Spring Concert Slated Monday By CHS Bands

Chelsea High school Symphony Concert Bands will present a band concert Monday, May 12, at 8 p.m. in the Chelsea High school auditorium. The concert will feature Heidi Sprague as soloist. She will play Cecile Chaminade Concertino for flute, accompanied by a section of the concert band.

Other program items will include: "Amarita-Roca" (Spanish March) by Texidor; Finale from Kallinikov; Beguine for Band by Oasser by the Symphony Band, directed by D. Keith Lawson.

Other Symphony Band selections include Second Suite in F by Holst, March, Song Without Words, "I'll Love My Love," and Song of the Blacksmith. Highlights from The Music Man by Willson-Lang, and Stars and Stripes Forever by Sousa will complete the Symphony Band selections.

The Concert Band will play Bandology by Osterling, Jedermann by Whear, Courtly Festival arranged by Gordon, Music for a Cinema by O'Reilly and Drake Relays by King. The Concert Band will be directed by Stuart Glazer.

Donations will be taken to help finance trips to Interlochen for several students. Five band students are presently interested in studying there this summer. Other summer music programs are also available for students.

Kindergarten Round-Up at South School

Kindergarten Round-up will be at South Elementary school, May 16. Rural children parents are asked to come between 8:30 to approximately 10:30 and town children and parents from 1:30 to approximately 3:30.

Children will meet in any of kindergarten rooms (1, 3, or 5) where they will be supervised by a teacher and other staff members. Parents will be asked to complete enrollment forms, participate in a drawing and enjoy refreshments in the purpose room.

Parents who must leave early should arrive at the school at 8:30. It is not possible for parents to drop off children at the school by telephone or mail. However, parents should not call to the school on May 16, since it will be a busy day at school.

Children who are eligible for kindergarten in September, children must be 5 years old on or before Dec. 1, 1968. Birth certificates should be brought to the school.

Enrollment date and place for all pre-kindergartners in Chelsea School District.

Women Answer
to Calls in Week

Chelsea firemen answered two calls during the past week. An abandoned schoolhouse on Hadley, owned by Robert Ferguson, burned to the ground Thursday. Firemen could not determine the cause of the fire.

Chelsea firemen put out a grass fire at 1-94 near the railroad tracks.

Committees Named for Michigan Week

Michigan Week has been described by one of America's leading advertising agencies as "Michigan's biggest public relations program."

While the actual celebration covers eight days beginning the Saturday preceding the third Sunday in May every year, it is actually the climax of a year-long program in which thousands of Michigan citizens volunteer their time and effort for the betterment of their communities and state, the objectives of Michigan Week.

Back in 1953 a group of Michigan businessmen, industrialists, educators and others decided that something big should be done by all the people of Michigan to tell the nation and world about the assets, resources, advantages and opportunities here.

This group was first an advisory committee of the Michigan Economic Development Commission.

After recommending to the commission a citizen-state promotion program to be called Michigan Week, the group formed a non-profit association, Greater Michigan, Inc., to join the state government in sponsoring Michigan Week.

The first Michigan Week was held in 1954. Every year since then the program has been bigger and more successful in carrying out the objectives, promoters believe.

Each day of Michigan Week has a special designation. Michigan Week activities in Chelsea begin with Spiritual Foundation Day, Sunday, May 18. Mrs. Kathleen Chapman is chairman of the day's events which will include a moment of thanksgiving to God for our privilege of religious freedom. Each church will discuss the historical background of their denomination in Michigan.

Our Government Day, Monday, May 19, will be headed by Arden Musbach. The day's activities will be highlighted by Mayor's Exchange with Hudson.

Tuesday, May 20, will be Our Heritage Day, planned by the Chelsea Woman's Club. There will be displays and exhibits in local store windows. The McKune Memorial Library will open its historical room to the public during the afternoon.

(Continued on page two)

CRITICALLY INJURED after noon Monday was 71-year-old Marjorie Mae Frymuth, 1129 S. Harris, Ypsilanti. Mrs. Frymuth drove from the Oak Grove Cemetery entrance into the path of an oncoming car and collided with several trees before her car was brought to a halt

by a large tree on Madison St. Chelsea Police Chief George Muranuck and Village Clerk Richard Harvey investigated and waited with Mrs. Frymuth (in driver's seat) for an ambulance which arrived approximately 25 minutes after being called.

Chelsea Lumber Showroom Space Being Increased

An addition now being constructed at Chelsea Lumber Co. will increase display showroom space from 1,700 to 4,000 square feet. The increased space will enable owner Robert Daniels to have more complete coverage of lines now handled and add new lines. Light fixtures, an extensive kitchen-cabinet-bathroom-vanity-section and more hardware items of building nature are some of the additions foreseen.

Construction should be completed by late summer.

Director Hired For Summer Rec Program

A Grass Lake fifth-grade teacher and artist, Paul D. Giever of Ann Arbor, has been appointed the new director of Chelsea Recreation Association.

Giever originally signed as an arts and crafts teacher for the summer program and filled the director's position when Tom Balistrere resigned to move away from Chelsea.

Giever, a fifth grade teacher at George Long Grass Lake Elementary school holds an art and education degree from Eastern Michigan University, where he received a bachelor's degree in January, 1969. He also attended El Camino Junior College, El Camino, Calif. He graduated from Ann Arbor High school in 1961.

He coached baseball, mostly little league, in Ann Arbor and California.

The summer recreation program schedule will be completed by next week, he reports. Included will be track, tennis, baseball, swimming and arts and crafts. The new director is also searching for someone to sponsor an outdoor summer dance.

Ypsilanti Woman Critically Injured Here in Auto Crash

A 71-year-old Ypsilanti woman remains in critical condition after an automobile accident on Madison near Oak Grove Cemetery Monday.

Marjorie Mae Frymuth, 1129 S. Harris St., Ypsilanti, is in the intensive care unit of St. Joseph Mercy Hospital with internal injuries, a fractured hip, injured shoulder and facial injuries, according to a brother, Dean Hepburn of Chelsea. One leg, fractured in four places, was amputated.

Mrs. Frymuth was driving out of Oak Grove Cemetery shortly after noon Monday when she made a left turn at Madison into the path of a vehicle traveling south on Madison. The car, driven by Katherine Eisele, 44, of 616 Flanders, struck the passenger door of Mrs. Frymuth's Rambler at an angle.

When the car driven by Mrs. Frymuth hit a tree to the right of the road, police believe her ankle might have been jammed down on the accelerator and injured. The car then shot across the road, careened off two trees and slammed head-on into a large tree between the left sidewalk and curb.

Police say two large stone posts at the Oak Grove entrance might have obstructed vision of one or both drivers. Mrs. Eisele was ticketed for failing to carry her driver's license with her.

Mrs. Frymuth remained in her car for a half hour before an ambulance arrived, since one had to be sent from I-94 and Zeeb Rd. The two Chelsea Superior Ambulance attendants were removing a body in another vehicle and were not available at the Superior ambulance in Chelsea.

Area Boy Scout Funds Drive Underway

The annual Boy Scout sustaining membership enrollment of the parents and friends of scouting is underway, according to Sylvester "Vet" Leonard of Milan, chairman for this year's enrollment in Iroquois District.

The annual scouting project is the method whereby opportunity is given to parents and friends of scouting, to assist directly in meeting the opportunity costs of the scouting program in the area.

A major part of the support comes from the United Fund and Community Chests, but part of it comes from sustaining members.

Last year the sustaining enrollment needs were included in the capital funds campaign. This was done in order to approach friends of scouting with one package covering both needs. This year the council is organizing only for its annual operating needs for 1969. Leonard stated that Iroquois District is divided into six communities.

School Electors Turn Down Funds Request

One-Third of All School Funds Eliminated By Only 724 Voters

Chelsea School District voters overwhelmingly defeated a school millage proposal that would have increased school taxes by 3.83 mills for the 1969-70 school year at the annual millage election Monday.

Final figures showed 441 yes votes, 724 no votes and 10 spoiled ballots. The voter turnout was the highest since 1,804 persons voted in the Aug. 8, 1968 balloting, when the millage request had been defeated twice and finally reduced by the Board of Education by one-half mill.

The board is now faced with a dilemma. It can pare down the budget and requested increase or hold another election for the same amount.

"The voters said no to one-third of the budget," according to Business Manager Fred Mills. "As it stands now, we're down to the 11.22 allocated millage from the county."

Voters were asked to renew the 7.65 mills voted last year plus an increase of 4.33 mills. However, a debt retirement fund reduction from 6 to 5.5 mills reduced the total increase to 3.83.

JC Auxiliary Coupon Drive Nears Goal

Chelsea Jaycee Auxiliary will be turning in nearly 18,000 Betty Crocker coupons collected in Chelsea plus 33,000 they counted for the Kidney Foundation on Friday at the annual State Jaycee Convention in Lansing.

Among those collected in Chelsea were generous contributions of 2,098 from St. Mary's church and 1,887 from the WSCS of the United Methodist church.

At a recent district meeting in Tecumseh Mrs. Lee Formicola, state auxiliary president, announced that 450,000 of the needed 600,000 coupons have been collected.

Members believe that the total will be near the required amount, or possibly exceed it, when a final count is made after the state convention.

The coupon campaign will continue until June, 1970. Canisters now in Dancer's, Chelsea Drug and Stop & Shop will remain there and all Betty Crocker coupons collected after May 10 will be turned in to the Michigan Jaycees later to help purchase another kidney machine.

Dates on the coupons do not make any difference. Betty Crocker has told the Jaycees that all coupons will be redeemed.

Persons needing further information should call Mrs. Robert Updegraff at 475-7481.

Mills said that the schools could not operate at the 1968-69 level next year with the same funds they had available at that time. Supply costs have increased and wages, which comprise 80 percent of the operating budget, will have to be increased.

He said the board hesitated to single-out one reason for the defeat, but mentioned the increased millage, recent disputes over resignation of a guidance counselor and recent criticism of board policies as three possible contributing factors.

School millage requests are often defeated in Chelsea School District. In 1968 the millage issue was passed in the first election, but no millage increase was requested. However, three elections each were needed to pass the 1966 and 1967 millages.

This election differs from others in the large number of negative votes—a cause of concern for the school board. School Board members say that Chelsea school would have to be stripped of all extras and offer only the minimum requirements if some extra millage is not approved. Michigan state law prohibits closing public schools for lack of funds, as has happened in other states. The amount voted down Monday would cut \$500,000 from the \$1.5 million budget.

Willow Run is the only other school district in the Intermediate School District to have held millage elections yet. The millage request was initially voted down by a 4-to-1 ratio. During the two months lapse between the first and second election, a citizen's committee worked to encourage voters to inform themselves and then vote—and the millage request passed by a comfortable margin.

This would be one way to help pass the millage, according to Mills. "We can't do it alone. We're going to need co-operation from citizens to pass the request."

School Board President Irwin said in a statement approved by the Board Monday night that they "... do not believe that only 411 people want to keep our schools turning out students who are well prepared for their futures."

The decision will be made at the next board meeting, May 19.

Open House Set at Fire Department

An open house at Chelsea Fire Department from 1 to 4 p.m. Saturday, will highlight "Fire Service Recognition Day."

Firemen will be available to explain operations of the department, show equipment to visitors and answer questions.

IT WASN'T DOGHATCH, but Daisy Mae and other were everywhere, as "everyone" reported in the last day of Sadie Hawkins at Chelsea High school Friday. Bare feet, tall, unsuspended and dotted figures above are, straw hats, ragged shirts, cut-offs and corn cob from left, Pat Gilbert, Debi Stoker, Tim Ortring, Gayne Winans and Lynn Ferguson.

Weatherwax Sets Record In Mile Run

The Chelsea High track team won another big relay meet Saturday knocking aside 12 other schools in Section IV of the All-Bion Relays.

75 schools competed in the six sections of the relays.

Chelsea scored 40 points to outdistance runner-up Battle Creek Harper Creek by six points. Harper Woods was third with 21 1/2 points, and Okemos fourth with 21.

Following the pattern set in the previous week's win at the Parkside Relays, Chelsea's individual strength played a key role as four firsts and three seconds were registered.

First-place winners were Doug Weatherwax in the mile run, winning in 4:38.9. He set a new school record in the process, breaking the old record of 4:40.5 held by Scott Smith since 1965. Mike McGinn won the 880-yard run in 2:02.6 and Rick Slane won the long jump with 20' 11", to tie the meet record. Slane also won the 220-yard dash in :23.5.

Walt Disney Movies Will Be Shown Friday By Recreation Dept.

An all-Walt Disney movie night Friday will feature all those favorite Disney cartoon characters in a half-hour of color cartoons, and a 90-minute feature-long movie, "The Sign of Zorro."

The program, sponsored by Chelsea Recreation Association, will begin at 7 p.m. in the Chelsea High school auditorium. A 50-cent donation will be taken.

This will be the last official act of Tom Balistrere, who resigned as Recreation Director in preparation for moving away from Chelsea this summer.

He encouraged parents to attend with their children. "It's an excellent movie for all ages."

CHELSEA NATURE CENTER SIGNS across from Beach Junior High school represent the efforts of a number of individuals. The redwood signs were designed by Pat Gilbert. Materials were donated by Chelsea Conservation Club and Finkbeiner Lumber Co. Richard Bareis, industrial arts teacher, constructed them, and Lawrence Lonsway, vocational agriculture instructor at Chelsea High school, and his students, installed them. Pictured are, kneeling from left, Paul Wenk, Ed Beeman, Walt Harry, standing from left, Lonsway, Wayne Stahl, Bob Koenigter, Rodney Service and Bareis.

Junior High Track Team Splits for Week

Chelsea junior track squad lost a close meet to Saline Monday, 58 1/2 to 50 1/2, and ran over Pinckney, 87-21, last Wednesday.

In the Saline meet, Steve Bergman "did an excellent job" in winning both high and low hurdles according to Coach Robert Pursel. He defeated Johnson of Saline, a trackman who downed him in both events in a previous meet. Bergman also took a third in the shot put. Tom Skittenhelm made a good showing by taking a third in shot put. Tom Skittenhelm won the 60-yard dash and anchored the 880 relay team to come from behind to victory. Bruce Gustafson won the pole vault, vaulting eight feet, and Chris Tompkins took three second places, in long jump, 75-yard dash and 220-yard dash.

In the Pinckney meet Chelsea took first in all 13 events. Double winners for Chelsea were Chris Tompkins in the long jump and 220, Steve Bergman in the high and low hurdles. Jeff Daniels won the high jump, Tom Skittenhelm won the 60-yard dash and Lee Ferguson won the 75-yard dash. Each of these three men ran on a winning relay team.

Other winners were Ron Gauss in the 100-yard dash and Bruce Gustafson in the pole vault, vaulting 8' 8", a "remarkable" height, according to the coach.

Jeff Daniels, Rod Salyer, John Mann and Tom Skittenhelm combined to win the 880 relay. Tim Lancaster, Dorer, Randy Norton and Lee Ferguson won the 440 relay.

Girl Scouts, Dads Picnic Sunday at Camp Linden

On Sunday, May 4, beautiful Camp Linden was introduced to some pretty distinguished people — Girl Scout Dads. Nature, frivolous lady that she is, was on her best behavior. The pines never smelled better and the birches were paper white in the warm sun. It was a great day for three-legged races, baseball and just plain rambling.

The tour began at the entrance on Hogan Rd. A caretaker's residence and garage will be built here. The troop houses in Units D and E will be winterized for year-round use. Each unit will house 32 girls and four staff members in ten 12' by 4' platform tents. Until a new dining hall is built the troop house in Unit A is used for dining. It is also winterized and used for year-round troop camping.

The shower house is used only during the summer resident camp. There is no roof over the shower room so the sun dries the floor. Laundry facilities for the staff are located here.

The "monkey bridge" is used by campers going into the wilderness zone and up to the old barn on the northern boundary of the camp. Beyond this point the camp will be kept in a wilderness-state for hiking and out-post camping.

The waterfront area includes a proposed boat house and shower house as well as swimming and boat launching areas. A small island was made by dredging the area between it and shore. Scouts with good swimming ability swim to the island and dive off it.

There is even a real tree house in a large oak built by a group of girl Scouts a few years ago.

Comments by the dads were enthusiastic. Most of them agreed that the 400-acre camp has great potential as a recreational paradise.

The biggest problem in Camp Linden's development is money. Lots of it is needed. Unless someone comes up with a "monkey's paw," wishing won't do any good. It has been estimated that it will take 30 years of selling Girl Scout cookies to supply the funds necessary to complete the camp. By that time most of the parents won't have any teeth left to eat them.

Men are needed on Camp Linden's financial program. They have a talent for coming up with money-making ideas. Girl Scout dads can help by coupling their natural talent with interest to make the Camp Linden dream come true for their daughters rather than granddaughters.

Chelsea dads who want to help may contact the leaders or Mrs. Jo Stevens at the Girl Scout Office, Box 417, Ypsilanti.

Beach Choir Competing in District Meet

Beach school Seventh and Eighth Grade Choir will participate in the Michigan School Vocal Association District II Choral Festival at Adams Junior High school, Dearborn, tomorrow.

The 62 choir members will leave Chelsea at 11 a.m. and return at approximately 3:30 p.m. The group will sing "Three Folk songs" by Brahms as a required selection, and "Some Sirrah," a madrigal by Weelkes.

In addition the choir will sight-read a selection they have not prepared. Evaluating will be by a group of educators and others in the field of music.

Chelsea will be judged together with a number of suburban Detroit schools. Most schools competing will have ninth grade students in their choirs, according to director Miss DiAnn L'Roy.

Chaperones will be Mrs. Eileen Boyer, Mrs. Gerald Giffin and Mrs. William Tite.

The University of Michigan Hospital is celebrating its centennial in 1969.

Head-on Crash Injures Five

A head-on collision at I-94 and M-52 at 8:20 a.m. Saturday resulted in injuries to four Manchester residents and a Westland woman.

Injured were Mrs. Arlo Rosie, 66, of Westland, driver of one vehicle; and Sherman Ray Price, 30; his wife, Rose, 22; daughter, Tina, 6; and son, Brian, 2; of Manchester.

Washtenaw county sheriff's deputies said the Price car exited from I-94 onto M-52 overpass to go south to Manchester and pulled out in front of the vehicle driven by Rosie.

All five persons were taken to University Hospital, Ann Arbor. Price is listed in good condition; Rosie is in critical condition with head injuries, broken right leg and leg and knee lacerations; Tina is in good condition with a broken leg and knee lacerations; Brian is with two broken legs and facial lacerations. Mrs. Rosie's condition is listed as fair.

Track Team Runs Over Lincoln, 94-24

(Continued from page one)

Doug Weatherwax, Mike Schnaidt and Mike McGinn.

Other vital points were picked up by Jim Boylan, fourth in shot put at 45' 4", Jim Wojcicki, fourth in the pole vault at 12', Larry Blackwell, first in pole vault, also at 12', and Ted Bennett, third in the 220-yard dash.

With two remaining events, Chelsea was trailing, but a one-three finish by Slane and Bennett in the 220-yard dash and a second-place finish by the mile relay team clinched the victory.

Last Thursday, the team ran their league dual meet record to 3-0 and their over-all record to 6-0 by running over Lincoln, 94-24. Lincoln's team, though out-manned in this contest, was made up largely of underclassmen and shows future promise, according to track coach Bert Kruse.

Placing for Chelsea were Jim Boylan, first in shot put with 44' 8", and Randy Seitz, third. In the pole vault, Jim Wojcicki finished first by clearing 11', with Larry Blackwell finished second.

Rick Slane was first in the long jump with 19' 11 1/2", with second and third taken by Mike Schnaidt and Jim Wojcicki. In the high jump Mike Bassett took first place with 5' 8", and Karsten Kargel was second.

John Lantis finished second in the two-mile run. Larry Gorton, Dave Porath, Ted Bennett and Mike Schnaidt finished the 800 relay in 1:35.3 to win. In the mile run, Doug Weatherwax finished first with a time of 4:49.8, followed by second-place George Cameron.

Larry Gorton won the 120-yard hurdles with 17.2, and Mike Bassett and Steve Ersten tied for second. Mike McGinn's 2:09 won the 800-yard run and Jim Wojcicki finished second. In the 440-yard run, Mike Schnaidt finished second and Dan Hoover took third.

Rick Slane finished first in the 100-yard dash with 10.5, followed by third-place Ted Bennett.

In the 180-yard hurdles, Larry Gorton finished first with 2:24, followed by Mike Bassett and Steve Ersten in second and third.

Ted Bennett won the 220-yard dash with 23.8, and Dave Porath finished third.

In the mile relay, John Hepburn, Mitchell Heard, Dan Hoover and Doug Weatherwax joined forces to win in 3:43.7.

The team will travel to South Lyon today for a conference-dual meet. Saturday they will enter the Michigan Center Relays for the first time. Field Event Relays will begin at 4 p.m. and running events at 7:30 p.m.

The dual meet next Tuesday, May 13, against Saline shapes up to be an important one since both teams are undefeated in league dual meet competition. This will be a home meet and will start at 4 p.m. Also coming up on the local track will be Class "B" and "D" Regionals on Saturday, May 17. Approximately 40 schools will take part.

PROCLAMATION

FIRE SERVICE RECOGNITION DAY SATURDAY, MAY 10, 1969

WHEREAS: The fire service of our Village performs many public services in addition to the suppression of fire, such as inspections, pre-fire planning, and furnishing speakers to various groups; and

WHEREAS: Today's fireman is a technically trained and highly skilled professional public servant;

NOW, THEREFORE, I, as President of the Village of Chelsea, do hereby proclaim Saturday, May 10, 1969, as Fire Service Recognition Day, and I urge all citizens to visit their nearest fire station and become acquainted with these men, their apparatus and equipment and the professional type service they provide today as contrasted with yesteryear.

Harold L. Pennington, Village President.

Parking Restrictions To Be Enforced on High School Drives

Effective June 1, the parking restrictions on the road entering the high school, and on the area around the flag-pole will be enforced and violators will be ticketed.

In addition, there will be restrictions set up on Book and Wendley Sts., in the near future. The Chelsea Police Department will enforce these restrictions.

Golf Team Places Second In Conference

Chelsea golf team completed league schedule with a 10-2 record, placing second in the 10-2 conference match behind Dexter by winning a dual match Monday and Tuesday at Pinckney Friday.

Monday, Chelsea sneaked a line, 178-179, and walloped Lyon at 237. Dave Conklin medalist at 40.

Pineckney defeated Chelsea 183-187, Friday. Bill Meyer, Pinckney had medalist honors 39.

Chelsea will face Stockton, a non-league match today, approximately 20 schools will be at Brighton May 16 for the regional meet.

There is also a league tournament for the Southeastern conference at Inverness Monday, 19. All schools in the conf will participate in the elim. meet.

Interlochen is the world's best center for training in the arts.

Boy Scout Drive . . .

(Continued from page one)

The chairman for Dexter is Dr. Norman Wilner and for Chelsea is Robert Barlow.

It was also stated that the number of boys served by the council continues to increase. There are now 5,964 boys registered in 187 Cub Scout, Boy Scout and Explorer Units, up from 5,584 boys in 170 units in the previous year.

Chelsea has one new unit, Boy Scout Troop 420, sponsored by the American Legion.

Old Photos Wanted For Michigan Week Display in Library

Those old photographs of former days in Chelsea that lie ignored in desk drawers throughout area homes can be put to good use during Michigan Week.

The Woman's Club of Chelsea, Heritage Day planners, are searching for pictures of old-time Chelsea for a display in McKune Memorial Library during Michigan Week.

Persons who have suitable photographs should drop them off, labeled with donor's name, at the library before May 18.

Photographs borrowed for the display will be returned in good condition.

Michigan's population is officially estimated as 8,600,000. It was 7,829,000 when the 1960 census was taken.

Youth Suffers Freak Injury in Phys Ed Class

A muscle in the leg of Chelsea High school freshman Mike Rossbach pulled a piece of bone from his hipbone while he was running during physical education at CHS.

The condition did not result from a fall or other accident during the class. The bone is expected to mend without a cast or traction.

He is expected to be out of school for several weeks.

Stand anywhere in Michigan and you are within 85 miles of one of the Great Lakes.

AGRICULTURE ACTION
by M.L. Voel

Smokescreen
Organized labor has its eyes on the farms of our state. Right now these farms are some what smokescreened, but they are becoming more and more obvious daily. They are in the union attempts to use the National Labor Relations Act and press to legitimate plantations under provisions of the National Labor Relations Act and they will be vulnerable to organizational tactics.

Michigan farmers are amazed at the actions of a congressman from our state—Rep. James O'Hara (9-12th District) as principal sponsor of a House bill to amend the Labor Act apply to farmers. He has ignored the fact that the NLRA was designed to fit industrial conditions. His apparent unconcern for the future of a labor-dominated agriculture is only topped by his unconcern for the impact the Act on consumer prices.

Under the Act, farmers would be uniquely vulnerable to labor attacks. Most other businessmen close down to sit out a strike, machinery or toy parts do not stop to rot the day they are processed in bins or baskets of tomatoes. Even a short strike in agriculture at harvest can bring farmers to their knees. A farm strike can mean a loss of a complete year of income and total loss of investment—often including borrowed money. Unions understand this all too well.

But consumers may not understand how such strikes or boycotts of strikes must at once be reflected in higher prices for food of lesser quality as farmers suffer from labor-caused delays or switch to machine harvest to bypass union blockade.

Not repugnant to farmers is the idea of a closed-shop contract negotiated under harvest-time conditions and then used to compel workers to join the union; to limit hours, slow down individual production or stop it as a penalty of union fines.

It is an extraordinary and powerful power—and deadly when it comes to a nation's food supply. Promoting this bill (and S-8, twin in the U. S. Senate), O'Hara says that it will be order where there is now disorder.

But the public must understand that the farmer already knows his order—or rather these orders, will come to agriculture directly from labor union headquarters.

Travel Information
Visitor Centers

Timing—The visitor count at travel information centers operated by the State Highway Commission is running well ahead of this year's record pace. Only 42,000 persons stopped at April 12, up 18,250 over a year ago. About 46 percent of the increase is attributed to opening of new Coldwater center in January, the balance to increases at eight other centers.

In 1968, 166,200 persons were stopped in 1968 and the 42,000 increase was reached May 6. In addition to Coldwater, the commission operates travel information centers at New Buffalo, Port Huron, Sault Ste. Marie, Port Huron, Monroe, Mackinac City and Ironwood.

Farm Pond Tour Slated Tuesday

Owners of farm ponds and those interested in building a farm pond are invited to attend a Farm Pond and Pond Management meeting Tuesday, May 13.

The tour will visit Meadow Woods Farm owned by Mrs. Cecelia Perency, 10789 Jordan Rd., three miles south of Saline. The tour will feature two ponds— one formed by an earth fill dam and the other a pit or dug pond.

Specialists from the Cooperative Extension Service, Michigan Department of Natural Resources and Soil Conservation Service will be available for consulting.

At 8 p.m., a meeting will be held at the Farm Council Activities Center located at Saline-Ann Arbor and Pleasant Lake Rds.

Many a life of the party is a washout at home.

Michigan Has Worst Traffic Toll on Record

Michigan experienced its worst traffic casualty year in 1968 with 2,298 persons killed and 180,413 injured in 305,495 accidents, final figures of the State Police traffic division show.

Deaths and injuries both hit their highest. Fatalities surpassed the old mark of 2,298 set in 1965. The injury total was 100 more than the previous record of 180,000 also in 1965.

The accident count was second highest on record, being only 5,108 more than the high of 310,598 set in 1965.

Compared with 1967, the 1968 statistics showed increases of almost 12 percent in deaths, six percent in injuries and just over two percent in accidents. There were 177 persons killed and 181,297 injured in 299,004 accidents in 1967.

The death toll last year was the highest in a row—and the eighth year record-keeping began in 1933 to pass the 2,000 mark in Michigan.

The economic loss from traffic accidents was estimated at \$465 million, an increase of 12 percent over \$415 million in 1967.

PROTESTERS: Approximately 300 "protesting" students seized control of Beach Junior High school property Friday. The students, protesting littered outdoor lab and school grounds, "demonstrated" that they were willing to help clean up by donating their activity period Friday to the campaign, headed by the Junior High Conservation Club. Workers, pictured above with assorted objects collected during the clean-up period, are, from left, David Bauer, Mark Balze, Stephen Straub, Paul Brown, Joe Lantis, Gloria Fish, Janis Bliseman, Cathy Crouch, Mark Stapish and Dale Koch.

School Board Briefs

At a Board of Education meeting May 5, present were Irwin, Lancaster, Powers, Hopkins, Lewis and Koenn, Superintendent Cameron, Business Manager Mills, Principals Lane, Wojcicki, Benedict and Conklin and Assistant Principal Galbreath. Guests included Alice Steinbach and Darrell K. Larson.

The meeting was called to order by president Irwin at 8:10 p.m. Minutes of the April 21 meeting were approved as read. Treasurer's report was approved as presented.

A motion by Hopkins supported by Lancaster to pay general fund bills of \$1,835.99 received all ayes.

A motion by Powers—supported by Lewis to retain the firm of Iceerman, Johnson & Hoffman, certified public accountants, to audit the school district books for 1968-69, received all ayes.

Motion by Lewis, supported by Powers to recess the board meeting at 8:45 p.m. and reconvene in the large group instruction room of the Beach school received all ayes. Motion by Lewis, supported by Koenn, to certify the results of the special millage election of 11 mills and 7 1/2 mills and 10 spooled ballots. All ayes.

Motion by Powers, supported by Lewis, to accept the resignation of Mrs. Nancy May effective June 11 received all ayes. Motion by Koenn, supported by Powers, to accept the resignation of Miss Betty Danmiller effective May 2. Ayes: Lancaster, Powers, Koenn, Hopkins, Irwin; abstained: Lewis.

Conklin presented a report on the shared facilities program with recommendations for 1968-70. Action was tabled on these recommendations.

Motion by Koenn, supported by Lewis, to go into executive session at 10:00 p.m. received all ayes. Meeting was called back to order at 11:25 p.m.

Motion by Koenn, supported by Lewis, to support the statement of board President Irwin received all ayes.

In Monday's school millage election, the people of Chelsea school District voted against the 7.85 millage from the 1968-69 school year when they voted down the 11.98 mills, it was pointed out by School Board President Don Irwin.

"This means that at least \$500,000 must be cut from approximately one and one-half million dollars—a one-third reduction."

"Another possibility would be to hold another election for the same amount, because we do not believe that only 411 people want to keep out schools turning out students who are well prepared for their futures, said President Irwin.

"The decision will be made at the next board meeting, May 19, whether to accept the mandate and cut the budget by one-third."

Meeting adjourned at 11:30 p.m.

WAXED FLOORS

You can prolong the new appearance of a just-finished floor with a coat of wax. The wax protection will last as long as the wax finish is intact. The floor should have at least two coats of wax—but if you use a liquid wax, you have to apply additional coats to build up an adequate film. Paste wax is best on a floor finished with shellac.

LET'S LOOK AT THE RECORDS BY LINDA NORRIS

One of the most versatile performers in the business today is that bundle of talent, Sammy Davis, Jr. Singer, dancer, mimic, comic—you name it, he can do it and he excels in all departments. His voice got little play, however, until his latest Reprise waxing, 'I've Gotta Be Me' in which he projects and outstanding voice in one of the most stirring songs of the day. No one could match Sammy's emotion and depth of feeling as he does a rousing rendition of a really great song from the Golden Rainbow, 'I've Gotta Be Me'. What's on the flip side? Who knows? Once you play the chart side you'll never turn it over anyway!

For soul fans, Harry Sonoda has come out with a new LP under the intriguing title, 'You Don't Need a Mind, Just Soul'. On side one, he does a fine job on such numbers as 'His Only You, As Long As I Have You, Pretty River, When Love Is Gone, Tell Me and I'll Cry If You Should Leave Me'. The flip side is equally as good and here you'll find 'Very Strange, I Don't Think I Care, Discover Love, Distant Winds, and the title song, 'You Don't Need a Mind, Just Soul'. It's an unusual experience.

Sir Adrian Boult has already recorded for Angel the crazy sounding post World War II Sixth Symphony of Ralph Vaughan Williams and now he conducts the New Philharmonia Orchestra in Williams' Symphony No. 3, a tranquil pastoral symphony dating from 122, an amazing study in contrast. With a wordless soprano solo in one movement, (Margaret Price), it invokes the utter peacefulness of the sheep-dotted English countryside.

Good Seeding Gets Higher Alfalfa Yields

(Note: This is the fourth in a series of five articles on improving alfalfa yields in Michigan.)

Alfalfa yields of five to seven tons annually are needed if the crops are to compete with corn on good land, according to Don Johnson, Washtenaw county extension agent. And these yields are attainable with the right kind of management.

Getting a good seeding is important and the agent suggests: (1) A well drained soil. (2) Soil pH of 6.8 or above, corrected by lime when necessary.

(3) Adequate fertilizer at seeding time, based on soil tests. This generally mean 400 lbs of 0-20-20 or 5-20-20 an acre. (4) Inoculated seed. (5) Band seeding followed by cultipacker or press wheels.

(6) Good care after seeding. Good care includes annual topdressing with 150 to 200 lbs of potassium, according to Johnson.

He said that research results have caused Michigan State University crop scientists to change their recommendations on fall cutting. With new varieties they find that cutting or grazing in September and early October does not damage the plant for production the following year.

The recommendation is to cut alfalfa anytime it has started to flower.

The law of the land is one thing and the judicial interpretation of it is another.

For And About Teenagers

THE WEEK'S LETTER:

"My problem is my size. I am 13 years old and small for my age. All my friends have boyfriends, but I don't. Boys think I'm cute, but they always say, 'If you were only taller.' This really bugs me. I try to dress older and think tall, but nothing helps. People who I just meet, even my friends say, 'You don't look like an 8th grader.' When they say this I could just cry. It really hurts. Please H-E-L-P."

OUR REPLY:

Being small is no handicap for a female, and the plain truth is that being of small stature becomes more of an asset as a woman grows older. The boys who say you should be taller are just

handing you an excuse. Forget about your size and develop your personality. There is plenty of time in your future for boyfriends. Don't try to think tall; you will never be tall. Remember that you are small and make the most of it. Remind those who comment that good things come in small packages; if they refer to your youthful appearance, tell them it is the result of "clean living and good eating habits." In other words, tell the world, "Sure, I'm small and I like it this way." You should. Many girls would like to have the "problem" of being small.

If you have a teen-age problem you want to have discussed or an observation to make, address your letter to "For and About Teen-Agers, Community and Business Press Service, in care of this newspaper."

Co-Op Nursery School Notes

Mothers of children in Chelsea Co-Op Nursery elected officers at their annual May meeting, May 1. Newly elected officers for the 1969-70 school year are Mrs. John Gunn, chairman, from Dexter; Mrs. Stephen Haydock, vice-chairman, Chelsea; Mrs. Harlan Van Bliaricum, secretary, Dexter; Mrs. Norman Thomas, treasurer, Chelsea; Mrs. Doug Stark, publicity, Chelsea; Mrs. David Martin, four-year membership, Chelsea; Mrs. Dennis Muir, three-year membership, Dexter.

Mrs. Marvin Taurianinen spoke to the group about speech development in the average child. She pointed out that physical environment, daily routine, health and dental care and motivation all play an important role in developing good speech habits.

Mrs. Taurianinen feels that a good nursery experience aids in speech development since children are taught to listen there, and listening is directly related to speech development. She said that stimulating experiences for the child should follow through by parental use of conversation.

She said problems could be detected early through nursery experience, which may prevent serious speech problems. Washenaw Health Department screens the youngsters for possible hearing defects by the use of an Audiometer.

Mrs. Taurianinen teaches speech correction in Plymouth schools.

Openings exist in all sessions for the 1969-70 school year. Call Mrs. Thomas Duncan, 475-7201; or Mrs. Douglas Stark, 475-2024.

ON SPACE STATION Cape Kennedy—A team of spaceport engineers is looking ahead to the day when America's first space station will fly in 1971. The rocket-turned-workshop will propel itself into orbit unmanned with an airlock tunnel and a docking unit attached where an Apollo spacecraft normally would be carried.

Michigan ranks fifth or higher in production of more than 20 major food crops, although ranking only 22nd in land area.

A good crop isn't any good if you can't pick it. You don't get paid for the corn you grow. Just the corn you pick. If you want a clean harvest, you'll have to clean up the rootworms first. With Bux® Ten Granular. Bux wipes out both resistant and non-resistant corn rootworms. It doesn't matter how early you plant. Bux will hold out until summer and knock out rootworms as they hatch. That way you can skip the second cultivator application. Because Bux keeps working. Even if it rains, your corn will stand tall. Straight up to picking time.

What's a funny place for a phone?

That depends a lot on your sense of humor. If splashing through the house to answer a telephone leaves you a little cold, then perhaps there is nothing funny about an extension telephone in the bathroom or dressing room. Extension telephones save steps and let you do your telephoning from where you are. Call your Michigan Bell Business Office or ask your telephone man. For as little as ninety-five cents a month (plus tax) you can have an extension telephone in any funny place you'd like.

Soil Conservation Practices Save Valuable Topsoil

This is the season when landowners are able to use many management practices which will assist with their soil and water conservation program.

Plow plant or minimum tillage practices are well suited for use in the Washtenaw County Soil Conservation District. The effectiveness of these practices has been demonstrated several times over in Michigan.

One major advantage they produce immediately is a decrease in the cost of field preparation. The soil and water saving effects will be readily noticed after heavy rains.

Ground that is left loose will soak up much more water than the packed condition left by conventional tillage methods. Water soaking into the soil is not rushing over the surface and carrying valuable soil and nutrients with it.

Local gardeners and home-owners are also reminded that they can use these same ground loosening techniques to save their soil. Planting gardens across the slope rather than up and down slopes can save many a washout.

The Soil Conservation office at 6101 Jackson Road, Ann Arbor, has a publication entitled, "Soil Conservation at Home." The booklet, available on request, includes many tips for city and suburban dwellers on the care and use of their land.

More and more of our land area in the county is being used for housing, roads and other development sites. We can thus expect these areas to contribute a "just share" of concern in the total soil and water conservation program in the county.

Any landowner who has a water or soil erosion problem will find the Washtenaw County Soil Conservation District and the local Soil Conservation Service representatives interested in finding a cure for the problem.

It's a smart idea to tag each water valve in the home, indicating its function.

Jumpers are smart with attractive blouses.

Sunday School Training Film Series Being Shown At Immanuel Church

A series of Sunday school training films is being shown this month at Immanuel Bible Church each Wednesday at 7:30 p.m.

The purpose of the series is to instruct present Sunday school personnel and enlist others to join them.

The series, which began April 30, will include: "Why Visitation Evangelism," May 14; "The Pupil," May 21; and "The Teacher's Spiritual Life," May 28.

All interested persons are invited to attend.

Most breads and cereals, including macaroni and noodles, are iron-fortified. But check the label to make sure you're buying an "enriched" product.

Faith in one's self is the foundation of success.

TROOP 420

There was an excellent turnout of fathers and boys May 3 for the paper drive. May 4 the troop planted pine trees at the American Legion, Post No. 31. The troop met Monday, May 5. Richard Seyfried instructed the troop in axe and knife safety. There was more discussion of the coming May 16-18 camping trip. The special neckerchiefs came. They that the troop is sponsored by the American Legion, Post 31. The neckerchief is yellow with blue printing, with a picture of a cannon and balls on it, representing the American Legion. Equipment check-list and parents permission blanks were handed out to the boys. Pointers were given on what to use on metal or wood tent stakes when driving them into the ground. The meeting was ended with the closing ceremony. Members noted that community co-operation was a key factor in the success of their paper drive.

Forghage™

HYBRID FORAGE SORGHUM gives what corn gives even when corn won't

Sound corn? You bet it is. Forghage is the best, most corn-like silage crop you can plant.

Yields up to 30 tons per acre with 3,000 to 5,000 pounds of grain. Carries 7-8% protein, is ready to harvest in 80-100 days, and has 15-17% sugar for extra palatability.

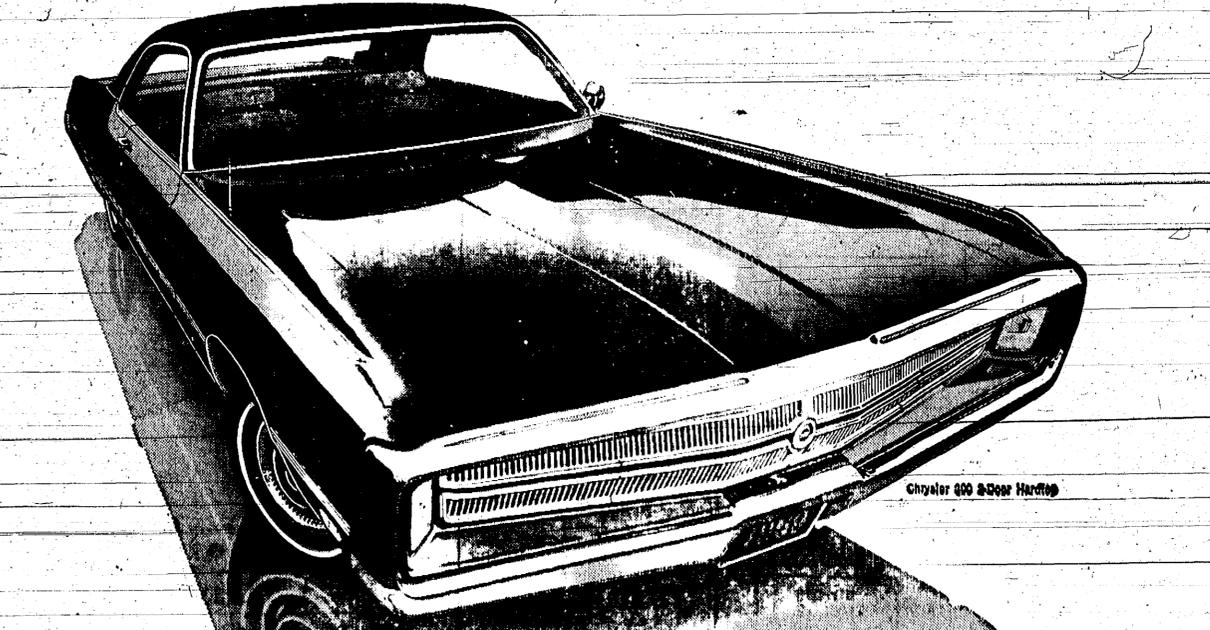

Great for marginal corn land, too! Forghage produces even when moisture is low, corn planting is delayed, or when corn stunt has taken its toll.

Michigan Dentists Honor Rep. Sharpe

Detroit—Rep. Thomas G. Sharpe (R-Howell) has received the Michigan Dental Association's 1966 Public Service Award for his efforts in behalf of good dental health. The presentation was made during the more than 4,000-member Association's four-day Annual Meeting in Detroit's Statler Hilton Hotel.

MDA members at the business session paid tribute to Rep. Sharpe for his leadership in the campaign to improve the dental health of Michigan's children. A Lansing woman, Mrs. Carl Heinowski, was similarly honored.

Dr. William E. Brown, MDA president, singled out Rep. Sharpe's influential role in fashioning the state-wide fluoridation law passed by the Michigan legislature in 1968.

Citing the lawmaker's "intensity and effectiveness," Dr. Brown added, "The beneficiaries of his efforts will be the children in those communities which initiate fluoridation as a result of Rep. Sharpe's diligence."

"THE GREEN TOMATO WORM," as it's called at the Methodist Home, is ready to transport a group of Chelsea Methodist Home Residents to Jackson for a weekly shopping trip Friday afternoon. The Checker Aerobus with air conditioning, power steering and power brakes, is described by the Rev. John Fall (holding door) as "the best driving vehicle I've ever used." The four-seat aerobus will hold comfortably 12 persons, including the driver, and a maximum of 15 persons. It is used for long shopping trips, excursions, concerts and other outings, and driven by the Rev. Fall, Kellie Allen or Carl Craft.

Spaulding Agency Needs Volunteer Help

Spaulding for Children needs volunteers to help as emergency babysitters and telephone receptionists.

There is an urgent need for women who can give an afternoon a week to answer the telephone at the farm.

Persons able to help on a regular basis or as a substitute should contact Mrs. Daniel Kella at 479-4001 and leave their name and telephone number.

Why is it that ladies are usually so impressed with other people, other clothes, and other husbands?

WESTMORELAND ON VIETNAM

Atlantic City, N.J.—Army Chief of Staff Gen. William C. Westmoreland has predicted the Communists will probably mount another offensive in Vietnam, but is confident the U.S. will crush it.

The former commander of U.S. Troops in Vietnam said it was important that the enemy has some to the conference table.

SUNDAY'S SERVICE

The Real You
Do you see the real you you look into the mirror start of each new day? Not.

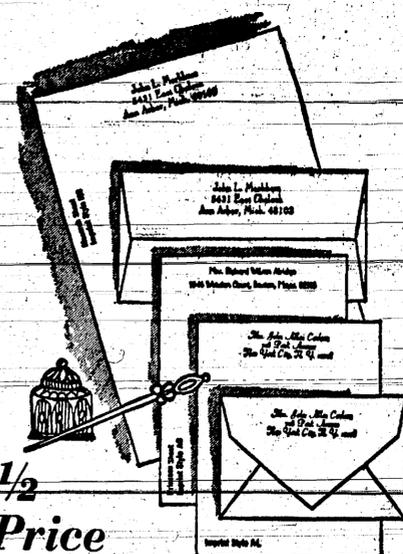

Do you see yourself as you are? Very unlikely. Because such is the human nature, we are all a bit of self-conceit. We often tell ourselves the truth is that we make ourselves that others do not. If we don't succeed, or if we have an "excuse" which is self-understandable.

We should always remember that it is easier to deceive ourselves than it is to deceive others. What we may consider a total failure by our friends, thing we might have a cause there was an other overlooked a proper job was clearly evident to else.

What is to be done? The real you is a real science is that one of the most difficult to achieve. Live your life in a way keeps conscience at rest be at peace with the rest of the world.

Spicer helps make Dana a growing force in agriculture.

Tractor clutches, agricultural shafts, universal joints, power take-offs: these are some of the Spicer® brand products from Dana that make an important contribution to the workaday needs of farmers.

There are 14 million tractors operating in the U.S. Besides Spicer products, many of them use piston rings and engine parts made by Dana's Perfect Circle divisions; sealing products from our Victor divisions.

When you consider that agriculture is just one part of the total transportation picture, and that Dana is

the world's largest independent supplier of transportation components, then you realize there is no limit to the growth possibilities of Dana.

Rebekah Lodge Hosts District

Chelsea Rebekah Lodge No. 180 was hostess to the 12th District Rebekah Lodges Saturday, May 3. Lodges from Parma, Springfield, Hanover, Vandercook Lake, Brooklyn, and two from Jackson joined Chelsea.

Members of Order of Eastern Star served the noon luncheon at the Masonic Temple.

Mrs. Carmen Johnston from Mead, president of the Assembly of Michigan, was the guest of honor, with Mrs. Lorena Knight, Inside Guardian from Grand Rapids.

The morning session was attended by 84 Rebekahs and more than 100 were counted at the afternoon session. District President Mrs. Ann Yoell of Chelsea presided over the meeting. Introductions and presentation of gifts were conducted by Chelsea.

Mrs. Jacques Beyer, vice-grand, read the address of welcome. The response was given by Mrs. Martha Farrell of Brooklyn. A prayer for peace was read by Mrs. Ruby Johnson of Jackson.

All members who died during the past year were remembered at a memorial service. Checks were presented to Mrs. Doris Warren, and the administrators of the Odd Fellow and Rebekah Home in Jackson. Funds had been collected in the various lodges during the past year for this purpose.

Entertainment included several songs and selections by Miss Linda Merkel and two readings by Mrs. Donovan Sweeney.

Elected to offices were Mrs. Farrell, from Brooklyn No. 473, as president; Mrs. Leone Hall, of Home City No. 228 in Jackson, as vice-president; Mrs. Ida R. Meyer, of Martha No. 2 of Jackson, as secretary; and Mrs. Frances Layman from Parma as treasurer.

Guests from outside the district came from Dexter, Tecumseh, Charlotte, Ypsilanti, Milan and Eaton Rapids.

25th ANNIVERSARY Mr. and Mrs. Vergil Hines celebrated their 25th wedding anniversary Sunday, May 4 with an open house at their home, 2594 Lozoffler.

The open house was given by their daughter and son-in-law, Susan and Rodney Craig, and daughter, Laura Ann Hines. 65 guests were present from Michigan Center, Tecumseh, Saline, Ann Arbor, Manchester and Chelsea. The couple received many gifts.

The correct way to hold a paint brush is to grasp the brush comfortably, near the base of the handle, and to hold it loosely. Do not exert only enough pressure to make the bristles flex slightly toward the tip.

Mrs. Art Steinaway

Mrs. A. Steinaway Elected New District JC Auxiliary V-President

Mrs. Arthur (Anne) Steinaway was unanimously elected Jaycee Auxiliary District 22 vice-president at the annual spring meeting April 29 in Tecumseh.

She was nominated for the position by Jean Hatt, Saline Auxiliary president for the position. Don Proctor, Chelsea Jaycee president, spoke in support of her nomination. She will assume her responsibility over the 11 local chapters in District 22, including Adrian, Ann Arbor, Chelsea, Dexter, Augusta Township, Saline, Tecumseh, Milan, Monroe, Hudson, and Ypsilanti, after installation at the state convention.

The Michigan Jaycee Auxiliary president, Lee Formicola, was the main speaker during the meeting. The two candidates for president and executive vice-president presented their goals, ideas and programs to acquaint MJA members who will be voting at state convention May 8 and 10.

Mrs. Carol Brechemin, District 22 vice-president presided over the district business. Vickie Reid, mental health co-ordinator, reported \$800 was presented to Ypsilanti State Hospital and \$268.81 was sent to the state placement fund. Connie Smith from Ypsilanti, Speak Up Jaycee winner, and runner-up Sandy Krouse of Adrian, presented their speeches on How MJA Trains and Educates Its Young Women.

Carol Brechemin then presented certificates and charms to the two winners. Winning the Outstanding Jayceette of the Year for District 22 was Mrs. Jerri Adair of Dexter. The travel trophy was presented to Dexter, and Chelsea was runner-up.

Mother-Daughter Banquet Held By Legion Auxiliary

The American Legion Auxiliary Mother and Daughter Banquet and monthly meeting was held May 6 at the Legion Home with approximately 50 present. After a delicious pot-luck dinner a program was held.

Gifts were given to the young-est grandmother present, Mrs. Laurine White; the youngest mother present, Mrs. Weber; mother with the oldest daughter present, Mrs. Blagom. Umland, mother of Mrs. Harry Burnett; oldest mother, Mrs. J. V. Burg; mother with most sons, Mrs. Robert Freysinger.

After the banquet the monthly meeting was held with 25 members and guests present. It was reported that the handkerchiefs were purchased and delivered with cards to the Veterans Hospital in Ann Arbor for Mothers' Day. They are for the men in the hospital to send to their loved ones.

It was announced that the next District meeting would be held at Ida June 8-11, will be preceded by a memorial service for departed members.

An interesting talk was given by special guest Doris Dabrow, second district president, regarding the work and aims of the auxiliary for this year. After her talk she was presented with a gift from the president, Mrs. Lyle Christwell.

Beta Sigma Phi Elects Officers

New officers of Beta Sigma Phi Chapter X, 3045 of Chelsea for the coming year will be Mrs. C. E. Snyder, 5840 Stoffer Rd., president; Mrs. Aldwyn Hayes, 5600 Stoffer Rd., vice-president; Mrs. Alfred Smith, 5529 Hanker Rd., recording secretary; Mrs. Ronald Kiel, 6000 Stoffer Rd., treasurer; Mrs. David Longworth, 2000 Stoffer Rd., extension officer.

Members met with eight chapters in Jackson April 28 in honor of Founder's Day, the 38th celebration of the founding of Beta Sigma Phi. 100 members were present and enjoyed an impressive ceremony and banquet at Schuler's restaurant.

The April 21 meeting was held at the home of Mrs. Hayes. Mrs. Hayes presented a program on "High Moments of Art," through the efforts of her daughter, Mrs. Daniel Meyer, of Orono, Mich. She visited the National Gallery of Art in Washington, D. C. and composed some highlights from artists such as Michelangelo, Davinci and Raphael. She sent slides, small print and booklets for members.

At a previous meeting April 7 two new members, Mrs. Smith and Mrs. Frederick Barkley, were given the "Ritual of Jewels," and Mrs. Richard McUmber gave their pledge training. The "Exemplar Degree" was presented to Mrs. Snyder for four years good standing and participation in regular chapter activities. The "Order of the Rose" was given to Mrs. Longworth for 15 years service.

GIRL SCOUTS TROOP 82

Girl Scout Troop 82 opened the April 30 meeting with a flag ceremony and 27 were present at the meeting.

We made Mother's Day presents for our mothers. We used macaroni, sea shells, glue, rice and gold spray paint. We had cookies and milk for our treat.

Dusan Fahrner, Vickie Walz, scribes.

BROWNIE TROOP 169

Brownie Troop 169 met Tuesday, May 6 at the Congregational church. 19 members and one guest, Judy O'Connor, attended.

We made plans for next week to have our mothers come and made cards with invitations and potscrubbers to put on the front. Some of the girls finished their nosebags.

Bonnie Boyer, scribe.

BROWNIE TROOP 145

Brownie Girl Scout Troop 145 met May 6. First we finished the pins we were making for Mother's Day. Some of us practiced our square knots and learned the clove hitch. We then opened our Brownie Ring with the flag ceremony. Marcia Prinzing and Denise Robbins took the dues and attendance. We sang the "Johnny Appleseed" grace and Dana Murphy passed cookies. We elected Laurie Werner treasurer and Penny Collingsworth assistant treasurer. Dana Murphy and Roberta Toon were elected scribes. We talked about the fun-in at Lindan. Seems everyone had fun on the monkey bridge they crossed on the hike around Linden. Karen liked the "smores" and square knot relays played with their dads. We closed with "tape" and "squeeze."

Penny Collingsworth, Laurie Werner, scribes.

TROOP 77

Girl Scout Group 77 met at the Penthouse and discussed plans for May activities. Scheduled are, May 13, roller skating at 8 p.m.; May 23-25, camping at Bear Archery; and May 27, horseback riding.

All dues must be paid before attending these activities. The Washington Trip report was made out.

Stockbridge Youth Arrested Saturday On Driving Charge

A Stockbridge youth arrested for reckless driving early Saturday morning by Chelsea police was found wanted for violation of probation by Ingham County Sheriff's Department.

Ray Prater, 19, of 4961 Milner Rd., Stockbridge was pursued to the corner of Old Manchester Rd. and Old US-12 at speeds up to 85 miles per hour by Chelsea patrolmen Sibert and Ringe. He failed to make the left turn onto northbound M-52 and slid onto the shoulder, narrowly missing a telephone pole. He was arrested and taken to the Washtenaw County Sheriff's Department.

The state police computer network, LEIN, showed that he was wanted by Ingham County Sheriff's Department for violation of probation.

Belts are very popular and multiple belts, even more so. Some of the women wear two or three belts around garments at the same time.

CUB SCOUT NEWS

DEN 13, PACK 435
Cub Scout Den 13, Pack 435 met at the home of Mrs. Art Steinaway Wednesday, April 30. We walked down to the creek and saw the frogs before we opened the meeting with a discussion of our pet show at the last Pack meeting. We began our Mother's Day gift by planting grass seeds in paper cups as part of the decoration. Mark furnished treats.
