Memorial Day Services Slated At Cemetery

Gen. Dwight Beach Will Deliver Principal Address Following Parade

Gen. Dwight E. Beach will address the citizens of Chelsea at Oak Grove Cemetery, Saturday, May 30 at the Memorial Day Observance following the parade. The traditional parade will begin at 10 a.m. at the Municipal parking lot and will follow the normal parade route to the cemetery.

Participants in the parade will include representatives of the American Legion and VFW, the high school and junior high bands, the firing squad, representatives from the local Boy and Girl Scout troops, and village children on their bicycles.

Master of ceremonies for the program at the cemetery will be Ray Lutovsky. The Rev. Daniel Kelnin will give the invocation and benediction, and Duane Weiss will act as Officer of the Day.

Track Team Places Second In Conference

Chelsea's track team went into the Southeastern Conference Meet Thursday, May 21, hoping to prove that despite having had to forfeit some meets earlier in the season because of an ineligible athlete, it was still one of the better teams of the conference, and emerged holding tight to second place; its 48 point team total setting that question for good.

Final standings in the eight-team meet were: Saline, first with 55 points; Chelsea, second with 48; Milan, third with 31; Dundee, fourth with 22; South Lyon, fifth with 20; Dexter, sixth with 19; Novi, seventh with 15; and Lincoln, eighth with 14.

Chelsea tracksters helped wipe out five conference records on a lightning fast track, as Jim Wojcicki took the pole vault record at 12' 9" erasing the old mark of 12' 7" set in 1966 by Todd Karner of Dundee, and the mile relay team of Dan Hoover, Dave Buxton, Mike McGinn, and Kim Aronson won in 3:30.9 bettering the old record of 3:35.7 set back in 1965 by a Lincoln team.

Mark Collins of Chelsea placed third in the long jump while Randy Seitz was fourth in the shot put.

The 880-yd. relay team from Chelsea placed third.

Mike McGinn was second in the 880-yd. run and George Cameron was fifth. Dave Buxton was second in the mile run and Dave run with a time of 2:00.5.

Lary Gorton placed fifth in the low hurdles in 21.9 seconds. Chelsea had qualified eight athletes for the meet, the same eight who has previously qualified for the State Meet last Saturday in Lansing.

In Saturday's State Meet, the track team was only able to garner two points for a ninth-place finish in the mile relay as the team of Jim Wojcicki, Dan Hoover, Mike McGinn, and Kim Aronson finished in 3:32.1. Coach Bert Kruse made the following statement as he ended the 1970 track season: "In general, we had a successful season. Had it not been for the forfeits, we would have had an 8-1 dual record; however, as it now stands, we ended the season with a 2-7 (Continued on page five)

Other Chelsea athletes participating in the meet and placing were: Jim Wojcicki, second place in the pole vault with his jump of 12' and fifth place in the high hurdles at 16.5 seconds. Senior Mike McGinn closed out his high school track career by taking a third place in the 880-yd run with a time of 2:00.5.

Chelsea had qualified eight athletes for the meet, the same eight who has previously qualified for the State Meet last Saturday in Lansing.

BOYS STATE DELEGATES: Three Chelsea area boys will attend the 33rd annual American Legion Wolverine Boys State Assembly convening in Lansing during the week of June 17-24. From left to right, they are John Bennett and Rick Smith, sponsored by the Herbert J. McKune Post 31 of the American Legion, and John Dettling, sponsored by the Chelsea Kiwanis.

Three Boys Chosen Delegates To Wolverine Boys State

The 33rd American Legion Wolverine Boys State Assembly, which will be held on the campus of Michigan State University between June 17-24, will convene with three local Chelsea boys participating. Activities of the mythical 51st state will be centered in Brody Hall and Jenison Men's Gymnasium and Fieldhouse.

Chelsea area representatives include John Bennett, son of Mrs. Josephine Bennett, of 1215 Meadow Lane; Rick Smith, son of Mr. and Mrs. Charles Smith, of 6693 Lingane Rd.; and John Dettling, son of Mr. and Mrs. John Dettling, of 340 Pierce. Both John Bennett and Rick Smith will be sponsored by Herbert J. McKune Post 31 of the American Legion, while John Dettling will be under the sponsorship of the Chelsea Kiwanis Club.

The boys will assemble as private citizens at 9 a.m. Wednesday, June 17. The American Legion Wolverine Boys State is not a schoolroom activity, but has been designed as a practical experience session in the problems of self-government as it is operated in Michigan. It is not meant to take the place of civics or government classes as they are taught in the formal classroom. This is done through actual control of city, county, and state offices as organized by these young men during their stay at the mythical 51st state.

Delegates to Wolverine Boys State are chosen on the basis of good sportsmanship, high moral character, and potential leadership qualities. The main purpose of the sessions is to develop these qualities. The American Legion lists seven

qualifications used in the selection of delegates. They include: 1) good character; 2) mental alertness and physical cleanliness; 3) honesty and thriftiness; 4) vigor, enthusiasm, and good personality; 5) ability to get along well with others; 6) good sportsmanship; and 7) leadership ability.

During Wolverine Boys State, the delegates will be supervised by an adult advisory staff consisting of attorneys, Legionnaires, teachers, and interested friends who have been chosen for their interest and devotion to boys work. They will coordinate and direct the various general activities. Students from colleges and universities across the state will act as counselors to the delegates.

During their week at Boys State, the delegates will organize their own executive, legislative, and judicial divisions under the competent supervision of executive counselors.

Each day at Boys State has been carefully planned. Opening Day, June 17 will be devoted to orientation of delegates and to getting acquainted. Representatives of city area offices

will be present for discussions with the boys. City conventions will be held in the afternoon of the second day, and nominations for city offices will be made. On Tuesday, Election Day, the names of candidates chosen the day before will be placed on voting machines from the Lansing area and regular election commissions will be organized to oversee the actual election procedures.

On Saturday, June 20, the campaign for state offices will begin. Posters and banners will hang from every conceivable place. Campaign speeches, caucuses, and group meetings will be held in preparation for the election. Sunday evening, the gala night of Boys State will herald the inauguration and swearing in of the governor of Boys State by a prominent state official.

Throughout their week at MSU, the delegates will have much to keep them occupied. In addition to a full schedule of government activities, MSU has made available their athletic facilities for the boys. There will also be a band, a daily newspaper, "The Whirljig" to report activities, and a yearbook to highlight memories of the week's experience.

Sunday, June 21 will be Visitors Day where parents and friends may visit the delegates. Activities of Boys State are under the direction of the state commander of Boys State, F. Garrit Veldman from Muskegon. There is no limit to the number of boys who may be sent by an individual city, town, or village. Sponsorship entails a \$65 charge per boy and any civic group may decide to participate.

Michigan was one of the first states to become involved in this excellent method of training young men for responsible positions of leadership in their community and state governments and still boasts one of the finest Boys State programs found anywhere in the country.

Fall Kindergarten Pupils Should Be Registered Now

Principals of the North and South Elementary schools again urge parents who will have a kindergarten starting school in September to register him now to be sure of placement in the fall. Also, the principals need a nearly accurate count of these children to plan for the number of classrooms and number of teachers needed.

If you have a child of this age group and have not already registered him or her, please call the South school very soon at 479-5891.

Absentee Ballots Available for Election
Absentee ballots for the upcoming June 8 annual school board election will be available in the Administration Building at Chelsea High until 4 p.m., Friday, June 5.

Third Rural Mail Route Starts Monday

On June 1, Rural Route No. 3 will be added to the Chelsea Postal Department's mail delivery facilities. A great deal of speculation has caused The Standard to attempt to clarify exactly what this addition will mean.

Postmaster Schauls has emphasized that the rural routes will not encompass territory presently covered by other postal systems. "Rural Route No. 3 will merely help relieve the congestion of our already overburdened existing two routes. The three divisions will be as follows: Route No. 1 will cover the area south of town; Route No. 2 will cover the lake region east of town; and Route No. 3 will handle the area north of town."

Grass Lake residents will not be affected by this shift. They will retain their existing service out of the Grass Lake Post Office. Schauls said that at the present time he will not be adding any additional manpower and as yet has not received the authority to hire a new rural carrier. "For the time being," he said, "sub-carriers will handle the route."

He went on to make the following request of present rural route customers: "Due to the rearrangement of the present postal routes and the addition of the third route, effective May 30, all patrons should check their boxes and make sure their box number is attached so it will be visible to the carrier as he approaches the boxes on his line of travel."

"In cases where the boxes are grouped together, the number should appear on the front lid of the box. The routes have been rearranged so that no boxes need be moved. Even though the routes (Continued on page three)

Electrical Storm Knocks Out Part Of Power System

Due to an electrical storm. Friday, May 22, power in one section of Chelsea was off until Saturday morning.

Four transformers affecting Van Buren St., parts of Orchard and Summit Sts., and Sibley Rd. were knocked out by the severe storm.

Work crews from the Chelsea Electric Light & Water Dept. began repair work shortly after 11 p.m. Friday and by dawn Saturday had restored some power. All power was restored before 9 a.m. Saturday.

Administration Charged with Being Derelict in Not Helping Defendants

On Wednesday, May 20, an open public hearing was held by the Chelsea Board of Education in which an administrative decision to release Richard Bareis, head wrestling coach at Chelsea High, was challenged by the Chelsea Education Association.

This hearing marked the second time this year that a head coach at Chelsea High had been relieved of his duties by an administrative decision and a hearing held on the matter.

Head basketball coach Jon Schaffner had been granted a closed board hearing several weeks ago following his dismissal as coach by the administration. In that case, the board of education upheld the administration's decision and the facts of the case were not made public.

However, with the open hearing for Richard Bareis, it is possible to report the case as it now stands. It should be noted that no official decision has as yet been made by the Chelsea Board of Education.

What follows is a condensed version of the hearing. Following his notification early in May that he was not to be retained as head wrestling coach, Richard Bareis through the grievance Committee of the CEA, requested a board hearing. This was granted him according to the provisions of the master contract.

At the opening of the hearing, Board President Irwin read aloud the two administrative evaluations—by Chelsea High Principal, Charles Lane and Assistant Principal, Bryce Fauble—made on Bareis and then opened the meeting to Bareis and Ed Lathon, his counsel, for a defense.

Within the evaluations were five explicit criticisms, namely: 1) that Bareis did not back up administrative decisions and thus demonstrated poor judgment; 2) that he refused to demonstrate the responsibilities of a coach; 3) that he showed a lack of enthusiasm for his position; 4) that he demonstrated a lack of knowledge about the subject; and 5) that he did not maintain firm control of his team members.

Before beginning his defense of Bareis, Lathon asked four questions of the administration. They and the responses he received to them seem to be significant in the light of the fact that Article XII of the Master Contract, covering probationary teacher evaluations states, "At the second and third evaluations of probationary teachers, the teacher may request a representative of the Association to be present at the required conference with the evaluator."

Question No. 1: "Was Coach Bareis ever told why he was being dismissed prior to that dismissal?" Response: "No."

Question No. 2: "Was any conference held prior to this dismissal which would lead Bareis to anticipate the possibility of a dismissal?" Response: "Yes, but not until after wrestling season ended."

Question No. 3: "Were any conferences held during the wrestling season so that specific suggestions could be made to help him improve?" Response: "No."

Question No. 4: "Did the administration ever establish a policy or procedure for the evaluation of coaches aside from that conducted under Article XII of the Master Contract?" Response: "No comment."

Following this, Lathon proceeded to go through each of the five criticisms set forth in the administrative evaluations and illustrate what he believed to be their arbitrariness.

To the first criticism regarding Bareis' failure to back up administrative decisions and thus demonstrating poor judgment, evidence was brought forth to indicate that while it was obvious there were personal disagreements between Bareis and one member of the administration, at no time did he fail to support his superiors, whether he agreed or not. One case in point involved an administrative decision involving a student wrestler who had completed the wrestling season and was therefore eligible for a varsity letter, but was refused one when he got in trouble after the season ended. At this point, Bareis disagreed with the administrative decision, but nevertheless backed it up.

To the second criticism namely that he failed to demonstrate the responsibilities of a coach, Lathon pointed out that the dispute seemed to center around an administrator's dislike of his using a widely-accepted method of deciding who would attend wrestling meets, known as "wrestle-fests," and also charged that he failed to take proper care of wrestling equipment. Lathon said that "this might well be leveled against all coaches in the system leading one to believe that the failure is perhaps less with the individual coach than with the system that has no over-all organization established regarding care of equipment."

To the third criticism, that Bareis showed a lack of enthusiasm, Lathon argued that it is possible since enthusiasm is not necessarily a tangible quality. What passes for lack of enthusiasm by one person might simply be deemed as "strategy" by another, Lathon contended. (Continued on page three)

Pamela Czarnecki Granted Hearing Before Board

A show cause hearing in the case of Czarnecki vs. Chelsea Board of Education was held in Circuit Court in Ann Arbor, May 26. While Judge John W. Conlin did not grant an injunction forcing the board to readmit Pamela Czarnecki, 17, daughter of Mr. and Mrs. Lester Czarnecki, of 142 00 Jerusalem Rd. to Chelsea High where she is a senior, he did insist that another closed board hearing be held tonight (Thursday, May 28) and that she be allowed to present witnesses and have a court stenographer present.

The Czarnecki girl had been expelled from school last month following an episode at the school which led to her arrest as a disorderly person. The case is still pending in court and will not come up for trial until July 8.

Bulldog Baseball Team Defeated By South Lyon

Chelsea Bulldogs baseball team lost Thursday night in its conference game against South Lyon, 5-2 and dropped to fifth place in the league.

Jaycees, Auxiliary Hold Joint Installation Program

The Jaycees and their Auxiliary held their joint Installation and Awards program on May 23 at Bill Cones in Jackson. Dick Smith from Howell, Jaycee District No. 29 vice-president for 1970-71, was the master of ceremonies.

Mrs. Thomas Thalner presented a brief year's report and installed the new Auxiliary board members. They include Mrs. Walter Brown, treasurer; Mrs. Dan Eder vice-president; Mrs. Mike Eubanks, secretary; Mrs. Mitchell Zink and Mrs. Gale Rouse, directors.

Mrs. Art Steinaway, State Auxiliary president, installed Mrs. Robert Updegraff as the new president.

Auxiliary awards were then presented Sparkettes—Sue Zink, Dolly Verwey, Judy Eubanks, Shirley GreenLeaf, Judy Rouse, and Darlene Eder.

Sparkettes Judy Thalner, Sandy Brown, Margot Koehn, and Jan Proctor received first-year awards; Barb Updegraff, a third-year award; Anne Steinaway and Donalene Blough each fourth-year awards.

DAN EDER holds the trophy he received Monday night, May 25 as Chelsea Jaycee of the Year. (Continued on page three)

Washington Report
 by Congressman **MARVIN L. ESCH**

The House has scored a major victory for privacy and decency by taking further steps to prevent unwanted snuff from being mailed to our homes.

The bill, which still must be approved by the Senate, is along the lines I proposed two years ago.

It provides heavy criminal penalties for persons who:—Mail obscene material to any home with children under 17. —Send snuff to families who have asked the Postmaster to place their names on a list certifying that they do not want to receive such mail. —The law passed in 1967, which I strongly supported, permits persons who receive unsolicited snuff to request that their name be taken off the sender's mailing list or any list under his control.

Essentially what we have done now, and it should have been done long ago, is to provide punishment severe enough to deter snuff peddlers from further disregard of the privacy and sanctity of the American home.

Persons who violate the two major provisions of the House bill are in jeopardy of receiving a \$5,000 fine or five years in prison or both for the first offense. Everything is double for the second offense.

Uncle Lew from Lima Says:

DEAR MISPER EDITOR: The older a feller gets, Mister Editor, the more he thinks about doctors and hospital bills. I don't know if it was the years they is carrying or the times they is living in that got the fellers talking about the cost of getting sick these days. Anyhow, the subject come up and was give a going over Saturday night at the county store.

There was Ed Doolittle, that reported he had saw where hospital bills was going up to \$200 a day by 1975. And in the same paper, Ed allowed, he saw where doctors is treating folks over the telephone. The more you pay the less you git for yore pains, was Ed's words.

Clem Webster said he would like to point out to old Ed that he ain't saw where a single solitary service or anything else has got cheaper under the Republicans. About the closest thing to progress in the inflation war he has saw, allowed Democrat Clem, is where the Administration sees rising unemployment as a healthy sign. Ed got back to his report by halfway agreeing with Clem. He said a feller can't afford to live, git sick or die in this day and time. But Ed said he is going to be powerful sick

before he phones up a doctor fer treatment by long distance. According to this piece Ed read, a doctor can set in front of a machine, feed in the patient's report and come up with what ails him.

"Anybody that can git a telephone and one of them diagnosing machines second hand can go in business, allowed Ed. You can call on any doctor, he tells you to take yore pulse and temperature, breathe deep and cough, stick out yore tongue and tell him where yore hurt." He reads his machine and tells you to drink plenty of liquids and git plenty of rest. And that'll be \$20, please. A bed in a hospital at \$200 a day will be a bargain when a feller has to pay good money to examine hisself long distance, was Ed's words.

Zeke Grubb was of the mind Ed and Clem was too hard on the doctors. He said all us old fellers has got a sad case of what the experts has started to call "defensive living." Zeke said that is like defensive driving, except that instead of looking out for the other driver, we is trying to stay one step ahead of old father time.

Fer instant, went on Zeke, when a feller gets too old to fight he learns to put up a better argument. That's defensive living. Remembering where you left yore teeth and yore bifocals is defensive living, writing down what you could keep in yore head easy 30 year ago, and learning to git through the day without having to bend over and pick up somepans is defensive living, went on Zeke.

Personal speaking, Mister Editor, it looks like Zeke's defensive living is jest doing the best you can with what you got left.

Yours truly,
 Uncle Lew.

Stock, Bond Issues OK'd for State's Major Utility Companies

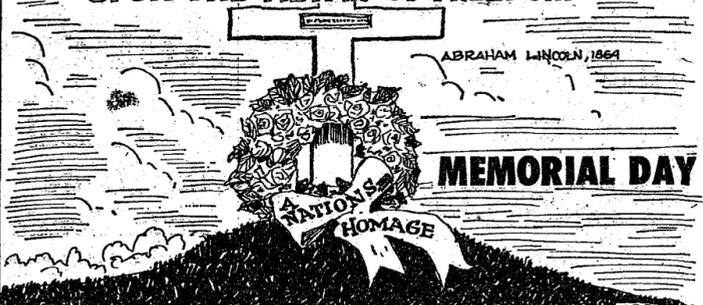

Lansing—Sale of more than \$100 million in stocks and bonds by two of Michigan's major utility companies was approved recently by the Public Service Commission (PSC) of the Michigan Department of Commerce.

The PSC authorized Consumers Power Co. of Jackson to sell \$60 million in first mortgage bonds and 1,204,988 shares of \$10 par value common stock to finance part of its 1970 capital outlay program. The utility expects to spend an estimated \$230 million this year to improve and expand its facilities.

Michigan Consolidated Gas Co. of Detroit, was authorized to issue \$300 million in first mortgage bonds to retire \$5.5 million in short-term notes and to finance part of its 1970 construction program.

Drug Fight Starts
 A newly launched fight against drug abuse in Michigan shifts into high gear.

Dr. Thomas Stachnik takes over as director of the Governor's Office on Drug Abuse, an office created earlier this year by Gov. William G. Milliken.

The office began operation with just two persons earlier this year, former Grand Rapids newspaperman Alex Laggis and Betty Tableman, a veteran state employee.

Laggis explained that the office instead of becoming a separate operation, at first was considered as a possible addition to an existing department or agency.

"But drug abuse is a little bit of everybody's problem," he said. "I suppose it could have gone to Public Health, Mental Health, Corrections or Law Enforcement. But it doesn't really fit in with just one department."

The main purpose of the office, Laggis explains, is to carry the fight against drug abuse by coordinating a massive state-wide program aimed at educating Michigan citizens and encouraging and developing community programs.

It already has produced and begun distributing a 30-minute film detailing what other communities are doing about drug abuse.

Laggis also had to sift through reams of booklets and pamphlets about drug abuse published by various sources.

"A lot of this literature is pretty terrible," he said. "Kids who know anything at all about drugs will look at something like this and laugh. They know what it's all about."

The office also is setting up a speakers bureau to recommend speakers "who know what they're talking about and how to say it."

Ag Forum Set For Milan by Cong. M. Esch

Congressman Marvin L. Esch (R-Mich.) revealed plans today for a district-wide Agricultural Forum.

Said Esch, "The Forum will enable constituents with agricultural interests to express their views on farm problems and to hear reports on agricultural activities from federal experts."

Esch will sponsor the Forum as he has in the past and will participate fully. He has also sponsored Youth Forums on two occasions, the most recent being last December in Ypsilanti.

This year's Agricultural Forum will be an informal session with an emphasis on exchange of views and information. It will be held from 7:30 p.m. to 10:30 p.m., Friday, June 5, in the auditorium of Milan Middle school, 1500 Herd St., Milan.

Said Esch, "We have many big national problems that affect all people. But individual groups, such as agriculture, also have their own set of problems and concerns that must be considered with precision and in detail."

Therefore, I cordially invite all persons in the Second Congressional District with an interest in agriculture to attend this meeting. The District consists of the counties of Monroe, Lenawee, Livingston, and Washtenaw, the city of Plymouth, Plymouth and Northville townships."

"Everyone who attends will have an ample opportunity to participate in a free flowing discussion of farm matters with me and the federal experts in attendance. I will speak on farm legislation and other major issues."

Esch said, "Two federal experts will address the gathering. Doven Deihl, State Executive Director of the ASCS in Michigan will speak on price supports, along with exports and imports."

"Frank Pollard, Specialist in Rural Housing and Community Facilities with the U.S. Department of Agriculture in Washington D. C., will speak on rural development and farm ecology."

Abortion Fight Vowed
 Legislative supporters of abortion reform legislation, rebuffed by the state Senate in the efforts, have vowed to take their fight to the people in this year's election.

"Gentlemen, if you think this issue has been laid to rest, you are in for a rude and frightening awakening," vowed Sen. N. Lorraine Beebe, R-Deerborn, a leading proponent of liberalized abortion laws.

Mrs. Beebe, the Senate's only woman member, told her fellow lawmakers, "people, especially women, do not forget."

This is going to be a major issue in the primary and general elections, and women have declared war," she said angrily.

Sen. Gilbert Bursley, R-Ann Arbor, who was sponsor of the bill which was defeated in the Senate, says reform advocates are "spreading the word" on which seats to go after.

"It's reasonable to assume at least half a dozen new faces in the next year, and we want to make sure they are on our side," he said. "Those wanting abortion changes will make their voices heard between now and the election. There will be strong campaigns going on to unseat opponents."

Defeat of the bill was especially bitter for both Mrs. Beebe and Bursley, since they had devoted much of the past year to coming up with a bill they thought would be acceptable.

Former Wyoming Mayor Appointed To LCC Position

Lansing—Gov. William G. Milliken has appointed Edward F. Wiest of Wyoming to the Liquor Control Commission of the Michigan Department of Commerce.

Wiest, former mayor of the City of Wyoming and presently an insurance agency executive, succeeds the late Vincent O'Neill of Grand Rapids for the remainder of a term expiring June 12, 1971. Senate confirmation is required.

Wiest was mayor of Wyoming from 1963 to 1969 and since 1963, has been a member of the city's planning commission and since 1965, has served on its industrial relations commission.

Said Esch, "We have many big national problems that affect all people. But individual groups, such as agriculture, also have their own set of problems and concerns that must be considered with precision and in detail."

Therefore, I cordially invite all persons in the Second Congressional District with an interest in agriculture to attend this meeting. The District consists of the counties of Monroe, Lenawee, Livingston, and Washtenaw, the city of Plymouth, Plymouth and Northville townships."

"Everyone who attends will have an ample opportunity to participate in a free flowing discussion of farm matters with me and the federal experts in attendance. I will speak on farm legislation and other major issues."

Esch said, "Two federal experts will address the gathering. Doven Deihl, State Executive Director of the ASCS in Michigan will speak on price supports, along with exports and imports."

"Frank Pollard, Specialist in Rural Housing and Community Facilities with the U.S. Department of Agriculture in Washington D. C., will speak on rural development and farm ecology."

Formal Fight Vowed
 Legislative supporters of abortion reform legislation, rebuffed by the state Senate in the efforts, have vowed to take their fight to the people in this year's election.

"Gentlemen, if you think this issue has been laid to rest, you are in for a rude and frightening awakening," vowed Sen. N. Lorraine Beebe, R-Deerborn, a leading proponent of liberalized abortion laws.

Mrs. Beebe, the Senate's only woman member, told her fellow lawmakers, "people, especially women, do not forget."

This is going to be a major issue in the primary and general elections, and women have declared war," she said angrily.

Sen. Gilbert Bursley, R-Ann Arbor, who was sponsor of the bill which was defeated in the Senate, says reform advocates are "spreading the word" on which seats to go after.

"It's reasonable to assume at least half a dozen new faces in the next year, and we want to make sure they are on our side," he said. "Those wanting abortion changes will make their voices heard between now and the election. There will be strong campaigns going on to unseat opponents."

Defeat of the bill was especially bitter for both Mrs. Beebe and Bursley, since they had devoted much of the past year to coming up with a bill they thought would be acceptable.

GORDON J. BEEMAN, son of Mr. and Mrs. Wilbur Beeman, of 15836 Waterloo Rd., Waterloo, completed basic training and AIT school at Fort Knox, Ky., on April 17 and has been assigned to the Adjutant General's Corps at the Pentagon in Washington, D. C. He is a 1964 graduate of Chelsea High.

CEA Files Grievances ...

(Continued from page one)
To the fourth criticism, that he demonstrated a lack of knowledge about the sport, Lauhon pointed out that while the administration was well aware that Bareis had had no experience and little knowledge of the subject when he was given the job a year ago, he did attempt to educate himself in the area by attending a wrestling camp for a week last summer, attending four wrestling clinics, attending a rules meeting in Lansing, and reading several recommended books on the subject. In addition, he and assistant coach Doug Matz, who is and has been active in A.A.R. wrestling and is on accepted authority on wrestling, worked out a co-operative method of handling the sport so that Matz would instruct in technique while Bareis handled administration. Called as an expert witness at the hearing, Matz testified that in his opinion "Bareis did all that could be expected of anyone in his position."

Finally, to the criticism that he did not maintain firm control of team members, Lauhon pointed out that it was, in fact, an administrator, and not Bareis, who weakened his position of authority with the boys in at least several documented areas. On one occasion, it was said that a wrestler wanted to drive to a meet, and when Bareis refused him permission on the grounds it was against school rules, an administrator granted the permission.

fense, Lauhon redirected the board's attention to a statement in the Master Contract which states, "In order for the board to reverse the decision of an administrator, the defendant must show that the evaluation is arbitrary or capricious."

Lauhon contended that since the administration had failed to meet with the defendant, discuss his supposed weaknesses with him, and attempt to aid him in improving, they were derelict in their duties as administrators. To this, the administration responded that they did not feel the contract required them to take any of the steps suggested by Lauhon's earlier questions.

"Under Article XIII, 'Grievance Procedure,' it says, 'failure to re-employ, any teacher to a position on the extra-curricular schedule by notice given prior to May 15 of the preceding school year or at any time during the first or second year of the position is grounds for a grievance.' Therefore, the administration contended that since it notified Bareis prior to the May 15 date, he had no grounds for complaint. Lauhon contends that the hearing demonstration they are 'grieving not the dismissal, but the administration's failure to evaluate.'"

Throughout the entire hearing, no member of the board of education questioned either the administration or Bareis. They now must take the matter under advisement and reach a decision within the next few days whether to back the administration or require the coach in question if the administrator's decision to release him can be termed "arbitrary or capricious."

In an interview with The Standard following the hearing, Lauhon stated that "three grievances have been filed in this matter and are due to be acted upon in the next few days. One concerns Jon Schaffner, the first teacher evaluated this way; the second concerns Richard Bareis; and the third is on behalf of the entire CEA for all the coaches. Our purpose in doing this is to bring to light the failure of the contract to cover this type of situation and the subsequent failure of the administration to pick up where the contract leaves off and create policies that are obviously badly needed."

As things stand now, it would appear that the major question facing the Board of Education at their meeting, is not so much whether Richard Bareis is a good or bad coach as it is what must be done to define those sections of the contract which need further clarification.

DICK SMITH, vice-president of District No. 29, from Howell, Art Steina-way, incoming president of the Chelsea Jaycees; **Walt Brown**, outgoing president; and **Pat Nowak**, outgoing state Jaycee president, from Westland, appear at the Monday, May 25 Joint Installation and Awards Program.

Jaycees, Auxiliary Hold Joint Installation Program

(Continued from page one)

Outstanding Project Certificate for her excellent handling of the District Bowling project.

Mrs. Art Steina-way received an Outstanding Project Certificate for her Voters Registration project this past year and Mrs. Walter Brown received the local Outstanding Jayceette Award and a plaque for placing 11th in the state final judging.

Mrs. Robert Updegraff was presented her own personal gavel by Mrs. Thalner.

Mrs. Steina-way then presented Mrs. Thalner with her own gavel to remember her year as president, in appreciation for the support given this past year.

Also an award album was given to the local chapter in appreciation of their support during the past year.

Mrs. Thalner received a charm bracelet and charm from the Auxiliary.

Dick Smith installed new local board members. They include Thomas Steele, treasurer; Dick Stoll, external director; Neil Packard, secretary; Neil Fahrner, publicity; Barry Boone, internal director; Si Hopkins, internal vice president; Mike Eubanks, member-ship director; and Glen Weir, external vice-president.

Pat Nowak, 1969-70 state Jaycee president installed Art Steina-way as local president and challenged the Jaycee chapter to active participation.

Walter Brown presented all outgoing officers with past officers pins and received his past president's pin from Art Steina-way. Ed Greenleaf, awards chairman, and Walter Brown, then presented the Jaycee awards.

Si Hopkins received the Project of the Year award for Stock-bridge Extension.

Dave Martin, and Robert Updegraff received Outstanding Project Chairmen for their Chicken Bar-B-Q chairmanship.

Mitchell Zink received an Outstanding Committee award for Publicity this past year.

Don Robessah, last year's Outstanding Spoke, or new member, presented the award to Mike Eubanks, this year's Outstanding New Member.

Art Steina-way presented the Outstanding Young Man's Award to Dan Eder.

Ed Greenleaf presented the Ron Eder Memorial Award. This is a new award given by Dan Maroney in memory of Ron Eder, who is presented to the local Chelsea Jaycees who best represents what Ron believed in and is actively concerned with the Chelsea community. This award was presented to Walt Brown.

Presidents Key Awards were presented to Ed Greenleaf and Robert Updegraff as well as plaques to each local member by Brown.

Special recognition was given to each Auxiliary member for support and assistance given this past year. Mrs. Thalner and Mrs. Brown both received special plaques.

Mrs. Updegraff presented the Auxiliary with a State Creed Banner for assistance on the Bar-B-Q.

President Steina-way presented Brown with a special plaque as his Best President's Remembrance. Pat Nowak, Michigan Jaycee president, gave the principal address of the evening complimenting the No. 1 chapter in the state and recognizing their many

achievements. He also issued some challenges for the new year to strive to pass on leadership to the new members and to keep up involvement and not to stop now but to strive for higher goals all the time.

Two Pay Fines On D&D Charges

Following a quiet week, the Chelsea Police Department reported two arrests late Monday night, May 25.

Patrolman Pebbles arrested Robert J. Smith, 27, of 11601 US-23, Whitmore Lake and Herbert A. Buit, 30, of 9760 Marshall Rd., South Lyon, on a charge of being drunk and disorderly. Both men were conveyed to the County Jail by county car where they remained until this morning when they were arraigned before Judge Patrick J. Conlin of the 14th District Court and pled guilty. They each paid \$35 fine and costs.

South School Chorus Prepares Program

The fourth and fifth grade choruses from South elementary school will present a program Thursday, June 4 at 7:30 p.m. in the high school auditorium.

Selections for the program will include favorite songs learned during this year, said their instructor, Miss Connie Baur. The fifth graders will entertain the public with a square dance demonstration.

The program is open to the public.

DWIGHT BOLANOWSKI walked off with first-place honors in the Senior Division of the Civitan Talent Show Saturday, May 23 as he entertained the audience with his organ solo.

DAVID WIREMAN and his guitar captured first-place honors in the Junior Division of the Civitan Talent Show held Saturday, May 23.

Civitan Club Amateur Show Presents 16 Varied Acts

An Amateur Show, sponsored by the Chelsea Chapter of the Civitan Club, was held Saturday evening in conjunction with Youth Day of Michigan Week.

William J. Rademacher emceed the program of 16 acts of excellent talent, in both Junior and Senior divisions.

Junior division winners were: David Wireman, guitar solo, first place; Douglas Foreman, organ solo; second place; and Barby Thompson and Kathy Pierce, ballet duet, third place.

Senior division prizes went to Dwight Bolanowski, organ solo, first; Joan Youm and Becky Van Riper, dance pantomime, second; and Larry Gorton Combo, consisting of Larry Gorton on drums, Curt Winans on electric guitar, Dick Jennings on trumpet, and Susan Blaess on flute and as vocalist, third place.

Prizes in each division were \$75, \$50, and \$25; savings bonds. Judges for the event included disc jockeys Bill Bishop, radio station WAAM, Ann Arbor; Bob Bartlett, WPAG, Ann Arbor; and Larry Patton, WKHM, Jackson.

Program chairman for the show was Norman O'Connor. The Civitan Club hopes to make this an annual event for the youth of Chelsea and the surrounding area.

Ice Cream Social Follows Memorial Day Program

The Senior Youth Fellowship of St. Paul's United Church of Christ will sponsor an old-fashioned ice cream social at the church immediately following the Memorial Day program, Saturday, May 30.

Lasting between 11 a.m. and 2 p.m., the social will feature ice cream, cake, lemonade, and iced tea.

There will be pony rides for the children furnished by Tom Skit-tenhelm; balloons, games and even a baseball game.

Over-all chairman for the event is Laurie Lancaster. She is being assisted by Ann Travis, Pat and Tim Whitesall, Mrs. Toby Butcher and Judi Blaess.

Why We Never Advertise Prescription Prices

It is considered unethical for a pharmacy to advertise prescription prices just as it is for a doctor or lawyer to solicit business by advertising their fees.

When you have confidence in the pharmacy you have selected for your family because you like their dependability, you can also have confidence that they will treat you fairly. Our reputation is based on this concept of good service and fair treatment for all our patrons. We appreciate being your family pharmacy.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

Conference Meet Jaycees Selling Trash Can Liners To Village Homes

(Continued from page one) Porath was fifth in the 100-yd. dash. Kim Aronson won the 440-yd. dash while Jim Wojcicki was third and Dan Hoover fourth. Larry Gorton was fifth in the 180-yd. low hurdles and Jeff Burghard was third in the 220-yd. dash.

Chelsea Jaycees will again offer village residents an opportunity to purchase rolls of trash can liners. The Jaycees will go door to door on Saturday, June 6 selling them.

Each roll contains 100 liners and sells for \$6. They are made of heavy-duty material and may be used as curb-side, throw away garbage cans.

The Jaycees have adopted this project as a semi-annual event, but point out that the liners are available all year by calling 475-8141 or 475-8726.

To determine quality of bonded fabrics, look for a label from the Fabric Laminators Association. This association has established a product performance program based on a quality standard set by major retailers. A label sewn on the fabric or in the garment guarantees the bonding and laminating.

State Track Meet . . . (Continued from page one) record. The team finished second in the regionals, second at the Albion Relays, third in the Conference, fourth at the Michigan Center Relays, and fifth in the Parkside Relays.

"We were basically a young team this year. Out of the 20 lettermen this season, 18 were underclassmen. Hopefully they will all be back for next season so we should put together an excellent track team. We said earlier in the season that if the young crowd came along, we would have a respectable season and I am very much satisfied with their development."

TODAY'S THOUGHT

By LOUIS BURGHARDT Every American knows Memorial Day is a national holiday. We wonder though how many people are acquainted with the historical background.

It began when a group of southern women honored the dead in BOTH the Union and Confederate armies DURING the Civil War. It is believed that a Mrs. Cassandra Moncreux led the group in the ceremony of placing flowers on graves of the dead soldiers. Mrs. Moncreux was of French descent and presumably chose May 30 because that date had French significance in similar memorial purpose. May 30 was known as "The Day of the Ashes" in France, a memorial day to commemorate the internment in France of Napoleon Bonaparte who died in St. Helena.

From an initially modest and restricted ceremonial day which honored only the Civil War dead, Memorial Day now honors all the valiant men who died in the Spanish American War, World Wars I and II, Korea and Viet Nam. In our Memorial Day parades and prayers, let us hope and pray that future generations of American men will never have to die in conflict—ever again. YOUNG HOMEMAKERS
Young Homemakers Study Group met Thursday, May 21 at the Burghardt Funeral Home. Mrs. Burghardt spoke to the group and then they toured the funeral home. The group then went to the home of Mrs. Gerald Flinn where officers for 1970-71 were elected. They include Mrs. Luther Nagle, president; Mrs. Robert Heller, vice-president; Mrs. Joe Bauer, secretary; Mrs. Gerald Flinn, treasurer; and Mrs. Bill Ames, reporter.

The group's annual picnic will be held Sunday, Sept. 20, at Park Lyndon. Secretaries were revealed and refreshments were served by Mrs. Flinn and Mrs. Mike Feldkamp.

ESTHER CHAPTER
Esther Chapter of the Congregational church met Thursday, May 21 at the home of Mrs. Lyle Haselschwardt.

Mrs. Lauryn White, president, called on Mrs. Richard Smith for devotions. Mrs. Smith spoke of the church and how members should learn what they stand for and what they do and how they should involve young people as they are the future of the church.

The nominating committee submitted names of officers for the coming year. They included Mrs. Clarence Vogel, president; Mrs. Tom Harris, vice-president; and Mrs. Cora Lee Miller, secretary-treasurer.

The next meeting will be a potluck dinner at the North Lake home of Mrs. Clarence Vogel on June 11, at 6 p.m. Members are asked to bring a gift to exchange. Mrs. Haselschwardt served dessert and coffee to the group following the meeting.

SENIOR CITIZENS
45 members of the Senior Citizens met at Korner House, Thursday evening, May 21 for the May birthday potluck.

The birthday table carried out the color scheme of pink with a strawberry birthday cake made by Mrs. Mary Burg.

Each honored guest was presented with a pink carnation corsage. Those honored included Mrs. Mary Jodelle, Mrs. Irma Hart, Mrs. Mary Burg, Mrs. Anna Laban, and Mrs. Nina Greening.

John Holzshoff entertained with accordion selections including "Happy Birthday." After dinner, the group enjoyed progressive euchre. Mrs. Bernice Schneider and Mrs. Catherine Dorer were hostesses.

Mrs. Kenneth E. Craig

Mary M. Ehnis, Kenneth Craig Exchange Vows in Dexter Church

St. Joseph Catholic church in Dexter was the scene for the marriage of Mary M. Ehnis and Kenneth E. Craig of Manchester, Friday evening, May 22. The Rev. Fr. Ted Bozenski officiated at the double-ring ceremony at 7 p.m. with Mrs. Joseph Schnebelt as the organist and soloist.

Parents of the bride are Mr. and Mrs. Edwin Ehnis of 5135 Joy Rd., Dexter, and the bridegroom's parents are Mr. and Mrs. Norman Craig of 5900 Sharon-Hollow Rd., Manchester.

Wearing a Chantilly lace over taffeta dress with cage-style lace coat the bride was escorted to the altar by her father. The bodice was fashioned with a military collar and bishop sleeves with wide cuffs. The cathedral-length mantilla was entirely edged with wide chantilly lace. She carried a cascade bouquet of white Fiji mums and carnations.

Miss Marlene Holcomb, maid of honor, was dressed in a pale green chiffon over taffeta gown designed with antique waist, military collar and yoke of lace. She wore a matching lace and flower headpiece and carried a cascade arrangement of green carnations and white Fiji mums.

Bridesmaids, Miss Sharon Craig of Manchester, the bridegroom's sister, Mrs. Daniel Ehnis of Joy Rd., sister-in-law of the bride, and Miss Carolyn Ehnis of Joy Rd., niece of the bride, were dressed in pink, blue and yellow, respectively. Their flowers were identical to those of the maid of honor. Mrs. Ehnis selected a pink sheath with matching lace coat and white accessories. Her corsage was of pink carnations and white roses.

The bridegroom's mother was attired in a blue lace sheath with matching coat and white accessories. Her corsage was of carnations and white roses.

Ronald Howard of Highland served as best man and the ushers were Donald Messner of Chelsea and Daniel Ehnis, brother of the bride of Joy Rd.

A reception was held at the Chelsea Rod and Gun Club with Mrs. David Ehnis, sister-in-law of the bride serving the wedding cake, Mrs. Paul Loucks, cutting the bridegroom's cake, Mrs. James Ehnis, sister-in-law of the bride, serving coffee and punch and Mrs. Earl Miller having charge of the guest book. Approximately 300 guests were present. Music for the reception was provided by Price Brothers of Stockbridge.

St. Barnabas Episcopal Churchwomen Plan Reception for Vicar

The May meeting of St. Barnabas Episcopal Churchwomen was held Thursday, May 21 at the church.

In the absence of the president, Mrs. Robert Walz, vice-president, called the meeting to order. Minutes and treasurer's report were followed by a report on the public luncheon which was termed a success.

Mrs. Judson Goltra reported on her trip to the annual Diocese Convention held in Detroit, May 7. The speaker of the day was the Dean of Women from Kent College, Dr. Mary Ann Hicks, who spoke on "Theology Speaks to Today," and applied her remarks to the recent tragedy at the college.

Mrs. Jerrild Beaumont reported that permission has been given to clear a space in the woods adjacent to the church for an outside altar. On Saturday, June 6, a service will be held there, followed by a picnic for the Sunday school.

Mrs. Edwin Eaton, treasurer, presented the Board's recommended budget for the next year which was accepted as presented.

A reception for the Rev. and Mrs. Ladkau was planned. It will be held after the 11 a.m. services on June 28 at the church.

It was voted to hold the June ECW meeting on June 25. This is a week later than the regular meeting but it was felt that it was necessary to postpone the meeting to allow for high school graduation.

The meeting closed with refreshments served by Mrs. Jeremiah MacDougall, hostess for the evening.

What To Do When Young Children Become Destructive.

Parents should seek professional help for the child who destroys for the sake of destroying or enjoys disrupting the play of other children, says Mrs. Helen Fairman, Extension Home Economist for Washtenaw, Monroe, and Lenawee counties.

"Something has gone wrong in this child's growing-up," she says, "and unless handled with skill and deep understanding, his attitude may settle into a persistent defiance and destructiveness."

"In the case of gang misdeeds commonly committed by 10-15 year-olds, the reasons for this behavior are not hard to find. The child doesn't want to be considered a sissy. He wants to be accepted by the others so he joins them in activities, he would never dream of doing on his own."

Mrs. Fairman suggests that lessons in property value, the rights of other people, and sharing the cost of damages (out of his allowance) will help cut down on this kind of destructiveness.

"When there is an undue amount of this trouble in a neighborhood, parents would do well to examine the situation regarding their children's spare time," she adds. "Talking it over with a recreation leader, scoutmaster or church leader helps. Destructive gangs can become constructive groups with proper guidance."

WOMAN'S RELIEF CORPS
14 members of the Woman's Relief Corps traveled to the Swedish House in Jackson for dinner Monday, May 25 to honor Mrs. Harold Knott, who is leaving to make her home in Venice, Fla. The evening was later spent in visiting and Mrs. Knoll was presented with a gift for her new home.

Mrs. Anna Reichert

Mrs. Anna Reichert Will Be Honored On 85th Birthday

Mrs. Anna L. Reichert, formerly of Lima township, now residing in Detroit, will be celebrating her 85th birthday, the week-end of June 13 in Indiana. Two of her granddaughters, Mrs. Sally Tate and Mrs. Betty Crouch from Tipton and Kokomo, Ind., will be hosting the celebration.

Guests will include all members of the immediate family: Mrs. Reichert's son, Dr. and Mrs. Paul Reichert from Alexandria, Va.; her grandson, Capt. James Reichert from Fort Riley, Kans.; her daughters, Mr. and Mrs. Nat Aycock of New York City, Mr. and Mrs. William Roach and their daughter and family, Mr. and Mrs. Victor Venegas of Detroit.

Mrs. Reichert has four grandchildren and six great-grandchildren.

Watch Out for Wild Predictions

If the present trend of farmer "dropouts" continues, the last hour of farm work would be performed in 1984.

If the present trend of company mergers continues, all the large firms (\$10 million capital assets or more) would merge into one huge firm in a little more than 10 years.

Oh, yes, there's one more: If death rates continue to increase as they have been, and if we continue our present burial practices, this whole nation would be covered with cemeteries in 500 years.

Forecasting the future is fun—just as long as you don't make all your predictions on current trends. Michigan State University agricultural economists came up with the above tongue-in-cheek examples to illustrate the point.

With our big Memorial week-end coming up I am sure there will be many picnics of every style and variety. And this calls for an easy-to, easy-carry dessert. This no drip dessert, Cone-A-Cake, is great for children as well as adults. Simply bake your favorite "JIFFY" Cake Mix in flat bottomed ice cream cones, cool, frost and decorate with colorful candies.

- CONE-A-CAKE**
(14 cones)
1. Prepare your favorite favorite "JIFFY" Cake Mix as directed on package.
 2. Pour scant 1/4 cup of batter into 14 flat-bottomed ice cream cones filling a scant 1/2 full. (If cones are filled more than this batter will run over top.)
 3. Stand cones upright on cookie sheet.
 4. Bake 20 to 25 minutes. Cool, frost with "JIFFY" Frosting Mix. Decorate with colored candies. Makes 14 cones or 12 cones and 2 cup cakes.

South School Parents Hear Discussion on Drug Use, Abuse

South School Association met at South school May 21 with 58 persons present. Officer Lewis Schneider of the Chelsea Police Department, gave a program on drugs.

A business meeting followed discussion by Richard Harvey on improving the school grounds. Anyone wishing to assist on a committee to aid in this during the summer may contact Harvey at 479-4901.

Miss Weber and Mrs. Senne, teachers, gave several suggestions in which the parents might be interested. Programs for next year were discussed.

The next meeting of the group will be in September.

4-H Clubs

WATERLOO 4-H CLUB
The meeting of the Waterloo 4-H club was called to order at 8 p.m. on Thursday, May 21. Roll call was taken. There were no minutes and no old business.

Plans were made for selling refreshments on Old-Fashioned Plowing Day, May 24. There were two new members present: Linda and Cheri Oliver. A committee was chosen for planning a float for the Chelsea Fair parade.

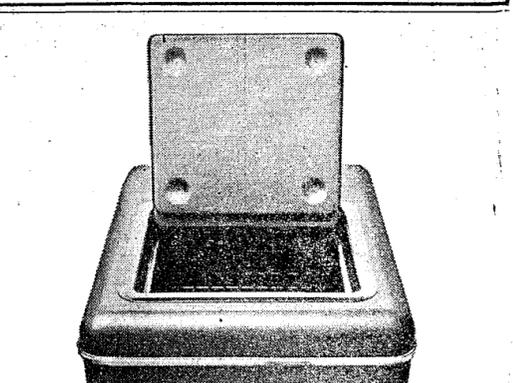

Summer sign-up sheets were passed out. The meeting was adjourned by saying the 4-H pledge. The Hansens served refreshments.

OVERLOADING COSTLY
Overloading an automatic dryer often results in incomplete drying of articles near the outside of the drum, while items near the center may still be quite damp. A crowded dryer also causes unnecessary wrinkling, especially in permanent press articles.

A Gas incinerator eliminates a lot more than trash.

It eliminates any kind of combustible trash and garbage. Even things like corn cobs, cloth and bones—things you wouldn't dare drop into a garbage disposal. It eliminates odor. Smoke. Noise. It eliminates slogging through rain and mud. Nothing else gets rid of so many different kinds of rubbish. Or so many different kinds of problems. No more risking back trouble lugging rubbish. No more pollution from burning trash outdoors. No more arguments about who carries out the trash.

In fact, no more trash problems. See your appliance dealer or contact Michigan Consolidated Gas Company about installing a Gas Incinerator in your home. Then watch your rubbish problems disappear.

Linda Brooks Is Bride of R. A. Steger

Linda Sue Brooks of Ann Arbor and Robert A. Steger, of 310 Chagdon, Chelsea, were married May 23 in an 11:30 a.m. ceremony at Sacred Heart Catholic church in Ypsilanti.

The Rev. Fr. H. G. Hungerford officiated at the ceremony uniting the daughter of Mr. and Mrs. Raymond O. Brooks, of Avoca, with the son of Mr. and Mrs. William A. Steger.

Matron of honor for the occasion was Mrs. Peter C. Flintoft while Douglas Elser of Saginaw served as best man and William Brooks, of Avoca, brother of the bride, served as usher.

Following the ceremony, the bride's parents hosted a reception at the Avoca Country Club.

Open House for 50th Anniversary

The children of Mr. and Mrs. Blane Minix will honor their parents' with an Open House celebrating their 50th Wedding Anniversary. It will be held June 7 between 2-5 p.m. at their home on Hill Rd., Stockbridge.

TIPS from TOP for your

TODDY and FRAN

June could well be named the month of gift giving. Graduations, weddings, showers, going-away parties. Gifts are on the budget, that's true, but they sometimes take the imagination equally. "So and so has EVERYTHING!" makes it difficult to think of anything new. But as always, we have a suggestion. If "so and so" is female, your problems have been solved. There's not a woman in any age bracket, any time of life, under any circumstances who doesn't want to look her prettiest. That means there's no woman who won't appreciate a gift certificate from your favorite beauty salon no matter what the event. Hopefully, that means you'll get one for the bride, graduate or traveler on your list from us...

Mrs. John Mangene

Linda Meehan, John Mangene Wed at Congregational Church

Linda Meehan, daughter of Mr. and Mrs. Julius Reule, and Patrick John Mangene, son of Mr. and Mrs. P. J. Mangene, exchanged marriage vows Saturday, May 23, at 5:30 p.m. at the First Congregational church before the Rev. Daniel Keln.

Soloist for the occasion was Wilbur Beeman. He was accompanied on the organ by David Mays as the soloist. "I'll Never Walk Alone," and "The Lord's Prayer" were the selections.

The bride's wedding gown was fashioned with a Venice lace bodice above an empire waistline. Her chapel train fell from a full floor-length skirt of silk organza. Her cathedral veil of silk illusion was held in place by a Juliet cap of peau de soie smocked and trimmed with small seed pearls. She carried an arrangement of white daisies and tropicana roses and a white Venice handkerchief given to her by the Rev. P. H. Grabowski.

The matron of honor, Mrs. Edward Wenk, wore a floor-length gown of apricot Irish linen fashioned with a Peter Pan collar and wrist-length sleeves of beige crepe. The skirt was a modified bell shape. Her picture hat of beige was accented with apricot ribbon and her bouquet was of yellow daisies and tropicana roses.

The three bridesmaids, Joyce Little of Elizabeth City, N.C., Cheryl Hamilton, and Sandra Ehnis, of Dexter, wore yellow gowns designed identically to that of the matron of honor. Their picture hats were beige accented with yellow ribbon and they carried identical bouquets of yellow daisies and tropicana roses.

Christine Kvarnberg served as flower girl wearing an apricot and beige dress fashioned after that of the matron of honor and she carried daisies and tropicana roses.

The bride's mother wore a blue sheath dress and sheer organza coat trimmed in Venice lace. Her accessories were beige and blue and she wore a corsage of cymbidium orchids.

The bridegroom's mother wore a light apricot sheath dress and matching coat trimmed in sequins and beads.

Jay Erickson, of Stevens Point, Wis., served as best man. Ushers included Dennis Hastings and Bill Sock, both of Stevens Point, Wis., and Edward Wenk.

At a reception for 200 people which took place at the Inverness Country Club, Rita Chestro, of Stevens Point, Wis., cut the wedding cake. Mrs. Dolores Harold poured coffee and punch and Mrs. Gary Seitz took charge of the guest book.

The new Mr. and Mrs. Mangene are honeymooning in New York and Jamaica and upon their return will live at 1825 Willowbridge Rd., Joliet, Ill.

For going away, the bride wore a deep green knit dress suit with gold accessories.

The bride is a graduate of Chelsea High school and attended Virginia Intermont College and graduated before becoming a stewardess for United Air Lines where she is presently employed.

The bridegroom is a graduate of Wausau Senior High school; he served a four-year enlistment in the Navy and attended Stevens Point State University. He is now employed by Walgreen Agency out of Chicago.

A pre-nuptial party honoring the bride was given by Mrs. Doyal Hamilton and Mrs. Edward Wenk.

WESLEYAN SERVICE GUILD

Wesleyan Service Guild of the United Methodist church met Tuesday night at the home of Mrs. Andy Blackwell with 13 members present.

Refreshments were served at 7:30 p.m. An evaluation questionnaire was filled out by chairman, Mrs. Gary Packard. This was followed by an election of officers. Those elected include Mrs. Gary Packard, chairman; Mrs. Edwin Brown, vice-chairman and program chairman; Mrs. R. R. Erskine, secretary-treasurer; and Mrs. Ben Bower, spiritual group chairman.

A picnic and "white elephant" sale will be held for the June meeting at Ben Donaldson's home, Cavanaugh Lake. Husbands are to be guests.

Mrs. Joey Clark gave an interesting program on the facts of Memorial Day, during which she lighted seven candles. Six of the candles were for boys who had lost their lives in our nation's six wars; the seventh one, being the taller one, stood for hope and peace. She closed with a prayer.

GRACE OTTO CIRCLE

Grace Otto Circle of the United Methodist Church met May 19 at the home of Mrs. Duane Luick. There were 14 persons present, including nine members of the Vivian Otto Circle and Mrs. Clive Dickins, the new minister's wife.

Mrs. Albert Peterson, in the absence of Mrs. Atkinson acted as president. Mrs. Luick gave devotions on "Spiritual Daily Dozen," ending with a prayer, "So Long as There Are Homes."

Mrs. James Gaunt gave a report from Dr. McCracken in "Putting Faith to Work" for the program.

Mrs. Ben Donaldson and Mrs. James Hoffmeyer gave reports of acts in Congress on Cambodia and Mrs. Clare Warren gave an interesting talk highlighting her visit to the Detroit Conference of WSCS general meeting held May 19 in Royal Oak.

The meeting closed with the prayer chain. Mrs. Nelson Rooke furnished refreshments.

Because of so many school activities, the group will not have a June picnic and will meet again in the fall.

MARION CLINE CIRCLE

Members of the Marion Simons Circle of the Chelsea United Methodist church were guests of the Marion Cline Circle on Wednesday, May 20 in the Social Center of the church.

A 4 p.m. salad luncheon was enjoyed by 26 ladies and little Carol Palmer.

Each circle met for a brief business meeting following the luncheon and later met together for devotions and a program.

Mrs. Ben Donaldson, chairman of the hosting circle, welcomed the guests and presented devotional thoughts. She drew attention to the June "Response" magazine's cover reading, "Walk on your toes and look wide-eyed into life seeing the Lord in every human posture." Mrs. Donaldson also read from Church Women United booklet, "Christ Is a Causeway" and "A New Day with Christ." Prayer followed.

Mrs. Raymond Schairer gave an interesting report of the 1970 Assembly of Women's Society of Christian Service which she attended in Houston, Tex., between May 7-10. She told of the 10,000 women who arrived by planes, buses, and cars from local societies all over the United States. 175 women of the Detroit Conference were among those who attended. The theme of the Assembly was "Choose Life." St. John wrote that Jesus said, "My purpose in coming is to bring you life and that you may have it more abundantly." Life is a message of hope.

Mrs. Schairer states that the WSCS members came to the Assembly with different concerns for problems in our world today. They believe in being alert to these happenings. It is hoped that the 70's will bring a life of joy and hope. Women do not stay outside, they work.

Mrs. Schairer left the thought, "Choose Life" and may you live in interesting times in the 70's.

Letters to the Editor

To the Editor:

I have a few questions:
1) Why, if as stated in the May 14 issue of The Chelsea Standard, the papers distributed by the Chelsea White Panthers contained such vile language were those papers given out at The Standard office. You were cutting down the kids for passing them out, then you pass them out yourself?

2) How does a concerned mother know this paper was filled with "half truths and deliberate lies?" Was she there?
3) Were the Bill of Rights written for people over 30 or for all U. S. citizens?

A Concerned 15-year-old!

EDITOR'S NOTE:

Dear Concerned 15-year-old,
To answer your three questions completely would take more time than can be devoted to a letter column, but perhaps this will help you understand. If more information is desired, please feel free to drop into The Standard office where we will be glad to explain the answers to your questions at length.

In response to your first question, no copies of the Chelsea White Panther paper were ever distributed from The Standard office. If you will check the May 14 issue you will note that an editor's note says that concerned parents may submit their name and address to The Standard so that we may see that a paper was sent to them. Our intent was to act only as a clearinghouse and even this was stopped on the advice of an attorney who felt we might be held in violation of the Federal Obscenity statutes if we distributed the material in question. To our knowledge no copy of the literature in question was passed on through our efforts.

Concerned Mother knew the literature in question was filled with "half truths and deliberate lies," the same way that you will if you had read the material carefully. She recognized as did most sophisticated readers the use of certain propaganda techniques used by people who want to convince others to their way of thinking. I am certain that your high school history or English teacher will be glad to teach you propaganda techniques and how to recognize them.

Surprisingly enough, historians tell us that the Bill of Rights was not meant to include everyone. It applies specifically to citizens over the age of 21 who are eligible to vote and thus participate in the governmental decision-making processes. All citizens whether under or over the age of 21 are protected by what we call "Human Rights." Here again your history teacher might be able to help you understand the difference between these two.

Enameling Furniture? If you mount drawer pulls, knobs and other decorative pieces on a cardboard backing, you can quickly and easily enamel them with spray paint. Cover any pieces that can't be removed with masking tape. This will keep them from getting even a few stray splatters of paint—and your finished work will look much more professional.

Agriculture Capable of Feeding World Adequately

Agricultural production is not the limiting factor in solving the world's hunger problems, contends Dr. J. A. Hofer, associate director of Michigan State University's Agricultural Experiment Station. "We have the technology necessary to feed these hungry people," he says. "We must now apply these technologies and work with the legal, marketing, social and political problems which are making hunger a reality in the world."

DEATHS

Paul Eiseman Dies Friday at Medcenter Following Long Illness

Paul Eiseman, 75, of 18000 Scio Church Rd., Freedom township, died Friday, May 22, at the Chelsea Medcenter following a long illness.

Mr. Eiseman was born Aug. 19, 1894 in Freedom township, the son of Christian and Christine (Trinkle) Eiseman. On April 10, 1928, he was married to Olga Alber. She preceded him in death June 26, 1969.

Mr. Eiseman had farmed at the Scio Church Rd. address for the past 42 years until illness forced his retirement. He was a member of St. John's United Church of Christ, Rogers Corners.

He is survived by a daughter, Miss Joyce Eiseman, at home, a niece and two nephews, as well as several cousins.

Funeral services were held at 2 p.m. Monday, May 25 at the Burghardt Funeral Home with the Rev. Daniel Kelin officiating. Burial followed in Mt. Hope Cemetery, Freedom township.

Mrs. Eugene Root

Former Minister's Widow Dies at Methodist Home

Laura E. Root, 84, died Friday, May 22 at the Chelsea Methodist Home. She was born in Clarksville, Ontario, Canada, July 6, 1885, the daughter of Charles R. and Mary A. Boell Frank.

She married the Rev. Eugene Root July 5, 1903. He preceded her in death, April 20, 1963. She served in various parishes in Otter Lake, Westminster Seminary, and Lapeer-Milville circuit. When her husband's health failed, they took a year's leave of absence and later went to Whitehouse, O. Later, they moved to Evansport, O., where she was the postmistress until he died.

She came to the Methodist Home on July 5, 1965. She is survived by several nieces and nephews.

Funeral services were held Monday, May 25, at 10 a.m. at the Chelsea Methodist Home with the Rev. Richard L. Clemans officiating. Burial was in North Dover Cemetery, Clayton. Arrangements were by Staffan Funeral Home.

Emmett Smith Killed Monday In Auto Crash

An 18-year-old youth from the Dexter area who had planned to be married tomorrow was killed in an automobile accident Monday afternoon.

Emmett F. Smith, 18, of 4725 Dexter-Pinckney Rd., was driving a 1969-model pickup truck east on North Territorial Rd., east of Dexter Township, when he lost control of his vehicle on a curve. "The truck went off the north side of the road, hit a tree and then careened back across the road," said officers of the Washtenaw County Sheriff's Department who were at the scene of the accident.

With Smith, but apparently not injured in the accident was his 19-year-old fiancée, Donna S. Ecie, daughter of Mrs. Jack Hocking 10371 North Territorial Rd.

Both Smith and Miss Ecie were thrown from the truck when it hit the tree. He was pronounced dead at the scene of the accident and his body was taken to University Hospital in Ann Arbor for examination.

When the accident occurred Smith and Miss Ecie were searching for an apartment in which to live after their marriage Friday.

CHS Debate Club Plans Road Rally

Sunday, May 31, members of the Chelsea High school Debate Club will sponsor a Road Rally in the high school parking lot beginning at 1 p.m.

It is hoped that this, the second annual Road Rally, will provide funds to be used in sending four CHS debaters to summer institutions at EMU and Toledo University.

Registration for this year's Road Rally will take place beginning at 11 a.m. Sunday, May 31 and will continue until the starting time.

The course chosen for the Rally will be a 1 1/2 hour drive through the countryside marked by prescribed checkpoints. Penalties will be given for persons arriving either too early or too late at these check points, according to speeds set up for the course. Trophies for first, second, and third place will be awarded to the top three drivers earning the fewest penalties.

Entry fees for the Road Rally have been set at \$2 per car, driver, and navigator, and 50 cents for each additional rider. These are payable upon registration Sunday at the parking lot of the high school.

MISS JANE FAIST of East Lansing, daughter of Mr. and Mrs. Theodore Faist of 139 Clardale Ct., recently completed a 12-month internship in Medical Technology at Edward W. She plans to remain in Lansing to work and will be married in October.

District Court Proceedings

Larry Trogdan of 110 N. Fourth Ave., Ann Arbor, appeared before Judge Patrick Conlin May 18 on a charge of larceny from a motor vehicle. He was bound over to circuit court where he will appear on May 28. He was released on \$2,500 bond.

Hargas R. Taylor of 9031 Pleasant Lake Rd., Saline, pleaded guilty May 19 to larceny or aid in concealment of stolen property. He will be sentenced by Judge Conlin on June 2.

James Richardson of 820 Fuller Rd., Apt. 107, appeared on the same charge and will also appear for sentencing June 2.

In a conservation case, Fred Jones, of 8591 Orchard Dr., Pinckney, pleaded guilty to littering on the lake. The case was adjourned until June 3 for sentencing.

Leroy Cavins, of 9104 Garfield, Whitmore Lake, appeared on a charge of violation of probation. He received a sentence of 30 days in jail and if the fine, costs and restitution, are not paid from a prior conviction, the sentence will be increased to 90 days.

Methodist Home Members Grateful For Recognition

Following the activities of Michigan Week in general and Methodist Home Day in particular, V.O. Johnson, administrator of the Home, stated that he would like to thank the community for their fine participation in the project and for making the Home feel it was a true member of the community.

"On Sunday, May 24, 'Methodist Home Day' a number of families from Chelsea, Dexter, and Grass Lake came and adopted a 'home resident' for the day, taking him or her into their homes and making him feel that the community truly cares."

"In conclusion," he said, "it would be our desire that this become an annual event."

Legion Plans Annual Memorial Day Pot-Luck Dinner

Herbert J. McKune Post No. 31 of the American Legion and the American Legion Auxiliary will hold their annual Memorial Day pot-luck dinner following the Memorial Day Parade.

The dinner will be held at the Legion Home at Cavanaugh Lake. Members and their guests are asked to bring their own table service and a dish to pass. A meat dish and coffee will be furnished by the Legion. Dinner will be served at approximately 1 p.m.

The annual dinner has been a tradition for many years and is enjoyed by the entire family, young and old alike. The usual baseball game is a highlight of the afternoon.

**AGRICULTURE
IN ACTION**

by GARY A. KLEINHENN
Michigan Farm Bureau

★ **Let Buyer Choose!**

American Farm Bureau President Charles B. Shuman, head of nearly two million voluntary farmers and ranchers in 49 states and 2,814 counties, answers the actions of those who will not allow agricultural products freedom to compete in our free enterprise system.

President Shuman's statements are directed to one individual who will not let the housewife decide the issue in the grocery stores.

Shuman said, "We deeply regret the decision of Harry G. Beckner, president of Jewel Food Stores, not to offer table grapes for sale to his customers. Our deepest conviction has always been that consumers alone have the right to decide for themselves what to buy or not to buy in the marketplace; and we are disappointed that—at Jewel—Beckner has taken that decision away from them. We believe that Jewel customers now have a right to ask Beckner what commodity he may next order removed from his shelves at the behest of special interest demands. Oranges? Milk? Beef? Baby Foods?"

"We feel this action betrays the principle of freedom to buy and sell that has been basic to the growth of our great food industry. Quality produce provided by thousands of growers has undoubtedly played an important part in the success of the Jewel Stores. We are keenly disappointed that Beckner would sacrifice the honest and traditional relationship between producers and food distributors in favor of threats and intimidations by those who would destroy the very market system on which these relationships have been built.

"Beckner says that Jewel hopes that its action in removing table grapes will 'break the deadlock' in the grape issue between California grape producers and the United Farm Workers Organizing Committee, AFL-CIO. Surely he must know that his decision—made at this time prior to the early harvest—places enormous added pressure on hundreds of small growers to capitulate to terms laid down by Cesar Chavez and the AFL-CIO without any recourse, and to sign over workers to the union at the stroke of a pen—and without any worker determination whatsoever."

SOUTH ELEMENTARY SCHOOL NOTES

On May 8, we celebrated Mrs. Nance's birthday.

Herbert Vogel Has Advice for U. of M. Leaders

The following letter, written by a famous Chelsea native son, Herbert D. Vogel, has been called to our attention. We believe there are enough good basic thoughts involved to interest readers of The Standard. The letter follows.

Dean Gordon Van Wylan, College of Engineering, University of Michigan, Ann Arbor, Michigan, Dear Dean Van Wylan,

I have received and read your Newsletter of April 10th, but it fails to move me. I realize, of course, that you are not to be wholly blamed for the situation that has developed at Michigan. No one man could be responsible for all that. The root of the trouble goes much deeper, extending through most of the universities except those of our Southern States. It comes largely from soft-headed thinking over the past decade and a half, during which time the universities were being built ever larger, each trying to outdo the other while being prodded by the idea that everyone is entitled to a college education whether capable or not.

Now the demand is for a degree without working; if the scheduled courses are too difficult, then provide basic studies: In every society there is work to be performed on many levels. Everyone cannot be of the learned sciences or the professions, or even business enterprises. There is a continuing need for sub-professionals, aides, clerical workers, technicians, mechanics, bricklayers, carpenters, welders and even—believe it or not—laborers. There is nothing degrading about working with one's hands, and the majority of people including myself, are happier so doing. The first great mistake, therefore, has been the attempt to force everyone into the role of a leader. Chiefs are fine but we need Indians, too. While we were expanding the universities we should have been building hundreds of trade schools to catch and train those who could find nothing of interest in the courses that are available in high schools.

Another mistake has been to allow the misfits, draft-dodgers and dissidents to continue in college for post-graduate work, whence to move on to positions in the faculty never learning what lies outside the cloisters is all about. Probably more than any other, it is this group that is responsible for the seriousness of today's situation. Rather than enforce discipline they have encouraged rebellion; they have set examples that are bad for the students, and have yielded to every demand, however extreme. It is blame for the last, which you and other leaders in the University must share with them. Yielding to exorbitant demands can never bring about a peaceful settlement. All of history tells us that the aggressor cannot be appeased when he is on a rampage, and particularly when he is winning. Chamberlain learned it the hard way, and so are the universities now.

I believe the Negro is entitled to every privilege of the Whites. He is not entitled, however, to special favors or privileges denied to others. To open college doors, free of tuition, to unqualified Blacks while qualified Whites, able and willing to work for their education are denied it, is to practice discrimination in reverse. It goes against the first law of Nature—survival of the fittest—upon which the progress of mankind has been built.

I am enclosing a copy of a speech I delivered some years ago, which you may consider wholly out of step with ideas of the Seventies. True, it is dated in some respects, but basic principles do not change. Honesty is still the best policy, love of Country and a willingness to defend it is still a virtue, and working for one's rewards is still commendable. I hope that in the next few years I may once again tell people that I am a graduate of the University of Michigan without blushing.

Sincerely, Herbert D. Vogel. CE 1933

GIRL SCOUT NEWS

JUNIOR TROOP 58— Girl Scout Troop 58 began their meeting with opening by Judy O'Connor's patrol, "Lucy and Her Gang." They chose the pledge and the Girl Scout Promise. Mrs. Klobuchar came to speak to us about how to behave and what to wear for the Memorial Day parade.

Debbie Packard brought treats. We had our books signed and some finished their "buddy burners." We got our permission slips for the parade and our camp-out. Connie Conley's patrol, the "Stars" had the closing and chose "Peace." Kim Burns' patrol, the "Arrows," stayed for clean-up.

BROWNIE TROOP 145— Mrs. Klobuchar talked to the members of Brownie Troop 145 about the Memorial Day Parade maimers. We had a flag ceremony. We sang "Hello, Hello, Hello, Hello" in parts. Cookies were passed by Valisa Pletcher. Tami McDonald taught us a new game called, "Father We Think Thee."

Dues and attendance were taken. We then walked down to the cemetery and practiced marching for the Memorial Day Parade. We closed with "Girl Scouts Together."

TROOP 82— On Monday, Mrs. Thomas Klobuchar visited Troop 82 to instruct us on the procedures and proper conduct for the Memorial Day parade and ceremonies. Members of our sister Brownie Troop No. 247 were also our guests. Dues and attendance were also taken. Dawn Klobuchar and Barbara Roy served the treats they brought.

The Archies Patrol did the flag ceremony. We were going to teach the Brownies some dances but the record player wouldn't work. However, we did the best we could without music.

Sue Ann Schuelke finished her Indian Lore badge by reading an Indian poem and explaining its meaning and telling what kind of occasions they'd use this kind of poem for.

We were making plans for our area encampment June 12-13-14. One of adult helpers has had to cancel so we find we will need another one or at least another driver to take girls and equipment. Our permission slips and money are due May 27 so we will know for sure how many we are going to have.

Plans are being made for a picnic at Pierce Park June 10, with our sister troop No. 247 as our guests. Meeting closed with taps and a squeeze.

Sue Schuelke, scribe. BROWNIE TROOP 169— Brownie Troop 169 met Monday, May 25 for our final meeting of the year. 18 members were present including Penny Wood, a new member who transferred from Saline.

We sang "Hark to the Chimes," and Grace and Terry Ames passed the cookies she furnished. We met with our sister troop where Mrs. Klobuchar told us what we were to do at the Memorial Day Parade this Saturday. Permission slips were sent home for the parade.

We had the flag ceremony, then picked our flag bearers and color guards for Saturday's parade. We walked to the store to get our supplies for our outing which will be June 6. We closed with a squeeze and taps.

Gayle Albrecht, scribe. Growing Trees in Containers Promises Hardier Specimens A new method of growing trees in containers may produce hardier, faster growing specimens at lower cost, according to a Michigan State University forestry expert.

Dr. Donald P. White, professor in MSU's Department of Forestry, is heading up a research program to provide a more effective method of planting valuable "blue ribbon hardwoods" such as black walnut, black cherry, tulip poplar, birch and oak.

"We're using a variety of special container systems to grow these valuable trees from seed to tree planting size in a few weeks," says Dr. White. "Planting container-grown trees achieves several important objectives, including exceptional survival, a prolonged planting season, and accelerated growth during the first season. It also eliminates the need and cost of nursery production and transplanting."

REPORT from LANSING

State Representative Thomas G. Sharpe

University campus disorders have drawn increasing public attention in recent weeks. Many concerned parents and citizens write me as to what the legislature can and should do on the subject.

There are literally dozens of bills that have been introduced but let me describe one important piece of legislation that will become law on Aug. 1. This measure (H.B. 3800) says that:

"A person is guilty of a misdemeanor if (a) he or she is in possession of a firearm, or (b) he or she is in possession of a dangerous weapon, or (c) he or she is in possession of a deadly weapon, or (d) he or she is in possession of a dangerous instrument, or (e) he or she is in possession of a deadly instrument, or (f) he or she is in possession of a dangerous object, or (g) he or she is in possession of a deadly object, or (h) he or she is in possession of a dangerous substance, or (i) he or she is in possession of a deadly substance, or (j) he or she is in possession of a dangerous material, or (k) he or she is in possession of a deadly material, or (l) he or she is in possession of a dangerous item, or (m) he or she is in possession of a deadly item, or (n) he or she is in possession of a dangerous article, or (o) he or she is in possession of a deadly article, or (p) he or she is in possession of a dangerous object, or (q) he or she is in possession of a deadly object, or (r) he or she is in possession of a dangerous substance, or (s) he or she is in possession of a deadly substance, or (t) he or she is in possession of a dangerous material, or (u) he or she is in possession of a deadly material, or (v) he or she is in possession of a dangerous item, or (w) he or she is in possession of a deadly item, or (x) he or she is in possession of a dangerous article, or Many Tigers Had Experience In Varied Amateur Programs

Detroit—What influences a young athlete to become a professional baseball player? In a recent poll of the 25 Tigers currently on the active roster, 23 cited a "longtime ambition" as the motivating force behind their rise to the top rung of the baseball ladder.

The survey also showed most of the Tigers to be participants in a variety of sports, in addition to several amateur baseball programs, before joining the professional ranks.

While two Tiger hurlers—Mickey Lolich and Dennis Saunders—did not take part in any sport other than baseball during their days as amateurs, the poll revealed that basketball was the other sport played most often by the Tigers, with 21 of 25 performing on the court as well as on the diamond. Members of the Tigers also were active in football, track, soccer, golf, hockey, lacrosse and boxing.

John Hiller, Mike Kilkenny and Earl Wilson were the only Tigers to make it to the Big Time without any amateur diamond experience. Hiller and Kilkenny, both Canadians, and Wilson, who grew up in Louisiana, were interested in other sports as youngsters, and played baseball in organized leagues only after signing professional contracts.

Norm Cash, along with the three pitchers, did not play high school baseball, but is one of seven Tigers who were collegiate stars.

The others are Bill Freehan, Elliott Maddox, Joe Niekro, Jim Northrup, Daryl Patterson and Ken Szotkiewicz. Niekro and Szotkiewicz have the widest background in amateur baseball among the Tigers. In addition to high school and college experience, they have participated in Little League, Colt and Pony Leagues, Babe Ruth and American Legion programs.

Lincoln Downs Golf Team Posts 11-9 Record Bulldogs in 12 Innings

In a 12-inning game Tuesday, May 19, Lincoln edged out the Chelsea Bulldogs by a score of 6-5.

After Lincoln scored three times in the fourth inning, the Bulldogs came back to tie the game in the top of the seventh when Wayne Welton singled, Ron Sweeny was safe on an error, and Howard Treado singled.

That was all until the bottom of the 12th inning when consecutive singles by three Lincoln players won the game for the Rail-splitters.

Chelsea High completed its golf season for 1970 this past week with two victories. They defeated Manchester on Wednesday, May 20 by a score of 179-183. Meadlist was Dave Conklin with a 43.

On Friday, May 22, the team defeated St. John's of Ypsilanti by a score of 176-183. Meadlist was again Dave Conklin with a 38. Other Chelsea competitors included: Jeff Daniels, 48; Mark Policht, 44; and Dave Powers, 46.

As he ended the season, Coach Pat Wade made the following statement: "We are graduating two seniors, Dave Conklin and Art Farley, and both boys will be missed next year; however, we have a good returning nucleus and should have a successful season next year. Our dual meet

record this year was 11-9 and our really big achievement was winning the Southeast Conference Championship. Our JV team also had a good season, winning 6 and losing 2."

Mayo Smith Calls Kaline 'Best Player He Ever Coached'

"The best player ever to play for me... right at the top of all the clutch players I've ever been associated with... yes, the best player I've ever had."

That's the way Mayo Smith feels about Al Kaline, the Tiger manager explained recently to a group of baseball writers.

"He's the sort of player a manager can really appreciate," Smith pointed out to Joe Falls, of the Detroit Free Press. "You don't even have to manage him. You just give him the signs and he goes out there and plays. You never have to worry about him."

"In the four years I've been here, I've seen him make only one mental mistake. That was a couple of years ago in Washington, and even then it was just because he took a step in the wrong direction."

"He's the best clutch player I've ever had and the best player ever to play for me," added Smith, who handled such capable hitters and outfielders as Frank Robinson, Richie Ashburn, Del Ennis, Vada Pinson and Gus Bell during his National League managerial career.

"He's the manager's dream," Smith said of Kaline in comments to Doug Mintline, of the Flint Journal. "There's nothing he can't do and doesn't do. He manages

himself. All he needs is an assignment."

Continuing the discussion with Tom Loomis, of the Toledo Blade, Smith pointed out:

"This year, he's gotten off to a good start. He's knocked in a whole lot of tough runs. It's harder for him to play the outfield than it used to be. I guess he's admitted he can't go quite as far for a fly ball."

"But, he's so smart..." Praise like that is embarrassing to the modest Kaline, who is considered a virtual "shoo-in" for Baseball's Hall of Fame as soon as he becomes eligible.

"All I know is, I feel great this spring," says the 35-year-old star. "I went to spring training five pounds lighter and I think I've lost more weight, especially in my legs. Maybe it was the basketball I played last winter."

Although this is his 18th season with the Tigers, the only team he ever played with, Kaline has set no timetable for retirement. When Al Kaline Day, to be observed Aug. 2 at Tiger Stadium, was announced last winter, he said only that he would make no decision before the end of 1970 and hoped to be able to play "two or three more years."

Perhaps his fine start already has extended that indefinite figure.

Jack Schultz Leads In Moose Trap Shoot

The Moose Lodge trap range is again open for the season, and regular league teams are shooting every other week, according to Mark Wire, publicity officer. Open shooting follows the league events each Sunday.

Jack Schultz is "top gun" currently, report the Moose sportsmen. He shoots for Louie's Hunt Club, as reported in the Moose News this month.

Progress at the range will be reviewed in The Dexter Leader as the season continues.

The big difference between Duster & Maverick is not the \$90.75

Duster has a longer wheelbase
Duster's 108 inch wheelbase is a full 5 inches longer than Maverick's. In overall length, Duster has 9 more inches. Add Duster's greater weight, and the result is a smoother ride, and more stable handling.

Duster has a 5-year/50,000-mile power train warranty... Maverick doesn't.
Chrysler Corporation warrants against defects in materials or workmanship to the first registered owner only, and will repair or replace without charge for parts or labor at any authorized Imperial, Chrysler, Plymouth or Dodge dealership, the engine block, head and all internal engine parts, water pump, intake manifold, transmission case and all internal transmission parts, torque converter, drive shaft, universal joints, rear axle and differential of its 1970 Duster for 5 years or 50,000 miles and all other parts for 12 months or 12,000 miles, whichever occurs first, excluding only tires, normal deterioration due to wear and exposure, normal maintenance services and parts used in connection with such services, repairs required as a result of accident, abuse, negligence, racing, or failure to perform recommended maintenance services. Warranty repairs should be obtained from selling dealer unless he has ceased to do business as an authorized Chrysler Motors Corporation dealer, or the owner is traveling or has moved to a different locality and cannot return to his selling dealer.

Duster has bigger brakes
Bigger brakes mean more stopping power, and Duster's got it. Effective brake lining area for Duster: 153.4 sq. inches. For Maverick: only 106.0 inches. And if you like disc brakes or power brakes, Duster offers those too. Maverick doesn't.

Modular Housing Unit from Charlotte Is Product of Year

A modular housing unit, manufactured by Prestige Structures Inc., of Charlotte, was named 1970 Product of the Year at a Michigan Week award luncheon in Grand Rapids, Wednesday, May 20.

"This product is of great significance to our society," said Elmer E. White, executive secretary of the Michigan Press Association, in announcing the judges' decision. "It provides a new concept in housing for the public—a marriage of new home-producing methods with co-operative efforts by trade unions, management and government."

Prestige Structures modular units are factory-built, utilizing assembly line method in a three-acre Charlotte plant. Two 12-foot wide sections are then moved to the homesite by trailer; the two sections can be joined, utilities hooked up and the keys handed to the owner within a few hours time. The company had recently make national headlines with its union agreement permitting a single contract for three major trade unions and a degree of job interchangeability.

Prestige Structures, which began producing two-, three- and four-bedroom homes for the low and medium income market in the last year, earlier was named Eaton county and then Region 12 winner in the Michigan Week Product of the Year competition. Region 12 includes Clinton, Eaton, Ingham, Ionia and Shiawassee counties.

Judges selected two other regional entries for special honors, the Trash Masher compactor from Whirlpool Corp., of Benton Harbor-St. Joseph, and the Amigo, manufactured by Amigo Sales, Inc., of Bridgeport.

The Trash Masher compactor, Region 10 entry from Berrien county was named for "its potential to improve the environment so dramatically," White stated. The new household appliance is designed to compress bulky trash to less than a fourth its original volume.

The Amigo, a functional, self-powered vehicle for the handicapped, was chosen because "it can better the lives of the handicapped," White pointed out. "Happily, this represents only a small segment of the total population, but the Amigo can be of tremendous importance to them."

Winner of Saginaw county and Region 11 contests, the Amigo was originally developed by Allen R. Thiemé, of Saginaw, for his wife, a multiple sclerosis victim.

Judges for the Product of the Year state contest were White, John F. Adams, president of Trans Michigan Waterway, Inc., Lansing; and Harris K. Miller, Office of Economic Expansion, Michigan Department of Commerce, Lansing.

Richard Arnold, secretary-manager of the Michigan Agricultural Conference, is chairman of the Michigan Week state awards committee which oversees the Product of the Year program.

Other regional winners, all recently developed consumer products now being marketed, include: Ni Hard Grinding Balls, Region 2, Marquette county—Small 1/2 spheres, which can break down enormous quantities of raw iron ore in iron mines, or tons of coarse gravel in cement plants. They are constructed of the hardest known alloys that can be economically processed; with new electric arc

furnace, Northern Automatic Electric Foundry of Ishpeming can utilize lower grades of steel scrap than generally used in foundries; pulverizing of junked car bodies will substantially reduce the quantities now reposing in unsightly junk yards.

Fred Bear Take-Down Hunting Bow, Region 3, Crawford County—Fred B. Bear patented the first American Take-Down Bow in 1947, but he wasn't satisfied with it and never put the bow on the market. He tested and modified it for 30 years until he was finally ready in 1969 to introduce his Take-Down Bow in three models to the archery market. The Futurewood bow has interchangeable limbs and handle sections, is manufactured by Bear Archery, Grayling.

Wiley Binding, Region 6, Grand Traverse county—A new ski-binding, which Traverse City physician-surgeon Philip Wiley designed to reduce skiers' injuries, after he came in contact with many patients suffering from ski accidents. It is being produced by Traverse City Manufacturing Co., Saferok, Region 7, Osceola county.

The Nartron Driver Capability Sensor System, manufactured by Narton Corp., of Reed City, is the size of a cigarette package. Installed in the ignition circuit, it will electronically "lock out" all potential drivers who fail to pass the test for alcohol, drugs, emotional disturbance, etc. Safelok screens the driver before he can operate his vehicle.

Cascade 80, Region 8, Kent county—Cascade Data Computer Systems, Inc., of Grand Rapids, manufactures this low-cost electronic computer of its own design scaled to the needs of the thousands of small businesses which previously have found it impractical to utilize modern electronic data processing systems. The Cascade 80 is a computer designed for small businesses.

Electra-Slide Door, Region 13, Calhoun county—Rohan & Kunz Inc., of Marshall, have built an automatic sliding door control that is easily and economically installed. It's practical for store and office entrances, laundromats, restaurant kitchens. Using a small gear motor and direct belt drive, they have made the Electra-Slide Door less costly to manufacture and install.

"El Burro" Sand 'n' Sno Bike, Region 14, Sanilac county—Weighing only 140 pounds, the El Burro can carry up to 350 pounds for four hours on a regular tank of gas. Wide, low pressure tires will provide traction over sand, snow, through swamps, fields or woods.

Worth Industrial Processing Co., of Lexington, manufactures the versatile five-horsepower recreation trail bike.

Poly-Con Art Pak, Region 15, Wayne county—This is a shockproof, humidity-controlled and fire resistant fiberglass container, designed specifically for shipping and storage of fine paintings, drawings and other objects of art either by land, sea or air.

Poly-Con Industries, Inc., of River Rouge, feel that they have made a major breakthrough in the container field, since art, up to now, has been shipped throughout the world in wooden crates.

Thermasan System, Region 16, Washtenaw county—Made by Thermasan Corp., of Ann Arbor, this is a new waste disposal system for recreational vehicles and boats. It uses the exhaust heat from an engine to consume waste in a man-

Mill Creek Pollution Not New Problem

Mrs. Harold Sias sent an excerpt to The Dexter Leader which she had copied from the leaves of an old journal some years ago, and which she thought might be of special interest today, with all the talk of river pollution. Taken from Volume I, Michigan Pioneer Collection.

"July 21, 1827: Slept at Moe's place, last night, and this morning, started for Mill Creek (near Dexter). Passed some fine land near the clear and rapid Huron. Today have been introduced to Judge Dexter, Dr. Nicholas, and others; find them well situated on good land in fine country. The Judge has built a good house and saw mill, and laid out a village on a pleasant elevation between the Huron and Mill Creek.

"July 27: Have spent three or four days about Crossman's and Warriors. The latter has located his farm about five miles from Mill Creek, being the farthest and most western settler in this direction in the territory.

"I have taken a wide circuit in the woods and find fine land. The Nobles have a fine farm, but the best mill sites are taken.

"There is a great deal of ague and fever at Mill Creek, and frequent attacks of it followed by congestion, very dangerous. It is supposed to be caused by Dexter's Mill dam, and the overflow and drying of the Mill pond which covers much timber.

During the height of a pre-summer storm Friday evening, May 22, firemen were called to check the Leo J. Evans residence on Bridgeway Dr. in Loch Alpine a power cable to the residence, shortly before midnight.

ner similar to that of municipal incinerators. Thermasan literally makes each vehicle and boat a small compact waste disposal plant; resultant tail pipe emission is no more pollutant than the present emission from an automobile.

17-Year Locusts Due To Invade Us This Summer

This is the year for the 17-year locust (magicicada septendecim) adults to emerge from the soil to lay their eggs. During late May and early June, the adults will appear after spending about 17 years in the soil, feeding on the roots of trees. They will be most prevalent in areas where stands of oak now prevail or previously stood.

Cicadas do not bite or sting people or animals, but can cause considerable damage to nursery, ornamental and orchard stock. Upon emerging from the soil, females mate and lay up to 600 eggs in 5 to 20 pockets, cut into the bark of small branches. This is when the major damage occurs.

The egg pockets or punctures severely damage or destroy young branches (1/4 to 3/8 inches in diameter), causing "flag" of dead leaves on attacked trees. Eggs hatch in about six weeks, and the larvae drop to the ground and feed on the roots for the next 17 years. In this stage they cause no visible feeding damage to the tree.

The adults make themselves most conspicuous by their incessant drumming or "stridulating" on warm days. They disappear by July. Other cicadas may occur late in the summer, but in much smaller numbers.

Cicadae will lay eggs in 70-80 different kinds of trees, but they prefer oak, apple, hickory, pear, peach and grapevines. The adult is about 1 1/2 inches long, with a black body. The legs are reddish, veins in the transparent wings are orange, and the eyes are red.

Due to the mobility of this insect, control is difficult. About the best that can be expected is to protect valuable stock either covering plants with heavy cheesecloth, or netting, or to apply chemical spray at one week intervals.

Those wishing to use chemical control methods can get material and rate recommendations from the Co-operative Extension Service, County Building, Ann Arbor.

Holiday Travel Expected To Clog Roads

Lansing—With good weather, the Memorial Day week-end may be a repeat of last year's holiday when it seemed that everyone who owned a car was on the highway.

Department of State Highways traffic analysts predict that motorists will drive an estimated 610 million miles in Michigan during the holiday period, from Thursday through Sunday.

That would be only 10 million miles short of a year ago when unseasonably warm weather put droves of travelers on the highway. The result was more traffic than during any comparable period in the state's history.

The Department said there will be congestion on all major north-south highways, and travelers are urged to plan their trips in an effort to avoid peak travel periods: Thursday from 2 to 10 p.m. and Friday from 9 a.m. to 2 p.m. and 4 to 9 p.m.

Southbound traffic Sunday will be concentrated in a much shorter period, from 2 to 9 p.m. Traffic peaks will occur in the northern lower peninsula from 11 a.m. to 3 p.m. and the "big wave" of homeward-bound motorists will cross the lower part of the state from 6 to 7 p.m. at approximately

★ Know Yourself

Make a positive evaluation of your approach to living. Do you practice the Golden Rule? Do you avoid sin in all its forms and disguises? Do you love God—and your neighbor, as well?

Once you have determined what kind of a life you lead, you may then proceed to make it a better life. You will not be content merely to avoid evil; you will strive to put more goodness into your life. There are many ways in which this may be accomplished.

There is joy in doing a job that needs to be done. There is satisfaction in lending a helping hand to the needy. Spreading cheer with a smile is worth the little effort it requires. Remember there is great strength in the love of God. It is a strength of awareness. Love God and you will love the world and all the good it contains. Love God and your life will be patterned for joy and happiness.

Extra Holiday Patrols Slated By State Police

Michigan State Police will operate special traffic patrols beginning Friday, May 29, for the three-day Memorial Day week-end, Col. Fredrick E. Davids, department director, reported.

Davids noted that traffic accidents in the five major holiday periods in 1969 claimed 135 lives, the worst of the tolls occurring during the Memorial Day week-end.

He added that the department's traffic division experience shows that deaths during holiday week-ends average about 25 percent more than on comparable non-holiday periods. The rate of fatalities per mile traveled is 16 percent higher.

"Sensible driving practices can contribute to safer holiday motoring," he emphasized, urging motorists to obey speed limits, to give ample notice of maneuvers, to follow at proper distances, to pass only when safe, to do so, and to refrain from driving after drinking.

The department's three single-wing planes and its helicopter, weather permitting, will complement daytime patrolling. No pass days will be scheduled for uniform personnel at the department's 59 posts. District traffic officers and detectives will be used as backup personnel as needed. Check lane activity will be suspended for the period and officer inspectors will augment patrols which will continue through to midnight Sunday, May 31.

Maximum patrol coverage will be provided from 3 p.m. until at least 9 p.m. each day of the holiday period with special attention devoted to highway sections having bad accident experience.

CUB SCOUT NEWS

PACK 415—
The Potawatomi trail at Bruin Lake was the setting for a hike and wiener roast for the Cub Scouts of Pack 415 on Saturday, May 23.

It was a cloudy afternoon but the weatherman did cooperate by not sending any rain; however, a few Cubs made up for that by getting wet in a creek.

The Cubs were accompanied by fathers, mothers, and sisters on their five-mile hike and the Cubs say that a few moms and sisters were pretty weary—but they all made it back to the tent of the trail.

Awards were presented after the hike by Dick Seyfried, the cubmaster to those Cubs for perfect attendance.

Service stars were awarded to those boys who had attended that event in Ann Arbor last month. The following boys then received their five-mile hike awards: John Dreiman, Bryan Herrick, John H. Packard, Kevin Lyle, David Seyfried, Kelly Krieger, Tom Gilbreath, Mark Shippy, and Randy Ellis.

After the pack meeting, a bonfire was enjoyed by the Cubs and their families. The next pack committee meeting will be on Thursday, June 4 at the home of Gerry Herrick.

DEN 1, PACK 455—

Cub Scouts of Den 1, Pack 455, held a regular meeting Wednesday, May 20, at the home of the den mother, Mrs. Summer Oesterle, opening with the flag ceremony. Dresch assisted as Todd Otto carried the American flag and Mike Waldyke carried the den banner. The four Cub Scouts also retired the colors at the close of the meeting.

After roll call, the boys played a game—can dy bar relay—and had refreshments brought by Lance Fletcher. They practiced their skit to be given at the May pack meeting and after closing with the living circle they practiced playing baseball. Lance Fletcher, scribe.

When barbecuing outdoors, figure 1/2 to 3/4 pound of meat per person if you're buying a boneless cut, suggest Michigan State University food specialists. With cuts with bone plan one pound per person.

Eliminate flames to keep cooking temperature moderate and constant. A good way to prevent flare-ups from dripping fat is to place the charcoal pieces about one inch apart on a barbecue base of synthetic absorbent material. Also use a drip pan to catch meat juices.

Letters to the Editor

To the Editor:
It has been said that long hair and marijuana are synonymous. Is your long-haired son a pot smoker? Not all long hairs are pot smokers, but most pot smokers are long hairs. Also, not all pot smokers go on heroin, but most, if not all heroin users, begin on pot.

Mom and Dad, is your long-haired son a Panther? No, not all long hairs are Panthers, but long hair is one of their badges. Parents, look into the activities of your long-haired son, especially after school and nights. Here are a few of the badges of long hair — long hair . . . SDS, long hair . . . Rioters, long hair . . . Dis-senters, long hair . . . school and society drop-outs, long hair . . . Panthers, long hair . . . drugs, long hair . . . night people.

Not all long hairs are in these categories, but perhaps you can understand why most parents and society don't like long hair — because of its symbolism of sub rosa activities. If you long hairs don't belong to a sub-culture, why wear the badge? We don't wear the badge.

To the Editor:
The May 14 issue of The Standard included a letter about a leaflet being distributed uptown containing "vile language" that was an insult to the . . . honest citizen. If I can assume this to be true (not having seen the leaflet) then I agree with the writer that it is time that persons learned to say this as far as you go, and mean it.

But then the writer goes on to remind taxpayers that the parks and recreation grounds that the "immature children" wish to "take over" are paid for with our tax dollars. I purposely drove through Pierce Park three different times on May 16 to see the scheduled "take over." About the best way to describe what I saw is to compare it with a church group picnic with several young people playing softball. A ample supply of adults was present, and family groups with tiny children. I suspect these adults were more concerned about individual rights than those who sit at home and write unsigned letters to the editor.

Combining documentary and dramatic techniques, the drama recreates the various levels of action during a fictitious university campus. Although the drama was based on actual events, the focus is on the human situation rather than the political issues of a student rebellion. What begins as a demonstration against the building of a new laboratory, becomes a major movement as black students object to the loss of black community property. The overriding problem of communication grows as the various human confrontations take place — between Chancellor and students, faculty and administration, even between the student leaders, themselves.

DRUGS — The final program in the series, "Drugs: The Children Are Choosing," explores the need for effective communication, Friday, June 5, at 7:30 p.m. The broadcast stresses that communication with young people is the priority point in the issue of drug abuse and urges all social, civic and educational groups to open channels of communication with the young.

Wrong. This person is Jesus Christ. And as for dirty minds, the Romans thought he was trying to undermine their precious government. Not only that, but some of the smuttiest things I've heard come from your generation! Also, you said that police "are immaculate in their grooming." Maybe they are some of the time, but not all of the time, nobody is that immaculate all of the time, not even Jesus Christ!

Clean Out the Hoods
To whom it may concern:
I, a mother and concerned parent, read a letter put out by the White Panthers of Chelsea. I have never read such filth and to think some of our children wrote and published this.

do not understand what the children really want. It was this way when I was younger too. We did it as a family group. Are our parents so busy nowadays keeping up with the Joneses that they do not have time to have picnics and fun as a family group.

I realize it is much easier for the children to get around now days because most families have at least two or three cars. The youth of today feel that they are not with it if they are not able to have their own car as soon as they get their driver's license. I think it helps when a family has to divide the time that they get to use the family car. You can also keep a little tighter rein on your children.

I have heard parents say their children will not listen to them and they just can't do anything with them. Could this possibly be because the parents do not listen to them and then when the parents do make rules back down because Johnny throws tantrums. Could it possibly be because we have so many mothers working away from the home and when their children need them they are not there. Your child needs you more as a teen-ager than they did when they were babies. Johnny doesn't dare volunteer the mother's help with anything connected with the school program because his mother is too busy working.

After reading the paper I did, I think the children believe we have animals running our police force. If we let this group continue as they would like to have us do, will we even be able to have a police force when their grandchildren are living. I would not blame some of our police for quitting, but we have to have them to protect the innocent and law-abiding citizens. I think Sheriff Harvey and his men are doing their best to keep this a safe place to live. When they talk about having to move their cars that were parked along the road by a public picnic area, this should be done as the taxpayers would like to be able to drive down the road and be able to get through without scratching their cars.

We the taxpayers of Chelsea pay taxes to have a nice school for our children to attend. We also have a group of hoodlums who go in and break windows and steal from the school which costs the taxpayers more money when this could be put towards educating our children.

This White Panther Group of Chelsea would like to have us oust Sheriff Harvey from office because he tries to keep law and order. I was raised to respect our police officers. We do live in a free country but we do have to have laws to protect the people living in this country. These laws are not made to be broken by just a few people who expect to be able to do anything they please. If these poor children are so innocent that they can sit and put all the blame on the police and expect the Taxpayers to believe it they must be partly sick.

Is it possible that this party that was planned did not turn out as they expected it to because our good law enforcement men were on the job?

It is about time we let the police clean up Chelsea and help the taxpayers save some money. We do not need the situation in our small town, that we should be proud of, that some of the larger cities have, riots and such. We as parents and citizens had better get together and try and do something before the small bunch of hoods take over our town.

Concerned mother and taxpayer.

'Why You Smoke' Five-Part TV Series Starts Monday

East Lansing—"Why You Smoke," a five-part series of programs designed to help people understand the psychological and physical aspects of the smoking habit, premieres Monday, June 1, at 7 p.m. on WMSB (Channel 10), Michigan State University television. The following four half-hour programs in the series are scheduled for Tuesday through Friday, at 7 p.m.

Produced by the National Educational Television (NET) Network under a grant from the American Cancer Society, this series is aimed at having the individual understand what kind of smoker he is, why he smokes and what problems he might encounter in snuffing out a last cigarette. Instead of stars, the series features employees of the Washington Gas Light Co. in Washington, D.C.—a 24-year-old draftsman who buys his cigarettes by the carton in the supermarket to save money, a young mother who is alarmed because her three-year-old is pretending to puff on a household who smokes two to three packs each hectic day. The viewing audience shares the experience of smoking withdrawal with the program participants on a day-to-day basis.

Making the series personally relevant to members of the home audience are four self-tests created by Dr. Daniel Horn, director of the National Clearinghouse for Smoking and Health of the U.S. Public Health Service, and his staff. The tests are given and evaluated on the "Why You Smoke" broadcasts.

Copies of the self-testing kit may be obtained from local offices of the American Cancer Society or the Tuberculosis and Respiratory Disease Association.

Holiday Traffic Volume May Indicate Future for Tourism

Traffic volume plus crowds at state parks and resort centers over Memorial Day week-end are expected to give the first noticeable indication whether factory layoffs and the drop in automotive production will hurt this state's tourism industry during the summer, according to Automobile Club of Michigan.

A national AAA survey indicates that a predicted domestic touring increase of nine percent this year is less than half the growth rate experienced in 1969 nationally. Michigan tourism was up 20 percent in 1969.

Auto Club Touring Manager Jerry Fisher states that more than three million cars should travel 700 million miles during Memorial Day week-end, which is equivalent to the mileage driven last year for this holiday.

Auto Club states that even if the number of vehicles on roads is greater than expected, traffic to resort areas on Friday (May 29) will be lighter than at any time in several years.

The reason is that although some large factories are closing Friday, many businesses are open as usual that day with Monday considered compensation for the holiday which falls on Saturday.

Outbound traffic from metropolitan areas is expected to have two peaks: one Thursday night created by persons with Friday off from work and another Friday evening by those who have the week-end or the week-end plus Monday free.

On Sunday, however, the week-end's heaviest traffic will develop between 4 and 10 p.m. A light city-bound movement is also expected late Monday afternoon and evening created by those who do not have to return to jobs until Tuesday.

Auto Club states that during the holiday it will have its "Bring 'Em Back Alive!" Holiday News Service in operation with 25 persons covering traffic and tourism activities and reporting observations to the state's news media. "We urge all motorists travel-

Motor Vehicle Funds Show Small Increase

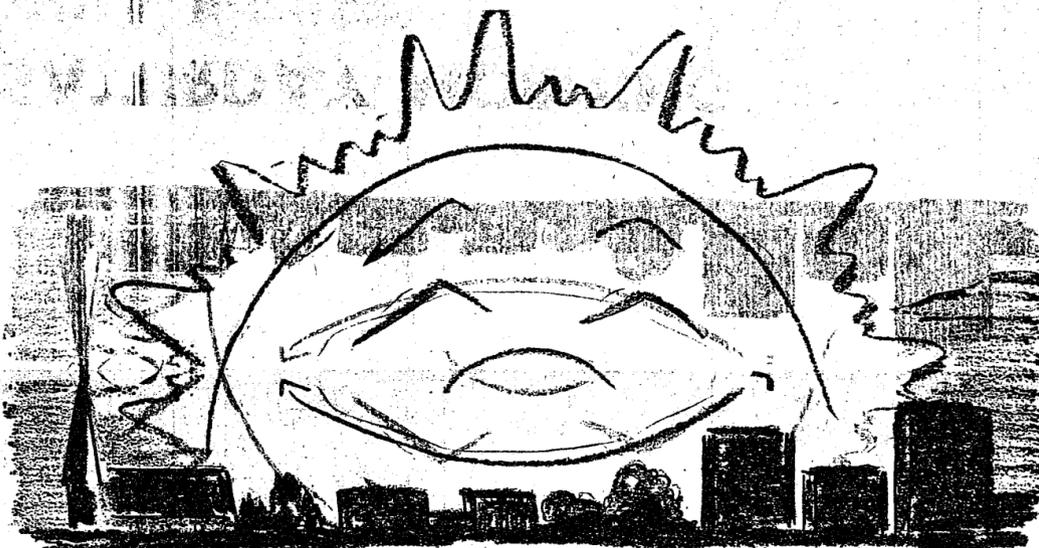

Motor Vehicle Highway Fund collections for the first quarter of 1970 are being distributed to Michigan counties, cities, and villages.

According to State Highway Director Henrik E. Stafseth, "net receipts in January, February, and March were \$132.3 million, up seven-tenths of one percent from the first quarter of 1969."

Of the amount taken into the fund during the first quarter of 1970, counties will receive 34 percent or roughly \$60.8 million and the cities, towns, and villages 20 percent or \$26.4 million.

Washtenaw county will receive \$881,325 this year as compared to \$864,903 last year while Jackson county is due to receive \$777,031 as compared to \$764,854 a year ago.

Local cities to receive part of the highway fund include: Ann Arbor, \$347,946; Chelsea, \$16,275; Dexter, \$8,849; Grass Lake, \$6,699; Milan, \$18,735; Saline \$11,652; and Ypsilanti \$87,375.
