Varsity Cagers Storm Past Saline, 66-64

Chelsea Varsity basketball team broke a three-game losing streak as they picked up an important 66-64 victory over the Saline Hornets last Friday night, Feb. 20 at the Chelsea High gym.

The Chelsea cagers got off to a slow start, being outscored by seven points in the first half, and were behind at intermission for the fourth consecutive game.

Howie Treado played a fine game in the first half as he scored 12 points, going 6-8 from the line, and grabbing 16 rebounds, including a stretch when he pounded the boards for nine consecutive rebounds.

The Bulldogs came out with a full court press to start the second half and used it to perfection as they scored 24 points, causing Saline to commit costly turnovers.

The Chelsea diamond and press stopped the Hornets' offense cold, holding Saline to 13 points in the third period. Jim Wojcicki paced the offensive effort, scoring 12 points in the third stanza while Conklin and Hughes each tallied six.

CHS Madrigal Singers Rated As 'Superior'

Chelsea High school Madrigal Singers received a rating of "superior" at the District IV Solo and Ensemble Festival held at Wayne State University on Saturday, Feb. 21.

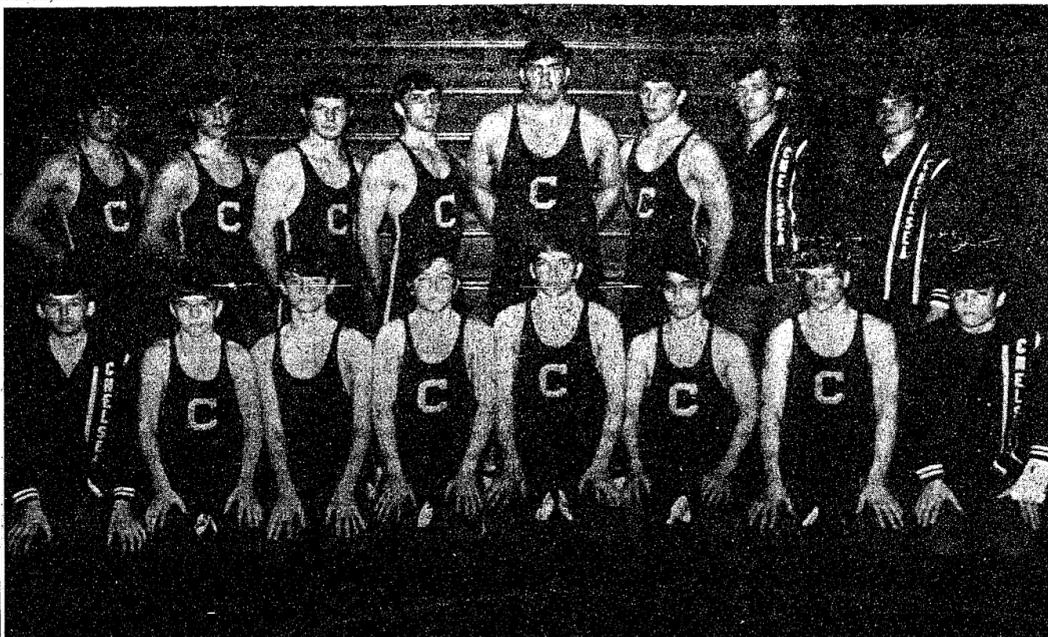

The group, which was one of several competing, received the rating despite the fact that two of its members, Randy Seitz and Mark Wright, were unable to attend. Members of the group competing are Chris Alber, Alfretha Harrison, Jackie McClain, Rita Spees, Caryn Thornton, Jill Flintoft, Pat Gilbert, Tina Ortring, Diane Schroen, Dave Hess, Tim Ortring, Keith Pfeifle, and Ed Wade.

"It was especially gratifying to see the fine performance turned in by the madrigal singers, in spite of the fact that two members were missing," commented Miss DiAnn L'Roy, vocal music director, who accompanied the group.

Judge Eileen Kelly of Edsel Ford High school commented that the group gave a "most sincere presentation. Congratulations to you and your fine director."

Miss L'Roy noted that Chris Alber received an "excellent" rating for her solo work as did Pat Gilbert and Tina Ortring for their duet. Jill Flintoft received a "good" rating. Miss L'Roy re-

"CLASS B DISTRICT WRESTLING CHAMPS" is the title awarded the Chelsea High school wrestling team, which edged out Tecumseh for the honor in Saturday's (Feb. 21) district tournament held at Chelsea. Seven Chelsea wrestlers have been placed in regional competition to be held Saturday, Feb. 28 at Chelsea High school. Standing from the left are varsity wrestlers Jerry Kuhl,

Bob Koengeter, Doug McDonald, Captain Tim Colvia, Dennis Brown, Karsten Kargel, Randy Seitz, and Gary Montange. Kneeling from left are varsity men Mike Robbins, Mark Montange, Jim Wencel, Captain Tom Tirb, Jim Poertner, Steve Eresten, Tom McKernan, and Larry Jones. The team is coached by Richard Bareis.

CHS Wrestlers Win District

Chelsea wrestlers put together a balanced performance Saturday, Feb. 21, to win the Class B District competition held at Chelsea and to place seven men in the regional competition slated for this Saturday, Feb. 28 at Chelsea High school.

Individual honors were first-place winners Jim Wencel at 107, Bob Koengeter at 145, Karsten Kargel at 185, and Dennis Brown at heavyweight. Second-place winners were Mark Montange at 98, Jim Poertner at 130, and Doug McDonald at 155.

All of these wrestlers will be in

the regional competition Saturday. In consolation, Tom McKernan finished fourth at 137 and Randy Seitz finished third at 175.

Total team scores ended up with Chelsea having 98 points, Tecumseh 92, Michigan Center 64, Jackson Northwest 53, Pinckney 36, Brooklyn Columbia Central 29, Blissfield 23, and Jackson Lumen Christi 11.

Chelsea and Tecumseh were very close all day with each team placing seven men in the finals. At the end of the first round Chelsea led by eight points and this was probably where Chelsea earned the margin of victory in that Chelsea won 10 of 11 matches, while Tecumseh won 9 of 12. Of these, Chelsea scored eight pins to Tecumseh's four.

Each team placed four men in consolation, in addition to the seven in the finals.

At the end of consolation finals Chelsea led by a score of 84 to 77. In the finals, each team was even, with four champions and three runners-up. Chelsea did get two pins to Tecumseh's one in the finals.

Coach Richard Bareis points out that the margin of victory was accomplished by Chelsea's being able to score points in all but one weight class, while Tecumseh was shut out in three classes. This gave Chelsea a two-match edge.

Jaycees Win Three Awards At State Meet

Chelsea Jaycees attended the last of their State Board meetings for the 1969-70 Jaycee Year on Feb. 13 and 14. The Winter State meeting was held at Flint and the theme for the week-end was, The Early 1920's Flapper Era, including the St. Valentine Massacre.

The week-end started off with a Friday night party which was attended by more than 2,000 Jaycees and their wives. There was also a Queen Mall contest in which finalists were chosen and introduced to the group. The queen was chosen by the amount of pennies placed in each girl's container. Each penny represented one vote. Chelsea's queen candidate, Darlene Eder, made the final 10 girls and placed fourth in the over-all competition.

Saturday activities started with a Board of Directors meeting in the morning and continued with classes on various programs during the afternoon. Saturday night there was a banquet where the Michigan Jaycees honored the Five Outstanding Young Men from Michigan.

Chelsea Jaycees were awarded three Project of the Quarter Awards at the banquet Saturday evening. Awards represented the chapter's work in the Internal and External programming during the past three months. Chelsea has now won 12 out of a possible 18 Project of the Quarter Awards for the first three quarters. This is the highest total Chelsea has ever won in this competition and ranks the chapter very high in the state ranking for Outstanding Chapter of the year which will be named at the May State Convention.

VOLUNTEERS for the new Chelsea Medical Center Extended Care Facility plan for patient activities and for a membership recruiting meeting to be held Monday, March 2 at 1:30 p.m. in the dining room of the Chelsea facility. These women are the original volunteers who have been spending two or three hours per day during the past

month aiding patients in non-medical areas. Standing from left are Mrs. George Heydlauff, Mrs. Charles Lancaster and Mrs. Robert Daniels. Seated from left are Mrs. William Rademacher, Mrs. Lawton Steger, Mrs. Dorothy Miller, and Mrs. John Dunn. Not present for the photo is another volunteer, Mrs. John Thomson.

Women Volunteer Service To Help Medcenter Patients

Several Chelsea area women have been giving of their time and creativity over the past month to the Chelsea Medical Center's new Extended Care Facility. They are now seeking others to join the Center's Auxiliary.

The donation of efforts was instituted by eight area women to aid the center's work in diversional therapy.

Each member of the group has given two to three hours per day of her time to filling the non-medical needs of the Medcenter's patients.

Thus far the women have spent time talking with patients, writing cards and letters for them, reading to them, and helping the ambulatory patients to enjoy their time in the facility's lounge areas.

"We're hoping to institute craft programs and other activities for the patients who really should be out of their rooms and active," explains one of the volunteers.

"There's a beauty shop in the facility and many of the patients enjoy being wheeled down to have their hair done," she continued.

The group has also scheduled meal-time entertainment to encourage patients to eat in the Mediterranean-styled dining room. So far the Madrigal Singers from Chelsea High school, the CHS band and soloists from the soon-to-be presented musical "Carousel," have performed for the recovering patients. Other entertainment plans are in the formative stages.

Those women who have been instrumental in the formulation of the facility's volunteer program are Mrs. George Heydlauff, Mrs. Charles Lancaster, Mrs. Robert Daniels, Mrs. William Rademacher, Mrs. Lawton Steger, Mrs. Dorothy Miller, Mrs. John Dunn, and Mrs. John Thomson.

A recruitment meeting will be held Monday, March 2, at 1:30 p.m. in the dining room of the extended care unit for interested area residents. All are welcome, or may call any of the women in the program for further information.

If interested volunteers are unable to attend, they may call Mrs. Dorothy Miller at 475-8020, or Mrs. Lawton Steger, at 475-4981.

District Cage Tournney Opens Here Tuesday

Chelsea Paired Against South Lyon In Opening Round of Eliminations

Chelsea's basketball team has been slated for the first game of the District 18 Tournament to begin Tuesday, March 3.

Chelsea's fate was decided at a district draw held Tuesday, Feb. 24 at Chelsea High school. Representatives from Chelsea (Jon Schaffner), Brighton (Bob Marks), South Lyon (Gar Smith), Pinckney (D. J. Lincoln), and Dexter (Tom Walsh and Frank Fredericks) were on hand to draw for the district line-up.

The first district game will be played Tuesday, March 3 at Chelsea at 7:30 p.m. between Chelsea and South Lyon, all other teams drawing byes on the first round. Referees for the first round will be Harold Goodhue of Flat Rock and Gerald Tecmire of Willow Run.

The second round of the districts will be held Wednesday and Thursday, March 4 and 5. The games will be between Pinckney and Dexter at 7:30 p.m. on Wednesday and between Brighton and the winner of the Chelsea-South Lyon game on Thursday, both games beginning at 7:30 p.m. at the CHS gym.

Referees for those games are Ben Bement of Weberville and Louis Bertson of Ann Arbor for the Wednesday game; and Goodhue and Tecmire for the Thursday game.

Season records for the district teams are Brighton, 12-4; Chelsea, 8-7; Dexter, 4-10; Pinckney, 3-14; and South Lyon, 4-11.

Chelsea's main competition this year should be the Brighton Bulldogs. Brighton has rebounded from a miserable record last year to become one of the top teams in the area. Brighton has lost only one game so far this season and are currently in second place in the tough Wayne-Oakland League. Brighton's biggest asset is their height and they should be one of the taller teams at the tournament.

Two teams from the Southeastern Conference will be involved in the Chelsea Tournament. They are South Lyon and Dexter. South Lyon has had an off year in the conference. South Lyon seems to be in the process of rebuilding as their coach has employed the service of some sophomores. The Lions also have some height in a 6' 4" sophomore cen-

ter. The main strength for South Lyon has been Dave Brannon, a 6' 2" senior guard averaging just over 20 points a game.

Dexter is the other team in the conference that will be participating in the tournament. The Dreadnaughts have had a rather disappointing season also after they had been picked by many observers to finish high in the Southeastern Conference. Dexter is another team that possesses height. Dan Arbour, who stands 6' 4", is their center and they have plenty of height in the front line, led by Tony Delanno and by guard Greg Ianni at 6' 2".

Pinckney rounds out the teams in the tournament and will definitely be tagged the underdog. The Pirates have had one of the worst seasons in their history, as they are finding it harder and harder to break into the win column with any kind of consistency. Pinckney will have the privilege of being the smallest team on the court. They have been led this year by 5' 1" guard Warren Yodler.

Jackie McClain Wins French Scholarship

"Allons y!" and it's off to France for Jackie McClain, a junior at Chelsea High school.

Jackie, who is the daughter of Mr. and Mrs. Donald McKinley, 6130 Stoffer Rd., was selected from a group of French Club applicants to go with the Youth for Understanding organization to France for part of the summer.

Applicants were required to take a scholarship test administered by the French Club, had to submit letters of recommendations, as well as expressing an interest in the idea of living in France for a time with a French family.

A group consisting of Mrs. Stephen (Nancy) Gilbreath, Chelsea High school French Club advisor; Mrs. Ron (Jane) Cummings; Charles Lane, principal; and Heidi Sprague and Roberta Dvorak last year's scholarship recipients selected Jackie from the group of candidates.

This is the third year in succession that scholarships to France under the Youth for Understanding program have been awarded. The first year of the award Tom Thomson received the scholarship.

An alternate has also been selected by the group of judges in the event that Jackie for some reason is unable to accept. Susan Stock, daughter of Mr. and Mrs. Thomas Stock, was selected as the alternate.

STERNLY OVERSEEING the young love of Billy Bigelow (Dan Wenk) and Julie Jordan (Chris Alber) is the owner of the carousel (Janet Boylan) and Randy Seitz. Standing in front from the left are Chris Alber, Jill Flintoft, Sue Blaess, and Denise Thomson. Tickets for the production go on sale Monday, March 2 and are available at the CHS administration building or by calling Brenda Seitz at 475-3461. (See story on page six.)

Washington Report
 by Congressman **MARVIN L. ESCH**

It is time skyhigh interest rates on mortgages be lowered to put some life back in the feeble housing market. The year-long inability of builders to build homes and buyers to buy homes has developed into a vicious circle that adversely affects thousands of people in Michigan and throughout the nation.

People with good jobs and excellent credit ratings, unable to get mortgage money for new houses, are forced to stay in older homes or apartments. This increases the demand for a limited supply of housing units and the price of housing goes up. Add in the snowballing inflation of recent years and you end up with a most depressing picture.

For families with good income this high cost of housing pinches with increasing severity. But for people on low, fixed incomes, such as senior citizens, the impact is little short of disastrous. They are compelled to remain in housing often inadequate while paying in many cases an increasing share of their very limited income for shelter.

Meanwhile, efforts by private industry and government to ease

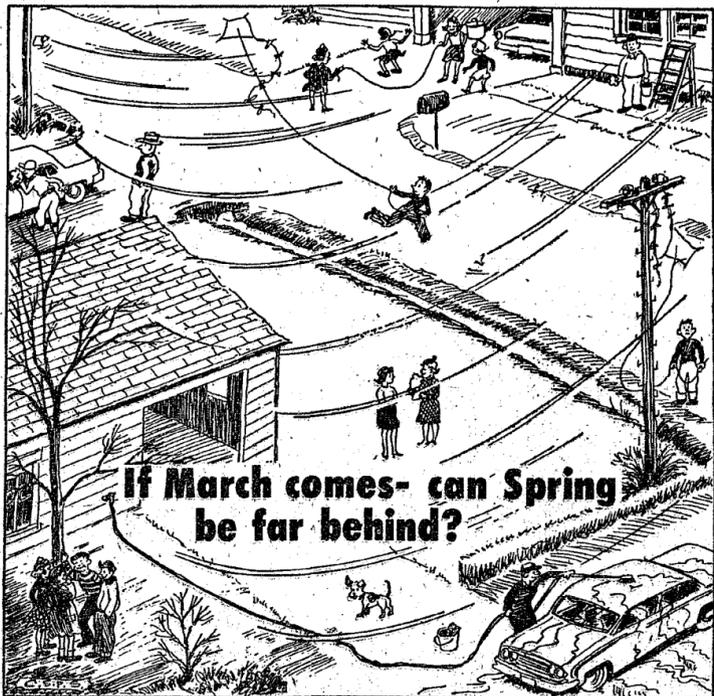

the situation by construction of low-cost housing proceeds at a snail's pace.

While the general public suffers, companies that have long been involved in home building have been forced into inactivity or out of the field entirely. Many small contractors in our district have been forced to the wall.

I am, of course, fully aware of the reason for the lack of loan money and the high interest rates. The Federal Reserve Board, an agency independent of the Administration and Congress, has been striving to put an end to an inflation that has punished Americans for half a decade.

I also want to halt inflation and am working as hard as I can to that end. But, we must end inflation in a manner that will not make the cure worse than the cause. Housing has already borne more than its share of the pain that must necessarily come when a nation is working its way out of the irresponsible fiscal policies of previous Administrations.

I believe we can continue to combat inflation while at the same time easing interest rates and putting an ailing housing industry back on the road to robust health.

If March comes—can Spring be far behind?

Coat Tails Measures
 One of the intangibles involved in any political campaign is the "coat tail" strength of the candidates at the head of the ticket.

Part-Time Help Sought To Help With U.S. Census
 The U. S. Bureau of the Census needs local people to work on the 1970 Census of Population and Housing in this area, it was announced today by Jay Fleming, district manager of the census.

Jobs to be filled will be as census takers who will call upon households that have not mailed back their census forms or who have mailed back incomplete ones. Generally, they will work near their own neighborhoods.

Jobs will last from three to five weeks in April and May. Some work will be done evenings and on Saturdays as some people are at home only during those times.

Applicants must be American citizens, 18 or older, and must pass a written test to show ability to follow printed instructions and do simple arithmetic. They must also be in good physical condition for walking, standing and climbing stairs. Most should have a home telephone, and for some a car will be necessary. Mileage will be paid for use of a car on official census business.

Pay will be on a piece rate basis, designed to average about \$2 per hour nationally.

The district manager is urging housewives, especially, to apply. He says past experience has shown the Census Bureau that they are careful, conscientious workers, and unlike most men, who have regular employment, they can take on short-term jobs. And he adds that most housewives welcome the chance to earn some extra money.

Interested persons should apply at U. S. Census Office No. 0458, 2nd Floor, 2301 E. Michigan, Jackson 49202.

With membership in both houses of the legislature split almost evenly between two parties, Milliken's ability to pull other Republicans to victory is crucial.

At present, Republicans hold a 20-18 edge in the Senate while Democrats have a 57-53 margin in the House.

The outcome of the legislative races is made even more important by the fact the legislature will redistrict Michigan's 19 congressional districts next year. Control of both houses would allow a party to shape the districts to its own advantage without worrying about having to compromise.

Republican State Chairman William McLaughlin says the length of Milliken's coat tails will be "very important."

But he qualifies that by saying, "If you don't have much strength on the bottom of the ticket, it's too much to ask of any one person to pull the whole ticket," he said.

Michigan Democratic Chairman James McNeely, of course, is not conceding victory to Milliken. But McNeely does think "which-ever party carries the Governor's race is going to carry both houses of the legislature."

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

The feller that runs the store announced during the session Saturday night that he was coming to town to get a sign made. He said he was going to post cover charges in the store like their city night clubs has. You may have saw him at yore place this week.

He said Saturday night that he wasn't calling no names, but that he has got regular customers that come in the store, take a seat, reach over and grab a bananer, toss the peel on the floor, git a apple and eat it, toss the core down with the bananer peel, pinch off a hunk of cheese to go with a handful of crackers and final git so stuffed they got to buy a bottle

of pop to keep from choking. What the store feller said he has in mind is a \$5 a night grazing charge, pay in advance. If these customers don't like that system, he said he will put in scales at the door, way in when they come in, way on again when they leave, and set a \$5 a pound fattening fee.

Ed Doolittle, that was munching a handful of grapes and having trouble with the seed and his store bought teeth, told the store feller that he was of the mind that the grazing charge and the fattening fee was mighty big answers to mighty little problems. Ed said he liked a plan with use incentive, as the Government boys say, like a food stamp deal where regular customers git bonus stamps for Saturday night use with ever \$5 or more grocery order.

Besides, went on Ed, they was more pressing items on the agenda. Fer instang, Ed said he didn't want to brag, but he was happy to report where the Federal Government had took notice of his advice about the census form to be used this year and they had cut out most of them questions it would take a lawyer, a detective and a lot of help from on high to answer. Ed said the form had enuff, but not as bad as it started out.

Another big move Ed reported was where taxpayers this year can use their credit cards. The taxpayer can make out his own ticket, the Government gits the money right away and the taxpayer gits them painless monthly payments the hole year. Course, allowed Ed, Uncle Sam don't charge but six percent on overdue taxes, and the credit card folks charge 18 percent a year on unpaid balances.

They jest ain't nothing like the American way of life, allowed Ed, and it ain't no wonder this big Knight newspaper chain hired a staff psychologist. We need folks with that kind of training these days to figger out the news, Ed said, and to help newspaper fellers that go off the deep end trying to make sense out of their feller man.

Yours truly,
 Uncle Lew.

CELEBRATING HIS BIRTHDAY is David Lixey, who will be 88 years old Saturday, Feb. 28. Lixey, who lives with his wife, Lois, at 1005 Fahrner Rd., came to Chelsea in 1927. He had been born and raised in Bay City prior to his move to Chelsea. He began work for the Hooper Ball Bearing Co. in 1928 and worked there until his retirement in 1956. Lixey has a son Harvey of Main St. and a daughter, Dorothy, living in Ann Arbor. A dinner celebration is planned for the family.

Fluoride Tooth Treatment Again Offered

Topical applications of fluoride will be offered this summer to Chelsea area children who do not drink the fluoridated community water.

The fluoride program, which is supervised by the Michigan Department of Public Health, will be made available to rural pre-schoolers (three years and over), kindergartners, first, third, fifth, sixth, eighth and ninth graders. This will also include special cases referred by dentists.

According to Mrs. Gary Albrecht, chairman of the program, the procedure consists of four visits to the fluoride clinic at approximately two-day intervals. The child's teeth are cleaned on the first visit and a fluoride solution is applied directly to the surfaces of the teeth. The fluoride application only is then repeated during the three succeeding visits. This technique has been shown to reduce tooth decay by about 40 percent, compared to the 60 to 65 percent reduction obtained with fluoridated water, she said.

In addition to providing protection against cavities, the program offers a valuable dental experience for children with no discomfort. Dental health education by the clinic personnel, including instruction in the proper method of brushing teeth, also is an important part of the program, Mrs. Albrecht said.

Parents of eligible children will be notified through letters brought home by the students on March 2. A fee of \$4 per child, with a special family price of \$14 for four children or more, will be charged to cover the cost of operating the clinic. Payment must be by check or money order and returned with the properly filled out card, no later than March 5.

The schedule for the treatments will be issued by the Dental Division of the Michigan Department of Public Health and will be made known sometime in May. Hopefully, this schedule will be arranged for the early part of the summer, Mrs. Albrecht added. The clinic's hours are tentatively set for 8 a.m. until 4 p.m. and will probably take place at the high school.

Eighth and ninth graders are particularly urged to take advantage of this program as many of them are beginning to consume carbohydrates and plain junk foods, the chairman said. Questions about the fluoride program may be referred to Mrs. Albrecht at 475-7465.

High School Girls Speak To Kiwanians

Two high school girls spoke before the Kiwanis Club of Chelsea Monday evening, Feb. 23.

Denise Slusser and Barbara Bury, speech class students at Chelsea High school, provided the program, speaking of the need for censorship of the violent and lewd films being presented by the movie industry, and the hope that censorship would not be carried too far.

Two inter-clubs (four or more men from one club) were guests of Chelsea Kiwanians. They included past Lieutenant Governor Jack Thompson, leading a group from Ann Arbor-Western. He was accompanied by Clarence Brewer, Charles Hurkis and Larry Artman.

Henman Brower, Charles Parsons, Lewis Wilson, and Roger Katon comprised the group from Ypsilanti.

A director's meeting was held at V. O. Johnson's home Wednesday evening, Feb. 18. That same evening four members of the Chelsea club led by Division 10 inter-club chairman, Clarence Pendley, attended a regular meeting of the Ann Arbor Eastern Club.

Varsity Cagers Storm Past Saline, 66-64

(Continued from page one)
Although Chelsea was outscored by two in the final period, they had played so spectacularly in the third quarter that the Saline spirit had been demolished.

Treado played a fantastic game, scoring a total of 15 points and grabbing a season high of 21 rebounds. Wojcicki scored 24 points and collected nine steals on the press before fouling out.

Ron Sweeney scored nine points and grabbed 10 rebounds while assisting on seven baskets; Jim Conklin hit for nine points and grabbed six rebounds.

Jeff Hughes also did a commendable job on the press, by tallying six counters.

Chelsea's victory gives them a 7-6 conference log and keeps them in a fourth-place tie with Lincoln, one game out of third place.

The Bulldogs travel to Dexter tomorrow night to wrap up their regular season of play. They defeated Dexter in the last contest between the two rivals, 68-66.

Junior Varsity Defeats Saline Second Time

Chelsea Junior Varsity picked up their 10th conference victory of the season as they defeated Saline, 52-43, last Friday night, Feb. 20.

The Bulldogs JV battled Saline in a close contest through the first three periods and the Hornets threatened to take the game right down to the wire. However, the Chelsea cagers would have no part of it as they scored 18 points in the final period to drop the Little Hornets for the second time this season.

The Bullpups' offense was led by Jeff Schmidt who hit 11 of 15 from the line and five field goals for a total of 21 points and Greg Howard scoring 15 counters.

Schmidt was high rebounder, grabbing 16, while Jeff Daniels pulled down 10 rebounds in addition to scoring 8 points.

Chelsea again had a solid night from the charity stripe hitting on 18 of 28 attempts for 64 percent. The Bulldog Junior Varsity record now stands at 10-3 in conference play. Chelsea will play Dexter, the only conference team they have not defeated tomorrow night at Dexter at 6:30 p.m.

Life of John Philip Sousa Documented on TV Show

East Lansing—"The March King: John Philip Sousa" documentary series is set to be broadcast on WMSB (Channel 10), Michigan State University television. Using both old library film and musicians who played under Sousa's baton, the documentary traces the life of Sousa from 1854 to 1932. The famed "Sousa Sound" is recreated from a specially augmented Detroit Concert Band under the direction of Dr. Leonard B. King. The reconstructed band are such notables as Bill Bell, one of the conductor-composer's most famous sousaphone players. Also included are commentaries by Leopold Stokowski, who knew and frequently conducted his music; George Balanchine, whose ballet "Stars and Stripes" is set to Sousa's music; Lt. Col. Sir Vivian Dunn, for 38 years principal musical director of the Royal Marines, and Mrs. Helen Sousa Abert, Sousa's only surviving daughter. Sir Arthur Bliss, Master of the Queen's Music, recalls Sousa's conducting in London at the Royal Albert Hall. Other WMSB highlights include: "NET Journal" challenges U.S. globalism with the biting question, "Who Invented US?" Sunday, March 1, at 4:30 p.m. Historically, the program reviews U.S. military interventions from Teddy Roosevelt's triumphant ascent of San Juan Hill to the Marines' entry into the Dominican Republic. Also featured is an examination of the economical and political "roots of future Vietnam."

TODAY'S THOUGHT

By LOUIS BURGHARDT

Not too many days ago, we ushered in a New Year. With age old custom many people mullied over personal faults in the closing days of the old and resolved to do certain things better, or at least differently, in the new year. If a tabulation was made, it would probably be proved that multitudes of people resolved to stop smoking. An enormous number of people pledged to indulge in more leg exercise with less hand to mouth action to cut down on calories and lose weight. Again, if tabulations were made, it would probably be proved that most of these, and other well intentioned resolutions have by now been broken or forgotten.

There is one resolution every one can make EVERY day — and keep. Make it a daily habit to think of TWO of your blessings for every ONE gripe or complaint. Since the good things in life far outnumber the bad breaks, this can be an easy resolution to keep. Fact is, instead of just thinking about the two for one; give silent thanks. Nothing is ever so bad in life that it can't be worse and that in itself is a good thing in life to be thankful for. This easy to keep daily resolution can change an entire view of life. Try it and see. BURGHARDT FUNERAL HOME, 214 East Middle St., Chelsea, Mich. Phone GR 5-4141.

Cast for CHS Musical 'Carousel,' Rehearsing Daily

Tickets for the Chelsea High school production of Rodgers and Hammerstein's hit musical, "Carousel," will go on sale Monday, March 2.

"Purchase of tickets early is not a bad idea," suggests Miss DiAnn L'Roy, vocal music director, who is directing the production to be presented March 19-21.

Miss L'Roy praised the more than 100 students, who have been working to make the musical a success. She especially noted the unique nature of the set, designed by Caryl Thornton and constructed under the direction of Ron Bush.

"It's abstract in nature," began Miss L'Roy in describing the set, "and we've tried to capture the spirit of the play with it. The basic structure is a series of platforms rising from the floor to a height of eight feet.

"The circular shape suggests the carousel. Different locales will be suggested by appropriate properties. For example, the park will be shown by the use of a park bench. The effect is symbolic rather than literal," continued Miss L'Roy.

Special lighting under the direction of Rod Powers will add to the total effect of the staging.

Seniors Chris Alber and Dan Wenk will play the leads in the show, Julie Jordan and Billy Bigelow, whose ill-fated love causes Billy's death and Julie's unhappiness.

"Carousel," which marks the third production for Chris, is the high school's fourth musical. Chris was seen last year in the school's production of "The Music Man" as Marian, the female lead.

"Chris is a polished actress, who brings real depth to her performance," lauded Miss L'Roy.

"Dan Wenk's performance as Billy Bigelow marks his first for Chelsea High school, although he has played in the orchestra in previous years," continued Miss L'Roy. "The role of Billy is a demanding one, and Dan seems to be bringing much to it and doing a good job of creating the character," she concluded.

Comic relief is provided by the production with the characters Carrie and Mr. Snow, portrayed by senior Pat Gilbert and sophomore Keith Pfeifle. The villain, Jigger, is played by junior Larry Gorton. Sophomore Jeanne Hasel-schwert performs the role of Cousin Nellie. Junior Laurie Lancaster is seen as Louise, Billy and Julie's daughter.

There are more than 40 other persons who make up the remainder of the cast. These are the most memorable in the production, notes Miss L'Roy, who mentioned the musical numbers "If I Loved You," "June Is Busting Out-All Over," and "You'll Never Walk Alone" as especially memorable.

The pit orchestra, consisting of 24 performers, will add to the musical numbers.

A souvenir program, which includes information on leads and pictures of rehearsals, will be given to all ticket holders. The program cover, being prepared by Kathy Susner, is done in the symbolic nature of the sets, with a circular motif suggestive of a

carousel with shadow horses. Publicity posters, under the charge of publicity co-ordinator Kathy Grob, continue the abstract mood. Other student chairmen are: Barb Harvey, costumes; Ann Trav-lis, make-up; Claudia Devine, props; and Caryn Thornton, student director.

Tickets may be purchased at the CHS Administration Building, or by calling Brenda Seitz at 475-3461. All seats are reserved for the three 8 p.m. performances.

AN OPEN LETTER TO ANYONE INTERESTED IN KITCHENS

We have just completed the installation of six kitchens in our "ALL NEW" Kitchen Center. You would enjoy just browsing around and getting ideas for your own home.

The orange plaid carpeting in the Bar Unit sets off the hand-rubbed, solid oak cabinets; it's interesting to see how the electric "char-grill", the under-counter refrigerator, and the special bar cabinets have been placed to make an ideal recreation room addition.

Or, the stark white features, including the lamp post eating counter, contrasting with the raised panel doors finished in antique olive make another kitchen a must to see.

And then, there is the Spanish Kitchen with that "just-so" Mediterranean look, the complete Formica Kitchen highlighted in orange and white, and the Candlelight Kitchen with the black panoramic stove.

Believe Me—there's more, too. If you're a would-be designer or decorator—come and browse awhile. You'll be glad you did.

Or, if you ever do consider remodeling your kitchen, please shop our new kitchen center first. We have budget priced cabinets and top quality cabinets that are the very best—all tastefully displayed.

Sincerely,
Robert Daniels

**AGRICULTURE
IN ACTION**

by GARY A. KLEINHENN
Michigan Farm Bureau

★ **Farm Chemicals
Face Challenge**

Agriculture is in action to safeguard the nation's health and is continually on guard for the safe use of pesticides. Farmers are not alone in this cause. In Michigan there are several existing programs related to pesticide management that, for public information, need to be recognized.

a) There is the Michigan Department of Agriculture which enforces pesticide laws, such as registration and licensing of applicators, and co-operates with related state departments. It is also responsible for the testing of public food supplies to determine pesticide residues.

b) The Michigan Department of Public Health establishes threshold exposure limits for workers in all state industries manufacturing or packaging pesticides. Training courses are given for personnel using or controlling pesticides, and certain health protection aspects of rural pesticide use under the control of this department.

c) The Michigan Department of Natural Resources has responsibilities for protection of the natural resources against pollution by pesticides. The department on its own and in co-operation with the state universities and the U. S. Department of Interior conducts research on and provides documentation for the effects of pesticides on fish and wildlife. The Water Resources Commission monitors pesticide concentration and movement in waterways, detects pollution and enforces water quality standards.

d) Michigan State University Pesticides Research Center provides facilities for research on pesticides in 16 departments. Based on this research, the Co-operative Extension Service then conveys to the public the recommendations of the MSU research staff for use of pesticides.

e) The state departments of Agriculture, Natural Resources, and Public Health and the Water Resources Commission have entered into an inter-agency Pesticides Review Agreement in order to provide opportunity for evaluation and discussion of economic poisons marketed in Michigan.

f) The Advisory Committee on Economic Poisons, created by legislative action, is composed of the directors of the departments of Natural Resources and Public Health, the Aeronautics Commission, the MSU Pesticide Research Center and the executive secretary of the Water Resources Commission.

Mrs. Ronald Gentner of Ypsilanti, a granddaughter of Mr. Abdon's, baked and decorated the chocolate and vanilla birthday cake given to the two birthday celebrants.

Both Mr. Abdon and Robin received many cards and gifts in honor of their birthdays.

SOUTH ELEMENTARY SCHOOL NOTES

FOURTH GRADE—
Room 14
Teacher: Mrs. Schmidt
Reporters: Kathy Slater and Joe Ewald
Our class did bulletin boards for this month. Kathy Slater and her committee did a board: Happy Valentines Day to Them! They made red and pink hearts which had names done in silver and gold glitter. Bryan Kalishke and his committee did a bulletin board on George Washington and his Life. Anna Marie Speer and her committee did Valentine's Hearts with a mural on Valentine's Day. Shelley Warren and her committee did a board on Be My Valentine with lace hearts with each person's picture on them. Mike Rowe had a birthday party at school Feb. 19. Don Aldrich got a perfect record in spelling and won the spelling chart for the past semester.

FIFTH GRADE—
Room 19
Teacher: Mrs. Fulks
Reporters: Mary Beth Allen and Social Studies
In Social Studies we have been studying about the Corn Belt Region, the Wheat Region, and Feeder Cattle in Montana and Iowa. We have painted a scene on our bulletin board about them. In English we have been talking about present and past participles.

SIXTH GRADE—
Room 22
Teacher: Mrs. Krochalis
Reporters: Susan Leach and Diane Zeeb
Our February birthdays are: Mark Warren and Diane Zeeb. We are studying about the care of teeth. In Social Studies we are going to paint a mural all about transportation in the 1800's. Our teacher brought in real photographs of Lincoln and paintings of Washington. We thank our room mothers for the very nice Valentine's party.

SEVENTH GRADE—
Room 21
Teacher: Mrs. Senne
Reporters: John Adams, John Toon, Julie Chapman, Becky Kraai, Kim Lyb
Linda Shaw's mother brought in a picture of Abraham Lincoln. Her great-great-grandmother received it from Mrs. Lincoln when she decorated the funeral train going from Washington to Illinois where Lincoln was buried. Her great-great-grandfather drove the train. We were happy to share this with the other fifth grades. Becky Kraai's mother suggested we give Valentines to the Methodist Home. We hope they enjoyed

SUNDAY'S SERMON

World Peace
The leaders of many nations talk about world peace. Treaties and alliances are negotiated to bring two or more nations into some form of a working partnership. Some day, perhaps world peace will come. Few really believe that day will come soon. The average citizen today is as concerned with peace in his own community, in his state, and in the nation. Rightly so, for we live in changing, troubled times. Peace, if it is to ever come, must begin in our own hearts.
Every man can do something in his own community, with neighbors who are equally concerned. One man alone cannot accomplish anything earth-shattering. But, he can make a start. He can impress others with his willingness to seek peace and to find a better world. If he does this, others may join the cause and a small movement may be underway. Christian principles and the constant application of the golden rule—if more individuals would adhere to these, the world would be on the way.
MAKING STEEL
To produce one ton of steel requires 25,000 gallons of water, five tons of air, and 700 horsepower hours of electricity.

Tuberculin Tests Offered Ninth Graders

The annual ninth grade school tuberculin testing program sponsored by the Washtenaw County Health Department in co-operation with the Medical Society and Tuberculosis and Health Association will be held in area schools from March 2 to March 17. Dr. Otto K. Engelke, County Health Director, has urged parents of all ninth grade students to sign request cards to insure tuberculin testing. No charge is made for this program.

Date assigned to both Chelsea High school and Dexter High school is Wednesday, March 11.

The tuberculin test is a simple skin test on the forearm which can detect tuberculosis germs in the body. The results of the skin test are read two or three days after the initial tests. A positive skin test does not mean that a person has active tuberculosis. It does mean that further studies are needed. Arrangements for further examinations of children with positive tests and follow-ups of their families will be made by the Health Department.

Dr. Winthrop Davey from the University of Michigan Medical Center and president of the Michigan Tuberculosis and Respiratory Diseases Association said, "Ninth grade students have been selected because the bulk of the teen-agers are still in school at this time. Testing students of this age level provides an indirect index of the TB problem in their families and in the community. Testing of ninth graders also will indicate progress toward the national goal of no more than 1 percent reactors throughout Michigan."

Dr. Davey praised the annual testing program in Washtenaw county and noted that for the first time during 1970, TB testing of ninth graders will be carried out throughout Michigan.

An estimated 4,100 ninth graders are enrolled in Washtenaw county schools. The tests are administered by a team from the Southeastern Michigan Tuberculosis Detection Project. Dates and locations of the testing program in addition to the March 11 date at Chelsea and Dexter are: March 2, West Ypsilanti Junior High school; March 3, Ypsilanti East Junior High school, Willow Run High school; March 4, Lincoln Consolidated High school and St. John's High school in Ypsilanti; March 9, in Ann Arbor, Slauson High school, Manchester High school; March 10, Milan High school, St. Thomas High school in Ann Arbor and Whitmore Lake High school; March 16, in Ann Arbor, Tappan Junior High school and Saline High school; March 17, Forsyth Junior High school and Scarlett Junior High school in Ann Arbor.

Drug Abuse Talk Given for Several Area Groups

Patrolman Louis Schneider of the Chelsea Police Department has presented his illustrated talk on drug abuse to several area groups during the past week.

Schneider, who received the narcotics demonstration kit, complete with pictures and samples, from the Kiwanis Club in January, spoke to the Boy Scouts and the PTO at the Gregory elementary school.

Schneider also attended a narcotics school on Thursday, Feb. 19 in Mason. The school, sponsored by the Bureau of Narcotics and Dangerous Drugs, was held in Ingram county to further the knowledge of law enforcement officers both for their own professional work as law officials and to transmit to others.

Schneider is available with the informative presentation by contacting the Chelsea Police Department. Schneider and the police department offer the presentation as a public service in the police department's efforts to curb drug abuse.

The public is invited.

UNUSUAL INSPIRATION

Samuel Clemens' literary career was started when a page from the story of Joan of Arc was blown in his path by a light breeze. As Mark Twain, Clemens wrote 23 books. Most popular of the group were Huckleberry Finn and Tom Sawyer.

An estimated 1,200,000 Americans now living have survived a stroke, and many are back at work, says the Michigan Heart Association, a Michigan United Fund agency.

First Robin of '70 Season Reported By Mrs. Wencil

Honor of reporting the first robin of the 1970 season in the Chelsea area goes to Mrs. Joseph (Dorothy) Wencil who called The Standard office last week. She said she sighted the robin on her front lawn at 19278 North Territorial Rd., two weeks ago and again on Wednesday, Feb. 18.

Some authorities claim there are robins who winter in a area marshes and other sheltered spots and whether this one is, one of those or one who traveled north ahead of time and made his appearance here early, he is a welcome harbinger of spring "just around the corner."

JCs Organizing Chapter at Stockbridge

For the past few months the Chelsea Jaycees have been busy planning, promoting and encouraging the young men of Stockbridge to start a Jaycee Chapter. On Feb. 11 Chelsea Jaycees held an "M" night membership drive in Stockbridge and signed up 11 charter members. A second membership drive was planned for Wednesday night, Feb. 25, in the hopes of completing the signing of 25 members required for a chapter charter.

At the Feb. 11 "M" night Chelsea Jaycees presented a program that included a slide presentation on the purpose of Jaycees, Chelsea Jaycee history and the needs for a Jaycee Chapter in Stockbridge. Guest speaker for the evening was Don Wrench, state executive vice-president of the Michigan Jaycees. The meeting concluded with the explanation of member dues, question and answer period and refreshments.

If all goes well the Chelsea Jaycees plan to have the Stockbridge charter night April 4.

Motor Vehicle Highway Fund Quarterly Collections Increase

Chelsea village will receive \$10,867 as compared to last year's \$10,650 in Michigan Motor Vehicle Highway Fund collections for the fourth quarter of 1969, which are being distributed to Michigan counties, cities, and villages, the Department of State Highways announced last week.

Henrik E. Stafseth, state highway director, said net receipts in October, November and December were \$58.2 million, up 2.5 percent from the fourth quarter of 1968. Washtenaw county received a total of \$563,731 for the fourth quarter of 1969 as compared to \$538,526 for the same fourth quarter last year. Other area communities also received increases. Ann Arbor received \$230,368 as compared to last year's \$233,681; Dexter received \$5,909 as compared to \$5,793 last year; Grass Lake increased to \$4,475 as compared to last year's \$4,394; Manchester was allotted \$6,397 this year and \$6,245 last year; Saline received \$7,778 as opposed to last year's \$7,470; and Ypsilanti received \$56,319 against last year's \$57,103.

The highway fund is made up of state gasoline taxes and motor vehicle license plate fees paid by motorists.

After deduction of Department of State collection costs and 1.5 percent for the State Waterways commission, 46 percent goes to the Highway Department, 34 percent to the counties and 20 percent to the state's 523 incorporated cities and villages.

Under this formula, the Highway Department received \$40.59 million, the counties \$30 million (including \$854,695 in snow removal payments for the winter of 1968-69) and the cities and villages \$17.64 million.

Public Hearing Set Wednesday On County Medical Complex

A public hearing regarding Washtenaw county's possible involvement with St. Joseph Mercy Hospital in a new medical complex will be held Wednesday, March 4, in the County Board of Supervisors room in Ann Arbor at 7:30 p.m.

The hearing was scheduled by the Washtenaw County Metropolitan Planning Commission at the request of the County Board of Supervisors.

The proposed new medical complex is to be located on a part of the 130-acre County Farm property located on Washtenaw Ave., at Platt Rd., in the city of Ann Arbor. The proposal is for St. Joseph to use some 50 acres of the farm for a new acute care hospital with the county developing a human resources complex, including a new medical care facility (new county hospital) in the immediate vicinity of the acute hospital.

"The hearing is intended to give those citizens and groups, who desire, an opportunity to express their opinions about the proposal," explained Thomas J. Fegan, director of the Commission, in a letter released Tuesday, Feb. 24. He continued, "An informative presentation on the proposal will be given prior to the public discussion at this meeting."

The Commission's proposal comes after several years of intensive study including that done by the Medical Care Study Committee which was established by a directive from Bent Nielsen, chairman of the board of supervisors, in the fall of 1967.

In September of 1969, Nielsen requested the Commission to analyze and make recommendations concerning the possible location and utilization of the County Farm property for a new acute care hospital complex, county medical care facility and other county facilities.

In formulating its recommendations, the Commission made extensive use of various past reports, including that of the 1967 Medical Care Study Committee. The 1967 recommendations include a recognition of the need for county government to promote and insure adequate post acute and extended care facilities; the inadequacy of the present county medical care facility; and the advisability of locating any new facility or facilities within, or attaching them to, a non-profit acute care hospital or hospitals.

The 1967 report mentions the

Faculty Wives Hear Talk on Tour of Alaska

Faculty Wives met Monday night, Feb. 23 at the home of Mrs. George Prinzinger where Sharon Heydlauff, from the Speech Bureau at the high school, presented a speech and slides of "Alaska, the Last Frontier."

She told about her family and friends traveling and camping for nine weeks last summer in the "Land of the Midnight Sun." Among the points of interest were the Alaskan Highway, the great Yukon River, the clean air and water, Mt. McKinley, their plane rides over the Arctic Circle, Juneau, the glaciers and climate (85 degrees in July), Ketchikan, the innocent and beautiful wildlife, Dawson, the gold miners past and present, the fishing, the forests, and some of the social conditions.

They traveled in a pick-up camper, by plane, train and ferry.

Members were enthused about the presentation and encourage others to hear it and take advantage of other such presentations offered through the newly-created CHS Speech Bureau, according to Mrs. Prinzinger.

The Speech Bureau may be contacted by calling William Coelius at the high school.

Marion Kline Circle Meets Wednesday At Methodist Home

Valentine favors and napkins at each of 40 place settings greeted members of the Marion Kline Circle of the United Methodist church and their guests from the Methodist Home, who met at the Methodist Home Wednesday, Feb. 18 for a pot-luck luncheon.

Mrs. Winifred Jordan was responsible for the festive decorations of red and white, and for the centerpiece of white branches, birds and cut-out hearts.

Mrs. Lloyd Merrell acted as hostess for the group and was assisted by several other Home circle members. Each circle member had a home lady as a guest.

Mrs. Ben Donaldson, chairman, called the meeting to order and introduced Mrs. George Stanford who gave the devotions. She read from St. Matthew Chapter 25, verses 31-40.

Correspondence from Mrs. James Hoffmeyer, revealed that seven boxes, containing towels and wash cloths, were wrapped and given at Christmas time as gifts from the Marion Kline circle.

The circle was pleased to accept the invitation of the Vivian Otto circle to meet with them on April 15 in the social center of the church.

Presenting a program entitled "Understanding China and the Chinese People," was Mrs. Robert Harris, who told of the Chinese philosophy and of China's contribution to history, dating back more than 2,000 years before the coming of Christ. She also told of the many things that have taken place in China during the 19th century and this half of the 20th century. China is, it told, a world power today, and it is hoped that U. S. relations with this power will improve in this century.

Mrs. Winifred Coffron will be hostess for the Wednesday, March 18 meeting. It will be held in the Educational Unit of the church at 1 p.m.

Letters to the Editor

To the Editor,
As a student of CHS, I would like to express my opinion, even though I may not be agreed with. Although Mr. Brauningger was right in his letter telling about the legal aspects of the dress code, I do not think that this is the most important step in abolishing it. I think that it is more important that the people of this community realize why the dress code should be abolished. The people have to feel in their own minds that the dress code is unfair and not right. Until then, changing the rules will be close to impossible.

One of the arguments for keeping the dress code is to insure our school against boys with shoulder-length hair. Some people think if kids have long hair, they'll start taking drugs and stop taking baths. If they would stop and think, they would realize this: the kids in Chelsea High school will be the same whether they have long hair or short hair. Just because a person grows his hair longer doesn't mean that his personality will be changed.

We aren't asking these people if long hair looks good. We're asking them if it is right for the school board and the administration to suspend kids with long hair. We aren't asking these people to grow their hair long. If these people personally do not like long hair, is it right for them to deny the students freedom of expression, when this freedom hurts nothing except maybe the school board's pride? The courts say no and I say no.

I think the people of this community should not quit, but should continue to take action until these rules are abolished. This has worked in Dexter and other cities, and it can work here too.

Sincerely,
Joe O'Neill.

To the Editor:

During a recent class discussion, the subject was brought up about last week-end's Ski Club trip to Nub's Nob, up north. During the trip, the kids poked holes in the ceiling and towels were flushed down the toilets. This, in my opinion, is degrading to the rest of the Chelsea High student body. It's also a pretty expensive "fun" week-end for the Ski Club, as they'll have to pay for it.

Parents should wonder what their kids are doing on their ski week-ends. Perhaps if they thought about it, they wouldn't have to pay for irresponsible "fun" like that when they pay for their kid's Ski Club trips.

Sincerely,
Another CHS Student.

To the Editor:

My family recently moved to Chelsea from New Orleans, I have found the village to be friendly.

But this is not the purpose of my letter. I am writing to you about something that affects many of the students at Chelsea High. I am referring to the unpaved student parking lot.

Whenever the snow starts to melt, the parking lot has large muddy puddles in it. If one is lucky, one can find small dry places to step on so one's feet do not become muddy. If one is not lucky, too bad.

I think the student parking lot should be paved, or at least black-topped. I was told that there have been many discussions about this for the past five years. Don't you think it's time something is done?

Sincerely,
Christine Rasmussen

Don't be needed by drugs.

To the Editor:

When I read about the school dress code in a recent issue of The Chelsea Standard, I thought, "Hurrah, for Chelsea High School!" It is both reassuring and refreshing to know that there are so many young people who do care about propriety and good grooming. Now, I have just finished reading the letter by Walter Brauningger. I have never before heard of Walter Brauningger.

Unless I'm misinformed, the voting public elected a school board to take care of all business concerning the schools.

I suggest that you, Walter Brauningger, leave these nice young people alone, and "go bark up" some other "cause."

My own civil liberties get trampled on too, as follows:
1. When I'm in a crowded place or elevator, and must breathe in the stench of un-shampooed mop heads, un-washed clothing and bodies.

2. When my taxes are raised to help pay for repairing the senseless destruction to public buildings and parks by marauding groups led by rabble rousers.

3. When my tax dollars "are at work" cleaning up the filth and litter left by some protesting mob, whose members employ the manners of animals, sanitation-wise, and other wise.

I'm for Law too, AND ORDER.

Sincerely,
Mrs. Lynn Eisenbeiser
(former Chelsea area resident)

To the Editor:

I am writing to you for the concern of all Chelsea High school students. People in our school complain about the situation of our town, in that there are not enough places for our youth to go at night.

I also realize that I am not going to be able to do anything about this problem but I think the people of Chelsea should do something for the teen-age generation. If they can build parks and other things for little children, they can do something for the teen-agers.

Sincerely yours,
Bob Rudd.

To the Editor:

I believe that Walter Brauningger is wrong. I don't think that the rights of students are being subverted at Chelsea High school. The student council at Chelsea High circulated a survey, polling the opinions of the students, and the parents. At an assembly attended by the entire student body, the student council presented the results of this survey. It showed that a majority of students and parents did not want the students of Chelsea High to be able to grow their hair at any length the students wanted.

How can Walter Brauningger claim that the students do not have all their rights? A majority of the students believe that the student council is right. Would Mr. Brauningger have a minority rule at CHS? This too is against the principles of American democracy!

Sincerely,
Chick Lane.

To the Editor:

When painting, it's wise to protect your furniture—Newspapers, plastic dropcloths and tarpaulins make good protectors for floors and furniture. Protect yourself, too. Wear old clothes.

REAL CONTEST

At one time in ancient Greek games at Olympia, the featured event was a brutal boxing-wrestling match called the pankration, meaning "all-strength," which was fought until surrender or death.

Club and Social Activities

MODERN MOTHERS

Modern Mothers Child Study Club met at the home of Mrs. Richard Stoll last Tuesday evening, Feb. 24 for an evening of bingo. Mrs. Vera Otto was the co-hostess.

The game was held after the business meeting.

The next meeting of the group will be March 10, at the home of Mrs. Phillip Hume. The program will be on "Traffic Safety."

CHILD STUDY CLUB

Chelsea Child Study Club met at the home of Mrs. Larry Chapman on Tuesday evening, Feb. 24.

The women were entertained and informed by Dr. Jerry Waldyke, who presented a series of slides of an Indian reservation in Nevada, where he and his wife worked and lived for two years prior to coming to Chelsea.

The second part of the program, which was a historical sketch of the Michigan Indian and his progress with tools and weapons, was given to the club by Larry Chapman who has been devoted to his hobby of Indian history for several years.

A guest for the evening was Mrs. Merle Barr.

The next meeting will be at the home of Mrs. Robert Robbins on March 10. The program will be a panel discussion, "Mother Reacts to the Family."

WOMAN'S CLUB

Since the weatherman has been teasing the area with what "appears" to be spring weather, many have gotten that old spring fever.

Since spring is the time to think about house-cleaning, or for the more ambitious, house re-arranging, the Woman's Club of Chelsea held its Tuesday night, Feb. 24 meeting at Merkel Bros. Furniture and Carpet store.

Approximately 25 women were present to direct questions on home furnishings and decorating to a panel consisting of Robert Merkel, Leola Brennan, and Miss Sue Ellerholz.

Refreshments were served to the group by Mrs. Ray Peppers and Mrs. Sylvester Wojcicki.

MARION SIMONS CIRCLE

Marion Simons Circle of the First United Methodist church met Feb. 18 at the home of Mrs. Harold Dresch with Mrs. George Palmer as co-hostess. Nine members and two guests were present.

A short business meeting was held. The new name for Circle was chosen to be "Sarah."

Cards were sent to several shut-ins.

The circle will be hostess on March 4 to the WSCS breakfast.

Devotions were given by Mrs. Edward Lewis and the meeting was closed with the prayer chain.

Next meeting will be with Mrs. Russell Bernath, March 18.

VIVIAN OTTO CIRCLE

Vivian Otto Circle will, in the future, be known as the Ruth Circle of the Methodist church, in line with the plan to name circles after women in the Bible. The circle met at the church Wednesday, Feb. 18, at 12:30 p.m. for a pot-luck luncheon and program.

Hostesses were Mrs. Calvin Summers, circle chairman, and Mrs. Donald Leggett.

"JIFFY" Corn Muffin Mix is one of our most popular prepared mixes. During cold weather months most of us like to serve hot corn muffins at mealtime. But have you stopped to think of all the different ways this mix can be served? In today's column I'm listing a couple of interesting variations which I hope you will try.

DILLY CORN BREAD

(6 servings)

1. Prepare "JIFFY" Corn Muffin Mix as directed on package except stir in 1 teaspoon dill seed and ½ teaspoon poppy seed.
2. Pour into greased pan, 8x8x2 inches.
3. Bake about 25 minutes.

'CORN' BREAD

(6 servings)

1. Prepare "JIFFY" Corn Muffin Mix as directed on package except stir in 1 cup whole kernel corn, 1 tablespoon chopped pimento and 1 tablespoon chopped hot green peppers.
2. Pour into greased square pan, 8x8x2 inches.
3. Bake about 25 minutes.

ing with a Bible reading and prayer and then Mrs. Stanley Bond introduced Mrs. Melinda Warner, a volunteer worker with the Spaulding for Children adoption agency who spoke on the topic, "How To Adopt Children from Spaulding." She said she and her husband now have two boys they adopted through the Spaulding agency.

Announcement was made of the Woman's Society for Christian Service (WSCS) meeting—a breakfast at 9 a.m. March 4 in the church social center.

GRACE OTTO CIRCLE

At the Feb. 17 meeting of Grace Otto Circle at the home of Mrs. Albert Peterson, announcement was made that the name of the circle is to be changed, the change to be made at the next general meeting of the Woman's Society of Christian Service (WSCS). The circle has a choice of two names of women in the Bible for whom their group will be named. The group, however, will continue to remember the missionary worker, Grace Otto, on special occasions and members were also advised to read the article written by Grace Otto and published in the latest issue of the "Upper Room."

Mrs. George Atkinson opened the Feb. 17 meeting by reading an article entitled "The Faith of Helen Keller."

Business at the meeting included a call for assistance in making

"Chrismons," the special decorations for church Christmas tree decorations.

ESTHER CHAPTER

Esther Chapter of the Congregational church held its Thursday, Feb. 19 meeting at the home of Mrs. Martin Steinbach.

Mrs. Steinbach was in charge of devotions.

Most of the evening was spent in planning for the spring salad luncheon to be held Wednesday, March 18. The spring salad luncheon is an annual event of the Women's Fellowship of the Congregational church.

The Chapter welcomed a new member to the group, Mrs. Lyle Christwell.

The next meeting will be April 16 at the church.

Mrs. Stienbach served lunch to the group following the meeting.

Wesleyan Service Guild To Entertain Ann Arbor Group

Tuesday evening, Feb. 17, Wesleyan Service Guild of the Methodist church held a regular meeting at the home of Mrs. Joey Clark with 18 members and one guest present. The guest, Mrs. William Storey, later became a member of the group.

Refreshments were served at the meeting which was followed by a business session in charge of Mrs. Gary Packard. She announced that the Wesleyan Service Guild of the Ann Arbor First United Methodist church has been invited to meet with the Chelsea group at the April meeting. It was also decided to donate money to the Methodist Youth Fellowships of the church for their needs.

Mrs. Packard also announced that April 5 is the date for the annual Wesleyan Service Guild meeting and that it is to take place at the Ypsilanti Methodist church. The Chelsea group is to have charge of the worship program at the annual meeting. Announced also, was the fall weekend, Oct. 10 and 11, at the Walden Woods conference center near Hartland.

For the program, Mrs. LeRoy Hoffman and Mrs. Dwight Gadbey had several interesting readings taken from the book "Nation Under God." These included excerpts from McGuffey Readers; "Touching Elbows and Hearts" by Woodrow Wilson; letters from his daughter, Patsy, to Thomas Jefferson; and an article about the Statue of Liberty.

Mrs. Hoffman closed the program by reading "Time To Reflect." The next regular Wesleyan Guild meeting will be held Tuesday evening, March 17, at the home of Mrs. William Storey.

TOUCHING UP THEIR FASHIONS to be displayed for their families at the Gingham Belles Family Fashion Show to be held Monday, March 2 at the Beach Junior High school are the 4-H group's teen leaders and the three adult co-leaders. From left standing are Mrs. William Clark, Nancy Mshar, and Grace Penhallegon. Seated from left

are the teen leaders Barb Boylan, Barb Duerr, Donna Clark, Mary Wood, and Cathy Clark. Theme of the fashion evening will be a pirate's treasure hunt; guests will be greeted at the door with name tags in the shape of palm trees and will be shown the treasures that the girls have been working on for the past five months.

Gingham Belles 4-H Group Preparing for Fashion Show

Belles are ringing for the families of the Gingham Belles, beckoning them to the 4-H group's Family Fashion Show to be held Monday night, March 2 at 7:30 p.m. at the Beach Junior High school.

Invitations in the form of a pirate's treasure map to a treasure hunt for fashion have been sent to the families of the girls, and last-minute preparations are being made for the show, which will display the Fall-long "treasured projects" of the members.

Each of the girls in the clothing and knitting divisions has chosen designs for the pirate-themed, review-to-interest-the-family, according to the co-leaders of the group, Mrs. William Clark, Nancy Mshar, J. Schardein, and Grace Penhallegon.

As the guests arrive at the junior high, they will be given name tags in the shape of palm trees and ushered to their seats in front of a stage, which will sport a large treasure chest filled with flowers. Girls will then display their sewing treasures for the group.

Teen leaders of the group got together recently to place last-minute touches on their projects. Barbara Boylan, the daughter of Mr. and Mrs. Keith Boylan, 245 Park St., has been a member of 4-H for five years. She has chosen for the show a long sleeved, A-line dress of aqua voile with a white circle design in the material. Her dress has a white collar and cuffs, and white buttons down the front. She has chosen a light blue lining material.

vest in avocado green with a v-neck and ties in the front to show the treasure seekers.

Donna Clark, also the daughter of the William Clarks, is a teen leader with three years of experience with the clothing division and two years with the knitting division of the 4-H club. She has chosen to display a red corduroy double-breasted front wrap jumper, completely lined in red taffeta. The blouse is a pink with cream materialized project, with a back zipper, rolled collar with detachable tie, and a long set-in set of sleeves, gathered at the wrists.

Donna's knitting project is a Navajo Indian printed, A-line skirt of hot pink with navy, lime green and white in the pattern. Barbara Duerr, the daughter of Mrs. Lina Duerr, 204 N. East St., has two years of clothing division experience and one year of knitting with the division, and is also a teen leader of the group. She will show the treasure hunters a navy bonded wool scooped neck jumper with back zipper. The jumper blouse of red, white and blue, is sheer with a collar and long sleeves gathered to button-down cuffs. Barbara is knitting the same vest that Cathy is knitting, but has chosen a grey material.

Mary Wood, the fifth teen leader, is the daughter of Mr. and Mrs. Clarence Wood, 646 Flanders St., with five years of clothing experience and one year of knitting experience with 4-H. Mary's costume for the treasure hunt is a red and white sailcloth pant suit with a vest of red and white print on one side and a reversible red lining. The pants are of red. She made a white perma-press blouse with balloon sleeves and a stand-up collar to complement the bright suit.

Mary's knitting project is a vest of the pattern of Barbara's and Cathy's, but Mary has chosen to do hers in a medium blue shade. The girls intend to end the treasure hunt for the families with refreshments; a large pirate's cake, coffee and punch will be the plund-

er for the treasure hunters. The refreshment table will carry out the theme of the evening with a large treasure chest adorning the center, with green, white and gold decorations.

Other hard-working members of the Gingham Belles who will be displaying their clothing at the Beach school are Martha Blanchard, Beth Clark, Mary Clark (also in the knitting division), Chris Duerr, Jane Ewald, Lou Ann Hankerd (also in the knitting division), Liz Haselschwardt, Erin Headrick, Terri Jones (also in the knitting division), Lori Klink (also in the knitting division), Kim Lyle, Suzanne Morrison, Julie Pennington, Julie Proctor, Lori Proctor, Karen Romine, Kathy Rybka, (also in the knitting division), Sharon Schiller (also in the knitting division), Beth Tobin, and Karen Tobin.

Grievance Summary Briefs Must Be Filed By March 6

Friday, March 6, is the deadline for the filing of summary briefs by the Chelsea Education Association (CEA) and the Chelsea Board of Education in connection with the three grievances which were turned over to the American Arbitration Association for binding arbitration last month.

A hearing on the three grievances filed by the CEA on behalf of three Chelsea educators was held Thursday, February 12 in the board room of the Chelsea High school. M. David Keefe, an arbitrator by profession, heard the three grievances during the day-long session.

Keefe, who was chosen by both groups through a selection process set up by the American Arbitration Association, set the March 6 date for the written summations. Each side must file a separate brief for each grievance.

Filing the summations for the teachers will be two of the CEA negotiators, Leonard Solomon and Mary K. Weber. The Board of Education is represented by Thomas Nordberg of the Lansing firm of Thrun & Thrun.

Keefe is not required to answer the written summations for 30 days after the March 6 filing date. The three grievances, which were filed originally in November and December, involve disputes over the use of business days allotted to teachers, and a question of an alleged overload in a teaching assignment.

Lawrence Lonsway, who filed his grievance Nov. 26, and Dennis Raymond, who filed Dec. 5, both are questioning the right of the board to withhold payment for days taken by them, which were deemed not business days by the board and therefore subject to pay penalty for absence, but were classified as business days by the two.

Douglas Matz, who filed his grievance on Nov. 20, charges an alleged overload in his teaching assignment. He claims that he was given two planning periods last year, and according to Article V, Section A 3b of the Master Agreement, is entitled to the same this year. The board claims that only one period for planning was allotted to Matz, the time in dispute, the board claims was travel time between two schools, allotted because of the difference in the time schedule of the two schools.

Binding arbitration is the final step in the procedure for a teacher with a grievance.

Boy Scouts Hear Soap Box Derby Plans

The thrill of soap-box derby racing was illustrated for a dual meeting of Scout Troops 425 and 476 on Tuesday night, Feb. 24 by Warren Wright of the Ann Arbor Jaycees.

Wright showed the more than 75 boys movies of the Akron, O., 1969 Soap Box Derby. Wright presented the movies and passed out information on the 1970 derby to be held locally in the near future. Wright noted that the Jaycees and Rumpy Chevrolet in Ann Arbor would be co-sponsors of the event. The boys were invited to attend a clinic to be held this Saturday, Feb. 28 at 1 p.m. at Rumpy Chevrolet.

Wright also showed movies of the German International Derby.

Boys were also entertained by Patrolman Louis Schneider, who presented a demonstration speech on narcotics. Schneider's presentation is laced with demonstrations and vivid descriptions of the symptoms and ills of drug abuse. He has presented the talk to several area groups and is available by calling the Chelsea Police Department.

Both troops also attended the Winter Events at Whitmore Lake.

The troops noted that they would like to thank the area merchants who aided them in all ways during Boy Scout Week, and who continue to help support the scouts throughout the year.

The troops decided that the window displays in Foster's Men's Wear window were a success and were grateful for the opportunity to set the display in the window.

Scouts were pleased with all those who helped sponsor the full-page advertisement for scouting in The Standard, commented James Brannham, scoutmaster of Troop 425.

District Court Proceedings

Lloyd Rondo, Whitmore Lake, appeared before District Court Judge Patrick Conlin Tuesday, Feb. 24 and was found guilty of impaired driving and paid a total of \$125 in fines and court costs.

In other action on Wednesday, Feb. 25 Michael Paul Root of Ann Arbor pleaded guilty to malicious destruction of property under \$100. He will be sentenced March 23.

Percy Budreau of Trinkle Rd., plead guilty Wednesday, Feb. 25 to impaired driving and was fined and paid court costs totaling \$75.

In Dexter, on Friday, Feb. 20, Kenneth Sand was found guilty in the district court of speeding 55 mph in a 30 mile an hour zone. He paid a fine and court costs of \$80.

Firemen Called For Two Blazes

Fire trucks were called out Thursday, Feb. 19 at 6:30 p.m. to the property of Charles Slocum on Old US-12 West. There was a fire which caused considerable damage to a building on the property. The fire was apparently caused by an over-heated furnace. 14 men and four trucks were called to the scene. The fire took about two hours to extinguish.

A fire at the Jack H. Van Gorder property on Island Lake Rd., was reported Sunday, Feb. 22. Firemen extinguished a fire in a barn on the property, which contained bale hay, oats, and some shelled corn. There were some sheep in the barn, but they were excited without damage. There was no house on the property.

Gasoline trucks dangle an iron chain behind them to ground static electricity created by sloshing of the liquid.
