Long Illness Is Fatal to Mrs. Schaible

Mrs. Paul G. (Martha) Schaible, 78, of 170 Orchard St., died Sunday, Jan. 12, at University Hospital, Ann Arbor, after an illness of several months.

She was born May 22, 1897, near Grand Rapids, to William and Augusta Kischel Groggel. She attended Western Michigan University and was graduated from Teachers College of Columbia University. On Aug. 24, 1927, she was married to Paul G. Schaible in New York City. He survives.

Also surviving is a son, Paul G. Schaible, Jr., of Chelsea; a daughter, Mrs. Harold B. (Margaret) Sutton, Jr., of Rockford, Ill.; six grandchildren; two sisters, Bertha and Ella Groggel of Grand Rapids. One brother and two sisters preceded her in death.

Mrs. Schaible was a member of St. Paul United Church of Christ, the Women's Fellowship and Koinonia Circle of the church, and was a charter member of Church Women United of the Chelsea area. Mrs. Schaible had long served her denomination on the local, regional and national level, including service on the board of directors of the Michigan Conference of the UCC.

She had served on the national executive council of UCC for six years, and was currently chairman of the committee on Lay Life and Work for Ann Arbor-Jackson Association of the UCC.

She attended a meeting of the World Council of Churches in Rotterdam, Holland, in 1962 as a delegate from her denomination. Locally, she was a founder of McKim Memorial Library, a charter member of Chelsea Woman's Club and of Chelsea Social Service, which she served as secretary.

Funeral services were at 1:30 p.m. Wednesday, Jan. 15, at St. Paul United Church of Christ with the Rev. Warner H. Siebert officiating. Burial followed in Oak Grove Cemetery. The family suggests that those desiring to do so may make contributions in her memory to St. Paul Church Memorial Fund. Cards for the purpose are available at Burghardt Funeral Home.

School Schedule Told for Exams

Chelsea school students will have a slightly altered schedule next week as they take exams and are graded for their semester's work. No regular classes will be held at Chelsea High school Jan. 21, 22 and 23 so students will be able to cram in some last-minute studying and take semester exams.

Beach junior high seventh and eighth grade students will have (Continued on page six)

Charles Byrns of 421 McKinley has been in the intensive care unit of St. Joseph Mercy Hospital in Ann Arbor since Jan. 1. He is in room 210.

St. Paul Church Council Elects New Officers

Officers elected by St. Paul United Church of Christ Council were consecrated to their offices during the Jan. 5 worship service. They are: David Strieter, elder; president; Lawrence Dietle, deacon; vice-president; Marian Pierson, elder; secretary; William Travis, deacon; treasurer; Donald Keizer, deacon; financial secretary; Jack Wellnitz, elder; James Shadoan, elder; Wilfred Lane, deacon; Dean Guenther, deacon.

New Kiwanis Club Officers Are Installed

New Kiwanis Club officers were installed at the Jan. 6 meeting conducted by former Chelsea Kiwanian Ed Weiss, now a member of the Ann Arbor Kiwanis.

Installed were William Rademacher, president; John Fall, first vice-president; George Palmer, second vice-president; John Dettling, treasurer; and Floyd Fowler, secretary.

Installed for two-year terms with the board of directors were Richard Boss, Charles Cox, Eldon Gorton and Lucien Muck. Directors currently serving terms are Richard Borton, Edwin Brown and Anton Nielsen.

Supervisors Halt Work on Court Building

Action to transform the former Chelsea State Bank building into the new quarters of the District Court has been slowed by a shift in membership of the county Board of Supervisors.

"The new property committee contains some men who were not previously acquainted with the plans" according to Building Superintendent William C. Day. "They, naturally, want to study the plans before authorizing the architect to proceed."

Architect Linden C. Pettys has submitted a feasibility study of the building and estimate of cost to the property committee. Pettys said he expects action by the supervisors by the end of January. "I was just asked to assess the worth of the building as a structure that would last for another, say, 40 or 50 years," he said. "It is worth renovating and remodeling in my opinion."

Day said the committee will definitely use the former bank building and has funds available for the repairs and transformation. He estimated that the architect will be given directions to proceed in four to six weeks. (Continued on page three)

Kenneth Haist Chosen Lima Supervisor

The Lima Township Board selected Kenneth Haist as Lima township supervisor to fill the position vacated when Jay Bradbury was elected as one of 13 county supervisors.

Haist took office Jan. 1. His main responsibility, appraising, will fall in with career duties as appraiser and assistant vice-president of Ann Arbor Federal where he has been employed since 1957. The new supervisor is also a member of Senior Appraisers of Ann Arbor and a native of Washenaw county. He is married, with two children, and lives at 1022 Haist Rd., Chelsea.

Bulldogs Nip Saline, 54-49, In Late Rally

Chelsea Cagers took some of the sting out of the Saline Hornets last Friday by defeating them, 54-49, at Chelsea.

This victory makes the fourth consecutive win for the Bulldogs, who have won five of their last six games.

Chelsea dropped behind at half-time, 32-30, and at the end of the third quarter were at the short end of a 46-40 score. However, the fourth quarter was all Chelsea as the Bulldogs, with a strong offensive and defensive spurge, outplayed the Hornets, 14-3.

Lance Burghardt was the key to a fine hustling Bulldog victory. Burghardt scored 13 points and grabbed 16 rebounds. Dave Conklin and Jim Wojcicki scored 15 and 12 points, respectively. Coach Balistrere praised his young squad for their fine efforts and hustle, commenting that for seven minutes of the last quarter Saline was unable to score a single point.

This win keeps the Bulldogs in a second-place tie with Dundee in the Southeastern Conference. Chelsea has two games this week, both contests are away. Friday night the Bulldogs play at Dexter and Saturday night the cagers travel to Dundee.

Joanne Fisher, student at Hope College and daughter of Dr. and Mrs. Joseph Fisher of Chelsea, was a guest of Becky Howes over Christmas. Becky is the daughter of Mr. and Mrs. Wesley J. Howes of Daytona Beach, Fla. Wesley Howes is the former owner of Gambles store in Chelsea.

CHELSEA'S FIRST DEBATE trophy, received for finishing second in a league tournament Dec. 21, is displayed by the Chelsea debate team. In front, from left, is Martin Johnson and Sharon Heydlauff, who took an affirmative stand in the competition; and Janet Boylan and Bobbie Dvorak, negative. In second row, from left, is Virginia Ball, Denise Slusser and Sue Blass. Back, from left, is Jim Boylan and Coach William Coelius. Chelsea finished second in the Dec. 21 tournament in Monroe, debating Jefferson, Monroe Catholic Central, Erie Mason and Ann Arbor Huron. Coach Coelius said team members are practicing for the District tournament later this month, although Chelsea representatives have not yet been selected.

Bulldog Wrestlers Lose Title, Finish Fourth in Parma Meet

The Bulldog wrestling team had one important title ripped from its grasp last Saturday when the team finished fourth in a 16-team field at the Parma Western Invitational Tournament. Last year's squad finished far in front of Gatesburg-Augusta, the team that took the title this year. Vandercook Lake, last year's state champion team in Class C, finished second, while a determined squad of Dexter men slipped into third ahead of the Bulldogs.

Chelsea narrowly beat Adrian Madison Tuesday night 26-21 in a dual meet. The close margin is partly due to a number of varsity men who were sidelined by minor injuries. Regulars Jim Boylan, Bob Koengeter and Wayne Stahl are all recovering and will return to the lineup later.

Gaken set a new school record for most points scored in a match by rolling up 28 points before pinning a stubborn Adrian Madison wrestler.

Kerry Kargel won by pin. Other winners were Jim Wencel, who ended a losing streak with a 5-2 win, as did Jim Poertner wrestling at 133 with a one-point victory. Dale Robbins emerged with a draw to add two team points to the Chelsea score. Tim Colvia, making his first start in several weeks, picked up a decision win at 165. Dennis Brown, at heavyweight, accepted a forfeit win for Chelsea.

Outstanding performers for Chelsea, if not the entire field of 190 wrestlers, at the Parma Western Invitational were Bulldog Co-captains Mike Gaken and Kerry Kargel. Gaken took the 175-pound title with four wins, including a win by pin over the same Eaton Rapids wrestler Gaken pinned in the championship match last year at 180. Gaken also won his first and third matches by pin and might have pinned his opponent in the second round. His opponent's unwillingness to resist in anything but the "manner of a limp rug" according to Chelsea Coach Burley Hendricks, "offered little opportunity for any effective wrestling action."

Gaken's five wins for the week extended his season's record to 13.

JV Cagers Clobber Saline

Chelsea JV cagers swarmed over Saline Friday night and handed them a 58-46 defeat, paced by the outstanding shooting and rebounding of Taylor, who collected a total of 27 points, with a 62 percent shooting average, and accumulated 10 rebounds.

Chelsea maintained a small lead throughout the game, with a 21-17 advantage at half-time. Coach Paul Terpatra commented that Sweeney did a "great job on the boards" and added 15 points and 19 rebounds to the Chelsea statistics.

Saline was damaged by a 22 percent shooting average that ruined the heavy number of shots they attempted. Chelsea maintained a respectable 40 percent shooting average that more than compensated for the lower number of shots attempted.

Detroit Abrasives Firm Sold to Man from Perry

The 32-year-old Detroit Abrasives Co., located at 11910 Dexter-Chelsea Rd., has been purchased by Richard C. Wallace, former general manager of the Abrasive Grain Division of Bruce Products Corp. in Howell.

Wallace was employed by Midwest Abrasive Co. for 10 years, ultimately acting as manager of sales for the grain division. He lives in Perry, with his wife and three high-school-age children. He plans to move to the Chelsea area in the future.

Other future plans include expansion of his new company during 1969.

William Chandler, owner of Detroit Abrasives Co., for the past five years, has uncertain employment plans, but indicated that he would stay in the Chelsea area.

Mrs. Josephine Alther was admitted to the Washtenaw county hospital last week.

The only other points scored by Bulldog wrestlers came from first round victories from Wayne Stahl, (Continued on page three)

Bosses Night To Highlight Jaycee Week

Chelsea Jaycees will highlight National Jaycee Week, Jan. 19-25 with their annual Bosses Night dinner program. Jaycees traditionally bring their bosses to this membership meeting so they might better understand the meaning of Jaycees and see what the local chapter has been doing for the past year.

Chairman Walt Brown has planned the meeting for Jan. 21, at the K. of C. Hall. The event will start with a personality adjustment hour beginning at 6 p.m., followed by a Swiss steak dinner, served by Jerry Klink. A short general business meeting will start at 8 p.m.

A discussion of the role of Jaycees in the community will be given by Merritt Martin, past state Jaycee president. Merritt was Chelsea's first Honorary Jaycee and an old friend of the Chelsea community.

Highlight of the evening will be presentation of the DSA awards. This year awards will be given for the "Outstanding Young Man" and the "Outstanding Young Farmer."

To date, applications are coming in slowly. Persons who have not turned in their applications should do so on or before Friday, Jan. 17. A three-man committee of Outstanding Citizens who wish to remain anonymous, will review the applications and make the final selection for each award.

Special Events Slated To Help Dimes Drive

Girl Scout Troop Helps Jayettes Address 2,200 Envelopes for Mailers

Chelsea March of Dimes campaigners are in the midst of planning many community events designed to raise funds for the annual drive.

The Jaycee Auxiliary, 1969 sponsors of the Chelsea unit of the national campaign, is sponsoring a bake sale at Dancer's Saturday from 10 a.m. until 2 p.m. Special events chairman Mrs. Robert Updegraff said that various service and child study clubs and the Jaycee Wives in Chelsea have been asked to donate baked goods. Individuals or groups who wish to contribute should contact Mrs. Updegraff.

Meanwhile, Mrs. Walter Brown, mailers chairman, said that information and return envelopes have been mailed to approximately 2,200 households in the Chelsea area. Fourteen members of Junior Girl Scout Troop No. 82, with leader Mrs. Keith Scheulke, met Dec. 14 to help with the tedious job of hand-addressing each mailer. Mrs. Brown also received help from the Jaycee Auxiliary and her three children, Linda, Jimmy and Kathy. She said approximately 140 work-hours were required to complete the addressing. The mailers include a return envelope addressed to the Chelsea State Bank for deposit in a March of Dimes account.

Special gift letters have been mailed to 50 clubs and organizations in the Chelsea area by Mrs. Fred Patterson, Jr. In the past several organizations have been generous with gifts to fight birth defects, and Mrs. Patterson is optimistic about the 1969 returns.

Approximately 20 letters have been sent to individuals who may wish to make special contributions. Chelsea Boy Scout troops will again sponsor their popular peanut sales in the business district Friday, Jan. 17 and Saturday, Jan. 18, according to Mrs. Roy Greenleaf, peanut sales committee chairman. The sales will be organized by Jim Branham.

The annual bowling tournament under the direction of chairman Mrs. Silas Hopkins and Mrs. Dorleen Haas, is scheduled for Jan. 19-27 with the county tournament set for Feb. 1.

The Mothers' March will be the last major Chelsea activity designed to raise money for March of Dimes this year. The money will be used to further research and treatment of birth defects, the number two cause of death in the U. S. Studies indicate that almost one-half the children in hospitals are there because of birth defects.

Approximately 80 percent of all birth defects can now be treated or cured in facilities such as the new Birth Defects Center in Ann Arbor. In the past, March of Dimes has been credited with furthering research that found a preventive vaccine for polio. In recent years the national organization has concentrated on supporting research for prevention of birth defects.

Lt. J. Maynard Safe in Fire On Enterprise

Mr. and Mrs. Devere Maynard received a telegram from their son, Lt. James Maynard, reassuring them that he had been unhurt during a series of explosions and fires on the USS (N) Enterprise, on which he is serving.

Maynard, 24, is an A-6 Intruder pilot on the 5,000-man carrier that was practicing bombing maneuvers out of Hawaii when the explosions occurred Tuesday near the back of the flight and hangar deck.

The resulting fire was under control in less than an hour and none of the eight nuclear reactors that power the ship were damaged. Fifteen of the 80 planes on board were destroyed and a 20-foot hole was blasted in the flight deck.

Const Guard and Air Force helicopters flew those seriously injured to hospitals on the islands. The U. S. Navy has listed 24 killed, 17 missing and 85 wounded. The huge 25-story carrier was scheduled for its fourth combat tour off Vietnam after practice maneuvers were completed.

Maynard is a 1966 graduate of the U. S. Naval Academy and 1962 Chelsea High school graduate.

D. Boyer Named Michigan's Top Conservation Officer

Donley Boyer, Chelsea resident and area conservation officer for Washtenaw and Monroe counties, was cited as Michigan's Wildlife Officer of the Year by the Shikar-Safari Club International.

The organization, a worldwide group pledged to preserving natural resources, honored Boyer and Ralph A. MacMullan, director of the Department of Natural Resources, for "meritorious service in the field of wildlife conservation and law enforcement."

MacMullan, Michigan's Conservationist of the Year, could not attend the ceremonies in Lansing, Jan. 9. The awards, including a \$50 check given to Boyer, are part of the Club's program of focusing special recognition on outstanding professional conservationists in the U.S.

Boyer, a dominant figure in conservation law work in the Chelsea area for the past 22 years, came in for his honors after drawing broad endorsement from his fellow workers and members of local clubs, schools, churches, Boy Scout groups, the outdoor press, industry, courts and other law agencies.

Typical of the kudos showered upon him by these supporters are the following comments:

Portage Trails Council, Boy Scouts of America: "He is an outstanding representative" of the Department of Natural Resources. (He has been an active Merit Badge Counselor for the Boy Scouts for a number of years.)

Ann Arbor News: "He's tough, but he's fair. No officer" (Continued on page three)

THE DAILY SCHEDULE for 16-year-old Chelsea High school junior Rhonda Kern is up for classes in the morning, complete classes at 1 p.m. and rush to work at Palmer Motor Sales. Rhonda, employed under the Chelsea High school co-op program, was selected on the basis of her ability to perform required tasks. The program will enable her to gain a full year's experience and sharpen skills necessary to enter the working world after graduation. Co-operation with both the business executive and the school is necessary to provide any

girl with the realistic work experience Rhonda is now gaining. She performs routine office tasks such as filing and typing car statements and assisting customers. Missing school activities is one of the major disadvantages encountered by girls working under the Co-Op program. In Rhonda's opinion, she enjoys working as much as the few activities sacrificed. "I wouldn't quit work for those few activities that used to occupy my spare time." As Rhonda says, she enjoys working and is taking advantage of a unique opportunity to gain work experience.

THE LANSING REPORT
 FROM
 senator
GIL BURSLEY

The 75th Michigan legislature formally convened Wednesday, Jan. 8. During the organizational phases the main news centered around the leadership changes among Senate Democrats.

A long-simmering revolt by the "liberal" Democrats overturned the leadership of the "conservative" Democrats replacing minority leader, Ray Dendzel with Sander Levin. As Democrats are the minority party in the Senate this will have no bearing on committee chairmanships and only involves a few changed committee assignments.

Gov. Bill Milliken gave the "State of the State" address before a joint convention of the legislature. It outlined broad objectives and high ideals and was very well received by members of both parties. Specifics will come later in special messages on the budget, for example. One Milliken expression which pretty well sums up the type of problem facing the legislature is to "meet infinite needs with finite resources." Bill Milliken in my estimation will be a splendid governor.

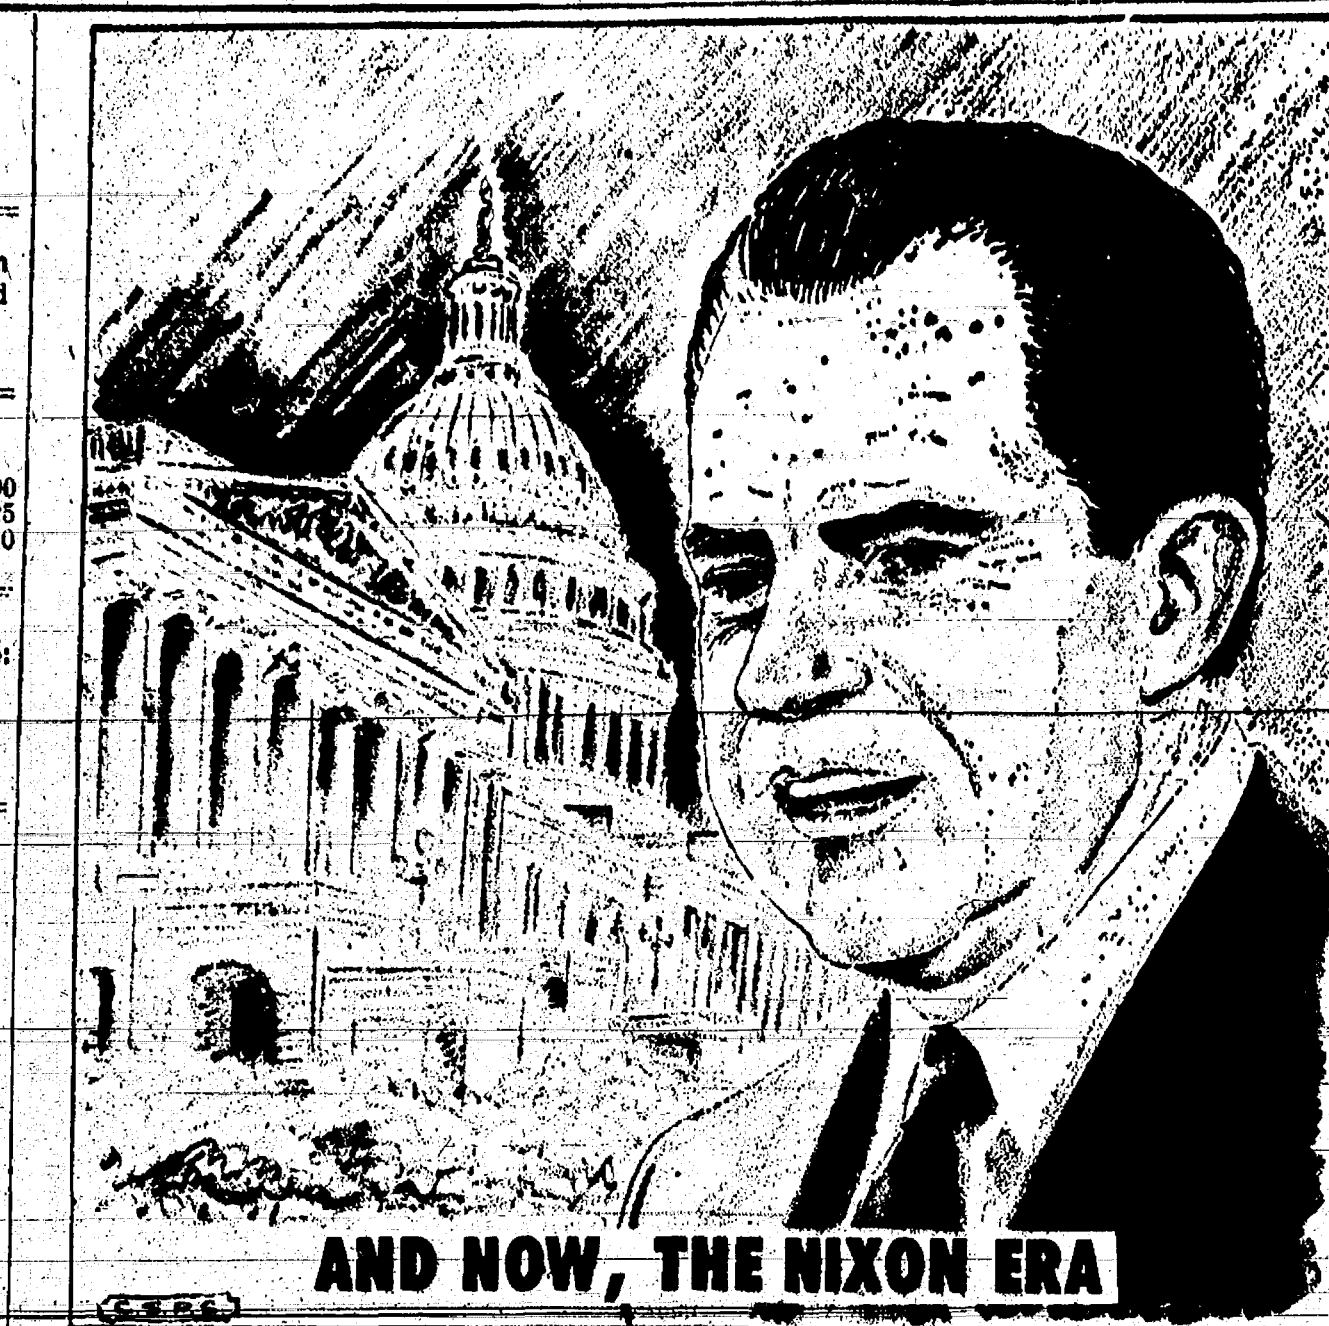

The aid to parochial schools "parochial" was given different treatment by Governor Romney and Lt. Gov. Milliken. Actually neither would support any type of program unless it was clearly shown where the tens of millions of extra dollars would be coming from. I would point to the Michigan Constitution which (Article VII, Section 2) says "the legislature shall maintain and support a system of free public elementary and secondary schools." As long as we don't have enough financial resources to finance public education in what I would consider a fully adequate manner I don't see how we can seriously consider

Price Decrease

It now costs less, much less, to cross the mighty Mackinac Bridge. Effective Jan. 1, toll charges dropped from \$3.75 to \$1.50 per passenger car and from \$4.25 to \$1.50 for most trucks.

The reason for the lower fare is a new law earmarking a portion of the state gasoline tax for tolls on the bridge.

State officials are hopeful the lower rates will spur tourist traffic in the northland during the warm-weather months and ease the financial burden on local residents year-round.

The Mackinac Bridge, constructed from 1953 to 1957 at a cost of \$100 million, connects Michigan's lower and upper peninsulas across the Straits of Mackinac. It is the longest suspension bridge in the world.

More than 1.3 million vehicles, most of them cars, cross the bridge annually. Plans are to increase the toll to five million by 1980.

Toll collections averaged about \$1 million a month under the fee system that was in effect from May, 1961, to December, 1968. Before the bridge was erected, the only way to get from the lower to the upper peninsula, or vice versa, was by ferry and the charge was \$2.75.

The gleaming suspended steel cables provide the closest thing yet to the Northwest Passage sought by the explorers of the 16th and 17th centuries—but by land, not by water.

The bridge's completion in the fall of 1957 erased a barrier that had split off the Upper Peninsula from the rest of the state and, to a greater extent, from the nation.

Tourists and vacationers from throughout the United States flock across the bridge in the summer months to seek the quiet of the UP's forested wilderness. Delightful big and little lakes dot the landscape. So do trout streams.

The bridge spreads from St. Ignace on the northern side of the straits to Mackinaw City on the south. Between and through these cities much of early Midwest history passed in review.

Both were fortresses named Michilimackinac, a Chippewa term meaning big turtle. It was derived by the Indians from an island so shaped in the straits and applied to the whole area.

The island, shortened to Mackinac by the French, is an autoless and mosquito-free resort which remains "remote." The bridge does not go there. Only ferries.

Reorganization
 Filling of vacancies is the order of the day for Gov. George Romney before he moves to Washington to become U.S. Secretary of Housing and Urban Affairs.

Recently Romney appointed two long-time political advisers, Lenora G. Sculthorpe of Marshall and Louis A. Fisher of Grease Pointe Shores, to the Public Service Commission and Highway Commission, respectively.

Charles E. Harmon, the Governor's press secretary since December, 1964, was named to succeed Sculthorpe as director of the State Department of Licensing and Regulation.

Fisher, 59, a retired industrialist, succeeds Ardale W. Ferguson of Benton Harbor, who asked not to be reappointed to the Highway Commission. The appointment is for a four-term ending June 30, 1972. The position is one of the most prestigious in state government.

Southworth, 52, succeeds Peter B. Spivak on the Public Service Commission for a term ending July 2, 1973. Spivak was named last fall to the Detroit Common Pleas Court bench.

Harmon was a member of the Booth Newspapers State Capitol bureau for four years prior to joining Romney's staff. The 34-year-old Flint native was a reporter for the Kalamazoo Gazette from 1956 through 1960.

Sad Loss
 State Rep. Frederick J. Marshall of Allen, known in the Michigan legislature for his folksy effectiveness, has died of cancer.

Marshall, a Republican, served the 41st House district, which covers branch, Hillsdale and part of Lenawee counties, since 1950. He was sheriff of Hillsdale county from 1938 to 1948.

A native of Allen township, Marshall was chairman of the House Tourist Industry Relations Committee, and a member of the State Affairs, Military and Veterans Affairs and Public Health committees.

Uncle Lew from Lima Says:
 DEAR MISTER EDITOR:
 The fellows got to wondering at the country store Saturday night what will happen to the War on Poverty now that a new Administration has taken over in Washington. They spent most of the session discussing the matter after it was sprung up by Zeke Grubb. It was studied up on one side and down the other and they final decided that Zeke is here to stay.

Zeke gave a report on what the Center for Policy Research found out when they checked into how the poor war is going. The sad fact is, said Zeke, poverty in this country is giving up at a slower rate since the war started than it was back when it was at peace with the Government. According to the Center, Zeke reported, it will take the Government 51 years to get rid of poverty completely at the rate we're winning the war now. If the Government gives up the fight, poverty will be gone in 30 years.

Fighting a war like that was like treating a bad cold, allowed Zeke. If you take all the high price medicine you can get for a cold it'll give you up in seven days, but if you let it alone it'll go away in a week, was Zeke's words. Anyhow, said Zeke, the Office of Economic Opportunity claims the Center for Policy Research is all wrong.

The OEO says they used the same figures on the war to show that the Government will win the war in just 10 years. Zeke allowed it sounded to him like reports on the Vietnam War where our side and the communists claim they win the same battles.

Personal, said Zeke, he was siding with the Center on account of some figures on the cost of the War on Poverty he had saw. Federal aid to the poor for 1967 was \$24.6 billion, he said, and they are asking \$27.7 billion in the next budget. Zeke said this Government could give over North Vietnamese soldier \$50,000 to quit fighting and go home and we'd come out ahead, and he was of the opinion we could buy off all the poor cheaper than we can hire an army to fight them.

Ed Doolittle, that has been fighting Democrats longer than they have been fighting poverty, was agreed with Zeke we'll never beat poverty the way we're going.

A-1-c David Priest Touring Orient in His Free Time

Airman First Class David H. Priest, son of Mr. and Mrs. Ward Priest of 8700 Lombardy Dr., Northville, is using his free time to tour the Orient. Priest is stationed at Clark Air Base in the Philippines, where he spends his weekends as a flight attendant on C-118 aircraft assigned to Base Operations. His duties include flight attendant, or steward, on passenger flights and loadmaster on cargo flights.

Priest, 21, was selected on a courier basis and trained on his own time in flight safety, survival, loadmaster duties, and emergency procedures. His travels take him to Vietnam, Thailand, Taiwan, Hong Kong and various Philippine bases.

Airman Priest has been stationed at Clark since November, 1967, and has been flying since November, 1968. He recently received orders to report to Hickam AFB in Hawaii Feb. 17, to finish his enlistment. Priest graduated from Chelsea High School in 1965 and was employed by Chelsea-Milling Co. until enlisting in November, 1968. He received basic training at Lackland AFB, San Antonio, Tex., and finished finance school at Shepard AFB, Wichita Falls, Tex.

Overheated Furnace Brings Fire Dept.

An overheated furnace at the home of Ethel Frederick, 23 Cypress, called Chelsea firemen out at 11 p.m. Saturday. The furnace and dwelling remained undamaged, although heavy odor and smoke had been given off.

Court Building Work Halted

(Continued from page one)

task will then be opened for bids and construction time will be approximately 60 days, according to the supervisors plans.

"We're eager to have the building ready for court business, too," he assured.

Meanwhile, Judge Patrick Conlin has accumulated a few modest additions to his present quarters in the council chambers of the Municipal Building. Several large desks have appeared and the room adjacent to the chambers has been cleared for use as an office for Conlin.

"The set-up is not the best, but is good as anything available now," he commented. Regular 8:30 to 5 p.m. hours have been established, and a third clerk, Mrs. Agnes Boylan, has been added to complete Conlin's staff.

One unexpected reorganization problem the staff faces is what to do about ancient traffic tickets inherited from Justice Courts.

"We have tickets from Jackson, Whitmore Lake, Chelsea, Dexter, Saline and other areas from as long ago as 1960," according to Conlin. He said the staff had sent approximately 100 notices. A number of recipients called to say the fines were paid.

Conlin indicated that persons holding unpaid traffic tickets would be slated for trial. If the police or officials fail to show up at trial time the case would be dismissed, but if the ticket holders fail to attend he said he planned to issue bench warrants for their arrest. "We are trying to notify each person who has a record of an unpaid traffic offense beforehand," he added.

No trials had been held in the new court by Tuesday, although a number of pleas for traffic and conservation violations were heard.

TERRIFIC TAILORS

Terrific Tailors 4-H club held their business meeting Jan. 4 at the home of Susan Allen. "We made enough money from the bake sale to purchase our sewing machine. Mrs. Allen served refreshments. The next meeting will be a work bee at the home of Mrs. Robert Koch, Jan. 18 at 1:30 p.m. Vickie Downer, reporter.

There are grown-ups, with splendid intellects, who continue to behave in an emotional infancy.

PINOCCHIO, the ageless children's story of the wooden puppet that wanted to be a real boy, will entertain Chelsea elementary children Jan. 23 as a special Performing Arts Company production. Carlo Colodri's PINOCCHIO has been adapted for the stage by Dr. John Baldwin of Michigan State University's Theatre Department. North school students will be bused to South school for the special assemblies at 10 a.m. and 1 p.m. Admission will be 25 cents. The classic fairy tale recounts Pinocchio's

escape from the evil puppet master Mastroni and his agreement with Glissandra, the Blue Fairy, who brings him to the kindly old wood carver, Geppetto. Pinocchio vows to be hard-working and to tell the truth so that Glissandra will transform him into a real boy. Further complications ensue, however, as Pinocchio falls in with the wicked Cat and Fox, is lured to Pleasure Island and, finally, is imprisoned inside a monstrous whale where he is reunited with Geppetto and plans their escape.

Top Conservation Officer ...

(Continued from page two)

so encountered, either of command or patrolman rank, has been more co-operative, better attuned to the public good or more conscientious in his duties."

Chelsea School District: "His organization of gun safety classes and the teaching of these classes has been very valuable to our young people."

City of Ann Arbor Municipal Court: "Mr. Boyer's preparation and presentation of court cases is flawless and very often of a remarkable nature. He has a dedication and instinct for his work that is rarely found in any law enforcement officer."

Law Enforcement and Industrial Security Association: "A champion for the cause of law and order."

Ann Arbor (Pioneer) High School: "An outstanding example of a conservation officer who goes beyond the law enforcement part of his work in presenting the cause of conservation to the people of his area."

Washtenaw County office of prosecuting attorney: "The prime example of a dedicated officer who has respect for the law both for the people of the state of Michigan and for the defendants themselves."

Boyer's basic responsibilities are law enforcement and education. He is thoroughly familiar with conservation laws and acts as his own lawyer during trials. Most cases handled by Boyer involve misdemeanors, but occasionally he becomes involved in a felony. Cases that were heard in Justice and Municipal Courts now will be heard in the Chelsea District Court before Judge Conlin.

"Most of the most important arrests are the result of citizen complaints or information," according to Boyer.

Enforcement responsibilities mount during hunting seasons, when Boyer is often out 16 hours a day.

"Phasant through deer season is the most hectic" according to his wife. "It isn't uncommon for him to leave at 6:30 a.m. and return at 1 a.m. the next day—and this is for seven days a week."

The Conservation Department in Jackson serves as official headquarters, although Boyer spends most of his time in the field. His car is equipped with a radio hookup with the Department and police.

Another aspect of Boyer's job is the responsibility to educate community groups on conservation and laws. He takes his own slides and develops programs

for presentations to Boy Scouts, church groups and other community organizations.

Boyer also finds time to devote to duties as member of the board of Law Enforcement and Industrial Security Association of Washtenaw county, chairman of the Board of Officials and Lay Leader of First United Methodist church and honorary membership in the Chelsea Rod & Gun club.

Boyer was born in Charlotte, moved to Muliken during elementary school and graduated from Grand Ledge High School. He enlisted in the Air Corps in Dec. 1942 after two years at Western Michigan University. After the war Boyer completed the Conservation Department's Higgins Lake Training School and was commissioned by the Department in April, 1946.

He moved to Chelsea in June, 1946 and has remained in the village since that time. "We like the area and like the community," explained his wife, Trillie, who is a dental assistant at the University of Michigan. The Boyers, who recently celebrated their silver wedding anniversary, have four daughters: Melody, a 1968 Chelsea High school graduate; Terri, a senior at CHS; Mrs. Raymond (Doni) Doering of Ann Arbor; and Mrs. Norman (Penny) Hannewald of Ann Arbor.

Bulldog Wrestlers Lose Title, Finish Fourth in Parma Meet

(Continued from page one)

133, and Tom Tirb, 112. Karsten Cargel, 165, suffered a minor arm injury that hampered his efforts and brought elimination during his first-round match.

Chelsea Coach Burley Hendricks said that while it was apparent improvement at the lighter weight was not developing at a rate to equal the challenge of the Parma competition he had found some cause for optimism for later stages of the season.

"Just as football is described as a game of inches, wrestling is a contest of seconds. We're a good take-down team, getting those important first-round points to take an early lead—only to see it slip away in the third round. Coach Mutz and myself will be working to correct this as we head into

the league meets and prepare for the stiff competition Dexter again seems prepared to offer."

Hendricks singled out Wayne Stahl and freshmen Larry Jones for giving a real battle on the mat but falling short of placing in the tournament. "Stahl was in a weight class that was over-populated with exceptional men possessing a great amount of experience. Recent injury and illness were probably contributing causes to his failure to get past the second round. Jones started his first varsity match against a far more experienced man from a tough Albion squad who made a determined assault for a pin but could never quite put Jones away."

Jones is one of a group of freshmen showing steady improvement that promises greater strength in the lighter weights in the future.

Williamson's new "Five-In-One" completely outdates all conventional heating and cooling systems. In just one cabinet, no larger than the average size warm air furnace, the "Five-In-One" includes all the necessary components to heat, humidify, cool, dehumidify, and electronically clean the air in your home. The "Five-In-One" will cost less to install and is far more attractive than components purchased separately and combined to achieve the same total comfort.

For gentle warmth in winter, pleasant coolness in summer, and air pure, fresh and properly moisturized all yearround, take a good look at Williamson's new "Five-In-One"—an entirely new concept in total indoor comfort.

CHELSEA HIGH SCHOOL GYM - 8 P.M.

HARLEM HAWKS

• VS. •

NEW YORK STARS

Rex Showboat Jones heads the humorous Harlem Hawks, a traveling group of comedian-basketball players that specialize in bringing chuckles to the lips and laughter to gyms throughout the country will be warming up their funniest antics to use in Chelsea Jan. 24 against the New York Stars. The players, including three who are acclaimed the funniest men in basketball, offer another attraction—they can really play. In their three seasons of traveling around the globe the team has won all but 10 of their 225 games. Big Joe Brown, an ex-Globetrotter and giant of the Hawks, keeps the fans excited with terrific rebounding, sharpshooting and random ball-stuffing. Another spectacular that is shocking to the team's millions of fans is William "Cowboy" Pritchett with his lightning-quick hands and superspeed dribbling. His reputation as the thief of the team comes from his statistics of stealing more balls per game than most players steal in an entire season. They are scheduled to appear in the Chelsea High school gym at 8 p.m. Jan. 24.

12-Year-Old Drowns in Fall Through Ice

DIANE LINK

Tragedy struck in the Dexter area Tuesday afternoon, as Diane Link, 12, fell into the Huron River about 3 o'clock as she and her sister and two brothers were walking on the ice of the river near their Delhi home.

Diane suddenly slipped through the ice and although her sister grabbed her leg momentarily, she was not able to keep her grasp, and Diane was swept downstream by the strong current, according to a Washtenaw County Sheriff's Department report.

Deputies were assigned to the scene, and an ambulance was dispatched, after the other three Link youngsters ran to a nearby house and reported the accident. The neighbor called the Sheriff's Department.

Four skindivers from the Sheriff's Department were unable to recover the body of the young girl before darkness set in Tuesday evening. Recovery operations, continued as soon as light permitted Wednesday morning, were called off in the early afternoon, Washtenaw County Sheriff's Department officials say rescue efforts will be resumed Thursday.

Cager of the Week

ROY HOLLIDAY, 6'0" senior forward for the Bulldog cagers, has been a basketball enthusiast for many years. He played on junior high, freshman, JV and, since last year, varsity teams. Holliday was an end for the Bulldog gridders earlier this school year, a position he has held for three years. Other sports include three years varsity baseball, skiing and ice skating. Roy enjoys government and "food for boys," a cooking class for males. In the future Roy hopes to attend college, possibly at Northwestern. Now he is kept busy with sports, Varsity Club and studies. Roy lives at home, 19636 Ivey Rd., with his parents, Mr. and Mrs. Clarence Holliday, and Scott, his nine-year-old brother.

The Senior play, "The Girls Take Over," will be presented Friday, Jan. 26 at the public school gymnasium. Included in the cast are Barbara Buehler, Eva Geddes, Rose Marie Clark, Rosemary Lyons, Angeline Merkel, Ruth Ann Schenk, James Carraher, Ruth Paul, Phyllis Hopper, James Gaunt, Robert Trinkle and James Gaken. The play deals with life as it is lived in Washington, D. C. during war time.

Chelsea's strong quintet whipped Saline's team, 34-17, Friday night as "Giggy" Cadraher led with 13 points during the first half. This brings his total to 72 points in four games. Knickerbocker was next with 10 points. Chelsea girls, defeated by Saline, 36-27, were led by Vail with 18 points and Eisenbeiser with 11.

Villagers from the South Side witnessed something new in Chelsea, when dogs harnessed and hooked to sleds went to the post Sunday afternoon. Only two dogs participated. Blackie, a police dog owned and driven by Lyle Wenk, and Jim, a fox hound owned and driven by Freddie Hoffman, furnished the program. Jim won two heats and Blackie won one. Races were judged by Mayor Walter D. Mohrlock.

The state highway department announced that bids will be taken on the first contract in connection with the relocation of US-12, which covers the grading and building of drainage structure. The relocation project is being financed by the federal government and eventually will extend from Jackson to Ann Arbor.

As John Frymuth, accompanied by G. L. Staffan, was driving to Blind Lake last Thursday afternoon, his car collided head-on with a car driven by Edward Wise of North Lake near the Eisenbeiser Rd. Both drivers, blinded by the storm, were traveling at low speed. Wise suffered a broken leg, bruised arm and chest and facial cuts. Frymuth and Staffan received slight injuries.

Chelsea State Bank stockholders held their annual meeting Tuesday and elected directors Howard S. Holmes, Otto D. Lulek, Dr. A. A. Palmer, John S. Cummings, John Kalmbach, L. G. Palmer, C. H. Kalmbach, Lewis Vogel, Paul G. Schaible and John L. Fletcher. Wallace Watt, retiring Boy Scout executive, was awarded the American Legion citizenship citation from the Erwin Priesskorn post of Ann Arbor at ceremonies held Monday.

The third league debate will be held in Chelsea High school gym Monday night. This time Chelsea's opponent will be the debate team from North Adams. Chelsea will uphold the negative side of the question, "Federal Aid to Education."

TODAY'S THOUGHT

By LOUIS BURGHARDT

Have you ever thought about how nations can and have agreed not to stake a claim of national sovereignty on the moon or elsewhere in space and so stubbornly refuse to even consider a compromise for such things on earth? ... Why people have such tremendous fear and sense of insecurity when it is KNOWN that humility, patience and love can cure such ailments? ... Why some people think they can get more good from visiting a psychoanalyst twice a week, instead of sitting in a church pew once a week? ... Why and how people can condemn present-day morality while they continue to ignore moral ethics in their personal behavior? ... Why and how can any one exaggerate a partial truth at the risk of having a whole truth disbelieved? ... Why, in fact, is the simple truth forgotten that an untruth pleases the devil—and the truth pleases God? ... Why so many people know so many rules in baseball, football and other games and can not retite even half the rules in the 10 commandments?

These questions represent common situations worth thinking about. If you care to let us know your views, we will be glad to consider them for future thoughts appearing here. **BURGHARDT FUNERAL HOME**, 214 East Middle St., Chelsea, Mich. Phone GR 5-4141.

Busy Airport Problems To Be Studied on TV Feature

East Lansing—A comprehensive report on our snarled airports and hazard-ridden skies is the subject of "NET Journal," Friday, Jan. 24, at 7 p.m. on WMSB (Channel 10), Michigan State University television.

"Fasten Your Seat Belts: A Report on the Crisis in the Air" puts into perspective the problem of increasing air traffic which reached staggering proportions during the hectic tourist season last summer. The report examines the difficult role of air controllers, faced with jammed airports and skies. From out of the debris of ruined planes and burned corpses, the program reconstructs the events leading to accidents, as seen by survivors, observers, pilots and airline representatives.

Other WMSB highlights include:

- DRAMA**—"NET Playhouse" presents "The National Theatre of the Deaf" Sunday, Jan. 19, at 11 p.m. The hour-long program, performed by the National Theatre of the Deaf repertory company, consists of two parts. The first is devoted to the "reading" of poetry, acted out by actors in mime, sign language and dance to the simultaneous narration of the words. The second is a performance of a version of Giacomo Puccini's comic opera "La Boheme."
- RECITAL**—Pianist James Adler plays compositions by Bach, Brahms, Chopin and Liszt on "Young Musical Artists," Wednesday, Jan. 22, at 7 p.m.
- WAR**—"NET Festival" reflects the young filmmakers' obsession with war, featuring four films without dialogue or narration on "The Film Generation on War," Sunday, Jan. 19, at 1:30 p.m.

Bowling Pros Take on Dexter All-Star Team

Dexter bowling enthusiasts will have the opportunity to see local champs tackle a professional team Jan. 18 when the Dexter All-Stars will attempt to mar the impressive record of the Stroh's Beer Bowling Team.

Stroh's accomplishments include ranking second and fourth highest in the nation for a three-game series with 8,560 and 8,552 in 1964; ranking first in three-game series and single game with 3,568 and 1,291 in 1966. Their record, which dates back to 1961, lists among the team's achievements the title in team, singles and doubles for many events. A few are the Detroit All-Star Classic, the GDBA, ABC, Central States, Michigan State Team and others. The team average is 1,015 per game.

Local challengers are Jerry Ledwidge, with 186 average; Joe Toma, 184; Jim Eberts, 175; Mel Gilbertson, 175; and George Winchester, 194. The team average adds up to a hearty, but smaller, 814 points.

The three-game match will be free and open to all bowling fans at Dexter Bowl 'n' Bar 8 p.m., Jan. 18.

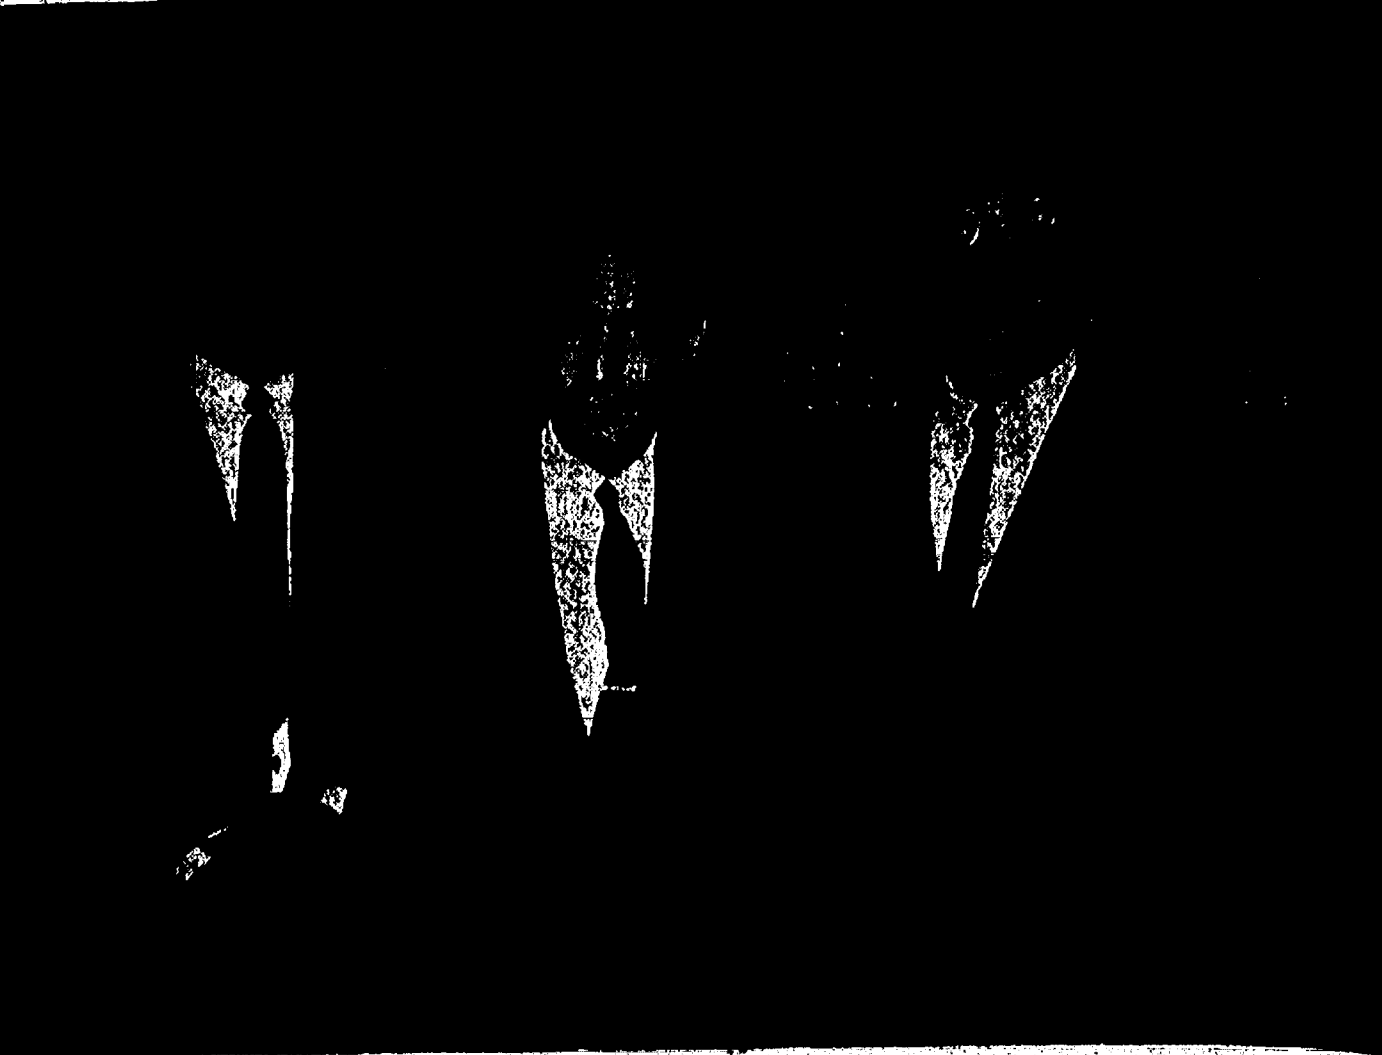

We have long since learned to let some people talk without interruption; the conversation ends so much sooner.

Criticism of Supreme Court

Michigan farmers have grown increasingly critical of the U.S. Supreme Court. Decisions of the court made in the name of protecting individual freedom have weakened law and order in the eyes of many rural people, resulting in growing disrespect for our entire legal system.

The issue will be a major topic for discussion in Michigan when 1,100 Community Farm Bureau groups spend an evening reviewing the pros and cons of possible Supreme Court reorganization. Included in the material to be reviewed is a scholarly study of the Court made some years ago by Michigan Supreme Court Chief Justice, John R. Deethmers, who stressed how Court success demands upon the force of public opinion.

"Once the public becomes disinterested or withdraws its support, Court decisions will lose their force, and we will have witnessed the beginning of the end of ordered liberty and our free institutions," Justice Deethmers said.

Last fall a dozen county Farm Bureaus wrote policy recommendations concerning the court, with a number calling for constitutional amendments to prevent interpretations "Beyond the intent of Congress" as the farmers of Mackinac-Luce put it. Montcalm county farmers spelled it out: "We are concerned about the tendency of the U.S. Court to invade the legislative area, to expand federal authority at the expense of state authority, and to affirm executive interpretations of statutes beyond the intent of Congress," the farmers wrote. Such attacks on the court often carry suggestions for correction of the abuses, including stringent requirements for appointment to the court, limited tenure and mandatory retirement—possibly at 70 years of age.

Most often suggested are proposals to restrict the activities of the court by constitutional amendment. Among statements offered for discussion to the community groups is one from the pen of George Washington:

"If, in the opinion of the people, the distribution or modification of the constitutional powers be in any particular wrong, let it be corrected by amendment in the way the constitution designates. But let there be no change by usurpation, for though this in one instance may be the instrument of good, it is the customary weapon by which free government is destroyed."

FIRST MARRIAGE LICENSE of the new year was issued Jan. 2 by Virginia A. Nickell of Portage Lake, as her new boss, Washtenaw County Clerk Robert Harrison, right, looks on. U-M student, Richard Charles Hnath, also was granted a waiver.

by Probate Judge Ross Campbell so he and his bride, the former Carol Elizabeth Sump, might celebrate their marriage prior to the week-end. Ordinarily a four-day period is required before marriage licenses are valid.

CANCER DEATHS UP

Washington—The National Advisory Cancer Council has reported there were about 300,000 deaths from cancer in 1967. The report also said 900,000 Americans were under cancer treatment of various types of cancer last year.

People who are always late have no need for watches.

Sen. G. Bursley Cited for Service To Agriculture

Lansing—Sen. Gilbert E. Bursley (R-Ann Arbor) was honored this week for "outstanding service" to Michigan agriculture at a Michigan Agriculture Conference dinner attended by 1,100 persons in Michigan State University's Kellogg Center.

Before many of his colleagues in the legislature and agricultural leaders from all over Michigan, Sen. Bursley was given a plaque expressing "grateful appreciation of your efforts on behalf of agriculture and the betterment of the rural way of life in Michigan."

Sen. Bursley has been chairman of the Senate Agriculture and Economic Development committee and Assistant President Pro Tem of the Senate.

Each year, the Agriculture Conference honors one senator and one member of the house of representatives for special service to Michigan agriculture.

Sen. Bursley was introduced at the Legislative dinner by Ernest Gibbach, Washtenaw county farmer and former State Farm Bureau president.

Production Record Told For Local Holsteins

A report of milk production levels attained by dairy cows in the area has been received from Holstein-Friesian Association of America. The actual food production output, under official DHI testing rules, by these local registered Holsteins is:

Green-Acre Graphic Patricia, 68-08423, a two-year-old, produced 16,220 lbs. of milk and 594 lbs. of butterfat in 305 days. Green-Acre Victor Doty, 6434435, a two-year-old, had 15,280 lbs. of milk and 553 lbs. of butterfat in 284 days. Both are owned by Lowell Spilke, Manchester.

These new production figures may be compared to the estimated annual output of 8,513 lbs. (3,959 quads) of milk and 315 lbs. of butterfat by the average U. S. dairy cow, notes the National Holstein Association.

Michigan State University supervised the sampling, weighing and testing operations in co-operation with the Holstein Association through breed improvement programs.

Principles are usually read, not lived.

SUNDAY'S SERMON

★ Youths and Adults

Any consideration of the question, "what's wrong with today's youth?" must give some thought to the question of what's wrong with today's parents.

We often hear it said today that youth is setting the pace and that adults are falling into line. It is said that youth sets the fashions, in clothes, in music, in morals.

This is not quite true. It is more likely that youth today is more outspoken, more aggressive, and too many adults are too busy with too many other things to hold to the check reins and to provide proper guidance and counsel.

This is not to say that today's youth is all bad. Far from it. Nor does it mean that adults as a group don't give a hoot. Most of them do.

The problem is that some of the lesser sins are committed in the name of freedom while too many voices remain stifled with apparent apathy.

What we need is a rededication to the principles that made this nation great and, if you choose, a return to the belief that the deep, solid roots of a happy, full-time home life are essential to start young life on the road to true growth.

Woman Pleads Guilty to Falsifying Prescription

Mary Lou Bentley, 30, 811 Congdon, pleaded guilty before Judge Patrick Conlin Jan. 10 to falsifying a prescription for drugs obtained at the Regency Pharmacy, 775 S. Main during December.

Chester Police Chief George Meranuck said David Thompson, manager of the pharmacy, produced four prescriptions Jan. 4 issued on blanks of Charles F. Krause, MD, 116 Park, with a signature. Dr. Krause said he had not issued them.

The prescriptions, which were filled a number of times during December, were for drugs containing amphetamine. Sentencing has been set for Jan. 24.

Vickie Lucas Is Bride of Gary Hughes

Vickie Roberta Lucas became the bride of Gary N. Hughes in an evening ceremony Saturday at Faith Community church in Manchester. The Rev. Thomas Hicks officiated at the double-ring ceremony uniting the daughter of Mr. and Mrs. Robert Lucas of Holly with the son of Mr. and Mrs. Homer Conley of Chelsea. Miss Ona Lucas was maid of honor for her sister and Dan Hughes served as his brother's Best Man.

Bridesmaids were Mrs. Kenneth Maull, sister of the bride, Mrs. Glen Helm, and Mrs. Barry Lee. Seating guests were Howard Underwood of Tawas, Glen Helm of Chelsea and Don Lucas, brother of the bride, from Grand Rapids. Judy Maull, niece of the bride, attended as flower girl, while Steven Hughes, nephew of the bridegroom, carried the rings. The bride's floor-length gown was fashioned of white silk. A crown of pearls held her shoulder-length illusion veil. She carried pink roses and white carnations. The bride's mother wore a gossamer gown with matching accessories. The mother of the bridegroom wore a blue-silk shantung dress with matching accessories. Each wore a corsage of white carnations.

A reception following the ceremony was held at the American Legion Hall at Cavanaugh Lake. The bride's going-away costume was a black and white wool tweed dress with matching accessories and corsage taken from her bridal bouquet. The couple will honeymoon in the southern states before leaving for Wurtzburg, Germany, Jan. 29 where Gary is stationed with the U. S. Army.

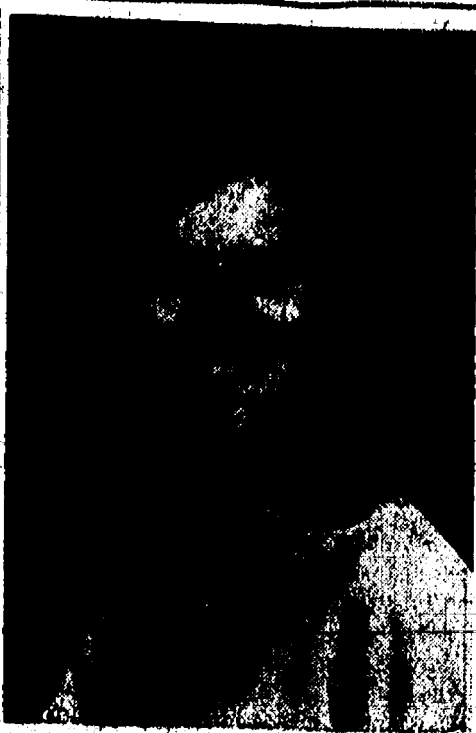

Merrells Mark 55th Anniversary

The Rev. and Mrs. Lloyd P. Merrell observed their 55th wedding anniversary with a quiet family gathering at their home Jan. 14. The Rev. Roger William Merrell and family, from South Lyon, and Mr. and Mrs. M. S. Merrell from Jackson, sons of the couple, enjoyed a family dinner and evening of visiting.

During the evening, the family played a tape made 16 years ago for the Detroit Annual Conference at Adrian College, when the Rev. Merrell had been asked to give a 30-minute devotional. After reading scripture and quoting some of his own poems, the Rev. Merrell was joined by his son in singing "The Prodigal Son." Roger took the part of the son and his father acted as the father, with both joining for a duet at the end. Beautiful organ music enhanced the production, which ended with the Hallelujah Chorus. Due to illness in the family, the couple celebrated quietly at home.

Near the close of the evening the youngest son, Ralph, called from California and visited with each family member. The Merrells' family includes four sons, a daughter in Detroit, 28 grandchildren and four great-grandchildren. They were married Jan. 1, 1914 in Amboy, Ill.

CHELSEA COMMUNITY FARM BUREAU
Chelsea Community Farm Bureau met Jan. 9 at the Sylvan Bretschneider and Mr. and Mrs. Erwin Trinkle were hosts. A potluck supper was served. The meeting was opened by Carl Heller. Minutes were read. Allen Broensle was discussion leader for an evaluation of the price of wheat and exports costs to Europe. Cards were played, with mens high going to John Cook; men's low to John Brooks; ladies' high Mrs. Norman Hinderer; low to Mrs. Carl Heller; traveling to John P. Cook.

New Officers Installed By Rebekah Lodge

Rebekah Lodge No. 130 held an installation ceremony at the Jan. 7 meeting, the sixth of officers for 1969 being headed by Mrs. George Pickell and Mrs. Ronald Meyer, noble grand and vice-grand, respectively.

Other elected officers are Mrs. Mac Packard, secretary; Mrs. Robert Hochman, financial secretary; Mrs. Elwood Keizer, treasurer. Appointive officers named by the noble grand are Nadine Packard, warden; Mrs. Gene Coltrane, conductress; Mrs. Alfred Hinz, chaplain; Mrs. Russell Altstatter, inside guardian; Mrs. Thomas Harris, outside guardian; Mrs. Clifford Wolfe, musician; Mrs. Richard Keizer, right supporter to noble grand; Mrs. Anna McDonald, left supporter to noble grand; Mrs. John Dvorak, right supporter to vice-grand; Mrs. Stephen Slane, left supporter to vice-grand.

Trustees are Mrs. Gila Gilson, two-year term; and Mrs. Donovan Sweeney, three-year term. Still to be appointed is a finance committee.

Mrs. Richard Keizer of the Chelsea Lodge who is an installation deputy, conducted the installation ceremony, assisted by past noble grands of the organization.

Mrs. Donovan Sweeney, immediate past noble grand, was awarded a certificate with that designation since she already has the customary past noble grand's jewel for her service as noble grand in 1981. She also has the Declaration of Chivalry jewel.

All the new officers are to meet at 7:30 p.m. Tuesday, Jan. 21, for floor practice.

In her report at the meeting, Mrs. Sweeney mentioned that five shut-in members had received a box of fruit at Christmas time. Perfect attendance records for the past year were attained by Mrs. Sweeney, Mrs. Mac Packard, Mrs. D. Keizer, Mrs. Altstatter and Nadine Packard, it was announced.

Other business at the meeting included voting approval for the local lodge to assist in a District No. 12 project of sending a youth as a representative on a proposed United Nations Pilgrimage and announcement that the Past Noble Grands club will meet Jan. 16, at 7:30 p.m., at the home of Mrs. Hinz.

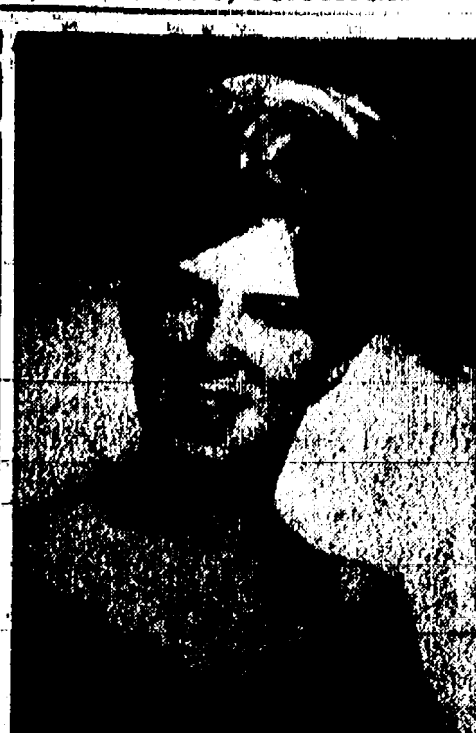

On the refreshment committee for the installation meeting were Mrs. Russell Feldkamp and Mrs. Harry Kealy.

TROOP 58
Girl Scout Troop 58 met Jan. 13 at the Municipal building. Patrol 1 collected dues and made menus. Patrol 2 was in charge of opening the meeting and Patrol 4 had, closing. Patrol 3 cleaned up. Patrol 1 was in charge of games. A mural is being made by Patrols 2, 3, and 4.

TROOP 98
The meeting of Jan. 15 was called to order and the girl scout kit examination and found safety brownie in the handbook. Last fall we were very "Busy Brownies" making turkey decorations, visiting Albers Cider Mill, making decorations and pictures, having a Christmas party and electing new officers. Elected were Penny Collinsworth, treasurer; Diane Shoemaker, assistant treasurer; Pam Hinz, scribe; Beth Simpson, assistant scribe. The flag committee is Cindy Bareis, Lori Werner, Marsha Prinzing, Karen Elkins and Sally Miller. Pam Hinz, Beth Simpson, scribes.

Many foods, such as milk, flour, margarine, most ready-to-eat cold cereals and infant formulas are enriched to supply additional vitamins and mineral supplements. For much less money, you can get all the nutrients you normally need from the common foods in your diet.

Club, Social Activities

ST. MARY'S USHERS CLUB
St. Mary's Ushers Club held their annual meeting Jan. 6 at St. Mary's school hall, where officers were elected for the coming year. The group voted to re-elect William Detling as president; William Hitchingham was named secretary, and Norbert Merkel was selected as treasurer.

VFW AUXILIARY
Thirteen members were present at a regular meeting of the auxiliary to Veterans of Foreign Wars Post No. 4078, held Monday evening in the Rebekah Hall.

The group voted to contribute \$5 to the Chelsea March of Dimes drive, and agreed to pay for blanket cancer insurance coverage of all members. This is a benefit all members receive with their membership in the VFW Auxiliary.

The Sixth District meeting will be Feb. 2 in Carleton. A ham dinner will be served at noon. The speaker will be State Representative Ed Mahalik.

Mrs. Wayne Harvey was appointed to head a committee to plan the January social party, which will be at her home Jan. 27. She will be assisted by Mrs. Frank Warywoda, Mrs. Carmel Slocum and Mrs. Paul Frymer.

TOMATO FLAVOR
It's not yet in general distribution, but the Food and Drug Administration has approved an imitation flavor closely resembling the flavor and aroma of freshly picked tomatoes. It has been used as an enhancer for natural tomato solids; also as a tomato replacement.

TIPS for your TOP from

TODDY and FRAN

Like your super market, your beauty salon serves several purposes beyond the main one: beautifying your hair. It, especially this time of year when the weather's dreary and depressing, can serve as therapy for your waning spirits. Get a new permanent (now that you have time after the busy season) and face-life with a new confidence in your appearance. Bring the book you've been wanting to delve into, and, in the quiet of the dryer, indulge yourself. There may be few times in a week you can so conveniently "kill two birds with one stone." We're open evenings for your convenience (except Saturday). Sometimes just getting away by yourself for a couple of hours is a good therapy. Try it...

Junior High Cagers Look For First Win

The unimpressive 0-3 records claimed by both the seventh and eighth grade basketball teams before the Milan games yesterday don't indicate the many hours of practice the two 25-man squads have put in this season.

Eighth grade coach Barry Sheldon said his men practice after school each week day, although they have yet to win a game. The team has no permanent captains or starters, although Sheldon lists "regulars" as Jeff Daniels, Jeff Schmidt, John Gilbert, Tom Skittentheim, John Mann, Mark Policht, Doug Hillman, Don Conklin, Tim Lancaster and Dan Bertke. All regulars except Skittentheim are carry-overs from the seventh grade team last year.

Seventh grade coach Ron Milligan said his team, composed entirely of first-year players, is handicapped by a lack of height. Usual starters are Dave Layher, Kevin O'Brien, Jeff Sprague, John Houle, John Tandy and Dave Lashoe.

The two teams each play four six-minute quarters on Wednesday afternoons.

JACK SHANINGER was promoted to Spec. 1 after being named Honor Graduate at Redstone Arsenal, Ala. Shaninger, who graduated Dec. 13, is now an ammunition storage specialist in Vietnam. He enlisted June 1, and received basic training at Ft. Gordon, Ga. His wife, Joyce Mahar Shaninger, is residing with her parents, Mr. and Mrs. Alex Mahar of Chelsea.

Archie Bradbury Named Director of Soil Conservation Unit

Approximately 75 persons braved icy roads and sleet to attend the 20th annual meeting of the Washtenaw County Soil Conservation District Jan. 8.

The featured speaker for the event, held at the Farm Bureau Office Building at Saline and Pleasant Lake Roads, was Don Turner from Chelsea. Turner presented a travelogue, "Alaskan Safari" filmed in 1966 while on a three-week hunting trip in northern Alaska above the Arctic Circle. The presentation, filmed in color with special sound effects, and narrated by Turner, was a complement to the annual meeting program.

Orvin Girbach, Saline, was re-elected to a three-year term as director; Archie Bradbury of Dexter, replaced Don Limpert of Manchester for a three-year term as director.

CHS French Club Scholarship 'Makes Europeans Real People'

Tom Thomson, last year's recipient of the French scholarship and current head of CHS French club scholarship committee describes his six weeks in Europe as a "Great opportunity to make Europeans real people to me."

Tom was one of 200 students in a group organized by the Foreign Study League, a central agency in Salt Lake City that arranges foreign study programs in comparative government, languages and many other areas.

Tom was one of four or five in the U. S. who won scholarships to help finance this summer travel-study program. The \$700 raised through contributions, French club bake sale receipts and sale of tickets to a travelogue paid jet fare to and from Europe, tuition, books, room and board. Tom paid for incidentals and transportation to Philadelphia, where the jet picked the group up.

Three years of French study during freshmen, sophomore and junior years enabled Tom to win the scholarship. French teacher Mrs. Edward Lauson said only persons who would return to Chelsea High school after the program were considered in awarding the scholarship, which was given on the basis of a test, recommendations and "diplomacy."

The group, accompanied by adult counselors and teachers, was jetted to Orange, in southern France where they remained for three weeks. The students were scheduled for a maximum of 20 hours of classes each week with side trips and excursions slipped in during week-ends and afternoons. The group took advantage of the fair weather to visit Marseille, Chateau d'If, formerly a prison at sea, where political prisoners were kept. Tom said the island, largely taken up by a huge, heavy building, boasted not one growing plant.

Most excursions were by bus or train. Aug. 1, the group visited Paris, where Tom met Chelsea foreign exchange student Claude Sioris. Claude introduced Tom to his family and the two spent much of the week-end sightseeing.

The group moved to Chateau D'oes, Switzerland, a small Swiss winter resort in the mountains where it allegedly rains every day. Tom explains that clouds drift into the valley and get-trapped there by the mountains. The resort sports a chateau owned by Charlie Chaplin and a house owned by David Niven. Tom said the scenery in Switzerland is beautiful, with greenery, snow-capped mountains in the distance, and houses neat and well-kept.

Tom said the study group kept their fingernails clean there by doing their own wash, the

hand method. Even the most advanced European countries lack modern laundromats and, only the wealthy are able to afford the price of washers and dryers.

The Swiss combine agriculture with industry by owning small pastures beside their homes, with cows or goats grazing. Tom remarked that they were a very content people who rarely moved far from where they were born.

During a week-end trip to Rome, the group stayed in a dormitory only three blocks from St. Peter's Basilica and several hundred feet from the Vatican, where they saw Pope Paul VI. The group visited various churches and highlighted their sightseeing with "Piata" in St. Peter's, Michaelangelo's "Moses" and Sistine Chapel. Tom remarked that the coliseum was in "good shape for a structure 2,000 years old."

From there, the group took a train back to Chateau D'oes, where they packed for departure Aug. 18 from Geneva.

In addition to the instruction, handled by native and American teachers, Tom feels that he increased his understanding of other peoples. He said that he found Europeans, especially French, extremely friendly to those they casually meet or pass.

After high school, Tom plans to major in liberal arts at University of Michigan or Western Michigan at Kalamazoo. As head of the French club

scholarship committee he is taking an active part in promoting the two scholarships this year. Approximately \$250 of the \$1,500 goal has been raised to date. Plans to sponsor an assembly, basketball game between Jaycees and faculty, or a movie series are being formulated. The two major changes in the program this year are the addition of another student and the change from dorm living to placement with a French family for the recipients.

Youths Sentencing On Larceny Charges Slated in Late January

Sentencing of Donald Caudill, 18, of 18600 Old US-42 and Daniel Skodak, 17, of 18927 Aberdeen Dr., for breaking and entering charges, has been set for the last week in January, according to the office of the Prosecuting Attorney.

Both youths admitted to breaking and entering an unoccupied building, Boyer Automotive Supply, 108 E. Middle St., the night of Oct. 11. The original charge of breaking and entering with intent to commit a larceny or felony was reduced to simple larceny.

The Circuit Court adjourned Skodak's Nov. 22 hearing until Jan. 24 at the request of the probation office.

Caudill pleaded guilty to the charges Jan. 10 before Circuit Court Judge William F. Agar, Jr., and will face sentencing Jan. 31.

Corn Production Seminar Slated At Pleasant Lake

A corn production seminar sponsored by Pioneer Corn Co., of Piquette, Ill., will furnish modern corn growing information to area farmers, sales managers and salesmen.

All local farmers are invited to the program, scheduled for 8 p.m., Jan. 22 at Pleasant Lake School which will last approximately two hours. District Sales Manager Reno Feldkamp, from Manchester, will organize and direct the seminar. Featured will be Vance York, Manager of Pioneer's Sales Service Dept., who is an authority on corn growing characteristics and methods.

York is a graduate of Purdue University's School of Agriculture. He has been with Pioneer for 14 years and collects, evaluates and reports yield data on different tested hybrids. The latest research information dealing with corn growing practices is known by York because of his close work with the various state universities.

The purpose of the meeting is to provide to farmers attending the most current knowledge of corn growing practices. York will present new thoughts on common topics such as fertility, population and hybrid requirements.

He will discuss management factors and specific plant populations required for various hybrids. Information will be provided to farmers concerning plant populations best suited for their soil type. A question and answer period will follow to allow farmers to discuss any areas not covered during the program.

LUCKY PURCHASE

Swayzee, Ind.—Last November Max Petro bought a \$5 pair of overalls to wear on his farm. When he put on the overalls, he found a roll of bills—a total of \$400—on the inside of the pocket. The money has not been solved and no one has claimed the money.

Estimated Income Tax Deadline for Farmers

Detroit—Farmers who earned at least two-thirds of their 1968 gross income from farming operations should file their declaration of estimated Federal income tax including self-employment, for 1968 with the Internal Revenue Service Center, Cincinnati, O. 45228, on or before Wednesday, Jan. 15, 1969. Form 1040-ES should be used for his purpose.

However, A. M. Stoepler, District Director of Internal Revenue for Michigan, said that farmers do not have to file an estimate if they file their 1968 Federal income tax return and pay

all the tax due by Feb. 17, 1969. "Farmer's Tax Guide," (Publication 226), which furnishes information on this subject, may be obtained by dropping a postcard to your District Director, Internal Revenue Service, Detroit, 48226 from your county farm agent. Fishermen who expect to receive at least two-thirds of their gross income from fishing—may use estimates or Form 1040 in lieu of an estimate, on the same date prescribed for farmers.
