Skittenhelm, Mrs. Albert Doll, Mrs. David F. Maiten and Mrs. Ronald Borders. The club had received an award from Michigan Child Study Association for their book cover for the 1967-68 year theme "Families in Focus."

A letter was also read from the state study association from the legislative chairman regarding the support of the groups on the state topic of "Clean up Newstands." It was decided that the club would support the association.

Mrs. Duane Downer was co-hostess. The next meeting will be Dec. 10 at the home of Mrs. Fred Hoffman.

Gridders of the Week

JOHN PORTER, 6', 170-pound offensive and defensive end, just finished his second year of football. Last year, as a sophomore, he held down the same position on the JV team. John, seen in No. 80 jersey during football season, played basketball when he was a freshman and is considering going out for the basketball team this year also. His favorite subject is electricity. After hours, he enjoys hunting and fishing. He is a member of the trip club. After graduation, John would like to major in mechanical drawing or drafting at a small college. He has one sister, Jackie Lee, who is married. He is the son of Mr. and Mrs. Ray Porter, 2194 N. Lima Center Rd.

DAVE BUST, junior center for the Bulldogs, has been playing football since the seventh grade. He is a one-sport man who has played middle guard as well as center. This 5' 8", 155-pound junior, wore varsity jersey No. 30 for the first time this year. Dave says that he enjoys school but has no favorite subject. He belongs to Key Club and Junior Trip club. He is considering taking up pharmacy after graduation. Jeff, his brother, is a sophomore at Chelsea High school. They live with their parents, Mr. and Mrs. Thomas Bust at 116 E. Summit.

Band Boosters Report Fruit Cake Sales High

Band Boosters annual fruit cake and candy bar sales are over with the exception of a few remaining candy bars.

Mrs. William Blaess, sales chairman, says that the approximately 1,250 orders for fruit cakes have already been sent in. Band members sold the fruit cake orders door-to-door in the Chelsea area.

Since the fruit cakes are the same type sold for the past six or eight years, the sales are high. "Once someone buys one, they do not hesitate to continue ordering them in future years, so sales are really not difficult," according to Mrs. Blaess.

Approximately 18,000 candy bars have been sold. Money from the annual event is used for summer camp, new uniforms and other band expenses.

Roger Frisinger in WMU Production Of Brigadoon

Roger N. Frisinger is a cast member in Brigadoon, the Lerner & Lowe musical that opened yesterday in Western Michigan University's Shaw Theatre, Kalamazoo.

Frisinger is the son of Mr. and Mrs. George P. Frisinger, 13450 Jerusalem Rd. He is a 1967 graduate of Chelsea High school, a sophomore newsman for the student radio station and has gained acting experience in WMU's Cry, the Beloved Country, "Oklahoma," and "Annie Get Your Gun."

His current show will run for five performances under the co-sponsorship of the WMU music and speech departments. The fantasy, set in the hills of Scotland, had a long run on Broadway nearly a decade ago.

It is directed by David Karsten of the university's speech department. Musical director is William Appa, assisted by Joyce Zastrow, both of the music department. The set has been designed by Vern Stillwell with costumes by Dr. Daniel Felschhacker, members of the Shaw Theatre staff and speech department.

Two-Car Crash On M-52 Injures 3

A two-car head-on crash injured three persons Saturday noon on M-52 near Wexford Rd.

Sheriff's deputies said a car driven by Donald R. Arnett, 17, of Stockbridge, was headed south on M-52 at an estimated speed of 70 miles per hour when he lost control of his 1965 car while passing another vehicle on the right side.

His car veered off M-52, came back on the road, crossed the center line and hit a 1969 car head-on. The new car, headed north, was driven by Don G. Fowler, 53 of Scarsdale, N. Y.

The impact demolished both vehicles and injured Arnett, Fowler and his wife, Nancy, 52, who was a passenger. Arnett was ticketed for improper passing.

Washtenaw Vo-Ed Program Will Be Voted on Dec. 18

Bill dropped out of high school. He didn't like any of the subjects and would rather get a job and work. He can get a job—somewhere.

John yielded to parental pressure and graduated from high school. He couldn't go to college, but he didn't have any job skills either.

These two boys could have been helped when they were in high school. If they could have chosen from a practical vigorous vocational education curriculum. They might have been prepared for an occupation that fitted their needs and abilities.

Washtenaw county voters will have a chance Dec. 18 to accept or reject a one-mill tax levy and school district bonding for \$5 million to establish an area vocational-technical program for Washtenaw county.

The program has been highly successful in most of the 1,200 similar area centers throughout the country. In Bucks county, Pa., the 10-year-old program has a one percent drop-out rate.

For every trained graduate, there are placement requests from several employers. Approximately 30 percent of the graduates go on to college.

The Washtenaw program would be a pooling of resources rather than a separate school. It would be located centrally, probably on the Washtenaw Community College site. Some programs would be operated in existing high school facilities where space allows.

Public and parochial students would be admitted, with individual preference and aptitudes the determining factor. Students who have dropped out could be admitted through their high schools.

No age limit would be enforced, although high school students would have preference during daytime programs. The
