COMMUNITY FAIR OPENS NEXT WEDNESDAY

High School Starts 7-Period Day This Year

Due to the shortage of classrooms, students attending Chelsea High school, beginning Sept. 3, will be on a schedule different from last year's.

Chester High will run on a seven-period day this year, an increase from last year's six periods. The class periods will be 50 minutes in length and school hours have been increased 15 minutes overall.

First hour will start at 8:20 each day and school will close at 3:20 p.m. An activity period will be held each Tuesday afternoon, with the afternoon classes shortened to accommodate it. Each class will be shortened by 10 minutes.

School will be dismissed at 2:50 p.m. on Tuesday so that various clubs may hold their meetings before the busses arrive.

Students new to the district should register before the school term begins. They are asked to call the school office at 475-3461 to set up an appointment.

The first step in opening school will be the sale of textbooks and the renting of lockers on Aug. 28 and 29. Class schedules may be obtained at the book store on the same dates. Lock combinations will also be issued, and a deposit of 75 cents is required.

Juniors and seniors may buy their books on Thursday, Aug. 28, and the school requests that those students with last names beginning with the letters A through K come between 9 and 11:30 a.m. and those with last names beginning with letters L through Z come between 1 and 3:30 p.m. Ninth and tenth grade students will follow the same schedule on the following day, Friday, Aug. 29. (Continued on page three)

NEGOTIATORS: Thomas Nordberg, attorney for the Board of Education, Charles Cameron, superintendent of schools, and Leonard Solomon, Pat Wade, and Donald Young of the CEA met Tuesday evening, beginning at 7:30 p.m. to settle issues concerning the contract negotiations. The meeting ended at 8 a.m. Wednesday, with another scheduled for 2 p.m. the same afternoon.

DEADLINE DATE NEARS:

Contract Negotiations With Teachers Go On...and On...

Negotiations were resumed Tuesday evening between the Chelsea Education Association and the Board of Education at a meeting that began at 7:30 p.m. and ended at 8 a.m. the next morning.

There was not much settled, and a meeting was scheduled for yesterday afternoon at 2 p.m.

The chief issues are the same as before, primarily over non-economic matters, according to the CEA representatives.

"The non-economic issues are just as important, if not more important, than the question of salaries," said CEA negotiator Leonard Solomon.

This area includes teacher va-

cancies, promotions, and transfers, along with matters of professional days. The teachers are also holding for a one-year contract to replace the three-year contract that expired in June.

William Johnson, the state mediator requested by the Board, suggested that the two groups meet to discuss their problems, as it was not feasible that he be involved in the entire 127 issues that are being presented.

A mediator is usually called in when an impasse is reached over the final few issues being discussed. His purpose is to get the two groups together on each issue, consequently there would be no time for him to settle all present issues before the beginning of school.

According to Lawrence Lomax, President of the CEA, Chelsea is one of 230 schools in the state having problems with contract negotiations, and that the state mediator office is having to spread itself quite thin to handle all the situations.

When the CEA presented its original proposal the administration counter-proposed the expired contract with a few changes including a salary increase. The CEA is holding for a complete revision or a totally new contract involving other than the salary questions.

Solomon said that he intends to recommend that the teachers not go back to work without a complete agreement at the next teacher's meeting to be held next week.

New teachers will not meet with them until Aug. 28.

Further information on the negotiations should be available in next week's issue of The Standard.

All the candidates will ride in

the Wednesday night Kiddies Parade sponsored by the Kiwanis Club, and will be introduced on

Junior High Registration Now Underway

All students new to the Chelsea School district who will be attending the junior high school in the fall should register at Beach Junior High as soon as possible. Information is available at the school.

Classes will begin Wednesday, Sept. 3, and all Beach students are to report to the school cafeteria at 8:30 a.m.

Students in the 7th and 8th grades should pick up their schedules and buy their books before school starts. The schedule has been made up with 8th grade students buying books on Thursday, Aug. 28, from 9 to 11:30 a.m. and 1 to 3:30 p.m., and 7th grade students following the same schedule the following day.

Physical education lock fees and locker fees will be paid to teachers after school starts. The physical education lock fee will be \$1.50, \$1 of which is returned at the close of the year when the lock is returned.

New students will be required to pay locker fees of 25 cents per year. This means that new 8th grade students will pay 25 cents and new 7th grade students will pay 50 cents. All former Beach school students have already paid this fee.

Sixth grade students do not purchase textbooks, but pay a \$5 book rental fee. In addition 6th grade students have a \$1.50 physical education lock fee and a 75 cent hall locker fee. All 6th grade fees will be paid to teachers after school opens.

Junior High Band Rehearsals Slated

Chester's seventh and eighth grade band will march in the opening parade, the Kiddie Parade sponsored by the Kiwanis Club, of the Chelsea Community Fair.

The group will rehearse Monday, Tuesday, and Wednesday, Aug. 25, 26, and 27, from 9 to 10 a.m. in the junior high band room, and will meet Wednesday,

at 6 p.m. in front of the old junior high school, to form for the parade.

It is important that all members attend the rehearsals as music will be issued.

Uniforms for the Kiddie Parade will be white shirts, bermudas of any color, white socks and white tennis shoes.

Queen of Fair Title Sought By Eight Girls

Candidates Will Be Introduced for First Time Wednesday Evening

Eight lovely Chelsea girls will stage that night, as well as on represent different organizations in the Queen Pageant at the Chelsea Community Fair.

The girls are many different ages, and represent many different kinds of personalities and talents.

Representing the freshman class is 14-year-old Patricia Ball, who will sing for her talent presentation. The sophomore class will be represented by Karin Hume, 15 years old, who will model fashions for her presentation.

A piano solo will be presented by Jill Flintoff, 16-year-old candidate of the junior class. To round out the school candidates, Gall Mustre will represent the senior class with her acrobatic ballet. She is 17 years old.

Sixteen-year-old LuAnn Stricker will represent Chelsea's American Legion chapter, and will perform with a fiery baton for the talent show.

The Kiwanis Club has selected Jane Mann, 16 years old, who will perform a piano solo during the presentation.

The Terrific Trollers chapter of the 4-H Club is sponsoring 14-year-old Janet Wackenut, who will give a speech as her talent presentation. Finally is the Chelsea Jaycees candidate, Vickie Wilkerson. Vickie is 17 years old and will perform a baton in the talent show.

All the candidates will ride in the Wednesday night Kiddies Parade sponsored by the Kiwanis Club, and will be introduced on

Lubahns Launch Camp Site Project At Mullett Lake

Mr. and Mrs. Robert Tobin, 312 S. Main, were greeted as the first customers of the East Mullett Lake Camp owned and operated by Bill and Doris Lubahn.

The camp is located only seven miles from the famous Shrine at Indian River, and features water and electricity at each camp site, laundry and shower facilities, and a rustic recreation room.

There is fishing in nearby Mullett and Burt Lakes, and the entire area is surrounded by woods.

The Lubahns, former residents of Chelsea, say there are a few things left to be done, but they hope to be in tip-top shape in time for the winter sport and hunting season.

They have 110 campsites ready at the present, and 130 more under construction.

Mrs. Howard Park of Flint spent Thursday with her family, Mr. and Mrs. Elmer Winans.

Kiwanis Joggers Club Seeks Hardy Members

A Kiwanis Joggers Club has been formed. Members are required to have wills drawn up by Joggers Keusch or Badmacher without charge. If wills have been drawn up certification to that effect is to be filed with the Secretary.

Jogging shoes will be supplied by Jogger Foster at cost, but not guaranteed. Replacement at the regular retail price.

Jogging will begin at 9:30 a.m. Aug. 31, 1969. This will give the Catholic Joggers time to attend Mass. The meeting will be held in the basement of the Chelsea State Bank. Joggers will serve coffee and doughnuts which will be free to any Jogger opening a new account, otherwise, two doughnuts and a cup of coffee will cost 37 cents. On that day we will jog only three miles. On Labor Day the jogging will be across Mackinaw Bridge, transportation to be furnished by Joggers Palmer and Staffan.

Each Sunday the Joggers will meet at the same time and place and one mile will be added each Sunday until a total of 50 miles has been reached. Professional Jogger Jim Daniels will always be jogging along to give instructions. For some Joggers who may become tired, Jogger Lancaster will always be carrying a bottle of Geritol. If a Jogger should suffer a mild coronary he will be transported to the hospital of his choice by the Superior Ambulance Service at a cost of \$40.00. While Lou Burghardt will be a member of the club, he will be riding and if a Jogger suffers a fatal heart attack, he will take over and handle all arrangements and services at a discount of 25 percent.

If, after one year, only five Joggers remain, the Club will be disbanded and used Jogging shoes will be turned over to Jogger Foster (if living) for sale. The proceeds to be given to the Boy Scouts.

**U.S. Dumps
Wheat Treaty**

announcement that the United States has now joined a number of other countries in pulling from the controversial International Wheat Agreement, has brought to mind warnings by farm leaders that the treaty was an "unfair deal" for U.S. farmers.

The agreement called for grain trading nations of the free world to accept an agreed-upon "price for wheat and to limit their surplus to world market at this level."

U.S. farm leaders protested this higher pegged price did not necessarily mean more wheat income, as some but rather would prevent America's more competitive farmers from benefiting from their greater production at lower prices.

Just prior to ratification of the agreement by Congress over farmer protest, American Farm Bureau President Charles Shuman said: "If the U.S. attempts to maintain minimum export prices for wheat over world market levels, there is danger of losing competitive advantages and reducing our volume of exports. It is especially true if other exporting countries do not comply with the minimum price as scrupulously as does the United States."

Since then, as the farm leaders said, France, Australia, Canada and other free-world countries have dropped prices to undersell the United States, which until recently continued to abide by the treaty. Member Soviet Russia and other export countries of the Soviet Bloc, proceeding to compound the situation by also selling their wheat well below levels set by the agreement.

Under these conditions it soon became painfully obvious that the grain trade was largely shut off world markets and that a substantial surplus was building up.

Prior to the announcement that the U.S. would itself break the agreement (by lowering the wheat price of wheat 12% under the minimum agreed-upon rate), our at-home plus had glutted the market to the point where it recently set a national price of 9¢ per bushel, equal to the year-low set in 1942.

The obvious failure of the International Wheat Agreement is likely to add to the long list of failures by government to control and manage world markets for farm products.

All-Stars Top Champs from Both Leagues

The final adult softball league games were played Monday, with the slow and fast pitch champs playing against their league's All-Stars.

In the slow pitch and in fast pitch the All-Star team defeated the first-place team. The slow pitch All-Stars defeated St. Paul's by a score of 22 to 4—with the fast pitch All-Stars defeating the Pub team by a score of 5 to 1.

Winning pitcher in the slow pitch division was Harold Kunzelman of the Rockwell-Kunzelman team, losing pitcher was Bruce Galbraith of St. Paul's. The All-Stars had power for hitting, and were all at their best. Special mention goes to the fine playing of Tug Bowen of the Xerox team, and Harold Kunzelman. Chuck Barber did an outstanding job of coaching the All-Star team.

The winning pitcher in the fast pitch game was Bill Scribner of the Wonderland Lumber team, with help from his teammate L. Wackenbut from the Grohert & Dunlavy team, who pitched the last three innings. The entire All-Star team played well. The only run made by the Pub team was on an error due to a misjudged ball made by William Pidd from Wonderland Lumber.

Trophies for the winning teams were ordered by Ed Greenleaf of the Chelsea Lanes team.

The entire season has been a good one for the Chelsea adult leagues, and league director Robert Draper says that the success of the league is due to the many people who backed it and pitched in and help when it was needed, and those who worked during the entire season behind the scenes.

Credit for a job well done goes to the umpires, Tom Ball, Chuck Mattoff, and Tim Fredericks, and to the league scorekeepers Tom Ball, Danny Bohan, and Larry Sweet.

Draper has completed his second year as the league director, and the position is open for next year. Anyone interested should contact Don Proctor of the Chelsea Recreation Dept.

INVERNESS LADIES TOURNEY

The Ladies Match Play Handicap Tournament at Inverness Country Club ended this week with a winner and runner-up in Class A and B.

Winner in Class A was Alice McGinn, runner-up was Ruth Cook. Class B winner was Dorothy Miller, with Bea Wilde as runner-up.

Those who practice it less put the "rant" in tolerant.

Boy Scout Troop 465 Wins Top Honors in Camp Contest

Chester Boy Scout Troop 465 took first-place honors in the "Skill-O-Ree" held on the last day of their camping trip at Wright's Lake Scout Reservation Aug. 16.

The "Skill-O-Ree" involved nine skill areas in the base camp, plus three water carnival events. At the end of the afternoon Troop 465 won all skills, plus the water carnival.

The troop was awarded a miniature Apollo II Eagle Space Ship with a wooden base and the inscription reading "Wrights' 9, '68, Troop 465, 1st place."

Friday was the last day of the troop's summer camp period at Wright's Lake near Sears. The area is 630 acres of camping land now owned by the Portage Twp Council.

During their camping, Troop 465 cooked all of its meals out of doors in the patrol method of preparation.

Highlights of the week were seeing the National Inspection Team inspect the new camp, and entertaining about 150 neighbors who were invited to camp for a new item, "Neighbor's night at Wright's Lake," along with the "Skill-O-Ree."

Three men from this area are involved with the National Inspection Team. They are Rolly Spaulding, Harold "Bill" Baker, and Alvin Reinhart.

SCIENCE TOPICS

WHAT EFFECT expanding agriculture in certain areas of Africa has on primate animal societies is the subject of a year's on-location study by two University of Florida researchers who are spending the year in Kenya. Already evident is that the baboon adapts quickly to the new threat to his old ways. The baboon has "become an expert crop-raider," the researchers report.

Shrine Night Set Aug. 26 at Tiger Stadium

Detroit—The biggest show of the baseball season will highlight the sixth Shrine Night at Tiger Stadium Tuesday, Aug. 26, when the Tigers meet the Oakland Athletics in a twin-night doubleheader starting at 5:30 p.m.

A big turnout is expected to witness the twinbill and the spectacular between-games pageant presented by Moslem Temple's colorful marching units.

Proceeds from the game will help support Shrine hospitals across the United States, Canada, and Mexico. The hospitals are devoted largely to crippled children requiring orthopedic care and represent an investment of more than \$300,000,000 with an annual budget of some \$30,000,000.

The huge charitable undertaking is funded by such events as Shrine Night—along with the East-West football game and other similar benefits.

"Strong legs run, so that children may walk," is again the theme of Shrine Night, according to Murray Brown, illustrious post-tentate of Moslem Temple.

Dr. Russell M. Wright, chairman of Shrine Night, said all of Moslem Temple's nationally famous units will participate in the extravaganza. They include the 23-man Arab Patrol, 115-piece Brass Band, a host of clowns, the Cycle Patrol and the Arab Horse Patrol.

"A new group called the Americans—dressed as cowboys and Indians—will appear for the first time," Dr. Wright said, "complete with their covered wagon."

DANGEROUS DRUGS

The alertness of an Immigration Inspector and the determined search by a Treasury Customs Inspector resulted in the seizure at San Ysidro, Calif., of 325,000 prohibited drug tablets. Upon referral of a car arriving from Mexico to secondary inspection, 45 bags of pills were found in a special compartment under the floor mat and another 100,000 pills in a compartment in the engine section. The final total was 195,000 Seconal and 130,000 Amphetamine tablets.
