Track Team Runs Away With Regional

Entire Team Gives Top Performance To Outdistance Field of 17 Schools

The Chelsea track team claimed their biggest victory of the year Saturday as they ran away with the State Regional III Class "B" trophy on the local track.

Chelsea shot off to a good start in the morning event when Larry Blackwell and Jim Wojcicki finished one-two in the pole vault for trophy on the local track.

Chelsea won the Class D Regional title in competition here with 59 points, far ahead of second place Detroit St. Agatha, 30; and Ypsilanti Roosevelt, 29.

The afternoon events started in good style when the 850 relay team of Larry Gorton, Jim Wojcicki, Ted Bennett and Mike Schnaidt won with a time of 1:34.4 to set a new varsity record.

The Chelsea win was attributed to all team members coming up with a top performance at the same time. As a result the team was able to win by a comfortable margin and nine Bulldogs qualified for the state meet Saturday in Ann Arbor.

The first three trackmen to finish in each event from each regional in Michigan qualified for Chelsea competition. Representing Chelsea will be Larry Blackwell and Jim Wojcicki in the pole vault.

Coach Bert Kruse said that it was a "great performance by a group of athletes who wanted to prove they were the best in the area."

The Chelsea High school choir, under the direction of DiAnn L'Roy, will present a concert at 8 p.m. May 25.

Officer Sibert Commended By Council

Chelsea patrolman Bruce Sibert was awarded a citation by the village council upon recommendation of police commissioner Steve Clark for work performed April 9.

High School Choir Concert Slated Sunday

The Chelsea High school choir, under the direction of DiAnn L'Roy, will present a concert at 8 p.m. May 25.

The citation reads in part, "Officer Sibert's alertness, good judgment and courage in this matter are in the best tradition of police work and are a credit to him and the department."

The question of who shall serve in the armed forces when not all persons must serve has been a troublesome one. For one person to be required to spend two years and perhaps risk his life, while another says home to begin a career, marriage and family is unfair. There is no completely "fair" way to draft men into military service.

The present Selective Service system is riddled with inequities and uncertainties. Two boys in exactly the same circumstances may be treated very differently by their draft boards. Some in which draft boards are efficient, such as Michigan, consistently draft more than their share of boys. Every year more than 100,000 boys are drafted for the state over a period of seven years—making it impossible for them to make national careers and educational plans. No man is secure in making commitments or plans in his future until his 24th birthday.

The President this week proposed a major change in the Selective Service system which would select those who are to serve in random order. All young men would be drafted at the age of 18 and will be vulnerable for the military only one year. Although deferments for college students will be continued, they will be placed in the prime age group immediately upon graduation. College will not provide a haven from military responsibility.

The order for call up will be determined on a national basis. The selection will be made on a random basis with every person bearing an equal chance for induction.

I was disappointed that the President did not include in his recommendations a program of national standards for deferment. I will strongly push for an amend-

to contribute to the rehabilitation of disabled veterans and to child welfare to make an offering.

The contributions are devoted entirely to these two projects and most contributions remain in the area in which they are made. The "Buddy Poppies" of the F.V.W. and the crepe paper of the American Legion are sold nationwide once a year to offer the average person to contribute to the welfare of men in uniform.

**Cities Department**

A proposal for a new department of state government to deal exclusively with the problems of Michigan's cities is gaining support in the legislature and may get Gov. William G. Milliken's nod.

Sen. Emil Lockwood, R-St. Louis, and Rep. J. Robert Traxler, D-Bay City, are sponsoring identical bills to create a state department of community affairs.

Milliken asked an advisory committee of legislative leaders recently to study the feasibility of such a department. Lockwood, as Senate majority leader, is a member of the unit.

An executive office aide said the Governor apparently anticipated no legislative action this year when he suggested the need for an urban affairs department in a message to the legislature.

However, the aide added, introduction of the Lockwood and Traxler bills means the "whole timetable might be pushed forward" by Milliken this year.

Under the Lockwood-Traxler plan, the proposed department would co-ordinate state and federal programs in such urban fields as housing, mass transportation, outdoor recreation, water resources, employment, poverty, and health services.

**Park Problems**

Continued bickering within Michigan's congressional delegation has resulted in an impasse over creation of Sleeping Bear Dunes National Park, a conservation consultant reports.

Douglas W. Scott of the Wilderness Society of Michigan said the differences of opinion concern ways of protecting private property in the Benzle-Lelanau area where the park would be located.

He urged the State Natural Resources Commission to petition President Nixon, Congressmen and cabinet members to support Michigan's Sen. Philip A. Hart's bill to create the 61,000-acre park along Lake Michigan in the northwest part of the state.

Scott said an intensive information campaign should be launched by the Department of Natural Resources to alert Michigan residents to the "great importance" of the issue.

Further action is vital, he said, because "with every passing day unplanned, uncontrolled development, rampant subdivisions of more cottages and summer homes, and honk-y-tonk encroachments are taking their toll."

Mrs. Virginia L. Prentice, chairman of the State Sierra Club, suggested the state donate the land to the federal government for park development.

Since purchasing the land "may be of more than usual significance" during this session of Congress, Michigan should show "good-faith" by making a gift of the Dunes area she said.

**Uncle Lew from Lima Says:**

DEAR MISTER EDITOR:  
 Zeke Grubb brung this newspaper clipping to the session at the country store Saturday night. It was a piece about this new Michigan law that says words like "jumbo pint" and "giant quart" can't be used on jugs, jars, bottles or cartons. The law, Zeke allowed, is saying there is only one kind of pint and quart, and they can't be more or less.

Zeke told the feller he was strong for the law, but he was worried cause folks in this country need that kind of law. We have got to the place where we can't say what we mean, Zeke allowed, so we use words that cover up what we say.

Fer instint, Zeke said, he had saw where the National School Public Relations Association was agin calling a youngun dumb, but say he "is capable of doing better." If a student is selfish, just say he "is old m shares with others." And if he lies, you explain to his ma and pa that he "has a tendency to stretch the truth." A youngun that cheats "depends on others to do his work."

Zeke said he is in favor of calling a spade a shovel. One of the big problems in this country, he allowed, is that the Government speaks one language and the people another. Some time back, this Government worker was fired cause the Federal Aviation Administration said he couldn't communicate. This feller just got his job back. The court ruled he hadn't been give a chance to learn how to communicate by taking the FAA writing course.

Zeke allowed he ain't heard any more about that feller, but he figgers he is somewhere writing in FAA to people that read Eng-

Chelsea high school is presently accredited for a two-year period and is visited by a representative of the Bureau on alternate years. The visitor for the Chelsea high school was Dr. Michael Pargment, who recently spent a day in our school. In his report to Superintendent Johnsen and the Board of Education, he indicated that he found the school operating in a satisfactory manner, and was impressed with the calibre of teachers. He added that a number of classes were too large, with 30 to 40 students in many.

Plans were made Tuesday evening to start remodeling the Municipal Building on E. Middle St. The Lydia I. Jones scholarship has been awarded to Wilma Schweinfurth for the coming year. This scholarship, based on participation in campus activities and on school ratings is awarded to two students each year. She will be a Junior at MSNC next year.

**HOME ECONOMICS TEACHER** Mrs. Katharine Reddeman was surprised with a gift of roses and carnations from two Home Economics III classes at "Our Spring Thing" dress revue and program Tuesday. Mrs. Reddeman hopes to make the revue an annual event. Pictured above are the winners of the wool outfit category for Home Economics II students, from left, Joan Stegenson, Denise Slusser, Retha Spees, Mrs. Reddeman, Anita Martin, Holly Powers and Jean Wenk. Approximately 125 persons, largely parents, gathered for the fashion show.

**BRIGHT COLORS** and cheerful patterns typified many of the Home Economics I students' cottonwear garments selected as winners at the Dress Revue Tuesday night. From left, Connie Orlovski, Sue Dirlam, Janet Sibley, Mary Nicholas, Pat Eisele, Barbara Duerr, Sherre Freeman and Jeanne Haselschwardt pose in their cotton dresses constructed in Home Economics classes this year. They were selected as winners on the basis of construction, fit, satisfactory color and design choice, and poise, personality and grooming of the girl.

### Sunday TV Feature Discusses Earthquakes, Seismologists

East Lansing—"Book Beat" offers a lively look at the literary world, premiering Sunday, May 25, at 2:30 p.m. on WMSB (Channel 10), Michigan State University television.

Series host is Robert Cromie, veteran reporter, college graduate and, currently, Chicago Tribune book editor. On the first telecast, he interviews British journalist Allstar Cooke about Cooke's essays, "Talk About America." Originally written for British readers, the topics covered in the book include McCarthyism, race relations and Robert Kennedy's assassination.

"Book Beat" has been called "easily the most civilized and by far the best of TV programs dealing with books." The widely acclaimed author-interview series has become virtually a must for the writers and readers of currently popular books.

Other WMSB highlights include:

**KENNEDY**—"NET Journal" presents a documentary, filmed by French photographer Andre Gazut, following "The Last Campaign of Robert Kennedy," Friday, May 30, at 7 p.m.

Exclusive films show Sen. Kennedy on his campaign in California, leading up to his moment of triumph at the Ambassador Hotel and culminating in the tragic shooting seconds later.

**SATIRE**—Twentieth century scientific detachment is the target of "Let Me Hear You Whisper," a tart comedy on "NET Playhouse," Sunday, May 25, at 11:30 p.m.

Helen, a lowly scrubwoman in a research laboratory, is the only person an experimental dolphin will talk to, even though the animal's stubbornness places its life in danger. Helen is determined to save her friend, but will she be able to defy the cold aloofness of the scientific establishment?

The dolphin's character is brought to life by puppeteer Bill Baird, who created the dolphin puppet and speaks its lines. Helen, the indomitable scrubwoman, is portrayed by Ruth White.

**EARTHQUAKES**—"Spectrum" examines a topic of current interest—the earthquake—on "The Trembling Earth," Sunday, May 25, at 4:30 p.m. and Tuesday, May 27, at 12:30 p.m.

In the wake of recent predictions prophesying California's imminent danger of sliding into the Pacific, the term "San Andreas fault" has frequently been used. "Spectrum" visits this area and the other major fault line in North America—the Denali in Alaska.

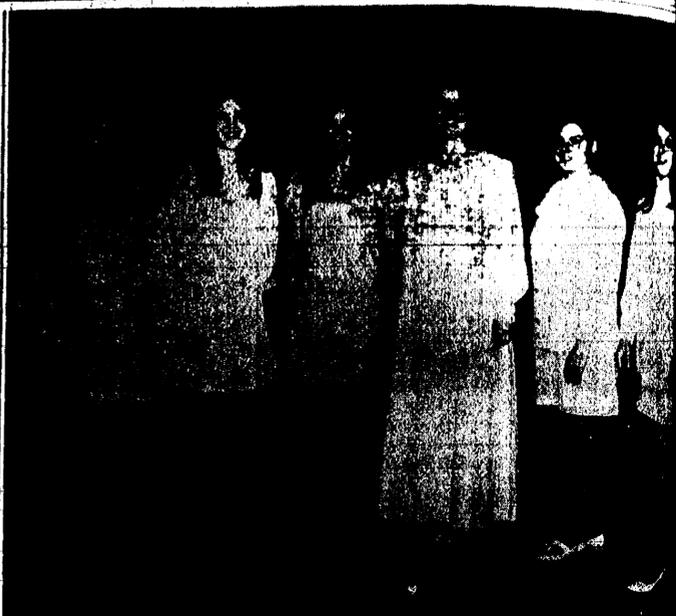

The work of seismologists, both in the field and in their electronically augmented observatories, is studied. At the Lamont Geological Observatory, Dr. Jack Oliver comments on the various seismic phenomena and the methods used to observe them.

**BALLET**—The Illinois Ballet, one of Chicago's outstanding ballet companies, appears on "Chicago Festival," Sunday, May 25, at 4 p.m. and Tuesday, May 27, at 12 noon.

Two original compositions written by the troupe's choreographer, Dom Orejudos, are performed. "The Stone Medusa" is drawn from the myths of Pygmalion and Medusa, and "Spanish Suite" and "Short" features a process of continually changing dance patterns.

**LAW ENFORCEMENT**—"PBL" presents its widely acclaimed portrait of big-city police operations, "Law and Order," Sunday, May 25, at 10 p.m.

The role of the policeman in our contemporary society is a subject of deep concern to many Americans. To shed light on an already heated topic, PBL com-

missioned lawyer-filmmaker Frederick Wiseman to compile a documentary program on the policeman and his job. Wiseman is well known for his documentary film on conditions in a Massachusetts hospital for the criminally insane, a film which has been banned throughout that state.

"Law and Order" is the result of 250 hours of riding in patrol cars, covering the toughest part of Kansas City, Mo. The portrait of the cop is not the only picture painted; the people with whom he deals also are vividly sketched.

New York City, Los Angeles and Baltimore refused to allow their police forces to participate in the film.

**HARDIN ON FOOD MONEY**—Secretary of Agriculture Ford M. Hardin stated hopes it will be possible to more funds for the food program to feed hungry cans in the year ahead. Stamp authorization in film which begins next July 1, million.

**USE RIGHT PAINT BRUSH**  
The right brush is as important as the right paint when redecorating. When antiquing, a wide, flat brush is perfect for applying the undercoat and toner. Just use long, smooth strokes and brush with the grain of the wood. In this way, you will be sure of covering the surface evenly.

**U.S.—SOVIET CONSULATE**  
The State Department has reported preliminary discussions about the possible opening of a U.S. consulate in the Soviet Union and a Russian consulate in this country. The two countries signed a consular convention June 1, 1964. It was ratified by the U.S. in 1967 and Russia in 1968.

**CHIROPRACTIC ADJUSTMENTS HAVE SOOTHING EFFECT ON NERVOUS TENSION**

The sale of tranquilizer drugs has become very big business. It is evident from this that the effects great many people desire. There must be a reason for this. Possibly the high speed of our modern way of produced from the drugs used is something that a life plays a part in producing nervous tension.

It has been found through Chiropactic research that pressure upon certain groups of nerves produces muscle contraction (tension) and through chiropactic adjustments the pressure is relieved with a soothing and tranquillizing effect.

Scoutmaster Paul Garman and three Boy Scouts of Troop 425 were inducted into the Order of Arrow, Boy Scout Honor Camping Society, at tap-out ceremonies Saturday night at the Inquois District Spring Camporee at Crooked Lake in the Pinckney Recreation Area. The three Boy Scouts so honored are Jeff Marshall, Jon Schenk and Bill Harrison.

Activities at the camporee which began Friday night and ended Sunday morning included obstacle courses and demonstrating skills.

Fourteen Boy Scouts of Troop 425 attended the week-end event.

**TROOP 420**  
Boy Scout Troop 420 met Monday, May 12. They finished discussing the needs for the camping trip, on May 16, 17 and 18. They also received the "Keep America Beautiful" note stationary cards. Each boy received a box of 10 to sell. Monday, May 19 the camping trip turned out well. Seven fathers and 20 boys showed up for the trip. The troop won a blue ribbon and the patrols each won a second place ribbon. At the meeting the boys worked on their second class and Charles Foytik received his second class badge. The meeting was closed with a song.

Mr. and Mrs. Schuyler M. Strong

Dianne S. French, Schuyler Strong Are Wed at Salem Grove Church

Diane Sue French and Schuyler M. Strong exchanged wedding vows May 17 at Salem Grove United Methodist church, Grass Lake. The Rev. George Nevin heard the vows of the daughter of Mr. and Mrs. Leonard J. French, 402 Wilkinson St., and the son of Mr. and Mrs. Robert C. Strong, Sarniole, Okla.

Mrs. Doris Dawkins provided organ music. The bride wore a white floor-length gown with nylon taffeta skirt accented with net and sequins and a lace bodice. A detachable chapel train and lace and pearl headpiece holding a fingertip veil completed her costume. She carried a bridal bouquet of white daisy poms and white streamers, with a white orchid corsage set in the center.

Today the Washtenaw County Health Department completes vision screening and hearing tests at the Nursery. The flower and vegetable seeds which were planted recently are growing nicely and the children are discussing how seeds become plants and flowers.

Older Adult Group Sees Travel Pictures Of Western States

Older Adult Group of the Methodist church, with members of the XYZ's of St. Paul church as guests, held the May meeting Saturday in the church social center. There were 52 present for the pot-luck dinner and program.

Members of both groups whose birthdays occur during the month were honored and a special birthday cake was served. Table decorations were in pastel pink, blue, yellow and green with a pink geranium plant centering each table.

The Rev. Robert Worgess and the opening devotional service was presented by Mrs. Lyman Adams on the topic, "Nowhere to Look but to God." The service included group singing with Mrs. Worgess as piano accompanist.

At the regular meeting yesterday, May 22, Cub Scouts began work on Father's Day gifts. Their project for the first two meetings was making Mother's Day gifts—planters made from plastic containers and painted gold, containing a small plant.

### WCC Surveying Area for Interest In Local Classes

Washtenaw Community College is conducting a survey by mail to determine what interest Chelsea, Manchester and Dexter area residents have in the college providing courses in the area.

The random survey was designed to determine how specific interests are and what fields would be most appropriate. Questionnaires were mailed out two weeks ago, and collect officials expect to have the results analyzed in June. If sufficient interest is found, WCC will prepare to offer courses here in fall, 1969, according to David Pollock, Dean of Special Projects for WCC.

The courses would be regular college courses with the same credits as those earned on the central campus. If interest is discovered in a subject not offered at present, that would be provided if possible. Although courses would probably meet at night, a day course could be arranged for an interested group.

Fifteen persons enrolled in the evening psychology course offered here by WCC this year.

TOP AWARD at the Iroquois District Spring Camporee was claimed by Chelsea Boy Scout Troop 476. The event was held May 16 to 18 at Crooked Lake State Park. The President's Award for outstanding ability in scoutcraft and scout skills was given to Troop Senior Patrol Leader Jeff Daniels by the district camping chairman, James Branham. Members of the troop, sponsored by Chelsea Kiwanis Club, are, front, left to right, Steve Schanz, assistant senior patrol leader Lee Hafner, Don Oesterle, Steve Bowen, assistant patrol leader Tony Hafner and Tom Forner; second row, from left, patrol leader Peter Stahl, patrol leader Dennis Cosgrove, Doug Kalmbach, patrol leader Bill Kalmbach, patrol leader Tom Hepburn, Roger Policht, and Robert Daniels; top row, from left, junior assistant scoutmaster Bill Hafner, Jim Wenzel, senior patrol leader Jeff Daniels, troop scribe Bob Heydlauff, junior assistant scoutmaster Dave Heydlauff, assistant patrol leader Steve Worden, junior assistant scoutmaster Lloyd Hafner, Ron Kiel, scoutmaster Bud Hafner, assistant scoutmaster Vern Hillte. At the District Campfire Saturday night, Order of the Arrow tap-outs were Jim Wenzel, Tom Hepburn, Bill Kalmbach, Steve Worden and assistant scoutmaster Leo Hafner.

### Recreation Program Has Some Changes

The 1969 Chelsea summer recreation program will show several changes from the program offered last summer, according to tentative plans described by Director Paul D. Giever.

An outdoor teen dance will be added to the schedule of events. The dance will be at the Chelsea High school parking lot and feature a live band, probably local talent. If response to the dance is sufficient, three additional ones will be planned.

There is a possibility that an all-star game for little league players will be held at the end of the baseball program, where the champion team will play all-stars.

All arts and crafts will be at the junior high school, rather than at North and South schools as they have been previously. This will enable the two teachers and two assistants to supervise and instruct the entire group taking arts and crafts.

A junior olympics might provide a finale to the program at the end of the summer.

Other plans show continuation of former programs. Tennis and instructional swimming will be held Monday mornings, with afternoons for recreational swimming. One payment of 30 cents each day will cover morning and afternoon swimming. Monday night Babe Ruth teams will play both home and away. On Monday and Wednesday evenings adult fast ball softball will be held. Tuesday mornings baseball instruction will be offered for 11 to 13 year old boys at Chelsea High school. Six Little League teams will play Tuesday and Thursday evenings.

Wednesdays will offer the same activities as Mondays, except six T-Ball teams will also play. Tuesday and Thursday will be men's slow pitch softball in the evenings. Friday track for boys and girls ages 7-13 will replace baseball instruction.

The program will begin Monday, June 23. Final plans will be announced at a later date.

### William Brewer Home After Service in Vietnam

William Brewer, husband of the former Judy Bollinger, returned recently from an eight-month tour of duty in Vietnam. Naval Petty Officer Brewer was a Sea Bee with a mobile construction battalion. He and his wife will stay with their parents, Mr. and Mrs. Lee Bollinger and Mr. and Mrs. Clarence Brewer, until the end of May, when they will leave for San Juan, Puerto Rico for a three-year tour of duty.

### Parents Interested in Exchange Students Meet at High School

Chelsea High school students interested in having their family provide a home for next year's foreign exchange students met Tuesday with High School French teacher Mrs. Gail McKnight to hear more about the Youth for Understanding program.

Students who will be studying French next year will be eligible to be brother or sister to exchange students. Provisions will be similar to those for Claude Sportis, French student at Chelsea High school during the past year. Claude has been living with the Charles Cameron family as their "son" through Youth for Understanding.

Selection of host families will be made before the close of school.

### Personal Notes

Charles Bycraft, 421 McKinley, returned to St. Joseph Mercy Hospital, Ann Arbor, Sunday. He is in Room 610, bed 2.

Three of America's billion-dollar industrial corporations and 18 of its 100-million-dollar businesses are headquartered in Michigan.

### School Board Briefs

At a Board of Education meeting Monday, May 19, present were Irwin, Lancaster, Powers, Taylor, Lewis, Koenn, Hopkins, Superintendent Cameron, Business Manager Mills, Principals Lane, Conklin, Wojcicki, and Benedict. Many guests attended.

A motion by Taylor supported by Koenn to accept the resignation of Mrs. Helle White effective June 13 received all ayes.

A motion by Powers, supported by Hopkins, to recess the meeting at 10:40 p.m. and reconvene in the board of education room received all ayes. Meeting called back to order at 11:10 p.m.

Ayes: Powers, to pay general fund bills of \$7,978.43 received all ayes.

An extended discussion was held regarding the resubmission of the operational millage proposition.

A motion by Lancaster, supported by Taylor, to hold an operational millage election June 9 received all ayes. A motion by Koenn supported by Taylor to review the proposed budget and set a millage after the board had reviewed the budget. Ayes: Taylor, Koenn, Hopkins, and Powers; Nays: Lewis, Lancaster, and Irwin. Motion carried.

### Nature Center Work Bee Scheduled Sunday

The Chelsea Nature Center work bee originally scheduled for last Sunday has been rescheduled for Sunday, May 25.

The cancellation was caused by rain. Persons interested in contributing to the development of the center should meet at the Beach Junior High school parking lot between 1 and 1:30 p.m. Sunday. The only tools needed are power saws and manpower—others will be furnished.

Meeting was called to order at 8 p.m. by President Irwin. A motion by Powers supported by Hopkins to recess the board meeting at 8:04 p.m. and reconvene in the high school cafeteria, received all ayes.

Meeting called back to order at 8:10 p.m. Minutes of the May 5 meeting were approved as read. A motion by Lewis, supported by Powers, to pay general fund bills of \$7,978.43 received all ayes.

### Area Persons Will Appear on Drug Use Panel

"Drug Use and Abuse" will be discussed by Dean Martin Barr of Wayne State University's College of Pharmacy Wednesday for alumni and friends of WSU at a dinner meeting in the Ambassador Inn, Ann Arbor.

The event will include a 6:30 p.m. reception followed by a dinner.

This year alumni will hear about developments of the past year through a screen presentation introduced by Dr. Charles A. Lewis, Assistant Director of University Relations. Judge S. J. Eldon of the 15th District Court in Ann Arbor, is chairman of the event. The 15 other committee members include Leonard K. Stark, brother of Douglas H. Stark of Chelsea; and James Tryand of Loch Alpine.

### Conference Champions For Golf Te

Chelsea's third-place finish in the conference golf meet gave them enough points to the Southwestern Conference championship trophy for a second consecutive year.

Milan finished first, followed by Dundee, 368, 384, Sallie and Dexter fourth at 375, South Lake 417 and Psi-Lincoln 453.

Medalist for the meet Busch of Dundee edged medalist Dave Conklin, 82. Chelsea's 14-4 conference record and third-place finish helped to give them 28 points off Dexter's championship by one point.

Dave Conklin, Tom Dan Spaulding, Mike and Mike Powers represented sea Monday. Others who competed to the winning score Ned Blacklaw, Art Farley Powers and Jim Poertner. This was the final match year for the team.

### Personal Note

The father of N. H. Jerry B. Miles, 87, of 5100 Sun Rd., Ann Arbor, underwent surgery Monday night for appendicitis. He is expected to return home soon if no complications arise. He is in room 2 at St. Joseph Mercy Hospital, Ann Arbor.

Sunday guests at the home of Mr. and Mrs. Frederick were her mother, Mrs. C. Budres; sister-in-law, Mrs. S. Budres; sister-in-law, Mrs. Joseph B. Budres; sister-in-law, Mrs. J. McCullough and her daughter, Mary. The visitors are from Grand Rapids.

**Pollution Everywhere**  
Recently farmers were asked to go around and list the sources of pollution visible within their communities.  
A partial list of pollution sources listed from more than 700 Michigan communities: creek, river and roadside trash dumping; mosquito spraying into water by village, city and state departments; trash burners both for household industrial use; work done carelessly tapping oil and gas lines near areas of flow; water; improperly (shallow) constructed sewage systems in residential areas; city sewage and storm water.  
Oil and gas in a variety of forms were blamed for many pollution problems. Wrote one reporter, "Pollution of air and water in my area is caused by the dumping of many gallons of oil waste and by the sulphurous fumes and black smoke caused by oil and well burnoff." Many persons mentioned the use of high-salt as a major problem, including the observation that salt-snow was shoveled onto frozen lake beds.  
One person reported the illegal dumping of a well-hidden gravel pit and the dumping of septic tank materials by a commercial trucking company. Another told of the illegal disposal of offal on back road by a local butcher.  
The erosion of topsoil caused by highway and subdivision building projects was frequently mentioned with many reports of heavily eroded streams and dust-laden fields (grain and vegetables)—while open burning of rejected industrial rubber from one factory and paint from another, were other pollution sources listed.  
Many of those reporting cited industries by name, with almost every type of industry involved. A partial list includes paper mills, cement plants, chemical and plastic manufacturers, a color company, foundry, food processing factories, a pallet shop, a glass factory, sugar refinery and a glass plant.  
Serious as was the subject of the survey, one observation by an Eaton county farmer is too humorous to ignore. He asked to pinpoint sources of air pollution he wrote, "Air pollution—via radio and television networks . . ."

**James Bauer Gains Junior Membership in Holstein Association**  
James Bauer of Chelsea has gained the junior membership in the Holstein-Friesian Association of America. Nearly 18,800 members are now actively enrolled in the breed organization's program.  
To qualify, member candidates must be under 21 years of age and have successfully completed one year's work in a 4-H or vocational agriculture dairy project. Individual ownership of at least one registered Holstein is also required.  
Junior members of the national association are entitled to all privileges except voting. They may register and transfer their animals, at member rates and receive regular reports of breed and organization progress.  
Nearly 47,000 young Holstein breeders have participated in the program since its start in 1923.

NORTH ELEMENTARY SCHOOL NOTES

KINDERGARTEN—Teacher: Mrs. Packard. We had an exciting day Friday. Our chicks started to hatch in the morning and by the end of the day we had five tired chicks out. It was an exciting experience to see the chicks coming out. All but one egg hatched so we have 11 fluffy chicks. They change every 11 days we keep a daily record of how they are growing.

First Grade—Teacher: Mrs. Mullin. Reporters: Barb Schardin, Sue Schaffer, Michel Benedict. We planted beans and peas and lettuce and beets. We can see roots, leaves and the stems. They needed water and sun. There were 12 eggs and one didn't hatch. They looked wet and ugly when they hatched. Now they are fluffy and noisy. They need a lot of water and food, and they grow very fast.

Second Grade—Teacher: Mrs. Morgan. Carrie Lane brought her hula skirt and Hawaiian lei brought to her from Hawaii. Jenny Clark brought a very large pine cone from Oregon. We have had many lovely flowers brought in by Carrie Lane, Billy Haworth, Cindy Welshans and Kelly Hill. All of our written work is done in handwriting, getting ready for third grade.

Fourth Grade—Teacher: Mrs. McCullough. Reporters: Debbie Haworth, Dan Bucholz. For Mother's Day we made things out of clay like an ashtray and a ring holder for when your mothers do the dishes. Debbie Haworth, Rene-Papo, David Steinbach, Kim Brown all have a birthday in May. We are making a maze for our gerbils. Billy Edwards brought eight sparrows Thursday, June 3 at 7:30 we are going to the high school to sing, and we are going to have our parents come. Don Monson, Rene-Papo, Chris Bennett are going to be safety patrols May 26. Last week we had achievement tests and we didn't like them.

Fifth Grade—Teacher: Mrs. Graybill. Our class walked over to Beach school one day to work in the Nature Area. We cleaned around the overgreens that were planted last year. They should grow better. Then we spent one whole day at Beach school getting each ready for next year. We had a quiz and we followed his program all day. Friday we went to Greenfield Village. We saw how people of the past lived and worked. Besides all this we've been working on fractions, plants and the developing South.

Third Grade—Teacher: Mrs. Edmonds. Mrs. Edmonds' third grade class is taking Achievement Tests this week. We have to work hard to get all of our work done. In Social Studies we are studying about California. Mrs. Edmonds reads to us from a book she gets from the library and many of us are working on reports. In Science we are studying about fungus. We are molding bread, and orange and a potato. We have learned that some mushrooms are harmful, others you can eat. Judy O'Connor brought some fungi for us to see. Yesterday we talked about the parts of a flower. Mrs. Edmonds brought in a model for us to see.

Teacher: Mrs. Hirs. Our class went to the Chelsea Milling Co. We saw wheat being ground into flour. Most of us were fascinated by the machines which made the boxes and then filled them with the cake mixture. At the end of our tour we had refreshments and received two boxes of flour.

Teacher: Mrs. Heller. Reporters: Leisa Gulman and Kelly Kuylen. In history we are studying about forestry, mining and arid regions. We studied the developing South. They have a song called 'The Wee-wee', about a small beetle. It's long. It crossed the Rio Grande from Mexico into Texas and ate cotton and made farmers plant peanuts. This Friday the three fifth grades are going to Greenfield Village. We will see the laboratory of the famous Thomas Edison. We also will see sights of Steven Foster's home and other famous people. We went to the new junior high and had sixth grade kids for guides. Next fall the people who passed fifth grade will go into the cafeteria and register. Monday afternoon Mrs. Heller's class went to the Nature Center and cleaned around the trees while fourth grades planted last year.

Teacher: Mrs. Winkle. Reporters: Suzanne Morrison, Terri Krickbocker, Renee Schneider. Our special thanks to Mr. Craft for showing us his trees our science trip today. We are going to go to Greenfield Village Friday, May 16. Our class went to the Beach School, Thursday May 8. On "Mother's Day" we gave mothers marigolds which we planted in school. We have two other plant projects, one from Mrs. Sullivan, African Violets from Mrs. Kellerman. In math we are studying "Area and Perimeter." We measure our playground. And we came with more square feet than should have, but it helped us to understand area. In reading we are studying "The Royal Banquet." Some people in band are getting their instruments and are learning to play them. The band director Mr. Keith Lawson, Keith Jones had his trombone broken. Sherry Moore plays clarinet. Lynn Smith is playing flute. Anita Horst is going to play the flute. In Social Studies we are studying community and World War II, and some of the different countries in the world, such as the Soviet Union, Turkey, Bulgaria, and other countries in Europe. Also Wilson's plan for peace. In English we are writing different kinds of letters. Our pen-pals, we are now sending ourselves. Suzanne's pen-pal is Le Frith, Suzanne's is Ann Slight and Angela White is Ren-pen-pal. Miss Bauer, our music teacher is planning a concert for Tuesday, June 3, at the High School auditorium. It will be from 7:30 to 8:30 p.m. the fourth and fifth grades will be singing. Michigan leads the nation number of state parks and state campsites. Michigan has state parks, three national parks and more than 150 municipal campsites.

CHELSEA VILLAGE COUNCIL PROCEEDINGS

April 15, 1969 for the principal and interest due on the bonds sold for the addition to the Sewage Treatment Plant with no increase in the millage rates over 1968. Roll call: Yeas all. Motion carried.

Motion made. Motion by Chandler, seconded by Barr, that the Commission recommend to the Village Council approval of the plot plan of Mr. Clark Bushnell for a six unit apartment building on Wilkinson Street. The one stipulation is that the building be relocated on the lot so as to provide a rear lot of 25 feet. When this is done the plan then conforms to the requirements of Ordinance 55 as amended. Yeas all, motion carried.

RESOLUTION AUTHORIZING EXECUTION OF AGREEMENT WITH MICHIGAN STATE HIGHWAY DEPARTMENT FOR INSTALLATION AND LOCATION OF TWO SCHOOL FLASHING SIGNALS.

BE IT RESOLVED, AND IT IS HEREBY RESOLVED that the Village of Chelsea execute an Agreement with the Michigan Department of State Highway providing for the installation and maintenance of two (2) W-2-38 (SCHOOL CROSSING) signs with alternately flashing yellow beacons, one of which is to be located on M-52 north of Summit Street for southbound traffic and the other located south of Pierce Street for northbound traffic, the cost thereof to be born equally by the Village and the State Highway Department, the total cost being estimated at eleven hundred ten (\$1,110.00) dollars; the State Highway Commission to provide mechanical and routine maintenance and the Village of Chelsea to pay the entire cost of energy billings and the proposed charge for Michigan Bell Telephone lease line of five and 80/100 (\$5.80) dollars per month.

RESOLUTION FOR DESIGNATION OF STREET ADMINISTRATOR. Councilman Gorton offered the following resolution and moved its adoption.

Whereas, Section 13 (e) of Act 51, Public Acts of 1951 provides that each incorporated city and village to which funds are returned under the provisions of this section, that "the responsibility for all street improvement, maintenance and traffic operation work shall be co-ordinated by a single administrator to be designated by the governing body who shall be responsible for and shall represent the municipality in all transactions with the State Highway Commission pursuant to the provisions of this Act."

Therefore, be it resolved, that this Honorable Body designate Frederick Weber as the single Street administrator for the Village of Chelsea in all transactions with the State Highway Commission as provided in Section 13 of the Act.

### Track Team Outdistances Dexter, 68-50

Chelsea track team finished their dual meet season in style Tuesday as they outdistanced Dexter, 68-50. They closed the season with a 7-2 dual meet record and a 4-2 conference dual meet record.

The highlight of the meet was the breaking of the two mile record by Doug Weatherwax, who ran the event for the first time. His 10:35.1 snappd the old 10:49 record set by Larry Forath in 1967.

This meet was the final tune-up for the conference meet to be held Thursday at Dundee, and many Chelsea runners were shifted to events other than those they normally run to sharpen them up for the state meet.

The conference meet at Dundee Thursday begins at 1 p.m. with field events. The preliminaries in hurdles and dashes will begin at 2:30 and the final running events begin at 4 p.m. Chelsea will challenge Saline, South Lyon, Dundee, Lincoln, Milan and Dexter. If Chelsea can win the meet and Saline finishes fourth or worse Chelsea will win the title outright; if Chelsea wins and Saline finishes third the two will tie.

In the Tuesday meet, Jim Boyan finished first in shot put with 42' 8 1/2" and Kerry Kargel took third.

Larry Blacklaw's 12' pole vault took a first and Jim Wojcicki won third.

Karsten Kargel won the high jump by clearing 5' 9 1/2". The 880 relay team of Larry Gorton, Mark Collins, Dave Forath and Ted Bennett finished first with 1:36.7.

George Cameron won third in the mile; Mike Bassett won the high hurdles in :50.8; Larry Gorton was second.

John Hepburn won the 880-yard run in 2:10.9. Mike McGinn finished second in the 440-yard run. Schmaidt won the 100-yard dash in :10.2, followed by Ted Bennett with second. Larry Gorton ran the low hurdles in :20.6 and Mike Bassett was second. Ted Bennett won the 220 dash in :22.9 with Mike Schmaidt second.

**MILAN 6, CHELSEA 1**  
The only bright spot in the Milan game last Thursday was Craig Houle's beautiful homer hit across the street and between two houses. Milan "just put a few hits together with a few walks and Chelsea couldn't get back at them," according to the Coach. Chelsea 000-001-0-1 6 1 Milan 100-040-6 8 1 Wayne Walton, Craig Houle (4) Mike Harvey, Jeff Bust (6) Eugene Schultz, Les Pulver.

### Junior Champ Track Meet Set for May 28

Plans are now complete for the 1969 Chelsea Junior Champ track and field competition slated for 4 p.m. May 28 at the high school track.

The Jaycee-sponsored meet will feature 11 events for persons between the ages of 13 to 18. Local Junior Champ winners may qualify to participate in state competition Saturday, July 19 in Detroit.

Senior division boys' and girls' winners in the state meet will represent the Michigan Jaycees at the national track and field meet in Minneapolis, Minn., July 31 to Aug. 2. For additional information and entry forms contact assistant track coach Robert Pursel or junior champ chairman Glenn G. Weir, 509 Madison, or phone 475-7609.

### Thomas Thomson Wins Scholarship from Elks

Thomas Thomson received a \$75 savings bond as a second-place scholarship winner from the Lodge of Elks No. 325, Ann Arbor.

**IMPORTANT IN AGRICULTURE**  
Michigan has played an important role in the American agricultural success story. Increased farm efficiency combined with a progressive system of marketing, processing and merchandising have stocked the nation's dinner tables with a wider variety of nutritious food, and with the lowest food bills relative to income of any country at any time in history.

No matter how you cut Michigan's economic pie, agriculture represents a \$886 million dollar annual income to producers. The retail value of these products would be \$2 billion to \$2 1/2 billion.

### For And About Teenagers

**TEEN'S LETTER:**  
I have a problem I would like to ask you to help me with. I am a boy, 19, and I'm having trouble just trying to get a date. This bothers me a lot because all my friends are either going steady or married. Two of them are married. Anytime I take a date I always hope she is to be for me, but it never lasts that way. The girl gives me an excuse or says she has someone else. I know she doesn't. I don't know why this always happens. I do not consider myself aggressive. Also, when I get a date, I get into a friend who gives me a remark which makes me wonder what he is thinking. Sometimes I get strange remarks from my friends and I know they're so used to me staying home. Also, when there are parties and girls are invited to join, I usually am told the girls were at a party at a house and what a good time they had. Well now that I have a female problem, you say my friends are against it more? Also, what do I get around my problem?

### Baseball Team Recovers To Down Lincoln

Chelsea came back from a 6-1 loss May 15 to Milan to defeat Lincoln, 4-3 Tuesday. Led by Greg Stephens and Tim Colvia with two for three each and a triple by Craig Houle, Chelsea peaked away inning by inning to give Lincoln the defeat.

Gaken did a good job pitching, according to Coach Carl Genske, who sent Wayne Walton in as relief pitcher in the fifth inning to put out Lincoln's batting fire. Chelsea 1-1-0-10-4 9 4 Lincoln 000-030-0-8 3 2 Mike Gaken, Wayne Walton (5) Jeff Bust, Mike Harvey (6) Nick Roe, Terry Woods

**MILAN 6, CHELSEA 1**  
The only bright spot in the Milan game last Thursday was Craig Houle's beautiful homer hit across the street and between two houses. Milan "just put a few hits together with a few walks and Chelsea couldn't get back at them," according to the Coach. Chelsea 000-001-0-1 6 1 Milan 100-040-6 8 1 Wayne Walton, Craig Houle (4) Mike Harvey, Jeff Bust (6) Eugene Schultz, Les Pulver.

### Tennis Team Entering Regional Meet at Albion

Chelsea's 10-member tennis club will travel to Albion Friday and Saturday for the regional meet, a preliminary to the state meet at Kalamazoo June 6 and 7. Singles and doubles winners and runners-up will qualify for state competition. Team members are Tom, Steve, Mike and Mark Thomson, Steve Knickerbocker, Rick Dellinger, Mike Hergert, Lynn Houle and Dave Conklin. Terry Pokela acts as advisor. The team has won matches with Jackson Parkside and Albion and lost to Huron and Pioneer High schools in Ann Arbor.

OUTSTANDING SERVICE PLAQUES were presented to four men, including Don Holloway, right, at the Community Service Awards program in Saline Thursday. Holloway, District Chairman of the Portage Trails Council, was honored for his work with the Boy Scouts. Holloway devotes 40 to 50 hours a month to his Scout activities. He has served as a member of the executive board of the Council and as chairman for the Organizational and Extensions Committee before becoming District Chairman last month. He also serves as institutional representative for the Engineering Explorers Post at the Ford Motor Co. Saline plant, where he is a section supervisor in the manufacturing engineering department. Holloway, a Grass Lake resident, is pictured with John McDougall, general manager of General Parts Division.

Michigan has a larger variety of commercial tree species than any other state, and its forest product industries contribute over \$650 million annually to the Michigan economy.

Letters to the Editor To the Editor: A little on grooming. Yes, there is only a little grooming by you of the half-sex. Comb or cut what? Hair of course. Horses get better grooming than some of you. You have seen the victors and student demonstrators. Most are "long-hairs." They only tear down, and contribute little to society. Who pays for their damage and lack of class attendance? We the "squares" pay. It is time also to get rid of the hairy radicals in our schools. If the people who hire the half-sex don't know any better, it's time for the tax payers (squares) to get administrators in our educational systems who can hire instructors to teach our children to make a living, not tear down society. Only a few years ago, any male who affected the female long hair and kookie clothing was called a certain flower or other harsh names. In fact, these "odd balls" many times deserved the names. To us squares, the bill payers and workers, you of the long-haired hippy set symbolize the names (not used in mixed company) which were given to those odd balls. It is true a very few business people affect the hairy look. Nearly all entertainers do so. But I wonder if you hairy youngsters, and a few not so young, would like your fathers to go to work with mop tops or collar length or longer hair. Would you like to go to church with a hippy haired parent? Or don't long hairs go to church? I haven't seen many. Those that do come, don't usually come twice. Males, let's look masculine. Let the females wear long hair as most have always done. And then too, there are the females, most of whom are upholstered in the right places so that they don't have to expose their bodies to prove they are female. But with their short, short and some shorter skirts exposing knobby knees, fat thighs up to their garter-belts and above the tops of long stockings, some seem to want to prove conclusively that they are female. What next will be removed in the line of clothing? Young girls of pre-school age are expected to expose their round bottoms, but do our more mature females and even some of their mothers have to do the same? On beaches, vacation spots and night clubs you accept and even expect nearly bare female bodies. Some movies (restricted) also display bareness. Even well out sticks might be more modest. The street walkers are having a rough time competing with some of the "nice" female attire when they wish to make known their availability by their attire. An Upset Grandfather. To the Editor: On June 9, we will again vote to decide whether or not our young people are going to continue to receive the full benefits of our tax dollars toward a better education. After all, this is the wealthiest nation in the world, and the people of Washtenaw county have statistically one of the highest average annual incomes in the whole State of Michigan. Why then should our increase in millage be defeated? Could it be that the question of money is not the real problem? Considering the way everything else is going up and the fact that we are all experiencing more money for our services, why should we expect our school systems to operate efficiently without the same inevitable increases. I can't help but feel that the real defeating factor involved is method and attitude. No one likes to feel as if something is being put over on them, or that someone feels that they are better, or that they are being railroaded by threats or lack of intellectual understanding of the situation. This goes for young people as well. The day that some of the supposedly influential people of this town begin to have a sincere understanding of the majority, I believe the majority will reciprocate. Jerold R. Heller. Dear Editor: Food for thought on our school issue. We seem to have arrived at a cross-road and do not know whether we should go straight on or make a turn to the right, as I see it. Is everything we are teaching in school necessary? When the 3 R's were taught in school and the parents brought up the children, the crime wave in our youth was much less than it is now, even

BREAKING THE TAPE and a school record is the last member of the Chelsea mile relay team, Mike McGinn, at the Regional track meet Saturday. Team members Jim Wojcicki, Mike Schnaidt, Doug Weatherwax and McGinn finished in a record 3:32.3, to outdistance five other schools in this event and 16 other schools in the meet. Trailing far behind is the Coldwater runner who finished second. By this stage in the meet Chelsea was well on the way to clinching their overwhelming victory. McGinn is one of the Chelsea men who qualified for the state meet Saturday in Ann Arbor.

**You Are Invited . . . Yes, Urged To Attend**  
**PUBLIC MEETING**  
**MONDAY, MAY 26 - 8 P.M.**  
**CHELSEA HIGH SCHOOL AUDITORIUM**  
**To Discuss With Interested Citizens the Problem of Tax Millage**  
We understand your Board is faced with the loss of over a half million dollars in operating funds for next year as a result of the defeat of the 11.98 mill proposal several days ago.  
The question now seems to be: Where do we go from here . . . make another attempt or cut the program?  
We believe that you, as concerned parents and citizens of the community, will want to attend this meeting so that you fully understand what the choice means and what affect the latter course of action would have upon our school district.
